## Electors Called Angered Man Dies Free Agents By Circuit Judge

Lewis Says Demos Have Power Of Choice To Vote As They Desire

TALLAHARSEE, Sept. 7 (P)

-- Some way for Floridians to
cast simple and direct votes for President will be sought here tomuriow by a special committee of legislators. If a majority of the 21-man committee can agree on a bill to clarify the muddled presidential election allustion. Governor Caldwell has said be will call the legislature into special session to consider passage of the measure. Hefore the commiltee reaches a decision, though, it will listen Thursday afternoon to all suggestions which may be made in a public hearing on the election law revision proposal.

JACKSONVILLE, Sept. 7 (AP)---Circuit Court Judge Miles W. Lewis said today he believed a presidential elector was legally a free agent to vote for whom he wished.

Judge Lewis said "it is clear to me that presidential electors should have the power of choice to vote for whom they wish" but although the comment was made from the bench it was not an official ruling Lockey said. on the case before him to disqualify Democratic Party electors not pledged to President Truman.

He did say he believed the Democratic Party pledge required of candidates was intended to maintain loyalty within the party, but that it had no force of law.

The case was started by Reuben Clein, publisher of a Miami weekly newspaper, and since then four electors have said they would vote (Continued on Page Four)

BIBLE VERSE TODAY

We may well pray that the Sovillah serpentine spirit of sellish eruelty may be bound and destroy-ad from the earth, we can at least eratinguish it in our own lives, but replacing that arrogant spirit with the aprit of love: That he should leceive the nations no more. Rev. 20:3.

It is interesting to note that no one threw any rotten eggs at Govtenor Thurmond during his Florida tour.

Henry Wallace has decided to carry his campaign into the state of Texas. That's where he made "Remember

According to the Association of Retail Grocers, it is possible to nowadays for one dollar. Possible, perhaps but improbable.

The information from the Deportment of Agriculture is that the American public will have less meat ment winter than this year, about ten percent less, a situation which will do little to improve present high prices. However, the Department of Agriculture has been so wrong about so many things, it could easily be wrong about this.

Democrats who cannot swallow Harry Truman and his policies have tant to the Democratic national games are left far behind. thairman. When the election is over and the States Rights Demoerate turn up with more votes in the Electoral College than the Northern Democrats, a lot of new invitations will be issued, and some laviting them back into the fold.

An Orlando man taking his gun from a chest to clean it is shot and killed when the trigger accidentally hits the side of the chest and the gun is discharged. This is not an unloaded gun incident, but it is just as unfortunate. One of the first things a person learns when he begins to handle guns is never to put one away loaded. If every ane knew how many people are killed every year through such carelement, perhaps tomething could be done about it.

"Someone may say that Harry Truman does not want to be a dictator", says Governor Thurmond of States Rights fame at Wildwood the other day, "Someone may even say that President Truman's intentions are good. Well, ladies and gentlemen, the road to hell is paved with good intentions. When any administration is given the federal authority to create a police force and then to send this police force into a state to impose the will of the federal government upon a state in matters that strictly belong to the state, then the framework of democracy has been sahotaged and the road to dictatorship has been opened. Whenever the road to dictatorship is opened, my friends, you may well expect to see a dictator march in and take

Just where Harry Truman. tenry Wallace and their followers are heading when they propose faderal anti-lynching laws when braching has virtually ceased to exist, and fereral anti-poll tax laws when Southern states of their own free will and accord are already abolishing poll taxes, is revealed by a statement of Mr. Wallace in Kunzville the other day. "If you ask me if I favor repeal of state lawe on mixed marriages, I would answer 'ves'", Mr. Wallace de-clared. To what end? Married life can be hard enough when two people marry of the same religious selfectual backgrounds, the same cracks and the slure, the h

#### Draft Of Industry

There was a scarcely audible sigh of relief in some business and political quarters when the National Security Re-Balvred an around close matter at this time the industrial draft provisions of the selective of Banisra Pierida mater the Act service act now in effect.

ROLLAND L. DEAN INST.

ROLLAND L. DEAN INST.

It was a startling surprise to many business leaders, on Marshal Tito, in echoicg sensadetailed examination of the act, to find how broad are the tionally in another important Ruspowers provided. The President is authorized to seize any sian satellite state, and that none tory orders for the armed forces or the Atomic Energy The Polish Communist Party, Commission. Probably there will be pressure on the next with a membership of 1,000,000, is production facility which refuses to accept or deliver manda-Congress for reduction of this power.

The inclusion of this provision in the peacetime draft act was probably a result not so much of serious anticipation bership is in open account. The disofthe need for it as of growing sentiment for arbitrary sidents are fiercely opposed in drafting of industry and capital in war, just as men are general to toeing the party line.

Lowest Priced Car With Fluid Drive

There's a lot of talk today about this new feature or that. But down-to-earth engineering sovences are a matter of record. And this record shows that many of today's so-called "new car features" have been part and parcel of Dodge over the years.

From the earliest Dodge Safety-Steel Body to today's Dodge All-Fluid Drive, Dodge owners have enjoyed a succession of engineering "firsts". These features have made Dodge famous for comfort, economy and dependability.

You are cordially invited to come in ... to check ... to compare the scores of "new car features" that Dodge has had for years.

### Labor Day Proves To Be Day Of Heavy Drills In SEC Grid World

BY ASSOCIATED PRESS

Labor Day was just that for the lads hammering themselves into hape for the start of the Southeastern Conference football scaron. Generally speaking, it was double workouts, rough drills, scrimmages and other assorted forms of tough action all the way from the Wildcat lair at Lexington, Ky., to the Gator den at Gainesville.

Most of the coaches went about their business without halting to pill any blue dope, but there were exceptions. The Vols at Knoxville, back of seventh place Savannal stame. Stabelfeld of the lalets and for instance, wound up the day with three prospects on the hurt is Tech, Georgia, Florida and Ken-

for the regular Democratic Party candidate while the other four have said they would vote for States Rights Candidate J. Strom Thurmond of South Carolina.

Clein contended that a candidate acciding the office of elector under the Democratic banner in pledged to cast his vote for party candidates.

The other wise contends that the United States Constitution specificially says an elector should

have discretionary powers to vote for whom he chooses.

Judge Lewis made his remarks'
after both sides had presented
arguments and said he would have

eral days.

He said he was confronted principally with two questions:

He was undecided whether the state has a right to enact laws to direct electors how to vote; and, it seemed to him the Democratic pledge that electors vote for a presidential candidate referred to ames "appearing on the general election ballot but it does not men-

tion specifically the Democratic Party."

Re anid it beemed to him that the Constitution of the United Water wount, and that the Superior of the United States and any hold, that an elector was, in effect, a free agent.

#### Florida Gators Hit Grind Of Scrimmage For Tilt Preparation

GAINESVILLE, Sept. 7-489-The Florida Gators head toward another rough workout today as Coach Bear Wolf steps up drills to ready the team for the Sept. 25th opener against Mississippl.
Wolf did not spare the labor
on Labor Day and sent the 58-man squad of candidates through a

ugged scrimmage yesterday af The contact work, run against a improved the calibre of their atvictors blocking seen on Florida
