Antizu(tique) Danger. Hidden in in the hallons mu-seums and libraries, and passously guarded are a number of priceless manuscripts and books which, but for a fortunate chance, might have been lost to the world. The shief treesure of a mystom at St. Peteraburg in the oldest known Breek manuscript of the New Tellament, which was about to be burned by the monks of a Byrian monastery, when, by a lucky chance, one of the priests, struck with the antiquity of the manuscript, interfered in times to save what had been thought valueless.

Boonemy, intly edderstood, re-quire the training and consistent and money, values are necessary for an michigant's country, to the high cost of living. But such knowledge of itself does not realise. Consistent ac-tion is equally, if not more important. The "head and heart" of a family must be one in their efforts. They must

Chesp Filter.

The most impure water may be purified by filtering through charcoal. Take a large flower pot, put a piece of spongs or clean moss over the bole in the bottom, and fill three-quarters full of equal parts of clean sand and charcoal. Over this lay a linea cloth large enough to hang over the sides of the pot. Pour the water into the cloth and it will come out pure.

Fair Opening. This question is from a Connecticut man's dales, dated 1780; ... "We hat " roast pork for dinner, and Doctor S., who carved, held up a rib.on his fork and said, 'Here, ladies, is what Mother Eve was made of.' 'Yes,' said Sister Patty, 'and it's from very much the same kind of critter.' - Christian Register

Mores, he Palanthropist will be the thems for the morning service. His mountain top experiences will be used to show the true base of patriotism. His renunciation of his position in the royal nousehala of Egypt; his appearance before Phasioh as pleader for his people and his A (unif to accept the offer to become the accept of God's chosen people through the destruction of Israel by God, all of which conspired to make of Moses the most famous character in either ancient or modern history.

The avening service will have for its topic Habab, the Kenite. When Hobab whited the camp of the Isrealites in the wildernes he was invited to become guide and scout for the Isrealities by Moses, who realized she value of Hobab's knowledge of the locality. The Isrealites were just beginning their forty years wanderings in the wilderness Hobab refused the honorable position tendered him. The main thought in this discourse will be the possibility of Man's Service to the Kingdom of God and the world through his membership in the kingdom. It is hoped that a large suffience will be present at each of these service

Last Sunday there were eight persons received into the church either by letter or by profession. The Sanford Church Orchestra will furnish several numbers fir the evening service.

Those who may be interested are invited to attend the Supday school at 9:30 and also the midweek prayer meeting Wednesday evening. The Brotherhand class is growing and will prove in-At eleven o'clock a lubch, consisting terration to those who may care to become membefs,

If a county paper is worth anything at all to these people who are on its list, the matter of 25 to 10 cents a year will not be considered. A great deal more is extected of a newspuper now adays than was the case so ne Want Ads years ago, and every added facilt for supplying, the news, promptly, and in good readable shape, costs money .-Times-Union Short Talks.

THEATRE CHANGES, HANDS.

For neveral weeks past there have been persistent rumors that the Imperial Theatre would change shands and the deal seems to have been made on Tuesday as Manager, Herndon of the Star has announced that hereafter the two theatres will be managed by himself. Finally most of the stocks were closed . There is a marked return this year to The Star will be used for moving picout by the creditors, and a g nical ad, the real and original spirit of Christmas. tures and the Imperial for the attrac-

Peoples Bank of Sanford

Is glad to announce to the people of Sanford and Seminole county that its New Safe Deposit Vault is now entirely completed and open to the public during banking hours for inspection.

This vault is unique in that it is entirely separate from the main or Money Vault of the Bank, being located just to the rear of the old vaultand is made enof access to its patrons by an unobstructed passageway from the bank lobby.

Realizing the extreme privacy that many patrons desire in the handling of their boxes, we have had arranged a special retiring booth which may be occupied by the holder of a box while handling same. This is directly to the right of the entrance of the Deposit Vault.

Extending to all a most coudial invitation to call and inspect this new department, we are Very truly yours.

The Man Who Succeeds Never Takes a Chance That He Can Avoid

then goes ahead. New problems may arise but he is free to tackle them as they come up. None of his time is taken in learning

what others have found out by experience. The man who plants trees or shrubs, whether in grove or home grounds, will save time and money by first getting all the pointers he can from persons who have been successful with their trees and

Griffing's 1914 Tree Book is a Guide to Success Get a Copy—Free to You

This book gives in condensed form the ripe experience of men who have fought and overcome most of the difficulties that are confronted by the grower of fruits and ornamentals in the Guif coast states.

It tells what to plant how to plant it, when the plant-ing should be done, how to cuttivate, prune and spray, the fertilizers that should be applied—all the things that the grove owner or home ground planter ought to know before he begins work.

Griffings want to sell you trees, plants and shrubs hut they also desire you to socceed with what you buy. So they have prepared this guide book at great expects but will grad you a copy free—write for it today. Griffings have surferies at three Florida and seven other convenient Guiltosat points.
