British Hail Churchill's Co-operation Suggestion Of U.S., British Navies

English Leader's Message Hints Of Working Together In Iceland Waters

Parliament Cheers Minister's Speech

Berlin Regards Ice- land Move As Mil- itary Step By U. S.

LONDON, July 9.—(AP)—The House of Commons today joyously heard Prime Minister Churchill suggest that United States and British warships may profitably assist each other in guarding the "very dangerous waters" off Iceland.

Churchill's statement roused Parliament to its loudest cheers since the day he dramatically announced the sinking of the German battleship Bismarck.

He added it seems very likely that United States forces "will cooperate effectively in resistance to any attempt by Hitler to gain a footing" on Iceland.

In Berlin it was said the United States, by occupation of Iceland, has taken an active military step and is now represented by troops in the war zone.

The spokesman added "from a military point of view, these moves might as well be in a British port."

President Roosevelt made it clear yesterday that the unbreakable line separating the Eastern and Western Hemispheres would not be considered the eastern boundary of American defense activities.

In a joint communique which followed the American occupation of Iceland, the President said there were points beyond that line which might become of terrible importance in this country. He had stopped here, trying to determine just where the line ran.

The Chief Executive met reporters toward the close of a day which had seen the White House through his secretary, Stephen T. Early, approve Senator Wheeler for saying last week he had information that Iceland would be taken over by this country.

Early took the position that Wheeler had disclosed military information and at his press conference, Mr. Roosevelt said he thought the case spoke for itself.

As for the reasons behind the Iceland move, the President said he could not reply categorically to a question whether he knew of any German intention to establish a base upon the island.

"In a war, he said, one puts one's self in the position of the other fellow, and asks what action would be taken in a given set of circumstances. Sometimes action taken one day is based on information, he said, and sometimes not.

"Do you think the other fellow is likely to make any move toward the Azores or Cape Verde Islands?" he was asked.

Mr. Roosevelt's reply was that he could not say.

In a recent speech he stressed what he considered the importance of these Atlantic Islands to the defense of the United States.

As for where he considered the hemisphere boundary to lie, the President said it generally depended on which power was in a position to take action.

He said he was not sure he could draw a line of demarcation, but he added he had given it a great deal of thought.

He said he was not sure he could draw a line of demarcation, but he added he had given it a great deal of thought.

Tells Draft Plans

Names of the newest draft registrants, the 21-year-olds who were signed by July 1, will be mixed in with those of older men registered a year ago instead of being placed in a group apart, according to Brig. Gen. Lewis B. Hersey, deputy director of Selective Service. He indicated a new national draft lottery will be held soon.

Health Unit Is Put Before County Board

Action Expected To Be Taken By Com- mission Next Week

The question of establishing a Seminole County health unit was brought before the County Commission at its meeting at the Court House yesterday but final action was deferred until the members of the commission could look further into costs and benefits. D. P. Herndon, circuit court clerk, said this morning.

W. A. Lefler, along with a committee composed of Miss Ruth Mettinger, Mrs. W. L. Morgan, and T. W. Lawson, appeared before the board and urged the appropriation of \$4,000 to provide for the unit which would replace the present system. Mr. Herndon declared.

"The board in some degree favored the establishment of the health unit in the county but did not want to make a decision until it had gone into the matter more thoroughly," Mr. Lefler said. He added that he expected the commissioners to take some action, one way or another, at their next meeting.

The budget for the health unit would be about \$18,000 or \$14,000, with the State and the United States Government providing about half of the funds.

The remainder, about \$4,800 would have to be provided by the county, but the present cost of the health office now in operation, about \$2,500, would be eliminated, making the additional cost only about \$4,300, Mr. Lefler stated. Of this amount, the Seminole County might pay a part.

School Board is expected to furnish a unit in the county would entirely outweigh the cost, Mr. Lefler said. If the money is provided by the County, the unit will be established on Oct. 1.

It would be a step forward for Seminole County as 27 other counties in the state already have such a unit, Mr. Lefler declared. The unit would provide a full time doctor, two nurses, a sanitation officer, clinics about the county and medical supplies.

"The work of the unit is not to take the place of doctors in the county but rather to find disease and poor sanitary conditions in the county and bring them to public attention. Such a revelation of the disease would probably bring more business to the doctors," Mr. Lefler said.

Extra Time For Drafted Men Opposed

Roosevelt Expected To Ask Addition- al Appropriation For Defense, Aid

WASHINGTON, July 9.—(AP)—Speaker Rayburn today said he opposed suggestions that drafted men be kept in service longer than one year but favored an amendment to the Selective Service Law to permit them to volunteer for the second year.

At the same time, Rayburn expressed the opinion that national guardsmen and reserve officers "might be willing to stay in service another year."

He added he'd also like to see officer training schools established in the army.

WASHINGTON, July 9.—(AP)—President Roosevelt will ask Congress this week for an additional appropriation for both defense and lend-lease operations.

Some administrations said the figure would equal the original \$7,000,000,000 lend-lease bill.

Stephen T. Early, White House press secretary today, said reports the supplemental estimates would be for the army, navy and maritime commission in connection with increased domestic defense and an increase in the lend-lease program.

President Roosevelt yesterday approved continuing at least a portion of the Selective Service army and National Guard in the active service beyond the one year for which they were originally called to duty.

To muster all out at the end of that time, he said at a press conference, would result in impairing the efficiency of the nation's armed outposts in both the Atlantic and Pacific. He said, trying to determine where those outposts should be released after a year, he did not say.

To that extent he thus approved the proposal of General George C. Marshall that the term of service be extended.

A second Marshall proposal, that legal restrictions limiting the service of the draftees and National Guard to the Western Hemisphere and American possessions, he thought of less importance. He had given up, he said, trying to determine where the hemispheric boundary line ran.

Asked whether he planned to send a message to Congress requesting legislation along the lines of Marshall's proposal, Roosevelt replied that he thought Congress understood the problems involved pretty well.

A measure to defer men over 28 from Selective Service, already passed in the Senate, is scheduled for House consideration today. The death of Representative Bolles prevented action yesterday.

Reds Report Smashing Victories Over Nazis

Nazi Machine Gunners In Action Against Reds

Camouflaged German machine gunners shown warily edging forward toward a group of burning farm houses on the Russian front, according to the official German caption with this radiophoto from Berlin.

Invading Forces Are "Wiped Out" On Battle Grounds Of Northern Russia

Vichy Peace Made With Free French

London Says German Push Apparently Halted By Soviets

VICHY, July 9.—(AP)—An armistice between Vichy forces and British and Free French invaders of Syria has been arranged, it was announced here tonight. Negotiations began last night through the United States Consulate General at Beirut, it was announced.

Soviet armies reported smashing a victory over Adolf Hitler's invasion forces in a battle today in northern White Russia where two German motorized regiments were declared to have been wiped out and the "enemy" left hundreds killed on the field and retreated to the west.

Moscow declared fierce Russian resistance was stalling German drives along the vast front. Far from executing a blitzkrieg, Moscow said, the Nazis were trying to entrench in northern White Russia on the upper Dnieper River.

London asserted the Nazi eastward push into U. S. S. R. "appears halted," and that "unless there is a big breakthrough in the next few days, a great pause is likely."

Vichy put in a word that the Nazi onslaught has been stalled for four full days.

The German High Command summed up the battle in a single sentence: "The fight continues successfully on the entire eastern front."

Meanwhile, in the Middle East campaign, the British reported Gen. Henry Deteric, British commissioner of French-mandated Syria, Lebanon, had asked for armistice terms in the month-old conflict.

The Red armies reported early today that successful counterattacks were driving the Germans back at several points along the eastern front, and that in all other sectors they were "standing on their feet."

Bid Instructions For Supplies At Bidding Received

Instructions for supplying vegetables for Camp Blending received by H. J. Lehman, Farmer's Market manager, today and anyone interested in bidding to the camp are invited to make a bid by writing the State Agricultural Marketing Board, 206 Exchange Building, Jacksonville.

Vegetables needed and the requirements for each are listed in the instructions.

Carrots in sacks of five dozen each will be bought with the closing date of July 14 for bids and July 17 and 22 for delivery.

The amount needed is 334 sacks of U. S. No. 1 sweet and fresh.

Onions, 413 of 40-pound hampers of U. S. No. 1 or approximately 16,500 pounds will be bought. The closing date for bids is July 19 and delivery must be made on July 23.

Plant peas, U. S. No. 1 grade, will be bought up to 750 bushels, of 25 pounds each, with the bid date set at July 18 and delivery date, July 19.

County Votes Funds To Improve Police's Radio

City's Feeler For Stronger Station Meets Approval

A feeler put forth by the city on the question of building a larger broadcasting unit for the police department, to expand the service to county and state patrol cars, was met favorably by the County Commissioners at their meeting yesterday, and the group appropriated \$400 to bear half the cost of the improvement, James H. Gut, acting mayor in the absence of W. C. Hill, said today after he had presented the proposition to the County Commission.

The City Commission has not passed upon the extension of service yet but are expected to take it up at its meeting next week. Mr. Gut explained, if the proposition is put through the benefit would be principally to the county as radio sets would be put in county cars and state patrol cars to cover the whole county.

The present set used by the city police reaches the whole city and a small area in the county, while an improved set would cover the entire county and part of Volusia county, Police Chief Roy Williams says.

Personal Property Tax List Will Be Published July 15

The delinquent tax list of both tangible and intangible personal property will be published in the July 15 issue of The Sanford Herald, in accordance with the act of the 1941 Legislature. Jas. Jenkins, tax collector, said this morning.

"Since the people of Seminole County have made an extra effort to pay such taxes as are assessed, and thus avoid the extra penalties and interest imposed by the new laws, the published list will be comparatively small," Mr. Jenkins explained.

The Herald was chosen as the newspaper for publication of the list by the County Commissioners at a meeting held yesterday at the Court House.

The cost of such advertisement of the taxes will be added together with the penalties, interest and costs, to the taxes as is required by law, Mr. Jenkins stated.

Brooker Talks On Three "E's" Of Safety Rules

Kiwanis Club Will Have Picnic At Sanlando Springs

The three "E's" of safe driving were explained by William Brooker, state highway patrolman, who has just returned from the state traffic school being held at the Kiwanis Club today, according to Frank Shames, chairman of publicity.

Engineering, education and enforcement of laws compose the three "E's" of highway safety, Mr. Brooker explained. Engineering means the building of good roads, education refers to the education of drivers to the dangers of driving and to the rules of driving and enforcement is the enforcement of the laws by all officers of the law.

A car traveling at the speed of 20 miles-per-hour can be stopped by the application of 4000 foot pounds of energy in 25 feet but a car going 40 miles-per-hour takes four times the amount of pounds of energy and four times the stopping distance, according to studies made at the North Western University. A car doing 80 miles an hour on the highway takes 400 feet to stop with reasonably good brakes, the patrolman said.

Discussing the new state traffic laws passed by the last session of the Legislature, Mr. Brooker said, the State had control of all traffic lights on State maintained highways. The State has the right to remove obstructions on the highway, such as signs or shrubbery.

The late also has the right to regulate requirements for night driving lights on the highways and can issue warrants for those drivers using improper lights.

Since new patrolmen have been appointed Mr. Brooker will now be on duty in the County at all times, instead of having to go out of the county on calls as he has been doing until now, he said.

The Kiwanis members voted to have a picnic at Sanlando Springs some time in the future and appointed Ed. Lane to set the date and arrange the details, Mr. Shames said.

County Votes Funds To Improve Police's Radio

City's Feeler For Stronger Station Meets Approval

A feeler put forth by the city on the question of building a larger broadcasting unit for the police department, to expand the service to county and state patrol cars, was met favorably by the County Commissioners at their meeting yesterday, and the group appropriated \$400 to bear half the cost of the improvement, James H. Groceryman Hour Law Called Invalid

Jacksonville, July 9

JACKSONVILLE, July 9.—(AP)—Circuit Judge Miles W. Lewis Tuesday declared invalid an act of the 1941 Florida Legislature fixing the work hours for employees of grocery and meat stores in this area.

"The so-called law" wrote the judge in his order, "is simply a nullity." He said the title to the act would make it applicable in beach communities but the body of the act makes no reference to the county and leaves the application general.

Florida Legislature fixes the work hours of grocery and market employees to 8:00 A. M.—6:00 P. M. on Mondays, Tuesday, Thursday and Friday; 8:00 A. M.—1:00 P. M. on Wednesday; and 8:00 A. M.—9:00 P. M. on Saturdays.

Benehlig Atlanta about 6:00 o'clock Saturday afternoon the visitors were taken to camp where the officers of the Georgia Boy's State were introduced. The officers of the Girl's State were present and all went to a dance at the Georgia Military Academy.

The whole group of officers was taken to radio station WATL for a ten minute broadcast and all three governors present made a speech. Governor Folsom Chamber of Boy's State, Governor Jane Brewer of Girl's State and the Florida Boy Governor later lead the grand march at the dance.

Spending Saturday night in Georgia, David next journeyed to Tallahassee for an overnight stay before returning home on Monday afternoon.

One dark spot of the weekend was a continual downpour of rain. David said, "I missed from the time we crossed into Georgia until we left on Sunday."

The whole affair was staged on the order of a sumo and the group stayed in a 4-H Club camp outside of Tallahassee. The city in sumo was not, he commented.

Icelanders Excited To Meet Americans

REYKJAVIK, Iceland, July 9

REYKJAVIK, Iceland, July 9.—(AP)—United States naval forces arrived here amid a display of excitement and hearty welcomes.

The first signs of the convoy's appearance were noted from a tall church steeple by watchers who relayed the news to persons gathered in the streets.

Icelanders asked one another, "Can't they be Americans?"

The new arrivals saw the country at its best. Faxa bay was smooth under a lazy breeze, while soft summer showers occasionally obscured the mountains. Soon the sun routed the remaining clouds and the full beauty of the land was disclosed.

Planes To Be Named After 'Saving' Cities

KNOXVILLE, Tenn., July 9

KNOXVILLE, Tenn., July 9.—(AP)—Army fighting planes manufactured by the Vultee aircraft plant at Nashville will be dedicated to Tennessee Valley cities that meet power conservation quotas during the next four months, the TVA announced today.

W. I. Nichols, in charge of the conservation campaign, said the authority obtained the cooperation of the war department for the plane dedications to further the connection between civilian saving of electric energy and the production of national defense goods.

Annenberg Denied Parole From Jail

WASHINGTON, July 9

WASHINGTON, July 9.—(AP)—U. S. Senators, Philip H. Franklin and Charles McNary, today denied a parole application for James Annenberg, a three-year term for income tax evasion, has been denied a parole, Justice Department officials said Tuesday.

Annenberg would have been eligible for parole on July 11. He was caught with \$100,000 in cash hidden in his car on the expiration of his "short term" parole on Nov. 11, 1938. The short term parole was granted for three off days.

David Gatchel Tells Experiences As Guest Of Georgia Boy's State

Saturday morning delayed the party for several hours.

Georgia had a good organization of Boy's State," David Gatchel said yesterday in an interview, after his return as the guest of the Georgia function, "but it wasn't as good as Florida's since this year is the first time Georgia has had a Boy's State."

David was invited to take part in the ceremonies of the Georgia Boy's State at the visiting governor of the Florida Boy's State and became the first visiting governor since the function was originated, officials at Atlanta said.

Leaving here Friday with Joel Field, Campbell-Leasing Post commander, and William Brooker, Florida highway patrolman, young Gatchel journeyed to Tallahassee to spend the night. He said in relating his story in chronological order.

On the way they arrived at the scene of an accident a few minutes after a negro, falling when the wheel had turned to the right, was pinned to the ground by the highway patrolman.

They were taken to a hospital where the boy governor was treated.

"I had a very interesting time," he said, "and I was very glad to see the boys and girls of the Boy's State."

"I had a very interesting time," he said, "and I was very glad to see the boys and girls of the Boy's State."

Wife Tears Shirts So He Gets Divorce

ATLANTA, July 9

ATLANTA, July 9.—(AP)—Georgia's Supreme Court upheld Tuesday a divorce won by Lucian R. Boone, Jr., partially on the ground that his wife was too hard on his shirts.

Boone, former operator of the Lakemore club, said it was part of his job to dance with guests but his wife, Mrs. Susan Brotherton Boone, was intensely jealous, would create scenes and start fights.

The climax came, Boone said, when he was dressing for a party and his wife tore four shirts from his back as fast as he could put them on.

Prizes For Alibis Offered By Judge

CHICAGO, July 9

CHICAGO, July 9.—(AP)—Wary of moth-eaten alibis, Traffic Court Judge George L. Quillet is offering a daily prize for originality.

"I'm getting so tired of hearing those worn-out, dilapidated stories about speedometers that don't work and sick mothers and wives," he said Tuesday, "that the excuse I think most original each day will win a discharge."

Heads Funeral Directors

DAYTONA BEACH, July 9

DAYTONA BEACH, July 9.—(AP)—T. M. Lloyd of Pensacola was elected president of the state board of examiners of funeral directors and embalmers here today. He succeeds Joe L. Reed of Tampa. Charles B. McIntosh of Daytona Beach was named secretary of the board. Forty-two applicants for licenses appeared for examination.

SWEDISH SHIPS SUNK

NEW YORK, July 9

NEW YORK, July 9.—(AP)—Destruction of four ships carrying the neutral flag of Sweden and of the Danish freighter flying the red ensign of Britain was disclosed in maritime circles Tuesday. Sweden has now lost 120 vessels.

Staking Ship Causes Law Of U. S. Mail

WASHINGTON, July 9

WASHINGTON, July 9.—(AP)—The post office department said today that a ship staked to the United States coast by a foreign vessel would be treated as mail property.

Mrs. Dancy Fights Divorce

TALLAHASSEE, July 9

TALLAHASSEE, July 9.—(AP)—Sweeping increases in divorce cases were reported in the state cabinet today by Dan D'Alemberte, state industrial purchasing clerk.

Social And Personal Activities

Telephone 148

Social Calendar

THURSDAY
The Fidella Class of the First Baptist Church will have its regular business meeting in the Red Cross sewing rooms in the Women's Club building at 2:00 P. M. All members are urged to attend.

There will be a watermelon cutting in the rear of the First Baptist Church for members of Adult Department and their friends at 7:00 P. M.

Members of the Woman's Auxiliary of the Presbyterian Church will sew for the Red Cross in the Women's Club building at 9:30 A. M. under the sponsorship of Mrs. J. D. Woodruff.

The Townsend Club will meet in the Court House at 8:00 P. M.

Seminola Rebekah Lodge will meet in the I. O. O. F. Hall at 8:00 P. M.

The Alathian Class of the First Baptist Church will meet

at the Woman's Club at 2:30 P. M. for its regular meeting and to sew for the Red Cross. Group Three will be in charge.

The Daughters of Wesley Class of the Methodist Church will have a picnic at Evansdale Park. Members are asked to meet at the church at 3:00 P. M. and bring a covered dish.

FRIDAY
Central Circle of the Sanford Garden Club will sew for the Red Cross in the Woman's Club from 9:30 A. M. until 12:00 o'clock.

Girl Scouts are requested to meet at the Hat at 3:45 P. M. This is the final day for Badge lists to be turned in.

MONDAY
The order of the Eastern Star will sew for the Red Cross in the Women's Club from 2:00 P. M. until 5:30 P. M. with Mrs. C. Circles of the First Baptist Church will meet at 3:30 P. M. at the following homes:

Circle One, Mrs. Carl Moss, 2631 Willow Avenue, with Mrs. C. W. Rowland as co-hostess.

Circle Two, Mrs. Lillian Vickery, 306 West Third Street.

Circle Three at the County Home.

Circle Four, Mrs. L. E. Tew, 200 Avocado Avenue.

Circle Five, at Evansdale Park, followed by a picnic supper.

Circle Six, Mrs. R. E. Peurifoy, 1104 Elm Avenue.

TUESDAY
The Woman's Club will sponsor the sewing session for the Red Cross from 9:30 A. M. until 11:30 A. M. with Mrs. C. M. Dawson in charge.

Young People Have Hayride And Picnic

Members of the Young People's Department of the First Baptist Church met at the church last evening for a hayride to Sanlando Springs. Swimming was enjoyed and a picnic supper served. Mr. and Mrs. Stinecoper acted as chaperones for the party.

Those attending were: Mr. and Mrs. Stinecoper, Mrs. Roy Reed, Mrs. Ralph Kelly, Miss Gladys Flippin, Miss Helen Bradford, Miss Martha Wright, Miss Ruth Anderson, Miss Helen Garner, Robert Steels, Lewis Wright,

Personals

Mrs. C. L. Irwin left today for Carbondale, Pa. where she will visit with friends and relatives for two months.

Mrs. R. E. Ashley and children have returned from Cordale, Ga., where they have been visiting with relatives.

Ensign William J. Musgrave of Lake Mary left Sunday for Fort Schuyler, N. Y. on receiving orders to report there for duty.

Friends of Mrs. W. P. Fields will be sorry to learn of her illness at her home on West Seventeenth Street.

Miss Betty Jane Brooks has returned home after spending two weeks in West Palm Beach with relatives.

Mrs. H. V. Doss and children of West Palm Beach are visiting with relatives and friends in Sanford.

Dr. and Mrs. L. T. Doss have as their guests the latter's mother, Mrs. L. L. Gee and Miss Anetia Farley of Vero Beach.

Friends of C. F. Bales will be sorry to learn that he is ill in the Fernald-Laughton Memorial Hospital.

Mrs. W. V. Neville and son, Billy returned Sunday to their home in Eufaula, Ala., after a ten-day visit with Mrs. Neville's mother, Mrs. R. B. Beck.

B. L. Perkins is reported as resting nicely following an operation which was performed in the Fernald-Laughton Memorial Hospital on Monday.

Mr. and Mrs. T. D. Inabinet left last week for Orangeburg, S. C. where Mr. Inabinet will visit for several weeks. Mr. Inabinet returned home Sunday.

Mr. and Mrs. Roy Frank Symes, Sr. have returned home from Cadillac, Mich. where they have been visiting for the past month.

Mrs. Charles Dunn has been removed to her home from the Fernald-Laughton Memorial Hospital where she received treatment for several days.

Miss Marie Hawkins has returned to her home in Jacksonville after spending a week as the guest of Miss Margaret Myers at her home in Floral Heights.

Friends of Mrs. Clifford Johnson will be glad to learn that she is recuperating from an appendectomy which was performed recently in the Monroe Memorial Hospital in Ocala.

Mr. and Mrs. Robert Highleyman of Baltimore, Md. are the guests this week of Mr. Highleyman's parents, Mr. and Mrs. S. D. Highleyman.

W. E. Kader, C. P. Henderson, Rev. H. H. Martin of Lake Monroe, Rev. I. S. Murphy of Port Orange and J. C. Brannan of DeLeon Springs plan to leave Friday for Ridgecrest, N. C. where they will attend the Baptist conference for one week.

Mr. and Mrs. H. P. Borland of Magnolia, Ark., Mrs. A. J. Chambers and son, Jimmie, of Birmingham, Ala., and Jack Snell of Pinkard, Ala., all returned to their respective homes this morning after spending the past 10 days in Sanford visiting with relatives.

Raymond Kader, Roy Echols, John Hall, Jimmie Carter and Joe David.

Azarian Class Has Business Meeting

The home of Mrs. R. R. Pippin on West First Street was the scene last evening of the regular social and business meeting of the Azarian Class of the First Baptist Church.

Preceding the business session, over which Mrs. W. A. Cagle presided, a covered dish supper was served on the porch of Mrs. Pippin's home. Mrs. W. C. DeCoursey returned thanks.

The devotional was conducted by Mrs. A. J. Peterson, who chose as her subject, "The Building of Life" and "Riches of Wisdom." Reports from the various officers and group captains were given and it was announced that the class would send a member of the Girls' Auxiliary to camp this summer.

Miss Aylee DeCoursey, who recently returned from the Baptist Bible Institute in New Orleans, gave an interesting recapitulation of the work that is being carried on there. She also mentioned some of the experiences in the non-Christian section, which abound near New Orleans.

Those enjoying the party were Mrs. C. L. Hewson, Mrs. A. M. Gordiner, Mrs. Ira Southward, Mrs. N. Cleveland, Mrs. W. C. DeCoursey, Mrs. R. A. Williams, Mrs. C. A. Anderson, Jr., Mrs. H. D. Morgan, Mrs. Lourine Reed, Mrs. V. G. Hasty, Mrs. Peterson, Mrs. J. H. Colelough, Mrs. R. Moore, Mrs. Cagle and Mrs. Pippin.

Also, Miss Aylee DeCoursey, Nancy Williams, Shirley Ann Moore, Betty Cagle and Betty Perritt of Cocoa Beach.

Circle Three Meets With Mrs. McCrum

Circle Three of the Women's Society of Christian Service of the Methodist Church was entertained on Monday at the home of Mrs. George McCrum on South Atlantic Avenue in Daytona Beach.

Following a covered dish luncheon which was served at the noon hour the meeting was called to order by the chairman, Mrs. P. H. Lansing. Mrs. John Vaughn led the devotional, giving a discourse on "The Teaching of Jesus—Our Father."

Routine reports were heard and one new member, Mrs. W. J. David, was welcomed into the society.

Members attending the meeting were: Mrs. J. L. Clark, auxiliary president, Mrs. Vaughn, Mrs. S. O. Shindler, Sr., Mrs. L. P. Hagan, Mrs. H. C. Morgan, Mrs. S. O. Shindler, Jr., Mrs. Harry Wilson, Mrs. W. F. Brown, Mrs. Laney, Mrs. W. C. DeLisle, Mrs. G. P. Herndon, Mrs. W. J. David, Mrs. M. L. Wright, Mrs. Chester Daniels, Mrs. McCrum and visitors, Mrs. Beatie Knight, Betty Bryan and Nell Mulligan.

Circle Two Members Meet With Mrs. Doss

Mrs. L. T. Doss entertained the members of Circle Two of the Women's Society of Christian Service of the Methodist Church at her home in Mayfair on Monday afternoon with Mrs. E. H. Laney presiding.

The devotional was conducted by Mrs. Laney and the Bible study, "Jesus and Social Redemption," was taught by Mrs. F. R. Mitchell, who also led in prayer.

Reports were given by the various chairmen and refreshments served by the hostess, assisted by her mother, Mrs. L. L. Gee, and Miss Anetia Farley.

Those present were: Mrs. Laney, Mrs. Mitchell, Mrs. Burke Steele, Mrs. O. K. Goff, Mrs. L. M. Swain, Mrs. W. W. Tyre, Mrs. James Higgins, Mrs. Don Ulrey, Mrs. George Harden, Mrs. E. C. Graham, Mrs. Z. B. Ratliff, Mrs. A. D. Shoemaker, Mrs. J. O. Laney, Mrs. Leslie Went, Mrs. Gee, Miss Farley and Mrs. Doss.

Quincy Experiment Station Observes 20th Anniversary

Quincy, July 2.—(Special)—When the North Florida Experiment Station celebrated its twentieth anniversary recently, attention was focused on the important part it has played in the development of agriculture in this section.

After black shank had made swifter inroads on their cigar wrapper tobacco crops for several years, Gadsden county growers got together in 1920 and started a movement which resulted in establishment of the station here.

By popular subscription they bought a tract of land and this, coupled with a \$30,000 appropriation from the State Legislature in 1921, made the station a reality, the appropriation being used for buildings and equipment.

Dr. W. B. Tibbels was assigned by the State Board of Control to take charge of the station and head up its research work on tobacco and other crops in 1922. He served in this capacity for seven years, being transferred to the main Experiment Station in Gainesville in 1929 to assume duties as head of the plant pathology department. Dr. L. O. Gratz, then associate plant pathologist at the Hastings field laboratory, was transferred to Quincy to take charge of the station, and held the post until about two years ago when he was transferred to the Gainesville station and was succeeded by J. D. Warner, agronomist.

The station's research accomplishments since it was established include development of several strains of tobacco resistant to black shank, methods for controlling blue mold in tobacco plants and fields, improved insecticides and weed crops, efficient soil-building crops, development of higher yielding corn, oats, and cane, methods for controlling parasites of sheep and improving methods of sheep breeding, and efficient methods of utilizing h meadow grass and forage crops for cattle and hogs.

Work in developing strains of tobacco resistant to black shank has been considered particularly significant inasmuch as this disease threatened to wipe out production of the crop until the new strains were developed by station workers.

Mr. Harper Given Surprise Party

A surprise "house-warming" for E. C. Harper, who recently moved with his family into their new home in Rose Court, was given last night by members of the Barren Class of the First Baptist Church.

A short business meeting was held and refreshments served to those present. Mr. Harper was presented with a pair of house slippers by the members.

Happy Birthday

Miss Inez Williams
Miss Edith Steakley
Mac Cleveland, Jr.
Eadward Marshall

WORK REFRESHED

Pause Go refreshed

Coca-Cola

The keynote of today is work. And where you find work, you find a welcome for ice-cold Coca-Cola. In offices, factories and workshops the pause that refreshes with ice-cold Coca-Cola is a little pause that's long enough for a big rest... contributing to more work and better work.

Pilot Club Holds Regular Meeting

The regular business meeting of the Pilot Club was held last evening at the home of Mrs. Mary Rawlins on West Seventeenth Street.

Miss Ruth Mettinger, director of Pilot International, of Jacksonville, was present at the meeting and gave an interesting account of the 1941 national convention which was held in Houston, Texas last month.

Those present were: Mrs. W. L. Morgan, Mrs. Frank R. MacNeill, Mrs. Al Hunt, Mrs. E. J. Meyer, Mrs. O. M. Harrison, Mrs. Helen Schultz, Mrs. M. B. Smith, Mrs. Joel Field, Mrs. W.

C. Erickson, Mrs. J. C. Mitchell, Mrs. Rawlins, Miss Eleanor Morrison, Miss Gussie Hinton and Miss Lucille Pegram.

The United States produced about 68 percent of the world's oil in 1940.

Most of the erosion affecting more than a billion acres of land in the United States has taken place within the past 100 years.

A giant white shark weighing 1,747 pounds was caught off Port Lincoln, South Australia, recently.

Lightning rods are said to have an efficiency of 97 percent when properly installed.

Porter's Cap, Staretor Are Race Favorites

LOS ANGELES, July 9 — (AP)—Staretor and Porter's Cap rank as the leading contenders for the \$25,000 Hollywood derby at Hollywood park this Saturday, but the colt that beat him both last week won't be in the race.

Herry Mayer picked up Red

Jewel for a mere \$2500 in a claiming race, and since then the colt in giant-killer fashion has twice beaten higher-rated rivals, including Hugh S. Nesbit's Staretor and C. S. Howard's Porter's Cap.

But the previous owner thought too little of the three-year-old, he didn't bother to nominate him for the mile and one-quarter derby. The trio fought it out in the Archer handicap last Saturday. Staretor finished first, but was disqualified for interfering with Red Jewel and the Cap in the stretch. Jewel was awarded the victory and Porter's Cap second. Staretor and Porter's Cap packed 122 pounds, however, and Red Jewel but 112.

In the derby, the rapidly improving Porter's Cap goes at 124 pounds, which is 12 more than Staretor will be asked to pack. Staretor, incidentally, finished ahead of Porter's Cap in the Kentucky derby when both chased Whiraway home.

County Votes Fund To Improve Police's Radio

(Continued From Page One) planned. The present set is 25 watts and the contemplated set is 50 watts, or double the capacity. A new type antenna would be installed in addition, the chief said.

The new set would fit into the national defense efforts as it would serve as a reliable facility of communication in times of emergency, Chief Williams stated.

The notary bond of Jno. D. Jenkins, tax collector, and W. C. Hutchison was approved by the County Commissioners and it was decided to keep the canning kitchen open for one more month. The kitchen will now remain open until Aug. 15.

Army Doctors Are Puzzled At Davis

NEW YORK, July 9 — (AP)—Albert Davidoff, who fights under the name of Bummy Davis, when he fights, was brought into a Brooklyn hospital early Tuesday for treatment, but he wasn't there long before the army figuratively scratched his head and began to wonder about it.

The circumstances under which Brooklyn's "lovely little character" entered King's county hospital seemed a mystery to a lot of folks who should have known all about them. Bummy's head hurt and his face was considerably banged up when two pals brought him into the hospital in his soldier suit. One physician said the wounds might have been suffered since his fight with Fritzite Zivie last Wednesday, although Fritzite did a pretty fair job of carving that night. Another doctor, however, said the hurts were left over by Fritzite.

Ganzel To Manage Jacksonville Tars

JACKSONVILLE, July 9, — (AP)—Foster Pierre Ganzel will take over management of the Jacksonville entry in the South Atlantic League here Thursday. Business Manager Crowther M. Boyd said Tuesday.

Ganzel managed the Tars to a first half pennant in 1936 and since has been with Selma and Gadsden of the Southeastern league, and St. Paul of the American association. His St. Paul club won the pennant in 1938.

Ganzel recently gave up the Gadsden franchise which he was operating. Nellie Leach, who took over direction of the club midway of last season, telephoned her resignation from Savannah Tuesday afternoon.

Riggs Crowned In Win Over McNeil

LOUISVILLE, Ky., July 9 — (AP)—Bobby Riggs of Chicago and Clinton S. C. won his second Southern Tennis Championship Tuesday by beating national champion Don McNeill of Oklahoma City, 7-5, in the fifth and deciding set of the delayed final.

Riggs and McNeill each had won two sets and were deadlocked 4-4 in the fifth set yesterday when rain stopped play and they agreed to replay the final set today.

COAST SPREDDER By Jack Sordis

Russians Report Smashing Nazis In Drive North

(Continued From Page One) holding firmly against the invaders. There was independent evidence, too, that the Nazi offensive had been halted everywhere.

Some of the heaviest fighting was in the lower Ukraine where the southernmost of two Nazi thrusts in that region was held by the Soviet command to have been turned into a disorderly German-Rumanian retreat of considerable magnitude.

Here, it was stated, the Nazis were thrown back across the Prut River—which forms the boundary between old Russia and the recently Sovietized former Rumanian province of Bessarabia—toward the vicinity of Balti. That town is 50 miles within Bessarabia.

Other Red counter-attacks were said to have been loosed in the regions of Ostrov, whence the Nazis were trying to get at Leningrad; Poletsk, along the Russian center protecting Moscow; and Novograd-Volynsk, the area of the German thrust into the Ukraine toward Kiev, the provincial capital.

In the far northern theater, said Moscow's early morning communique, Red warblers "made a successful landing for cooperation with the Red army."

All this was tantamount to the statement that Hitler's forces were suffering enormous casualties and enormous damage to their lines behind the front.

The Library of Congress is the largest in the world.

LEGAL NOTICES

NOTICE OF MASTERS SALE
Notice is hereby given that pursuant to final decree rendered on the 8th day of July, A. D. 1941, in that certain cause pending in the Circuit Court of the Ninth Judicial Circuit in the State of Florida, in and for Seminole County, wherein George R. Wilmer, as executor of the estate of Robert K. Stone Wilmer, deceased, is plaintiff, and E. A. Wolfer and Mary M. Wolfer, his wife, et al. are defendants, the undersigned, as Special Master, will, within the legal hours of sale, on Monday, the 4th day of August, A. D. 1941, offer for sale and sell to the highest and best bidder for cash at the front door of the Court at 9 o'clock in the forenoon, the following described lands and premises situate in Seminole County, Florida, to-wit:

Beginning 555 feet West and 415 feet North of the Quarter Section Corner on S. Boundary of Sect. 22, Township 12 S., Range 35, East 1st West 312 ft. N. 1514 Feet to stake on margin of the State of Florida, containing 10 acres more or less.

Wishes to be made to satisfy the terms of said decree.

LLOYD F. BOYLE
Special Master.

15 Billions May Be Asked For Defense

\$4,700,000,000 May Be Set As First Installment For Army, British Aid

New Equipment To Be Stocked

Tax Needs Must Be Checked To Meet Monetary Demands

WASHINGTON, July 10.—(AP)—Authoritative sources said today Roosevelt will ask Congress for \$4,700,000,000 of new army appropriations at once as the first installment of a new \$15,000,000,000 defense and lend-lease program.

The new army appropriation would be mostly for laying in huge stocks of ordnance and ammunition, and the purchase of considerable equipment of various types.

Treasury Secretary Morgenthau said he would have to re-consider the new tax needs of the government in the light of the reported \$15,000,000,000 of new defense and lend-lease authorizations to be sent Congress this week by Roosevelt.

Selective Service headquarters announced Wednesday night that the lottery for newly registered men of 21 would be held here July 17 at 7 o'clock at night.

A total of 750 numbers will be drawn. The largest number of men registered in any draft district was 251 in the Spartanburg district of South Carolina.

The lottery will be held at 7 o'clock at night. The numbers drawn will be published in the newspaper.

Navy Boss Back In Hawaii

This pretty Polynesian girl gave Admiral Husband Kimmel, commander-in-chief of the United States Fleet, a glass of pineapple juice as he stepped off the trans-Pacific clipper plane which took him back to his Hawaii base after a conference with President Roosevelt in Washington. He called the visit "routine" but declared that "the greater the effort we make now, the better chance we have of avoiding war and of acquitting ourselves well if we do get into war."

WASHINGTON, July 10.—(AP)—Senator Taft, Republican of Ohio, told the Senate today he heard weeks ago on reliable authority the United States was constructing a naval air base for Great Britain in Northern Ireland.

"Since I made the first draft of this speech Wendell Willkie, after a call upon the President, announced that in his opinion we should establish military bases both in Ireland and Scotland."

Taft said Roosevelt had no right to send troops to Ireland without authority from Congress.

Secretary of War Frank Knox strongly indicated yesterday that American naval vessels patrolling the Atlantic had been ordered to shoot if necessary to insure the safety of communications between the United States and all strategic outposts.

At the same time, Wendell L. Willkie, last year's Republican Presidential nominee, vigorously endorsing the American occupation of Iceland, advocated the establishment of American military bases in northern Ireland and Scotland.

Willkie had just emerged from a conference with President Roosevelt when he made his remarks, but he said he was expressing his own opinions.

The President, meanwhile was planning a new request to Congress for defense and lend-lease funds, probably totaling close to \$15,000,000,000 in appropriations and authorizations. Of this \$15,000,000,000 was expected to go for help to the British and possibly to others battling in Europe with the remainder earmarked for American defenses.

Earlier, the White House made known that a communication had been received from Winston Churchill expressing concern over an announcement last Thursday by Senator Wheeler, an opponent of the President's foreign policy, that Iceland would be occupied.

Churchill complained that lives might have been jeopardized by the disclosure.

Wheeler tartly replied that the United States was still a democracy. He told reporters he resented criticism from Churchill or "others of the British ruling class" who declared he had every right to reveal information coming to him concerning these "moves toward war."

Then he flung out a challenge to President Roosevelt to come to Congress and ask a declaration of war if he wants one.

"If Congress votes such a request down," he said, "then we all should be united for peace. If Congress should, in a constitutional way, declare war then we should stand united to win the war."

WASHINGTON, July 10.—(AP)—Navy officials today announced that a submarine O-9 was in good condition at the time she sank off the coast of New England last month with a loss of 22 lives.

The letter, transmitted at the committee's request, said the submarine had experienced "minor troubles" usual in recommissioning vessels, but so far as is known, there was nothing to indicate that she was not in safe condition.

WASHINGTON, July 10.—(AP)—Doctors and nurses are fighting for the life of a tiny mite of humanity in the Boone county hospital.

The premature baby, otherwise healthy, weighed two pounds and nine ounces. It was born at 9:45 a.m. to Mrs. Mary Ellen Gentry, 25, and her husband, Earl Gentry, 26, of Boone county.

Taft Charges U. S. Building Base In Eire

President's Move In Iceland Not Right Without Congress, Says Republican

WASHINGTON, July 10.—(AP)—Senator Taft, Republican of Ohio, told the Senate today he heard weeks ago on reliable authority the United States was constructing a naval air base for Great Britain in Northern Ireland.

"Since I made the first draft of this speech Wendell Willkie, after a call upon the President, announced that in his opinion we should establish military bases both in Ireland and Scotland."

Taft said Roosevelt had no right to send troops to Ireland without authority from Congress.

Secretary of War Frank Knox strongly indicated yesterday that American naval vessels patrolling the Atlantic had been ordered to shoot if necessary to insure the safety of communications between the United States and all strategic outposts.

At the same time, Wendell L. Willkie, last year's Republican Presidential nominee, vigorously endorsing the American occupation of Iceland, advocated the establishment of American military bases in northern Ireland and Scotland.

Willkie had just emerged from a conference with President Roosevelt when he made his remarks, but he said he was expressing his own opinions.

The President, meanwhile was planning a new request to Congress for defense and lend-lease funds, probably totaling close to \$15,000,000,000 in appropriations and authorizations. Of this \$15,000,000,000 was expected to go for help to the British and possibly to others battling in Europe with the remainder earmarked for American defenses.

Earlier, the White House made known that a communication had been received from Winston Churchill expressing concern over an announcement last Thursday by Senator Wheeler, an opponent of the President's foreign policy, that Iceland would be occupied.

Churchill complained that lives might have been jeopardized by the disclosure.

Wheeler tartly replied that the United States was still a democracy. He told reporters he resented criticism from Churchill or "others of the British ruling class" who declared he had every right to reveal information coming to him concerning these "moves toward war."

Then he flung out a challenge to President Roosevelt to come to Congress and ask a declaration of war if he wants one.

"If Congress votes such a request down," he said, "then we all should be united for peace. If Congress should, in a constitutional way, declare war then we should stand united to win the war."

WASHINGTON, July 10.—(AP)—Navy officials today announced that a submarine O-9 was in good condition at the time she sank off the coast of New England last month with a loss of 22 lives.

The premature baby, otherwise healthy, weighed two pounds and nine ounces. It was born at 9:45 a.m. to Mrs. Mary Ellen Gentry, 25, and her husband, Earl Gentry, 26, of Boone county.

Congressman Pans Stern Old General

WASHINGTON, July 10.—(AP)—Rep. Norrell, democrat of Arkansas who says he has been advised that Lieutenant General Ben Lear is still on the Gold Links, suggested in the House that Congress demand an investigation of the officer's disciplining of yoo-hooing troops.

"He is not the kind of a general who would be in playing golf."

Cincinnati Zoo Wants Boy Friend For Ape Debutante

CINCINNATI, July 10.—(AP)—Wanted: A boy friend for Susie, who reputedly is the world's only trained gorilla, will be 15 on Aug. 3, and that makes her definitely the debutante of such animals in captivity.

Any others around sniffed Ned Hastings, of the zoo staff, are too young to be thinking about the boys yet.

But finding a boy friend for Susie bids fair to be as much of a problem as finding a prince for a would-be royal bride, according to anxious overtures conducted by James A. Reilly, zoo president and other officers including Bill Dressman, the ape's trainer.

For one thing, the supply is limited. There are only two boys in the Lincoln Park zoo in Chicago and Bambo, 15, whose mail reaches him at Philadelphia.

Susie came to the zoo from Africa and Germany, as a first-class passenger aboard the German dirigible Graf Zeppelin.

Prisoner's Release Declared Mistake

CLEARWATER, July 10.—(AP)—Russell T. Walker, sentenced in circuit court here June 5 for two safe cracking jobs in St. Petersburg in the winter of 1940, was in Pinellas county jail Wednesday and State Attorney McMillen described his release from the state prison at Raiford recently "a mistake."

Walker had been sentenced to five years on each offense by Circuit Judge Bird who today recalled him back to jail. McMillen said the action was taken "because the court had given no order for Walker's discharge from Raiford and because the property bond under which he had been released was no good."

Roofing Firm Gives Pre-Christmas Bonus

VANDALIA, Ill., July 10.—(AP)—Christmas is a long way off, but the Ford Roofing Products Company today announced pre-Christmas bonuses of \$100 to its 200 employees there.

President Edward Litnizer of Chicago—the July Santa Clause—said, "when it is only fair that our workers should share."

PLENTY OF WATER

SAN DIEGO, Calif., July 10.—(AP)—Rapid growth of this city owing to defense work has called for quick thinking about its water supply. Sandhogs have been called to increase the capacity of the reservoirs behind San Marcos dam.

BROTHERS MEET IN NAVY

CHARLESTON, S. C., July 10.—(AP)—Two men of the United States Navy Wednesday introduced themselves to each other at the local navy men's center. They were Chief Petty Officer Claude Page, 42, and G. D. Page, who found that they were brothers. Claude left his home in New York to join the Navy in 1918. G. D. was born in 1901.

ARMY GETS GOOD COOK

MIAMI, July 10.—(AP)—Many of the beach resorts only during winter tourist season and that their days during the hot months are passing almost "ghostly." Now a small group of Army cooks are being trained at the local military school.

Nazis Capture Red Fortress

Nazi soldiers are shown in action as they captured a Russian concrete bunker fortress, according to the official German caption with these tanktop from Berlin. In top photo, they edge toward the bunker atop the hill. Below, they wipe out the Red defenders with a stream of liquid fire.

As Many As 14 Local Golfers May Enter Inter-City Match At Orlando

It members of the Sanford Country Club take part in the inter-city golf match to be played at the Orlando Country Club Sunday afternoon starting at 1:00 o'clock, Raymond Lundquist said this morning.

The men expected to be in the lineup are Lawrence Lundquist, F. D. Scott, John Ivey, Maxwell Stewart, Gene Barber, Elmer Toll, H. W. Rucker, G. W. Spencer, E. Smith, Fred Bolly, A. W. Lyons, Joe Masters, W. G. Fleming and Andrew Carraway.

The Orlando match will be the third of the inter-city matches played this summer. Teams have met Daytona Beach losing both times.

John Ivey broke an 80 by scoring a 78 last week, setting him up as strong competition for the Sunday match. Mr. Lundquist said. Maxwell Stewart had his first chance to crack a 40 on the last hole to take seven strokes and finish with a 43.

E. B. Smith looked good on the fairway last week making the longest drive he has ever swung into, to come within 60 yards of the green on a 170 yard hole. Mr. Lundquist said.

Chandler Appointed To Board Of Regents

ATLANTA, July 10.—(AP)—Scott Candler of Decatur, De Kalb county commissioner of the former state commander of the American Legion, was appointed Wednesday to succeed Clark Howell as a member of the state board of regents.

Howell, editor and publisher of the Atlanta Constitution, resigned recently after the regents voted 8 to 7 to re-employ Dean Walker D. Cocking of the University of Georgia's school of education over the protest of Governor Talmadge. The governor charged that the educator has advocated a teachers' training school for whites and negroes.

Before the appointment of Candler, Talmadge said he would make about three appointments to the board of regents before Monday.

SPRING EXPERT DIES

MIAMI, July 10.—(AP)—Tommy Allan, 45, executive director of the Miami Springs Golf Club, died Wednesday of a heart ailment. He was a well-known figure in the golfing world and had been a member of the club since 1920.

Best Alibi Wins Speeders Freedom

CHICAGO, July 10.—(AP)—Traffic Judge George Quillie made good Wednesday on his promise to grant freedom as a door prize to the defendant offering an unusual alibi for a traffic arrest. (The judge was tired of "all these old excuses").

Herbert Brown, 36, charged with speeding 40 miles an hour, alibied:

Nazi Losses Claimed To Be 12-14 Thousand Men On 300 Mile Battle Front

Nazis Silent On Specific Gains

Berlin Paper Says Masses Of Troops Are Now Engaged

Europe's military titans fought with rising violence today as the Russians reported the annihilation of a German motorized division of twelve thousand men and claimed victories elsewhere on the vital three hundred mile front guarding Moscow and Leningrad.

Germans silent on any specific gains, declared the world's two largest armies are now fighting a decisive battle and a Berlin newspaper asserted that not until now have great masses of the armies come into deployment. Hitler's field headquarters in issuing its third terse communique in succession with Russia declared "operations in the east are progressing resolutely."

The Nazi high command confirmed the capture of Balla, a fortified Russian town on the Finnish border after the Red Army Division was said to have been crushed.

A French spokesman in Vichy declared the British had not replied to France's request for an armistice in Syria except with "military maneuvers."

In Washington authoritative reports were that congressional leaders advised Roosevelt they cannot use approval for legislation to use troops outside the Western Hemisphere.

Russia declared today that its big Red army fighting for survival on a front extending from the Arctic Circle to the Black Sea steadily was sapping the striking power of the German war machine which has overrun nearly all of Europe.

Violent battles still surged inconclusively along the entire front with the Germans and Finns claiming slight gains in the direction of Leningrad and Kandalaksha, railway point south of the Soviet Arctic port of Murmansk.

Adolf Hitler, editor of the Nazi high command's communique, limited himself to a statement that "the fight continues successful on the entire eastern front."

German reporters, however, said several Estonian villages had been occupied along with Ostrov Russian city near the Latvian border.

This latter area was the scene of bitter fighting as the Germans tried to break through the Soviet Leningrad. Here the Soviets said their troops were stubbornly "pounding back the advance."

Sea Island Cotton Group Will Meet

The second meeting of the Seminoles Sea Island Cotton Association will meet at the Court House July 12, at 2:00 P. M. to discuss subjects important to growers of the crop. C. R. Dawson, county agent, said this morning.

M. H. Gies, state agricultural expert, is expected to be present and all those interested in Sea Island Cotton are urged to attend the meeting. Mr. Dawson said.

3 Building Permits Issued At City Hall

Three building permits for construction costing over \$100 were issued at the City Hall yesterday, according to the records of Building Inspector Grand Dumas.

A permit was issued to J. J. Duran to build a garage measuring 20 by 30 feet. The first floor is at a cost of \$250. The Sanford Grammar School was issued a permit to repair the building at a cost of \$70. Paul Smith was issued a permit to repair a house at a cost of \$100.

"I was an expert friend to the state of a neighbor friend to the state of a best, your honor. This is a building permit. This is a building permit. This is a building permit."
