

Two Join Blood Bank Gallon Club

Two Sanford women, Mrs. Ophelia Bennett and Mrs. Terrence Sasser joined the Blood Donors Gallon Club in October with the drawing of their eighth pint at the Seminole County Blood Bank. Two men, J. O. Crews and Roger Brown also joined the Gallon Club.

Mrs. Martha Reborn is up to a gallon and a half with the donation of her twentieth pint, to swell October's total to 77 pints.

Mrs. Ada Williamson gave her fourth pint, Mrs. Eddie Hackett her second, and four women became blood donors for the first time. They included Mrs. Betty Milner, Mrs. Connie Hodgins, Mrs. Joyce Whittier and Mrs. Sandra Collins.

Top donors of the month were Robert Thomas and Bill Hardin who are now at 21 pints. Howard Bass is at 18, H. H. Fortner and J. E. Alderman at 13 and Edwin Keith, Willie Anderson, LeRoy Groover and Willard Sessions at 10 pints.

Just short of a gallon are John Buhl, Hubert Smith and Randall Priest at seven pints; Barney Miller, Jimmy Henderson and Willard Nelder at six pints.

Five pint donors were Andrew Ellis, George Porzig, William Flowers, Lester Tills, Roger Harris, James Jenkins, Robert Kennedy, Marvin Riggs, William Chambers, Leon Swain, James Yates and Vernon Hardin.

In for the third donation were William J. Whitley, Melvin Pierce, Bobby Price, John Colley, Elyn Humphreys, Richard B. Jones, Clarence Barlow, Charles Barrentine, Austin Jackson and Clarence Johnson.

Back for the second time were Herbert Muse, Gerald Cassanova, Bob Albert, Leonard Stone, George Alvins, John Adams, Birch Bird, Bobby Brock and Ralph Hackett.

Men who came in to make a donation for the first time included the following: Glenn Ferrall, Tommy Joe Lyles, John Small, Kenneth Kern Sr., Willard Buck, Edward Gonzalez, Frank McMillan, Lawrence Kwiatkowski, Henry Lincourt, Jerry Riley, Eddy Poindexter, Alan Hunt, James Beverly, Donald Brown, Albert Bostle, Lloyd Seube, Charlie Morgan Jr., Robert Showman, Richard DeJong and Carroll Hesth.

By LARRY VERSHEL
There's a poignant little piece about Terry Cordell on page 17 of the new Saturday Evening Post. Susan Cordell talks about her husband, and she says, "It's a dirty, nasty little war, but Terry and the others are just as dead, and died just as gallantly. . . There must be a way to beat this unseen foe, somehow, somewhere."

Had a call from Capt. Joseph Tully, CO at SNAS early this morning and he says for those that are interested in hosting some soldiers for Thanksgiving Dinner to call either Lt. Wheeler or Capt. Matthews, at the Naval Air Station, FA 2-1330, Extension 488. If you were a long, long way from home . . .

Look for an announcement soon about a new nursing home out by DeBary. . . Some \$300,000 has already been invested and a few Sanford people have put up some of the money.

School statistics this morning revealed as of today 12,751 enrolled in county schools. . . Increase of \$13 from last year. Interesting to note the biggest increase is in Lyman area while Sanford population down. . . Officials report 2,550 now in Sanford area schools while 2,602 out by Lyman.

Still speaking about schools, preliminary plans for improvements at Lyman and Coomans in Tallahassee and Walt Tenge hopes bid opening on two projects next month.

The city will open bids on some \$18,000 worth of equipment at 2 p. m. tomorrow. Equipment includes two police cars, five trucks.

Bids on the second phase of Interstate 4 through Seminole County will be let this afternoon in Orlando. Notice the work done on the first phase yet?

Word from Seminole Park Raceway has it that the steel for the new grandstand is arriving now, and when it is all here the work will go on 24 hours a day to have it ready by Jan. 6. The steel for eight new barns is coming in, too, which will raise the capacity of the track to well over a thousand horses. All the foundations have been poured, and track prep Clyde Hart is beginning to notice the sweet smell of success about the place.

Remember courthouse will be closed Thursday and Friday. City will close Thanksgiving Day and will reopen Friday. O yes, Herald will publish Thanksgiving and Friday.

Asked John Fitzpatrick about administrative aide and John says the board will wait until the first of the year when two new board members are sworn in. . . Still \$15,000 appropriated for the post.

O NO DEPARTMENT. If the city doesn't utilize the post office for a library it will be turned over to the school board who plans to use it for storage and supervisors. . . Imagine storage on that choice location.

Friday is the deadline for mailing in those ballots in the Chamber of Commerce directors election.

County Commissioner Jim Avery takes a very, very dim view of a Lake Monroe causeway connecting Sanford with Enterprise and DeLand. Says it will cost too much, and that the county would be better off "by far" if just a fraction of the money the Lake Monroe project would cost was to go into the county secondary road fund. "We need roads far more than we need causeways," says Jim.

If the Woodruff Bldg. doesn't sell soon . . . we hear there's a good chance the city may purchase the property, turn it into a parking lot and hold onto it until the proper time. . . We know some old gentlemen who tell us the building was old when they were one-year-olds.

U.S. Charged With Savage Attack On Cuba Freighter

MIAMI (UPI) — Radio Havana charged today a U. S. plane made a "savage attack" on the 5,012-ton Cuban freighter Rio Damuji in international waters late Monday, making four passes over the ship and dropping 11 bombs.

The broadcast, quoting the ship's captain, said the bombs damaged neither the ship nor the morale of its crew.

Although there was no immediate comment from Washington, it appeared probable that the attack—if there was one—was more likely the work of Cuban refugees than of U. S. forces.

The official radio said the ship's position at the time of the alleged bombing—about 5:30 p. m.—was at 82.55 degrees north latitude and 73.12 degrees west longitude, placing it southwest of Bermuda.

Radio Havana said the plane attacked without warning.

The broadcast quoted Capt. Francis Cobas, the skipper of the Rio Damuji, as saying his ship had been "under observation by U. S. planes and ships for three days without regard for bud weather."

One bomb wrecked a porthole, which he reported that the ship, which

carried a crew of 33, was on the way to Cuba at the time of the alleged attack.

"The bombs did not damage the ship or the morale of our crew," Cobas was quoted as saying. "We are continuing our journey to the fatherland confident that we are not going to yield."

"Our crew of 33 . . . will return full of pride. We are simply fulfilling our duty."

The broadcast said the attack lasted 15 minutes, from 5:20 to 5:35 p. m. It reported that some bombs fell "within 50 feet of the portholes" but gave no specific information about the attacking plane.

No Objection To Removal Of Bombers-Castro

WASHINGTON (UPI)—Administration officials indicated they expect a major breakthrough this afternoon in the Soviet-American deadlock over Cuba.

The indications came after Premier Fidel Castro sent a letter to UN Secretary General Thant, indicating he had no objection to removal of Russian bombers from Cuba.

The administration adopted a policy of watchful waiting to determine what effect Castro's letter will have on the Cuban crisis.

"It is too early to say just what this means," said Secretary of State Dean Rusk as he boarded a plane for New York, to confer with U. S. officials at the United Nations.

JFK Urged WASHINGTON (UPI) — Senate Democratic whip Hubert H. Humphrey today urged President Kennedy to indicate in advance what civil rights legislation he will want from the 86th Congress.

46 Plan Nears Okay

Bulletin

The House passed a 46-36 measure, 133-Representative reapportionment proposal today and set its sights on also die adjournment before nightfall.

TALLAHASSEE (UPI) — The House moved slowly today toward passage of a 46-Senate, 133-Representative Plan that would throw Florida's reapportionment muddle into conference committee.

A test vote shortly after the House convened at 9:30 a. m. showed the necessary strength to pass the measure by more than the 72 votes required on final roll call. Final action was delayed by debate over big county attempts to write into the measure provision for a reapportionment commission headed by the governor to prevent a recurrence of deadlocks over the issue in the future.

Seminole County legislator Mack Cleveland Jr., this morning felt that nothing would be accomplished during the session although he favored the 46 senator plan.

Cleveland said that even though the House will pass the bill, things are looking "dim" in the Senate.

Viet Troops In New Assault SAIGON (UPI)—South Vietnamese paratroopers, clad in camouflage fatigues, leaped into action early today from American C123 transports in the opening of a major government assault northwest of Saigon.

where chances are good for increasing the House formula as high as 146 members, paving the way for a joint house-senate conference committee to try to reconcile differences between the two houses.

The House action made members optimistic that the special session of the Legislature can pack up and go

home sometime today.

The House rejected amendment after amendment designed to scuttle the compromise measure, voting down resoundingly a proposal to enlarge the house from 93 to as high as 182 members. It also sidestepped a proposed 130-member house and clung to the 135 figure which small county repre-

sentatives have vowed is the highest they will go.

Indications that an overnight recess had switched some votes came with adoption of an enabling act to accompany the proposed constitutional amendment to enlarge the membership by a lopsided vote of 72-21. Then, in quick order, the house voted 75-20 for the 135-member House, writing it into the companion constitutional amendment.

U. S. India Aid Called 'Threat' TOKYO (UPI)—Communist China today called American military aid to India "a grave threat" to Asian peace and declared the Sino-Indian border war "will grow in scale" unless India negotiates on China's terms.

MIAMI (UPI) — Army spokesmen at the Opa-locka encampment remained close-mouthed today about a hurry-up order for explosives trucks Monday night.

A public information officer said any information on the matter would have to come from the Department of Defense.

Baggett Truck Lines has been hauling explosives into Florida since the Cuban crisis began.

The patrol indicated the shipments were destined for the military encampment at Opa-locka.

Mental Health The public is invited to a meeting of the Seminole County Mental Health Assn. to be held at the Health Dept. building at the corner of French Ave. and Ninth St. at 8 p. m. today, President Bill Thomas has especially urged all those who are interested in mental health problems to be present as county needs are to be discussed. Speaker will be Mills Lord Jr., president of the Orange County Mental Health Assn. A question and answer period is scheduled.

Seminole Tribe Make 'Um Heap Bad Medicine

There's an Indian uprising going on out on the Seminole reservation where 1,200 braves and maidens are putting on the war paint and sharpening their arrows for the coming battle with the Bulldogs, Wednesday.

Finishing touches are being put on 13 floats and innumerable cars for the big parade through downtown Sanford at 4 p. m. Wednesday, and the warriors are flexing their muscles for the battle of the pluckin at 8 p. m. the same night at Memorial Stadium.

The parade will begin at Memorial Stadium, march north on Mellowville to First, west on First to Oak, south one block on Oak, east to Magnolia, north to First where the post-parade pep rally will be held.

The wood is being piled high for the war dance around the mighty bonfire at 7 p. m. tonight, on the reservation behind the gym, and the medicine man (Fred Terrell) will work some black magic in the auditorium about 8 p. m.

After the pluckin battle, Wednesday, a victory dance will be held in the reservation clubhouse, and all the old Indians and those who have left the reservation are invited to come and celebrate.

The Seminoles have been ordered to wear their battle colors all day Wednesday by Chief J. B. (John Bull) Phillips.

During the lull in the battle Wednesday night, a visiting tribe of Indians, known as the Order of the Arrow, will do a war dance on the field, and twelve teepees which are to be set up there, will hold a special supper for the watchers, Ernest Crowley, Chief of the Marching and Twirling Seminoles said today.

Cuban Official's Car 'Bombed'

MIAMI (UPI) — A car belonging to Cuban refugee leader Jose Miro Cardona's secretary was wrecked by a bomb early today, minutes after Miro left it.

No one was injured by the blast, which wrecked the car's trunk and set it on fire. The bomb, apparently a dynamite charge, is believed to have been planted either in the trunk or on the back bumper. "It looks more like an act of terrorism than anything else," said detective Lt. Bill Murray, who is investigating the bombing.

Miro's secretary, Asuncion Perez, drove her 1955 Oldsmobile to the Miami airport to pick him up on his arrival from New York at 11:30 p. m. Miss Perez put her employer's baggage in the trunk of the car, which she said contained nothing suspicious at that time.

Racing OK Given

At a special meeting Monday night, the Board of Adjustment decided to permit the special exception to the A-1 zoning of the old Checker Kart Track, on South Road, behind Dearborn Electronics Laboratories, and allow a stock car racing track to be built on the property.

Co-promoters Stanley Parker and Richard Joyce painted a map of the site, and declared they intended to completely renovate the installation and construct a new quarter mile oval track for stock car racing.

Rodney Ibrig, Winter Park owner of the land, appealed to the board for their approval because he said the taxes on the property would be a burden on him if the proposed use was not allowed.

A number of citizens were on hand to protest the installation on the grounds that it would be too noisy and their real estate values would plummet if the track were allowed.

The decision of the board was based on the fact that racing had been previously allowed on the site, but it was pointed out by the board that their decision can be appealed to the County Commission, which has the power to reverse if they see fit.

Humans Don't Keep Up With Electronics

By Dot Higginbotham
Telephone service continues to expand and grow throughout Florida and every other state in the union, with electronic devices creating giant strides into the realm of almost undreamed-of automatic services.

But the human element in telephone service remains the same and that's where the trouble comes in, though the electronic gadgets all work perfectly.

What good are electronic devices when certain germ-con-

scious subscribers scrub their telephones with bleach, detergents, kerosene, or cleanser, and polish it with furniture polish, oil or wax?

What use years of careful training in telephone installation when a certain repairman, carefully pushed a brand-new washing machine away from the wall he was planning to drill through, only to have the conscientious maid just as carefully push it back when he left the room. Result, a neat little hole drilled right through the washing machine casing!

But then of course there was the absent-minded telephone installer, who ran an extension from one room to the other, and in the process drilled a precise hole right through the sliding door that was residing in its niche in the wall.

The startled subscriber, attempting to roll his sliding doors closed found one securely wired with a telephone cord.

Then in a certain place in Florida, there's a telephone, (the wall type, of course) installed in an outhouse, about

100 yards from the house. A few old copies of the catalog repose handily on the shelf beneath, for reading material in case the occupant gets tired of talking on the phone.

In another home, there are His and Hers telephones, one on each side of the big double bed.

There's also a telephone in a certain car, with an extension in the back seat.

There are telephones in boats, in elevators, bathrooms, patios, and at the big basin at Mayport, the aircraft carrier

comes into the dock, run out their cables and plug their entire switchboard into outside lines, maintained for their sole use.

Besides the vagaries of the voice instrument, there are all the weird situations that telephone linemen run into as they work under the ground or up in the air.

Linemen find cables eaten up by squirrels, woodpeckers and many other little animals that like the taste of the cable. When they climb a pole and trap even the wariest burglar,

find, and have found, snakes, frogs, wasps, scorpions, and of course spiders, as well as birds and mice.

One of the most interesting uses for which non-audio telephone communication is used is in the use of silent burglar alarms. Then sensory equipment, detecting the most careful movement, gives the intruder no warning at all, but flashes flashing warnings at the police station which send patrol cars swiftly and silently to trap even the wariest burglar.

Realtors Honor Farmer
N. V. Farmer, past president of the Seminole County Board of Realtors, was presented with a diamond-studded lapel pin Monday at the regular meeting of the group in recognition of his having secured 10 new members. Farmer was the first member to accomplish this feat, and President Byron Kimball congratulated him as he presented the reward, in the Caucus Room of First Federal.

Ken Leffer, a member of the Seminole Bar Assn., gave the realtors a descriptive and informative talk on "What constitutes the practice of law, in relation to real estate transactions."

John E. Fox was inducted as a Realtor and Donald L. Murray as an associate Realtor.

A report of the state convention held recently in Jacksonville was given by President Kimball, who announced that a dinner meeting will be held Dec. 10 at the Riksha and the new officers will be installed by State President James O. Buck.

An invitation was extended to the Seminole County Board from the Orlando-Winter Park Board to attend a sales meeting to be held at the Cherry Plaza Hotel, Nov. 29 at 7:30 p.m.

Business Picture 'Optimistic'

WASHINGTON (UPI) — Government reports showing good gains in personal income and factory orders in October put a halo of optimism in the business picture today.

The reports reinforced the likelihood of an economic recovery early in 1963 and enhanced the possibility the economy would continue to expand. There remained the chance it would merely level off.

Labor Secretary W. Willard Wirtz and President Kennedy's Labor-Management Advisory committee called for a \$10 billion tax cut in 1963. They said it was needed both to give the economy a short-run lift and to put it on the long-run track to faster growth.

Two members of the 31-man committee favored limiting a tax reduction to \$4 billion to \$5 billion. Several members of the majority felt the \$10 billion cut should be spread over two or three years, presumably to minimize a federal budget deficit. A \$10 billion tax slash would mean "appreciable deficits," the committee said.

Of three reports from the Commerce Department, one citing a 3 per cent increase in new orders placed with manufacturers of durable goods gave most encouragement to government economists. The gain, a strong one for one month, also was spread among most major industries.

It raised the possibility that industrial production, which leveled off from July through October, might resume expanding. That probably would mean overtime work for those employed and perhaps some new factory jobs.

Another brightener in the business situation was a sizable \$2.1 billion advance in personal income from September to October.

Although partly due to some special, non-recurring factors, it meant extra purchasing power for the Christmas shopping season.

A third report showed housing starts rebounding from a September dip. Although welcome news, it was not considered particularly significant. The decline and the recovery were attributed chiefly to differences in the number of working days in September and October.

Mason Service Held In Geneva

Graveside funeral services were scheduled at 2 p. m. today at the Geneva Cemetery for Mrs. Gertrude Mason, 70, who died Sunday morning at Seminole Memorial Hospital following a short illness.

Rev. Jack Stewart of the Geneva Baptist Church officiated.

Born Oct. 7, 1892 in Lake County, Mrs. Mason had lived in Sanford for the past 21 years and made her home on E. Geneva Ave. The widow of J. A. Mason, she was a member of the Geneva Baptist Church.

Survivors are a son, J. R. Mason of Sanford; three daughters, Mrs. Agnes McWalters of Sanford, Mrs. E. M. Raulerson of Geneva and Mrs. Harry H. Garmont of St. Augustine; a sister, Mrs. Pearl Hooker of Sanford and eight grandchildren and five great grandchildren.

Brisson Funeral Home was in charge of arrangements.

Nazarenes To Hear Evangelist

Rev. Charles D. Ide of Grand Rapids, Mich., is conducting Evangelistic Services each evening at the Sanford Church of the Nazarenes, Second St. and Maple Ave. Services will continue through Sunday.

Special children's meetings are held at 7 p. m. with good singing, gospel films and Bible messages. The regular services follow at 7:30 p. m. with singing and music provided by Ralph and Joann Dummire of Nashville, Tenn.

Rev. Ide is an ordained elder in the Church of the Nazarene and devotes full time to the field of Evangelism. He served several years as field secretary for Olivet Nazarene College at Kankakee, Ill.

Rev. Paul Bickes, pastor of the church, extends invitation to the public to attend the special services.

INTRODUCING THE 1963 DODGE

The low-price field is about the last place a traditionalist would expect to find Dodge. The Dodge name has been associated with the medium-price boys since Hector was a pup. But the fact remains: the '63 Dodge is priced down with good old cars "F" and "C". Now, you can stay with a low price and get a lot more car. The name proves it: Dodge! You get the comfort Dodge is famous for. You get a smooth torsion-bar ride; experts call it best in the business. You get a V8 loaded for bear. (Or, the famous gas-saving 6 with the muscle of conventional V8's.) If that isn't enough to turn the other two green with envy, how's this for a clincher? Every 1963 Dodge is backed by a revolutionary new 5-year/50,000 mile warranty.

Young Farmers Needed

Seminole County outranks the national average in both farm acreage per farmer and investment in the property, Cecil Tucker, Seminole County Agricultural Agent revealed today.

Whereas the national average acreage is 302 acres at \$23,942, Seminole County farms average 510 acres for a \$65,228 investment.

Seminole County farmers also gross a greater income

than the national average, with the local gross being about \$16,223 per year and the national standing at \$10,206.

The age average of Seminole County farmers is a disturbing factor, however, Tucker said.

Local farmers average 53.3 years old, and Tucker emphasized that many more younger farmers are needed to carry on the agri-business in the county.

Pointing to the race for space between the U. S. and the Soviet Union, Tucker said that "we have already won the race for plenty, with eight percent of our population raising the food and fabric for the nation, compared to the 45 to 50 percent of Soviet farmers necessary to do the job."

In Seminole County, citrus ranks first in sales with over four million dollars worth sold in 1962. Vegetable production was next with over three million, horticultural specialties accounted for over two million and livestock and poultry added 1.7 million dollars to the county economy, Tucker said.

Tucker suggested that on Thanksgiving Day, diners give thanks for the American farmer and his work which produces the food on the table in abundance and plenty.

Checkertails Go Over The United Fund Top

The 150 officers and men of Heavy Attack Squadron 11 have donated over \$1,000 to the United Fund drive aboard the USS Franklin D. Roosevelt (CVA-42).

Although Heavy Attack Squadron 11 comprises only 5 per cent of the 3,800 man crew aboard Roosevelt, its contribution represents nearly 20 per cent of the total amount donated to this charity fund drive to date.

The "Checkertails" came through with flying colors with 100% participation and two-thirds of the squadron contributing sums equal to one days pay.

Cecil Winn Dies Sunday In Birmingham

Cecil Harrison Winn, 72, died at the home of his daughter, Mrs. John Lee in Birmingham, Ala., Sunday.

Winn had lived in Sanford for 40 years, at 813 Magnolia Ave. He was associated with the Buick Co. and operated the Sanford Used Parts Company for many years. He was a member of the First Methodist Church.

He was born in Sycamore, Ga., but moved to Florida in 1921.

Survivors include his widow, Mrs. Allie Vining Winn; one daughter, Mrs. John Lee, Birmingham, Ala.; two granddaughters, Allison, Birmingham and Philadelphia, Pa., and Jonelle of Birmingham.

Also his mother, Mrs. E. H. Winn of Ocala, Ga.; three brothers, Berner of Sanford; Felix of Orlando; and Henry of St. Mary's, Ga.; three sisters, Mrs. Stella Wheeler and Mrs. George Lewis of Ocala, Ga., and Mrs. John Wooten of Scriven, Ga.

Funeral services were to be held at the Johns-Rideout Chapel in Birmingham at 3:30 p.m. today.

Osteen PTA Adopts Projects

By Mrs. Clarence Sawyer

The Osteen PTA last week voted to buy venetian blinds for two of the classrooms as one of its projects made available from profits of the recent Halloween Carnival.

Remaining funds from the more than \$100 profits will be used with matching funds from the County School Board to buy educational aids for the school. A check for \$2 also will be given to the Volusia County Clothing Bank.

In other business of the meeting held last Tuesday at the school, Principal Kenneth Lewis explained what the faculty and students would do in an emergency and told of the food and water supply in the school.

Announcement was made that no business will be conducted at the December meeting. A special Christmas program, for which details are to be announced, will be held at this time.

Prior to the meeting a program on Americanism was presented by students of the fifth and sixth grades under the direction of Mrs. Katherine Sellers.

A special vote of appreciation was extended Mrs. Albert Pell, chairman of the Halloween Carnival.

Refreshments of cookies and coffee were served by Mrs. L. W. Jones and Mrs. J. C. Carpenter.

Longwood Firemen Purchase CD Units

By Donna Estes

Longwood Fire Chief Claude Lajo announced today that his Volunteer Firemen have ordered nine additional radiological monitoring units to make a total of 25 such instruments the department has purchased for use in the area in the event of a nuclear alert.

Other measures and steps taken at a recent CD organizational area meeting held in the Longwood City Park included appointments of directors in all phases of work and designation of certain buildings to be used as headquarters in an emergency.

Lajo will serve as deputy director of operations and as safety director. Other appointments included Mayor A. R. Lormann, warnings; Carl Lommier, operations liaison; R. C. Carlson, director of supply; Ted Waltz, communications; L. L. Cox, welfare; Irene Philpitt, medical with Areva Barnes as her assistant; Buford Helms, health; John Farina, engineering;

John Reams, shelters, with Pauline Stevens as his assistant; Myrtle Hambly, shelter food and Fred Esclavon, mass feeding.

All churches and schools in the area and the Longwood medical building will be used as emergency headquarters and shelters.

A secondary area meeting has been called by Lormann for 7 p. m. today in the

Longwood Civic League North Orlando on the east, and to the Seminole County Building on Church St. Citi-Five Points on the north, line on the west are urged to attend. Dogtrack Road on the south to attend.

Methodists Set Homecoming In Enterprise

By Helen Snodgrass

The annual Thanksgiving Homecoming Service of the Barnett Memorial Methodist Church of Enterprise will be held at 10 a. m. Thursday with Rev. Harvey Harding as guest speaker.

Following the worship service there will be a fellowship period with orange juice, cookies and coffee furnished by the WSCS before the alumni and special guests of the Methodist Children's Home meet at the home for a 12:30 p. m. dinner and annual business meeting.

Common Market Group Warned

PARIS (UPI)—The United States today bluntly warned Europe's common market countries to maintain and expand their purchases of U. S. farm products or face economic reprisals.

The American government urged the common market to exercise a "great moral and practical responsibility" in the imposition of tariffs against agricultural imports from the United States.

"The continued unity and strength of the Western world is at stake" in the maintenance of international trade, the United States warned.

Churches Plan Thanksgiving In Oviedo

By Jean Lytle

The annual combined Thanksgiving Service of the Oviedo First Baptist Church and the Oviedo First Methodist Church will be held at 7 p.m. Wednesday.

The service will take place at the Methodist Church and Rev. Jack Bryant, pastor of the Baptist Church, will officiate.

Special music will be provided by the Methodist Choir.

Strikes . . . Spares

By John A. Spohrl
 Gee, but it seems like there's a awful lot of important things going on at the same time! Do you have that same feeling?

Maybe it's just myself, what with all of those turkey games going on at the same time! Do you have that same feeling?

I wonder if we can change the name of our fair city to "Turkey Town" or something like that! Certainly more people eat turkeys here in these parts than in any other part of the U. S. A.)

Just keep on pounding those typewriter keys, John . . . maybe some good old news will come out of this dramatic strike or a wing or . . . or else FORGET ABOUT THE REST OF THE BIRD, THANK YOU!

Do you know who some of our star bowlers are this week? You don't? Well, let's take a quick review of the scores and statistics and shine a spotlight here and there pointing with pride to some of our BOWLERS OF THE WEEK.

Bowling in the Ball and Chain Lg. Andy Bolton steps back into the limelight again. This time as a result of bowling a 294/190/668 series.

Our bowlers' buddy, Dr. Dougherty wasn't having a bit of trouble SEEING (how do you like that free plug, Doc?) those pins in the Wednesday site All Stars action.

Dr. Dougherty started out with six consecutive strikes and believes me, he could just as well have a break here or there with the ultimate result being 12 strikes. He was really toasting a pretty ball and wound up a little high on the head-pin in the 7th frame, leaving the 4 pin in any event, winding-up with a 248 game sent too hard to take, is it Doc?

El series in this same league went to Whirling Woody Wilson with a 632.

In the league following the stars, the City League, it found Harry Fentocost tuning-up for the Turkey Bowl Tournament as he shot the hi score for the site, a 232. Don Macintyre's 601 series was hi, just barely missing out George Oh Swann, who had a 599.

Tony Rodriguez didn't bowl badly, either. He started out with two Big Deuces—211 & 210 and finished with a 591 series.

In all fairness, however, I think the spotlight of fame should rest more than just a few moments on likeable Dot Buttons of the Wednesday Hi-

League.

Dot, who bowls for the Mayfair Inn foursome, had a practice game of 198 and was complaining that she always does it before league and can't roll a big one in competition. Kid-dingly, I told her that was just a "honor-apper" and that the REALLY, REALLY BIG ONE would come in league play.

Well, to make a happy story real, real short, she just couldn't do anything wrong and totaled a 233 scratch game. If memory serves me correctly, that was THE HIGHEST GAME rolled all week at Jet Lanes.

Congratulations, Dot.

The Friday evening Sand-spores play had some siffles rolled, too!

Ole reliable Margie Kipp blasted home a 218 for hi single honors and Bertha Neville stole the series honors with a 234! (See that Bertha, and you said you couldn't do it! You're just being modest that's all.)

One willers, look at Mary Pinter's score, too! This certainly must be one of her all time league hi games—a 191! Aits, girl, Mariah!

The duo of Wilson and Maxwell pretty well dominate the news in the Friday evening Petersen Double League.

Again last week they copped 3 points from their opponents and are steadily out-gaining the rest of the pack.

Hi game was rolled by Al (Back-up Ball) Morris who had a 235. Chess, what some people won't do in order to win a jackpot. The hi series was a 602 by (L. S. S.)

As before we get too much kidding in self-praise jazz, the last place team in this same league is L. S. S. and Elsie the Bomb Butler!

What the heck, somebody has to be strong enough to hold up the league!

Bob Stapel shot a 172 for the hi game in the NAMTU Mixed League. And wouldn't you know it, Charles (Bernuda Shorta) Petarbridge won series with a WHAT???? A 467!!!! Surely that must have been at least a 667, knowing the type of ball this belter rolls!

Ruth Phillips with a 201 and again Margie Kipp with series of 557 wraps up the news on the Wilson-Maier Women's Scotch League. Hold it, John! Hold it!

Take another look and you'll see that the highest single was a 201 and it was rolled by Dot Powell! Ah, Ja . . . almost another boo-boo!

Platters Ease Into First In Pinecrest Inn Loop

In the Pinecrest Inn League the Platters eased into top spot this week with the Strikers taking over second position and the Toppers moving into third spot.

Action in the Holler Motors Navy Wives League was hot and fast with the VAH-3 Enlisted Wives sweeping into first place and the VAH-7 Officers Wives and VAH-9 Officers Wives tied for second spot.

In the Navy ladies league the top game of the week was a pin splitting 199 topped in by Lucy Mayer which was a big part of her 817 series. Elaine Kostival served up a 190 game and a 626 series.

In the Pinecrest Inn loop the high game went to Dot Johnson who rolled a 17/441 while Joan Adams rolls a 177/408 and Clara Tinsley squeaked in behind with a 17/404 series.

Three in a row were scored by Sherry Kee and Mary Durant in the Holler Motors loop, and splits were converted by Sury Reno who worked out two, the 4-5 and the 5-6-7, M. Lewis downed the 3-7, D. Bechamp the 3-7, L. Mayer and E. Campbell both succeeded in knocking off the 5-8-10 and Sherry Kee picked up the 5-10 and at Tournay the 5-7. Phyllis Pressa will receive a patch if bowling three consecutive games of 111 in the Holler games.

Spencer Outfit Paces Bowlers

In the Shooting Star League it is still the Jim Spencer outfit clinging to a substantial five game lead over the rest of the league.

Substitute Shirley Martin donated a measure of joy to her teammates the last time out with a fine 167/436 series that did much to carry the team along for the evening. Mabel Duggan was close behind with a 161 game and, along with Kitty Purdy, Shirley was able to convert a 3-10 split.

Sue Reno was top girl for the Cherokee Sparrows rolling a trio of strikes for a 158/435 series, and she also came through with a 4-5-7 spare.

Betty Allen, bowling for Harold's Garage, showed her teammates the way of the game by coming through with three-in-a-row and a pin busting 200 game that led to a 488 series for the night. She also converted a 3-10 and a 3-7 pair.

Antis Holland splattered the 7-8-3-6-10; Ginny Frederick the 5-10; Betty Cox 5-6-10; Mildred Nichols 4-5; and the 3-10 fell for Vera McMillan and Gen Thompson.

The league welcomes Charlotte Stieren who is filling Mary Smith's spot on the M & R Bar team. It is requested that members of the league be at Jet Lanes by 12:30 for a short meeting prior to bowling.

★ ★ ★ Footballs Expected To Fly

The air may be full of footballs Wednesday night at Memorial Stadium.

Sanford coach Jim Pigott reckons his Seminoles will be hard put to move the big opponents from DeLand in the annual Homecoming clash. The Bulldogs will outweigh the Seminoles man by man, topped off with their 6 foot four inch end, John Anderson, who weighs in at 250 pounds.

"We may have to go to the air to do much against that monstrous line of theirs, but we have been honing the offense this week to take care of whatever is necessary," Pigott said.

The Seminoles bounced back well with their win over Lakeview last Friday and will be "ready" for DeLand. One goal will be to get sweet revenge for that tie the Bulldogs hung onto their otherwise perfect season last year.

The forward wall gave good protection to the Seminoles passers last week and two touchdowns were made on tosses by the quarterback.

Pigott said he hopes to be able to play the entire squad in the Homecoming contest, including the recently moved up Jayvees who made a creditable showing Friday against Lakeview, scoring one touchdown and holding well defensively.

Jack Elam, offensive guard who has been out of action until brief appearances last week, will be able to play this final game for the Seminoles and the rest of the squad is in good shape physically for the Bulldogs.

Among the DeLand standouts the Seminoles will be laying for are their quarterback, Parlin, who throws and runs well and their captain, Laverne Barrs, left halfback who has great speed and is a consistent gainer on outside plays.

Sanford will hope to match speed and passing with the Bulldogs, but the linemen appear to be in for a rough night with that big bunch of forwards from DeLand.

"We're going to send our boys to the magic show at the school right after the big bonfire Tuesday night and maybe they can find out a way to handle all that beef," Pigott said.

Trojans, Ole Miss Pace Poll

NEW YORK (UPI)—Southern California and Mississippi, two of only three perfect record major college football teams in the nation, held the top two positions today in the United Press International Board of Coaches ratings, the Trojans gaining the No. 1 spot for the second week in a row.

With only two weeks remaining before the crowning of the national champion, a slip at this point in the race could very well mean down and out. Alabama, the defending national champion which was second a week ago, already has stumbled, bowing to Georgia Tech, 7-4, last Saturday for its first loss of the season and slipping all the way to sixth.

The Rose Bowl bound Trojans, named No. 1 by 18 coaches a week ago, increased their margin this week when they were named for the top spot by 21 of the 35 coaches who comprise the UPI rating board. Mississippi, like Southern California unbeaten and untied through eight games, was designated No. 1 by eight coaches but received enough solid support for second and third places to make it a race with the Trojans.

Wisconsin, Southern California's New Year's Day opponent in the Rose Bowl, trails in third, but not by much. The Badgers (7-1) were named No. 1 by five coaches while one coach picked Penn State for the top spot.

With points distributed on a basis of 10-9-8-7-6-5-4-3-2-1 for votes from first through 10th, Southern California had 323, Mississippi had 284 and Wisconsin had 270.

The big test comes this Saturday for both Southern California and Wisconsin while Mississippi, which gained the inside track to the Sugar Bowl by beating Tennessee, 19-6, last Saturday, enjoys a day off. The Trojans take an arch-

NEW YORK (UPI)—Southern California and Mississippi, two of only three perfect record major college football teams in the nation, held the top two positions today in the United Press International Board of Coaches ratings, the Trojans gaining the No. 1 spot for the second week in a row.

With only two weeks remaining before the crowning of the national champion, a slip at this point in the race could very well mean down and out. Alabama, the defending national champion which was second a week ago, already has stumbled, bowing to Georgia Tech, 7-4, last Saturday for its first loss of the season and slipping all the way to sixth.

The Rose Bowl bound Trojans, named No. 1 by 18 coaches a week ago, increased their margin this week when they were named for the top spot by 21 of the 35 coaches who comprise the UPI rating board. Mississippi, like Southern California unbeaten and untied through eight games, was designated No. 1 by eight coaches but received enough solid support for second and third places to make it a race with the Trojans.

Wisconsin, Southern California's New Year's Day opponent in the Rose Bowl, trails in third, but not by much. The Badgers (7-1) were named No. 1 by five coaches while one coach picked Penn State for the top spot.

With points distributed on a basis of 10-9-8-7-6-5-4-3-2-1 for votes from first through 10th, Southern California had 323, Mississippi had 284 and Wisconsin had 270.

The big test comes this Saturday for both Southern California and Wisconsin while Mississippi, which gained the inside track to the Sugar Bowl by beating Tennessee, 19-6, last Saturday, enjoys a day off. The Trojans take an arch-

Wednesday Night Lyman Set For Bowl

For the second year running, the Fighting Greyhounds of Lyman High School will journey to Eustis Wednesday night to do battle with Tavares High in the third annual Tangelo Bowl game sponsored by the Eustis Jayvees.

Lyman defeated Tavares 21-6 in the Bowl last year and is sporting an undefeated record for this year, has whipped eight opponents and been tied by Florida High of Tallahassee. Among those given a lesson in the many sport of football this year was South Sumner which conquered Tavares Friday night 23-4.

Coach Buck Metz, of Lyman, had a coterie of scouts at the Tavares game Friday and reports that his scouts declared Tavares halfback Don Sperry to be one of the best they have watched this year. The Tavares team has a well balanced attack built around a strong running game.

The Lyman mentor, well pleased with the team development of his aggregation, pointed out in an interview that Lyman's success this year can be laid to no man on the outfit, but is the result of concerted effort on the part of the boys to play the game to win.

He pointed to the 32 yard run by halfback Paul Blackford at Friday's hassle with Tavares, that broke the back of the Tavares team in the first quarter of the game. He said they had the Greyhounds stopped, and then came the punt out to the Lyman 48 that

Jurgensen 'Shrugs' Off Chuck's Remarks

PHILADELPHIA (UPI)—A philosophical Sonny Jurgensen today shrugged off remarks by teammate Chuck Bednarik that his performance at quarterback this year has been a contributing factor to the collapse of the Philadelphia Eagles.

Bednarik, pro football's "Linebacker of the Decade," told a luncheon meeting in New York that injuries and Jurgensen's bad year have led to the fall of the Eagles from runners-up in the Eastern Division of the National Football League last year to their current last-place position with a record of 1-9-1.

Bednarik told the regular Monday meeting of the pro football quarterbacks' club of New York that "I hate to say this" but Jurgensen is having his "worst year ever. And that has killed us."

Jurgensen, who suffered a severe shoulder injury in the Runner-up Bowl at Miami last January and a knee injury this season was questioned here about Bednarik's remark and said, "With my luck this year it is just part of the course."

'JEEP' GLADIATOR

The Gladiator is the newest of the versatile, powerful, virtually indestructible 'Jeep' vehicles. On the highway, it rides as smoothly as a passenger car. Off the road, it's as sure-footed as only a 'Jeep' vehicle can be.

The Gladiator has the remarkable new 140-hp Tornado-OHC engine. It's the only overhead camshaft engine in any American truck. Its higher torque at lower engine speeds makes light work of heavy loads. And it needs less maintenance, uses less fuel and will last longer than any comparable conventional engine.

It's easy to shift the Gladiator into 4-wheel drive. Just one knob does the job. Push it forward when you need extra traction, pull it back when you don't. Unique signal lights on the dashboard tell you when you're in 2- or 4-wheel drive.

You can have your Gladiator equipped with automatic transmission and independent front suspension. Don't waste time looking for other 4-WD trucks with these features. There aren't any.

It's the only 4-WD truck that can seat three comfortably. And in both step-in height and load height it's comparable to any truck. It's easy to step into, easy to load, yet it has traditional 'Jeep' ground clearance.

Choose the 'Jeep' Gladiator that suits you best. J-200 with 120-inch wheel base and 7-foot box. J-300 with 126-inch wheel base and 8-foot box. Choice of body styles with GVW's from 4000 to 8600 pounds. Step in. Size it up. Try it out at your 'Jeep' Dealer's.

Mrs. Robert Brown Elected Valentine Girl Of The Year

MRS. ROBERT R. BROWN (House of Rahija Photo)

Mrs. Robert R. Brown was elected Valentine Girl of the year by members of the Gamma Lambda Chapter of Beta Sigma Phi, sorority.

Her picture will be entered with other contestants of the sorority in the International Valentine contest, to be judged by a famous movie star.

Mrs. Brown was a member of Gamma Lambda for several years before moving to Michigan six years ago. The family came back to Sanford in December 1951 and she immediately transferred back to the chapter.

She is presently vice president of the group and also social chairman. She served for two years as president of the Eta Psi Chapter in Plymouth, Mich. She was also active in the City Council of the combined cities of Ann Arbor, Ypsilanti, Livonia and Plymouth, Mich., and served as secretary-treasurer of the City Council.

She is an active member of the Sanford Welcome Wagon Newsletters Club. Mrs. Brown, her husband who is a vegetable salesman, and their two year old daughter, Cheryl, live at 111 Fairlane Circle, Park Ridge, in Sanford.

ANALEA CIRCLE

Members of the Analea Circle conducted a Christmas workshop when they met at the home of Mrs. Clyde Simpson for the November meeting. Co-hostesses were Mrs. J. L. Clark, Mrs. Dempsey Caruso and Mrs. Frank Thomas.

Several articles suitable for Yuletide season decorations and items for the bazaar were displayed on a long table on the porch. Among the novelty Christmas trees were those made of pine cones mounted on wire mesh and sprayed gold, one made of pink net and an all white marshmallow tree accented with white felt doves.

Many colorful wreaths were displayed including blue wreaths accented with white madonnas, and others made of fruits, bitternut, silver balls, pompoms and other materials. Decorations suitable for mantel, fireplaces, doors and centerpieces, along with Santa Claus door knob covers and Christmas bells were among the many other items displayed.

Pattern ideas were exchanged among the members and Mrs. C. P. Harkay, workshop chairman, thanked the group for their co-operation. Mrs. Hal Harris conducted a business meeting and the members voted unanimously against the proposed choice of a site for building a new clubhouse.

WOODROSE CIRCLE

Members of the Woodrose Circle met at the home of the president, Mrs. A. Foutler, for their November meeting. A report was given by Mrs. Lylah Gorman on the work being done with the children at the Little Red Schoolhouse.

The children have made birthday cards and corsages and are growing sweet potato plants and making piggy banks from plastic containers. Reporting on civic beautification, Mrs. M. Robinson explained that people do not have to belong to a garden club to be selected for the garden of the month award. Plans are being made to extend the boundaries for the honor.

A Christmas party will be held at the home of Mrs. Walter Gardner on Dec. 11 at 7:30 p.m. A covered dish supper will be served followed by a gift exchange and social hour. Members are planning to attend the showing of table settings, Dec. 6 at Winter Park.

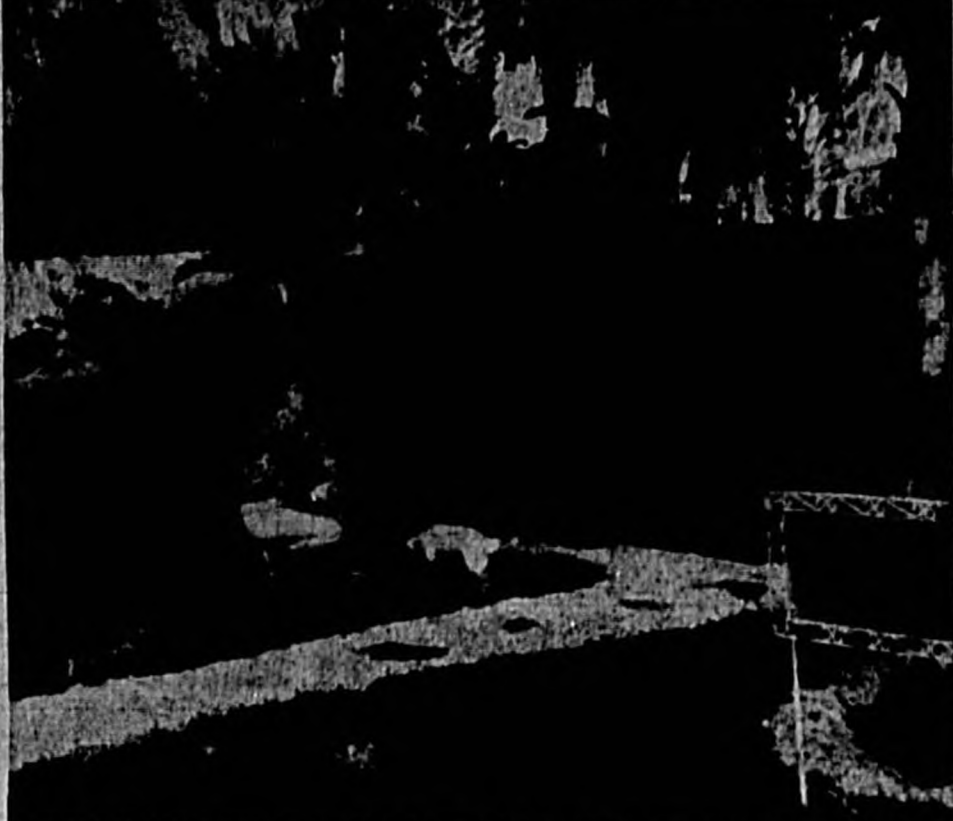

Guest speaker for the November meeting was Mrs. Frank Donahoe who demonstrated some of the most simple and effective ways of making arrangements. She displayed some beautiful Christmas arrangements made from both fresh and artificial flowers and fresh centerpieces from fresh Fuji mums and greenery arranged in an oval shaped green container.

Braddock Family Holds Reunion In DeLand

The E. E. Braddock family, formerly of Enterprise and now living in DeLand, held a family reunion at their home on Martin Street last Sunday.

Relatives and friends from this area attending included Mr. and Mrs. Edwin Braddock and family, Mr. and Mrs. H. E. Braddock, Mr. and Mrs. Evely Braddock and children, Mr. and Mrs. Tommy Orr and family, Mr. and Mrs. Roland Dillard and Ronnie, Mr. and Mrs. Johnny Dillard.

Mr. and Mrs. Calvin Middleton and daughter, Lee Dillard, Mrs. Bertie Dillard, Mrs. Ada Phillips, Mr. and Mrs. George Robinson and children, Mrs. Louise Dillard, Mr. and Mrs. Charles Crosby and family, Mrs. Miss Moxley and son of Jessup, Ga., and Mr. and Mrs. Roy Weaver and Ronnie of West Jefferson, N. C.

THE HOME OF MR. AND MRS. ROBERT J. d'AVERSA at 401 Summerlin Ave., was chosen for the Garden of the month award by the Sanford Garden Club. Mrs. Charles Lansing, beautification chairman and members of the Camellia Circle selected the home for its combination of color, general designing, balance, plantings and the condition of the lawn. Mrs. d'Aversa and the family dog are shown by one of the scenic spots. (Herald Photo)

Pilot Club Sponsoring Benefit Dance

Mrs. Jack Lambertson, president of the Sanford Pilot Club, announces plans for a Holiday Dance on Nov. 29, sponsored by the club at the Mayfair Inn Hotel.

Chairman of the event, which will benefit the Pilot Club milk fund, is Mrs. David Gatchel. Tickets for the dance can be purchased at the Mayfair Inn, Country Club, Florida State Bank, McVickers, Touchtons and Roumillat and Andersons.

The dance will feature Tommy Allen's New York Orchestra with popular vocalist, Jeanne Carroll, with dancing from 9:30 p.m. to 12:30 a.m. Reservations need not be made and tickets will be on sale at the door.

The famous orchestra who will play for the event has been viewed widely on stage and television. They have appeared all over the United States as well as in several other countries. Tommy Allen is a top-flight trombonist.

Local residents are urged to attend the special pre-holiday treat, and help support the Pilots in supplying milk to needy families and school children throughout the county.

MYF Groups Attended Church Studies

By Helen Snodgrass
The MYF Groups of the Barnett Memorial Methodist Church in Enterprise, have had a busy schedule recently. The Senior MYF attended the sub-district meeting in New Smyrna Beach last week. The Intermediate MYF group accompanied by Rev. and Mrs. Fred Foster and Cecil Sellers were guests of Harvey Dunn at the ninth annual Shrine Circus in Orlando.

The senior and intermediate groups have also been attending the church studies of the MYF program under the direction of Miss Mary Hubbard, held in DeBary. At these meetings the young people have had an opportunity to become better acquainted with other groups and get a better understanding of the MYF work.

DEAR ABBY: I am 17, unmarried and am expecting a baby. Pete (not his real name) says he isn't ready for marriage and I should find somebody else. He is 20. My parents are standing by me and I feel terrible because they tried so hard to guide me right. Pete's father is dead, and his mother is sick and elderly, so my parents met with Pete and his older sister, who is 28 and married. Every time my father asked Pete a question, his sister answered for him. He acted like he didn't care a thing about me and, Abby, he said he loved me when we went together. All I want is a name for my baby. How can I get him to marry me? My father told him not to come around unless he had marriage in mind.

HEARTSICK AND BLUE

DEAR HEARTSICK: If Pete did marry you just to give your baby a name, his chances of being a good husband and father would be poor. Make your plans without him, and thank God for your loyal parents. You are young and can still make a good life for yourself. If you want help in finding a home for unwed mothers near you, let me know. Good luck!

DEAR ABBY: I am a divorcee with a year-old daughter. I am planning to be married again in the near future. If I shortened my original wedding gown and dyed it a pastel, do you think it would be appropriate to wear for my second wedding?

DEAR MADGE: No. Start your new married life with a new dress. And better luck this time!

DEAR ABBY: You are wrong. It's NOT the wife's place to see that her husband looks presentable. If a man doesn't care how he looks, his wife should let him go around looking like a bum and pretend she's not with him. I have eight children to dress, and I can't dress them and my husband, too. If I could drive the car, I'd leave him home.

DEAR ABBY: Will you please devote a little space to telling your readers what you think of people who would steal the flowers from an infant's grave? If you think this problem does not concern a great number of people, you are mistaken.

DEAR ANGRY: Such thievery is beneath contempt, of course. The only solution is better policing of cemeteries.

What's on your mind? For a personal reply, send a self-addressed, stamped envelope to Abby, Box 3865, Beverly Hills, Calif.

For Abby's booklet, "How To Have A Lovely Wedding," send 50 cents to Abby, Box 3865, Beverly Hills, Calif.

Jacoby On Bridge By Oswald Jacoby

You show a big hand with one minor suit in the Jacoby Transfer system by responding two clubs, which is Stayman, and following with a bid of three in your minor suit.

The immediate response of three in a minor suit is a weakness bid.

Today's hand shows how the system facilitates slam bidding.

When South followed his two club bid with three clubs North knew that South had some interest in a club slam. North held only 16 points for a no-trump, but they were the right slam points and North felt strong enough to invite a slam.

We The Women: By Ruth Millett

For a long, long time first weddings have been big business. Launching a bride into marriage for the first time makes the cash registers sing.

And so the first-time bride has long been a pet of anyone selling clothes, furniture, household appliances, houses, automobiles, travel, and so on.

But even though America's remarriage rate closely follows its climbing divorce rate, the second-time bride has largely been ignored by merchandisers.

It looks as though that is about to be changed. A department store in Pennsylvania is now publishing a booklet advising repeat brides

on proper etiquette for remarriage and is holding fashion shows for those who are about to be married... not for the first time. "We are most interested in making the second or third wedding a beautiful and memorable one," the store says. And why not? If making the first wedding beautiful, if not always memorable, is big business, why can't making the second or third beautiful be big business, too? If the idea of wooing the second-time bride catches on in the retail market (and it is almost sure to) you can expect to see some changes. Second weddings won't long remain the quiet little

Closed Circuit TV Spectacular Set For Nov. 29

A star-studded, spectacular two-hour closed circuit television broadcast, hosted by New York Philharmonic conductor Leonard Bernstein, with appearances by President and Mrs. Kennedy and a host of musical stars and artists in all fields will be seen Nov. 29th at the Orange Blossom Playhouse and at the Tupperware Auditorium.

Tickets to the show and the "Champagne Gala" have been set at \$10 each, with half the proceeds going to the National Cultural Center in Washington, D. C. and the remaining half to the OBP.

The funds will be used to help build a Children's Theater Wing, making it possible for the Playhouse to have creative dramatic classes and children's plays all year round.

Stars and artists appearing on the two-hour show entitled "An American Pageant of Arts" include Van Cliburn, Colleen Dewhurst, Bradford Dillman, Florence Eldridge, Benny Goodman, Tammy Grimes, Hal Holbrook, Danny Kaye, Gene Kelly, Dorothy Kirstin, Fredric March, Jason Robards Jr., Jerome Robbins, Alexander Schneider, Richard Tucker, Marian Anderson, Harry Belafonte, Abe Burrows and Pablo Casals.

The program will be seen simultaneously in more than 100 community theaters across the nation, in a "first" national cultural event, sponsored by community cultural organizations.

man, Lieutenant Hanley (Rick Jason) is obliged to help another ally escape. He is a former Wehrmacht general who is being hunted by the Gestapo for an abortive attempt to assassinate Adolf Hitler. Excellent as the persuasive and pleading general is Albert Pauzen, who overcomes the doubts of the suspicious lieutenant.

8:30-9:30 p. m. CBS. The Red Skelton Hour. Broadway and radio features are tapped tonight to make this a most enjoyable hour. The latter is Red's famed "mean middle kid" making his TV debut after great success on radio. The former are Janis Paige and Stubby Kaye, whose names on a Broadway marguerite mean a busy box office. In the "kid" sequence Miss Paige plays mom and Kaye a child psychiatrist.

Miss Paige also does a song-dance for "Too for Two" and with Kaye, "Teamwork." Red's pantomime genius is aided by Kaye in a spoof on a pilgrim and an Indian.

9:30-10:30 p. m. NBC. The Dick Powell Show. "In Search of a Son." An overly labored message bogs down this story somewhat but un-

formly good acting makes it worthwhile. Dick Powell plays a distraught father who, after his wife's death, immerses himself in his work, and his son (Dean Stockwell) believes he is unconcerned over his mother's death and runs away. Also starring is Sebastian Cabot as a private detective who locates the son and finds the lad is overly morbid at the loss of his mother.

10-11 p. m. CBS. Garry Moore Show. Carol is back, and great as always, although she has some keen competi-

tion in added guests Ned "King" Cole and Allen Funt. Funt's contribution, and a touching one, is candid films of Garry in deep conversations with children. Cole's rendition of "Too Young" is good, but Carol's work on "Let Me Entertain You" is great. "That Wonderful Year" is 1961.

10:30-11 p. m. NBC. CBS. Humpty Reporting. "Coyote: Paradise Disturbed." This program will probably precipitate a ripple of indignation from Ceylon and its Socialist manipulators. In essence, the producers show a nation that prospered under British rule, won its independence 14 years ago, and has since been increasingly troubled in its

political, cultural and economic structures. Political, racial and religious disputes are shown and the country is generally depicted as a victim of its own ambitions.

10:30-11 p. m. ABC. Close-up. "The Lost Neighborhood." To city dwellers the term "urban renewal" is viewed with both awe and horror. Essentially the term means the disappearance of entire old neighborhoods and the reappearance of entire new ones. Viewed with detachment, the projects are generally quite awesome. Tonight's program treats the horror of the situation as known by the thousands of people who are uprooted from their homes to make way for them. Boston's west end, where 12,000 people were removed for such a project, is the case in study, with interviews coming from the people as well as city officials, architects and psychologists.

School Sets Turkey Dinner The Christian Home and Bible School of Mt. Dora has announced that a complete turkey dinner and all the trimmings will be served in the school's large new dining hall from 1 to 4 p. m. on Thanksgiving Day.

Nominal prices have been set for adults and children's plates.

Campaigning In Full Swing

By Harry Grayson
NEW YORK (NEA)—You may believe that the political campaigns are out of the way, but they are not.

You should know what is going on now: The campaigning for All-America football candidates is in full swing. In addition to the professional campaign managers, which include coaches and college instructors, the All-America candidates have a host of big-time political consultants.

"I am absolutely very seldom do I let myself get into a free-wheeling sports column but as a paid Arkansas fan I can't resist taking mild issue with your column on college quarterbacks," writes R. E. Dean, editor of the Hot Springs, Ark., New Era.

"I don't understand how you have overlooked Billy Moore of the Razorbacks. Although Sonny Gibbs (Texas

Christian) probably is the best professional prospect, Moore is almost certain to be the unanimous choice for All-America quarterback and is currently the conference's top candidate for All-America. Ask the Texas sports writers. "I do not believe Arkansas is getting the recognition it deserves. I am not forgetting your pre-season column, but since the Razorbacks got to rolling in high, there has been little attention played to Arkansas players."

Billy Moore of the Hogies was inadvertently overlooked in listing stick-out quarterbacks in the piece I did on the rollout attack from the T keying the improvement in college passing. Moore is a roll-out type quarterback. A five-year veteran after a brief hitch in the Army following his short season, Moore's credentials include speed and the best change of pace in the Ar-

kanzas backfield. He's a tough defensive player. I would be inclined to put him on the All-America team as a halfback.

But back to the All-America campaign. "Any doubt that Billy Lothridge (Georgia Tech) was an authentic football genius was dispelled by the way he took Duke and other fine teams apart," writes the authoritative Ed Danforth in Yellow Jacket-Confidential. "Hope you will give full consideration for the All-America first team to Eldon Fortie of Brigham Young,"

writes Al Warden, veteran sports editor of the Ogden Standard-Examiner. "He's the best back I've seen since Whitaker White played for Colorado."

Practically everybody has one or more candidates. Paul Dietzel, who admits he hasn't a star on his own future, even has one in his own back and Gale Sayers, a six-foot, 190-pound halfback, doesn't play for Army. Gale has blown up a storm, a regular prairie earth mover, for Kansas, but, like accomplished Johnny Roland of Missouri, he's a sophomore, and All-American selectors aren't inclined to take first-year men seriously. Shotgun Tommy Myers of Northwestern was the only one who

made any impact this fall.

Dietzel saw Sayers run 97 yards against Oklahoma State in the movies of the Argies' game with Kansas.

"It was one of the greatest runs I ever saw," he recalls. "Sayers ran over, around and through opponents. They tell me that more often than not he turns around and runs backward with the ball right up to the goal line. At the line he steps very deliberately into the end zone, flips the ball to one side with one hand and strides away. He's a very funny fellow, but one of the finest runners I have ever seen."

The way Paul Dietzel tells it, Gale Sayers is a great Plains sod-buster with a built-in cheering section.

Jacin Rallies In Jai-Alai Play

Jacin opened up late in the eighth game to win the featured singles Monday night at the Orlando Seminole Jai Alai Fronton.

Pirates Trade Groat; More Moves Expected

PITTSBURGH (UPI)—Joe L. Brown, after making "one of the most difficult decisions of my life," went back to the trading block today seeking additional players to strengthen his Pittsburgh Pirates.

At a news conference Monday, Brown announced the trade of shortstop and team captain Dick Groat and southpaw relief pitcher Diomedes Olivo to the St. Louis Cardinals for righthanded hurler Don Cardwell and infielder Julio Gotay.

The Pirate general manager said parting with Groat and Olivo, because of his close relationship with both, was difficult but necessary. "No matter how many of

these trades you make, they don't get easier," Brown said, "but we made the move to bolster the team."

Brown said it was not the end of his trading activities. "We have further deals in mind which we feel will strengthen our club," he said.

Lyman To Form Caravan For Tangelo Bowl

By Jane Casselberry
 Those wishing to join the caravan going to Rustia Wednesday night for the Tangelo Bowl Football Game, in which the Lyman Greyhounds will play Tavares, are asked by the Lyman Athletic Boosters to meet at the school at 6 p. m.

A Trailways Bus has been chartered and room also will be available in some of the cars for those who need transportation.

Those driving their cars are encouraged to decorate them in the school colors of blue and gold.

Advance tickets are available from members of the Lyman TEC Club or from the coaching staff. Each ticket sold will make a vote for Dallas Cassell, Lyman's candidate for Tangelo Bowl Queen.

Honor White
NEW YORK (UPI)—Supreme Court Justice Byron White will receive the annual Gold Medal of the National Football Foundation and Hall of Fame at a dinner Dec. 4. In addition, 12 electees will be inducted into the Hall of Fame.

Semi-Final
ROME (UPI)—Isaac Logart of Cuba will meet Italy's Nino Benvenuti at the Sports Palace on Nov. 30. The bout will be a semi-final to the scheduled match between Carl (Bobo) Olson of San Diego, Calif., and European light heavyweight champion Guillo Rinaldi.

An investment, not an expense. Call FA 2-3612 for expert advice on a Herald advertising campaign.

Bruised, Battered Housemen Give OK To 38 Senator Plan

TALLAHASSEE (UPI) — The House passed and sped to the Senate today a 38-Senator, 100-House member proposal as the legislators took another swipe at redistricting Florida's legislature.

The vote was 75 to 17 for the proposal. Rep. Ralph Turlington of Alachua, who proposed the bill, urged the members to vote for the measure...

By approving the plan, the House in effect, told the Senate to reapportion itself in accordance with the proposed membership of the lower House.

The measure would give Dade County six House members, Duval five, Hillsborough, Pinellas, and Broward four each, Orange, Palm Beach, Polk, Escambia and Volusia three each, the rest one each.

The Senate proposal would set the membership at 38, the present number, with a provision for the specific make-up of the Senate to be set by statute.

The measure did not call for a special election before the 1963 session, and thus needed only a three-fifths vote to pass.

There was virtually no debate over passage of the measure in the House. There were two opponents. Then, Rep. William Chappell of Marion, stood, asked the members to vote for approval, and the measure was passed.

In the Senate, a special reapportionment committee approved and sent to the floor, a batch of apportionment bills in the event all efforts failed in the special session.

Meanwhile, Sen. J. Emory Cross of Gainesville proposed that the deadlocked legislature admit it cannot solve the reapportionment riddle and recess until March 5.

The Cross resolution drew support in committee as a "last resort" measure to send the lawmakers home and if was sent to the calendar by a vote of 9-4.

The measure that drew the strongest Senate support however was proposed by Sen. W. C. Harrell of Miami Springs with Harrell's personal guarantee that 90 percent of Dade county would support it.

It leaves the present Senate membership untouched and adds a second Senator for Dade for a total of 39 seats, coupled with the controversial 134-member House that failed to make the grade in the Senate yesterday.

A proposal for 48 Senators and a plan offered by Sen. Ralph Blank, West-Palm Beach, for a 48-member Senate coupled with 135 House members under a weighted vote scheme giving some members multiple votes was rejected by a close 5-7 margin in committee. Also rejected, 8-6, by the small county-dominated Senate committee was a plan by Sen. Reubin Askew, Pensacola, to reconstitute the existing 38 Senate seats to shift five rural seats to urban areas.

Young Request Sharply Rejected

TALLAHASSEE (UPI) — The Senate Appointment Committee rejected by a unanimous 13-0 vote today an attempt by Pinellas County Senator C. W. Young to put the Legislature on record as favoring "equal" representation for the people and pledging to provide it at the current special session.

Several senators, including Chairman Dewey Johnson of Quincy, said they voted against the Young resolution because Young made them mad by declaring in advance that a vote against his proposal was proof the senate had no intention of trying to provide fair reapportionment.

The idea, which has been incubating in the minds of both the mayor and the Chief for sometime, was given impetus as the result of the Governor's Conference on Civil Defense, last week.

Twelve men, ranging in age from 24 to 43 have volunteered for the new corps, and are receiving instruction in the police arts including traffic control, the city ordinance of Altamonte Springs, the laws of arrest, finger printing, police photography and other subjects important to the policeman.

The men will serve on patrol with the regular force and will provide the second man in the patrol car at all times. While on duty they will be vested with the full powers of a regularly assigned officer.

Chief Hall says it will take six months to complete the training course, and when it is over Altamonte Springs will have the largest effective police force in the county outside of Sanford.

Included in the course of instruction will be numerous speakers from Federal and State law enforcement agencies and demonstrations in various techniques of crowd control and criminal investigation.

Officers open this year are the three council seats now held by Ben Jones, W. R. Cloas and W. H. Martin. To date there are no candidates. Qualifying petitions, bearing the name of five registered voters, must be in at the City Hall by Friday and voters, eligible to vote in municipal elections for the first time, must register by Friday, only remaining time this week that offices at the clerk will be open.

Altamonte Organizes 'Active' Reserve For Police Department

An active reserve for the Altamonte Springs Police Department has been organized and is now training under the direction of Police Chief Grady Hall, it was announced by Mayor Lawrence Swofford Tuesday night.

The idea, which has been incubating in the minds of both the mayor and the Chief for sometime, was given impetus as the result of the Governor's Conference on Civil Defense, last week.

Altamonte Holds Official Caucus

An official nominating caucus was held by the citizens of Altamonte Springs Tuesday night at the Town Hall and Gene R. Stephenson and Stuart D. Fritch were named to run for the office of councilman from Wards three and four, respectively.

The meeting, under the chairmanship of Major Robert Watson, was opened with the official proclamation by Mayor Lawrence Swofford who presided until the chairman and secretary for the meeting were named. Mrs. Paul French was elected secretary.

Stephenson, an attorney, was nominated to succeed Jeff Hodges who has served the Ward three residents for his two year term, by Ronald Masten. His ward is the area from the south side of Altamonte Ave. to the north side of Highland.

Fritch, nominated by William Wille, will serve the extreme south end of town from Highland to the south city limits. Fritch, if elected, will succeed John Wolf.

Any additional nominations must be submitted by another caucus which, under the city ordinance covering elections, must be held prior to five days preceding the election.
