

### Holiday Plans Made By PTC

By Mrs. Ritchie Harris  
 Home-room mothers of Enterprise Elementary School completed plans for the Children's Christmas Party and for the sale of Christmas items and candy at a meeting last week held at the home of Mrs. John Walczak.

Other business discussed included the first grade float to be entered in the DeLand Christmas Parade on Dec. 5, a tea for home-room mothers and teachers at the Florida Power Club on Nov. 18 and a talent show and skits with adult entertainers to be held at the DeBary Fire Hall on Dec. 8 with Mrs. Mary Virginia Morgan directing.

Mothers attending the meeting were Mrs. Elmer Echols, morning kindergarten; Mrs. George Frison Jr., afternoon kindergarten; Mrs. Raymond DeLagacy, first grade; Mrs. Edward Small, first and second grade; Mrs. Jessie Beall, second and third grade; Mrs. Richard Keyes, third grade; Mrs. William Jarman, fourth grade; Mrs. Fred Perreck Jr., fourth and fifth grade; Mrs. John Sullivan, fifth grade; and Mrs. Forest Nutt, sixth grade. Also present were Mrs. Sylvia Hardin, principal, and other members of the PTC board.

### 'Florida Story' Receives Praise

TALLHASSEE (UPI) — A Democratic film was previewed by Gov. Farris Bryant and the State Cabinet and Bryant had good words for the movie, "The Florida Story."

Bryant said that all Floridians should view it with pride for the "decisions, achievements, and labors that have made The Florida Story are theirs."

Democratic Party Chief Warren Goodrich said that the film was shown to President Johnson in Orlando and Johnson said "this administration is proud to have played a part in the development of this great state."

### DeBary Church Sets Service For Friday

World Community Day will be observed at the DeBary Community Methodist Church Friday in special services sponsored by the United Church Women. Coffee will be served at 9:30 a.m. with members of the Methodist Men's club and husbands of WSCS members as guests. Speaker will be Dr. Arancia Babopaje, teacher in the Philippines for 13 years.

### Show Committee Sets Meeting

By Mrs. Ritchie Harris  
 A meeting of the Talent Show Committee of the Enterprise Elementary School PTC will be held at 7 p.m. Friday at the school cafeteria. The show and skits featuring entertainers will be presented Dec. 5 in DeBary at the Fire Hall under direction of Mrs. Mary Virginia Morgan, University of North Carolina drama graduate. Proceeds will help refurbish library facilities destroyed by fire last July.

Adults interested in helping in any way with the project are asked to attend the meeting. If unable to attend they are requested to call PTC president Mrs. Annabelle Tropf. Success of the venture depends upon cooperation of the people.

### Benedict Learns The Hard Way

KANSAS CITY, Mo. (UPI) — Robert Earl Watson, 21, has probably learned by now to stay out of the Jackson County Courthouse.

When Watson went down to the courthouse with his future bride to get a marriage license recently, he was recognized as wanted on armed robbery charges and arrested.

General Philip Sheridan's famous ride extended about 20 miles from Winchester to Cedar Creek, Va.

A Clock Watcher, seated in the barber shop, asked, "What can I get to keep my hair in?" Without missing a snip with his scissors, the barber said, "A cigarbox does fine."

Longwood's Episcopal vicar, the Rev. Charles W. Stewart Jr., will be on the panel for the Channel 9 telecast, "The Small Issues of Our Time," this Sunday at 6:30 p.m. Program topic will be "Is Democracy a Moral Failure?" and moderator will be Judge Richard H. Cooper of the Orange County Criminal Court of Records.

Lawrence Swofford, Altamonte Springs mayor and successful candidate for the County Commission seat in District 3, gave his version of people in general Thursday afternoon when certain precincts were being checked for voting machine and precinct workers' record on a particular tally. A Clock Watcher on the scene moved in close to one machine to check the figures in the Swofford-Pope Bassett race. He started to move back, asked Swofford if he wanted to check the machine. "No," came the reply, "I trust people."

Another Clock Watcher, en route to work this morning, noticed a number of police cars congregated near the intersection of 20th Street and Sanford Avenue. Thinking something big was up, he made a U-turn and headed back. When he got there, he inquired about the congregation. Seems police were installing a survey device which will count traffic at the intersection.

Headlights were left on by motorists this morning until after 7:30 as the season's heaviest fog shrouded the area. Might be appropriate to remind visitors that this is the season for the fog and they might leave a little earlier for their destination as travel will be slowed considerably.

The Lyman High band wants us to remind everybody about the turkey dinner which will be served at the Lyman cafeteria from 5 until 7 p.m. Saturday. Proceeds will be used to buy new uniforms for the band. The band, and the dance band, will play during the affair. Band Director John Blair is in charge.

One clock watcher called to observe that Sanford Mayor Al Wilson didn't heed one of his own suggestions. The mayor, said the watcher, asked the people to display flags last Tuesday as a reminder to citizens to vote. Aside from post office, city and county offices and the banks, only two other flags were displayed in downtown Sanford. And neither one of them, said the watcher, was at the mayor's place of business.

### Citizen Offers Services Gratis To Longwood

By Donna Estes

Wayne Dupree appeared before Longwood City Council Thursday to volunteer his services and automobile to patrol Church Street at night. He advised that he had past police experience and training in the north and said that although the police department is doing an excellent job patrolling the street, he realized that having only one police car made it impossible to be in all parts of the city at the same time.

He declared that contrary to rumors circulating in the city, there was no speed trap on Church Street but that he desired stricter enforcement of the speed limits there. He informed council that his dog was killed on the edge of his driveway this week by a speeder and that it might well have been a child.

Council thanked him for his offer and advised him to discuss his qualifications with Police Chief Claude Layo.

L. J. North appeared to complain about the Sept. 10 regular meeting. He declared that contrary to the report he has never disrupted a ball game by traveling across the street within the diamond during a game. Council apologized and agreed that he does not drive across the diamond when games are in progress.

In other business Edgar Wright of Longdale appeared to complain against about stray dogs in the subdivision. Mayor A. R. Lormann advised him that since he will not sign a dog complaint he should notify the police department when dogs are annoying him.

As result of additional complaints council agreed to refer the dog ordinance to the city attorney for possible reworking.

Daniel Lott appeared to seek continuation of a license issued and kept in force for the past 17 years for operating a laundry on Church Street. The matter was referred to the County Health Department.

It was agreed to purchase three additional RCA radios for the police department.

Motion was made and adopted to raise salaries of city employees beginning Nov. 1 with the new 1964-65 fiscal year. Monthly salaries, including increases, now will be, maintenance superintendent, \$350; city marshal, \$350; part-time police, \$95; city clerk, \$100; clerk of water department, \$100; clerk of police court, \$50; maintenance men, \$1.30 per hour; operators of graders, mowers, etc., \$1.50 per hour.

### U. S. Takes Over Florida S & L

WASHINGTON (UPI)—The Federal government took over operation of a Florida savings and loan association today because of a management dispute which threatened the association's stability.

The Federal Home Loan Bank board will run the First Federal Savings and Loan Association of Palm Bay, Fla., until the fight is settled.

Board chairman Joseph P. McMurray said in a statement that the board's unusual action "was brought about, among things, by concern over a dispute between two rival factions, each of which claims to be the legally elected board of directors."

### Now Is Time For Yule Mail To Servicemen

All Christmas parcels mailed by surface transportation destined for delivery to members of the Armed Forces overseas should be mailed not later than Tuesday, Postmaster Cecilie heard said today. For airmail parcels the period is shorter.

Greeting cards for overseas should be mailed within the periods designated for parcels if they are to have a reasonable expectation of delivery prior to Christmas.

All articles should be packed in boxes of wood, metal, or double faced corrugated fiberboard. All fiberboard boxes should be securely wrapped in heavy paper and tied with strong cord.

In addition to the articles normally prohibited in the mail, matches of all kinds and lighter fluid may not be mailed to overseas military addresses.

Cigarettes, other tobacco products, coffee and various other items are prohibited in parcels addressed to some military post offices. Complete information may be obtained by calling your local post office.

### Rest Continued By President

JOHNSON CITY, Tex. (UPI)—President Johnson, continuing an indefinite post-campaign rest at his Texas ranch today, had a schedule free of formal callers. But he's been keeping the telephone lines humming.

Among his many calls was one to Secretary of Defense Robert McNamara, now deep in preparation of next year's military budget.

### Johnson Margin 34,000

TALLAHASSEE (UPI)—Complete unofficial totals in Florida's presidential, senatorial and gubernatorial races as compiled by the Network Election Service give President Johnson a 34,000-vote victory over Sen. Barry Goldwater.

Still being counted, however, are more than 55,000 absentee ballots. But the Arizona senator would need to get four of every five absentee ballots to steal back Florida's 14 electoral votes.

The NES report from all 2,278 precincts in Florida's 67 counties gave Johnson leading Goldwater by a vote of 897,800 to 563,731.

Sen. Spessard L. Holland was returned to Washington with 881,816 votes to 651,806 for St. Petersburg Republican Charles Hollis.

Both Holland and Burns announced support for the national Democratic ticket, although neither named a preference for the Johnson-Humphrey ticket.

Bassett, a Republican, was ousted from his temporary winning circle by Lawrence Swofford, Democrat, and mayor of Altamonte Springs.

The Republican candidate led by 118 votes when returns were completed early Wednesday morning. But a canvass of 1,231 absentee ballots showed Wednesday night that Swofford had picked up enough to eke out a 128-vote margin of victory. The write-in lowered it to a 127-vote margin.

The machines were checked yesterday at Bassett's request. The 23 devices were from Precincts 1, 3, 11, 15, 17, 20 and 23. The write-in vote was in Precinct 11 and boosted Bassett's margin at the Altamonte Springs Community House to 747-280.

Other than that, the precinct workers and voting machines agreed. The figures in each precinct showed (Swofford's totals listed first):

Precinct 1, Sanford Junior High School, 529-168; Precinct 3, Home Demonstration Building, 613-401; Precinct 11, 280-747; Precinct 15, Shrine Club, 647-426; Precinct 17, Casselberry, 325-585; Precinct 20, Upsala, 366-337; Precinct 21, Prairie Lake, 295-618.

Joining in the request for the recount were Mrs. Gretchen W. Pope and Mrs. E. R. MacDonald, Republican electors of Precinct 1, who claim the returns were "fraudulent and erroneous."

The complaint said the re-

**CHECKING OUT THE VOTE** yesterday afternoon at a local warehouse where voting machines are stored were these interested persons. The check was sought by Republican E. Pope Bassett after his unsuccessful bid for the County Commission seat in District 3. He lost to Lawrence Swofford, Democrat. Shown are, from left, County Judge C. Vernon Mize, County Commissioner John Fitzpatrick, Bassett (in dark suit), and Mrs. Camilla Bruce, county voting registrar. At the machine is W. A. ### One Vote Difference In Recount

By Harry I. Johnson

E. Pope Bassett picked up one vote, a write-in, yesterday when 23 voting machines were checked against precinct workers' tabulations of the results in his unsuccessful race for County Commission seat in District 3.

Bassett, a Republican, was ousted from his temporary winning circle by Lawrence Swofford, Democrat, and mayor of Altamonte Springs.

The Republican candidate led by 118 votes when returns were completed early Wednesday morning. But a canvass of 1,231 absentee ballots showed Wednesday night that Swofford had picked up enough to eke out a 128-vote margin of victory. The write-in lowered it to a 127-vote margin.

The machines were checked yesterday at Bassett's request. The 23 devices were from Precincts 1, 3, 11, 15, 17, 20 and 23. The write-in vote was in Precinct 11 and boosted Bassett's margin at the Altamonte Springs Community House to 747-280.

Other than that, the precinct workers and voting machines agreed. The figures in each precinct showed (Swofford's totals listed first):

Precinct 1, Sanford Junior High School, 529-168; Precinct 3, Home Demonstration Building, 613-401; Precinct 11, 280-747; Precinct 15, Shrine Club, 647-426; Precinct 17, Casselberry, 325-585; Precinct 20, Upsala, 366-337; Precinct 21, Prairie Lake, 295-618.

Joining in the request for the recount were Mrs. Gretchen W. Pope and Mrs. E. R. MacDonald, Republican electors of Precinct 1, who claim the returns were "fraudulent and erroneous."

The complaint said the re-

sults were not announced in a distinct tone and alleged possible errors in transferring figures to certificate forms.

On hand to check the machines which had been moved from the precincts to Adams Transfer & Storage on North Holly Avenue were County Judge C. Vernon Mize, who received the protest; Mrs. Camilla Bruce, county voting registrar; John Fitzpatrick, County Commission member and also member of the canvassing board.

Also Swofford and his attorney, Joe Davis, and the unsuccessful candidate, Bassett. The machines were opened by W. A. Adams, head of the storage firm and in whose custody the machines had been placed.

E. Pope Bassett, Republican candidate for County Commissioner, District Three, stated here today that suspected irregularities in voting procedures had led to the filing of protests under section 101.57 of the election code in seven precincts. Bassett continued that "the questions of filing warrants under Chapter 101 against those charged with violations, and contesting the election results in court have been referred to the attorney for the Republican Ballot Security Forces. Therefore, the final outcome of this race cannot be determined for at least 10 days."

In analyzing the vote, Bassett said, "I am most gratified to see that I received 58 per cent of the vote in District 3, and 54 per cent county-wide with the exceptions of precincts 1, 3 and 15. My opponent received 61 per cent of the votes in those predominantly colored precincts and 62 1/2 per cent of the absentee votes."

"In a county where the Republican registration is only approximately 17 per cent, this high Republican vote was made possible only by the efforts of many Republican and Democrat workers, the votes of many fine conservative Democrats and the encouragement and unofficial support given me by many responsible Democrat leaders. I want to express my deep gratitude to all those who devoted so much of their time and effort in my campaign and my thanks to all who supported my candidacy with their votes."

Although the six-day run of the Seminole County Fair doesn't conclude until Saturday night, American Legion Fair Association officials today described this year's event as one of the most successful of its kind.

According to Fair Association President Bob Mahan, crowds are expected to jam the exhibit buildings, livestock tents and the midway of the Blue Grass Shows tonight and Saturday for the event's final activities.

Despite light showers, Mahan declared, the fair has been well attended and fairgoers have been generous in their appreciation of the association's efforts.

"The exhibits have been a high spot of the week long show," said Joel Field of the Legion post. "We have had wonderful cooperation from everyone," he added.

### Red China Seen Making Rocket

LONDON (UPI)—Red China is believed in British scientific circles to be developing a rocket parallel with the project that recently brought her the successful detonation of her first atomic bomb.

These circles feel the Chinese would not have tied up so many of their scientists on the bomb if they were not also confident of having the means to deliver it.

### 'Great Society' In Focus

WASHINGTON (UPI)—Democratic leaders, jubilant over their 37-seat gain in the House, looked forward today to passage of President Johnson's long-fought health care program and other priority legislation.

The leaders predicted approval of the President's plan to provide health insurance for elderly persons through Social Security. The program was stalled in the House in the last session of Congress.

Among other bills the leaders said would be scheduled for early consideration were Johnson's Appalachia development program, expanded aid for education, additional money for depressed area development and further liberalization of federal housing aids.

There also was speculation that Johnson, in view of his landslide election victory and bigger majority in Congress, might unveil additional programs aimed at fulfilling his campaign promises to create a "Great Society."

Democrats said their gain in the House was even better than it appeared at first glance. Although the election result of 294 seats for the Democrats to 140 for the Republicans, with one in doubt, gives them a better than 2-to-1 margin in the House, they said it cuts still deeper.

Of the 10 seats Democrats lost to the GOP, all but two were in the Deep South, where Republicans will be replacing Democrats who usually voted with the GOP anyway. But the 47 seats the Democrats took from the Republicans mainly represented liberal replacements for conservative congressmen.

Democratic strategists noted that in general it was the right wing of the GOP that suffered most from the Johnson landslide. Liberal and moderate Republicans mostly held their seats.

Republicans tended to agree. They conceded there was not much they could do to block Democratic programs as they had done in the past.

### Southern Bell Salaries Hiked

ATLANTA (UPI)—Southern Bell Telephone Co. said it has signed a new agreement with the Communications Workers of America giving wage increases to around 57,000 employes in nine states.

The agreement, providing for a general wage hike ranging from \$2 to \$5, is subject to approval by the union membership.

The company said the agreement was reached under a three-year contract, signed in September 1963, permitting two wage reopenings. Negotiations had been under way since Oct. 19, when the union asked for a wage reopening, the firm said.

## Hemphill Gets SBA Job

William V. Hemphill, prominent Sanford businessman, has been appointed to the Florida Small Business Advisory Council, Kenan H. Turner, manager of Small Business Administration's Jacksonville office, announced today.

Hemphill was appointed by Small Business Administrator Eugene P. Foley to advise on problems of small business in Florida and to suggest ways of improving SBA's services to small firm owners and managers in this area.

Hemphill is president of Bill Hemphill Motors, Pontiac, Buick and Rambler automobile dealer. He is active in civic affairs, being director of Sanford Atlantic National

Bank, director of Seminole Chamber of Commerce, and

president of the Rotary Club. The Small Business Advisory Council is composed of outstanding business and professional men in this area with a special knowledge of and interest in small business.

It was established in 1961 to assist the Agency in evaluating the effectiveness of SBA programs and recommend methods of improving them. The members serve without pay.

Services available from SBA include business and disaster loans, contracting and technical assistance, management help and licensing Small Business Investment Companies which provide long-term loans and equity capital to small firms. The SBA Office in Jacksonville, Florida is located at 47 W. Forsyth Street in the Jacksonville National Bank Building, fourth floor.

### Blanket Of Fog Moves In North

By United Press

A blanket of fog was draped over much of the central section of the nation today and light drizzles dampened the Southwest and New England.

A cold front dipped temperatures in the 20s across the northern Rockies. Cool air also swept eastward into the western Great Lakes.

Most other areas had clear skies and relatively warm temperatures.

### Confusion Or Peace?

I Corinthians 14:33 tells us, "God is not the author of confusion, but of peace." Perhaps we all agree with this but I feel certain that we do not all experience the peace in our lives that we want very much. As a pastor I realize more and more what a rare thing peace is and how difficult it is to obtain in our lives. The thought also occurs to me that peace is the most longed for factor of life even though

many may not recognize the desire. There is a way to have it and yet we are bombarded with temptations to go from peace rather than to it. The basic thing we must do to have peace is to be God-centered. This means we must learn of Him, trust Him, worship, and obey Him. Perhaps this seems a rather small demand for one of the most precious pearls obtainable. Really it is, yet this does not mean that trusting and obeying our Lord is not sacrificial, too. It does mean that we will place Him first in our lives. Christ does not tolerate anyone or anything before Him. This means that we will be able to make all of our decisions with the thought in mind that they will be made according to our interpretation of His Will. The church is not an object of worship. God in Christ is the only One Christians worship but the church is important. Christ died for it! He knew that it would be His instrument to build a world where His Kingdom would reign supreme. You and I make up this instrument. Are we serving Him through it or are we saying that Christ was wrong and we do not need to serve?

Of course, there are errors in the church, but they are the human pollution that will be over-ridden by the Head of the Church, even our Lord Jesus. When asked to serve by time, talent or substance praying and diligently before refusing. Peace comes into the life so lived because it is according to His Will, and His Will for His children is peace.

### Stewardship Emphasis Month Is Observed

Annual Stewardship Emphasis Month is being observed by Grace Methodist Church during November under direction of the Commission on Stewardship and Finance. Purpose of the entire program, according to commission members, is "to challenge the membership to evaluate the portion of time, talents and money which have been dedicated to Christ's Kingdom."

Rev. John H. Hires Jr., Grace Methodist minister, has prepared a three-service series on "Total Stewardship" which will be continued this week on "The Grace of Christian Giving" and next week on "No, Thank You," a sermon relating to health.

Rev. Hires also will be in charge of the program for this Sunday's 7 p.m. meeting of the Methodist Men when he will speak on the subject of Christian Stewardship.

Next Thursday the Men's Club will sponsor a Ladies' Night Harvest Banquet open to all members of the church. Guest speaker will be Chaplain Leo McDonald from the Sanford Naval Air Station. Proceeds from the banquet will go toward cost of renting a cabin for next year's Laymen's Retreat.

### Pathfinders Collect Food For Needy

By Julia Sartoe  
The Pathfinders Club of Altamonte Springs Seventh Day Adventist Church collected 450 cans of food and \$2.50 in cash donations from residents in the area on Halloween night which will be given to needy families in the area. Club leaders have publicly expressed appreciation on behalf of the entire group for kindness and generosity shown the young people during this worthy mission. They also have given a vote of thanks to adults accompanying the boys and girls and to those providing cars for transportation.

### Evangelistic Crusade Planned At Pincrest

Sunday, Nov. 15, will mark the beginning of an eight-day Evangelistic Crusade at Pincrest Baptist Church, 118 West

Pastor William J. Goess has announced weekday services at 7:30 p.m. Full nursery facilities will be open for all evangelistic services.

REV. PAGE WILLIAMS, Coors Road, with Rev. John Palham, pastor of First Baptist Church, Palatka, preaching.

Revival music will be under direction of Rev. Page Williams and special music will be presented by the choir, ensembles, duets, and solos during the revival.

Williams, minister of education and youth at Pincrest Baptist, is new to the church and community having come to Sanford five months ago from New Orleans Baptist Theological Seminary where he completed his master of religious education degree.

He was director of music at Primm Baptist Chapel in Coosa during his college days at Motson University. After completing his bachelor of arts degree at Motson in 1957, he pastored Lady Lake Baptist for several years and while in Lake County he served as associational music director and was known for his ability to motivate people to sing with vibrant enthusiasm.

Rev. Williams served as minister of education and music at North Hialeah Baptist Church in Hialeah. During his ministry in song there he was in charge of the music for several evangelistic crusades.

In addition to his energetic congregational music directing, Williams is noted for his Rev. Rhea style of singing. "The Ninety and Nine" is one among many of the favorites which he sings. The youthful singer also is known for his becoming "Sunshine in the Soul" personality and is often called the "Smiling Soloist."

### Veteran Groups Invited To Services

By Jane Casselberry  
Members of the American Legion Memorial Post 256 and Auxiliary Unit and VFW Post 10050 and its Auxiliary, both of Casselberry, have been invited by Rev. Lucas Grile of Westminster Presbyterian Church to attend the 11 a.m. worship service this Sunday in honor of Veterans Day. Those planning to attend are asked to meet at 10:45 a.m. The day also is being observed in memory of the four chaplains of different faiths who gave their lives during World War II so that others might have their life jackets.

### Methodists Set Special Day

First Methodist Church of Sanford will observe World Outlook Sunday at this week's services when members of the church will be introduced to "World Outlook," the missionary magazine of the Methodist Church published monthly giving the colorful picture of total mission work.

For the 7:30 p.m. services, First Methodist will join Methodist churches throughout the land to celebrate Great Day of Methodist Singing. The services will be led by the combined voices of the Youth Choir and Chancel Choir.

### Vicar To Be On Telecast

By Donna Estes  
Rev. Charles W. Stewart Jr., vicar of Longwood Christ Episcopal Church, will appear and participate in the Channel Nine (WFTV) telecast "The Small Issues of Our Time," this Sunday at 6:30 p.m. Topic of the program will be "Is Democracy a Moral Failure." Moderator will be Judge Richard H. Cooper of the Orange County Criminal Court of Records.

A normally healthy person can live only 7 to 10 days without water.

A RECEPTION was given recently by Rev. and Mrs. Hubert Thomas, shown above, of the First Baptist Church of DeBary to honor new members who have joined the church during the past year. The reception was held in the social hall of the church which is located on Shell Road. (Middleton Photo)

### Elder Springs To Mark Seventh Anniversary

Elder Springs Baptist Church this Sunday will celebrate its seventh anniversary by having its fourth Homecoming Day, an event which has become an annual affair usually falling on the Sunday nearest Nov. 7, anniversary of the church's founding in 1957.

The church began as a mission, sponsored by First Baptist Church of Sanford, on January 10, 1954, in the home of Mr. and Mrs. R. E. Boderblum with 18 persons present. It later moved next door to the home of Mrs. Sally Johnson. As it grew a building was erected on land donated by Mr. and Mrs. O. Perry Wade.

During these years the church has received into its membership almost 600 persons. Ministering to many Navy personnel has meant the loss of many of this number as they have been transferred to other areas. With a membership of 300, the church stands as a testimony to dedicated Christians who saw a need and sacrificed to meet that need.

Homecoming will begin with Sunday School at 9:45 a.m. and extend through dinner-on-the-grounds. The morning message will be brought by Dr. Henry H. Martin, former pastor of the church while it was still a mission. The members extend a sincere welcome to all friends and former members to enjoy this special day with them.

### Guild Sets Day Of Recollection

By Donna Estes  
The Women's Guild of St. Mary Magdalen Catholic Church will sponsor a Day of Recollection, Nov. 28, at the church in Altamonte Springs for women of the Guild and surrounding Parish.

Retreat Master for the event will be Rev. Thomas J. Tapp, C.S.S.R. of the Redemptorist Order at New Smyrna Beach. Activities of the day will include registration at 8:30 a.m., Mass at 11:30, lunch at noon, and Benediction at 2 p.m.

### HNS To Hear Libertore

By Donna Estes  
The Holy Name Society of St. Mary-Magdalen Catholic Church of Altamonte Springs will sponsor a Father-Son Communion Breakfast this Sunday at 10 a.m. at the Villa Nova Restaurant in Winter Park.

Guest speaker will be Larry Libertore, player with the Central Florida Broncos and former star quarterback at the University of Florida.

Reservations may be made by calling Maurice LaRue no later than Saturday.

## College Education Cost On Upswing

By Jane Casselberry

Jack P. Toole, vice president of South Seminole Bank, spoke to the Council of Teachers and Parents (CTP) of South Seminole Elementary School at Casselberry on ways to save for and help finance your child's college education, and presented a film on "How to use your bank."

He stressed the importance of a college education, but reminded parents that the average cost of a year at college has increased from \$800 after World War II to \$2,000 and by 1970 will probably be \$3,000, thus making it imperative that parents of elementary children start saving now.

Rev. Lucas Grile, of Westminster Presbyterian Church, gave the invocation.

Ways and means chairman Mrs. William Eggers reported that \$204.10 was realized from the recent rummage sale held at Fern Plaza. She said she thanked everyone who helped, particularly Walter Bonder who furnished the store in which to hold the sale and the Casselberry Community Methodist Church which loaned the tables.

## Burglars Hit Two Businesses

Two breaking and entering reports are being investigated by local police.

The thief took \$3 from a soft drink machine and \$1 from a cash drawer at Gator Lumber Company, French Avenue, after breaking a window in the building.

A burglar made off with a typewriter from the Kirchhoff Building, 13th Street and Holly Avenue, after cracking a window but dropped it and left it outside the window, window, police said. Both entries were made sometime during the night.

## Suspicious Unfounded

"Better send a policeman over here. There's a man with blood all over him. He looks suspicious."

That startling bit of information was given police headquarters yesterday from a cleaning establishment on West 13th Street.

Their police log report shows the man had bought two turkeys, had cut off their heads and the blood had gotten on him. He hadn't bothered to clean up.

## Sanford Man's Mother Dies

Funeral services for Mrs. Teresa Susan Wurtz, 77, a native of Alvada, Ohio, who died Wednesday in Toledo, Ohio, were announced for St. Joseph's Church, Tiffin, Ohio.

She is survived by a son, John Wurtz Sr., of Sanford; grandson, John Wurtz Jr., of Toledo; two great-granddaughters, three sisters and four nephews, all in Ohio.

## Second Mars Readied After First Fizzles

CAPE KENNEDY (UPI) — The United States, thwarted by a freak mishap in its first attempt to explore Mars, today readied another Mariner probe for the same picture-taking mission.

Mariner 3 died late Thursday night, about nine hours after launch, despite the last-ditch efforts of a team of scientists to revive the complex, 563-pound spacecraft.

The ship's twin, Mariner 4, sits atop another Atlas-Agena rocket ready for launch expected within two weeks.

The ill-fated probe, designed to take 22 pictures of mysterious Mars and help lead the way for future space ship landings, now is speeding into orbit around the sun to become a lifeless space derelict.

Project chief Jack N. James early today blamed Mariner's failure on a protective cover that apparently hung up on the space craft instead of being thrown clear during early stages of flight.

He explained that the cover, which shields the delicate Mariner during launch, prevented the ship's vital solar panel from unfolding to recharge its overstrained battery with energy from the sun.

As a result, the battery failed and Mariner's radio fell silent.

James said the positive cause of the trouble would not be determined for several days until volumes of data radioed back from Mariner are analyzed.

He said engineers would begin at once preparing to launch Mariner 4, the last space craft in the \$112 million, two-shot Mars program.

## Annual Scouter Dinner Saturday

St. Johns District annual Scout dinner will be held at All Souls Church social hall Saturday at 7 p. m.

Adult leader, committee members, den mothers and parents from DeLand, Orange City, Lake Helen, Delbarton, DeLeon Springs, Sanford and Orlando are expected to attend.

Special awards for boys who have earned their Eagle Award and their church awards will be presented, along with some adult scouter awards.

Master of ceremonies will be Dr. Malcolm Hayman, former St. Johns District chairman. The Scouters will be welcomed by Mayor A. L. Wilson of Sanford and new officers will be installed by District Vice President Randall Chase.

## Wally Peacock's Father Succumbs

Word was received here today of the death of Drew Peacock of Altha, Fla., father of a former Sanford resident, Wallace Peacock.

Mr. Peacock died Thursday and the funeral services were planned for 3 p. m. today in Altha.

Wallace Peacock is now a resident of the community of Chattahoochee.

## Army Exercises Claim 9 Lives

FT. JACKSON, S.C. (UPI) — Two separate helicopter crashes Thursday that killed two men and injured six brought to nine the fatality list for the Army's experiment in air mobility, Air Assault II.

The helicopters crashed to the ground in northeastern South Carolina near Cheraw. Six other men in the massive exercise were killed south of Augusta, Ga., Saturday when two transport planes in a formation collided and dropped to earth.

Last month a soldier was killed in a fall while lowering himself on a rope suspended from a helicopter.

The Army is using 32,000 troops over 4.5 million acres in the two Carolinas and Georgia to test a new concept—using helicopters and light planes instead of ground carriers to transport troops and provide weapon support.

## Candidate Deadline Is Nov. 25

Three seats on the Casselberry Town Council will be up for grabs during the municipality's annual election on Dec. 7, along with the office of mayor, town clerk and marshal.

To date, not a single candidate has filed for office, according to Clerk Mary Hawthorne. She said today that deadline for candidates to file has been set at 5 p. m., Nov. 25.

Terms for present councilman Arthur N. Logo, Ed A. Lunn and L. E. Woodhams expire this year.

Mrs. Hawthorne also announced that voter registration books will be open until 5 p. m. Nov. 25. In addition, residents may also register between the hours of 5:30 and 7:30 p. m. on Nov. 6, 13 and 20, and between the hours of 10 a. m. and 12 noon on Nov. 7, 14 and 21.

The regular meeting of the Town Council is slated for Monday night with the comprehensive zoning ordinance, which has been in the mill for more than two years, the featured item on the agenda for discussion.

## Church Members Contribute \$2.85 Billion

NEW YORK (UPI) — Members of 41 U. S. Protestant sects contributed a record total of \$2.85 billion to their churches in 1963, the National Council of Churches announced.

The council said 1963 church giving exceeded the 1962 total by \$38.9 million. About 18.3 per cent went to home and foreign missions, the rest going to congregational operations and other local items.

Nineteen U. S. denominations reported spending \$241.4 million on new building last year.

The churches which topped the list for individual giving were the Reformed Church of America at \$117.58 a member and the Presbyterian Church in the U. S. at \$100.46 a member.

Six Canadian churches reporting to the council said members gave \$127.8 million of which \$100 million was for congregational expenses. The 1962 totals were \$123.2 million and \$96 million, respectively.

# Seminoles-Greyhounds Game Tonight Will Make History

## Tribe Seen As Top Dog

**By Julian Stenstrom**  
Herald Sports Editor

The first full-fledged inter-county high school football contest in Seminole County history will go down in the record books when the SHS Seminoles clash tonight with the Lyman High Greyhounds at Longwood.

The non-league affair will get underway at 8 p.m. with Seminoles given the roll of favorite and Lyman the underdog.

The Seminoles of the Metro Conference are expected to outpace the Greyhounds with ease. However, Head Coach Jim Pigott is not exactly sure his Tribe is "up" enough for this affair.

"It's these kind of ball games that make a coach's hair turn gray," explained Pigott.

On the other hand, Head Coach Dick Copeland isn't worried about his boys being "up" for tonight's fracas. They will be up as high as they can be in an effort to turn back the Seminoles.

If they did, what an upset that would be.

But, as Pigott says, "When two clubs go out on a field anything can happen."

The Seminoles go into the fray with wins over Colonial, Evans, Winter Park and Bishop Moore, ties with Boone and Titusville, and a loss to Edgewater.

Lyman of the Orange Belt Conference has posted one victory — a win over New Smyrna Beach — and have been beaten by Ocoee, Apopka, Titusville, DeLand and Leesburg.

Following tonight's tilt, Seminoles must face Oak Ridge and DeLand while the 'Hounds still have to play Kissimmee, Winter Garden Lakeview and Wildwood.

Additional bleachers have been installed for tonight's contest to accommodate the hundreds of fans who usually follow the Tribe.

The Seminoles are in pretty good shape for the Lyman game. Pigott and his aides, Jim McCoy and Dick Williams, have worked on both offensive and defensive patterns this week.

In all probability, Pigott will start ends Mike Gray and Leroy Nopper, tackles Dave Noel and Erney Steele, guards Joe Farless and Steve Harris, center Steve Ballint, quarterback Ron Hinson, halfbacks Buddy Burton and Chuck Scott and fullback Lee Sparkman.

Chances are good that backs Frank Whigham, Al Boniface, Ernie Baumeister, Rick Walston, Bernie Barbour, Bill Kuykendall, Danny Tillis, Sterl Weber and Messer will see plenty of action along with linemen Larry Watson, Andy Lyon, Eddie Griffith, Dave Jarrell, Tommy Cason, Dave Howe, Steve Groover, Steve Clark, Joe Purdy, Brad Pruden, John Cannavino and Tony Gonzales.

## Bulldogs, 'Canes Battle To Tie

**By Jim Boehm**  
Herald Sports Writer

In a contest that sparked with terrific blocking and tackling, the South Seminoles Junior High Hurricanes last night at Lyman Field didn't quite avenge an earlier defeat this season at the hands of St. Cloud's junior varsity Bulldogs.

But the Hurricanes were not beaten. They fought the Bulldogs to a 12-12 draw before a large crowd in an affair that provided enough excitement to satisfy the appetite of any grid fan.

The tilt featured sharp passing, dogged running, goal line stands—everything a patron would want in a football game. The Bulldogs jumped into an early lead when midway in the first period a blocked Hurricane punt put the St. Cloud eleven in charge of the ball on

South Seminoles' 40. Grady Pale tossed a pass to Joe Murray on the 30 and shot another one to Charlie Aycock on the Hurricane's five. Aycock plowed three yards before Dan Miller took a pitchout and went the final two yards to pay dirt. The run for the point after failed.

But seconds later the Hurricanes knotted it up. South Seminoles returned the ensuing kickoff to their own 44. Fullback Ron Skeen, only an eighth grader but a youngster who runs like a high school senior, dashed 15 yards. A penalty gave South Seminoles the ball on St. Cloud's 34.

Halfback John McDermott went to the 30, Skeen fought his way to the 16, picked up two more and then scrambled, the rest of the way for the TD. The kick for the extra point missed the mark.

In the second stanza, the Bulldogs punted to South Seminoles' 47. Dennis Garrett picked up three and from the midfield stripe and—with some of the best blocking fans will ever witness—Skeen scampered to the Bulldogs' 28. Skeen got two more before he went the final 24 yards for the Hurricanes' second touchdown.

The Cougars, who spoiled an FSU Homecoming, 7-0, in 1962 enter Saturday's game with a disappointing 2-4 record. Houston defeated Texas A&M and Trinity; lost to Auburn, Ole Miss, Tulsa and Mississippi State.

An injury to Joe Lopasky, top Cougar running back, will keep him from playing against the Seminoles. Lopasky was injured in the Mississippi game and has missed the last two.

However, quarterback Jack Skog, top Houston passer, has recovered from an injury and should play Saturday though he's not listed as a starter. Skog has completed 25 of 86 for 330 yards and five touchdowns this season.

Leading rusher is halfback Dick Post with 358 yards in 74 carries, a 4.8 average. He has scored four touchdowns.

This will be Florida State's last game on the road. The Seminoles return to Campbell Stadium for a two-game wind-up against N. C. State and Florida.

The Cougars, like VPI and Southern Mississippi, have always been trouble for the Seminoles. FSU has lost all three games in the series. In fact, Houston has never lost to a Florida team, counting two victories over Miami, also.

Florida State was knocked from the undefeated ranks by VPI in a weird 20-11 decision two weeks ago, then regained some face by thrashing Southern Mississippi, 34-0, here Saturday night.

If Houston is to become scalp number seven, FSU will be forced to overcome another Homecoming in addition to the seeming jinx.

The Seminoles will play without the services of starting fullback Lee Narramore, who is out with an ankle injury. Narramore, a 200-pound sophomore has been a key in the running game all year and has gained 282 yards in 71 carries for a 3.6 average.

## Lyman Out For Victory

**By Jim Boehm**

Tonight at Longwood the Lyman Greyhounds will take on the Seminoles of Sanford in the first full fledged meeting of the two neighboring schools on the varsity level in history.

The contest has been long awaited and is destined to make history. Although Lyman's season record of only one win and five defeats is far below that of the Seminoles, the 'Hounds will have two important factors in their favor when they take to the turf this evening. First, a large, enthusiastic home crowd, and, second, a desire to play football as they never have before.

Coach Dick Copeland's crew has shown signs of becoming a solid eleven during recent scrimmages and they are up for the game tonight. Parts of the Lyman cast are beginning to perform like standouts especially the backfield. With senior quarterback Jack Blanton at the helm, fullback Terry Toole a middle man, and halfbacks Paul Lambert and Phil Ferrault emerging as outside threats, the Hounds have upped their ground attack considerably during the past few weeks.

Not to be denied mention is the Greyhound line, which due to the outstanding play of seniors Gene Winkelman and Chuck Wagner, and the performances of several sophomores, is showing steady improvement, also. The starting linemen tonight will be Winkelman and John Stuart at ends, Dave Math and Mike Coles at the tackle posts, Wagner and soph Ron Greene at the guards, and Ronnie Toole at center.

The Greyhounds are aware that this will be a tough contest, but they have a great deal of desire. The expected overflow crowd at Lyman Field is in for an exciting night of football.

## 'Canes Favored Over Tulane

**MIAMI (UPI)** — Miami and Tulane meet Friday night in the Orange Bowl, each seeking a second consecutive victory to bring a little brightness to a losing cause.

The Hurricanes, with a backfield running at full strength for the first time, were favored by from one to three points to give the Greenies their sixth loss.

A crowd of from 35,000 to 40,000 was expected. Miami, which has lost four, tied one and won one, will have Pete Banaszak in the starting lineup for the first time this season, as well as Russ Smith and Jack Sims, all working behind sophomore quarterback Bob Bielestahoff.

Injuries have kept Smith hobbled for both his varsity seasons, and also kept Banaszak on the replacement unit for most of this year.

Smith, however, came to life last week and collected 162 yards running and receiving passes to lead Miami to its victory over Detroit. Bielestahoff also caught on, passing

successfully 20 out of 28 times for 183 yards. The Hurricanes, however, will be up against a Tulane starline Greenie defense.

Although there's little doubt as to which club will be victorious in tonight's inter-county clash between the Sanford Seminoles and the Lyman Grayhounds, the contest itself will go down in the record books as the beginning of what must become a long rivalry.

If for no other reason, Sanford and South Seminole fans should turn out in huge numbers to watch this contest. And that's exactly what we believe will happen.

Seminole may have an easy time of it tonight, but they might as well mark it down in their little black books that this will be the last time a victory will appear that easy before the contest.

Next year — as least from the way we see it — Seminole will have no better club than it has this season. But as far as the 'Hounds are concerned, they'll be much more experienced, have additional depth and we're willing to wage a friendly bet that by the time the 1966 season rolls around the two clubs almost will be evenly matched.

If Sanford fans don't believe it, maybe tonight's tilt will change their mind. Several of the Lyman backs local fans will see in action tonight are boys who played for South Seminole Junior High just

Crooms High's Panthers will try to make it six in a row tonight when they tangle with the Campbell Street Senior High Centipedes of Daytona Beach in a Florida Big Nine North Conference tilt in Sanford's Memorial Stadium.

Game time is slated for 8 p.m. Rolling along with an impressive record of six wins and one defeat, the boys of the Orange and Maroon are enjoying one of the best seasons of Panther teams in quite a spell.

The Panthers came out of their homecoming game without a nny serious injuries. Therefore they will be at full strength.

Halfback David Peterson looked himself for the first time this year as he ran with power and displayed moves which gave the opposition headaches.

Coach Willie Holt and his aides have put together a well balanced squad. They have a good passing attack to go along with their fine running game. Andrew James and his favorite targets of Periman Brinson and Tyrone Henderson usually pick up the team with aerials when its running attack sputters.

Dependables Robert Walton, Lewis Witherspoon, John Knight, Ernest Neal, Leonard Davis, Robert Jackson, Roy Montgomery, Eddie Brown, Ernest Payne and Ramon Browdy are ready to go.

Halfback John Fritchard, III last week, will probably see action tonight.

**Florida Is Favored Over Ga. Bulldogs**

JACKSONVILLE (UPI) — Favored Florida will try to get its offense back into high gear against a rapidly improving Georgia team Saturday in a renewal of a traditional rivalry.

Still hampered by injuries, the Gators will have three sophomores in the starting backfield.

Georgia will bring to the Gator Bowl a team that has been one of the big surprises in the Southeastern Conference in compiling a 4-2-1 mark. A crowd of close to 50,000 is expected for the 2 p.m. kickoff.

The Bulldogs, not expected to do much at the start of the season, seemingly have been getting stronger each week. Last Saturday they knocked off North Carolina with ease, 24-9.

The Georgia running attack has been paced by three good ball carriers, Preston Ridlehuber, Bob Taylor and Fred Barber.

The Gators are expected to test the somewhat leaky Georgia pass defense often. Sophomore quarterback Steve Spurrier, who completed just one of six passes against the vaunted Auburn defense last week, should find the going easier against the Bulldogs,

whose pass defense ranks last in the SEC.

Florida was unable to get its offense rolling against Auburn but applied the pressure with a sturdy defense and won 14-0, capitalizing on Tiger mistakes for both scores.

**Colonial Holds Metro Top Slot**

Colonial High, with 84 first downs and 1,539 yards gained rushing, continues statistical domination of the Metro Conference.

Right behind the Grenadiers are the Edgewater Eagles who clash with Colonial tonight in Orlando. The Eagles have rushed to 1,490 yards but have only 14 first downs. Boone has 32 and Sanford is in third place with 17.

The Seminoles ranked fourth in the conference in rushing with 1,041 yards. Bishop Moore was third with 1,152.

Colonial has yielded the least yardage so far this season, 621, to its opponents. Seminole's defense was second, holding opponents to a mere 748 yards.

Percentagewise, Seminole's passing attack has been the most effective. The Tribe has connected 33 times on 69 attempts for a 47.8 percentage. The second best aerial attack belongs to Boone which has hit 20 times out of 35 tosses for a 47.0 mark. Boone's air game produced 559 yards while Sanford's amounts to 406.

Aside from Bishop Moore's allowing its opponents only 230 yards in the air, Seminole has the next best record — 249 yards.

Seminole has intercepted 10 enemy passes this season for the second best record in the Metro. The top mark, 11, belongs to the Hornets of Bishop Moore. Oak Ridge's Pioneers have lost the ball only five times on fumbles for the best mark in the circuit. Sunland is tied with Edgewater for third place with eight. Evans is second with seven.

Five clubs in the league are almost even in the least number of yards penalized. Colonial owns the best mark, 349. Seminole and Oak Ridge are tied for second place with 361. Evans has been setback 362 yards and Bishop Moore 365.

**Tigerettes Hold One Point Lead**

The Tigerettes held onto their one point lead in the Huller Motor Navy Wives League when they won three points from Werner's Warriors.

Margaret Botts boosted the 7-8-9'ers with her 190-488 to a clean sweep against Checkertails "B" and are now tied with the Dragonettes for the second place slot.

The Dragonettes won three points from the Tigers. Rita Glaser geared the Pussycats to a clean sweep from the Hoot Owls.

Marian Tise's 182 was high game for the Hoot Owls' three-point win from the Savageettes. Eleanor Clemens' 190-533 established a new high scratch series in the league and was a big aid for the Vigilantes' four-point win from the Odd Balls.

Alice Sexton's 180-500 helped the Oop Op operate a clean sweep from the Retired Wives. Lucy Mayer's 183-490 was high for the Missis in their four-point win from N.A.S. "O" Wives. The Disasternots also credited their standing by a four-point win from the Checkertails "A."

Jo Ann Sample converted the 5-6-7; Martha Billings 3-7; Pam Pappon 7-4-5 and 5-10; Lucy Updegraff 5-9-10, and Dayle Holmes 5-7. The 3-10 fell for Margaret Botts, Judy Hendrickson, Susy Watson, Mary Smith and Jo Watson. Rose Patrick and Barbara Rohrer spared the 2-7.

BOSTON (UPI) — Heavyweight champ Cassius Clay is ready for his Boston Garden bout Nov. 16 with Sonny Liston.

If you don't believe it just ask Clay. And if you don't believe Clay, ask his trainer.

Trainer Angelo Dundee said Clay was so "finely ready" he had asked the 23-year-old title-holder to "taper off" in his daily workouts at the Boston Arena.

But Clay says he wants somebody to "taper off" on . . . and is willing to offer former champ Floyd Patterson \$1000-a-round as a tapering off sparring partner.

NEW YORK — (NEA) — Invention of the reversible coat is credited to an unknown Tibetan several hundred years ago. He found that he could keep himself warmer in winter months by simply turning his yak-skin tunic inside out. He became the first man in history to wear a hair shirt.

This garment consists of (1) a Dacron and cotton shell with snap buttons and roomy patch pockets, and (2) a nylon lining, one side quilted the other smooth. The shell can be worn alone or over the lining. For outdoor sports use the lining can be worn separately with either the quilted or the smooth side out. The shell attaches to the lining by means of a zipper.

## Pants-Get Out Of Town

Newspaper Enterprise Women's Editor  
NEW YORK — (NEA) — The two-pants suit for men went out of the picture during World War II. Manufacturers couldn't get the fabric needed to make them. Today those emergency measures are far behind us. But who gets the extra material? We do. Thanks to the Paris designers women's suits now come with skirts and matching trousers.

Why in the world any woman would think that she looks better in pants than she does in a skirt I'll never understand. And why is it that the women who will wear pants in the cities will be the ones who shouldn't wear them anywhere?

has become a much discussed topic among women. But the minute we stop talking about them and start wearing them, we will be the conservation piece. And the talk won't be flattering. Chic Chat

## School and You

### To Skip Or Not To Skip

By Susan Light  
Newspaper Enterprise Assn.  
DEAR MRS. LIGHT: At a recent conference with our son's first-grade teacher, she told us she had suggested that he be skipped after the first semester of first grade to the second semester of second grade. His birthday is in January. He knew how to read before he started school.

and to make some of their own decisions. All of this takes time. If your son is mature for his age, socially aggressive and self-confident, he may be able to make the transition happily and without too much difficulty. If there is any doubt in your mind about his ability to compete with second graders physically and socially, as well as mentally, your answer should be a firm "No."

## Dear Abby: By Abigail Van Buren

DEAR ABBY: The letter about the office holiday party prompted this comment because, for the past ten years, that is what I have been arguing with my husband about. He works for a big company and almost every other weekend they have a party for someone who is being married, transferred, retired, or for any other reason they can think up. Husbands and wives are not invited. I've heard my husband and some of his co-workers talk about what goes on at these parties, and believe me, I don't like it. There is drinking and dancing, and the young married girls fall all over the married men. My husband always has the money for these office parties, but just let me ask him for a few dollars for something the kids or I need, and he doesn't have it. He claims he HAS to go to these parties. I say, like heck he does.

When the company stopped the annual Christmas party, and gave each employee a turkey instead, I was so happy. Why does the management permit these other parties to go on? It only causes hard feelings between the employees and their families.

NOT INVITED  
DEAR NOT: If you will

investigate, you'll probably find that the management has nothing to do with these parties. They are organized by the employees (usually one or two with unsatisfied drives). Management lends over backwards to encourage family unity and to discourage the kind of togetherness outside the office that you describe. And only those who want to participate do so.

DEAR ABBY: Every night I am awakened by the voice of a strange woman giving my husband French lessons. This is done via a tape recorder, a timer and a speaker which is placed under his pillow. The lessons last approximately one half-hour while my 300-pound slumberer. It would not be so bad if I were not awakened during the night by other sounds. The baby needs changing, or wants his bottle, or has an occasional nightmare. Please tell me, Abby, am I unreasonable to object to having a French lesson at 3 A.M.?

DEAR MOTHER: Non!

DEAR ABBY: A few weeks ago I had a birthday

party for my twin sons, who were five years old. We sent one invitation to each child and sign it John and Jack. Each child who attended the twins' party brought two gifts—one for each twin. Now each of my twins has received an invitation to attend the birthday party of one of the boys who attended theirs. Do you think this was a hint that the little boy expects two gifts? One from each twin? Thank you.

DEAR PUEBLED: When twins give one gift "from the twins" it is usually twice as expensive as one gift would have been. I don't know whether individual invitations were sent as a "hint" that two gifts were expected, but if you have any such suspicions, put your mind at ease and send two gifts.

Hans won with dummy's ace, entered his hand with the ace of trumps, discarded one of dummy's clubs on his jack of hearts and led a small trump. This bumped the king and queen, so Hans only had to lose one trump trick.

By Polly Cramer  
Newspaper Enterprise Assn.  
DEAR POLLY—I just finished the week's ironing and had so much fun doing it that I am looking forward to ironing next week. I had to leave my ironing to answer the telephone and as I talked I kept wishing for some way to free my hands so I could continue the job as I talked. Afterwards I took a wire clothes hanger, bent the two sides together and out just enough to fit comfortably over my shoulder. Keep bending until it feels right. I secured the telephone receiver to the shoulder holder with two rubber bands. With the telephone snugly in place at my ear, I contacted all the absentees from my Sunday School class and some friends just for the fun of it and all the while I was ironing. ## Use Self-Tax To Pay Taxes

Before you run up those Christmas bills, get a few pennies aside for April 15. The income tax cut this year already has proven a boon to many. Those with an eye on the consumer's spending habits say a large number are using the extra money each week to hack away their installment debt. However, there is going to be a shock wave from coast-to-coast when the time arrives to file the annual income tax report.

have to come out of our pockets until the "deduction" adjustment again works to our advantage. To meet income tax payments this time poses a serious problem. Those with savings can draw on them. But regular savings should be untouched to act as an emergency fund. Some, walking the tight wire of making ends meet each week, may have to borrow to pay 1964 taxes when previously they were able to squeeze out enough money to make it.

income tax obligations. It sounds naive in an era where few bother to pick up a penny from the sidewalk. But it works. Simply tax yourself a dime out of every dollar you take in. According to the Union Dime Savings Bank, this is a minimum. Single persons often can save 50 cents and a young married couple 25 cents on each dollar. Put your "self-tax" from your take-home pay into a savings account each week. Don't touch it until time to pay your income taxes. The total may not pay the full amount you owe but it should be enough to save you many sleepless nights worrying.

## Record Shop 'A Chorus Hath Charms'

By Joan Crosby

And he says the chorus business is "bigger, boomier and louder" than ever.

Shaw found the interest in music ranged from an ambassador in Rio who invited some members of the chorus to join him in playing string quartet music after a cocktail party, to the loyal members of the audience in a Brazilian town who sat in a hot theater until 3 a.m. after the lights blew out.

## Those Annoying Winks

By Mrs. Marjorie Lawrence  
Newspaper Enterprise Assn.  
DEAR MRS. LAWRENCE: I am 17 and need someone to help me. My parents have two old family friends. I can't look at the husband without his winking at me. He is always putting his arm around me and calls me his "girl." Several times lately he has asked me to go driving with him. I am embarrassed to look at him because I know he will be winking at me...

Do I have my hair and girdles fitted to me by an expert saleswoman—or do I just buy the size I think is right for me?

Do I let my hair go too long between shampoos, touch-ups or coloring rinses?

Do I order rich, creamy desserts when I know how overweight I am?

Do I just talk diet and not really do anything about it?

Do I buy red shoes, a green bag, a bright blue coat without thinking how these things will look together?

Do I ever look at the back of my head in a mirror?

Do I feel concerned only with the front view?

Do I ever try massaging my scalp and brushing my hair?

Do I know more rouge than I wear I should?

Do I ever think about the understatement in makeup?

Do I ever change the shade of my face powder to blend with my clothes, subtle skin changes and the seasons?

Do I pin my necklace in the back when the clasp is broken?

Do I wear slacks and stretch pants when I know that my hips are broad, my derriere is impossible, and my husband hates me and all women in slacks?

Do I choose clothes colors carefully and try the effect on my skin before buying?

Do I neglect the first sign of dryness in my skin?

Do I say, "That wasn't done when I was a girl"?

Do I change my makeup shades when I decide to have my gray hair colored?

Do I ever read a book to improve my knowledge, my mind and my conversation?

Well, do you?

## Gina Stars At Drive-In

Gina Lollobrigida plays the leading role with Sean Connery and Ralph Richardson in "Woman of Straw" which opens a three-night stand Sunday at the Movieland Drive-In Theatre.

The United Artist release is the first major film by the production team of Michael Ralph and Basil Dearden to be offered to the American public. "Woman of Straw" tells of a deadly and unremitting con-

test for the domination of a beautiful woman's mind by two fiercely determined men, each for his own purposes. There is a fatal consequence and this provides the film with an unusual plot twist and ending.

Co-featured with the "Woman of Straw" is "The Proud and the Profane" with William Holden and Deborah Kerr. Sunday the shows start at 8:15 and Monday and Tuesday at 7 p.m.

Wednesday and Thursday the management has obtained another twin feature, "The Cattle King" with Robert Taylor and "The Prize" with Paul Newman.

A triple feature shares the screen Friday and Saturday. "Rhino" will be seen at 7 p.m. and stars Harry Guardino; "Wild and Wonderful" brings Tony Curtis here and "F.T. 108" has Cliff Robertson in the leading role. The latter film will be seen at 10:30 p.m. and portrays John F. Kennedy during World War II.

SEAN CONNERY and Gina Lollobrigida share honors with Ralph Richardson in "Woman of Straw," suspense drama opening Sunday at the Movieland Drive-In Theatre.

DICK HIGLEY, your host at the new Windjammer Restaurant and Cocktail Lounge in Fern Park, displays one of the live lobsters waiting for a customer's order there. This is the real Dick Higley, whom customers didn't recognize in the fierce pirate outfit last week—his smiling countenance hidden behind a huge black beard.

With Dottie Austin THE WINDJAMMER IS HERE.

It arrived at Port Fern Park this week amidst shouts and cheers from eager customers who headed for the exciting Pirate's Den bar where they were intrigued with the cute buccaneer gals and the gracious dining room where port sailor gals waited on them.

As you might surmise, seafood is one of the specialties of the Windjammer, and steak is the other. Your host, Dick Higley, invites everyone to come aboard and try their hospitality.

As you enter the foyer you will see the fresh lobsters swimming around in the tank awaiting your dining pleasure. Lunch will be served from 11:30 a. m. to 2:30 p. m. each day and dinner from 5 p. m. to midnight. The Pirate's Den opens at 11 a. m. and remains so until the wee smalls. All this every day except Sunday. It would be a good idea to call for reservations when you make up your luncheon or dinner party—they are doing to be mighty busy, is our prediction.

The Trade Winds also features "the finest catering service in Central Florida," so call them when you've got a big feed going on and they'll serve it anywhere you say.

IF YOU have not heard anything about the Club Diamond lately, it's because they are busy fixing up something new and special for their customers. You'll be seeing more about this soon.

WE'RE HEARING ooh's and ah's from the customers of the Caribe Lounge over the eye-popping new outfits being worn by the bartender there! We're not going to tell you about it — just let you go on over and see for yourself! In addition to the visual delights, you'll find the same good service and your favorite drinks. Lunch or dinner too, in the luxurious atmosphere. We can't say "relaxed atmosphere" any more, that's for sure!

MIKE PINTAR has opened a new addition to the beautiful Club Juana in Fern Park. The new area has 180 square feet of parquet floor for dancing and also accommodates more tables. The Roosevelt Richardson Trio provides entertainment every night starting at 8:30 p. m. The Club Juana is located across the highway from the Jai Alai fronton and has plenty of free parking in the front and rear. Be sure you visit it and let them know what you think of it.

CHICKEN CACCIATORE with mushrooms is the special this week at Jean's Spaghetti House in Orange City. Of course, they have many other complete Italian dinners, too, and cater to families, parties and banquets. They are open seven days a week from 11 a. m. to 10 p. m., except on Monday and Tuesday when they're open from 4 p. m. to 10 p. m. Drive out today and try some of that delicious pizza.

THE ELECTION is over but George's friendly Tavern is the ideal place to re-hash the outcome. Relax in the air conditioned lounge and enjoy your favorite drinks in this friendly atmosphere. The package room is well-stocked with all brands at prices you like to pay. Special low prices by the case. There's free parking, of course.

## 'Fate Is Hunter' At Ritz Comedy Is Hit

Arthur Batanides has probably been beaten up more often than any other living actor. His record of lost fights and brawls on TV and in films would make even the most exhausted prize fighter wince.

But at last, in 20th Century-Fox's "Fate Is the Hunter," opening Sunday at the Ritz Theatre, Batanides has a part in which no one lays a glove on him. The movie will be shown through Wednesday night.

That's not to say that he's a "good guy," of course. The young Greek-American actor takes the part of a man who is suspected of sabotaging an airliner in the suspense drama. But at least nobody pummels him.

"I've been beaten almost 300

## Comedy Is Hit

Following its gala premiere at the New York World's Fair, "What a Way to Go!" has opened at the Seminole Plaza Cinema in Casselberry. The lavish CinemaScope, De Luxe color comedy boasts one of the greatest all-star casts ever assembled, including Shirley MacLaine, Paul Newman, Robert Mitchum, Dean Martin, Gene Kelly, Bob Cummings and Dick Van Dyke. It is directed by J. Lee Thompson, produced by Arthur F. Jacobs and is a joint venture of AP-JAC-Orchard and 20th Century-Fox.

Feature times are 2:3, 8:55, 7:20 and 9:30 p.m. Assembling the high-powered cast proved a tremendous problem in logistics as all the male stars operated on tight schedules of their own and had to be utilized within fixed time limits.

Based on an original story by Gwen Davis with screenplay by Betty Comden and Adolph Green, "What a Way to Go!" is spiced with three original Jule Styne songs and a fantastic dance production choreographed by Gene Kelly and starring Kelly and Miss MacLaine in a take-off on movie musicals of the 30's.

Shirley MacLaine wears the most costly wardrobe in movie history in "What a Way to Go!" with 72 different costumes designed by Oscar-winning Edith Head at a combined cost of more than \$500,000. She has a matching cologne for each wardrobe change designed by famed hair stylist Sydney Guilaroff.

In addition, Miss MacLaine wears \$3,000,000 worth of jewelry from the Harry Winston, Inc., collection and furs valued at an additional \$200,000.

Besides having the arduous task of changing costumes and hair styles so many times, Shirley MacLaine also has quite a challenge in the range of emotions of her part. She

SHIRLEY MACLAINE stars in the comedy, "What a Way to Go!," a CinemaScope-De Luxe color attraction now playing at the Seminole Plaza Cinema in Casselberry.

portrays her role as Louisa as a 12-year-old, a 17-year-old, and progressively later, as the wife of five of her six leading men. Her role is the longest, most taxing and most glamorous of her highly successful career.

"What a Way to Go!" was filmed by three-time Academy Award cinematographer Leon Shamroy, who roamed his cameras over 78 specially designed sets built under the guidance of Supervising Art Director Jack Martin Smith and Ted Haworth, art director for the picture. Walter Scott was responsible for the set decorations. Both Smith and Scott were among the Oscar winners in this year's awards.

times on TV alone," Batanides laments. "I've played every nationality, dialect and disguise one could think of. But until producer Aaron Rosenberg spotted me, I'd never been offered anything but a 'heavy' role in which, somehow, I always wound up either unconscious or dead.

"Actually, though, lots of big stars got their starts in similar parts. Charles Bickford, Humphrey Bogart, Edward G. Robinson, Burt Lancaster and Clark Gable played 'bad guys' long before they were given more likeable roles. I keep hoping that this is going to be my big break.

By Mrs. Clarence Snyder  
A course in Parliamentary Law will be given in Osteen by Mrs. Margaret Kingston of Daytona Beach.

This course is being sponsored by the Osteen Parent Teachers Association, and will be free to all interested.

The class will be held at the Educational building of the Osteen Baptist Church Nov. 10 from 9 a.m. to 1:30 p.m. There will be baby sitters to care for the children in the church nursery.

There will be a coffee break and sandwiches will be on sale.

It is hoped the general public will take advantage of this free offer and that a good number will attend.

## Eye Make-Up Adds Beauty Through Frame Work

The woman who wears glasses has come of age. This is fortunate since there are more than 40 million women wearing glasses. Once worn artfully or kept hidden while their owners walked about blindly, glasses are fashion focal points. Good frame design and the careful use of co-ordinated eye make-up now make many women look at their glasses as being out-of-step with the style trend.

### Davis-Snyder Wedding Plans Announced

Final plans have been completed for the Davis-Snyder wedding.

Miss Patricia Hope (Patty) Davis, daughter of Mr. and Mrs. Johnny Davis of Sanford, and Franklin Beck Snyder, son of Mr. and Mrs. Hugh H. Snyder of Silver Springs, Md., will be married on Tuesday, Nov. 10, at 7:30 p.m. at the First Presbyterian Church of Sanford with the Rev. Grover Sewell officiating.

All friends and relatives of the young couple are invited to attend the wedding and the reception immediately following in the Church Social Hall.

Girls who wear glasses, however, must choose both their frames and their eye make-up with care. Gear the cosmetics to the style and color of your eyeglass frames. If you have more than one pair, consider this when building your eye make-up kit.

How you use the make-up is important. Beauty experts at Jacqueline Cochran point out

that the eye liners must be finely drawn on upper lids with great care. Heavy, tortoise-shell frames call for a finer, lighter liner. Also use eye shadow but go easy on the amount since lenses often intensify colors. Include sparkled frames in your glasses wardrobe for today use. With these try a pale, soft shadow in the new brown tones. Blend the shadow up and out at the corners of the eye.

If you have short lashes, the Cochran specialists recommend a cream mascara to darken and thicken your lashes. This also makes them look longer. Take care when wearing false eyelashes with your glasses. These should be clipped so they are not too long. Again the magnification by the lenses tends to play funny tricks. The lashes should always sweep clean of the lens.

Decisions, decisions face the eyeglass wearer when shopping for new frames. There are styles to suit all six basic

face types — oval, round, square, diamond, triangle and inverted triangle. Try on frames until you are satisfied with your appearance.

But it is not always necessary to buy the frame shape to your face shape. Beauty experts say you can achieve smashing effects by wearing the unexpected.

If you have a postage stamp small face, try large dark frames. These will emphasize the delicate bone structure. Stars like Marlene Dietrich often lighten the severe chic of a trim black suit or dress with pixie-pointed emerald frames.

The sky's the limit, as long as you remember to co-ordinate your eyeglass frames

with your eye make-up. Each of make-up can give you a washed out look.

## 50 Seminoles Are Guests Of Seminole County

By Jane Casselberry  
You may not be aware of it but Seminole County is host to 50 genuine Seminole Indians while they are at Wekiwa Springs for filming of the screen version of Philip Wy-He's "Cry of the Laughing Owl."

The Indians, men, women and peopooes, have moved here, lock, stock and sewing machine, and have set up housekeeping in chickens (open air shelters consisting of four cabbage palm poles, a platform and a palm thatched roof.) They are living much as they live in their native Everglades and have lived for generations, and are colorful figures in the brilliant and unique dress so typical of the Seminole Tribe. These particular Indians all are members of the Miccosukee Tribe.

The Wekiwa site is one of the loveliest natural beauty spots imaginable with the clear bubbling spring waters and the moss draped ancient oaks and magnolias. Several buildings have been erected especially for the movie including a church, red school house, a home and a clinic.

Needless to say, the movie is being filmed in color and is directed by Paul Wendkos and produced by John Hugh of Nova Films, Inc., both of whom have won accolades for past efforts.

Heading the cast is handsome Robert Taylor, longtime star of movies and television who plays the part of the school teacher trying to help the Indians improve their lot.

Geraldine Brooks plays the role of a woman doctor and Mark Lawrence acts in the role of a "medicine man" based on the real life personality, Josie Billy, who has contributed many of his ancient remedies to modern medicine. Juvenile leads are handled by two promising newcomers, Chad Everett and Brenda Scott. He plays the part of a half-breed son of the Chief and she has the role of Taylor's older daughter.

The unusual plot deals with present day life of the Seminoles and the title is taken from an Indian legend that the cry of the laughing owl tells the coming of important events.

Filming continues at Wekiwa through next week and the exciting script even calls for a forest fire sequence which will be closely supervised by the Florida Forest Service.

After next week the company will go on location in Longwood for scenes at the Longwood Motel and other local businesses.

## 7 UF Gold Awards Won In Campaign

Good news of the 1964 Seminole United Fund drive towards a \$40,000 goal keeps coming in at the UF office in the Sanford Atlantic National Bank Building.

Even during the hectic days of the final period of the presidential election, loyal UF workers were on the job. And now as the UF prepared for a report luncheon in Casselberry today, the UF headquarters made public additional Gold Award winners where 100 per cent participation is on the record.

These are the Central Florida Experiment Station, where Dr. John W. Wilson has sparked the drive and rolled up a total of \$143 from 23 employees; Seminole Memorial Hospital; utilities plant division of the City of Sanford, and the employees of Cowan's Department Store.

The plant division of the Southern Bell Telephone and Telegraph Company, with R. B. Kitzer as chairman, has turned in a total of \$404 in cash and pledges from 26 of 36 employees. This makes a per capita gift of \$15.55 and

## Woman Gives Thanks For LBJ

CAMARILLO, Calif. (UPI) — Sixty-nine-year-old Petra Sanchez crawled a half-mile on her knees to a neighborhood Roman Catholic church to thank God for the election of President Johnson.

"I prayed every day for Johnson's victory, and made a vow that if he won, I would, with pleasure, go on my knees to the church," Mrs. Sanchez said.

It took Mrs. Sanchez about 90 minutes to reach Mary Magdalen Church from her home. She crawled slowly, painfully up the knoll on which the church rests. Then up the 12 steps to the church door. Just inside the door she knelt to pray.

"I made a promise," she later told Rev. Patrick Doherty. "I didn't want to break my promise."

## PTA To Discuss Teen Problems

By Jane Casselberry  
A discussion group made up of teachers, parents and students will discuss problems of teenagers at the junior high age level at a meeting of the South Seminole Junior High School PTA Tuesday at 7:30 p.m. in the school cafeteria. Assistant principal, Richard Barnett, will serve as moderator.

New yearbooks will be distributed at the meeting which will be presided over by Mrs. Arthur Rhodes, president. Teachers will be in their rooms from 7 until 7:30 p.m. before the meeting to meet with parents. After the meeting refreshments will be served by mothers of the Seventh Grade.

## Gets Ear Back

CHRIST CHURCH, England (UPI) — Half an ear of 19-year-old Roger Lister was sewn back on after a policeman found it in the wreckage of his car following an accident.

## Captured Yank Quoted On Red Radio Broadcast

TOKYO (UPI) — An American officer held prisoner by the Communist Viet Cong guerrillas was quoted as saying that the South Vietnamese people support Viet Cong goals.

The officer is Capt. Floyd James Thompson, of the U. S. Army Special Forces. His alleged statement was similar to those made by the Communists in Southeast Asia.

The statements are not made under direct duress. Usually, the prisoner is given the choice of a message loaded with propaganda and telling his family he is safe, or no message at all.

Communist North Viet Nam's Radio Hanoi said Thompson was captured last March 26 when a liaison plane was shot down in Quan Tri Province, South Viet Nam. Thompson was a passenger. The pilot was Richard L. Whiteside.

In Washington, the Pentagon said both men were listed as missing on March 26. It said Thompson listed his home address as Fort Bragg, N. C. Whiteside was from Stockton, Calif.

The Communist broadcast gave no information on Whiteside's fate.

## Fred Hutchinson Reported 'Poor'

BRADENTON — (UPI) — Former Cincinnati Reds' baseball manager Fred Hutchinson remained in poor condition today at Manatee Memorial Hospital after a restless night.

Hutchinson, 45, is suffering from chest cancer. He was stricken with the illness last year.

## Move Fails

ST. AUGUSTINE (UPI) — A move by the St. Augustine High School Parent-Teacher Association to withdraw from the state and national PTA failed Tuesday night when it did not get the necessary two-thirds majority.

## Ten Women Elected To Congress Seats

WASHINGTON (UPI) — Ten women were elected to Congress but nine other women candidates were defeated.

Among the casualties of the Democratic sweep was nine-term Rep. Katharine St. George (R-N.Y.), who lost to Democrat John G. Dow.

In a year which saw fewer women than usual entering the political lists nine incumbent congresswomen — five Democrats and four Republicans — retained their seats.

Only one non-incumbent made the grade. The new face — and a pretty one it is — will be that of Patsy Takemoto Mink, of Hawaii, the first woman of Oriental ancestry to serve in Congress.

The shapely congresswoman-elect is well-known in Hawaii for her work in the legislature when the state was still a territory. She is a Democrat.

The Republican oldtimers who were re-elected were Reps. Frances P. Bolton of Ohio, Charlotte T. Reid of Illinois, Catherine May of Washington and Florence P. Dwyer of New Jersey.

Democratic incumbents re-elected were Reps. Leonor Sullivan of Missouri, Edna Kelly of New York, Edith Green of Oregon, Julia Butler Hansen of Washington and Martha Griffiths of Michigan.

Defeating Republican Claude Kirk by a big margin, Holland carried 66 of the 67 counties (losing only GOP-dominated Sarasota) and ran 45,000 votes ahead of President Johnson, who carried Florida, and 62,000 votes ahead of Gov.-elect Haydon Burns.

Both Holland and Burns announced support for the national Democratic ticket, though neither actively stumped for it.

Burns said he felt this support of the ticket cost him 200,000 votes.

## Holland Tallied Largest Number Of Votes Ever

TALLAHASSEE (UPI) — Floridians voted in record numbers Tuesday, but the turn-out fell short of the pre-election forecast of nearly two million.

U. S. Sen. Spessard L. Holland, running for his fourth six-year term in Washington, turned out to be the most popular vote-getter. On the basis of nearly complete returns, not counting absentee ballots, Holland garnered 939,000 votes.

That is the largest number of votes ever given a Florida official running in a popular election.

Defeating Republican Claude Kirk by a big margin, Holland carried 66 of the 67 counties (losing only GOP-dominated Sarasota) and ran 45,000 votes ahead of President Johnson, who carried Florida, and 62,000 votes ahead of Gov.-elect Haydon Burns.

## New Battle Looms For Sen. Goldwater

PHOENIX, Ariz. (UPI) — Political battles are not on the senator's mind, however. He went shopping and bought two paintings. One, by Martin Coomer, was of a scene in Spain and Goldwater thought it just right for a new addition to his kitchen.

The other he bought for his daughter, Peggy, who likes pictures of clowns. It was a picture of a clown crying. According to Press Secretary Paul F. Wagner, Goldwater tacked on a note: "I voted for Barry."

### Farm Census Enumerators Are Named

Enumerators have been named in Seminole County for the 1964 agriculture census, crew leader P. R. Pierson said today. Enumerators in Seminole belong to a force of some 23,000 throughout the nation for this year's census. Enumerators will locate every farm within a district, determine if the operator of the farm has completed a questionnaire mailed by the Census Bureau, explain any unanswered questions and deliver the forms to the Bureau. The census is taken every five years to obtain information on the nation's agricultural resources and production. Information will include the number and size of farms, acreage and harvest of crops, livestock, inventory, farm products sold and some production expenditures. Farmers will also be questioned on use of fertilizers, insecticides and herbicides. Census enumerators in Seminole will include R. W. Ruprecht, Mrs. Joannie Gray, E. D. Alexander, Mrs. Guirtrude Lukas and Charles Lamb.

### Ouster Talks By Communists Near Conclusion

MOSCOW (UPI) — The Communist summit talks on the ouster of Nikita S. Khrushchev headed toward an end today, but informal sources said the Soviets might soon announce agreement to continue private conferences with Communist China. Communist Chinese Premier Chou En-lai plans to remain in Moscow after the breakup of the international meetings on ousted Premier Nikita S. Khrushchev's mistakes and the future of Soviet policy, the sources said. His aim is to win Soviet consent to peace talks to open in Peking after the first of the year. The foreign Communist leaders who came here to take part in Bolshevik revolution anniversary celebrations have been meeting for several days with the men who deposed Khrushchev. There has been no official announcement on the talks, but indications are that the foreign Communists are satisfied that the new Soviet leaders, party chief Leonid I. Brezhnev and Premier Alexei Kosygin, acted correctly in getting rid of Khrushchev.

## Castro Fall Seen

MIAMI (UPI) — U. S. Sen. George Smathers predicted Sunday night the regime of Fidel Castro will be in shambles by 1965 with the Cuban army in revolt because "they no longer have food for their children." Smathers made his remarks during a television panel show. The junior Senator from Florida said "in my judgment the economy of Cuba is so bad and this misery is so evident there will be an uprising and he will be overthrown from within." He said no U. ## Veterans Will Be Honored

By Julian Stenstrom, Associate Editor  
November 11th, Veterans Day, will be observed throughout Seminole County but no formal commemoration for the honoring of the nation's veterans has been scheduled except in the schools. The U.S. Post Office will be closed, according to Postmaster Cecil Heard, and City Manager Pete Knowles said this morning that all City of Sanford operations, except those of the police and fire departments, would be suspended.

Meanwhile, County Clerk Arthur Beckwith's office revealed at noon today that no decision will be made concerning the closing of offices and operations until the Tuesday meeting of the Board of County Commissioners. Last year the county's offices remained open and employees were given the Friday after Thanksgiving off to permit a long weekend. County schools will be open, according to Superintendent R. T. Milwee. "Each school," said Milwee, "has scheduled its own observance of Veterans Day and the principals will be in charge of their own programs. In schools where there are no facilities for assemblies," Milwee added, "Veterans Day will be observed in the individual classrooms." Officers of local banks said today that business will continue as usual on Wednesday.

American Legion Post 33 will observe Veterans Day by presenting American flags to each classroom at Pinercrest School in Sanford. Joel Fields and Jim Talmadge will make the presentations Wednesday morning. Meanwhile at Tallahassee, Gov. Farris Bryant urged that schools close and business be set aside to honor veterans of all wars. Wednesday, Nov. 11, is a legal holiday in Florida. ### Grand Old Men Set Parley On Differences

PARIS (UPI) — President Charles de Gaulle and former Chancellor Konrad Adenauer of West Germany, the two grand old men of Europe, arranged a meeting today to discuss ways of restoring the weakened Franco-German alliance. Adenauer arrived here Sunday night for ceremonies today including his into the French Academy of Political and Moral Sciences. But the 89-year-old statesman said he also would seek, in talks with de Gaulle, to "strengthen and consolidate the friendship uniting Germany and France." Since Adenauer retired 13 months ago, differences between Bonn and Paris have worsened, and Adenauer's successor, Chancellor Ludwig Erhard, does not have the personal relationship with de Gaulle that might help smooth them out.

### Editorial Writers Meet At Tampa

TAMPA (UPI) — A briefing on the U. S. Strike Command and a trip to Cape Kennedy are included on the agenda of the National Conference of Editorial Writers, opening here Wednesday. It will be the 18th annual session for the journalists, who will hear discussions on the demands of higher education and what Florida has done to meet the needs of its people.

## Cabinet Aides Summoned To LBJ Ranch

JOHNSON CITY, Tex. (UPI) — President Johnson opens top-level talks on defense plans and foreign policy today with cabinet officials summoned to his LBJ Ranch from Washington.

Defense Secretary Robert S. McNamara and Deputy Defense Secretary Cyrus Vance were expected to arrive at the ranch at 3 p.m. (CST) to talk about the size of the military establishment and the department's spending priorities. Secretary of State Dean Rusk and McGeorge Bundy, presidential assistant on national security affairs, will arrive Tuesday at the ranch, where the President has spent the past week. Acting Press Secretary Malcolm Kilduff said McNamara and Vance were expected to stay overnight at the ranch and join the foreign policy session Tuesday. Kilduff said "the whole gamut of defense matters and foreign policy" would be covered in the talks. The President wants to keep the budget below the \$100 billion mark in the next fiscal year. Half of the current \$97.3 billion federal spending goes for defense, and the President's conversations with McNamara and Vance will include ideas on defense economy. The foreign policy talks are expected to center on the stalemate in Viet Nam, the rift in the Atlantic alliance over development of the multi-lateral nuclear force and the forthcoming meeting of the United Nations General Assembly. The President planned to stay at his Texas home at least until Friday and possibly over next weekend. Thursday, President-elect Gustavo Diaz Ordaz of Mexico will arrive at the ranch for an informal two-day visit.

## Florida Mother Wants Mother

LONDON (UPI) — Mrs. Diane Davies of Hallandale, Fla., called her mother over when her baby wouldn't stop crying. Her mother, Mrs. Eliseo Conroy, lives in Bournemouth, England. The call cost 13 pounds (\$43) and the subsequent flight ticket another 200 pounds (\$580). But Mrs. Davies, a former beauty queen and now wife of swimmer and Miami hotel swimming instructor John Davies, needed her mother's aid. "I can't stop baby crying," London papers reported her as telling her mother. So Mrs. Conroy, a mother four times over and a grandmother once more than that, took off from London Airport with her English equivalent of Dr. Spock's Baby Care book. Said Mrs. Conroy: "I suspect she was a bit homesick as well, but I'm not worried about her. I just think she wants a bit of motherly advice."

Sanford Postmaster Cecil Heard said today that post offices will be on holiday schedule Wednesday, Veterans Day, and Nov. 26, Thanksgiving Day. Post offices will be closed; there will be no regular mail deliveries.

Most of us are reveling in the glorious weather of recent weeks (you know, the ones AFTER the hurricane!). This is the type living that we tell our friends "up north" about. But not everyone is happy as the thermometer soars around the 75-80 span. Had you ever thought of the merchants whose racks and shelves are loaded with winter stock? Here it is the season when he should be "going great guns" making people happy with new garments that are stylish and that in the "cold" weather will keep them warm. But the ladies are still wearing cottons and the men are comfortable in shirt sleeves. So, not ALL of the fine folks hereabouts are delighted with the "unseasonable" weather.

## 2nd Mariner Mars Launch Next Week

CAPE KENNEDY (UPI) — America's second Mariner Mars probe is tentatively scheduled for launch on Nov. 17—two weeks before Mars moves out of shooting range for two years. A space agency spokesman announced the Mariner-4

## Grocer's Death Is Accidental, Autopsy Shows

Edward Flowers, 48-year-old Sanford grocer, died late Friday night after being involved in a bar fight at Cloud 9 near DeBary. Flowers fell off a bar stool after a friend, Cecil Leggett, Sanford, separated Flowers and Johnny Clearwater, Apopka, according to a waitress, Jean Felling. Leggett said he turned around after separating the two men and saw Flowers fall and strike his head on the floor. Flowers, of 805 West Third Street, was taken by friends to their home at 816 West Third Street. They said Flowers was alive at the time and about 90 minutes later when they checked on him he appeared dead. They called Sanford police and the Seminole Sheriff's Department was notified. Deputy J. Q. (Slim) Galloway and Constable Bob Carroll investigated and notified the Volusia Sheriff's Department. Coroner W. Hugh Duncan was summoned and he determined death occurred in Volusia County and he turned the body over to Volusia officials. The sheriff's office in DeLand said an autopsy was performed over the weekend and that death was ruled accidental. Flowers was a native of DeLeon Springs and a retiree after 20 years with the Air Force. He lived here about 18 months. He is survived by his widow, Kinoko Flowers; parents, Mr. and Mrs. Charles F. Flowers, of Sanford; a daughter, Mrs. Grace Olson, Lakeland; sister, Mrs. Myrtle Hall, DeLand; and brother, Clyde F. Flowers of Balboa, C. Z. Funeral services were to be held at 2 p.m. today at Brisson Funeral Home.

## Two Admirals Tour Air Base

Rear Adm. Bernard M. Streat, commander of Carrier Division Two, inspected Naval aviation's newest global operation today as he toured the Sanford Naval Air Station and conferred with local officers. The high-ranking officer, who has carriers USS Saratoga and USS Enterprise under his command, was here to learn about the RA-5C Vigilante reconnaissance bomber and its ground support facilities. Tomorrow, Rear Adm. J. W. Altes III, commander of Service Force, Atlantic Fleet, is scheduled to tour the station.

## 52 Teenagers Vie For Title

DALLAS (UPI) — The 52 pretty girls who want to be Miss Teenage America began today competing in a contest that will end Friday night on nationwide television. The winner will get a \$10,000 college scholarship, a 1965 convertible, 50 shares of stock in a soft-drink company, a wardrobe from a meat packing firm and a tour of the United States.

NEARLY 50 PER CENT of the goal of the 1965 United Fund drive has now been reached, as pointed out by James Kinsey, chairman of the Seminole Plaza United Fund committee. Totals to date have reached \$19,432.13, with closing date set for Thursday. The chart shown in this photo is located in the Seminole Plaza shopping center. Little Jimmy Kinsey is mainly interested in the photographer. (Herald Photo)

## Give enough

## We'll come to think of it

We'll come to think of it, we can shed a tear for the automobile dealers, too. In a year when literally millions of us Americans are convinced that nothing short of the latest—the very latest—automobile style will satisfy us, what happens? The men who make the appealing vehicles decide that this is just the time to strike and go fishing. Maybe the so called BIG THREE manufacturers can weather the storm that will melt their profit potential for the year, but pity the "little" fellow who sells and services these cars for a living. How do you pay the help, the rent, the lights—and the myriad other expenses when there just isn't any income? Deserving people lose their jobs because the firm can't carry such non-productive expenses. And the other types of merchants all over the land are feeling THAT pinch, too. As the budget of the unemployed is whacked to meet the reduced income—or living out of savings. And so in the economic climate of willing buyers who even in the soft goods field have upped the volume by five percent this year, the "big ticket" items in the hard goods lines are not even available. Ask your friend, the auto dealer how HE feels about this.

## Shriners Help Fire Victim

Local and area Shriners have come to the aid of a two-year-old Negro girl, critically burned Friday afternoon in a car fire which claimed the life of another toad. Dead is Freddie Lee Lawrence, 4, son of Earnestine Lawrence, of Benson Junction. The two children were in the car parked at the Food Fair parking lot, 25th Street and Park Avenue. Taken to Cincinnati for treatment of her burns was Doris Lawrence. A twin engine airplane was flown here through the help of the Bahia Temple Orlando, the Sanford Shrine Club and the Shrine unit of the University of Cincinnati General Hospital. Arrangements for the trip were made by Dr. Kenneth Wing, Leonard Stewart and Harold Kistner, illustrious potentate of Bahia Temple and the Sanford Shrine Club. The Cincinnati University General Hospital and its Shrine unit gives care to crippled children under the National Shrine Burn Committee.

## Widow Credited a Food Fair Bagboy, Billy Drennan, 17, with rescuing the little girl. He pulled open the rear door and groped in the smoky car for the child.

He then stropped again in the car for the boy, who was crouched on the floor. The boy was alive at that time but died later at Seminole Memorial Hospital. Other Food Fair employees grabbed fire extinguishers to help in quelling the blaze as city firemen arrived.
