Right, Dottie Burkett of the Seminole County Sheriff's Office helps organize the shipment of 60,000 dinners. The Pauluccis authorized their Michelina's Inc., business to increase shipments of Michelina's and Budget Gourmet brands of frozen entrees to agencies in Sanford and Seminole County. The agencies provide the meals to area families under the Michelina's "Free Food for the Needy" program. For the past 12 years, the Paulucci family has arranged for one or two truckloads (60,000 to 120,000 dinners) to be distributed in Sanford annually. Responding to increasing needs expressed by the agencies, Michelina's Inc., will provide two to three truckloads of its products to needy families in Sanford and Seminole County this year. This delivery took place June 28 at the Rich Food Plan of Florida facilities on 13th Street.

SAFE START

A ONE-OF-A-KIND DROWNING PREVENTION PROGRAM THAT GIVES YOUR CHILD THE SKILLS TO SURVIVE.

Protecting your child against drowning is a serious responsibility. Drowning is the number one cause of accidental death for children under four, and 11 children will die today from drowning in the United States alone. Thankfully, there is a program that teaches children water survival techniques. Safe Start teaches your child the skills of floating and swimming to safety, both in swimwear and everyday clothes. Throughout its history, Safe Start has taught survival swim skills to over 100,000 children. Of those, over 740 have saved themselves in a drowning situation.

SAFE START is available through participating YMCA Family Centers in Orange, Seminole and Osceola Counties. For more information, please call (407) 644-3808. Visit our website at www.safestart.cc

Randy Morris elected to national council

Seminole County Commissioner Randall C. Morris was recently elected president of the National Association of Regional Councils.

He was elected to the position at the NARC's 39th Annual Conference and Exhibition. Morris is also president of MetroPlan Orlando.

"As President of NARC, my goal is to advance regionalism and the valuable work that regional councils and metropolitan planning organizations do for America's communities," Morris said in a Seminole County news release.

"It is important for NARC members to continue to work collaboratively to maintain relevancy, especially in a 21st Century environment. Regional approaches are based on partnerships, collaboration and leveraging local, state, and federal resources to maximize results. Regional councils and metropolitan planning organizations are expert in coalition-building and bringing the right mix of people together to achieve a common goal.

Morris has served as president of the Florida Regional Councils Association that includes the 11 planning councils in the state. He has served as mayor of Lake Mary, is a policy official on the NARC Board, and has experience as a lobbyist in Florida and Washington, D.C.

The National Association of Regional Councils is a national non-profit organization based in Washington, D.C., that fosters regional collaboration.

Sanford hosts 175,000 on the 4th

SANFORD — Sanford's Fourth of July event brought approximately 175,000 celebrators into Fort Mellon Park and the RiverWalk on Monday.

Around 120,000 were expected this year. The city estimated an extra 30,000 from last year's 90,000 attendees due in part because of nearby Altamonte Spring's Red, White and Boom event being discontinued.

Buses ran for the first time from the Seminole Towne Center Mall to downtown from 3 p.m. until midnight, to ease traffic. The Sanford Police Department said traffic was moved out of downtown in under 50 minutes.

"We had set a goal to get traffic cleaned and dispersed in under an hour, and we accomplished it in 48 minutes," Chief Brian Tooley

Michael, David and Brandon Tapscott set up a lemonade stand on Sanford Avenue in hopes of attracting some of the 175,000 visitors in Sanford for the July 4th celebration.

All-Star Game features familiar names for local fans

By Dean Smith

To say Seminole County will be represented well in next week's Major League All-Star Game in Detroit would be quite an understatement.

Seminole County athletes made a great impression on the voters and coaches the past week and when all was said and done over the week-

end, the Seminole Athletic Conference will have three players on the rosters.

Lake Brantley will have a pair of representatives in Boston Red Sox catcher and captain Jason Varitek and Cincinnati Reds shortstop Felipe Lopez, while Sanford and Seminole High's own David Eckstein will also make the team in his first year with the St. Louis Cardinals.

See Sports
Page 1B

Varitek and Eckstein, a shortstop, both won at their respective positions in nationwide fan voting, while Lopez was selected by National League Manager Tony LaRussa of the Cardinals.

Eckstein beat out the Dodgers' Cesar Izturis in what was a close vote all the way to the finish. His final margin turned out to be more than 570,000 votes, but it wasn't clear that Eckstein would end up on top until the rosters were revealed.

Part of the reason for Eckstein's election may have been a groundswell from Sanford fans as e-mails were

sent out last week urging locals to vote for one of their own, and it definitely worked.

Central Florida will have a third starter in the game as Orlando's Johnny Damon of the Boston Red Sox will be starting in the AL outfield.

The 76th All-Star Game will be televised nationally by FOX Sports with pre-game ceremonies beginning at 8 p.m. on Tuesday, July 12.

Shop owner Don Knight dies in sleep

SANFORD — Prominent downtown Sanford businessman Charles Donald "Don" Knight died Sunday, July 3, 2005, at his residence. He was 75.

He was a native of Sanford and a member of First Baptist Church in Sanford where he was a deacon and Sunday school teacher.

Don graduated from Seminole High School Class of 1948. He was a nine-year veteran of the Army National Guard.

City lifts fishing ban in Monroe

By Liane Edixon
Herald Staff

SANFORD — The swimming and fishing ban that took affect Friday afternoon on Lake Monroe was lifted on Monday, July 4.

The ban occurred along posted areas of Lake Monroe after treated reclaimed water leaked into the lake.

Reclaimed Water Coordinator Bill Marcous said Tuesday, that weather and good water test results led to the lift of the ban.

"The weather cooperated over the weekend," he said.

The water leaked out of a storage pond between the treatment plant and Central Florida Regional Hospital.

Marcous said that this is not unusual during the rainy seasons in Florida because with such high flows of rain the storage ponds overflow. They put a discharge line in place, but there was too much water this time.

"It's just one of those impacts you get from a record rainfall month," Marcous said.

The health department immediately issued the ban. When tests were completed over the weekend, they found that the water quality was high.

Marcous said that the water had been treated, but needed to be de-chlorinated.

"The plant is not designed for record events," Marcous said when the ban first went into place.

According to Marcous, the ban was a precautionary measure taken by the health department.

"It's always important to put public and environmental health first," Marcous said.

"Fortunately," he continued, "Once we did the tests, it worked out fine."

SEMINOLE SUMMARY

A GLANCE AROUND OUR COUNTY

IN BRIEF

Girard Environmental Services awarde Viera Regional Park Contract

SANFORD — Girard Environmental Services recently announced a new \$800,000 contract and the hiring of a division manager of construction services.

The Sanford-based landscaping company was recently awarded an irrigation and landscaping contract worth almost \$800,000 for the new Viera Regional Park in Brevard County.

The project entails landscaping and irrigation construction for the new 112-acre regional park, which includes eight baseball/softball fields, seven soccer fields, four on-site buildings for public restrooms and concessions, parking areas and a site for the future Viera Community Center.

The Collage Companies of Lake Mary will be the general contractor for the project, and Glating Jackson Kercher Angin Lopez Rinehart of Orlando is the landscape architect.

The first phase of irrigation and landscaping construction is scheduled to begin in August, and the final phases are slated to be complete by January 2006.

In other news, Richard Fife recently joined Girard as division manager of construction services.

He is responsible for overseeing \$10 million worth of contracts in the construction services division and supervises more than 70 employees.

Fife has more than 12 years of experience in the "green" industry and comes from Vila & Sons in Orlando.

Girard Environmental Services currently provides irrigation and landscape construction, as well as a variety of landscape management services throughout Orange, Seminole, Brevard, Lake and Volusia counties.

Established in 1998, Girard Environmental Services provides construction services, management services and residential services for the "green" industry and generates more than \$15 million in annual revenue. The company operates a fleet of 80 vehicles and employs 200 full-time employees.

Seminole County receives technology honor

Seminole County Receives Technology Honor

SANFORD — Seminole County Government has been named one of the top-10 digitally-advanced County governments in the United States by the Center for Digital Government and the National Association of Counties (NACo).

In April, all counties in the U.S. were invited to respond to the 2005 Digital Counties Survey, which examines how County governments are utilizing information technology (IT) to deliver services to citizens. Seminole County placed fifth in the survey for the 250,000 - 499,999 population range.

2005 Top 10 Digital Counties Survey 250,000-499,999 population:

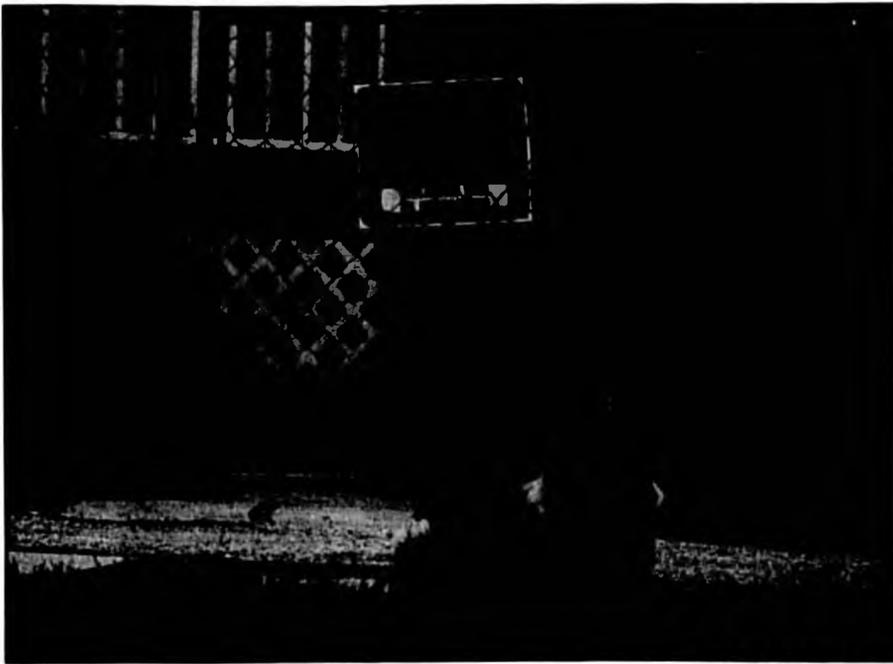

- 1st place: Prince William County, Va.
- 2nd place: Loudoun County, Va.
- 3rd place: Dakota County, Minn.
- 4th place: Boulder County, Colo.
- 5th place: Seminole County, Fla. (tie)
- 5th place: Sedgwick County, Kansas (tie)

- 6th place: Utah County, Utah
- 7th place: Richland County, S.C.
- 8th place: Dutchess County, N.Y.
- 9th place: Washtenaw County, Mich.
- 10th place: Marin County, Calif.

"This honor is a credit to our dedicated staff and our Board of Commissioners who have been supportive in providing these services," said Al Hill, Programming and Applications Team Manager. "We look forward to the continued expansion of e-government services to meet our citizens' needs."

The Center for Digital Government is a national research and advisory institute on information technology policies and best practices in state and local government.

Couple celebrates 50 years

Edward Ellis and Doris Jackson Goins, Sr. have announced the 50th wedding anniversary celebration and renewing of their vows Sunday, May 29, at 3:30 p.m., at Mt. Zion Baptist Church, 2200 Dumaine Street, New Orleans, La.

The Rev. Mitchell J. Stevens was the officiate. Lighting of the candles were by Jimmie D. Jackson and Dardnella Duplessis. The musical rendition, "Because of Who You Are" was delivered. Prayer was by Rev. Stevens.

Voices of Zion Choir rendered the selection "Total Praise".

The anniversary celebration party entered to the rendition of "Center of My Joy."

The anniversary couple entered to the rendition of "My Tribute" (To God be the Glory). Edward Ellis Goins, Jr. escorted his father and Irene Bradley escorted her mother.

Soloist Kim Brinson rendered the beautiful songs "Flesh of my Flesh" and "For Always". Family expressions of love were spoken by Mary J. Fears and Kurt Goins. After the repeating of the renewal vows, Sheralyn Jackson Brinson sang "The Lord's Prayer." The blessing and presentation of the renewed couple was by the officiating minister, Rev. Mitchell Stevens.

The Goins left in the recessional to the music of "God will Take Care of You". They received their guests in the fellowship hall of the church immediately following the ceremony.

The 50th wedding anniversary celebration of the Goins Sr. reception was held at 6 p.m. at the Prestige Room, New Orleans.

Emcee for the reception was Christine Jackson Johnson. The celebration party was introduced to the guests with the musical rendition "You Bring out the Best in Me". The presentation of the anniversary couple was made to the music of "Evergreen", with soloist

Mr. and Mrs. Edward Ellis Goins, Sr

Dorothy Hall.

The prayer and blessing was by Rev. Stevens. After a delicious dinner, the guests were led in the toast to the couple by Edward Ellis Goins, Jr. As the rendition of "My Hero" was the response of the couple. The continuing of the musical evening, as they cut the cake were "Two Hearts Sing" and "Caravan of Love", to close out an evening of unforgettable celebration.

The Sanford native, Doris Jackson married Edward Ellis Goins on May 25, 1955 in New Orleans. They met in New Orleans while she was a student at Xavier University School of Pharmacy.

Ellis was owner of Goins and Goins Construction. They are the loving parents

of a son, Edward Ellis, Jr., three daughters, Irene Bradley, Krystal Bush and Katrice Haisley, two sons-in-law, Darryl Bush and Glen Haisley, Sr., 13 grandchildren, and one great grandchild.

The Goins says "To God by the Glory for the things He has done". God has bound the two hearts into one forever. They have nurtured a beautiful family and made many wonderful friends. They have known joys and sorrows, but they are satisfied with the whole and have grateful hearts. They took this opportunity to continue praising and thanking God as they celebrated 50 years with their family and friends.

"The Two shall become as One" Ephesians 5:31.

Squadron, and active in many civic groups including the Downtown Business Association.

Fellow pilot Larry Dale, President and CEO of the Orlando-Sanford International Airport said Don's death will be a "great loss to Sanford and the airport."

"We used to fly to the Bahamas for breakfast occasionally," Dale said, "and Don would give me refresher courses as we flew."

He said the roadway leading to the airport's rescue and fire station was named in Don's honor, the "Don

Knight Lane." Knight was a long-time member of the Sanford Airport Authority.

"We will sure miss him," Dale added. "It will be difficult to fill his shoes."

Don and his wife Margaret have owned and operated Knight's Shoe Store since 1969.

Sanford Mayor Linda Kuhn described Don Knight as "Mr. Downtown."

"He was a great promoter and supporter of Sanford," she said. "This is a great loss to the entire community."

Survivors include wife, Margaret; son, Gregory M. Knight of West Palm Beach; daughter, Donalyn P. Knight of Sanford; sister, Dorothy

Stapleton of Apopka.

The family will receive friends Wednesday, July 6, from 7 until 9 p.m. at the Collision Family Funeral Home - Gramkow Chapel, 500 E. Airport Blvd. in Sanford. Funeral services will be held at 11 a.m. Thursday, July 7, at First Baptist church, 519 Park Avenue in Sanford. Interment will follow at Evergreen Cemetery. In lieu of flowers, memorial donations may be made to the First Baptist Church Building Fund.

Sanford Police Department at the celebration. That arrest happened around 10 p.m. near 3rd Street, and the Sanford resident was charged with disorderly intoxication and resisting an officer without violence.

Mayor Linda Kuhn said nothing out of the ordinary happened, which was good.

"It was great. The fireworks were probably some of the better ones that we've had. There was a good turnout. Everything went very smooth," Kuhn said.

The event began early Monday evening around 5 p.m. at Fort Mellon Park. To pass the time before the fireworks display, visitors could be seen relaxing in chairs, dancing and listening to music from Cactus Jack & the Cadillacs and The Redeye Express.

Children were entertained by an All-American Kids Zone that included a bounce house and balloon artists. Just after sundown, at about 9:15 p.m., a 23-minute fireworks display began presented by Zambelli Internationale.

City Recreation Manager Lisa Jones said, that at least a

few thousand boats watched the fireworks from Lake Monroe. She said that although they estimated 175,000 attended the event, that number did not include people outside of Fort Mellon Park, from the hospital to Interstate 4, to Volusia County.

"We have a unique stage," Jones said of Lake Monroe.

Jones said that people from Wayside, Volusia County, and some as far as Palatka, Palm Coast and St. Augustine traveled by boat and land to attend the event.

The weather, which has been a factor in a lot of out-

door activities lately, with an almost record setting June rainfall, was not a factor in the fireworks showcase.

"We had an afternoon shower that didn't dampen anyone's spirits," Jones said. "Everybody stuck around and listened to music."

The Fourth of July event, which is a yearly event in Sanford, brought close to 90,000 people last year. This year's event surpassed the number of spectators by almost double that amount.

"We're trying hard to make this the main destination in Central Florida for July Fourth activities," Jones said.

SAC sending three to All-Star Game

By Dean Smith
Herald Staff

To say Seminole County will be represented well in next week's Major League All-Star Game in Detroit would be quite an understatement.

Seminole County athletes made a great impression on the voters and coaches the past week and when all was said and done over the weekend, the Seminole Athletic Conference will have three players on the rosters.

Lake Brantley will have a pair of representatives in Boston Red Sox catcher and Captain Jason Varitek and Cincinnati Reds shortstop Felipe Lopez, while Sanford and Seminole High's

Eckstein, Varitek, Lopez to play in mid-summer classic

own David Eckstein will also made the team in his first year with the St. Louis Cardinals.

Varitek and Eckstein, a shortstop, both won at their respective positions in nationwide fan voting, while Lopez was selected by National League Manager Tony LaRussa of the Cardinals.

Eckstein beat out the Dodgers' Cesar Izturis in what was a close vote all the way to the finish. His final margin

turned out to be more than 570,000 votes, but it wasn't clear that Eckstein would end up on top until the rosters were revealed.

Eckstein, who was released by the Angels in the off-season before signing with the Cardinals, trailed Izturis by over 700,000 votes entering the final week of the season, but the voters really came to the aid of the fan favorite.

Part of the reason for Eckstein's elec-

tion may have been a groundswell from Sanford fans as an anonymous e-mail was sent out last week urging locals to vote for one of their own, and it definitely worked.

Eckstein will be making the first All-Star appearance of his career. It marks the third consecutive year that the left side of the infield has been started by St. Louis Cardinals as Scott Rolen was elected at third despite missing much of the early season with an injury. In 2002 and 2003 Edgar Renteria, who left to sign with Boston, and Rolen have patrolled the left side of the diamond.

First place on the line

Herald photo by Jim Wertz

What has become in a very short time a heated rivalry, the defending Florida Collegiate League champion Sanford River Rats and the 2004 runner-up Daytona Beach Barracudas, will battle tonight (Wednesday) at Historic Sanford Memorial Stadium at 7 p.m. with the first place on the line. Through July 2nd, Daytona Beach was 10-5 and held a 1/2-game lead over Sanford, which is now 8-4 after splitting a doubleheader with the Orlando Snappers at Tinker Field on Saturday, Orlando winning the opener 4-3 and the River Rats coming back to win the nightcap 13-7. It is going to be a very busy week for the league as it tries to make up for the recent rainouts. Sanford is also scheduled to be at home to host Winter Park on Friday and Saturday at 7 p.m. and Sunday at 5 p.m. Check the league website at www.floridal league.com for more information.

Kraze, Krush return home

Special to the Herald

SANFORD — Sanford's two entries in the FDL soccer league, the Central Florida Kraze and Central Florida Krush, will both return home this weekend for games after a short break.

The Krush women suffered their first loss of the season to the Northern Virginia Majestics at home two weekends ago.

The Krush scored the only goal in the first half when Angie Olson scored from an assist by Kim Montgomery 42 minutes into the game. The score was tied 73 minutes in when a ball deflected off Krush player Dena Floyd.

It looked as though the game would enter overtime when Jill Porto assisted by Ashley Banks scored in the 90th minute

Captain Dave Rogers (left) and John Thompson of Chulota show off the 44-pound red that took them for a ride for over an hour last week.

The (Red) Drum beat marches on

By Captain David Rogers
Special to the Herald

Can you hear it? The sound of the mighty Red Drum.

The thumping grunt of the redfish continues to be very common in the Mosquito Lagoon and Indian River and this past week was no exception.

John Thompson of Chulota managed to bang the drum for 61 minutes. Yes it was a 44 pound monster drum and the fish was full of energy.

The fish towed the boat all over the water trying to find a way to break free. Little did he know we just wanted a picture. It really didn't seem to matter to the big bull. This guy pulled

us around well over a mile. I had to crank the engine six or seven times to get line back on the spool.

There must of been steroids in the water. Normally in the summer a big fish will only fight about 20 or 30 minutes. The reel was spooled with 4/15 Power Pro line. This line is virtually indestructible. This fish would not give up. John would get him to the boat and there he went. This bull was doing what he wanted and there was nothing we could do about it, except go along for the ride. Finally after many runs the fish came to the boat and we landed him.

John and his mother Sylvia

Roaring ATVs, leaping dogs and intense timber action highlight the five exciting new events that will debut this year. Four Wheel Frenzy, Terracross, The Launch, Hot Zone and Superjack will thrill fans as they take center stage at Disney's Wide World of Sports™ Complex.

The competition will be fierce as old favorites defend their titles, and newcomers fight for their chance to achieve Great Outdoor Games victories. Names to watch include: Jeff Skirvin, a first time competitor in Timber; Ryan Hadden, U.S.

Army Marksman in the Shotgun competition; Josh Deering in Archery; Nancy Kleinhans and Jimmy Dean — a Sheltland Sheep dog — competing in the Agility competition for small dogs.

Also on hand will be 2004 Olympic skeet team member Shawn Dulohery, who will make his debut at this year's Games in the Shotgun competition.

May the best man or woman win! ESPN's Great Outdoor Games are one of the few sports championships that pit women against men. In the Sporting Dogs, Archery, Rifle, Shotgun and ATV events, men and women will compete in head to head battles to be named number one in

outdoor competition.

You can be a part of the action too as ESPN's Great Outdoor Games offers an interactive village that brings everyone closer to the Games. Guests who attend can visit the event's interactive village and enjoy Dodge and Kawasaki displays, miniature speed climbing poles, a log rolling tank, live entertainment, music and more.

Leading all-time medalist J.R. Salzman is pumped about this year's Games. Salzman has been a part of ESPN's Great Outdoor Games since its inception at Lake Placid, N.Y., in 2000. Competing in the Timber events, Salzman has earned a total of 12 medals — tied for the all-time lead with David Bolstad of Taumarunui, New Zealand.

Competitors in both the rifle and shotgun events will experience world-class facilities as they compete at Tenoroc Shooting Sports and Training Facility. Tenoroc covers 170 acres and has several shooting ranges to accommodate

rifles, shotguns, handguns and archery shooting. It also features a fully stocked pro shop, a spacious parking lot and a covered rifle range. The property is three miles northeast of Lakeland and is surrounded by the sprawling 7,300-acre Tenoroc Fish & Wildlife Management Area, which is owned by the Florida Fish & Wildlife Conservation Commission.

Fans can catch the Great Outdoor Games live July 7-10, at Disney's Wide World of Sports™ Complex and Tenoroc Shooting Sports and Training Facility. Admission to the 2005 Great Outdoor Games at Disney's Wide World of Sports™ Complex is \$5 per person per day, with children 10 and under free. Admission to Tenoroc Shooting Sports and Training Facility is free. Re-entry is allowed each day. Tickets can be purchased at the door the day of the event.

The Games will be aired on ESPN and ABC Sports July 14-17. For more information visit www.greatoutdoorgames.com.

Seminole High School's David Eckstein (left) will be making his first All-Star appearance when he starts at shortstop for the National League, while former Lake Brantley star Jason Varitek (right) will be making his second appearance, and first start, for the American League.

All-Stars

Continued from Page 1B the American League should be of no surprise to anyone as he is regarded as one of the best defensive catchers in the game. He is a sturdy force behind the plate, never giving way to oncoming baserunners and always spending plenty of preparation time poring over scouting reports.

Perhaps his defensive abilities underrate how good Varitek has become offensively. Through 241 at-bats, Varitek is hitting .307 with 13 homers and 34 RBIs.

This will be his first elected start as a catcher for the AL All-Star team. It is the second time in his career that he has been selected as an All-Star. He is also the first Boston Red Sox catcher to be voted as a starter since Carlton Fisk in 1980.

That Lopez even had a shot at making the team is something of a miracle as he began the season as a reserve on the Reds.

Lopez, who will be making his first appearance at the All-Star Game, began the season by splitting time with Rich Aurilia. He had played well enough in Spring Training to be considered for the starting role. But come Opening Day, he was on the bench.

Lopez made the most of the scant playing opportunities he received in the season's first month. And by the time he launched his first career grand slam on April 27 in Chicago, it was becoming clear he deserved a regular spot in the lineup.

Briefs

Continued from Page 1B Ajax-specific drills and match strategy, as well as both small-sided competitions and full-sided games led by AFC Ajax trainers from Amsterdam and local coaching staffs. Details concerning the dates and locations of the Central Florida soccer camps are listed below.

Developmental training camps are designed to challenge boys and girls ages eight and up at all skill levels, and are conducted in a fun, yet educational environment, which encourages children to grow in their understanding of the game while meeting new friends.

The Camps are as follows:
July 11 - 15 at Austin-Tindall Regional Park in Kissimmee.
July 11 - 15 at US National Training Center in Clermont.
July 18 - 22 at Trotwood Park in Winter Springs.
July 25 - 29 at Lake Island Park in Winter Park.

Every player will be evaluated using the Ajax T.I.P.S. (technique, insight, personality and speed) Model. Player evaluations are entered into the proprietary Ajax Scouting Compendium for periodic review directly by AFC Ajax scouts and trainers.

More information on Ajax Orlando soccer schools and developmental training camps can be found at www.ajaxorlando.us or by e-mailing soccer@ajaxorlando.us

Back on May 4, Lopez was slotted into the starting lineup for good, but at second base. After Aurilia went down with a hamstring injury on May 11, Lopez became the team's regular shortstop.

Since then, he's become arguably the No. 1 shortstop in the National League.

Nearing the break, Lopez sits atop the list of shortstops in the National League in most statistical categories. Heading into Sunday's selection, he had six more home runs than any shortstop in the league (14), 14 more RBIs (48), and his slugging percentage was 49 points higher (.565).

The 25-year-old Lopez, who was one of the first five players taken in the draft in 1998, finally developed into the player the Reds thought they were getting in 2002, when they acquired him from the Blue Jays as part of a four-team trade. It was three years in the making, but it was only a matter of time before Lopez made his mark in the Reds organization.

Now, the 25-year-old Lopez will have All-Star experience to pass on to other players.

Central Florida will have a third starter in the game as Orlando's Johnny Damon of the Boston Red Sox will be starting in the AL outfield. Red Sox designated hitter David Ortiz and Chicago Cubs first baseman Derrek Lee, the American League and National League leading vote-getters, respectively, were among the other winners of fan balloting who will start at the 76th All-Star Game, to be played July 12 at Comerica Park in Detroit, it was announced today.

For the third consecutive year, the outcome of the Major League Baseball All-Star Game will have an impact on postseason play, as the team that represents the winning League in this year's All-Star Game will have home field advantage in

the 2005 World Series.

The American League All-Star Team will include six players who are elected starters for the first time, including Ortiz, who drew the most votes of any player in baseball with 4,138,141. Other first-time winners of fan balloting include Ortiz's teammates, Varitek and Damon; first baseman Mark Teixeira of the Texas Rangers; and the double-play combination of the Baltimore Orioles, second baseman Brian Roberts and shortstop Miguel Tejada. Other elected starters are third baseman Alex Rodriguez of the New York Yankees and outfielders Vladimir Guerrero of the Los Angeles Angels of Anaheim and Manny Ramirez of the Red Sox.

Lee, a first-time All-Star, led all National League players with 3,560,316 votes, edging Albert Pujols (3,455,017) of the St. Louis Cardinals. Other NL starters are catcher Mike Piazza of the New York Mets; second baseman Jeff Kent of the Los Angeles Dodgers; Eckstein; third baseman Scott Rolen of the Cardinals; and outfielders Bobby Abreu of the Philadelphia Phillies, Jim Edmonds of the Cardinals and Carlos Beltran of the Mets. Lee, Eckstein and each of the three outfielders are first-time winners of fan balloting.

Ortiz drew the most online votes of any player with 3,629,492, while Lee also led National Leaguers in online votes with 3,277,475.

The 76th All-Star Game will be televised nationally by FOX Sports and around the world by Major League Baseball International, with pre-game ceremonies beginning at 8 p.m. ESPN Radio will provide exclusive, national radio coverage, while MLB.com will provide extensive online coverage and MLB Radio will provide exclusive play-by-play coverage of the Midsummer Classic on the Internet.

Continued from Page 1B securing the win for the Majestics.

The Kraus will be in action for the first time since the loss when they host the Atlanta Silverbacks at Kraus stadium this Sunday (July 10) at 7 p.m.

The Kraze men, meanwhile, fell victim to the top ranked Richmond Kickers Future as they were edged out in a close game, 1-0, in front of 300 fans two weeks ago.

In a scoreless first half the Kraze challenged the Kickers by earning seven corner kicks to their and out-shooting the Kickers 10 to 6.

In a more evenly played second half it appeared as though overtime was eminent until the 83rd minute when Cristian Neagu assisted by Francis McCorkle scored, securing the win for the Kickers.

Catch the Kraze in action this Saturday (July 9) at 7 p.m. when the Kraze host Ajax at Kraze stadium at Seminole Soccer Complex.

The night will also be military Hometown Heroes Night. Come show your appreciation and support as the Central Florida Kraze honor all our local men and women who protect our freedom, both at home and abroad!

Local police, fire and rescue, military, Red Cross, and many more will join the Kraze to celebrate our Hometown Heroes! Make sure to come early... as the Kraze have some amazing surprises in store!

ST. JOHNS RIVER WATER MANAGEMENT DISTRICT
GIVES WRITTEN NOTICE OF INTENDED DISTRICT DECISION

The District gives notice of its intent to issue a permit to the following applicant(s) on June 15, 2005:

City of Altamonte Springs, 225 Newburyport Ave., Altamonte Springs, FL 32701, application #9-888. The District proposes to allocate 0.082 million gallons per day of storm water to augment the City of Altamonte Springs reclaimed water system for urban landscape irrigation. The withdrawal used by this proposed project will consist of Surface Water from Westersfield Village MSWV via 1 active pump in Seminole County, located in Section(s): 15, Township: 21 South; Range: 29 East known as Westersfield Reuse Augmentation.

The file(s) containing each of the above-listed application(s) are available for inspection Monday through Friday except for legal holidays, 8:00 a.m. to 5:00 p.m. at the St. Johns River Water Management District Headquarters or the appropriate Service Center. The District will take action on each permit application listed above unless a petition for an administrative proceeding (hearing) is filed pursuant to the provisions of Sections 120.569 and 120.57, Florida Statutes Chapter 28-106 and 40C-1.1007, Florida Administrative Code (F.A.C.).

A person whose substantial interests are affected by any of the District's proposed permitting decisions identified above may petition for administrative hearing in accordance with Sections 120.569 and 120.57, F.S., or all parties may reach a written agreement on mediation as an alternative remedy under Section 120.573, F.S. Choosing mediation will not adversely affect the right to a hearing if mediation does not result in a settlement. The procedures for pursuing mediation are set forth in Section 120.573, F.S., and Rules 28-106.111 and 28-106.401-405, F.A.C. Petitions must comply with the requirements of Florida Administrative Code, Chapter 28-106 and be filed with (received by) the District Clerk, located at District Headquarters, 4049 Reed Street, Palatka, Florida 32177.

Petitions for administrative hearing on the above application(s) must be filed within twenty-one (21) days of publication of this notice or within twenty-six (26) days of the District depositing the notice of intent in the mail for those persons to whom the District mails actual notice. Failure to file a petition within this time period shall constitute a waiver of any right such person may have to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S., concerning the subject permit application. Petitions which are not filed in accordance with the above provisions are subject to denial.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the District's final action may be different from the position taken by it in this notice of intent. Persons whose substantial interests will be affected by any such final decision of the District on the application have the right to become a party to the proceeding, in accordance with the requirements set forth above.

ST. JOHNS RIVER WATER MANAGEMENT DISTRICT GIVES WRITTEN NOTICE OF INTENDED DISTRICT DECISION
The District gives notice of its intent to issue a permit to the following applicant(s) on August 9, 2005:

Center Homes, 388 Douglas Ave., Ste 2000, Altamonte Springs, FL 32714, application #4-117-81868-2. The project is located in Seminole County, Section(s): 34; Township: 19 South; Range: 31 East. The ERP application is for the construction of a surface water management system to serve a 69.2 acre single family residential subdivision known as Starling Meadows. The project coverage is 9.830 acres. The receiving water body is St. Johns River.

The District gives notice of its intent to deny a permit to the following applicant(s) on August 9, 2005:

Balby Development Co., 2006 Crowley Circle West, Longwood, FL 32779-2768, application #4-117-82294-1. The project is located in Seminole County, Section(s): 27; Township: 20 South; Range: 28 East. The ERP application is for the construction of a surface water management system for a 382 acre development known as Marmora - Oak Rd., Balby Development Co. The receiving water-body is Little Wabba River.

The file(s) containing each of the above-listed application(s) are available for inspection Monday through Friday except for legal holidays, 9:00 a.m. to 5:00 p.m. at the St. Johns River Water Management District Headquarters or the appropriate Service Center. The District will take action on each permit application listed above unless a petition for an administrative hearing (Petition) is filed pursuant to the provisions of Sections 120.568 and 120.57, Florida Statutes Chapter 88-108 and 40C-1.1007, Florida Administrative Code (F.A.C.).

A person whose substantial interests are affected by any of the District's proposed permitting decisions identified above may petition for administrative hearing in accordance with Sections 120.568 and 120.57, F.S., or all parties may reach a written agreement on mediation as an alternative remedy under Section 120.573, F.S. Choosing mediation will not adversely affect the right to a hearing if mediation does not result in a settlement. The procedure for pursuing mediation is set forth in Section 120.573, F.S., and Rules 28-108.111 and 28-108.401-405, F.A.C. Petitions must comply with the requirements of Florida Administrative Code, Chapter 28-108 and be filed with (received by) the District Clerk, located at District Headquarters, 4048 Reid Street, Palatka, Florida 32717.

Petitions for administrative hearing on the above application(s) must be filed within twenty-one (21) days of publication of this notice or within twenty-six (26) days of the District depositing this notice of intent in the mail for those persons to whom the District mails actual notice. Failure to file a petition within this time period shall constitute a waiver of any right such person may have to request an administrative determination (hearing) under Sections 120.568 and 120.57, F.S., concerning the subject permit application. Petitions which are not filed in accordance with the above provisions are subject to dismissal.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the District's final action may be different from the position taken by it in this notice of intent. Persons whose substantial interests will be affected by any such final decision of the District on the application have the right to become a party to the proceeding, in accordance with the requirements set forth above.
