

TO RECOVER EVERGLADES LAW SUIT

SAID THAT TWO MILLION ACRES WERE ILLEGALLY SOLD

Jacksonville, Fla., Jan. 15—Recovery of more than 2,000,000 acres of state lands and nearly \$2,000,000 of state funds alleged to have been appropriated and fraudulently and illegally directed from the use to which they were exclusively dedicated is asked for in a suit filed here today in the United States district court, demanding the appointment of a receiver for the Internal Improvement Fund of the state of Florida.

The trustees of this fund, against which the action is brought, is made up of the governor, attorney general, state treasurer, state comptroller and commissioner of agriculture. Park Trammell, United States senator, who has been a member of this board for eight years.

This suit is an outgrowth of the failure of Florida to complete the drainage and reclamation of the Everglades. The bill of complaint was filed today by Clair D. Valente and A. B. Quinton, representing former Congressman J. B. Shoups, of Port St. Joe, Fla., and others, who claim that the appointment of the trustees, by an act of the legislature, was in violation of the promise that they were to be drained, and failing to carry out the promise of drainage.

Although the swamp and overgrown lands in the Everglades district amounting to about 5,000,000 acres were given to Florida by the United States in 1840, under an explicit agreement that the lands were to be sold and used exclusively for drainage as far as necessary to reclaim them, and the residue of land or proceeds after drainage was completed, was to go to the state school fund, the complainants in the suit filed today allege that the state has made no serious effort to reclaim the Everglades, and illegally gave away fully half these lands to railroads and corporations. Because of these diversions of lands to other uses than for drainage, it is demanded that under the Federal law the equitable title in the Everglades be still held by the United States, and a receiver is asked for to recover the lands given to the railroads, to make according to the internal improvement fund, and to use the proceeds for drainage and reclamation.

An objection being made by the state to sell 1,000,000 of Everglades reclamation lands as objected to and sought to be joined by the court, on the ground that the proceeds from the bond sale will be sufficient to pay off the contracts under way and that the instance of these lands would be a hindrance to the financing of reclamation on an adequate scale, which, it is asserted, will cost \$9,000,000 of more.

It is charged that the trustees of the internal improvement fund, the board of Everglades drainage commissioners, and the state board of education, all of which the governor, attorney general and state treasurer are members, have "confederated and conspired to fraudulently despoil and plunder the state Everglades drainage district of said lands and the proceeds thereof, and to divert said lands to other uses and objects which of law as an enemy for their fraud and deceit" and that the trustees, "while fraudulently and despoiling claiming to this court and to the purchasers of said lands and to induce your orators and other citizens of the United States to buy said lands—that they were applied and would apply said lands and the proceeds thereof to drain and reclaim said lands by means of drains and levees, divert all of said lands and the proceeds thereof to other uses and objects."

Record Attendance
What is thought to be a sign that the Baptist Sunday school is entering in upon one of the most prosperous years since the organization some thirty years ago was made last Sunday when the secretary, noted that there were present 237—this is

the largest number that has been reached in some time, and it is, in some measure due to the "absence" method, recently installed in the Sunday school. In this school a record is kept of the doings of each individual. His absence is noted on a report for that purpose and that is the signal for the whole school to see why he is not at school the next Sunday.

Another feature that is more worthy of mention than any other is the fact that 134 people brought their own Bibles to school—this really makes the Baptist Sunday school a Bible school.

To the delight of all the members of the school and to the people of Sanford at large, the A-1 Standard Pennant for 1917 was hung up Sunday morning. This is said to be the only A-1 Sunday school in the state, and speaks volumes for the earnest workings of all the officers, teachers and the student body. The never tiring efforts of the pastor to inspire the people to make this record comes in for its just amount of praise also.

Weather Report
Forecast for the week beginning Sunday, January 14, 1917.

South Atlantic and East Gulf States Rain Sunday followed by fair and decidedly colder until about Thursday when the weather will become unsettled and warmer, probably rain.

Mrs. H. H. Raymond, wife of the president of the Mallory and Clyde steamship lines made the round trip on the Oseola from Jacksonville, spending several hours in Sanford on Saturday.

SCHOOL DAY AT THE FAIR GREAT DAY

ALL THE SCHOOLS WILL BE REPRESENTED AND PRIZES OFFERED

Friday will be Education Day at the Seminole County Fair and the following invitation has been promulgated by the officials of the fair and the county superintendent:

To the Teachers and Pupils of Seminole County:
The Seminole County Fair Association invites you to attend the fair on School Day, February 16th, 1917. Free admission tickets, compliments of the Fair Association will be furnished you by the superintendent of public instruction. These tickets will be valid during the entire day and will admit you to the grounds and exhibits as often as you care to enter on School Day.

The directors of the Fair Association extend to you a cordial welcome, and the superintendent of public instruction wants to see every teacher and pupil of Seminole County Schools at the fair.

Following is a partial program for the day:

10:30 a. m.—Parade, Seminole County Schools, Prof. W. F. Ezell, marshal.

11:30 a. m.—Educational Address, Governor Sidney J. Catts.

Music by band during the parade and before and after the address.

Below are some of the prizes to be awarded:

To the teacher having the highest percentage of total enrollment in the parade, Fountain Pen, Offered by the Superintendent of Public Instruction.

To the School having best exhibit—Five Dollar Bank Account, Offered by the Bank of Oviedo.

To the Grade in Sanford Schools having best exhibit—Five Dollar Bank Account, Offered by the Peoples Bank of Sanford.

To the Colored Rural School having best exhibit—Five Dollar Bank Account, Offered by the Seminole County Bank.

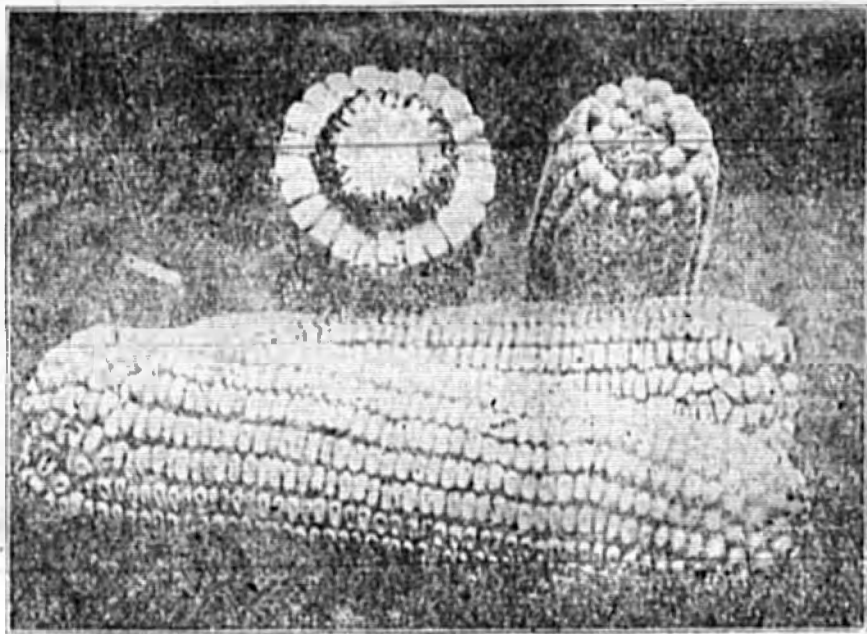

To the Grade in Sanford Colored School having best exhibit, Five Dollar Bank Account, Offered by The First National Bank of Sanford.

Please do not fail to have your exhibit here by the second of February, so as to give the management time to arrange your display.

Very respectfully,
T. W. Lawton, Ed. Director
Howard Lyman, Gen. Magr.

CORN SHOW FOR FLORIDA

WILL BE ONE OF THE FEATURES OF THE SEMINOLE COUNTY FAIR

A Corn Show in Florida.
What do you know about that corn people who are here from the corn belts of America? Something out of the ordinary and something that sounds like a fairy tale to some of you, but that is just what the Seminole County Fair will have. Knowing that Seminole county in general and Sanford in particular is the best corn in the state and some of it is the best that any other section of the state. Manager Lyman, early in the game conceived the idea of making a special display of corn, something that would make the visitors and even the home people sit up and take notice. Not only will the splendid corn of this county be shown but there will also be a fine exhibit of corn from other sections of Florida, being sent more or less than the corn exhibit that the Board of National Bank held some time ago and gave away prizes for the same.

Thus we will have the corn that is raised on the famous celery lands of this section, the corn that is raised on the high lands of this county and the corn that is raised on all classes of land in all parts of Florida.

This will undoubtedly be one of the finest corn shows that has ever been seen in the state and that it will add much to the Seminole County Fair is reasonable to suppose and the fair promoters of the northern states will come here for the fair will have their eyes opened to the possibilities of Florida and Semipole county as never before.

All the farmers of this county are requested to send in a bushel or more of their corn and bring them in as soon as possible. The manager will take care of them and they will be returned after the fair if the owners wish it. If not they will be placed in the office of the county agents, E. M. Berry by the court house. Be sure and bring in the corn.

Trouble With Coach
The Sanford High School girls basketball team played the Orlando High School girls' team last Friday night at Orlando, and at the close of the progress of the game something had to happen which was not in its right place.

No one is to blame for this trouble, but Coach Henry Hayes, who has not only caused trouble with Sanford but Oseola, Hillsborough and the Ovidio High Schools have all had trouble with this same Coach.

Hayes has been imported into Orlando, and from his outbreaks in past games he has been a menace to the sport, and also an unfit leader to be handling any kind of school athletics. Coach Henry Freeman of the Tampa High School had his boys slandered and abused by this same Coach, and now to rub it in on Sanford and try and get away with it is going out of bounds.

If this had been the last case of trouble with this Coach it would be a different matter. Only last week Hayes had the nerve to come to Sanford and in the presence of ladies tried to run amuck, but thanks to the young men present who wouldn't stand for any rowdiness, and let it be known right then and there that no such conduct would go on in this county.

Coach Hayes has evidently got the Board of Public Instruction of Orange county "fooled" when it comes to making them believe that

he is such a wonderful Coach. As a matter of fact he is only traveling from town to town using tactics which do not go in clean sports. His players are not to blame for he teaches his players how to play and it is not them that the writer is trying to criticize.

What should be done and what surely is going to happen is this: Next season if Hayes is kept off the payroll of Orange county the various High Schools of the state should eliminate Orange from their schedules, and when this happens Orlando will then be aware of the fact that all the live people in this world are not dead yet, for if they still believe in Hayes and think he is the proper leader to be coaching their school children, then we say play by yourselves, for the parents of the children of other counties are not going to stand to see their children mixed up in his tactics and also to hear vulgarism handed out by their COACH.

The above trouble started out between Umpire Kilgore and this said Coach Kilgore had made a decision which Hayes thought was unfair to his team. He then goes out on the floor and lets it be known that no such decisions go on while he is employed to coach Orlando. They Kilgore, who is thoroughly up on the game told Hayes that the Coach was not allowed on the floor, and that the Captain should argue for his team. Still dissatisfied Hayes is determined to have it out in physical strength when Kilgore lands a blow on his jaw and everything calmed down.

After the game instead of having the matter adjusted, Hayes asks Kilgore to come over in the corner so he could explain the matter, and while over in the corner another fight starts. Now, answer! If this is the kind of conduct that should go on in the presence of ladies, then we are through arguing for CLEAN and BETTER SPORTS among our school children.

Sanford defeated Orlando anyhow in this game and to waste time and space on this Coach is worthy of the cause. The local girls all played a great game and they still remain undefeated. They won this game by a score of 9 to 2. The victory was clean and decisive, and outside of one field goal thrown by Orlando it was a case of too much Sanford. There were no individual stars in the game for all of the local girls were stars and after the game was over they motored back to Sanford well satisfied that they are still the UNDEFEATED CHAMPIONS.

Reported by "Red" Davis.

Good Stock Feeds

The editor of The Herald, in company with H. C. Lyman, manager of the Seminole County Fair while out on Celery avenue the other day ran across some Para grass planted on the farm of T. I. Hawkins and this seems to be one of the coming feeds for Florida. Mr. Hawkins, who aside from being a most successful celery grower is also interested in fine cattle planted some of the Para grass on the lower end of his farm for the few cows that supply him with fresh milk and it is surprising how this grass takes root and grows everywhere, in the ditches and in the low spots and the high spots.

According to Dr. Blackman, writing in the Florida Grower, Para grass in bottom land will feed

three heads of calves and make them 800 pound yearlings in one year on one acre of this famous grass, provided the right breed of cattle is used. No one who is familiar with the value of this grass, which has been known to yield twelve tons of hay per acre in one season, will doubt the possibility of Dr. Blackman's statement. With cattle selling at 10 cents a pound on foot it will be seen that this shows an annual income of \$240 per acre from cattle raising. Marvelous are the opportunities of south Florida in the cattle industry. A few acres of well selected soils and used for the purpose to which they are best adapted, are all that is necessary for producing an abundance, if done intelligently.

M. W. of A. Officers
District Deputy C. E. McDonald of Orlando installed the following officers for Seminole Camp No. 16195:

- J. E. Plowden—Consul.
- J. D. Dossey—Advisor.
- T. O. Charles—Past Consul.
- C. D. Couch—Clerk.
- T. J. Bell—Banker.
- Gene Singletary—Escort.
- F. D. Allen—Watchman.
- Thos Styles—Sentry.
- J. D. Houdehan, J. D. Dossey, T. O. Charles—Trustees.

Camp Physicians—Dr. Denton, Robson, Neal, Miller and Stevens.
Camp Deputies—J. D. Dossey, T. J. Bell.

Gen. Asst. Deputy—W. A. Lindsey for District No. 7.
Seminole Camp promises a healthy growth for this year.

NEW SCHOOL ESTABLISHED IN SANFORD

A. H. PERRY OF MIAMI WILL BRING BUSINESS COLLEGE HERE

Sanford is centrally located in the state and appeals to enterprises of various kinds for many reasons. Among the new ones contemplated is the locating of a first-class business college and for some time A. H. Perry, president of the Pan American College of Commerce of Miami has contemplated locating a school here. Mr. Perry was here last Saturday and expects to return today and will investigate various buildings with the idea of opening a business college here at once.

Mr. Perry did not ask for a bonus, or for a building site or free rent. He believes he has just what the public wants in the way of a good business college and believes that Sanford is the proper place for the college and all that he asks is the cooperation of the business men, the support of the Board of Trade and hundred boys and the best wishes of the people for his success. Mr. Perry will do the rest and he can be assured that all of the people of this county will give him a warm welcome and all the assistance that he needs.

Mr. Perry will give the Sanford school much of his time and attention and the school here will be in charge of a competent instructor all of the time. Mr. Perry is a member of the Miami Board of Trade and has the endorsement of the citizens of that city. Among the officers and directors of the Miami College are some of the best citizens and largest business men of Miami and that he will give Sanford a good business institution can be assured. A good business college here would draw patronage from this part of Florida and would help the city in many ways and The Herald hopes that it will soon be an assured fact.

Explanation
The old Crippen home has never been sold and was never offered for sale, and is not for sale at any price. The Harry Crippen home was sold to Mr. and Mrs. Martin of Conn. and they are making many improvements.

Respectfully,
Mr. and Mrs. A. H. Crippen, Sr.
Mr. and Mrs. A. H. Crippen, Sr.

Mr. and Mrs. T. J. Price of Lancaster, Ky., are the guests of their sister, Mrs. G. F. Smith.

CHAUTAUQUA FOR SANFORD IN FEBRUARY

FINE COURSE PROCURED AND HELD IN IMPERIAL THEATRE

Sanford will have a Chautauqua. Despite the fact that Chautauquas have not proved profitable in dollars and cents the best people of Sanford, realize their educational value and the same men who have stood nobly behind this movement in the past and suffered financial loss will stand behind for this season and hope not only to give the patrons one of the best courses to be obtained but also to recoup the loss of other seasons.

The Chautauqua this year will be held on dates that should make it popular with the patrons. On account of the fair and many other attractions the date has been difficult to arrange but finally the 16th, 17th, 18th and 19th of February have been secured, bringing the Chautauqua just before Lent and after the fair and other dates that might conflict.

These dates will be Friday, Saturday, Sunday and Monday, four days in all and the promoters think they have one of the finest programs that have ever been offered to the public here.

On Sunday a concert in the afternoon will prove to be one of the features of the Chautauqua and those engaged for the other days will be of the highest order.

The program will be given later and meantime remember that Sanford will have a Chautauqua on Feb. 16th, 17th, 18th and 19th and arrange to get your season tickets.

The Chautauqua will be held in the Imperial Theatre building, the same having been generously donated by T. J. Miller & Son and chairs and light will be installed and everything done for the comfort of the patrons.

The addition of the new Grammar School has also been suggested

FOR A DRY FLORIDA

Temperance Rally Meeting at the Methodist Church

Thursday, the 18th is the day appointed by the National W. C. T. U. for prayer for national prohibition.

The following program has been arranged to be given at the Methodist church at 7:30 p. m. on that day:

Prayer—Rev. J. A. Davidson.
Solo—Mrs. Jas. Taylor.
Address—The Economic Value of Prohibition—Rev. Mr. Steinmeyer.

Music.
Address—Why Men and Women are Lined Up For and Against Prohibition and Why Some are on the Fence—J. A. Davidson.

The program will begin promptly at 7:30 and will not be longer than one hour, and every one interested in voting Florida dry when the issue comes before our legislature this spring is urged to be present.

City Council Meets

City council of the city of Sanford, Florida met on January 5, 1917 in special session at 7:30 p. m. Present—B. W. Herndon, president; C. H. Dingee, W. W. Abenathy, F. M. Miller, Jno. Adams, R. A. Newman and Roy Symas.

The purpose of the meeting was the settlement of payments according to contract with the Seminole Dredging Company, as shown by city records plus discount in handling vouchers amounting to \$5,460.91.

On motion carried, voucher was ordered drawn in favor of Seminole Dredging Company for \$5,460.91, or settlement in full of all claims against the city of Sanford by the Seminole Dredging Company.

The above motion amended to read as follows: That the bond given by the Seminole Dredging Company to remain in force until evidence of all payments in connection with said billheadings is filed with the city council.

There being no further business council adjourned.

Miss Nellie Elder is having a delightful visit with friends and relatives at Leesburg where she is receiving many charming social attentions.

Feature Film a Fashion Show
Variat of Gowns Shown at Lyric Theatre Monday.

Although essentially a master criminal story, the V-L-S-E release for the Vitagraph, "Through the Wall," which is the attraction at the Lyric Theatre on Monday contains any number of exquisite creations which are worn attractively by the two young and beautiful players who help considerably with the action of the story.

Nell Shipman, who finds the role of Alice particularly well suited to her capabilities wearing a charming afternoon frock of white taffeta with sleeves of crepe de chine. The skirt is somewhat short and decidedly full while the short waist is made plain with a low v-shaped neck and corded belt. A large light straw garden hat trimmed by white satin flowers affords the finishing note to her fetching costume.

Other garments worthy of mention are many. One dinner gown which is covered by a black spangled evening cloak is a pale yellow satin made in a sheath effect and brocaded in deep purple velvet. The long sleeves are laced with broad black velvet ribbon with cuffs of the same material.

An afternoon frock of delicate yellow chiffon has large puffs over the hips of flesh color taffeta which rise and form the waist while sleeves of gold lace and black velvet ribbon help not a little in making the frock one to be admired. The hat is formed by wide bands of black and white ribbon and a sunshade is used effectively with this frock.

The negligees, too, are most inviting. One bourdoir gown of Nile green chiffon and satin is extremely beautiful and is trimmed by bands upon bands of satin flowers in pastel shades.

Novelty and Originality

A complete change from oldtime ideas and stereotyped groupings. J. A. Coburn's Greater Minstrels this season present an all new, novel and original ensemble opening spectacle which appeals instantly and commands interest from the rise of the curtain America's Millionaire, Hunt Club touring far off India are received at the Palace by His Highness Matharadjah Naizam of Hadmahul Bengal and the Princess Rainee. Mr. Lester A. Lucas, the famous basso as the Maharajah and Mr. Chas. L. Cameron, the impersonator as Princess Rainee grant an audience in the Palace gardens welcoming the Hunt Club and their valets, the comedians with Orig WW valets the comedians with Oriental magnificence. Mr. Cameron's gown crown and ornaments are said to be the most expensive ever worn on a minstrel stage and correct copies of a Parisian importation used in similar character the past summer by a well known New York millionaire. The entire company are elaborately costumed in character, the scenic production in keeping in unique architecture coloring and beauty. Everything is new, bright, novel and a complete change from the usual minstrel first part openings. A complete new attraction throughout. At the Lyric Thursday, Jan. 18th.

IN DEFENSE OF BACHELORS

Proposition to Tax Single Men Has Aroused Active Opposition of Philadelphia Scribe.

One of those business men's associations which so often are effective as goads to drive municipal ambition to the heights now invites the lifted eyebrow by suggesting that a tax of two or three dollars a year be paid upon every single man, remarks the Philadelphia Bulletin.

The notion is rooted in injustice. Obviously the business gentlemen are married. The single man, especially if he be young and thoughtless, is about the highest taxed citizen in the community. He is manna for the laundries and he plays as much to have his buttons sewed on—lonely man that he is!—as some real estate owners put up in formal taxes. He is the mystical element which enables the restaurant owners to pay high rents for expensive quarters in the central sections of the city, for he is politely robbed every time he sits down to a desolate meal. Though he exist in his rooms as lonesomely as a chambered nautilus, yet he is taxed to the hilt indirectly, since it is from him that the overload of the premises collects the money demanded by the house owner, and it is a certainty that the man who really owns the real estate doesn't pay his taxes out of his profits.

The city should rather mix a little philosophy with its taxation theories. Thereby it might do a double service to the community. Special taxes might be levied against the diamonds worn at dances, and especially on the diamonds which obese red gentlemen wear on their little fingers at the cabarets. Special taxation might go down the line from that starting point to take in fur coats, high hats, jeweled slippers, the tennis highball, and the other nonessentials so plentifully in evidence all about.

DISPOSED OF DREAD ENEMY

Remarkable Intelligence Shown by Prairie Dogs in Burying Rattlesnake Alive.

It would not seem a very easy thing to bury a snake alive, but that is what an Oklahoma man saw some prairie dogs do.

He was resting under a tree when he noticed a commotion among some prairie dogs near him. They would run up to a certain spot, peep at something, and then scamp back. Looking more closely, he saw 15 to 20 dogs about a rattlesnake, which presently went into one of the dogs' holes.

No sooner had it disappeared than the little fellows began to push dirt, evidently to fill up the hole. By the time they had pretty well covered the entrance the snake stuck his head up through the dirt, and every dog scamp off to a safe distance, all the while barking.

The snake crawled to another hole about a rod distant, and went in. The forward came the dogs again, and all went to work to push up earth to the hole. This time they succeeded, and completely covered the entrance. This done they proceeded to beat the earth down, and when they had rendered the earth quite hard they went away. The observer examined their work, and was surprised to find that they had packed the earth in solid with their noses, and had sealed the snake inside.

Remedy for Hiccoughs.

Several cures for hiccoughs will be welcomed by many mothers. Have the patient suck a lump of sugar having a few drops of vinegar on it. Drink a glass of water upside down. That doesn't mean to stand on your head, though it certainly sounds rather like it. Hold the glass of water in one hand; lean forward and bend over the glass, tilting it away from you, and drink from the further edge.

Another remedy is to stand facing the person hiccoughing, grasp her hands firmly, look steadily at her and get her to breathe evenly, keeping time with you. Or have her hold her breath and count 60. Or take nine gulps of cold water very slowly.

Acquiring Good Speaking Voice.

The formation of a good or a bad speaking voice is a question of habit. But in order to acquire that habit easily the child must hear nicely modulated

voices about him. If your own voice is harsh or nasal your child may unconsciously imitate your mode of speaking. Or if companions talk "through the nose" he may assimilate their way of talking.

Try your best to keep your voice in the proper pitch while your children are about, and keep a watchful ear on their voices. If you hear one word spoken in a nasal twang correct it at once, so that the child will know the difference between the right and the wrong ways.

Hard to Cure Stuttering.

A prominent physician says elocution exercises usually aggravate stuttering; he has never known hypnotism to effect a cure, and psycho-analysis used alone cannot succeed. The effective treatment is very complex and delicate, and the slightest mistake may make a cure impossible. It involves thorough study of the bodily conditions, minute regulation of home influence and business habits, relaxation of mind and body, spontaneity of expression, equilibrium of emotions, precision of thought, correction of character, development of confidence, readjustment to environment and the learning of a new method of speaking.

Heavenly Hash.

Three quarts red currants, stemmed; one quart red raspberries, three pounds white sugar, one pound seedless raisins, three oranges, peel and chop all fine. Boil all together until thick. This is delicious with meats.

SOLDIERS USING AUTO

AMERICAN TROOPS IN MEXICO WELCOME ITS HELP.

Artillerymen Mount Machine Guns on the Vehicles and Report Satisfactory Results.

The use of motor trucks and armored automobiles has already been demonstrated in actual warfare, but it remained for the American troops chasing Pancho Villa in Mexico, or guarding the border, to demonstrate the feasibility of putting ordinary touring cars to military use.

A few days ago a touring car was driven north of Columbus, N. M., by United States artillerymen. A machine gun was mounted in the tonneau and targets were fired at, with the machine traveling and at a standstill.

The test was reported to be very successful. It was found that a touring car was fully as logical and as feasible as a truck for the purpose. The demonstration proved that the vibration of a gun being fired does not swerve the aim a particle. In fact, the car barely is shaken. The objection to cramped quarters was also conclusively dismissed when it was shown that four men could ride comfortably in the car with a gun.

GIVE YOUR CAR A CHANCE

During the First Few Months It Is in Use It Needs a Great Deal of Attention.

"Chris, like children, require a certain amount of care," says an automobile expert. Then he continues: "An automobile is a complicated piece of mechanism which comes in for more hard usage and abuse through lack of knowledge on the part of its operators than any other piece of machinery. I know of."

"A new automobile, due to the wearing in of the newly assembled parts, requires a little more careful attention during the first few months of its career than it will thereafter. For this reason all new cars should be inspected within their first 500 or 600 miles of usage. A second inspection should be made after 1,000 or 1,500 miles of service or within not more than two months' time, irrespective of mileage. Thereafter at periods of every 1,500 miles of running.

"Every owner of an automobile is interested in keeping down the expenses of his car, especially those items of replacement of parts. A good modern automobile is designed with built-in adjustments and facilities for lubrication which permit its being maintained for many years with little or no care outside of periodical inspection.

"The manufacturer's guaranty is based on the owner taking a certain amount of care of his car, and an inspection every month or so is little to ask in view of the fact that a locomotive is gone over by a skilled force of mechanics as soon as it completes a 100 or 250-mile run."

The Gasolunatic.

"Who is that pale, sad man, chained to the wall, in the violent ward?" inquired the visitor to the local bug emporium. "What brought him to this. He asked me a minute ago if I could tell him how many millimeters of transmission grease it would take to run a wind shield up a 20 per cent grade, if the wheels were locked."

"It's just like this," replied the attendant, "they brought that guy here direct from the automobile show. He went there to find out which was the best car to buy and 47 different salesmen told him that all of the other makes of cars were no good. He sat down in a corner and tried to figure it out and when we found him, he was drawing spark plugs on his cuffs and eating the covers off souvenir catalogues."

Moral—Never ask—learn by experience.—Elbridge Automobile News.

How It Happened.

"How did you happen to vote for prohibition?" "I did it 'cause I got the general state of grouch," replied Bropho Bob. "Everybody in Crimmon Gulch got sort of huffy with everybody else an' we seem to get some kind of satisfaction out of standin' around an' seein' one another suffer."

Uncle Eben.

"People is gittin' so suspicious," said Uncle Eben, "dat you can't be polite to a stranger wifout his takin' alarm dat you's ginerly try to sell him something."

Day of Reckoning Comes.

A bluff sometimes works as well as a bank account until it comes to striking a balance.—Philadelphia Inquirer.

Armour Fertilizers
 Remember that the Armour line of fertilizers is COMPLETELY MANUFACTURED FERTILIZER OF EVERY KIND for Florida crops. We manufacture or handle EVERY fertilizer material having recognized value to the grower.
Armour Animal Fertilizers
 The Armour Line Fertilizers, which are justly recognized head- liners for the purpose of supplying bone flour, raw bone meal, and other animal products, are standard crop-makers and are especially adapted to Florida crops. Our special Florida formulas, developed during many years experience and study of Florida crops, are guaranteed to get ALL the profit from your animal fertilizer.
Armour Chemical or Mineral Fertilizers
 For nearly 30 years we have offered purely mineral or chemical fertilizers. We get the world's finest materials for these brands by buying large quantities direct from producers at most favorable terms. We KNOW our materials are best quality, for each lot, when it reaches our factories, is rigidly analyzed by our own especially trained chemists. These materials are then double cured, screened, ground and blended into crop-making formulas developed during our long experience and study. Potash up to 5% if desired. Full description is in our catalog booklet.
Armour Blood and Bone Tankage
 Is the original article, familiar to every Florida grower for nearly 30 years as "blood and bone." More than 100,000 tons of Armour Blood and Bone Tankage have actually been used by Florida growers.

PATSY DRISCOLL IS CAPTAIN

Halfback of Northwestern Eleven Chosen as Leader—Good Thing, Says Murphy.

Patsy Driscoll, star halfback of the Northwestern eleven, was re-elected captain of the Northwestern eleven for

Patsy Driscoll.

"The re-election of Driscoll was a very fitting thing," says Coach Fred Murphy. "Patsy is a very capable back and a remarkable leader."

PARTICIPATE IN PENN GAMES

Princeton and Harvard Will Send Relay Teams and Track Stars to Pennsylvania Meet.

Both Harvard and Princeton will probably send relay teams and track stars to the Pennsylvania relay games on Franklin field next April. A report that the two universities were arranging a dual track meet for that date is denied by both.

Manager Clark of the Harvard track team said the other day: "I wish to deny the rumor that Harvard will meet Princeton in a dual meet the last Saturday in April and withdraw from the Penn relays. Harvard will not meet Princeton in such games and will probably attend the relays."

From Princeton comes word that the Tigers and Crimson have not agreed to meet on the track in April, although such a report has been heard about the university.

GOLF IS NOT AN AMUSEMENT

According to Decision of Judge Baldwin of Chicago, It is a "Beneficial Recreation."

Golf, according to a decision by Judge Jesse A. Baldwin in the circuit court, at Chicago recently, is a "beneficial recreation rather than an amusement." The decision frees Mary A. Condon, an executrix of the estate of John S. Condon, owner of the old Harlem race track, from paying an annual amusement license fee of \$750 a year for the public golf links which now occupy the former racing park.

MINERALS IN FOOD

ABSOLUTELY NECESSARY FOR PRESERVATION OF HEALTH.

Physical Ailments Sure to Result When They Are Lacking—Serve Fruit, Vegetables, Milk and Eggs Liberally.

Prepared by Laura Breeze of the Department of Farmers' Institutes of the University of Wisconsin.

Some of the physical ailments resulting from mineral starvation are rickets, scurvy, pellagra and anemia. An anemic person has weakened vitality and resisting power, and is, therefore, a prey to colds, grippe and fevers.

The foods rich in minerals are vegetables and fruits, breads and cereals made from whole grains, eggs, milk and the natural rice. In the milling of the white flours, cornmeal, some oatmeal and most cereals, the parts of the grains containing the greatest amount of mineral substance are eliminated, consequently their value as sources of mineral foods is reduced.

The housewife, however, can always supply her table with fruit, vegetables, milk and eggs. There are such numerous ways of serving these foods that their appearance on the table should never become monotonous.

The following recipe offers suggestions for an attractive way of serving cabbage, the mineral content of which is very high:

Imperial Cabbage.—One medium-sized head of cabbage; two carrots, pared; two potatoes, pared; one cupful of cooked meat or chicken (or more, if desired); two teaspoonfuls of salt, one small onion, one-fourth cupful butter, melted; a little pepper.

Remove decayed leaves of the cabbage; form a basket of the head by removing the center and allowing two layers of the outside leaves to remain

attached to the core. Crisp the cabbage by allowing it to stand in cold water. Drain well.

Put the cabbage removed from the center, the carrots, potatoes, onion and meat through the food grinder; add butter and seasoning. Mix all well, and fill the cabbage with the mixture. Tie the leaves in place over the stuffing with a clean string, and place the cabbage in a tightly covered baking dish and bake about one hour. There will be no need of adding water, as there is sufficient moisture in the vegetables to steam them.

Apple and Rice Pudding.

Peel small, tart apples, core and put them in a baking dish. Have ready one cupful of boiled rice, mix with it two cupfuls of hot milk, into which has been beaten the yolks of three eggs and one-half cupful of sugar. Stir in one-half cupful raisins, some strips of citron and, if you wish to, one-half cupful blanched almonds. Put one teaspoonful of sugar into each apple and pour this mixture over them. Put in oven, covered, and bake until the apples are tender. This pudding may be frosted with the whites of eggs or served with whipped cream.

Apple Dowdy.

Cut up apples in pudding dish in quarters (in eighths of apples are hard), sprinkle about four tablespoonfuls of sugar over the apples; a few drops of lemon extract and some bits of butter. Add about a tablespoonful of water. Make nice piecrust and cover. Bake about one hour. Eat hot with whipped cream flavored with vanilla or nutmeg. Fill dish quite full of apples, as they shrink in cooking. Can bake this Saturday and warm over in oven on Sunday.

Hint on Broiling Fish.

Has anyone ever tried broiling fish on paper? Some call it pan-broiled. Everybody knows how fish sticks to broiler pan or any other receptacle it is cooked in, no matter how well

greased. Cut thick brown paper, two inches larger than pan, so it will set well upon the sides and ends; butter and lay fish on; place pan in broiler pan and set quite close to gas. It will cook and brown deliciously and, best of all, leave your pan clean.—Baltimore American.

Bread and Prune Pudding.

Soak a pound of prunes in warm water all day. Butter a baking dish and put in a layer of stale bread cut in thin slices and buttered a little, then a layer of stoned prunes, and so on until the dish is full, the last layer being bread. Beat two eggs with one-quarter cupful of sugar, add a pint of milk, pour over the prunes and bread, and bake one hour.

Turnip Scallops.

Mince beef, mutton, duck or game very fine; add chopped onions and season to taste and a little gravy. Fill scallop shells or small cups three-quarters full and fill up with mashed turnip that has been nicely seasoned. Spread tops with soft butter and bake until nicely browned.

Swiss Salad.

Mix one cupful of cold cooked chicken cut in cubes, one cupful of chopped English walnut meats, one cupful of French peas, one cucumber pared and cut in cubes. Marinate with French dressing, arrange on serving dish and garnish with mayonnaise dressing.

Good Fudge.

A few drops of molasses in your fudge will prevent it from getting sugary and improves the flavor. To get the best results every ingredient should be accurately measured.

The Glants have always caused a lot of comment with their new uniforms each year, but the announcement that the New Yorkers were to wear violet next year has caused a regular riot of publicity

Naval Smoke.

In the old days of the navy all pipes—sailors rarely smoked tobacco in any other form—were lighted from a lamp in the forecabin, and the hours when smoking is permitted are still indicated by the use of this lamp, although the modern sailor is permitted to light a match when he desires to smoke.

BUFFALO BILL DEAD

Most Famous Scout in History Passes Out

Denver, Col., Jan. 11.—Colonel William F. Cody (Buffalo Bill) is dead.

Col. William F. Cody, "Buffalo Bill," hunter, soldier, scout and snowman, was for years known to every man, woman, boy and girl in America through his wild west show with which he detoured this country and Europe. He was a picturesque type of the pioneer frontiersman and lived to see large cities built where he once hunted the buffalo and fought Indians.

Col. William F. Cody was born in Scott county, Iowa, Feb. 26, 1846. His ancestral stock was Spanish, English and Irish. His parents moved west and took up a claim near Leavenworth, Kansas, then a frontier Indian post, when Cody was five years old. At ten years of age he found himself the head of the family owing to the death of his father who was killed in an encounter growing out of a dispute over the slave question. Young Cody's first employment was as a courier between the freight wagon trains operating between the Missouri river and the Rocky mountains. In turn he became wagon master, trapper, hunter, pony express rider and stage coach driver, all giving a varied experience in a school, the graduation from

which left the scholar an adept in every possible line of frontier activity.

An exciting experience in the Union army as a soldier and subsequently as a confidant and scout of his commanders in the desultory and guerilla warfare of the southwest left him at the finish well known as an all around frontiersman. These qualities soon brought him to the attention of such commanders as Gen. W. T. Sherman, Lieut. Gen. Phil Sheridan and Generals Crook, Custer, Merritt, Carr, Royal, Miles, Dodge and others and secured his appointment as chief of scouts in the United States army during its numerous Indian campaigns.

During the construction of the Union Pacific Railroad young Cody attached himself to a camp of United States troops protecting the laborers and won his sobriquet of "Buffalo Bill" by taking a contract to supply the entire force with fresh buffalo meat for a certain period, killing under one contract 4,280 buffaloes. On one occasion he killed the noted Cheyenne Chief Yellow Hand in the presence of Indians and troops.

With the advance of civilization, finding his occupation on the western plains gone, he went on the stage where he remained several years, playing leading part in dramas depicting frontier life. Later in association with Nate Salisbury he organized his wild west show with which he toured this country for many years and on one occasion visited the principal cities of Europe where he was warmly received and entertained by royalty. He was elected to the Nebraska legislature in 1872. Col. Cody in 1866 was married to Miss Louisa Frederick.

Again for \$1—While They Last

This Guaranteed Aluminum Cooker

The cost of Aluminum has doubled since we ordered these lifetime Cookers. At present prices, this offer would be impossible. So, in all probability, after our supply is exhausted, it cannot be made again.

Next week the grocers of this city will once more feature this Mother's Oats Cooker offer. And for the last time, we believe.

We have supplied Cookers now to over 1,000,000 homes. We have supplied these guaranteed Aluminum Cookers for \$1 to Mother's Oats users. But this offer ends with our present supply, and probably forever. Unless Aluminum drops 50 per cent, we cannot again offer a Cooker like this for \$1.

But next week only we make the offer below. You can get this Cooker for \$1, by buying two of our cereals which should be cooked in it.

This offer is made to induce better cooking. To bring you Mother's Oats and Pettijohn's cooked in perfect form, with the flavor kept intact. Our reward will come in your doubled delight in these foods.

We ask the pictures just to show that you use our cereals. Unless you have the right flakes, right cooking does not help much. But, if you use Mother's Oats and Pettijohn's, this cooker is yours for \$1. This is for one week only. Get the packages from any grocer named below.

Pure Aluminum Extra Large and Heavy Cereal Capacity 2 1/2 Qts. A Lifetime Utensil

One Week Only—Your Last Chance

Our Offer Is This: Send us check or money order for \$1 and two pictures of the Cooker cut from Mother's Oats packages and one picture of the Bear from the front of the Pettijohn's package—or, if you prefer, you may send us five pictures of the Cooker from Mother's Oats packages alone. These pictures must be mailed next week. We will mail the Cooker by parcel post prepaid.

Address, Mother's Oats, 1708 Railway Exchange, Chicago.

Mother's Oats

The Extra-Delicious Vim-Food Flaked from Queen Oats Only

Mother's Oats is made from queen grains only—just the big, plump, luscious oats.

No puny, starved grains are included. A bushel of the choicest oats yields only ten pounds of Mother's.

The result is a flavor that has won the world—a flavor which is matchless. Yet these large and luscious flakes cost you no extra price.

Natures stores in oats a wealth of vitality, which everybody needs. We want you to know this fascinating vim-food, made as we make it and cooked in our way.

Pettijohn's

Rolled Wheat with 25% Bran Flakes A Modern Bran Dainty

Every doctor advises bran, as essential to right living. It is Nature's laxative. Everybody every day should eat it. It means better health, better spirits, sunnier days. Without it, our diet of fine food forces folk to drugs. Pettijohn's is made to meet doctors' requirements. The bran is hidden in savory flakes of wheat. The food is a morning dainty which everybody likes. Yet it contains 25 per cent tender bran.

The bran is in flake-form, which makes it doubly efficient. Ground bran will not do.

Try Pettijohn's one week. Note its delightful effects. Never again will you go back to a branless diet.

Then try Pettijohn's Flour. It is 75 per cent fine patent flour mixed with 25 per cent bran flakes. Use it like Graham flour in any recipe.

At Sanford, in the State of Florida, on the close of business Dec. 27th, 1916

Table with Resources and Liabilities columns. Resources include Loans and Discounts, U.S. Bonds, Savings Deposits, etc. Liabilities include Capital Stock, Surplus Fund, Loans, etc.

Table with Resources and Liabilities columns. Resources include Loans and Discounts, U.S. Bonds, Savings Deposits, etc. Liabilities include Capital Stock, Surplus Fund, Loans, etc.

State of Florida, County of Seminole. I, B. F. Whitner, Cashier of the above-named bank, do solemnly swear that the above statement is true to the best of my knowledge and belief.

WITH STALE BREAD

MANY DISHES MAY BE PREPARED FROM REMNANTS.

Can Be Put to Excellent Use for Stuffing and Meat Frying—Bread Custard Pudding is Good—Jelly for Invalids.

Of all the left-over remnants of food from the kitchen bread is the most common, perhaps, and many pieces are daily thrown away which a little thought would turn to excellent use. If the left-over pieces are not utilized the same day, an excellent plan is to wrap them in pieces of waxed paper and store them in a stone jar. They will keep well for a week in this way.

Dried Crumbs for Stuffing and Meat Frying.—Put the crusts and small pieces in a baking pan and dry in the oven without burning. They may then be put through the food chopper and stored in clean Mason jars until wanted. They may be used as a basis for meat croquettes, poultry stuffing and other things.

French toast may be made from the whole slices of left-over bread. It is an excellent luncheon pick-up dish. Beat an egg and add a little milk. Dip the slices of bread in this and fry a nice brown in hot drippings. Serve with butter, jelly or marmalade.

Bread Custard Pudding.—Cut the bread in dainty shapes and butter liberally. Make a plain custard of eggs, milk and sugar. Put in baking dish and float the buttered bread on top. Sprinkle with grated nutmeg and bake in a quick oven until brown. This is excellent.

To make croutons for the various soups so much relished in season, cut the bread in cubes and fry in butter or dripping just before serving with the soup. Add five or six to each plate of soup. These are delicious with almost any soup.

Bread Jelly for Invalids.—Soak the stale bread freed from crusts. Mash to a paste until of mushlike consistency. Add a little sugar and flavoring, mold, chill and serve with cream.

Sterilized bread crumbs are especially valuable for the young children in the household. A jar should be kept filled with these. They may be heated when wanted and sprinkled in soft eggs, soups, milk, fruit juices and, indeed, anything eaten by very young children whose fresh bread is often positively dangerous.

Dried bread is also valuable for mixing with various other foods for feeding the household pets.

Peach Dumplings.

Mix and sift two cupfuls of flour, one teaspoonful of baking powder, one-half teaspoonful of salt and one-half teaspoonful of sugar. Work into this two teaspoonfuls of lard. Mix with three-quarters cupful of hot water. Have all of the ingredients very cold, mix quickly, handling as little as possible, and roll out thin. Cut the dough into pieces just large enough to cover one-half of a preserved peach, roll them up and bake in a quick oven. Serve with hard sauce and the syrup from the preserved peaches.

Apple Chutney.

Twelve sour apples, one mild onion, three peppers, one red, one cupful of chopped raisins, one-half cupful currant jelly, two cupfuls of sugar, juice of four lemons, one tablespoonful of ground ginger, one-quarter teaspoonful of cayenne, one tablespoonful of salt and one pint of elder vinegar. Chop the apples, onions and peppers very fine, add the vinegar and jelly and let simmer one hour, stirring constantly. Store in a canned fruit.

Stewed Kidneys.

Remove the fat and center from six kidneys and soak in cold water. Slice, season with salt and pepper, roll in flour and saute in butter. Add to the fat in the pan one tablespoonful of butter and two tablespoonfuls of flour; brown, and add three-quarters cupful of stock. Season with salt, pepper, onion juice and table sauce and pour over the kidneys.

American Cream.

Half box gelatin, one quart milk. Set on back of stove to heat gradually. Boil a minute or two. Take off stove and stir in yolks of four eggs well beaten with three tablespoonfuls sugar. Then add whites, well beaten with three tablespoonfuls sugar, and two tablespoonfuls vanilla. Put in dish ready for table. Serve next day with cream.

For Bamboo Articles.

A soft rag saturated with solution of equal parts of spirits of camphor and linseed oil is a handy thing to keep around the house. It is the best thing you can get to rub down bamboo furniture with, for it loosens the fiber and makes the wood more elastic. For this reason it will not crack when exposed to changes of temperature.

Combination Cake.

One-third cupful of butter, one cupful granulated sugar, three small eggs, one-eighth cupful coffee, one and one-half cupfuls flour, two level teaspoonfuls salt, one cupful of dates, cut small, one cupful of chopped English walnuts. Marshmallow frosting is nice if you like it.

To Pick Up Broken Glass.

Even the smallest pieces of broken glass can be easily picked up with a bit of wet absorbent cotton, which can then be destroyed by burning.

M. W. Taylor of Geneva, Florida.

Lightning's Flash.
A flash of lightning lights up the ground for one-millionth of a second. Yet it seems to us to last ever so much longer. What happens is that the impression remains in the retina of the eye for about one-eighth of a second, or 124,000 times longer than the flash lasts.

Too Late.
Sometimes it seems to us that if there had been automobile horns and things 50 years ago, the author of "Kind Words Can Never Die" would have been inspired to write something cussy.—Houston Post.

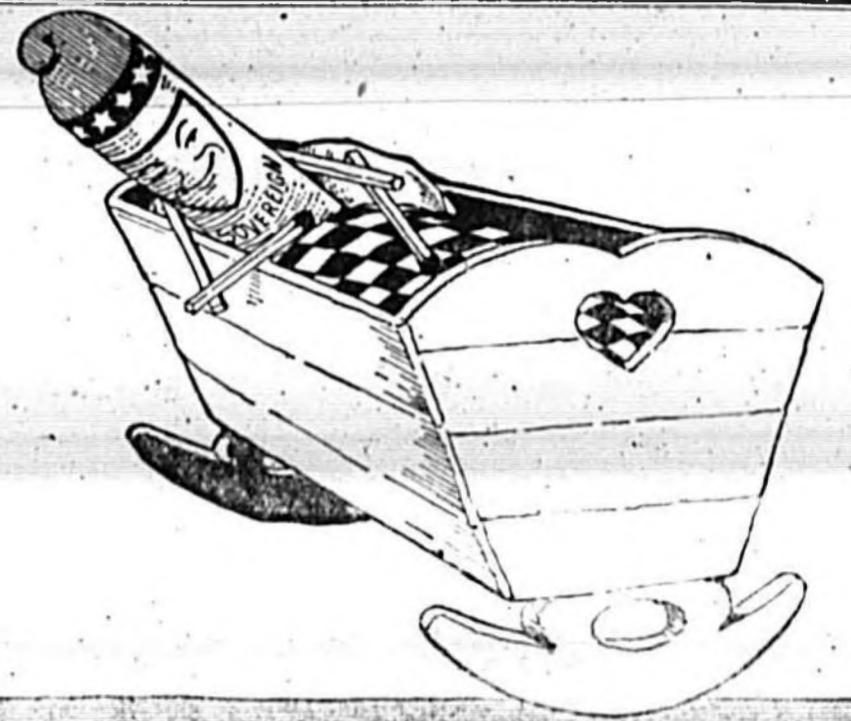

Hard to Suit.
The Neodesha Sun found this story in an Oregon paper. A man went into a business house and stated that his wife had made up her mind to go back to western Kansas. "Back there," he explained, "she used to sit around and sigh for a tubful of good, soft rain water in which to wash the clothes and it became so tiresome I moved to Oregon. We have been here two months and now she has all the rain water she can use and wants to move back to Kansas to get the clothes dried."—Kansas City Star.

Born! A Southern Gentleman!

It Was Midnight November 4th 1901 In Durham, N.C.

It was midnight, cold and dark. The calendar told the date—Monday, November 4th, 1901. They tell me I opened my eyes and blinked in the glare of the big electric lights. Around me were men in spotless white talking in low tones.

"Gentlemen," he said, "He is perfect. Quality does tell. You can't fail to recognize good blood. His mother was a Virginian, his father an aristocrat of the Carolinas. He comes from the very best stock—the very sweetest, ripest, mellowest Virginia and Carolina tobacco, and we will raise him right in one of the whitest, cleanest, healthiest homes on earth."

"Jim," one said, "we have been watching for this little fellow for a long while and now he's here."

Even then I was glad all over to hear his words. It is a great thing to have real breeding behind you, to know who your folks are. It starts a fellow right.

Jim picked me up, looked me over, struck a match and took a long, deep puff. Then he took another.

We Folks of the South KNOW good blood.
We Folks of the South KNOW good tobacco.

That is why I just had to have heaps of friends down South here. I want you, Mr. Reader, for one of my friends, and it means a lot when I say—

I am guaranteed by *The American Tobacco Co.* —Buy me. If you don't like me return me to your dealer and get your money back. I have said it. A Southern gentleman is known the world over for keeping his word, and I have given you mine.

Catts has fired Foster. Some promise he gave, eh, what?

The Gov. will be here on Friday of the Seminole Fair. At that time he will tell us about it.

The bulkhead should have grass planted at once. Too pretty a spot to grow up in weeds.

Celery starts to move in car lots from this city tomorrow. Bringing nice price and we are all doing well, thank you.

Not enough crime in Seminole county to hold circuit court longer than a week. Which is a hint to the winter salvationists that come down each winter to save the wicked Floridians.

In the death of William Chace Temple Florida loses one of her greatest citizens. His good work will live after him and his memory be kept green in the hearts of his countrymen.

That was a good move on the part of the city council to make autoists use dimmers or other kinds of lights other than the glaring headlights. There is no need for these bright lights especially on the city streets.

We have a soft heart but hate to give money to every beggar that comes whining around about a sick wife and ten children. Also those who are soliciting aid for this house and that home and are proudly drinking up the money after they get to Jacksonville or some other seaport.

Twelve pages this week and yet the price of The Herald remains the same. We are nice kind publishers, are we not? And we have a nice kind public to deal with, making it a nice agreeable contract all around. What beautiful weather we are having.

The legislature will be called upon to make a new county from portions of Santa Rosa and Okaloosa counties. The making of new counties is a pleasant pastime for the Florida legislature and helps to put some ginger in several dull and stupid days.—Apalachicola Times.

Another carload of hogs and one car of cattle were shipped by the farmers of this community to the packing house in Moultrie, Ga., this

week. This makes the second car of hogs with in the past few weeks. This means the opening of a big business for this county. Several farmers have already begun to put in a good stock of hogs, and it is their intention to ship a carload themselves next year instead of shipping a few as they are doing now. Bristol Free Press.

Arrest of A. W. Elliott for misrepresenting himself an accredited agent for an Atlanta rescue home reminds us that these collecting campaigns by agents of hospitals, rescue homes, Salvation Army corps of different sorts, Armenian relief committees, orphanages, etc., is most always a winter campaign of climate seekers and the whole thing should come under the direct supervision of associated charities.—Orange Co. Citizen.

The meeting of the Sanford Board of Trade last Tuesday night demonstrated beyond any reasonable doubt the benefits to be derived from co-operation. With 350 live wires working for the benefit of this community the work is bound to have good results and if there are any good men who do not belong to the Board of Trade they should make haste to enroll under the banner of the greatest working force that our city has ever had. The next twelve months should mark an epoch in our history and the Board of Trade will have a large place in the history making. Get in the game, and become a live member of this great body of workers.

COAST TO COAST ELECTRIC LINE

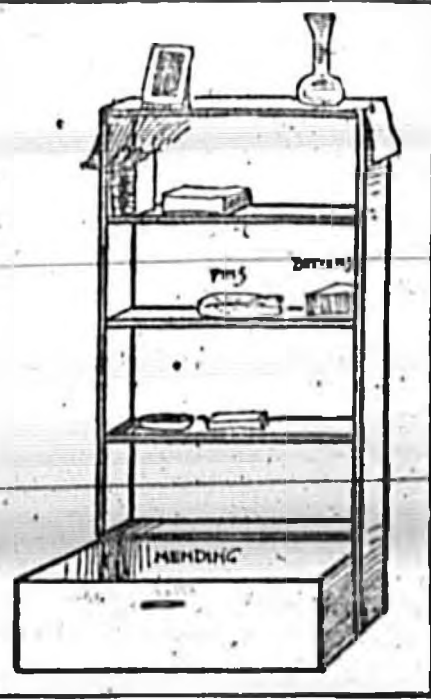

Following the announcement of Messrs. Gandy and associates of St. Petersburg, that their proposed electric trolley line from the Sunshine City to Tampa has been financed, comes the visit of capitalists from St. Joseph, Mo., who contemplate constructing a similar line across the state from Tampa to Melbourne.

These incidents with others serve to show how the tide of capital is turning south Floridward and give an insight into the future development of this incomparable section. South Florida's future is one, the brightness of which cannot be foretold, and it is the duty of every citizen to play his part in adding to the beauties of this natural Eden. Times-Union.

SMALL BUT HANDY CUPBOARD

Easy of Construction and Perfectly Suited for the Purpose for Which It Was Intended.

Last fall when I found our house was too cold writes a correspondent of Farm Progress, I concluded to close the sitting room and use the dining room for that purpose, too. In order to keep it in order and be convenient

Completed Cupboard.

for me I had my husband make a small cupboard about four feet high and just as wide as a cracker box.

He fitted three shelves about eight inches wide and eight inches apart, in the top of the cupboard. This I placed in one corner of the room, using the wall for a back. I painted it to match my woodwork. I covered a cracker box with creosote and placed it in the bottom. I set pictures on top of the cupboard. The shelves I used for sewing articles, magazines, school books, etc. The box held my mending and unfinished articles of sewing.

TRY THIS CREOLE RECIPE

Chicken Sauté That is Declared to Be Delicious by Those Who Have Partaken of It.

Take a nice, tender chicken, wash and clean thoroughly and cut into small pieces at the joints. Separate the breast from the back and split it first down the center through the bone, and once again crosswise, and season the whole well with pepper and salt. Put one and a half tablespoonfuls of butter into a stewpan and when it has melted add the chicken. Let this brown for a good five minutes, then add one and a half good-sized onions, sliced, and let these nicely brown, being careful not to let them burn in the least. Add one tablespoonful of flour and let this brown. Then add three large fresh tomatoes (or one fourth can of tomatoes) and let these

brown. Cook very slowly, allowing the mixture to simmer. Add one tablespoonful of chopped parsley, one teaspoonful thyme, one bay leaf and one clove of garlic finely minced. Stir, cover and let the whole smother over a slow but steady fire. The tomatoes will make sufficient gravy as yet. If you have sweet green peppers, add three, taking the seeds out and slicing very fine and stir well. Let all smother gently for 20 minutes at least, keeping well covered and stirring occasionally. Then add one cupful consommé if you have it, if not, one cupful of boiling water. Let it cook again for a full half hour, very, very slowly, over a very steady fire, and season again to taste. Cover ten minutes more and serve hot. The above is very much esteemed as a famous New Orleans dish.

Chicken a La Dixie. The following recipe is not a widely known one, but it is an excellent dish and can be served at very short notice.

Chicken a La Dixie—Take two fat slices of ham and place in frying pan, then cut a spring chicken in quarters and fry on ham. When nearly brown add one-half can of sugar corn, season with salt, paprika and a pinch of grated nutmeg. Pour over whole enough cream and tomato sauce to cover. Put in oven for about ten minutes and serve as chafing dish.

Orange Jelly. Two tablespoonfuls gelatine, one-half cupful cold water, one and a half cupfuls boiling water, one cupful sugar, one and a half cupfuls orange juice, three tablespoonfuls lemon juice.

Soak gelatine in cold water, dissolve in the boiling water, add sugar and fruit juices, serve with whipped cream. Very nice.

Red Peppers Stuffed With Cheese.

Drain a few canned red peppers and stuff them with nicely seasoned cottage cheese to which a few chopped nuts have been added. Allow to remain in a cool place for half an hour. These red peppers are delicious sliced and served on lettuce leaves.

Combination Pie.

Line a pie plate with rich pastry, fill with a cupful of rhubarb and one of strawberries and one of sugar. Sprinkle with a bit of flour, as it is very juicy, put on the second crust and bake until brown. It's a dandy pie.

For Greasy Woodwork.

Paint or woodwork that has become greasy should be cleaned with a cloth dipped in turpentine. Then wipe with a cloth dipped in water to which a little kerosene has been added.

Progress in Southeast

Columbus, Ga., Jan. 10.—The Industrial Index says in its issue for this week:

Sixteen corporations have been formed during the week with minimum capital stock aggregating \$1,311,000.

Preparations have been made to proceed with the construction of public buildings as follows: Court house, St. Johns county, Florida; hospital buildings, Laurel, Miss., and Miami, Fla.; municipal building, Macon, Ga.; school building, August, Ga.

Perry county, Miss., has voted \$200,000 of bonds for constructing highways. Fellsmere, Fla., voted \$5,000 of bonds for improving streets. Barnesville, Ga., will vote upon paving bonds and Vero district of St. Lucie county, Fla., upon school building bonds.

A company is being organized to build an electric railway across the state of Florida.

Tampa, Fla., and Atlanta, Ga., capitalists plan to erect a 12-story office building in Tampa.

Preparations are being made for the building of an extension of a railway line in Mississippi.

These are some of the news items of the week which show the wide spread activity in the southeast and indicate the coming of even greater development in this section of rich, undeveloped resources and of opportunity.

Among the items of construction work to be done, as reported this week are:

Bank building addition, Corinth, Miss.; bank and office building to be remodeled, Savannah, Ga.; church buildings, Kissimmee, Fla., and Mendenhall, Miss.; hotel building, Miami, Fla.; bridge, Newton county, Ga.; jail, Greenwood county, S. C.; school building, Valdosta, Ga.; apartment house, Miami, Fla.; fraternal building, Miami, Fla.; paving, Anderson, S. C.

Construction contracts have been awarded as follows:

Bridge near Hartwell, Ga.; apartment house, Miami, Fla.; apartment and store building, Tarpon Springs, Fla.; hotel building, Jacksonville, Fla.; seawall, Jacksonville, Fla.; railway passenger station, Brookwood, Atlanta, Ga.; warehouse, Columbia, South Carolina.

A MIGHTY MOVE IN FLORIDA

40,000 to be added to the Sunday Schools on One Day. February 11th will this year be known as the wide "Go to Sunday School Day" in Florida.

Practically every state south of the Ohio and east of the Mississippi, including a number west of the river will make the same effort on this day. The second Sunday in February is to be the day every year when everybody everywhere is to make concerted, universal effort to bring men, women and children into the Sunday schools of our southland. Florida agreed to this movement when, at the last state convention in Lakeland, it was unanimously voted that this state join with the others in this general observance.

This movement is wholly interdenominational, embracing every evangelical church and Sunday school in the entire state. A mighty impetus should be thus secured. Added to this state wide movement will be the power and influence of all the advertising and agitation in all the south. Florida at the present time has perhaps 85,000 pupils enrolled upon her Sunday school books. There is an average attendance of perhaps 65,000. The purpose of this Go to Sunday School Day is to increase this attendance that day to over 125,000.

This is the second such day observed in this state. The first day was observed over a year ago, namely Oct. 3rd, 1915. At that time the Florida Sunday School Association inaugurated the first statewide move. Gov. Trammell endorsed it with a state wide proclamation, and everywhere efforts were made to get people into Sunday schools. As a result, the reports coming to the state office indicated that those schools which observed the move had increased their attendance from 25 per cent to more than 200 per cent. Thousands of pupils were held permanently for the schools all over the state.

The state wide day was not observed in 1916, owing to the fact that this state desired very much to celebrate a uniform day with the balance of the south, and at the recent conference of the south's general secretaries in Sunday school work in Atlanta, the second Sunday in February became the uniform and mutual day.

The Florida Sunday School Association is issuing a splendid program for the day. This program will be calculated to add dignity to the occasion, and to give much needed information to all schools which will use it. This program, put up in at-

PEOPLES BANK

tractive form will be sent in sufficient numbers to any school desiring same

In the city of Jacksonville this day will be further emphasized by the special campaign now on for 5,000 Roll nor Home Departments, and men. Much interest is being developed in the metropolis toward this end, and it is confidently hoped that even more men will be added to the schools of that city than the goal

The office of the State Sunday School Association reports that there is much need by the state for this movement. There are many counties which have only a few Sunday Schools, and a very meager number of people attending. Available sta-

istics show that some counties have less than 5 per cent of their white population in Sunday schools. Other counties report absolutely no Cradle Roll nor Home Departments, and some even report no Organized Bible Classes. In many sections of the country the Sunday school spirit is at low ebb, and a movement such as is now being planned, if of sufficient intensity ought to sweep these calmer counties into the column of strenuous activities.

It is hoped in this county large efforts will be made for this and that our ministers will preach special sermons along this line at the public services February 11th.

Safety! Service! Strength!

These are three elements which enter into consideration in the selection of YOUR BANK

Safety! Service! Strength!

Safety and strength are prime factors in that part of our statement just made to the Government of the United States, which shows how conservatively and wisely our funds are invested. Service is a part of every day's business upon which we especially pride ourselves and which we believe if our growth may be taken to mean anything, is appreciated.

Here is the condensed report of the condition of the First National Bank

After the business part of the session a social time with light refreshments was enjoyed.

Church of the Holy Cross For 2nd Sunday after the Epiphany, Jan. 14th, 1917, regular services will be held in the church.

Preparations are going steadily on for the two weeks' mission to be held beginning next Sunday, Jan. 21st, by Rev. Father Huntington, O. H. C. of New York.

There is great and increasing interest, being manifested by every one of the coming to Sanford of this very widely-known and eloquent preacher.

As Fr. Huntington is sought by the largest parishes the membership of which is numbered in the thousands, in the largest cities in the east and west, it is an opportunity and privilege no citizen of Sanford can afford to lose.

Schedule of meetings will be announced in next week's paper. Remember the mission begins Sunday, Jan. 21st.

Among the many beautiful and most handsome gifts coming to the church and to the rectory during the Christmastide was the gift of a most costly brass candelabra of seven lights for the altar from Mrs. W. A. Fitts, Sr.

It was bought in Washington, D. C., being selected by the Attorney General of the United States and Mrs. Gregory.

Board of Missions to Meet in Sanford The meeting of the Board of Missions of the Methodist church South in Florida will hold a meeting in the Methodist church in this city beginning Tuesday, Jan. 16th.

The public is cordially invited. Announcement of the hours of the meetings will be made later. Man prominent ministers and laymen from different points in the state are to take part on the program.

Spotts Won Amateur Title Winner of Trap-Shooting Championship in 1914 Repeats at Travers Island Tournament.

Ralph Spotts, New York Athletic club holder of the amateur trap-shooting championship title in 1914, again won the title at the Travers Island traps of the Winged Foot organization.

He not only won the championship, but broke the record besides. He broke 196 out of 200 targets.

thereby establishing a new record for the event. The New York Athletic club's nimrod so far outclassed his rivals that the competition was not very keen.

Two years ago, Spotts, whose ability won him international fame as a trap-shooter, captured the title with 188 breaks, and last year the late George L. Lyon of Durham, N. C., won both the preliminary and championship events with 191 in each.

Two years ago, Spotts, whose ability won him international fame as a trap-shooter, captured the title with 188 breaks, and last year the late George L. Lyon of Durham, N. C., won both the preliminary and championship events with 191 in each.

CALLED POLO MOUNTS

New Nomenclature Adopted by National Horse Show.

Association Raised Height Limit to Conform With Requirements of Army—Problem of Supply Is Thereby Simplified.

"Polo mounts," not "polo ponies" as of old, was the caption over the competitors that most interested followers of the galloping game in the prize lists for the thirty-first national horse show, recently held at Madison Square Garden.

It was at the prompting of William Hazard, secretary and treasurer of the Polo association and president of the Rockaway Hunting club, that the new nomenclature has been adopted by the National Horse Show association committee.

He requested that the term "polo mounts" be substituted for "polo ponies" in the prize list and catalogue hereafter. There are two classes for polo mounts, respectively, for light and heavyweight mounts.

In each the judging will be for manners, handiness and conformation, and the owner or a polo club member must be in the saddle.

At the annual meeting of 1914 the Polo association voted to raise the height limit, mainly to conform with the requirements of the army and thereby simplify the problem of a government supply of mounts for army players.

The new rule was: "Mounts—The height of mounts shall not exceed 15.1 hands."

Subsequently, a letter of explanation was sent broadcast to the editors and polo authorities of the newspapers by H. F. Herbert, suggesting the word mounts be used hereafter instead of ponies.

The increase in height, besides making it easier to obtain lightweight army remounts available for polo, ended the many confusions due to the use of mounts that were palpably beyond the old 14.2-hand limit.

Some Egg Tips. A tiny pinch of salt added to the whites of eggs makes them beat up quite quickly.

A tablespoonful of water added to each white of egg before beating will double the quantity. To prevent eggs from becoming watery when boiling, place them in cold water.

GOVERNOR IN SANFORD DURING FAIR

GOVERNOR CATTS WILL MAKE ADDRESS ON EDUCATIONAL DAY

One of the features of the Seminole County Fair will be the presence of the new governor of Florida, Hon. Sidney J. Catts who has wired secretary, Schelle Maines, that he will be here on Friday, Feb. 9th, Educational Day.

Governor Catts will make an address to the school children and will spend part of the day here if possible, as his time is brief and he is scheduled to make an address in west Florida on the following day.

Educational Day promises to be one of the big days of the fair and the pupils of all the schools in the county will be here that day to see the fair and look over the many displays of the county schools that will be on exhibition at the fair grounds.

The schools will be represented in every department and the various schools of the county are preparing good exhibits of the work of the children. If possible this great exhibit will be taken to Orlando the week following for the Sub Tropical Fair to be embraced in the Seminole county exhibit.

All the school children will be given free tickets to the fair grounds of the Seminole County Fair on Friday, and they are expected to enjoy one big day made especially attractive for them.

Remember the day, Friday, February 9th, at the Seminole County Fair.

Methodist Services Sunday The attendance on and interest in the services last Sunday was very gratifying to those who were present.

The Sunday school is moving forward under the wise leadership of the new superintendent, Mr. A. R. Chappell.

The departments are established in their rooms and the officers and teachers are working hard in their places to make every one happy and useful. Next Sunday is looked forward to as being the best in all departments of the school and church services.

The pastor will preach on some very vital and interesting themes. The morning theme will be "A Lost Book," the evening subject being "Real Satisfaction."

The discussion of these subjects will answer many questions arising in the minds of a number of people. All visitors to the city will meet a warm reception in this church.

Hours of worship: Sunday school, 9:30; preaching 11 and 7; Epworth League, 6:00.

Ralph Spotts, Amateur Champion.

If you are buying stamps make him lick them and put them on, that's his business.

On Thursday evening, Jan. 4th Mr. and Mrs. Will Evans entertain a good number of their friends and neighbors at the home of their mother, Mrs. W. H. Evans, in hon of her birthday anniversary, but who was unaware of the fact that a surprise was in store for her until her guests arrived. During the evening the company was entertained with readings by Mrs. Hester and Miss Helen Iserman and an Irish dialect song by Dr. J. C. Iserman. Mrs. Evans received a number of pretty and useful gifts, among which was a birthday cake which was cut and served by the guest of honor. Refreshments of fruit punch and cake were served and the friends left at a late hour, wishing Mrs. Evans many happy returns of the day.

WEST GENEVA AVENUE
Mrs. Will Robinson, Mrs. Jack Vaughn and Mrs. Jack King were the guests of Mrs. W. N. Culp on Sunday.

Little Miss Gladys Robinson spent Saturday night and Sunday with her aunt, Mrs. W. N. Culp of Celery avenue. She had a most delightful time as she has taken several rides in their new car.

Mrs. Will Robinson and Mrs. Jack Vaughn were the dinner guests of Mrs. Will Robinson Tuesday.

Mrs. Jack Vaughn entertained quite a number of friends Tuesday afternoon. Those of the party were Mrs. Geo. Clark, Mrs. T. O. Tyner and daughter, Miss Mabel, Mrs. Wm. Robinson, Mrs. C. Dowley and Mrs. Charlie Hester.

Little Gladys Robinson has been quite sick this week and has not been able to attend school at all. She will soon be all right again.

Mr. and Mrs. Dowlis and children and Mrs. Charlie Hester were the afternoon callers at Mrs. Will Robinson's Sunday afternoon.

We had a nice shower Wednesday evening so we are looking for some cold weather now.

Baby Clifford King, the little grandson of Mr. and Mrs. Will Robinson has been quite ill for several days with very bad cold but is improving now.

EAST SANFORD
Sunday, Jan. 14th, Rev. A. S. Peck is expected at the Moore's Station church to preach in the afternoon.

Mrs. George Lopper of Los Angeles, California is the guest of her sister, Mrs. George Balmes and family of South Cameron avenue.

Miss Hortense Johnson was given a surprise party last Friday evening. All the young people were there and had a fine time playing games.

The infant son of Mr. and Mrs. Hagood Warren was buried Friday afternoon at Lakeview cemetery.

W. W. Miller and J. F. McClelland are on jury duty for Seminole county this week.

J. R. Hayden is feeding a band of sheep, between 400 and 500 at his Beardall avenue farm, brought over from his Volusia ranch.

Joe Cameron is having forty acres more land cleared near his home farms.

The R. J. Holly land, now owned by H. H. Lewis is being cleared and tiled ready for potatoes. J. C. Ellsworth and G. C. Chamberlain have

The Graham Cracker with the Delicious Taste

N. B. C. Graham Crackers are incomparably the finest flavored of graham crackers. Thanks to our careful selection of grain and thorough preparation, we get just the right proportion of elements to make a wholesome biscuit and one that is the most palatable and appetizing of its kind. Try N. B. C. Graham Crackers for their delicious nut-like flavor and flaky crispness. Use them regularly at meals and between meals, because they are as digestible as they are nourishing.

5c and 10c Packages

NATIONAL BISCUIT COMPANY

each bought five acres from Joe Cameron, the land opposite their homes on Beardall avenue.

Blue and white violets are blooming everywhere in the hammocks, as also is the wild yellow jessamine.

WEKIWA AND ETHEL

R. J. Griffin of Enigma, Ga., has bought half interest in E. A. Rush's saw mill and will move his family here in a few days.

A. H. Wallace has succeeded in getting a fine well at last and though it is not flowing the water comes very near the top and is excellent water.

E. A. Rush is having a deep well put down by Mr. Stafford of Sanford. C. S. Brown is contemplating a trip to Missouri in the near future. W. C. Holiday is putting a neat picket fence around his yard.

Mrs. C. J. Vermillion and Mrs. T. I. Boyd drove to Sanford on a shopping trip last Tuesday.

Mr. Geiger of Sanford has moved on to Mr. Monroe's farm here.

Mrs. W. H. Boyd and son, Raymond and Miss Mae Goines were visitors at the Holiday homestead on Sunday.

PAOLA POINTS

J. E. Bona left last Friday for Islesworth where he is superintending a packing house for Chase & Co.

Mrs. J. W. Keragy left on Saturday for her home in Green Cove Springs after three weeks spent pleasantly with her father and sister here.

Mr. C. C. and Miss Edith Campbell are spending the winter at Twin Lakes Plantation again this year, the guests of Miss Frances Thier.

Harold Henschen and Miss Helen Iserman returned over from Lake Mary Sunday and were dinner guests of C. D. Peagram and family.

We regret to learn of Mrs. W. D. Clark's fall last week, which resulted in a badly sprained ankle.

We are glad to note that brick being hauled for the Wekiwa road, but wish the heavy hauling had been done before the new straw road was put down. Are afraid by the time the hauling is completed we will be ready for a new road to Paola.

We understand that Paola has changed hands again and that Mr. Felt has no interest there now.

UPSALA AND GRAPEVILLE

Rev. Swanson filled his appointment here at the Lutheran church Monday evening. He expects to preach every two weeks.

Mrs. Alfred Ericson and little children returned Monday from a visit to her sister, Mrs. Adam Karr in DeLand.

Mesdames Bertelson, Borell, Magnuson, Margaret Ericson, Theodore Bergquist and Woodard Bertelson were callers Thursday at the home of Mrs. H. G. Lundquist, where Mrs. Clark joined them later. Mrs. Bertelson and Mrs. Clark called also at Mrs. Ballinger's.

Aron Lundquist happened to a little runaway recently with his brother-in-law's horse which tore up the wagon badly, but fortunately no one was hurt.

Margaret Ericson has been the guest of her aunt, Mrs. Magnuson for a few days, attending services with them in town Sunday.

Messrs. Abe and Robt. Derby and their wives have been taking in some of the pretty sights of Florida in their new car, going to Orlando last Sunday and the previous one to Daytona and Sea Breeze.

Mr. and Mrs. C. R. Walker and his parents were callers New Year Day at the home of Mrs. Bertelson, who also entertained her children and grandchildren to a nice New Year's dinner.

Mrs. T. O. Tyner and Mrs. Clark called on Jack Vaughn Tuesday.

Mrs. Ballinger was a caller at the home of Mrs. A. Derby on Wednesday.

Mrs. J. C. Lundquist called at her daughter's Monday and at her son, Edwin's on Wednesday.

Mrs. Emil Magnuson has been calling upon those of the Home Department: Mrs. Vaughn, Mrs. H. G. Lundquist, Mrs. Clark and Vihlen of our Sunday school.

Miss Ebba Stedt has been having a bad time with neuralgia of the face recently.

Helen and Olga Carlson of Monroe visited at Mrs. Bertelson's and at our school on Sunday and later with Margaret Ericson.

Aron Lundquist has purchased the home place of his uncle, Charley Lundquist, consisting of 2 1/2 acres. It is a fine location and has good garden ground which the young man is already at work upon.

The windows and doors have arrived for the H. G. Lundquist house and now Price & Collier, the builders can soon have it ready for occupancy.

T. O. Tyner has been helping H. G. Lundquist put down a well, the men working at night.

We wish to thank all who by their presence and contributions helped to make the church party of last Friday night the success it was. About forty were present and we hope all had a good time. A group of cars came out from town helping on the merriment and one of them assisted in giving us a donation, so we hope now to be able to get the much needed steps for the intermediate room. Not much fresh work was attempted in cleaning up the grounds, but a good banfire was made of that already grubbed up which was donated as their share by John Borell and George Clark.

Dr. Puleston was called this week to attend little Adrian, son of Mr. and Mrs. E. F. Lundquist, who has been on the sick list but is some better now.

War's Thunder Carries Far.
The limit of the carrying power of thunder is about fifteen miles, while thirty miles is not regarded as far for the sound of a big battle to travel.

Annual Meeting of First National

The regular annual meeting of the stockholders of the First National Bank of Sanford, Florida, was held on Tuesday morning, January 9th at 10 o'clock.

The board of directors who had guided the affairs of the bank so efficiently for the past year was re-elected without any change and is composed of the following gentlemen, all well known citizens of our community: L. A. Bramley, S. O. Chase, F. P. Forster, T. I. Hawkins, T. J. Miller, E. H. Rand and B. F. Whitner.

The stockholders meeting was followed immediately by a meeting of the board of directors at which, the following officers were elected for the ensuing year:

- F. H. Rand, President.
 - F. P. Forster, Vice President.
 - B. F. Whitner, Cashier.
 - A. L. Betts, Assistant Cashier.
- The report of the officers showed a most satisfactory condition of the bank's business the past year; the statement, called for the 27th of December and published elsewhere in this issue, showing deposits of over \$460,000.00, an increase of more than 30 per cent over the corresponding date of 1915. This is evidence stronger than words of the prosperity of our city and county, and of the hold which the reliable old institution has upon the confidence of our people, who have an abiding memory of the years dur-

ing which they First National met the needs and safe guarded the financial interests of this section, many of these years, being marked by financial panic and stress in National affairs and local calamity from storms and freezes.

It will be of general interest to the public to know that at the close of the six months period, in addition to the regular semi annual dividend of 6 per cent, an extra dividend of 1 per cent was declared, making a total of 7 per cent for the period.

Each of the employees was remembered at Christmas with a generous bonus of gold, the amount being based on salary and length of service. And further, believing, that all who have helped to accomplish the splendid results shown by the annual report should share therein; a substantial increase of salary was voted each member of the force.

The officers and directors of the bank have unbounded confidence in the future growth and prosperity of our city and county and are planning certain improvements in the bank property which will be given to the public as soon as they take definite shape.

Record Established

In going over the statistics which have been filed in the Tampa dailies we find in regard to basketball that Sanford has established a record that will stand for a long time to come.

And that is, the local club here has held their opponents to the lowest score of any other team in the state. The lowest score which was made against the Tampa team was thirteen and the local club beat that mark by six points.

In the last two games played only fifteen points have been registered against them and nowhere in this state has any other team been able to hold their opponents to such a remarkable low score.

Only two field goals have been thrown against the two local guards and when this is taken into consideration every one must concede that Sanford must have some team.

The locals are yelling for the state championship and they justly deserve to yell, for the games which they have played have all been clean cut victories and the defensive

part of their work has bordered on the spectacular.

When the team was reorganized under the leadership of Captain Paul Hawkins the boys steadily took a spurt and started to clean up every team that came in sight. So worked up over their victories the boys were anxiously waiting the appearance of the Imps of Tampa, but at the last minute word was received here that on account of the death of Manager Harkness' father they were unable to come.

The Tampa Times of Saturday will present an all star team of the state of Florida picked by the writer, and after taking into consideration the wonderful playing of the local some will wonder why more than one from Sanford was not selected, but the story will tell why the one on the local team was picked and why some of the others were not selected.

ABOUT PEOPLE ...AND EVENTS...

A RESUME OF SANFORD
HAPPENINGS UP TO DATE.

All of our communications for this
column to "Share Editor," at Phone
No. 2. A. Tribune, Phone No. 253

Welfare Department
 The welfare Department will entertain the General Club on Wednesday afternoon with an interesting program. All members of the Department are urged to attend, as the General days are given to bring all of the club members together. It is hoped there will be a large attendance of them in honor of the invited guests of the Department.

taken over the privilege of the Skating Rink for Friday, January 19 and will conduct a skating contest to be followed by two hours of dancing with good music. There will be separate tickets for admission, skating and dancing. Surely all club members will cooperate by buying one or more of these tickets.

On Saturday, the 20th, the same department will hold a rummage sale on Sanford avenue in the usual place. All rummage will be grat-

In the interest of its one hundred dollars obligation to the General Club, the Welfare Department have

fully appreciated and will be called for if Mrs. R. A. Terhoun or Mrs. W. T. Carter is advised.

To the Baptist Convention
 A number of Sanford folks attended the Baptist Convention to Orlando at various times during the week and all report a fine time and splendid meeting. Among those who went over were Dr. Geo. Hyman, Mrs. M. C. Savage, Mr. and Mrs. D. R. Brisson, Miss Annie Hawkins, Mrs. Geo. Hyman, Mrs. Schelle Maines, Mrs. W. C. DeCoursey, Mrs. Tolar, Mrs. L. Y. Bryan, Mrs. M. J. Hawkins, Mrs. W. E. Scoggin, Mrs. James Taylor, Miss Allie Trafford, Mrs. H. B. Connelly and Mrs. M. F. Thomas of Jacksonville who is visiting Mrs. Savage.

Unavoidable Change of Date
 The skating contest and dance that will be given under the auspices of the Welfare Department, Woman's Club at the Skating Rink has been changed to Friday, Jan. 19, owing to the engagement of Cbburns Minstrels at the Lyric Theatre on Thursday. Tickets that have been sold dated Jan. 18 will be good only on Friday, 19th.

The patronesses of the affair will be Mrs. E. M. Galloway, president of the Woman's Club, Mrs. W. E. Watson, chairman of the Welfare Department. Other prominent club women who are patronesses are Mrs. J. W. Dickins, Mrs. Henry Wight, Mrs. Deane Turner and Mrs. W. P. Carter.

Mrs. W. P. Carter will have charge of the tickets for dancing and Mrs. Terhoun the admission and skating tickets. The personnel of the committee are Mrs. Terhoun, Mrs. Carter, Mrs. Abernathy, Mrs. Gerrer and Mrs. J. W. Barnes, all members of the Welfare Department, from whom tickets can be bought. Ladies and girls whose names have been entered for the skating contests are Mrs. Hal Wight, Miss Edna Chittenden, Ruth McDaniel, Fern Ward, Vera Terhoun, Rosamond Radford, Helen Terwilliger, Ruth McGee, Lela Hutchinson, Mollie Abernathy, Clarice Hand, Fannie Reja Munson, Elizabeth St. Ford and Weima Graves. There will also be a number of gentlemen who will enter the contest.

Cecilian Music Club
 The regular meeting of the Cecilian Music Club will be held at the studio of Mrs. Fannie Munson Saturday, tomorrow afternoon at 3 o'clock. Parents and friends of the club are cordially invited.

High score for the ladies was made by Mrs. S. E. Egbert to whom was presented a pair of mahogany candlesticks and to Mr. Newman for the gentleman's prize was given a combination set of hose and tie in white silk. Next week Mr. and Mrs. W. E. Watson will entertain the club.

St. Agnes Guild
 The members of St. Agnes Guild met with Miss Olga Schultz on Monday afternoon and enjoyed several delightful hours planning and discussing various schemes for the year's work. Those present were Mrs. Julius Schultz, Mrs. W. L. Morgan, visitors, Miss Ruth Mettinger, Mrs. Archie Betts, Miss Gretchen Schultz, Mrs. Fry, Mrs. Tackach and Mrs. M. Minari. A delicious luncheon in course was served.

Annual Election of Officers
 The Pipe Organ Society of the Baptist Temple were delightedly entertained on Monday afternoon by Mrs. Robert Rowe at her pretty new home on Palmetto avenue.

Business was transacted and the annual election of officers resulted with Mrs. Rowe being elected president; Mrs. Schelle Maines vice president; Miss Essie Whittle secretary treasurer and Miss Jeanette Laing reporter. A pleasant social hour followed the business period at which time dainty refreshments were served. Those present were Mrs. Ernest Betts, Mrs. Thomas Getzen, Mrs. James Taylor and Misses Daisy Betts, Ruth Whittle, Martha Fox in addition to the officers mentioned.

Sew Sew Resumes Meetings
 The Sew Sew ladies have only been taking an unusually long summer siesta but wakened up on Tuesday afternoon under the wide awake leadership of their hostess, Mrs. C. H. Dungee. There was so much to talk about and so many stitches to take after the Rip Van Winkle nap that every moment of the afternoon was alive with interest and the Sew Sews enjoyed their laughter and fun and frolic with renewed zest. Sealed oysters, saltines with pickles and hot coffee was served at the refreshment hour. Enjoying the gracious hospitality of their hostess were Mrs. B. J. Holly, Mrs. MeLaulin, Mrs. Wm. McKinnon, Mrs. Frank Woodruff, Mrs. B. A. Howard Mrs. O. L. Taylor, Mrs. R. L. Peck and Miss Agnes Devlin. Mrs. May Dickins will be the next hostess.

Evening Bridge
 Mr. and Mrs. W. J. Thigpen charmingly entertained the Evening Bridge Club on Tuesday evening

on the Heights will be occupied by Mr. and Mrs. McAlister.

Entertained by Daughters of Wesley
 Mrs. T. DeWitt Hayes is receiving many charming social attentions from her many friends just previous to leaving Sanford to make her home in Bradentown.

On Tuesday evening she was the guest of honor at a beautiful party the home of Mrs. J. D. Roberts, the teacher of the Daughters of Wesley, of which Mrs. Hayes has been the efficient class president during the last term of several months. Mrs. Roberts' home was prettily adorned with bowls of red and white roses and red carnations intermingled with ferns which gave a relieving touch of green in artistic arrangement.

In the course of the evening several charming vocal selections were rendered with Miss Ruth Mettinger piano accompanist. Two quartettes were delightfully rendered by Mrs. W. L. Morgan, Mrs. Claude Herndon, Mrs. Mettinger and Mrs. Geo. Fox and two solos were given by Mrs. Mettinger that were much enjoyed, after which an amusing contest was indulged in, known as the Plant Contest. Miss Gertrude Browne making many guesses was given a box of bonbons and to Mrs. Claude Herndon was presented a keyhole for "the lowest number of guesses."

In recognition of her faithful service and loyalty to the class a "memory gift" of a beautiful gold lavilliere was given Mrs. Hayes from the class. In addition to the many members present were Mrs. F. E. Steinmeyer, Mrs. W. L. Morgan, Mrs. Charles, Mrs. A. K. Powers, Mrs. Gilmore and Miss Margaret Roberts. Ouije Board created great excitement and pre-told the next bride-to-be in the Daughters of Wesley circle besides telling the interesting fortunes.

Personal Mention
 Mr. and Mrs. W. P. Carter motored to Kissimmee and return on Wednesday.

Mr. and Mrs. Leslie T. Bryan have moved into the Giles' home on Magnolia avenue. The Bryan home

Mr. W. A. Ginn came up from St. Cloud on Wednesday for a short stay with the home folks.

Mr. and Mrs. Fellowes have bought the Hambone place on Sanford Heights and have moved out from town.

Mrs. J. N. Robson and little daughter Pearl with Mrs. Ray and children motored to Ocala on Saturday for the week end. The car was driven by Alfred Robson.

Miss Agnes Bothamly is spending the week end in Jacksonville with her sister, Mrs. Gore.

Mrs. H. N. Marsh of DeLand is visiting Mrs. E. E. Hogan and Mrs. Geo. Venable. Mrs. Marsh came over to attend the school of instruction of the Eastern Stars, last week.

Mr. and Mrs. G. W. Rayton of Rochester, N. Y., have arrived and are located with Mrs. J. D. Roberts. Mr. and Mrs. Rayton have been spending their winters in Sanford for many years and have hosts of friends here to greet them.

Mrs. J. C. Harris and Miss Mary Barlow have returned from a pleasant visit to Jacksonville among friends and relatives.

Mr. and Mrs. Wm. Mitchell and their two children are here from Georgia, visiting Mrs. Mitchell's mother, Mrs. E. L. Browne on Sanford Heights.

Mrs. H. L. Heath of Fort Myers left for home this week after a delightful visit to her sister, Mrs. Geo. Shipp on Sanford Heights.

Breaking It Gently.
 Jack (who has spent his last century for a bracelet)—"When you look at this poor gift, think kindly of the donor, won't you?" Belle—"Always, Jack! It isn't the money value that counts, as I said to my fiancé, the duke (possibly you haven't heard), when he sent me a picture postal."

Profitable Mourning.
 A Long Island man has requested a fee of \$5 for sitting with a corpse. That would make it almost as profitable, but hardly as pleasant, as having a streak of luck while "sitting up with a sick friend."

"Buckeye Trees Are Makin' Good All Over Florida, Son"

Throughout Florida, in every citrus growing section, you can find groves that are unanswerable proof of Buckeye superiority. The trees are self-branching, strong, disease-resisting. They bear large fields of fruit that sell at good prices.

A customer writes: "I got between 600 and 700 trees from you last January. I have never seen trees do better or grow faster, in spite of the driest spring in my recollection. Other trees planted at the same time cannot compare with them."

The free catalog tells all about our nursery methods, root-stock, scientific hand-selection, quality, results, prices, etc. It is the only complete course on citrus-culture, from nursery to marketing, ever published. Send for your copy today.

BUCKEYE NURSERIES 1134 Citrus Bank Building, Tampa, Fla. J. C. GILLESPIE, Proprietor.
 Largest Exclusively Citrus Nurseries in the World.
