

Spring is so much more than just a season. It is a miracle, enacted again a backdrop of perfect days. It is the time of rebirth . . . of reaffirmation. Spring is Christ's story, beautifully illustrated by nature. It is all the

Palm Sunday is here again. Never before have the doors of the Church seemed to stand quite so open . . . so ready to receive you. Never has the lesson of everlasting life . . . Christ's lesson . . . been so poignant. There will be new richness in your life if you will trust in the Church. In your soul there can be eternal spring, and all the bleakness, questioning and doubt can be erased from

munity and nation. (4) For the sake of the Church itself, which needs his moral and material support. Fish to go to church regularly and read your Bible daily.

The Church is the greatest factor on earth for the building of charac-ter and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization com

### General Westmoreland

# Optimistic About War

William C. Westmoreland has pictured the United States-as It faces possible peace talks with North Vietnam - as operating from a position of military ad-

House newsmen Sunday that "militarily we have never been in better relative position in

the offensive is now prevalent throughout Vietnam, with advantage being taken of the ene-

and briefed former President
Dwight D. Eisenhower before
heading for Saigon.

Westmoreland who has been
criticized on grounds he has
been too optimistic in the past,
read his statement with Johnson
at his left shoulder and Secretary of Defense Clark M. Clifford at his right.

The U.S., commander in Vietnam, soon to return to Washington to become Army chief of
staff, ruled out any questions
because of what he called the
sensitive nature of events.

The White House later said
Westmoreland was referring to

both the United States and North Vietnam toward possible negotiations.

Possible negotiations with North Vietnam were a major

At the outset, for the new boat skipper, the trailer should fit the craft it is to carry. Manufacturers normally describe their models in terms of capcity, or the maximum weight they can carry. The bestman should know the weight of the fuel and extra gear that is to be stowed in the cruise overland before the keel touches water. A trailer should be long enough to properly support the hull. It should ride in balance with the cradle shaped and padded in the right places to

to make the air blue.

to the car frame is essential. The safety chain is necessary and in a heavy trailer separate braking system is needed. If signal lights cannot be observed at the rear of the car when the trailer is attached, separte turn signals are needed on the trailer. A tail light is needed, and a useful addition are reflector plates or luminous tape. Most experienced trailer haulers travel "Solder" Sabich of the with the gas tank of the boat motor empty. Weight should be University of California won the evenly distributed or trimmed in the boat. Have an outside men's slalom World's Cup race mirror on the towing vehicle. Allow plently of room in passat Heavenly Valley Sunday, ing another car on the road and in executing turns. Remember posting a combined time for two you are actually driving two vehicles. Finally, watch your runs of 105.93 seconds—nearly speed. Some eager trailermen drive as though they were on the two seconds shead of France's Daytona Speedway, with the boat swaying in a 20-degree arc astern. Let safety first afloat or ashore be your motto.

Gemini (May 21 to June 21)

George pouted a while and asked his father again. His father asid, "YOUR MOTH—
ER has grounded you!"

Later I told my husband that I resented being made the "bad guy"—that he and I had made the decision to gether. A quarrel followed.

My husband said it wouldn't have hurt to let George go to town for a few hours. I said once we ground the boy, he should stay grounded.

My husband said it wouldn't have hurt to let George go to town for a few hours. I said once we ground the boy, he should stay grounded.

I'd appreciate your opin-fon.

"THE BAD GUY"

The Grat Mating Game," of the bay. How and plon Byner, liow physician and seek his help. Whet's yours? For a per-physician and seek his help. The said out. Do I have to let him back in?

Everybody has a problem. What's yours? For a per-physician and seek his help. The physician and seek his help. The p pondence that reaches you. Stop being so personal. Don't is had by all.
