Property Transfers In Past 5 Months Are Over \$1,225,000

Real estate transfers in Seminole county during the past five months total over one an a quarter million dollars, according to information available here today. Property valued at \$291,404 changed hands during September and an increase of \$82,404 or approximately 39 per cent over the amount transferred during the month of August.

Although transfers recorded during September totaled less than \$300,000, it is pointed out that a number of large deals got under way during that month and will be completed some time during October.

It is further brought out by those in a position to know that with the beginning of the fall and winter season, Sanford property is in erester demand than during the past several months and that the amount of real estate changing hands during the winter will be hardly comparable with that of the summer months.

Time is Passing—Only a Few Weeks Remain in which to Win a small Fortune

A Fight for Supremacy

As the third period gets well under way contestants are hard at work securing new subscriptions and votes in The Herald's big circulation campaign.

Realizing that the voting schedule will again be reduced after a week from Saturday they are hot on the trail of every possible vote in the determination to get votes while the getting is easy.

It is a fight to the finish for supremacy. And every day the contest gets hotter with competition becoming more keen.

Contestants are receiving subscriptions through every channel. Some are coming by mail, some by telegraph and others are being brought to them.

Time means much these days to the various young ladies. Every subscription means a great deal. Every vote is needed by the contestant who wishes to win.

Rules of Campaign

Any young lady residing in Sanford or Seminole county, over 16 years of age, is eligible to enter this automobile and salesmanship campaign and compete for one of the valuable prizes offered.

The territory is wide open. Contestants can enter from any point in Seminole county and be on an equal basis and have the same opportunity to win.

Subscriptions to The Sanford Herald may be secured anywhere in the United States at the regular rates. All orders turned in at The Herald office must be accompanied by the cash in payment.

other contestant, Votes can not be transferred from one contestant to another.

No chiployee of The Sanford Herald, or member of his or her family will be allowed to enter this campaign.

A nomination blank, when properly filled out with the name and address of the contestant nominated, will give that person so nominated tenthousand votes. Only one nomination will be credited to any one contestant.

Only one prize will be awarded any one contestant. The winner of the first will not be elicible for any other prize or commission

Confestants who remain active in the campaign until the close and who fail to win one of the prizes will be paid a commission of ten per cent on the amount they have secured in subscriptions. The Herald wants no contestant to work without remuneration and will pay all those who fail to win one of the valuable prizes a commission of ten per cent provided the contestant remains active until the end of the campaign.

All votes to be counted to the credit of contestants in this campaign should be mailed to The Sanford Herald or delivered personally to the Campaign Manager at The Herald office.

The Salesmanship Campaignbegan Friday morning. August 29, and will end at ten o'clock p. m. Saturday, November 22, 1924.

This campaign is to be conducted on a fair, square and impartial basis and the prizes will be awarded to the contestants securing the largest number of votes. In order that there shall be no question in the minds of any person relative to the fairness of the campaign, The Herald will select three judges who will at the end of the campaign, count the votes that have been cast and will award the prizes to the winners.

Those contestants who fail to live up to the rules of the campaign will be subject to suspension; thereby forfeiting all rights they may have had. Said forfeited votes can not be applied to any other candidate.

The decision of the Campaign Manager will be final in all controversies urising between candidates.

STILL TIME TO ENROLL

With eight more weeks in which to secure votes there remains plenty of time for any ambitious young lady to enroll in the campaign. A few subscriptions will put any worker at the top.

Phone 148 and ask for the campaign manager. He will be glad to call and explain the plan to you. Use this nomination blank and send it to The Herald office now and then get started.
