Boy Boxers Help Christmas Fund Of Oviedo Club

55 Lads Put On 12 Exhibition Bouts For Charity Chest

Many shekels were added to the charity chest of the Men's Club-of Oyledo last night by people of the community who paid admis-sions to the hall to see the young boxers of the Seminole Boys' Athletic Club of Sanford put on . dozen exhibition bouts. Money raised by the entertainment will be used in spreading Christman

pounds each; H. C. Tipnins and Kent Peircy and Giles Channar Kent Peircy and Giles Channer and Giles Channer and Giles Channer and Duane Tillis. In addition to these bouts, exhibitions were put on by Laurence Barrineau and By Stuart Carpenter who has changed his style of acro-Kohlmetz. "A man has given coming session, calls for emple spending \$4.500 phonodile on by Laurence Barrineau and By Stuart Carpenter batter each year so that he has right to prevent his man's man's man's man's man's processed in having state on the same in the harmonic in the same in the harmonic in the same in the harmonic in the same in Ray Edge; Milton Edge and John Crosby: J. Pangborn Reports Missiles Will Span

NEW YORK, Dec. 21.-Clyde E. Panghorn, who, with Hugh Harn-lon, Jr., mad: the only houstop trans-Pacific flight from Japan to the United Statis, "definitely knows" that Japan has developed thying bombs capable of xooming tee an Patents. Each missile, he said he had been told by reliable informants, is controlled by a man inside it, and "thousands of Japanese have volunteered for the henor of dying as pilots of these destructive weapons."

Mr. Pangborn, explaining that

in his opinion Japan was making plans to conquer the United States also testified that Japan could rafily establish an air base in Alaska and then proceed with the Alaska and then proceed with the destruction of America. "Reaching the United States by non-stop flight," he said, "would probably be med as a last resort, and prior to that the enemy would take defenseless Alaska and establish serial bases from which to operate with disc alasks. ate with ease, since the distance from middle Alaska to Chicago is about 2,700 miles.

In the past we have considered the oceans on either side of us as absolute protection against serial

from the East and once from the West, that condition has ceased to exist. The day the ocean was spanned by airplane was the day the United States became vulnerable to attack from the air.

The evintor was calleed before the committee to corroborate the testimony of Brigadier General William Mitchell (retired), who testified last week that an alleged conspiracy by the Aircraft Manufacturers's Association had retarded air development of the United States.

"Christmas Peace" Is Play Given Friday

written by Mrs. Stella P. Arrington and presented by Mrs. Carmits. Barber's fourth grade of
the South Side Primary School,
was given Friday morning at the
school and torium.

The theme of the play was
peace on earth and love and
characters represented, various
nations of the earth seating
peace. A modern setting was
used.

Scene One showed children to nations in a toy shop with pad-dened hearts because there would; "Peace," Plenty," "Joy," Hap-giness, and "Love" then land the sat one late a cathedral to wor-ship God and find peace and happiness again.

happiness again.

Scene Tun postrayed the nations kneeling in a cathedral before Father Time. Beautiful stained glass windows and an alter decorated by lighted white tapers formed an effective background.

Characters were as follows: nouncer—Carolyn Santman, by Shep Reeper—Hugh Whel-chel, Jr.
