Senate GOP Puts Military Measure First

Taft Says Consideration Of Defense Bills Awaits Armed Group Agreement

WASHINGTON, Apr. 9 (AP)—Senate Republican leaders agreed today to place military legislation ahead of all business. Senator Taft (R-Ohio) said the Senate will begin consideration of temporary draft, a larger Air Force, Universal Military Training or any other defense measure as soon as its Armed Services Committee reaches an agreement. Taft, chairman of the Republican policy committee, said it might take all next week and possibly two weeks to agree upon a bill. Personally, Taft said he is willing of support increased funds for the Air Force and a temporary draft if the latter is necessary to fill up the ranks of the Armed Services. He still opposed UMT, he added.

Senator Gurney (R-S.D.) said today the cost of the proposed draft and Universal Military Training programs would run about \$700,000,000 during the first fiscal year of operation. Gurney is chairman of the Senate Armed Forces Committee. Gurney told reporters this cost would be on top of the \$14,000,000,000 now proposed for national defense during the year starting July 1. Gurney said he is hopeful that the Armed Services Committee will be able to finish work on draft and UMT legislation by the end of next week.

Of the \$14,000,000,000 now proposed for national defense, \$11,000,000,000 already is in the budget. President Truman has asked

Livingston Gives Report On Results Of Flag Donations

Small flags donated by the Sanford Lions Club for each school room in Seminole County have been well received, King Lion W. O. Livingston informed members of the club today at the Tourist Center. The flags, each mounted on a small stand, were recently turned over by the club to Supt. T. W. Lawton for distribution. Jack Morrison reported that the exciting parade series by the Lion Junior League has now reached a mid-season peak, with the Seminoles leading with six wins out of seven games. The Cubs are in second place with five wins and three losses; the Red Sox third with four wins and three losses and the Giants in the cellar with eight straight losses.

Morocco Minstrel To Be Held At Ht School

"Silver toned" songsters, "side splitting" comedians and "fast stepping and funny looking" dancers are among the headlines of the Morocco Shrine Minstrel to be given under sponsorship of the Sanford Shrine Club, Saturday evening at 8:15 o'clock at Seminole High School Auditorium for the benefit of the high school band. It was announced today by Edward F. Lane, Shrine club president. The minstrel will parade downtown at 4:00 P. M.

Vandenberg May Influence GOP Presidential Primary In Nebraska

By JACK BELL
OMAHA, Apr. 9 (AP)—The possibility developed today that Senator Arthur Vandenberg, who says he isn't running, may influence the result of Nebraska's GOP, presidential primary. Vandenberg is one of seven whose names have been entered in next Tuesday's voting. Nebraska Republicans will say then what they would like the party to nominate for president at the June Philadelphia convention. The Michigan senator isn't campaigning. In fact, he tried to get his name withdrawn. This was in line with his repeated statements that he isn't a candidate and will not "commence" in a draft movement. But Nebraska politicians who know their way around may have some strong sentiment in the state for the chairman of the

Weather Battered South Suffers Through More Hail, Rain, Floods

VALDOSTA, Ga., Apr. 9 (AP)—U. S. Highway 41 from Valdosta south into Florida was reopened today after being closed because of flood damage. Bridges over the Alabama and Suwannee Rivers had been impassable because of flood waters.

Personalities as well as political issues came up for discussion yesterday in the Florida gubernatorial campaign. Speaking in Miami, W. A. Shands, called no one by name but commented some of my opponents, including two members of the state cabinet and budget commission are promising the identical public services I have pledged and at the same time are promising no new taxes and vast economies.

He said his cabinet member opponents would be unable to keep "both of those promises." Shands added both had asked and received increased appropriations for their departments. School Supt. Colin English and Attorney General Tom Watson are the only cabinet members running for governor. Fuller Warren said in Winter Haven he would "free the Citrus Commission from political meddling." He pledged to appoint competent commission members and declared he will "not allow any political meddling into the affairs of this important body." Warren will be heard today at Frostproof, Dundee, Haines City and Lake Wales. Watson told a West Palm Beach audience he will continue his crusade against the Everglades National Park deal and may request a congressional investigation. He claimed against the state had lost valuable oil rights in connection with creation of the big South Florida park. Watson declared Associate Editor John D. Pennekamp of the Miami Herald had "deliberately distorted the fact and concealed the truth about the oil deal." Pennekamp was chairman of the Everglades National Park Commission. The attorney general offered to withdraw from the governor's race if Pennekamp will meet him on the platform and show him he was wrong in his "fight to protect the people's rights." In Sarasota, Richard H. Cooper urged an annual session of the

Four Midshipmen 2 Lost Children, Killed In Plane Crash In Marsh

The plane was a Stinson 180, rented from Hugh Gilmore, a civilian flight instructor and instructor of private planes at Pensacola. The Civil Aeronautics Administration at New Orleans said the midshipmen were from the Pensacola Naval Air Station and on a private junket to Corpus Christi, Texas. The three who died in the crash, were listed by the CAA as George Waters, Gordon E. Mayer and David H. Cobb. The fourth man, R. A. Jacenski, died today while enroute by amphibian plane to nearby Avenville, La., for hospitalization.

Navy Men Perish In Plane Rented From Pensacola Field

CROWLEY, La., Apr. 9 (AP)—Four Navy midshipmen from Pensacola were killed in a plane crash last night in the marshlands of southwestern Louisiana. Three died in the crash and the fourth died today from injuries.

Grandmother States She Saw 2 Men Take Them In Black Auto

HACKENSACK, N. J., Apr. 9 (AP)—The FBI and police as far south as Florida joined the search today for two children reported kidnapped from their grandmother's home in Hackensack. The children, subjects of a custody suit between their father and the grandmother with whom they have lived since the death of their mother, were whisked off in a black sedan while at play outside the house.

Dr. Miller To Speak At VFW Dinner Meet

Dr. J. Hillis Miller, president of the University of Florida, will be the guest speaker at a dinner Monday evening at 7:30 P. M. at the Mayfair Inn sponsored by the Seminole County Post of the Veterans of Foreign Wars in conjunction with the movement of the national organization in promoting interest in good government. Dr. Miller's subject will be "Good Government." This will be the second in a series of meetings that is being sponsored by the local post. At the first meeting, Francis P. Whitehair, Deland attorney, was guest speaker and the post decided then to have a similar meeting at least once each year. All candidates for county office have been invited to attend and are urged to secure their tickets from one of the members or at Jack Gordy's Service Station or at the Sanford Auto Parts.

Housholder Re-named Red Cross Chairman

Karlyle Housholder was re-elected chairman of the Seminole County Chapter of the American Red Cross at the regular meeting of the organization with John Sauls being re-elected as vice chairman. Mrs. W. E. Kilbuck of Geneva was elected as secretary and Mrs. H. H. Duncan as treasurer. The campaign drive for funds this year reached a total of \$5,450. John Sauls, publicity director for the past year, announced. The goal was \$7,200 and the percentage raised by the local chapter was far better than a majority of the county chapters in the State of Florida. Mr. Sauls stated. He added that the campaign fund drive is officially closed save for a few details. Mr. Housholder, chairman of the drive, was highly commended by the board for his fine work as chairman of the fund raising committee.

STONE PURCHASED

D. B. "Brownie" Stafford has purchased from Jackson Green the Sanford X-Col Feed Store at Second Street and Sanford Avenue. Mr. Stafford was formerly associated with the Seminole Tire Shop and later was manager of the Amoco Station at Sanford and Second Street. He is now re-arranging the stock of the store. It includes a complete line of feeds, seeds, fertilizers, insecticides, poultry and live stock supplies.

Truce Talks On Palestine Near Failure

President Of Security Council Orders Emergency Session To Consider Crisis

LAKE SUCCESS, Apr. 9 (AP)—United Nations Security Council delegates were called into emergency session today to consider the virtual breakdown of Jewish-Arab Palestine truce talks. The informal meeting was scheduled for the New York City offices of American Delegate Warren R. Austin at 3 P. M. Dr. Alfonso Lopez of Colombia, April president of the council, opened the session after conferring privately with other delegates on the situation. Dr. Lopez told newsmen last night after his second informal conference in New York City with representatives of the Jewish Agency and the Arab Higher Committee.

"The prospect is not as favorable as I had anticipated. He added he would decide whether to see the Jewish and Arab leaders again after talking with his colleagues. The unyielding demands of the two parties in the Holy Land fighting was pointed up by statements made to newsmen after the conference. Moshe Shertok, head of the agency's political department, said: "I do not think there is any bridge."

Czechs Plotted In Advance Flight To Field In Germany

FRANKFURT, Germany, Apr. 9 (AP)—The aerial flight of 20 anti-Communist Czechs into Germany was carefully plotted in advance, the fugitives related here today. A Czech army colonel who once flew with the British Royal Air Force organized the flight, they said. Eighteen of the 26 persons aboard the Czech National Airlines plane knew of the plot before they took off from Prague Tuesday, ostensibly headed for Bratislava.

Two decided to join the flight when they learned that the plane would be changed from its course in midair and flown to a U. S. air base. One six insisted on going back to Czechoslovakia. They left Munich by train today enroute home. Ten of the fugitives are still in Munich. The other 10 came here by train today, hoping to get to London.

3 Killed, 4 Hurt In Explosion, Fire In Bus Stop Diner

LOUISVILLE, Ill., Apr. 9 (AP)—An explosion and fire today killed three persons in a bus stop restaurant on U. S. Highway 45 here, and injured four men in an adjacent filling station. Sheriff Jack E. Johnson of Clay county, who counted the dead, said two hours after the blast that he believed "we have them all out of the wreckage now." All of the dead were residents of Louisville. The sheriff identified them as Mrs. Pauline Krutinger, about 35, Sherman Manning, 49, a state highway worker, and Delmar Jennings, 25, a gas station attendant. The injured, all of Louisville, were Darrell Zink, brother of the gas station owner, John Zink; Lon Barnes, George Tolliver and Robert Kellums.

Candidates Invited To Lake Monroe

Voice weary candidates will find an oasis of relief at a supper given in their honor at the Lake Monroe School this evening from 6:00 to 9:00 o'clock. The supper is sponsored by the PTA of Lake Monroe, and Principal E. W. Nichols is host, according to Senator Earl Evans of Sanford, committee secretary for Seminole County, who announced that candidates will not be required to speak. The Woman's Club is serving a supper from 6:30 to 8:00 o'clock Saturday evening at the Oquied School in Sanford since 1918 and which candidates will speak in the school auditorium.

Perkins Buys Robson Interest In Store

The firm of Perkins-Robson, Mrs. W. E. Robson, announced today the purchase of the interest in the partnership from J. N. Robson, Jr. The firm will now be operated by B. L. Perkins, Sr. and his son, B. L. Perkins, Jr. under the name of B. L. Perkins & Son. Mr. Robson has been with the firm for the past 23 years and became a partner in 1945. His plans at this time are indefinite, he stated. B. L. Perkins, Sr. has been in the men's clothing business in Sanford since 1918 and his son joined the business after his discharge from the Navy in 1946. The firm moved to its modern store last year.

Coal Burning Train Service Is Cut In Half

Defense Office Says Railroads Supply Of Coal Is Down To Less Than 72 Days

By ASSOCIATED PRESS
The government today ordered coal-burning passenger and freight train service cut to half of normal to conserve dwindling coal supplies. The order is effective Thursday midnight. At the same time, Rep. Harley (R-Ind.), an author of the Taft-Hartley Act and chairman of the House Labor Committee, added the threat of a tougher labor law in the mounting pressure on John L. Lewis to call off the 26 day old coal strike.

Hartley told a reporter in Washington he would start hearings on a new labor law immediately if the present law is "inadequate" to deal with Lewis. He said he would want to see what the federal court does to Lewis Monday.

Lewis must "show cause, if any" in federal court Monday why he should not be held in contempt of court for ignoring a back-to-work order. The new train service curtailment order of the Office of Defense Transportation amounts to a 25 per cent cut on top of a previous 25 per cent reduction. Coal supplies were down to less than 72 days' coal supply earlier this week.

Steel production was down to 75 to 80 per cent of normal by the nation this week as the result of the 26 day old strike of 400,000 iron workers. Unemployment resulting from the strike is estimated at 100,000.

Mississippi Solons Plan Poll Resolution

JACKSON, Miss., Apr. 9 (AP)—Another driving, all-day session was in prospect today for the Mississippi legislature as both houses are pushing for action next Saturday night. The senate, meanwhile adopted a resolution which it hoped would give better standing to the proposed requirement that voters have "good moral character" when presented the clarifying resolution to his colleagues, he said. "This should strengthen it from proposed constitutional amendments when and if it goes to the Supreme Court of the United States."

Farmer Ordered Held For Murder Of Wife

FOLESTON, Ga., Apr. 9 (AP)—A woman's jury has ordered Lewis Howard, a backwoods farmer, held for murder in the slaying of his former wife with whom he had been living for seven months, Sheriff J. O. Sikes said. The sheriff said Howard told him yesterday he killed his former wife with a cudgel used for slaughtering hogs because he "was just aggravated with her and couldn't get along with her." Sikes said the 60-year-old farmer complained to him that the woman, Mrs. Ada Betty Howard, "couldn't do any of the work, not even the cooking."

President Expected To Seek Injunction To Halt Meat Strike

Personalities And Political Issues Are Aired In Governor's Campaign

A weather weary South suffered through hail and high water wind and heavy rain yesterday. As a result, some 400,000 and property damage was counted in the hundreds of thousands of dollars. A heavy wind and rain storm accompanied by hail descended on Troy, Ala., last night, toppling power lines and destroying crops. At the height of the storm a small wooden back porch and a 65-year-old man was blown to death. Police said the fire may have been caused by lightning or a gas leak. The Department of State and home front are busy with the war.

Seminole County Anti-Lynch Bill Candidates Speak Gets Top Priority At Lake Mary On Civil Rights

Arnold, Overstreet, Bryant, Fournier, Seek Board Seats
A small group of Democrats and one Republican lined out at the Lake Mary Community House last evening to hear candidates for judicial, law enforcement, legislative and executive offices of Seminole County voice their qualifications over the loud speaker. Frank Evans introduced both speakers and speakers and he stated that he was brother, John Evans, a full fledged registered Republican had accepted Mr. Roy Howell, Democratic County chairman of Lake Mary, to go together with her son, Jackie, in sweeping and dusting the benches in the hall for the program. J. H. Lee, County Democratic executive chairman, and Andrew Caraway, secretary, thanked Frank Evans for conducting the meeting.

The initial speaking competition was given to the four candidates for County Commission in District No. 3 H. S. (Low) A. Gold told the group that he had been prevailed upon by friends to run for office.

Candidates Speak

(Continued from Page One) from Fern Park and Longwood to run, told of his business experience, including five years as purchasing agent for the Army Air Base, and promised if elected to aid in a better county road program, especially in small municipalities. "I don't believe in state control of the highways at the expense of county roads," he declared.

L. T. Bryant of Altamonte Springs told of his 11 years of banking experience, which he said enabled him to know where a dollar would go farthest. In his eight years as sales supervisor of one of the largest fertilizer concerns in the country, also as a purchasing agent for a large firm, he said that a commissioner should have knowledge of such culture, and urged better roads, higher standards of education and public dumping grounds for every community.

C. E. Fouracre, third of the Commission candidates to be introduced, told of experience of 19 years in caring for 600 acres of groves, four years as member of the district school board and four years of civil engineering work. He promised to render fair and impartial service if elected as sheriff.

B. J. Overstreet, incumbent, told the voters that he had done the best he could by the district, and related some of his experiences as an inspector with the State Road Department.

"I only promise you one thing," he declared, "and that is to do the best I can with the amount of money available for expenditures." He pointed out that present commissioners all "represent nicely," and that with five districts represented, it is a "give and take proposition."

E. E. Hardy, the first of seven candidates for sheriff introduced, had a hard time keeping within the bounds of the five minute speaking limit. He declared that he was too good a man to quit politics, and told of his former record as sheriff when he had been elected in 1936.

(Continued from Page One) legislature instead of the present meeting every other year. "We must strike a balance between the little county and big county legislative nomination so as to serve the interest of all Florida," he added. He said other candidates are "side-stepping the reappointment question."

Colin English told Miami campers between Ellaville and Dowling Park and at Branford, 20 miles from Live Oak. The Swannans, normally a lazy stream, crept around the Advent Christian home for old folk and orphans at Dowling Park. The Navy sent two amphibian ducks from its Green Cove Springs station to rescue the aged.

About 60 children in the orphanage remained. They were orphaned in the flooded areas on the Swannawee estuary that had been driven to higher ground. Live Oak is almost isolated. One train a day is able to get through from Jacksonville but highway traffic has been halted.

It was at Little Rock, Ark., that the hail storm whimsically sent stones in the shape of doughnuts plunking against the ground. Little damage was reported.

A brief hail, rain and electrical storm at Atlanta caused minor damage and sent one man to a hospital for treatment for shock suffered when lightning struck his home.

A windstorm also hit Augusta, Ga., last night. Damage was negligible. The new storm broke over the South just as hopes were being revived that the worst of the Spring weather was over.

Salvation Army Founder's Birthday Will Be Observed

The birthday anniversary of General William Booth, founder of the Salvation Army in 1865, will be observed Saturday by the local corps commanded by Capt. Lloyd Hudson.

"General Booth was a military man only in the sense that he waged all out war against sin and human misery," declared Capt. Hudson this morning. "His birthday," he stated, "will be remembered this week in 97 countries and territories, his name spoken in 192 languages and special observances of the day held in 17 tongues and by 813 corps and outposts. General Booth was born Apr. 10, 1829, in East London, England.

"As was said of the British Empire, we can say today that the sun does not set on the yellow, red and blue flag of the Salvation Army," Capt. Hudson stated. "That is due to the deep humanity and fearless determination which impelled William Booth to take up the cause of the forsaken, the outcast and the friendless poor. Out of the little group with which he surrounded himself in the East End London slums has grown a worldwide organization with its heart toward God and its hand stretched out to man.

"From the little tent in which he held his first meetings, there have since developed hundreds of children's homes, institutions for the aged, prisoners' aid centers, homes for orphans, and food depots for the needy. This work has penetrated into every nation which permits its entry in due to the grace of God and the conviction and determination of General Booth."

(Continued from Page One) likely to be among the top four. The three leaders generally are expected to be Harold E. Stassen, who walked away with the Wisconsin primary, Governor Thomas E. Dewey of New York and Senator Robert A. Taft.

The politicians here haven't figured out yet which of the three would be hit hardest by an unexpectedly large Vandenberg vote.

Stassen, who has been unflinching in his praise of Vandenberg's record, hinted at a news conference here yesterday he thinks the vote cast for some of those who aren't campaigning in Nebraska may cloud the primary outcome.

Besides Vandenberg, the names of General Douglas MacArthur, Governor Earl Warren and House Speaker Joseph Martin will appear on the Tuesday ballot. Names of the latter has made a campaign, although Warren made one speech in the state.

MacArthur, who gathered in eight delegates to Stassen's 19 in Wisconsin, is not looked upon as a factor in the contest here.

Stassen told reporters that while he thinks the race is between himself, Dewey and Taft, if any of the others run close the question will be raised whether that affected the final outcome.

Stassen appeared confident as he continued a series of speeches in which he planned to wind up his personal appearance campaign at Fremont tonight.

By virtue of his win in Wisconsin, the former Minnesota governor has turned the tables on Dewey.

It's NO. 1 on the "It" Parade

It's much the same way with cars as with people. Some "have it" — some don't. Some you go for, all out — without quite being able to lay a finger on why. And those — well, they usually become your firmest friends. What is it that makes so many good folks say this trim honey's "got it"? Good looks? One has to admit it's nice to ride in a car that is unmistakably itself and not just a slightly modified version of something else. Size, weight? Well, the polls tell us it's a pretty important factor since, if you like an automobile that does things, there just is no substitute for brawn and solid substance.

Power? Naturally. You can't sit long behind this big Fireball straight-eight without falling for it plenty hard. Handling? Ride? Room? They all have their avid fans among Buick owners. Especially now with a completely new kind of engine mounting ironing out vibration build-up as never before, and in this Convertible model, with automatic top, door-window and front-seat adjustment. Is it the wonderful new Dynaflo Drive* that's causing so much talk? In Roadmaster models that is certainly a big factor. You'll never know how silky smooth a drive can be — what fluent new ease there is to all your going — till you drive the car where liquid

replaces both the clutch and first, second and high gears. But as nearly as we can find out — and we talk to a lot of people — it isn't any one thing that puts Buick at the top of the "it" parade. It's the over-all richness of this honey in all the things you've dreamed of finding wrapped in an automobile. Ask any friend who drives a Buick — then see your dealer and get a firm order in, with or without a car to trade.

WHAT'S DIFFERENT ABOUT DYNAFLO DRIVE*?
 For an efficient new pump (left above), Buick engineers have added a free hubline (right) and an ingenious new supercharging assembly (top) which produce a torque boosting action in starting and accelerating. The result is the first device on any American passenger car which employs liquid to fill the function of both the clutch and the usual first, second and high gears. The clutch pedal is eliminated and a simple control gives you manual selection of power ranges and direction.

There is no moment quite like
that
When, after long months, once

By reassuring proof that these—
The sun, the spring, and warmth

Are sweet, recurring verities.
BARBARA OVERTON.

Senator Russell of Georgia
insists that if we are going
to "draft" men in order to build
up this country's defense against
foreign aggression, we should
also "draft" industry. That is one
of those subtle expressions which
sounds well but doesn't mean
anything. What does he propose
when he says "draft" industry?
Does he mean the government
should take over the business of
the country as they have done
in Russia, or as they are doing
in England? If so, why not call
it Communism, or Socialism, and
be done with it? Why beat around
the bush with such expressions
as "draft"?

Northern interests who are so
active in trying to clean up evil
conditions existing in the South
would do well to turn their bifocals
toward problems closer to
home. Governor Caldwell points
out that many conscientious north-
erners are misled by propaganda
which fails to reveal that negro
teachers in Florida are paid
on the same basis as white teachers
at a rate above the national
average, that in all the great north-
ern medical colleges of the East,
North and West there were only
86 negroes last year while there
were more than a thousand negroes
being educated in medicine in the
South.

A flier returning recently from
Italy says we in this country do
not realize how strong an appeal
Communism has to the hungry
despairing people of that country.
In spite of American aid, well
organized and specially
trained Communist bands go
among the people telling them,
"Yes, America sends us crumbs
from their tables, but do we get
meat? Do we get enough? Do we
have homes and clothes to wear?
Look at their fine clothes and
their automobiles. Vote for the
Communist candidates and we will
give you everything." The Ital-
ians are ready to follow anyone
who promises the moon with plen-
ty of green cheese.

The Tampa Tribune declares
that the Southern revolt against
the Democratic Party as repre-
sented by the Truman faction is
not just the usual pre-convention
grumbling. "Adherence to the one
party system," says the Tribune,
"has greatly weakened the long
time influence of the South on
presidential issues. Both parties
have tended to ignore the South
in selecting candidates and formu-
lating platforms, the Democrats
because they consider the South
safe and the Republicans because
they consider it hopeless. Al-
though the South contains nearly
a quarter of the nation's popula-
tion, no Southerner has been
elected President since the Civil
War and none has even been
named as a candidate by either
major party." All that could be
changed in a hurry if the South
were a politically doubtful section.

Sick, Not Sinning

"Society's expensive court case drunks; repeatedly in
and out of jail, should be given a chance for cures in col-
onies outside the stresses that drive them back to drink.
Alcoholism is on the increase, and is a public health job."

These sentiments were expressed at a recent session
on alcoholism in Columbus, O., attended by members of the
National Committee for Education on Alcoholism, workers
in the Yale Plan Clinic, court room judges and social work-
ers.

Alcoholics, it was pointed out, are now considered a
type of mentally ill, who have low resistance to social fric-
tion and an instinct to escape the most minor troubles.
Publicly supported hospital beds and clinics should be open-
ed to them since few places are available for treatment ex-
cept expensive private institutions.

Society is waking to a new diagnosis and obligation on
an old problem. Alcoholism is now viewed not as a moral
matter, but as a disease, and its control as a public re-
sponsibility.

This is a sound approach, long needed.
But it is also sound to remember that self-control as
a desirable method of living can be taught in childhood, and
can then be applied to alcohol as well as to other tempta-
tions that destroy strength, happiness and a balance of life
if indulged. Modern psychology is doing splendid work the
value of which should not be underestimated. But sometimes
it has a tendency to lay the causes of all ills to outside in-
fluences, and to lay too little emphasis on the power and
possibilities of training inner strength.

The Trouble With Trieste

Why is the ownership of Trieste a problem? Because
it is a coastal town of Italians, and also the trade outlet of
Yugoslav Dalmatia. The western or Italian shore of the
Adriatic Sea has few harbors of account, whereas the eastern
or Yugoslav side has Trieste, Fiume, Zara, Split (better
known to the outside world as Spoleto), and others. The
Italians have clustered in these coast towns, while the back
country is almost exclusively Slavic. To give the Yugoslavs
the harbor towns they need would put the Italians of
Trieste and Fiume under alien rule.

This difficulty cropped out over Fiume in the 1919
Peace Conference. Then President Wilson decided that a
past treaty obliged the Allies to give Trieste to the Yugo-
slavs. The Italian delegation walked out of the conference
in a huff, but came back unobtrusively a short time after-
ward. Seizing Fiume later, they held it, as well as Trieste,
until their downfall in the recent war.

Giving Trieste to the Yugoslavs would be unjust to its
Italian population. Giving it to Italy deprives Yugoslavia
of an important outlet to the sea. This dilemma will re-
main long after the present Italo-Yugoslav crisis.

A man from Mars would wonder why both nations
could not get together and use the port facilities peace-
fully.

Honest Conviction, Clearly Stated
TAMPA TRIBUNE

Hearers of Dan McCarty at
Courthouse Square Saturday night
could not but be impressed by the
forthrightness of the candidate's
declarations on state questions.
Dan McCarty does not stammer,
slither or equivocate. He has firm
convictions on all issues and he
is fearlessly frank in telling the
people where he stands.

His speech here touched upon
all the important phases of Flor-
ida's governmental, political and
economic situation and on what
the next Governor can and should
do to give the state a construc-
tive, consistent and progressive
administration.

McCarty was positive in his
declarations for continued public
school improvement, for better
roads, against a general sales
tax and for taxation based on
ability to pay, for development of
agriculture, with special emphasis
on the citrus industry, for fencing
livestock off the highways, for
constitutional revision with ratifi-
cation by the people, for con-
servation of natural resources
with research and experiment to
make these resources of greater
value, for expansion of the state's
advertising program, for removal
of the gasoline tax from fishing
boats and farms, for maximum
benefits to the aged, dependent
children and the blind, for an
"even break" for war veterans,
for a state purchasing agency.

McCarty was particularly im-
pressive in his statements re-
garding a sales tax. He said:
I was against the sales tax

in 1937, not because I knew
then that I was going to be here
tonight as a candidate for Gov-
ernor. I was against it because
I honestly believed it was
wrong. If there is a 3 per cent
levy on the purchases of a
family which spends all its
earnings, then that levy
amounts to a 3 per cent income
tax. Our state constitution for-
bids a state income tax. In ad-
dition, a sales tax is unfair.
The only fair tax is that based
on ability to pay.

On schools, he warned against
changes in school laws which
would tend to remove control and
responsibility from local commu-
nities, which should be main-
tained, "in order to prevent excessive
centralization in Tallahassee, and
to give parents and local officials
a real voice in the administration
and operation of the schools."

Farm-to-market roads received
his strong endorsement. Without
such roads, he said, Florida
farmers are "heavily handicapped
not only in getting harvested
crops to market but in getting
their children to school and, in
many instances, in getting medi-
cal aid."

Hearing his publicly spoken ex-
pressions on state questions, we
are more than ever convinced that
Dan McCarty is just the man
Florida needs as its next Gov-
ernor.

Personals

Mr. and Mrs. Weldon McCoy have left for Sumter, S. C. where they plan to make their home. Mrs. McCoy is the former Elizabeth Ann Massey.

Mr. and Mrs. E. A. Perry of Miami and Dr. Ralph Grounds of Los Angeles, Calif. will be the house guests for the coming weekend of Mr. and Mrs. Herman E. Morris.

Miss Nancy Williams, a student at Stetson University, has arrived to spend several days with her parents, Mr. and Mrs. Robert Williams, at their home in Santa Lanta.

Mr. and Mrs. Lind Weber and children, Dickie, Lind, Jr. and Wendy, have moved their residence from the Mayfair Inn to the home of Mrs. Martha Coleman on Briarcliff Avenue in the Dreamwood subdivision.

Dr. Lee Olson To Be Heard With Chorus

The Nyack A Capella Chorus and Sinfonetta, from Nyack, N. Y., will appear in a sacred concert at the First Methodist Church on Monday night at 7:45 o'clock. This famous chorus, under the direction of Dr. Lee Olson, was recently heard by a capacity crowd in Carnegie Hall in New York.

Dr. Olson has an outstanding background of musical experience both in Sweden and in America. He was a pupil of Ignaz Brera, a well known European violinist, and an understudy to Leon Barzin of Carnegie Hall from 1937 to 1940. He is the founder and conductor of the National Christian Symphony Orchestra of New York City.

The chorus and Sinfonetta is on tour of southern states in the interest of the Missionary Training Institute of Nyack, N. Y.

The Institute is the finishing school of the Christian and Missionary Alliance, a pioneer missionary society having over 2400 churches and out stations on 20 mission fields.

Dr. Thomas Moseley, president of the institute, is the director of the tour, and will appear and speak briefly of the work of the school.

Projects And Plans Told At Azalea Meet

The roll call was answered by the naming of proposed projects and programs for the new year at the regular meeting of the Azalea Circle of the Sanford Garden Club held last night at the home of Mrs. E. C. Harper on Sanford Avenue. Twenty members were present for the meeting and routine committee reports were given.

Following the short business meeting refreshments were served to Miss Ellalce Kirchhoff, Mrs. Henry McLaughlin, Jr., Mrs. J. M. Hayes, Mrs. Henry Russell, Mrs. J. L. Mrs. Kircher Speaks At Club Meeting

Mrs. Edward Kircher was the guest speaker at the regular meeting of the Sanford Home Demonstration Club held at the Tourist Center on Thursday afternoon. Hostesses for the meeting were Mrs. Roy Tillis, Mrs. C. M. Flowers, Mrs. R. C. Long and Mrs. W. Roche.

Mrs. Kircher spoke on the three approaches to health: approach to the body, approach to the mind and approach to things spiritual. Mrs. Hulda Kibbee gave a brief outline of health in the community planning especially the city sewage disposal system.

Announcement was made of the annual achievement day to be held on Thursday and plans were made for that event. Hostesses for the next meeting will be Mrs. Paul Warren, Mrs. Brodie Williams and Mrs. W. A. Hunter.

A nominating committee was appointed which consisted of Mrs. W. B. Brinson, Mrs. V. G. Hasty and Mrs. M. N. Cleveland. The group will report at the next meeting.

Miss Ouida Wilson, Home Demonstration agent, gave a demonstration on cooked foods after which the meeting was adjourned. Punch and cookies were served to the following: Mrs. R. Lippincott, Mrs. R. M. Burns, Mrs. R. T. Warren, Mrs. Brodie Williams, Mrs. W. A. Hunter, Lord, Mrs. Brinson, Mrs. M. S. Nelson, Mrs. W. A. Hunter, Mrs. Williams, Mrs. Maude Williams, Mrs. Hasty, Mrs. R. F. Rod Cameron Stars In "Panhandle" Film

The oldest rock formations in the Western Hemisphere and also the first place where gold was discovered in America, served as location sites for the most exciting scenes in "Panhandle," Allied Artists' thrilling outdoor special which comes to the Ritz theatre on Sunday and Monday.

Rod Cameron is starred in this film of the early west, and Cathy Downs, Reed Hadley and Anne Guyonne are featured in supporting roles.

The ancient rock formation in the Alabama range below Mt. Whitney, in the Sierra Nevada of California, according to geologists the "Alabamas," as they are known locally, came out of the ocean when the earth cooled millions of years ago, and thousands of years before Mt. Whitney crept into the sky because of a similar natural phenomena. All "chase" sequences were filmed in these rocks, among the roughest and most picturesquely spectacular in the world.

RWA Circle Meets With Mrs. Morgan

Mangrum Shoots 69 In Opening Round Of Master's Golf Tourney

AUGUSTA, Ga. Apr. 9 (AP)—Fifty-six other pros and amateurs contemplated the 69 shot by Lloyd Mangrum in the opening round of the 13th annual Master's Golf Tournament yesterday with some apprehension as they teed off for the second 18 holes of the 72-hole event today.

Mangrum, whose three-under-par score led the field by one stroke, came here as the leading money winner of the winter tour. A year ago Jimmy Demaret came here as the leading money winner, took the lead on the first round, and held it until the finish. Sixteen players were par or better for yesterday's play over the 6,000 yard layout with its rolling terrain, undulating, sand-trapped greens and tree-fringed fairways. Among them were most of the entrants rated outstanding contenders in pre-tournament calculations.

Missing the select circle by one stroke was defending champion Jimmy Demaret, bracketed with six others at 73, playing with Bobby Jones. Making his annual competitive appearance, Demaret was out in 37 and back in par 35. Jones came in with a 76.

One stroke behind the sizzling Mangrum were Claude Harmon, Ed Furgol, Ben Hogan and Herman Kessler, the surprise winner two years ago, and in the 71 bracket were Skee Riegel, national amateur champion; Art Bell, Dick Metz, Chick Harbert, Jim Ferris, Bobby Locke, the South African threat, and Byron Nelson, a two-time winner.

Hanly Cotton of England, the second foreign threat, was one of the four matching par 72. His

companions were Harry Todd, Bob Hamilton and Weland Gibson.

Weather and course conditions approached the ideal yesterday until late in the afternoon when a roistering wind, accompanied by ominous skies and driving rain squalls caught a few of the late starters. The chief sufferer was Bob Hamilton, who had gone out in a sparkling 33.

Hamilton was caught in the blinding downpour and finally staggered in with a par 72.

Mangrum, who set the tournament record of 64 in 1941, was over par on only two holes in registering his 69. He had five birdies and 11 pars and had to scramble on only one hole, the 10th.

These ancient rivals, Nelson and Hogan, played as a twosome and naturally drew the largest single gallery from the crowd estimated at more than 7,500. Hogan, out in one over par, clipped three strokes from par figure coming home to earn his 70, and Nelson shot a consistent 36-35. He missed only one green on the tour.

Locke, very highly regarded in pre-tournament speculations because of his superb putting, shot steady golf all the way, but Cotton scrambled repeatedly, and on the last four greens had to get down in one putt to salvage his pars.

With Frank Stranahan, who finished in a tie for second last year, out of the picture due to a pre-tournament dispute with officials, the amateurs fell largely on the shoulders of Riegel, Bud Ward and Dick Chapman.

Rosenkranz And Mullins Rap Home Runs For Grubermen In Well Played Tilt

By ARTHUR BECKWITH, JR., Herald Sports Editor

Over 1,200 excited fans jammed the Sanford Municipal Park last night to witness the first exhibition contest of the season for the Sanford Giants, and those gathered saw the locals win a 5 to 3 decision over the Trenton Giants of the Inter-State League, a Class B circuit.

Never before in the history of a Sanford baseball club has Joe Sanford players hit home runs out of the park in one ball game at the local ball park. This is a feat which was accomplished by Vincent Mullins, third baseman for Manager Hal Gruber's organization and Eddie Rosenkranz, first baseman for the Giants in the contest.

Mullins rapped his blow in the opening frame after McManus drew a free ticket and was sacrificed to second base by Lloyd Clifton. The ball soared far over the left field wall and into the clubhouse north of the fence. Rosenkranz drilled his blast over the right field fence to open the fourth frame.

Sanford scored a run in the second when Catcher Len Matte singled to left and Pitcher Joe Schultze doubled off the left field wall, the ball lacking inches of clearing for the third circuit blow. The final Sanford marker was chalked up in the eighth inning on a two base hit by Left-fielder Tim Tyler and a single by Mullins, his third hit for the evening.

Manager Tommy Heath's Trenton aggregation mustered two runs in the eighth from the offerings of portlander Jerry Creasy, who was relieved by Buddy Lake with the basespats crammed. Lake retired the next two batters in order. The final Trenton run came in the ninth inning after Pete Pavlick drew a walk and Moe Cunningham doubled to left center field.

To open the contest, McManus scooped a fast grounder hit by Pavlick, nipping at the plate and completing a twin killing to Rosenkranz who caught Pavlick in time for the out.

Schultze, signed from the Sanford baseball school held by the New York Giants, showed mid-season form in going six innings in the first game. Many fans expressed delight with the youngsters' curve ball, which continually had the Trenton boys stepping back from the plate only to have the umpire call "strike."

Rosenkranz was recently optioned to the Philadelphia Athletics. Bill Garner at Knoville Smokies and Mullins came from Ft. Smith, Ark. by the option route. Rudy Karson, the final catcher, was also optioned to Sanford from Ft. Smith.

Manager Gruber has cut his outfield candidates by releasing Joe Lashley and Frank Giordano, both men were signed from the Sanford baseball school. Stan Peck, a righthanded hurler has also been given his release. Gruber announced yesterday.

Tom Cataldo, who played right field for Sanford last night came from Manager Dale Alexander's Smokies by option. Johnny McManus has come to terms with the Giants and has signed his contract.

Horace Stonham Named Honorary Jaycee Member

The Seminole County Jaycees unanimously elected Horace Stonham, owner of the New York Giants, their first honorary member at the noon luncheon of the organization yesterday.

Stonham is scheduled to arrive in the city today.

"In order to show Mr. Stonham that we appreciate his coming to Sanford and for sending his New York Giants Farm Club training base here, we are going to make him the presentation of the first honorary membership certificate issued by this organization," Secretary Gordon Brantley told the group after the unanimous vote was taken.

Stonham, who appreciates the Giants and their work in Sanford, and we wish them success in every venture and hope that they remain with us for many years," President Brantley Odham declared.

Training Camp Notes
MONTGOMERY, Ala., Apr. 9 (AP)—The New York Yankees moved into town today to meet the Montgomery Rebels of the Class B Southeastern League.

Frank Shea, who has been on a rigid reducing diet, pitched six innings against Augusta yesterday and gave up three hits while walking five.

LUBBOCK, Tex., Apr. 9 (AP)—Andy Hansen is working out again with the New York Giants. The young pitcher tossed batting practice yesterday for the first time since Mar. 20. He has undergone a nose operation since training opened.

CLEARWATER, Apr. 9 (AP)—First baseman Ferris Fain apparently is going to be able to go full speed for the Philadelphia Athletics despite his recent knee operation.

Fain played his first full game yesterday since undergoing the knee and showed no effects of the operation. The A's lost to their city rivals, the Phillies, 4-3.

SAN ANTONIO, Tex., Apr. 9 (AP)—The experiment of making a third baseman out of the veteran shortstop Luke Appling is continuing to work out well for the Chicago White Sox.

Appling not only is holding down the hot corner in fine style but has been hitting well since the exhibition season started.

DALLAS, Tex., Apr. 9 (AP)—The plagued Chicago Cubs had another pair of performers on the field today—both pitchers.

Bob Rush was saddled with a bad cold and Ralph Hamner was out of action with a stomach ailment.

ORLANDO, Apr. 9 (AP)—The Washington Senators have signed contract to return here for Spring training for the next five years.

Kolaka Romps To Easy Victory In 2nd Derby Heat

Kolaka, an odds-on favorite, romped to an easy triumph in the second Derby elimination trial last night at the Sanford-Orlando Club. The greyhound ace from R. G. Skelton kennel paced the field from the break of the box and won by 15 lengths. It was his 10th victory of the season and his eighth in a row.

Following Kolaka to qualify for the Derby were Sir William, Lucky Max, and Dusty Squawk. The qualifying bounds last night will meet the fourzone that entered the championship run last Tuesday night including Nellie Gray, Brave Life, Rube Harbor and Happy Leah.

The 13th annual derby will be run next Thursday night. Tonight's feature ninth event will headline Nellie Gray, a Derby heat winner, who will be given a chance from the futurity box. The initial contest on the 10-event program is slated to begin at 8 P. M.

Chicagoans Lead In Silver Star Race
GULFPORT, Miss., Apr. 9 (AP)—Two Chicagoans led the way today as the Silver Star Championship sponsored by the International Star Class Yachting Association entered its second day. Lockwood M. Pirie, sailing the Twin Star, finished first in yesterday's opening race. He was two minutes and 22 seconds ahead of Robert A. Rogers' Duchess. Both are from the Wilmette Harbor Club, Chicago.

Behind the two leaders came World Champion Durward Knowles of Nassau, who sailed the Cajin from New Orleans. In fourth place was Nathan Alfonso's Miss Julyann of Mississippi Sound.

IN MISERY HALF THE TIME; BLESSES RETONGA
Suffered For Years From Gas On Stomach, Indigestion, Restlessness, Muscular Aches And Pains; Mother Of Eight Wants Others To Know About Retonga

"No one knows better than my husband how much Retonga has helped me," declares Mrs. Ed D. Nunnally, well-known resident of RFD No. 2, Chatchee, Alabama, whose husband has farmed on his present homestead for 57 years. The mother of eight children, Mrs. Nunnally gratefully states:

"I was in misery half the time from sour stomach and indigestion. I often felt like gas was pressing against my chest so hard I had to gasp for breath. I couldn't seem to sleep soundly. I had to take strong purgatives like salts to get relief from sluggish elimination. I was on edge most of the time. Muscular aches and

pains ran through me like darts. I felt so run-down I was cross with myself for complaining so much. I always got up feeling worse than when I went to bed. Retonga was truly a blessing and a relief to me. I eat anything now and my food seems to give me the strength and energy I need. I sleep fine and no longer depend on harsh laxatives for relief from sluggish bowels. I feel easy after meals and am not bothered with excessive gas. The muscular aches and pains are relieved, and I have regained much of my lost weight."

Retonga is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, borderline Vitamin B-1 deficiency, and constipation. The active ingredients of Retonga are purely herbal, combined with Vitamin B-1. You can get Retonga at Touchton's.

Sutherland To Stay In Hospital After Being Found Dazed

CAIRO, Ill., Apr. 9 (AP)—John B. (Jack) Sutherland, 59, veteran coach of the Pittsburgh football Steelers, remained in a Cairo hospital today for further examination after being found Wednesday in a dazed condition near Bandana, Ky.

Dr. H. F. Russell of Wickliffe, Ky., saw Sutherland last night and reported he was "much better." John D. Holahan, general manager of the National Football League Steelers, said physicians will examine Sutherland again today before deciding whether his condition will permit his return to Pittsburgh.

Dr. Russell said in his opinion Sutherland was suffering with a nervous breakdown brought on by overwork. He said Sutherland "had better rest in the hospital two or three more days before trying the long trip back to Pittsburgh by automobile."

Congress Digs Into Study Of Draft And UMT

WASHINGTON, Apr. 12 (AP)—Congress today dug into study of the draft, compulsory military training and a long range farm program. And 17 senators suggested changing the United Nations charter, with or without Russian consent.

Defense Secretary Forrestal went before the House Armed Services Committee which is considering a bill to draft young men. This bill—if it ever becomes law—would let the President draft men between 19 and 25 years for the Armed Services whenever he thought necessary.

Forrestal, backing both the draft and compulsory military training said:

"Not in our lifetime or in that of the next generation do I foresee the time when a strong military potential will not be needed to back up our diplomacy."

He emphasized that a strong military program is needed now solely to prevent war.

The Senate Agriculture Committee began hearings on a bill, backed by half a dozen senators, to set up a new long-range farm program.

Senator Aiken (R-Vt.) called it "probably the most important legislation before the Congress this year."

In general the program would gather together all the various federal farm programs and acts of the past 16 years and fit them into a permanent plan.

Aiken said the main points are:

1. A continuation of the soil conservation program with more emphasis on "actual control" of the program by states, counties and farms.
2. Bringing up to date the parity formula. A parity price is one figured to give a farm product the same purchasing power it had in some past period. It is the heart of most government programs to support farm prices.
3. A system of graduated government price supports by loans, purchases or marketing programs. Aiken said these would encourage farmers to produce goods now needed and cut down on those too abundant.
4. Under parity, the regular open market price of farm products falls below a certain level...

Nebraska's GOP Poll Vies With Other U. S. Presidential Moves

OMAHA, Apr. 12 (AP)—Harold E. Stassen claimed here today as the eye of Nebraska's popularity primary, that he will top all Republican presidential candidates with 300 votes on the first nominating ballot at Philadelphia.

By ASSOCIATED PRESS

Nebraska's all-star Republican show tomorrow holds top political billing but other presidential campaign developments vied for attention today.

These were the highlights:

1. A group of Southern Democratic state chairmen opened a two-day session in Atlanta to discuss the controversial civil rights program which has provoked a split in party ranks.

2. Warren of California, I each. Rep. Hubey (R-Ill) who conducted the survey, also asked House Democratic members to pick the man they regard as most likely to win if nominated. Of the 37 votes cast, 15 went to Eisenhower, 8 to Truman, 6 to Vandenberg, and 2 to Stewey. Others receiving 1 vote were Senator Alben Barkley (D-Ky) Justice William O. Douglas, James A. Farley, Taft and Henry A. Wallace.

3. Third Party backers of Henry A. Wallace decided in Chicago to follow the Republicans and Democrats in one respect by choosing Philadelphia for their convention July 24-25. And the Wallace group invaded Mr. Truman's territory.

Judge Herlong Oviado Welcomes Hits Communism County Candidates In Campaign Talk At Campaign Meet

County Judge Candidates are First to Present Platforms

Oviado gave the Seminole County Democratic candidates a hearty welcome Friday evening and citizens showed their interest in the May 4 Primary by turning out in good numbers.

The Oviado Women's Club served a fine chicken pilau supper earlier in the evening in the school gymnasium, with Mrs. C. T. Niblack, vice-president, in charge. A large group was present.

A truck upon which a piano had been placed was parked nearby and a string orchestra gave lively music. The orchestra were Wayne Ellis, Robert Ellis, Eugene Ellis, Ferdinand Jakubcin, Marie Smith and Charlotte Smith.

Speaking started at 8:00 o'clock in the school auditorium and Democratic Chairman J. H. Lee presided. Mr. Lee gave the program start a very novel twist when he held four year old John Courier II up to the microphone and introduced him as Seminole County number one baseball fan and possessor of a Babe Ruth autograph. "Strike one" piped up Johnny to send the candidates "to bat."

Judge James G. Sharon, was the first of the five candidates for county judge to speak. A former county judge he declared that he had been a faithful public servant and had "placed his footprints on the sand of Seminole County and Sanford visible to everyone to see if he wobbled or not in his duty. He based his platform on the qualities of justice, faithfulness, courage, honesty and impartiality.

Douglas Stenstrom, veteran of Guadalcanal and Station Law School graduate, declared that...

Late President's Statue In Britain Unveiled By Wife

LONDON, Apr. 12 (AP)—Mrs. Eleanor Roosevelt tugged a red, white and blue bunting from a bronze statue today and unveiled Britain's memorial to her husband who died three years ago this afternoon.

King George VI was the central figure among thousands who watched. The former first lady's pall on a silver cord revealed the president standing barbed with his cloak thrown back, and bearing the simple inscription, "Franklin Delano Roosevelt."

The crowd stood in silence as the king moved past honor guards of American and royal marines and placed a wreath at the statue's base. Then Mrs. Roosevelt and other officials placed wreaths beside the king's offering.

In the pale yellow sunlight of the April morning hundreds of Britain's great and thousands of her humble kept a reverent silence. Buildings ringing the square were packed. Heads craned from every window. The rooftops were jammed with people. A squadron of British jet fighters whirled over the square. When the ceremony ended, Winston Churchill walked slowly around the base of the statue. He stood silently a moment. Then he smiled at his eyes with his hands.

Italy Gripped In Nationwide Red Instigated Strike

ROME, Apr. 12 (AP)—A nationwide, Communist-called, one-hour general strike went off as ordered in Italy this morning.

First reports, however, indicated the work stoppage fell far short of achieving the general paralysis predicted by its instigators, the Communist General Confederation of Labor (CGIL). The strike was called to protest the slayings of 35 Sicilian labor leaders over the past two years.

The pro-Communist newspaper Il Paese reported, meantime, that new pre-election violence has been instigated by the "Fascist terror" in the south.

Dispatches to the paper said two persons were killed and 22 injured when a bomb was tossed into the midst of a Communist-dominated Popular Front rally at Lissanello near Lecce yesterday.

Giuseppe Calasso, front candidate for the chamber of deputies in Sunday's national elections, was reported injured.

Only the stoppage of street cars and buses indicated to Rome residents that the general strike was on. The CGIL had announced that the city's telephone service would be suspended during the strike, but the phones kept working.

Political Rally To Be At Altamonte Springs

The Altamonte Springs Chamber of Commerce today announced a Brunswick stew supper at the Altamonte community house on Apr. 17 from 5:00 to 7:00 P. M. to be followed by a political rally put on by the Seminole County Democratic Executive Committee. All local and county candidates are invited to speak at this rally for a limited time.

The Brunswick stew will be prepared by Bob Bradford, who by experience and education in deep South barbecue is said to be a master of the art. Besides the Brunswick stew, there will be other attractions of interest.

Most candidates have been provided with tickets for the convenience of those wishing to purchase them ahead of time, although tickets will be on sale at the door. Festivities begin at 8 P. M. and will be held outside in the community house yard.

CITY MEETING

City Council will convene Tuesday afternoon at 6:00 o'clock and James M. B. Smith will probably call a number of cases for trial and County Clerk O. P. Morrison, this morning. Trials are due to start on Apr. 13. County Court will convene in the morning at 10:00 o'clock to start the April term.

UN Delegates Discuss Truce In Palestine

Proposal Is Made To Have International On-The-Spot Body Observe Activities

NEW YORK, Apr. 12 (AP)—Security Council delegates today discussed the possibility of sending a United Nations Commission to Palestine to supervise the proposed Arab-Jewish truce.

The proposal for an on-the-spot international body was put before an informal meeting of the delegates in U. S. Delegate Warren R. Austin's Park Avenue offices. Austin showed keen interest in the move and said he would ask Washington for instructions.

"So far the Arabs and the Jews have refused to accede to a Security Council demand for a ceasefire agreement in the Holy Land. The new plan would lay down the terms and conditions of a truce and then send UN observers to see that it was carried out."

An American delegate press officer, briefing newsmen after the closed session refused to say which nation called for the on-the-spot check. General A. G. L. McNair of Canada said he had made a suggestion during the meeting which was well received.

Russia's Andrei A. Gromyko ended his boycott of the informal talks. A spokesman said, however, that he withheld any comment on the plan for sending observers to the scene of fighting.

Dr. Antonio M. Gioi of Colombia, April president of the council, was instructed to draft all suggestions into a resolution for consideration at another informal meeting, probably tomorrow. The final truce plan was expected to reach the council officially before the start of the special UN assembly session on Palestine Friday.

Meanwhile, the delay in reaching agreement on a truce virtually eliminated hopes for reaching a pre-assembly decision on...

Large Proportion Of Fresh Produce Is Grown Locally

The fresh vegetables and fruits now on sale in Sanford produce are either grown in this immediate vicinity, or within a 200 mile radius, a survey of the principal downtown grocery stores disclosed this morning. Sanford is literally in a garden spot, as a sign in some store points out.

This fact was revealed by W. B. Smith, Orlando, produce specialist of the Atlantic Commission Company, who is assisting Manager Earl Evans this week at the A & P Super Market at Magnolia Avenue and Second Street.

Next contacted was Bill Casuba at the Piggy Wiggly store. Joe Saunders at the Margaret Ann Store, Harold Lewis at Taft Lodge, Jesse Lodge at Lodge's Grocery, W. H. Folds at Folds' Open Air Curb Market and Charles Gormley at the Sunshine Grocery. At each of these stores the reply was the same. "We buy as much as possible of locally grown produce."

The fruits and vegetables, well lighted and reflected by wall mirrors, present an enticing picture to the busy housewife, or to the husband who has been directed to get some vegetables and fruit, en route home from work. Some vegetables are refrigerated, others are sprayed with cool water.

Among the locally grown vegetables are celery, cucumbers, yellow squash, lima and string beans, spinach, collards, onions, sweet potatoes, green and dry onions, beets, turnips, cabbage and a small amount of locally grown lettuce. Grapefruit, oranges and strawberries are among the locally grown fruits.

The first corn of the season was noticed at the Margaret Ann Store, and came from the Glades section, according to Manager Saunders. Quite a few tomatoes and cucumbers are from the Glades sections. Hastings potatoes are beginning to compete with the Idaho and Maine brands. Carrots are from Texas and Arizona. The only vegetables noted from California were cauliflower and head lettuce. The state of Washington furnished most of the apples.

Of interest is the brick trade in locally grown flowers such as asters in purple and white, and mixed carnations, also gladioli and snapdragons. Piggy Wiggly has a display in front of the store, and Manager Casuba reported that he sold \$300 worth of flowers just before Easter.

Morocco Shrine Minstrel Staged At Seminole High

The Morocco Shrine Minstrel, sponsored by the Sanford Shrine Club, played to an appreciative audience that jammed Seminole High School auditorium to capacity Saturday evening, and the show was termed an outstanding success.

Nobles of the Shrine from Jacksonville who took part in the show, played to an appreciative audience that jammed Seminole High School auditorium to capacity Saturday evening, and the show was termed an outstanding success.

Mr. Lane declared this morning that he is delighted with the success of the show, the cooperation given the Shrine Club and the aid that will be given to the Seminole High School Band due to the fine process.

"I wish to thank every Noble who worked so hard in making this show a success," he said. He also expressed thanks to A. F. Ramsey, florist, for the large baskets of flowers that he donated and placed on the stage and members of the school band for selling tickets and helping in the parade.

The amount made from the show for the band, will be announced later, said Mr. Lane.

Killer Slain After Ship Board Rampage

SAN DIEGO, Calif., Apr. 12—(AP)—The Anna K, known in the tuna fleet as a jinx boat, docked yesterday with two corpses—instead of fish—in the cold storage hold.

FBI agents said Capt. Harold W. Hansen, 49, told them: Luis Zamora, 30, a Mexican national, ran amok with a galley knife. Zamora stabbed his friend, Carlos Asin, 23, a U. S. citizen and war hero of the Italian campaign.

Asin died in death on deck. Zamora stabbed Hansen in the back with a harpoon and repeatedly clubbed him.

Hansen ordered crewmen to kill Zamora with a .12 gauge shotgun. Lawrence W. (Tax) Belsor, 35, did.

Zamora would have killed all of us," Hansen told FBI agents. The killings occurred a week ago off the Mexican coast. Since then, the Anna K had roamed far to sea to escape a Mexican coast guard sent to investigate.

The FBI said no charges would be filed.

House Group Probes "Leak" Of Secret Data

Supposedly Guarded Statistics On Exports Are Read At Business Meeting

WASHINGTON, Apr. 12 (AP)—A House Committee investigating "leaks" of secret food information learned today that supposedly closely guarded government statistics were read to a business convention in Memphis last September.

The figures covered planned exports of fats and oils.

Chairman August Anderson (R-Minn.) said oil and lard prices shot up the limit of two cents a pound on the commodity exchanges after the figures were read. He charged this "leak" led to fat profits by some market speculators.

James W. J. Stedman, who was with the fats and oil branch of the Department of Agriculture last September, told about the incident. He testified that Eugene W. Brockbrough, executive vice-president of the Institute of Shortening Manufacturers, handed him at Memphis on September 9 what was believed then to be the government's official allocations of fats and oils for export.

Stedman said he read the figures to the shortening institute convention then in session at Memphis. He said he believes Brockbrough thought the figures had been announced in Washington.

Later Stedman learned from the Washington office that the allocations had not been announced.

Stedman said he asked permission immediately to appear before the convention and announce the error. The effect was "electric," he said. "Those present were stunned."

Stedman said that on the next day the government officially announced the export allocations for fats and oils. He said the figures had been announced in Washington.

Patrolman Sparks Escapes Serious Knife Injury Due To Belt

Joe Garvin, 22 year old negro, is in critical in Fernald-Laughton Memorial Hospital with four wounds through the abdomen after being shot by a patrolman Saturday evening while resisting arrest and wielding a knife.

According to Police Chief Roy G. Williams, the negro was shot by Patrolman Charles B. Sparks Saturday night at 7:30 o'clock at Fourth Street and Sanford Avenue, after Garvin, whom he had arrested for drunkenness and disorderly conduct, suddenly pulled a concealed knife with a four and a half inch switch blade, and attacked him.

Patrolman Sparks, Army veteran and member of the police force for the past year, was saved from serious injury by the Stun gun.

Forest Fires Rage In Maine Woodlands

AUGUSTA, Me., Apr. 12—(AP)—Improved weather conditions today cheered fire fighters on guard against new blazes in Maine's parched woodlands.

Half a dozen buildings and more than 1,200 acres of scrub growth were swept this weekend in the first Spring outbreak of fires.

Diminishing winds were forecast today. An overnight storm—now in the North, rain in the south—was heavier than anticipated. Precipitation is expected to total an inch here.

Austin H. Walkins, state forestry supervisor, said conditions were "very reminiscent" of last Fall when forest fires blackened 200,000 acres, levelled 1,000 homes and took 15 lives in a \$30,000,000 disaster.

Blazes that covered 700 acres in Pittston and Dresden, 115 acres in Orrville, 100 acres at North Whitefield and 400 acres at Old Orchard Beach were under control.

NEW GOVERNMENT CLAIMS HALT OF RED INSPIRED REVOLT IN BOGOTA

BOGOTA, Apr. 12 (AP)—The government today announced today Colombia has broken diplomatic relations with Russia.

The break in relations followed an announcement yesterday that two Soviet Russian agents have been arrested in connection with Friday's revolution.

By ASSOCIATED PRESS

New coalition government claimed today to have put down a "Communist insurrection" in Colombia. The uprising that shook the heart of Bogota, scene of the Pan American conference.

Delegates agreed to go on with the ninth International Conference of American States, started Mar. 20 and interrupted Friday by the revolt. But where or when they did not say.

Bogota, 400-year-old mountain capital, was a picture of desolation. The latest city-morgue count showed 300 persons dead. Public buildings, Roman Catholic Churches and stores were burned and looted ruins. Soldiers guarded downtown street corners.

Colombia, South American Republic 150 miles below the Panama Canal zone, was under martial law invoked at noon yesterday.

The revolt against President Mariano Ospina Perez' mainly conservative government grew out of the fatal shooting Friday of Jorge Eliecer Gaitan, liberal leader.

A new conservative cabinet headed by liberal Dario Echandia as minister of government was formed Saturday and took office yesterday. The government claimed last night to have control.

Barranquilla, Cartagena, Medellin and Cali were among cities outside Bogota reported to have...

Diminishing winds were forecast today. An overnight storm—now in the North, rain in the south—was heavier than anticipated. Precipitation is expected to total an inch here.

Austin H. Walkins, state forestry supervisor, said conditions were "very reminiscent" of last Fall when forest fires blackened 200,000 acres, levelled 1,000 homes and took 15 lives in a \$30,000,000 disaster.

Blazes that covered 700 acres in Pittston and Dresden, 115 acres in Orrville, 100 acres at North Whitefield and 400 acres at Old Orchard Beach were under control.

Bridges' Plan Is To Pension Miners 62 Years Of Age With 20 Years Service

WASHINGTON, Apr. 12 (AP)—John L. Lewis won \$10-a-month pension at age 62 for his miners today and issued the order to go back to work.

WASHINGTON, Apr. 12—(AP)—The coal miners' pension dispute which started the strike of 400,000 United Mine Workers four weeks ago was settled today.

The three-member pension fund board of trustees adopted a tentative plan under which UMW coal diggers 62 years old with 20 years' service in the pits who retired after May 20, 1946, would get \$100 a month.

The board members are John L. Lewis, UMW president, Ezra Van Horn, operators' representative, and Senator Styles H. Bridges (R-MD). Bridges, the neutral member, was accepted Saturday by Lewis and Van Horn. It was Bridges' proposal which was adopted, with Van Horn's dissent.

Repudiations of the coal strike on Lewis and the miners were by no means over. Federal Judge T. Alan Goldborough ruled that Lewis and the union must stand trial Wednesday on contempt of court charges for ignoring an injunction issued Apr. 3 to end the strike.

While some miners said they believed the idle UMW members would return to work by tomorrow, others said the unionists might await the outcome of the contempt proceedings.

WASHINGTON, Apr. 12 (AP)—John L. Lewis today told the 400,000 striking coal miners their pensions had been granted—the...

Brisson Reports On Rotary Meet At Clearwater

President Gordon Brisson reported on the recent district conference of Rotary International at Clearwater at the regular weekly luncheon of the club today at the Tourist Center, and Robert P. Skelly of the firm of appraisal engineers of J. M. Crammshaw & Co. of Cleveland, Ohio, outlined the methods employed in making appraisals of real property in Sanford.

President Brisson also introduced George Stine, H. H. Coleman and Fletcher Bolt who attended the conference and who spoke briefly on various phases of the program. Mr. Brisson said that all 29 clubs in the district except one was represented at Clearwater, and that there were 186 Rotarians and 119 Rotaryans in attendance.

He paid high tribute to District Governor, Paul Stine of Orlando who, he said, delivered one of the outstanding addresses of the session. Another high spot of the conference, he pointed out, was the address of Bishop Henry Louttit who spoke on "Russia Vs. Democratic America." Another inspiring talk, he said, was made by Dr. Robert McGowan of Lakeland who spoke on "New Frontiers for International Services."

Morris E. White of Tampa was...

Forest Fires Rage In Maine Woodlands

AUGUSTA, Me., Apr. 12—(AP)—Improved weather conditions today cheered fire fighters on guard against new blazes in Maine's parched woodlands.

Half a dozen buildings and more than 1,200 acres of scrub growth were swept this weekend in the first Spring outbreak of fires.

Diminishing winds were forecast today. An overnight storm—now in the North, rain in the south—was heavier than anticipated. Precipitation is expected to total an inch here.

Austin H. Walkins, state forestry supervisor, said conditions were "very reminiscent" of last Fall when forest fires blackened 200,000 acres, levelled 1,000 homes and took 15 lives in a \$30,000,000 disaster.

EGG-EXACTLY FIVE OUNCES

Sanford's claim to the heavy-weight egg laying championship was threatened recently by Enterprise, right across the lake. The latest contender in the realm of eggs is a little white leghorn there on the farm of Walter Trapp. Its A-1 exhibit right off the hen production line is a fine, white five ounce egg now on exhibit here at the Sunshine Grocery. The egg has a lengthwise circumference of 8 1/16 inches and a girth of nearly seven inches.
