JOHANNESBURG, South A rica (AP) - Two white South African businessmen have in vested Rands 30,000 (\$42,000) i a project to bottle sea water and sell it to Africans living inland. Sea King Seawater Distributors (Pty) Ltd., plans to sell a 26 ounce plastic bottle for about 4 South African cents (\$.63). Many African believe sea wa-ter has religious properties as well as purgative and emetic powers. The merchandisers say it is not acceptable unless there is a handful of sand from the sea bed at the bottom of each bottle. They expect to sell more than 100,000 bottles a month.

SYDNEY (AP) - Five men are dead, seven are missing and

about 200 injured in midsummer bushfires that caused millions of ciollars worth of damage within a 50-mile radius of Sydney in the past two days.

The fire danger diminished in Sydney's outer suburbs today as the wind abuted and temperatures dropped 20 degrees from Thursday's high of 50.

Isolated fires still burned in the Blue Mountains 50 miles west of Sydney but they were reported under control.

A thousand firefighters including professionals, valuatoers and soldiers steed by to prevent a recurrance of Thursday's dis-aster when flames destroyed 150 houses, shops, churches and eth-

end of the county will have to be reckoned with at the County Commission meetings from now on," Longwood Mayor Kenneth H. Brown predicted during a progress report given to the membership of the Longwood area Chamber of

"You have only to look at the voter turnout in the recent election to see we have one of the greatest weapons in the world," Brown declared. "Some of the county thinking has to be more South Seminole oriented or there will be some changes made." These remarks brought a standing ovation. The mayor said the city is in excellent financial condition and lauded the makeup of the present city government as one

anticipated for the municipality by the tri-county planning council whereby a population of 35,000 is expected by 1980. "Within 10 years Longwood will be the focal point of the dividual or any large developer in spite of any organized group wood remain as it is or revert back to what it was 20 years ago, the city will grow and the present city government is on the right track to prepare for the growth."

Brown explained the recent paration for water system expansion and construction of a sewerage system. "The increase was needed to put the water department in the black rather than to continue its operation in the red."

One of the tracks would deal probably move at a slow pace face.

The delegation from the Salgon government is expected

here this week, and the broadened talks are expected to start shortly thereafter. The new round is to include negotiators from the United States and North Vietnam who began meeting last May, and from the South Vietnam govern-

ment and the Viet Cong's National Liberation Front. President Johnson set a precedent for steps to reduce the level of combat with his order Oct. 31 halting the bombing of North Vietnam. He tied this to North Vietnam's not "abusing" the demilitarized zone between the two Vietnams and a curb on shelling of South Vietnams cit-

U.S. negotiators believe that despite a flurry of charges and countercharges, Communist violations of Johnson's terms have not been on a large enough scale to warrant resumption of
