

### Comment From The Sidelines

Sheffield, who umpired the game in Sunday's game, changed some of his decisions when he put Daytona base runner out at second after first calling him safe.

It is always considered the privilege of fans to boo the umpire, and Umpire got plenty of boos Sunday from the crowded grandstand. All of the fans did not come from Sanfordites, either, as there were plenty of Daytona Beach folks there.

If Zim Beck, Chattanooga scout, had not been at Sunday's game, the Lookouts might have won. But they knew the scout was there and that he was looking for material for his team and for holes in the Sanford team he might be able to plug, and the boys were nervous. In their over-cautiousness to make a good showing, some of them did not do as well as they have in other games.

Thanks for these kind words from Zim Beck. His statement that Sanford has as good a team as any other in the Florida State League with one exception is heartening.

Baseball players are no exceptions, they have their "off" days as do men in other professions, and Sunday was one of those days for Buddy Lake. He pitched a great game Thursday against the DeLand Reds, winning 16 to 5, and had not rested up sufficient when put in the box against the Daytona Beach Islanders three days later. Doc Hardin was sent in to pitch too late to save the day, but he kept the visitors from running up a higher score.

While the Lookouts are reposing in the cellar at the present writing, they will go into a tie with St. Augustine and Gainesville if they win today and the Saints and the G-Men both lose. Sanford has won five and lost nine games, St. Augustine and Gainesville have each won six and lost eight games. A Lookout win today will give Sanford a 6-9 rating, and defeat for the Saints and G-Men today will give them the same rating, giving the three .400 in the percentage column.

Official averages compiled by Earl Blue, loop statistician, for all Florida State League games up to and including Apr. 29, place Sanford fourth in batting average and fifth in club fielding, in individual hitting, Cates, third baseman, ranks fifth in a field of 17; Blatruff, catcher, ranks sixth, and Barnes, left fielder, ranks seventh. Doc Hardin is rated as the sixth best pitcher in the league, with Loper bringing up the rear in eighteenth place.

Dave Swindell, Sanford center fielder, is the home run king of the Florida State League, according to the official statistician's record. He also stole the most bases, five in number. He made three circuit drives in a game with the Azaleas in Palatka a week ago Sunday. Another Swindell record is the most times to bat in one game. That was in the Palatka game when he went to the plate six times.

Wagner, Sanford shortstop, has the uncertain honor of being struck out the greatest number of times during the first 10 days of play in the State League. He was struck 10 times. Norwood, right fielder, made three sacrifice hits during the period, the greatest greatest number by any player of the six teams.

The Chattanooga Club of the Southern Association has first claim on any promising player in the Sanford Lookouts and, under the working agreement the local club has with the Chattanooga, no payment will be required for the first man selected. But Zim Beck, scout for Chattanooga, has promised not to pounce upon Lake and take him away to help the Tennessee win the Southern pennant.

With such men as Bert Chapman, Sid Rivo and other former baseball stars coaching them, the boys in the Legion Junior League should soon be able to put up a pretty good brand of ball. Mr. Chapman formerly played with the Boston Red Sox in the American League. Mr. Rivo and Earl Adams were members of the old Florida State League as was Floyd Palmer. The able played with the White Sox in the American League. W. C. Hutchinson played baseball with the White Sox in the American League. Captain James, who played with the Boston Athletics in the American League.

## Cardinals Defeat Reds, 17 To 3, In 7 Inning Contest

### First Ball Is Pitched By State Athletic Officer Of Legion

Another baseball season opens. Legion Junior League teams played their first game yesterday, at Sanford Field before a fair sized crowd of fans. Despite the one-sided score and so many errors that the score-keepers' count, those who saw the contest report it was an interesting one.

The Reds won by a score of 17 over the Cardinals who got only three men across the plate. The score by innings:

Reds ..... 2 0 0 1 0 0 — 3  
Cardinals ... 3 5 2 0 1 0 — 17

Stenstrom for the Cards and Koloff for the Reds were the opposing pitchers. Wallace was behind the bat for the Cardinals, but the Reds (they chose that name because about half the boys on the team have red hair) used four catchers—Young, Pearson, Echols, and Newman. With the exception of Echols, each of two calls go by.

Stenstrom struck out three men and Koloff struck out five.

Runs: Cardinals—Wallace 2, Cooper 3, B. Odham 4, Adams 1, Ganas 2, Lawson 1, Stenstrom 1, A. Odham 1; Reds—Knight 1, Koloff 1, Echols 1.

Cooper, Cardinal third basemen, batted in three runs, while B. Odham, Cardinal third sacker, and Koloff, Red pitcher, each tatted in a run. Bases were stolen by Young, Red catcher, and by five Cardinals—Stenstrom, pitcher, Ganas, left field; Adams, shortstop; Cooper, second base; and A. Odham, right field. R. Meriwether, second base and W. Meriwether, first base, put over a double play for the Reds, and Thirli Baseman Steele for the Reds worked a double play unassisted.

Morris Spencer and Bill Cates, the latter the Lookouts third sacker, were the umpires.

The first ball was pitched by Lois Griffith, Legion State athletic officer, who is in charge of all Legion Junior baseball leagues.

The next game in the Legion Junior League will be played on the new Ninth Street diamond at 6 o'clock Wednesday afternoon between the third and fourth teams, as yet unnamed.

### 3 Join Lookouts To Replace Trio Given Releases

Three new men joined the Lookouts today, though they may not appear in this afternoon's game at Sanford Field against the Saints. They replace three who were given their releases yesterday.

The three new men are Fred Gleason who will play shortstop, "Shorty" Malby, a second baseman, and Ed Davis, outfielder. Watters who has been playing at short will return to his home in Brunswick, Ga., and Outfielders Norwood and Cooper are the other two who were released. Both have been playing in the right field. Norwood came here from Cocoa and Cooper came from Lakeland.

Eddie Davis, the new right fielder who replaces Norwood and Cooper, is sent to the Sanford Lookouts by the Chattanooga Lookouts, and Zim Beck says he is a good man. His home is in Birmingham, Ala.

Malby comes from Winter Park and Gleason from Sebring.

### Future Farmers Play Soft Ball Here Saturday

Six teams of Future Farmers of America from Central Florida towns will engage in a diamond ball tournament on the Seminole High School grounds in Sanford next Saturday. Between two and three hundred boys are expected, and some exciting games are in prospect. The public is invited and there will be no charge for admission.

Sanford will not have a diamond ball team in the contest, but there will be teams from Oviado, St. Cloud, Crescent City, DeLand, Apopka and Hastings. They will play for the Central Florida championship, and the victor will enter a state tournament.

### Zim Beck Pleased With Local Team, 'Stacks Up Well'

### Scout Says Club Is As Good As Others Excepting Daytona

Zim Beck, Chattanooga scout, said today that after having witnessed games between all Florida State League teams with the exception of the G-Men of Gainesville he is firmly of the conviction that Sanford has as good a team as any other with the possible exception of the Daytona Beach Islanders. He saw the Saturday and Sunday games between Sanford and Daytona and expected to witness the game between the Lookouts and the Saints from St. Augustine on Sanford Field this afternoon.

"There are some weak spots in the team, of course, but that is to be expected this early in the season," the scout said. "You're not playing seasoned men as on the big leagues, but trying out youngsters, and it takes a little time to find out what's what. I am pleased with the performance of the Lookouts on the whole. You've got the making of a good team."

The Chattanooga scout sent Eddie Davis, new rightfielder signed today, to join the Sanford lineup. Beck is going to Jacksonville tomorrow where he has a couple of other players farmed out, and then plans to join his own outfit and witness a few games in the Southern Association.

"But I'll be back after awhile," he said. "I'm interested in the Sanford team."

### Scores Of Little Children Take Part In Field Sports On Grammar School Park

### Fifth And Sixth Graders Compete In Foot Races, Running And Broad Jumps And Basket And Baseball Throws

Nearly 100 children in the fifth and sixth grades in Grammar School participated in the field sports on the school grounds. There were 25-yard and 50-yard races, relay races, running broad jumps and standing broad jumps, and basketball and baseball throws. Only one boy and one girl from each room was allowed to participate in the different events. The pennant was won by Mrs. Bybil Routh's room. Mrs. Harold Varn and Miss Lillian Thornley coached the children.

Winners in the various events were as follows:

**25-Yard Dash**  
Girls: Audrey Walters, first; Anna Bell Shannon, second; Lois Caldwell, third; and Bessie Adkins, Marjorie Newman, Susan Kirtley.

Boys: John Edwards, first; Billy Hoolehan, second; Kirby Fife, third; and Scott McIntyre, Linwood McGill, Richard Merrivether.

**50-Yard Dash**  
Girls: Anna Brown, first; Eugenia Douglass, second; Anna Bell Shannon, third; and Dorothy Platt, Dorothy Pesold, Mary Richards.

Boys: Duane Tillis, first; William Brannan, second; Emmett Hermon, third; and Ralph Wolfer, Oscar DuBose, Jackie Standifer.

### Leaders Humbled By Ivey's Yanks To Tune Of 19-4

### Too Many Errors Was Cause Of Downfall Of Team Up At Top

The Yankees got the scalp (and nearly got the goat) of the Seminoles in Monday afternoon's game in the Lions League. The Yanks won, 19 to 4. It was the first time the Seminoles have met defeat in the eight games they have played since the season opened on Apr. 6.

As usual, it was a pitchers' battle between Carroll Godwin for the Yankees and William Brannan for the Seminoles, though Seminole errors played a big part in the defeat of the League leaders. Brannan has pitched nearly every game for the Seminoles and last-ed through the game yesterday, but many of John Ivey's Yankee batters were able to smack the ball, and others got to first base on balls, and after the Yanks once got started there was no stopping them.

Eugene Cochran caught for the Yankees and Roland Floyd was behind the bat for the Seminoles. The figures .375 now replace the perfect 1.000 opposite the name of the Seminoles in the Lions League, and the Yankees climb to .750, only two games behind the leaders, as the Seminoles continue to top the League despite yesterday's defeat.

The Seminoles play again tomorrow afternoon, against the Giants, and the Yankees will be seen on the field again next Thursday when they meet the Cubs. Lions League games are played on the Seventh Street and Elm Avenue diamond at 5 o'clock each week-day afternoon with the exception of Saturday.

### Special Sleeve Made For Foxx's Uniforms

CHICAGO, May 5.—(P)—Fans who used to spot Al Simmons by his baggy pants, and Jimmy Foxx by his blacksmith's arm bulging from a shortened shirt sleeve can't recognize these American league stars so readily this season.

When Simmons reported to the Detroit camp he was given one of Firpo Marberry's old suits. The knees curled up instead of drooping below the knees as Simmons' old uniforms always did, and Al liked the hand-me-down

livery so well he's going to keep on wearing it—or one tailored on its pattern.

Boston Red Sox officials frowned on Foxx's practice of mending up uniforms and removing the sleeves. And so they designed a special sleeve to give their new gill-edged slugger plenty of arm room for his bulging biceps.

Condie Mack, while in Chattanooga, Tenn., with his Athletics for an exhibition game, said he is looking forward to the next baseball season with enthusiasm, for it will be a "big adventure."

## Extra Clerks Authorized In June Primary

Will Work In Shifts To Hurry Count Of Expected Unusually Heavy Election Poll

## Candidates Must Qualify Thursday

It Is Also Last Day For Filing Of First Expense Accounts

Expecting an unusually heavy vote in the June 2 primary, the Board of County Commissioners authorized the dividing of the two Sanford City precincts into four voting booths and the employment of two extra sets of clerks and inspectors. The two sets will work in 12-hour shifts, the first until the polls close, the second in counting ballots through the night, then the first back on the job the day following the primary, and the second set on duty the second night. County Clerk O. P. Herndon expressed the opinion that even with working double shifts it may be the second day before the count will be known, as the registration is so heavy and the ballot will be unusually long with the names of more than 100 candidates for the various offices.

There will be a clerk and three inspectors for Precinct 1 and a clerk and three inspectors for Precinct 2-A, both in the Court House; and a clerk and three inspectors for Precinct 3 and a clerk and three inspectors for Precinct 3-A in the Wicks building.

The candidates in all precincts, City and County, but the list will not be published until the clerk has been notified by those selected that their appointment is acceptable.

All candidates for County offices must qualify before midnight tomorrow, and they also must file expense accounts before that hour. The time for qualifying candidates for state offices closed last Saturday night.

Election returns are expected next week to pay their poll taxes as the final date is May 16. When Tax Collector Jno. D. Jenkins closed his office last evening 1,899 electors had paid their poll taxes.

## France And U. S. Sign Reciprocal Trade Pact Today

WASHINGTON, May 6.—(AP)—The State Department announced today an agreement with France on a reciprocal trade pact which it is to be signed here late this afternoon. Although no details of the agreement were announced, great importance was attached in both countries to the commercial accord which is intended to lower restrictions now applied by the French against American products.

France is America's fifth best customer and the new agreement is regarded by the state department as second only in importance to American foreign trade to the recently signed agreement with Canada.

## Correspondence Schools Are Hit By Post Office

The United States Civil Service Commission has sent a notice to post offices, warning that misleading information is being given to the public by representatives of some of the correspondence schools which sell "civil service" courses.

It was stated that no school has any connection whatever with the Civil Service Commission or with any other branch of the government, and also that the commission has no agents who solicit applications for civil service positions or who sell "civil service" courses.

No school can "guarantee" government employment and none is given information regarding examinations, or any other information, which is not available to the general public. The commission stated that it does not recommend any school, and explained that it is not necessary for anyone to take a course with a so-called civil service school in order to compete in a civil service examination.

A special point was made of the fact that information concerning examinations may be obtained at any time, without cost, from the secretary of the Civil Service Board in Sanford or at any other first or second class post office or from the commission's office in Washington, D. C.

## Crime Cost Equal To National Debt, Says Cary Landis

Attorney General Is Speaker At Meeting Of Sanford Kiwanis

In addressing the Sanford Kiwanis Club today at its weekly luncheon in the Mayfair Hotel, Cary D. Landis, attorney general of Florida, said that if the American people could stamp out crime they would pay the national debt in one year with the money saved.

The attorney general in discussing the national crime situation explained how various factions of the government are combatting crime, and said that in a recent report issued by the federal government it was shown that crime alone costs the United States 15 billion dollars a year and that the racketeers take another 15 billion from the American people.

## WPA Considering Projects To Cost Over 106 Million

## No Seminole County Works Included In List For Florida

TALLAHASSEE, Fla., May 6.—(AP)—Florida projects estimated to cost \$106,761,131 are pending before the Public Works Administration in Washington.

Types of projects in the list include transportation, recreation, public buildings, schools, municipal improvements, publicly-owned utilities, fire protection, land development, and industrial undertakings.

Transportation leads the list with projects estimated to cost \$43,709,476, on which the sponsoring agencies are seeking federal loans of \$24,112,305, and federal grants of \$17,917,507, with the remainder to be supplied locally.

Second place goes to utilities, on which applications are pending for loans of \$15,977,552 and grants of \$10,543,428, with local funds supplied to make up a grand total of \$27,555,171.

## Conquerors Greeted By Natives Trying To Imitate Salute Of Fascist Nation

## Soldiers Succor U. S. Legation

## Besieged Americans Sought Assistance From The Invaders

The population of Addis Ababa, which had run riot for four days, turned out en masse today to greet the conquering Italian forces. While the Italian flag flew over Emperor Haile Selassie's palace, natives stood along the streets and gave imitations of Fascist salutes to 30,000 Italian soldiers who poured through the city.

Order was re-established with the coming of the Italians, and soldiers were posted to prevent riots.

The State Department at Washington received a message from Vice Consul William Cramp at Addis Ababa saying an Italian guard around the American legation had been withdrawn after disarming a number of natives during the night. Fascist soldiers were summoned to the assistance of the besieged Americans in the legation after the building had been attacked yesterday afternoon by Ethiopian bandits.

Marshal Pietro Badoglio appointed Major Giuseppe Botta, former governor of Rome, as civil governor of Addis Ababa.

Premier Mussolini, who proclaimed to his mobilized nation last night that the war was ended, and "Ethiopia is Italian," permitted Roman celebrations to continue, but directed business to proceed to combat the League of Nations sanctions siege. A tentative plan to transform Ethiopia into an Italian possession already was formulated, and rejoicing Rome students, celebrating before the Quirinal palace, hailed King Victor Emmanuel as "Emperor."

Other capitals of Europe, after seeing the failure of the League of Nations sanctions to halt alleged Fascist aggression, took the futures of both Ethiopia and the League under consideration. French sources said their government would oppose outright annexation of Ethiopia as an Italian colony, preferring a treaty to give Ethiopia nominal sovereignty.

Emperor Haile Selassie, whose seven-month flight against the Italians ended in his own flight into exile and assigned peace, was traveling to Palestine aboard a British cruiser.

## Zeppelin Leaves For United States Today

FRIEDRICHSHAFEN, Germany, May 6.—(AP)—Motors of the Hindenburg were put through final tests today and pronounced ready for the giant airship's first North American cruise which begins tonight with 50 passengers and a huge cargo of mail aboard. The giant zeppelin is due to depart this afternoon and due to arrive at Lakshurst, N. J. Saturday afternoon.

Officers Installed In High School P. T. A.

Officers for the coming year were installed by Mrs. W. H. Stewart at the last meeting for the year of Seminole High School P. T. A. held Tuesday afternoon at the school auditorium with Mrs. F. E. Roumillat presiding. Annual reports were also made at this time.

Mrs. Stewart installed the following officers: Mrs. Volle A. Williams, president; Mrs. Gladys M. Williams, vice-president; Mrs. R. F. Monalvate, secretary; Mrs. M. L. Wright, treasurer; and Mrs. Horace G. Moore, historian.

Mrs. Roumillat gave her annual report which was summarized as follows: programs given at each business meeting; nine chapel programs given for the student body of the school; \$200 spent for hot lunches for needy children; 10 members subscribed to the Florida and National P. T. A. magazines; two study courses completed, one under Mrs. James Moughton and the other by radio; 6 stone benches, one stepping stone walk, flag pole and stand, and framed copies of historical documents presented to the school; glazed paper furnishing for windows in school auditorium; high school kept on accredited list by P. T. A. securing 300 books for the school library; Seminole County Board of Public Instruction requested to present athletic project to the Seminole County Planning Board which later approved it with work to start as soon as next allotment of funds arrives; history and publicity books kept; delegates sent to all County Councils and district meetings; carried out citizenship programs as suggested by state chairman; radio questionnaire filled in as suggested by state chairman; special candle-lighting ceremony conducted at Founders' Day-Fathers' Night program; \$25 donated to school orchestra and \$25 to school annual; and P. T. A. Singers organized under the direction of Mrs. J. A. Takach.

Mrs. Roumillat was presented with a past president's pin by Mrs. Henry Tamm in behalf of the organization. She also received a large bouquet of flowers from Mrs. A. K. Rosetter.

During the business session the attendance prize for the year, \$10, was awarded to the Senior Class. The program for the afternoon included vocal selections by the P. T. A. Singers with Mrs. J. A. Takach as director and Miss Daphne Takach as accompanist. Mrs. J. L. Ingley rendered a vocal solo, "Mother Machree," with accompaniment by Mrs. Arthur Branan.

Mrs. Dorothy Lamb gave a talk on mental hygiene and Mrs. W. W. Goetach read a paper, "How We Can Raise the Standards of Citizenship in our Own Homes," after which Mrs. James Moughton read a paper, "How We Can Raise the Standards of Citizenship in our Neighbor's Homes," written by Mrs. J. N. Tenhet. Mrs. A. K. Rosetter gave an interesting talk on flowers.

BIBLICAL PARALLEL
SALT LAKE CITY, May 6.—(AP)—A curious geographical parallel exists between the Sea of Galilee and Dead Sea in Palestine and Utah lake and the Great Salt lake in Utah. Each pair consists of a fresh water lake connected with a salt water lake by a river. The Utah River therefore was named "Jordan" by the Mormons, after its counterpart in the Holy Land.

Mrs. Glenn Lingle Entertains At Bridge
Mrs. H. B. Lewis and Mrs. L. Hawkins Connelly won high score prizes at the desert bridge party given Tuesday afternoon by Mrs. Glenn Lingle at her home in Indian Mound Village for the members of the Tuesday Duplicate Club. Refreshments were served by the hostess, assisted by Mrs. Wallace W. Wright and Mrs. L. F. Boyle.

Decorations consisted of vases and bowls of snap dragons, statice, roses, and other garden flowers. Those present were: Mrs. L. Hawkins Connelly, Mrs. B. D. Caswell, Mrs. H. B. Lewis, Mrs. J. H. Hintermister, Mrs. Walter S. Coleman, Mrs. L. F. Boyle, Mrs. Wallace W. Wright, and Mrs. Ralph B. Wight.

Miriam Hopkins Stars In Goldwyn Picture

Samuel Goldwyn's new production, "These Three," which brings Miriam Hopkins, Merle Oberon, and Joel McCrea to the Ritz Theater tonight, proves the most powerful and gripping drama to reach the screen in many a cinema season.

Offering all three stars the acting opportunities of their lives, brilliantly concocted by Lillian Hellman, famous Broadway playwright, magnificently produced, and expertly directed by William Wyler, "These Three" holds the audience breathless from the opening shot to the final fade-out.

## ADDIS ABABA RANSACKED AND FIRED BY RIOTING NATIVES

Shortly after Emperor Haile Selassie fled from his empire while the Italians neared Addis Ababa, rioting natives robbed many of the government buildings; killed one American, at least 10 Europeans and an untold number of their countrymen, and set fire to some of the principal buildings in the capital. The railway station (upper left) was completely burned. At the right (above) is the government radio station. Lower left shows the emperor's palace which was looted and at right is a street scene in the heart of the business section which was looted and burned. (AP Photos)

## Nation's Buying Power Increased By Farm Earnings

Agricultural Income Writes Important Chapter  
This is the third in a series of articles on the progress of economic recovery.  
By FRANK L. WELLS  
WASHINGTON, May 6.—(AP)—Recent increases in farm income, adding billions of dollars to the nation's purchasing power, have written an important chapter in economic history.  
Economic analysts find significant that the farm is getting closer to the relative position as a purchaser which it held prior to changes developed during and after the World War.  
In the decade after the war, farm property failed to keep pace with industrial property, with the result that the 60,000,000 Americans who live by tilling the soil were getting a diminishing share of the national income.  
Farm income reached a low point in 1919, according to statistics of the Department of Agriculture, at \$1,925,000,000. The 1925-26 average was only \$1,528,000,000, and in 1934 the farm return was only \$1,537,000,000.  
By 1935 the total, including government benefit payments, had soared to \$2,119,000,000, indicating that about 64 per cent of the drop from 1925-29 to 1934 had been restored, and 1935 is showing further substantial improvement.  
Farm income for the first quarter of this year is estimated at approximately 7 per cent over the same months of 1935.  
The big gain in price levels in 1935 and 1936, plus governmental aid largely in farm products, together with the increase in farm population and a per capita purchasing power of only 59 per cent of its pre-war level by 1935 had the means to bring farm income back to the level of 1919.  
The fact that the farm population has not kept up with the growth of the nation is not all of the relative picture but since the pre-war level has been restored, the picture has gained much more reality than the city man.

## Ritter Plans To Fight Removal From U. S. Bench

WASHINGTON, May 6.—(AP)—U. S. Sen. Charles A. Ritter, attacked from financial editors, will discuss removal in finance and banking.  
The Senate voted Ritter's removal at the charge his actions had brought the Miami court into "scandal" and "disrepute," several senators later explaining that the fact charges had been leveled against Ritter was sufficient basis for his ouster for lack of public confidence.

# Hardin To Pitch Thursday Half-Holiday Game At Home

**Manager Infield To Oppose Palatkins On Sanford Field**

## One-Man Track Team

(Associated Press Photo)

Don Hardin, Sanford man and manager pitcher in several games on by the Lookouts, will be on the mound for the local club in the annual half-holiday game on Sanford Field with the Palatkins tomorrow.

The game will be called at the usual week-day hour of 4 o'clock, even though tomorrow afternoon will be a holiday, and because of the holiday and because Hardin will pitch, another grandstand crowd is expected.

Hardin pitched the last six innings of Sunday's game on the Sanford Field against Daytona, but the game was lost before he was on the mound.

The Azaleas are the runners-up in the Florida State League, but below the strong Daytona club Islanders, but Manager Alfie McCroskey said they will be opposed by a stronger Lookout infield tomorrow. Gleason, new pitcher on the local team, will play at short and Malby, another new pitcher, will hold down the second base position.

"We've got a much better infield," Stuffy said.

The manager of the local club said he hopes the fans will not be discouraged because the Lookouts are again in the cellar, because members of the team are not disbanded.

"We've got a hustling young club of players who are working hard to make good, and once we get to hitting we will be hard to beat," Stuffy said.

"In five games I know of one base hit would have given us the game. We've been under a strain, all of us. But we are gradually strengthening the club, our infield is better, and Don Beck is going to get us a new pitcher or two, and the fans can count on our club bringing up."

Don Beck, Chattanooga scout, witnessed yesterday's game, but though Sanford was defeated he expressed the opinion that Stuffy has a good organization and will be in the first division after a few more games.

**PREP TOURNAMENT TO BE NEXT WEEK IN WINTER PARK**

The sixteenth annual high school baseball tournament will be held in Winter Park on Harper-Shepherd Field May 14, 15 and 16. Jack McDowell, director of athletics at Rollins College, announced today.

Champions of the eight districts as defined by the Florida High School Athletic Association will be invited to participate in the championship meet. The title holder of each is to be decided by the director of each district following the preliminary play-off games.

Last year, Hillsborough High School of Tampa won the state title by defeating Andrew Jackson of Jacksonville in the final contest. Hillsborough's win enabled the Tampa leads to gain the first leg on the new trophy donated by Spies Brothers of Chicago. Bradenton took permanent possession of the old trophy in 1934 by winning the championship for the third time.

# Saints Win Tuesday And Gain Two Games On Lookouts

**G-Men Climb Into First Division In Beating Azaleas**  
**Once Lowly Club Now Ranks Third With 7 Wins, 8 Defeats**

The once lowly G-Men of Gainesville, the jobs of the Florida State League for the first two weeks when it looked as though they could never win a game, climbed into second position in the league yesterday by defeating the Palatka Azaleas (the club coming to Sanford tomorrow) by a 6-2 score.

McKinney, southpaw Azaleas hurler, gave up only six hits, but was constantly in hot water because of poor support.

Andrews, who scored the two runs marked up by the Palatka team, did not hit safely in three times at bat. It was a different story than his last appearance in the Palatka ball park when he laced out five hits in five trips to the plate.

Four fast double plays featured the otherwise listless game. Three were pulled by the Palatka team, and the G-Men made one twinning.

Maske and Pence were the leading Palatka batsmen, each getting two hits in four trips to the plate. Adair led the Gainesville nine with two for four. White tripled while Maske and Buck doubled.

Both McKinney and Hudgett pitched winning ball, but the Gainesville hurler received the better support. Each team made one earned run.

Score by innings:  
 Palatka 010 001 000—1  
 Gainesville 220 010 01x—6

**Pirates Now Next To Top Among Lions**  
**Daytona Holds To Its Long Lead In The State League**

Max Stewart's Pirates defeated the Cubs in Monday's Lions League game and go into a tie with the Yankees with a .760 percentage figure for second place, only a couple of games behind the league-leading Seminoles.

The Pirates defeated the Cubs by the one-sided score of 20 to 2. Eugene Cochran pitched the first four innings for the pirates, and then replaced Willie behind the bat and caught the last three innings while Estridge finished the hurrying for the winning club.

Today's game will be between the Seminoles, winners of all games excepting one, and the Giants who have failed as yet to win a single contest.

**Islanders Beat Reds By Close Score Of 7 To 6 Yesterday**

DAYTONA BEACH, May 6.—A two-run rally in the eighth inning gave the Islanders a 7 to 6 victory over the DeLand Reds yesterday and the Daytona Beach club retained its hold on first place in the Florida State League.

The Islanders reached Dopey Dean, Overstreet and Bush for the nine hits while the Reds nicked Kinard and Brown for 10 safeties.

An error by Kinard, DeLand centerfielder, allowed the tying and winning runs to cross the plate.

With the Islanders trailing 6 to 5 as the last of the eighth started, one of Bush's pitches hit Martin, first man up. Brown popped out. Mittleman hit a hard single to centerfield. The ball rolled easily through Kinard's legs and Mittleman went on around the bases. Martin before him.

Dillingham, Islander third-sacker, led the batting attack, getting a homer and two singles in four trips to the plate.

Score by innings:  
 DeLand 011 301 000—6  
 Daytona 020 201 02x—7

**Big, Fierce Panthers Are Yet Common In Florida, Says Writer In Magazine**

Big, fierce panthers are still fairly common in Florida, according to Dave Newell, Leechburg writer and sportsman, who has an article in the current issue of Field and Stream, entitled "Charged by a Panther." In this article, well illustrated, Mr. Newell tells a thrilling tale of panther hunting in South Florida and he relates that six huge beasts were bagged by his party in one week.

"Everyone knows that the Florida panther is almost extinct," he says. "The panther of the Eastern seaboard has long been almost entirely extinct. So if you want to believe we shipped in these panthers from Mexico and shot them in a firing squad you're welcome to do so," Newell writes, sarcastically in his article. To then describe the panther shot where the animals were so numerous that half-a-dozen were killed after they had been trailed with a pack of Arizona mountain lion dogs.

The Mountain Lion of the Rockies is like different from the Florida panther, Newell indicates. He tells about being charged by a Florida "cougar."

Panthers do not "roar" Newell thinks. He gives interesting "panther lore" in his article which, incidentally, gives Florida much valuable publicity among sportsmen throughout the United States and Canada.

**Paul Derringer May Never Again Put On Big League Uniform**

CINCINNATI, Ohio, May 6.—It appeared increasingly certain yesterday that Paul Derringer, star right handed pitcher of the Cincinnati club, had forfeited his last game in a Red uniform and it was reported he might never again don the uniform of a major league team.

Derringer, suspended by Manager Charley Dreesen and General Manager Larry MacPhail Sunday for his failure to slide on a close play at home plate in a contest with the New York Giants, may retire from baseball and take a position with a Southern manufacturing company.

**Ball Sent Over Fence First Time In 16 Year Park History**

Sanford lost by one run to St. Augustine yesterday, the Saints scoring 4 to the Lookouts 3. The same teams play this afternoon, in St. Augustine.

Yesterday's game on Sanford Field was lost in the seventh inning when Veal, pitcher, threw wild to first base and the Saints scored two runs in that frame. The visitors scored one run in the third when Turbom singled with one out. Fitzgerald walked and Turbom scored as a result of a long single by Langston. The Saints scored another in the fourth when Davis walked with one out and McGowan doubled to left field.

Bistruff, Sanford catcher, clouted the pill for a circuit drive in the seventh inning, but there were no other Lookouts on bases and therefore his home one was the only score made in that frame. He sent the ball soaring over the left field fence and won the honor of being the first baseball player ever to knock a ball out of Sanford Field since it was built for the Athletics in 1920.

Sanford scored two runs in the first inning as a result of a base on balls secured by Malby, who was forced by Swindell, who advanced to third on a double by Cates. Barnes singled to right, scoring Swindell and Cates but was thrown out at second.

**Carrabelle High Is After Championship**

CARRABELLE, May 6.—(AP)—Carrabelle's high school, with seven victories and no defeats this season, is driving for the district high school baseball championship. Only one game against Tallahassee, remains on the schedule.

Behind the no-hit, no-run pitching of John Clower, the Carrabelle team won its seventh victory, 8 to 0, over Apalachicola. Cook's home run in the eighth inning, with two men on base, accounted for the three runs.

Lee Boles is the Carrabelle athletic coach.

**Scores From Second On A Fly To Center**

WASHINGTON, May 6.—(AP)—Jake Powell, Washington's fleet outfielder, performed one of baseball's rarities the other day by scoring from second base after a fly to center field had been caught.

Off the instant Wally Moses grabbed Cliff Bolton's fly, the Senator's speed merchant rounded third base at full speed and tore home to beat the throw by inches with a head-first dive to the plate.

The last time Washington fans had seen such a piece of base running was in the 1925 world series when Cuyler of Pittsburgh accomplished the feat.

## New Church To Poll Against Cost \$5,000 Will Be Built

Primitive Baptists Obtain Permit To Erect Edifice At Laurel And Ninth

## Costly Front Is Put In Theater

Princess Theater Is To Be Completed In About 3 Weeks

Permit for the construction of a church edifice at Ninth Street and Laurel Avenue was issued yesterday by City Building Inspector G. E. Paxton to the Rev. W. S. Queen of the Primitive Baptist denomination. The new church will cost \$5,000, exclusive of furnishings.

The Rev. Mr. Queen was also granted a permit for the erection in the same block of a parsonage to cost \$2,000.

The church building is to be of frame, 20 by 30 feet, one story in height, while the parsonage will be 28 by 40 feet.

Permit was also granted the African Methodist Episcopal Church for the construction of a parsonage on Twelfth Street, between Olive and Avocado Avenues, to cost \$500.

A vitreous glass front is being installed in the old Princess theater on First Street, west of Park Avenue, by Phillips and Shubert, contractors. The new glass front will extend into the lobby, making the theater one of the most modern appearing buildings in the city. The cost of the new front will exceed \$20,000.

The new theater is being practically rebuilt, as only the side walls and the rear wall of the former building have been left. In addition to the new front, the contractors have laid a new floor and put on a new roof. Interior decorating of the play house is proceeding along with the installation of the new front in the hope that the theater can be completed within the next three weeks.

## Mrs. C. F. Marshall, 42, Died Last Night

Mrs. Charles F. Marshall, 42, died in a local hospital last night after an illness of only a few days, though she had been in poor health for a year. The funeral service will be conducted by the Rev. W. F. Brooks, Jr., from the First Baptist Church to Evergreen Cemetery Saturday afternoon at 2 o'clock.

Active pallbearers will be V. C. Messinger, F. Vance, B. G. Mott, J. R. Fields, I. E. Estridge and E. Kinlaw, and honorary pallbearers will be Dr. E. P. Hines, J. L. Ponder, O. G. Hall, Phil Grubbs, H. W. McCaskey, F. W. Sharp, Dan O'Berry, and Frank Roberts.

Mrs. Marshall was born in Rehoboth, N. C., on Mar. 24, 1894, but had lived in Sanford for the last 20 years. She is survived by her husband and daughter, Miss Dorothy Marshall, one son, Edward Marshall, and also, Mrs. A. J. Condon, of Cuba, and her mother, Mrs. C. J. Ball, of Sanford. O. A. Collins, of Miami, A. T. Smith, of Tampa, and E. H. Smith, of Savannah, Ga.

## Poll Against Rallies Taken By Candidates

Vote Is 2 To 1—Big Crowd Reported At All-Day Barbecue Staged In Geneva

## For School Board

J. H. Menick, of Longwood, who is a candidate for the county school board from district No. 2. He has been mayor of Longwood for the past four years.

Political candidates are not in favor of political rallies. Group "A" candidates voted Monday night 23 to 13 for them, but Group "B" candidates voted last night 23 to 1 against them, and as the total makes a 2 to 1 vote against the rallies all those that had been scheduled by the Democratic Executive Committee will be canceled with the exception of the five barbecue County Commissioner S. F. Long has arranged in Chuluota on May 25, and the meetings in Sanford on Saturday night, May 30, and Monday night, June 1, the night before the primary.

Both "A" and "B" groups will speak at the Long barbecue in Chuluota, while the "B" group will speak in the first Sanford meeting and the "A" group in the second meeting.

Practically all of the candidates and more than 200 other persons are at Geneva today for an all-day barbecue and rally. A telephone message at 2:30 P. M. from Geneva said that the crowd there was well above 750, but that sufficient provisions had been prepared to feed the immense throng. The barbecue meal began at noon and was continuing two and one-half hours later. It was served on the shore of Lake Geneva.

Some of the candidates spoke this morning and others were to speak during the afternoon.

## Optometrists Of State To Gather Here Next Sunday

Sessions Of Florida Convention To Be Held At Mayfair

Optometric eye specialists of Florida will gather in force in Sanford for their thirty-second annual state convention next Sunday, Monday and Tuesday. Convention sessions will be held in the Mayfair Hotel.

It is the expectation of Dr. Henry McLaughlin, Jr., that the Sanford convention will be attended by the largest number of optometrists to gather at any similar meeting in a number of years because of the central location of this city. Dr. McLaughlin, with the assistance of the Junior Chamber of Commerce, is arranging for entertainment which will include an evening program, a boat ride on the St. Johns River and an afternoon tea for the women. At the evening program will appear Raymond Monsalvate, magician; Miss Doris Jackson, dancer; Mrs. F. M. McNally, singer; and Miss Martha Brown, dancer.

Dr. Robert Wilson of Shelby, N. C. will be principal speaker before the convention. The educational program was arranged by Dr. Esther M. Ingram, Dr. H. C. Boumpouss of St. Petersburg is president and Dr. A. C. Houghton of West Palm Beach is secretary of the state association of optometric eye specialists.

## Cops Come To Rescue As Hubby Forgot Tux

MIDDLETOWN, O., May 7.—(AP)—Bennett Chapple, Sr., American Rolling Mills Co. executive, was mystified and a little piqued when a Richmond, Ind., police squad stopped his auto and took him to headquarters while he was on the way to deliver a speech in Indianapolis.

What was wrong? What had he done? The officers did not know. They were merely obeying orders. The desk sergeant cleared up the mystery. Mrs. Chapple had telephoned from Enloe, O., asking that her husband be held until she brought him something he had forgotten—his tuxedo.

## Paty Interrogates Hodges As Petteway Replies To Paty Charge Of Collusion

OREGON, May 7.—Paty who was on schedule already speaking.

"You might also demand of him as I did the other night in Tampa of Judge Petteway and in Washington a few moments ago of Grady Hodges." Paty continued. "It is in friendly, lukewarm or antagonistic to the present chief executive and the present Administration." Paty said the issue in this campaign is whether the present conduct of waste depletion and depletion is going to continue for another four years.

## Boys Tell On Driver Who Hit Park Car

MIDDLETOWN, O., May 7.—(AP)—The motorist who struck Mrs. H. E. Roberts' car while she was in a theater last night was identified today by the boys who saw the accident.

When she left the show, she saw a note in her dressing room which said that the car had struck her. The note said that three youths who were...

## All Church Union Is Urged By Methodist Denomination

Protestant Union Is Forecast In Action At Methodist Meet

COLUMBUS, Ohio, May 7.—(AP)—Opinion that unification of the three branches of Methodism would be an initial step toward eventual union of all Protestant churches was expressed by the Rev. Ivan Lee Holt of St. Louis, president of the Federal Council of Churches of Christ in America. Mr. Holt told delegates to the Methodist Episcopal conference who approved Methodist unification that "it is only the beginning of a process."

"Some of the leaders see in the distance one great Protestant church, such as was formed in Canada," he said. "Even beyond the United Protestantism may come a united Christianity, a union of all Protestant faiths with the great Catholic churches."

Holt said that with unification of the Methodist Churches approved the "dream we have all had of one great Protestant church comes closer to realization."

The federation president said "we have come to a time when the evils in this world are too great for any sort of a divided church."

Mr. Holt told the conference five international groups were already at work with final union of all Christian groups as their goal. They are the world conference on Faith and Order, the world conference on life and work, the world alliance for international friendship, the international missionary council, and the international Christian student federation.

## Subscriptions To Army Will Not Pay Cost Of Overhead

Less Than \$1,000 Is Given To Fund For Charitable Group

Only \$79.80 was added to the Salvation Army treasury as the result of yesterday's efforts of the corps of volunteer workers, and the grand total to date is \$912. According to Captain F. S. Feren of the Salvation Army this will barely pay the overhead costs of the charitable organization. The drive to reach the goal of \$3,500 is continuing.

Captain Feren stated that \$4,000 is owing on the Salvation Army citadel which requires interest payments of \$25 per month. Another overhead expense is insurance, and the captain had to draw from his personal savings account to make the last insurance payment.

Transportation costs of taking to and from Sunday school scores of children who would not otherwise receive any religious instruction was \$600 last year, he stated.

"The Salvation Army is looked to for the care of indigents, and we are glad to do it, but we cannot do as much as we would like unless business men and others subscribe more liberally," Captain Feren said.

Yesterday's subscriptions contain two for \$10 each, seven for \$5 and the others for smaller amounts. The \$10 subscriptions were made by Ben Fish and Dr. Elizabeth Tracy. Subscriptions of \$5 came from Arthur Branan, Charles Dunn, the Proctor Chevrolet Company, Mrs. J. W. Coates, Chas. S. Lee, Lodge & Son and Mrs. and Mrs. A. Vaughn.

Dr. H. H. McCaskey and C. H. Wisney each subscribed \$3. R. F. Monsalvate, Dr. J. N. Tolar and the Export Radio Service Company gave \$2, and subscriptions of \$1 or less were made by J. M. McCaskey, W. I. Hughey, Charlie Niblick, James McGowan, F. W. Talbot, George Morgan, J. G. Michalek, Ed Higgins, A. L. Betts, J. M. Gonzalez, J. J. Dixon, E. A. Rumbley, W. C. Chance, Sam Leroy and Carl Farnell.

Dr. Elizabeth Tracy organized a team of members of the Woman's Club today. It is composed of Mrs. Arthur Branan, Mrs. A. M. Phillips, Mrs. J. E. Cogburn and Mrs. A. G. Peterson.

## California Vote Down Landon Slate

SAN FRANCISCO, May 7.—(AP)—Almost complete presidential primary returns gave a clear-cut victory to an unopposed Republican delegation over a state pledged to Gov. Alf M. Landon, and an overwhelming majority for President Roosevelt's personally selected ticket as opposed to two other Democratic groups.

Totals from 10,000 out of 11,700 precincts gave the unopposed group 225,269 and the Landon ticket 348,200.

## G. O. P. Candidate

E. E. Callaway of Lakeland is unopposed in the Republican ranks as a candidate for governor of Florida. The party also has congressional candidates in five districts, all of them unopposed in the party.

## Republicans Will Not Have Contest For Florida Vote

Candidates Of Party Have No Opposition Within Own Ranks

TALLAHASSEE, May 7.—(AP)—Relieved of contests within their own ranks, Florida Republicans this year will center their energies on efforts to elect a governor, three congressmen and seven presidential electors in the November general election.

Indications there might be a Republican primary to nominate a candidate for governor faded away when E. E. Callaway of Lakeland was the only Republican candidate to qualify. Therefore he became the party's nominee without opposition.

There also was no opposition for three who entered the races for Congress in the first, fourth and fifth districts, and for seven who qualified as candidates for the state's seven presidential electors. Democrats, on the other hand, had intra-party contests for nearly every office, ranging from 14 candidates for governor down to contests for nomination as candidates for presidential electors.

The presidential electors nominated by the Democrats in the June primaries will oppose the November general election. Those elected by the voters then will meet here later in the year to cast Florida's seven official votes for President of the United States.

If Democrats are elected, Florida will remain in the Democratic column, but if Republicans are chosen this state's electoral votes will swing to the Republican side as they did in 1932, when Herbert Hoover won over Al Smith. That was the first time in modern political history Florida voted for the Republican presidential nominee.

With the national political conventions scheduled for next month, political observers said, Florida's 14 votes at the Democratic national convention will be cast for the re-nomination of President Roosevelt. The delegation, however, will be unstructured.

Republican delegates from the state at large also will be unstructured at the Cleveland convention of their party, but the Republican organization in Florida has expressed a preference for Governor Alf M. Landon of Kansas as the presidential nominee. Some of Florida's congressional district delegates were instructed by their district conventions to vote for Landon.

If Landon is eliminated from the running, the Florida delegates may then switch their votes to some other candidate for the nomination. Delegates to the Republican convention are expected to appear in Cleveland on June 20.

## Jokester Hoists Red Banner Over Justice Temple

WASHINGTON, May 7.—(AP)—An amateur capital awoke today to find the red flag of communism flying over the huge marble temple of the Supreme Court.

Apparently raised in the night by a prankster, the emblem struck consternation into the ranks of the Supreme Court guard, picked men assigned to the duty to protect the dignity of the nation's highest tribunal. Frantically, the guards and police struggled for an hour and a half without success to get the flaming emblem down. Finally firemen mounted an extension ladder and touched the flag with a gasoline torch tied to the end of a long pole. The flag was destroyed.

The government began a wide hunt for the prankster who raised the banner bearing a hammer and sickle.

## State Plant Board Can Fix Pest Zones

TALLAHASSEE, May 7.—(AP)—Authority of the state plant board to declare quarantine zones and inaugurate insect control work was upheld yesterday by the Supreme Court.

The decision gave the board the right to send its agents into property owned by Garland Richardson and others in Key West where an infestation of black fly on citrus trees was found some time ago.

Richardson and others refused to allow plant board agents to enter their property in carrying on a campaign of eradication against the fly. The board obtained an injunction preventing interference with its agents, and the Supreme Court affirmed it when Richardson appealed.

## Lake Wales Given Marker By D. A. R.

LAKE WALES, May 7.—As a part of a national movement, the Lake Wales Chapter of the Daughters of the American Revolution presented a town marker in the City of Lake Wales this morning. D. A. 'Big Money' Bill Now In House For Show Down Fight

\$2,364,294,000 Is Sum Asked Of Congress For Relief Works

WASHINGTON, May 7.—(AP)—A \$2,364,294,000 deficiency appropriations bill carrying \$1,425,000,000 for relief went to the House floor today for a show-down fight over WPA policies.

The big money was reported by the appropriations committee with \$75,000,000 of the \$1,500,000,000 originally asked by President Roosevelt for continuing work relief activities shifted to the Civilian Conservation Corps. This made \$308,000,000 the total for that agency. The fund was designed to keep up the authorized strength of the corps to 350,000 and provide an average of 2,000 camps in the nine month period until the end of March next year.

Relief money allowed by the committee is subject to maximum limitations on specified classes and expenditures, but with a 15 percent leeway permitted between classes.

Other major items in the last major item to be cleared before adjournment were \$458,000,000 for the social security program, \$65,850,000 for public buildings and \$39,900,000 for TVA. Highways, roads and streets will be 20 percent of the nearly billion and a half relief money, and public buildings 11 percent.

There also was no opposition for three who entered the races for Congress in the first, fourth and fifth districts, and for seven who qualified as candidates for the state's seven presidential electors. Democrats, on the other hand, had intra-party contests for nearly every office, ranging from 14 candidates for governor down to contests for nomination as candidates for presidential electors.

## Another Pal Of Karpis Taken By Federal Agents

CLEVELAND, May 7.—(AP)—Harry Campbell, 36, limping crony of Alvin Karpis, erstwhile public enemy number one, and two others fell into a federal agents trap at Toledo at dawn today and was captured like his gangland leader a week ago in New Orleans without firing a shot.

His capture was personally made by J. Edgar Hoover and a squad of bureau of investigation agents. Hoover flew here after the capture and said Campbell is already on his way to St. Paul to face kidnaping charges in the Edward Bremer abduction case. Taken with Campbell, said Hoover, was a 19-year-old girl who claimed to be Campbell's wife.

In a simultaneous raid on another apartment, federal agents apprehended Sam Coker, described by Hoover as a minor figure in the declassified Karpis gang.

After posting men about the apartment building in the night, Hoover and his squad rushed Campbell as he and the girl came out, presumably leaving Toledo.

## Florida Kidnaper Is Sentenced To Pen

PENSACOLA, May 7.—(AP)—Federal Judge A. V. Long sentenced Homer Parker to serve 30 years in prison on his plea of guilty to a charge of kidnaping Fred Watkins, Marianna taxi driver, on Apr. 24.

Mildred Pate, companion of Parker, also pleaded guilty and was sentenced to a five-year term.
