### Floods Threatening Pacific Coast Area As Cold Hangs On

By THE ASSOCIATED PRESS  
The winter season started today on a stormy, cold and wet note. Rainstorms lashed Pacific coastal areas and floods threatened many areas.  
Cold weather clung to Northern states although there was some relief from the icy blasts of the last several days.  
It was below zero again today over most of New England and wide sections of New York state. Coldest spot early this morning was Mesassa, N.Y., which reported 30 degrees below zero.  
Below freezing temperatures extended from southern North Carolina westward to eastern Oklahoma, northeast Kansas and northwest to southeast Montana.  
The rain in northern California, the heaviest in 15 years, flooded rivers in northwest counties, closed a dozen highways, flooded sections of two communities and cut off ground travel in the north coastal area. Families were forced from their homes in many sections of the storm belt.

### Paraguay Capital Is Calm Despite Reports Of Revolt

MONTEVIDEO, Uruguay (U. S. A.)—Paraguay, capital of Paraguay, was calm this morning despite reports received in Uruguay and Argentina last night that some army units and the city's whole police force had staged an unsuccessful revolt against President Alfredo Stroessner.

A report from Formosa, on the frontier in northern Argentina, said gunfire had been heard in Paraguay, but there was no confirmation of any shooting.  
News dispatches telephoned from Asuncion this morning said the city was tranquil and normal despite rumors of trouble arising from a split in Stroessner's ruling Colorado party.

Last night, reliable informants here said, Stroessner had thwarted an attempt to overthrow him led by Epifanio Mendez Freitas, president of the Paraguayan Central Bank and a former police chief.

### Judge's Condition Said Satisfactory

MIAMI (U. S. A.)—Circuit Judge George E. Holt, 82, was reported in "satisfactory" condition today from injuries received in an automobile-motorcycle crash in which two others were hurt Tuesday night.  
Holt had a probable concussion and numerous cuts on the face and head.

Also hospitalized were Leonard J. Fetsch, 31, a welder who was driving the motorcycle, and Miss Mary Martin, 20, passenger on the motorcycle.

E. E. Bergquist, investigator for the police accident prevention bureau, said Holt would be charged with reckless driving by running a red light and speeding.

Three policemen said they saw Holt's Jaguar speed through an intersection at 30 to 40 miles an hour. The motorcycle struck the Jaguar head-on, they reported.

### Radio Says Men Went Conference

LONDON (U. S. A.)—Moscow radio said today that North Korean Premier Kim Il Sung and East German Premier Otto Grotewohl have called jointly for an international conference to reunite Korea.  
The broadcast said the two leaders issued a communique in Pyongyang, capital of North Korea, after a visit by the touring East German delegation.

The Red Premier also demanded the "immediate withdrawal" of American troops from South Korea and West Germany, adding, "The reunification of Korea and Germany is primarily the concern of the Korean and German people and must be carried out peacefully and along democratic lines."

RETRAY FOR FRANCE  
TOKYO (U. S. A.)—Japan's most ablest baseball pitcher, Crown Prince Akiba, observed his final birthday today.

### True Yule Spirit Is Shown By Judge Toward Prisoners

Christmas comes but once a year, and there is always an outstanding example of the true Christmas spirit displayed as the big day draws near.  
This morning, Seminole County Judge Ernest Housholder requested that ten county prisoners be brought before him.  
He explained to the group, "You heard me, the other day, remark about Christmas and the fact that most of us have instilled in us some of the truths and true meaning of the Christmas story."  
"I know that all of you know something about Christmas and what it means to the world," Judge Housholder said.  
"Justice is always tempered with mercy," he said as he explained that one of the three factors in justice is charity. "Charity is the full expression of love for your fellowman," said the Judge.  
"I am sorry that you find yourselves in the position of being in jail here at Christmas," he said. "Last night as I in Christmas and all of you have been confined for some time, I am going to try to extend to you some of the spirit of Christmas," Judge Housholder told the ten prisoners.  
"I am going to make amended judgments and you will be released at noon tomorrow," he told them.  
As he extended his wish for a Merry Christmas to the ten prisoners, Judge Housholder read this greeting: "I would flood your path with sunshine — I would fence you from all ill — I would crown you with all blessings — If I could but have my will, Aye! but human love — may err, dear — and a prayer all was, Bless you, and God keep you through the year."  
The prisoners released included Bobby Jean Lynn, Annie Hickson, Eddie Lee Benjamin, Tony McLaure, James Davidson, Spence David, Nathan Joiner, Artie Mills, Jack Meditte, and Charles Burris.  
The group of prisoners stood up and in unison said, "Thank you, Judge."  
And as they started to file out of the courtroom, Judge Housholder shouted, "Just a minute, I forgot the most important part of this."  
He reached in his pocket and pulled out a packet of brand new one dollar bills which he distributed to the prisoners, a dollar for each one, as he said, "This is a present from myself."  
"I hope that you take my greeting to you as an expression of all the people," said Judge Housholder.

### Missionary Relates How Red Chinese Treated Him, Wife

CLARK AIR FORCE BASE, P. I. (U. S. A.)—"Abominable treatment" at the hands of the Chinese Communists, including torture, was described by American missionary Dr. Homer V. Madsen today.  
"They handcuffed me, twisted my wrists and forced me to do strenuous physical exercise," Bradshaw told a press conference. Bradshaw, 54, and his wife, about the same age, Pittsburgh, Pa., arrived Wednesday from Hong Kong after five years of imprisonment by the Chinese Reds.  
Bradshaw spoke from wheelchair. He appeared nervous and thin. "I lost about 35 pounds," he said. His wife was not present. U. S. Air Force doctors said "she is still uncertain of her surroundings."  
"They said Mrs. Bradshaw is suffering more from malnutrition than her husband."

### Law Book Reader Builds Up Idea Of Illegal Jailing

OCALA (U. S. A.)—Carl L. Strother, serving a 30-year sentence, took to reading law books and came up with the idea he was in jail illegally.

He wrote Atty. Gen. Richard W. Ervin he wanted a chance to prove his 1943 Marion County conviction of assault with intent to rape should be set aside.

Ervin, investigating, discovered the prisoner had three previous felony convictions in Broward County. He disallowed the "appeal" and recommended that State Atty. A. F. Bule prosecute under Florida's fourth offender law.

Yesterday, Strother, 30, pleaded no defense to this new charge. Circuit Judge Truman G. Futch gave him a mandatory life term.

### Series Of Blasts At Oil Refinery Kills Firefighter

WARREN, Pa. (U. S. A.)—A series of explosions at the United Oil Refining Co. plant early today killed a firefighter and injured 10 others. Fire followed the explosions.

The last of the blasts blew out a brick wall, killing Stewart Willey, about 33, of Warren. Seven other firemen were showered with bricks and debris. Four were admitted to Warren Hospital. None was reported critically injured.

Also hurt were a news reporter, David Brown, of the Sunbeam, N.Y., Morning Sun, and Philip Cople, a commercial photographer in Warren. Brown suffered minor facial burns. He was treated and released. Cople sprained an ankle.

The blast, about an hour after the fire was discovered at 8:30 a.m., knocked down a low wall at the Elmer house of the refinery.

Two hours after the blast broke out in zero temperature, a fire official said, "The building is a total loss."  
The blaze devoured the rambling wooden structure and its contents of valuable antiques despite the efforts of at least half a dozen fire-fighting units.

Guests often stayed at the inn, but police said no one was in the building at the time of the fire.  
The historic stopping place on the old Boston Post Road was built about 1800 and was known originally as the Red Tavern. Later it took on new historic interest when Longfellow used it as the inspiration for his "Tale of a Wayside Inn."

## Silver Dollars Merchandise Jingle

Merchants' bills will jingle with the sound of real hard cash as hundreds of employees are paid off for this week's earnings with silver dollars.  
Employees of three Sanford industries will receive their Christmas week's earnings in silver dollars as the Sanford Manufacturing Company, Pierrre Manufacturing Company, and Brookfield Mills pay off with thousands of the "cartwheels."  
The gesture is being made in order that Sanford stores will feel the impact of the thousands of silver dollars being circulated and spent in local stores.  
The impact of the three firms that manufacture garments in Sanford in the local area will be felt as the bright silver pieces are put into trade channels following the "payday distribution" of the plants located here.  
The Florida State Bank is handling the requirement for the silver dollars that will be used in paying off the employees of the three manufacturing plants here.  
More than 6,000 silver dollars will be used for the three payrolls with the total weight of the bags of silver coming to more than 200 pounds.  
Arrangements for the silver dollar distribution by payroll were planned and arranged by the Seminole County Chamber of Commerce Industrial Committee headed by Don Sales as chairman and the Sanford Industrial Board with Herman Jacobson as chairman.

### Prisoner Escapes Without Greeting

A City prisoner escaped this morning while working with the crew of prisoners in the vicinity of Grove Manor on Mellonville Ave., Nekehanet, Fla. 33 year old negro, left the work crew running. Police Chief Roy Williams said that "the last we saw or heard of the negro, he was running and singing 'I'll Be Home For Christmas.'"  
The prisoner failed to stop and wish those with whom he was working a "Merry Christmas."

### Workers Suspension Results In Strike

TAMPA (U. S. A.)—About 350 hourly employees of the Continental Can Co. remained off the job today in a wildcat strike resulting from the suspension of two workers.  
C. E. Ecker, assistant plant manager, said the walkout came without warning yesterday because the company suspended two men "for walking off the job without permission."  
Botter said local officials of the United Steelworkers of America (CIO) agree it is an unauthorized walkout in violation of the existing contract, and the company and the union are trying to end the strike.

### Former President Vacations In Keys

MIAMI BEACH (U. S. A.)—Herbert Hoover isn't speculating on Republican presidential possibilities. The former president, spry and affable at 80, arrived yesterday for a holiday vacation and some fishing in the Florida Keys.  
He welcomed newsmen aboard the yacht Brigadier but wouldn't offer an opinion on whether President Eisenhower will seek reelection.  
Hoover did say he would return to the nation's capital next month to work with Congress on implementing recommendations contained in the Hoover Commission report. If the recommendations are adopted, he said, the government can save up to six billion dollars in administrative costs.

### Church Of God Set For Yule Program

The Church of God will present an annual Christmas program tomorrow night at 8 o'clock, according to the pastor, the Rev. H. W. Hebderson.  
The play this year is "The Scarlet Ribbon." It is a story of a modern family and their rediscovery of the true Christmas spirit.  
Traditional themes will be presented by the intermediate and junior classes in skits and readings. A candlelight carol program will be sung by the Junior Choir.  
At the close of the service, Sunday School classes will exchange gifts, and Christmas treats will be presented to all who attend.

### Old Wayside Inn Destroyed By Fire

SUDBURY, Mass. (U. S. A.)—The historic, centuries-old Wayside Inn, immortalized by poet Henry Wadsworth Longfellow and restored to its natural beauty by the late Henry Ford, was destroyed by flames early today.  
Two hours after the blaze broke out in zero temperature, a fire official said, "The building is a total loss."  
The blaze devoured the rambling wooden structure and its contents of valuable antiques despite the efforts of at least half a dozen fire-fighting units.

### COMPLAINTS MADE TOKYO (U. S. A.)—A 5-cent increase in prices by Tokyo bathhouse owners to offset higher water rates drew this complaint from the housewife federation: "You'll land us in the poorhouse instead of the bathhouse."

### ELECTRONIC ALLY PUEBLO, Colo. (U. S. A.)—A 17-year-old boy enlisted an electronic ally in the classroom war with teachers.

Mrs. Elizabeth Kelly wasn't too surprised yesterday when she caught Manuel talking — that's against the rules — in her second-floor classroom. But it was something of a shock to learn he was talking with a friend who was outside on the playground.

The two boys were communicating by means of a toy "walking talker."

## Official Opening Of Nautican Jan. 8

The 200 passenger pleasure and excursion boat "The Nautican" arrives at Sanford and will dock at the Municipal Pier at approximately 10 a. m. tomorrow morning.  
The boat, operated by Richard Soder and W. R. Kemp, who are currently opening the famous Seminole Park Raceway near Casselberry, will begin a regular schedule of cruises from the local pier following a gigantic official celebration on Jan. 8.  
The celebration initiating the first cruise from the Sanford Pier is expected to draw celebrities from over the entire State of Florida for the rededication of the St. John's River because of the vast historical significance surrounding the event which will begin to attract thousands of visitors to Sanford and to the "Nile of the Americas."  
Soder and Kemp yesterday said that the huge boat will be manned by Captain W. J. Oliver, Purser Riley, and Engineer Milton Curtis.  
The two operators of the "Nautican" said that the cruise will take visitors over a showplace of America that is as "old as the country itself," Kemp said. "There is not a trip in the State of Florida comparable to this boat trip. There's just nothing like it in Florida."  
Expected to be invited to the official opening of the cruise will be Senator Estes Kefauver who is currently a contender for the Democratic nomination for President. Also to be invited here for the event will be Governor Leroy Collins, included in the invitation for the Sunday event that will take place at 2:30 p. m., will be mayors of cities in an area 75 miles around Sanford along with Chamber of Commerce officials from those cities.  
Local officials will attend the official put into service from that will operate on a regular schedule with cruises daily at 1 p. m. and at 8 p. m. on moonlight nights and at 10 a. m. in mornings.  
By the time the "Nautican" is officially put into service from the Sanford Pier, the bandshell, which has been leased from the City by Soder and Kemp, will be completely neon lighted. An announced sign is expected to blink from a tall tower that can be seen from the Lake Monroe Bridge.  
Signs are being placed at strategic places along highways leading into Sanford from every direction calling attention to the cruises on the "Nautican" and the advantages of visiting Sanford.  
Soder told the Chamber of Commerce committee cooperating with the two operators that "this is a joint venture and a county enterprise that will draw thousands in this area that would not otherwise visit this section." He said, "Everybody will benefit from its initial success."  
Movies and film for television are being made of the arrival tomorrow of the "Nautican" as it moves into the Sanford area at the Lake Monroe Bridge.  
Final plans for the gigantic celebration are getting underway and will be announced in the near future upon their completion.

### Wage Increases Settled Last Nite For Railroad Men

CHICAGO (U. S. A.)—Wage increases ranging from 10 1/2 to 14 1/2 cents an hour have been granted to nearly 200,000 of the nation's railroad workers.  
Eleven rail brotherhoods, representing some 130,000 nonoperating employees, last night signed an agreement with the carriers calling for a pay raise of 14 1/2 cents an hour and company-paid hospital and medical benefits.  
A few hours later the railroad and the Order of Railway Conductors and Brakemen settled their wage dispute, with between 25,000 and 27,000 operating workers getting a general pay hike of 10 1/2 cents an hour. The pact also provides an additional 21 cents a day for conductors.  
The new wage agreements, the railroad estimated, will cost the carriers more than 300 million dollars a year.  
The new pay scale for the non-operating employees, retroactive to last Dec. 1, boosts the average to \$1.85 1/2 an hour.

### Wish Is Granted For Little Tot Missing Dad

TAMPA (U. S. A.)—This will be Cathie Potter's happiest Christmas, even though the 3-year-old won't get one of her two big wishes.  
The one she will get is especially important—her father and mother are being remarried after a divorce of six months.  
Cathie has been living with her mother but she missed her father very much. It seems the loneliness was a round robin affair, too, and the sight of other people happily getting ready for Christmas made it worse.  
"I saw everyone else buying presents," said Jack Potter, a dairy employee. "It was lonely."  
"We'd never been separated at Christmas before," added Ruby Potter.  
At what must have been just the right moment, Cathie went to her mother and said she had been praying all three could be together again for Christmas.  
Also picking just the right time, Jack came by to see Ruby the very next day, proposed again and was accepted again.  
Cathie will be flower girl at their wedding and will go with them on a honeymoon to Key West and Miami.  
"Cathie wanted her two (front teeth) uppers for Christmas, but she's willing to wait now."

### Services Are Held For Mrs. Lyons At Pompano Beach

Funeral services for Mrs. Mary E. Lyons, 88, who died Saturday at the home of her daughter in Pompano Beach were held Monday at 10 a. m. at the First Baptist Church in Pompano Beach.  
The Rev. O. Gay Harris officiated.  
The home was sent by Kroer Funeral Home to Mayo, Fla. for further services and burial.  
Mrs. Lyons died after a long illness. She lived at 114 N. E. 2nd Street in Pompano Beach. She was born in Lowndes County, Ga. and moved to Pompano Beach in 1928. She spent several months each summer here in Sanford with her daughter.  
Surviving her are five daughters, Mrs. Moody Harden, Sanford; Mrs. Y. W. Patrick, Palatka; Mrs. J. R. Brumley, Perry; Mrs. Ethel Fielding and Mrs. J. H. Smith, Pompano Beach.

### Court Order Bans Pickets At Swank Hotel In Miami

MIAMI BEACH (U. S. A.)—The hotel employees union eyed two other luxury hotels today after a court order banned pickets at the swank 365-room Fontainebleau.  
Bern H. Ross, union international vice president, said yesterday's strike at the Fontainebleau was the first of a "winter campaign" and that the Eden Roc and the Lucerne would be struck before the new year "if it becomes necessary."  
Six hours after 20 pickets appeared at the Fontainebleau, Circuit Judge William A. Herin ordered them removed pending a temporary injunction hearing Jan. 17.  
Herin ordered the hotel and the union to continue their negotiations "in the holiday spirit" as to whether the union represents employees of the hotel.

### North Gate Of Base Closed Temporarily

The North Gate of the Sanford Naval Auxiliary Air Station, on Mellonville Ave., will be closed from 4:30 p. m. Dec. 23 until 7:30 a. m. Jan. 3, said officials of the local Navy Base.  
Traffic from the station will use the Main Gate during this period and until the North Gate is reopened. The Main Gate of the station is just east of Sanford Ave.

### Tampa Bay Area Seems Logical Spot For College

TAMPA (U. S. A.)—This city is "on the right track" in its efforts to get a state university and is favorably located to serve the population area," said Fred Kent of Jacksonville, chairman of the Board of Control, adding that any four-year university created to cope with Florida's skyrocketing higher educational needs will have to serve population areas.  
The Tampa Bay area seems the logical spot for establishment of a four-year liberal arts college, according to Dr. A. J. Brumbaugh, director of the survey for the Council for Study of Higher Education in Florida.  
The Tampa committee was advised to continue its study of all factors involved in setting up a college, seek assistance from the commission on community colleges, request the Board of Control to lend a hand in determining educational needs of the area, and consider also the possibility of setting up a two-year community college independent of the four-year university, to meet specialized educational needs.

### Liquor Ordinance May Clamp Down On Wide Open City

TAMPA (U. S. A.)—Tampa, long known throughout Florida as a wide open city, may clamp down on liquor sales before long.  
An ordinance banning sales of alcoholic beverages on weekdays between midnight and 7 a. m., and all 24 hours on Sundays was pushed through first reading by a majority of the city board of representatives (council) in a surprise move this week.  
It still must pass a final reading at some date not set. The ordinance as now drawn up would not become effective until March 1.  
There was evidence of strong and concerted action of church and civic groups behind the ordinance when it was rammed through the first reading over the protests of board Chairman J. L. Young Jr.  
Chairman Young said his objection was to the matter being put to a vote without the usual procedure of going to committee.

### Experimental Jet Forced To Return

MONTREAL (U. S. A.)—The Comet III, Britain's speedy experimental jet airliner, was forced back to Montreal early today after taking off for London on the last leg of a globe-circling test flight.  
The plane, loaded with one of its four engines out, was piloted by John Cunningham, chief test pilot for the de Havilland Aircraft Co. Ltd., and the plane's captain, said a preliminary investigation indicated a defective bracket in the tail-pipe of one engine.  
A complete check was ordered and British Air officials in London said the plane probably would not get home until after Christmas. A spokesman added the damaged engine probably would be changed.  
The Comet III is a prototype of the de Havilland Comet IV, with which Britain hopes to take a lead in the world's aviation industry. The 74-ton airliner is built to carry 60 passengers but only 14 persons were aboard for the flight.

The celebration initiating the first cruise from the Sanford Pier is expected to draw celebrities from over the entire State of Florida for the rededication of the St. John's River because of the vast historical significance surrounding the event which will begin to attract thousands of visitors to Sanford and to the "Nile of the Americas."  
Soder and Kemp yesterday said that the huge boat will be manned by Captain W. J. Oliver, Purser Riley, and Engineer Milton Curtis.  
The two operators of the "Nautican" said that the cruise will take visitors over a showplace of America that is as "old as the country itself," Kemp said. "There is not a trip in the State of Florida comparable to this boat trip. There's just nothing like it in Florida."  
Expected to be invited to the official opening of the cruise will be Senator Estes Kefauver who is currently a contender for the Democratic nomination for President. Also to be invited here for the event will be Governor Leroy Collins, included in the invitation for the Sunday event that will take place at 2:30 p. m., will be mayors of cities in an area 75 miles around Sanford along with Chamber of Commerce officials from those cities.  
Local officials will attend the official put into service from that will operate on a regular schedule with cruises daily at 1 p. m. and at 8 p. m. on moonlight nights and at 10 a. m. in mornings.  
By the time the "Nautican" is officially put into service from the Sanford Pier, the bandshell, which has been leased from the City by Soder and Kemp, will be completely neon lighted. An announced sign is expected to blink from a tall tower that can be seen from the Lake Monroe Bridge.  
Signs are being placed at strategic places along highways leading into Sanford from every direction calling attention to the cruises on the "Nautican" and the advantages of visiting Sanford.  
Soder told the Chamber of Commerce committee cooperating with the two operators that "this is a joint venture and a county enterprise that will draw thousands in this area that would not otherwise visit this section." He said, "Everybody will benefit from its initial success."  
Movies and film for television are being made of the arrival tomorrow of the "Nautican" as it moves into the Sanford area at the Lake Monroe Bridge.  
Final plans for the gigantic celebration are getting underway and will be announced in the near future upon their completion.

### Wish Is Granted For Little Tot Missing Dad

TAMPA (U. S. A.)—This will be Cathie Potter's happiest Christmas, even though the 3-year-old won't get one of her two big wishes.  
The one she will get is especially important—her father and mother are being remarried after a divorce of six months.  
Cathie has been living with her mother but she missed her father very much. It seems the loneliness was a round robin affair, too, and the sight of other people happily getting ready for Christmas made it worse.  
"I saw everyone else buying presents," said Jack Potter, a dairy employee. "It was lonely."  
"We'd never been separated at Christmas before," added Ruby Potter.  
At what must have been just the right moment, Cathie went to her mother and said she had been praying all three could be together again for Christmas.  
Also picking just the right time, Jack came by to see Ruby the very next day, proposed again and was accepted again.  
Cathie will be flower girl at their wedding and will go with them on a honeymoon to Key West and Miami.  
"Cathie wanted her two (front teeth) uppers for Christmas, but she's willing to wait now."

### Services Are Held For Mrs. Lyons At Pompano Beach

Funeral services for Mrs. Mary E. Lyons, 88, who died Saturday at the home of her daughter in Pompano Beach were held Monday at 10 a. m. at the First Baptist Church in Pompano Beach.  
The Rev. O. Gay Harris officiated.  
The home was sent by Kroer Funeral Home to Mayo, Fla. for further services and burial.  
Mrs. Lyons died after a long illness. She lived at 114 N. E. 2nd Street in Pompano Beach. She was born in Lowndes County, Ga. and moved to Pompano Beach in 1928. She spent several months each summer here in Sanford with her daughter.  
Surviving her are five daughters, Mrs. Moody Harden, Sanford; Mrs. Y. W. Patrick, Palatka; Mrs. J. R. Brumley, Perry; Mrs. Ethel Fielding and Mrs. J. H. Smith, Pompano Beach.

### Court Order Bans Pickets At Swank Hotel In Miami

MIAMI BEACH (U. S. A.)—The hotel employees union eyed two other luxury hotels today after a court order banned pickets at the swank 365-room Fontainebleau.  
Bern H. Ross, union international vice president, said yesterday's strike at the Fontainebleau was the first of a "winter campaign" and that the Eden Roc and the Lucerne would be struck before the new year "if it becomes necessary."  
Six hours after 20 pickets appeared at the Fontainebleau, Circuit Judge William A. Herin ordered them removed pending a temporary injunction hearing Jan. 17.  
Herin ordered the hotel and the union to continue their negotiations "in the holiday spirit" as to whether the union represents employees of the hotel.

### North Gate Of Base Closed Temporarily

The North Gate of the Sanford Naval Auxiliary Air Station, on Mellonville Ave., will be closed from 4:30 p. m. Dec. 23 until 7:30 a. m. Jan. 3, said officials of the local Navy Base.  
Traffic from the station will use the Main Gate during this period and until the North Gate is reopened. The Main Gate of the station is just east of Sanford Ave.

## Deal Completed By Two Groups In Auto Racing

DAYTONA BEACH, Fla. (AP)—A merger was completed today between the National Assn. for Stock Car Auto Racing (NASCAR) and the Society of Auto Sports, Fellowship and Education (SAFE) to operate stock car auto racing from coast to coast under the NASCAR banner.

The deal was completed here after lengthy conferences between Bill France of Daytona Beach and Ed Otto of South Orange, N. J., NASCAR president and vice president respectively and Charles E. Scharf of Chicago and Harry Redkey of Indianapolis, president and secretary of SAFE.

All have been closely affiliated with auto racing in all its phases for many years but have confined their efforts to stock car racing since the close of World War II.

France and Otto will continue in their present official capacities while Redkey was named vice president in charge of the late model convertible division.

The late model convertible division is new on the NASCAR program. It will be officially opened with a 100-mile event paying \$10,000 prize money on the beach road course here Feb. 25. The following day the annual 100-mile Grand National circuit championship for \$10,000 will climax NASCAR's seventh annual beach speed program.

All members of SAFE are now NASCAR, and it was announced that NASCAR's rules, regulations and specifications will govern all events in the future.

## Matthews Quitting National League

SAN FRANCISCO (AP)—Clay Matthews, 20-pound end and defensive captain of the San Francisco 49ers, is quitting the National League team to go into business.

The former Georgia Tech athlete announced yesterday he would not return next season.

"I am notifying the front office now because it may alter their draft plans," said Matthews.

The front office is already beset with worries about finding a replacement for former Head Coach Norman (Red) Strader, who was fired Monday.

## Rose Bowl Opponents Working On Offense; Daugherty Gloomy

PASADENA, Calif. (AP)—Like a pair of fighters respecting each other's punch, Rose Bowl football opponents Michigan State and UCLA both were concentrating on offense today.

Usually carefree MSU Coach Duffy Daugherty was a little bit gloomy when he talked about his team.

## Near-Zero Weather Finds Viking 11 Holding Workouts

The Missouri Valley Vikings, post-season bowl participants eight times in the past eight years, are holding workouts in near-zero weather preparing for their ninth bowl opponent, the Juniata College Indians of Huntingdon, Penn. The Vikings play the undefeated Indians in the Tangerine Bowl at Orlando, Jan. 2.

Weight-wise, the Vikings can field a starting line averaging 302 pounds and a backfield that will tip the scales at 183 pounds. This combination has spelled trouble for the Vikings opponents thus far this year, but word from the Indian camp indicates that the Vikings will have to be on their toes to stop a vaunted combination running and passing attack. Juniata is undefeated in 23 games.

Two linemen on the Viking team were singled out for honors this week as they were chosen on the honorable mention Associated Press Little All-American team. Don Blankenship, 207-pound center from Sedalia, Missouri, was chosen along with his teammate, 217-pound end Dick Butterfield from Raytown, Missouri, who is captain of this year's championship MCAU team. Selected by the National Association of Interscholastic Athletics as an All-American was Lavon Norvell, 214-pound anchor in the center of the Valley line.

Coach Volney Ashford, who judges his players by three factors—spirit, speed, and size, says the hardest thing for him to do in his coaching duties is to select a traveling squad and leave other players on the roster behind. No player is ever cut from the Viking squad for reasons other than disciplinary or scholastic. Thirty-seven Vikings are scheduled to make the Tangerine Bowl trip out of a squad of fifty-eight.

## Cold Monkey Tail Is Big Must For Chileans At Christmastime

By CARLOS BARRY  
SANTIAGO, Chile (U.S. —) Eggnog? No, no. Tom and Jerry? No. Yule Punch? Not down here. For Christmas in Chile it's cold monkey tail for everybody.  
No observance of the holiday is thinkable without it. Monkey's tail (also is mono) is a beverage composed of coffee, milk egg and high grade alcohol distilled from grape juice. It comes bottled and nobody knows how it got its name.  
The drink is served cold because the Christmas season is the middle of summer in Chile.  
To Chileans, the holiday is synonymous with family reunions. In almost every home there is a Christmas tree or, more often, a Nativity scene.  
On Christmas Eve, toys are distributed to children. Even toddlers

and adults in drinking monkey tail. In everyone's troops off to midnight Mass.  
For Christmas dinner, the traditional main dish is lobster brought from the Juan Fernandez Islands, 400 miles out in the Pacific Ocean.  
The country people have roast duck with apple stuffing of the highly spiced asado al palo, barbecued meat.  
A more special feast is curanto, an Araucanian Indian dish prepared from a recipe probably 1,000 years old. It is cooked in deep pits dug in sand. These pits are lined with scented herbs and leaves, then filled with layers of eggs, fowl, fish, clams, oysters, mutton, beef, pork and every available vegetable. Hot stones are tossed on top of the ingredients and the whole thing is covered

## Charred Wreckage Is All That's Left

BY THE ASSOCIATED PRESS  
Only charred wreckage remained today of four Air Force planes that collided in two separate accidents over Florida last night, killing at least 11 airmen.

Eight men died when two B47 jet bombers collided over the outskirts of Tampa, showering the countryside with flaming wreckage. One of the planes was from MacDill Air Force Base at Tampa and the other from Pinecastle AFB near Orlando.  
A few hours later an F88D Sabre Jet smashed into a four-engine B29 bomber over Port St. Joe, some 200 miles up the Florida West Coast, killing at least three fliers. Three others were missing. Both planes were from Tyndall AFB at Panama City.

## Big Four Seeking Solid Approval

UNITED NATIONS, N.Y. (U.S. —) The Big Four sought solid U.N. approval today for a split-term scheme to break the Security Council membership deadlock delaying adjournment of the 1953 General Assembly session.

Under the proposed "gentleman's understanding," Yugoslavia would be elected to the Council seat Turkey vacates Jan. 1. The Yugoslavs then would resign at the end of 1956 and the assembly would elect the Philippines for the rest of the two-year term.  
As delegates prepared to ballot a 36th time, hope was voiced that the compromise would go through and the assembly could wind up today.

A WORKMAN SURVEYS damage from a section of the old International Bridge, Eagle Pass, Texas. The span threw 38 percent into the dry river bed of the Rio Grande as it dropped 30 feet. Damaged by last year's flood, the bridge had been used as a temporary one. The old 180-foot section of the span on the United States side, held while the new segment, just opened on the Mexican side, held. Most of the injured, four critically, were Mexican farm workers.

MAILED AND BANNED in approval of President Eisenhower's "open sky" mass inspection plan by the United Nations Political Committee in New York. Soviet bloc opposition was assured under 48 to 8 and U.N. General Assembly acceptance was assured. The President's proposal calls for an exchange of military blueprints and aerial coverage. It was first presented at Geneva Conference (International)

## Members Of T. E. L. Class Enjoy Party In Church Annex

Members of the T. E. L. Class of the First Baptist Church enjoyed their annual Christmas party in the Educational Building of the church on Monday evening.

Gifts were placed under a gaily lighted and decorated Christmas tree by members as they entered the room and were later distributed. The Christmas Story was told by Mrs. E. H. Boepple as the devotional and Christmas songs were sung by Mrs. F. L. Humiston, accompanied at the piano by Mrs. E. M. Carroll.

The tables, from which a turkey dinner was served immediately upon arrival of the guests, were covered with white cloths and decorated with sprays of Brazilian pepper and red poinsettias.

Those enjoying the party were Mrs. A. K. Rosetter, teacher, Mrs. Carroll, Mrs. John Abrahams, Mrs. C. E. Benton, Mrs. J. A. Benson, Mrs. J. A. Cunningham, Mrs. M. Cumming and Mrs. R. L. Garrison of Orlando, Mrs. W. E. Kader, Mrs. M. E. Metts, Mrs. M. S. Nelson and Mrs. E. L. Price.

Also Mrs. F. P. Rines, Mrs. W. B. Slovall, Mrs. Jessie Royal, Mrs. L. A. Smith, Mrs. S. W. Smith, Mrs. F. E. Gatchel, Mrs. Martha Marshall, Mrs. Lillian Vickery, Mrs. W. L. Whiddon, Mrs. Charles McWilliams, Mrs. L. J. Johnson, Mrs. Sheila Cameron, Mrs. W. H. Britt, Mrs. Mabel Estey, Mrs. Nancy Dobbins, Mrs. Boepple, Mrs. Humiston and Miss Marie Stewart.

The folks up in New England first discovered the turkey three centuries ago—and if anybody knows how to dress a turkey and serve it delectably they do.

For centuries they've been glazing the gobble with 100% pure maple syrup—and what a delicious and delicate flavor it adds. Even looks better! Garnish with colorful side dishes including whole cranberry sauce served in scooped-out grapefruit shells and candied yucca. The 100% pure maple syrup does something special for sweet potatoes, too.

### MAPLE ROAST TURKEY

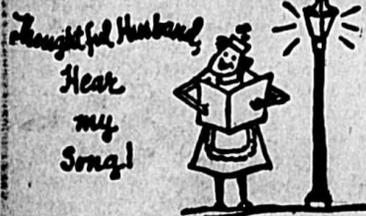

14 lbs. 100% pure maple syrup  
1/2 cup gravy base

Roast turkey as usual. Baste with maple syrup. Place on a rack in roasting pan. Brush with melted margarine fat. Baste with maple syrup. Roast in slow oven (300° F.), basting several times with maple syrup. Add 1/2 cup maple syrup to pan. Remove turkey when done. Let rest 15 minutes. Carve and serve.

### MAPLE SWEET POTATOS

1/2 cup 100% pure maple syrup  
1/2 cup brown sugar  
1/2 cup butter  
1/2 cup milk

Boil sweet potatoes in salted water until just tender. Place potatoes in pan, add syrup, and cook 15 minutes. Spoon syrup over potatoes frequently during cooking.

## VFW Auxiliary Has Annual Christmas Party In Legion Hut

The VFW Auxiliary No. 3223 sponsored recently its annual Christmas party for 40 children and 20 adults in the American Legion Hut.

Santa Claus was played by Jolly Mike Thomas who gave toys and candy along with fruit to the guests. Goodies left over from the event were given to the Methodist Children's Home.

A lavish table loaded with various food including cakes and pies, was served by the ladies after the gifts were handed out.

Those present were William Nilton, Mr. and Mrs. M. R. Cook and family Mr. and Mrs. John A. Hall and son, Mrs. A. Tully and Barbara, Mrs. E. N. Dillard, Mrs. M. J. Zagray, Mrs. C. F. Macer and family, Mr. and Mrs. Melvin Smith, Martha Hardwick and son, Mrs. R. C. Smith and Joe Rosa, Mrs. Lacey E. Nieman, Mr. and Mrs. George M. ## George Maffetts Honor College Boys In Home On Sunday

Mr. and Mrs. George Maffett gave a coffee in honor of the Citadel boys from Sanford and Winter Park at their home Sunday afternoon.

From 5 to 8 p. m. the affair was greatly enjoyed. Silver decorations predominated the theme. Those honored were Allen Maffett, Ronnie Robinson, Terry Cordell and Clifford Roston from Winter Park. Others attending were Carlton Norris, Orlando; Joe Hunt, Bobby Bihimer, Johnny Higgins, Terry Smith, James McKee, Robin Brown, Roger Garner, Joe Fisher, Robert Miller, Robert Gonzalez, Harold Pale, Larry Pale, Bob Shoemaker, Charles Wilks, Wesley Hamill, Curtis Hughes, Tom Lewis, Mrs. Charles Hamill, Mrs. R. Robinson and Mr. and Mrs. Earl Turner.

What to serve with popular frozen fish sticks? How about Tartar Sauce made with mayonnaise grated onion and pickle relish?

Add a little finely diced celery to those canned salmon croquettes for good flavor and tartar contrast.

Serve heated small cocktail sausages with a cheese dip as an appetizer along with tomato juice.

Mrs. Ralph Leasing, Mrs. H. Anderson, Mrs. Robinson, and Miss Debbie Keeling.

The hostesses for the evening were: Mrs. Helen Witt, Mrs. Ed Simpson, Mrs. Gus Schmah and Mrs. Bonner Carter.

The next meeting of the club will be Jan. 9, 1944, which will be installation of officers. Hostesses for this meeting will be Mrs. Earl Moxley and Mrs. Herbert Thurston.

## Spirit Of Christmas Prevails Over Pilot Club's Dinner, Meet

The spirit of Christmas prevailed at the dinner meeting of the Pilot Club held in the Yacht Club on Monday evening. Hostesses for the gala event were Mrs. Nancy Brock, Mrs. Troy Kay and Mrs. O. K. Goff.

The tables, where guests were seated for the turkey dinner, were covered with white cloths and decorated with red crepe paper, holly berries and red tapers in crystal holders. The speaker's table held a lovely centerpiece of silvered driftwood outlined with red candles and holly. Places were marked with individual Christmas cards. Other decorations in keeping with the season were placed about the room.

Mrs. Denver Corcell, introduced by Mrs. Ruth Scott, program chairman, directed an entertaining program that was enjoyed by all. Mrs. E. T. Humphrey furnished piano accompaniment for the entertainment and for a number of Christmas songs that were sung by the group.

Mrs. Harvey Swanson presided over the meeting and announced the club's annual bridge benefit which will be held on Jan. 9 at 8:00 p. m. in the Mayfair Inn. Tickets may be purchased from any member of the Pilot Club. The program and meeting was closed with a reading of a Christmas Prayer by Mrs. Swanson.

Those enjoying the party were Mr. and Mrs. Joel S. Field, Mr. and Mrs. George A. Stone, Mr. and Mrs. E. B. Randall Jr., Sheriff and Mrs. Denver Cordell, Mr. and Mrs. Swanson, Mrs. Scott, Mrs. V. C. Messinger, Mrs. Leon Bryan, Mrs. Olive Bryan and Miss Baren Lynn Coker of Greenboro, N. C., Mrs. Esther Ridge, Mrs. D. K. McNab, Mrs. Humphrey, Mrs. Troy Kay, Mrs. O. K. Goff, Mrs. Walter L. Carter and mother, Mrs. C. E. Lachetta of Dawson, Ga., Mrs. Sue Stevenson, Mrs. Al F. Hunt, Mrs. M. N. Cleveland, Miss Sadie Soderblom and Miss Elsie Farley.

Mrs. R. F. Cronshaw presented a cordial welcome and the Rev. Wyatt gave thanks to "God in prayer for the bounteous blessing through out the past year."

The delicious turkey dinner was then served. After the meal the group sang Christmas carols. Mrs. G. L. Anderson gave the devotional which was taken from the Bible story of Luke.

Mrs. Gustave Brudie of DeBary sang "Oh Holy Night" with Mrs. Frank Hickson as organist. Mrs. S. G. Harriman gave a reading called "Ruggles in The Red" from Birds Christmas Carol by Kate Douglas Williams.

She also gave a short poem on "The Miracle of Christmas."

Miss Mary David and Miss Bessie Greek played several selections on the harmonium Miss Mary and piano with closing prayer by the Rev. Wyatt. About 20 members were present.

Mrs. Denver Corcell, introduced by Mrs. Ruth Scott, program chairman, directed an entertaining program that was enjoyed by all. Mrs. E. T. Humphrey furnished piano accompaniment for the entertainment and for a number of Christmas songs that were sung by the group.

## Party Resolution For The Holidays

To make holiday parties come and go smoothly, keep your entertaining simple and easy. When you have homemade Grapefruit and Mint Jelly close at hand, it takes no time to fix a festive tray to serve with steaming coffee. Shimmering, glistening molds of jelly surrounded by crackers can be such pretty party fare and are oh-so-easy to make!

Just follow this tested recipe and in fifteen minutes after the fruit has been prepared, you'll have ten steaming glasses filled to the brim (with Grapefruit and Mint Jelly). Its delicious flavor will inspire a resolution to try other recipes available in the Carta Santa that comes with each bottle.

**GRAPEFRUIT AND MINT JELLY**  
1/2 cup juice (4 grapefruit)  
1/2 cup (1/2 cup) sugar  
Green coloring  
1 bottle Corte liquid fruit preservative

1/2 cup 1/4 teaspoon essential oil

Wash grapefruit juice. Grate rind and squeeze juice from 4 SEASONED grapefruit. Add juice to rind and let stand 10 minutes. Then pour juice through a cloth. Measure 1/2 cup into a very large measuring cup. Then add the jelly. Add sugar to taste in increments and stir well. Pour over high heat and, while stirring in water in a hot, add green coloring to give desired shade. As soon as mixture boils, stir in Corte. Then bring to a full rolling boil and boil hard 1 minute, stirring constantly. Remove from heat and strain off foam with metal spoon. Add flavoring and pour into jelly line glasses. Cover jelly at once with 1/2 inch hot packing. Let stand 20 minutes. Remove cover jelly at once with 1/2 inch hot packing. Let stand 20 minutes.

## On The Bookshelf

By S. Deigore

(We hope all of our friends and patrons of the public library will enjoy this new column. We will try to give you, every week, information on the new books and some of your favorite authors.)

The book of the month for December is a double selection. "Kings of Sparrows" by Sumner Golden, is a story of two London alum children who wanted a garden. Their desire was to change the lives of several people not only the children, but also Vincent's, the restaurant keeper — and the rich Mrs. Chestnut's in the square.

Also, "We Die Alone" by David Howarth, a true story of a young Norwegian who escaped from the Germans during the winter of 1943. After 20 miles of travel over snow and ice waters, he arrived in Sweden. His adventures include the many incredible hardships he encountered.

In order are the following: (For men) "Outdoor Man's Cookbook" and "Florida Fish and Fishing" by Phil Francis. George Burns' book "I Love Her That's Why" should be very entertaining reading.

Replacements ordered of old favorites include "Prisoner of Zenda" by Anthony Hope and "Red Badge of Courage" by Stephen Crane.

The Garden Club has ordered a new book for the library entitled "Native Trees of Florida". It is full of illustrations and is a book we have had many calls for in the past.

The answer to "Why Johnny Can't Read" is also an order: "Retreat from Learning—Why Teachers Can't Teach" by Joan Dunn. This is a behind-the-scenes story of what goes on in a large metropolitan high school. Writing from personal experience, the author reveals the conditions which make teaching in the public schools a nightmare; provides factual background from the educational reports of student gangs and points out that the emphasis on the importance of study is vanishing.

Merry Christmas and Happy New Year!

Miss Sigma Phi Sorority and Monday night at the home of Mrs. Warren Kessler on Stevens Ave., for a short business meeting.

The program on music was presented by Mrs. E. C. Harper Jr., after which there was a social hour.

Christmas carols were played and refreshments of holiday punch, cookies and snacks were served.

# Baseball Already On Tongues Of Residents In This Area

Conversation has been stirring up a little bit over the forthcoming baseball season. Since we are not in the area benefitting from attendance at the big games, we naturally look at news and views emerging from the metropolitan centers of the nation.

There comes up now, a new suggestion for stirring up interest in big league baseball. This one was made by Hank Greenberg who supervises the Cleveland Indians for the club owners.

Greenberg would have the schedules include games between the teams of the National and the American League as well as with games of the other teams in the league to which a particular team belongs.

### Good Things Are Here

There's a Christmas Gift for everybody in Sanford and Seminole County if those of us who would like to have a generous helping of the real Christmas Spirit would only look about us and sum up all that we have that others are not so fortunate to receive.

Sanford grows every day, and with its growth, citizens are prospering and benefitting from the expanding economy.

Very seldom does one see a community so wrapped up in growth and prosperity as we are here.

But to listen to visitors from North, East, South, and West expound on the subject of Sanford's growth and prosperity, its facilities, its government and its people, we come to learn that much is happening that often the local citizen overlooks.

Coming to realize all that we have, all that is going on in the way of new building of homes and industry, is a Christmas Gift that can be enjoyed from now on.

Good things are here for us to enjoy if we but look about us. We can go about, from now on, with a heartier Merry Christmas for those whom we meet and with whom we associate.

TODAY'S BIBLE VERSE  
Are not two sparrows sold for a farthing? and one of them shall not fall on the ground without your Father.—Matthew 10:29.

The big league player and manager reasons that many American League Followers would like to see Stan Musial in action, just as the National Leaguers would appreciate a chance to watch Ted Williams.

Club owners, we know, are a conservative group of businessmen, and so far have given no sign of warming up the least bit to Greenberg's proposal. But, as we have watched, attendance has been dropping over the years, a phenomenon for which television bears some responsibility.

Reluctance to change should not cause the owners to dismiss the new idea without careful consideration.

Of course, those of us here in this end of the country sort of rely on television for a glimpse of the big leaguers in action, and we do like to see the New York Giants when they take to the field in baseball competition.

While we're talking about baseball, we wonder what's happening in the local circles of the grand old national pastime.

With Christmas here and soon will be behind us, there should be some conversation and plans going on as to what will happen in the local stadium during the coming summer months.

### Room For Everybody

There's room for everybody in Sanford. And we mean there's room for everybody who wants to park a car for shopping, for a visit, and merely to stop by to pick up a package or gift.

Sanford and Seminole County shoppers have the advantage now of a huge parking lot provided for their convenience right in the center of Sanford's shopping activities.

There's no long walking or waiting for an available space if we use all of the facilities that have been looked forward to for such a long time.

Only recently, the parking lot just to the rear of the Seminole County Educational Building on Commercial Avenue was partially completed in time for Christmas shoppers to use.

There are no charges to use this wonderful parking lot, and there is no waiting either. Just drive in, park, and step over a mere block to the shopping center on downtown First Street.

This new parking lot will keep shoppers from having to drive around and around the immediate shopping center in an attempt to find a place to leave the family car for an hour or so.

We hope that motorists and shoppers will use the parking lot to its complete capacity for only through use will we be able to justify its building, and expense.

## Ike, Johnson, White Create Hope

WASHINGTON (U) — No three create hope for a full life among victims of heart attacks.

President Eisenhower and Lyndon Johnson of Texas, leader of the Senate Democrats, are recovering from heart attacks of their own. It was Dr. Paul Dudley White, Boston heart specialist, who did the explaining.

Neither Eisenhower, stricken in September, nor Johnson, who had his attack in July, is out of the woods yet — in the sense they have not fully recovered their doctors tell them to resume a full life.

Both are awaiting the final medical verdict: Eisenhower in February to drive your car. But don't under any circumstances get behind the wheel if there is any doubt about being able to handle all traffic situations.

(2) No matter how fit you feel after a holiday party, have a cup of coffee or other stimulating non-alcoholic beverage before motorizing home. Coffee is an "alertness" beverage and when taken as "One for the Road" will help you drive more safely.

(3) Holidays hosts and hostesses have a responsibility to their guests. It is the duty of those who give parties to use whatever stratagems are necessary to prevent unwise guests from driving off to a possible accident.

Sincerely yours,  
J. Denver Cordell,  
Sheriff,  
Seminole County.

## LETTERS TO THE EDITOR

Dear Sir:

All groups interested in highway safety look toward the coming Christmas-New Year holidays with more apprehension than with joyous anticipation. This is because they are more acutely aware than the general public of the thread of tragedy through the merry making.

Last year, nearly 700 of us died in motor vehicle accidents over the holiday period. These deaths can be blamed in large part on the unfitness of the drivers or of pedestrians involved. In some cases, fatigue was a factor because of the extremely late hours of holiday parties; in many, overindulgence was to blame. The net result was the same in either case; tragedy.

The Seminole County Sheriff's office would like to call to the attention of your readers some advice for the holidays that can save lives:

(1) Where there is any question of over-fatigue or over-indulgence, don't drive. Ride a bus, a cab, with a friend or get a fit substitute to drive your car.

## G. Morgan Attends Sherwin-Williams Cleveland Course

Attending a special "new developments" training course conducted by The Sherwin-Williams Co., Cleveland, Ohio, was George W. Morgan of 2336 Magnolia Ave. The course, directed by Sherwin-Williams executive and research personnel, included a two-day visit to the company's Chicago factory and research laboratories. Morgan is manager of the firm's local branch at 117 Magnolia Ave.

He is an active member of the First Christian Church, where he is an Elder and Chairman of the Board. He is also a member of the Kiwanis Club. During World War II, he served 29 months in the U. S. Navy.

Morgan and his wife, the former Wilma Bond, have one child — Shirley, age 13.

## Your City Charter

Section 22. ASSESSMENT OF TAXES, STATE LAW TO APPLY UNLESS INCONSISTENT. Unless inconsistent with the provisions of this Act or the ordinances of the City, the general laws of the State, with reference to the assessment of taxes by the County Tax Assessor, shall apply to and shall be binding upon the City Assessor, where no provision is made in this Act governing his action.

Section 24. TAXES, WHEN DUE AND PAYABLE; INTEREST ON DELINQUENT; DUTY OF TAX COLLECTOR; DISCOUNT FOR PROMPT PAYMENT; DEPUTY TAX COLLECTORS MAY BE APPOINTED; AUTHORITY OF DEPUTIES; LIABILITY OF DEPUTY TAX COLLECTOR; COMPENSATION OF DEPUTY TAX COLLECTOR. All taxes shall be due and payable on the first day of November in each year, or as soon thereafter as the assessment roll may come into the hands of the Tax Collector, of which he shall give notice by publication; and the Tax Collector is hereby vested with the power, and it shall be his duty to collect by levy and sale of the goods and chattel, lands and tenements assessed, all taxes that remain unpaid on the first Monday in April of the following year, if any tax payer shall pay his taxes in November he shall be allowed by the City Tax Collector a discount of two per cent. thereof; and if he shall pay in December he shall be allowed a discount of three per cent. thereof; and if he shall pay in January he shall be allowed a discount of two per cent. thereof; and if he shall pay in February he shall be allowed a discount of one per cent. thereof. The same discount as above provided for prompt payment of taxes upon real estate shall be allowed for the prompt payment of taxes on personal property. The City Tax Collector may appoint deputies to collect unpaid taxes on personal property and a written appointment from the City Tax Collector with a statement from him of the person in whose name the property is assessed and the amount of taxes due shall be sufficient warrant and authority for such deputy to act and it shall not be necessary for a deputy to take the tax roll or warrant annexed thereto with him; provided that a deputy Tax Collector so appointed shall be liable to the same penalties prescribed in this Act as the City Tax Collector would be for its violation or for neglect of duty, or otherwise; delinquent personal property taxes shall bear interest from date of delinquency at the rate of twelve per cent per annum for the first year or portion thereof, and eight per cent per annum for the time after the first year of delinquency, and the deputy tax collectors shall be entitled to the following fees (which shall be collected from delinquent tax payers at the same time such tax and interest are collected): On amounts of less than ten (\$10.00) dollars his fee shall be one (\$1.00) dollar; on taxes over ten (\$10.00) dollars his fee shall be an amount equal to ten percent of the tax collected; provided that in no case shall the fee exceed the sum of ten (\$10.00) dollars.

### Santa Claus Will Deliver Many Bikes To American Youth

Santa Claus will deliver a record load of shiny new bikes as Christmas presents for American youngsters this coming Yuletide, the Bicycle Institute of America, trade association of the industry, reported today.

In past years, 40 per cent of the bikes given as gifts were purchased in the six weeks before Christmas. This year, this will be increased to 10 to 15 per cent, according to the most recent survey of retailers by the Institute.

Most youngsters get their first bikes for Christmas. With more than 4 million youngsters becoming

bike-riding age this year, the rise in Yuletide bike-gifting was not unexpected.

Parents will be able to choose from the most impressive and different line of models ever presented by American manufacturers in the industry's 75-year history. For example, one major company has 75 models ready for selection.

Besides the ever-popular standard balloon-tired bikes, American lightweight models with a record of manufacture in this country going back over 60 years will be available.

Also ready for the Christmas buying season now in full force is something new in bike circles—a "middleweight" speedster bike combining the best features of the standard and lightweight two-

wheelers, including multi-speed gear shift, sturdy coaster brake, new-type light cantilever frame, and the revolutionary new 1.75 inch cross-section tires. Elaborate tests have proven that the latter type tires with a 3/4-inch less cross-section than balloon-tires enable the "middleweight" bikes to be pedaled with more ease, smoothness and speed than any lightweight racer. Dealers report that interest is so keen in the new "middleweight" wheels, according to the Institute, that more than 40 per cent of the bikes sold before Christmas will be in that category.

Biggest mistake made by parents at Christmas is getting the wrong size bikes for their offspring. To avoid that, here is a simple rule to follow: All Ameri-

can-made bikes come in four basic sizes depending on the diameter of the bicycle's wheels. If the youngster is from 3 1/2 to 6 years old, get him a 16-inch bike with "outrigger" wheels which can be removed when she, or he, learns to balance. For kids 6 to 7, a 20-inch bike is the proper size. Eight to 10 years olds will be happy on a 24-inch bike. For 11 year olds and up, a full-sized 26-inch bicycle will fill the bill.

Try a decorative edible center-piece made of frosted grapes. Separate the grapes into comfortable clusters, wash them and drain thoroughly. Dip the clusters quickly in heavy cream and shake them gently. Then dip them in granulated or powdered sugar, and let them rest on wire racks until they're dry.

## Mighty Minnesota To Face Kentucky In Tourney Start

By THE ASSOCIATED PRESS  
Kentucky collides with powerful Minnesota tonight in the first round of the Kentucky Invitational Tournament and Tennessee meets Clemson in the semi-finals of the Charlotte Carrousel.

Auburn invades Oklahoma City and Mississippi State, beaten 96-48 last night by Wake Forest, plays Davidson in one of the Carrousel

sets consolation affairs. Alabama gets the rest of the week off after upsetting previously unbeaten Holy Cross 89-84.

Vanderbilt and Florida remained the only undefeated teams in the Southeastern Conference with victories last night. Florida beat Miami 74-69; Vandy topped Georgia 61-51. Florida's spotless slate is Davidson in one of the Carrou-

moves to Nebraska for a tough one tomorrow night and faces Iowa State Friday night. Both Vanderbilt and Florida have 3-0 records.

Tulane bottled up Ohio State All-American Robin Freeman, but the Buckeyes got superb rebounding and trimmed the Greenies 72-66 last night. Freeman, the nation's leading scorer with a 37.2 average, was confined to 21 points,

seven from the free throw line. Tennessee ruined Boston University's spotless record by handing the Easterners their first setback 80-88 in the first round of the Charlotte tournament. Carl Widsoth netted 30 points for the Vols. Jack Kubiszyn, Alabama's reserve center, hit for 12 points in the last seven minutes after Jerry Harper had fouled out. The second string pivot's brilliance, coupled with the fine work of George Linn average, was confined to 21 points,

much for favored Holy Cross. Alabama took an early lead and held it all the way despite several frantic Holy Cross rallies in the second half.

Florida kept its slate spotless with a fine rally. Miami led the SEC team by 14 points at one paced Florida. Ed Morris, torrid in the first half, led Miami with 19.

### CITRUS PRODUCTION HIGH

LAKE ALFRED (N)—Florida produced more than 25 per cent of the oranges grown in the world last season and 72 per cent of the grapefruit, the State Citrus Experiment Station reported.

Figures compiled by Zack Savage, agricultural economist, placed the world's orange production at 354 million boxes and grapefruit at 48 million boxes.

### POPULATION GAINS

MIAMI (N)—Dade County has gained 208,693 persons since 1954 and has a population of 763,777, U.S. census officials in Washington said yesterday.

The increased population gives this county four new circuit judges, according to a state law which calls for one judge for each 50,000 residents.

### FATHER DENIES CHARGE

MARIANNA (N)—A 25-year-old Round Lake father is being held without bond on charges he raped a 13-year-old girl at Round Lake Sunday night.

James R. Fortune gave himself up Monday night after learning he was sought by officers. Sheriff Roy Roberson reported yesterday. Fortune denied the charge.

He is married and has a small child.

### STORY INVESTIGATED

BRADENTON (N)—Officers are investigating an itinerant's story that he may have killed a man in California for his car in 1951.

Police Chief Mack Britt said William G. Hines, 44, told that story soon after being arrested for drunkenness Dec. 15, but repudiated it when sober the next day.

Britt said Hines related he was hitchhiking, got a ride with a man driving a car with a Missouri license, knocked him in the head at Radio, Calif., took the man's money and car and left him in a ditch.

## 17 Persons Die In Plane Crash At Jax Airport

### Pledge Demanded From Jordan Chief By Demonstrators

AMMAN, Jordan (AP)—More than 50 demonstrators marched to the office of Jordan's Prime Minister today and demanded a pledge that his government would not sign the Baghdad pact.

In another part of the capital Arab Legion troops hurled tear gas grenades to disperse a crowd of 400 persons rioting against the Western-sponsored alliance.

It was the sixth day of turbulent demonstrations in Jordan. Yesterday mobs attacked the U.S. consulate in the Jordan sector of Jerusalem for the second time since Saturday and ripped down the American flag.

For several hours mobs roamed the heavily guarded streets of Amman today cheering, shouting and ignoring appeals to disperse. They demanded release of all political prisoners, free speech and a free press for electorates.

### Miami Judge Hurt In Speeding Jaguar Said Going 70 mph

MIAMI (AP)—Circuit Judge George H. Holt was seriously injured last night when he was speeding a Jaguar being chased by a police car, collided with a motorcycle at 70 miles an hour.

Holt, 57-year-old father judge of the Miami Circuit Court, suffered head injuries. He was taken to Jackson Memorial Hospital where doctors reported his condition "serious."

Two riders on the motorcycle—Leonard Feldman, 38, and Mary Martin, 28, also were seriously hurt.

Policeman Charles J. Gschwind and Jack Headley said they were chasing Holt's sports car and were two blocks behind it when the collision occurred at 11:30 p. m. after the judge ran through a red light.

Feldman and Miss Martin were thrown over the top of Holt's car. Police said sports flow from both the Jaguar and the motorcycle as they collided.

The Jaguar jumped the sidewalk and ran into a pile of dirt.

### Ford Foundation Will Sell Shares

WASHINGTON (AP)—The Ford Foundation will sell 10,000,000 shares of Ford Motor Co. stock next month, in the largest equity stock issue in history.

A statement filed with the Securities & Exchange Commission today disclosed a board in the planned amount of the public offering. Earlier, planning had been on the basis of sale of about seven million shares.

The pioneer auto firm told the SEC its earnings in the first nine months of 1955 were \$212,000,000.

The registration statement, bearing financial records of the 59-year-old company for the first time, stated a surplus—total capital and earnings retained in the business—of \$1,500,000,000.

The Foundation evidently made a last-minute decision to boost the amount of the sale offering because of indications of heavy market demand for the new common stock, which carries voting rights.

### Drivers Exams Are Canceled On Friday

To allow others to enjoy a well earned Christmas holiday, there will be no drivers examinations given by the Florida Highway Patrol on Friday, Dec. 23.

The regular schedule of examinations will be resumed on Tuesday, Dec. 27.

JACKSONVILLE, Fla. (AP)—An Eastern Airlines Constellation crashed and burned on its landing run early today, killing all 17 persons aboard.

It was the third air crash in Florida in three days.

Monday, two Air Force jets crashed over the coast of Tampa midway down the Gulf of Mexico coast, killing eight persons and a bomber crashed over St. Joe, 200 miles up the Gulf coast, killing three men and leaving three missing.

The plane was only a quarter mile from the end of its runway at the airport when it apparently came in too low, hit the top of a tree in the early morning darkness and plunged to the ground.

The airport said visibility was hazy, the ceiling 300 feet.

The plane's passengers apparently never had time to try to escape. The cabin was twisted and mangled.

Five of the dead were crew members.

Sixteen of the bodies were badly burned. It was three hours after the 2:40 a. m. crash before firemen could remove them.

W. A. Patrick, chairman of the Seminole County Savings Bond Commission, today announced purchase figures on U. S. Savings Bonds for the month of November and the first seven months of 1955.

The volume of Savings Bond purchases in Florida, as well as in the nation as a whole, has established a new low year record for the month and for the seven months January through November.

Florida's purchases for November reached a total of \$5,187,885, a gain of 14.1 per cent over 1954. It brings the total for the first eleven months of 1955 to nearly \$75,000,000 and 88 per cent of the state's \$74,000,000 quota for the year.

At a meeting of the Jaycees Board of Directors, held last night, the deadline for receiving the awards here has been extended to Jan. 15.

The Distinguished Service award is an annual presentation to a young man, 25 years old or younger, who has served the community in an outstanding manner during 1955.

The person nominated for the award need not be a member of the Jaycees organization to receive the plaque presented each year.

Months for nominating a young man for the important award may be obtained from the Jaycees Information booth or from any member of the Seminole County Junior Chamber of Commerce.

### If Courts Rule Collins Ineligible He'll Back Program

MIAMI (AP)—If the courts rule Gov. Collins is ineligible to serve a full term, he said here last night, he will support some other candidate who would carry out his program.

Collins told a television audience he wanted the full term because so many things are getting under way that he is proud of. He said he did not like the idea of being a candidate and having those projects weighed as political.

Collins added that he would not seek a court decision on his eligibility unless he was interested in becoming a candidate. He has said he would seek such a ruling.

The governor cited the need for Florida to take the lead in state power because other states have power advantages now, and cited the case of five large industrial plants who sought to locate in Florida but decided against it because of the power available elsewhere in the South.

### Masonic Services Will Be Conducted

Funeral services for Frank St. Pierre, 62, will be held at St. Francis Funeral Home with the Rev. J. W. Farham of Central Baptist Church officiating. The time has been set for 4:30 p. m. Thursday.

TALKING OVER THE MAYFAIR INN Open following presentation of top prizes were (left to right) Jay Hebert, Carl Hubbell, Ed "Porky" Oliver, Horace Stoneham, Ray O'Bryan, and Frank Mohane Jr. The tournament was a complete success. (Staff Photo)

### Regular Meeting Postponed By City

The Board of Sanford City Commissioners will observe the Christmas holidays by postponing the regular Monday night meeting of the Board.

The Board of Commissioners will meet Tuesday night, Dec. 27 at 8 o'clock instead of the preceding night which has been set aside as a holiday.

### Police To Perform Regular Schedule

Sanford Police Chief Roy Williams said that "the Police Force will operate on its regular schedule over the holidays."

Because of Christmas falling on Sunday and the following Monday being observed as a holiday the Sanford Police Department will operate with its full force.

GAS WAR EXPENSIVE. ST. PETERSBURG (AP)—A lengthy gas price war is costing St. Petersburg service stations a good deal of money and not boosting sales materially, one operator reported.

The war, running off-and-on since April, has dropped the price of regular gas at major oil stations from 29.7 cents a gallon to 29.9, with independents a penny less.

BACK IN HARNESSES. SARASOTA (AP)—America's premier one circus press agent is going back into harness after an 18-month layoff.

Reinold Butler, head of the press department for Ringling Bros. and Barnum & Bailey Circus for more than 20 years, is taking over the job he left in June 1954.

## \$2,000 Bonds OK'd By Commissioners

Bonds for \$2,000 were approved yesterday by the Board of Seminole County Commissioners for J. W. Yarbrough, Superintendent of the County Road Department and J. L. Vance, clerk in the County Road Superintendent's office.

Also coming before the Board of Commissioners for approval were bonds for Edward P. Walker, Robert Glen Higin, Thomas Clark Golden, and Harley Clyde Thomas, four new deputies assigned to the Seminole County Sheriff's office and appointed by Sheriff J. Denver Cordell.

## 'Wildcat Strike' Believed To Be In Beginning Stage

MIAMI (AP)—Three hundred Florida Greyhound bus drivers failed to show up for work early today and bus line officials said it was the beginning of a "wildcat strike."

## Bobo Rockefeller's Father Succumbs

WASHINGTON, Pa. (AP)—Julius Paulekas, 68, father of Barbara (Bobo) Rockefeller, died late yesterday in Washington hospital following a lengthy illness.

Paulekas, a coal miner who retired several years ago, came to the United States from Lithuania 32 years ago. He was divorced from his wife shortly after Bobo's birth.

Neither Bobo, ex-wife of millionaire Winthrop Rockefeller, nor another daughter, Mrs. Henry Hellman of New York City, was present when Paulekas died.

Bobo visited her father here in April, 1954, when he became critically ill. He improved and had been living with a cousin.

## Refuse Pickups Put Off Two Days

There will be no refuse pickups made by the City on Sunday and Monday, Dec. 25 and 26, according to an announcement made yesterday by City Manager Warren E. Knowles.

Knowles said that extra crews will be assigned to the refuse collection department on Tuesday in order to catch up and resume the regular collections each day.

## ARREST IN TOLD MUNICH, Germany (AP)—The Bavarian Ministry of Justice today announced the arrest of former Chief Rabbi Aaron Ohrenstein. He will begin serving a one-year prison sentence for fraud.

The ministry said he was arrested yesterday as he was boarding a plane for Switzerland in violation of a court order not to leave Germany.

## FOLIO CARES DOWN JACKSONVILLE (AP)—Florida has had 437 cases of polio so far this year against 1,796 last year.

Four cases were reported by the State Board of Health for the week ending Dec. 18, one each in Broward, Dade, Hillsborough and Polk counties.

## CRIMINAL COURT CONVICTS PALUMBO ORLANDO (AP)—Joe Palumbo, accused of stealing 20 auto trailers in 16 states over a 10-year period, was convicted of fraud in Criminal Court yesterday and sentenced to seven years.

Sheriff Dave Starr said that before beginning the sentence the 3-foot, 21-pound prisoner will be turned over to Pinellas County authorities to face trial for theft of a trailer in St. Petersburg where he was tried here on a charge of defrauding Mr. and Mrs. John Slusky.

## Nuclear Leaders Studying Proposal For Reactor Plant

TALLAHASSEE (AP)—The Florida Nuclear Development Commission is studying a proposal that it undertake to raise a million from private industry to bolster Florida's chances of getting a 30 million dollar atomic reactor plant free.

The commission was urged by Dean Joseph Weil of the University of Florida College of Engineering yesterday to help obtain funds to apply toward purchase of a smaller type atomic reactor for the university.

The smaller reactor would cost about two million dollars. The 1955 Legislature appropriated 1/4 million dollars toward the cost and Weil said the remaining 1 1/2 million probably could be obtained from the Atomic Energy Commission or other sources.

By making a showing that it already was at work in the atomic reactor field, Weil said Florida would enhance its chances of getting the larger plant.

MIAMI, Fla. (AP)—Picket lines were thrown up today around Miami Beach's biggest and costliest hotel, the Fontainebleau.

Immediately after the pickets started to march at 8 a. m., a first flight broke out and Al Berlin, trustee of the Hotel Employees Union, said "This may get rough before it's over."

The fight was between Mally Nashway, an employe of the hotel, and Ernesto Garcia, 37, a picket. They were arrested and held on cross warrants, each charging the other with assault and battery.

The 308-room Fontainebleau, built at a cost of 14 million dollars, was the 23rd hotel in the Miami area to be struck by the union since it began an organization drive here April 13.

Picketing at the other hotels was banned by the State Supreme Court which held that the union did not represent a "significant" member of the hotel workers.

## December Chosen Month

Stoneham Happy With Support

The Mayfair Inn \$15,000 1956 PGA Open will be played Dec. 13, 14, 15, and 16 next year, according to Manager Frank Mohane Jr. of the Mayfair Inn.

Horace Stoneham, president of the New York Giants said, "I am very happy with the support given the 1955 Mayfair Inn Open by the citizens of Sanford and Central Florida."

Before leaving for his New York office, Stoneham expressed his pleasure in the way the first annual Mayfair Inn Open was conducted and supported.

So pleased was the New York Giant's president, contracts were arranged with PGA officials for the next year's tournament to be played on approximately the same dates as the 1955 Mayfair Inn Open.

Mohane yesterday, reviewing the week long tournament which climaxed with the Mayfair Inn's \$15,000 PGA Open, said "The galleries following golfers from every part of the country were exceptionally good. The turnout was wonderful, with visitors coming to Sanford from every section of the State and Country."

"Ed 'Porky' Oliver and Jay Hebert will be playing pro representing the Mayfair Inn about the PGA circuit in 1956," said Mohane. "They will be playing out of Sanford and carrying the Mayfair Inn bag in all of the major tournaments around the nation."

"Sanford will certainly be in the headlines wherever the two prominent golfers appear," said Mohane as he explained that both Oliver and Hebert "will play exhibitions in Detroit, Cleveland, Cincinnati, and Chicago where they will be joined by either Ken McCrehan, assistant manager of the Mayfair Inn Seminole County Club golf course, or myself."

Asked whether or not the two playing pros will return to Sanford in the near future, Mohane said that both Oliver and Hebert will play an exhibition match here in Sanford at the Mayfair Inn course prior to playing in the St. Petersburg tournament on March 11, 1956.

Before leaving Sanford after last week's Mayfair Inn Open, Ray O'Bryan, Executive Secretary of the Professional Golfers Association, and Mrs. O'Bryan, also an official of the organization, said "We have never enjoyed a tournament as much as the one here. Usually we are happy to leave but this time we are reluctant to go because the whole town was so friendly."

Mohane said that Ray and Mrs. O'Bryan handled over 60 tournaments last year in various parts of the country.

Charlie Meaney and Harry Elmore, both officials of the Professional Golfers Association, expressed their delight in being in Sanford for the Mayfair Inn Open. Meaney said, "I enjoyed this tournament more than any where I officiated." Before leaving Florida he called back to Sanford to further express his thanks for Sanford's hospitality.

Elmore, at the very outset of the tournament said, "I have never felt such warmth from the friendliness of the people of Sanford. I have received more cooperation here than any other place I have ever been."

"No doubt, expressions from the officials of the Professional Golfers Association and from many of the golfers who participated in the tournament were partly responsible for the return of the tournament to the Mayfair Inn next year," Manager Mohane said.

## Merchants Assn. Observing Monday As Yule Holiday

Monday will be observed as a holiday in Sanford, according to the Sanford Merchants Association President R. J. Waxman.

Stores will be closed for the observance of the Christmas holiday said Waxman.

Also closed until Tuesday morning will be the Seminole County Court House. The Court House will close at noon Friday, Dec. 23, and remain closed until Tuesday morning.

The Sanford City Hall will close Saturday at noon and remain closed until Tuesday morning according to City Manager Warren E. Knowles' office.

Observing the holiday along with the merchants, City Hall, and Court House will be the Sanford Banks. The local banks will close Saturday noon and remain closed for the holidays until Tuesday morning.

## Rep. Hope Predicts Congress Will Okay New Farm Program

WASHINGTON (AP)—Rep. Hope (R Kan) predicted today Congress will approve a farm program containing the administration's "soil bank" plan for taking surplus cropland out of production.

"There will be a farm bill at the coming session, and the soil bank will be an essential part of it," he said in an interview. Hope is the senior Republican on the House Agriculture Committee.

Secretary of Agriculture Benson has proposed a "soil bank" plan under which payments—totaling about 400 million dollars a year—would be made to farmers to take some of their land out of production and put it to grass and trees. The idea is to curb output of commodities now in surplus and to promote soil fertility.

Benson's plans for improving farm conditions also call for measures to dispose of more surplus foods abroad and at home, and to better the lot of small farmers.

## Farm Bureau Enjoys Christmas Dinner

The annual Christmas dinner meeting of the Seminole County Farm Bureau was held last night at the Future Farmers Building at Seminole High School.

A turkey dinner with all the trimmings was served to more than 100 who attended the annual affair.

Following dinner, Jack Rossman entertained the group with selections on the accordion. The singing of Christmas Carols concluded the annual Christmas get-together.

Officials of the Seminole County Farm Bureau said that signs for members who have recently joined the organization have been received and can be picked up at the Future Farmers Building.
