

THE SANFORD HERALD

IN THE HEART OF THE WORLD'S GREATEST VEGETABLE SECTION

NUMBER 39

SANFORD, FLORIDA, FRIDAY, FEBRUARY 7, 1919

VOLUME X

HAVE YOU NAMED THE NEW BABY?

CONTEST FOR NAMING NEW HOTEL WILL CLOSE ON MONDAY—MANY REPLIES BEING RECEIVED

Have you sent in your name for the new hotel yet? If not you had better hurry for this contest closes next Monday, Feb. 10th.

The people of Sanford and Seminole county are taking a great interest in this contest and replies have been pouring in at the Herald office at the rate of several a day since this matter was first announced a week ago. From indications this new baby will not be named until the contest closes on Monday, Feb. 10th. The name of the new hotel will be announced as early as possible for the committee to meet and decide.

The incorporation notice of the new hotel company will be found elsewhere in this issue. Notice is hereby given that application will be made as soon as the law will permit for a charter incorporating the new company with a capital stock of \$100,000, which is the amount sought. The committee who have in charge the sale of the stock are reporting progress every day and enough will be sold by the time the charter is issued to begin the work of remodeling and construction.

One of the later purchasers of stock is Dr. Jessup, who is a visitor to the city. Dr. Jessup, realizing the fact that this is a good investment has purchased a nice block of the stock in the new proposition and will pay cash for it. He has no interests in Sanford other than the wish to see a good hotel here and a desire to make this his permanent winter home.

SERIOUS AUTO ACCIDENT

Mrs. B. T. Houser of This City May Be Fatally Injured

A terrible accident of a very serious nature occurred on Tuesday afternoon just north of Longwood, when an automobile "skidded" and turned over severely injuring its occupants, three Sanford ladies.

Mrs. B. T. Houser, Mrs. LaRocque and Mrs. Shipley left Sanford on Tuesday morning for Orlando on a shopping tour. They left Orlando on the return trip about 3:30 in the afternoon. During the drive home a rain storm was encountered which made the road very slippery. When about a mile east of Longwood the car skidded on the wet pavement and turned completely over, seriously injuring Mrs. Houser and badly bruising the other two passengers.

Mrs. Houser was taken to the hospital at Orlando and did not regain consciousness for several hours. The latest report received here yesterday stated that her recovery was uncertain.

Mrs. Shipley suffered a fractured rib and several cuts and bruises. She is at the Hotel Carnes in this city where she has been a guest for several weeks and is reported as doing nicely. Mrs. LaRocque escaped with several bad bruises but is able to be up.

The fact that they were not all killed is a miracle as it is said that the car turned a complete "somersault" and how they escaped the ladies do not know as the last they remember the car was turning over.

Will Remodel Court House

At the last session of the board of county commissioners held on Tuesday of this week the contract was let for the remodeling of the newly acquired court house, Mr. S. O. Shinholser being the successful bidder.

The plans when carried out will make the new court house one of the best and most modern in the state, equipped in an up-to-date manner, and while not so large as similar buildings in other counties it will be a building to which we may point with pride and will be large enough to serve our county for years to come.

Work on the remodeling of the building will be started in a very short time and it will be ready for occupancy at an early date.

Sunday at Congregational Church
The new Birth of Freedom and Life will be the subject for the morning, at eleven o'clock. Bible study hour comes at 9:45, with classes for all.

Christian-Endeavor meets at 6:30, and the evening service at 7:30 will present a special pageant, "Armenia's Appeal to America." This is a musical production with printed leaflets for the congregation to take part in the service. An offering will be taken for the cause of the starving in the Near East.

Farewell Party

A pretty compliment to Misses Hallie Bryan and Jerradine Brinson, the attractive guests of Miss Anna Mason was the "Farewell" party given Friday night by the girls of the "Younger Set" at the home of Miss Mason.

The evening was delightfully spent in "Prom" games and music, the hour of departure coming entirely too soon. Refreshments of hot chocolate and cake were served. Mrs. Mason and Mrs. Blount assisted the girls in entertaining their guests.

Those enjoying this pleasant occasion were Misses Carolyn White, Hallie Bryan, Jerradine Brinson, Esther Miller, Alma Blount, Julia Laing, Julia Zachary, Sara White, Gladys Adams, Frances Dutton, Cora Lee Tibbs, Ellen Chappell and Anna Mason, Messrs. LeClair Irwin, Frank Chapman, Arthur Moore, Arthur Gardner, Newton Lovell, Lafayette Tibbs, Alfred Robinson, Stewart Dutton, Walter Woodson, Robert Mason, Charles Barber, Eugene Tibbs, Bill Moye, Delwyn Hurley and Dwight Smith.

Get-together Meeting

The pastor and stewards and their wives of the Methodist church held a "Get-together Meeting" Tuesday evening at the home of Mr. and Mrs. Fields.

The men held their regular business meeting while the ladies enjoyed themselves knitting, crocheting and other fancy work. After the business was transacted a social hour was enjoyed.

At a late hour Mrs. Fields served delicious salad, saffers and coffee.

Owing to the wet weather many were not able to come and enjoy this meeting. Among those present were: Rev. and Mrs. C. W. White, Mr. and Mrs. S. O. Shinholser, Mr. and Mrs. T. E. Adams, Mr. and Mrs. Ed. Putnam, Miss Robson, Mr. and Mrs. W. T. Fields, Messrs. J. E. Spurling, Frank Adams, L. P. Hagan, J. J. Pope, W. S. Thornton, Zeb. Rathoff and Dr. Mason.

TO APPLY FOR "NO-FENCE" LEGISLATION

LEGISLATURE WILL BE ASKED TO PASS SPECIAL LAW GIVING RIGHT TO VOTE ON THIS MATTER

Application will be made to the next session of the Florida legislature which meets in April for the enactment of a special law preventing the running at large in Seminole county of both cattle and hogs.

This matter was brought up at the last session of the board of county commissioners and after considerable discussion it was thought best to make such application and elsewhere in this issue will be found the legal advertisement covering the matter in proper form.

This question of the running at large of cattle and hogs, more commonly called the "No-Fence-Law" has had a very prominent place in political circles in Seminole county at election time for several years. There is argument on both sides of the question and this matter bids fair to create considerable interest.

This matter will of course be referred to the voters for ratification or rejection if the law is passed. If the people want this law they will have it and if not it will be rejected, which is as it should be.

Miss Annie Jackson of Carrollton, Ga., is on an extended visit to her friend, Mrs. T. E. Speer.

U. S. FOOD ADMINISTRATION HIBIT AT FAIR QUILTS ON 15th WILL BE GOOD

U. S. FOOD ADMINISTRATION QUILTS ON 15th BRAXTON BEACHAM AUTHORITY FOR STATEMENT THAT THE OFFICE WILL CLOSE ON 15th

The Food Administration is no more, according to the following statement from the State Food Administrator:

Food Administration Dead

"I feel it my duty to announce to the people of Florida that all activities of the United States Food Administration terminate in this state on February 15th, 1919."

I hope that relaxation of control by the Food Administration will not result in unjust speculation or greedy profiteering by Florida merchants. I have faith in their continued loyalty to their state and their country. I believe they are indeed faithful to the nation and the nation's interests.

To accomplish the greatest task before us, THE TASK OF RE-ADJUSTMENT, Laws should be enacted that will prevent any class of the people having the opportunity to impose it to the profit of the expense of others. Especially must the Government devote itself to keeping the cost of living within the purchasing power of the great masses and to furnishing labor an ever-present opportunity of earning and producing.

I further believe that the day has come when the people will frown upon the efforts of any person to disrupt the existing feeling of fellowship and unity between the whole people—political, religious, industrial. The people are happy with peace and are anticipating prosperity and progress. It is the day of the men who build up go ahead. To the men who build up go ahead. To preserve our established commercial position we must preserve sound and confident public opinion.

In closing my service as Federal Food Administrator for Florida I feel high upon my experiences with a full regard for the fine people of the state, and carry with me the absolute confidence that the same splendid support they have given their country in the past will be continued and know they will heartily cooperate in putting into effect any laws that may be enacted to care for the problems of the reconstruction period.

I take this opportunity to express my great appreciation of the loyal cooperation given the Food Administration by the people of Florida. Their willing efforts and eager compliance with every request and regulation have made my work much lighter. The people of Florida have more than lived up to the promise I made Mr. Hoover at the beginning of the work, when I told him that he could depend on Florida to do her part in helping to win the war.

Braxton Beacham,
Federal Food Administrator
Florida.

Red Cross Executive Meeting

The regular meeting of the executive committee of Seminole County Chapter will be held Monday, the 10th of February at 7:30 p.m. at the local Red Cross headquarters. Matters of importance will come before the meeting for discussion and all committees and chairmen of branches are requested to report.

Mrs. Deane Turner,
Chairman of O. Board.
Mrs. R. E. Terchun,
Chapter Secretary.

Red Cross Home Service Bureau

A home service bureau of the Red Cross has been established in this city for the accommodation of those wishing service of this nature. An office has been opened in the Woodruff building over the Woodruff & Watson store on First street and those having allotment troubles and matters of this nature which can be handled by this department of the Red Cross are requested to call at the office.

This office will be open daily from 9:30 to 1:00 o'clock for the accommodation of its patrons.

CITIZENS URGED TO HAVE ARTICLES READY BY NEXT MONDAY AT THE LATEST

Arrangements are being made for the Seminole county exhibit at the Sub-Tropical Mid-Winter Fair to be held in Orlando next week.

In the past Seminole has always had excellent exhibits at this fair and from the outlook this year will be no exception to the rule. On several occasions we have captured the county prize for the best exhibit.

Mr. F. L. Miller has the management of Seminole's exhibit in charge and is now gathering material for the display. He requests that all those who have articles for exhibition will have them at Miller & Son's furniture store not later than Monday, Feb. 10th, as the exhibit will be sent to Orlando on Monday night.

The people of the county are urged to cooperate with Mr. Miller to the utmost and let us have a good exhibit at the fair this season as usual. This will mean much to the county in addition to the cash prize offered.

The many attractions of the Sub-Tropical Mid-Winter Fair, which opens Tuesday, the 10th of this month, are well worth attention.

First, Orlando itself is a beautiful city and there are many in Florida though this is often called "The City Beautiful."

Secondly, those folks understand the art of putting up a distinctive Florida Fair, for they have been at it for many years and it seems that they improve from year to year.

From the distinctively educational point of view, the many and varied products produced in this section of Florida are well worth one's study for here are the fruits of grove, garden and field in great profusion. Then the poultry exhibit is really the best in the state and the stock includes many fine breeds.

The educational building is filled from end to end with the most complete exhibition of school work seen anywhere.

The art, needlecraft, home economics and machinery are complete and beautiful.

There are only one sure enough race to be seen in the state.

Orlando has Power's famous band, for which the city pays \$12,000, easily one of the most musical organizations in the country and also the regular fair band.

Tuesday there will be a parade of returned soldiers and sailors in uniform.

Wednesday there will be a great pageant carnival of 500 children in costume. Also a reunion of Old Settlers.

Thursday there will be a fine musical contest by Rollins' College students.

Friday will see the annual parade of city and county schools, 1,500 strong.

There will be magnificent fireworks three nights and the famous Johnny Jones shows, bigger than ever will be open day and night, and most important of all, Seminole county will have a hang-up exhibit which all Seminole should be sure to see.

Orlando is easily reached by auto over fine roads and the railroads give special rates.

hall, where they beheld a white clothed table, in the shape of a cross, decorated with magnificent red roses, and heavily laden with exquisite cake and delightful ice cream. As the men lined up around the table and after each had found for himself a seat Dr. Massey re-thanks and the order to charge was given—everyone charged.

The following program was rendered:

Address of welcome, Dr. Denton. Response, W. E. Scoggan. Duet, Mr. and Mrs. A. M. Phillips. Mechanical Concert, J. P. Hurley. Readings, Mrs. J. W. Barnes. Cook's Quartet, Messmates Phillips, Scoggan, Williams and Malnes, accompanied by Miss Virginia DeCoursey at the piano. Solo, A. M. Phillips.

During the proceedings of the banquet, Mr. J. D. Jenkins, superintendent of the Sunday school and was toastmaster called on Dr. Massey to address the class on the subject of Brotherhood, which was done most admirably. Mr. Scoggan was next called to talk with reference to "Our Class." This was done in a way that would lead men to think. At this time the toastmaster pulled a sheet of note paper on which was the card of Schelle Mames, Lawyer, and also a poem written in the legal phraseology of the said and addressed to the administrators and assigns.

The toastmaster affirmed that this poem had been found on the court house steps close to Mr. Mames' office and that the circumstances were most convincing. Mr. Mames denied the charge and moved to quash the indictment. Hearing continued for the term. At this juncture the toastmaster called on Mr. Mames for a short talk and announced his subject as "Humorous." This number of the evening's entertainment proved to be a large, and book of jokes for matter to substantiate his position.

While coffee was being served Mrs. Barnes again delighted the men with a number of readings and recitations.

After talks from Dr. Denton, Mr. Whiddon and others, Dr. Massey went to the piano and struck up "Blest be the tie that binds" and the song was a dismissal of the gathering.

Mrs. Mames Phillips, Barnes, Scoggan, Williams and Malnes and Misses DeCoursey and Steel served during the banquet.

More than 40 people were present.

Mr. and Mrs. T. P. Denham, formerly of this city but now of Tarpon Springs were visitors here on Friday.

Mrs. Mames Phillips, Barnes, Scoggan, Williams and Malnes and Misses DeCoursey and Steel served during the banquet.

More than 40 people were present.

Mr. and Mrs. T. P. Denham, formerly of this city but now of Tarpon Springs were visitors here on Friday.

WILL CONFER WITH RUSSIAN BOLSHEVIKI

REPORTED THAT THEY HAVE PROMISED TO BE GOOD AND COMMISSION WILL VISIT THEM

The five great allied powers are preparing to send a commission of ten members to confer with representatives of the Russian bolshevik government on the Princess islands. This action was decided upon according to Paris dispatches after receipt of a wireless message from the bolshevik government accepting the invitation to attend the conference.

The other Russian factions have not yet made known their attitude.

The bolshevik government does not only state its willingness to discuss peace, but according to other wireless dispatches is willing to acknowledge creditors of Russia who are of entente nationality.

The soviet government apparently is willing to give concessions to all allied people and to begin consideration of an agreement for a cessation of hostilities.

London, Feb. 6.—The Russian soviet government, in a wireless message announcing that it is willing to begin conversations with the entente with the object of bringing about a cessation of military activities, declares it is willing to acknowledge financial obligations regarding the creditors of Russia of entente nationality.

After the program the men were invited to the Junior Department

MONUMENT IN CITY PARK TO BE UNVEILED

PRESENTED TO SEMINOLE COUNTY BY F. L. MILLER ON FEBRUARY 23rd

A custom which will no doubt be followed by nearly every city and county in the entire United States will be begun by Seminole county when the memorial, represented by a broken shaft now being erected in Central Park is unveiled on Sunday, Feb. 23rd.

Workmen have been busy for several days on this monument and many have been the questions as to the intentions of those having the work in charge. It has remained a mystery, however, until the Herald man traced the matter up and ascertained the following facts:

This monument is to be a memorial to the boys of Seminole county who have given their lives in the cause of Freedom in the great World War now closed. It is to be presented to Seminole county by F. L. Miller, manager of the Milvis Marble Works of this city and appropriate services are to be held at the time of the unveiling on Sunday evening, Feb. 23rd, at 3:00 p. m., to which the public will be invited.

The idea was conceived by Mr. Miller several weeks ago and his workmen have been busy with the stone for some time. The names of those who have given their lives in the war will be inscribed on the monument and it will be an everlasting memorial to be treasured by our citizens, more especially the relatives of these boys and will show Seminole county's part in the war.

While Mr. Miller does not desire any publicity concerning his part in this matter the Herald feels that Seminole county is to be congratulated upon having a man among us who is possessed of the patriotism and public spirit of the man who is presenting this monument to the county.

Baptist Church

Cordial invitation is given to the services at the Baptist Temple next Sunday. Come to Sunday school at 10 o'clock, bringing your Bible. Preaching at 11:30. The pastor's morning subject will be "The Church's Relation to Modern Life." Evening services begin promptly at 7:30. The subject to be treated in the message of the evening is "Religious Fickleness." Each of the messages is the outcome of present day observations and will emphasize timely application of age old principles. Bring a friend. Inspiring music. Glad welcome to all.

Literature Meeting

The next regular meeting of the Literature Department of the Woman's Club will occur on Feb. 12th. The Department is looking forward to having with us on that day Miss Marie Rose Lauer, the speaker who is to give the second lecture of the Great War Series under the auspices of the Woman's Club. Miss Lauer is a woman of charming personality and one who speaks the English language perfectly, tells of "The Spirit of the Women of France," and is a native of France and just from that war torn country. This seems such a rare opportunity of hearing a woman just from the battlefield that the Department takes pleasure in making this an open meeting and extends an invitation to the ladies of the town to meet with us on that day.

Mrs. L. R. Phillips,
Chairman.

Curry—Wilson

Invitations have been received to the marriage of Miss Susan Curry and Mr. Leslie Wilson. The marriage to take place February 19th at the Methodist church, Bradentown, Fla.

Mr. Wilson is a brother of Mrs. Fred Rines of this city, and has many friends here who will be interested in his approaching marriage.

Mr. and Mrs. Wilson will spend a few days with their sister, Mrs. Rines while on their honeymoon.

Mr. and Mrs. G. F. Smith were visitors in Tampa this week.

PROGRAM at the STAR THEATRE LYRIC THEATRE OPEN EVERY SATURDAY WITH A BIG SPECIAL PROGRAM

Table with 7 columns: FRIDAY, SATURDAY, MONDAY, TUESDAY, WEDNESDAY, THURSDAY, FRIDAY. Each column lists a play and the actor/actress.

This is Just the Outline of our Program as we have Comedies, News-Pictures and other Added Attractions Evening at 7:15. Program Subject to Change on Account of the Usual Irregularities

AMUSEMENT

THE STRANGE WOMAN

At The Star Theatre Tonight Who devised Marriage? Do Marriage ties bind? Who was the first Bride? What constitutes a perfect Marriage? Do the pure minded need a Marriage Ceremony? Do Wedding Rings and Wedding Bells make Marriage sacred? Are Mock Marriages any worse than some Legal Marriages? Why is Folly in a man considered Moral Crime in a woman? Is a woman strange because she is better than most women? Why is it the man who always attracts the interest on the Matrimonial Bond? Can a woman become a man's wife through a verbal contract and still be honorable? Would non-contract Marriages make husbands more devoted and faithful to their wives? Would you be a free love Couple into your Home if you knew they were sincere in their devotion and faithful to their principles?

MARGUERITE CLARK

Achieves Triumph in Delightful New Picture "Out of a Clear Sky" at Star Theatre Monday

Marguerite Clark who, according to her admirers all over the country is the sweetest girl in motion pictures, a statement none appears willing to dispute, was seen as a dainty, self-willed, demure Belgian countess in her new photoplay "Out of a Clear Sky," with great success. The triumph of the star and photoplay was instantaneous. It must be conceded by even the most biased patrons of the movies that "Out of a Clear Sky" is a production far above the average. The story is a charming one, full of comedy and the action is heart-rattling and in the hands of painstaking and talented players. From every point of view therefore, this delightful picture is commendable in the highest degree.

The Truth About Marriage

Here is a selection of expressions showing the attitude of "The Strange Woman" toward the matrimonial marriage. This American girl had one unfortunate marriage experience. Subsequently she fell in love with another man, but declined to wed him, although she was ready to live with him as his wife. Was her attitude justified? See the play at the Star Theatre tonight. "Most mothers who are careful of their daughters, teach them that they can have pretty much the kind of behavior they want of a man; but not one mother in ten instills into her son from the beginning that he can have the kind of behavior he wants of a girl and sees to it with all her soul that he wants only the best."

"We frequently hear references to the 'Sanctity of the marriage vows'; but as a matter of fact they are not expected to be kept and have no standing before the courts. Jove laughs at lovers' vows and the law laughs at marriage vows."—The Strange Woman.

Recital at Woman's Club

Mrs. Wren McGuin will give a recital at the Woman's Club in the near future under the auspices of the Truth Seekers Bible Class of the Methodist church. She will be assisted by some of the best musical talent of the city.

Mrs. McGuin is a favorite with Sanford audiences as she has appeared here at several times in the past, and her recitals are always looked forward to with a great deal of interest. Date will be announced later.

Notice to U. W. W. F. Subscribers First and second payments of all

subscriptions to the United War Work Fund are now due and payable to either S. Runge, Collector for Sanford and immediate vicinity or to Schelle Maines, County Treasurer.

Please pay up promptly and there by lighten the collection work as much as possible. H. R. Stevens, County Chairman.

Then and Now.

"Thirty years ago," said the man who had traveled to the end of the earth and most of the way back, "I started out, alone, unarmed, without friends to help me along, with the intention of making the world pay me the living that it owes me. My only allies were a dollar bill and a determination to make a million more. Today (and he threw out his chest proudly) I still have the determination and fifty cents in change."

Crab's Keen Watch for Enemies.

The fiddler crabs of the Philippines have remarkably sharp eyes, and may be seen standing for perhaps fifteen minutes at a time quite still, scanning the landscape for signs of their chief enemies, snakes, skinks, frogs, toads and fishes. Noise will not disturb them, but they beat a hasty retreat home if anything moves near, or boldly stand and frontally wave the blue claws being particularly angry if a holy crab comes near.

"Colonel" Is a Column Leader.

The Spanish for colonel is coronel, the Italian colonello. The Spaniards originated the word, but the Italians seem to have made it by combining the sense of the Latin column, column, with that of coronel, crown. We follow the French spelling, but in pronouncing we retain the Spanish "r," hence "Colonel," as we say it. Let us really honor the leader of a column of the country at the head of the regiment in column.

"Parsec" Is a Long, Long Way.

A "parsec" is a unit of length that is used in astronomy. It is equal to 200,000,000,000,000 miles and is the distance traveled by light in 33 years. A few of the nearest stars are from one to five parsecs distant from us, but most of the stars that dot the sky are scores or hundreds of parsecs away.

"Gusher's" Day Never Long.

There is a certain class of people with whom the gushing person will get a hearing, but this is mostly because that particular class enjoys flattery, an art in which the gusher is particularly skillful. But, taken on the whole, human nature appreciates frankness and sincerity. And these two qualities give to the gusher an expression which is not to be overlooked in the seeler after beauty.

Labor-Saving Penholder.

To conserve his time a man whose monthly duty it is to sign 100,000 salary checks for a railway company employs a multiple penholder that permits his signature to be written five times in one operation. The apparatus, says Popular Mechanics Magazine, differs from some others in that the fountain pens are clamped to a pivoted rack that is mounted in a portable box resembling a suitcase. The cover, when opened flat on the desk top, holds a frame in which the vouchers are placed for signing.

No Crime to Stifle Yawn.

The office boy says he has no record of any law having been enacted making it a crime to stifle a yawn. You may have in mind the case of Magbeth, who, as you will recall, created a sensation in the newspapers of his time by murdering sleep.—Indianapolis Star.

Hemp Tree's Many Products.

The hemp tree is one of the most versatile plants in the world. From it comes, besides rope and wrapping paper, the drug hashish, called by its devotees "the joyous," obtained by boiling the leaves and flowers with fresh butter; a valuable vegetable oil, a cake used by the farmers for their stock, and the finer varieties are used for cloth, coarse laces and braids. A great deal of the seed is exported for canary seed.

ENORMOUS AMOUNT OF SUPPLIES SENT BY Y. M. C. A.

Cost of Sweets and Smokes for One Month Reaches Staggering Figure—Armistice Didn't End Smoking on Any Front

New York, Jan. 31.—Almost \$4,000,000 worth of smokes, sweets, sporting goods, chewing gum and other commodities was shipped to France during the month of November by the Army and Navy Y. M. C. A., for the use of the American Expeditionary Forces. A statement to this effect has just been issued by the National War Council and tends to demonstrate that the demand for supplies of this character has not been reduced by the fact that hostilities have ceased.

In exact figures the value of the supplies shipped to France was \$3,895,908 and each month's quota will approximate this total until the forces overseas have been materially reduced by demobilization.

The demand for tobacco, cigars and cigarettes has not diminished since the armistice was signed, as witness the fact that \$1,354,000 of the total amount went for the purchase of tobacco in some form. In the shipments were 464,911 pounds of tobacco, 198,065,320 cigarettes, and 99,706,000 cigars. As for confectionery, there were 21,580 pounds of hard candy, 17,941 pounds of chocolates and 329,280 packages of cough drops, not to mention 537,600 tins of jams and 6,341,000 pounds of sugar. The chewing gum shipments totaled 6,100,000 packages—enough to load every slot machine in the United States.

SPECULATORS TRY TO GRAB LIBERTY BONDS AT BARGAIN

People Urged Not to Sell Government Securities at Sacrifice or Exchange Them For Questionable Paper.

Atlanta. Reports are reaching the Federal Reserve Bank of Atlanta that many owners of Liberty Bonds are selling them at prices lower than their market value.

Investigations show that shrewd speculators are active in trying to induce people to part with their Government securities. Many of them are offering to take Liberty Bonds in exchange for some other so-called "security" which promises a higher rate of interest than Liberty Bonds. It is pointed out by Treasury officials that Liberty Bonds are worth every dollar paid for them. One evidence of their value is the eagerness of the speculator to get possession of them. He knows what they are worth. His Liberty Bond owner does not know the value of the "stock" or "bond" he is offered in exchange for his Government security.

Liberty Bonds have back of them the entire resources of the United States which makes them worth their face value. The person who exchanges them for some other kind of paper risks losing the money invested in his bond as well as the interest.

Other people are selling their bonds because they feel that "the war's over" and they are no longer obligated to hold them. Although fighting has ceased, the treaty is signed and our soldiers are home, a Liberty Bond is a certificate of service and the person who sells them at a sacrifice is deserting the cause. He is reflecting on his own judgment and patriotism and surrendering an investment that never will fail to pay returns. It is recognized that there are times when investors are compelled to seek relief from financial distress. Often their first impulse is to dispose of their Liberty Bonds.

In such cases the bank is the place to go. Banks will lend money on Liberty Bonds. The borrower is helped out of his difficulty and does not lose possession of his Government bond.

Love Apples.

Love apples is what tomatoes were called years ago when it was told that, if sweethearts would divide one and eat it together, no adverse fate could part them. There was real bravery in this simple act; for, in early days, tomatoes were thought to be rank poison.

Electricity for Tractors. A Swedish inventor claims to have satisfactorily applied electric power to tractors and other farm machinery.

CLASSIFIED ADVERTISING. All Local Advertisements Under This Heading THREE CENTS A Line For Each Insertion, Minimum Charge 25 Cents.

In answering an advertisement where no name is mentioned in the ad, please do not ask The Herald for information as to the identity of the advertiser. COUNTY HAPPENINGS

A BUNCH OF INTERESTING ITEMS FROM CORRESPONDENTS—EVENTS OF SEMINOLE COUNTY—EFFICIENT REPORTERS FOR THE HERALD

GENEVA

Mrs. Ernest Tolar and little daughter of Sanford spent the week's end with Mrs. Tolar's sister, Mrs. H. H. Pattishall.

Mrs. L. P. Daniels and baby came over from New Smyrna last Friday to spend several days with Mrs. Daniels' parents, Mr. and Mrs. J. H. Daniels.

Mrs. Aubrey Moran and Pauline were week end visitors at the home of Mr. and Mrs. W. H. Hand of Sanford.

It became necessary for Charles Dooley to have an operation on his foot last week. The doctor removed a large piece of glass which had been lodged there a year.

Mrs. Joe Brown of Melrose is visiting her parents, Mr. and Mrs. R. Q. Gresham.

Oscar Nicholson of Daytona paid Geneva a short visit last Saturday.

H. B. Levy came over from Daytona last week to visit his wife who is spending the winter with her father, T. D. Peters.

Mr. and Mrs. Porter Wakefield

are busy getting the exhibit of their preserves, jellies, etc., ready for the Orlando fair next week.

WEST GENEVA AVENUE

We are having some bad, rainy weather. It is to be hoped that cold weather won't follow the rain. Cold will kill the gardens but the rain will do them good.

Airplanes were heard going over Tuesday morning but could not be seen. They were above the clouds. We all like to see them flying over head but would not like to be in them. The earth is good enough for us to pleasure on.

Mr. Will Robinson is on the sick list this week. His wood customers will miss him while he is sick, but we truly hope he will soon be all right again.

Mrs. Vaughn has a nice garden coming now. It keeps her busy all the time working, but we are thankful to be able to work when we have a good garden. Well, now we'll have something good to eat.

I see by the World that President Wilson is visiting No Man's Land. He will return to the United States Feb. 22nd. He was to return Feb. 15th but can't. He says he has seen many sights since he left the old U. S. A. and I guess he has.

We will all be glad when the war is all settled and everybody can be at home again. I see the Doughboys are eager to return home.

The south must be shipping a lot of fruit and vegetables from the amount of freight bills being paid. I think they are making a profit on the day passing.

We are getting good results from our fruit and vegetable business. When they are all mud and water and holes have deep, these goods are not in traveling times.

I see by the paper that Mr. and Mrs. Fred Krell has come to make Sanford their home. We are all glad to have them here. Mrs. Krell was born and raised in and around Sanford and is well known to everyone here.

It might be the flu is about dead. I never hear anything of it now. I hope it is for I think we have all had a share of it when it was going.

Now, what will call on us next, we are all waiting to see. I hope it will be good luck for we have had bad luck and trouble for nearly two years.

EAST SANFORD

Mr. and Mrs. H. W. Chandler Jan. 31st.

Another daughter was born to Mr. and Mrs. A. E. Mitchell. The young lady arrived Jan. 31st and weighed eleven pounds.

An eleven pound daughter was born to Mrs. Ethel Cowan Higgins, Feb. 1th.

Miss Annie Cameron was home from Weston University for the week end. Mr. and Mrs. Cameron drove to DeLand with Miss Annie on Monday.

Walter West was here from Camp Johnston over Sunday, guest of Mr. and Mrs. J. C. Vaughn and family.

Mr. Fenel of Washington, D. C., spent the last week here with the families of T. B. Kinigal and Moses Jackson and while here bought what is known as the Josiah Powell farm in Cameron City.

Mr. and Mrs. J. F. McClelland and

children visited Mrs. McClelland's parents, Mr. and Mrs. Brown in Ft. Christmas returning Sunday. Mr. Brown accompanied them home for a few days' stay.

Mrs. A. H. Crippen is entertaining her mother, Mrs. Jones of Indianapolis, Indiana. Mrs. Crippen had a brother from Indiana as a recent guest also.

Mr. and Mrs. G. C. Chamberlain joined Mr. and Mrs. Harry Ward and their guests for a day's fishing on the east coast last Thursday.

Messrs. C. Boyce Bell and Ben Fish were in Tampa a portion of last week.

P. A. Stone of La raine, Mich., arrived recently to visit his son, A. H. Stone and family of Cameron avenue and to join his wife who has spent the past year with her son.

Mr. and Mrs. F. N. Estridge were over from the west side Monday visiting their daughter, Mrs. L. M. Lucas.

Mr. and Mrs. W. E. Prevatt and son drove to New Smyrna for the day Sunday.

Ed. Parden has been discharged from U. S. Coast Defense Service and has gone to Palatka to work on the Cameron cattle ranch.

A passing car struck and broke the leg of a nice horse belonging to Mrs. G. C. McDougal one day last week.

Graham Hunter has received his discharge from U. S. Army and has returned to his farm here. A young man cousin accompanied him to remain for a time.

LAKE MARY ITEMS

F. M. Cameron has shipped several cars of oranges from here this week.

Mr. and Mrs. Harry Wilson of Sanford and other relatives from Pittsburg, Pa., were visitors out of the Evans home one day last week.

Mrs. Ira L. Jones left last Saturday for Virginia. She will spend the remainder of the winter there with her husband and in the spring they will return to Washington, D. C., where they will make their future home. Mrs. Jones will not be here for a while.

The ladies of the Civic League gave an entertainment and served ice cream Saturday evening, Feb. 1st. There was a good attendance.

Mrs. Dunkel just received a letter from her son, Edwin, who is in France. He has been overseas six months and three at the front. He landed at Brest, from there to Bordeaux and over land via truck to northern part of France, visited Paris and Saint Malo, a great summer resort that the government had rented the big hotels as a rest camp for the A. E. F. boys and Orleans, Verdun, Metz, Toul and Portiers. He says "I have had the time of my life but am quite and anxious to get back to the good old U. S. A."

The Red Cross will be glad to show the record of Mrs. Annie Boy O. K. It was in hospital three weeks with flu but says "The Red Cross nurses sure know how to take care of the boys and pull them through O. K." Edwin is in Co. B 102nd Am. Train, 27th Div. This ammunition train while in active service delivered 1,120 truck loads of ammunition to the front line trenches and artillery most of the time.

Mr. and Mrs. Roy Lee spent the week end with relatives at Avatula returning home Monday.

Mr. and Mrs. Taylor and their three youngest children, son Elmer and nephew Willie Taylor, with Mr. and Mrs. Krell made up a party motoring down to Islesworth and return last Sunday spending the day with Mr. and Mrs. Noah Fry and their aged mother, Mrs. Bengston.

Mr. Bergquist returned Monday to his home near Ft. Meade after a short visit with his daughter and son, Mrs. Edwin Lundquist and Clarence Bergquist. We of Upsala

and Grapville

The best are being given their general dressing of straw.

Mrs. Stedt was quite ill last week with a cold, but is better now.

We understand a fine baby boy has come to bless the home of Mr. and Mrs. Aron Lind just in Jacksonville last Sunday, Feb. 2nd.

Mr. and Mrs. Roy Lee spent the week end with relatives at Avatula returning home Monday.

Mr. and Mrs. Taylor and their three youngest children, son Elmer and nephew Willie Taylor, with Mr. and Mrs. Krell made up a party motoring down to Islesworth and return last Sunday spending the day with Mr. and Mrs. Noah Fry and their aged mother, Mrs. Bengston.

Mr. Bergquist returned Monday to his home near Ft. Meade after a short visit with his daughter and son, Mrs. Edwin Lundquist and Clarence Bergquist. We of Upsala

and Grapville

hope he may make us a more extended one next time.

We are pleased to announce that we are looking for Rev. Brower from Sanford next Sunday. Church service at 4 o'clock, following Sunday school at 3. Hope we will have a good attendance at both services.

There was a good attendance last Sunday in spite of the rain. Rev. Ericson spoke a few earnest, forceful words on "Choosing."

Friends of Norman DeForest, wife and their interesting little daughter are glad to see them here on a visit to his mother, Mrs. Anna DeForest at her beautiful country home, "The Palms."

LONGWOOD PICK-UPS

Sunday Mrs. Barlow of Orlando was visiting her mother, Mrs. Partin who has been quite ill.

Mr. and Mrs. W. L. Singleton and son, Walter of St. Augustine motored over Saturday to look over their orange grove. They were guests of the Longwood Hotel while here. Mr. Singleton's father was one of the pioneer settlers of Longwood.

W. B. Satcher returned to his railroad duties Saturday having recovered from the flu.

W. S. Entzinger went up to Jacksonville Sunday.

The stork left a fine baby boy at B. J. Overstreet's Sunday morning.

Mrs. H. R. Chapman returned to her home in Jacksonville on Sunday.

Cecil Golden of Carlstrom Fields spent the week end and the guest of Mr. and Mrs. J. M. Watts.

Mr. and Mrs. Neimeyer and Mr. and Mrs. Hardy went to Orlando Sunday to see J. A. Bistine who recently underwent an operation for appendicitis. His friends will be glad to know he is doing nicely.

Mrs. Hunt and children of Ovidio spent the week end with her parents, Mr. and Mrs. J. Allen.

Mr. and Mrs. Rineau motored down to Orlando Friday.

The terrible automobile accident that occurred near Longwood will be a warning to all auto drivers. Haste makes waste.

The ladies of the Civic League gave an entertainment and served ice cream Saturday evening, Feb. 1st. There was a good attendance.

altered those pupils who live in the country? We have to get up before day light every morning, hustle about and get breakfast over, and part of the time we are forced to leave home without eating a bite, because the first bell rings at 8:40, the second at 8:45 when all pupils are expected to be in their places or else be marked "Tardy" for the day; also, if we miss our truck we have to walk four or even six miles.

All trucks are supposed to leave the terminals at 7:45 in case there are any car troubles they will have time to re-adjust things and get the pupils there on time.

Also, we country pupils never dream of eating a hot dinner with our home folks. We eat a cold lunch and wait for home our school, to take up again. When we ruralists get home we do not feel like going auto riding, we are too worn out from the strain of the long school day.

This early school hour is for the convenience and health of the city children. There was a day, and that day was only two years ago when the school took up at 8:30 by the old time, which today would mean

9:30. There was also a twenty minute noon; every scholar brought his lunch or got it from the "pie wagon" and even those who lived in the shadow of the building were not permitted to go home for lunch as there were others who could not have the same privilege. This extra forty minutes, now given to the city pupils in order that they may have time to eat their breakfast and catch the trucks.

We know that the long noon hour improves the feelings of those who go home to a hot dinner, because when they get back to school our patient teachers are often provoked, and really fail to maintain respectable order. A young lady visiting from Baltimore was very much surprised to find so much disturbance during a study period in the Sanford High School.

It is true there are more pupils in the city than there are in the rural district and we admit, "The majority rules." But we rural pupils challenge the city pupils for a debate. "Whether it is right that we sacrifice our breakfast hour for a debatable dinner hour." And we select the school board as our judges. A Country Pupil.

TURN YOUR LAND INTO READY CASH

HOTEL LONGWOOD

Under new management, good fishing, hunting and bathing near. A nice quiet home-like place, splendid water, rates reasonable, given on request. Special rates to parties. Southern cooking. LONGWOOD FLORIDA

Half Your Living Without Money Cost

We are all at a danger point. Of the way of good common sense in our 1919 farm and garden operations, depends prosperity or our going broke. Even at present high prices no one can plant all or nearly all cotton, buy food and grain at present prices from supply merchant on credit, and make money. Food and grain are higher in proportion than are present cotton prices.

It's a time above all others to play safe; to produce all possible food, grain and forage supplies on your own acres; to cut down the store bill.

A good piece of garden ground, rightly planted, will feed and keep planted up to 1000 people, can be made to furnish nearly half your living. It will save you more money than you made on the best two or three acres of cotton you ever grew!

Hastings' 1919 Seed Book tells all about the right kind of a money saving garden and the vegetables to put in it. It tells you the clear road to real and regular farm prosperity. It's Free. Send for it today to H. G. HASTINGS CO., Atlanta, Ga.—Adv.

Office: Herald Building Telephone No. 148

The former Kaiser appears to be living up to the old adage: "Say nothing and saw wood."

When the Germans lose the nickname of Boches and Huns it will be a sign of a regenerated Germany.

Germany still seems to have a large supply of propaganda on hand, yet she has not been at all economical of it for the past few years.

The price of butter and the price of eggs are seeing which can roll down hill faster—and the spectators are applauding the stunt.

When our neighbors across the way get their houses in order we shall be all right, unless our neighbor on the south begins to throw brickbats over the fence.

The Germans' polite farewell to Belgium consisted in the blowing up of twenty-seven steel mills. They are altogether too hard with explosives.

A man who hoards Liberty bonds would not usually be pointed out as a "bloated bourgeois." In fact he has usually grown rather thin in his efforts to pay for the bonds.

During the war the price of food increased \$1 per cent and the price of clothing 50 per cent. How proud we should be that our abilities were sufficient both to eat and to feed our clothing.

Our address plan in this country has probably heard something about the cost of French dresses and millinery. This may have something to do with the fact that few of them are seen in our streets.

It is a pity that the country is not more fully developed. Perhaps if the stone will not meet together at least the apparatus of the world, the land and the food it produces, the Author of Peace.

A monument to our boys who lost their lives in the war for democracy is to be placed in Central Park and presented to the people of the county through the patriotism of one of our citizens. This is a noble and worthy contribution and will be appreciated by every citizen of the county. So far as we have heard this is the first monument of this nature to be erected and it will stand for ages as a monument, not only to our fallen heroes but to the patriotism, devotion and brotherly love of the nation.

Seminole county should put forth every effort to make our exhibit at the Sub-Tropical Fair as good an exhibit as it is possible to make. We have won for ourselves a reputation as an agricultural county that is the envy of many other sections of the state. To keep this reputation...

It is proper if it can be handled in the right manner. The Herald has always held that this question should be determined locally by precincts or other small units of the county. The interests of this county are so varied that a law of this nature which would undoubtedly be a benefit to parts of the county might or might not be a benefit in other sections.

We hope this matter can and will be voted on and settled by each voting precinct for itself. We do not believe that citizens living in incorporated cities and who own no real estate outside the city limits should be allowed to vote on this matter. We do not believe, for instance, that a man living in Sanford and who has no interests outside of Sanford should be allowed to vote the no-fence law upon a man living at or near Geneva or Chalputa.

We hope this matter can and will be settled on this basis. At any rate there is an argument on both sides of this question and after it is settled one way or the other the cattle man and farmer will be able to make plans for the future in an intelligent manner.

BONDS FOR RECONSTRUCTION Through the four issues of war bonds floated since May, 1917, the government raised nearly Seventeen Billion Dollars.

This vast sum, invested largely in implements of destruction brought...

for co-operation from our people who have articles or products that will assist in making a good exhibit for the county. Such persons should get in touch with F. L. Miller at once, as he has this matter in charge.

Since the Germans have been else to fight they seem to revel in fighting among themselves. Let us hope that they get enough of this poor idea of theirs that a nation is not in the limelight or popular unless it has constantly before its face the sword of hatred.

The only question that seems reasonable is the one that asks why they did not start a private war in the first place and leave the rest of the world out of it. It would have been better for all nations concerned and for the reputation of Germany if she has such a thing.

THE LITTLE PEOPLE

The nineteen smaller nations who are seeking greater representation in the peace conference are justified in their demand. Small nations have had too long to bow to the will of the larger nations, to be oppressed by them, perhaps to endure annexation against their will.

The cry of the Little Peoples goes up to God in vain, Finn and the Schleswig-Dane.

Belgium and Serbia have almost met such a fate, and in proportion to their sufferings in the late war should have the assurance of freedom.

It is only by the protection of a League of Nations that smaller countries are certain of retaining their self government. Let the weaker have their rights secured against the powerful.

OUR WELCOME TO OUR MEN

Transport from overseas are entering our shores and lying at their docks, and every day disembarking a crowd of our boys in khaki. These young men will soon be at their homes, and the question is, How shall we welcome them?

With bands and parades and meetings at the town hall, if you will. These demonstrations of welcome are proper and fitting. But what our young men will present, need employment.

Every man's old job should be given to him when he returns, or if that is not possible, a new job should be found for him.

Each village and town and city should have a committee of men, women and children, and a school house or an open house or any public building is needed, now is the time to inaugurate it. The good roads question is always with us. Manufacturing of some local raw material into a finished product may possibly be a solution.

Let us in Sanford be in the front in undertaking any new project which will be needed.

THE NO-FENCE LAW

By action of the county commissioners at their last session, application will be made to the State Legislature for a special act authorizing an election to determine whether cattle and hogs shall be permitted to run at large in Seminole county.

This is proper if it can be handled in the right manner. The Herald has always held that this question should be determined locally by precincts or other small units of the county. The interests of this county are so varied that a law of this nature which would undoubtedly be a benefit to parts of the county might or might not be a benefit in other sections.

We hope this matter can and will be voted on and settled by each voting precinct for itself. We do not believe that citizens living in incorporated cities and who own no real estate outside the city limits should be allowed to vote on this matter. We do not believe, for instance, that a man living in Sanford and who has no interests outside of Sanford should be allowed to vote the no-fence law upon a man living at or near Geneva or Chalputa.

We hope this matter can and will be settled on this basis. At any rate there is an argument on both sides of this question and after it is settled one way or the other the cattle man and farmer will be able to make plans for the future in an intelligent manner.

BONDS FOR RECONSTRUCTION Through the four issues of war bonds floated since May, 1917, the government raised nearly Seventeen Billion Dollars.

This vast sum, invested largely in implements of destruction brought...

the autocratic Hun to terms twelve months earlier than expected. Had the war dragged on for another year thousands of American lives would have been sacrificed and our war debt increased many billions.

Another great bond issue—the Victory Liberty Loan will be floated next April. Treasury officials have announced that it will be for not less than Five Billion Dollars. With this issue Liberty Loans will pass into history; the job will be finished.

Heretofore the billions have been used for destructive purposes. This time the bulk of the money derived from the sale of these securities will be spent in constructive work.

It will go towards maintaining our army or more than a million men enforcing the armistice terms upon Germany. This army must remain in Europe until permanent peace is established. The sick and wounded soldiers overseas and at home must be cared for and eventually the rest of our army brought back. But the work this money will do must not end here. The men who have been disabled, who sacrificed eyes, arms or legs must be taught self supporting trades. For what nobler purpose could it be used than in protecting these heroes from future poverty and distress?

Our soldiers did not relax when the Hun retreated. They kept on fighting until the very minute the armistice became effective. We at home should follow their example. We should put out our full force behind this Victory Loan and provide the government with the means for carrying through the work forced upon it by the war.

Set Trees Carefully More trees are lost or stunted by improper setting rather than by placing them in a soil not adapted to their growth. The University of Florida, College of Agriculture advises the observance of these points:

Set the tree in the ground at the same depth or slightly above that at which it stood in the woods or the nursery row. Use your hands for spreading the roots out carefully and packing the soil around them. Place them in their natural position as nearly as possible. After about three-fourths of the soil has been replaced, firm the soil with the feet. Pour in plenty of water to help settle the soil after the packing is done.

Bankston Bros. Robert G. Jan. Kentucky Mfg. Co. Paducah, Ky.

A. M. Will Weathers of the county commission, says he has seen a large number of trees that would not stand in the soil of our county. I gave him one of the pair of your E. A. Thomas' Tree Pruner and he has just come in and paid me for it and advises that every one of his stock boys got what he had killed them and now has them in his smoke house and that all were as fine as any he had killed this year.

I want to add that he said his boys were down and so says that he had been to the county office and has with him the pruner, showing their thanks.

Please find check in full of my account and with kindest regards we beg to remain, Yours very truly, Bankston Bros. Allen Seed Co.

De Palma Rice Tomorrow. John De Palma, who was scheduled to run against time today at Daytona Beach, has postponed his run until Saturday because it was impossible for the representatives of the A. A. A. to arrive in time to witness the run.

Several citizens from Sanford, expect to see De Palma when he establishes a new world record.

Pioneers' Association. The Pioneers' Association of Orange county will have a meeting on Wednesday, Feb. 12th, 1919 (next week), 11:30 a. m. When this association was formed or organized many members were from and of Sanford. I hope that there will be many to attend.

A cordial invitation is given to all R. M. Robinson, Chairman of Pioneers Association of Orange County, Fla.

A Timid Nature. It must be a timid nature that would refrain from every good thing for fear of consequences.—St. Louis Globe-Democrat.

Mr. J. S. Young, formerly of Young & Rabon will be in charge of the repair department of the Overland Garage beginning Monday, February 10th. Mr. Young's reputation as an expert repair man is well established in Sanford and vicinity and the ample room afforded him in the Overland Garage will enable him to turn the work out fast and accurate. He also brings with him his entire force, namely: G. S. Wells, better known as Dock, Alex. Rohrer, Melville Hodges and Sam Bennet.

Notice to Members of W. O. W. On Wednesday night, Feb. 12th, at 7 o'clock a regular meeting will be held at Gate City Camp. This is important and you are expected to be present. Give this your attention. F. L. Miller, Clerk.

Sweet Thought. One sugar, we are told, beats beet sugar, but beet sugar beats the sugar at all.—Boston Transcript.

CURBSTONE CLEANINGS

(Continued from page 3)

advertising that has for years been detrimental to this state will have been stamped out.

To say that the kind of postcards that are commended in the resolution is saying the truth and every reader of this paper knows it to be the truth. Just think of the post cards you have seen—showing razor backs and scrawny cattle gnawing at scrubby palmettos to say nothing of the numerous kinds of cards showing alligators, rushing for a good dinner of negro boys and girls. Well you know that when a person, who has never seen the beauties of Florida, or even a picture showing some of the beauties, sees one of the cards enumerated above he at once forms an impression of the kind of land we have in Florida and that impression being superinduced by the picture seen—is not a good impression, whereas on the other hand if a good picture is seen the impression is bound to be a good one. I commend the Association for making this resolution.

Sauterer.

Announcement. W. H. Treadwell, electrician has returned to Sanford and has opened up an electrical contracting and supply business at his old stand in the Eagle building on Oak avenue and Second street.

Mr. Treadwell needs no introduction to the people of Sanford, having been in business in the city for a period of four years previous to the war and is the man, who wired all the new churches, Theatres, Elks building, school buildings, Southern Bell Telephone Exchange and many others, including some 200 residences.

He has a very classy line of Fluorine Gold Lighting Fixtures, the latest thing out and invites you to call and inspect them. Also can give you low prices on wiring jobs of all kinds as he does the work himself and knows how to do it. Telephone 139.

Bankston Bros. Robert G. Jan. Kentucky Mfg. Co. Paducah, Ky.

A. M. Will Weathers of the county commission, says he has seen a large number of trees that would not stand in the soil of our county. I gave him one of the pair of your E. A. Thomas' Tree Pruner and he has just come in and paid me for it and advises that every one of his stock boys got what he had killed them and now has them in his smoke house and that all were as fine as any he had killed this year.

Stanley Cochran, recently of Camp Jackson but now of Tampa spent Tuesday here, the guest of relatives leaving that night for Dade City where he will visit his parents before returning to his home in Tampa.

Mrs. A. W. Smith and little Janita, Mrs. Charles Bratt and two children, Margaret and Charles Jr., motored to Ocala Friday, where they spent a most delightful day shopping and fishing.

Mrs. Ernest Housholder and her mother, Mrs. Julius Schultz delightfully entertained at the Carnes Hotel Tuesday afternoon with an auction bridge party, in honor of Mrs. Floyd Palmer, who has been the guest of her mother and sister the past month. Nine tables were arranged for playing in the parlor. This room was beautifully decorated with roses. Mrs. George Morse of Honduras winning first prize was awarded a very attractive fern dish with fern; Mrs. Claude Howard, the consolation prize, a handsome brass ink well. About forty tea guests were invited. These ladies were met by Mrs. Charles Hong, who ushered them into the dining room. They were joined by the players and most elaborate refreshments were served at tables that were prettily decorated with roses and asparagus ferns. The refreshments were creamed chicken on toast, cottage cheese salad on lettuce, preserved cherries, wafers and hot tea. A beautiful room food was placed in each place. Mrs. Charles Henry and Mrs. Allen Jones assisted the hostesses in entertaining the guests.

Notice
To the Public:
On and after Feb. 7th the hotel previously known as the St. Johns and New England Home, 420 W. First St., will be open as an American plan, known as The Palms. Everything new and clean. Room and board. Home cooking.

turned to 206 Park avenue. 38-2tp

Last Friday box of socket wrenches for Ford car somewhere between Ice Plant and town. Reward. Ed. Parham. 38-2tp

Mark Master's Degree
The true Mason should be from the time of his initiation an investigator, a laborer in the quarry, in the forest and upon the Temple, and whose reward is to be the knowledge of the truth, the true word of a Master Mason.

"Ye shall know the truth and the truth shall set you free."
These studies will show in reality the necessity of the Royal Arch degree to the Master Mason.

At the last convocation the Royal Arch Degree was conferred.
High Priest C. J. Rumph as High Priest, Past High Priest H. E. Tolson, Chapter of the H. St. John Museum, Principal Sponcer and R. B. Chapman Royal Arch Captain, rendered splendid service and were ably assisted by the other officers of the Chapter.

It is the sacred duty of all Master Masons to make Freemasonry the object of a profound study. Those

THAT 100% LOOK

Men are judged to no small degree by their personal appearance. Looks reflect the mental attitude and enables one to judge on sight the manner of man we are.

Appearances are of course deceiving at times, but as a general thing a man gets more consideration in any walk in life if he takes particular care of his personal appearance.

We know of nothing that will give this appearance more than having your clothes steamed and pressed. It matters not if they are old or new they look better.

Tampa Plumbers Strike

Journeyman plumbers in Tampa struck yesterday morning for higher wages, demanding \$5.00 a day, 8 hours with double time for all overtime and a half day Saturday, as against \$3.00 a day now being paid them with time and a half for overtime.

Plumbers have offered an increase from \$6.00 to \$6.49 a day, but this was refused by the journeymen and the total walkout includes about 25 men. The strike yesterday marks the second strike on the part of journeymen plumbers in the past two years.

A meeting will be held this morning, at which the journeymen plumbers and the plumbers will discuss their differences and an effort made to overcome the situation and reach an agreement.

Notice Returned Soldiers
The County Guard army is open each Friday evening at 7:30. The company will be glad to welcome all returned soldiers, sailors and marines to the meetings of the Guards and will try to make you feel at home.
