

### Two Teams Take Major Honors In Bowling League

The Caraway Agency bowling five and the Hofmann Electric team "went to town" in bowling results last week in the Commercial League. Caraway set up a new high single game record of 859 and a three game high of 2,399 in defeating the strong Celery City outfit in two of three games. Hofmann Electric copped two out of three contests from the league leading Tavern team.

The Tavern rates one game ahead of Caraway, which, in turn, is one game ahead of Emrick Hardware, who copped a majority of the three matches with St. Johns.

Ed Randall was high for the week with 604, while the individual leaders are R. Scudder with 159, E. Bartling with 156,

### Hogan, Thompson Tie For \$10,000 Open Golf Meet

LOS ANGELES, Jan. 13.—(AP)—Drama and heartbreakers were written into the finish of the seventeenth annual \$10,000 Los Angeles Open Golf Tournament yesterday as wee Benny Hogan and husky Jimmy Thompson wound up in a deadlock for the rich prize, and history repeated itself with a snap in the face for hard luck Sam Snead.

Hogan and Thompson, golf's mightiest men yesterday, finished the four-day 72-hole battle over the green acres of Hillcrest Country Club tied at 282 blows apiece. Thompson shot the finish round over the par 36-36-72 course in uneventful, consistent fashion, leaving Hogan to supply the gallery thrill, and Snead and pace setter Harry Cooper to furnish the disappointment.

Slamming Sam from Hot Springs, Va., blew himself out of the tournament on the eighteenth. Thompson shot eight blows to conquer the steep elevated par five hole, and ended with 285.

### Smith Declares Seminole County Needs Iron Lung

"One of Seminole County's greatest needs today is an iron lung", Ned Smith, chairman of Seminole County Committee for the Celebration of the President's Birthday, declared today, in discussing plans for raising funds to combat the infantile paralysis disease.

"The iron lung is essential in the treatment of certain types of infantile paralysis but not essential in all types of the disease", said Mr. Smith, "however, it is a very valuable ally in the treatment of many patients suffering from respiratory distress caused by other diseases or accident."

"Only the other day one of Sanford's prominent business men told me that the life of his brother might have been saved had there been an iron lung in Sanford at the time he suffered a crushed chest. That is only one of the many instances where the use of a respirator, or iron lung was necessary here."

"Last summer many Seminole County mothers were terror-stricken by the announcement on Aug. 12, that there was a genuine case of poliomyelitis (infantile paralysis) in the Goldsboro settlement in the western section of Sanford. Quarantines were immediately established and everything possible was done to allay the fears of the citizens that the disease might spread."

### 21 Cases Tried By Judge Miller At City Court

Five white cases and 16 colored were on the docket for trial by Judge Frank Miller of the Municipal Court Monday afternoon at 4:00 o'clock.

White cases, together with charges and sentences follow: Herl Henson, speeding, bond untreated; Zina T. Carville, drunkenness, bond untreated; Oscar Apatan, drunkenness, bond untreated; Paul Sold, lolsing, transferred to County; David Martin, reckless riding of a motorcycle, \$5 or 15 days.

Negroes who were brought before the judge for trial were: C. C. McCoy, speeding, bond untreated; Charlie Nichols, leaving the scene of an accident, \$10 or 30 days; Charlie Nichols, reckless driving, case dismissed; Mable Holloman, disorderly conduct, \$25 or 75 days; William Holloman, drunkenness, \$10 or 30 days; Clarence James, driving while drunk, \$20 or 60 days; Willie Merthle, assault, case dismissed; J. W. Coleman, reckless driving, case dismissed; Also Mary White, disorderly conduct, \$10 or 30 days; Mary White, drunkenness \$5 or 15 days; Mary Roberts, disorderly conduct, \$25 or 75 days; William Savage, disorderly conduct, \$10 or 30 days; Richard Mathis, selling liquor, \$75 or 90 days; Lily Mae Thomas, drunkenness, \$5 or 15 days; Lily Mae Thomas, disorderly conduct, \$10 or 30 days; Will Jackson, driving while drunk, \$200 or 60 days.

The population of Kwangsi province, China, has reached 200,000.

### Rollins Gridders Start Winter Work

WINTER PARK, Rollins College gridders, yesterday started a modified winter training program under the tutelage of Jack McDowell, dean of the State's football coaches, and Alex Walte, line coach.

Practice this year will be limited to three days a week, Mondays, Thursdays and Saturdays, for an eight-week period, McDowell announced. Last year the squad practiced six days a week.

### LOUIS IN ARMY

NEW YORK, Jan. 13.—(AP)—Uncle Sam's Army told Joe Louis Monday that he doesn't have flat feet and that he's husky enough to put on a soldier suit Wednesday.

The heavyweight champion of the world today is a five-minute ferry ride across New York Harbor, became Draft Registrant No. 374 at the First Army Headquarters at Fort Jay on Governor's Island, and after an hour and half session with a set of doctors, was given his final physical "okay" for the Army.

### WEATHER RESPONSIBLE

LAKELAND, Jan. 13.—(AP)—Cold weather in the north was held partly responsible for a post holiday decline in citrus prices in the week-end bulletin of the Federal-State Market News Service issued here.

### Fed Basketball Team Will Meet DeLand Tonight

Celery Fed cagers of Seminole High School will make their third start of the season here tonight against DeLand in what promises to be a hotly contested engagement. The game will start at 8:00 o'clock at the high school, and a B squad tilt will be staged between the two schools at 7:00 o'clock.

Declaring that the Feds are ready to go, H.E. Morris predicted the local team would play its best game. Mr. Morris is directing the team in the absence of Coach L.L. Melucas, who is ill. The Feds have dumped Tavern, 16 to 12, and lost a heart-breaker to Eustia, 22 to 20.

Over 20 boys are on the Fed roster, and many of them will see action tonight. The probable starting line up will be Jack Herring and Warren Daniels at forward, Billy Fleming, center, and Branan and Lee, guards. To date, Fleming is the team's high scorer, backed by Daniels.

The local five will travel to Ocala Thursday for an A and B squad tilt with the Wildcats of that city at 2:30 P. M. Mr. Morris announced, Coach Melucas is expected to return to his duties next week.

Owls are not blind in the daytime, and a few of them prefer day to night work.

### LEGAL NOTICES

## Britishers Are Only Ninety Miles Above Singapore

### Menacing Japs Continue To Advance As English Troops Again Fall Back

### China Press Is Not Optimistic

### States That No Sign Of Reinforcements For Far East Seen

RANGOON, Burma, Jan. 14.—(AP)—An official announcement today that further anti-aircraft reinforcements have arrived in Burma and more are on the way, and that ground personnel for the aircraft also have arrived.

In Malaya, the British withdrew again in an apparent maneuver today to defend an 80-mile wide front only 90 miles north of Singapore as demolition squads spread a wake of destruction in the path of the advancing Japanese, front-line dispatches said.

The British are retreating toward the neck of the Malay peninsula, 60 miles south of Singapore, it was reported.

The Chinese press declared today that signs of British and American reinforcements in the Far East were lacking and that the situation allowed for no possibility of a reversal of the conduct of the war in the Pacific.

If Japan is allowed to take Singapore and the Netherlands East Indies, the Chinese press organ said today, "it means the end of the Chinese-American and British front lines, their counter-offensive."

Further anti-aircraft reinforcements have arrived in Burma and more are on the way, and that ground personnel for the aircraft also have arrived.

The British had given up Port Swettenham, 40 miles southwest of Malacca, and were edging back into Negri Sembilan province under mounting Japanese pressure by land and air.

Mysterious reports of an imminent big-scale action by the Australian Imperial forces circulate here, but their import was lost in the rigid military secrecy.

The feeling was growing rapidly that the fate of Singapore well might hang on the outcome of the struggle for air supremacy in the Malay area. Both the British and Japanese were making giant strides in stepping up their air might and effectiveness.

Meanwhile, Chinese troops have ambushed and annihilated some 7000 Japanese reinforcements, which were being rushed to aid hard-pressed survivors of the battle of Changsha, it was reported today.

Describing Chinese successes on five fronts—central and western Hupeh, north Hunan, east Hunan and northern Anhwei—the communists said Chinese troops also had laid siege to Japanese forces in the walled city of Hwaiyang, Honan province.

### Henderson Discloses Car Rationing Plans

WASHINGTON, Jan. 14.—(AP)—Peeps Administrator Leon Henderson told the House of Representatives Small Business Committee today that he has been made ready for a rationing of between 500,000-700,000 cars in the country, and that the new cars produced during the balance of this month would be held at least one year to meet future need.

The new car production in 1941 is expected to be 1,000,000 units.

### Mayor Hill Asks For Co-operation

Mayor William C. Hill today issued a solemn warning to all residents to co-operate in the fight against the black-out. He said that the black-out is a matter of life and death, and that the only way to win is by the united action of all citizens.

### Florida Citrus Men Will Meet Jan. 15

LAKELAND, Jan. 14.—(Special)—Sales managers and merchandisers representing the majority of Florida's fresh fruit growers and shippers will meet here at 8:30 P. M. Thursday, Jan. 15, to discuss the advertising, sales promotion and merchandising plans of the Florida Citrus Growers Association.

This will be the first time in the history of the Florida citrus industry that all fresh fruit sales managers have been given an opportunity to discuss and coordinate their plans for the coming year.

## Final Preparations Made For Seminole County Blackout

Final preparations have been made by law enforcement agencies and Company C, Fourth Battalion, Defense Unit, to post men at every community, important cross-roads and all bridges, and at public and county buildings in Seminole County for the blackout of Central Florida from 9:00 o'clock to 9:30 o'clock Thursday night, officials announced today.

Capt. E. C. Harper, commanding officer of Company C, declared he expected to use every man in the company, while Sheriff C. M. Hand and Police Roy Williams announced that volunteer deputies will be stationed at posts deemed necessary to enforce the blackout. Fire Chief Mack Cleveland has a list of volunteer firemen that are subject to call.

According to blackout regulations, all automobile lights must be extinguished during the half-hour of darkness. All roads will be watched and this rule will be strictly enforced, it was stated. Traffic is supposed to cease except for emergency vehicles such as ambulances, buses, fire trucks, law enforcement cars and doctors' cars. Any motorist driving into the City with car lights on during the blackout period is subject to a fine, Chief Williams stated.

Lights may be left on in homes or buildings provided that no light can be seen from the outside. However, unless windows are absolutely covered so that no light will show outside, no light of any kind, whether flashlight, candles, oil lamps, or even burning cigarette stubs, should be used, it was stated.

Capt. Harper advised members of Company C to "bring transportation facilities if possible, and don't leave your watch home," and along with other defense officials, issued an appeal to the public to do all within its power to make this first attempt at blacking out a success. Army planes will fly over the darkened area and photos will be taken to check the blackout of Central Florida.

The whistle at the roundhouse will blow on a perpetuating scale at 9:00 P. M. Thursday, signaling that lights of all type must be turned off. The whistle will sound on an even scale at 9:30 P. M., when conditions will return to normal. A blast at 8:30 P. M. does not concern the public but is a warning to air raid wardens and other officials.

### 1941 Bank Loans Reported Largest In Its History

### Defense Bond Sales During Past Year Totaled \$113,750

Loans by the Sanford Atlantic National Bank in 1941 were reported as being the largest in the bank's history and the sales of defense bonds by the bank amounted to \$113,750.00, bank officials stated yesterday at the annual stockholders meeting at which S. D. Peterson, president, A. L. Bette, vice president, A. F. Collum, cashier, and J. L. Ingley, executive vice president, G. W. Frazer, vice president, J. L. Ingley, cashier, and J. L. Ingley, cashier, were announced today.

Directors elected were: George D. Bishop, president of the Crown Paper Company; J. C. Cameron, grower and rattlesnake; G. W. Frazer; L. L. Ingley, grower and shipper; J. L. Ingley; R. A. Newman, president of Hill Hardware Co. Inc.; and S. O. Shinholzer.

At the meeting, Mr. Ingley presented to the shareholders a detailed report of the activities of the bank during the year 1941.

President Shinholzer, in commenting upon Mr. Ingley's report, invited special attention to the fact that both loans and deposits continued to show an increase, the bank's loans at this time being the largest in the history of the institution.

This was brought about in part by the activities of the Personal Loan Department under the management of Mr. Collum. This department has been of material assistance to citizens of Seminole County in financing, at low cost, their installment buying as well as the payment of taxes or other secured bills when needed, Mr. Shinholzer stated.

Mr. Ingley's report also showed a substantial increase in the number of safe deposit boxes rented to customers.

The president expressed to the officers and employees of the bank his appreciation of their fine degree of loyalty to the institution and renewed his pledge to the public that the Sanford Atlantic National Bank will continue to serve them promptly and faithfully.

### Witness Describes Happenings In Honolulu During First Air Raids

"There were only six Jap planes flying over during the fourth raid of Dec. 7 at 9:00 P. M.," G. D. Dicksteer, resident of Hawaii during the attack, stated, adding that he like every one else, civilians and soldiers in Honolulu, was "completely surprised" on that Sunday morning.

The nearest a bomb came to me was when a particularly good marksman hit a school building, about one block away," he continued.

I lived in the Palama District (white man) among Portuguese, Japanese, Chinese, Filipino and various mixtures. That section is the meeting spot of Hawaii.

Three out of four of the persons living around me were Japanese and following the attack, one came toward me, held out a hand and remarked: "I know this will bring about a change in our relations and I am sorry for the conduct of my countrymen."

Mr. Dicksteer is a carpenter by trade and has lived among the original people a number of years. He lived in Honolulu in 1937 and following a short time spent in the United States, returned to Honolulu where he lived from 1939 until last Dec. 7, when he became a resident in return.

WASHINGTON, Jan. 14.—President Roosevelt today named Dr. Thomas Parran, surgeon general of the United States, as "minister of supply" in the vast war production program.

Nelson has control in the vast war production program, officials announced today.

The new OCD official, Dr. Parran, will have control over the production of all war materials, including food, clothing, and shelter.

Dr. Parran, who was named to the post by President Roosevelt, will have control over the production of all war materials, including food, clothing, and shelter.

WEDNESDAY, JAN. 14, 1942

BIBLE VERSE FOR TODAY

WHAT ARE THE REAL NEEDS OF LIFE, THE HIGH NEEDS AS WELL AS THE LOWER. LAY HOLD ON THE GREAT REALITIES AND DON'T GET EXCITED ABOUT THE TRIVIAL, THE NON-ESSENTIALS: Lay hold on the life which is life indeed.

PRIMERVE (From The Providence Journal) Like a jungle dense and green, Spreads the flesh on branching bone.

Dark with frondage that it calls Vines of veins and capillaries, Labyrinths with sunless turns, Tendril nerves and breathing ferns.

Turpid streams and quickened Springs, Sealed and winged and creeping things, Domed in humid air that no Wind can stir, though hard it blow.

Like a lion, like a rabbit, Runs the blood by chance or habit Through the black and scarlet wood, The pursuer, the nursed.

KEITH THOMAS.

The of Corregidor will be had enough, but the fall of Singapore may add three or four years to the length of the war.

It's funny how many people can't tell General MacArthur how to fight the battle of the Philippines who couldn't tell the difference between a French 75 and a bomb crater.

Went First Street look funny lined with horses and buggies from one end to the other. By the way, whatever became of that old horse trough that used to stand at First Street and Park Avenue?

We hope that Congressman who didn't want to "die for our boys" was also dumb enough to get caught without a good set of tires—Fort Myers News-Press—in other words, you hope he too got caught with his tires down.

As many Sanford people as possible who are interested in public health should make it a point to attend the state-wide health defense conference in Orlando on Friday and Saturday.

The Surgeon General of the United States will deliver an address there which will be of interest to everyone.

From a little friend of ours comes this bit of choice poetry which in these times seems particularly appropriate.

What a funny little bird the frog are! Him ain't got no tail almost hardly.

When him jumps, him hops, When him don't jump, him sets on that little tail, When him ain't got, almost hardly.

Who have no brick throwing should Thursday night if a bomb falls in turn out his hands during the blackout.

As we believe, is anxious operative but almost invariably the first test a light is occasionally left burning someone. This is no excuse for acts of sabotage or barbarism on the part of self-appointed officers of the blackout. The police should severely with such reckless.

The British and Americans during a tough time in the Philippines and Malaya, it may be that some tanks and planes were sent to the Chinese by means of the Chinese by means of being sent to the Philippines. We should not be misled by the lack of present news at war.

It is not at war when it is time to relieve other.

Attending a business meeting in Chicago, a man was asked what he was doing there.

He replied, "I'm here to see that the business of the country is not disrupted by the war."

He then asked the man what he was doing there.

He replied, "I'm here to see that the business of the country is not disrupted by the war."

He then asked the man what he was doing there.

He replied, "I'm here to see that the business of the country is not disrupted by the war."

He then asked the man what he was doing there.

He replied, "I'm here to see that the business of the country is not disrupted by the war."

He then asked the man what he was doing there.

He replied, "I'm here to see that the business of the country is not disrupted by the war."

He then asked the man what he was doing there.

He replied, "I'm here to see that the business of the country is not disrupted by the war."

He then asked the man what he was doing there.

He replied, "I'm here to see that the business of the country is not disrupted by the war."

He then asked the man what he was doing there.

He replied, "I'm here to see that the business of the country is not disrupted by the war."

Health And Exercise

We were sorry to see that the United States Golf Association has felt impelled to cancel all of its 1942 championship matches, including the open, the amateur and the women's title event, on account of the war.

Bobby Jones, who has offered his services to the Red Cross, a job he performed so well in the first World War that he raised \$150,000, uses common sense when he says, "While working under forced draft, we need some relaxation. If you work hard and play a little, it helps in your work."

Grantland Rice takes a similar view of it when he says, "There are millions upon millions, from 135,000,000 people, who are unfit for active war, and with their civilian duties must find better physical conditions — and a brief mental relief from brooding and worry. They can't play football or basketball or hockey; they can't run or jump on track and field—because they are handicapped in these games by the years they know."

Pointing out that it is on the golf courses that they can find "the needed relaxation that comes from a five mile hike and the mental exercise needed to help offset the grubbiness of the times," Mr. Rice recommends that even those who have never played golf before should now make it a point to take up the game. Those who are doing strenuous mental work cannot keep up the pace unless they get sufficient physical exercise.

What is said here with respect to golf is equally true of other forms of outdoor activities and recreation. The nation's maximum effort cannot be achieved simply by such long hours that the individual has no time or no inclination for healthful diversion when his work is over. The best results are obtained through an intelligent apportionment of work and play.

Persons who are confined largely to their desks and whose work is of a mental nature particularly require exercise after their work is over. The war should not be allowed to interfere with this. In fact organized efforts should be made on the part of the country's leaders to see to it that such workers get the exercise which they need.

In times like these the nation's health is of the utmost importance. And the health of white collar workers cannot be maintained on a diet of mental activity alone.

The Call Is For Books!

Books for soldiers and sailors—this is an appeal easy to answer, involving no money and very little labor, but offering deep satisfaction both to giver and to receiver. The collecting campaign, sponsored by the United Service Organizations, the Red Cross and the American Libraries Association, is made easy by the city's library staffs. All libraries, school and special libraries as well as all public library branches, will receive the books. Public library staffs will assemble, sort and pack them. Volunteers will even collect them from stores, theaters and schools if the donor cannot get them to a library. Two million books is New York's quota—one which should be over-subscribed in a few days.

The men want all kinds of books, but those most in demand are on current affairs; military histories, memoirs and technical studies; grammars and textbooks in English and foreign languages; mathematics from arithmetic through calculus; good scientific, engineering and other technical books; business and accountancy; photography; illustrated books, sports; travel; history and biography; and plenty of fiction, from mysteries to the classic. The real book lover, struck by the serious purpose indicated by these preferences of the men in the ranks, will give not just the books he does not want but books he, too, would want to read were he in camp. The campaign starts next Monday, and the sooner the books get to the libraries the sooner they will be on their way to camps and ships.—New York Herald Tribune.

More Newspaper Readers

The American public is reading more and more newspapers. More newspapers were sold in the United States in 1941 than in any other year in history. Editor and Publisher's reports show that daily newspaper circulation gained two percent (or about 822,632) over 1940's previous high of 41,131,611. The report shows also that morning papers gained 2.79 percent, Sunday papers 4.29 percent, afternoon papers 1.26 percent. That 42,000,000 out of a total population of 131,000,000 — or about one out of every three persons in the United States — are subscribers or buyers of daily newspapers, (and there are many more readers than buyers) is a striking testimony to the popularity and power of the daily press.—Tampa Tribune.

TOO LATE TO CLASSIFY

By RUSSELL KAY

Out of Chicago comes evidence of that indomitable American courage and spirit which has always typified our nation—"The Grin and Win Club." Its origin is credited to a live wire salesman and manufacturer's representative who, like thousands of other men in the country today, suddenly found himself out of luck and in a job when the products he had been selling so successfully were all taken for defense purposes.

Joseph A. Kaplan, representative of the B. F. Goodrich rubber company, didn't tell them but he did a flourishing business promoting a rubber coating material known by the trade name of "Koronal" which he sold in waterproof shoes, raincoats and for other household purposes.

Attending a business meeting in Chicago, a man was asked what he was doing there. He replied, "I'm here to see that the business of the country is not disrupted by the war."

He then asked the man what he was doing there. He replied, "I'm here to see that the business of the country is not disrupted by the war."

He then asked the man what he was doing there. He replied, "I'm here to see that the business of the country is not disrupted by the war."

ALSO GIVING HIM THE SHIVERS!

YOUR FEDERAL INCOME TAX

RETURN OF INCOME OF DECEASED

A return is required to be filed for a deceased individual if the gross income to the date of death is \$750 or over, and the individual was single, or married and not living with husband or wife for all or any part of the taxable year, or if the gross income to the date of death is equal to, or in excess of, the credit for personal exemption (not including credit or head of family or dependent), and the individual was married and living with husband or wife for all or any part of the taxable year.

The regulations grant an extension of time for filing income tax returns for the taxable year in the case of American citizens residing or traveling abroad, including persons in the military or naval service on duty outside the United States.

best proper postage and be addressed to the "Collector of Internal Revenue" at the correct address in the district where the taxpayer's legal residence or principal place of business is located. If he has neither, the return should be mailed to the Collector of Internal Revenue at Baltimore, Md.

NO. 11

Every American is called upon to make sacrifices, to give up comforts and conveniences, to work and fight harder. Making these adjustments is not easy, but CAN be done. By sticking together, pulling together and working together courageously, sympathetically and unselfishly, we'll come through to "win out stronger and better for the experience."

When you find yourself getting low in spirits, think of these courageous Marines at Wake Island who stood their ground under a hail of bombs and machine gun bullets and when asked if they needed anything called back "Sure, send us some more Japs."

You can't beat people like that and real Americans—soldiers, sailors, marines, business men, industrialists, workers, are all that kind of people. So don't "Howl and Scowl"—but "GRIN and WIN!"

ORLANDO, Jan. 14.—(Special) — While some businesses may be hard hit by the war, Walter L. Hays, president of the American Firm & Casualty Company of this city, reports a steadily mounting volume of business. In 49 days, agents sent in a total of \$128,119.97 in premiums. This is 43 percent better than for same period a year ago.

WHO WOULDN'T? SAN DIEGO, Calif., Jan. 14.—(Special) — The following appeared in the personal column of a newspaper Monday: "Justine would like to meet attractive young lady with four good legs."

Counter - Espionage U. S. Corps Revived

WASHINGTON, Jan. 14.—(AP) — The war has revived a corps of special Army counter-espionage agents, the War Department disclosed Monday, promising that "enemy agents and other subversive persons will meet with effective treatment wherever encountered."

A special trained group of officers and men, the Counter Intelligence Corps, was turned by the War Department the "G men" of the military forces.

Charged with the detection and investigation of espionage, sabotage, disloyalty and general subversive activity wherever found in the Army, the agency is the successor of the corps of intelligence police created in 1917.

In all such cases an affidavit is required to be attached to the return stating the cause of the delay in filing, and taxpayers who take advantage of this extension of time will be charged six percent interest at the rate of 6 percent per annum on the first installment of the tax from the original due date until paid.

Azalea Garden Club Circle Has Meeting

Mrs. C.B. Wisecup was guest of honor at the meeting of the Azalea Circle of the Sanford Garden Club yesterday morning at the home of Mrs. Henry Russell on Oak Avenue. Mrs. Wisecup, who plans to leave this week for Plant City to make her home, was presented with a corsage of sweet peas.

THURSDAY The business meeting was presided over by Mrs. O.P. Herndon, with the roll call being answered by naming a national or state park. An interesting article written by Mrs. Wisecup and a poem by Henry Abbey were read.

FRIDAY Mrs. Earl Dossey was appointed chairman of a committee to plant a keteuteria tree during the recess period at the West Side Primary School on Arbor Day, which is Jan. 16. Mrs. F.A. Urie was appointed to collect for luncheon tickets for the club luncheon on Feb. 13. Reservations may be made by telephoning her.

SATURDAY Mrs. J.W. Childre was elected to serve as chairman for the ensuing year; Mrs. P.P. Campbell, vice chairman; and Mrs. M. C. Hagan as secretary-treasurer. Delegates and alternates for the state convention were also chosen.

SUNDAY Those present were: Mrs. Wisecup, Mrs. W.M. Marshall, Mrs. Herndon, Mrs. Childre, Mrs. Dossey, Mrs. W.P. Fields, Mrs. J.M. Hayes, Mrs. Hagan, Mrs. Joe Jarrell, Mrs. H.W. Little, Mrs. George Shipp, Mrs. Richard Ten Eyck, Mrs. Urie, Mrs. Alan Moseley and Mrs. Russell.

MONDAY H.W. Roton Talks To Railway Brotherhood Highlight of the regular meeting of the Brotherhood of Railway Carmen which was held last week, was the installation of officers and an address by H. W. Roton of the Florida East Coast Railroad.

TUESDAY C. A. Dutton was welcomed into the Brotherhood as a transfer from the Southern Railroad in Asheville, N. C. Dutton is a retired railway carman and with his family expects to make his home in Sanford.

WEDNESDAY Following the business meeting refreshments were served to those present.

THURSDAY Bridge Club Meets With Mrs. Rutledge Mrs. W. H. Rutledge entertained members of her bridge club for their regular weekly meeting at her home on Elm Avenue on Monday afternoon.

FRIDAY After several progresses had been played, scores were added and Mrs. J. Ross Adams was found to be high, for which she received a prize. Second high prize was awarded to Mrs. J. E. Cordell and the seventh contest was won by Mrs. Mable Estridge.

SATURDAY The hostess served a salad course to the following: Mrs. Adams, Mrs. Correll, Mrs. Estridge, Mrs. O. G. Roller, Mrs. Otis Hawthorne of Richmond, Va., Mrs. S. C. Graham and Mrs. M. L. Tillis.

SUNDAY POSTPONEMENT The Philatelic Class of the Presbyterian Church which was scheduled to meet at the home of Mrs. Francis Moriwether on Friday evening has been postponed indefinitely.

Personals

Henry McLaughlin, 111, is ill at the home of his parents, Dr. and Mrs. Henry McLaughlin.

Mrs. O. G. Roller has as her guest her sister, Mrs. Otis Hawthorne, of Richmond, Va.

Mr. and Mrs. M. L. Raborn have as their guest, Mr. Raborn's sister, Mrs. Eva Raborn, of Greenwood, S. C.

Major L. G. Thomas of Washington D. C. is the guest of his brother-in-law and sister, Mr. and Mrs. J. A. Stange.

Miss Janlene Tallow has recently moved here from Orlando and is connected with the Strickland Motors, Inc. as cashier and assistant bookkeeper.

Friends of Mrs. N. J. Lorenzen will regret to learn of her illness at the home of her daughter, Mrs. E. Spencer, on West Seventeenth Street.

Friends of Mrs. Claude P. Herndon will be glad to learn that she is recuperating nicely in St. Francis Hospital in Miami Beach where she recently underwent an eye operation.

Word has been received of the marriage of Miss Joan Sharpe of Bessemer, Ohio, to Frank W. Warner, son of Mrs. and Mrs. W. W. Warner, of Sanford on July 28, at Youngs town, Ohio.

T. Bradford Byrd, president of the local Shrine Club, left this morning for Jacksonville where he will attend the annual business meeting of Morisco Temple. While there he will visit with his sister, Mrs. W. L. Maclean. He will also visit with his sisters in Tallahassee before returning home.

Mrs. Dickinson Is Hostess To Circle Mrs. S.C. Dickinson was hostess to members of the Fannie Taylor Circle of the W.M.U. of the First Baptist Church at her home on South Sanford Avenue on Monday afternoon with Mrs. H.A. Manning as co-hostess.

Mrs. M.E. Smith led a devotional and the mission study was taught by Mrs. Dickinson. A talk on "Creation" was given by Mrs. Fred Myers in connection with the study. The importance of literacy was stressed by Mrs. B.C. Moore, who talked on citizenship.

Miss Sara Frances Ginn was welcomed into the circle as a new member. A social hour followed after which the hostesses served refreshments to the following: Mrs. Smith, Mrs. Myers, Mrs. A.C. Benson, Mrs. B.C. Moore, Mrs. P.W. Moore, Mrs. J.A. Jones, Mrs. R.A. Howell, Mrs. Carl Moss, Mrs. L.W. Entaminger, Mrs. W.A. Cagle, Mrs. B.T. Hunt, Mrs. C.B. Ruder, Mrs. W.A. Hopkins, Mrs. S.A.H. Wilkinson, Mrs. R.L. Garrison, Mrs. L.H. Harvey and Miss Ginn.

"Bundles For Blue Jackets" Organize A group of mothers, who have sons in the United States Navy and the Marines, met at the home of Mrs. L. D. Martin on Friday afternoon to organize a "Bundles for Blue Jackets" Club.

The Bundles for Blue Jackets are separate organizations, but work co-operatively in knitting garments for those in the armed forces of the allied countries.

Several letters were read from Navy and Marine officials who pledged their full co-operation and hearty endorsement of the new organization.

Mrs. Martin, Seminole county chairman for the Bundles for Britain, substantially became the chairman for the Bundles for Blue Jackets, and other officers who were elected include: Mrs. L. E. Tew, co-chairman; Mrs. E. H. McIntyre, general secretary; Mrs. M. L. Wright, treasurer; Mrs. C. R. Kirtley, supply chairman; and Mrs. G. R. Dignate, business chairman.

At the conclusion of the meeting a social hour was enjoyed.

Minstrel Will Be Presented by Orlando Air Men

"The old fashioned Minstrel is returning. Yep, it's coming back from Europe. It is staged on Jan. 22, for the benefit of the fund being raised to fight infantile paralysis and purchase an iron lung for Seminole County," said Ned Smith, Seminole chairman of the committee for the celebration of the President's Birthday.

Orlando Air Base Minstrel Revue, recruited from all parts of the country with a cast including several former professional entertainers, will be presented in the Seminole High School at 8:15 o'clock on the night of Thursday, Jan. 22.

The show was presented in Orlando on Nov. 20, and in Kissimmee on Dec. 12. It is staged under the direction of Mrs. Housah Valley, featuring Master of Ceremonies Joe Pruscha with his "wise-cracking, laugh-provoking, cork-faced end men." Also a male quartette and large chorus under the direction of Edwin Keck, according to the program.

The entire production is under the supervision of Major Officer Lieutenant (Howdy) W. Lindsay, a graduate of Seminole High School, Earl Townsend, director of the minstrel's orchestra, formerly with the Isham Jones band before entering the service of Uncle Sam. Al Ordenker, stage manager, left Warner Brothers to join the Aviation Corps. Herb Griffin, clarinetman, will "dispell the most chronic case of grinch," Mr. Smith said.

Circle Meets At Mrs. Beck's Home The Margaret Jung Circle of the W. M. U. of the First Baptist Church met Monday afternoon at the home of Mrs. B. R. Beck on Laurel Avenue. Mrs. J. Peterson, president of the W. M. U. was present and conducted the devotional, using as her subject "Be Still and Know."

The business session was presided over by Mrs. J. M. Stinebaugh, chairman. An interesting mission quiz was given by Mrs. Beck. Every one present was urged to keep herself well informed by reading the magazines and periodicals published by the Baptist Association.

An article was given by Mrs. Stinebaugh, who pointed out how the United States could help care for the "unfortunate people in China" in their "constant migration brought on by the aggressors."

The meeting was closed with a prayer by Mrs. Jane Smith after which the hostess served refreshments.

Those present with Mrs. Beck were: Mrs. C. A. Anderson, Mrs. Lela Miller, Mrs. Alan Gutlander, Mrs. Roy Britt, Mrs. W. C. Wilson, Mrs. J. G. Sharon, Mrs. Carl Mary Hall, Mrs. Stinebaugh, Mrs. Smith, Mrs. M. Cunningham, Mrs. J. J. Bailey, Mrs. Carl Healy, Mrs. John Lee, Mrs. Peterson, Mrs. R. L. White and daughter, Martha Louise, and Mrs. E. B. Gant.

Home Hygiene Class Will Have Meeting Mrs. Fred H. Williams announced this morning that a brief meeting of the classes in home hygiene will be held in the Grammar School on Thursday evening beginning at 7:30 o'clock and lasting until 9:00 o'clock.

The classes which are being taught by Miss Edith Haslen, Seminole County Health Unit nurse, are scheduled to be held every Thursday night for two hours, but are being cut short this week on account of the test blackout which will take place tomorrow night.

NOTICE The Junior Woman's Club will meet at the club house tonight at 7:30 o'clock. All members are urged to attend.

When the Spaniards invaded South America, they found many varieties of potatoes under cultivation.

Junior and senior medical students are eligible for appointments as ensign in the Volunteer for diabetes susceptibility the Naval Reserve.

Azarian Class Has Regular Meeting

A total of 272 visits and contacts were reported as being made during the month of December by members of the Azarian Class of the First Baptist Church at their regular meeting at the home of Mrs. J. J. Bolly last night.

Mrs. W. A. Cagle presided over the business session at which time all reports of the various officers and group contacts were called for. The devotion was conducted by Mrs. H. C. Moore, who also led in prayer.

It was reported that a Christmas basket and money had been given to a needy family at the home of Mrs. Cagle and other family members.

Mrs. Bolly was aided by Mrs. A. J. Peterson, Mrs. A. J. Jones and Mrs. H. A. Manning. The Azarian Class is a group of women who are interested in the spiritual and physical well-being of the community.

Through the kindness of Mrs. Bolly the flowers were presented to the class to be given to a sick member.

There were 27,000,000 cars on U.S. highways last year. Only 2,000,000 of them were new, leaving 25,000,000 in the used class. Sixteen million of these used cars are never before.

### Dog Track Makes Blackout Plans For Thursday

LONGWOOD, Jan. 14.—(Special.)—The Sanford-Orlando Kennel Club today announced full preparations to co-operate with Thursday's nine-county blackout. Walker Connolly, general manager of the track, announced that:

1. The night's program would start earlier. The first race will be at 8:15 which means actual running at 8:15 o'clock sharp.
2. The Daily Double will be completed before the blackout signal, the second race starting at 8:45 o'clock.
3. The fourth race will be deleted, given a 10-race program for the night.

Mr. Connolly also announced

### WOMEN, GIRLS 2 way Relief!

Modern facts prove CARDUI helps 2 ways: Taken as a tonic by directions, it usually stimulates appetite, increases flow of gastric juices, so improves digestion. That's probably the reason for the new energy and strength and the relief of periodic functional distress of many women. The other way such distress is relieved for many is by starting 3 days before "the time" taking it as directed. Try CARDUI.

### Fed Cage Team Beats DeLand Five By 21 to 10

Tied up after a slow first half, 4 to 4, the Seminoles High Celery Fed cage team ran DeLand's Bulldogs ragged in the final half for its second victory in three starts this year, by 21 to 10.

H. E. Morris, Junior High School principal, who is directing the team in Coach McClucas' absence, stated before the contest that he planned to play most of his squad in an attempt to tire the Bulldogs. The plan proved extremely successful as the Fed's ran up 17 points in the last two quarters to six for DeLand. Fourteen members of the Fed squad participated in the tilt that had as its high point man, Billy Fleming, who accounted for seven points. Jack (Butterball) Herring followed closely with six.

The first half was unusually slow as both teams missed numerous shots. But the complexion of the game changed shortly after the start of the third quarter when DeLand weakened, and the local team's play improved.

The Fed's made it a clean sweep when the B team easily licked the DeLand B, 25 to 11. The locals will go to Ocala Thursday for an afternoon engagement with the strong five of that city. The B squad game will start there at 2:30 P. M., followed by the A squad tilt.

The line ups:

**SANFORD** (6) F. Smith (4) Herring (5) Fleming (7) Branan (0) Lee (2)

**DELAND** (6) F. Smith (4) Fleming (7) G. Wilson (0) Branan (0) G. Tatum (0) Lee (2) G. Clifton (2)

Subs scoring: Hicks (2).

### Hogan Wins Open On Final Hole

LOS ANGELES, Jan. 14.—(AP)—Stroking away with deadly coolness and accuracy, Ben Hogan chopped down Jimmy Thompson, the sturdy redwood of California, yesterday and captured the play-off for the \$10,000 Los Angeles Open golf championship in a linka struggle that was not decided until the last hole.

Hogan, a mere strapping blond from Del Monte, birdied the eighteenth with spectacular performance and won the 18-hole struggle by one stroke.

### Yankee First Sacker Inducted Into Army

ST. LOUIS, Jan. 14.—(AP)—Johnny Sturm, first baseman of the world champion New York Yankees, was inducted into the Army as a private Tuesday and was assigned to assist in the athletic and recreation program at Jefferson Barracks.

Sturm will play with the basketball team of the air corps induction center and in the eighteenth with a squad from the barracks' baseball team.

He was not scheduled to be called under the draft until Feb. 13, but volunteered for immediate service.

### Gators Had Wild And Woolly Grid Season

GAINESVILLE, Jan. 14.—(Special.)—The football fan who likes the game wild, woolly, and wide open got his money's worth from the Florida Gators in 1931. Coach Tom Lieb's eleven, which closed its season in Jacksonville Dec. 30, in one of the nation's highest scoring battles of the year—a 30-27 loss to U. C. A.—just about shattered all Florida offensive records for the past decade, according to the statistical summary compiled by Paul Baxter, Jacksonville statistician.

Never before in its 25 year football history had a Florida team scored so many points and still lost a ball game. And not since 1930 have the Gators scored as many touchdowns and points as they did in 1931—22 touchdowns and 149 points.

Leaders of the Florida offense were left Halfback Tommy the Red Harrison and Left End Forrest Ferguson, who as a passing combination accounted for 18 completions good for 373 yards and four touchdowns.

Harrison gained a net total of 428 yards in 111 tries at scrimmage for an average of 3.85 per try, and completed 37 of 82 attempted passes for 670 yards. His total offensive figure—1107 yards—formed a major portion of the team's 2643 yards, he scored two touchdowns himself, threw passes for six more, and averaged 30 yards on 83 of the team's 80 punts.

According to unofficial figures, Harrison ranks 11th in the nation in total offense, being outranked among major colleges by Bill Dudley of Virginia, Frankie Sinkwich of Georgia, Paul Gervanall of Columbia, Steve Moser of Texas A&M, Steve Filipowicz of Forham, and Johnny Podesta of St. Mary's.

at the coming Orange Picking Contest to be held at Avon Park March 7 and 8th.

Rabbit skins are used more extensively by the fur trade than any other kind of fur.

## British Planes Fight Foe Over Singapore; Japs Press Americans

### Fierce Sky Battles Rage As Tokyo Reports Troops Drive Into Johore State

### 30,000 British Are Encircled

### Nippons Claim Capture Of Strategic Railroad Junction

(By Associated Press) The Japanese were said by Tokyo today to be driving into the rain-swept jungles of Johore state, less than 110 miles north of Singapore, while British and Dutch planes fought Japanese raiders in fierce dog-fights over Singapore itself.

A bulletin from Japanese army headquarters said the invading troops were advancing down the west coast of Malaya and had crossed the border of Johore state last night, capturing the strategic rail junction of Gemawang.

Donel said 30,000 British defending the approaches to Singapore had been "completely encircled" and claimed the capture of a main point south of Gemawang, only 35 miles north of Malaya.

Another bulletin said that the Japanese a major offensive against the British Imperial forces in the Malayan peninsula, and that the invaders can be counted on with their own weapons, infiltration, penetration, and a steady war of movement.

All signs added up to the conclusion that the British, after a long and discouraging withdrawal step by step down two thirds of the peninsula, were getting ready for the main defense of Singapore along the northern border of Johore Sultanate some 100 miles to the northwest.

The situation did much to awaken Singapore's mixed population to the gravity of their situation. After less than six weeks of war they now realize that only about one-fifth of federated territory and one-fourth of its population remains under the British flag.

Increasingly heavy Japanese air raids brought home to most of the Asiatics here the impending battle for Singapore. The ministry of information said yesterday's Japanese raid resulted in 85 casualties—the heaviest toll yet announced.

Fifty heavy Japanese bombers escorted by 30 naval fighters participated, and the British announced that one of them was shot down, three others probably were destroyed, and more damaged.

### Navy Volunteers Returned Home; Stations Filled

Sanford volunteers from Sanford and Orlando who were accepted by the Navy and returned to their homes today. The Navy has returned to their homes and will be in the next few days.

The Navy has taken a prominent part in the development of a radio instruction course for the use of the Navy.

### Carrier To Receive Radio Instruction

The carrier will receive radio instruction from the Navy.

### Anti-Axis

Dr. Willibald M. Plochl, Austrian national council member, Dr. Willibald M. Plochl, of Washington, has requested that Secretary of State Cordell Hull allow the Austrians to become affiliated with the nations that have already signed the anti-Axis pact.

### 19,500 Young Men In Florida Will Register Feb. 16

(ST. AUGUSTINE, Jan. 15.—Special)—Approximately 19,500 male residents in Florida will be registered in the 20 and 21-year-old age groups on Feb. 16, Brig. Gen. Vivian Collins, state director of Selective Service, announced today.

National Selective Service registration anticipates a total of about 9,000,000 men between the ages of 20 and 45 years, and the director has been advised, and of these about 1,650,000 will be in the 20 and 21-year-old group.

It also is estimated that about 7,350,000 in the 36 to 44-year-old group will be registered throughout the United States on Feb. 16, together with some in the 21 to 36-year-old groups who were unable or neglected to register at the two previous registrations.

The age groups to be registered on Feb. 16 include all men not previously registered who have attained their twentieth birthday on Dec. 31, 1941, and who have not reached their twenty-first birthday on Feb. 16, 1942; that is, all unregistered males resident in the United States who were born between Feb. 17, 1921, and Dec. 31, 1921.

### Opinion On Citrus Workers Is Reversed

TALLAHASSEE, Jan. 15.—(AP)—Attorney General Tom Watson, reversing a previous opinion, declared Wednesday that the citrus grove workers are not included in the Florida Workmen's Compensation law.

He decided that horticulture, which includes spraying, pruning and caring for citrus trees, is "the department of the science of agriculture which relates to the cultivation of gardens or orchards, including the care of vegetables, fruit, flowers, and ornamental shrubs and trees."

The 1941 Workmen's Compensation Act specifically exempts agricultural farm labor. It did not in express terms, exempt horticultural farm labor.

The Navy has taken a prominent part in the development of a radio instruction course for the use of the Navy.

### Tokyo Declares U. S. And Filipino Men Are Forced To Retreat Southward

WASHINGTON, Jan. 15.—(AP)—The War Department announced today the defenders of Philippine fortifications shot down two heavy Japanese bombers and all others in a flight of nine which attacked Corregidor Island in Manila Bay.

The casualties among American and Philippine troops were slight.

WASHINGTON, Jan. 15.—(AP)—Secretary of War Simon today announced the U. S. Army had started expanding to about 3,600,000 officers and men more than double its present strength in ground and air forces.

Mr. Simon said the increase, authorized by President Roosevelt, would be made this year with the first three new divisions to be organized by May 25. The expansion calls for more, than double the number of air combat units.

(By Associated Press) In the Philippines, a Tokyo broadcast declared Japanese troops were pressing the American-Filipino defenders southward into the Bataan peninsula from Hermosa. The broadcast added that dive-bombers attacked an "important U. S. air base" on the peninsula.

Japanese Imperial headquarters today issued the list of war prizes taken as a result of the battle of Manila up to Jan. 13.

130,000 rifles, four artillery pieces, 50 machine guns, 674,000 rounds of ammunition, 500 automobiles, 70 railway carriages, 91 vessels, a large quantity of gasoline, large amounts of food and clothing and other supplies.

The same harsh, ruthless practices made familiar by Nazi forces in France, have been reported last night by the Japanese in Manila and other invaded sections of the Philippines.

Residents of the islands have been warned that anyone who injures or attempts to injure a Japanese soldier or civilian will be instantly shot. If he cannot be found, 10 hostages will be taken in custody. The death penalty has also been established for a long list of actions including disturbing the "peace."

Meanwhile, Japanese claims that the American aircraft carrier, Lexington, had been sunk were denied by the Navy. Frank Knox the observation that this was "an old trick." He said the Japanese are just trying to see what they can find out.

### Local Persons Plan To Attend Health Meeting

A number of Sanford persons are planning to attend the State-wide conference on "Health in Home and National Defense" in Orlando Jan. 16 and 17, at which Thomas Parran, U. S. surgeon general, will speak. Mrs. E. D. Brown, publicity chairman of the county defense council, disclosed this morning.

Adding that a \$25 defense bond will be given to the county having the largest number of registrants at the conference.

Names of doctors, nurses and other men and women who will represent Seminole County, following Mrs. Mary Rawlins, Mrs. M. E. Smith, Mrs. Walter L. Morgan, Mrs. Ouida Wilson, Miss Edith Hester, Miss Lucile Poston, Miss Carolyn Weeks, Dr. D. C. Brown, county health officer, and Dr. J. N. Tolar.

Members of the Sanford Garden Club and the Seminole Garden Society will have only a few blooms ready to display in the second annual "Inter-State Camellia Show" held in Mead Botanical Garden Jan. 18 and 19, since it is being held "between seasons," and at the wrong time for this particular county, both the president of the women's club, Mrs. J. H. O'Connell, and the men's group, Dr. C. H. Smith, agree. However, there are some camellias ready and some in bloom.

Dr. C. H. Smith, of Orlando, president of the local society, said the show will be a success.

### Dedicate "Street Of Mercy"

Mrs. Colin P. Kelly, Jr., flanked by the color guard of the Army and Navy Union during the Red Cross parade on Fifth Avenue, N. Y., dedicated as the "Red Cross Street of the Nation." Mrs. Kelly is the widow of flying hero who sacrificed his life to sink a Japanese battleship.

### McNair States Bank Condition Is Satisfactory

Closing the year with \$519,154.7 on deposits, the condition of the Florida State Bank was reported "very satisfactory" by President M. G. McNair at the bank's stockholders' meeting Tuesday, Cashier J. E. Rowland stated today.

Following the stockholders' meeting, the Board of Directors re-elected Mr. McNair as president. M. S. Wiggins was named vice president and J. E. Rowland, cashier.

With \$361,865.83 in reserve in government bonds, cash and due from other banks, stockholders gave a vote of confidence to the officers and directors of the bank. Composing the Board of Directors are L. F. Boyle, Charles Dunn, Sr., Forrest Gatchel, W. E. Kirchoff, Jr., Mr. McNair, W. A. Patrick, Ralph Smith and Mr. Wiggins.

### Sea Island Cotton Growers Represented

TALLAHASSEE, Jan. 15.—(Special) A committee representing Florida Sea Island cotton growers is now in Washington investigating the possibilities of establishing a parity basis for sea island cotton, Nathan Mayo, commissioner of agriculture, announced today.

The federal government has set a bottom price on short staple cotton, he said, which rises as the staple length increases, but this price regulation stops when Sea Island cotton staple length is reached. The growers' committee hopes to arrange for a continuation of setting of bottom prices through Sea Island staple lengths.

### Local Weather

FLORIDA—Fairly cloudy and mild; scattered light rain in the extreme south portion tonight.

### Local Persons Are Planning To Enter Inter-State Camellia Show

Members of the Sanford Garden Club and the Seminole Garden Society will have only a few blooms ready to display in the second annual "Inter-State Camellia Show" held in Mead Botanical Garden Jan. 18 and 19, since it is being held "between seasons," and at the wrong time for this particular county, both the president of the women's club, Mrs. J. H. O'Connell, and the men's group, Dr. C. H. Smith, agree. However, there are some camellias ready and some in bloom.

Dr. C. H. Smith, of Orlando, president of the local society, said the show will be a success.

### Local CAA Airport Designated To Be Auxiliary Base

Army officials have designated the new Sanford-CAA airport, now under construction, as an auxiliary base of the Third Air Corps to be used for the tactical training of pilots.

Mr. Higgins stated, "Work has been progressing rapidly at the airport for several weeks, with some branches of the construction on 24-hour a day duty. The date of the completion of the work is not known, but most of the building has been done, and one 5,000 foot runway is about 80 percent finished, while work is underway on the other runway."

It is understood that the base will be used primarily for the training of pilots, under a similar set up as the air base in Orlando, which, also, is under the command of the Third Air Force Corps in Tampa.

Machines also are running on 24-hour shifts, and drainage and pipe laying work is nearly completed. Over 150 men are employed at the airport, which is located in the southern part of Sanford, about three miles out. Officials have stated that airport work is progressing satisfactorily.

### LEADER ELECTED

GAINESVILLE, Jan. 15.—(AP)—Florida Blue Key, University of Florida leadership honor society, Wednesday announced the election of Homer Still of Jacksonville as president, to succeed Fletcher Rush of Orlando.

### City News Briefs

The regular bi-monthly meeting of the Little Theater Club scheduled for tomorrow night at 7:30 o'clock has been postponed, since the Red Cross benefit bridges will be at the same time.

## Sanford, Seminole County Await Test Blackout Tonight

### Executive Will Make Plans To Obtain Defense Contracts

Members of the Executive, Finance, Industrial, Advertising and Real Estate Committees of the Seminole County Chamber of Commerce will meet Friday noon at the Tourist Center to discuss plans for the formation of an organization for the purpose of obtaining defense contracts for county firms. Secretary Edward Higgins announced today. Luncheon will be served at the meeting, which will start at 12:15 P. M.

Mr. Higgins is expected to make a report of his investigation and the information he has obtained in regard to forming a coordinated pool for the purpose of securing from the Office of Production Management contracts for defense work that can be handled by the existing firms.

Other counties surrounding Sanford have launched such a campaign, Mr. Higgins said, and expressed the belief there are some items in demand by the OPM that can be handled by the combined efforts and equipment that are available in Seminole County.

He is expected also to lay before the organization the present status of the new airport since the Army has designated it as an auxiliary for the Third Air Corps stationed at Tampa with a base in Orlando.

"This is a very important meeting," the Secretary declared, and expressed the wish that all business men whether members of the organization or not, attend.

### Russians Launch Another Attack West Of Moscow

(By Associated Press) The Red Army had launched an attack on the Germans massed at Moshak, 57 miles west of Moscow, and a savage battle is still raging. The German command announced Russian attacks in the Taganrog area, 10 miles west of Rostov.

British Cairo headquarters said allied troops had moved forward into new positions against Axis holdouts in their Palfaya border area of Egypt.

A vast Axis air assault in the Mediterranean appeared to be well under way Wednesday night as German and Italian planes battered unceasingly the British island of Malta, across Libya, and attacked imperial troops attempting to encircle the Nazi tank General Rommel.

British planes also were increasingly active, and the future of the battle of Libya appeared to hinge more and more on Malta's ability to stand up under repeated Axis air attacks.

Continuing westward advances by the Red Army, steadily drawing lighter the noose about the Germans in the strongly-held salient of Moshak, 57 miles west of Moscow, were announced by the Soviet information bureau in Moscow.

Remembered a number of villages captured Wednesday was Melnyk, 35 miles south and slightly west of Moshak, the communiqué said.

### State Road Revenues Expected To Be Cut

TALLAHASSEE, Jan. 15.—The rationing, restricted automobile sales and other wartime factors may whack \$2,500,000 off the State Road Department's revenues in 1942. Chairman Thomas A. Johnson used the figure Wednesday in discussing 1942 budget plans which will start here Monday. The budget will be adopted in March.

Various sources, including some in Washington, have estimated decreases ranging from 10 to 35 percent in taxable gasoline consumption this year as compared with last year. Mr. Johnson figured about 15 percent cut in Florida.

### President Will Act On Time Saving Bill

WASHINGTON, Jan. 15.—(AP)—Congressional action was completed by the House today on legislation for nationwide daylight saving time which would advance all clocks one hour. The Senate acted yesterday. The measure will become effective 30 days after President Roosevelt signs it.

### MORNING IN FLORIDA

WASHINGTON, Jan. 15.—(AP)—Secretary of the Treasury announced today that the Treasury Department has approved a plan for the production of a new series of U. S. Treasury notes.

### Officials Are Ready For Darkened Period Of Half Hour Starting At 9 P.M.

Whistle Will Give Signals

Airplanes Will Fly Over Area To Take Pictures Of Scene

Whistle signals for tonight's blackout will start at 8:30 o'clock, three short and one long blast. This does not concern the general public but is a call for defense officials to occupy their stations.

9:03 o'clock, continuous short blasts for two minutes (This is the black-out signal, and lights of all kind must be put out).

9:30 o'clock, continuous blasts for one minute (Signaling the end of the blackout period).

In the event the whistle is not heard, defense officials warned residents to extinguish all lights at 9:00 P. M. sharp anyway.

Sanford and Seminole County are ready and waiting for the first blackout test in the county's history for a half-hour tonight, defense officials reported today.

In conjunction with eight other central Florida counties, Seminole County will be blacked out from 9:00 P. M. to 9:30 P. M. and a siren from the War Department through the Third Interceptor Command at Tampa.

The whistle at the roundhouse, near the depot, will be used as the signal for starting and ending the blackout. At 8:30 P. M., a victory signal of three short and one long blast will be given as notice to members of the 51 Defense Council committees and other defense workers to take their previously designated stations. At 9:00 P. M., a continuous blast lasting two minutes will herald the period of darkness, the official start of the test. At 9:03 P. M., one-minute whistle will signal the end of the blackout.

Complete preparations have been made by every branch of the county and city and county law enforcement agencies and the War Department. It was stated, Air raid wardens who had 100 percent attendance at a special meeting Tuesday night, have received full instructions from County Warden Leo R. Leshner, Chief of Police of Gainesville, who is in charge of the Civil Protection Division, will pass out leaflets to all citizens at their homes in the county. Capt. F. C. Horner of Company C will place his men at stations in accordance with requests by Chief Leshner and Sheriff Head, First Chief of Police Cleveland has a list of volunteer firemen who will be called for instant duty. Defense officials here have contacted all communities in the county and arranged for full cooperation at every point.

Leaflets have been distributed to homes in the county under the direction of air wardens, in which blackout instructions are given. Charles Morrison, manager of the Rite Theater, announced that the blackout would not affect the theater, which will be open as usual.

Sanford-Orlando-Kennel Airport officials will act at the eighth number of races from 11 to 10, and observe the blackout, running three races before 9:00 P. M., and the remainder after the half hour period ends.

Man will be stationed at all important buildings, cross-roads, bridges and other points considered necessary in the county. Army planes will be overhead. (Continued on Page 2)

### Oil Truck Leaves Road, Turns Over

Going east on Geneva Avenue, about two blocks from Mallowville Avenue, a large Gulf Oil truck ran off the road, over the curb and turned over in the police reported today. Cause of the accident was not clear.

The truck, which was carrying a load of oil, was driven by a driver who was not identified.

The driver was not injured.

The truck was towed to the garage.
