Chicago Cubs Again Doped To Dominate In National League 1930 Pennant Race

By Alan Gould
Associated Press Sports Editor
NEW YORK, Mar. 24 (AP)—The National League, although possessing the prospect of a much better balanced pennant race this season than the American, nevertheless appears likely to be dominated again by the powerful Chicago Cubs. The house of Wigley is as strong a favorite to repeat its 1935 victory as is the house of Smith in the American League.

The Cubs won the flag last year by a margin of 10 and a half games over Pittsburgh and, instead of standing pat, seem to have fortified themselves for a substantial lease on the top. The Bruins, with nothing lacking in their offensive power, have been strengthened as much, if not more, than any team in the league by the acquisition of Lester Bell to play third, the return to form of catcher Gabby Hartnett's arm and the bolstering of the twirling staff with several fine recruits such as Nelson, Moss and Tea.

Six of the remainings even National League clubs, however, not only figure to make it extremely interesting and perhaps precarious for the Cubs but to put a serious dent in their first division berths. Only the Boston Braves, undergoing reconstitution in the experienced hands of Bill McKechnie, appear definitely slated again for the depths.

The Pittsburgh Pirates look like the most formidable opposition for the Cubs. The furious Phillys are the real dark horse of the race. The New York Giant remain dangerous, in spite of a rest. The St. Louis Cardinals, their one-time championship staff now very shaky, face a fight to withstand the expected rush of two much improved second division outfits of 1935, the Brooklyn Dodgers and Cincinnati Reds.

Every team in the league has undergone some shake-ups. Four have new pilots. All have put the accent on a big punch and the league's parks will rebound from start to finish with the bombardment of longrange batting gun.

The Cubs had some trouble fighting off the Pirates last year and it may be even more difficult to shake loose from the Buck again. Injuries and illness, plus a Pirates' Jinx have again been a factor in training, but there is sufficient all around strength, plus the prospect of fine pitching to make Pittsburgh a contender from the outset under Jewel Eno.

The Phillies collected most of the slugging honors last season. They probably will do so again with O'Doul, Klein, Hurst, Whitney and the rest of Burt Shotton's clouting circus. Impressive, though, is the quality of their pitching. It is at least 20 per cent better, as Shotton believes it will be, there seems no way to keep the club out of the first division.

The Giants looked like world leaders in training last year and finished a bad third in the race. John Mc Graw's pupils have been very unimpressive in Texas this spring and so, paradoxically, they may turn up the league. Second base, however, still is a problem and the Giants' pitchers must stage a come-back to put the club anywhere.

Dan Rowley has rebuilt the Reds, added more batting punch with Menzel and Heilmann in the outfield, but needs some pitching support for the seasoned Red Lucas and Jackie May. Uncle Willie Robinson, freed of the worries of front office turmoil, seems to have inspired his flock. If Glenn Wright's performance fulfills training camp hopes, the Robin will be at least troublesome.

CUBAN DIPLOMAT WILL GET DEGREE AT GAINESVILLE

Orestes Ferrara, Ambassador to U.S., To Be Awarded Honor

GAINESVILLE, Mar. 23.—Dr. Orestes Ferrara, Ambassador Extraordinary and Plenipotentiary of Cuba in the United States, will be awarded an honorary degree of Doctor of Laws by the University of Florida at the annual commencement exercises to be held June 2, it was announced today by President John J. Tigert.

"Ambassador Ferrara's acceptance assures the completion of a program of commencement exercises being planned that will be of interest to people of Cuba and other Latin American countries," Dr. Tigert said.

Dr. Ferrara has rendered invaluable service to his country as secretary of the province of Santa Clara, as a member of the chamber of deputies of that same province, as Cuba's representative in the Council of the League of Nations, and as Ambassador on Special Mission in the inauguration of the President of Brazil.

He also represented his country at the Sixth International Conference of American States held in Havana in 1928, and the International Conference of American States on Conciliation and Arbitration, 1928-29, held in Washington.

Dr. Ferrara is also well known as a journalist and essayist of general merit not only in Cuba but in the wider field of Hispanic American letters. He was also founder and director of El Herald de Cuba and later on, La Reforma Social.

He occupied for some time the important chair of law and jurisprudence in the University of Havana. One of his best-known works, which has already appeared in three editions, is "Causes and Pretexts of the European War."

Dr. Ferrara was born in Naples, Italy. While still in early youth, he moved to Cuba, in which, as his adopted country, he has since made his permanent home. Shortly after his arrival, the war for Cuban independence began, whereupon Dr. Ferrara unhesitatingly cast his lot with the revolutionary party, joining the group of patriotic youth whose headquarters were then in New York.

Just as soon as the struggle reached the fighting stage, Dr. Ferrara enrolled himself in the army of General Maximo Gomez, where he was distinguished by his daring initiative and unflinching courage, having a tamed at the victorious close of the war the rank of colonel in the Cuban army.

While definite plans are not ready for announcement, among other things, there will be a special program broadcast over WRTF, State and University Station, in which Ambassador Ferrara, Governor Doyle E. Carlton, and Mr. John E. Edgerton, of Leonora, Tennessee, President of the National Association of Manufacturers, and Baccalaureate Speaker of the University of Florida, will participate.

(Continued from page 1)
conferees may not reach here for several days, possibly next week and possibly even considerably later.

Both were quoted in Paris dispatches as wishing to allay any suspicion that France has walked out on the conference. They assign as reasons for remaining in Paris merely the fact of forcing the judges through the senate by Apr. 1. M. Tardieu previously had said he would not return to London before there seemed something definite that he could do there.

As to procedure when he does return the Daily Herald, labor organ, today said that if within a reasonable time no basis for agreement could be found between Italy and France, Mr. MacDonogh as chairman of the conference will call a plenary session to make a final appeal to the powers to compose their differences.

At this plenary session, according to the Herald, he will repeat Britain's willingness to postpone battleship construction, that cruisers, and abolish or limit submarines, having in his offer the full support of the Americans and Japanese. The Daily Mail, conservative, said the prime minister's plan would give a "spectacular finish" to the conference.

KENTUCKY HORSE PLACES FIRST AT AGUA CALIENTE

5 Year Old Speedster Comes Up From 70 To Win In Final Dash

AGUA CALIENTE, Mexico, Mar. 24 (AP)—High in the class of the all time big money winners of the turf today was Victorian, the horse which breezed home ahead of Aleator. Parities in the first Agua Caliente handicap yesterday to boost his earnings to \$254,775, third among the racing immortals.

This son of Whiskbroom, II, in a powerful sprint finish, added to his laurels by finishing three lengths ahead of a field of 14 prize horses in the feature class of the winter running here.

The victory netted the warm stables of Louisville, Ky., \$98,400, the winner's share of the \$122,000 stake.

There was nothing unexpected in the triumph, with the eastern five-year-old speedster coming on from seventh place at the start, to win pulling away from a fast field. His time was 2 minutes, 3 1/5 seconds.

It was the performance of the remaining 15 starters which caused a stir among more than 25,000 persons who jammed the Agua Caliente Jockey Club track almost to capacity. Chief of the units was the failure of Brown Wisdom, Recheit brother's entry from Chicago, to place better than a bad sixth. Brown Wisdom had been a co-favorite with Victorian at 2 to 1 odds.

Scarcely less startling was the racing race of Alexander Panfanti, Alca Carro's stable contender from Los Angeles, which placed into second place at the finish, two lengths ahead of Donny, the Bahamas colt from New York.

BASEBALL

WEST PALM BEACH, Fla., Mar. 24 (AP)—Elongated Ted Guller, Ozark mountaineer, still under a western league contract, is due to affix his mark to a St. Louis Browns' document if he continues to shine as brilliantly as he has in the past few western league contests.

BRADENTON, Fla., Mar. 24 (AP)—Elongated Ted Guller, the Fort-horn Irish, was rebuffed to make his 100th debut today at third base for the St. Louis Cardinals when they play the Boston Braves in a return engagement. Spooky Adams, who came here from St. Louis, was at second while Ted Guller, 1935 hitting crown mainstay, was to make his inaugural mound appearance.

ST. PETERSBURG, Fla., Mar. 24 (AP)—Champion of St. Petersburg, he Braves turn today to Bradenton to face the Cardinals. A two-run ninth inning rally brought the team from behind to win the deciding game against the Yankees yesterday. They have taken five of the eight games played, with one more scheduled. Bill Rhed, recent acquisition from Brooklyn, finally broke his hat after getting eight hits in the last successive 10 times at the plate.

PENSACOLA, Fla., Mar. 24 (AP)—Tom Oliver, Red Sox recent outfielder, is galloping far and wide to snare the cheery pellet. On an outfield soft nest by recent rain yesterday he caught a ball in a game with the local nine that no one thought could be reached. In good form, his work may insure that Lacy can be tried again before long.

LOS ANGELES, Cal., Mar. 24 (AP)—Exhibition games won't bring pennants, but Manager Joe McCarthy is exactly pleased at the way Pacific Coast League clubs are hitting the pitching regular. Gray Bunn is the latest victim. The "Mississippi Mud" was slaughtered for a time and eight hits in four innings by Los Angeles yesterday and the Angels won, 7 to 4.

SETS ANOTHER SPEED RECORD

MIAMI, Fla., Mar. 24 (AP)—Driving a large seven-passenger sedan over the Tamiami Trail between Fort Myers and Miami—43 1/2 miles—at an average speed of 74.6 miles per hour, "Cannonball" Baker, in car, his many automobile speed record, covered the distance in 1 hour 16 minutes 2 1/2 seconds.

SAN ANTONIO, Texas, Mar. 24 (AP)—Last July, the big lass hit man who is expected to give the White Sox a long missing punch in the plate, as started delivering already. He started the attack against the Gans yesterday and kept it rolling with a pair of double.

MOVE TO STAMP OUT ILLITERACY IN NATION BEGUN

One Out of Every 14 Adults in U.S. Cannot Read Warning Signs

"One out of every 14 people of voting age in the United States cannot read such signs as 'danger,' 'Live Wire,' and are classed as illiterates, according to a report prepared recently by the national advisory committee on illiteracy, which is promoting a nationwide campaign to 'drive illiteracy from the land.'"

Ray Lynn Wilbur, secretary of the Interior, and chairman of the National Advisory Committee on Illiteracy, in a letter sent to County School Superintendent T. W. Lawton, recently, asks the county to become a part of the intensive campaign. Referring to the subject of the drive, Secretary Wilbur, in his letter, said "We are proud of the great American public school system that we sometimes forget that several millions of our grown men and women in the United States can neither read nor write."

Dennis King To Star In 'Vagabond King' At Milane, Wednesday

Dennis King, who for the past two or three years has been rated by critics as the greatest singing star of the Broadway musical comedy stage, will be seen and heard for the first time by movie audiences at the Milane Theatre when "The Vagabond King" comes there on Wednesday next for an extended run.

"The Vagabond King" was the vehicle for Dennis King's greatest singing achievement. It had a sensational long run of more than a full season's duration in New York and made an impressive tour in other cities afterward.

King's rise to fame was meteoric. As a lad he was fascinated by the stage. His first bit parts were with John Drinkwater's repertory theatre in Birmingham, England. He came to the United States in the English company of "Monieur Beaucaire" after he was wounded in service in the British Expeditionary forces.

Later he played in Jane Cowl's New York company of "Homes and Juliet," achieving great fame in the role of Mercutio.

His friends persuaded him to develop his singing voice, and this brought him an engagement in Rose Marie, which established him as a leader in romantic singing roles. Then came the sensational and glibrous "The Vagabond King."

The music for "The Vagabond King" was written by Rudolph Friml, whose long and successful career as a composer began in 1912 with "The Fluffy." Other musical comedies and operettas which he has written music for are "Satanstoe," "Sometime," "Rose Marie" and "The Three Musketeers." The thrilling Friml songs of the original production have been carried to the all-talking screen in Paramount's gorgeous all-color screen version of "The Vagabond King."

LAKE WORTH—Local light plant installed new equipment.

Mrs. E. D. Brownlee Is Sponsor Of Program

Mrs. E. D. Brownlee is sponsoring the program on "Scandinavian Culture and Achievements" which will be given tomorrow afternoon at 3:30 o'clock before the Literature Department of the Women's Club in the club rooms on Oak Avenue. The program is a continuation of the international study which the Literature Department has been taking up this year. The musical numbers will be rendered by local musicians who will be dressed in costume.

Mrs. J. T. Mitchell will give a talk on the musicians of Scandinavia which include Grieg, Olsson, and Jenny Lind. Assisting Mrs. Mitchell will be Carmen Guthrie, Lillian Branan, Dorothy Mitchell, Daphne Takach and Mrs. J. A. Takach.

Truth Seekers' Class Has Meeting Monday

Hostesses at the regular business and social meeting of the Truth Seekers' Class of the First Methodist Church, held yesterday afternoon at the home of Mrs. I. D. Hart on Geneva Avenue, were Mrs. W. J. David, Mrs. Tom Miller, Mrs. John Vaughn and Mrs. C. E. Priest. Mrs. L. M. Telford presided over the short business session when reports, which were said to be very favorable, were read from the various committees. The devotionals was conducted by Mrs. T. R. Miller.

During the social hour Mrs. C. H. Smith and Mrs. John Vaughn sang, "The Old Rugged Cross" after which Mrs. Vaughn conducted a contest. At the conclusion of the contest a hand-made towel was given to Mrs. Harry S. Allen, who guessed the largest number of names.

At the tea hour, refreshments were served by the hostesses. Those present were: Mrs. L. M. Telford, Mrs. O. J. Pope, Mrs. A. D. Shoemaker, Mrs. Bessie Hutchison, Mrs. M. E. Moye, Mrs. G. W. Spencer, Mrs. J. B. Crawford, Mrs. R. F. Crenshaw, Mrs. J. F. Riser, Mrs. John Alden Brown, Mrs. J. D. Parker, Mrs. Harry S. Allen, Mrs. W. P. Buhman, Mrs. Anna Zernovnan, Mrs. D. C. Barcliff, Mrs. W. C. Dekle, Mrs. R. J. Parker, Mrs. J. W. Rutledge, Mrs. C. O. Bradbury and Mrs. R. W. Turner.

Revivalist Services Are Being Conducted

Revival services are now being conducted each day and night at the local Methodist church by Rev. Harry S. Allen of Macon, Ga., who is one of the general evangelists of the Methodist church, South, and Rev. W. P. Buhman, pastor of the Methodist church.

Rev. Buhman, this morning, said that both the Methodists and the general public are cordially invited to attend the services which take place each morning at 10 o'clock and each night at 7:45 o'clock in the Methodist church.

"Not only preachers and special Christian workers are expected to be soul winners but every member of the church should be a fruit-bearing branch of the vine Christ Jesus," Rev. Buhman asserted, saying that without the "full cooperation of the church members" he cannot carry out his work.

Miss Irene Draa Is Wed To George Mero

Coming as a surprise to their many friends both here and elsewhere is the announcement of the marriage of Miss Irene Draa, daughter of Mr. and Mrs. P. V. Draa, to George Aubrey Mero, son of Mr. and Mrs. J. W. Mero, on Sunday, Mar. 23 at Ocala. The ceremony was performed at the court house in Ocala by Judge Futch.

The bride came to Sanford at six years of age and was graduated from Sanford High School in 1928. She was born in Bradwell, Pa. where she lived for a number of years. At the present time she is employed as stenographer at White-Highlyman's.

The bridegroom is the youngest son of Mr. and Mrs. Mero who reside at Elder Springs. He came here with his parents about 10 years ago and since that time has studied in the public school here for a number of years. He is manager of the Dunlop Tire Company here and is also manager for the Mero Synagogue, local orchestra.

The couple will be at home to their friends with Mr. and Mrs. Draa on West First Street, for the next few weeks.

Art Display Will Be Exhibited At School

Mrs. Stella P. Arrington, principal of the primary school, here has announced an exhibit of 150 of the finest reproductions of recognized masterpieces of art has been engaged to be placed on display to local students and the general public at the South Side Primary School on Apr. 2 and Apr. 3 from 3 o'clock to 6 o'clock on Apr. 4 from 7:30 o'clock to 9:30 o'clock.

In making the announcement, Mrs. Arrington said, "It has been the privilege of students and the general public to enjoy the masterpieces of music and literature for generations; but an enjoyment of the masterpieces of art has until very recently, been restricted to those who were wealthy enough to travel throughout the world, visiting the museums in which the original paintings hang.

"Recent improvements in color photography and printing now make it possible to bring the art of the world to even our smaller towns and villages through the medium of faithful reproductions. These reproductions are true to the originals in all respects, with the possible exception of size. Even the most delicate variations in color are maintained. In most instances the brush strokes in the original picture are clearly discernible.

"I feel that we are fortunate indeed to be able to bring to Sanford a collection of these splendid pictures."

EXPENSE CUTS ARE DISCUSSED BY CITY HEADS

(Continued from page one)
Investigation of the proposition it was learned that the proposed ditch site is located just beyond the city limits, and as the City has no authority over County property, the Commissioners do not take any action.

Chief of the Fire Department M. N. Cleveland was consulted and asked to check the fire department's yearly operating expenses and see if there is a possibility to reduce the expenses of that department to \$12,000 per year. Commissioner Vivian A. Speer explained to the fire chief that every department of the city is being checked carefully in an effort to reduce the City's yearly expenses to as small amount as possible "to show the bondholders that Sanford is trying to economize to the best of its ability." Mr. Speer told Mr. Cleveland that he considered the fire chief the best person to determine just what that department "actually needed" and what it can get along without. Mr. Cleveland said that he is certain that he can reduce the running expenses of his department to some extent, but at the same time he will consider the citizens' safety from fire.

Mr. Wicht also requested the right to bring up the matter of erecting a Standard Oil filling station at Park Avenue and Third Street at the next regular meeting. He said that he had been informed that the Atlantic Oil Company is planning to begin work soon on the construction of a filling station opposite the Standard Oil's proposed site on Park Avenue Mayor H. J. Lehman said he thought the best plan would be to call a special meeting at which time representatives of the oil company and also the local citizens who objected to the filling station will be asked to appear and state their case.

Mr. Speer advised that he will not be in favor of the filling station's construction until the oil company gets the consent of the majority of the residents on the Park Avenue block between Third and Fourth Streets. He said if the majority of these people and their property turned into business property, he will then be in favor of the proposed filling station.

Manley Construction Company received contract for construction of State Highway No. 2 from Plymouth to Orlando.

Real Cigarette Pleasure

WHY BE SATISFIED with less smoking pleasure when for the same price you can have the luxury of Camels?

Camels stand alone. If you merely want to puff, anything will do. But if you want to know the true delight of smoking—to enjoy the mild, mellow fragrance of superbly blended Domestic and Turkish tobaccos, brought to perfection by the most scientific methods of manufacture but with none of the delicacy of its natural goodness lost or spoiled by over-treatment—then Camel is the cigarette for you.

You'll find in Camels all the exquisite enjoyment that can be packed into a smoke.
