U. S. Navy Recovers Hydrogen Bomb From Spanish Waters

PALOMARES, Spain (UPI -The U. S. Navy recovered a 1.1-megaton hydrogen bomb today from the sea waters 2,-500 feet deep, ending a threemonth search which provided propaganda ammunition for foes of the United States. A U. S. Embassy announcement said the bomb was brought to the surface near this south Spanish coastal town and hoisted aboard a waiting ship.

The bomb was undamaged. Further details will be made public tomomrrow. The bomb was one of four scattered over a wide area Jan. 17 when a B52 bomber crashed after colliding with a KC135 tanker over southern

were recovered on land. Thousands of U. S. servicemen, a dozen naval vessels and three midget submarines took part in the massive search and recovery operation. Their task included the collection of tons of earth slightly contaminated with said the move should

wheel that glides along the series of broken lines on the material and because it doesn't tear the patterns, it makes them reusable.

A grooming aid the size of a cigarette package is handy for the traveler. It whisks away dirt, dust and lint as well as non-staining foods. Comes ready to use with plastic applicator, three handy refills and a plastic carrying case.

-----TIME SAVER

How much time is saved by roasting fresh pork loins to the newly recommended 170 degrees Farenheit as compared to the older accepted time of 185 degrees Farenheit? When roasted at 325 degrees Farenheit, the pork loins require five to six minutes a pound less for cooking time. Since the average pork loin roast weighs five to six pounds, this means a saving

of 30 to 35 minutes

GENERAL TENDENCIES: You find you can be very direct in stating your viewpoints to others but they go over much better if you do add a little kindness and gentleness instead of being overly blunt and outspoken. Get in touch with those at a distance and let them know just how they can be helpful to you in the days ahead. Aid them, too. ARIES (Mar. 21 to Apr. 19) If you are more broad minded, you are able to attract a more worthwhile group of individuals and influences around you for the days ahead. Find right road for expansion. Development can come quite

TAURUS (Apr. 20 to May 20) A more direct approach is necessary if you are to show mate that you are truly devoted. Be sure that you get your bills paid on time and increase good will, Evening can be romantically happy after completing work.

GEMINI (May 21 to June 21) Straight-talking associates will tell you today what is in their mind for expansion in the near future, so be sure to listen. Being cooperative brings about finer contracts. Show that you are enthusias-

MOON CHILDREN (June 22 to July 21) Get right to work early and prove to others that you are a most efficient and cheerful worker, even tho you may be under pressure of some sort. Realize your ambitions by applying yourself seriously, Act!

LEO (July 22 to Aug. 21) If living according to astrological rule, you should feel fine today and though emergencies should arise, you can turn such to your advantage. Get into new types of amusement that are beneficial for you. Be happy.

VIRGO (Aug. 22 to Sept. 22) Find a better way to make those who dwell with you far happier in days ahead. Buy little gifts, do whatever will ness, help them to be more cheerful. Establish policy that

LIBRA (Sept. 23 to Oct. 22) You know exactly how to produce more in your own par-ticular line of endeavor, so get right to work installing new systems, etc. Visit with closest allies. P.M. work on hobbies produces fine results, also.

SCORPIO (Oct. 23 to Nov. 21) Keep active at whatever will assist you to increase abundance appreciably. You have many obligations to dis- & thoread. charge efficiently, also. Fine expert in business gives you the suggestions that are helpful.

SAGITTARIUS (Nov. 22 to Dec. 21) Doing those things you most like to do is easy now, but don't neglect to take the treatments that make you

CAPRICORN (Dec. 22 to and get it done quickly and efficiently, then plan what to do in the near future. Assist one who depends on you. This person is very deserving. AQUARIUS (Jan. 21 to Feb. 19) You are very gre-garious-minded today, so get

out and be with as many con-genials as you like and have a wonderful time. Go after personal aims in a positive, pleasant fashion. Get results

in jig time. PISCES (Feb. 20 to Mar. 20) Your finest benefits come from the world of activity today, so be sure to early contact big-wigs and gain their favor. Many situations develop. These become your stepladder to improve success, prestige.

IF YOUR CHILD IS BORN TODAY . . . he, or she, will be one of those fascinating young persons whose interests are 4.7 varied and numerous, so don't make the mistake of keeping your progeny tled to your pajama cord, either physically or mentally, otherwise much of the great potential here can be lost. Be sure that foreign languages are added to the educational curriculum since work in life could very well deal in foreign currencies, be in foreign lands. "The Stars impel, they do not compel." What you make of your life is largely up to
