Time for rejoicing

Have people forgotten? A holiday is the time for rejoicing. We do it on Easter, we do it on Christmas, July 4th, our birthdays, and any others. Such should be the case with New Years

We in a city, out in the county, or are visiting from somewhere else, we all know the trials and tribulations which have taken place during 1996. But if we dwell on these pro-blems, we are going to completely ignore the true meaning of having a holdey. People have tried to fight vertices gov-ernments and perhaps lost their battles. Others have attempted to clear their neigh-borhoods of crime and drugs and have been so-far unsuccessful. We have had lesses, property, financial, even family members in 1996.

On the national and worldwide level, we have heard of the many 1996 disasters, in-cluding the loss of lives in plane crashes, skirmishes between militant forces in forcign countries, assessmations, mass murders and

countries, assessmations, mass murders and other tragedies. But tomorrow, January 1, 1997, is the beginning of a new year, it is a time when each of us can pruse and hope for better things to come. It is the time to reflect on, not the had, but the good things 1996 has pro-duced. No need to list these; these matters must be thought out by individuals because

must be thought out by individuals because where are, press, who we were, it what we were, is our even addividual business and only we can truly reflect on them. As of matingst tunight, we have 365 days until the next New Years observance. What can we do during that time? If we set our minds to it, we can accomplish miracles, some of which we might not even believe we are capable of doing.

Any day can be the start of something new, but New Years is a very prominent day, and why not pick it as a starting point. Let's work for better government, better-eities and counties, better personal behavior and successes, more peace on earth and goodwill toward man. When that clock strikes midnight tonight, let's take a moment (if we are awake) and pledge to ourselves that, regardless of the bleesings we may have had during 1996, we will do whatever in our power to make 1997 even better for not only ourselves, but our milles and others.

 Unaccountably, two members of the panel ranked Clinton as "near great" and two ranked him a "failure." Beventeen ranked him "average" and five "below average."
 Obviously, Clinton has not had the challenge of a way or grave crists, necessities for "great" status. Schleeinger observes correctly that he has potential for "near great" status if he can make dents in some of America's chronic problems -- race relations, educational indepretformance, national indebtedness and income stagnation.

Schleeinger warne Clinton, however, that no president has ever achieved greatness by governing in the "middle of the road." "Middle-reading may be fine for campaigning, but it is a ours road to mediocrity in governing.

a surprise to many women to learn that the sensitive man is leaving us.

"No woman wante a guy who's in tears all the time," Mademoiselle editor-in-chief Elizabeth Crow told Newsweek. Yeah right, Lis. That's Topic No. 1 when my girlfriends and 1 get together: How to keep our guys from shedding all those damn tears. We're also protty upset about all that housework they're doing.

Of course, there have been some important changes in the American Male in the past few decades. You notice it during the holidays, when the younger men actually get up to help clear the table, while their elders retire to the TV room. And the briek sales of magazines like Men's Health, which offers men advice on everything from skin care to diet to relationships, suggest that the tides have turned a little.

But even if we took Newsweek at its word that the macho man was making a com-eback, I'd like to know what's so manly about using a tock strap as a colles filter, as one of the lead characters does in "Men Behaving Badly." Or what's so masculine about refusing to meet someone's family or for-bidding your griffriend from heeping tempone at your place, as prescribed in "The Code"? Far from being manly, isn't this behavior really, uh, childish?

The Lord's house is her workplace

by Sugan W Herald Staff Writer

SANFORD - Patricia (Pat) Kaiser, a Sanford resident, has volunteered "for the Lord" in much of her efforts beyond the workplace.

She has been a member of **Christ United Methodist Church** in Sanford since 1968. During her membership there she has remained very active in her service to God.

Kaiser is a member of numerous committees within the church. Assisting in whatever area in which she is needed. Kaiser also works as the volunteer secretary for the congregation.

Her involvements include membership on the trustee committee, finance committee and administrative council and the church choir. She also teaches Sunday School for the nursery program and has taught Vacation Bible School and "taught an adult class for sevcral years."

As Kaiser put it, "many many years ago I was a Brownie leader and a Girl Scout co-leader and many, many moons ago 1 was a Cub Scout leader.'

Recently, Kaiser and other members of her church distributed food baskets to three needy families. "We had several people help put them together." she said. "A gal from our church gave us the names of the people. They lived close to her."

Another "cooperative project"

Cactus bears striking flowers Christmas The Cactus,

contrary to what you may expect, is native to the rain forests, where it can be found hanging on trees. Its pendulous growth makes it ideal for hanging baskets. The plant does not have leaves but flattened, jointed, green stems that look like leaves with pointed lobes, clawlike in appearance. By TONY Boooning Herald Correspondent

ORLANDO - This year's Florida Hospital Invitational boys' soccer tournament has been an experience of extremes for Seminole County teams.

On the one hand, there are the Lake Brantley Patriots and Lake Howell Silver Hawks, who will

Patriots and Lake Howell Sliver Hawks, who will meet in this afternoon's championship game at 4 p.m. at Edgewater High School's Eagle Stadium at Lough Field. For the Pats (4-0 winners over Dr. Phillips on Monday) and Hawks (who whipped Lake Mary 6-0 Monday), the tournament has been every-thing a coach and team could hope for in a

tournament — namely, positive results. "We're hoping to use this tournament as a springboards like we did last year," said Lake Brantley coach Jim Brodie, whose Patriots are the defending Florida Hospital Invitational (nee Pizza Hut Invitational) champions. "We have a better record this year (8-1-3) than

we did this time last, but this was the jumping off point for us last year. We ended up going to the district finals and into the state playoff

Marcello Cerminato scored two goals while Shaun Phillips and Danny Henry each netted one for the Patriots. Danny Fendrich. Chris Heitman. Andrew Muirragi, and Henry each had an assist. Goalie Philip Kopman recorded his fourth shutout of the season for Lake Brantley.

Like Brodie, first-year Lake Howell coach Scott Betsinger is hoping his Silver Hawks (now 13-2-2) will build on the success they've experienced in the tournament.

We've been on a nice little run since the Rotary Cup Tournament, when we got run over

by Deltona," said Betsinger.

'We've been working on mental toughness and discipline this year, getting the guys to believe in themselves and in each other. We're hoping this will be a springboard to get us ready for the district tournament (which is just four weeks away)."

Dave Lewis scored the first and sixth goals for Lake Howell and had an assist. Jeff Yearick added a goal and two assists. Victor Nespecca had a goal and an assist. Ben McKeeby and Josh Holcomb also scored for the Silver Hawks. Jeremy McGovern contributed an assist.

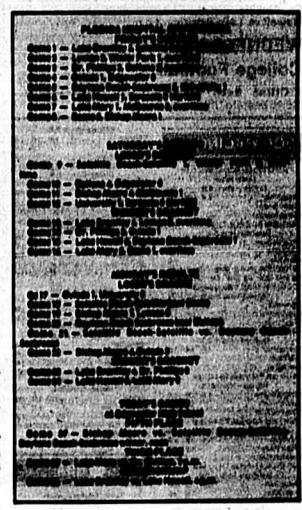

While the Patriots (12 goals in three games) and Silver Hawks (12 goals in two games) were scoring goals and notching wins, the Lake Mary Rams, Lyman Greyhounds and Oviedo Lions are probably hoping to put the memories of this tournament behind them.

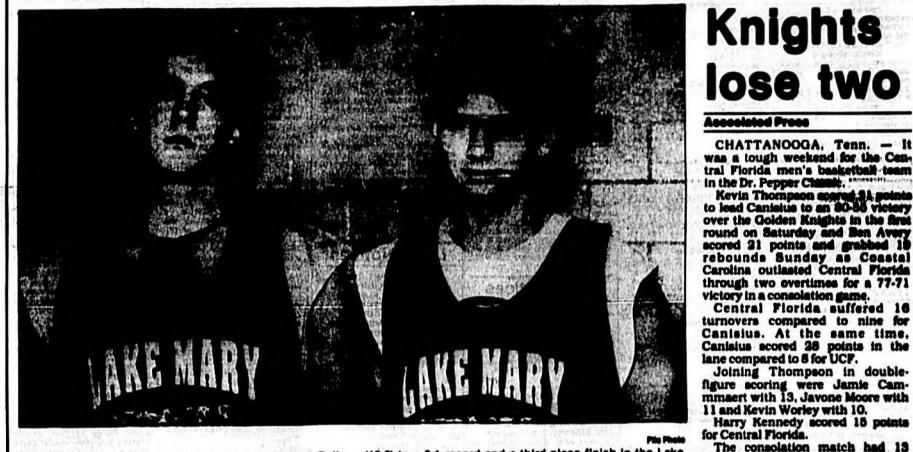

Lake Mary, for example, has scored one goal in three games but still finds itself in a position to finish third with a win over Dr. Phillips in today's 2 p.m. game.

"That's good, I guess," said Lake Mary coach Larry McCorkle, whose team (now 10-6-1) won its first two games of the tournament in penalty kick shootouts.

"Lake Howell accred two goals in the first four minutes and that dictated the tone of the rest of the game. We had our chances but we can't seem to buy a goal right now. Lake Howell's playing very well right now. They didn't give us a chance to get back into the game."

Bishop Moore ended the tournament runs of both the Lyman Greyhounds (1-0) and Oviedo Lions (4-3) on Monday. Earlier in the day, Oviedo beat University 1-0 to advance to same assinat Bee Beeser, Page 33

Jaguars advance by stunning Bills

AP Footbell Writer

ORCHARD PARK, N.Y. - Has the shift in power in the AFC ever been more pronounced than on Saturday, when a second-year team may have put the finishing touches on an era of dominance?

The Jacksonville Jaguars were gutay, resourceful and patient in stunning the Buffalo Bills 30-37 in an NFL playoff game.

Mike Hollis' 45-yard field goal, his third of the game, was decisive. The kick, with 5:07 remaining, hit the

week at Denver.

The Bills, the AFC's best team this decade with four Super Bowl appearances, and as many losses, lost their first playoff game ever at Rich Stadium, where they were 9-0. Buffalo couldn't handle Natrone

Means, who rushed for 175 yards, or Mark Brunell, who improvised under pressure to hit Jimmy Bmith and McCardell for big plays. The biggest might have been an 11-yard third-down pass to Mo-Cardell on which Jeff Burris, earlier

tinued its hot streak — the Jaguars won their final five games to surge into the playoffs at 9-7.

The drive was set up by Jim Kelly's fumble on a run. Aaron Beasley recovered and ran it to the Buffalo 42, and Kelly left the game with a concussion.

Todd Colline could do nothing in Kelly's place, and the Jaguars won their first playoff appearance. Brunell finished 18-for-35 for 239 yards and two touchdowns.

But against the Bishop Moore Hornets, the Liene scored as many goals as they had in their previous three games combined and gave up one more goal than they had in their previous three games combined. "It happens that way sometimes," said Oviedo ceach Jee Avalone with a shrug. Ben Luker, Justin Cook, and Dyke each scored for the Liene, who had leads of 1-0, 2-1, and 3-2. But Adrian Kenny scored twice, including the game-winner on a play where everyone but the officials thought he was officies, to lead the Hornets into today's fifth-place game.
