

Scouts Hold Fitness Camporee

By Jane Casselberry
 Troop 341 of the Wekiwa District Physical Fitness Camporee held Saturday and Sunday at Showalter Air Park in Winter Park.

The 400 Central Florida Boy Scouts attending the event set up their tent camps in a fashion open to the public.

Troop 341 did its cooking with meals made from

aluminum foil over charcoal fire. An improvised shower was set up and the boys learned the value of water as it was brought to the field in a tank and then had to be transported back to camp in large cans and carefully conserved.

All day Saturday the boys took part in rigorous athletic events such as football throw, horseshoe toss, tire waddle, standing broad jump, running broad jump, 30 yard dash, log throw and yerd and under.

Seventy-two of the boys also passed requirements for personal fitness merit badges. Those included Glenn Duncan and Darwin Shea of Troop 341.

Ricky Casselberry served as acting senior patrol leader for the troop during the camporee. Troop 341 raised 100 per cent on the campsite inspection and Scoutmaster Daniel received a tomahawk award and Henry Duncan received the tomahawk award for their part in the planning the camporee during the closing ceremonies held Sunday afternoon.

A campfire program was presented Saturday night and religious services were held for the boys early Sunday morning.

Other Casselberry boys attending were Steve Duncan, Carlton Callenberger, David and Bob Barrowman, David Krohn, Billy and Danny Dempsy, Peter Montgomery, Ricky Pettis, Jerry Skisak, Ricky Jackson, Norman Mitchell, Lee Totten, David and Garrison Martin and Jim Hedley.

CASSELBERRY BOY SCOUTS of Troop 341 were among the some 400 boys attending the Wekiwa District Physical Fitness Camporee held Saturday and Sunday at the Showalter Air Park in Winter Park. In the top photo at left, Jim Hedley and David Krohn cautiously consume a bit of precious water which had to be hauled all the way across the airstrip to fill the large blister bag. At right Darwin Shea winds up to toss a 10 pound cypress log in the log throwing competition and in bottom photo, Troop 341 lines up for inspection just before closing ceremonies on Saturday. Legion Post To Organize Auxiliary

By Jane Casselberry
 American Legion Memorial Post 256 of Casselberry met Friday night at the Casselberry Women's Club. Wives of the Legionnaires were special guests.

The Post feels the need for a Legion Auxiliary and a committee consisting of Mrs. Ken Wahlbridge, chairman, Mrs. Ben Evans, Mrs. Luther Myrdersa and Mrs. Leonard Casselberry was appointed to help organize the group.

Following the business meeting, which was presided over by Commander Harold Kryder, those present enjoyed an evening of games and community singing and refreshments of coffee and doughnuts were served.

Members of the Post have been invited by Rev. C. R. Zehnder to attend the Ascension Lutheran Church of Casselberry in a group on Veterans Day, Sunday, Nov. 11, at the 10:30 a. m. worship service. Those attending are asked to wear their Legion caps and meet at the church at 10:15 a. m.

CONCERT TICKETS for this season's entertainment sponsored by the Sanford-DeBary Entertainment Association were purchased recently by Sanford's Mayor J. H. Crapps from Mrs. Ralph Austin Smith, membership chairman.

"These concert series brought each year by the Entertainment Association are a fine contribution to the cultural life of the community," Mayor Crapps said. Tickets will be on sale until 4 p. m. Wednesday. First concert is Thursday at 8:15 p. m. at the SHS auditorium. Tickets were mailed Monday to those who have already purchased memberships. (Herald Photo)

ACL Employees Set Safety Meet

Fourth Quarterly Meeting of Sanford Safety Committee, Atlantic Coast Line Railroad Employees, will be held at 7:30 p. m. Wednesday in the Railroad's Assembly Hall at their passenger station in Sanford.

Arrangements have been made for the showing of a motion picture entitled "Last Clear Chance," and appearance of a speaker to talk about grade crossing accidents has been arranged.

Officials from Jacksonville, Tampa and Ocala will be present at the meeting.

Door prizes will be awarded and refreshments will be served.

All employees, their families and friends are being invited to attend this meeting.

Circle To Meet

By Jane Casselberry
 The Esther Circle of the Casselberry Community Methodist WSCS will meet at the home of Mrs. Harry M. Peck, 777 Tullis St. in Longwood, Wednesday at 1 p. m.

Deltona Master Plan Seen

DELAND—The Mackle brothers of Miami will unfold their master plan for "Deltona," new 15,000-acre Volusia County community, at a dinner Thursday evening that is expected to overflow the Deland Golf and Country Club.

Civic and business leaders from Volusia and neighboring counties will receive a firsthand account of new ideas the famed Florida development team proposes to introduce at the new, all-Mackle project.

"We pioneered in the field of Florida community develop-

ment," said Frank E. Mackle Jr., president of The Mackle Bros., Inc. "At Deltona, we're applying fresh principles that were born out of our years of experience in city-building.

Tension Mounts At Lyman As Homecoming Draws Near

By Jane Casselberry
 Tension is mounting at Lyman High this week as ten of the school's loveliest and most popular girls vie for the title of Homecoming Queen.

Candidates who were chosen by the football players are Betty Field and Linda Huggins, seniors; Dallas Cassell, Cheryl Werley, Gayle Palmer, Brenda Petty and Margaret Garrett, juniors and Pam Jones, Sandi Tennant and Mary Lou Haines, sophomores.

The five girls selling the most tickets to this Friday's Homecoming Game with St. Leo will be determined when the tickets are counted Wednesday evening. The girl selling the largest number will be crowned queen during the halftime ceremonies at the game. The remaining four runnersup will constitute the court.

Everyone will be kept in suspense until the excitement reaches its peak on Friday night and the girls ride onto the field. The queen will ride in a white 1963 Oldsmobile convertible and no one, not even the lucky winner will know she has won until she is she is taken to this particular car.

Candidates already have chosen their own escorts for the ceremonies.

DeBary Club Fishing Trip Postponed

By Mrs. Adam Muller
 The DeBary Fishing Club's deep sea fishing trip, originally scheduled for last Wednesday, was postponed for one week due to bad weather and waters resulting from hurricane Ella.

Members planning to make the trip will leave from the DeBary Fire Hall at 6 a. m. this Wednesday for Daytona Beach where they will board the Marianne. Prizes will stand as announced and members are reminded to bring their own lunch and beverage for the trip.

NAS Poll Reveals....

Extension Justified

Sailors and Marines at the Sanford Naval Air Station said today extension of their duty tours is justified in light of the current crisis, a Herald poll revealed.

Anyone having a feeling for his country must agree, said one Marine PFC, whose tour of duty had been scheduled to end in February.

Well, if they need you, they need you, said one airman from Philadelphia.

Cleveland To Rescue

Board To Explain 'Steak' Dinners

The County Commission decided Tuesday afternoon to get the former commission off the Attorney General's hook by writing him a full and complete explanation of the \$170 worth of dinners consumed by former incumbents while in the process of setting up zoning regulations for the county.

Bush Explains Tanglewood Woe To Commission

Former County Attorney Mack Cleveland Jr. addressed the commission on the matter of the dinners and pointed out that the statutory justification for the dinners could be found in Section 16 of Chapter 57.1865 of the Florida Statutes, which provides that a county commission may pay the expenses of zoning and the enforcement of the act.

Troops Arrive In Key West

Advances contingents of Army troops, mostly officers, arrived by air before dawn today in this island city situated just 90 miles from Cuba.

Goodwin Tells Clinic Business Goes.. Where Invited

"Business goes where it's invited and returns where it's well treated," Dr. Frank Goodwin of the University of Florida told more than 150 local and county sales people, managers and store owners at the Civic Center, Tuesday.

news... BRIEFS

Perfect Mark LINCOLN, N. C. (UPI) — This western North Carolina town of about 6,000 residents Tuesday completed its 10th year without a traffic death.

Support Urged WASHINGTON (UPI) — Former President Dwight D. Eisenhower said Tuesday night that Americans should support President Kennedy's action against Cuba.

Fires Rocket EGLIN AFB, Fla. (UPI) — The Air Force launched the largest rocket in its 44-month project Firfly test series Tuesday over the Gulf of Mexico.

Bill Signed WASHINGTON (UPI) — President Kennedy has signed a bill authorizing \$28,000 damage awards to three USO entertainers injured in a plane crash near Lisbon, Portugal, almost 20 years ago.

U.S. Denounced HAVANA (UPI) — Premier Fidel Castro denounced the U. S. arms blockade of Cuba as "the most dangerous adventure since the end of World War II" in a lengthy anti-American telecast Tuesday night.

First Casualties MCGUIRE AFB, N. J. (UPI) — Seven crew members of an Air Force jet transport became the first casualties of the Cuban crisis Tuesday when their plane crashed at Guantanamo Naval Air Station in Cuba. All were killed.

Big If BERLIN (UPI) — Soviet Foreign Minister Andrei Gromyko said today that the only possible East-West agreement on Berlin is to recognize East Germany's sovereignty, the East German news agency ADN reported.

Plenty Of Work TALLAHASSEE (UPI) — The Road Department said Tuesday road bids totaling \$4.5 million for 30 projects in the state were set before a called speed-up in road work in Florida.

Sanfordite Held For Robbery A Sanford man wanted for armed robbery and parole violation was held in Lafayette, La., today on charges of vagrancy and carrying an illegal weapon.

Vote Urged TALLAHASSEE (UPI) — The cabinet adopted a resolution today urging all state employees to vote in the Nov. 6 general elections.

County CD High Command Holds Meet The Civil Defense high command met in closed session this morning to map out survival strategy in case of any emergency.

WASHINGTON (UPI) — Twenty-five Soviet ships continued on course toward Cuba today after the U. S. quarantine against arms shipments formally went into operation.

All signs pointed to a clash within hours between American warships and some of the Russian vessels. There were reports that the country deliberately would angle out a vessel carrying arms for the test.

The quarantine went into effect at 9 a.m. Two hours later, a Pentagon spokesman said he had no evidence that any of the Russian ships had turned back or altered their course.

Awaiting them in international waters was a U. S. task force under orders to stop them for an inspection and sink them if necessary.

Asked whether the first ship to be halted necessarily would be a Soviet vessel, he replied: "That is where our interest is concentrated."

Government sources said congressional leaders meanwhile reported that plans were "going forward" for a full-scale invasion of Cuba if present U. S. measures prove inadequate to neutralize the island as a threat to the United States.

It was learned that Sen. Richard B. Russell (D-Ga.) chairman of the Senate Armed Services Committee, had forcefully urged Kennedy to make an immediate invasion of Cuba.

Essentially, his view was reported to be that invasion may well be a necessary action beyond the initial steps including the quarantine — that Kennedy outlined Monday night.

Russell, it was said, argued that it would be easier and less costly in terms of casualties to make the move at once rather than waiting.

As the showdown neared and tension mounted, Kennedy met with Cabinet officials and his top level military and intelligence advisers.

Soviet officials here and elsewhere gave every indication that the Russian ships would refuse to stop or be searched. In the last alternative this would mean the Navy would carry out Kennedy's order to sink any ship that refuses to be diverted.

But this was only one of the tests ahead.

An invasion would be aimed at removing the 1,000-mile Soviet missiles already based in Cuba. Cuba already has reacted derisively to a U. S. proposal that the rockets be dismantled under United Nations supervision.

Russia took a similar hard stand toward the U. S. blockade.

Valerian Zorin, Soviet delegate to the UN, said "no disrespecting state will permit its shipping to be tampered with."

*** Public Appeal Sought To Ease Crisis UNITED NATIONS, N. Y. (UPI)—Acting Secretary General Thant is considering a public appeal to Russia and the United States in the Security Council tonight in an attempt to ease the Cuban crisis, diplomatic quarters reported today.

Thant was pressured to do so in an appeal from some 40 smaller powers delivered to him this morning by the ambassadors of Cyprus, Ghana and the United Arab Republic.

UN sources said Thant had not decided definitely to go personally before the council, but he promised to give careful consideration to the request.

The Security Council this morning heard Britain accuse Russia of reckless double dealing in sending nuclear missiles to Cuba creating a threat to Western hemisphere security which "those responsible for its defense cannot tolerate."

Herald Report

Red Installations Throughout Cuba

(Herald's Note: Below is a composite of a sketch to the Cuban underground. The sketch is based on the report of the Freedom Riders who arrived in the nation Monday night. The Herald felt a composite of these installations and their location would be helpful.)

The most important military base in the province of Pinar Del Rio and possibly on the whole island is found at Mariel. A submarine base is under construction and on various occasions this port has been visited by Russian submarines. The inhabitants of this part of Cayo Largo, formerly Cayo Mazon, situated in Mariel Bay, have been per-

manently evacuated and a wall 16 feet high erected which is constantly guarded by Red soldiers. Eight Soviet boats, equipped with missiles, are permanently anchored there. Guided missile bases under construction in this province are:

- 1) Between Mariel and Bahia Honda;
- 2) In the hacienda "Las Delicias" six or seven kilometers out on the Pan American road leading from Mariel to Guama;
- 3) On the farm "La Alura" in the Organos Cordillera, southeast of Cabañas;
- 4) In the Guatana, between the seventh and eighth kilo-

neters, lying between Pinar Del Rio and La Coloma.

- 5) In the hills near Guanajay, south of Mariel;
- 6) In the ports of Playales and Malas Aguas;
- 7) In Topay, between Dimas and Santa Lucia;
- 8) In Juguante, between Pinar Del Rio and Guanajay, in the local Maria Valley.

The Soviet headquarters are located in a 20-story building at 12th and 17th Sts., in Havana, on the top three floors. These offices are staffed by Soviet military personnel. The old Rebel Army has ceased to function as a military force.

The Province of Havana is one big armed camp, with a net of electronic gear and radar installations all along the north coast. Subterranean hangars and warehouses have been constructed in the Havana area and a former WW II U. S. air base has been taken over and rebuilt by the Russians for the use of Soviet MIGs and bombers.

A large underground arsenal has been constructed in Mantanzas Province at the extreme north end of Yumuri Valley and 80 large caliber cannons have been employed by the Russians on a side road two kilometers out of Mantanzas on the way to Limonar. The area is dotted with radar installations and a number of

underground works are in progress. The farm, "La Maleza," south of Las Villas, in the province of the same name, is where the Soviet Chiefs of Staff are located. Red sentries are posted 300 meters out beyond the farm's boundaries and no one is allowed entrance.

At the Bucanavia farm, lying between the Trinidad Sugar Factory and the city of Trinidad, there is an installation for launching guided missiles. This is the closest point to the Panama Canal on the Cuban island. Another guided missile installation is located in Sancti Spiritus, in the Sagua la Grande region.

FOUR NEW MEMBERS were officially inducted into Civitan Thursday in a candlelight ceremony conducted by Lt. Gov. Tom Donahoe, of Winter Park. From left are Civitan President Joe Dennison, new members Roy Thomas, Bill Clause, Brad Foley and Claude Long and Lt. Gov. Donahoe. In addition to the induction ceremony, Donahoe enlightened the new members with a brief history of Civitan International, and of the Sanford Club. (Herald Photo)

Bank Break Shocks Town

GRESHAM, Neb. (UPI) — Bewilderment and shock today gripped this small town whose only bank apparently was broken. People, wondering how it happened, made quick audits of their pocket money while examiners poured over the books of the uninsured Gresham State Bank. If preliminary estimates of losses were accurate, State Banking Director Ralph Misko said, "all the bank's capital, surplus, individual profit and fidelity bond monies would be wiped out."

Townfolk also prepared the funeral Thursday for Arthur Walford, 73, a devout church leader and bank officer for a quarter-century. Walford, who was cashier, took his own life with a shotgun Monday in the back room of the bank, as a state examiner arrived at the front door of the institution for a routine check of the books.

Stoddard Ready To Defend Town

The Town of Casselberry stands ready to make an all-out effort in defense of itself and "the whole of South Seminole County, if necessary," according to Mayor Carl Stoddard who Monday night advised the townspeople and the Board of Aldermen that he was already being taken to prepare for any national, state or local emergency. Stoddard advised that his letters to Governor Bryant, Senator Swathers and Congressman Harling would be in the mails today advising them of Casselberry's backing, cooperation and preparedness. In business of Monday night's meeting, a legal opinion, prepared by the firm of Stenstrom, Davis and McIntosh, advised that the mayor's recent election proclamation was valid and that the re-registration called for in the proclamation was a standard and adopted practice. The board decided to let the proclamation stand as worded and to continue with the re-registration after Attorney Kenneth McIntosh explained, in detail and at length, that it would take only the signing of a simple affidavit at the polls to allow voting of previously registered voters unable to make the re-registration.

JFK Support Grows In Europe

LONDON (UPI) — Support grew throughout Western Europe today for President Kennedy's action to stop the Soviet missile buildup in Cuba. First European reaction had been cool, and demonstrators in several cities marched outside American embassies Tuesday shouting "Hands off Cuba." But late Tuesday and Tuesday night, following circulation of the pictures of the Soviet missile bases in Cuba, the mood changed. "The proof!" proclaimed the London Daily Sketch in black headlines two inches high. The British government, which had been slow in reacting, issued a statement "guilty of deception." Foreign Secretary Lord Home accused the Soviet Union of using an "opportunist and two-faced technique" in arming Cuba. The Foreign Office issued a statement after a Cabinet meeting instructing the British delegation at the United Nations "to support the American request that the Security Council that they should make recommendation

to end this danger." In Bonn, West German Chancellor Konrad Adenauer met with Dean Acheson, Kennedy's special advisor on NATO affairs, and pledged full support for the U. S. position in Cuba. Acheson had met earlier in Paris with French President Charles de Gaulle, who also instructed his delegation to back the United States. In Brussels, a spokesman for the Common Market ministers said there was "full understanding" for the U. S. action. In Madrid, where there had

been sharp criticism of U. S. policies, the Spanish government hailed America's "alertness" and "spirit of defense" against aggression in Latin America. The switch in European editorial reaction was little short of dramatic. Only one London newspaper opposed the Kennedy move today. Tuesday only one had reported it outright. Most of the papers, while expressing concern about the consequences, agreed it was justified.

It's a scientific fact that the instant corn is picked, a chemical change occurs, and it begins to rapidly lose its sweetness. This can only be stopped by low-almost freezing temperature.

When Winn-Dixie Corn is picked - it's immediately submerged into refrigerated ice water right in the corn field. This is called hydro cooling.

Keeping corn cool - keeps it sweet. To maintain a constant cool temperature, Winn-Dixie literally showers the corn with ice and rushes it to your store in refrigerated trucks.

'Three-In-Concert' Slated Thursday

Three in Concert, the first presentation in the season's concert series under the auspices of the Sanford-DeBary Entertainment Assn. will be seen at the Seminole High School auditorium, Thursday at 8:15 p. m.

The music of the concert has been arranged to please a variety of tastes and satisfy the demands of the most discriminating critics of music and dance. Season tickets for the series will be sold right up until Wednesday at 4 p. m. Mrs. Ralph A. Smith, membership chairman said today. The second show, slated for February will star Stan Freeman, pianist-humorist and the third show will bring Metropolitan opera star, Nell Rankin to the Sanford stage.

Enterprise PTC Completes Plans For Carnival

By Helen Snodgrass

The PTC of the Enterprise School completed plans for Friday's Halloween Carnival at the school during last week's regular monthly meeting of the group.

The carnival will open at 5:30 p. m. with a costume parade and prizes will be given for the funniest, prettiest and most original costumes.

Barbecue chicken suppers will be sold in the cafeteria between the hours of 6 and 8 p. m. and on the midway will be the usual spook house, fish pond, white elephant sales, dart games, sack races, pony rides and other concession stands including a bake sale booth.

Following the carnival a costume dance for junior and senior high school students will be held between the hours of 8:30 and 10:30 p. m. in the cafeteria. Costume prizes also will be awarded at the dance.

Largest olive importer-packer in Ohio is located at Vermilion.

Ask The Man Who Grows!

For Fall Plants, that will give your home that final outdoor finish.

Herald Backs JFK

The Herald wishes to go on record as being completely in favor of the nomination of President Kennedy to represent his country in the Presidential campaign.

This is the first time that the Western World has elected the initiative and voted for a Russian winner. Two times in the past we have had to provide an answer to a provocative situation which was posed to us by the Reds.

Now the shoe is on the other foot. The continued and uninterrupted build up of arms in Cuba by the Reds has presented an untenable situation for the nations of this Hemisphere. It does seem that the distinction between "offensive" and "defensive" armaments is, and has been, a rather ill defined one, still if there is a distinction we have finally gotten around to making it and have drawn the line, with a finality that makes argument difficult and the Russian situation embarrassing.

The New World can be heartened by the fact that the Monroe Doctrine is not dead. That has been made abundantly clear by the President.

As of Tuesday afternoon our ships and planes have been searching the southern seas for ships carrying the emblem of the Hammer and sickle, ready to haul, stop and search for weapons of any description. When found, the ships will be ordered to proceed to non-Cuban ports. Should they refuse to do so they will be subject to extremely persuasive action, and sink if need be.

This is a strong position to take, but it need fill no hearts with fear. Our nation is strong in the will to fight, and we have the arms to enforce our convictions, and protect our interests and those of the rest of the free world. Thomas Jefferson once said, "The price of Liberty is eternal vigilance." When our vigilance turns up a reason for action, we should be thankful that the price of liberty is so small.

We have fought in two world wars and in Korea within the memory of many of us now alive, and we are still a free people, without regret for the price of our freedom.

This latest step in the preservation of our freedom is a necessary one. We cannot live with the enemy 90 miles away. He must be eradicated one way or another. We hope and pray that the President's instructions to the armed forces will accomplish that act without recourse to arms. If in the event further force is necessary, then we will stand firm in our cause, knowing it is right.

Peter Edson

Political Notebook

WASHINGTON — (NEA) — Top State Department officials sometimes find it a good idea to look at their problems in bunches instead of considering each problem separately. In this larger view, relations of the crisis to other crises become more apparent.

To some people, the only foreign question worth bothering about today is Cuba. The demand is for an immediate invasion to drive the Russian rascals off the island. This is a natural expression of indignation against Castro's self-to the Communists.

The only alternatives considered are a blockade against all shipping to Cuba or, at a very minimum, the setting up of a Cuban government in exile and the training of a refugee army for an invasion of its own homeland at some indefinite future day.

None of these actions is ruled out as an eventual necessity. But it is pointed out that to take any of these steps now, precipitately, might play directly into Russia's hands.

The reason given is the impending Berlin crisis.

Khrushchev has declared that after the American elections, consideration will be given to Berlin. From then until the end of the year

at least, it is expected that the Russians will try to force a showdown.

It may come in more shoe-pounding demands by Khrushchev at the United Nations. Russia may carry out its long-threatened signing of a separate peace treaty with East Germany.

Then may come direct military action to close off the Western allies' corridors into West Berlin and a new blockade to force withdrawal of the Western military garrisons.

For the United States to initiate a blockade of Russian ships supplying Cuba—which would be an act of war—or to launch an actual invasion of Cuba at this time, it is believed, would be an open invitation to the Russians to retaliate by using force to take over West Berlin.

Berlin is therefore considered the No. 1 crisis.

The Cuban situation is considered secondary.

American officials therefore do not consider it wise or necessary to put United States troops ashore in Cuba. The problem is to find a solution that does not call for large-scale bloodshed. Growing difficulties on the island may make possible other forms of action.

Russia has so far committed about \$40 million in aid to Cuba. About \$6 million has been expended, mostly for technicians. Cuba must pay for this with sugar, tobacco and foreign trade this year is expected to show a \$75 million deficit. In the pre-Castro era, Cuba had a \$1-billion-a-year trade with the United States, which Russia can't match.

Another American objective is to keep Cuba from becoming a center for hemisphere infection. An overt act by Cuba or Russia in this direction would be a legitimate cause for American intervention under the Monroe Doctrine. But if a crisis of this kind develops, the United States would need the support of all its allies, which it does not now have.

Recognizing an anti-Castro government in exile is considered inadvisable because it would jeopardize United States rights at Guantanamo. Also, the United States has never recognized any government in exile if it has not actually held office at home.

With 300 different Cuban refugee groups outside of Cuba unable to agree among themselves, it is now impossible to set up a rump government. And the recruitment of a Cuban refugee military force big enough and well enough trained to conduct amphibious landing operations is not considered feasible.

OUR BOARDING HOUSE

MRS. HOOPER: "TOLD ME THAT JAKE LEFT FOR CHICAGO TODAY. I JUST FINN AN INVENDORY ON MY PERSONAL BELONGINGS AND ALL I'M MISSING IS A NECKTIE AND MY SHINING SOAP! HE MUST BE REFORMING!"

"YOU'RE LUCKY YOUR SHIRTS DON'T FIT HIM! HE WALTZED AWAY WITH THE TWO NEWEST ONES IN MY DRAWER AND LEFT A NOTE SAYING HE WOULDN'T HAVE DONE IT, BUT HIS WIFE BEAT HIM TO THE LAUNDRY!"

JAKE WAS HOPIING TO SEPARATE THE MAJOR FROM HIS BANKROLL IF IT HADN'T BEEN FOR MARTHA, JAKE WOULD HAVE STRIPPED HIM LIKE AN EAR OF CORN!

JAKE'S GONE BUT NOT FORGOTTEN!

Dr. Crane's Worry Clinic

CASE N-603: Harold G., aged 36, is a Personnel Director.

"Dr. Crane," he began, "we do an elaborate job of weed-ing out applicants at our plant. 'We use all the modern aptitude and achievement tests, so we know the capabilities of our prospects quite well. 'Even so, a lot of them don't pan out too well. So what additional practical tests would you suggest that might increase our batting averages?'"

"(1) Former Boy Scouts are better workers than the non-Boy Scouts, and the more merit badges they earned, the better workers they'll be.

"(2) Former newspaper carriers are better than non-carriers.

"(3) Married men are better workers than single men.

"(4) Married men with children are better workers than childless married males.

"(5) Divorced men are less efficient than the happily married.

"(6) Home owners (or home buyers) are more efficient than renters.

"(7) Church goers are more efficient than non-church attendants.

"(8) Men with adequate insurance are better workers than those who carry little or no insurance.

"(9) Those who worked their way through college are better workers than those who coasted on papa's coattails.

"(10) Those who made above average school marks are better workers than those who fell below their class average.

"(11) Fast workers are usually better (and more accurate) than slow movers.

"(12) The faithful voter is a better worker than the non-voter.

"(13) The gambler is a poorer worker than the non-gambler.

"(14) The man who gives his wife his pay check is a better worker than the one who tries to handle the family funds by himself.

"(15) The one who takes extra courses or studies on his own time is better than the one who does not.

Even in medicine and dentistry we distinguish between the "book" doctors vs. those who have gumption. "Book" doctors work on just the tooth or appendix whereas the resourceful doctor treats the entire personality!"

Many a "book" engineer with a degree from a top-notch engineering school may also find that practical electricians, masons and plumbers can still show him a lot of useful tricks never mentioned in the textbooks.

So try to pick workers who are resourceful. This usually means, select workers who think in terms of the "whole" vs. the "part."

Anybody who has operated a farm or business of his own, thus tends to think in terms of the "whole."

Married men, with families, also tend to have this same ex-

Phil Newsom Says . . .

Where Do Reds Stand?

As the threat of a major conflict between India and Red China increases, the more interesting the position in which the Soviet Union finds itself.

It also creates a special problem for the United States.

For the Soviets, it is a choice between Red China, an ally, and India whose huge population and special place as a spokesman for the world's neutrals have made its friendship a top-priority Russian goal.

Soviet Premier Khrushchev clearly expressed his own attitude toward the dispute when in conversation with a Western newsmen he described it as a "sad and stupid affair."

Khrushchev has been reported reliably as having urged the Red Chinese to ease up on their pressures against India and to have been told by the Chinese not only to mind his own affairs but to keep out of the way of Chinese national interests.

Since then, Soviet publications have been ostentatiously neutral.

Not so neutral, and hotly protested by the Chinese, has been Khrushchev's action in supplying MIG jet fighters to the Indians.

Winter cold and heavy snows already are closing in on the 2,500-mile Himalaya border line and ground action between now and spring must be limited.

It does not, however, preclude air action and the Chinese are uncomfortably aware that they may soon be flying against MIGs supplied by their own supposed ally.

Just what is in Khrushchev's mind or how much his actions spring from his well-

publicized ideological differences with the Chinese are matters which must be determined by future events.

Indian Prime Minister Jawaharlal Nehru is under increasing pressure at home to oust the Chinese from the 30,000 square miles of border territory they claim.

But talks which were to have started last week were canceled by Nehru until "the latest intrusions by Chinese forces have been terminated."

On their side the Chinese have called Nehru a liar, war-loving and a tool of the United States.

India needs more weapons and recently has been reported taking soundings on the possibility of obtaining U. S. transports capable of operating in the thin air over the Himalayas.

A difficulty is that India

has no money and has said repeatedly she will not accept military aid. A further difficulty is that any U. S. intervention might force the Russians in on the side of the Chinese.

By Mrs. Adam Muller South Pacific, presented the DeBarry Community Center last Saturday before a full house, featured a cast of actors primarily from Stetson University and DeLand, however, Isabel Reaick of DeBarry as "Bloody Mary" added much to the superb production with her song.

The performance, sponsored by the DeBarry Civic Assn., was directed by Bruce Griffiths. Walter Sonnensberg was designer; Harold Griffin, musical director; Ruth R. Carr, pianist; Carrie Tubbs, organist; Hervey Lester, drums; Harold Foster, bass and Gretchen Shambach, choreographer.

The entire show, well sung, well produced and right on time for the curtain call, was extremely popular with the audience and as patrons left the auditorium one could hear many humming favorite tunes from the musical.

The next show to be sponsored by the DeBarry group will be "The Four Poster," scheduled for Nov. 19 at the Center.

Dr. Wright Sets Council Address

Dr. J. W. Wright, chief counselor for Hendry and Glades counties will be the principal speaker at the annual general membership meeting of the Seminole County Juvenile Council, Thursday in the courtroom at the courthouse at 8 p.m.

New officers will be elected at that time and financial and activity reports given. The annual membership drive will also get under way, Bill Thomas, council president, has announced.

Assist With New Auxiliary

By Donna Estes Three members from the Auxiliary of South Seminole VFW Post 8207 of Longwood assisted with the instituting and installation of the new auxiliary of the Pine Hills VFW Post last Saturday night.

Those participating in the ceremonies include Mrs. Irene March, district eight guard; Mrs. Harriett Harris, district eight deputy chief of staff and Mrs. Sophie Bryan, district eight treasurer. Installing officers were Mrs. Charles W. Pugh, president of Orlando, post district eight president;

The Pine Hills Auxiliary is the first new one to be organized this year in the district.

Robert March and Merle Harris of Post 8207 attended as spectators.

To pick up extra \$8 sell those used items with a Herald Classified. Call FA 2-5612.

Vols vs Swamp Oak Ridge

The Volunteers had in the past a reputation for being a team that could win any game. They were known as the "Swamp" because of their ability to win in the toughest conditions. In their game against the Oak Ridge team, they showed their ability to win in the toughest conditions.

Top Elevens Big Favorites

NEW YORK (UPI)—Texas, Northwestern and Alabama, the nation's top three college football teams, were favored by two touchdowns or more to remain on the unbeaten list this weekend.

Fourth-ranked Wisconsin, however, was a five-point underdog to two-time loser Ohio State in the leading Big Ten game. Wisconsin has a 4-0 record while the Buckeyes have dropped games to UCLA and Northwestern.

Parseghian Named Top Coach Of Week

CHICAGO (UPI)—His enthusiasm permeates his team. His confidence carries through to ignite his squad.

He saw no much ability in a freshman quarterback, on film, that he judged his offense to make the best of the youngster's ability.

He built his team on the ability of his players, and not on their adaptability to his pattern.

That's Ara Parseghian, tutor of the unbeaten Northwestern Wildcats and United Press International's "Coach of the Week."

Now We'll See What That Bubble's Really Made Of

Bloody Fullmer Wants Rematch With Tiger

SAN FRANCISCO (UPI) — Battered, bloody and bruised, Gene Fullmer still is set for a rematch with Dick Tiger, the new king of the World Boxing Association middleweights.

Tiger, who clubbed and slashed his way to unanimous 15-round decision over Fullmer at Candelstick Park Tuesday night, is ready, too. "I fight him any time," said Tiger. "In the kitchen, if necessary. But he tough man. He hurt me."

Manager Merv Jenson, Fullmer's plot, said the rematch has been agreed on and that it will be in either Roseman, Mont., or Las Vegas, Nev., Jan. 19. However, Tiger's manager, Jersey Jones, may have something to say about that. It's possible Jones may want to move the bout to the East.

Vols Favored; Florida Faces Herculean Task

United Press International Once - mighty Tennessee, now the goat of the Southeastern Conference, trains its single wing guns on Little Chattanooga Saturday, a team that has defeated the Volunteers only once in 32 attempts.

Vols coach Bowden Wyatt, whose hapless charges should be rated as prohibitive favorites despite their 0-4 mark, refuses to take the contest lightly.

The Meccenas, holders of a 4-3 record, have a potent weapon in quarterback Ron Eisman, a pinpoint passer, Tennessee, in its four previous outings, hasn't been able to cut the mustard with its alleged serial defense.

The Vols spent several hours Tuesday attempting to build up their secondary to respectable strength.

Florida, confronted with the herculean task of stopping powerful Louisiana State, concentrated on offensive maneuvers and LSU end sweeps. Coach Ray Graves singled out ends Bruce Starling and Tom Gregory and linebacker Tommy Gregory for their defensive efforts.

The Tigers, meanwhile put the emphasis on passing with coach Charlie McClendon warning, "Florida has a big, strong line and some of the best backs in the SEC."

Auburn coach Ralph Jordan urged his team not to become over-confident as a result of its conquest of Georgia Tech last weekend. The platoonmen, who face Clemson Saturday, held a long scrimmage session.

CWF Makes Plans For Convention And Reception

Plans were discussed for the Central District Convention of the Christian Women's Fellowship when the CWF of First Christian Church met for its monthly session.

The CWF of Sanford will be hosts for the convention, scheduled for Oct. 26. Mr. Patterson of the United Christian Missionary Society will be the principal speaker at a dinner meeting at 6:15 p.m.

It was also announced that the church's new minister, Rev. Wayne Johnson, will be installed on Nov. 4, followed by a reception at the parsonage.

Mrs. W. E. Young, president, conducted the business session and Mrs. J. L. Horton Jr. and Mrs. E. K. King presented a film entitled "History of Christian Churches." The service chairman collected sewing kits to be given at World Community Day, Nov. 1.

During the social hour, Mrs. Wayne Johnson and Mrs. Ira Jackson served refreshments of sandwiches, candy and coffee to those attending.

Other members present were Misses W. P. Yealey, Blanche Kuhn, O. T. Pearson, O. D. Landress, Frances Jobs, Mabel Bishop, Leona Richards, Robert Shields, Bart Hinson, Russell Scott, G. W. Roland, W. L. Rowland, C. C. Murray, E. Huntley, V. H. Grantham, G. W. Morgan, Earl Evans and Miss Flo Bishop.

Jane Simmons, Heryer DeWit Wed At Christian Church, In Orlando

Jane Simmons and Heryer DeWit were married Oct. 19 at 7:30 p.m. in a simple ceremony at the First Christian Church in Orlando. The officiating minister was Dr. William H. Hayfield, pastor of the church.

Attendees were Miss Judy Simmons, daughter of the bride, and Leonard DeWit II, brother of the groom. Following two musical selections, "O Promise Me" and "Blessed," sung by Mrs. Kenneth Case, accompanied at the organ by Mrs. Frances Henderson, the vows were taken before a background of autumn flowers.

The bride wore a blue satin "after five" dress with matching crown hat and silk illusion face veil and carried a bouquet centered with a white orchid. The later wore the orchid with a raspberry color going-away suit.

Miss Simmons wore a sheer pink dress with matching feather hat and a corsage of deeper pink carnations.

Mrs. Helen DeWit of Sanford, mother of the groom, wore a navy blue sheer dress and a lavender and white orchid corsage. Mrs. DeWit invited the bridal couple, the wedding party, their families and a few friends to her home in Sanford following the ceremony. After a champagne toast to the bride and groom, the guests were invited to enjoy refreshments from a buffet table, including turkey salad, spiced apple rings, open face sandwiches, relishes,

cake, coffee and punch. A separate table, covered with a Chinese silk cloth, was centered with a tiered wedding cake decorated with lilacs of the valley and pale yellow rose buds. Tall tapers, entwined with yellow rose buds,

low candles representing roses of the same shade in full bloom and appointments of crystal and silver completed the table arrangement.

French was served by Mrs. Joseph Matthews and Mrs. Leonard DeWit poured the coffee. The new Mrs. DeWit is a registered nurse and Mr. DeWit is an accountant. Both are employed in Orlando where they will make their home after returning from a wedding trip to the East Coast.

MR. AND MRS. HERYER DeWIT

Presbyterian Women Hold Monthly Meeting

An inspirational meeting of the Women of the First Presbyterian Church was held recently in Fellowship Hall. President Mrs. Wilson Newman presided over the "business" portion of the meeting.

A World Mission Workshop will be conducted at the Park Lake Presbyterian Church of Orlando, Nov. 7. Many outstanding speakers will be heard including the missionary sponsored by the Sanford Presbyterian Church, Dr. James R. Boyce of Mexico.

The Christian Education Workshop will be held at the Presbyterian Church in Cocoa Nov. 8 at 10:30 a.m. Members and interested persons are urged to attend as many of these meetings as possible.

At the conclusion of the business meeting a clever skit, stressing stewardship, written by Mrs. J. B. Baker, general program chairman, was presented by members of Mrs. J. A. Coleman's Circle. The skit was entitled, "God and Our Pay Check." Those taking part were: Mrs. John Erickson, Mrs. Jean Grubb, Mrs. Leroy Nopper and Mrs. Baker. Scripture passages were read by Mrs. J. O. Coleman. Mrs. Newman read a poem and Mrs. J. N. Gilkin closed the meeting with prayer.

Mrs. Barber Honored At Farewell Coffee

A farewell coffee honoring Mrs. Wesley Barber was held recently at the home of Mrs. Richard Moses with Mrs. B. G. Caruthers and Mrs. Brad Foley as co-hostesses.

Mrs. Barber was a charter member of the DOES and was very active in the organization. One of her main interests has been the cancer bandage project as carried on by the DOES. She has had charge of the cutting, preparation and instruction of other members in the completion of these very important bandages. Mr. and Mrs. Barber will be moving to Miami in the very near future.

The hostesses presented the honoree with a tinied carnation corsage and a sweater as farewell gifts from the DOES. Members present to enjoy the tasty refreshments were Mrs. James Smith, Mrs. H. C. Diebrow, Mrs. Elsie Menendez, Mrs. Stephen Andrews, Mrs. Lynn Lyon, Mrs. J. R. Hoolahan, Mrs. Peter J. Baker, Mrs. Merrill Foster, Miss Nancy Foster and Mrs. E. S. Billheimer.

Mrs. Osteen Returns From Northern Visit

Mrs. Harry Osteen has returned home after a two and one half month visit in New York state and Vermont. She first visited in Brooklyna with Mr. and Mrs. Peter Peterson who have visited here many times.

She then went to Vermont to visit a friend, Mrs. Ben Townsend, and back to New York to visit Mr. and Mrs. Jerry Hoff in Plattsburg. Other relatives visited were Mr. and Mrs. Weyler Perry in Newberg, Mr. and Mrs. Lloyd Reese in Marlborough, Mr. and Mrs. Charles Davison of Monroe, Mr. and Mrs. George Davis of Poughkeepsie, and a sister and brother-in-law, Mr. and Mrs. Frank Dora of Watervliet, N. Y.

Model Meeting Held By Sorority

FIVE RUSHEES attend model meeting of the Gamma Lambda Chapter of Beta Sigma Phi to learn the aims, scope and purpose of the sorority. Mrs. Joe Corley, sponsor, left seated, serves coffee to the guests of honor, Mrs. Jack Bell and standing, Mrs. James Jones, Mrs. Billy Wynn, Mrs. Banks Golden and Mrs. Kenneth Echols. (Herald Photo)

Members of the Gamma Lambda Chapter of Beta Sigma Phi, sorority, held their model meeting at the home of Mrs. Joe Dennison, 1307 Wynnwood Drive.

Mrs. Dennison, president, Mrs. Robert Brown, vice president and rush chairman, and Mrs. Joe Corley, sponsor, greeted each person as they arrived and pinned name tags in the shape of small gavels on them. Phillip Boyd, of the Lellani House of Beauty, was guest speaker of the evening and presented a program entitled "Her Crowning Glory." He demonstrated hair care and management as well as the latest styles and coloring trends. Mrs. Marty Bailly and Mrs. Dennison served as models.

Mrs. Brown gave the aims, scope and purpose of Beta Sigma Phi and Mrs. Don Hamner gave the history of the chapter, their outstanding achievements and projects for the benefit of the rushees.

Refreshments of coffee and tiny cakes, topped with yellow roses, (the sorority flower) were served during the social hour.

Rushees are Mrs. James Jones, Mrs. Billy Wynn, Mrs. Banks Golden, Mrs. Jack Bell and Mrs. Kenneth Echols.

Mrs. Burkhardt Honored With Stork Shower

Mrs. Alton Kling of Altamonte Springs was hostess for a recent baby shower honoring Mrs. Robert Burkhardt.

The party room was adorned with appropriate decorations and gay little favors in the form of miniature diapers filled with after dinner mints were given to each guest. Gifts ranged from an ample supply of necessities to lots and lots of pretty extras.

Refreshments included an attractive cake sprinkled with pink and blue booties. Among the guests were Mrs. H. C. Lofton, the honoree's mother who had just arrived from Knoxville, Tenn., Mrs. Peter Clark, Mrs. Clarence Smith, Mrs. Thomas Householder, Mrs. Robert Tope, Mrs. Jay Neff, Mrs. J. Simunek and several other friends from the area.

China's three great religions are Taoism, Confucianism and Buddhism, while others include Christianity, Judaism and Islam.

Enterprise Personals
By Helen Seodgrass
Mr. and Mrs. Andre Ayiles of Jacksonville were weekend guests at the home of her parents, Mr. and Mrs. C. A. Henderson.
Brent David of Sanford visited relatives here during the weekend.
Mrs. Jack Hyatt returned Friday from a visit with her daughter and family, Mr. and Mrs. Purvis Peterson, in Bradenton. They accompanied her home and remained for the weekend.
Mr. and Mrs. D. J. Parker celebrated their 25th wedding anniversary with a dinner at the Capri in Sanford.
Mr. and Mrs. Lee Funderburk of Cassia and Mr. and Mrs. Nick Owens of DeLand were recent guests of Mr. and Mrs. Ernest Hamilton.
Mr. and Mrs. Ray Latham and family, daughter of Mr. and Mrs. Ernest Hamilton have moved to their new home in Oden, Fla.
Friends will regret to learn that Charles Everett of DeBarry is confined to the Florida Sanatorium in Orlando for treatment. He is in room N. 330 and would appreciate a card or note from his many friends in this section.
M. H. Ryan, Miss Helen Seodgrass and Mrs. C. Vaughn spent the day at the Moss Bluff Lodge on Tuesday.

Mrs. Barber Honored At Farewell Coffee

A farewell coffee honoring Mrs. Wesley Barber was held recently at the home of Mrs. Richard Moses with Mrs. B. G. Caruthers and Mrs. Brad Foley as co-hostesses.

Mrs. Barber was a charter member of the DOES and was very active in the organization. One of her main interests has been the cancer bandage project as carried on by the DOES. She has had charge of the cutting, preparation and instruction of other members in the completion of these very important bandages. Mr. and Mrs. Barber will be moving to Miami in the very near future.

Mrs. Osteen Returns From Northern Visit

Mrs. Harry Osteen has returned home after a two and one half month visit in New York state and Vermont. She first visited in Brooklyna with Mr. and Mrs. Peter Peterson who have visited here many times.

She then went to Vermont to visit a friend, Mrs. Ben Townsend, and back to New York to visit Mr. and Mrs. Jerry Hoff in Plattsburg. Other relatives visited were Mr. and Mrs. Weyler Perry in Newberg, Mr. and Mrs. Lloyd Reese in Marlborough, Mr. and Mrs. Charles Davison of Monroe, Mr. and Mrs. George Davis of Poughkeepsie, and a sister and brother-in-law, Mr. and Mrs. Frank Dora of Watervliet, N. Y.

Dear Abby: By Abigail Van Buren

DEAR ABBY: As a teacher of physical education, I feel I must ask you not to bring up the "problem" of gang showers again. There is nothing wrong with girls showering together, and for you to side with one girl who felt "embarrassed" to shower with other girls has created a problem in our school. We cannot provide private showers, and only 20 out of my 400 girls object to gang showers. Showering after gym is vital for cleanliness and in order to be sure all girls shower I must give them a lower grade if they refuse.
PHYS ED TEACHER

pound baby boy. The doctor said it was a "delayed birth" and that 10-month babies were common those days. The neighbors say they never heard of such a thing. Will you please put this in the paper so the neighbors will shut up?
FROUD GRANDMOTHER

DEAR FROUD: Yes. Ten-month babies are now almost as common as seven-month babies.

DEAR ABBY: Here is the situation: A middle-aged man started to drop his young unmarried secretary off at her apartment on his way home from work. After a couple of months she started inviting him in for a drink. He accepted and spends about an hour there before going home. He has liquor at home, plus an affectionate wife, and dinner on the table. Would you care to hazard any predictions as to the outcome?

DEAR INVOLVED: I predict that the dinner will get colder and colder and so will the wife. Unless somebody wises her up.

CONFIDENTIAL TO LOVER-BOY IN HIGHLAND: If you continue to go around with a married woman, better be prepared to go two rounds with her husband.

DEAR TEACHER: I agree that showering after gym IS necessary, but the issue was: Should girls be forced to strip and shower together—and if they refused for reasons of personal modesty or home training, should they be given a lower grade? I say there should be private showers for those girls who object to disrobing before other girls. If the school cannot provide facilities, no girl should be penalized for insisting on her right to personal privacy.

DEAR ABBY: My son-in-law has been in Germany with the Armed Forces for the past ten months. Last week my daughter had a lovely 8-

Jacoby On Bridge By Oswald Jacoby

An overtrick is worth little in rubber bridge, but in team competition it nets one International Match Point and is well worth trying for.

Arthur Robinson of Philadelphia, 26, will be the youngest player in the Phoenix trials, but there is no one going to play the dummies better. Bobby Jordan, his partner, almost 10 years older, has played with Arthur for several years, and the team is tough when the chips are down. Bobby's three diamonds was not a cue bid. It asked Arthur to bid a four card major if he could. Arthur could and did. He won the diamond opening, led the suit back and

East played the ace, led another club and Arthur won with the queen. He ruffed a diamond high in dummy and East discarded a spade. It would have made things harder if East had undertruffed, but Arthur still would have been able to make the overtrick.

Arthur played three rounds of trumps, discarding a club from dummy, led a spade to the king, ruffed a spade and announced, "Dummy is good."

We The Women: By Ruth Millett

One reason why men don't understand women is that women are forever changing. That's what a woman psychologist told a group of men attending a national convention. By way of explaining what she meant she added: "A woman may be dull and uninspired one day... but she'll come up with something the next."

In other words, men, just give her time and wait and see what she comes up with. This is especially important for husbands to remember. A woman may be down in the dumps at breakfast—but happy as a lark by dinner time. What she came up with in the meantime may have been a new hat, a new hairdo, a closet-cleaning session or lunch with a friend. What does it matter, so long as she managed to pull herself out of the doldrums? A woman may fret for days because she has cabin fever. But the disease won't last indefinitely. She'll cure herself by planning a party, cooking up a weekend out of town, or just announcing that she has hired a baby sitter for the evening and wants to be taken out to dinner.

'Nothing Offensive'

Navy Lets Red Tanker Through

WASHINGTON (UPI) — The Navy task force blockading Cuba encountered a Soviet tanker today but allowed it to pass through the U. S. quarantine ring because it carried no offensive materials.

The Defense Department in announcing this also said "at least a dozen Soviet vessels" had turned back from the course which was taking them toward Cuba and the blockade fleet.

The tensely-awaited first meeting between the Navy and a Soviet ship occurred shortly after 7 a. m. It apparently passed off without incident.

A report circulating in congressional circles here said the task force had made a visual check of the ship. Rep. James Van Zandt, (R-Pa.), said in New York he had been advised the Soviet captain told the Navy he was carrying the petroleum cargo.

Petroleum has not been considered among materials which would be subject to the blockade.

The Defense Department said the dozen or so Russian ships which turned back did so "presumably because, according to the best of our information, they might have been carrying offensive materials."

The Pentagon statement added: "However, the first Russian ship that proceeded through the area patrolled by our forces was a Soviet tanker."

"It was ascertained by the U. S. naval vessel which intercepted her that the tanker had only petroleum aboard. Since petroleum is not presently included as prohibited material under President Kennedy's proclamation setting up the quarantine, the tanker was allowed to proceed."

"The Navy satisfied itself that no prohibited material was aboard this particular ship."

By LARRY VERHEL
A FEW RANDOM THOUGHTS

Speaky sight seeing those Navy jets dispersed all over the beach yesterday... Appeared back to normal today.

Carol Burke will be the next president of the Seminole Bar Assn.

The state has approved preliminary plans for the new elementary school by English Estates. Project is expected to be completed by next September... That and six other projects including new cafeteria for Sanford Junior High.

WAKE UP DEPARTMENT: Sanford has a chance to lose that direct dialing to Mackle Bros. development area in Volusia. Up to Southern Bell now. Two-thirds of area on Sanford lines... write, write, WRITE telephone company and tell 'em.

There was supposed to have been a meeting of "Boosters" next Thursday to discuss a new stadium for football games... That apparently has faded out now that the city fathers killed the lease agreement for Municipal Stadium.

County Attorney Harold Johnson still holding on to that franchise directive.

GOOF DEPT.: We erred in yesterday's article on the commission bids. The winning bidder on the road grader was Richardson Tractor Co., Tampa, and not Rotzer of Orlando. The price was right, though. Sixteen thousand nine hundred and ninety-five dollars and no cents. Believe it or not that is only about 78 cents a pound, less than your car costs, or a good steak.

Got a phone call from Congressman Herlong's Leesburg diggings yesterday. Syd has cancelled everything after last night to attend briefing for Congressmen on the Cuban situation in Atlanta today. Will go from there directly to Washington, as per a "you will" request.

Fern Park builder, Al Stolle, Inc., got the nod for renovating and enlarging the Tax Assessor's office. Cost of the job \$2,145.

Surely in these crucial times more people will turn out for Lake Mary's radiological monitoring classes than showed interest last week in planning the course. At present there are only four men trained to use such instruments in the whole area covered by the Volunteer Fire Dept.

Speaking of Civil Defense, North Orlando got right on the ball with their plans after the president's speech Monday night... in fact, reports are that Kennedy wasn't off the air five minutes before the phones began ringing to call a general meeting for the next night to make CD plans.

The only four-way stop in the County will soon be a thing of the past. The County Commission decreed Tuesday afternoon that from now on South Street, Fern Park, will be a through street and traffic on Prairie Lake Drive will have to make the stop. Also that speed limit signs will be posted declaring the area a 15 mph zone.

news... BRIEFS

Leaving Outpost

KEY WEST (UPI) — Some Navy wives and their children are leaving this tense U. S. outpost only 90 miles from Cuba at the request of husbands.

Navy Braced

NORFOLK, Va. (UPI) — Naval headquarters braced today for arrival of 1,032 women and children, the last to be removed from the Guantanamo Bay naval base in Cuba.

Tighten Controls

HAVANA (UPI) — Premier Fidel Castro's revolutionary regime tightened controls on consumer goods today to halt a wave of panic buying apparently inspired by the U. S. arms blockade.

Admits

TUSCALOOSA, Ala. (UPI) — The University of Alabama acknowledged receipt Wednesday of an application by a Negro who seeks to become the school's second Negro student in history.

Censorship?

WASHINGTON (UPI) — A special Senate committee said today that nothing in the censorship of military speeches reflected a no-fight no-win policy by the government.

Reactor Dedicated

PARR, S. C. (UPI) — Dixie's first privately owned nuclear reactor was dedicated Wednesday by the governors of three states and hailed it as a symbol of the industrial South.

Beat Up Principal

CLEVELAND, Tenn. (UPI) — Robert Thompson, a busy, 190-pound man, was charged Wednesday with beating up a slightly built school principal in an argument over a report card.

Stages Sit-In

NEW YORK (UPI) — Zionist youths, protesting reputed German aid to missile development in Egypt, staged a "sit-in" demonstration Wednesday at the office of West Germany's observer to the United Nations.

Denies Request

WASHINGTON (UPI) — A federal district court Wednesday denied a request of Dr. Linus Pauling and a group of 254 persons from 27 countries for an injunction against President Kennedy to stop U. S. nuclear testing.

No Draft Call?

PLAINVIEW, Tex. (UPI) — Lt. Gen. Lewis B. Hershey, national director of Selective Service, said Wednesday night he was unable to say whether the Cuban crisis would require an increase in the draft.

Explorer Set

WASHINGTON (UPI) — The civilian space agency plans to launch an Explorer satellite from Cape Canaveral Friday to study the artificial radiation belt created by the July 9 high altitude H-bomb explosion in the Pacific.

Six Injured

ANOVER, Maine (UPI) — Six men were injured by a boiler explosion Wednesday in the \$15 million earth satellite communications center but officials said the performance of Telstar was not affected.

Seeks Action

WASHINGTON (UPI) — Rep. Chet Hofffield, (D-Calif.), chairman of the Joint committee on atomic energy, Wednesday asked President Kennedy to renew his efforts to get congressional action on a civil defense program.

Impassioned Plea

VATICAN CITY (UPI) — Pope John XXIII issued an impassioned plea today to world leaders to negotiate "at all levels and at all times" to spare the world the horrors of war that would have disastrous consequences such as nobody can foresee.

U. S. Firm On Blockade

UNITED NATIONS, N. Y. (UPI) — The United States stood firm today on its demand that the Soviet nuclear missile build-up in Cuba must be eliminated before it will end its blockade of Fidel Castro's island.

The U. S. position was reported to have been made clear to Acting Secretary General Thant before he sent identical messages Wednesday night to President Kennedy and Soviet Premier Nikita S. Khrushchev calling for a voluntary suspension of Russian arms shipments to Cuba and a voluntary suspension of the U. S. "quarantine."

Kennedy was understood to have quickly turned down Thant's appeal in its present form because it provided no guarantee against continuation of Cuba's military build-up.

U. S. Ambassador Adlai E. Stevenson was reported to have expressed the same view to Thant when he was

headed the appeal to relay to Kennedy about 6 o'clock Wednesday night. Thant followed the same procedure with the Russians.

With Soviet vessels steaming toward U. S. naval ships on the blockade line, Soviet Deputy Foreign Minister Valerian A. Zorin, as this month's president, agreed late Wednesday night to an adjournment until 4 p. m. unless "circumstances require and events develop to compel the council to take urgent steps" before then.

Thant read to the council his appeal to Kennedy and Khrushchev, in characteristic form, he introduced it in a manner not calculated to carry favor either in Moscow or Washington.

"I cannot help expressing the view that some of the measures proposed or taken, which the council is called upon to approve, are very unusual, and I might say even extraordinary, except in wartime," he said.

The train, said to arrive in 24 hours, contained a string of Pullman cars loaded with soldiers who looked to several observers like infantrymen. The train was pulled onto a siding near the Homestead Air Force Base where other troops and material were unloaded onto trucks for convey to Key West.

Three such convoys arrived here Wednesday and were on route today.

The second long troop train, composed of Pullman and flatcars, pulled into the siding just north of Homestead before dawn.

The soldiers, soldiers and armor shifted to this base 90 miles north of the Cuban coast were kept at their tasks of strengthening U. S. defenses. There was no "flea-in" atmosphere that is common in this Navy town.

Most personnel were confined to their bases and the bars, restaurants and movie houses were mostly empty of uniforms at night. Large numbers of officers, mostly Army and Air Force, however, could be seen going to and from their billets in hotels and motels dotting the city.

The other five were William Faulkner, Ernest Hemingway, Sinclair Lewis, Pearl Buck, and playwright Eugene O'Neill.

Steenbeck, who achieved fame in the 1930s with novels and short stories that reflected the "common people" and the depressed economic conditions of the age, thus became the sixth American to receive the Nobel award.

Stocks Show 'Recovery'

NEW YORK (UPI) — Prices nosedived and then recovered partially in a careening, fluid early stock market today.

At the outset, many openings were delayed by the heavy profit-taking of traders cashing in on Wednesday's abrupt and spectacular closing rally.

This sharp initial downturn in prices apparently attracted bargain hunters, brokers said, and soon high speed tickers got behind the trading floor in recording a new round of heavy purchases.

The buying flurry was soon over, and the market began to settle with prices irregularly lower on the day but well above their worst levels in most cases.

Leading steels were down only fractions but among the secondaries, Lubenz was off 1 1/4 and Harco 2 1/4. Losses in the auto sector from a point in General Motors at around 2 1/4 in Chrysler.

Oil also remained in the minus column with Jersey Standard off one and Universal off 3/4. Chemicals recovered from their lows to show only fractional losses.

Electronics were a wide jumble of ups and downs. Within this volatile section Burroughs, Honeywell, IBM, RCA, Avnet and National Cash remained at least two points lower.

Among the glamor specialties Polaroid was down around 3, Xerox 4 1/4, Crown Cork 3 1/2.

Tobacco showed American down a point but Liggett & Myers up 1 1/4. Aircraft shares were all fractionally scrambled.

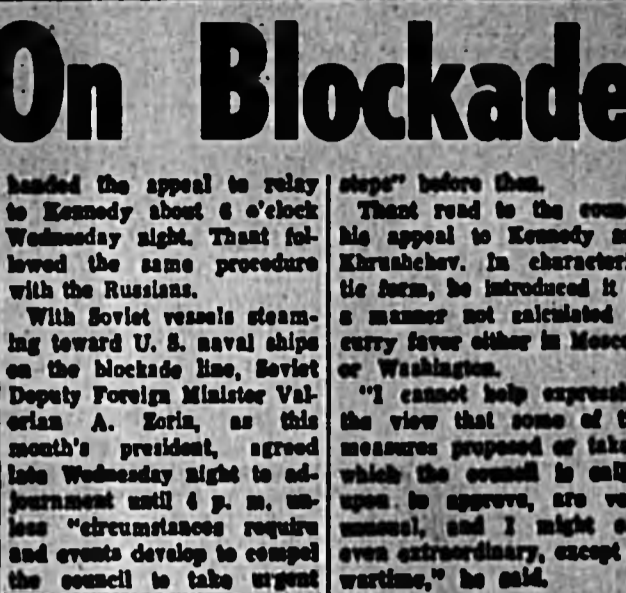

Macmillan met Wednesday with U. S. Ambassador David Bruce. Informed sources later denied reports the prime minister would fly to Washington for a meeting with President Kennedy or would try to mediate the Soviet-American crisis.

Large Troop Train Moves In At Keys

KEY WEST, Fla. (UPI) — A large troop train carrying 300 soldiers unloaded at the northern end of the Florida Keys today to continue the building of troops and heavy equipment at this island base headquarters for the Cuban crisis.

The train, said to arrive in 24 hours, contained a string of Pullman cars loaded with soldiers who looked to several observers like infantrymen. The train was pulled onto a siding near the Homestead Air Force Base where other troops and material were unloaded onto trucks for convey to Key West.

Three such convoys arrived here Wednesday and were on route today.

The second long troop train, composed of Pullman and flatcars, pulled into the siding just north of Homestead before dawn.

Civil Defense Preparations Here Moving Well-Peterson

Civil Defense Director A.B. Peterson Sr., today said preparations are moving smoothly throughout the county and there is no indication of panic anywhere.

The whole county organization has been alerted since Monday night and all auxiliary equipment is being checked out and the 14 radiological teams are getting their equipment in shape for instant use.

Peterson said he was having conferences "every hour" on the situation and all segments of the county set-up are functioning in accordance with instructions issued in 1959.

He also said Seminole County was the only county in the state with printed instructions for residents on survival that have been distributed to every home in the county.

The response of the people in the survival program and the residents has been all that could be expected, said the director, and he urged all

residents of the county to have food and water on hand in the event of a local disaster. "This is most important," said Peterson.

"We can't think in terms of World War II procedures," declared the director, "but must think in terms of a nuclear war. We have gone as far as we can go in preparations for survival, now."

Congressmen Get Crisis Briefing

ATLANTA (UPI) — Congressmen and senators from the Southeast, gravely serious over the Cuban crisis, received a confidential briefing on the situation today from officials of the State and Defense departments.

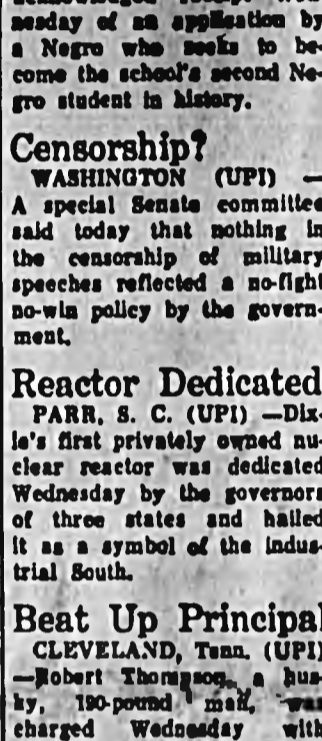

The meeting was closed to all except the Congress members but before it began spokesmen voiced their great concern over the Cuban situation and at the same time 100 per cent backing of President Kennedy.

Sen. Olin Johnson of South Carolina and Rep. Crawford Picher of Georgia said they believed Russia is using the Cuban situation as a bargaining point for victory over the Berlin issue.

Johnson, who advocated more than a year ago a blockade of Cuba, said he was "100 per cent behind the President and many members of Congress are beginning to favor all-out invasion of Cuba if that becomes necessary to bring about dismantling of offensive missiles on the island."

Red Buildup 'An Adventure,' Macmillan Says

LONDON (UPI) — Prime Minister Harold Macmillan told the House of Commons today the Russian missile build-up in Cuba was "a deliberate adventure designed to test the ability and determination of the United States."

To cheers of "hear, hear" from Conservative and Labor benches alike, the prime minister declared: "There must be no break or wavering amongst the Allies. That, perhaps, is the main purpose of the Russian initiative."

A review of the Cuban crisis was the first order of business when Parliament met to close out the session after a summer recess. The new session will convene next Tuesday.

Macmillan reviewed the facts of the U. S. arms blockade and told of the events leading up to it.

Macmillan met Wednesday with U. S. Ambassador David Bruce. Informed sources later denied reports the prime minister would fly to Washington for a meeting with President Kennedy or would try to mediate the Soviet-American crisis.

Nobel Award To Steinbeck

STOCKHOLM (UPI) — John Steinbeck, whose novel "The Grapes of Wrath" ranks as one of the classics of 20th century American letters, today was awarded the 1962 Nobel Prize for literature.

Steinbeck, who achieved fame in the 1930s with novels and short stories that reflected the "common people" and the depressed economic conditions of the age, thus became the sixth American to receive the Nobel award.

Stores Hit By Buying Spree

A quick survey of local stores today revealed there is a run on canned goods and non-perishables.

One store owner declared it was necessary for him to place an order with an Ocala wholesaler Wednesday night so he would have enough canned meats on his shelves for today's business.

It was reported by another that the perishable items on the shelves are going begging for buyers in this period of tension and uncertainty.

"It seems the people are really getting set for a siege. We had one lady come in and purchase \$125 worth of nothing but canned meats and vegetables, and a number of people have bought canned goods to store in the trunks of their cars."

One of the fastest moving items in years at a local super-mart has been canned pork and beans. The operator also reported an amazing run on canned soft drinks and fruit juices.

The owner of a local chain of grocery stores came up with the information that even fresh meats are being ignored by his customers.

"The rush is all to canned meats and we are doing a heavy business in canned one-dish meals such as spaghetti, macaroni and cheese and such stuff as that."

An out of town grocer when queried said his business in canned goods was "phenomenal" but he was startled at the increase in charcoal, candles, flashlight batteries, outdoor grills and bottled water. He declared he had never seen people buy sugar like they are in his store.

"They are buying it like it was going out of style," he declared. And another merchant reported customers buying sugar "by the bale."
