TREASURY HAS BEGUN BUYING SILVER STOCKS

Morgenthau Pledges Enthusiastic Co- Operation Of His Department In Plan

WASHINGTON, June 21.—(AP)—Secretary Morgenthau told reporters today the Treasury "will carry out the spirit of the silver purchase act enthusiastically."
The new law, signed by the President just before he left Washington, makes mandatory the purchase of silver until it constitutes 25 percent of the nation's metallic monetary stock.
Experts figure 1,300,000,000 ounces must be bought.
Beginning yesterday, Morgenthau said, the Treasury started purchases of silver out of its general fund.
He declined to estimate the volume, saying it would show up promptly in the daily treasury sheet.
New silver purchases will be used immediately for the issuance of silver certificates.
Morgenthau said he hoped for a healthy rise in the price of the metal, but not too high, as a boom collapse would be disastrous.

Kiwanians Will Seek Aid For Scout Camp

Kiwanians J. G. Sharon, Karl Lehmann, W. A. Cooper, V. A. Spear and Bill DuBoise will take steps immediately looking toward the erection of several cabins on Boy Scout property at Silver Lake, it was decided at a meeting of the Kiwanis Club at the Montezuma Hotel yesterday.

Seminole County will be well represented at the Jackonville meeting tomorrow morning at the meeting which Governor Sholtz has called to discuss ways and means of keeping Florida's Exhibit at the World's Fair in Chicago open for the length of the Fair.

Future Farmers Speak Before Rotarians

E. D. Tyler, Jr., recently elected president of the State Future Farmers of America Association and Boyd Coleman, who won the state-wide individual live-stock judging competition as a representative of Seminole Chapter, addressed members of the Sanford Rotary Club at the Valdés Hotel yesterday.

3 Women Killed In Auto-Bus Accident

BENTON, Ark., June 21.—(AP)—Three women were killed in a grade crossing accident near here today when a light delivery truck in which they were riding struck a Rock Island Railway motor car. The dead: Mrs. Sally Burton, 50, wife of a farmer Mrs. Sally Murray, 55, widow, and Miss Lydia Burwick, postmaster at Belfast where the women lived. The women were enroute home after a shopping trip to Benton. None of the motor car's passengers was injured, although the cowcatcher was carried away by the impact.

TAXPAYERS' AID ASKED BY LEE TO BALANCE BUDGET

General Revenue Fund Faces \$350,000 Deficit At Year's End

TALLAHASSEE, June 21.—(AP)—Comptroller Lee yesterday estimated the state's general revenue fund would face a deficit of \$350,000 on June 30 unless tax payments are sufficient to meet that amount.
Normal expenditures, in excess of normal receipts, will swell this deficit to \$509,482 by Sept. 30, he estimated, unless tax collections increase or unexpected inheritance tax payments are received.
He appealed again to taxpayers "the ones who balance the budget," he said—to come forward with payments and help in the effort to balance the budget before the beginning of a new fiscal year on July 1.
The estimated deficit is figured on a basis of \$220,000 due to the (Continued On Page Four)

'GOLD CLAUSE' HELD INVALID BY U.S. JUDGE

Constitutionality Of Congressional Action Accorded Approval

ST. LOUIS, June 21.—(AP)—A federal district judge yesterday placed the stamp of constitutionality upon congressional action abrogating the "gold clause" of obligations payable in the United States, estimated at \$90,000,000 to \$125,000,000.
In upholding the legality of the congressional action, Judge Charles B. Paris, in a 31-page decision, ruled that bonds of the Missouri Pacific Railroad, despite the promise they contain to pay in "gold coin of the United States" of the weight and fineness of the time of their issue, should be paid only at their face value in the money of the United States now current.

FORD PREDICTS PRESIDENT SIGNS 6-HOUR DAY FOR INDUSTRY SOON

DETROIT, June 21.—(AP)—Henry Ford, who believes the "one certainty in life is there are going to be changes," yesterday predicted eventual adoption of the five-day week and the six-hour day throughout industry.
"This country can operate on a five-day week," he said. "That and the six-hour day would have been here now if they had let things alone."
He declined to amplify his reference to "they," but said the depression was not alone in halting this development toward balancing production and consumption.

Boys Drown In Pool

LAKE CHARLES, La., June 21.—(AP)—Jack Piper, 10, and Billy Markwood, 11, were drowned in a swimming pool here Tuesday night, although surrounded by almost two score other bathers. They were not missed for almost three hours.

Housholder, Glenn, Dorner Address Local Audience In Interest Of Park Trammell

A farmer, a representative of labor, and an attorney, addressed a small crowd at Park Avenue and First Street last night in the interests of Senator Park Trammell, seeking re-election to the United States Senate.
They were: F. F. Dorner, prominent Celery Avenue grower, who presided and introduced the speakers; R. L. Glenn, chairman of the Brotherhood of Locomotive Engineers and Firemen, who assailed Claude Pepper and the "special interests" who he said are "backing him"; and E. F. Housholder, who with Mr. Dorner is an organizer of the present "Trammell-For-Senate" Club.
As a first speaker, Mr. Glenn began his remarks with an appeal for a serious consideration of Mr. Trammell's record in office and the fact that the record has been endorsed by several labor organizations.
"When any man secures the endorsement of labor," Mr. Glenn said, "he gets it because he has consistently supported legislation favoring the workingman and the farmers."
In contrast to the campaign being conducted by Mr. Pepper, whom Mr. Glenn referred to as an agent of "special interests," he said that Senator Trammell did not have a state-wide organization working for him during the first primary because "he was up in Washington looking out for the interests of your people back home. The fine vote he received in the first primary without any high pressure hally-hoo is certainly an indication of the esteem in which he is held in this state, an expression of (Continued On Page Seven)

Manufacturer Full Of Optimistic Views Of Nation's Future

DETROIT, June 21.—(AP)—Henry Ford, who believes the "one certainty in life is there are going to be changes," yesterday predicted eventual adoption of the five-day week and the six-hour day throughout industry.
"This country can operate on a five-day week," he said. "That and the six-hour day would have been here now if they had let things alone."

Industry, Communication, Deficiency Acts Get Approval

WASHINGTON, June 21.—(AP)—Three bills vitally affecting the high and lowly of the nation were included in a large batch of measures signed by President Roosevelt before leaving on his trip to New England.
The White House yesterday announced that in addition to other measures, the President had fixed his name to the loans to industry bill, second deficiency bill making huge relief appropriations, and the measure placing a commission in control of the nation's communications systems.

Lehmann Faces Busy Week-End As Speaker

Another busy week faces Karl Lehmann, trade body secretary. Tonight, he will be in St. Cloud delivering the commencement address to the members of the graduating class of St. Cloud High School.
Friday morning he will return to Jacksonville to be Mayor W. A. Laffer's special representative at a meeting of Florida mayors, gathering to discuss the Florida Exhibit at the World's Fair, and how to keep it open for the length of the Fair.
Friday night he will be principal speaker at a mass meeting of residents of Apopka, called for the purpose of organizing a chamber of commerce for Apopka and other north Orange county communities.

Road South Of City Being Re-Surfaced

State Road Department workmen began work yesterday morning, resurfacing that part of State Road No. 3, south of Sanford, which has become slick from constant use and wear, and on which three persons were killed last year as a result of skidding cars.
Members of both the Highway and Safety committees of the Seminole County Chamber of Commerce today over the fact that this work has begun. Both groups have been working for many months on this project, as have the County Commissioners in connection with their highway betterment program.

Sanitification Will Talked Saturday

Sanitification and recreation projects in Seminole County will be discussed at a special meeting in the chamber of Commerce building at 10:00 o'clock Saturday morning, it was announced today. Representatives from the following groups will be included in the meeting: the County Commission, the City Planning Board, the Garden Club of Sanford, the Chamber of Commerce, the American Legion, Parents in any other groups interested in sanitification are urged to attend the meeting.

NRA CODE FOR CLEANERS HAS BEEN SCRAPPED

Authority For Industry Charges Johnson With Bad Faith In Handling Of Pact

WASHINGTON, June 21.—(AP)—Charging Hugh S. Johnson with bad faith, the code authority of the cleaning and dyeing trade last night announced that it had scrapped the code for the industry.
All but the wages and hour provisions of the pact had already been discarded by NRA but the executive committee of the code authority said in a communication to President Roosevelt they would not bind themselves to abide by these.
The letter to the President was signed by N. J. Harkness, Silver Spring, Md., chairman of the executive committee, and nine other members of the group.
Col. Rosenblatt, NRA deputy administrator in charge of the cleaning and dyeing code, said the wages and hour provisions were still in force despite the announcement by the authority.
He added the code authority was in reality abolished by the NRA action which eliminated all but wages and hour clauses from the cleaning code and a number of mercery trade pacts. He said that the Eagles of the establishments which violated the labor clauses would be taken away and that further action might be taken.
The communication to the President left no doubt as to the displeasure of the cleaning and dyeing code authority over NRA's abandonment of price provisions and other fair trade practice clauses.
They said Johnson, NRA administrator had informed them on June 12 there would be no material changes in their code and "particularly there would be no elimination of the trade practice provisions."
"Under the circumstances," the code authority said, "we can only feel that the administrator acted unethically and intentionally deceived and misled the trade during the period in question."
NRA officials said representatives of the motor parking trade code authority, one of the service groups, had announced similar to that abandonment of its wage and hour provisions.

Code Eagles Ready For Local Distribution

Red Smith, chairman of the local Retail Code Authority, announced this morning that a supply of the new "Code Eagles" has been received for distribution to all merchants who operate under the Retail Code.
The new "Eagles" differing from the old "Blue Eagle" in both name and the fact that they carry numbers, may be secured at the office of R. L. Glenn in the Roumlatt and Anderson Drug Store building.

Small Fires Engage Attention Of Firemen

Two small fires, neither of serious consequence, occupied the attention of Fire Chief Mac Cleveland and his men yesterday.
The first was a grass fire at Pine and Cypress Avenues at about 10:00 o'clock, while the second was a fire at the Cameron Apartments on First Street at about 5:00 o'clock in the afternoon. A match was thrown, carelessly, into a bucket of gasoline, and it ignited, scorching several nearby objects before being put out.

New Weapon Will Be Used To Strike At NRA's Chiselers

PRORATION OF CITRUS ON BIG SCALE PREDICTED

WASHINGTON, June 21.—(AP)—I. A. Yarnell, of Lake Worth, Fla., chairman of the national grapefruit committee, said yesterday there was "no doubt" national proration will be used to regulate shipment of next winter's citrus fruit crop.
The Florida citrus industry has long been in the Commission and the NRA is contained in a technical order issued by the Commission. As this order was explained today, emphasis is to be placed on the Commission's judicial function.
President Roosevelt, it is said, suggested that the Commission and NRA get together and iron out apparent conflicts in procedure.

Yarnell Believes Fall Crop Will Be Shipped To Points As Needed

WASHINGTON, June 21.—(AP)—The Florida citrus industry has long been in the Commission and the NRA is contained in a technical order issued by the Commission. As this order was explained today, emphasis is to be placed on the Commission's judicial function.
President Roosevelt, it is said, suggested that the Commission and NRA get together and iron out apparent conflicts in procedure.

175 Head Of Cattle To Come Here Next Week

One hundred and 75 head of stock cattle, to be distributed from among persons securing federal relief, will arrive in Sanford next week, it was announced by Mrs. Helen T. Morse at the Court House FERA office this morning.
Mrs. Morse stated, however, that only half a dozen persons had called so far to make application for one of the animals. Persons so called who are interested in securing the free cattle, should call at the Court House "if it suits," she added, "to make arrangements."
The cattle may be butchered, held for future markets, sold, or any disposition may be made of them that the client may see fit. Mrs. Morse stated in quoting D. P. Swope of Orlando, FERA administrator for Region 5 in Central Florida.

State Road Agent Discusses Highway

T. B. Massee of Tallahassee, highway beautification expert of the State Road Department was in Sanford for a short period yesterday, discussing beautification matters with Chamber of Commerce officials.
While here, Mr. Massee said that he would return to Sanford in a few weeks to discuss the beautification of State Road No. 3, with members of the Garden Club of Sanford.
In this connection he stated that it is not necessary that 300 foot right-of-ways be turned over to the Department before beautification work would be authorized.
He said that the new beautification program looks primarily toward the preservation of natural beauty now existing along roadways, and the elimination of signboards.

The clean Center Leaves are the mildest leaves They Taste Better!

We like telling you that Luckies are made of only clean center leaves. For the clean center leaves are the mildest leaves—they cost more—they taste better. And we're proud of the fact that these choice tobaccos receive the benefit of Lucky Strike's famous process—"It's toasted!" for throat protection. But here's a point that's just as impressive: Luckies are round, firm, fully packed with long golden strands of fine tobacco—no loose ends. That's why Luckies "keep in condition"—why you'll find that Luckies do not dry out. Truly, Luckies are all-ways kind to your throat.

THESE ARE THE MILDEST LEAVES—THEY COST MORE—They Taste Better! "It's toasted" Luckies are all-ways kind to your throat. Only the Center Leaves—these are the Mildest Leaves They Taste Better!

Mrs. E. F. Lane Is Hostess At Bridge

Pink and green were the colors chosen for party decorations and appointments at the bridge party given yesterday afternoon by Mrs. E. F. Lane at her home on Park Avenue in honor of Miss Elizabeth Hagan whose marriage to Gordon Cherry of Miami will take place the latter part of the month.

The rooms where the guests were entertained were decorated with a profusion of double pink hibiscus and fern while in the dining room the tea table was centered with a bowl of the same flowers and was overlaid with a lace cloth. A small table in the living room bore a miniature bridge and bridge room placed beneath a small improvised arch of valley lilies and fern. Tallies and other bridge accessories bore a bridge design.

After several progressions of bridge scores were added and high score prize, a linen guest towel, was given to Mrs. L. P. Hagan, Jr. while cut prize, stationery, went to Mrs. Byron Stephens. Miss Rebecca Scott of Nashville, Tenn., was given a linen handkerchief as a memento of the occasion while Miss Hagan was the recipient of a bronze colored vase, a gift from the hostess.

At the tea hour an ice and sweet course, further accentuating the chosen pink and green color scheme, was served by the hostess, assisted by Mrs. W. A. Lettice, Mrs. L. P. Hagan, Jr., and Miss Marjorie Hoskins. The small cakes and mints bore the initials of Miss Hagan and Mr. Cherry.

Those present were: Miss Lena Belle Hagan, honor guest, Mrs. Glenn Lettice, Mrs. Hamilton Hagan, Mrs. L. P. Hagan, Jr., Mrs. Lucille Heigle, Mrs. Roy F. Mann, Mrs. W. A. Adams, Mrs. Byron Stephens, Mrs. Marcia L. Satten, and the Misses Helen Verney, Corinna Barber, and Rebecca Scott, bridge guests, and Mrs. L. P. Hagan, Mrs. W. H. Long, Mrs. W. A. Lettice, Mrs. R. L. Hagan, Mrs. Marjorie Hoskins, and Miss Margaret Peters, tea guests.

Feds Hope To Reduce Lead Held By Cocoa In Game On Cocoa Diamond Tomorrow

CENTRAL FLORIDA LEAGUE			
Team	W.	L.	Pct.
Cocoa	10	1	.909
Sanford	7	4	.636
Vero Beach	5	6	.455
Kissimmee	4	7	.364

Two full games behind the league-leading Cocoa Indians, the Sanford Celeryfeds tomorrow will have a last opportunity for several days to cut down this lead and place themselves in a more favored position to win the first half pennant.

The Feds travel to Cocoa for a tilt tomorrow afternoon at 3:30 o'clock. At the same hour, the Vero Beach Jaycees will be at Kissimmee engaged in a double-header contest that will be a battle for last place. If the Kowboys should by any chance win two tilts, they will be tied with the Jaycees for last place.

Manager Sid Rive has indicated that big Lee Mansfield will start on the mound for the Feds. He also said that his team's chances have been hard hit because Roy Britt, one of the finest of the league's outfielders, has found it necessary to give up baseball.

Britt was probably the team's most popular player. He was well liked by all fans, and his loss is bound to be noticed even at the box-office. The reason for his departure could not be ascertained.

With Britt gone, Manager Rive may have to fall back on his pitch-

7 FED ERRORS PLAY BIG PART IN 11-4 DEFEAT

Islanders Earn Only 4 Runs When Locals Miscue Early, Often

Manager Stuffy McCrone's Daytona Beach Islanders lost little time in scoring an 11 to 4 victory over Manager Sid Rive's Sanford Celeryfeds in an exhibition game played at Municipal Park yesterday afternoon.

Spotting the Feds a run which they earned in the first inning, the Islanders went into action against Lee Mansfield in the third inning, and before the dust had cleared away, three runs had come over on two scratch hits, a long double, a pair of stolen bases and an outfield error.

The Islanders got three more in the fourth on Laviano's scratch hit in front of the plate. Drake's sacrifice, Maltby's infield out, Smith's two base overthrow, Blalock's double, and McCrone's lucky hit over Pete Schirard's head at second.

The Feds came back in their half of the fourth and scored three runs. Abbott singled through the box and went to second on Owens' infield out. Paul Mansfield was safe on a bouncing hit to short, and Evans drew a walk, filling the bases. Kelly flied out to right field, but Rines doubted to deep left center, scoring two runners. Evans scored on Mansfield hit to short.

The Islanders got four runs in the sixth, mostly on errors. After Rhoades was out in the infield, Blalock singled to left. He stole second, and McCrone drew a walk. Kelly was slow in tagging Blalock out at third on an attempted double steal and the runners were safe. Martin hit to Schirard who made a quick throw to the plate only to have Abbott miss tagging Blalock. With the bases still full, Harris singled to right, scoring McCrone. Sparkman failed to handle the hit cleanly and Martin scored from first as Harris went to second. Shannon doubled to right, scoring Harris. Manager Rive let Elmer Mattair go to the mound for the Feds at this point, and Laviano and Vickers were both out on flies.

The final Islander run was unearned. Maltby opened with a single to right and when Sparkman again loafed on the play, Maltby went on to second. Rhoades had flied out to Schirard when Maltby tore out for third in an attempt to catch Mattair asleep. On a throw to third, Kelly let the ball get away from him, and Maltby scored. Blalock and McCrone both flied out.

The Islanders earned only four of their 11 runs, while the Feds earned all of theirs off the hurling efforts of Drake and Vickers.

The fielding feature of the game was Sparkman's one-handed catch of Maltby's liner in the ninth, while Manager McCrone led his players at bat with three hits in four tries.

The box score:

A \$1.50 Dinner for 6

HERE'S a health giving dinner for six people which can be served at a cost of twenty-five cents apiece. Bananas are good for you on no less an authority than the metabolism clinic of Johns Hopkins Hospital. Cabbage and longevity have long been associated. Bread is the staff of life, and there is tomato soup with its vitamin C in the meat balls. Here's the menu:

Fried Meat Balls 5¢
Buttered New Cabbage 5¢
Avocado and Grapefruit Jelly 4¢
Baked Bananas 1¢
Bread and Butter 1¢
Iced Tea 6¢

Here are the Recipes

Fried Meat Balls: Mix lightly together one and a half pounds of chopped round steak, one teaspoon salt, a few grains pepper, one teaspoon minced onion, the contents of a 10 1/2-ounce can of tomato soup and one-half cup dry bread crumbs. Take up smooth rounded tablespoons of the mixture, drop into deep fat at 325 degrees and cook for about three minutes, or until brown on the outside and cooked through to the center. Drain on brown paper. Serve at once.

Avocado and Grapefruit Jelly: Soak one-half tablespoon jelly in two tablespoons cold water, and dissolve with three tablespoons sugar in the boiling hot syrup from a No. 2 can grapefruit. Add two tablespoons lemon or lime juice, and let cool until it starts to thicken. Remove stone from one small avocado, peel and cut in small cubes (or scoop out the balls), and arrange with the grapefruit sections in individual wet molds. Pour over the cold gelatin mixture, and chill until set. Unmold, and serve with top milk or thin cream. Or you can use a small garnish of whipped cream.

Allen Westberry Gets New Death Sentence

VALDOSTA, Ga., June 20. — (AP)—Allen Westberry Monday was sentenced to die July 8, for the slaying of Mr. and Mrs. W. H. Browning, the fourth time he has heard a court order him to the electric chair.

Westberry was convicted in 1930 for a part in the slaying of the aged Lowndes county filling station operator, near here. He was sentenced to death then but obtained a reversal on appeal and was given a new trial.

4000 Believed Dead In Salvadoran Hurricane

MEXICO, D. F., June 20. — (AP)—Antonio Alvarez Vidaurri, new minister of El Salvador to Mexico, said Monday that more than 4000 persons were killed and injured in the hurricane that struck the country nearly two weeks ago.

Dispatches from San Salvador has estimated the known dead at 2000. Property losses, the minister said, were placed at \$4,000,000.

JAPANESE PRINCE AMAZED UPON HIS VISIT TO HOUSE

Turbulent Activity On Floor Surprises Nipponese Noble

WASHINGTON, June 20. — Amusement was expressed by Prince Fumimaro Koyama, member of one of the noble houses of Japan and President of the Japanese House of Peers, after visiting the Senate and House. He was introduced on the floor of the Senate by Vice-President Garner.

After seeing the turbulent House in action the Prince remarked:

"But the members shout at each other! In the Japanese Parliament, a speaker must ask the permission of a Minister before he may speak, and he must stand at rigid attention as he does so."

The Prince, who lunched with Secretary Hull, said afterward that misapprehensions in Japan about the United States and in this country about Japan must be erased.

He admitted frankly that Japan wanted to extend her sphere of influence in China "economically," but he denied emphatically that the empire had any wish for further territorial aggrandizement.

He asserted that the Japanese public was "afraid" that the United States would try to halt this "economic" penetration and that considerable feeling existed.

"Japan will not become the dominant world power that the United States seems to fear," he said.

He saw no reason for conflict between the commercial interests of Japan and the United States in the world at large, he said, and declared that in fact there was an opportunity for parallel endeavor by the two countries.

As for a war between Japan and Russia, he asserted that there was "no immediate danger."

The Prince has been in this country about two weeks and expects to remain for two months more. The purpose of his visit is "to meet official personages unofficially."

On his visit to the Capitol he was accompanied by Ambassador Saito, member of the Embassy staff and his suite.

DeLand Trio Narrowly Miss Death On Links

DELAND, June 20. — J. W. McCormick, Willis McCormick and E. Brown, all prominent DeLand citizens, had a narrow escape from death about 3:30 P. M. Sunday when, while playing golf on the College Arms course, they came almost in the direct path of a bolt of lightning that struck a tree some 20 feet distant.

All suffered from shock, Mr. Brown being the least seriously stricken of the three, and some 30 or 40 minutes being required for their complete recuperation.

There was, so far as known, no witness to the accident which took place near the 7th green.

Masson, Humorist, Dies After Illness

GLEN RIDGE, N. J., June 20. — (AP)—Thomas L. Masson, 67, humorist and editor of "Life" for 28 years, died Monday at his home after two years of poor health.

He underwent an operation two years ago and never fully recovered. For the past four months he had been confined to his bed.

An Indian cemetery, believed to date back before the Spanish conquest of Chile, was found by workers in Chile.

PLYMOUTH ANNOUNCES THE SPECIAL SIX

RECENTLY you read about important reductions in Plymouth prices. This week Plymouth again makes news!

It's the introduction of the SPECIAL SIX. It changes the picture in the low-price field.

We urge you to take a few minutes to see it... for two reasons. One of them is the car itself... and the other is the price.

You'll find a new "Century" model... with the features that made Plymouth famous. Yet a 4-door Sedan costs practically the same as comparable models of the lowest-priced cars WITHOUT ALL THESE FEATURES!

Without spending an extra penny, you can own the Special Six with Hydraulic Brakes. Your family can ride protected by a Body of SAFETY-STEEL. You can have the comfort of Individual Wheel Springing and Floating Power without paying a penalty for these improvements.

Today the prices of "All Three" low-priced cars are, virtually the same. Don't buy blindfolded. Don't let "habit" rule your judgment. Go see this Plymouth Special Six today... at any Dodge, De Soto or Chrysler dealer. Buy no car until you do.

PLYMOUTH MOTOR CORPORATION
DIVISION OF CHRYSLER MOTORS

PRICES AND FEATURES OF THE NEW PLYMOUTH SPECIAL SIX

4-Door Sedan	\$620
Town Sedan	\$655
2-Door Sedan	\$580
Business Coupe	\$560
Rumble Seat Coupe	\$590

HYDRAULIC BRAKES. Always equipped. Eliminate swerving, save frequent retuning jobs. Ask any Plymouth owner if he'd go back to mechanical brakes!

SAFETY-STEEL BODY. The best safety insurance that you can have on today's crowded highways.

FLOATING POWER ENGINE MOUNTING. They keep vibrations away from you. You ride fully relaxed.

INDIVIDUAL WHEEL SPRINGING. The best of the so-called "flex-type" springs as used on the most expensive cars for a more comfortable, less-tired ride.

T-Slot Fenders with four rings instead of the usual three. Four-bearing Crankshaft—Valve-over-Rocker Oil Filter—Temperature and Oil Pressure Indicators on Instrument Panel—Steel Auxiliary Wheels.

Prices as low as \$425 for Standard Plymouth. All prices f.o.b. factory, Detroit, subject to change without notice. Time payments to fit your budget. Ask your dealer for the Official Chrysler Motor Commercial Credit Plan.

TREASURY HAS BEGUN BUYING SILVER STOCKS

Morgenthau Pledges Enthusiastic Co- operation of His Department in Plan

WASHINGTON, June 21.—(AP)—Secretary Morgenthau told reporters today the Treasury "will carry out the spirit of the silver purchase act enthusiastically."
The new law, signed by the President just before he left Washington, makes mandatory the purchase of silver until it constitutes 25 percent of the nation's metallic monetary stock.
Experts figure 1,300,000,000 ounces must be bought.
Beginning yesterday, Morgenthau said, the Treasury started purchasing silver out of its general fund.
He declined to estimate the volume, saying it would show up promptly in the daily treasury sheet.
New silver purchases will be used immediately for the issuance of silver certificates.
Morgenthau said he hoped for a healthy rise in the price of the metal, but not too high, as a boom collapse would be disastrous.

Kiwanians Will Seek Aid For Scout Camp

Kiwanians J. G. Sharon, Karl Lehmann, W. A. Cooper, V. A. Spier and Bill DuBoise will take steps immediately looking toward the erection of several cabins on Boy Scout property at Silver Lake. It was decided at a meeting of the Kiwanis Club at the Montezuma Hotel yesterday.
It was reported that the county had been offered the tract, and that it had been cleared of all underbrush and debris. The city also had donated an old building, the lumber in which is suitable for erecting several small cabins.
The committee will attempt to secure FERA labor at once.
The musical feature of the program was provided by "The Four Barons of Harmony," male quartette which was featured in a Mendocino performance at the Milano Theater last night.
Those attending the meeting included Henry Russell as a guest, Kiwanians C. E. Mason, who presided, F. S. Lamson, Harold Washburn, Howard Overlin, Peter Schaal, E. B. Randall, Jr., Ed. Nordgren, L. Tharp, V. A. Spier, R. A. Smith, B. F. Doerflinger, Gordon Burnett, E. I. Hoy, C. F. Stahl, M. H. Goodrum, Arthur Branan, B. G. Moore, E. H. Laney, W. A. Cooper, T. L. Dupuis, A. D. Future Farmers Speak Before Botanians

E. D. Tyler, Jr., recently elected president of the State Future Farmers of America Association and Boyd Coleman, who won the state-wide individual live-stock judging competition as a representative of Seminole Chapter, addressed members of the Sanford Rotary Club at the Valdese Hotel Tuesday night.
The points related the highlights of the recent Association convention at Gainesville, and they told of the various high honors won by local Chapter members.
Special numbers also were furnished by John Benharik and William Burnett, Chapter members who won third place in the judging contest at the convention.
Those present were: A. R. Johnson, John Benharik, Wm. Burnett, E. D. Tyler, Jr., Boyd Coleman, Chapter members as guests, and Robert Paul Stone, who presided. A. W. Rupp, H. E. Pugh, J. A. Wright, W. L. George, J. H. Kelly, Sr., E. G. Gray, Robert Chase, R. H. Colburn, W. H. Wilson, W. H. Hays, and J. C. Johnson, E. F. Haines, W. D. Shover and Dr. E. F. Frazier.

3 Women Killed In Auto-Bus Accident

BENTON, Ark., June 21.—(AP)—Three women were killed in a grade crossing accident near here today when a light delivery truck in which they were riding struck a Rock Island Railway motor car. The dead: Mrs. Sally Burton, 50, wife of a farmer Mrs. Sady Murray, 55, widow, and Miss Clyde Buswick, postmaster at Belfast where the women lived. The women were enroute home after a shopping trip to Benton. None of the motor car's passengers was injured, although the cowcatcher was carried away by the impact.

TAXPAYERS' AID ASKED BY LEE TO BALANCE BUDGET

General Revenue Fund Faces \$350,000 Deficit At Year's End

TALLAHASSEE, June 21.—(AP)—Comptroller Lee yesterday estimated the state's general revenue fund would face a deficit of \$350,000 on June 30 unless tax payments are sufficient to meet that amount.
Normal expenditures, in excess of normal receipts, will swell this deficit to \$509,482 by Sept. 30, he estimated, unless tax collections increase or unexpected inheritance tax payments are received.
He appealed again to taxpayers—"the ones who balanced the budget," he said—to come forward with payments and help in the effort to balance the budget before the beginning of a new fiscal year on July 1.
The estimated deficit is figured on a basis of \$220,000 due to the (Continued On Page Four)

Jacksonville Meeting Draws 4 From County

Seminole County will be well represented at the Jacksonville meeting tomorrow morning at the meeting which Governor Sholtz has called to discuss ways and means of keeping Florida's Exhibit at the World's Fair in Chicago open for the length of the Fair.
John Melich, Sr., chairman of the Board of County Commissioners, J. L. Marentette of the Publicity Committee of the trade body, Peter Schaal of The Sanford Herald, and Karl Lehmann of the trade body, who will represent Mayor Loeffler at the conference, will comprise the local delegation.
All will return to Sanford tomorrow night except Mr. Schaal who will leave for Chicago by bus early Saturday morning in company with 57 other Florida newspaper reporters on a nine-day all expenses paid tour of the Fair.

'GOLD CLAUSE' HELD INVALID BY U.S. JUDGE

Constitutionality Of Congressional Action On Old Rule Accorded Approval

ST. LOUIS, June 21.—(AP)—A federal district judge yesterday placed the stamp of constitutional validity upon congressional action abrogating the "gold clause" of obligations payable in the United States, estimated at \$20,000,000 to \$25,000,000.
In upholding the legality of the congressional action, Judge Charles B. Farris, in a 31-page decision, ruled that bonds of the Missouri Pacific Railroad, despite the promise they contain to pay in "gold coin of the United States" of the weight and fineness of the time of their issue, should be paid only at their face value in the money of the United States now current.
The ruling was the first by a federal court since "public resolution No. 10" was enacted in June, 1933.

FORD PREDICTS 6-HOUR DAY FOR INDUSTRY SOON

Manufacturer Full Of Optimistic Views Of Nation's Future

DETROIT, June 21.—(AP)—Henry Ford who believes the "one certainty in life is there are going to be changes," yesterday predicted eventual adoption of the five-day week and the six-hour day throughout industry.
"This country can operate on a five-day week," he said. "That and the six-hour day would have been here now if they had let things alone."
He declined to amplify his reference to "they," but said the depression was not alone in halting this development toward basking production and consumption.
"Things are made faster now," the automobile manufacturer said, "and people must have more time to use what they make. I can't say just when the shorter working day and week are coming, but they will be here."
The five-day week was adopted for the Ford plants several years ago.
Of general business conditions, he said the "industrial picture looks better all the time," and that recent price reductions in the automobile field "clear up things." The lower prices, he explained, are made possible by increased efficiency and enlarged production.
"The minute a price cut is in order, the manufacturers might just as well cut prices, for everyone is looking for it anyway," he remarked.
Business started to improve, he said, "as soon as people made up (Continued on page two)

BOYS DROWN IN POOL

Aquarium Fund Gets 2 New Contributions

The aquarium construction fund which is being raised by the Florida Zoological Society has been increased by \$11 in the past few days, it was reported at the Chamber of Commerce today.
New contributors are S. O. Chase, Sr., with a \$10 donation, and Mrs. John Melich, Sr., with a \$1 contribution. The fund now totals \$32,250.

Road South Of City Being Re-Surfaced

State Road Department workmen began work yesterday morning resurfacing that part of State Road No. 3, south of Sanford, which has become slick from constant use and wear, and on which three persons were killed last year as a result of skidding cars.
Members of both the Highway and Safety committees of the Seminole County Chamber of Commerce were expressing satisfaction today over the fact that this work has begun. Both groups have been working for many months on this project, as have the County Commissioners in connection with their highway betterment program.

Housholder, Glenn, Dorner Address Local Audience In Interest Of Park Trammell

A farmer, a representative of labor, and an attorney, addressed a small crowd at Park Avenue and First Street last night in the interests of Senator Park Trammell, seeking re-election to the United States Senate.
They were: F. F. Dorner, prominent Celery Avenue grower, who presided and introduced the speakers; R. L. Glenn, chairman of the Brotherhood of Locomotive Engineers and Firemen, who addressed the audience; and E. F. Housholder, who with Mr. Dorner is an organizer of the present "Trammell-For-Senate" Club.
As a first speaker, Mr. Glenn began his remarks with an appeal for a serious consideration of Mr. Trammell's record in office and the fact that the record has been endorsed by several labor organizations.
"When any man secures the endorsement of labor," Mr. Glenn said, "he gets it because he has consistently supported legislation favoring the workman and the farmer."
In contrast to the campaign being conducted by Mr. Pepper, whom Mr. Glenn referred to as an agent of "special interests," he said that Senator Trammell did not have a state-wide organization working for him during the first primary because "Housholder was in Washington looking out for the interests of you people back home. The fine vote he received in the first primary without any high pressure rally here is certainly an indication of the esteem in which he is held in this state, an expression of (Continued On Page Seven)

Industry, Communication, Acts Get Approval

WASHINGTON, June 21.—(AP)—Three bills vitally affecting the high and lowly of the nation were included in a large batch of measures signed by President Roosevelt before leaving on his trip to New England.
The White House yesterday announced that in addition to other measures, the President had affixed his name to the loan to industry bill, second deficiency bill making huge relief appropriations, and the measure placing a commission in control of the nation's communications system.
The industrial loans measure makes \$500,000,000 available for five-year advances to large and small business enterprises.
It authorizes but does not direct the treasury to turn \$133,000,000 over to the federal reserve banks to which they will add \$278,000,000 for loans through other financial institutions, with the latter assuming 20 percent of the risk.
In addition, the new law authorizes the Reconstruction Corporation to lend up to \$500,000,000 direct to industry, with one borrower limited to \$600,000, and to lend a maximum of \$75,000,000 to school districts and \$25,000,000 to drainage districts.
The deficiency bill is next to the largest appropriation bill to be enacted in peacetime. It provides \$2,429,400,000 for relief purposes. (Continued on Page Two)

Lehmann Faces Busy Week-End As Speaker

Another busy week faces Karl Lehmann, trade body secretary. Tonight he will be in St. Cloud delivering the commencement address to the members of the graduating class of St. Cloud High School.
Friday morning he will return to Jacksonville to be Mayor W. A. Loeffler's special representative at a meeting of Florida mayors, gathering to discuss the Florida Exhibit at the World's Fair, and how to keep it open for the length of the Fair.
Friday night he will be principal speaker at a mass meeting of residents of Apopka, called for the purpose of organizing a chamber of commerce for Apopka and other north Orange county communities.

Sanitification Will Talked Saturday

Sanitification and recreation clubs in Seminole County will be discussed at a special meeting of the Chamber of Commerce at 10:00 o'clock Saturday morning, it was announced today.
Representatives from the following groups will be included in the group: the County Commission, the City Board, the Garden Club, the Chamber of Commerce, the American Legion, and any other groups interested. Sanitification are urged to the meeting.

NRA CODE FOR CLEANERS HAS BEEN SCRAPPED

Authority For Industry Charges Johnson With Bad Faith In Handling Of Pact

WASHINGTON, June 21.—(AP)—Charging Hugh S. Johnson with bad faith, the code authority of the cleaning and dyeing trade last night announced that it had scrapped the code for the industry.
All but the wages and hour provisions of the pact had already been discarded by NRA but the executive committee of the code authority said in a communication to President Roosevelt they would not bind themselves to abide by these.
The letter to the President was signed by N. J. Harkness, Silver Spring, Md., chairman of the executive committee, and nine other members of the group.
Col. Rosenblatt, NRA deputy administrator in charge of the cleaning and dyeing code, said the wages and hour provisions were still in force despite the announcement by the authority.
He asked the code authority was in reality abolished by the NRA action which eliminated all but wages and hour clauses from the cleaning code and a number of service trade pacts. He said that Blue Eagles of the establishments which violated the labor clauses would be taken away and that further action might be taken.
The communication to the President left no doubt as to the displeasure of the cleaning and dyeing code authority over NRA's abandonment of price provisions and other fair trade practice clauses.
They said Johnson, NRA administrator had informed them as late as May 12 there would be no material changes in their code and "particularly there would be no elimination of the trade practice provisions."
"Under the circumstances," the code authority said, "we can only feel that the administrator knowingly and intentionally deceived and misled the said representatives of the trade during the period in question."
NRA officials said representatives of the motor parking trade code authority, one of the service groups, had announced similar to that abandonment of its wage and hour provisions. (Continued On Page Two)

Code Eagles Ready For Local Distribution

Ned Smith, chairman of the local Retail Code Authority, announced this morning that a supply of the new "Code Eagles" has been received for distribution to all merchants who operate under the Retail Code.
The new "Eagles," differing from the old "Blue Eagles" in both name and the fact that they carry numbers, may be secured at the office of R. L. Glenn in the Roumillat and Anderson Drug Store building.

Small Fires Engage Attention Of Firemen

Two small fires, neither of serious consequence, occupied the attention of Fire Chief Mac Cleveland and his men yesterday.
The first was a grass fire at Pine and Cypress Avenues at about 10:00 o'clock, while the second was a fire at the Cameron Apartments on First Street at about 3:00 o'clock in the afternoon. A match was thrown, carelessly, into a bucket of gasoline, and it ignited, scorching several nearby objects before being put out.

SENATE-BASEBALL WEDDING

WASHINGTON, June 21.—(AP)—Miss Susan Sheppard, daughter of Senator and Mrs. Morris Sheppard of Texas, and Cornelius McGillicuddy, Jr., son of Connie Mack, the famous baseball manager, were married yesterday at the Sheppard home here.

New Weapon Will Be Used To Strike At NRA's Chiselers

PRORATION OF CITRUS ON BIG SCALE PREDICTED

WASHINGTON, June 21.—(AP)—I. A. Yarnell, of Lake Worth, Fla., chairman of the national grapefruit committee, said yesterday there was "no doubt" national proration will be used to regulate shipment of next winter's citrus fruit crop.
The Florida minimized the dissonance which caused the meeting of the national grapefruit and orange committees to adjourn Tuesday without selecting a national coordinator for the industry.
"Florida simply wouldn't have two assistant coordinators crammed down its throat," said Yarnell.
The joint meeting broke up after Florida and California committee members had agreed upon A. W. McKay, Farm Administration economist, for coordinator, but Texas withheld its vote and demanded the appointment of Bruce McDaniel, California, as assistant coordinator with Florida also allowed an assistant.
Florida members flatly refused to entertain the consideration of the two additional jobs, and as Texas had enough votes to defeat McKay, the meeting adjourned.
Yarnell said yesterday assistant coordinators would confuse the work of the coordinator.
On the other hand, the Florida found that the meeting accomplished much toward arriving at definite principles for national proration. He expressed confidence the coordinator would be selected at another joint meeting to be called by himself and C. C. Teague, California, chairman of the orange committee.

Yarnell Believes Fall Crop Will Be Shipped To Points As Needed

By a far reaching change in procedure, this source, said the Federal Trade Commission, is to become a business court to mete out swifter decisions of charges of unfair practices.
The new weapon, involving a basic change in relations between the Commission and the NRA is contained in a technical order issued by the Commission.
"As this order was explained today, emphasis is to be placed on the Commission's judicial function."
President Roosevelt, it is said, suggested that the Commission and NRA get together and iron out apparent conflicts in procedure.

175 Head Of Cattle To Come Here Next Week

One hundred and 75 head of stock cattle, to be distributed free among persons securing federal relief, will arrive in Sanford next week, it was announced by Mrs. Helen T. Morse at the Court House FERA office this morning.
Mrs. Morse stated, however, that only half a dozen persons had called so far to make application for one of the animals. Persons on relief who are interested in securing the free cattle should call at the Court House office "at once," she added, "to make arrangements."
The cattle may be butchered to hold for future markets, and any disposition may be made of them that the client may wish. Mrs. Morse stated in questioning O. P. Swepe of Orlando, FERA administrator for Region 6 in Central Florida.

State Road Agent Discusses Highway

T. B. Masie of Tallahassee, highway beautification expert of the State Road Department was in Sanford for a short period yesterday, discussing beautification matters with Chamber of Commerce officials.
He will return to Sanford in a few weeks to discuss the beautification of State Road No. 3, with members of the Garden Club of Sanford.
In this connection he stated that it is not necessary that 200 feet right-of-way be turned over to the Department before beautification work would be authorized.
He said that the new beautification program looks primarily toward the preservation of natural beauty now existing along roadways, and the elimination of signboards.

50 Absentee Ballots Cast At Noon Today

Fifty absentee ballots had been cast at the office of Judge J. G. Sharon at noon today.
Persons who do not expect to be in the county on next Tuesday yet who wish to cast ballots are reminded that they have until midnight tomorrow night to do so.
Judge Sharon's office will be open from 8:30 o'clock tomorrow morning until 8:00 o'clock tomorrow night.
