Accused Killers Free Hostages

Siege At Deland Hospital Ends With No Shots Fired

DELAND (UPI) — Two armed murder suspects surrendered peacefully today after fleeing custody and holding up in a hospital where they held at least 40 hostages during a seven-hour standoff in which no shots were fired.

"Nobody was injured — thank God," said Volusia County Sheriff Edwin Duff.

Authorities identified the pair as Roy Swafford, 38, of Nashville, and Michael Anderson, 22, of Newport, R.I. They escaped Wednesday from the Volusia County Jail and got as far as the Fish Memorial Hospital four blocks away.

At the hospital, they took over a third floor patient wing and held 24 patients, seven staff members, and nine or ten visitors hostage, said hospital spokeswoman Linda Swartz.

Negotiations with the inmates began at 5:40 p.m. Wednesday. The suspects surrendered at 12:17 a.m., said Lt. Alan Elliot, chief negotiator for the Deland Police Department.

Duff said once surrender terms were agreed upon, the inmates placed their weapons and ammunition inside an elevator, which was sent to the first floor. The elevator was sent back up, the prisoners boarded, and got off at the second floor, where officers were waiting.

The accused killers were led out the emergency room door and into a waiting sheriff's van, which sped away with SWAT team members armed with automatic weapons standing on the vehicle's running boards.

Duff said the two men had been returning to

'We Want More Money'

Teachers Protest; School Board Adopts Record Budget

SEA Executive Director Marshall Ogletree, in dark jacket, leads teachers in protest march around county school board building Wednesday. Veteran teachers call 4 percent raise an insult.

**By Jim Searls
Herald Staff Writer**
Chanting "We want more money," several hundred Seminole teachers took their demands to the street and school board chambers Wednesday in a demonstration that delayed a public hearing on the 1985-86 school district budget.

The \$140 million budget calls for the highest possible rate of property tax allowable by law, according to School Board Chairman Nancy Warren. In a public hearing scheduled to start at 7:30 p.m. but delayed until after 8 p.m. because of the demonstrating teachers, no one spoke against the tax hike. About twenty persons, mostly teachers, spoke on behalf of more teacher pay.

The board approved a tax rate of \$7.43 per \$1,000 assessed property value, a 10.6 percent hike over last year's rate of \$7.07.

Before the board meeting, angry members of the Seminole Education Association, upset over the school board's failure to increase salaries of teachers with 15 years or more experience after a proposed contract was voted down, attended a noisy pep rally-style demonstration beginning at 5:30 p.m. at Sanford Memorial Stadium next to the school board

KGB Chief Defects; 25 Soviets Expelled

LONDON (UPI) — Britain announced today that the head of the KGB's London operation had defected and that it had ordered 25 Soviet officials, including six diplomats, expelled for spying.

The Foreign Office said in a statement that Oleg Gorbievski, who had the rank of counsellor at the Soviet Embassy and "recently become head of the KGB residency in London," had defected.

The Soviet charge d'affaires, identified only as Mr. Parshin, was called to the Foreign Office and informed that Gorbievski "had sought and been granted asylum in this country."

"Mr. Gorbievski was in a position to know full details of Soviet intelligence activities and personnel in this country," the Foreign Office said.

"Mr. Parshin was told that a significant number of Soviet representatives in London have been engaged in intelligence activities, which were of course totally incompatible with their status and their declared tasks."

"The Soviet charge was therefore informed that 25 Soviet officials, of whom six belong to the diplomatic staff, must leave within three weeks," the statement said.

The Foreign Office said Gorbievski had been attached to the embassy since June 1982.

The British government said it considered the spying activities "completely unacceptable" but stressed that it "attached great importance" to measures that can build "mutual confidence between East and West."

"It was accordingly made clear that although our action was necessary in the interests of national security, it remained our policy to work for an improvement in bilateral relations with the Soviet Union," the Foreign Office said.

Sanford City Commissioner Bob Thomas, school district employee, joins protest march.

At Sanford Memorial Stadium gathering, several hundred teachers wave signs stating "quality percent pay hike to veteran teachers' 4 percent."

At Least 37 Killed In Fiery Two-Train Collision

NELAS, Portugal (UPI) — Rescue teams today worked to pry more bodies from the tangled wreckage of two passenger trains that collided and exploded in flames in a remote vineyard region of northern Portugal, killing at least 37 people.

Manuel Joad, an official of Social Security, briefed President Antonio Ramalho Eanes today and said 37 people were confirmed dead but that

rescue teams were still removing bodies.

The trains — an express bound for Paris and a local train — collided Wednesday near the town of Viseu, between Mangualde and Nelas, about 200 miles northeast of Lisbon, authorities said. It was Portugal's worst train disaster.

"We heard a great crash," said Maria Rosa Nunez, who farms near

the crash site. "We heard screams and more screams — so strong, so strong."

The seven-car express train derailed and the passenger cars piled up on top of the engines. Three cars exploded in flames, trapping passengers inside. The fire also engulfed two cars of the local train and spread to the surrounding pine forest.

Rescuers were able to remove at

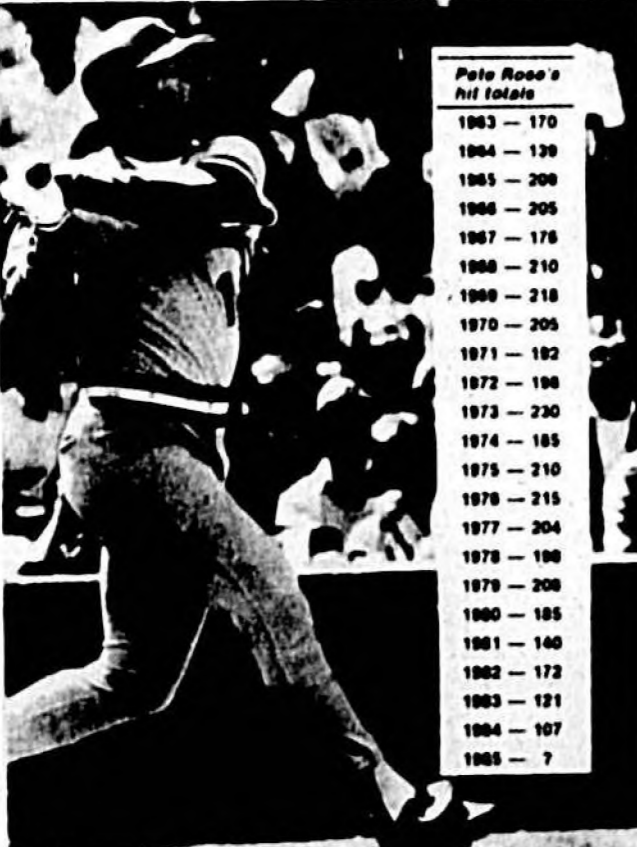

least four of the cars from the pileup by morning. Crews today cut into the express train's engine and removed the body of the engineer.

Eugenio Silva Sousa, deputy commander of the fire brigade in Mangualde, said three cars of the express train were burned, twisted and "full of corpses," many charred beyond recognition.

Nowhere Fast

DALY CITY, Calif. (UPI) — Joey Bavaresco completed 100 hours of non-stop exercising and said he wound up with 11 blisters on his bottom. "I feel like a '56 Pontiac, my rear end fell out," he said.

Sweet Smell Of Immortality

Pete Rose topped one of baseball's highest records Tuesday night, driving a first-inning single to left-center off pitcher Eric Show of the San Diego Padres to break Ty Cobb's 57-year-old mark for career hits. **See SPORTS, 8A.**

Deputy Recovers From 'Voodoo Power'

Substance Sent To Crime Lab In Sanford

TITUSVILLE (UPI) — A sheriff's deputy who felt dizzy and was hospitalized after testing a substance seized from a man who called it his "voodoo power" has recovered, authorities say.

The substance in a bag was confiscated from Darrell Thomas Bronson, 24, of Fort Pierce, who was arrested on a weapons charge. Brevard County Sheriff's Deputy Sonja Wallace had been testing to see whether it was a narcotic and a bit later, began feeling ill.

She was treated Monday at Holmes Regional Medical Center in Melbourne after she became dizzy, her nose itched, her speech was slurred and she suffered a tingling in her fingertips, said sheriff's spokeswoman Maude LaPlante. Wallace felt better Tuesday, LaPlante said.

The tests on the green and brown substance were negative, officials said.

"We have no idea what it is," LaPlante said, "except that it's voodoo power."

Florida Highway Patrol trooper R.F. Wallace arrested Bronson at the scene of an accident west of Melbourne when he found the Fort Pierce man was carrying a 5,000-watt stun gun.

"He said he had it for protection on the Interstate (95)," Wallace said. "The gun doesn't shoot a beam. It has to touch the body, and drills 5,000 watts into the body."

Wallace said he checked Bronson's pockets, and found the bag. Bronson, who had been in a car that sideswiped another on the highway, was more shaken up than hurt and sent to Brevard County Jail, trooper Wallace said.

There, he told a jailer the substance was "voodoo roots and herbs that he got from his family in the backwoods of Georgia," according to Wallace.

Bronson was released Tuesday night after pleading guilty in Brevard County Circuit Court to carrying a concealed weapon, a jail spokesman said. He was sentenced to one year probation and fined \$127, she said.

The substance was shipped to the FHP crime lab in Sanford. Wallace said if tests reveal the substance is illegal, an arrest warrant would be issued for Bronson.

Wallace said his hands felt numb after touching the bagful of herbs, but he added he did not feel ill afterwards.

"The only time I touched it is when I took it out of his pockets," he said.

Doctors tested Sonja Wallace's blood and urine for illegal drugs but found nothing. She returned to the hospital Tuesday for drugs to ease an "annoying" but not severe headache, LaPlante said.

"Other than that, she seems to be fine," LaPlante said.

It all began in a minor accident on I-95 around 1 a.m. Monday. Bronson had been a passenger in a southbound 1983 Pontiac that "grazed" a Chevrolet station wagon

Record Spending Level Failed To Unseat Helms

WASHINGTON (UPI) — More independent money was spent in 1984 trying to unseat Sen. Jesse Helms, R-N.C., than for any other candidate, including President Reagan and Walter Mondale, the Federal Election Commission said.

The FEC's final report of the 1983-84 election cycle showed that independent spending by organizations and individuals totalled \$22.8 million in 1983-84, with the bulk — \$17.4 million — aimed at the presidential race.

In the 1979-80 election year, individual spending for or against candidates totalled \$16.1 million, \$13.7 million of that going into the presidential race.

The most money spent in 1984 to try to defeat a single candidate in 1984 was aimed at

the conservative Helms. Independents spent \$812,590 to defeat him and \$583,310 to elect him to a third term.

Helms overwhelmingly defeated a challenge from James Hunt, who was governor of North Carolina. The race was the most expensive Senate campaign ever, costing the candidates a total of \$21 million.

The FEC defines independent expenditure as "money spent to finance communication which advocates the election or defeat of a clearly identified federal candidate. Such an expenditure must be made without cooperation or consultation with the candidate or his/her campaign."

The effort against Helms totaled more than the independent campaigns against Reagan and Mondale. Independents

raised \$343,835 to defeat Reagan, \$445,240 to defeat Mondale. Another \$40,859 was spent to defeat the presidential bid of Sen. Gary Hart, D-Colo.

The independents raised \$15,806,225 to return Reagan to the White House, \$803,923 to put Mondale there and nothing for Hart.

Other negative campaigns were aimed at Sen. Charles Percy, R-Ill., \$506,549, who lost to Paul Simon, compared to \$40,687 raised for Percy; Thomas Harkin, \$83,753, who challenged and defeated Sen. Roger Jepsen, compared to \$14,129 to elect Harkin; Sen. Edward Kennedy, D-Mass., \$69,518, who retained his seat, while nothing was raised for Kennedy's effort; House Speaker Thomas O'Neill, D-Mass.,

\$61,014, who won re-election, with only \$213 raised for him; Rep. Peter Kostmayer, D-Pa., \$10,425, who won re-election, compared to \$21,637 for his election.

Candidates receiving six-digit efforts by independents included Sen. Phil Gramm, R-Texas, \$533,526 with nothing raised against him; Daniel Evans, R-Wash., \$186,597, nothing against; Lloyd Doggett of Texas, \$101,816, nothing against, for his unsuccessful campaign against Gramm.

The biggest negative effort on any candidate was made by North Carolina Campaign Fund, which spent \$785,936 trying to unseat Helms.

The largest expenditure made by a person was \$419,573 by Michael Goland, identified by the

FEC as an "independent expenditure," to unseat Percy.

The top 10 spending organizations were:

- The National Conservative Political Action Committee, \$9,837,580 for candidates and \$406,173 against.
- Fund for a Conservative Majority, \$2,099,011 for, \$78,617 against.
- Ruff Political Action Committee, \$2,020,225 for, none against.
- National Congressional Club, \$948,032 for, none against.

- National Rifle Association Political Victory Fund, \$785,516 for, none against.
- North Carolina Campaign Fund, \$765,936 against Helms.
- Council for National Defense, \$620,861 for, \$118,691 against.
- American Medical Association Political Action Committee, \$450,020 for, none against.
- Realtors Political Action Committee, \$355,346 for, none against.
- Christian Voice Moral Government Fund, \$339,836 for, \$5,355 against.

Hospitals May Be Hazardous To Your Health

NEW YORK (UPI) — Some 2 million patients a year are contracting dangerous infections in America's hospitals, hiking medical costs by about \$2 billion annually, a magazine report says.

The \$2 billion figure represents 15 percent of all hospital costs in America, according to the article released by *Discover* magazine.

The article, to appear in the magazine's October issue, quotes Dr. Lowell Levin, a professor of public health at Yale University, warning that hospitals can be hazardous to a person's health.

"It sounds like a joke, but a hospital is no place for a sick person to be," Levin said.

The range of diseases, which often

complicate the ailments for which a patient was hospitalized in the first place, often are tied to infections spread through the hospital, the magazine said.

The magazine said illnesses contracted in hospitals add an average of four extra days to an infected patient's hospital stay and at least \$800 to the patient's bill.

"As many as 300,000 patients die each year from these infections, which, if they were reported accurately, would make them the 10th leading cause of death in this country," the magazine said.

The illnesses are called "nosocomial illnesses" from the Greek word for hospital.

One explanation for the problem — which *Discover* said was growing — is the drop in

"infection control personnel" at hospitals across America trying to cut costs. Total hospital employment dropped by 2.3 percent, or 73,000 people last year, it said.

A more direct cause of the problem is that hospitals reuse equipment intended to be disposed of after one use, *Discover* said, quoting Robert Sharbaugh of the Association for Practitioners of Infection Control.

"We tell our 6,000 members that the organization is officially against re-use. We're also realistic enough to know that it's happening," he said.

Potent antibiotics are being developed to combat virulent hospital germs but, the article concluded, the real answer is prevention.

CALENDAR

THURSDAY, SEPT. 12

Sanford-Seminole Jaycees, board meeting, 9 p.m., Jaycee Clubhouse, 5th Street and French Avenue.

Alzheimer's Support Group of Sanford, 7 p.m., second Thursday of month, Howell Place, 200 W. Airport Blvd., Sanford. Sharing and support for families and health givers of Alzheimer's Disease victims. Call 323-7306 or 323-8967.

International Training in Communication Greater Seminole Club (previously Toastmistress), 7:30 p.m., Altamonte Chapel Education Building on State Road 436, second and fourth Thursdays.

Sweet Adelines (women's barbershop chorus), 7:30 p.m., Casselberry Senior Center, 200 N. Lake Triplet Drive, Casselberry.

Pankhurst, a service organization for women 18 and older, get-acquainted fall dinner, 6:30 p.m., Steak and Ale, State Road 436, Altamonte Springs. For information contact Mary Bell Streetman, 862-1273.

Florida Trail Association meeting, 7:30 p.m., Goodings Supermarket, State Road 436 at Red Bug Road in Casselberry.

Seminole County Democratic Executive Committee, 7:30 p.m., Winter Springs VFW, N. Edgemon Ave., Winter Springs. Speaker, Dr. George Mauer on foreign policy.

Alzheimer's Support Group of Sanford, 7 p.m., Howell Place, W. Airport Blvd.

Open house hosted by Greater Seminole International Training in Communication Club, 7:30 p.m., Altamonte Community Chapel, 825 E. State Road 436, Altamonte Springs.

Three-part seminar on avoiding probate and minimizing estate taxes, 7-9 p.m., Sheraton Inn on Lee Road in Winter Park. Speakers Barbara R. Stock, author of *It's Easy to Avoid Probate*, Frank Pyle, attorney, and Raymond Sigley, trust officer. For reservations call Helen at 647-3025.

Sanford Jaycees general meeting, 7:30 p.m., clubhouse, Fifth Street and French Avenue.

Sanford AA, 1201 W. First St., 5:30 p.m., closed discussion, and 8 p.m., open, speaker.

Oviedo AA, 8 p.m., closed, First United Methodist Church.

Overeaters Anonymous, open, 7:30 p.m., Community United Methodist Church, Highway 17-92, Casselberry. Newcomers meeting, 7 p.m., Call Jean at 830-0995. Also, 7:30 p.m., in the annex conference room behind Florida Hospital-Altamonte, State Road 436, Altamonte Springs.

FRIDAY, SEPT. 13

Central Florida Kiwanis Club, 7:30 a.m., Florida Federal Savings and Loan, State Road 436 at 434, Altamonte Springs.

Seminole Sunrise Kiwanis Club, 7 a.m., Airport Restaurant, Sanford.

Optimist Club of South Seminole, 7:30 a.m., Holiday Inn, Wymore Road, Altamonte Springs.

Central Florida Blood Bank Florida Hospital-Altamonte Branch, 601 E. Altamonte Ave., 9 a.m. to 5 p.m.

Federation of Senior Citizens meeting, 10 a.m., Knights of Columbus Hall, 2504 S. Oak Ave., Sanford. Election of officers.

Gentle Exercise for seniors, 10:30 a.m., Casselberry Senior Center, 200 N. Lake Triplet Drive, Casselberry.

Sallie Harrison Chapter DAR luncheon meeting, 12:30 p.m., Howell Place, W. Airport Boulevard, Sanford. Mayor Bettye Smith will speak.

Central Florida Metal Detecting Club, Goldenrod Civic Center, 4763 Palmetto Ave. one block south of Aloma Avenue, 7:30 p.m.

Wekiva AA (no smoking), 8 p.m., Wekiva Presbyterian Church, SR 434, at Wekiva Springs Road. Closed.

Comet Probe Illuminates Space Marvels

GREENBELT, Md. (UPI) — In three hours of pioneering exploration, a bargain-basement space probe has given scientists a new perspective on comets, those wanderers from deep space that once were viewed as evil omens in the sky.

No longer will researchers view comets as benign hunks of ice and dust that slowly vaporize as they periodically swing in by the sun.

The historic encounter of NASA's International Cometary Explorer with Comet Giacobini-Zinner 44 million miles from Earth Wednesday showed that some comets, at least, are highly active

turbulent masses.

The 5-foot-tall International Cometary Explorer was not equipped to take pictures, but it carried 10 different space physics instruments and they produced surprise after surprise.

The shock wave produced around the comet, for example, was nothing like that generated by Earth or other planets when they buck the 1 million-mph "wind" of charged gases from the sun. The dust around the comet was much less dense than some anticipated. The comet's tail was three times thicker than predicted.

...Protest

Continued from page 1A

offices, 1211 Mellonville Ave., Sanford.

The demonstration was part of a planned protest that saw the teachers, led by SEA Executive Officer Marshall Ogletree and President Debbie Whitmire, hear speeches by SEA officers and state officers of the Florida Teachers Profession-National Education Association.

FTP-NEA President Leroy Wilson told the crowd of several hundred chanting teachers and supporters that "32,000 state and 1.7 million association members nationwide support you in your struggle and are behind you all the way." Speakers were frequently interrupted by applause during the hour-long show of support for SEA members.

John Robinson, FTP-NEA executive director, told the crowd that school administrators, "hold little regard for teachers here." He then paraphrased a French philosopher saying Americans love children and education yet don't seem to care for teachers.

"Opportunistic politicians short-change veteran teachers, they express their regard for them then ignore them. They short-change the experienced person to attract people they have never met," he said. "The frustration of today's career teacher is in response to the cavalier way their own careers are being treated. They (teachers) have no professional authority and all the professional responsibility and that's not fair."

The rally was interrupted several times by sign waving, everyone got a large cardboard sign or badge at the gate, and chanting of slogans in support of higher pay.

A marcher in the parade, Atha Sanders, a teacher from Sanford Middle School with 24 years teaching experience, said, "We need something like this

(parade). There is too much priority shown new teachers, they're the ones who get out early to go on to other careers and make a lot more money. This work has been the career teachers livelihood all their lives, they can't go on to anything else."

Ogletree told the crowd the philosophical gap between administrators and teachers was widening and that the school board had \$300,000 budgeted for contingency funds for the teachers that they were withholding. Mrs. Warren said the of the \$140 million budget, less than 1 percent is held for emergencies. That covers all types of contingencies, such as building needs, repairs due to bad weather, staff shortages, etc. She said the teachers think all of that money should be spent on them.

Ogletree said weekly picketing and protests would continue until contract negotiations were successful.

The rally then moved to the school board offices where Ogletree and his negotiating team members carried an FTP-NEA banner around the offices, followed by several hundred teachers and supporters. The parade around the offices lasted for half an hour and then loud SEA members moved into school board chambers.

School board members delayed the start of the meeting because the demonstrators refused to leave. Three Sanford police officers and a Sanford firefighter came to the scene. One officer told the teachers they would have to leave or arrests would be made.

Ogletree then asked his followers to leave and the meeting began after about a half hour delay. The teachers waited in the hallway their turn to speak at a public hearing on the school board budget.

Ogletree at first demanded the meeting be stopped and moved to a larger room. He said the board hold its meeting deliberately in too small quarters so

teachers could not speak. School administrators, however, said the meeting could not be moved because it had been advertised for that time and place.

About twenty persons spoke against the proposed budget and said they could not live on their current salaries.

Superintendent of Schools Robert Hughes told teachers remaining in the school board chamber that their dispute was not with the local board but with state school officials in Tallahassee.

He said the board has given them all it can in salaries and fringe benefits. He pointed out the board has increased teachers' health benefits.

"You've given Tallahassee a message you don't want merit pay," he said. "You told them to give the money for your salaries

back to the school boards to give to the teachers. What we're trying to do with this budget is like walking a tightrope; we're trying to see that the rope is straight before we step out."

"We want the pay we deserve," retorted Janice Jerit, teacher at Spring Lake Elementary in Altamonte Springs.

Seminole High School American history teacher Whitey Eckstein, with over 15 years teaching experience, told the school board, "You tell us you pushed the budget to the limit, but you create unnecessary administrative positions. You take the hard work of dedicated professionals and give us a 4 percent raise, yet you gave your superintendent a well-earned raise of 10 percent. The moral of Seminole County teachers is at an all-time low."

...Crash

Continued from page 1A

Eanes and Prime Minister Mario Soares rushed to the scene from Lisbon. The government decreed three days of official mourning.

Hospitals in Viseu and Mangualde were flooded with injured, and authorities said some victims were taken to the towns of Coimbra and Oporto — 60 miles from the crash site — for treatment.

A spokesman for Portugal's government-run railroad said the express train apparently caused the collision because it was running seven minutes behind schedule and failed to allow the local train to pass through a stretch of one-way track.

The international express train originated in Oporto and was bound for France. Most of the passengers were Portuguese workers returning to their jobs in France, authorities said.

The local train was on a run from Guarda to Coimbra. It was

not known if any foreigners were on board either train.

The Portuguese news agency said the accident was the 13th train wreck this year in Portugal. Earlier crashes killed a total of 10 people.

The nation's worst previous rail accident occurred last year when 18 people died in a collision between a train and a bus at a crossing near Oporto.

parked beside the road, Wallace said. The Pontiac spun out of control and stopped about 200 yards away in some roadside brush.

Nobody was hurt. Wallace said the driver of the Pontiac, Kenneth Crowell — who gave the same address as Bronson — was charged with having no valid driver's license and with failing to drive in a single lane.

The trooper said he spotted the stun gun when Bronson was put on a backboard and his T-shirt was pulled up.

Man, 20, Drowns In Lake Mary

A Lake Helen resident drowned early Wednesday in an unnamed Lake Mary lake. Lake Mary Police Chief Harry Benson said the drowning is still under investigation, pending laboratory results, but he said it would probably be ruled accidental.

Police reports state Clarence Edward Fox, 20, of 509 Virginia Dr., Lake Helen was swimming with friends Johnny Robert Parks, 28, no street address, Sanford and Michael Leon Price, 20, and Timothy Robert Newcomb, 32, both of 635 Riverview, Sanford, at a lake near Rinehart Road at about

3:30 a.m. Wednesday. Parks, Price and Newcomb told police that Fox was swimming near them when he started struggling and yelling for help. Parks told police he tried to help Fox but Fox kept pulling him under so he called for Newcomb to assist him. Fox again began pulling them down and they let go. They said Fox vanished from sight then and they (Parks and Newcomb) swam back to shore.

Police reports said the three left the water and began searching the shoreline thinking, they said, that Fox was "playing a game."

AREA DEATHS

THERESA S. ANDERSON
Mrs. Theresa S. Anderson, 80, of 200 North St., Altamonte Springs, died Tuesday at Florida Hospital-Altamonte. Born Oct. 20, 1904 in Boykins, Va., she moved to Altamonte Springs in 1925. She was a homemaker and a member of St. John Missionary Baptist Church, Altamonte Springs, and the Heroines of Jericho, Court 211-B.

Survivors include a daughter, Mrs. Australia McKinney, Altamonte Springs; a brother, Andrew Stephenson, Norfolk, Va., a grandson, Luctious Harris, Altamonte Springs; five grandchildren.

Wilson-Eichelberger Mortuary, Sanford, is in charge of arrangements.

LINDA DIANE BLACKWELL
Miss Linda Diane Blackwell, 21, of 61 Kendall Way, Casselberry, died Tuesday at her residence. Born Feb. 4, 1964 in Winter Park, she moved to

Casselberry from there in 1983. She was a receptionist for a telephone answering service and a member of Prairie Lake Baptist Church, Fern Park.

Survivors include her mother, Patricia, Casselberry; father, Verrell, Mobile, Ala.; sister, Nicola, Casselberry; maternal grandparents, Mr. and Mrs. James Worrell, Altamonte Springs, paternal grandparents, Mr. and Mrs. E.V. Blackwell, Mobile.

Baldwin-Fairchild Funeral Home, Altamonte Springs, is in charge of arrangements.

WARREN S. DAVIS SR.
Mr. Warren S. Davis Sr., 54, of 311 Monks Court, Lake Mary, died Monday at Texas Medical Center, Houston. Born Dec. 30, 1930 in Pennsylvania, he moved to Lake Mary from Freeport, Maine in 1968. He was a computer specialist and a Methodist.

Survivors include his wife, Rowena; son, Warren S. Jr., Orlando; daughter, Kimberly

Ann, Lake Mary. Baldwin-Fairchild Funeral Home, Altamonte Springs, is in charge of arrangements.

CLARENCE E. FOX III
Mr. Clarence Edward Fox III, 20, of 569 Virginia Drive, Lake Helen, died Saturday in Lake Mary in a drowning accident. Born Sept. 21, 1964 at Catskill, N.Y., he moved to Lake Helen six years ago from Sanford. He was a laborer in the citrus industry.

Survivors include his parents, Mr. and Mrs. Clarence E. Fox Jr.; two brothers, Russell and Wyatt; two sisters, Glenda Ann and Lorretta, all of Lake Helen; maternal grandfather, Robert Newcomb, Ashland, N.Y.

Altman Funeral Home, DeBary, is in charge of arrangements.

OLIVE V. RIZKALLA
Mrs. Olive V. Rizkalla, 77, of 100 Pine Circle Drive, Lake Mary, died Monday at her home. Born Nov. 8, 1907 in Lima Ohio, she moved to Lake Mary in 1960 from Norfolk, Va. She was a homemaker and a Methodist.

She is survived by a daughter, Jo Ann Walden, California. Oaklawn Funeral Home, Lake Mary, is in charge of arrangements.

Funeral Notices

RIZKALLA, OLIVE
—Funeral services for Olive Rizkalla, 77, of Lake Mary, who died Monday, will be held Friday at 11 a.m. in the Oaklawn Funeral Home chapel with the Rev. Ralph Fry officiating. Burial in Oaklawn Memorial Park. Visitation will be held from 10 a.m. until service time. Oaklawn Funeral Home in charge.

ANDERSON, THERESA S.
—Funeral services for Mrs. Theresa S. Anderson, 80, of 200 North St., Altamonte Springs, who died Tuesday, will be held at 3:30 p.m. Saturday at St. John Missionary Baptist Church, 427 Langwood Ave., Altamonte Springs, with pastor Charles Banks officiating. Burial to follow in Fern Park Cemetery. Calling hours for friends will be 3-9 p.m. Friday at the chapel. Wilson-Eichelberger Mortuary in charge.

Rose Comes Through With 4,192

CINCINNATI (UPI) — A few days ago, Pete Rose said he had only cried once in his life — when his father died. Now Rose has cried twice.

"I was doing okay until I thought of my father," Rose said Wednesday night, describing how he felt in the moments after passing Ty Cobb as baseball's leading career hit-maker.

"I was awfully lonely at first base," he added. "I didn't know what to do. I felt so good, though. So awfully good. I looked up in the stands and saw my father and Ty Cobb."

Rose saw them through tears, because his dad died in 1970. But his mom was there to watch his record-breaking performance. So was his wife, Carol, seated with their son, 11-month-old Tyler.

What made everything so perfect and typical for Rose was that his hits came in a victory — Cincinnati's 2-0 decision over the San Diego Padres. He scored both the runs. Even better, the record came in his hometown, the city where he made his name.

"It was his day," said San

N.L. Baseball

Diego manager Dick Williams.

A crowd of 47,237 came to watch history, and it only took one inning to happen. In the first inning, Rose sent a soft liner off Eric Show for career hit No. 4,192. The moment it left his bat, you knew that Cobb's 57-year-old mark had fallen.

Then came the celebration. Standing on first base as applause, an automobile, and awe all were directed at him, the

player-manager did the very last thing expected from Pete Rose. He began to cry.

"That was the first time in my life I was ever on a baseball field that I didn't know what to do," Rose said.

The hit provided historic symmetry, coming 57 years to the day Cobb took his final at-bat in the major leagues — a fly ball for an out. Rose dropped Cobb into second place with a 2-1 pitch that landed between left fielder Carmelo Martinez and center fielder Kevin McReynolds.

"I didn't hit it as good as the

last out the other night (Tuesday night), but I hit it in a better spot," Rose said. "I knew it was a hit, and I rounded first because I knew if it took a bad bounce, I could be standing on second."

After rounding the bag, Rose was embraced by his 15-year-old son, Pete Jr., who ran on the field from the dugout.

"I love you," Rose told the youngster. "I hope you pass me."

The time of the hit was 8:01 EDT.

As the celebration passed five minutes, Rose put his head on

the shoulder of first base coach Tommy Helms. The two broke into the Reds' organization nearly a quarter century ago at Geneva (N.Y.) of the New York-Penn League.

After weeping on Helms' shoulder, Rose spun around to acknowledge the fans, holding his batting helmet aloft.

"Lord, I love him," said one fan.

Seven minutes after the base hit, the confetti was cleared and play resumed. Four innings

Familiar Coaches Face Off

By Tim Horn
Special to the Herald

A friendly rivalry will begin Friday when two former coaching teammates match their football minds against one another as the Lake Brantley Patriots play host to the Oviedo Lions in the first game of the newly formed Seminole Athletic Conference at 8 p.m. in the Lake Brantley's Tom Storey Stadium.

Fred Almon, first-year head coach of Lake Brantley, and Jack Blanton, who is in his fifth season as head coach of Oviedo, were both assistant coaches at Lake Brantley from 1976-79. Almon was the defensive coordinator and Blanton was the offensive coordinator of the Patriots during those four years.

Now six years later, Almon will again line up on the same football field with Blanton, but this time on opposite sides while trying to lead Lake Brantley to a momentum-building victory over Blanton and Oviedo in the season opener for both schools.

"It will be real interesting," Almon said. "I know him (Blanton) inside out and he knows me inside out. He is a real good coach and he does a great job with his football team. I think it is going to be a really good football game."

The Patriots, who are coming off a dismal showing in a 12-0 jamboree loss to Deland last week, are eagerly awaiting Friday's showdown, said a confident Almon.

"I'll say this, we were flat (last) Friday in the jamboree, but the kids worked hard in practice this week and they are ready," he said. I look for us to turn it around.

"Oh, no doubt I am (confident for the game against Oviedo). We have decent skilled kids. We'll make some mistakes though and they know that, but if we can just keep the mistakes down to a minimum, we will play a good game."

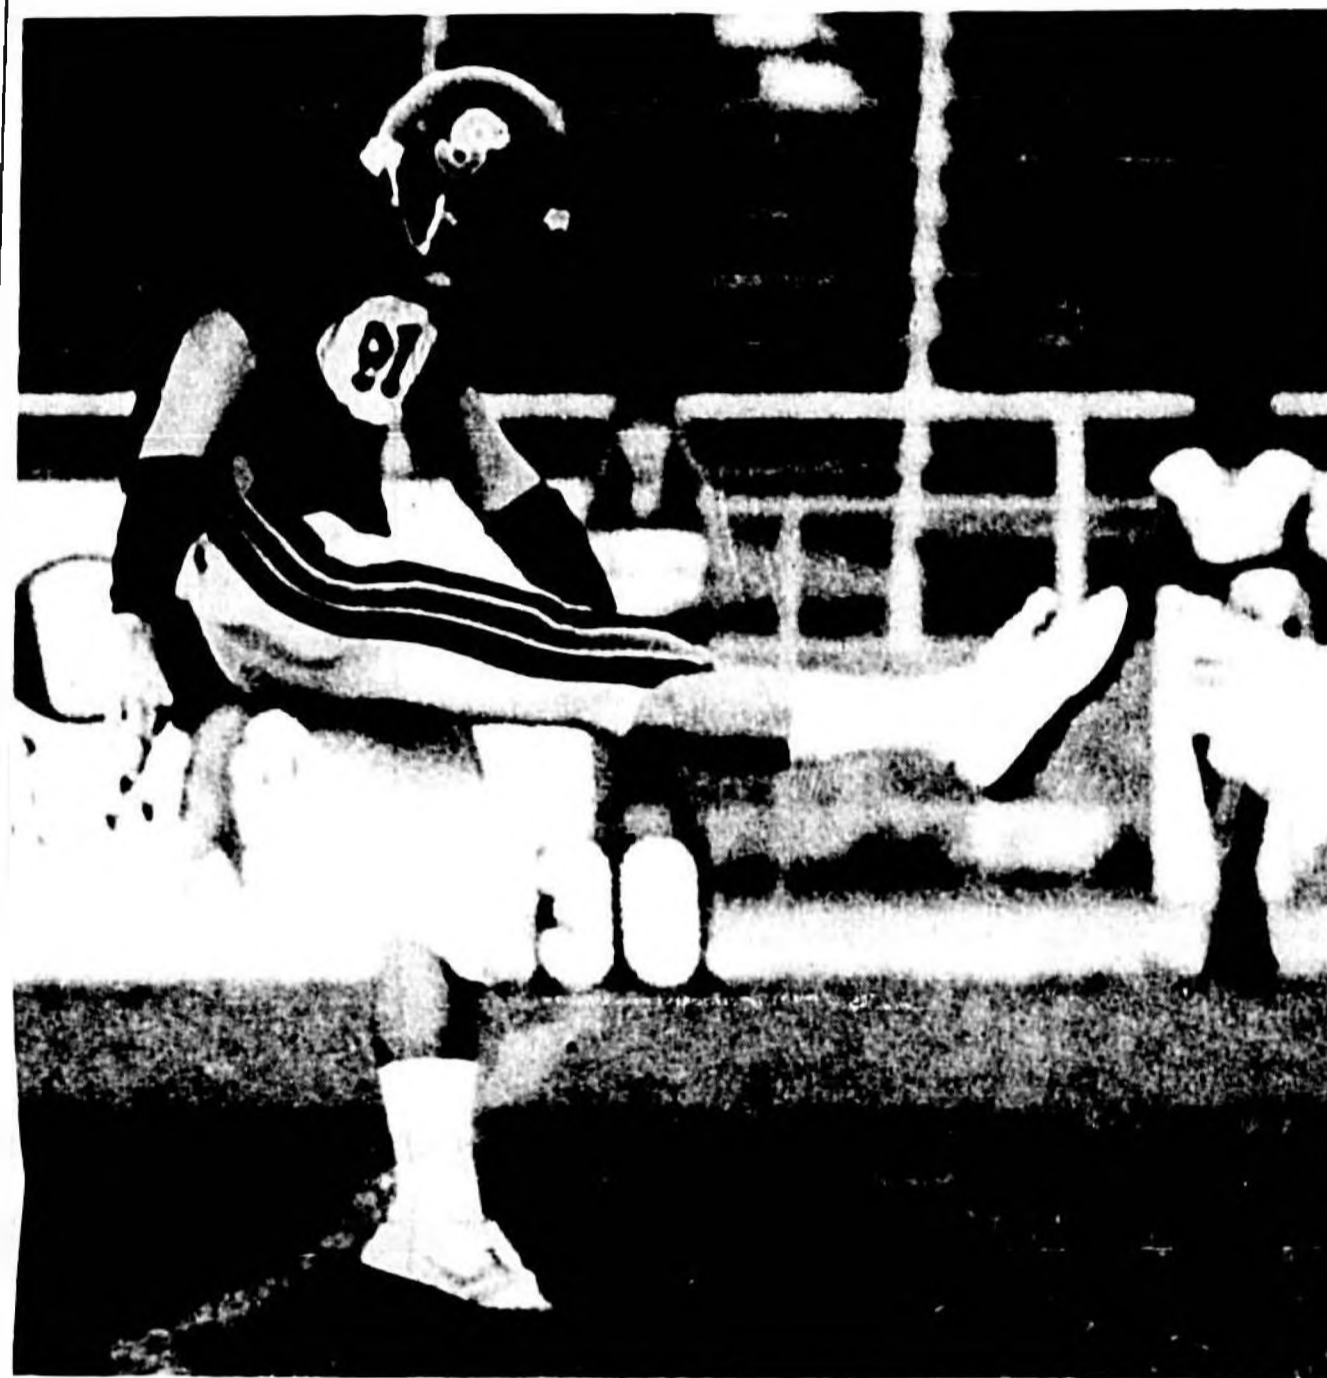

Senior Mark Bousquet, a 6-0, 230 pound team leader from his offensive tackle position, agreed with his head coach.

"Oh yeah, we're totally different this week," he said. "Practice has gone real well all week. We have got to just put everything together now."

Almon said David Delfiaco has earned the starting nod at quarterback, with Andy Dunn as the backup. Cornelius Friendly and John Gowan will join Delfiaco in the backfield at the halfback positions.

Delfiaco, who is also the team's punter and placekicker, will be throwing to wide receiver

Sonny Osborn puts his leg into a punt for Seminole. The Tribe opens Friday.

Herald Photo by Tammy Vincent

Pass The Pacifier For Tribe, Eagles

By Sam Cook
Herald Sports Editor

Goo Goo, Daa Daa. Pass the pacifier and unfold the baby stroller. Is this a day care center or a football field?

That's the way Astronaut's Jay Donnelly and Seminole's Dave Mosure see Friday's game at Seminole High School. The players will be wearing bibs instead of mouthpieces. Halftime won't be used for stirring oratory. Donnelly and Mosure will throw a couple of the infants over their shoulders and burp them.

Indeed, Friday's 8 o'clock prep football season opener between Seminole's Fighting Seminoles and the Titusville Astronaut's War Eagles will be a youthful encounter. Donnelly graduated 34 seniors from an 8-2 squad while Mosure inherited the loss of 31 seniors from coach Jerry Posey's final 5-5 swan song.

Donnelly is entering his 14th season and has one of the finest football programs in the state. His record as the only coach in the school's history is 105-31-2. District and regional titles are numerous.

Before last year, he confessed that the 1984 edition may be his best team ever. It fell short, however. It lost to Titusville, 17-10, and Palm Bay, 21-19, and didn't make

the playoffs. "They just didn't make it," Donnelly said regretfully Wednesday.

Mosure, meanwhile, is following 10 years of Posey. During that time, the popular Posey won three district titles and had an unbeaten season taken away in 1976 because of an ineligibility of a third-stringer who played without passing grades. Mosure's varsity coaching record reads 29-14 for four years at South Miami.

Mosure, though, is no stranger to district titles. He won three as a head coach at South Miami High. The Miami area is known for much tougher football than is played in these parts, according to the coaches.

Although Donnelly and Mosure are veterans, both of their teams are young.

"We're young, we're very young," Donnelly said. "We've worked them from dawn until dusk. We've really pushed them. We've practiced them hard. It's been a tough four weeks around here."

Which means the War Eagles, who buried the Noles, 28-0, last year, are ready to go. "We're aggressive and we have real good quickness," Donnelly continued. "We have a lot of young kids going on the field for their first

Coincidence Keeps Lake Mary-Apopka Rivalry Simmering

By Chris Fister
Herald Sports Writer

As it turns out, coincidence may have saved what could become one of the biggest football rivalries in Central Florida.

Because of the redistricting of schools and the newly formed Seminole Athletic Conference, Apopka High and Lake Mary High were no longer in the same district or conference.

The two squads finished 1-2 in the Five Star Conference a year ago with Lake Mary winning it on the strength of a thrilling 3-0 victory over the Blue Darters. Two years ago, a young but improved Lake Mary squad gave Apopka all it could handle before Apopka pulled away. The Darters won the Five Star that year.

Football

However, after the 1985 district and conference scheduling was through, it left Apopka with only one date to fill and Lake Mary with two. The Rams reserved one of those for homecoming and scheduled Boone for that slot. So the two schools had one date left on their schedules and it turned out that they both needed an opponent for the season opener.

"It was the only time we could play Apopka," Lake Mary coach Harry Nelson said. "I thought it was the sportsmanlike thing to do to keep them on our schedule. They have good athletes over there. I like the school and

Marty Hopkins is looking forward to Friday's opener against Apopka.

the coaching staff."

Apopka coach Chip Gierke concurred. "It just did fit into our schedule," he said. "We had nine conference and district games. All we needed was an opener, and it turns out they did too."

Lake Mary and Apopka will clash in the season opener Friday.

Lake Mary's Relay Splashes By Saints

By Sam Cook
Herald Sports Editor

Lake Mary's girls swimmers splashed their way to just one first-place Wednesday night — but it came just in the nick of time.

Kelly Wise, Danielle Poncina, Shelly Orrange and Jamie Brosnan coasted to an easy victory in the 400 freestyle relay to lift the Lady Rams to a 114-109 victory over Trinity Prep in a quadrangular meet at the Sharidan Aquatic Club in Longwood. Lake Howell (103) finished third while Bishop Moore (101) was fourth.

"Kelly Wise led off and got the lead in the beginning," Lake Mary coach Walt Morgan said. "and it just got bigger and bigger."

The clutch victory erased a slight Trinity lead and gave the Lady Rams the meet. Wise, Danielle Poncina, Shelly Orrange

Swimming

and Jamie Brosnan combined for a 4:20.05 clocking.

Wise, a freshman, also had a second place in the 200 freestyle with a time of 2:02.33. She also finished second in the 500 free in 5:24.1. Elisha Maher brought home a second in the 50 free in 27.5. Brosnan was second in the 100 breaststroke in 1:19.4 and the 100 free in 1:01.94. Alice Reese garnered a runnerup in the 500 free in 6:32.42. Kelly McKeel added the Lady Rams final second in the 100 back in 1:17.29.

Lake Mary other place came in the 200 medley relay where the team of Angie Odom, Maher, Reese and McKeel finished in 2:10.55 for fourth place.

See RELAY, Page 10A

Cross Country Powerhouses Don't Focus On Individual

While a great deal of attention is usually focused on the individual battle, cross country is first and foremost a team sport.

Perennial state powers like Largo and Tampa Leto and local powers Lake Mary (boys) and Lake Howell (girls) didn't attain success by depending on one individual to carry the team.

It just can't be done. To contend in cross country, a team must have seven capable runners.

With the 1985 cross country season about to get into full swing, it's a good time to explain what makes up a team score and why it is important to have a team of seven even though five is all a team needs to score in a meet.

In boys cross country, the competitors run a three mile course. In girls cross country, they run a two mile course.

Each course has its own unique features. Some, like Trinity Prep's,

may be mostly flat and consist of little rugged terrain which means faster times. Others may have hills, thick grass (like Seminole Community College) or sand that slows down the runners.

The team score is derived from adding up the individual places of the top five runners on a team. The lowest total wins. For instance, if a team's number one runner finishes second, number two comes in ninth, number three 12th, number four 17th and number five 20th, then the team score would be 60 (2 + 9 + 12 + 17 + 20).

The best possible team score is 15 which means a team has the top five individuals in a race. A score of 15 is rarely seen outside of dual meets. A team must have five runners finish to have a team score.

The importance of the sixth and seventh runners is often overlooked if a team has a solid top five but, no matter what team it is, to have seven

Chris Fister
SPORTS WRITER

runners is imperative.

If one or two of the usual top five has an off day or one is unable to finish the race, the sixth and seventh runners are there to take up the slack. Also, the sixth or seventh runner may have an excellent day and surpass one of the other five.

Another reason the number six runner is crucial is the event of a tie for first place or any other place in the meet. If there is a tie between two teams, the team which had the top

number six runner wins.

In the inaugural season of the Seminole Athletic Conference, Lake Mary's boys and Lake Howell's girls are the favorites to win the conference title.

The county boys coaches feel Lake Mary, fourth in the state (4A) last season and ranked seventh in the '85 preseason poll, is the team to beat. After the Rams, four teams are packed pretty close together including Lake Howell, Seminole, Lyman and Lake Brantley while Oviedo trails. Because of its performance in the preseason jamboree, Lake Howell has the slight edge for second place followed by Seminole, Lyman and Brantley.

The girls coaches see Lake Howell as extremely hard to knock off. The Lady Hawks, fourth in the state last season and fourth in the preseason rankings, are talented and have plenty of depth. Seminole High, 10th in the state a year

ago and eighth in the preseason, Lyman and Lake Brantley are battling for the second spot with Seminole holding the preseason edge, Lake Mary and Oviedo trail the rest of the pack.

The fall road racing calendar continues to fill up with a number of races scheduled for the next two months throughout the Central Florida area.

On Saturday, Sept. 14 at 8 a.m., the Run For My House four mile road race will be held at Deland. For those who haven't entered yet, entry fee is \$8 the day of the race.

On Saturday, Sept. 21 at 7 a.m., the Sanford Kiwanis Club and the Sanford Recreation Department will host the 8 Kilometers of Sanford Road Race with proceeds going to the Arnold Palmer Children's Hospital and Perinatal Center.

For more information, contact the Sanford Recreation Department.

...Tribe

Continued from 8A

varsity experience. Just how quickly they adjust for the varsity game will be important."

Mosure agreed but said young players are the rule and not the exception. "High school football is rebuilding," he said. "Theoretically, every year is rebuilding. Every year a coach gets new and untried kids. You never know how they are going to respond when they get into the real game."

Last year, the War Eagles scored on their first possession, built an early lead and Seminole could never get untracked offensively although the defense played well in the second half.

Donnelly said an early score would be important Friday — but not that important. "The way we've approached this

group of kids is to get them to play as well in the fourth quarter as in the first quarter," he said. "With young kids, you have to be careful of ups and downs."

"It would be nice to get off to a good start but coaching approach has been toward four quarters. If we don't (score early), we're certainly not going to panic."

Although Donnelly won't panic without a quick TD, Mosure said the first score would be very welcome — and maybe even critical. "Both teams will be feeling their way into the contest," Mosure said. "A quick score or fortunate bounce of the football would do a lot to ignite one side or the other."

Although Mosure agreed that Astronaut was fielding a young squad, he said the players from Titusville are an "older" young than Sanford players.

"They've been through a spring, summer and two jamborees with that coaching staff," he said alluding to

Donnelly's veteran group. "The atmosphere of the school and that tradition has them prepared emotionally. They're going to be solid performers."

Those kids are dreaming about being War Eagles from the time they are in seventh grade. That's the kind of identity we have to establish at Seminole High School."

Mosure and his team could take a big step toward identity Friday night. Seminole has never beaten Astronaut.

Tickets — reserve and advance — are still available at five outlets in Sanford. The locations are the Sun Bank in Sanford Plaza, Sweeney's Office Supply on Magnolia Street, Sanford and Lakeview middle school and Seminole High School.

Reserve seat ducats cost \$20 and cover all freshman, junior varsity and varsity home games. Friday's advance seats cost \$2.25. At the game, it's \$3.

...Relay

Continued from 8A

In the boys' meet, Lake Mary finished second to a power Trinity Prep squad, 151-118. Bishop Moore was third (85) and Lake Howell was fourth (84).

The Rams won the 200 medley relay as freshmen Rob Baker, Karl Kuchma and Wes Semtek teamed with senior Steve Isaacs to turn in a clocking of 1:50.38.

Kuchma set a school record in the 100 breaststroke with a time of 1:05.76 while picking up second place. Joe Rosser also had a second in the 50 freestyle in 23.95.

Third places were recorded by Todd Stebbins (I.M. 2:13.24); Rosser (100 free, 53.26); Baker (100 back, 1:05.99); and the team of Steve Kowtowicz, Stebbins, Trey Seibold and Rosser (400 free relay, 3:38.21).

"For the first meet everybody did a good job," Clyde Hayes said. "But we're still pretty far off last year's times."

Lake Mary's next meet will be the Bishop Moore Invitational on Sept. 28 at the Sharidan Aquatic Club in Longwood.

Continued from 8A

day night at 8 at Apopka High. "I think its great for high school football," Gierke said of the rivalry his Darters are building with Nelson's Rams. "You know there will be a good crowd and it's good competition. It's a good way for us to open the season, we've got Winter Park the second week."

Since it is a non-district, non-conference matchup, both coaches don't mind having such a big game on opening night since both have tough ones the second week.

"We didn't have a game on opening day the last two seasons," Nelson said. "We didn't want that again. To be truthful, I'd rather have an easier opponent to start the season. But we wanted to play Apopka. It's turning into a great rivalry."

Rams' defensive lineman Marty Hopkins was also pleased with an opener the same time as the rest of the schools. "I'd rather have one the first week," Hopkins said. "You kind of get tired hitting your own teammates over and over."

After playing Apopka, the Rams go up against DeLand in a district game the second week of the season. That game will be at DeLand.

"Our school's been good about going to see us on the road," Hopkins said. "We get some pretty good crowds and I like playing in front of a big crowd." Nelson said the Rams won't do anything different to prepare for such a strong opponent the opening game.

"The only thing different is I'm more nervous against the better ballclubs," Nelson said. "And I'm very nervous about this game."

Gierke also said the Darters won't change methods of preparation.

"We try to prepare for the things each opponent does the best each week," he said. "And we hope we've accomplished that this week."

...Familiar

Continued from 8A

Sammy Sears, split end Brooke Christian and tight end Matt Gabrovic.

Joining Bousquet at providing protection for DeLiacono, as well as opening holes for the running game, will be tackle Will Freeman, guards Chris Mull and Jeff Peterson and center Jim Conchelos.

Going with a multiple-type defense, Almon said Bobby Bodah, Jack Campbell, Mark Sepe, Min So and Mike Kelly will be on the defensive line and Matt Wilson and Eddy Garrison will be at linebacker. Sammy Sears, Chris Derden, Steve Stark and Chris Walsh will man the secondary.

Although Almon is confident with his ability of his team, he is not taking Oviedo too lightly.

"Oviedo plays a wide open offensive game and their physically tough," he said. "We will have to play well to beat them."

The formation of the SAC, which has enabled the two Seminole County teams to meet in the regular season for the first time in many years, was praised by Almon.

"The new conference is just an added incentive now because it gives us something else to shoot for," Almon said. "We may not be strong enough to win our district, but we might be able to take the conference."

Lake Brantley will go up against Evans High next week.

Central Florida Coin Club Sets Free Show, Exhibits

The Central Florida Coin Club will have its Semi-Annual Coin Show, Sept. 27-29, at the Orlando Centro-Plex, 500 Livingston St., Orlando. Hours are 10 a.m. to 6 p.m. The public is invited and there is no admission charge.

Dealers from throughout Florida, Georgia, Alabama, Maryland, Pennsylvania and New York will participate and a wide variety of coins will be available for sale and viewing.

In addition exhibits reflecting the various hobby interests of members will be on display. Awards will be presented for various categories of US and foreign coins.

Free door prizes will be awarded each hour for those attending. Col A.J. Vinet, club president and bourse chairman, joins the officers and members of the club in extending a welcome to the local community to attend this show.

Women's Chorus Being Formed

Orlando Area Alumnae of Sigma Alpha Iota (SAI) Music Fraternity for Women will hold auditions for their Community Woman's Chorus on Sept. 14, at 10:00 a.m. in the Choir Room of the Winter Park Presbyterian Church, 400 S. Lakemont, Winter Park. The choir is being formed for women who like to perform challenging and classical compositions for three- and four-part women's voices.

Dr. Richard Winchell of the Seminole Community College Music Department Faculty will conduct the chorus. His wife, Julia Winchell will accompany. They are also choir director and organist, respectively, at Winter Park Presbyterian Church.

Auditions will be based on sight-reading ability and voice quality, and are open to all women age 14 and up.

There will be a small fee charged only for the music used.

Free Sewing Classes Offered

Three two hour sewing demonstrations will be offered free to the public on Sept. 16 from 9:30-11:30 a.m. at the Seminole County Agricultural Center, Sanford. Demonstrations will be offered on pant alterations, basic sewing techniques, or sewing lingerie.

This will be the first Extension Homemakers leader training of the fall. Extension Homemakers are Seminole County's educational volunteers. Their purpose is to extend educational information learned at leader trainings to their clubs and throughout the county.

For more information on the leader training or Extension Homemakers contact Barbara Hughes, 323-2500, Ext. 179 or 183.

Pankhurst Meets Today

Pankhurst, a service organization open to all women 18 and over, will meet today at 6:30 p.m., at Steak and Ale, State Road 436, Altamonte Springs. Members and guests will make their dinner selections from the menu. A door prize will be given to the member who brings the most guests.

Annually, Pankhurst provides scholarships to area high school senior girls. Anyone interested in membership or information should contact Mary Bell Streetman, 862-1273.

Drug Series For Family

One of the most frequently heard comments from family members when they find a family member has been abusing chemicals is, "If I had only known".

To avoid this happening, Families Together has scheduled a series of public meetings to help educate the public as to the drug problem in the community.

The first in this series will be held on Thursday, Sept. 19, 7:30 p.m. at Florida Hospital, Altamonte Springs, Conference Room B.

Jim Viner from the Altamonte Spring Police Department and Frank Taylor from Longwood's Police Department will display drug paraphernalia found in Seminole County and discuss the drug situation here and what happens to someone caught with drugs in their possession or under the influence of drugs.

At future meetings, a psychiatrist will discuss parenting the adolescent, recovering youth will discuss their experiences. For more information, please call 774-3844.

Congratulations Not In Order For Overpopulating The World

DEAR ABBY: Too few people are concerned about one of the world's most serious problems: overpopulation. At least 10 years ago, the father of six daughters wrote to ask if there was foolproof way for him to get a son, and you replied, "Adopt!"

Your one-word response was followed by a wonderful letter about a couple who finally had a son after four daughters. Please run it again. That message needs to be heard again and again.

MAC IN MONTANA

DEAR MAC: I found the letter, and here it is:

Dear Helen and Bill: So you finally had a boy?

The only thing you can be congratulated on is your perseverance.

You can't be congratulated on your morality or unselfishness. Adding three "extra" children to a world already reeling under its population load can't be called either moral or unselfish.

You can't be congratulated on your fine family. A fine family is one that sets an example, and your examples may kill us all in a few generations.

You can't even be congratulated on being able to afford five children, because you're not paying for them. Oh, you provide their food and clothing and shelter, but the rest of the world pays for their roads, schools, hospitals, air, water...

You can't be congratulated on being patriotic citizens, for if anything destroys the United States it will be our "growthmania" spiral through which this country even now gulps over 50 percent of the world's resources.

You can't be congratulated for

Dear Abby

carrying on the family name. Family names mean little unless people mean much, and your kind of growth rate guarantees that people mean less and less.

Unless, of course, three of those children are adopted? In that case, congratulations. Rick and Sue

DEAR ABBY: I use the bus to get around town. Often a person will come along and sit beside me.

I am by nature a very friendly person, and I enjoy visiting with people. It makes the time pass, and I have met a lot of nice people on buses.

I usually begin the conversation by asking, "How far are you going?" Abby, you would not believe how many people say, "It's none of your business!" This hurts my feelings.

I never thought I was out of line to strike up a friendly conversation with a stranger on the bus. Why are people so rude?

OFTEN HURT

DEAR HURT: Some people don't want to talk to strangers on a bus. To ask "How far are you going?" may be construed as an invasion of privacy. If you feel inclined to strike up a conversation with a stranger, open with a comment on the weather. And if it evokes a chilly response, cool it.

CONFIDENTIAL TO "KNOWLEDGE IS POWER": Knowledge is indeed power, but to quote one of our better legal minds, "Knowledge without understanding and sympathy is nothing." (Jack E. Horsley)

Problems? Write to Abby. For a personal, unpublished reply, send a self-addressed, stamped envelope to Abby, P.O. Box 38923, Hollywood, Calif. 90038. All correspondence is confidential.

Floppy Valve Makes Antibiotics Necessary

Dr. Gott

DEAR DR. GOTT — I have recently been diagnosed as having mitral valve prolapse. Last year I was also diagnosed as having mixed connective tissue disease. I am currently taking 20 mg. of Elavil and have been told I will need to take an antibiotic when I go to a dentist.

DEAR READER — Mitral valve prolapse (floppy mitral valve) is not a serious condition. In fact, it can be considered to be a relatively common affliction in which one of the three leafy portions of the heart's mitral valve become stretched. Then the valve does not close tightly, and an extra heart sound (murmur) can be heard as a small jet of blood squeezes by the weak leaflet. Because any damaged valve is easily infected with bacteria, your doctor is correct in urging you to use antibiotics at the times when bacteria may enter your bloodstream — such as during extensive dental work.

Because heart valves are composed, in part, of connective tissue, floppy mitral valves are sometimes associated with connective tissue diseases. Nevertheless, mitral prolapse commonly occurs in the absence of any known disease, so your valvular problem may be unrelated to your connective tissue disorder.

DEAR DR. GOTT — What would cause cracking noises in the joints when a man of 29 gets up to walk?

DEAR READER — Joint-cracking is a normal variation. It indicates that your joints are moving more than the average amount, but you are at no risk for arthritis or other serious joint disorders. Often a program of regular exercise can reduce cracking joints, because toned-up muscles better support the joints.

DEAR DR. GOTT — I am 68 years old and have been bothered with severe dizzy spells for a year. I spin like a top and feel like I'm going to fly off the bed. I've had a brain scan and EEG tests, which were normal. I suffer from sinus infection, my ears hurt down deep and I have a funny noise in them. I take

Cortisone for scleroderma and rheumatoid arthritis, and am also taking Tagamet. What can you tell me about these symptoms? I have had Reynaud's since 1950.

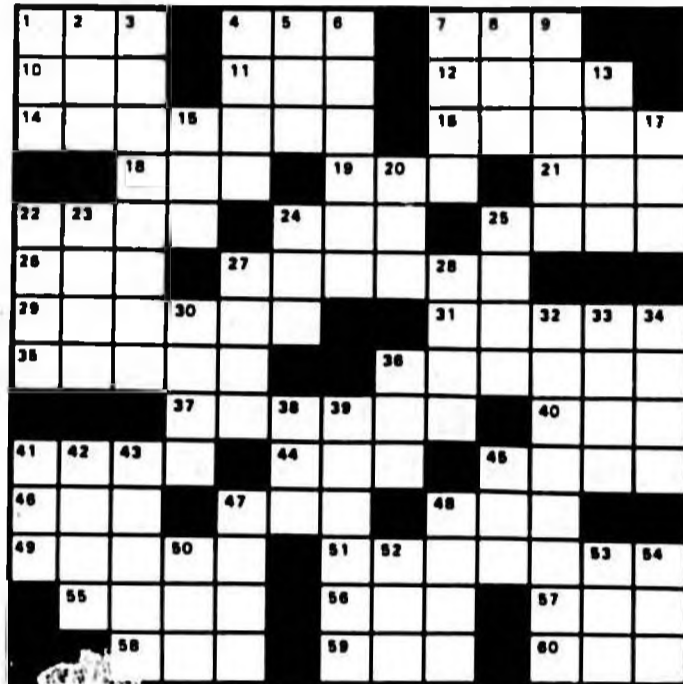

DEAR READER — You are suffering from several troublesome diseases, and the medicines you are using are powerful. Scleroderma and rheumatoid arthritis can affect circulation, and I suppose it's possible that your

balance problems may be secondary to circulation disruption. However, the dizziness you describe, called vertigo, can occur in otherwise healthy adults and may have nothing to do with your disorders.

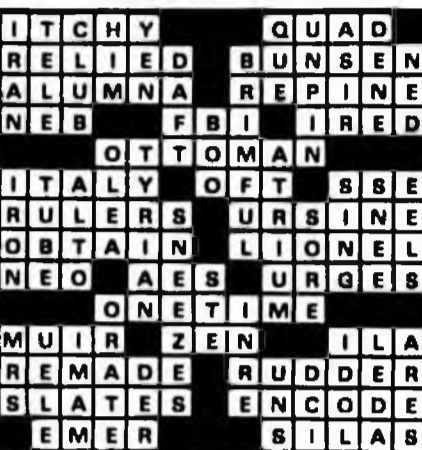

Send your questions to Dr. Gott at P.O. Box 91428, Cleveland, Ohio 44101

WIN AT BRIDGE

By James Jacoby

For South, this deal had to be the luckiest occurrence during the 1985 Cavendish Pairs.

In the methods used by North-South the bid of a new suit at the two-level after partner's opening bid was game-forcing. North and South were committed to getting to game at the very least. At his second opportunity to bid, South could content himself with a mere two-no-trump, leaving his partner room to show a second suit.

North, of course, had two remaining suits, but his opening bid was so sparse, a mere 12 high-card points, that he just raised two-no-trump to three. Naturally South bid six-no-trump.

What was so lucky about the

hand? Well, for starters, you can see that North-South did have a 4-4 suit fit in clubs, but slam in that strain would be doomed by the adverse distribution of the defenders' clubs. So it was good luck to stay out of clubs.

The next piece of good fortune relates to West's choice of opening lead. The bidding certainly held no clues. Any lead could be right, but the actual choice of the small diamond seems wrong.

Leading a club might cost a trick, but it could hardly cost an entire suit, and that is just what the diamond lead did. Declarer needed four diamond tricks to make six-no-trump, and that is just what the opening lead provided.

HOROSCOPE

What The Day Will Bring...

YOUR BIRTHDAY SEPTEMBER 13, 1985
In the year ahead, your leadership qualities will become more pronounced. You'll be quite lucky in enterprises you originate or direct.

VIRGO (Aug. 23-Sept. 22)
Your first ideas are likely to be your best ones today, so take measures to implement your initial thoughts. Delays induce indecisiveness. Major changes are ahead for Virgos in the coming year. Send for your Astro-Graph predictions today. Mail \$1 to Astro-Graph, c/o this newspaper, Box 1846, Cincinnati, OH 45201

LIBRA (Sept. 23-Oct. 23)
It's important today to know when to stop selling. Once you get a yes for an answer, either make an exit or change the topic of conversation.

SCORPIO (Oct. 24-Nov. 22)
Have fun and enjoy yourself with friends today, but don't try to match them dollar for dollar if they can afford to spend more than you.

SAGITTARIUS (Nov. 23-Dec. 21)
Where important goals are concerned, you're likely to be better able to achieve them early in the day than in the afternoon.

CAPRICORN (Dec. 22-Jan. 19)
If others aren't supportive of your proposal today, it may be your fault. Tailor your presentation to their real needs.

AQUARIUS (Jan. 20-Feb. 19)
Don't be too hasty to discard a project that hasn't yet produced a profit. The rewards are there, but you must be patient.

PISCES (Feb. 20-March 20)
Greater benefits will be derived from partnership arrangements than from solo efforts today, provided both parties have a harmony of purpose.

ARIES (March 21-April 19)

You may be productive only up to a certain point today. Once your interest wanes, you're apt to temporarily shelve whatever you're doing.

TAURUS (April 20-May 20)
Unless the terms are spelled out fairly in advance, you might not reap all you should from a joint venture today. Start with a solid agreement.

GEMINI (May 21-June 20)
If you plan to make changes in the home today, be sure your mate agrees with your intentions. You might think your plans are good, but he or she may not.

CANCER (June 21-July 22)
Guard against a tendency today to blurt out comments that could be easily misinterpreted. If a slip occurs, apologize promptly.

LEO (July 23-Aug. 22)
Be doubly careful when shopping today. If you make a major purchase, be sure it can be returned if it should turn out not to be what you wanted.

**GRIDIRON
GUIDE**

The Coaches' Lineup

Dave Mosure, first-year coach at Seminole High, promises his Seminole will be a hustling, hard-hitting bunch.
See Page 8.

Harry Nelson and his Lake Mary Rams won the conference and district titles last year. Nelson said he expects a rerun.
See Page 10

Bill Scott and his Lyman 'Hounds' took their lumps last fall but Scott said he expects things to turn around.
See Page 13

Jack Blanton and his Oviedo Lions plan to run 'N Shoot their way through the next Seminole Athletic Conference.
See Page 16

Mike Biscaglia and his Lake Howell Silver Hawks were the surprise of the year last fall. This time around they want to be better.
See Page 18

Fred Almon and his Lake Brantley Patriots are coming off a good year. First-year coach Almon hopes to keep the trend.
See Page 20

Why Listen To Anyone Else? ... Fearless Fister Knows All

Evening Herald Forecaster Picks Lake Mary To Repeat Title In '85

I had second thoughts about doing this again. In 1984, the Fearless Fister Forecast predicted Lake Mary's Rams to be district champions with a 9-1 regular season record. And the Rams did just that. Therefore, I claim that I was one of the few people who didn't jump on Harry Nelson's bandwagon.

But it didn't stop there. Here is a look at last year's predictions for the other county teams and their actual records. Lake Brantley (7-3, 7-3), Seminole (7-3, 5-5), Lake Howell (3-7, 4-6), Oviedo (2-8, 3-7), Lyman (4-6, 0-10). Aside from that last blunder, that's not too bad of a record.

While Lake Mary should continue its success into the inaugural year of the Seminole Athletic Conference, Lake Howell and Seminole will be on the rise and darkhorses to upset the favorite. There is rebuilding going on in the other schools but they all have talent which will make the SAC's first year an interesting one.

Here's a look at the 1985 Fearless Fister Forecast:

Lake Mary (1984 record, 9-2): Like the Florida Gators, a big concern for the Rams in 1985 is replacing its great offensive line of a season ago. Coach Harry Nelson's "bisons" followed as the buffalos paved the way for a devastating ground attack as Lake Mary won the Five Star Conference and district titles.

In the other areas, the Rams are strong and deep. The linebackers and defensive backfield are especially strong. Offensively, Shane Letterio has a firm grasp on the quarterback position which will allow multi-talented Ray Hartsfield to concentrate more on running and pass receiving.

The key for the Rams could be the first two weeks of the season. If it can get by Apopka and DeLand, both away games, Lake Mary and Harry "The Ram" will soar in '85. DeLand should be Lake Mary's top competition in District 5A-4.

As far as the new Seminole Athletic Conference goes, Lake Mary is the team to beat. Its only regular season loss in '84 was an upset at the hands of Lake Howell. The Silver Hawks will be better this season, too, but the Rams will be prepared.

Predicted finish — 9-1 overall, 5-0 in SAC.

Lake Howell (1984 record, 4-6): Should be the most improved team in the county in '85 but the Hawks are playing in one of the toughest districts in the state, 5A-5, which includes such powers as Apopka, West Orange, Winter Park and Evans.

The Silver Hawks return a number of their top performers from a year ago including the versatile Bill Wasson, who could be one of the premier players in the county in '85.

A strong showing in the SAC should boost the Silver Hawks' record over the .500 mark. In the district, Apopka, Evans and West Orange are all strong and just knocking off one of those teams would be a plus for Lake Howell.

Predicted finish — 6-4 overall, 4-1 SAC.

Seminole (1984 record, 5-5): Inexperience and a tough early season schedule will make it hard for the Tribe to reach the .500 mark. But coach Dave Mosure's intensity will rub off on his players and Seminole will be tough in the first year of the SAC.

The development of the offensive line is crucial for the 'Noles so they can give sophomore quarterback Jeff Blake some protection while he learns the varsity ropes. Defensively, the secondary is about the most experienced area led by Dexter Franklin who turned in an excellent performance in the preseason jamboree.

An upset victory late in the season will boost Mosure's Tribe above the .500 mark in his first year at the helm. One upset in particular could turn the

Chris Fister
SPORTS
WRITER

Seminole into contenders in the SAC. Not to say that it will happen, but don't count Seminole out.

Predicted finish — 6-4 overall, 3-2 SAC.

Lake Brantley (1984 record, 7-4): The Patriots would like to open up in the SAC with the team they had in '84, better yet in '83 (8-3 record). Defense was the Patriots' trademark in those two seasons but this season the Big Blue is young on the Big D.

Brantley will rely on its high powered offense which is led by quarterback Dave Delliacono and fleet-footed running back Cornelius Friendly. The Patriots will hope a ball control offense will pave the way until the defense gets some experience.

The Patriots are in the same rugged district as Lake Howell and coming out of the district with a couple wins will be tough. The SAC will be no party for the Patriots either but, if they get off to a good start which is possible, the Patriots could end the season on an even note.

Predicted finish — 5-5 overall, 2-3 SAC.

Oviedo (1984 record, 3-7): After moving up to a strong 4A district and a solid new conference, the Lions may feel like they have been thrown to the wolves. But the Lions have a lot of underclassmen who will gain valuable experience against stronger competition. Oviedo may not win many in '85, but watch out for coach Jack Blanton's troops in a year or two.

Offensively, Oviedo will rely a lot on its passing attack which is keyed by the strong right arm of junior John Morrow. Defensively, the secondary and linebackers will have to make up for the defensive line, which will be significantly smaller than most opponents' offensive fronts.

Oviedo may not win any championships in '85 but it won't dwell in the cellar of the district or the SAC.

Predicted finish — 3-7 overall, 1-4 in SAC.

Lyman (1984 record, 0-10): How long will the Greyhounds' losing streak continue? Well, it's a good bet Lyman will put an end to it in a hurry, like the first game of the season (against Boone).

Robert Thomas is one of the shiftest backs around and if he gets good blocking he could amass a lot of yards this season. What Lyman has to avoid if it wants to end the losing streak is turning the ball over when it is starting to put something together on offense.

Lyman should pick up a win within the first three weeks of the season and one more the rest of the way.

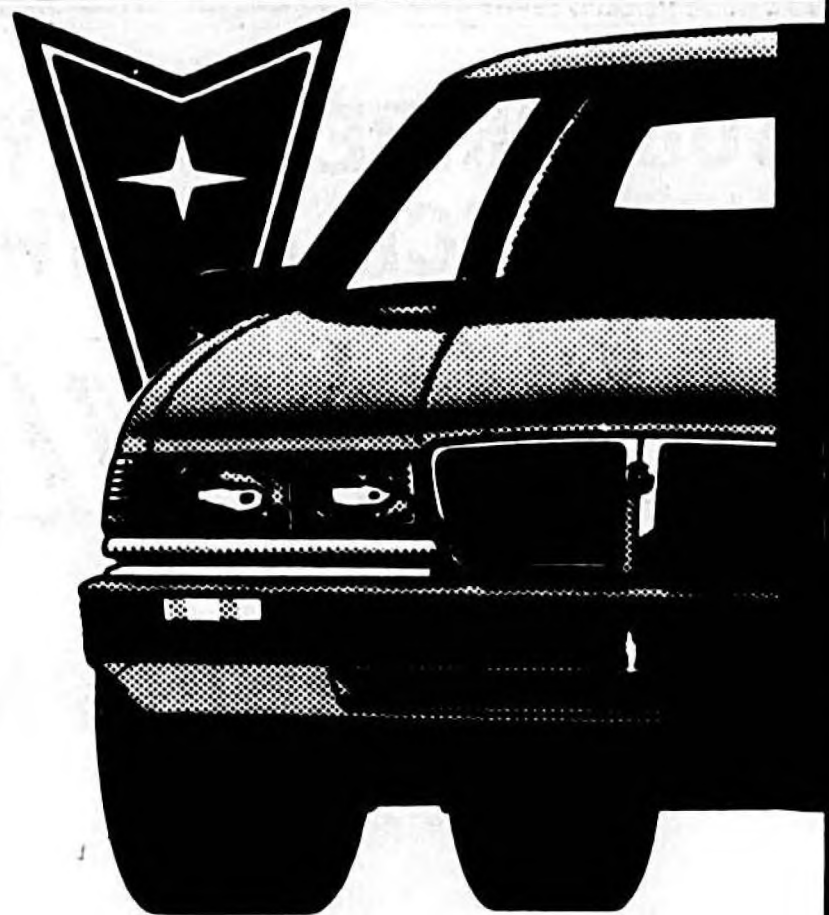

Predicted finish — 2-8 overall, 0-5 SAC.

The first year Seminole Athletic Conference will crown champions in football, boys and girls cross country, volleyball, boys and girls swimming, wrestling, boys and girls basketball, weightlifting, boys and girls soccer, baseball, softball, boys and girls track, boys and girls golf, boys and girls tennis and gymnastics.

After breaking down each sport, the Fearless Fister Forecast has come up with the following preseason SAC All Sports Trophy projections.

Lake Mary 150, Lake Brantley 127, Lake Howell 123, Lyman 99, Seminole 92, Oviedo 49.

Lions, Patriots Meet In First SAC Encounter

Oviedo's Lions Invade Altamonte Springs Friday to play Lake Brantley's Patriots for the first Seminole Athletic Conference football game. "We're really looking forward to it," Oviedo coach Jack Blanton said. "It should really be exciting." Blanton formerly coached at Lake Brantley while Patriot coach Fred Almon will be making his varsity coaching debut. Kickoff is 8 p.m.

GET MORE THAN A LAWNMOWER GET A SNAPPER

Any lawn mower will cut your grass. A SNAPPER Hi-Vac[®] will groom your yard into a beautiful lawn. This 21" self-propelled mower has the power, exclusive vacuuming system and optional attachments to give your lawn just what it needs. Snap on the Thatcherizer and as you mow, lawn smothering thatch is plucked from the ground surface. Now your lawn can breathe.

There's a Mulcherizer for pulverizing grass clippings and a Snapperizer for shredding fall leaves. It takes more than a lawn mower to get a beautiful lawn. A trip to your SNAPPER dealer would be a step in the right direction. So visit him today.

Attendance at football games in Seminole County rival those anyway in the state. It's not unusual for crowds to top 10,000.

Mainland wide receiver Terry Anthony, right, is good but Seminole defensive back Dexter Franklin (48) doesn't have to worry about Anthony catching the ball behind his back. Actually, the pass was overthrown and even a giant leap by Anthony couldn't control it. At left, former Seminole High coach Jerry Posey conducts a drill. Posey retired from coaching after 10 years as the Seminole "Chief."

Mosure Faces Stiff Challenge With Rebuilding Of Seminoles

By Sam Cook
Herald Sports Editor

Dave Mosure said he likes challenges. He better. When an average team returns one standout player, three other starters and three more who played a lot, challenge is putting the task mildly.

Mosure, who had great success (three district titles) at South Miami High, was the choice to replace Jerry Posey as head coach at Seminole High. Mosure served as Posey's defensive coordinator for four years.

Last year, the Tribe finished at 5-5. It relied on a strong defense anchored by defensive ends Walt Lowry and Fred Brinson and linebacker brothers Bryan DeBose and Mike DeBose. All were All-County first-teamers. So was defensive tackle Anthony Hall. They are gone.

The key returnee is the standout, Brian Brinson, who will move to linebacker from his all-county defensive tackle slot. Brinson said he thinks he can perform just as well at his new position.

"It shouldn't be that much of a change," the stocky 195-pounder said. "It will help the team, that's all I'm worried about."

Add Brinson to the other bunch and call the seniors, "Return of the 7." Dexter Franklin, Theron Liggons and Dennis Lawrence are back in the defensive secondary. Alan Kendall and Carlton Tipton were sometimes starters at guard last year.

Still, the prospect of rebuilding is overwhelming.

"You can't replace ends like Lowry and Brinson," Mosure said. "The DeBose brothers did a great job, too. Look at the offensive backfield, there are no skill people returning."

The losses were massive but Mosure is a determined 38-year-old and he figures hard work and good, young talent will pay off eventually. "We will have a good year, if we stay healthy," he said.

Experience, he added, must be acquired quickly. But he knows quick experience is an unusual commodity. "Hopefully, though, the experience will come early. In about one quarter," Mosure laughed.

Mosure's staff includes Glenn Maiolini, who came over from Lake Howell High and is considered an excellent teacher of offensive line play. James Paul, a head coach at Coral Park High last year, will coordinate the defense. Roger Beathard, a long-time Seminole assistant, takes care of the defensive line. Greg Register, an ex-Seminole linebacker, handles the defensive backs. Mosure runs the offense.

One of most devastated areas by graduation was

the offensive backfield. Speed backs Dexter Jones, Cliff Campbell and Jo Jo McCloud along with fullback Daryl Edgemon and quarterback Mike Whelchel all departed. So did wideouts Mike Cushing and Charles Bailey.

This year's unit consists of two seniors, four juniors and a sophomore. None has varsity experience. The quarterback duel is between soph Jeff Blake and senior Daryl Taylor. Blake played with the freshman

before a cup of coffee with the varsity last year. Taylor played JV.

"At the jamboree, they both had did things well but they do different things well," Mosure said about his QBs. "They had problems, too. They aren't making it easy for me ... which is good."

Mosure said Blake is the better ballhandler and passer while Taylor is the quicker and runs the rollout better. "Taylor is older which helps and gives him a little more field presence," Mosure said. "Blake is not quite as quick but he handles the rollout all right."

Mosure said he expected one of them to take control by now but it hasn't happened. "We need one of them to really assert themselves for us to have a good year," Mosure said. "We need a leader by deed."

While quarterback was still unsettled as of earlier this week, Mosure said he has settled on Eddie Banks and Dwayne Willis as the running backs. Both are juniors. "We've got power and good quickness in Banks along with super quickness and excellent speed with Willis," Mosure said.

The backups also can fly. Louis Brown, a mainstay sprinter on Seminole's state championship track team, is learning the system, according to Mosure while Mike Levant also can turn it on.

Receiver-wise, Seminole has senior Dave Rape and junior Herb Hillery. Hillery, who had a strong spring, will play flanker while Rape, who didn't play football as a junior, will be the split end. Sonny Osborn, who missed part of the spring with an injury, is a junior tight end.

Willie Evans, who Mosure earlier counted on as one of his running back, will be shifted to strengthen the offensive line. Mosure said Evans is an example the superb attitudes which abound on the team.

"It's unusual to find a young man during his senior year who is so unselfish," Mosure said. "But this whole group is like that. As soon as Willie learns the position, he'll be a starter somewhere on the offensive line."

Returnees on the line include guards Tipton and Kendall. Tipton, 195, will play left guard and Kendall, 210, right. James Rowe, a 190-pound senior, will be the center. Wendell Springfield, a strapping 6-3, 230-pounder, is the right tackle while Jack Jackson, another 230-pounder, is the left tackle. Wilton Hooks, a 190-pound soph, backs up everyone.

"Once the line gets a little experience in reading the

Nelson Hopes To Build Future On Lake Mary's Early Success

By Sam Cook
Herald Sports Editor

Harry Nelson enters his third season as Lake Mary High football coach with the knowledge that the hardest part is over. Lake Mary, in just its fifth year, has skirted the adolescent years and is looking to build on its already successful program.

Two years ago, Nelson took a 1-9 loser against 2A and 3A competition and carved out a 6-4 season the next year against 4A competition. Last year, Lake Mary went 9-2 and captured the Five Star Conference and District 4A-9 championships.

"The first year was the toughest," said Nelson. "Turning losers into winners is always the toughest thing. The winning has filtered down through the rest of the program."

Last year, Lake Mary's freshman team of Don Hughes and junior varsity of squad of Charles Reynolds and Bill McDaniel both posted perfect seasons. Nelson's varsity assistants are Bob Becker, Al Parker and Doug Peters.

Although the Rams have the football rolling program-wise, they still suffered massive losses in the offensive line and backfield and defensive line. Nelson said he has capable replacements in both areas and is optimistic about '85.

A year ago, Lake Mary used punishing ground attack behind the Bison Backfield of Charlie Lucarelli, Scott Underwood and Bill Caughell. All three have graduated but Nelson said he has the talent to replace them.

"They're a very talented group," Nelson said about his new backfield. "And a very exciting bunch. I think this bunch is fun to watch. Lucarelli was fun to watch when he broke into secondary. He found secondary holes as good as any high school as I've coached. These guys don't have as great of a sense in the secondary but they jitterbug."

The best jitterbug is senior Ray Hartsfield, who Nelson said is the most recognizable offensive force in the conference. "Ray does not have the gifts of a Sammie Smith but he's more versatile," Nelson said. "But he's good runner and blocker and receiver. He can run back punts and kickoffs and he's an excellent safety man."

Hartsfield will be used at slotback where Nelson said his running and receiving talents of the 5-7, 160-pounder will be most effective in the Rams' Slot-I set.

Joining Hartsfield as another explosive force is running back John "Battering Ram" Curry. The 5-10, 170-pound sophomore burst onto the varsity

scene last year by running for over 100 yards against Oviedo.

"Curry is a battering ram, let's face it," Nelson said. "He feels more comfortable when he's around contact."

Running the interference for Curry and supplying the tough yard will be senior Brett Molle. Molle is also the leader of the defense from his linebacker position and Nelson said his counting heavily on the hard-hitting 200-pounder.

"We have to find better ways to get the ball to Molle," Nelson said. "His fourth and one run in the jamboree (for a first down) gave me goose peoples. And what a blocker. He's a hitter too."

Byron Washington, who lettered as a sophomore and junior, fills the shoes of graduated Donald Grayson at wide receiver. Washington has good speed and moves. He also plays a wicked defensive back.

Backing up at fullback will be newcomer Tom Kothera while Anthony Hartsfield, Ray's "little" brother, a 200-pound junior, will spell Curry at running back.

Nelson lost his incumbent at quarterback when Mike Schmitt decided not to play but he said junior Shane Letterio has more than filled the bill. "I know he's too short and I know he's too small," Nelson said about the 5-7, 150-pounder. "But there isn't anything he can't do. Shane is one of the fastest learners I've ever seen."

While Nelson said he could pretty much count on his backfield as being a solid unit, he wasn't too sure about the offensive line, which lost all of a superb-blocking unit from last year.

After the spring and fall practice, however, Nelson said he was convinced this will be a strong group. "We have some very good attitudes on that offensive line," he said. "It has too many good kids not to be good. Now, I think it will be one of our strengths."

Nelson said tight end David Mitro and guard Nick Armato have been the most impressive. "Everytime we ran Mitro's side in the jamboree, we got yardage," Nelson said. "Armato is exceptional. If he were 6-2 and 220, he's be an all-stater."

Joining Armato at right guard is Sean Flaherty. John Kolbjornsen will play right tackle while Joe Janego and two-way performer Marty Hopkins will share the left tackle. Larry Stankovits takes over at center.

"It's a good line," Letterio said after operating behind it effectively in the Rams' 7-0 jamboree win

Scott Attempts Gradual Climb With Lyman's 'Comeback Kids'

By Sam Cook
Herald Sports Editor

Bill Scott enters his eighth season as Lyman High football coach with nowhere to go but up. His 1984 squad lost all 10 games. Scott and his Greyhounds took the 10 losses hard but he said there is no negative carry over to his '85 squad.

"They may have been 0-10 but they always believed in themselves," Scott said. "Every Monday they had a good, positive attitude at practice. And you can't say that (on Monday) about too many losing teams."

Scott said he has emphasized to this year's group that this "is their season" and not to be worried about the past. "Anybody we face will have a little more experience," Scott said. "But we can overcome that by hustle and desire."

Scott is assisted this year by Larry Baker, Jack Bloomingdale, Chuck Van Wagoner, Danny Allen, Reddy Cox and Mick Harris.

Scott said Lyman has pretty good skill people, who he thinks can excel if the offensive line does its job. Lyman returns two starters — seniors Pat Perkins and David Leach — and one other performer, Bobby Luce, who played "quite a bit toward the end of the season."

Perkins, 6-2, 220, was a regional wrestling champion last year and should anchor the line at his center position. Leach, 5-10, 190, will handle left guard while Luce takes care of right guard.

"Pat had a pretty good year last year and David Leach is still adjusting to a new position," Scott said. "They're young and aggressive. If they can get some success going to build their momentum, they'll be all right."

David Kwiatkowski, 6-0, 210, has a secure hold on the right tackle slot while sophomore John Spolski, 5-11, 190, is battling junior John McGuire, 6-1, 220, for the left tackle spot. A knee injury has hampered McGuire's effectiveness.

"David didn't play football last year," Scott said. "He was a diver. I guess he thought he was going to be the next Greg Louganis. But he's a fairly rugged kid who should do a good job."

Scott said McGuire's injury opened the door for Spolski. "Spolski is a real young kid with a lot of potential," he said. "He moved into McGuire's spot when John had surgery and McGuire is going to have to hustle to get it back."

Scott said Tony Williams will be the tight end. "It's an inexperienced group," Scott said. "In the jamboree, we didn't keep any sustained drives going

but the first three drives were killed by fumbles so it wasn't the line's fault.

"They opened the holes but we mishandled the ball. It wasn't a super performance but it wasn't a bad one either."

The poor ballhandling, however, is something that Scott expects will clear up since the players handling the ball are all skilled athletes. Scott said junior Darren Boyesen has the edge right now over John Burton and Gib Lundquist at quarterback. "Those seven games he started last year have made the difference," Scott said. "We'll probably open with Darren."

Behind Boyesen will be fullback Benny Glenn, 5-11, 180 and tailback Robert Thomas, 5-11, 170. Scott said he expects his junior duo to pick up valuable experience this year and be one of the top tandems around next fall. Eddie Brown, a transfer from West Orange High, was injured in the jamboree but is also an outside threat.

"Benny had a good year last year on JV," Scott said. "He has good quickness and good speed and probably the strongest legs on our team. If he gets clear of the linebacker, he's going to put a hurting on the safety."

Scott said Thomas is just a step from greatness. "Robert needs a little taste of success that comes with breaking a long one," Scott said. "He's close to getting that, too. He broke into the open in the jamboree and I think he was going to break one for 30 or 40 yards but one of our ends knocked him down."

Although Scott likes the talents of Glenn and Thomas, he said the main man on the Greyhounds this fall will be slotback Ralph Philpott. The 6-5, 180-pounder was the state high jump champion and Scott hopes him to bring that same success to the gridiron.

"Ralph made a beautiful catch and run the other night," Scott said. "He's got to be a 100 percent player for us. The other teams know him and they will shadow him."

R.J. Noid, a sure-handed junior, will handle the wide receiver slot. Jim Lamb will also play wide receiver along with Pete Quinlin and Julio Ceballos.

Scott said his defense, which was led last year by Mike Henley, Mike Crespo and Avery Merweather, will continue to go with four linebackers. "We've been using four since about 1970. We like the 4-4 defense."

Henley, who will play freshman football at Pennsylvania this fall, will be sorely missed. He was

Drawing A Crowd

Even though Lake Mary High's John "Battering Ram" Curry is just a sophomore, he already draws quite a crowd. Above, Curry gets yanked at from every angle by an aggressive group of Lake Howell Silver Hawks at Lake Howell's Fall Jamboree. Larry Stankovits (57), Lake Mary's center, has already delivered his block. At left, DeLand's Deke Harris also draws a gathering against Lake Brantley. From left are Patrick Gibson, Chris Walsh, Matt Wilson and Andy Pizzi. Lake Mary opens the season Friday at Apopka while Lake Howell travels to Edgewater. Lake Brantley entertains Oviedo in the first Seminole Athletic Conference encounter.

Blanton Installs Run 'N Shoot To Aid Transition To 4A Play

By Chris Fister
Herald Sports Writer

With the move up to 4A and playing in a conference with four, 5A schools, Oviedo High probably won't overpower anyone in the 1985 season.

Coach Jack Blanton knows that and has installed a Run 'N Shoot offense that will pass as much as it runs and a defense that will rely heavily on the linebackers and secondary.

"The move up to 4A is just something we're going to have to do and get used to," Blanton said. "We're going up against teams that have better facilities, more kids to choose from and probably a bigger coaching staff. The bigger schools get things done quicker."

"But we have to hang in there and hope we can keep up with them because we don't have the size and speed that they have. We'll have to wait until Friday night (season opener against 5A Lake Brantley) to see if we're heading in the right direction."

Blanton is entering his fourth season at the helm at Oviedo. Last year's squad finished with a 3-7 record.

There has been a lot of switching around in the line since fall practice began but Blanton feels he has a good combination for the season opener. It's one of the biggest lines Oviedo has had in a while but inexperienced. Not one of the starters has any varsity experience playing on the offensive line.

"That's going to make it interesting," Blanton said. "The trouble with us the last three years is we've been putting different people on the offensive line and we really haven't had a steady line. We feel if maybe we can get three more guys to come around we can get some type of stability there."

Anchoring the line is 6-1, 271-pound sophomore center Andy Palmer. He has made tremendous progress this fall, according to Blanton who feels Palmer could be a highly regarded lineman by the time he's a senior.

"We think he's really going to be a good one," Blanton said of Palmer. "He enjoys football and lifting weights and he's definitely not afraid. If he keeps working he's definitely going to be a good one."

The starting guards will be Gordon King and Jay Godwin with Tony Coffie and James Walker at the tackles. Coffie and Walker will also start on the defensive line.

"We really just put that line in last week," Blanton said. "We had some other guys but two moved away, one got hurt and the others who we thought would

come around haven't. We're not where we want to be with the line but it's getting better every day."

Running the Run 'N Shoot offense, which Blanton said is patterned after the Houston Gamblers of the United States Football League, is junior quarterback John Morrow.

Morrow, who started as a sophomore, led the Lions

on a 73-yard touchdown drive in the preseason jamboree against St. Cloud. On the drive, he completed 3 of 3 passes for 46 yards.

"Morrow is coming along pretty good," Blanton said. "He has a real good arm but has to work on his speed. He's big and doesn't have real quick feet. He wants to do good, though, and has come a long way compared to last year."

Blanton said Morrow will be throwing the ball a lot more this season. His backup is junior Bill McCurdy.

"We feel like we want to throw at least 25 times a game if we can," Blanton said. "That depends on how John's throwing and how the receivers are catching. The offensive line is not really a run type offensive line. We haven't had much of a chance to work with them on blocking technique."

Split ends Willie Gainey and Mark Stewart along with wingbacks Steve Hofmann and Jive Green will be important figures in the Lions' passing game.

"Gainey and Mark Stewart are doing a good job," Blanton said. "We don't have a power running game. We play offense like a fast break in basketball, just run and shoot. It's interesting and the kids like it."

While Oviedo will get to the air considerably more than a year ago, the running of Andrew Smith will also be an integral part of the offense. Smith, a senior, has played varsity ball since he was a freshman.

"He (Smith) ran the ball real well in the jamboree," Blanton said. "We look for him to run 20 to 25 times a ballgame."

Green and Hofmann will also contribute to the running attack.

"The wingbacks will run maybe 5 or 6 times a piece," Blanton said. "And average high school runs about 50 plays a game and about 35 or 40 would be running plays. We might throw half of the time or more if we can but we'll run if we're successful at it."

The Lions' 4-4 defense will have Fred Hill and Walker at the ends and Coffie and Mike Bass at the tackles.

Blanton said Pete Lingard, a sophomore, will also see plenty of playing time on the defensive line relieving those who are going both ways.

"We can't line up and play against people, we're just not big enough," Blanton said. "So we're going to have to rely more on our linebackers and defensive backs than our defensive line."

The four starting linebackers include Bernell Simmons, David Lockwood, Jene Hartman and Jeff Joyce.

Bisceglia Counts On Young Talent To Push Lake Howell

By Tim Horn
Special to the Herald

Coming off a surprising 4-6 season of last year with a very young football team that was full of question marks, Lake Howell head coach Mike Bisceglia enters his fifth season this year with a team that remains young and again has some big question marks at key positions.

But if the young players continue to improve and the quarterback and offensive line positions can be stabilized, Bisceglia said his team can have a fine season.

"Other than Steve Trier (center) and Marty Lacore (tackle), our offensive line is very inexperienced," Bisceglia said. "Our offensive line has to jell if we will have any success this season."

"Against Lake Mary (a 7-0 loss in the jamboree last Thursday) their defense controlled our offensive line. We have to learn to come off the ball as a unit."

Trier, a 5-11, 188 pound junior who started as a sophomore last year, is the offensive team leader. He believes the Silver Hawks can have a good season.

"I think we're going to have a real good season," Trier said. "Our offensive line needs a little more work on running plays, but we're coming along. We're a lot stronger physically than most of the other competitors."

Lacore, at 6-2 and 263 pounds, is only one of four seniors Lake Howell has on its starting offense. He will be joined by junior Kevin Hunnewell (6-1, 209) at the other tackle spot. Steve Vadala (6-0, 190), a junior, and Ken Joseph (5-10, 205), a sophomore, are the guards.

Three players are in the bidding for the starting tight end position. They are senior Steve Brooks (6-0, 200), junior Greg Hill (6-0, 175) and junior Chris Charlton (6-4, 200). Brooks started in the jamboree.

"All three of our tight ends are real solid kids, it is just a matter of which one takes the position," said Bisceglia.

At quarterback, the Silver Hawk's other big question mark, junior Mark Wainwright (5-10, 140) and sophomore David Dees (6-1, 172), a pair of players with no varsity experience, will run the show. Wainwright, who started for the junior varsity last year, will most likely be the starter, Bisceglia said.

"Mark looked real good in the jamboree," Bisceglia said. "He does a real good job with the option-type offense that we run. He makes real good reads on the defense."

"Although Mark will more than likely be the

starter, both of them will be playing."

The Silver Hawks strength in its offense lies at the running back and wide receiver positions. Senior Mark Schnitker, at 5-11 and 187 pounds, is the fullback, while 6-1, 185 pound speedster Terry Gammons is at halfback.

"Mark looked sharp in the jamboree," Bisceglia said. "He gets our tough yardage up the middle. Terry is extremely fast, probably the fastest player on the team and is more of an outside runner. He is also one of our return men."

Dave Chisholm, a 5-7, 150 pound junior, will also see playing time in the backfield.

The starting receivers are senior wideout Todd Bates (6-1, 170) and junior slotback Bill Wasson (6-1, 185). Wasson, who started last year as a sophomore, will also play in the secondary on defense, return punts and kickoffs and also handle the punting chores. Bisceglia said he is just an outstanding athlete.

With six starters back from among last year's

starting defensive unit, one can see why Bisceglia said defense is the real strength of the team. On the defensive line, senior nose guard Jim Nutter (6-0, 185) and senior defensive end Ron Campbell (5-11, 170), are joined by sophomore defensive end Steve Ryan (5-11, 180) and junior defensive tackles Craig Wagner (6-2, 230) and Al Valle (5-11, 205) to form a very physical unit up front. Senior Francisco Arias (6-1, 233) will also see playing time at defensive tackle.

Wagner and Nutter both started last year.

At the two linebacker spots will be another pair of veteran starters from last year in 6-2, 205 pound senior Dave Williams and 6-0, 210 pound junior Jeff Harris. Bisceglia said both players did a real fine job in the jamboree.

In the secondary, Wasson will play the weak side safety position and senior Matt Alberti (5-7, 146) will man the strong side. The cornerbacks will be senior

Almon Predicts Productive Year Despite Brantley's Inexperience

By Tim Horn
Special to the Herald

Entering his first season as head football coach of the Lake Brantley Patriots, Fred Almon inherits a team with little experience, despite returning 22 seniors. But even without a great deal of experienced players, Almon believes his squad can still have a very productive season in 1985.

"Our players are young and untested, but I'm excited about this year because I think if we play up to our capabilities, we can play with anybody," he said.

Almon, who began his coaching career back in 1970 as an assistant junior varsity coach with Ocala Forest, was an assistant coach for the Patriots from 1976-79. In 1980 he moved on to Dunnellon High as an assistant coach for a year, was an assistant coach at Lake Mary from 1981-83 and was an assistant coach at Lyman last year, before getting the head coaching job at Lake Brantley.

The Patriots, who were 7-4 last year, return just a handful of starters this season, including no "true" starters on offense, Almon said.

"What I mean by that is some of the players we have got on offense did start in a few games last year," he said, "but they didn't play that much."

Almon said the key offensive threat for the Patriots is senior tailback Cornelius Friendly. Friendly, at 6-1 and 175 pounds, has all the skills to be an outstanding football player.

"Friendly is the fastest high school player I have ever seen in a football uniform," Almon said. "He is just a flyer. He runs a 4.4 in the 40 and that isn't too shabby for a high school kid. Shoot, he outran Sammie Smith (an all-state running back from Apopka High currently a running back for Florida State) in the 100 a few times last year."

"He also bench presses 340 (pounds) and clean and jerks 390. He will be as good a runner as he wants to be this year — a definite major college football prospect."

Joining Friendly in the backfield will be either senior Sammy Sears (6-2, 160) or sophomore Chad Groseclose (5-11, 175).

The quarterback position will be handled by either senior David Delfiacco (6-2, 165) or junior Andy Dunn (5-10, 175). Delfiacco looks to have the inside track.

"We haven't determined who the starter will be as of yet, probably Delfiacco," Almon said. "We run a multiple type offense and he can do a lot of things

well."

The Patriot's relieving corps were dealt a blow last week due to the suspension of Joel Miller, a 6-4, 175 pound senior whom Almon had counted on to play split end. Sears, Delfiacco, and senior Blake Smith (6-2, 155) may all see some time at the split end position now, Almon said. Senior Peter Corcoran (5-9, 148) and junior Jon Maney (6-1, 165) are the squad's other wide receivers.

Almon said the Patriots are in fine shape up front with their offensive line. Among the players providing the blocks will be senior tackles Mark Bousquet (6-0, 230) and Will Freeman (6-5, 250), senior guard Jeff Peterson (6-3, 205), junior guard Chris Mull (6-1, 185) and senior center Jim Conchelos (5-10, 200).

"Our offensive line is probably the strongest part of our football team," he said. "We're strong, quick and move real well."

Contrary to the offensive line, Almon is not as confident with his defensive line heading into the

season. "We're not strong at all there," he said. "Our (defensive) line is little, slow, and doesn't have any experience."

"But with our type of defense (multiple) we run a lot of different sets and that should help us. We stunt a lot and guess a lot, and hopefully we will guess right."

Bobby Bodoh, a 6-1, 178 pound senior who is a team leader of the defense from his tackle position, is counting on the underclassmen to fill some of the holes in the defense created by graduation.

"If we can get the juniors and sophomores to take up some of the slack, we should be all right," he said.

Along with Bodoh on the defensive line will be Bousquet at tackle, senior Micky Perez (5-8, 155) and sophomore Mike Sepe (6-0, 180) at ends and senior Min So (5-11, 185) at nose guard.

The Patriots suffered a major blow to their

...Seminoles

Continued from 8

fronts, it will be real sound and aggressive," Mosure said.

The two returnees on the offensive line were two more than on defense. Beathard will start over with senior Clint Boyles and sophomore Earnest Lewis at the ends. Seniors Mike Luster, 195, and Kenny Morris, 205, are the defensive tackles.

"Luster has good quickness and turned into a pretty good leader," Beathard said. "That allowed us to move Brinson to linebacker. Mosure said Morris has been consistent while Boyles, 6-3 and 220, has been impressive despite not playing until his senior year. Ardine Daniels, a rugged soph, backs up both positions.

The linebacking corps, nevertheless, is solid and the secondary is better. Jerry Littles handles the strong side, Brinson patrols the middle and Rick Kelly maintains the weak side. "All three have good strength, good athletic ability and are hitters," Mosure said. "Once they settle down and read the keys and get to the areas of responsibility, they will be real sound." Lewis is the backup.

The backfield has Franklin, who had a tremendous jamboree, at strong safety and Liggonis are free safety. Lawrence is the strong side cornerback and Horace Knight is the weak side cornerback. Mike Mingo and Ed Burrs are the backups.

"Knight has been a pleasant surprise," Mosure said about the replace for All-County and All-Conference choice Brian Brooks. "The other three all know what they're doing. They play the deep pass real well and work the zone well.

"The secondary, along with our linebackers, will be our strongest suit."

Morris and Blake will handle the placekicking. J.J. Parlow, a strong-footed sophomore, will also get a shot. Osborn and Morris will handle the punting.

Mosure said the success — or failure — of the Fighting Seminoles will depend on a lot of things. "These preseason statements ... I don't know," he said. "There are so many variables. Inexperience, of course, is such a big factor. A quarterback has to step forward. The receivers need to catch the ball in crowds.

"The offensive line has to block and then go down field and block. Our defensive line has to stay low and strip blockers for the linebackers. Our secondary has to become part of the post office's 10 Most Wanted List for pass thefts.

"But most of all, we have to stay healthy."

The first test is Friday at home against Titusville Astronaut.

...Lake Howell

Continued from 18

Lee Chojnacki (5-9, 148) and a junior transfer from Palm Bay High, Randy Nixon (5-7, 142).

Chojnacki and Wasson are the holdovers of the group from last year.

The kicking game is another real strong point for the Silver Hawks, according to Bisciglia. Along with Wasson, who Bisciglia said had some real nice punts in the jamboree, is placekicker Jeff Phillips.

Phillips, who is just a junior, is an excellent soccer player and can consistently kick 50 yard field goals in practice, Bisciglia said.

With the off season move into a new district, the Silver Hawks will play four new schools this year: Edgewater, Evans, West Orange and Oviedo. Bisciglia is unsure what effect this will have on his squad.

"How we will do playing against teams we have never played before is a question mark to me," he said. "It is a lot easier to prepare for opponents that you play every year.

Importing and coming along though. If our youngsters can't do so, we will be able to compete against the...

Lake Howell will open its '85 season Friday evening at Orlando against Edgewater.

1985 NFL SCHEDULE

FIRST WEEK		SEVENTH WEEK		THIRTEENTH WEEK		
Sunday, September 8 (NBC-TV doubleheader)		Sunday, October 20 (NBC-TV doubleheader)		Thursday, November 26 (Thanksgiving Day)

...Lyman

Continued from 12

one of the top tacklers in the county. Lyman's four will be seniors Byron Overstreet, 6-1, 180, and Mickey Williams, 6-0, 180, on the inside along with senior Vince Campbell and junior Ricky Sheets on the outside. Mike Whittaker, Anthony Carullo and John Bolander will lend depth.

"We're looking for somebody like Overstreet and Williams to step in and take the lead," Scott said. "With this kind of defense, the linebackers are the high-tackle people and we expect that from those two."

Scott said it will be the ends and tackles jobs to strip the blockers to allow the linebackers accessibility to the ball carriers. Juniors Scott King, 6-0, 185, and Vahan Noukhajian, 5-11, 180, are the defensive ends. Junior Greg Heiser and junior Ted Smith are the backups. Senior Mike Sirmans, 5-11, 180, and

either junior Mike Nelson, 5-11, 170, or junior Jimbo Smith, 6-0, 205, will play the tackles. Sirmans is a transplanted running back.

Lyman's secondary should be its strongest area. Halfback Bobby Decker was one of the top secondary players in the county last year and he returns. Scott said sophomore Scott Radcliff, 6-0, 170, is a future star and halfback Chucky Scheele is a hard-hitting lightweight (5-10, 145). Joe and James Parker are the backups.

"Bobby Decker is not real tall (5-9) but he played it as well as anybody," Scott said. "Radcliff is potentially an Al Latimer-type of a defensive back. And nobody ever played defensive back at Lyman better than Al Latimer."

Radcliff or Brian Hernandez will handle the punting chores while Kelly Greene takes care of the placekicking. David Elkes and Aki Toda, a foreign exchange student, are the backup booters.

Still, Scott said Lyman's success will be based on the play of the offensive line. "If the people upfront do their job, I look for the other kids to come through and full their part," he said.

Lyman opens Friday at Orlando against Boon.

Everything from Superman III to Super Bowl XX.

over Lake Howell. "They have the backs room to run and gave me time to throw."

New faces also dot the defensive line as Hopkins is the lone returnee. The 200-pound senior will assume his tackle spot in the Rams' 5-3 defense. Rob Reddington, a 200-pound junior, will join him in the trenches. Paul Owen, who played parttime last year, and Shannon Porter are the defensive ends.

Scott Frost and Scott Ross will share nose guard. Nelson said Frost defends better against the run while Ross, a standout wrestler, is the better pass rusher.

"This is the most improved bunch we have," Nelson said. "We'll also use Ryan Lisle and Danny Bridges at nose and linebacker. They aren't real big but they're good, quick, hard hitters. Lisle ran down a guy in the jamboree and saved us a touchdown."

Molle, meanwhile, anchors the linebackers. Again, Bridges and Lisle will be spotted there along with Kothera. Nelson said Kothera is an excellent hitter that doesn't yet have great speed.

Although Nelson said he expects his line and linebackers to be pretty good, he said his defensive backfield of Ray Hartsfield, Washington and sophomore Sheldon Richards will be the strongest area of the team.

"That's a very talented defensive backfield," Nelson said. "All can catch, cover well and are excellent tacklers."

Richards, who teamed with Curry to lead the freshman team, has picked off four passes in two jamborees already.

The place kicking game will be handled by Mike Renaud and Mike Pommier. Bobby Culpepper is the punter.

Nelson said another trip to the state playoffs is the game plan. "We've got to be opportunists. We gotta to play the game," Nelson said.

Lake Mary opens the season Friday at Apopka.

Continued from 16

"Last year defense was our forte," Blanton said. "We only gave up 10 points a ballgame and the linebackers were a key. Our biggest one this year is 170 pounds but we still feel linebackers is one of our main strengths."

The defensive backfield will be another strong point for the Lions with Ed Miller and Bubba Wright at the halfbacks and Galney at safety.

"The secondary has the most depth as far as people who have played," blanton said. "Wright, Galney and Miller all played varsity football before. McCurdy will get a lot of playing time at safety. Donnie Hays and Green will also play a lot in the defensive backfield."

The kicking and punting duties will be handled by King who is also a fine goalkeeper in soccer.

"He (King) missed three field goals in the jamboree," Blanton said. "But one was on a bad snap, one he missed by a foot and one didn't go far enough. He kicked the ball in the end zone (in high school

football a kickoff in the end zone can't be returned) on kickoffs and punted the ball real well. He has a good, strong leg."

Along with competing in the new Seminole Athletic Conference this season, the Lions will be in District 4A-4 along with Seminole, Titusville, Daytona Beach Seabreeze and New Smyrna Beach.

"If you compare schools from the district we play in this year and the one we played in last year, I don't think anybody can hit as hard as Kissimmee or Jones," Blanton said. "But then you have teams like Titusville that has been a perennial state power and Seabreeze is a well established team. Coach Mosure will have Seminole up and New Smyrna will definitely be better, they had 19 sophomores last season. Team for team, it will be a better district."

"We're not setting too many goals," added Blanton. The big one is trying to make the kids understand that when you go to a harder schedule you have to be disciplined and show true character no matter how far ahead or behind you are."

Oviedo's season opener at Lake Brantley will be the first ever Seminole Athletic Conference sporting event. "It's exciting to be in the first SAC game ever," Blanton said. "I hope we can win it."

Brantley's Fred Almon speaks to an assistant.

...Lake Brantley

Continued from 20

defensive line last week in their jamboree loss to Deland. Junior defensive end Bucky Chambers, a 6-0, 185 pound standout, broke his leg in three places and will be lost for the season.

"Losing Bucky Chambers sure didn't help our defense any either," Almon said. "He was an up-and-coming star and we are going to miss him this season."

At the linebacker positions are senior Matt Wilson (5-10, 210) and junior Mike Kelly (5-9, 175). Almon said they are solid at linebacker as well as in the secondary.

"If I had to pick a strong point in our defense, it would be the secondary," he said.

Sears and senior Chris Derden (5-8, 145) man the corners, senior Steve Stark (6-1, 170) is the safety and senior Chris Walsh (5-9, 160) is the rover.

The punting and placekicking chores are handled by Delliacono.

Lake Brantley will open its 1985 season this Friday at home against Oviedo. The matchup is the first contest of the newly formed Seminole Athletic Conference.
