# SCHOOL DAYS ARE HERE AGAIN! READ THIS MESSAGE OF VITAL INTEREST TO ALL CITIZENS OF THIS COUNTY!

DRIVE CAREFULLY

.

Parents, Future Parents and All Civic Minded Citizens, our Schools will soon be opening their doors to a better future for our citizens of tomorrow. Many children will be attending school for the first time and have little knowledge of traffic safety. Your caution could save a child's life ... maybe your own!

BE ON THE ALERT when you are near a school bus. Of course, they have to obey all traffic rules! But, give school busses a break anyway . . . They carry a priceless cargo!

> DRIVE EXTRA CAREFULLY around schools and playgrounds! Be on the lookout for children when they walk to and from school! Your vacation from school children is over now!

DRIVERS! DON'T HURRY when you drive! We may as well face it! We cannot reduce traffic ensualties unions we now down! The lives of others are in the hands holding your steering wheel. The minute you may mye, isn't worth the life of a school-child!

STOP TELLING children about traffic dangers! Only then, can we help reduce traffic fatalities! One out of seven fatalities involves a school-child! One out of ten fatal accidents is caused by a teen-age driver! A HAVE YOUR CAR CHECKED by an expert! Any car that is not in perfect mechancal condition is a potential murder weapon! The few dollars you spend may save a Mel PULL OFF THE ROAD when you're tired, and take a map! DON'T DRIVE at all when you've had a drink! Drowsiness and drinking are responsible for most fatal accidents! THIS MESSAGE IS SPONSORED BY THE FOLLOWING CITIZENS IN THE INTEREST OF A MORE TRAFFIC SAFETY MINDED PUBLIC J. L. By MARIAN B. JONES Mise Mary Ann Slayton's brides-maids were honored with a luncheon Sunday afternoon, by Mrs. J. B. Jones, Jv. at her home in Oviedo.

The bride's table was centered with a miniature bride and groom inder a beart shaped arch made of pink and white tulle. Roses decorated the other tables.

Tables were placed in the spaclous Florida Room of the home.

The pink, while and green motil prevailed even to the favors of tiny plastic baskets filled with

mints that were used as favors.

The honoree was presented with a gift of lingerie by the hostess. Mrs. Ben G. Wainright and Miss Joy Waniright assisted the hos-tess with the serving of the congealed chicken lost with cranberry topping, peas with almonds, potato chips, deviled eggs, erac-ters, iced tea, ice cream and coo-

Army, Career

Charles Richard Powell, son of Mr. and Mrs. C. H. Powell, Yanhee Lake, will continue his education with the United States Army. He will finish his basic training this week and expects to be home Caturday for a 10 day furlough. He plans to study electronics while in the army. Richard gra-duated this spring with the 1959 Seminole High School class. He was a member of the high school band, the glee club and track team. His favorite subjects were science and electronics.

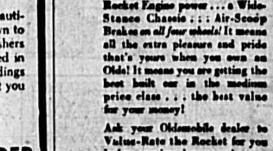

He is an expert skin diver and tikes fishing and hunting. The atter helped him win special rec-mition during his basic army training. He established a new individual firing record with the M-1 rifle for his company.

His company commander, L4. Carl J. Lust, commended him for displaying superb ability and mas-terful control firing 83 out of a possible 100 even though it was his first trial at the army's Train-Gro Range.
