

### Alabama Jury To Question RFK

United Press International  
An Alabama grand jury probing the Justice Department's role in the state's racial strife will go to Washington Monday to question U. S. Atty. Gen. Robert Kennedy.

The entire 18-man Dallas County (Selma) grand jury plus Circuit Judge James Hare and Solicitor Blanchard McLeod Monday accepted a Justice Department offer to make witnesses available to a "representative" of the panel.

The grand jury had issued subpoenas ordering attorneys in the department's civil rights division to appear before it in Selma with records of their activities. But this move was blocked last week by a federal court preventing such subpoenas.

Foreman Robert D. Wilkinson Jr. said Monday the panel wanted to ask Kennedy whether any Justice Department officials "had any part in enticing children away from school . . . to participate in street demonstrations," whether they "acted in any manner contributing to the delinquency of minors," and whether they "aided, encouraged or abetted in provoking riots, insurrection, or civil disobedience" in Selma.

### Probe Group Names Director

TALLAHASSEE (UPI)—The chairman of the controversial legislative investigating committee announced the second step in revamping the group Monday with the appointment of a staff director.

John Evans, former press assistant to Gov. Farris Bryant, was named to the \$14,500 post and will take over officially Dec. 1, although he actually started to work Monday, said Rep. Richard O. Mitchell of Tallahassee.

Mitchell, chairman of the committee, said Evans' experience as state director of cold war education would make him "invaluable in the work of the committee."

Commonly known as the "Johns Committee," the investigating group was created to look into subversion and homosexual activity. Mitchell said most of the group's activities over the coming two years would be centered on sniffing out openings in internal security.

### Football Tactics Foil Robber

BRISTOL, England (UPI)—Like a pair of razzle-dazzle football players, two bank messengers executed a bit of teamwork that foiled a would-be robber.

Pretty 21-year-old Jill Paget and Leonard Norrish, 30, were just going into a bank. The bandit came running toward them.

He lunged for Norrish's bag, which contained \$1,741. Norrish faked, then lateraled the bag to Miss Paget.

In motion, Miss Paget gathered the lateral in as she raced through the bank's doors.

The robber, discouraged jumped on a motorcycle and got away.

### Antarctica Bases To Be Inspected

WASHINGTON (UPI)—The State Department selected a nine-man team, including biologists, nuclear experts and diplomats, to inspect Antarctica bases of Russia and other countries.

Between now and March the group will visit scientific installations to check for any violations of the 12-nation treaty that reserves Antarctica for peaceful purposes. The treaty provides for such inspection.

### First Oil Well

United Press International  
The first commercial oil well was drilled in 1859 at Titusville, Pa., in a search for petroleum which could be distilled as a better fuel than whale oil, according to the American Petroleum Institute.

SEMINOLE PLAZA  
HWY. 17-92 & SR 436  
CASSELBERRY, FLA.

**By Julian Stenstrom**  
Sanford and Seminole County will be "rocked" Saturday night by the sound of music. It will not be the Broadway stage production by the same name. Instead, it will be a host of high school bands participating in the District V Fall marching contest presented by the Florida Bandmasters Association.

Local officials have made elaborate plans to host the visiting bands and have announced that spectators will be seated in the west stands since the east stands will be reserved for the numerous bands.

Pete Schaal, former city editor of The Herald and now an Orange County advertising executive, has announced that the 26th annual Peter Schaal trophy will again be presented this year to the youngster selected by a special group as the most outstanding Seminole High School football player this year. Pete began presenting the trophy back in 1925. It ought to be some sort of a record.

Francis E. Roumillat, Jr. president of the Seminole County Chamber of Commerce, has announced that the organization's board of directors will meet Dec. 5, to elect officers for the coming year. The confab will be held at 7:30 p.m. in the lobby room of Sanford's civic center.

S. O. Chase, an official of Chase and Company of Sanford, has been elected a member of the board of directors of the Private Carrier Conference of the American Trucking Association. Chase was named to the post during the conference's annual meeting held in conjunction with the ATA's 30th annual convention in Miami Beach.

Arthur H. Beckwith, Jr., clerk of the Circuit Court, announces that his office is now photostating instruments on a daily basis. For years this service has been done only twice weekly, on Tuesdays and Thursdays. The expanded service, says Beckwith, will provide a more efficient operation for the benefit of the public, the Seminole Board of Realtors, the Seminole County Bar Association, and those from other counties using the facilities of the clerk's office.

Seminole High athletic director, Fred Ganas, said this morning that tickets for the Tribe - Lakeview contest in Winter Garden Friday night are available in Sanford. Students may obtain tickets at Seminole High School until 3 p.m., Friday. Student tickets at Winter Garden will cost more than those purchased at the school. All adult tickets will be available only at the Winter Garden Stadium.

R. T. Milwee, Seminole County's Superintendent of Public Instruction, is in Tallahassee this week for a state-wide committee meeting on "Course of Studies."

JayCee Vice President Jack Ludwig has announced that the steak cookout for new members, originally slated to be held Monday, has been temporarily postponed. A new date for the event, says Ludwig, will be announced within a few days.

From Longwood, the "City of Opportunity," comes word that the area will get its fourth "junk yard" on Dec. 5, when an insurance salvage disposal for automobiles from all over Central Florida will be opened on Charles Street.

**Red MIGs Down Iranian Plane**

TEHRAN, Iran (UPI) — A Soviet Mig fighter plane accompanied by two other Soviet military aircraft shot down an Iranian civilian plane Wednesday in Iranian territory, killing two aerial map surveyors, officials said today.

**A 500-POUND BLACK BEAR**, the first reported killed this season, was brought in Wednesday by an eight-man hunting party. The animal was bagged in the Wekiva swamps by K. R. (Casey) Jones (kneeling at right). Other members of the party were (kneeling at left) Major Joe Story, (standing, left to right) Bill Hoover, Gus Schmah, "Doc" McDonough of Chattanooga, Tenn., Dr. E. C. Faust, Harry Robson and M. E. Shelby.

**Contract To 4-Lane Hwy. 436 To Be Let**

Altamonte Springs, now nearing completion of its big municipal water system project, began Wednesday night in regular council session to cope with problems relating to the four-laning of SR 436 from Hwy. 17-92 west through the town to Interstate 4.

**Teen-Agers To Get Monthly Driver Awards**

A teen-age safe and courteous driver award will be presented monthly by the Pilot Club of Sanford. Recipients will be selected by the city police, sheriff's department and Florida Highway Patrol.

Law officers will watch the teen-agers each month and select the one who displays the best driving techniques and manners on the street or highway.

**Area Election Deadlines Set**

Deadlines come up this weekend in three of four Seminole County municipalities for candidates to qualify and voters to register for annual local elections scheduled the first week in December.

Books close Friday in Casselberry and Oviedo and Saturday noon in Longwood. Closing date in Altamonte Springs was Nov. 11. Elections are slated on Monday, Dec. 2 in Casselberry and on Tuesday, Dec. 3, in Altamonte Longwood and Oviedo.

**Boy, 16, Loses Right To Drive**

A 16-year-old boy, charged with drunken driving, was declared delinquent by Juvenile Judge Vernon Mize Wednesday afternoon. The boy's driver's license was suspended for one year. The driver was involved in an accident last Friday evening at 20th Street and Hayes Drive.

**Rail Accident**

OCALA (UPI) — Some 50 passengers and crewmen escaped serious injury Wednesday when an Atlantic Coast Line steamliner slammed into a semi-trailer truck Wednesday at a railroad crossing near here, derailing two engines and three cars.

**Interest In Locations On Lake Rising**

A "back-to-the-lake" development movement is under way in Sanford. The Herald learned this morning that one of the major aviation industries is ready to commence negotiations for the construction of a new plant in the Sanford area, preferably along Lake Monroe.

The firm, it was reported, is interested in five potential sites and has requested information from the Chamber of Commerce relative to all types of industry in the immediate vicinity.

An electronics firm already has signified it plans to locate in Seminole County along the proposed St. Johns-Indian River Canal whenever the right of way for that waterway is determined.

Howard H. Hodges has announced a group of Sanford businessmen are studying the feasibility of locating a half-million-dollar cafeteria-apartment-motel lodge on the lake front in the vicinity of Park Avenue.

Jacksonville financial interests are reported to have obtained options on a site for a \$1 million port terminal on the St. Johns River immediately north of Lake Monroe.

John Krider, St. Johns-Indian River Canal District chairman, said today he believes the State Board of Conservation next Tuesday will allocate \$40,000 to finance an engineering feasibility study for the proposed \$11 million waterway, extending from Sanford to Mims.

Krider also reported the Chamber of Commerce has received numerous inquiries from potential developers about the canal.

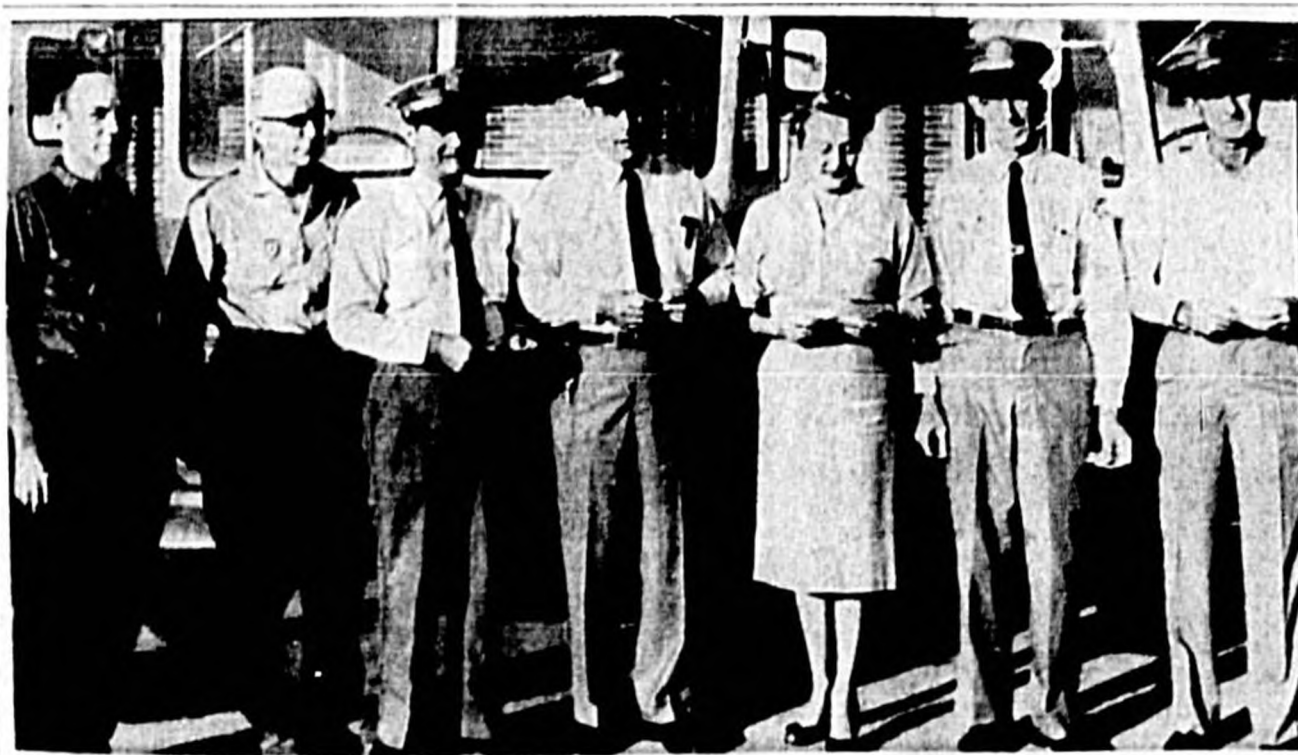

City of Sanford is promoting its Lake Monroe Industrial Park near the lake front. And the City also has been probing into the possibility of establishing a marina.

Development along Lake Monroe came to a halt in 1941 when river barge traffic was stopped because of World War II. Two, at about that time a waterfront warehouse burned. Industry began to move away from the lake.

But with the St. Johns-Indian River canal now nearing reality, with subsequent increase in commercial and pleasure water traffic, industry now is renewing interest in waterfront locations.

# Garden Club Approves Street Sign Project

**By Mona Grinstead**

An annual project of locating street signs on SR 484 through the village limits of North Orlando which are sufficient enough in height to be easily spotted was adopted by members of the North Orlando Garden Club at their monthly meeting last week.

Appointed as a committee to head the project were Mrs. Jesse Wallace, Mrs. W. W. Anderson, Mrs. Jane West and Mrs. Carl Hyatt.

The group also voted to sponsor a booth in the South Seminole Garden Club's Florida Show to be held next spring with Mrs. Leonard Stewart named chairman of this committee.

In other business, reports were heard on plans for the Community Christmas Party for which the Garden Club will be responsible for decorating the interior of the Civic Building and for serving of refreshments.

The Club will hold its Christmas Party in the building on Dec. 18 and decorations will be left until the Community Party on Dec. 19.

In charge of planning the club party are Mrs. Jack Riddley, Mrs. George Duquette and Mrs. Bill Wolfe.

Mrs. Duquette, who was hostess for the meeting along with Mrs. Ewington Harrison, presented a demonstration on how to top and root a pineapple.

Door prize was won by Mrs. Anderson.

# Osteen PTA Plans Purchases For School

**By Mrs. Clarence Sawyer**

Members of the Osteen Parent-Teacher Association voted at a recent meeting to use the more than \$200 made on the Halloween Carnival to purchase venetian blinds for the cafeteria and a jungle gym for the school playground.

Announcement was made that due to crowded conditions at the school it will be impossible to have a Christmas program as has been the custom, however, Christmas programs will be held in each room.

No PTA meeting will be held during the month of December.

Program speaker for the meeting was the recreational director for Defton, who told of the program planned by the new development and advised that residents of nearby communities would be invited to participate.

Refreshments were served by Mrs. Albert Pell and Mrs. John Juras.

# Dear Abby: By Abigail Van Buren

**DEAR ABBY:** My husband has been sick for a year. The doctor said he will last maybe another three months, four at the most. I want to know if it would be proper for me to wear a large black picture hat with a wide brim and a black sheer veil over it for his funeral. My friend says veils are worn with only small hats, but I am a large woman and don't look good in small hats. Also, could I wear a black tailored suit with a green and blue flowered blouse, or must I wear all black? If I wear all black, would it be alright to wear one large piece of costume jewelry?

**PREPARING AHEAD**

**DEAR PREPARING:** Wear dark clothing, and dress as inconspicuously as possible. A funeral is not a fashion show. And you appear to be so preoccupied with what you will wear that one might suspect you can hardly wait for the occasion.

**DEAR ABBY:** Joe and I were married in 1954 by a Justice of the Peace because it was all we could afford at the time. The first two years we had two babies. Neither of us was given up enough to accept the responsibilities of marriage so it seems in divorce shortly after the second baby came. I went home to my parents. We have been divorced nearly three years and in that time we have both matured a lot. We've been seeing each other, and have decided to try marriage again. I want a church wedding with a white gown and veil, Abby. I know this is not done for second marriages, but I think my case is the exception because there has never been another man in my life except Joe. And this, to me, is really like our first marriage. Please say it's all right.

**STARS IN MY EYES**

**DEAR STARS:** White wedding gowns and veils are traditional for first marriages only. But if your clergyman is willing to perform such a ceremony, I say go ahead and have it, and may God bless this union.

**DEAR ABBY:** How should a mother-in-law treat her ex-daughter-in-law? My son married a lovely girl. We grew very fond of one another and a truly good friendship followed. Then their marriage went sour. I can't turn off my feelings like a spigot for this girl. My son thinks I am being dialoyal to him because I haven't dropped her like a hot potato. Their children are still my grandchildren. Am I wrong?

**MOTHER-IN-LAW**

**DEAR MOTHER-IN-LAW:** Probably not. Your friendships are your own and not subject to your son's veto. But if your son has remarried, an excessive degree of affection for his former wife could make things awkward. Your son is wrong, keep your friendship, but don't flaunt it.

# Growth Of Seminole Schools Reported For Lyman PTA

**By Jane Cassberry**

Walter Teague, administrative assistant to County School Superintendent R. T. Milnes, presented a factual program on the rapid growth of the Seminole County school system during the past 10 years and how it operates at a meeting of the Lyman High School PTA held Tuesday night.

The Lyman area which encompasses all of South Seminole County has experienced the phenomenal increase in school population of 510 percent in the 10 year period.

In 1953 Lyman School included grades 1-12 with a total of 570 students. This year there are 3,350 children in the same area with more than 700 of them at Lyman, which now has only grades 10, 11 and 12.

School enrollment, county wide, has increased 151 percent in the past decade, with a present enrollment of 14,529 pupils.

The county school system includes 30 schools, eight of which were new in the past 10 years. School properties include 305 acres with sites in North Orlando and West-Orlando as yet undeveloped.

The 48 county school buses drive a total of 3,000 miles each day transporting more than 8,300 children.

There are 876 public school teachers and a total personnel of 900 employed, with a monthly payroll of \$377,772. The total annual expenditure per pupil is approximately \$260.

Teague also itemized duties of the school board, the school trustees, and the county superintendent.

Other county school officials attending the meeting were Stewart Gatchel, William Wharton, James Birkenmeyer and W. H. DeShazo.

Rev. Leonard Jones of the prairie Lake Baptist Church gave the devotional.

Mrs. Joseph Pavlichak, PTA president, introduced the members of the executive board.

Twelfth grade mothers served refreshments of cake, punch and coffee in the cafeteria following the meeting.

# Hospital Notes

**NOVEMBER 20 Admissions**

Morton, DeBary; Isaac T. Dulaney Jr., Orlando; Carmen Dees and baby girl, Jacksonville; Dorothy Moore and baby boy, Lake Monroe

# Jacoby On Bridge By Oswald Jacoby

Here is a hand that is a problem in both bidding and play. When it came up in the San Antonio tournament the final contracts ranged all the way from three no-trump to seven no-trump, with quite a few spade spades, six spades, six no-trump and six diamond contract throws in for good measure.

The only slam that makes its spades, South was the opening club lead in dummy and plays a spade to his ace. West drops the jack, and now South makes the safety play of a low spade to dummy's ten. This forces East's queen. Later on South finishes against the nine spot and makes the slam.

The bidding in the box was

# Straight-Up Plane Passes First Test

**FT. BENNING, Ga. (UPI)**

A new airplane designed to take off straight up passed its test flight "beautifully" at this infantry center Wednesday.

Called the Hummingbird, the twin-jet, fixed wing craft left the ground vertically, hovered for a moment and then zoomed forward in normal flight.

The plane, built for the Army by Lockheed Aircraft Co., is designed to take off or land without benefit of a runway as required by conventional aircraft.

# We The Women: By Ruth Millett

"Why Are You a Bore?" That's the heading over an advertisement for a book on conversation. But it's doubtful if anyone bothers to read the advertisement through because that heading will stop readers cold. Nobody considers himself a bore.

If a bore had the faintest inkling that he was a bore to others, he wouldn't be one. Because it takes a great deal less effort NOT to bore people than to bore them.

It's easier to listen attentively to talk, isn't it? And the man or woman who always talks, talks is almost always a bore while the quiet, good listener almost never is.

It's easier to take "No" for an answer—than to refuse to accept another's "No." But the bore won't take "No" for an answer. So he continually annoys by insisting that they accept invitations they don't want to accept and to fall in with plans they are trying their best to get graciously out of.

It's easier to say "I don't know" occasionally than to talk on and on about things you don't know anything

about. But the bore thinks he always has to have the answer and always has to get in the last word.

So, with far less effort than it takes to bore others to death, a person can easily avoid being a bore.

The trouble is—it never, never occurs to a bore that he is one.

Food for conversation: Ruth Millett's "Happier Wives (Hints for husbands)." Just send 25 cents to Ruth Millett Reader Service, c/o The Sanford Herald, P. O. Box 609, Dept. A, Radio City Station, New York 10, N. Y.

## Fire Auxiliary Plans Events For Holidays

By Mrs. Adam Muller

Members of the Auxiliary to the DeBary Volunteer Firemen's Association met in regular session last Thursday afternoon to plan activities through the holiday season.

Recommendations of the nominating committee for new officers will be presented at the December meeting followed by elections.

The covered dish Christmas supper and party for members and their families will be held in the Recreation Hall of the Fire Station on Monday, Dec. 16.

The annual luncheon will be held at the Orchard House on Wednesday, Jan. 8, beginning at 12:30 p.m. Cards will be played until 4 p.m. Reservations are being accepted by Mrs. Thomas Howard.

The group voted to purchase drapes for auditorium windows, matching the stage curtain, which should be up in time for the Christmas party.

At the close of the business, refreshments were served by the hostesses, Mrs. Otto Hartwig, chairman and Mrs. Murray Gilbert, Mrs. W. Dockray and Mrs. John Vetter. Games were played during the social hour.

## Girl Scouts Set Practice Parade

Seminole County's Girl Scouts will hold another parade practice Saturday morning at the Pinecrest School's parking lot in preparation for the annual Junior Chamber of Commerce Christmas Parade on Dec. 4.

All Juniors, cadettes and senior Scouts who have uniforms are requested to attend.

Any former Girl Scouts having uniforms which are not being used are requested to contact Mrs. J. A. Fuller, Girl Scout uniform chairman, at 1204 Crescent to donate or sell their uniforms.

## Winners Named In DeBary Beautification Program

Winners in the Beautification Program sponsored for the past three months by the DeBary Civic Association for business and residential sections of the community were announced early this week following close of the contest last Friday.

## Five Arrested In Loan Fraud

JACKSONVILLE (UPI) — Five members of a Jacksonville home building firm were arrested by the FBI Wednesday on a 48-count fraud indictment.

Charged with conspiracy to defraud the U. S. Government in connection with loans insured by the Federal Housing Administration were Walter J. Cowart, J. Edgar Cowart, Allen Cowart, Thomas C. Dean and Normal C. Kluesner, all from the Jacksonville area.

The Cowart brothers and their two employees were indicted by a federal grand jury in Miami Nov. 5 on charges of secondary financing, in violation of FHA regulations. They had posted \$500 personal recognizance bonds.

RADIO AND TELEVISION STAR, Fran Allison, right, took time out of her busy schedule to pose with Herald reporter Jane Casselberry who interviewed her at the Mayfair Inn as she was about to embark on a fishing trip.

## 'Aunt Fanny' Is Big Hit With Sanford

By Jane Casselberry

One of America's favorite "relatives" is visiting Sanford this week. Fran Allison, better known to radio and television audiences as "Aunt Fanny" is here with the Don McNeill's "Breakfast Club" radio show while it is being broadcast from Deltona Community Center.

She has endeared herself to the fans for her homespun humor since joining the program in 1937. The large audiences of approximately 100 persons who have flocked to Deltona each morning to see the show attest to the continuing popularity of the "Breakfast Clubbers."

Fran is originally from LaPorte City, Iowa, where as a youngster she absorbed much of the Americana which char-

acterizes her timeless interpretation of "Aunt Fanny."

"Aunt Fanny," who is a universal character which everyone associates with some one they know, first began as a gag, when Fran was working as a singer on a local radio station after giving up teaching for a show business career.

Fran is also remembered for her part for 10 years in the "Kukla, Fran and Ollie" television show, which charmed adults as well as children.

She was recently seen locally over WESH-TV on "Match Game."

She now lives in New Jersey, where her husband is in the music publishing business, and travels to Chicago for her part in the "Breakfast Club" show.

There is a genuine affection between members of the cast which has remained virtually the same since she joined it 26 years ago and she is proud to call the Don McNellis among her closest friends.

The show, which is carried all over the world by Armed Forces Radio, toured Europe last summer as a morale builder for service men and their families stationed there, who enjoy the broadcasts as a link with the folks back home.

Fran likes this area so much that she has decided to purchase a lot in Deltona. Fishing is one of her favorite hobbies so she especially enjoyed a fishing trip on the St. Johns Tuesday where she caught two bass.

She finds the people here exceptionally friendly... but then who could resist her vivacious personality!

# New Cost Of Living To Include Funerals

WASHINGTON (UPI) — The Labor Department will check prices from cradle to the grave for its streamlined cost-of-living index that will appear next February.

The costs of funerals—a controversial national topic—will be calculated for the first time in computing average expenses of the city-dwelling wage earner.

Labor Department officials said investigators would check the price of a complete funeral with undertakers in 30 cities. Their findings on funerals will not be listed separately by the government but will be blended with other price data in determining the Consumer Price Index (CPI).

Bank service charges, legal fees, room rent, and hotel and motel charges also will be checked for the first time next January for inclusion in the revised index.

The index already includes the cost of baby delivery, pulling a tooth, beer and whiskey, movie admissions and newspapers in addition to food, housing and transportation.

The index, often considered

one of the government's most valuable statistics, will be broadened to include single persons living alone. It formerly was limited to families of two or more.

Evan Clague, commissioner of labor statistics, said this would make it more useful as an indicator of how the 60 million urban wage earners in the nation spend their

incomes. Changes in the price of food, often of major importance in the index's fluctuations, will be "considerably less important" in the new measure of inflationary trends, Clague said.

On the other hand, housing and transportation costs will have more weight in the index starting next year.

### Bear Lake Youngster Celebrates Tenth Birthday At Family Party

By Shirley Wentworth  
Gary Kowalski celebrated his 10th birthday with a family dinner and party at the home of his parents, Mr. and Mrs. Robert Kowalski, Shirley Drive, in Bear Lake.

No formal celebration was planned but a neighbor friend, Paul Kenski, joined the family group for dinner and a series of games during

the evening. Mrs. Kowalski baked a special football cake for the event which was served after the dinner. Other family members

joining the celebration were Gary's brother and sister, Roger, Bonnie and baby Mike.

GARY KOWALSKI, center, holding his baby brother, Mike, at a family birthday celebration in his honor. Others with him are, from left, Paul Kenski, another brother, Roger and his sister, Bonnie, right.

### New Families Welcomed To Lake Mary

Mrs. Robert C. Rugenstein, Welcome Wagon hostess, reports the following new families welcomed to the Lake Mary area recently:

Mr. and Mrs. E. Leatherwood from Sanford; Mr. and Mrs. L. T. Riggs and children, Kenny and Vickie, from Guantanamo, Cuba; Mr. and Mrs. Jesse Hastings, Sherry and Mark from Los Angeles, Calif.; Mr. and Mrs. Francis Eliza and four children from Corpus Christi, Texas.

Mr. and Mrs. Olaf McCrosby, Phyllis, Mackie and Mike from Bristol, Va.; Mr. and Mrs. Van Hicks, Darlene, Van Jr., Lorie Ann and Bonita from Sanford; Mr. and Mrs. Glenn Rodgers, Glenn and Michael from Owensboro, Ky.; Mr. and Mrs. Albert Huff and Charlotte from Daytona Beach.

Mr. and Mrs. Charles Smith, Charles Jr. and Wanda Lou from Jacksonville; Mr. and Mrs. Kenneth Godwin, Glen, Jack, Karl and Bonnie from Lexington Park, Md.; Mr. and Mrs. Hollis Howard, Stephen, Michael, David and Cynthia from Waco, Texas; and Mr. and Mrs. John Crites, Ralph, Charles, Larry, Albert, Ted, Patay, Gimny, Gary, Ronald, Deborah, Daryl and Walter from Aberdeen, Wash.

### Phi Gamma Eta Pledges New Members At Recent Meeting

A formal pledge ceremony for new members of the Phi Gamma Eta chapter of Beta Sigma Phi was held recently at the home of Mrs. Robert Gonzalez, 1921 Palmetto Avenue.

Those seeking admittance into the chapter were, Meses. Colie Collins, Dave Sharp, Wendell Brooks, Robert Willis, the Misses Linda Hittell, Shirley Stumpf, Vicki Wesslund and Pam Jones.

The beautiful candle light ceremony was carried out with the traditional colors of blue and silver with pink roses. A bouquet of pink roses was arranged on a silver tray and centered on a white linen table cloth with blue candles representing individual guiding torches of wisdom to each

pledge. The ceremony closed with the pledges accepting the Beta Sigma Phi crest.

After the initiation was completed a business meeting was conducted by the president, Mrs. Joe Alexander. It was decided to prepare food baskets for needy families to be presented on Thanksgiving Day and to enter a float in the Christmas parade.

Following the meeting the hostess Mrs. Gonzalez served refreshments of cake, nuts, mints, coffee and punch. Others enjoying the event were Meses. Mike Crever, Rick Erickson, Robert Mitchell, Jim Warner, William Reck, Sid Vihlen, N. E. Jennings and the Misses Donna Hodges, Barbara Moses, and Leslie Jones.

MR. AND MRS. ARTHUR WATT, celebrated their 50th wedding anniversary while visiting relatives in the north. After returning home they had a small dinner party for a few close friends at their home on Bonita Road, in DeBary.

### Bear Lake Personals

By Shirley Wentworth  
Friends of Gary Massey, son of Mr. and Mrs. William Massey, Lake Asher Circle, will regret to learn that he is confined to the Maxwell Field AFB Hospital in Montgomery, Ala. He will be there for about three weeks for treatments. Mail may be addressed to him in care of the hospital.

Two new families are being welcomed to the Bear Lake area. Mr. and Mrs. Frank A. Hudgins moved from Lake Jessup to 1421 Bear Lake Road and Mr. and Mrs. Elwood C. Payne and two children, Victoria and John, are residing at 1425 Balm Beach. They formerly lived in Winter Park.

### DeBary

#### Personals

Mrs. Frederick Krammerer of Sunset Drive entertained her daughter, Mrs. William R. Hahn, and son, William Jr., at the DeBary Restaurant on Sunday prior to a visit at the Seminole Memorial Hospital, where Mr. Krammerer has been a patient. Fred Krammerer is a past commander of the Herbert D. Gibb Post 259, DeBary, American Legion.

### CFW Circle Three Meets With Mrs. Pearson

Mrs. O. T. Pearson was hostess for the monthly meeting of Circle Three of the Christian Women's Fellowship of First Christian Church.

Mrs. Jesse Gardner gave the devotion lesson and Mrs. O. D. Landress conducted the business session. It was announced that the speaker at the Church for Woman's Day would be Mrs. Mason Gregg.

A collection was taken for migrant work and Mrs. A. B. Huntley presented the study lesson on Christian Work in the cities.

Mrs. Harold Ring, CFW president, Mr. and Mrs. Mason Gregg and Mrs. Effie Durden were welcomed as visitors. Others attending were Meses. V. H. Grantham, A. B. Huntley, Margaret Barnes and Frank Washburn.

Mrs. Grantham will be hostess for the December meeting.

Good cutlery is essential to good carving. When buying knives, the quality of the steel used in the blade is the most important feature.

# Miss Carolyn Marie Haynie To Wed Orien W. Perry Jr.

By Donna Estes  
Mr. and Mrs. H. H. Haynie, 362 Grant Ave., Longwood, announce the engagement of their daughter, Carolyn Marie Haynie, to Orien Willard Perry Jr., son of Mr. and Mrs. Orien

MISS CAROLYN MARIE HAYNIE

Willard Perry Sr., of Casselberry.  
Miss Haynie is a graduate of the 1962 Lyman High School class and was a member of the DECA Club, Future Teachers of America, Glee and Pep Clubs.  
She is a member of the First Baptist Church of Orlando and is presently employed in the office of the Security Life Insurance Co. of Georgia.  
The groom-elect graduated from Lyman High School in 1958, is serving in the U. S. Air Force and stationed at Shaw AFB in South Carolina.  
The wedding is planned for Dec. 16 at 7:30 p.m. at the home of the bride's parents.

## Altamonte Couple Returns From Trip

By Julia Barlow  
Mr. and Mrs. Glenn Humes of Hattaway Drive Altamonte Springs, have returned home from a six week trip during which time Mrs. Humes underwent a successful stapledotomy at the hospital in New Orleans.  
While away they made a trip to Albuquerque, N. M., where they visited their son-in-law and daughter, Mr. and Mrs. B. W. Ayers and their two-year-old granddaughter, Heather.  
They took a short shopping trip to Junes, Mexico and on the return home stopped off in Jacksonville to visit Mrs. Hume's sister, Mrs. Hillary Schroder who presently is their houseguest in Altamonte.

A knuckle-cracker gives the fidgets to those around him.

## Rebekahs Honor Past Leaders

By Mrs. Clarence Snyder  
Seminola Rebekah Lodge No. 43 met at the Odd Fellows Hall with Mrs. Clarence Snyder, noble grand, presiding.  
Mrs. Louise Lawn, a newcomer to Sanford and a member of Peterboro Rebekah Lodge in Peterboro, N. H., was introduced and welcomed. Also welcomed was Mrs. Elizabeth Hannum, a member of Seminola that has returned to San-

ford after living in Zephyrhills for many years and Mrs. Emma Rowe, a former member now living in St. Cloud.  
The second meeting of November of Seminola Lodge would fall on Thanksgiving so it was voted to cancel that meeting. First nomination of officers was held.  
The lodge charter was draped in an impressive ceremony in memory of Mrs. Nancy Dobbins, a member who recently answered the last roll call.

The noble grand asked that all past noble grands be presented to her station. After reading an amusing poem about the "Hax Beens" the poem told of the wonderful work done by past noble grands and how much they were appreciated. Mrs. Snyder then presented each with a gift.

Those receiving gifts were, Mrs. Auburn Hector, Mrs. May Rubow, Mrs. Mae Myers, Mrs. Virginia Anderson, Mrs. W. L. Roche, Mrs. Louise Lawn, Mrs. Henrietta Raine, Mrs. Mary Jameson, Mrs. Henry Jameson, Mrs. Elizabeth Hannum, Mrs. Brodie Williams, Mrs. H. L. Moore and Mrs. Beula Thurston.  
Mrs. Thurston told of her recent visit to Hawaii. She flew to California, attended a Rebekah session there. Then in company with other Rebekahs she traveled to Honolulu, Hawaii, where the two Rebekah lodges of Hawaii and all lodges of California held a joint assembly. Nine hundred attended the assembly including representatives of all states including Alaska.  
The next regular meeting will be Dec. 12 at the Odd Fellows Hall.

## Lutheran Women To Meet At Church

The morning and evening circles of the Ladies Aid of the Lutheran Church of the Redeemer will hold a joint meeting today at the church.  
Mrs. Vernon Fedderson, president, said the meeting would start promptly at 7:30 p.m. and urged all members to make a special effort to attend. Officers to serve during 1964 will be elected during the business meeting.

# Prosperity At Home

In this country the competition for job-creating industries has never been more keen. Cities, states and regions vie with each other for the rich prizes of new industrial development.

Some areas are clearly compelled to lure new plants into their midst if they are to make any real dent in chronic unemployment. The older industries that may long have served them well have fallen off. Without an infusion from outside, they are caught in stagnation.

Heavily industrialized Michigan is taking an approach, however, that may have interesting lessons for most of the nation.

Right now Michigan is riding high with one of the most prosperous automobile production years in its history. Last year also was good. But the state has had its lean periods, and it no longer gets anything like the major share of the defense business it once had.

The State's specialists in economic development would like to recapture some of that business. But they do not wish to have too great dependence on it.

Nor do they want particularly to lure a flock of new concerns to Michigan, though plainly they will not bar the doors to solid enterprises seeking a base in the state.

What they want to do most is encourage the economic health of businesses already in Michigan.

The experts believe that 80 per cent of Michigan's economic growth in the decades just ahead will come from either Michigan-based companies or concerns with major Michigan branches.

The notion is that if these firms' needs are properly gauged and attended to, they will stay in the state and supply the expanding economic foundation it needs to care for its steady rising population.

There would seem to be immense good sense in this. Efforts to attract new plants are thoroughly understandable, especially in those places that are today deeply mired. But the concessions and other luring services represent in some ways, discrimination against already established companies.

Why should not these latter get the individual, pin-pointed attention they may require on certain problems in a changing world?

The truth is, if they don't, some of them will move away, drawn by the attractions put forward by more attentive authorities. And those which stay may in many instances suffer from an accumulation of unsolved problems.

A Michigan development specialist notes that 1,000 major firms have moved in the United States in the past five years. Another 1,000 plan to move in the current five years. Any alert area should be busy seeing what it can do to provide a setting and economic climate which will encourage employers to stay around.

Often the old industrial site complexities development, transportation alignments are outdated, community facilities are inadequate, tax structure is bad. Enterprising officials can be just as ingenious in meeting these difficulties as they can in luring new companies from the outside.

Michigan has no patent on this approach. It is obviously a good one and it deserves to be widely copied.

## Dr. Crane's

### Worry Clinic

Julie's case illustrates a triple tragedy. For three years she has been salvaged by knowing the "rules" about marriage. Also, millions of young couples know for less about the rules of marriage than Julie does about baseball. Yet you can't be good at either game until you know how to play it.

CASE #410: Julie E., aged 32, typifies a triple tragedy. "Dr. Crane," she began, "I was divorced and left to rear my two young daughters on alimony and child support."

"Five years ago, I met a divorced man who also is paying alimony and child support."

"But we fell in love and got married. Everything seemed wonderful for the first few months."

"Then my new husband began to sit in taverns, drinking to excess."

"He said he was worried about business and expenses,

for we are buying a new home."

"But even with his child support, we could get along very well. So I think his arguments about money are not the real problem."

"He has told me I am sexless and that I ought to read your column for some advice."

"Well, Dr. Crane, I do read you every day, but I can't feel romantic about a drunkard, arguing mate who staggers home at 2 or 3 a.m. and demands affection."

"Besides, he makes all sorts of wild accusations. If any of his cronies are missing from the bar, he believes they are out here with me."

"So he accuses me of being unfaithful and demands that I tell him which of my friends is having an affair with me."

"Dr. Crane, tell me what else I can do, for I don't want to have my second marriage wrecked!"

"This daily newspaper renders a tremendous service to

its vast area by thus helping correct the wrong thinking of both men and women."

Julie shows us three homes, two of which have already been broken up by divorce, while the third is on the ice. Yet almost ALL marriages would remain happy and permanent, if.

And that big "IF" means, if both parties would select quality matrimonial merchandise at the outset—and then play the game of marriage as per the rules!

The rules of the marital game are just as exact as those of baseball.

And in baseball, you are not granted four strikes, even if you are the spoiled darling of rich, overly indulgent parents.

So will you young married couples please get help to the fact that marriage is not a case of lazily drifting along, waiting for some outside force to keep you happy.

No, indeed! You must WORK at the job of marriage even more diligently than kids work at trying to make a sandlot baseball team!

You must practice and practice some more, following the precise blueprint shown in the "Tests for Husbands and Wives."

Enclose a long stamped, return envelope and 20 cents for these non-profit Rating Scales, for you can neither play baseball nor the game of marriage without knowing the precise rules.

Sex is not the only thing involved in happy marriage, either, but your failure to understand its full implications can wreck homes fast.

For men have a very different sexual outlook than women do, so you wives better become the domestic psychologist of your family and thus insure a permanently happy home.

Read tomorrow's follow-up wherein I show how Julie salvaged her marriage in the nick of time.

And scrapbook these cases, for I give you intensely practical psychiatry via this daily newspaper.

(Always write to Dr. Crane in care of this newspaper, enclosing a long stamped, addressed envelope and 20 cents to cover typing and postage costs when you send for one of his books.)

## Barbs

It's trick-or-treat all year for mothers—the trick is how to keep the kids out of the treats.

There are a lot of nice Americans—people who travel overseas.

One thing all children are sure to get this coming Christmas is some holidays.

## "I'M NOT INTERESTED!"

Peter Edson

### Political Notebook

WASHINGTON (NEA) — With Republican National Chairman William E. Miller making statements that, as of now, Arizona Senator Barry Goldwater has a lead over all his rivals for the GOP presidential nomination, it becomes increasingly difficult for party headquarters in Washington to stay neutral.

A recent check of top staff and subcommittee chairmen on arrangements for the San Francisco convention in July showed six favoring Rockefeller, four Goldwater, two Romney and two neutral. All were advised to maintain a neutral front.

President Don Luken of the Young Republicans' National Federation has been criticized for being too much of a Goldwater man. He has therefore been told to work for all the candidates and not play favorites, on pain of having his office rent and expenses cut off by GOP headquarters.

The National Committee still has to watch its finances pretty closely. The party was \$730,000 in debt when chairman Miller took over in January 1961. It still owes \$200,000.

There is no sign yet that the rich New York Internationalist, who in past years has financed the party, are now holding back in a "stop Goldwater" movement. But the money hasn't rolled in, even from the people who criticize President Kennedy the most. And the money raised at \$25-and-up political test-

monial dinners has had to go to campaign funds.

If it hadn't been for the drive of Executive Director William S. Warner, in trying to raise a million dollars by selling Republican party memberships at \$18 a head, GOP national headquarters might not have operated.

The party has been able to budget only \$83,000 for its southern division program under I. Lee Potter. This is an area where Republicans hope to make considerable gains next year.

A southern regional leadership conference was held in Charleston, S. C., to organize for this campaign.

State Chairman, national committeemen, women's and young Republican organization heads from Virginia to Texas were at Charleston. All GOP offices invited. State chairmen brought likely candidates for office in 1964. But the session was devoted mostly to strategy, not issues.

The catch is that the only Republican presidential possibility who has any appeal in the South is Goldwater. Southern Republicans are said to feel that they have a better chance to elect candidates in Dixie if they can ride Goldwater coastally into office.

For its attack on Democratic strongholds in the big cities, Republican national headquarters has budgeted \$80,000.

will meet in Chicago in a few weeks to map strategy for their campaign in the North. Clay Calborne, head of the GOP minority division, has done considerable work for this year's majority election.

Some of the Republican strategists seem reconciled to a belief that they aren't going to get the vote of low income Negroes. Their problems are considered more economic than political, and many of them don't go to the polls anyway.

The GOP campaign may therefore run more toward concentrating on the better educated Negroes who pay taxes and who do go to the polls.

By zeroing in on this element, the idea is that the Democratic vote in the cities might be cut 10 per cent or more. This might enlarge the majorities which Republicans traditionally win in rural areas. The hope is it will be enough to overcome the Democratic metropolitan vote.

It is admitted that GOP liberals like Senators Kenneth Keating in New York and Hugh Scott in Pennsylvania might be hurt in the metropolitan areas if Senator Goldwater should head the GOP ticket.

But the feeling of the professional politicians seems to be that for both the electoral college vote and the congressional district vote, Goldwater will have more appeal. That makes it hard to stay neutral.

Republican Negro leaders

### Phil Newsom Says . . .

## De Gaulle To Stay In

It is now all but official. French President Charles de Gaulle, who will turn 73 this Nov. 22, will seek another term as president to carry him at least through 1970.

The word comes from sources close to De Gaulle and is significant for two reasons.

—De Gaulle sees no one capable of succeeding him in the years which he regards as crucial for France and Europe.

—The North Atlantic Treaty, signed in 1949, expires in 1969 and must be renegotiated.

De Gaulle believes the NATO treaty must be refurbished to meet the changing times, including the fact that by that time France will be a full-fledged nuclear force able to strike both by air and from Polaris-type submarines.

Backed by a French nuclear force, De Gaulle believes, Europe then will be able to declare itself independent of the United States.

This also would include European independence of any two-way agreements reached between Washington and Moscow.

De Gaulle supporters believe that at least two recent events are proving the correctness of De Gaulle's atti-

tude both toward NATO and the question of Western negotiations with the Soviets.

One was the unexpectedly heavy criticism of the U. S.-proposed multi-nation nuclear fleet which was encountered among European representatives during a discussion of NATO policies. Predictions now are that the U. S. plan will be shelved indefinitely or at least until after British elections.

The Soviet blockade of U. S. convoys on the Berlin autobahn also is being cited in support of De Gaulle's boycott of disarmament talks with the Soviets until all Soviet threats are removed.

These, along with De Gaulle's concept of a future Europe, represent unfinished business which De Gaulle is reluctant to leave in the hands of others.

At home, a decisive demonstration of the strength of the De Gaulle leadership came recently in the National Assembly which approved both his record budget and large appropriations with which to build his nuclear force.

In the patchwork of French political opinion, efforts to present a united front of opposition to De Gaulle have

been successful only between the Socialists and Communists who voted in a bloc against his budget and nuclear plans.

For the opposition to De Gaulle, the wedding of the Socialists and Communists might easily prove more a hindrance than a help. For such a union recalls unhappy memories of coalition governments of the 1930's and the sad state of French preparedness at the start of World War II.

As of today it's best to bet on De Gaulle.

### Dick West Says

## The Band-Aid Boom

WASHINGTON (UPI) — When I recently learned that gambling casinos in Puerto Rico are under the jurisdiction of the Economic Development Administration, I thought I had encountered the quintessence of bureaucratic nomenclature.

Nothing, I figured, could be more appropriate than to define the game of roulette, not to mention blackjack and craps, as a form of economic development.

I now find, however, that in awarding this laurel to the government of Puerto Rico I was underestimating the ingenuity of our bureaucrats back here on the mainland.

In a couple of weeks, a beautiful new ski resort will go into operation in Blue Knob Mountain near Bedford, Pa., and this facility, I must admit, is a masterpiece of the Area Redevelopment Administration.

To my mind, ski resorts are even more compatible with economic development, particularly area redevelopment, than casinos.

First of all, Blue Knob is in the center of an area that has been hard hit economically by a slump in coal and railroad employment. Secondly, it is the purpose of the Area Redevelopment Administration to help such communities improve themselves.

Thirdly, nothing that I can think of is more likely to stimulate the economy than a new ski resort. The sale of leg splints alone should be enough to start the timber business booming.

The plaster of Paris industry will get a shot in the arm from the increased demand for arm casts, and the potentialities for the ankle bandage market are positively staggering.

These are only a few of the ways that a ski resort can enrich a community. They by

no means represent all of the bones a skier can break.

As the winter progresses, construction workers will be needed to build a new hospital, ambulance drivers will find steady employment and

accident insurance companies will be hiring more investigators.

In short, all an area needs to get back on its feet is a place for skiers to lose their footing.

## WHO'S THE MAN TO CLEAR LAND?

He's the man who operates Caterpillar-built machinery in your area. He knows the land clearing business — he specializes in it (like removing stumps, brush, palmettos and trees).

The Caterpillar equipment he has is dependable. We at Rozier see to it for him. With our service and parts facilities, we can assure him of more working time. So, you know you'll get the best, most economical job, when you want it.

Get the most out of your land — from the man who knows land clearing. Call the man with Caterpillar machines from Rozier.

About Sports

Thinking Out Loud

BY JULIAN STENSTROM

Pigott Issues Warning

Seminole Head Coach Jim Pigott, while admitting his Tribe is fired up for the Winter Garden Red Devils Friday night, has warned his machine that Lakeview is loaded with power.

"The Red Devils are not only loaded with power," say Pigott, "they're also jammed up with coaches. Head Coach Vel Heckman, who played with the Florida Gators about the same time as did Dan Pelham — who coaches the Sanford Junior High School Braves — has no less than six assistants who work with the varsity eleven.

Pigott reported that the Red Devils will also be up for this ball game because they realize a Lakeview victory can give Winter Garden a co-championship of the Orange-Belt Conference.

Butch Riser's Future Bright

A number of local football fans have conveyed to us reports on the impressive performance of Sanford's Butch Riser in the recent contest between Florida State University's Baby Seminoles and the fresh of North Carolina State.

Riser, a former Seminole High star, has been one of FSU's star frosh defensive backs this season. In the NC State affair he played more than half of the ball game which the Seminoles grabbed, 21 to 14. The game was played at Daytona Beach.

During FSU's three frosh tilts this season, the Baby Seminoles dropped hard fought contests to the University of Florida's Baby Gators and the Little Hurricanes of the University of Miami.

Riser's aggregation of Sanford fans will be looking forward with anticipation to the 1964 gridiron season at FSU with hopes of seeing him come through in style.

Oviedo Lions Deserve Praise

The Oviedo High School's Lions, and their two coaches, Jim Palmer and Art Scott, are due for a pat on the back for the fine job they've done this season, despite their record of two wins, one tie and five losses. After all, this is just Oviedo's second year of high school football.

However, the big surprise comes when you learn that there are only slightly more than 125 students at Oviedo school. Of this number about 65 or 70 of them are boys and this does not give Palmer and Scott a great selection of material.

So this Oviedo club deserves the praise of all Seminole County football fans.

Seminole County football fans not already engaged for Friday night are being invited to see the Lions in their final home action against St. Augustine's St. Joseph.

It'll be parents night at Courier Field and they'll be honored at the affair. And The Herald would like to congratulate these parents, too, for the fine job their sons have done this season.

Gators' Brown, Bennett After Records

Senior end Russ Brown, closing in on a school pass receiving record at Florida, would like nothing better than to achieve it before the home folks in Miami.

He might get an opportunity Saturday when the Gators take on Miami in the Orange Bowl, and Brown, a Miami Edison graduate, needs five catches for a new record.

He has a career total of 39 receptions, the record being 43 held by Forrest Ferguson.

Meanwhile, the Gators pass defense will be getting another stiff test, this time from the pitching of All-America quarterback George Mira.

"Mira will be, without question, the best passer we've been up against this year," says Florida head coach Ray Graves.

Florida sophomore Bruce Bennett is another Gator after a record, and with the number of passes which Mira will throw, he will be presented an opportunity.

Bennett has picked off six passes thus far, tying his with Walter Mayberry (1937) and Jimmy Dunn (1957) for the school record on pass interceptions in one season.

Motors Team In First Place

In this weeks play of the Jet Bowlerettes league Seminole County Motors are in first place with 30 1/2 wins and 13 1/2 losses. Badcock Furniture is second with 26 1/2 wins and 17 1/2 losses.

Tied for third is Cut 'N Curl and Mary Carter Paints with 22 1/2 wins and 21 1/2 losses.

Next is LIT Buggers with 20 1/2—23 1/2. Then Sanford Sewing Center with 20—24 and finally with 16 1/2 wins and 27 1/2 losses is Karus Insurance.

High Series honors went to Elaine Kostival with a 519. Shirley Martin was a close second with a 494. Elaine also had high game of 194. Shirley Martin and Claudette Behrens had games of 181. 179 was rolled by Alice Sexton, 175 by Jeanne Wolfe, 172 by Bertha Neville and 169 by Thelma Unger.

Spitta converted were the 3-10 by Jeanne Wolfe, 2-7 and 4-6 by Heien Marchesano, 2-1 by Ruth Crase and the 8-10 by Elaine Kostival. Alice Sexton rolled 2 turkeys.

Oviedo Ends Season With St. Joseph

The Oviedo High School Lions will close out their 1963 home schedule Friday night when they meet the St. Joseph's High School eleven from St. Augustine at Oviedo's Courier Field.

Kickoff time is slated for 8 p.m.

Head Coach Jim Palmer and his associate, Arthur Scott, announced that Friday's contest will be featured by the observance of Parents' Night. Parents of Lion football players will be introduced to the crowd and will occupy seats in a special section for the game.

Yesterday afternoon Palmer and Scott put their charges through another stiff workout in preparation for the St. Joe encounter. The Lions, just in their second year of football at Oviedo High School, will be seeking their third victory of the season. The Lions' record to date indicates two wins, five losses and one tie.

Officials at the school were of the opinion that the 1963 season, although there are two games still to be played, has been a successful year despite the club's win and loss record. The Lions have only a limited number of personnel available. However, the outlook is considerably brighter for next season since the Lions have only one gruder, guard Leroy Wood, who will not return for action next year.

The Lions are not a member of any high school conference. They play as an independent.

Crooms To Play Arch Rival

Robert B. Thomas Jr. (Herald Sports Writer)

The Crooms High Panthers will match claws with the Jones High Tigers of Orlando Friday Night at Sanford Memorial Stadium. Jones High has been Crooms' arch-rival for many years. The Tigers have a tremendous offense led by Nathaniel Felder, a fast and shifty halfback. This team also has a great defense.

The big question is: "Can the Panthers' vaunted defense stop the Tigers' running attack?" Of course the Panthers have something going for them also. Hildred Green, the blasting fullback, is tremendous. It is very doubtful that the Tigers have faced a more powerful runner than the big fellow. Green feels confident of a victory. David Peterson, who plays halfback, has great moves and good balance.

During the latter part of the season, Crooms opponents keyed in on Green; and Peterson offset their plans by running through them. Coach Holt says the spirit of the boys is higher than at any time this season. "The coaches are satisfied with this type of attitude," he said. "We anticipate a rough, tough and exciting game that could go either way," he added.

"Our offense is ready to explode; and our defense is sharp and alert," he concluded.

Seminoles Fired Up For Lakeview Game

"We'll be fired up and ready for the Red Devils this Friday night," said Head Coach Jim Pigott this morning after Wednesday's workout held by the Seminoles in preparation for this week's encounter with Lakeview High School of Winter Garden.

The Pigottmen of Seminole High will be going after their eighth win of the season and a chance to win the 1963 Orange Belt Conference championship, provided they not only whip the Red Devils but also take the DeLand High Bulldogs the following week.

"Right now," said Pigott, "our boys are fired up—both mentally and physically. I really believe they're inspired. After all, our last road trip was a bit distasteful." Pigott was referring to the contest in Leesburg recently when the Yellow Jackets punted the Tribe with its only loss of the current campaign.

The Red Devils will be stacking their defenses against the Seminoles, according to Pigott. "They're an all-senior team and they've got a crack-jack quarterback in Gary Hewitt," Pigott said the scouting reports on Lakeview indicate they do not pass as much as most of the clubs the Sanford eleven have met this season. "However," Pigott said, "they have power and speed on the ground."

Jim was talking about Winter Garden's left halfback, Jerry Dougherty, a speed merchant, and right halfback Allen Hays, a hard-charging runner who carries the mail for the Red Devils more than half of the time.

The Winter Garden crew runs from the T-Wing with a split end, and as Pigott puts it, "They've got the power to burn." Pigott admitted, however, that the Devils lack reserve strength. But he said they've got the line to go with their power.

The Tribe will be using Lloyd Freeman quite a bit in the Black Ram offensive backfield Friday night along with Chuck Scott who has earned a chance, according to Pigott, to see offensive action because of his fine performances last week.

The Seminole mentor said that Lee Sparkman, Sanford's big fullback, will see dual duty Friday night. In addition to running from fullback with the Black Ram Sparkman will also be used as a head-hunter defensive middle guard and tackle in an effort to beef up the Tribe's line to stop the power attack they expect from the Red Devils. In addition, Pigott added, half back Earl Black will also see some offensive action.

Lyman had its homecoming spoiled last week by Florida Air Academy 21 to 14 but hopes to take revenge on the Commodores.

The main objective this week has been pass defense as two of the FAA touchdowns were through the air. The 'Hounds have been holding

100 Drivers To Vie For Drag Cash, Trophies

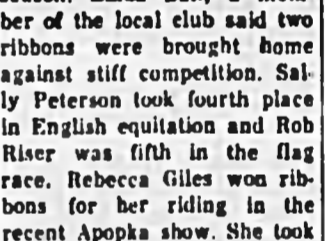

Rugged competition is expected in both stock and "gas" classes Saturday as more than 100 drivers compete for \$400 in prize money and trophies at the Osceola Drag strip near Geneva.

their own in stopping ground plays but their downfall seems to come in aerial defense. Although some of the boys come up with some of the good blocks and an occasional interception, on the whole their defense has been bad.

The spirit of these boys is all that has kept them going and the desire to win keeps driving them on as they prepare to meet the next foe. The Eau Gallie team is favored to win by two touchdowns.

FRANK NOELL

Seminole Senior Frank Noell, a second year varsity offensive left end, will be in the lineup for the Tribe Friday night when the local high school eleven meets the Lake View Red Devils of Winter Garden. Noell (No. 82) also handles defensive halfback and outside linebacker duties. Although weighing only 150, Frank is a dependable athlete, an excellent offensive blocker, and — according to a Line Coach Jim McCoy — a fine pass receiver. Frank, a member of the Seminole swimming team.

Riders Bring Home Horse Show Ribbons

A large number of riders from the 5-H Riding Club participated in the Lake County Horseman's Association show, the first of the season. Linda Ball, a member of the local club said two ribbons were brought home against stiff competition. Sally Peterson took fourth place in English equitation and Rob Riser was fifth in the flag race. Rebecca Giles won ribbons for her riding in the recent Apokpa show. She took first in flag and fourth in cloverleaf. The next Apokpa show is November 24, all timed events, no judged classes.

The most recent outing for the group was a successful ride from Ball's pasture to the Joe Foy home where a weiner roast and boat ride was enjoyed. At a recent meeting the riders planned a work day and moonlit ride for November 29, they are also planning to ride as a group in the Christmas parade. Ribbons will be given by the club for the best dressed boy and girl in English habit and western attire.

Local officials are also hoping for an appearance by Bob Tucker of Orlando, a prize winner wherever he has driven his 1963 all-aluminum Chevrolet this season and one of the best-known leadfoots in Florida racing circles. Gas class competition will highlight R. L. Payton's 600 hp Dodge from Daytona Beach, and the Sanford Naval Air Station's Tom Rogers, who drives a "B" altered Chevrolet.

Graham Voted All-Time Best

NEW YORK (UPI) — Ote Graham, who led the Cleveland Browns to three National Football League championships in six years, today was named the greatest pro quarterback of all time by a panel of the country's leading sports writers and sportscasters.

Muguerza, Ermu Win Feature

Muguerza and Ermu were winners of the 11th game all star feature doubles Wednesday night at the Orlando Seminole Jai Alai Fronton. For Muguerza, finding his pace after a slow start this season, it was the second win of the night. He took the ninth game singles with a spectacular seven straight points. In the daily double, it was Estrada and Ermu a 7-6 combination paying \$147.20.

Muscular dystrophy cripples and eventually kills. Give generously for medical research during the Thanksgiving March for Muscular Dystrophy.

Local officials are also hoping for an appearance by Bob Tucker of Orlando, a prize winner wherever he has driven his 1963 all-aluminum Chevrolet this season and one of the best-known leadfoots in Florida racing circles. Gas class competition will highlight R. L. Payton's 600 hp Dodge from Daytona Beach, and the Sanford Naval Air Station's Tom Rogers, who drives a "B" altered Chevrolet.

Other local entrants include Ray Hudson, a heavy winner in his 1963 Corvette Sting Ray; Pat Harred; Tom Gregory; C. C. Lord; Jim Bowen and Robert Myers.

## Three File In Oviedo For Annual Election

By Bernice Kelsey  
Three men have filed as candidates in the Dec. 3 elections for posts open on the Oviedo City Council with all indications being that none of the three will face opposition. Deadline for qualifying is Friday.

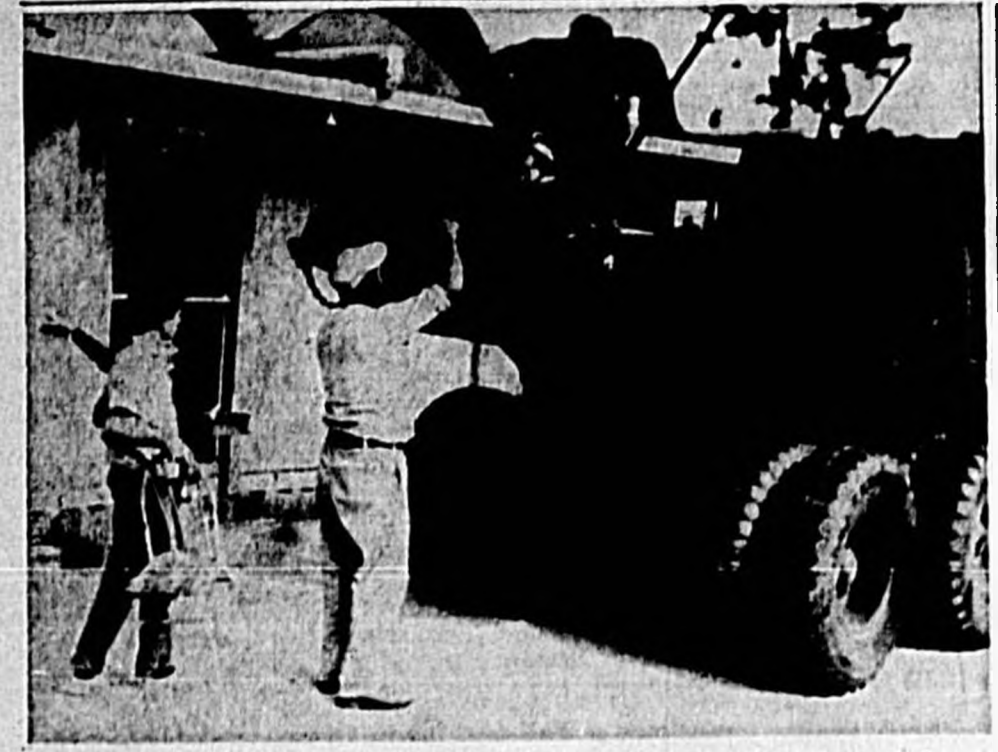

Offices open are those of the mayor and two members of the council. Seeking re-election are Mayor Lee Gary and Councilman T. L. Lingo Jr., while Robert L. Ward, brother of Councilman Ben Ward Jr. whose term expires this year, is running for this seat.

Gary has been mayor of Oviedo since 1960 and was a member of the council for two-and-one-half years prior to this time. He was elected as County Commissioner for District 4 in 1962 and took office in January, 1963. An active member of the First Methodist Church of Oviedo, he is vice chairman of the church board and is chairman of the trustees. He is employed at Nelson and Company in the Harvest Department and, as mayor of the town, is head of civil defense for the Oviedo area.

Lingo, a native of Oviedo, has served for two years on the council. He is a member of the Methodist Church, of American Legion Post 243 and is a veteran of World War II. He graduated from Oviedo High School and attended Junior College in Douglas, Ga. He and his wife, the former Lacy Arle, are the parents of four children, Thad, Marshall, Guy

and Robn. Lingo is associated in business with the Lake Charm Fruit Company.

Ward, who seeks his first term on the council, is 39 years old. A graduate of Oviedo High School, he also attended the University of Florida. He is associated with the B and R Groves in Oviedo and with Mead Manor, the new housing development. An active member of the First Baptist Church of Oviedo, he also is a member of the Athletic Association and of the American Legion Post having served in the Army from 1953 until 1955. He likes sports of all types and is very active in Little League baseball. He and his wife, the former Jo Ann Fleming, are the parents of three children, Lee, Cindy and Candy.

TOYS FOR TOTS were collected in North Orlando Sunday afternoon by local volunteer firemen and members of the Marine Corps Reserve. In the photo, Fire Chief Bill Hahn and Bill Strickland hand toys up to Reserve Corps member Lloyd Brown. (Herald Photo)

## Casselberry Scouts Win Camp Honors

## Rally Set Today In Longwood

By Donna Estes  
Longwood's annual political rally will be held at 8 p. m. today in the City Park.

The program, which will be moderated by R. T. Milwee, will include a short talk by each of the city council candidates and a question and answer period.

Candidates who have qualified for the Dec. 3 municipal election to fill the posts now filled by B. L. Helms, Jim Reiter and Carl Lommer, are the incumbents and E. E. Williamson, Percy White, H. H. Ferrall, Ted Waltz, Mrs. Gert Hillman and Joseph Dean. Expected to qualify before the Saturday noon deadline is Mark Hullock.

Hot coffee and doughnuts will be served by the Longwood Volunteer Fire Department, sponsors of the rally.

## Chorists At Rollins

By Mrs. Adam Muller  
The DeBary Chorists, directed by Laura Platt Brown, participated Sunday on a program of music presented at Martin Hall, Rollins College Conservatory of Music.

Selections were "Carmena" by H. J. Wilson; "Bless You" by Novello-Taylor and "List, the Cherubic Host," from The Holy City by Gail. Soloists were Mrs. A. MacNaughton, Mrs. E. Armstrong and Robert N. McGee. Mrs. Ludwig Kueper was accompanist.

## DeBary Man Wins Award

By Mrs. Adam Muller  
Tinsley Miller of the DeBary Arts and Crafts Club has received a certificate of merit on his photograph, "Flicker Feeding Her Young," which was submitted in a recent area contest. Best of the series will be judged later for top awards.

Miller has won several state honors for his work in photography.

## Allamonte Boys Attend Camp At Lanoche

By Julia Barton  
Sixteen members of Allamonte Springs Boy Scout Troop 38 and Explorer Post 38, along with leaders, attended last weekend's Fall Camporee of the Wekiwa District at Camp Lanoche.

The Explorer Post led in ceremonies for the Order of the Arrow, assisting as junior leaders were James Stuart III, Patrick Shea, Robert James, Cory Meltride, Mike Sewell and Barry Polt.

The troop was accompanied by Scoutmaster Jack Stuart, assistant Joe Simunek and Explorer Advisor Don McLeod.

The Order of the Arrow conducted a Tap Out Ceremony around the campfire Saturday night at which time the correct procedure for destroying a worn-out American flag was demonstrated with permission from the Paisley Post Office.

Transportation of gear and equipment to the camp was provided by McLeod and Graham Fuller, troop chairman, Stuart, Simunek, McLeod and Mrs. James assisted in providing transportation for the boys.

Those attending were Bruce Stuart, Don Paulsen, Frazier Wilson, Jeff McLeod, Gerald Crocker, Jeff Baum, Mike Spin, Walter Stevens, Don Polt, Jack Simunek, Ricky Parker, Michael Henricks, Stuart James, Greg Danko and Bryan and Len Staehli.

## 'Toys For Tots' Collection Made In Village

By Mona Grinstead  
Last Sunday afternoon was "Toys for Tots" pickup time for the Marine Corps Reserve and the North Orlando Volunteer Fire Department.

Many large items such as full-sized bikes and riding toys for children were donated and men and boys of the village were kept busy loading the Marine Corps truck.

Lloyd Brown, local member of the Corps, expressed appreciation for the boys saying "we thank everyone for the donations and collections. Another collection will be made and toys which can be repaired will be very much appreciated."

## Bridge Club Names Winners Of Week

DeBary's Duplicate Bridge Club played 15 tables in two sections at this week's weekly meeting held Tuesday in the Recreation Hall of the DeBary Fire Station.

Section A was directed by Howard Middleton. Winners were NS, tie for first and second, Mrs. Robert Nichols and H. Guy Chass with Mrs. Frank Austin and Norman Meyer; third, Mrs. William Woodlock and Mrs. Ruth Blatt.

EW, first, Mrs. Myrtle Dunnebacke and Mrs. Nan Edwards; second, Miss Ethel Johnson and Harry H. Brown; third, Mrs. Myron Accardi and Mrs. Louise Middleton.

Section B was directed by Mrs. Jessie Pearzall. Winners were NS, first, Col. William Hague and E. M. Hinkle; second, Mr. and Mrs. Frank Matheson; third, Mrs. Albert Besom and Norman Meyer.

EW, first, Mrs. Loretta Munson and Myron Accardi; second, Mrs. Edna Reilly and Mrs. Elan Unkle; third, Mr. and Mrs. H. E. Walters.

Next week's play will be the Muster Point Game.

## Lyman High Crowns Homecoming Queen

By Jane Casselberry

## Altamonte Sale Moves To New Location

By Julia Barton  
Location of the Altamonte Springs Rummage Sale sponsored each weekend for benefit of the Library has been moved to the B. D. McIntosh Shop on Longwood Avenue.

Sale hours will continue to be from 9 a. m. until 5 p. m. each Friday and Saturday until further notice. Furniture and space heaters are available. Children's clothing, pots and pans and other kitchen items and blankets always are in demand and donations would be appreciated.

Chairmen of the project have expressed appreciation to C. R. Lowdermilk for use of his office for the sale up to this time.

## Chuluota First Aid Class Completes 10-Hour Course

By Jean Magin  
A lecture on poisonous plants and snakes in Florida and a demonstration on use of a newly developed snakebite kit was presented recently in Chuluota for members of a First Aid Class at the final meeting.

Ray Kabeel of the Seminole County Health Department, who was in charge of the program, advised that plants found here which are extremely dangerous include the alamaunda, gloriosa, hydrangea, poinsettia and asarbean.

He demonstrated the snakebite kit which was developed and put in use by the Armed Forces and is now available to the public.

Members completing the 10-hour course who were presented certificates by Jay Sauer, instructor, were George and Florence Boulden, Glenna Shearon, Kay Presley, Gwen and Cathy Myers, Mrs. Perrin and Mrs. F. Hetterly.

Mrs. Martha Kilpatrick and Sally Neider, Red Cross safety instructors who gave demonstrations on resuscitation, also were present for the meeting.

## DeBary Firemen Cancel Dance

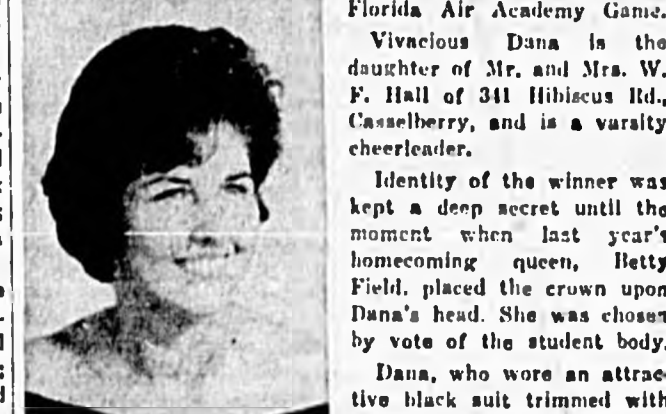

By Mrs. Adam Muller  
The regular Saturday night dance of the DeBary Volunteer Firemen will not be held this week in order that residents of the area may attend a dance being sponsored by the Orange City Firemen at Dickenson Memorial Hall.

The next dance of the DeBary group will be held on Dec. 14 when those attending also will enjoy a Christmas Tree Trimming Party with Grab Bag.

All men and women attending are asked to bring a gift suitable for their sex. A gala evening is promised by the entertainment committee.

## Lyman High Crowns Homecoming Queen

By Jane Casselberry  
Dana Hall, 17 year old Lyman Senior, was crowned

DANA HALL, 17 year old Lyman Senior, was crowned Homecoming Queen last Friday night during the half time ceremony at the Greyhound-Florida Air Academy Game.

Vivacious Dana is the daughter of Mr. and Mrs. W. F. Hall of 311 Hibiscus Rd., Casselberry, and is a varsity cheerleader.

Identity of the winner was kept a deep secret until the moment when last year's homecoming queen, Betty Field, placed the crown upon Dana's head. She was chosen by vote of the student body.

Dana, who wore an attractive black suit trimmed with a fur collar, was presented with a lovely bouquet of red roses.

The queen's escort was Lonnie Frier. Members of the court and their escorts were Ann Miller and Dave Mattis; Maria Jones and Joey Pavelchak; Dallas Cassel and Donnie Smith; Kay Clarke and Lee Kivinski and Sandy Tennant and Tony Ponticelli. Miss Field's escort was Randall Moye.

The Homecoming was sponsored by the Lyman Student Council, Pete Carlson, president. In charge of homecoming committees were Margaret Garrett, election of queen; Sandy Tennant, decorations and Dan Casselberry, publicity.

Also taking part in the half-time show were the Florida Air Academy Drill Team and the Lyman Marching Band, directed by Bandmaster Bill Bennett.

Barbara Diggs, Nancy Copeland, Christine Franzen, Barbara Ellis and Diane Keeney, Lyman Majorettes, gave a special twirling exhibition.

## Enterprise PTC Elects Officers At Open House

By Helen Snodgrass  
Officers of the newly reorganized Parent-Teacher Council of the Enterprise School were elected and installed at a recent Open House held at the school.

Serving will be Mrs. Anabelle Troph, president; Mrs. Marian Braddock, vice president; Mrs. James Davis, secretary and Mrs. Roy Semones, treasurer.

Presiding at the brief business session held preceding the Open House was last year's president, Mrs. Pat Hatchett. Devotions were given by Mrs. James Davis. Minutes of the last meeting were read by Mrs. Braddock and Mrs. Florence Carter gave the treasurer's report.

Room count was won by the fourth grade.

Mrs. Sylvia Harden, principal, spoke of plans for the present year and the importance of parents working with the teachers and children. She stressed that each child is different and that some need extra care and help. She warned that students can not be pushed into work for which they are not prepared and also advised that established rules of the classroom and playground must be observed for the good of all.

It was reported that 81 percent of the students were served in the school lunchroom last month. Lunchroom workers and Edwin Braddock, basketball coach, were introduced.

H. McCann, speech therapist of Daytona Beach, was present for the meeting.

## King, Queen Named

By Mona Grinstead  
Donnie Cordell and Gill Voskan, Longwood Elementary sixth graders, will be crowned King and Queen of Saturday's Harvest Festival being sponsored at the school from 4 until 8 p. m. by the PTO.

Donnie, son of Mr. and Mrs. Wibur Goodall of Longwood, is a student in Van Woodward's class and Gill, daughter of Mr. and Mrs. Leo Voskan, also of Longwood, is a

student in Miss Ruby Booth's class. Both were chosen as result of a coin box count made Tuesday by PTO and school officials. An overall total of \$92 from all classrooms was collected with Miss Booth's class turning in \$14.54 and Woodward's contributing \$14.03.

A prince and princess will be named during Coronation Ceremonies to be held Saturday to formally open the Festival.

Attractions scheduled for the event include three fish ponds, a country store, a cake walk, bean bag throw, treasure hunt booth, wet sponge throw, cane game, basketball throw, train rides, a candied apple, peanut and popcorn booth, beauty shop, a dinner in the cafeteria and an auction.

The dinner, featuring spaghetti and meat balls, will be served between the hours of 5 and 8 p. m. at nominal prices for adults and children.

## 'Firemen's Day' Taking Shape

Program for the Ginderville Firemen's Day on Dec. 14 is rapidly taking shape following announcement that Congressman A. S. Herlong Jr. will be principal speaker for the day.

Senator Mack N. Cleveland Jr. will act as master of ceremonies and will be in charge of introductions for an outstanding number of federal, state and county officials.

Seminole High's 68-piece band, under direction of Bandmaster Ernest Cowley, will provide music for the occasion and lifesaving demonstrations will be presented by the Rescue Unit of the Casselberry Volunteer Fire Department under leadership of Chief Paul Bates.

The new area directory being published by the Ginderville Volunteer Fire Department will be unveiled by Janice Russell, Miss Flame of Seminole County.

Refreshments will be served by members of the Ginderville department's auxiliary.

Announcements for the day's entire program and a complete list of dignitaries expected to attend will be ready for publication next week.

JUDGE VOLIE WILLIAMS, left, checks proof of cover for the new Ginderville Firemen's Directory with Carroll Burke, secretary of the volunteer fire department. The completed, full directory will be presented for distribution to the public on Dec. 14, Ginderville Firemen's Day.

## Needs Of Children Discussed At Meeting Of Slavia PTL

By Bernice Kelsey  
Discussion on "The Needs and Tasks of Children" was continued Monday night by PTL members of Slavia's St. Luke's Christian Day School with Joe Battle, teacher for the third and fourth grades, as moderator.

Emotional needs of children discussed included (1) the need to feel secure, (2) the need to feel important and (3) the need for love.

Battle pointed out that lack of love could result in a child's seeking attention by being naughty and that in order to feel important he could become the "classroom clown."

He explained that parents oftentimes are unjustly critical by expecting more than it is possible for a child to achieve and stressed that praise offered when a child is in doubt gives him confidence.

He reminded that the fundamental task of parents is to develop trust and self reliance in a child.

## Council To Meet In Longwood

By Donna Estes  
The Longwood City Council will meet in continued session at 8 p. m. Friday to request change in city ordinance to allow the sale of alcoholic beverages on Sunday and on weekdays until 2 a. m. which will appear on the Dec. 3 ballot in an advisory capacity.

The office of Longwood City Clerk, Mrs. Onnie R. Shomate, will be open the same day beginning at 7:30 p. m. for residents who wish to register to vote in the election but are unable to do so during regular office hours. The office will remain open until close of the council meeting.

Registration books will close at noon on Saturday. To date, only 634 of a possible 1,000 eligible voters have re-registered in new books.

## Holidays Set

C. W. Holder, principal of Oviedo School, announced today that Christmas holidays at the school would be from Dec. 20 through Jan. 6.

Sanford's municipally-owned Civic Center with youth wing is one of the nation's most modern.

## Enterprise PTC Elects Officers At Open House

By Helen Snodgrass  
Officers of the newly reorganized Parent-Teacher Council of the Enterprise School were elected and installed at a recent Open House held at the school.

Serving will be Mrs. Anabelle Troph, president; Mrs. Marian Braddock, vice president; Mrs. James Davis, secretary and Mrs. Roy Semones, treasurer.

## Four Attend PTA Congress

By Jane Casselberry  
Voting delegates attended the Florida Congress of Parents and Teachers Wednesday and Thursday of this week at the Peabody Auditorium in Daytona Beach from South Seminole Junior High School and Lyman High School PTAs.

Mrs. Charles Dome and Mrs. Frank Steudle represented South Seminole and Mrs. Joseph Pavelchak and Mrs. James Birkenmeyer represented Lyman.

Seminole County population is now estimated to be approaching 70,000.

### New Rocket Booster To Put U.S. Far Ahead Of Russia, Says JFK

#### Huge Gains In County Farm Economy Told

Although the annual observance of National Farm-City Week did not officially begin until today, Seminole County's Agricultural Agent Cecil Tucker kicked off the program locally this week with addresses before the Sanford Rotary Club on Monday and the Junior Chamber of Commerce Thursday.

Rotarians met for their weekly luncheon at the Central Florida Experiment Station while the JayCees held their weekly affair in the Civic Center.

Also, Don Farrans, vocational agriculture instructor at Sanford Junior High School, addressed Thursday night's meeting of the Civitan Club.

Jack Doid of Goldenrod, one of Florida's outstanding young farmers, is slated to speak at Monday's luncheon meeting of the Sanford Kiwanis Club. Doid will relate his experiences during a recent tour of Russia observing Soviet farming programs and procedures.

Tucker told the JayCees Thursday of the increased productivity of the individual farmer. "In 1920," said Tucker, "the average farmer in America was producing food products for eight persons, and by 1940 he was producing for nearly 11. But during the early 1940's a virtual explosion in agricultural productivity began and has reached the point where one farmer is now producing enough food for himself and 27 other persons."

"Consequently," the local agent explained, "the productivity of the American farmer has increased far more during the past 20 to 25 years than all his predecessors through all of recorded time."

On the Florida scene Tucker pointed out that the state's agricultural economy has been better than the rest of the nation, primarily because of the research and educational programs at the university level.

"Locally," Tucker declared, Seminole County's on-the-farm value was estimated at \$1.2 million in 1940 and last year it was figured to be between 13 and 15 million dollars."

#### Kissimmee Man Hurt In Crash

Calvin Thomas O'Neal of Kissimmee sustained slight arm and leg bruises Thursday night when a car in which he was a passenger overturned on U. S. 17-92 near Five Points.

The driver of the auto, Louis Cornelius Pinellas Jr., 1103 Columbus Circle, also of Kissimmee, was charged with failing to have his auto under control and is currently in the county jail. Pinellas' bond was set at \$150. The 1933 auto was estimated to be a total loss by the investigating officer, Constable Bob Cartoll.

MAJORETTES of Seminole High School will perform when the "Marching Seminoles" compete in the Central Florida high school band contest Saturday evening. Pictured are, kneeling, Sharon Drumm (left) and Batina Valle; standing, Freddie Berryhill (left) and Donna Peters.

#### 28 Bands To Compete In Contest Saturday

Twenty-eight bands, comprising more than 2,000 musicians, will compete in the fall marching contest sponsored by Florida Bandmasters Association District V Saturday evening at Municipal Stadium.

Bands will compete in classifications according to school enrollment for ratings of superior, excellent, good and average. All bands will combine at 10:15 p. m. to present "Old Folks at Home," "Men of Ohio" and "Star Spangled Banner."

Contest chairman is Ernest Cowley, Seminole High School bandmaster. District chairman is Jimmy Finn, Mainland High School bandmaster. District secretary is Pete Baker, Sanford Junior High School bandmaster.

Judges will be Tom Bishop, Lake Wales; Jonathan Hill, Fernandina Beach; and Charles Quarby, Bradenton. Inspection judges will be Melvin Dean, St. Petersburg, and

#### Nixon Says JFK May Dump LBJ

DALLAS (UPI)—President Kennedy may dump Vice President Lyndon B. Johnson as his 1964 running mate if the going gets rough, former Vice President Richard M. Nixon predicted Thursday.

Nixon and Kennedy were both in town. Both said their visits were non-political but both took advantage of their visits to hurl political barbs. They were within a block of each other today, but were not expected to meet.

Kennedy is on a two-day, five-city tour of Texas, Nixon was in Dallas for a meeting of a bottling company, which his New York law firm represents.

Johnson, who helped the Democratic party get Southern votes in 1960, is getting to be a "political liability" in both the North and South," Nixon said.

#### Deadline Set For Concert Membership

Monday will be the final day for Seminole County residents to purchase memberships in the Mutual Concert Association, according to an announcement today by Judge Vernon Mize, president of the local organization.

Judge Mize said the association has scheduled a trio of performances for the season including Lillian Kalir, who is scheduled to appear here in December. During January the Columbus Boys Choir of Princeton, N. J., has been billed. The final presentation of the season will feature the famed Lord's International puppet show.

Family membership are available according to Mize, in addition to individual memberships with special prices for students. No tickets. Mize stated, will be available for individual performances.

Memberships are available from Mrs. Ralph Austin Smith, the association's membership chairman, or from any member of the board of directors. Mrs. Smith may be contacted at FA 24368.

"More memberships are needed," Judge Mize declared, "and we urge the people of Seminole County to take advantage of the association's efforts to bring these types of cultural presentations to this area."

#### Auction Slated At Forest City

Forest City Businessmen will sponsor an auction at 7:30 p. m. Saturday in the Forest City Shopping Center. Main sales item of the evening will be a used automobile donated by a local merchant. Proceeds from the event will be used to sponsor a Community-wide Christmas Party for the children.

**A Fight A Day**  
ORONO, Maine (UPI)—Mr. and Mrs. Orrin W. Giggay say the key to a happy marriage is to have a fight every day or so.

**Pants Burglar**  
LOS ANGELES (UPI)—Jewelry store owner Harry Treisman, 49, lost his pants in a robbery Thursday.

#### Most Powerful In History, Texans Told

FORT WORTH (UPI)—President Kennedy said today the United States early next year will test a rocket booster so powerful it will put the nation far ahead of Russia in the space race.

The President, campaigning as though it were election time in Texas, told a rain-soaked, cheering crowd outside his hotel that the rocket booster will be the most powerful in history.

The crowd, estimated by police at 3,000, roared approval.

It was the first of four speeches the President scheduled today on a swing through Fort Worth, Dallas and Austin, the state capital. He visited San Antonio and Houston Thursday on his whirlwind two-day tour of the Lone Star state.

The integrated audience in a parking lot outside the Hotel Texas where Kennedy and his wife spent the night, cheered his call for "concerted effort" to win success in space.

He told the crowd the Saturn rocket booster will put the United States far ahead of the Soviets in thrust and in the payload it can carry.

Kennedy also defended the controversial TFX fighter plane as a powerful force of freedom.

He said its true worth had been relatively overlooked in discussions of how the contract was awarded.

The President opened the second day of his whirlwind Texas tour with a breakfast speech to the Fort Worth Chamber of Commerce.

The TFX was a prime topic of conversation here where the TFX (Tactical Fighter Experimental) will be produced by General Dynamics, the company that won the \$6 billion contract over Boeing Aircraft.

#### Driver Unhurt In Car Upset

Orlando resident Henry N. Swinson, 22, escaped serious injury at 1:15 a. m. today when his auto overturned at the intersection of Interstate 4 and CRD 436, according to FHP Trooper Bill Stringfield.

Swinson was proceeding west on CRD when he lost control of his 1962 model auto while approaching the construction area of the intersection. Swinson's vehicle rolled over and stopped just short of going over an embankment.

Swinson, who suffered a minor leg injury was booked, according to the investigating officer, for driving while allegedly intoxicated. Damages to the car were estimated at \$500.

**Turkey Shoot**  
Seminole Chapter 30 of the Disabled American Veterans will hold its final Turkey Shoot at 2 p. m., Sunday at the chapter's hut on Highway 17-92. Door prizes will be awarded and free coffee will be served.

DALLAS (UPI)—President Kennedy was assassinated today in a burst of gunfire in downtown Dallas. Texas Gov. John Connally was shot down with him.

The President, cradled in his wife's arms, had been rushed in his blood-spattered limousine to Parkland Hospital and taken to an emergency room. An urgent call went out for neurosurgeons and blood.

The President, 44 years old, was shot once in the head. Connally was hit in the head and wrist. Police found a foreign-make rifle.

DALLAS (UPI) — President Kennedy and Gov. John B. Connally of Texas were cut down by an assassin's bullets as they toured downtown Dallas in an open automobile today.

The President, his limp body cradled in the arms of his wife, was rushed to Parkland Hospital. The governor also was taken to Parkland.

Clint Hill, a Secret Service agent assigned to Mrs. Kennedy, said "he's dead," as the President was lifted from the rear of a White House touring car, the famous "bubbletop" from Washington. He was rushed to an emergency room in the hospital.

Other White House officials were in doubt as the corridors of the hospital erupted in pandemonium. The incident occurred just east of a triple underpass facing a park in downtown Dallas.

Reporters about five car lengths behind the chief executive heard what sounded like three bursts of gunfire. Secret Service agents in a follow-up car quickly unlimbered their automatic rifles.

The bubble top of the president's car was down. Agents drew their pistols, but the damage was done.

The President was slumped over in the backseat of the car, face down. Connally lay on the floor of the rear seat.

It was impossible to tell at once where Kennedy was hit, but bullet wounds in Connally's chest were plainly visible, indicating the gunfire might possibly have come from an automatic weapon.

There were three loud bursts. Dallas motorcycle officers escorting the President quickly leaped from their bikes and raced up a grassy hill.

At the top of the hill, a man and woman appeared to be huddled on the ground. In the turmoil, it was impossible to determine at once whether the Secret Service and Dallas police returned the gunfire that struck down Kennedy and Connally.

It was also difficult to determine immediately whether the First Lady and Mrs. Connally were injured.

Both women were in the car, and crouched down over the inert forms of their husbands as the big car raced toward the hospital.

Mrs. Kennedy was on her knees on the floor of the rear seat with her head toward the President.

Vice President Lyndon B. Johnson was in a car behind Kennedy's.

There was no immediate sign that he was hurt. In fact, there was evidence at all that what might have happened to Johnson since only the President's car and its Secret Service follow-up car went to the hospital.

A screaming motorcycle escort led the cars there. The President had landed only a short time before at Dallas Love Field and was driving to the trade mart to deliver a lunch speech sponsored by three Dallas organizations. The largest turnout of the current Texas tour was on the streets to greet Kennedy.

An estimated 250,000 people lined the streets. At 12:50 p. m. Central Standard Time, acting White House Secretary Malcolm Kilduff was asked whether the president was dead.

"I have no word now," Kilduff replied. A few minutes later, Rear Adm. George Burkley, USN, the White House physician rushed into the hospital. He headed for the emergency room where the President and Connally were taken. The motorcade was so strung out as the result of the speedy secret service departure from the scene of the shooting that members of the Kennedy staff were from

the President.

He and three other colleagues along with Kilduff raced to the hospital behind the President's car and arrived at the emergency entrance before litter was brought up to remove the President and the Governor from their car.

When the President was taken into the emergency room, a call was sent out immediately for some of the top surgical specialists in Dallas. A call also was sent for a Roman Catholic priest.

Congressman Jim Wright of Fort Worth said both Kennedy and Connally were seriously wounded but were alive.

Blood was spattered over the limousine, which had been flown in specially to carry the president in a welcoming parade. The driver was secret service man Bill Greer.

A second priest was secured in a few moments later. At the height of the emergency room drama, a weeping Negro woman bearing a small bloody child rushed into the hospital, where a nurse and an intern went quickly to her side.

Mrs. Kennedy apparently was safe. Mrs. Connally also was safe, it appeared. Both women were stunned.

UPI White House reporter Merriman Smith was in a radio-telephone "pool" car about eight carlengths behind
