OTHER CITIES PLEASED WITH ELECTRIC FRANCHISE

Read what they have to say. These are all of the replies received up until 6 o'clock last night.

February 14, 1950

Mr. Clifford McKibbin, Jr. City Manager City of Sanford

Dear Mr. McKibhin:

The Florida Power and Light Company and the City of Delray Beach executed a franchise agreement approximately three years ago. Our experience under this agreement to date has been very satisfactory. There have been rate changes, but only as cuvered by the cost of fuel increases. In a few cases the City has been given more advantageous rates on its own

facilities particularly where large blocks of power are used. Payments made under this franchise go directly into the general fund for the operation of the City and the use is not limited. Judging by the inquiries we have received, this franchise set-up is being copied by several sowns and cities throughout

> Very truly sours. CITY OF DELRAY BEACH Charles E. Illack City Manager

February 11 1950

February 14, 1950

Mr. Clifford McKildin, Jr. City Manager Sanford, Florida

Dear Sire

In reply to your letter dated February 10th, relative to City of Titusville leaving franchise with Florida Power & Light - Yes, we signed a franchise just about a year ago. I am sure it is very similar to the one you are considering. In fact, I under stand all of them are the same.

We are more than satisfied with this franchise. It is our understanding that the lights of Florida Power & Light are the same and cannot be changed with the exception of the fuel adjustment. Of course, they have a lower rate in larger cities such as Minmi, etc., then the communities the size of Titusville and Sanford have a set rate. then they have a set rate for rural sections. It is my understanding that the sate can-not be changed before or after signing this franchise unless it is changed universally over the state.

From our point of view, this six percent is an ownight gift, and definitely, the cost of lights will be the same whether you sign the franchise or do not. Funds received from Florida Power & Light will be deposited in the General Fund. of Titusville and will not be used for any Trusting this is the information you desire, I beg to remain.

> City Manager CITY OF THUSVILLE

To Property Owners In Jeminole County

Past

Early in Our History, Benjamin Franklin realizing fire was leaving many people homeless, organized the first fire insurance company in America, A MUTUAL COMPANY, so home owners could protect their hard earned maney, sometimes their life savings, invested in their homes, should fire destroy or damage same.

Present

Today, we offer you protection in atrong mutual companies, guaranteeing the money you have invested in your home in destroyed by fire, lightning, windstorm, helt, explosion or falling aircraft.

Under our five-year annual renew able plan we can write you a policy for one year and agree to renew it for four more years at a premium reduction of 20% each year after the first year.

By placing your insurance in mains, companies you will get a dividend suck year which may be deducted from the renewal premium or paid to you in each. The present dividend is 26% of the premium paid.

Mr. Clifford McKibbln, Jr., City Manager, Sanford, Fla. Dear Mr. McKibbin:

A PARAMA

Mr. CIM - NERDANG IN

Re: Your letter of 2-9-50. The Florida Power & Light Company have been operating in LaBelle for about two years now under the 30-year franchise with the following provisions "6 per cent

franchise payment on gross revenue of commercial and residential consumers less all

Iranchise payment on gross revenue of commercial and residential consumers less all locally imposed taxes."

The above is all that we got. No change in rates.

The above arrangement has been very satisfactory, of course if you can get a better rate or could get the local taxes eliminated from the deal it would be a very much better deal. I have not heard whether any one-has gotten a better deal than we have or not, I would be glad to know, if so.

We get in the above deal around \$1,200.00 per year which we put in the General Fund. It is left up to the City Commission as to what fund they put it in. Our City is very small, about 800 population, I believe, the last census and will run probably 1,200 now.

I understand that Ft. Myers voted in the above arrangement not long ago. They voted 2 1-2 to 1 in favor of the franchise according to a letter I received from one of

Your very truly,

Clifford McKibbin Jr., City Manager City of Sanford, Sanford, Florida

Your letter of February 9 received. The franchise which the Town of South Bay has with the Florida Power & Light Company has been very satisfactory to the town and brings in a nice revenue. There have been no changes in rates within the Town limits since granting the

franchise in so far as we know. There has been no limitation placed upon the use of the fund from the franchise by ordinance. By agreement of Town Councilmen, a part of the amount has been used to increase the number of city lights and to pay the monthly light bill upon these extra lights and the remainder is to be used upon improvement of the streets.

Very truly yours,

Mabel West Baratow. Town Clerk TOWN OF SOUTH BAY

February 15, 1950

February 13, 1960

February 13, 1950

Mr. Clifford McKibbin, Jr. City Manager, Sanford, Florida

Replying to your letter of February 10th. I am pleased to report to you that we are well pleased with our 30-year franchise to the Florida Power and Light Company. The only change in rates since this tranchise was granted was downward, due to the decrease in the price of fuel oil.

The revenue from our franchise is applied to the General Fund. If I can be of further assistance to you, please feel free to call upon me at

Contially yours, Fred M. Lowdermilk City Manager CITY OF NAPLES

FML: el

Mr. Clifford McKibbin, Jr. City Manager Sanford, Florida

Dear Ale McKilibin West Palm Beach has a franchise with the Florida Power and Light Company, which includes the 6 per cent payment on gross revenue of commercial and residential. less the taxes that they pay to the City, as you indicate Sanford is considering, The transluse has been very satisfactory to the City and the payment last year ran better than \$64,000. This money was placed in the City's general fund.

Since the granting of the franchise, there have been no rate changes. However, is you probably have there, our rates here include a commodity clause covering the cost of fuel and commodities; which has been very beneficial to the City in that no rate adjustments are necessary. I trust this gives you the information you desire.

Very truly yours, Keith R. Chinn City Manager CITY OF WEST PALM BEACH

KRC: VR

Mr. Clifford McKibbin, Jr., City Manager City of Sanford, Sanford, Florida

Dear Mr. McKibbin:

Dear Mr. McKibbin:

In answer to your letter of February 10th, we have just negotiated the franchise with the Florida Power & Light Company, and it is difficult for us to make a definite statement at this time regarding our experience.

Our relations with the Florida Power & Light Company in the past have always been good, and we have never failed to acceive their fullest cooperation.

As to what we will do with this revenue once we receive the first payment has not been decided. However, I am sure that with the many demands we have for improvement money right at this time, the Commission will allocate this income to a specific project next year. So far, there are no limitations placed on the use of this money.

Very truly yours.

F. D. Rankins City Manager CITY OF FT. LAUDERDALE, FLA.

ASK JOE? JOE_ KNOWS

The most powerful 6-Cylinder Ford Truck Engine Ever Built

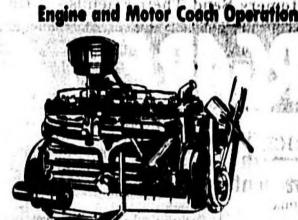

New Ford 110-H.P. engine plus new 4-speed Synchro-Silent transmission make Series F-6 the standout performer in its class!

THE BRAND NEW Rouge 254 Truck Six gives you new power, new performance, new economy in the heavy-duty field.

This 254 cu. in. powerhouse gives you the latest engineering ideas. Free-turn, selfcleaning exhaust valves, faced with durable cobalt-chrome alloy. High-lift camshaft for increased valve opening. Chrome-plated top piston ring for longer cylinder wall life.

You get these and many other new features in the new Rouge 254 available in Ford Series F.6. You get power that makes the F-6 the most powerful 6-cylinder Ford Truck ever built. You get the brand new 4-speed Synchro-Silent transmission. You get Bonus Built construction which means big reserves of strength and power. Come in today and get the facts about the new Rouge 254, the fourth in a great line of Ford Truck engines.

In Ford Series F-6-110 Horsepower, 212 lbs.-ft. Torque In Ford Series F-6 COE-106 Horsepower; 210 lbs.-Ht. Vorque 1911

THE NEW FORD 254 INCINE gives you all those modern design features!

TODAY'S BIBLE VERSE

Rigorous winters and hot sum more make strong men. Placid drifting on summer seas robs us of strength. We should welcome strees of life. Thou hast set all the borders of the earth; thou hast made summer and winter.

See the Sanford exhibit at the Central Florida Fais in Orlando this week. It is the best ever.

We have not always been right on elections as the Sanford public well knows. For instance, we did not support Governor Warren.

The Tampa Tribune proposes a

train ran past a red light into an

3-5 on him. 7-10 on Pepper, And Cot. Tracy, reminding his readers that his record has been 98 percent correct, says "Smathers is setting a terrific pace"; "Pepper is left at the post".

Don't object too strenuously when the municipal judge slaps a \$25 fine on you for speeding or driving while drunk. That \$25 fine may serve to remind you of the stupidity of such law violations the mext time you are tempted to do something wrong, and may save your life by preventing the accident which might have happened if you had again been guilty of speeding or driving while drunk.

George Smathers quotes Senater Pepper as having said upon his return from Europe, "Generalissimo Stalin is one of the greatest men of history and of the world. And he ie a man who keeps his promisea". The Senator is entitled to his opin-The Senator is entitled to his opinsize of course, but under the circonstances we think a more suitcolor public position for him to

The improvements we need to our children and income where in the future we can have a more progressive Sanford.

The improvements we need to our children and income where in the future we can have a more progressive Sanford. municipal water plant. We should continue the beautification of Fort Mellon Park. We need to make more use of our river facilities. We need a new fireproof hospital. We need more tennis courts, shuffleboard courts, lawn bowling and other recreational facilities. And we need a new stadium.

Every one of these projects will cost money. Some of them will cost as much as a million or a million and half dollars. We don't know where the City is going to get the money. We hope it doesn't have to raise taxes. We don't be-idle in the Canton and Danville. Every one of these projects will cost money. Some of dollars. We don't know where the City is someoney. We hope it doesn't have to raise taxes. We don't believe it could borrow the money, at least not very much, not without pledging the full faith and credit of the entire City of Sanford. We hope it doesn't have to do that, especially with bonds selling at 50 cents on the dollar,

But the City can get at least \$12,000 a year from the unions at Sioux City, Ia."

Idle West Virginia diggers gathered for several UMW local meetings at which the latest Lewis word order was read. No local word order was read. No local

special election to determine which 22 years, the right to continue doing business here for the word order was read. No local set of gamblers shall control the next 30 years. Twelve thousand dollars a year is \$96,000 by votel on it. The men just listened the end of eight years when the present franchise expires. An engineer on a Long Island lars a year is also the interest on \$300,000 at 4 percent. That

on-coming locomotive, killed 29

But it will actually be more than that. It will be more declared:

"We read the menu of that \$100 just a people, injured 105. It does not pay than that because it is "six percent of the gross revenues of the Florida Power & Light Co.", and these revenues will crats had and we all got indiges-Senator Tydings says that the new H-bomb might kill as many as the million people with one blast. That's pretty bad. May be we ought to get rid of some of those people up there in Washington who are see anxious to help the Russians of the city.

That is why the power company is in favor of the stadium. That is why it is in favor of the New York Giants

the Florida Power & Light Co.", and these revenues will crats had and we all got indigestion and aren't able to work."

Meanwhile, industries mounted. About 42,000 are idle in cont-using industries.

Jones and Laughlin Steel Corporation plans to close its big plants in Pittaburgh and Aliquipms employing 28,000, unless coal production in the city.

That is why the power company is in favor of the stadium. That is why it is in favor of the New York Giants

That's pretty bad. May be we ought to set rid of some of those people up there in Washington who are an abigger and bigger "kickback" for the city.

That is why the power company is in favor of the New York Giants diduing. The first returns of Col. Frank

Tracy's state-wide straw poll show George Smathers fleading in the Sanate race by a hair. The odds are 3.5 on him. 7-10 on Penner And is to have more people here to whom to say so in formal substant to close its big plants in Pittaburgh and Aliquipa. As Sunford keeps growing, so grows its telephone service. Tale phones in use have been increased 52% in 4 years and there use 1,418 in service here now.

In this period 2,335 persons applied for service here-ond only 216 ore still waiting now.

Much new equipment has been installed to keep Sanford's teleplante system grawing. For example, switchboard positions were increased in 1949 from 12 to 17. Three others will be installed luter in 1950 Seventeen long distance circuits were udded in 1949 tuday there are 44 circuits leading out of Sanford. Others are on the way facilities are also on the way to serve most of those now waiting for telephones. New facilities for the San Lando section me scheduled to be completed within a few weeks. More facilities for the Southwest and Lake Monroe areas are expected to be ready by May Equipment is being engineered for completion later in 1950 in the Plantation Estates, Luke Mary and Southside sections

The quality of service being rendered Sunford is good. When you pick up your receiver to get the operator, your signal is answered in less than 10 seconds 9812 times out of 100 On the average long distance call, the parties are connected within 21, minutes. Ninety out of 100 are completed while the subscriber holds the line. Yes, the telephons service in Sanford is good and dependable service, and we are proud to be growing with Sanford and helping Sanford

KNOW THE TRUTH ABOUT THE PROPOSED NEW FRANCHISE

COMPARISONS PROVE THAT FLORIDA POWER AND LIGHT COMPANY IS GIVING A DROP IN THE BUCKET TO SANFORD BY ITS PROPOSED NEW FRANCHISE.

THE CITY OF OCALA BUYS ITS ELECTRICITY FROM FLORIDA POWER CORPORATION, A COMPETITOR OF FLOR-IDA POWER AND LIGHT COMPANY, AND RE-DISTRIBUTES THE SAME TO ITS CUSTOMERS.

LAST YEAR THE CITY OF OCALA EARNED A PROFIT IN THIS OPERATION OF \$351,693.81, AND TRANSFERRED THEREFORM TO ITS GENERAL FUND \$234,142.96.

OCALA GETS MORE NET PROFIT IN ONE YEAR BY BUY-ING AND REDISTRIBUTING ELECTRICITY THAN SANFORD WOULD GET IN THIRTY YEARS UNDER THE PROPOSED NEW FRANCHISE.

THE FOLLOWING IS A COMPLETE STATEMENT OF OCALA'S OPERATIONS:

> "CITY OF OCALA, FLORIDA OPERATION OF ELECTRIC UTILITY SYSTEM Fiscal Year—Oct. 1, 1918 to Sept. 30, 1949

INCOME

Sales of Electricity \$682,591.74 Transfer & Service Charges 810.25 Sales of Equipment and Materials 1,454.72

Miscellaneous Income

Total Income

EXPENSE

\$333,372.62 Total Operation Expense Operating Profit \$351,693.8L

APPLICATION OF PROFIT

Expenditures for Fixed \$ 7,353,55 Assets (Equipment) Extensions of Distribution System 104,638.21*

Transferred to General Fund

231,142.96

\$346,134.72

Cash Balance at end of Fiscal Year

5,559.09

"In the Audit Report which is now being prepared, this amount will be reduced by the depreciation to be charged for the Fiscal Year."

SANFORD SHOULD WAIT EIGHT YEARS AND EXER-CISE ITS OPTION TO BUY THE DISTRIBUTING LINES OF FLORIDA POWER AND LIGHT COMPANY IN SANFORD, AND RUY AND RE-DISTRIBUTE ITS POWER AND EARN PROFITS LIKE OCALA.

IF THIS IS DONE, WE CAN BUILD THE STADIUM OUT OF ONE YEAR'S PROFITS, AND IF IT IS DESIRED BUILD THE TERMINAL OUT OF ANOTHER, YEAR'S PROFITS AND KEEP ON BUILDING ANNUALLY FOR SANFORD'S FUTURE GROWTH.

WE HAVE NOW WAFTED TWENTY-TWO YE LETS BE PATIENT AND WAIT EIGHT MORE

Vote NO In Tomorrow's Election For The Future Prosperity And Growth Of Sanford And To Its Greater Profit.

FEPC Bill Is By-Passed By 3 Other Bills

Cotton Acreage Measure Given Priority By Democrats: Housing Bill Aided

Senate today gave three other bills priority over the hotly disputed FEPC anti-discrimination measure. This means that the FEPC bill, No. 1 on President Truman's "Civil Rights" program, won't be taken up in the Senate before cometime in March. The decision was reached at a conference of Democratic

tenators today. Legislation to increase the number of displaced persons who would be
