

CATTS WILL BE TRIED IN FEDERAL COURT SOON ALSO IN CIRCUIT COURT

Judge Shepherd Hands Down His Decision at Pensacola CASE WILL BE SET

AND UNION COUNTY COURT ALREADY SUMMONS WITNESSES IN CASE

(By The Associated Press) LAKE BUTLER, Fla., May 12.—Witnesses for the trial of Sidney J. Catts, in Union county Circuit Court, on a charge of accepting money to influence his vote on the pardon of convicts are being summoned today. The spring term of court begins Monday. It is not believed, however, the case will be taken up until after the conclusion of the peonage trial in federal court at Pensacola, which has not yet been set, but which is expected to be held during the present terms.

PENSACOLA, May 12.—Sustaining the demurrers set up by attorneys for Sidney J. Catts, former governor of Florida with the exception of one count in each of two indictments alleging violation of the peonage laws, Judge William Sheppard yesterday handed down his decision on which the ex-governor will stand trial later.

Each of the indictments contained twelve counts, identical in construction with the exception of the names of the negroes alleged to have been victims of peonage. The negroes are El Brown and John Henry Rodgers said to have been convicts during the Catts administration.

The ninth count in both of the indictments held by Judge Sheppard follows:

"That on the 19th day of December, A. D. 1920, in the northern district of Florida before the return of this indictment and within the jurisdiction of this court, the said Sidney J. Catts, unlawfully and feloniously did hold a certain person, to-wit: The said John Henry Rodgers, to a condition of peonage by compelling him, the said John Henry Rodgers to perform labor and work to and for him, the said Sidney J. Catts in payment of a debt claimed by the said Sidney J. Catts to be due him, the said Sidney J. Catts from the said John H. Rodgers contrary to the form of the statute in such case made and provided and against the peace and dignity of the said United States."

It is not likely that the case will come to trial at this term of court as the former governor is scheduled to go on trial in the Union county court next Monday where he faces a charge of bribery.

ANOTHER WIRE TAPPER WITH VICTIM IN FLORIDA HAS BEEN ARESTED

(By The Associated Press) OCALA, May 12.—Crittenden C. Watkins, alias John Davidson has been arrested in Nichita, Kansas in connection with a ten thousand dollar swindle of Otto Handenreiser at Daytona Beach, January seventh, this year. His arrest resulted from evidence gathered in Ocala in connection with the Dunter swindle winter before last.

ANOTHER COAL MINE BLOWN UP TODAY NEAR PITTSBURG

(By The Associated Press) PITTSBURGH, May 12.—The Petterman Mine near here was blown up early today with dynamite.

HARDING AND WIFE LEAVE FOR THE OCEAN GUESTS OF SEN. EDGE

(By The Associated Press) WASHINGTON, May 12.—President Harding, Mrs. Harding and a party of friends left today for a weekend visit to Sea View Golf Club near Atlantic City as guests of Senator Edge of New Jersey.

LOS ANGELES, May 12.—Jess Willard is not seeking a return bout with Dempsey, according to a statement attributed to Willard today by a local newspaper.

SANFORD HIGH SCHOOL AGAIN ON STATE ACCREDITED LIST

An honor much sought after by high schools of the state of Florida is again accorded to our own high school. It is a difficult matter for a school to attain the distinction of being on our state accredited list, as the many regulations and qualifications are not easy to meet.

Out of one hundred and fifty-eight schools doing high school work in Florida, last year only forty of these were able to meet the conditions required for admission to the state accredited list.

One of the many advantages accruing to a school from being on the accredited list is the fact that any graduate from such a school, having taken the regular state adopted course for the full four years, is admitted to any college in Florida, and many other

Southern Colleges, without examination or other further evidence of preparation for college work. This advantage alone is sufficient to justify the efforts of the principal and school authorities in meeting the requirements of the state department of education.

Following is the letter from the State Superintendent advising us of the success of our efforts:

"Tallahassee, May 9, 1922.
"Supt. T. W. Lawton,
"Sanford, Fla.
"My Dear Sir:

"At a meeting of the State Accrediting Board held this morning, the Sanford school was accredited as a Senior High School.

Yours very truly,
"W. N. SHEATS,
"State Superintendent."

HILLIS AND HIS WIFE CONFESS TO BOND THEFT, CAUGHT IN SAVANNAH

Had \$440,000 in Bonds in Safety Deposit Box at St. Augustine

(By The Associated Press) SAVANNAH, May 12.—Pinkerton detectives announced today that J. W. Hollis, alias John Vardeman, and Bertha Fernie Hollis, alias Vardeman, held for grand larceny of half a million dollars worth of Liberty bonds from the Chase National Bank of New York, had made a clean breast of the whole robbery and missing thirty thousand dollars in bonds would be recovered within the next few hours. Four hundred and forty thousand dollars in bonds were found in a safe deposit box of the First National Bank of St. Augustine.

Detectives intimated another arrest would be made at Jacksonville where the missing \$30,000 worth of bonds are believed to have been sold to Jacksonville broker.

BETHLEHEM AND LACKAWANNA STEEL COMPANIES REPORTED MERGER STARTS INVESTIGATION

Department of Justice and Federal Commissions Will Look Into It

(By The Associated Press) WASHINGTON, May 12.—Federal inquiry into reported plans for merger of a number of the largest independent steel concerns, including the Bethlehem and Lackawanna companies, ordered today by the senate in adopting resolution of Senator LaFollette, Republican, of Wisconsin, calling upon the department of justice and federal trade commission to take steps designed to prevent combination.

MUSCLE SHOALS OFFERS COMING IN EVERY DAY, FOUR NOW ON FILE

Semi-Governmental Corporation Will Like to Take the Job

(By The Associated Press) WASHINGTON, May 12.—Four developments in congressional consideration of proposals for developing the Muscle Shoals, Ala., nitrate and power projects occurred yesterday in the senate agriculture and house military committee, and on the senate floor.

Chairman Norris, Nebraska, of the senate committee, introduced a bill providing for a semi-government corporation to take over and operate the nitrate and power projects for fifty years. The measure was drafted by James T. Floyd, former representative from Missouri, and submitted by J. H. Levering, a consulting engineer

of Los Angeles, Calif., as a modification of the bill Senator Norris recently introduced.

The Nebraska senator also made public a tentative proposal received from L. Stern, a Baltimore, Md., consulting engineer and manufacturer of chemical products. Mr. Stern's letter to transmission requested the committee to hear him at its convenience and said the formal tender would be made later, the committee declining informally to accede to the request and grant Stern a hearing.

The tentative offer of Mr. Stern provided for the operation of the nitrate and power projects for a period

RUSSIAN REPLY RECEIVED WILL NOT BE ACTED UPON TILL SOMETIME TOMORROW

BANK OF STUART ROBBED TODAY BY THREE PEOPLE

ONE DISGUISED AS WOMAN GRABBED MONEY AND BEAT IT.

(By The Associated Press) MIAMI, May 12.—The Bank of Stuart north of Palm Beach, was held up at noon today and robbed of \$5,000. Three handits, one disguised as a woman drove up in a car, forced the cashier and assistant cashier and one customer into the vault at the point of a pistol, grabbed the cash on the counter and escaped.

PORTUGUESE AVIATORS ARE SAFE AND SOUND PICKED UP BY STEAMER

(By The Associated Press) PERNAMBUCO, May 12.—The Portuguese trans-atlantic aviators are safe aboard the British steamship Paris City, says a wireless from a Portuguese cruiser. The flyers had not been heard from since they left Fernando Noronha yesterday morning. They were picked up by the Paris City yesterday afternoon.

Mrs. M. McCoy is doing permanent waving at the Welaka Apartments for a short time only. 40-2tp

of 25 to 50 years or any suitable number of years that might be determined upon. It further stated that all expenses incurred by the government at Muscle Shoals would be repaid to it at the rate of two per cent, annually and contained a provision by which the government would receive sixty per cent of all net profits made during the operation, with the lessee retaining forty per cent.

In the house committee an agreement was reached by which any of the shoals properties would be compelled to manufacture finished fertilizers whether at a profit or loss throughout the term of his operations, whether it be fifty or one hundred years. An amendment to this effect was made to the bill the committee is formulating for the house in connection with its report on the various proposals it has investigated.

Wide differences of opinion are understood to prevail in the committee over the provisions of the offer made by Henry Ford which are being discussed as the basis for the measure under construction. It was believed possible that the committeemen would be divided into three factions when the discussions were ended and as many different recommendations would be to the house.

The senate agriculture body heard Benjamin C. Marsh, managing director of the Farmer's National Council testify yesterday. He said the council was opposed to the Ford proposal or any other that deprived the government of control and operation of the projects at Muscle Shoals.

The bill introduced recently by Senator Norris, the witness believed was fundamentally sound and he recommended that legislation of a similar sort be enacted.

The bill drafted by Mr. Floyd followed the description which the agriculture committee heard yesterday in general language. It would create a \$5,000,000 corporation, headed by seven directors to be appointed by the president, three being officials of the war treasury and agriculture department.

Sub-Commission on Russian Affairs Postpone Consideration OF RUSSIAN NOTE

BRITISH AND ITALIAN DELEGATES WILLING TO GIVE RUSSIA ANOTHER CHANCE

(By The Associated Press) GENOA, May 12.—France will never agree to project for mixed commission sitting indefinitely while conference is going on to study Russian affairs according to a statement issued by the French delegation.

GENOA, May 12.—Great Britain proposed a truce in Eastern Europe on the basis of de facto frontiers pending conclusion of commission of inquiry to be appointed, it was announced today.

GENOA, May 12.—The sub-commission on Russian affairs today postponed consideration of the Russian reply until tomorrow.

GENOA, May 12.—Russia's reply to the allied memorandum, which was presented yesterday to Signor Schanzer, president of the economic conference, is generally regarded as conciliatory. At least it is considered a basis for further negotiations.

Its suggestion that all the tangled financial problems be submitted to a mixed committee of experts named by the Genoa conference provided a means of escape from the present superheated atmosphere, which appears to be unfavorable for the settlement of the myriad questions arising from the Russian situation.

England regards the reply as moderately conciliatory; so also does Italy. The Italian foreign minister has been working day and night to prevent a break which seemed imminent through the opposition of France and Belgium to the settlement of the property question which Great Britain and the lesser powers will approve.

France expresses great disappointment at the reply, and Belgium is far from satisfied. M. Barthou, head of the French delegation, declared after an examination of the text that the reply did not get any where and was not really an answer at all to the allied proposals. Consequently it will not be certain until later he has conferred with the government in Paris whether the Russian proposals will be accepted by the French as a basis for continuation of the discussion.

CARPENTIER WON THE FIGHT FAIR, SQUARE

BLOW THAT PUT OUT LEWIS WAS LEGITIMATE ACCORDING TO REFEREE

(By The Associated Press) LONDON, May 12.—Blow with which Carpentier knocked out Lewis in the first round here last night, was legitimate in the judgement of experts who covered the fight. The cries of "foul" came from all parts of the auditorium when the blow was struck. Joe Palmer, the referee was quoted as saying, "The blow was perfectly fair. The men had broken from the clinch and it was Lewis' business to protect himself and this he failed to do."

LONDON, May 12.—An agreement for Carpentier and Dempsey to meet either in Paris or London before next May was reached by Kearns and DesCamp, Kearns told the Associated Press today.

WILL ELECT FIVE BISHOPS IN THE FUTURE DECIDED AT CONFERENCE

(By The Associated Press) HOT SPRINGS, Ark., The Genoa! Conference Methodist Episcopal Church, South, today adopted a report of its committee on Episcopacy, providing for election of five bishops.

COLLIE MOURNS FOR BOY MASTER BURIED ALIVE IN PLAY CAVE

JACKSONVILLE, May 11.—A large collie dog was one of the chief mourners at the funeral here yesterday of its master, J. D. Crabb, an 11 year-old lad who was suffocated to death Monday night when a tunnel the boy and his playmates had dug under his home, caved in. The collie was at the mortuary this morning when it was opened and during the funeral service in the chapel took a place under the casket where his howls were so frequent as to interrupt the proceedings. When the casket was placed in the hearse to be taken to the train the dog climbed in and all efforts to remove him were unavailing. He made the trip to the train.

When the tunnel caved in "J. D.'s" mother and the dog began digging for the lad at the same moment. With the removal of the body the collie was locked up, but broke out yesterday he remained at the scene of the disaster refusing to be driven away.

WANTED

HOUSEKEEPERS, who like pickles, cucumbers for pickling, peck, 25c; bushel, 75c.—Edwin Randall, 819 First St. 39-31p

WANTED TO RENT—A good piano for a few months. Best of care.—Mrs. George Herring, French Avenue, Sanford. 36-31c

Florida Pastor Sways Methodist General Body

(By The Associated Press) HOT SPRINGS, May 11.—Following a hot debate in which one superior warned against what he characterized as growing form of radicalism within the church, the nineteenth General Quadrennial Conference of the Methodist Episcopal Church, South in session here, yesterday rejected by majority of eight votes, a recommendation that the right to administer the sacrament be invested in unordained ministers.

The vote on the recommendation, which was made in a minority report, was 178 to 170. The conference then adopted by a vote of 188 to 115, the majority report recommending that the legislation proposed be not enacted. Half a dozen superiors argued the merits of the sacrament issue but it remained for Dr. J. P. Hilburn of Orlando, Fla., to sow the conference against the proposal through an impassioned address in which he injected his charge of growing radicalism in church affairs. He said he did not believe the church should depart from time honored customs and tradition which had withstood the test of the years that the denomination had existed.

Revision of the statutes governing operation of the Sunday school board of the church was accomplished at yesterday's session when the conference adopted a committee report separating the offices of the Sunday school editor and general secretary and providing for the addition of two bishops to the board. The report was adopted without debate and the church leaders said the new legislation promised to increase greatly the scope of the church's Sunday school work.

Heretofore the Sunday school board personnel has included only one bishop and the duties of editor and general secretary have been performed by one person. The reorganization plan provides that the editor and general secretary shall be elected. A number of minor changes in the Sunday school board law also were included in the report.

One presiding elder safely weathered a broadside attack upon his prerogatives at yesterday's session when the conference, by an overwhelming vote, sustained an adverse report on a bill which proposed to require him to submit written reports of his work quarterly to the bishop of his conference. Leaders said they saw in their action a disposition on the part of the church to leave uncurtailed the rights and authority of its presiding elders.

Many delegates said they saw in the conference's action a desire to retain the other customs and traditions of the denomination and last night they were predicting that other measures now pending before the body a containing radical clauses would meet a similar fate.

SMALL CASE GOES TO JURY SOME TIME SOON

(By The Associated Press) WAUKEGAN, Ill., May 11.—The jury to try Gov. Len Small on charges of embezzlement of state funds was completed this afternoon soon after resumption of the trial following a two-and-a-half day delay due to the illness of Judge Clair C. Edwards.

CHICAGO, May 11.—Six women held in the county jail on contempt of court proceedings despite the fact that they were pardoned by Gov. Len Small, yesterday were ordered released by Judge Dennis O'Sullivan of superior court after he had conducted on his own initiative, an investigation into the affair. Three were ordered released outright and three were placed on probation for a year. Four of the women had their children in their cells with them.

PORTER FRACTURES LEG

(By The Associated Press) JACKSONVILLE, May 11.—"Snoddy" Porter, second baseman for the Daytona State League club, sustained a fractured leg when he slid into second in the eighth innings of yesterday's game between Daytona and Jacksonville. He was attempting to steal after having singled. It is believed he will be out of the game several weeks.

CHESSER ON TRIAL FOR MURDER NEGRO

(By The Associated Press) ST. AUGUSTINE, May 11.—Trial of William O. Chesser, charged with the murder of a negro chauffeur on a lonely road fourteen miles south of here Christmas Eve night, began here yesterday. The body of the negro was found sitting at the steering wheel of his car and with the motor still running. He had been shot in the head. The state's case is said to hang on a signed statement by Chesser's mother-in-law in which she charged Chesser confessed the killing and said he had killed three ne-

STATE POSTMASTERS TO MEET AT DAYTONA

(By The Associated Press) DAYTONA, May 11.—The annual meeting of the Florida Association of Postmasters to be held at Daytona May 23 to 25 is expected to be more largely attended than any previous meeting because of the steps taken by postal authorities to facilitate the absence of those desiring to attend.

According to information received by those in charge of arrangements for the meeting it will not be necessary this year for a postmaster to obtain a leave of absence. He may go ahead to the meeting and on his return must file a report with his immediate inspector giving the number of days absent from his post.

N. A. Stumps, of Palatka, president of the association, will preside at the meeting.

CENTRAL FLORIDA DENTISTS GATHER ORLANDO TODAY

Come From Eleven Counties to Form Central Florida Dental Ass'n.

ORLANDO, May 11.—Dentists from eleven counties in Central Florida will meet in Orlando this evening at the Empire Hotel to form the Central Florida Dental Association. The Orange County Dental Association will be hosts.

Dr. S. F. Thompson, vice-president of the Orange County organization, said yesterday that similar associations are to be formed in six districts of the state, to be known as the West Coast, the East Coast, the Southern, the Central, the Northwest and the Northeast Associations. When the organizations are completed it is planned to hold clinics when lectures on professional subjects will be given by prominent authorities.

The counties to be represented here this evening are: Osceola, Alachua, Seminole, Brevard, Lake, Sumter, Hernando, Citrus, Volusia, Marion and Orange. Nearly a hundred delegates are expected to attend.

KIWANIANS HAD FINE MEETING YESTERDAY

The Kiwanis Club of Sanford met yesterday at the Valdez Hotel and had a splendid meeting. The meeting day has been changed from Thursday to Wednesday on account of the half holidays on Thursday.

Kiwanian Dumas made a report on the intercity meet held at Lakeland some few nights ago, and from this report it appears that much good had been accomplished at the meeting. Mr. Dumas brought many good things to the local club, gleaned from the Lakeland meet. His report on the conduct of the individuals composing the Sanford delegation was great and brought forth many rounds of applause. This was especially interesting owing to the fact that one of Sanford's leading pastors was included in the delegation.

Vice-President Sharon reported on the Boy Scout work and stated that \$100 was needed from the Kiwanis Club to further the plans for the boys. Immediately the matter of finance was taken up, and taken care of, showing just where the Kiwanians stood when it came to doing something for the boys.

Mr. Christ, of Montgomery, was present as a guest and addressed the Club.

Prof. McKay was taken suddenly ill at the luncheon and it became necessary to draw his capsule or pill from the box to quiet his nerves. The professor will speak four weeks from yesterday and needless to say his subject will be timely and his discourse will be good.

For quick results, try a want ad.

**FIGHT CONTINUES
OVER NEW TARIFF
BILL IN SENATE**

(By The Associated Press)
WASHINGTON May 11.—Sharp clashes between Republican and Democratic leaders marked Senate consideration yesterday of the tariff bill.

Referring to the night session, decided upon by the majority and starting last night, Senator Simmons, North Carolina, Democratic leader, charged that the Republicans were "driving with whip and spur and indecent haste" to pass the measure. Senator McCumber, Republican, North Dakota, in charge of the bill, countered with a declaration that the Democrats were undertaking to kill the legislation by means of filibuster and declared that the Republicans, proposed to defeat that purpose.

The charge of delay was renewed later by Senator Smoot, of Utah, ranking Republican on the Senate finance committee, who, after an exchange with Senator Jones of New Mexico, a Democratic member of that committee, declared he was not going to be a party to "time killing" by undertaking to explain how the committee arrived at every rate in detail when no explanation would be satisfactory to the senator.

Senator Jones declared the people of the country were entitled to know just how the committee reached its decisions on the proposed duties. He charged that the committee had acted without definite information and said the whole bill was "nothing but a hopper full of different ideas and different guesses."

Declaring that the measure was designed "not for protection but for exploitation," Senator Simmons told the Senate time would be necessary for discussion. He added, however, that the minority wanted to see it passed before the election, as they were satisfied the country would condemn it an those responsible for it.

Specifically, the chemical schedule came up again yesterday. During discussion of it Senator Hitchcock, Democrat, Nebraska, declared that it was directed against Germany for the purpose of destroying import trade with that country. Remarking that the Senate finance committee was "trying to frighten the people of the country with the ghost of Germany," Senator Joiner said that country had recovered only 39 per cent of its pre-war trade.

WEST PALM BEACH, May 11.—Municipal Judge Earman and attaches of his tribunal received a mild shock one day this week when a dice shooter, fined \$25 for gambling, nonchalantly pulled a roll of currency from his pocket, peeled off a \$500 bill, passed it to the clerk and smilingly asked for his change. Police Chief Mathews the night before ran into a quiet "crap game" in the rear of a building on Datura street and single-handedly captured twenty-three devotees of the pastime. All were fined \$25 and the city treasury as a result of the court session was enriched \$675.

**MR. W. A. MacWILLIAMS
CANDIDATE FOR CONGRESS
HAS ISSUED THE FOLLOWING
STATEMENT**

1. I am not the candidate of any class, faction nor special interests.
2. I stand for liberal appropriations for Education, realizing if our country is to endure, its citizens must be informed of the basic principals of our Government.
3. The National Road Laws should be amended to bring about the changes of specifications for road building in the State in accordance with our local and climatic conditions, thereby giving us greater benefits from Government aid.
4. I am in favor of the Government turning over to Henry Ford Muscle Shoals, to the end that the farmers may secure cheaper fertilizers.
5. I believe in a country which produces more than it consumes, a high protective tariff is economically unwise, but if the consumers of the Fourth District are compelled to pay a high protective price for the articles of production should be protected.
6. I believe the Government should generously meet its full duty to our ex-service men. For once let history show Republics are grateful.
7. I am in favor of the present limitation on immigration, but would favor an absolute bar for a specified number of years.
8. Florida's greatest problem for further development is transportation and improvement of inland waterways. I cannot promise to obtain all the Fourth District needs and deserves at the hands of the General Government, but I do promise untiring, attentive and energetic efforts in that behalf.
9. I believe changes in the Federal Reserve Bank Act should be made, it never was intended that the Government should exploit the borrow-

ing public in the sum of over one hundred millions a year, and this after the paying of exorbitantly high salaries and bonuses to its officers and employees, and all this against the small banks and in the interests of the large Banks in the money centers of our country.

10. I believe the present laws for reformation should be enlarged and made more effective.

11. I believe in economy in handling Governmental affairs, there exists undue extravagance at present. The Government has no right to take any more money from the people than is necessary to economically administer the Government.

**NOTICE OF CHARTER
AMENDMENT
ELECTION**

Whereas, the City Commission of the City of Sanford, Florida, on the 3rd day of May, A. D. 1922, duly passed and adopted a certain ordinance entitled "An Ordinance Amending Sections 7, 97, 164, 206 and 217; and Repealing Section 174 of Chapter 8361, Laws of Florida, 1919, Entitled, "An Act to Abolish the Present Municipal Government of the City of Sanford, County of Seminole, State of Florida, and to Organize, Incorporate and Establish a City Government for the Same, and to Prescribe the Jurisdiction, Powers and Functions of Said Municipality";

Whereas, said ordinance provides for the amendment of Sec. 7; Sec. 97; Sec. 164; Sec. 206; and Sec. 217, and the repeal of Sec. 174 of the charter under which the City of Sanford, Florida, is now operating and functioning, and

Whereas, it is provided by the charter of the City of Sanford, Florida, that any proposed amendment of said charter shall be submitted for approval or rejection to the electors of the City of Sanford, Florida, at an election duly called and held for said purpose,

Therefore, I, C. E. Henry, as mayor of the City of Sanford, Florida, under and by virtue of the authority in me vested, and we, C. E. Henry, S. O. Chase and Forest Lake, as Commissioners of the City of Sanford, Florida, composing and comprising the City Commission of the City of Sanford, Florida, do hereby call an election to be held in the City of Sanford, Florida, on the 14th day of June, A. D. 1922, to determine the question by the referendum vote of a majority of the electors of said City qualified to vote, participating in said election, whether the amendments of the present charter of the City of Sanford, Florida, proposed by the aforesaid ordinance shall be adopted and approved, either in whole or in part.

And I, C. E. Henry, as Mayor of the City of Sanford, Florida, and we, C. E. Henry, S. O. Chase and Forest Lake, as the City Commission of the City of Sanford, Florida, do hereby appoint V. E. Douglass, O. P. Herndon and R. C. Maxwell, Inspectors of said election, and W. M. Haynes, Clerk of said election.

The said election hereby ordered and called to be held on the said 14th day of June, A. D. 1922, shall be held and conducted in the manner prescribed by the ordinances and the charter of the City of Sanford, Florida.

And it is further ordered that the date of the election hereby ordered to be held the City Auditor and Clerk shall mail a copy of the aforesaid ordinance proposing the amendments to the present charter of the City of Sanford, Florida, to each elector whose name appears upon the registration books of the city.

WITNESS the hands of C. E. Henry, as Mayor of the City of Sanford, and C. E. Henry, S. O. Chase and Forest Lake, as Commissioners, composing the City Commission of the City of Sanford, Florida, attested by L. R. Phillips, Clerk of the City of Sanford, Florida, and the corporate seal of the City of Sanford, Florida, on this the 10th day of April A. D. 1922.

CHAS. E. HENRY,
As Mayor of the City of Sanford, Florida.
S. O. HASE,
CHAS. E. HENRY,
FOREST LAKE,
As the City Commission of the City of Sanford, Florida.

Attest:
L. R. PHILLIPS, (SEAL)
City Clerk of the City of Sanford, Florida.
5-5-12-19-26, 4-2-9.

NOTICE TO VOTERS

Sanford, Florida, May 10th, 1922.
To the Voters of Sanford, Florida:
In Re: Proposed Bond Issue of the City of Sanford, Florida.
We, the City Commission of the City of Sanford, Florida, deem it advisable to address a letter to all of the

voters of the City, explaining the matter of the handling of the proposed bond issue for \$625,000.00 to be voted upon on the 17th day of May, 1922. The impression seems to be prevalent that the entire proposed issue of bonds will be a straight bonded obligation of the City for the full sum of \$625,000.00. This is not true. Of the aggregate issue of bonds in the sum of \$625,000.00, \$300,000.00 represents the cost of the local improvements to be made in the paving and hard surfacing of certain streets to be borne by the abutting property owners owning property on the streets to be paved; one-third of the cost of the improvement of all streets is to be borne by the City, except the extension of Park Avenue into Lake Monroe, which shall be paid for in full by the City, and one-third of the cost of said paving is to be borne by the property owners on each side of the streets improved. Therefore, of the total issue of bonds in the sum of \$625,000.00, the burden to be borne entirely by the City is in reality, only \$325,000.00.

Certificates of indebtedness will be issued against each piece of land abutting the streets to be improved and paved. These certificates of indebtedness will be made payable in not less than one year nor more than ten years. The City will hold and claim a lien against the abutting property abutting upon the streets improved. These certificates of indebtedness will be deposited and held in the Improvement Fund and the yearly installments paid thereon on account of principal and interest will provide the necessary fund for the retirement of \$300,000.00 of this proposed issue of bonds at the rate of \$30,000.00 per year. The yearly collection on these certificates of indebtedness will automatically provide a sufficient fund to take care of the interest on \$300,000.00 of this issue of bonds and to retire the sum of \$300,000.00 of this issue of bonds at the rate of \$30,000.00 per year, leaving of the aggregate issue, \$325,000.00, which will not mature until thirty years after the date of the issuance thereof. In other words, the City will only be required from general taxation, to provide an interest and sinking fund account to retire \$325,000.00 of the total issue of \$625,000.00, and when all certificates of indebtedness issued against the property abutting upon the streets to be improved have been paid and cancelled, the funds received in connection therewith, will be entirely sufficient to provide for the interest on and to retire \$300,000.00 of the proposed issue of \$625,000.00.

The Commission is committed to a definite plan with reference to the improvement and paving of certain streets of the City of Sanford, but for technical legal reasons, it was impossible for the commission to set forth in the proposed bonding ordinance the streets to be paved and hard surfaced. This will be done in a supplemental proceeding in connection with the issue of bonds in the sum of \$625,000.00 and an ordinance providing for these improvements will be duly enacted immediately upon the ratification of the bonding ordinance to be voted upon on the 17th day of May, 1922.

The streets to be improved with the proceeds of the proposed bond issue are as follows:

- Mellonville Ave., to be paved for a width of 16 ft., from Celery Avenue South to S. & E. R. R.
- Cypress Avenue, to be paved for a width of 18 feet, from Union Avenue, to Ninth Street.
- Sanford Avenue, to be paved for a width of 24 feet from Poplar Avenue South to City limits.
- Palmetto Avenue, to be paved 32 feet from Commercial street to Lake.
- Palmetto Avenue, to be paved for a width of 30 feet from Second street to Third Street.
- Palmetto Avenue, to be paved for a width of 24 feet from Third Street to Fifteenth Street.
- Palmetto Avenue, to be paved for a width of 16 feet from Central Avenue to Hughey Street.
- Magnolia Avenue, to be paved for a width of 24 feet from Tenth Street to Central Avenue.
- Park Avenue, to be paved for a width of 32 feet from Fulton Street to Lake.
- Oak Avenue, to be paved for a width of 24 feet from Tenth Street to Thirteenth Street.
- Myrtle Avenue, to be paved for a width of 24 feet from Fourth Street to Ninth Street.
- Myrtle Avenue, to be paved for a width of 18 feet from Ninth Street to Thirteenth Street.
- Elm Avenue, to be paved for a width of 24 feet from First Street to Thirteenth Street.
- Laurel Avenue, to be paved for a width of 18 feet from Sixth Street to Thirteenth Street.
- French Avenue, to be paved for a width of 24 feet from Commercial Street to Tenth Street.
- French Avenue, to be paved for a width of 16 feet from Commercial Street to Lake.
- Commercial Street, to be paved for a width of 16 feet from Palmetto Avenue to Park Avenue.

- West First Street, to be paved for a width of 24 feet from Poplar Street to Jesamine Ave.
 - West First Street, to be paved for a width of 18 feet from Jesamine Ave., to City limits.
 - Second Street, to be paved for a width of 24 feet from Oak Avenue to French Avenue.
 - Third Street, to be paved for a width of 24 feet from Sanford Avenue to Mill Creek.
 - Third Street, to be paved for a width of 16 feet from Mill Creek to Avacado Ave., thence North to First Street.
 - Fourth Street, to be paved for a width of 24 feet from Sanford Ave., to Myrtle Avenue.
 - Fifth Street, to be paved for a width of 24 feet from Magnolia Avenue to Myrtle Avenue.
 - Sixth Street, to be paved for a width of 24 feet from Magnolia Avenue to Oak Avenue.
 - Seventh Street, to be paved for a width of 16 feet from Magnolia Avenue to Locust Avenue.
 - Seventh Street, to be paved for a width of 9 feet from Locust Avenue to Mellonville Avenue.
 - Ninth Street, to be paved for a width of 24 feet from Sanford Avenue to Park Avenue.
 - Ninth Street, to be paved for a width of 16 feet from Cypress Avenue to Sanford Avenue.
 - Tenth Street, to be paved for a width of 24 feet from Park Avenue to Oak Avenue.
 - Thirteenth Street, to be paved for a width of 24 feet from Sanford Avenue to French Avenue.
 - Central Street, to be paved for a width of 24 feet from Sanford Avenue to Park Avenue.
 - Central Street, to be paved for a width of 16 feet from Park Avenue to French Avenue.
- We trust that by this communication we have been able to make it clear to the voters of the City of Sanford, just what we intend to do with the proposed issue of bonds and the manner in which we propose to issue same.

C. E. HENRY,
S. O. CHASE,
FOREST LAKE,

How the Famous Disc Clutch of the Buick "Four" Proved Itself

The same design of disc clutch that was used in the powerful war tanks is likewise used in the Buick Four. The Buick clutch under the most gruelling conditions, has proved itself absolutely positive, dependable, and easy to operate—a clutch that demonstrated the same certainty and safety for unforeseen emergency that it did for ordinary service.

This thoroughly trustworthy unit is a development of 20 years of consistent effort. It is typically representative of the standards governing the construction of the Buick Four throughout.

Yourself

Do not try to pay bills without a checking account.

If you do, you will surely get all tangled up. Endorsed checks are legal receipts; and, besides, with a checking account, you can keep an accurate record of your expenditures.

The Peoples Bank of Sanford cordially invites you to become one of its customers.

The Peoples Bank of Sanford

UPSALA AND GRAPEVILLE

Mr. and Mrs. Andrew Bertleson entertained guests from Sanford on Sunday.

Miss Bright Laney was a visitor over Sunday of Miss Margaret Ericson.

Mr. Thompson was a dinner guest Saturday of Mr. and Mrs. Charles Cramer, who later carried him home going on as usual down to see their aunt Mrs. Collier who is still at Fort Meade, Vernon accompanying them.

Mr. and Mrs. Henderson of near Meade were Sunday guests at the home of his son, Will, who has not yet recovered from the influenza, as the doctor calls it.

John Miller tells us he has had electric lights placed in his home and they are expecting more out soon. We are sure glad to see the places being up and new homes being built and old ones painted and repaired.

Forrest West is also adding on an extension to his kitchen and back porch. Charley Cramer has been helping for a few days.

Let us not forget the preaching next Sunday at the Lutheran Church at 11, in Swedish and English, at evening, with Sunday school as usual at the Presbyterian at 2 P. M.

Rev. J. S. Clark gave us an extra good sermon last Sunday showing that we now in the church age are under the period of a place of truth.

We are pleased to have with us Mr. and Mrs. Dunn and family as well as Miss Leebour. Sorry there is no way for the pastor to get over for the mid week meeting.

Mrs. Cooper of New Smyrna a cousin of Mrs. Volle Williams and Charles Miller of Owensburg, Kentucky, was here to attend the funeral of her father, Mr. Wm. Miller.

They took the uncle over to New Smyrna and on Sunday to his late brother's home near Orlando; later in the day he left to return home.

Mr. and Mrs. Yewell, the former a childhood chum of the deceased were also present, lately having come to reside in Orlando from Kentucky.

Mr. and Mrs. Harold Haskins were visitors Sunday at the home of their sister Mrs. Nason and father, Mr. Nason.

Mr. and Mrs. E. F. Lundquist and children spent Sunday at the home of her parents, Mr. and Mrs. August Pearson, while Archie had as his first, C. E. Bergquist from Sanford.

Mr. Tyner is expecting relatives from Windermere next Sunday and Emil Magnuson.

GENEVA

Mr. and Mrs. Chandler and family and Mr. and Mrs. Miller of Moore Station spent Sunday with Mr. and Mrs. John Phillips.

Mrs. P. N. Wakefield spent Saturday afternoon in Sanford attending meet of the Woman's Club.

Mr. and Mrs. Tom McClain were calling on relatives and friends here Sunday.

The May picnic that was held at Lake Harney Saturday was well attended.

Mrs. Eichner left last week for St. Augustine to visit her daughter.

Mr. Fred McFarlane returned home Monday from Alabama.

Mr. and Mrs. J. F. McClellan and family called on Mrs. J. M. Prevatt Sunday afternoon.

Mrs. P. N. Wakefield and Mr. and Mrs. T. W. Prevatt were in Sanford on business Friday.

Mr. Huddleston was in Sanford Monday delivering fresh eggs and vegetables and butter.

Mr. Roland Reed of Lake Harney who has been ill with the fever was taken to the St. Augustine hospital last Monday.

E. H. Kilbee, county commissioner was in Sanford Monday calling on friends and transacting business.

Mrs. Georgia Sipp and children left for New Smyrna to visit relatives and friends.

Rev. Gohard spent Saturday in Sanford. He has a fine watermelon patch but has not shipped any yet.

Mr. and Mrs. Doc Wilson and grandson of Daytona Beach spent last week visiting Mrs. McFarlane.

Mr. and Mrs. Clifford Proctor called on Mr. and Mrs. T. W. Prevatt Friday evening.

Mr. and Mrs. I. D. Hart of Beck Hammock spent Tuesday evening with Mr. and Mrs. Clifford Proctor.

Porter N. Wakefield is in Miami this week serving on the grand jury.

LAKE MARY

Mr. Fred Harden returned Wednesday from the Fernald-Laughton hospital where he has been for the past two weeks.

Mr. and Mrs. Will Evans and two children of Tampa spent the weekend here returning to their home Tuesday.

Mrs. Anna Swanson is spending the week in DeLand, taking care of Mrs. H. E. Braddock, who has been sick for some time.

Mr. and Mrs. Milton Barlow and Mr. and Mrs. Baxter Long and Misses Hazel and Bessie Quigg all of Orlando were Sunday visitors at the home of Mr. and Mrs. Quigg here.

Mr. Engersol gave a house raising Wednesday afternoon. Quite a few went to help the cause along.

H. D. Durant and family and Mrs. N. H. Braddock was called to DeLand Friday afternoon on account of the illness of their sister-in-law, Mrs. H. E. Braddock.

Mr. and Mrs. J. A. Braddock of Pierson have purchased several lots here and is having a new bungalow erected on them. They have disposed of their home at Pierson and expect to make this their home.

Mr. Vernay is building a nice house at his Crystal Lake place, where the McCracken house formerly stood.

Mrs. J. E. Singletary arrived Wednesday from Orlando, to settle down in her new home recently purchased here.

A. D. Parish has commenced the erection of a new bungalow.

Employment Bureau.

Florida growers are reaping rich rewards for their labor.

People are so busy they have no time to talk about politics. The country is gradually getting right.

So much is being said about the flapper nowadays. We heard all that years ago in England. It is old stuff now.

We speak for one of those new cars that will run for 300 miles on a gallon of gas. Anything to take a fall out of J. Damn Rockefeller, you know.

Why should they make fun of Earl Naugle of the St. Petersburg Times? He is not bald headed. Just has a high forehead like we have.

"There are six hundred varieties of fish on the East Coast" says the Melbourne Times. Ought to get a good place to sell oil and gold mine stock and other get-rich-quick stuff.

They can call it Ford Shoals in after years because it will be known as the place where the government "shoaled" Henry Ford just at the time when the people needed cheaper fertilizer, cheaper power and cheaper everything.

AMERICANS ARE SPENDERS

Americans are spending money just like water and instead of practicing economy they are saving at the spigot and wasting at the bung-hole and this is more apparent this year than ever according to the financiers of this country. Other reports say that business was never better and therefore we are torn between the doubts of whether it is not a good plan to have what we want and thus make good times or adopt a period of saving and shut off the manufacturing industries as was done a year ago when a period of saving almost kicked the manufacturers into oblivion.

Americans are saving at the spigot and wasting at the bung-hole, at a period when they should be discarding non-essentials and clinging to necessities, John E. Edgerton, president of the National Association of Manufacturers declared at the annual convention of the organization Tuesday.

"High-priced hotels, theatres, ball parks and other camping grounds of amusement and non-production, are enlarging their capacities to accommodate the ever-increasing army of refugees from the storms of life," he declared.

"Golf clubs, cigar factories, jewelry establishments, walking cane emporiums, pet dog kennels, canary bird dispensaries and bootlegging joints are flourishing as never before. Every street and highway throughout, the land is teeming with automobiles that

GROCERIES FRUITS AND VEGETABLES

Courtesy and Prompt Service Our Motto

DEANE TURNER, Phone 37-491, WELAKA BLOCK

are burning expensive gasoline in the presence of self-imposed idleness.

"And all of this time the cities of North, South, East and West are teeming with the multitudes of weary—the constructive forces of society with marvellously increased demands upon them, are at this moment suffering for the lack of adequate nourishment."

Mr. Edgerton asserted that the chief economic problem of the day is that there are too many middlemen in the industrial fabric with too many persons engaged in distributing the products turned out by the farmers and the manufacturers.

ON TO TITUSVILLE

The public hearing on the waterways of Florida meaning either the St. Johns river or the east coast canal or both will be held in Titusville next Tuesday, said hearing being before the U. S. engineers and it will mean more for this great project than anything that has been agitated in many years. The title of the Inland Waterway thru Florida ought to be settled for all time after this meeting is over and we can then go to work on some settled project for deeper waterways and make our work count. All central and south Florida should be there and Sanford in particular. Every business man here should arrange to go to the meeting in Titusville Tuesday. It matters not about how busy you may be. Unless this St. Johns river project is put over you will not have any business—the railroads will have it soaked up in high freight rates and some other town will have it. Go to Titusville and show your colors.

SPEAKING OF BOND ISSUES

Bond issues are something that we are obliged to have in every growing community—with accent on the "growing." No dead community is ever worried about bond issues because they are content with what they have, content with what they had 100 years in the past and seemingly are content to let the 100 years in the future wag along without any improvements. Such communities are fine places for some people to reside—people who want low taxes, want cows to roam in the streets and pigs to pasture in the parlors in a Irish style, no streets or sidewalks, no white way or well-lighted streets because the inhabitants go to bed at eight o'clock. Such communities are never bothered by bond issues or anything else. They want the same little old red school house with all the inconveniences because it was good enough for their grandfathers and fathers and themselves and according to their notion should be good enough for their children. They do not want a well lighted street in their village because in their youth such things were not known. No such new fangled ideas of airplanes, automobiles, fire truck, paved streets, sewers, up-to-date methods of all kinds. Seemingly they can get along very well without these improvements and they are honest in their belief for they can get along without all of them and do get along in some instances without them. We know of people who on account of the expense of installing an engine and pump at their place would allow their wife to pump all the water for household purposes rather than spend a sum of money that would put the water in every part of the house and the head of the house was a man with plenty of money. He would rather work his wife to death than to spend a little money that would add years to her life and give his family a modern convenience. However, the man thought he was right until one day he slipped up and in a moment of abstraction bought an outfit and now he is the proudest man in the county—because as he expressed it he had foresight enough to look ahead and put in modern improvements. He might just as well have had the improvements years ago and his family would have felt more like staying on the old home place longer than they did.

A man has a right to think as he pleases and do as he pleases on all of these matters. He has a perfect right to vote for bonds or against bonds just as he pleases and the Herald grants him that right and has no quarrel—in fact we do not even attempt to argue with a man who does not believe in bonds. There are occasions when the bonds come too fast and furious and there might be occasions when some part of the bond specifications would not suit certain people. They have the recourse to go to the city commissioners or the county commissioners as the case may be and state their case and have the specifications changed. This is the tax payer's recourse before the specifications are printed and if any of the streets or roads are to be changed they should be changed at that time. But aside from the fact that roads and streets cannot be constructed by the door of every man in the county or city it should be the honest endeavor of every man in the county

UNCLE HANK

The feller who hitches his wagon to a star haint bothered with any tall gettin' mixed up with th' reins.

to boost for the improvements that will mean something to our community regardless, whether it means anything to the individual or not. Thus it comes down to the fact that the community that does not want any improvements never grows any larger than the people compose that community and it remains in the village class. That is called contentment and contentment is the death of progress where contentment is carried out to such a degree that every one is contented to sit down and let the world go by.

But those who do not want any improvements are not doing their part toward their children, toward their fellowman and toward their town in general for many reasons and the chief reason is that while they are content to keep their town in the village class other towns less favored are making these improvements and are going ahead and the property values are increasing on account of the improvements and the hold backs are holding back not only their own individual interests but those of their neighbors.

The men with big property interests are usually found pushing bond issues because they know that every improvement adds to the value of their property. For instance—here in Sanford we are needing at least 200 new homes to take care of the new people. They want to come here and they cannot locate until we have a home for them. 200 new people would add greatly to the population, add greatly to the business, add greatly to every avenue of business and civic life. There are many good residential properties in and around Sanford that would give the people 500 new homes if this property had improvements. The people living in the suburbs are entitled to it and they should have it. They will never have it unless bonds are voted for the improvements.

This city needs a municipal pier and boat basin. It means that when Sanford has deeper water and the pier will help to get it that our fleet of ships can tie up to municipal wharfs at any time. It means that the tourists can have the wharf and the boat basin and they will remain here all winter. The new streets and sewers and other improvements are all needed and the people of this city who have been keeping up with the march of progress know and feel that now is the accepted time to vote bonds for the making of a great city here at the head of navigation. We cannot expect wealthy men to come here and invest money unless we show the right kind of spirit in having faith in our own city to the extent that we go after the needed improvements. Voting bonds is just like a good business man who knows what his business will do and has faith in his business and his city, who wants to launch out and grow bigger and needs the money for the improvements. He borrows the money at the bank and the bank loans him the money nine times out of ten on the supposition that he will make good and pay it back which in nine times out of ten he does. If he laid back on the job and was content to do little business he could always do that little bit until his city grew up around him and shut him off from the big business that follows the natural growth of the city. He would always be a little fellow, always be found in his same little rut, always be content, always be satisfied with what he had, pay attention to nothing but his own little business, care nothing about his town growing, crawl into his shell and stay there while the world grew apace all around him and finally die and be gathered to his fathers—and he would have been well within his rights to have lived his life as he ordered it.

We contend that every man has a perfect right to do as he pleases about all this voting business. That is his right and his prerogative as an American citizen. Only this—if we want a city of ten thousand here in two years, a city of twenty five thousand here in five years—we must vote bonds for the improvements that will mean all this and if you want to help this city grow into a big city and see your property

double in value in two years on account of these improvements vote for the bonds.

This is about all for this time and is merely expressing our opinion, which of course, has nothing in the world to do with your opinion.

OUR PAPERS ARE GROWING

The Daily Herald and the Weekly Herald are growing by leaps and bounds. The Daily Herald has a subscription list that is six times larger than it was last year at this time and the Weekly Herald is taking on new subscribers every week. The big weekly goes out today to more than 2,000 subscribers and it contains twelve pages of good reading matter with the tax sales for the city and the county. It is a compendium of all the happenings of the world at large and the city and county arranged for the weekly subscribers. It is worth \$3 per year but we have put the price to \$2 in order that every person living in the county could get on the list. The Daily Herald has grown out of all bounds and it is with a degree of great satisfaction that we note the local merchants giving the daily and weekly Herald's their advertising and business. We intend to merit this patronage all the time and when our county grows we will grow with it. We have nothing more to gain than the people of the county and our biggest fortune is in the boosting of the county and city and watching them grow from day to day.

When some of our friends are making thousands out of this growth we are making pennies but we are not doing this for money alone—if we were we would get into some other line of business. There is a genuine satisfaction in building up our community and we are experiencing that satisfaction to the fullest. The patronage we obtain in an acknowledgement of the pulling power of the paper we represent and a token of the loyalty of the home people toward their own home papers.

BOND THIEVES HAD A FLORIDA HANGOUT

(By The Associated Press) ST. AUGUSTINE, May 12.—The theft of \$500,000 in Liberty bonds from the Chase National Bank of New York was planned several weeks before it took place, according to private detectives who came here on trial of J. W. Vardeman and yesterday recovered \$440,000 of the missing bonds.

Their investigation had disclosed, they said, that an associate of Vardeman, former employee of the bank, and now under arrest at Savannah, Ga., came here last March and rented a hut at Merritt's Island, near here. Later, they claim their investigation disclosed, Vardeman and three companions spent some time on the island. Whether these companions had any part in the alleged robbery, however, or whether the detectives expected to make further arrests in connection with the case, they would not say. The secret operatives detailed their trail of Vardeman and said that the alleged principals in the plot had been under surveillance for some time before their arrest, but that no arrests were made until the bonds were located.

Of the sixty thousand dollars worth of bonds still unrecovered, the detectives say, three were of ten thousand dollar denomination and thirty of one thousand denomination.

Vardeman, according to the detectives, has a 12 year old son living with the sister of his wife in Oklahoma.

It has not yet been determined whether he will be brought here to answer to a warrant in connection with the case or whether other authorities will be allowed jurisdiction.

SOCIETY

MRS. FRED DAIGER, Society Editor,
Phone 217-W

If you have any friends visiting you—if you are going anywhere or coming home, or if you are entertaining, write a postal card to this department, giving details, or telephone the item. It will be greatly appreciated.

CALENDAR

Saturday—Children's Story Hour will be held at Central Park at 4 p. m.

Monday—Social Meeting of the Business and Professional Women's Club at 8 P. M., at the Welaka Building.

Tuesday—Card party at the Pariah House at 3 P. M., under the auspices of the Women's Guild.

Miss Rebecca Somers of Jacksonville is spending several days here as the guest of Miss Geraldine Muriel.

J. F. Jenkins, representing the Perryman-Greene Co., of Atlanta, was in the city today calling on his local customers.

The many friends of Mr. A. Vaughn will be glad to learn that he is rapidly improving after a serious illness, and hope that he will soon be out again.

Mr. and Mrs. Alec A. Boone and Ervin Seay left yesterday for their home in Dade City after spending a few days here as the guests of Mr. and Mrs. Widman Caldwell.

Jessie Lee Waters who arrived here several days ago on the boat Lancaster, from Philadelphia, and was the guest of his father, George Waters, left yesterday for his home in Philadelphia.

Mr. and Mrs. C. H. Dingee of Dunedin and Mrs. J. N. McClung of Clearwater, are expected to arrive this afternoon and will be the guests of Mr. and Mrs. R. J. Holly at their home on Park Avenue.

Mrs. G. E. Muriel of Jacksonville, who is attending the Convention of the Business and Professional Women's Clubs at Orlando, will spend the week-end here with her daughters, Misses Sara and Geraldine Muriel.

The following Endeavors from Sanford are attending the State C. E. convention in Lakeland: Mrs. Maxwell, Mrs. Green, Misses Virginia Smith, Elizabeth Humphries, Anna DuBose, May Holly, Genevieve Lehman, Gayle Marshall, Zeta Davison, Grace Gillon, Irma Smith, Jean Maxwell, Sara Williams, Mr. Multhead and daughters, Robert and Victor Green, William Brumley, Rodman Lehman, Joe Corley, William DuBose and Joe Meisch.

NOTICE!

The members of the Business and Professional Women's Club will have a banquet at the Montezuma, Monday evening at 8 P. M., instead of the regular social meeting at the club rooms.

PRETTY BRIDGE PARTY

A pretty affair of yesterday was the bridge party given by Mrs. Henry Wight at her home on Park avenue, complimenting Mrs. Fred Wight there being two tables of players.

Snap dragons, petunias and other spring flowers adorned the rooms where the card tables were arranged. The prize for top score, Azura sachet, was won by Mrs. Robert Hines, while the cut prize, was won by Mrs. Ralph Wight. The honoree was presented a box of Azura powder.

At the conclusion of the card game the hostess served ice cream, cake and iced tea. Orange Punch was served throughout the afternoon.

Those enjoying this delightful affair were Mrs. Fred Wight, Mrs. Ralph Wight, Mrs. Reg Holly, Mrs. David Caldwell, Mrs. Robert Hines, Mrs. Percy Mero and Miss Little Caldwell.

MIDDLETON-HART

Mr. and Mrs. I. D. Hart wish to announce the engagement and approaching marriage of their daughter Ruby Elmery, to Mr. Arthur Herman Middleton. The wedding to take place June seventh, at 8:30, at the home of the bride's parents.

MERRIE MATRONS

Mrs. R. J. Holly entertained the members of the Merrie Matrons Bridge Club and one extra table, yesterday afternoon at bridge at her home on Park avenue, honoring Mrs. Walter Wight, who has recently moved here from Cairo, Ga.

The room where the card tables were placed were converted into a veritable bower with quantities of fragrant roses in the varying shades of pink and baskets of petunias.

Mrs. D. P. Drummond having high score after the interesting game of bridge, was awarded a dainty fan, while the high score guest prize, also a fan, was won by Mrs. George De Cottes. The honoree, Mrs. Wight was presented a lovely box of stationery.

After the awarding of the prizes, the hostess served cherry salad in pepper rings, with accessories and iced tea, followed by an ice course.

Invited to meet this charming honoree were: Mrs. D. I. Thrasher, Mrs. L. P. McCuller, Mrs. George De Cottes, Mrs. J. G. Sharon, Mrs. Claude Howard, Mrs. D. P. Drummond, Mrs. A. W. Fitts, Mrs. Harry Heeren, Mrs. Fred Walsman, Mrs. C. E. Henry and Mrs. W. T. Langley.

DUPLICATE BRIDGE CLUB

Mrs. Frank Miller was the gracious hostess yesterday when she entertained the members of the Duplicate Bridge Club at luncheon followed by Bridge, at her home on Magnolia avenue.

A profusion of bright spring flowers were effectively used in decorating the rooms where the card tables were arranged.

At one o'clock a delicious four course luncheon was served, after which several absorbing games of duplicate bridge were played. The prizes, boxes of powder were won by Mrs. E. F. Householder and Mrs. B. W. Herndon.

TRAP SHOOT WELL ATTENDED YESTERDAY

RALPH WIGHT MAKES BEST RECORD—WILL SHOOT IN JACKSONVILLE

King Coleman slumped yesterday in his batting average at the traps of the Sanford Rod & Gun Club but the King has a strong enough lead over the rest of the bunch that he can afford to take a day off occasionally, just to let the other boys catch up. At that he broke forty out of the fifty birds that got up.

The best record of the day was made by Ralph Wight, who broke 68 out of the 75 shots and rolled "Sheriff" Harden for second place in the season's average.

The contest of yesterday was interesting, although several of the contestants did not make their usual average. There was a good crowd at the traps and nine squads shot the usual twenty-five targets.

Ed. Higgins, R. B. Wight, J. L. Harden and W. S. Hand left last night for Jacksonville where they will shoot in the Florida State Trap Shooting Tournament today and tomorrow and it is

expected that some of the men will bring back some trophies to Sanford. Chas. Whitner, of the Sanford Club, is already at the shoot, which began yesterday.

The yesterday score (first column) and the season average (second column) is as follows:

Coleman, J. B.	50-40	.910
Wight, R. B.	75-68	.868
Harden, J. L.	75-61	.852
Hill, W. C.	75-65	.851
Hand, W. S.	50-36	.835
Puleston, S.	100-75	.823
Knight, G. W.		.800
Newman, R. A.	25-18	.789
Stevens, R. E.	125-98	.784
Hutchison, J. C.	75-62	.780
Whitner, Chas.		.766
Herndon, O. P.		.740
Smith, H. P.		.733
Maines, Schelle		.720
Maxwell, R. C.		.707
Cowan, J. H.	50-35	.700
Mobley, E. D.		.680
Purdon, John	75-50	.667
Higgins, Ed.	25-12	.640
Morris, R. H.		.640
Tolar, J. N.		.630
Crosby, F. L.		.613
Herring, Geo. G.		.560
Herndon, B. W.		.460
Jones, T. W.		.360

"Dusted"
Bill Hill is no longer with the "also runs." He is now in fourth place in the club, having come up from 640 to

851 since the first contest of the season.

Joe Hutchison is another one of the boys who is "Shootin' Some." He is a good shot and if he keeps his present gait he will wind up the season near the top.

An effort is being made by the secretary to have some inter-city shoots in the near future. Several nearby cities are interested in trap-shooting and if possible we will go to the mat with some of them this summer.

Several of our boys are in Jacksonville today at the state shoot. They are good enough to shoot right along with the best in the state and it is expected that they will make a good showing at the contest. Ralph Wight, one of the members at the state meeting is not only a good marksman on singles but is a fine double shot as well.

Among the members of the club out yesterday for the first time this season were Jas. Cowan and John Purdon. Mr. Cowan was one of our best shots last season. Both these men showed up well for the first time out.

Frank Woodruff, Jr., deserves special mention among the visitors to the Club yesterday. He broke 44 out of 50 targets.

Ralph Wight and Ed. Higgins will represent the Sanford Club at the meeting of the Florida State Trap-shooting Association held in Jacksonville tonight. The Sanford Club is now a member of this Association.

The Honorable William Estes Jamison, our venerable trap puller, is proving a valuable asset to the Sanford Club. The club just couldn't run without him. He's always on the job not only for the regular contests but for the practice shoots as well.

NOW IS THE TIME to select a good cottage or apartment at Daytona Beach for the summer. Do not wait until choice places are all gone. We have some very nice up-to-date apartments and cottages, near ocean, and will be glad to make reservations, and serve you in any way possible.—J. L. Brennan & Sons, 110 Atlantic Avenue, Daytona Beach, Fla. Phone 979-W. 40-2tp

CHILDREN IN SPRING TIME.
Mrs. C. Osborn, 7812 Hillside Rd., Cleveland, O., writes: "My granddaughter was troubled with a cough for nearly two years. She took Foley's Honey and Tar and her cough is now gone. It loosened the phlegm so she could raise it easily." Foley's Honey and Tar is just what children should have for feverish colds, coughs, "snuffles," and tight, wheezy breathing. Be sure to get Foley's. It checks croup and whooping cough, too. Sold everywhere.—Adv.

Room and board \$12.50 per week and up.—Hotel Montezuma. 35-6tc

BUILD - Build Now

"A Nation of Home Owners" is the ideal that America looks forward to. It is a mighty big ideal, but practically everyone who is paying rent can help realize it. Doesn't every real American want a share in the soil and the property of his native land? Of course he wants to be Uncle Sam's partner! Right now at the first dawn of Spring, the impulse to own your own home is strongest. You will do well to "obey that impulse."

OWNER OF VALUABLE OIL LANDS
 (By The Associated Press)
 ST. LOUIS, Mo., May 10.
 P. Hayes, a convict of negro and white blood, has received two offers purporting to be \$2,000,000 and the other \$1,800,000 for his interests, prison officials said today. He is serving three years here. Hayes is said to be the owner of acres of Mexican land, classified

as oil land. He is reported to have been advised not to sell the land for less than \$4,000,000.
 A British company has been formed to utilize the slate waste of Wales in the manufacture of asphalt, bricks, abrasive soap, glass and linoleum.
 A new reflector for incandescent lamps is made of two hollow quarter spheres, so hinged together that the light can be thrown in any direction.

LUMBER BUSINESS GROWING BETTER

REPRESENTATIVE OF TRADE JOURNAL VIEWS SITUATION WITH OPTIMISM

Southern lumber manufacturers may expect a fair volume of business during the remainder of this year and wholesale prices will be more satisfactory from now on than they have been during the past several months, in the opinion of A. R. Kriechbaum, vice-president of Lumber, the national lumber trade journal, who is in Jacksonville.

Mr. Kriechbaum, who makes his headquarters at New York, is touring the south investigating conditions at the principal lumber producing centers. From here he will go to Birmingham, Montgomery, Mobile and as far west as Beaumont and Houston, Texas.

At the Hotel Seminole Thursday Mr. Kriechbaum said:

"Reports we have received during the past two weeks from our various offices in the principal producing and consuming markets of the United States indicate very clearly that the turn for the better has at last taken place. The market today is on the upgrade, but the improvement will be slow.

"Wholesale prices of a few items have advanced slightly since the middle of April and the general price trend is unmistakably upward. There is not the slightest indication of a boom but every sign points to a gradual, healthy improvement in the lumber situation throughout the remainder of 1922. This is particularly true in the north Atlantic states, notably the New York metropolitan district, where southern producers market a considerable portion of their output. In that section retail yard stocks are below normal and the consumption of lumber is increasing steadily by reason of the continued increase in building activity and the resumption of operation by large industrial plants urging wood in their manufacturing processes.

"The improvement in general business conditions is being reflected in the lumber market.

"For the past several months southern producers have had to meet keen competition from Pacific coast operators who have been shipping Douglas fir, spruce, hemlock, white pine, redwood and red cedar into the Atlantic seaboard territory in great cargo quantities by reason of exceedingly low water rates from Puget Sound, Seattle and San Francisco to the east coast via the Panama Canal and southern hardwood interests are also meeting competition from Canadian hardwood producers who are going after American business this year harder

than ever before. As we see it, competition will be keen in the lumber field as in all other lines of industry, but a large volume of lumber will be sold and southern producers will get their share of the business. The outlook is very encouraging not only for this year, but for several years to come."—Florida Metropolis.

INVALID YOUTH IS ATTACKED AT DELAND

(By The Associated Press)
 DELAND, May 12.—Floyd Padgett, 19-years-old invalid, was in a local hospital last night with a deep gash in his throat and his skull crushed as

the results of an attack made on him while he lay in bed at his home yesterday afternoon. Sterling W. Batsford, employed by Padgett's step-mother as a nurse to care for Floyd was held by the police on suspicion. Padgett was said to have a slight chance for recovery despite his wounds.

Young Padgett had been a helpless invalid for a year and Batsford, whose family came here about a month ago from Long Island, N. Y., was employed to watch over him. Yesterday afternoon Batsford called the sheriff's office the sheriff says, and notified him of the attack. According to Batsford a stranger came to the house and sent him, Batsford away to get some cigars. When he returned Batsford says, he found the bedridden boy lying in pools of blood. His throat had been cut and his head crushed with an axe.

The United States Bureau of Mines has had promising results in experiments with purifying coke by removing its sulphur with hydrogen gas.

Building bricks invented by a New York man can be made in hand presses where they are to be used from cinders, cement and a chemical binder.
