

Ohio State Buckeyes Rated First Team By Sports Writers

By HUGH FULLERTON, Jr.
Associated Press Sports Writer

NEW YORK, Dec. 2. — (AP)—

The Western conference champion, as usual, is on top of the nation's football heap. When Ohio State whipped the Navy Pre-flight team 41-12, the sports experts participating in the Associated Press ranking poll were unanimous in their choice of the Buckeyes into first place and drop B. C. to eighth.

In the final tabulation of the 1942 season, Ohio State is credited with 1432 points, the highest final total in the history of the Associated Press poll. They were picked for first place by 84 of the 160 voters and top second-place Georgia by 50 points. Georgia received 42 first-place votes while Wisconsin and undefeated Tulane drew four apiece and William and Mary and Holy Cross one each.

Ohio State is the fourth Big Ten champion to receive the sports writer's accolade as national champion since 1936. Minnesota finished on top that year and again in 1940 and 1941. Pittsburgh was in 1937, Texas Christian in 1938, and Texas A. & M. in 1939. Brooklyn broke up the mid-west monopoly.

The final 1942 rankings of the teams (first place votes in parentheses, points figured on 10-9-8-7 etc. basis):

First Ten	Ohio State (84)	Georgia (62)	Penn State (4)	Tulane (4)	Georgia Tech (705)	Notre Dame (590)	Tennessee (533)	Boston College (485)	Michigan (467)	Alabama (234)
Second Ten	Texas, 127; Stanford, 72; University of California, Los Angeles, 54; William and Mary, 11; Santa Clara, 22; Washington State, 22; Minnesota, Holy Cross (1) and Penn State, 19 points each. Other votes were cast for Illinois, 18; Indiana, 12; Pennsylvania, 5; Hardin-Simmons, 5; Rice, 4; Navy, 4; Louisiana, 3; Army, 3; Amherst, 2; Iowa, 2; North Carolina, 1; Cornell, 1; and Miami, 1.									

Six of the first ten teams have been selected to play in New Year's day bowl games. Georgia will oppose the Pacific Coast conference champion in the Rose Bowl at Pasadena, Calif.; Tulsa and Tennessee will clash in the New Orleans Sugar bowl; Georgia Tech will play Texas in the Dallas Cotton bowl and Boston

college and Alabama will meet in the Miami Orange bowl.

1942 Christmas Savings Club Checks are now ready for distribution.

RELAX NEXT YEAR!

Do your Christmas worrying early! A small sum like \$50 or \$100 banked regularly each week in our Christmas Savings Club will enable you to enjoy a carefree Christmas next year... It's a good way to save for taxes, insurance, etc., too.

We invite you to join our Christmas Savings Club now!

Countries Follow Laws on Treatment Of War Prisoners

A2 Features

Most nations adhere closely to international laws governing treatment of war prisoners. These have kindred, the powers that sign them, but are generally followed by all nations.

Ancient conquerors killed or tortured their captives. As Christianity advanced, treatment of prisoners became more humane.

Great steps toward welfare of the captive were made in the U. S. and France in 1785, one of the first countries to do so, concerning prisoners; and the first international congress in Brussels, 1815. This was followed by conferences at Geneva, London, The Hague, and elsewhere, in making the rules more strict.

According to generally accepted international law today, prisoners must be treated on a par with the capturing country's own soldiers. They can work in non-military jobs, but must be spared from being worked except when being transported; must be free to attend church services once released at war's end.

During World War I, these rules were generally but not always observed. In this war Japan, Germany and Italy threatened to suspend the rules.

When Hollywood beckoned him

HOLLYWOOD

HOLLYWOOD, Dec. 3.—Walter Pidgeon is an excellent actor, but he can play Walter Pidgeon.

You are a very good performance," said Walter Pidgeon in "Mrs. Miniver."

Miniver was an English business man, a family man, a gentleman, a man's man, down to earth and good-humored. Pidgeon is all of these, yet he's an American business man whose business happens to be acting.

Since "Mrs. Miniver" his name is considered one of the hottest, to use the jargon, on the screen.

Edna (nickname "Pidge") now found in his hotel rooms washing his own socks. With a pair of the picture, which raised its price to \$225,000. This largest fee in pictures since 1938, which he has distinctly reducing.

He had left when his first wife died in childbirth. Their daughter, Edna (nickname "Pidge") now

was his first visit to Ruth Walker, in Beverly Hills.

His bond tour sent him traveling a month. When Pidgeon travels, unless it's on the later-type

back front stage successes there, when Fred Astaire heard him trains, he sleeps little. He can't afford to say no. Universal wanted him for "Show Boat" with Irene Dunne and offered \$1,000 a week, or \$8,000 for the picture, which raised its price to \$225,000. This largest fee in pictures since 1938,

which he has distinctly reducing.

He washes his own laundry might shrink them.

Experiments With Glass Thread Are Being Performed

By H. W. BLAKESLEE
AP Science Editor
NEW YORK, Dec. 5.—Glass threads are being used to sew wounds in some experiments reported in the American Journal of Surgery.

The threads are fiber glass, no silk. The authors of the experiments are Roy Philip

Scholz, M. D., and Philip Mountain, M. D., of St. Louis. They report that the glass is a new material for sewing and that it has all the requisites for wound suturing.

More than any other suture, glass is inert in living tissue. It is unaffected by tissue fluids, chemicals or antiseptics. It causes no detectable chemical reactions. It is not porous. Germs don't attack it. The body does not react to it, so it may not thrive. No person or animal has been to oil allergic to the threads. The threads are very strong.

They knot perfectly and permanently. They have been used in wounds for two years, and all of them are still in position. The bodies of men or animals have not absorbed the glass. Nor have the sutures moved from their original positions.

This raises a question about whether there may be bad effects years after glass threads have been sewed into the body. The St. Louis physicians find no evidence of that possibility, but are setting out on an investigation of long-time effects.

Governor Holland To Speak At Luncheon

JAS. KSONVILLE, Dec. 3 (Special) — Gov. Spessard Holland and State Senator John E. Matheson of Duval county will be the principal speakers at the annual luncheon of the League of Municipalities, the highlight of the League's 1942 conference to be held here Dec. 9 and 10, it was announced yesterday.

According to E. P. Owen, Jr., secretary of the League, both of these speakers will deliver addresses that will deal with the present wartime emergency as it affects Florida municipalities, and the talkers undoubtedly will give an inside picture of "things to come" with the 1943 State Legislature. In view of the wartime lawmaking

The entire 1942 conference program has been streamlined to round the business of the usual four-day session held by the League into less than two full days, and delegations will devote themselves mainly to a study of the war-time problems of cities and their solutions, it was said.

The average freight train to day runs 50 percent faster than in 1920 and carries 10 percent more freight.

Alabama Rests For Week Before Practice For Orange Bowl Clash

DECATUR, Ala., Dec. 3.—Alabama's Crimson Tide football team, bowl bound for the second straight year, is taking a well earned rest this week before getting down to serious preparations for the coming New Year's Day game with Boston College in Miami's Orange Bowl.

Coach Frank Thomas said Monday, after accepting the Jan. 1 invitation, that it would be at least a week or 10 days before the Crimson Tide squad would resume practice.

Although beaten three times during the past season, Alabama

Dogs' Diets Must Also Be Changed During Wartime

CHICAGO, Dec. 3. (Special)—A source of worry to many a dog owner has been the problem of changing his dog's diet. With canned food practically nonexistent, many of these owners, from both Georgia and such other states as California, are feeding their pets meat from the butcher shop and table scraps. All this is not only expensive, but it makes no provision for deficiencies in the dog's diet.

Severely hampered by injuries to key performers throughout the season, Alabama was never able to field its strongest eleven for any of the tough games. In spite of the injury jinx, the Crimson

Bowl.

Much depends on how the dog has previously been treated, so a general rule

of age will eat practically anything that is put in front of them, and like it. It is the older dog which may be more apt to display signs of stubbornness to new food if placed before him.

Tide marked an impressive victory over seven opponents, including such strong teams as Tennessee (Sugar Bowl), for the title, Mississippi, Kentucky and Vanderbilt.

Boasting a great line, which includes two all-Americans and an all-Eastern performer, Alabama played the toughest schedule in its history this year. Georgia Tech and Tennessee are listed among the nation's top 10 teams, and Mississippi State is not far behind.

Capt. Joe Donnanovich, 190 pound center, has been named on a majority of all-American teams released so far, and Don Whitman, 220 pound tackle, has also gained all-American recognition on early selections. George Hecht, 218 pound guard, has been listed on all of the all-Southern Conference teams released to date and Russ Craft, 170 pound right halfback, another all-conference choice.

Winners over Texas A. & M., 29-21, in the Cotton Bowl game last Jan. 1, Alabama had previously made five trips to the Rose Bowl, winning three games and trying one before losing to California in 1937.

Dobbs Should Be On All-American Team Of Writers

BY BEN FUNK

A P Features
TULSA, Okla., Dec. 3.—There are two things that Glenn Dobbs doesn't do when Tulsa's Golden Hurricane plays a football game: (1) take tickets, and (2) sell hot dogs.

Otherwise, this tall, graceful

quarterback—praised by many

experts as the nation's finest all-around player—does just about

what Dobbs can tackle. As a

sophomore, he drew widespread

attention in 1940 by engaging

Jarrin' John Kimbrough of Texas

All-American team.

everything that is necessary on a gridiron.

This Dobbs can pass. His record for accuracy is the best in the country, with 62 out of 95 passes completed, nine for touchdowns. His average gain on completed passes is 14.4 yards.

This Dobbs can kick. His average distance is 52.23 yards in 17 punts. This Dobbs can run. He has logged the ball 66 times for a net advance of 5.5 yards a try, and has scored seven touchdowns by rushing.

This Dobbs can tackle. As a sophomore, he drew widespread attention in 1940 by engaging Jarrin' John Kimbrough of Texas All-American team.

Fibers of rubber are occasionally found in coal; miners call them "monkey hairs."

American Warships Score Big Victory In Solomon Islands

Destroy Nine Vessels In Night Battle; Over 8,000 Enemy Troops Lose Lives

WASHINGTON, Dec. 4 (AP)—The Navy announced today that 14 Japanese were killed in routing patrol operations off Guadalcanal in the Solomon Islands Tuesday. This is the first action announced since the Navy smashed another major Japanese effort to bolster their tired and dwindling ranks on the island.

In the Solomon Islands, American warships scored a big new victory over the Japanese off Guadalcanal, destroying nine more vessels in a night battle in which upwards of 8,000 to 10,000 Jap troops lost their lives.

The New Guinea, Allied troops killed 450 Japanese in the Gona sector as they closed in on enemy forces trapped on that coastal stronghold and in nearby Buna, where the Japanese are still firmly resting.

A surprise Jap attempt to reinforce beleaguered Nipponese troops on Guadalcanal was smashed Monday night by American naval forces which intercepted and sank nine enemy ships and destroyed one transport and a cargo vessel—the navy disclosed yesterday.

Jap personnel losses were estimated officially at 7,000 killed by gunfire or drowning.

The landing attempt—the second since last month—was the costliest Japanese venture at the cost of 100 ships, 100 aircraft, American cruisers, and "other" vessels damaged.

American casualties were not given.

The navy communiqué indicated two of the destroyers might have been Jap cruisers.

It was the first major sea action in the Guadalcanal area since the great Nov. 8-10 battle in which American forces sank 20 Jap ships, 11 auxiliaries, damaged 10 others and cost the enemy an estimated 30,000 to 40,000 dead.

The latest landing attempt appeared in the nature of a diversion move to reinforce and supply troops which have been left off Guadalcanal since prior to the big sea battle of three weeks ago.

In contrast to the previous battles, in which the Japs used battleships, the enemy this time apparently did not risk capital vessels, they evidently sought to capitalize on their element of surprise by landing on Guadalcanal under cover of darkness.

But an American tank force was waiting.

No landing was effected, the communiqué said tersely.

The total tally by the Americans reads as follows: the number of Jap ships definitely sunk in the Solomons campaign since Aug. 7. They include four battleships (one possibly a heavy cruiser); 10 cruisers, 21 destroyers (two of them being cruisers), 17 transports and one auxiliary.

Announced American losses to date are 20 ships—two aircraft carriers, six cruisers, 18 destroyers, four transports and a fleet tug.

In an early communiqué Thursday the navy had reported American land and air forces pressing a relentless mopping-up drive against the enemy on Guadalcanal itself.

It took 15 more Jap soldiers to kill 100 American sailors and communiqué added during the past sixteen days of the battle.

Registration For 18 Year Olds To Begin December 8

Young Men Asked To Report To High Schools In Area

Registration of 18 year old men in Seminole County will be conducted through the high schools. L. B. Chapman, chairman of the Selective Service Board, announced this morning, adding that the registration will begin Friday, Dec. 11.

Boys who became 18 since June 30 and will be 18 before Dec. 31, will be asked to report to the high school in their vicinity. White students in Sanford will go to Seminole High School, while colored men will go to the Midway school or Crooks Academy. Both colored and white youths in the Longwood district will register at Lyman School and be interviewed and registered at the Orlando office.

Men within this age range may register at the Selective Service Office on Second Street if it is more convenient, Mr. Chapman stated.

Members of the draft board have worked out this plan of registration to avoid interference with school work and the registration will take place during study periods.

Since the schools close Friday, Dec. 18 for the Christmas holidays, registrants should report to the Selective Service Office on Second Street on Dec. 28 for a day season terminating on April 10, 1943, Walter Connell, president and general manager, and P. L. Phillips, secretary and treasurer, announced today.

Connell reported that 250 of the "first dogs we ever had" are now here, and a total of 400 dogs will be on hand later.

E. M. Meets will have charge of the schooling of the dogs which started on Dec. 14, he said. It is possible, the draft board will allow senior boys to finish high school, Mr. Chapman disclosed and told youth not to quit school as soon as they have registered.

Following the National Selective Service office all registration questions will be handled by the registrants.

The man will fill out his questionnaire at the same time he registers, to avoid congestion and delay, Mr. Chapman revealed, and his order number is determined by his date of birth.

Sanford-Orlando Kennel Club Will Start Season Soon

The Sanford-Orlando Kennel Club at Lenwood Park open for members of the Orlando and Sanford kennel clubs who have birthdays after Jan. 1, are to report to the Selective Service Office as soon as they reach 18."

The youth amendment passed last month by Congress states that 18 and 19 year olds may complete the last half of their high school year if it is possible, the draft board will allow senior boys to finish high school, Mr. Chapman disclosed and told youth not to quit school as soon as they have registered.

Following the National Selective Service office all registration questions will be handled by the registrants.

The man will fill out his questionnaire at the same time he registers, to avoid congestion and delay, Mr. Chapman revealed, and his order number is determined by his date of birth.

The Rotary Club will hold its regular meeting at the Ritz theater beginning at 12:30 o'clock on Monday, President Rolland Dean announced today as he reviewed that Charles Morrison, manager of the Ritz, has arranged a special program recalling the attack on Pearl Harbor one year ago.

The luncheon will be served on the stage of the Ritz Theater and the high light of the program will be an informal talk by Commander F. Massee Hughes, commander of the 10th Air Force, the Air Force which participated in the Pearl Harbor attack.

A special motion picture of the battle of Midway, in which Army and Navy fliers turned back a huge Japanese armada, will also be shown.

Commander Hughes was com-

manded by his commanding officer for his part in the defense of Pearl Harbor, was recently cited by Admiral C. W. Nimitz for distinguished service in the Battle of Midway.

McNutt Probably Will Remain Head of WMC

WASHINGTON, Dec. 4 (AP)—Edwin W. Pankey, secretary-treasurer of the Democratic National Committee, said after a conference with President Roosevelt today that he would not be surprised if Paul McNutt remained as war manpower chief.

He said he expected the new chief to be named next week.

Florida's temperatures in the north portion and colder in the north portion with scattered light frost in the extreme north portion. Light showers in the extreme north portion than afternoons and evenings in the extreme west.

The moving assembly lines were crowded with scores of the large four-engine bombers in the Oviedo plant, and the work was coordinated like an automobile assembly plant.

TENNESSEE—Much warmer weather.

ALABAMA—Cloudy in the city and central with little rain. The temperature was to report Tuesday afternoon at the Coopersburg station at the 60° mark. The weather was cool and cloudy with a high of 55°.

GEORGIA—Cloudy with a high of 60°.

CITY BRIEF

The Boy Scout Board of Review will be held this evening at 8:00 o'clock in the Baptist Church Annex.

R. Earl Kipp, principal of the Rialto Grammar School, will spend the weekend in Tampa where he will be in conference with other school officials of the State on school tax legislation for the coming session of the Florida Legislature. On Sunday afternoon, the conference will be led by Paul Eddy of Tallahassee, director of the High School Victory Corps, and discussion will center on the organization of a similar corps for the elementary school.
