

## Oviedo News

**By MARIAN B. JONES**  
Ladies' Night was held Monday at the Oviedo Masonic Lodge No. 845.

As the worshipful master pointed out, it was not the night for Masons, Eastern Stars, or any special organization of that kind. It was Ladies' Night, dedicated to those ladies who have helped their husbands—or men folk—with their Masonic work in any way during the year. Wives, widows, and orphans were all special guests Monday evening.

Members and visitors from Orlando, Sanford, Winter Park, Geneva, Chuluota, Oviedo, Goldenrod, Maitland and Mt. Dora enjoyed the fellowship and get-together before and following the delicious supper.

Roswell Noegel was chairman of the planning committee. Assistants were: Mr. and Mrs. Roy Alford, Mrs. E. M. Olliff, Mrs. Elsie Fleming, Mrs. Ben G. Wainwright, Miss Peggy Fleming, Emmett Kelsey, J. B. Jones, O. T. Kennaird, Ralph and Dick Ingerman.

Some of the young ladies of the community, attired in lovely evening dresses, served the many guests. These included Carol and Gladys Alford, Bessie and Julie Fleming, Carol Parker, Nancy Estes, Julie Gore, and Pat Jackson.

Following the supper, Bob Cameron introduced some of the officers of the local lodge, welcomed everyone and praised the ladies, stand and identify herself. Visitors and members present included Mr. and Mrs. Charlie West and family, Lester, Corinne and Betty West, Mr. and Mrs. Elmer Kost and family, Fred Allen, Dennis and Carl Kost, Theodore Vickery, Theodore L. Bennett, Sr., Mr. and Mrs. Christopher H. Scott, C. R. Tanner, Mrs. M. M. Tanner, H. L. Ingerman and fiance.

Bill and Dick Ingerman, K. R. Allen, Leslie Mason, Mrs. Lois Allen, Mr. and Mrs. A. G. Allen and family, Larry Allen and A. G. Allen, Jr., Sue Jane Harrell, Mr. and Mrs. William H. Clark, Mr. and Mrs. Roswell Noegel, Shirley Ramsay, Robert M. Stalennita, Mr.

and Mrs. Floyd Land; of Orlando, Mr. and Mrs. Joseph Warren, Goldenrod, B. H. Stoniger and Dale Stoniger, Maitland and Winter Park respectively, Bob Williams, Osteen, Mose Taylor, Mr. and Mrs. J. T. McLain, Mrs. Lois Brademeyer, Mr. and Mrs. O. T. Kennaird and J. L. Thomas, Geneva, Mr. and Mrs. Hilton Brown, Sanford, Ann Lastinger, Mt. Dora, Mr. and Mrs. Alvin W. Thurman, Winter Park, E. Westing, Mrs. Hazel Westing, Chuluota, Mr. and Mrs. R. B. Shuts and Mr. and Mrs. J. L. Hostetter, also Chuluota; Mr. and Mrs. Bob Cameron.

Mr. and Mrs. Roy Alford, Mr. and Mrs. D. H. Jackson, Mr. and Mrs. Ben G. Wainwright, Mr. and Mrs. J. B. Jones, Mr. and Mrs. Joseph Linnhart, Mr. and Mrs. L. V. Hart, Mr. and Mrs. J. I. Malcolm, Miss Shirley Malcolm, Mr. and Mrs. T. R. Pipkin, Miss Ginger Pipkin, Mr. and Mrs. Charles T. Niblack, Mr. and Mrs. F. W. Talbot.

Mr. and Mrs. T. L. Lingo, Jr., the Reverend and Mrs. Jack T. Bryant, the Reverend George H. Carlton, Mrs. Elsie Fleming, Misses Peggy, Junie and Bessie Fleming, Mrs. Pauline West, Mrs. Mary J. Young, William B. Shuts, Mrs. Dora Kelsey, Emmett Kelsey, and Misses Pat Jackson, Julie Gore, Carol and Gladys Alford, Bessie and Julie Fleming, Nancy Estes and Carol Parker.

### He plans Wedding, It's News To Her

ZARAGOZA, Spain (UPI)—Film star George Sanders today reaffirmed his intention to marry Hellen Hume, widow of Ronald Colman, and said the wedding would take place in six months time.

"We plan to marry in six months," Sanders said. "We have discussed it and that is what we plan to do."

The marriage plans were announced here by officials of a company filming "Solomon and Sheba," on which Sanders is working.

But reports from Switzerland, where Miss Hume is presently staying, said she had denied that Sanders had proposed. Sanders evaded the issue of an actual proposal, but reiterated that "we have discussed it (marriage)."

The 52-year-old actor—formerly married to Zsa Zsa Gabor—added that he hoped to see Miss Hume soon.

**NEW BUICK**—Sleek and low describes Buick's new styling for 1959. This is the luxurious two-door Electra hardtop, which measures less than 55 inches in height, yet retains approximately the same headroom as last year's Buick. Delta-wing rear fender styling and "angled" twin headlights give Buick a light, jaunty look. New Buicks will be on display tomorrow at Willis Pontiac-Buick, First Street, Sanford.

## Pre-Season Citrus Buying Is Heavy

**By ROBERT S. McNEILL**  
United Press International  
LAKELAND (UPI)—Florida Citrus Mutual said today 80 per cent of the 1958-59 Florida citrus crop may be committed by Nov. 1, mostly the result of heavy pre-season buying at prices about double the normal.

Robert W. Rutledge, Mutual general manager, told Mutual's board of directors that 75 to 80 per cent of the crop should be committed to markets by Oct. 1 or Nov. 1.

He said advanced buying started with "the bloom four months ago — the earliest pre-season buying we can recall."

Assistant General Manager Herman Steele said prices paid in advanced purchases this summer were from 30 to 60 per cent higher than last year.

He said pre-season purchases this year were boosted by unofficial crop estimates of only 75 and 80 million boxes of oranges.

The directors, holding their first meeting of the new season, also adopted a budget for 1958-59 totaling \$470,000. Last year's budget was \$480,000, but because of the winter's killing freezes, only \$461,000 was actually spent.

Mutual also approved a "program for progress" for the new season, pledging to keep Mutual members "the best informed agricultural producers in the world." The program said Mutual "will constantly evaluate its supply and demand factors and report on them frequently."

The big cooperative also promised it will supply its 8,041 members with "price guide information." This would inform them of what prices they should expect for their products under existing supply and demand balances.

Other Mutual information channels to members such as northern market information and the daily market bulletin will be continued, Rutledge said in contracts made during the summer. Duncan grapefruit brought \$1.00 per box on the tree, Marsh grapefruit \$1.25 to \$1.50 and early mid-season oranges \$2.00 to \$2.50, valencias \$2.50 to \$3.25 and tangerines \$2.00.

Rutledge also reported that the industry is in a favorable position regarding its inventory of processed products. He said the inventory of single strength juice products is now 25 per cent less than at the same time last year and that the industry has on hand now seven million gallons less frozen orange concentrate than it had at the same time last year.

General Manager Homer Hooks of the Florida Citrus Commission suggested to the board of directors that Mutual's legislative committee meet with the commission's legislative committee Oct. 14 to seek concurrence on a 1959 legislative program approved by the commission Tuesday.

"Be alert. One of the suspects you are handling may want to kill you."

"You are members of the best police force in the world. In spite of manpower shortages we can do a good job by giving our best effort at all times."

"Inspect your equipment before each tour of duty."

## News Of Men In Service

SAN DIEGO, Calif. (PHINC)—James W. Wallace, seaman, USN, son of Mr. and Mrs. P. H. McWilliams, 107 County Club circle, Sanford, Fla., aboard the tank landing ship USS Floyd County, participated in an amphibious training exercise (Phibex-2) in the San Diego-Camp Pendleton, Calif., area during Sept. 2-14.

The exercise involved an Amphibious Squadron, a Naval Firing Unit composed of destroyers, and a Marine Brigade size landing force supported by Naval and Marine Aviation.

Canadian Mine Craft operated with U. S. Naval Mine Craft in support of the Marine assault. A battalion landing team, landing in conjunction with waterborne troops, was lifted by Marine helicopters from the aircraft carrier USS Keatinge.

A gunnery exercise was held at Pyramid Cove, San Clemente Island, followed by a rehearsal landing on the Silver Strand, Coronado, Calif. The main assault landing took place in the Camp Pendleton area, against Camp Pendleton Marine aggressor force.

## Officers Getting Commercial, Too

NEW ORLEANS (UPI)—New Orleans police officers are getting records of duty "commercial" with their regular radio messages these days.

Sandwiched between the normal police calls, these messages crackle through their radio receivers.

"Be alert. One of the suspects you are handling may want to kill you."

"You are members of the best police force in the world. In spite of manpower shortages we can do a good job by giving our best effort at all times."

"Inspect your equipment before each tour of duty."

## DeBary News

**By Mrs. Adam Muller**  
The DeBary Women's Club featured a "then and now" fashion show at the Civic Center, Wednesday at 1 P. M. Gibbs of DeLand prepared an exciting array of street, afternoon, cocktail and evening clothes besides fashions for children. These were shown during the fashion revue. Mrs. Myron Accardi was the chairman.

Mr. and Mrs. Ralph W. Porter of Sunset Dr. have returned from their summer home in Sanzaville, New Hampshire.

Mr. and Mrs. Ray Peck, and Mr. and Mrs. Herman Lederhaus celebrated, Ray and Hermans birthdays at the Sky Line Restaurant, in Orlando, Saturday.

A breakfast beach party was held Sunday morning at Daytona Beach. Among the guests present were, Mr. and Mrs. Howard E. Rice and their house guest from Fort Thomas, Ky., Mr. and Mrs. O. Zimmerman, and Mr. and Mrs. Ray Peck.

Ground Observer Corps of DeBary to report at G. O. C. Post, Community Center, Shell Rd. for duty Thursday September 18th, from 8 a. m. to 4 p. m. Operation order 354 training exercise. All observation posts in Miami Air Defense filter center area of reporting will take part in so far as possible and will try to man their posts as many hours as needed. Joseph Santillo, supervisor, DeBary.

The Community Methodist Church of DeBary opened its doors for the first service Sunday. The new building was dedicated by Bishop John W. Brantcomb, D. D. Guest speakers were the Rev. Jessie D. Waller, Orlando and the Rev. Bascom Carlton, Enterprise. 300 members and guests attended dedication ceremonies.

Walter Kimball was featured

Sunday afternoon at the First Presbyterian Church of DeBary. Selections by leading composers were presented by the well known Central Florida organist.

Three candidates spoke to the DeBary Republican Club at a recent rally in the Civic Center. Mrs. E. R. Darling, Ralph R. Clayton and William Coleman were introduced by president Albert D. Williams.

A musical program was presented, featuring Mrs. Louis St. Amand, Mrs. Teresa Kuper and Frank Woodruff. Republican Primary Day has been set for Sept. 30.

## Ambassador Hits Red China Debate

UNITED NATIONS, N.Y. (UPI)—Nationalist China said today a General Assembly debate on the Red Chinese would "upset the moral foundations" of the United Nations because the Communist regime "has not been accepted" by the Chinese people.

Tingfu F. Tsiang, ambassador for Chiang Kai-shek's Formosa government, told the assembly's General Committee that the Communist regime had liquidated at least 20 million Chinese and clapped another five million in prisons and concentration camps.

"Can anybody suppose the Chinese people would like to have the Communists represent them in the U.N.?" Tsiang asked.

"Domestically, this regime is accepted by the Chinese people. It cannot represent anyone in an international body. It has been branded by the U.N. as an aggressor. It is not peace-loving."

Would Upset U.N.

A debate on the possibility of allowing this regime to take the seat of China in the U.N. would upset the moral foundations of the U.N.

Tsiang supported a motion by U.S. Ambassador Henry Cabot Lodge that the committee decide "not to consider at its 12th regular session any proposals to exclude the representatives of the Republic of China."

Lodge pointed out that similar procedure had been followed in 1951, 1954 and 1957. U.S. spokesmen predicted the assembly would approve it handsily again this year.

British Ambassador Sir Peterson Dixon said his delegation would vote for the American motion because the representation question "affects the very structure of our organization and since feelings on it are so strong."

## Living Costs Take Slight Dip; First Time In 2 Years

WASHINGTON (UPI)—The cost of living dipped two-tenths of one per cent last month, the August drop was the first in two years.

The Labor Department's monthly report said seasonal declines in food prices and small declines in clothing costs outweighed price rises for other basic family goods and services.

The consumer price index, based on the 1947-49 price average, slipped from 123.9 in July to 123.7 in August. Though lower than July's August figure was 2.2 per cent higher than a year ago.

Ewan Clague, commissioner of labor statistics, said the August dip did not herald any continuing drop in living costs. He emphasized that it reflected heavy seasonally marketing of meats, fruits, and vegetables.

No Downward Trend

"This is no downward trend," Clague said. "The index is now tending to stabilize."

Clague said food prices probably would decline somewhat further this month and then level off.

Clothing costs slipped one-tenth of one per cent, reflecting widespread reductions for men's and boys' sports shirts, men's socks, slacks, shorts, and suits, and women's nylon hose.

Used Cars, Gas Rise

Transportation costs rose six-tenths of one per cent, mainly because of increased prices for used cars and gasoline. Tire prices and auto insurance rates made small advances. Prices of new cars and the cost of auto repairs slipped somewhat.

## 3 Candidates File In City Election; One Changes Mind

Three candidates yesterday filed qualifying papers with the Sanford City Clerk for the City Commission race, but one withdrew his name early this afternoon.

Elmer J. Still, a retired Navy officer, yesterday qualified for the election. After "considering the matter," however, Still today withdrew his name.

The first to qualify for the seat now held by David Gatchel, recently elected to the County Commission, was David Mathes, a music teacher and employee of the Coca-Cola Bottling Co.

Also qualifying was Troy Glenn Richardson, Sanford produce merchant.

The qualifying deadline for the Nov. 4 election is Oct. 18. The voter registration deadline is Oct. 21. To be eligible to register, a voter must have resided in the city for six months, the state for one year.

## Male Chorus Sets Rehearsal Monday

The Sanford Male Chorus will hold its regular Monday night rehearsal in the Civic Center. Tenors will meet at 7:30 in the Annex.

"The group is rapidly developing into a well-balanced organization and is scheduled for several appearances in the near future," Chorus Director Harry H. Weir said.

"We will continue to welcome all men who enjoy singing; the more the merrier. Our only stipulation is that he stay on pitch; his ability to read music doesn't matter," he concluded.

## Local Golfer Gets Ace In Gainesville

Bob Willis, superintendent of the Mayfair Country Club, made a hole-in-one yesterday during the sixth annual Florida Turf Grass Tournament at the Gainesville Country Club.

Willis used a four iron for the 153-yard ace.

Members of his foursome were Lloyd Clifton, superintendent of Plo Pinar, Orlando; Andy Cusick, superintendent of the Winter Park Country Club; and Marvin Evans, Jacksonville Beach.

CAMERA JUST TOO MUCH — Despite her soldierly headgear, girl's picture taken was too much for this little Chinese girl's courage and tears were the result. The tot is decked out in her gear as a measure of protection against Communist Chinese shelling of the island of Quemoy. More supplies for the besieged island were unloaded after two Nationalist vessels successfully ran the Red blockade with a U. S. escort. (UPI Telephoto)

## Quemoy Not Yalu River, Red Chinese 'Fair Game'

WASHINGTON (UPI)—The Defense department has told U. S. pilots any Red Chinese planes attacking the city of Quemoy are fair game to be chased back over the China mainland.

The new policy contrasts with orders given American fliers during the Korean War. Then a ban was put on "hot pursuit" of Communist planes into the "privileged sanctuary" beyond the Yalu River separating North Korea from Red China.

However, a Pentagon spokesman said U.S. forces in the Far East have not been authorized to bomb Chinese mainland bases.

The spokesman commented in response to repeated questions about dispatches from Taipei, Formosa, quoting an American information officer as saying "U.S. planes might just follow any attacking MiGs to mainland China and bomb those bases."

The Taipei source was U.S. Marine Maj. R. G. Martin, described as a spokesman for the U.S. Taiwan Defense Command. Martin also said U.S. planes flying cover for Nationalist supply convoys were under orders to "shoot to kill" if attacked by Red planes.

The Defense Department here said American forces have "no authorization to bomb mainland bases" and Martin had not been authorized by Washington to say otherwise.

Defense Secretary Neil H. McElroy has described similar statements by U.S. officers as unfortunate "noise rattling." But there was no sign here that he had officially told Pacific commanders to tone down their public utterances.

## United Fund Sets Meeting Monday

An organizational meeting of the United Fund Campaign has been set for 7:30 p.m. Monday at the Florida State Bank.

Representatives from participating agencies will be present to discuss their needs. Division chairman, appointed by Howard McNulty, campaign chairman, will also attend the meeting.

A goal of \$36,000 has been set for the campaign, which begins Oct. 1. "Endorse by Giving" has been chosen as a campaign slogan.

## First American Casualty Reported

TAIPEI, Formosa (UPI)—The first American casualty of the Red Chinese bombardment of Quemoy was flown to Formosa today aboard a Nationalist transport plane through a hail of Communist artillery shells.

He was Army Sgt. 4 George W. Johnston of 1117 Highstone St., Springdale, Pa., who arrived from the shell-battered island aboard a World War II two-engine C-47. Eight seriously wounded Chinese soldiers also were aboard.

Johnston, who was hit by a shell fragment during a Communist bombardment, walked off the plane with his left arm in a bloody sling.

## Reds Would Stop Firing If Given Quemoy, Matsu

### Lunch Supervisors Get Instructions On Civil Defense

Members of the Seminole County School Food Service Association held their September meeting at Geneva School Wednesday night.

Mrs. Mary Nichols, principal, and Mrs. Vivienne Anders, school lunch manager, were hostesses to the group.

Mrs. Onne Rockett, presided over the business session which included a discussion of the Civil Defense program.

Mrs. Charlotte Whitmore, County school lunch director, reported that the Red Cross Civil Defense course in emergency mass feeding, which had been requested by the group, would begin on Oct. 8 at South Side School. The class is jointly sponsored by the local Red Cross, and Civil Defense units.

Purpose of this course is to give school lunch personnel a full appreciation of the importance of feeding in emergencies and the fundamental principles and problems of emergency feeding. The course will include practical exercises for developing techniques and skills needed in various disaster feeding operations.

The guest speaker was Roger Harris, Seminole County school auditor, who discussed last year's school lunch program. Harris commended the group for satisfactory records maintained for the past school year.

Seven members of an association will participate in an extension course for school lunch personnel, which will begin in Orlando on Oct. 18.

The following members attended Mrs. Rockett, Mrs. Ruby Calder, Mrs. Florence Olgier, Mrs. Alma Robinson, Mrs. Margaret Egan, Mrs. Ruby Lane, Mrs. Clara Debel, Mrs. Lucia Feder, Mrs. Elizabeth Alfred, Mrs. V. G. Hasty, Mrs. Dorothy Griffith, Mrs. Flora Middleton, Mrs. Marjorie Bryant, Mrs. Ruby Davis, Mrs. Elba Lee and Mrs. Will Moore.

EDDIE AND EIGHTBALL — Singer Eddie Fisher smiles broadly as he holds an eight-ball symbol of the Greater Los Angeles Press Club, after the "trough" was presented to him following his appearance at the club. It was Eddie's first appearance since his recent separation from actress-wife Debbie Reynolds.

### 500 Elks Expected For Meeting Here

About 500 reservations have been received in Sanford for the annual fall conference of the Florida State Elks Association Saturday and Sunday. More than 500 are expected to attend the meeting.

Registration will begin Saturday afternoon at the Elks Club. Mr. and Mrs. Harold Koster will host a dance Saturday night. Entertainment will be Bob Billheimer and his "Hula Hoop."

Local Elks will serve a free breakfast Sunday at 7:30 a. m. Registration starts in the Civic Center for the business meeting at 8 a. m.

On display in the Elks Club is a "Bararama," an animated exhibit showing some of the treatment given children at the Harry Anna Crippled Children's Home in Umatilla. The exhibit will be shown to the public next week in state windows of Sanford merchants.

Don Bates in charge of arrangements for the conference.

### Rotary Program

A novelty program will be presented Monday noon at the Civic Center for the Sanford Rotary Club.

Miss Barbara Albright, Boone High School, will do several pantomime numbers. A group of cordoned automobiles will be presented by Mrs. Arden Altard, Bishop Moore High School.

### Local Group Gets Tarpon, Sea Bass

Using a surf outfit and out motor for bait, Homer Steffer of Sanford last night caught a 63 pound tarpon in the waters below the coast guard station at New Smyrna Beach.

The huge fish was brought home and fed to the alligators at the Sanford Zoo. Tarpon is an inedible game fish.

Steven Ferguson, a member of the fishing party, kept the pan full when he reeled in a 36-pound sea bass. N. A. Harkey and John Merrick completed the group which reported excellent fishing and good poundage in recent catches of sea bass.

### 3 Schools Closed

Three Virginia schools were officially closed today under the anti-integration edict of Gov. J. Lindsay Almond, and one group of parents agreed on a policy of firm patience in the education crisis.

The governor Thursday assumed "all power and control" over a high school and an elementary school in Charlottesville, laying the integration order of a federal court. This automatically invoked the state's school closing law.

The two schools, with a total enrollment of about 1,700, were to have opened on Monday.

## Diplomats Report Talks Deadlocked

LONDON (UPI)—Communist China has offered a cease fire in the Formosa Strait in return for immediate evacuation of the offshore islands of Quemoy and Matsu, informed diplomatic sources reported today.

The sources said the United States has told Communist China a cease fire must come first. In return, the diplomats said, the offshore islands might be neutralized.

This was held to imply the United States would try to persuade Generalissimo Chiang Kai-shek to cease using the island as a base for raids on the Communist Chinese mainland.

The diplomatic sources said these opposing stands were taken by the United States and Communist China respectively at the ambassadorial talks in Warsaw which opened earlier this week.

The source said neither side has budged so far from its stand but that further negotiations may show whether the Peiping regime is prepared to make some concessions to end the Formosa crisis.

In Washington American officials said today Secretary of State John Foster Dulles is laying the groundwork for what he considers an almost inevitable United Nations showdown on the continued warfare in the Formosa Strait.

The secretary, in effect, intends to demand members of the 11-nation world organization stand up and be counted on whether they oppose or condone the Chinese Communists' avowed intention to use force to take Quemoy and eventually Formosa.

Dulles was represented here as being "fed up" with some nations which are quick to invoke U.N. help when they are in danger but critical of the United States when it tries to invoke the same anti-aggression principles in behalf of areas in which they are less interested.

## Gov. Faubus Tells Plans For Change In School System

LITTLE ROCK, Ark. (UPI)—Gov. Orval E. Faubus stands in a Sept. 27 special integration election in Little Rock was plain today. He wants the people to vote to reopen four high schools segregated.

Faubus disclosed his attitude Thursday night in a television-radio speech.

He also urged the Little Rock School Board to lease the schools after the election to a private group that will open them with whites and Negroes separated.

"If there has been any change, it has been unconscious," he said. "Certainly I have become more aware of more issues and racial situations involved. I have learned from this controversy, at about any man who has been involved in a controversy of this nature."

He denied he was hoping secretly the voters will demand integration, to "get him off the hook."

"I have never shunned my responsibility as tried to get off the hook by subterfuge," he said. "A bona fide private school system appears to be the only answer to the government's order to integrate at any price."

This is how the plan is supposed to work.

After the special election, which he expects will integrate Little Rock, the schools can then be considered officially unsegregated.

Under an 1875 law, the school board can lease the buildings to a private group which can open them segregated.

A law which a special session of the Legislature passed three weeks ago makes it possible for the state to pay the tuition of the students.

## Four From County To Attend Meeting

The 55th annual convention of the Florida Savings and Loan League will be held Sept. 25-27 in Palm Beach. National leaders will speak to the group at convention headquarters, the Palm Beach Towers.

Representing the First Federal Savings and Loan Association of Seminole County will be Mr. and Mrs. George Tuohy and Mr. and Mrs. A. E. Shindler.

## County, State Licenses Due; Records Predicted

State and County beverage and occupational licenses for the year 1958-1959 are on sale at the County Tax Collector's office.

Notices have been mailed to all those who had licenses for the year 1957-1958. Approximately 1600 occupational licenses and 160 beverage licenses will be sold. John Galloway, tax collector, said, Galloway pointed out that under present law, holders of beverage licenses must present the license for the current year to obtain a new one. Also if they operate within city limits of any city they must obtain their city license and present same at his office before the State and County license can be issued.

New licenses must be obtained by Oct. 1. If for any reason a license is not renewed by that date, a new application has to be made to the Beverage Department, in addition a payment of a penalty.

Occupational licenses are due Oct. 1 and are required by all who practice a profession such as law, vet., doctors, certified public accountants, real estate brokers, architects, surveyors, engineers, etc.

Also occupational licenses are required of all operators or businesses such as garages, beauty shops, repair shops, barber shops, shoe shine stands, wood yards, liquor stores, wholesale dealers, hotels, motels, motor courts, trailer parks, manufacturing, processing, printing, packing houses, restaurants and cafes, contracting in any of its branches, etc. In addition a license is required for each and every coin operated machine of any description.

Galloway further stated that any one operating a place of business for a profit and permits dancing must obtain a license regardless of whether any charge is made for dancing.

Galloway said it is a misdemeanor to practice a profession of any kind, or to operate any business or coin-operated machines without proper license.

## Ronald Perry Gets Board Assignment

Ronald Perry, Sanford recreation director, has been appointed to the Board of Managers of the Florida Association of the Amateur Athletic Union.

Perry attended a two-day convention of the State AAU in Leesburg as a delegate for the Seminole Swim Association, city recreation department swimming group.

As a board member, Perry will assist in handling sports and public relations for better amateur athletics. Although swimming and diving constitute a major section of the state group, the association also guides sports such as boxing, field and track, weight lifting and skin diving.

There are 120 active organizations and recreation departments in the Florida Association.

Perry will attend a convention of the National Recreation Association in Atlantic City, N. J. Theme of the conference will be "Recreation in the Space Age". Perry will be gone two weeks. During his absence business for the Youth Wing of the Civic Center will be handled by the City Manager's office.

## County Farmers Eligible For Gasoline Tax Refund

Many farmers and others in the agricultural field are entitled to a gas tax refund on gasoline used on the farm for farming purposes.

The term "farm" includes stock, dairy, poultry, bees, fruit, fur-bearing animals, truck farms, plantations, ranches, nurseries, greenhouses and other similar structures used primarily for the raising of agricultural or horticultural commodities, Cecil Tucker, County Agent, said.

Any operation falling into one of these categories is eligible for the seven-cent per gallon gasoline tax refund. Actually there are two refunds—a three-cent per gallon Federal tax refund and a four-cent per gallon state tax refund. These must be applied for separately by the owner, tenant or operator of the farm.

The federal tax refund of three cents per gallon can be applied for by submitting the Form 2250 at the end of the fiscal year, Sept. 30. The period covered would be for gasoline purchased and used for farming purposes between June 30, 1957, and July 1, 1958.

The State of Florida provides a refund of four cents a gallon to both farmers and commercial fishermen for the tax on the gas they use for agricultural or commercial fishing purposes. Unlike the case of the federal gas tax refund, a person may not apply for a refund of state gasoline tax unless he has a refund permit issued by the comptroller prior to the date of the purchase of such gasoline. (A book of invoices is issued with the state permit in which farmers keep signed records of gasoline purchases. At the end of the calendar year, the farmer files a refund claim in the comptroller's office on the number of gallons itemized on his invoices. Farmers who do not have state gasoline tax refund permits should apply for one immediately.)

Forms for both the federal refund and application for state tax refund permit are available at the County Agricultural Agent's Office, Courthouse, Sanford.

## Snark Roars Off From Canaveral; Mission Unknown

CAPE CANAVERAL, Fla. (UPI)—An air-breathing, intercontinental Snark missile roared off in the pre-dawn darkness today on a 6,000-mile flight to the South Atlantic.

The Air Force declined to disclose the mission of the swept-wing weapon, which flies much lower and slower than a ballistic missile. But it presumably was to drop its nose cone, designed to carry a hydrogen warhead, on a target area in the ocean between Brazil and Africa.

The Snark blasted off at a steep angle at 3:35 a.m. and continued on rampet power down the Atlantic tracking range after dropping its two booster engines. More than 80 Snarks have been fired and military crews have been in charge of recent launchings.

All Church Notices must be presented at The Herald office by 10 a.m. on the day before publication.

A cordial invitation is extended to all.

## Religious Statistics: Faith Or Fad?

By LOUIS CASSELS  
United Press International  
Religion is enjoying unprecedented popularity in America. But what kind of religion?  
That question haunts many thoughtful clergymen. They would like to rejoice in the statistics that show church membership, Sunday School enrollment and Bible sales at an all-time high. But they keep wondering how much is faith, and how much is fad.  
This week a distinguished Protestant journal, The Christian Century, brought the question into the open — and offered an answer that will shock a lot of churchmen.  
What America is experiencing, the Century said, is not so much a "revival" of traditional religion as the emergence of a new religion.  
Minuties Beliefs  
This new "national faith" is a vague, watered-down version of Protestant Christianity. It minimizes the importance of particular religious beliefs, but places great sentimental value on "religion-in-general." Its creed is summed up in the popular cliché: "The only thing that matters is that you have faith in God."  
The Century went on to say that "Faith in God," as defined by popular religion today, is essentially a "chummy relationship" with a Deity who is thought of as a sort of indulgent grandfather in heaven.  
The classic Christian view, it said, was well expressed in the famous statement of John Calvin: "We are not our own; therefore let us, as far as possible, forget ourselves and all things that are ours. We are God's; to Him, therefore, let us live and die... Let His wisdom and will preside in all our actions."  
Church Must Resist  
"The religious goal is outlined in different terms today," the Century commented. "God is now offered in packaged, post-Calvinist, high-marketable forms. He is expected to baptize what is 'expedient' for man, to concur with man's reason and will."  
The Century said it is past time for churches to repent their long "acquiescence" in the "erosion" of America's Christian faith.  
Protestants must decide, it concluded, whether they really believe that "God can be packaged" and made "subject to man's manipulations."  
If the answer is no, they must part company with popular religion and inject into the current "revival" the firm, clear tones of "prophetic witness to the sovereignty of God."

## Teamsters' Probe Now Closed Book; Misconduct Cited

WASHINGTON (UPI) — The Senate Rackets Committee prepared to close the books today on what one member called "a great record of misconduct" in the Teamsters Union.  
The committee wound up seven weeks of hearings late Thursday but left its record open for a closing statement by Chairman John L. McClellan (D-Ark.) Summing up the Teamsters investigation, McClellan said he would make it public later today or Saturday.  
The committee devoted a large part of its final session to a long involved examination of what chief counsel Robert F. Kennedy described as "fraud, collusion and favoritism" in millions of dollars worth of Teamsters insurance business.  
Went To Friend  
It purported to show Teamsters president James R. Hoffa channeling the lucrative account of the Central State Teamsters Conference through his friend, Allen Dorfman of Chicago, who shared in about \$1,400,000 worth of commissions over seven years.  
This, according to staff investigators, was about a million dollars more than the average commission rate.  
In addition, they said the Union Casualty Co. which got the insurance was not the low bidder. They said it collected some \$50,000 more than the other bidder would have got in the first three years the policy was in effect.

PHILIP BYRD  
Philip Allen Byrd, son of Mr. and Mrs. Harry J. Byrd Sr. has joined the Marine Corp.

## Philip Allen Byrd Becomes Marine

Byrd will leave soon for Parris Island, S. C. where he will receive his basic training. He is the grandson of Mr. and Mrs. Philip Allen, also of Sanford.  
Byrd graduated from Seminole High School in 1957, where he served as student body president. He was a member of the elite club double quartet for four years, and an active part of the football squad. He is a recipient of the Junior Jaycee Award.  
As a student at Southern Union College last year, Byrd won a football trophy for fine play and sportsmanship. He is presently employed by Smitty's Snapping Turtle.

## Women's Day' Set At Local Church

A "Women's Day" celebration will be held Oct. 12 at St. James A. M. E. Church. With the crown of "Miss St. James" at stake, Captains, chairmen and boards are working toward a successful program that will find one of them the winner.  
A "chick-a-cue" has been planned by Club No. 1, on Saturday at the home of Mrs. Willie Brown Jr., 218 E. 7th St. Serving will begin at 2 p. m. The public is invited.  
A cordial invitation is issued to the public to attend "Women's Day," when the ladies will be in complete charge of the Sunday services.

## Volusia Constable To Be Investigated

TALLAHASSEE (UPI) — Gov. LeRoy Collins said today he had ordered an investigation of alleged irregularities by a Volusia County constable and indicated he would take official action after a hearing in the county.  
Collins said the complaint against J. T. Kintchen was investigated by State Atty. William W. Judge who said charges of neglect, extortion, warrants, failure to investigate by the governor's office and the attorney general.  
"I feel that further action on my part is imperative," Collins told his regular weekly news conference.  
The governor said he had instructed his staff to set up a meeting with Judge in the county for further investigation of the charges, and also to give the constable a chance to refute the allegations.  
"After the hearing is concluded and I receive the report and recommendations of the state attorney," Collins said, "I shall take such official action as the facts and discharge of my duties require."  
Both Kintchen and Peace Justice J. C. Beard were implicated in alleged irregularities by Judge's preliminary investigation.  
In a letter written to Collins this week, Judge said Richard W. Platt complained that the constable forced him to pay \$24 in "court costs" in addition to restitution for a bad check he sent to a Daytona Beach distributing company.  
Judge said the constable threatened Platt with five years in prison.  
The attorney said Platt grew suspicious of the charges and checked to see whether the court costs had been sent to the county. They had not.  
Judge asked for an executive investigation on grounds the practice employed in the Platt case "involves a flagrant abuse of the state's criminal process and is aggravated by a threatened unlawful imprisonment."  
Judge said he had received "numerous complaints" concerning the two men in the past.  
"I believe that a concentrated investigation of the procedures followed in the Eighth Justice District by the justice of the peace and by the constable would disclose many more similar transactions to that of the Platt case," Judge said.

## Joins Marines AWAITS TRANSFER

—Hugh I. Poff, signalman seaman of Osteen, now is at the U. S. Naval Receiving Station, Norfolk, Va., awaiting transfer to the USS John R. Pierce. He is the son of Mr. and Mrs. Willie D. Poff, Osteen.

## Nazarene Planning Special Services

Worshippers at the Church at the Nazarene this Sunday morning will witness the new traditional Alabaster Breaking Service. This is a semi-annual love-offering for world evangelism. This offering is not included in the regular church budget, but is included in the practice of tithing local church offerings through the general church headquarters, located in Kansas City, Mo.  
The Rev. R. H. Spear Jr., pastor, will use recorded accounts for the Alabaster Breaking Service as found in Matthew, Mark, and John; three of the gospel versions in the New Testament.  
Mrs. Raymond Sandifer, serving in her fourth year as president of the local church N. F. M. S. is in charge of arrangements, and joins Rev. Spear in inviting the public to attend this expression of Christian stewardship.

## Revival To Start

The Whitewind Evangelistic Party will hold a two-week revival at the church of God of Prophesy, 2500 South Elm Ave., beginning tonight at 7:45.  
The Rev. J. H. Messer, pastor, has issued an invitation to people of all faiths to attend the revival conducted by the renowned international evangelists.

# it's the most!

Electricity is the "big difference"... the most carefree, most convenient, most modern service you can choose for your home. It has revolutionized housekeeping... giving you new leisure, and dozens of exciting new ways to enjoy your home, your family, your friends. Compare and you'll agree—only electricity provides so much luxury for so little cost.

### BIGGEST BARGAIN IN YOUR BUDGET!

Electric lighting is not only better... it's more fun, too! Read a newspaper and 11:15 soon now with a sound, light and entertainment! Add to your home enjoyment... "See your dealer and Live Better... Electrically!"

## Nuptials Planned

Mr. and Mrs. R. H. Peterson announce the engagement of their daughter, Winifred Irene, to Ralph Smith Jr., son of Mr. and Mrs. Ralph Smith Sr.

## Local Events

### MONDAY

The Sanford Story League will meet at the Episcopal Parish House at 8 p. m.

### TUESDAY

The Henry Shelton Sanford Memorial Library and Museum cordially welcomes visitors from 9 a. m. until noon. Mrs. J. B. Ray is present librarian.

## Church Calendar

### FRIDAY

Cub Pack of the First Presbyterian Church will meet at 7:30 p. m.

### SATURDAY

Music Council of the Pinecrest Baptist Church will meet at the church at 8 p. m.

The G.A.'s of the Pinecrest Baptist Church will meet at the church at 2 p. m.

### SUNDAY

Youth choir of the Pinecrest Baptist Church will practice at 5:30 p. m.

Youth fellowship meets at 8:30 p. m. at the Pinecrest Baptist Church.

Training Union Executive meeting at the First Baptist Church at 8:30 p. m.

### MONDAY

The Joy Ruth Class of the First Baptist Church will meet at 8 p. m. at the home of Mrs. Doc Bennett, 404 Sanford Avenue.

Youth fellowship meets at 8:30 p. m. in the Pinecrest Baptist Church.

Sunday School preparation in the Pinecrest Baptist Church auditorium at 7:30 p. m.

Registration for the Celestial Choir (4 and 5 years) of the First Baptist Church from 10:30 to 11:15 a. m.; Cherub Choir (6, 7, and 8 years) from 4:30 to 5:15 p. m.

Associational Sunday School meeting of the First Baptist Church in Deland at the Tsetson Church at 9 a. m.

The Boy Scouts of the First Presbyterian Church will meet at 7 p. m.

### TUESDAY

The Unity Society meets at 8 p. m. in the Perkins Woodruff Building. The Rev. Josephine Sturkie is conducting a study course in Christian healing. Everyone is welcome.

Sunday School preparation in the auditorium of the Pinecrest Baptist Church at 7:30 p. m.

Brotherhood meeting of the men of the First Baptist Church at 7 p. m.

Cruiser choir of the First Baptist Church practices at 6:30 p. m.

Recreation for Intermediates of the First Baptist Church at 7 p. m.

Recreation for Junior boys at the First Methodist Church at 3:30 p. m.

The Choristers of the First Methodist Church will meet at 4:30 p. m.

The Pioneer Fellowship of the First Presbyterian Church will meet for supper and recreation in the Youth Building from 6 p. m. through 8 p. m.

The men of the First Presbyterian Church will hold their first meeting of the Fall season at 7 p. m. The officers of the Men of the Church of St. John's Presbytery will have an interesting program, with Mr. Harry Dooley of Deland, presiding.

### WEDNESDAY

Training Union supper and planning meeting at the First Baptist Church at 6 p. m.

Prayer meeting at the First Baptist Church at 7:30 p. m.

Sunday School Cabinet meeting at the First Baptist Church at 8:15 p. m.

The Commission on Education of the First Methodist Church meets in McKinley Hall at 7:30 p. m.

The Chapel Choir of the First Methodist Church will meet for practice at 3:30 p. m.

The Senior Choir of the First Methodist Church will meet for practice at 6:15 p. m.

The Senior High Choir of the First Presbyterian Church will meet for supper at 4 p. m., and will meet for rehearsal at 6:30 p. m.

The Senior High Fellowship of the First Presbyterian Church will meet for recreation at 7:30 p. m.

The Mid Week Bible hour of the First Presbyterian Church will be conducted by the pastor, Rev. A. G. McInnis, at 7:30 p. m.

The Chancel Choir of the First Presbyterian Church will meet for rehearsal at 7:30 p. m.

From the Samuel Winston fall collection designed by Foxkane is a semi-fitted navy and red checked dress of French wool, with three-quarter length sleeves and a rounded high neck.

Sunday Sept. 21 1st Service 10 A. M.

United Lutheran Church at Sanford Shrine Club

## Club Federation Plans Meeting

Regular monthly dinner meeting of the Business and Professional Women's Club was held September 17 at the Civic Center with Mrs. Betty Baker, president, presiding.

The club will, as in past years sponsor a dental clinic for underprivileged children. To finance this clinic the club will have a "Cooked Food Sale" Saturday, October 11, at French Avenue and 23rd Street. All members were asked to prepare their favorite dish or bake cakes.

The State Board Meeting will be held at the George Washington Hotel, West Palm Beach, October 17, 18, and 19. Betty Baker will make reservations.

Four new members were welcomed to the club: Mrs. Roberta Richards, Mrs. Ethel Williams, Mrs. Dorothy Yow and Mrs. Nelle Livingston.

The October business meeting will be held Tuesday, October 7 at Harriett's Beauty Shop.

## Quick, Spicy Dish Makes Supper Easy

Something different... something extra special is this meal of Tuna Rice Curry and Homemade Apple Chutney. You'll find it easy on your time and on your pocketbook because canned foods have held the line on prices. Fat is a good time to check your needs and stock up on canned goods. Your store has hundreds of items at good values ready for your selection.

**Tuna Rice Curry**  
2 can (7 or 8 oz) solid pack tuna in oil  
1 medium size onion  
1/2 bad garlic  
2 teaspoons curry powder  
1/2 teaspoon ginger  
1 can condensed cream of chicken soup  
3 cups hot cooked rice  
Dash oil from tuna into skillet. Add chopped onion and minced garlic. Cook until brown. Add seasonings and soup; mix well. Add tuna, broken into chunks, heat. Serve over rice. Four to six servings.

**Homemade Apple Chutney**  
1 cup brown sugar, firmly packed  
1/4 cup vinegar  
1/4 teaspoon salt  
1 can (1 lb. 1 oz.) apples  
1/2 cup raisins  
2 tablespoons finely chopped crystallized ginger  
Combine brown sugar, vinegar, salt and syrup drained from apples; boil 5 minutes stirring. Add rest of ingredients and cook slowly about 35 minutes until thickened, stirring occasionally. Chill. Use as a curry accompaniment or for relish. Makes about 2 1/2 cups.

## Woman Finds Unique Beanies Profitable

LOUISE VALLEY, N.Y. (UPI)—The beanie, "old hat" in the world of fashion, is building a successful new business for Mrs. Robert B. Smith.

All because the young matron thought up amusing ways to redo the small, brimless felts which are classics of headwear.

Now, children in all parts of the country are wearing beanies decorated with small, felt skulls and proclaiming "Hi, Stinky," besides with a red-tinted pink and the words "Cool, Man, Cool." See you later.

Mrs. Smith, whose husband is with a New York bank, got into the beanie business as a result of a doll shop she opened in this plush Long Island suburb.

"And I got into the doll business because I have three small girls," said the tall, brown-haired Mrs. Smith. "I always have sewed and I started designing doll clothes for the kids. Pretty soon, I was also sewing for the neighbors' children."

Three years ago she opened the "Little Women" shop. "This summer," she said, "I decided I needed some gimmick to perk up sales. My husband said, 'Why not do something with hats, everybody loves a hat.'"

Her first beanie featured a glue-on mouse and a big lettered "E.L.K.". But she dreamed up "about 40" different styles and with Mrs. Robert Dunne, a neighbor and "my right arm" in the doll shop they went in search of a manufacturer.

"We called on several prospects," said Mrs. Smith, "and were so scared someone would steal our ideas we would hardly open our box of samples until we'd already discussed royalties."

## Gals Love Bosses Who Don't Boss

ANN ARBOR, Mich. (UPI)—Two University of Michigan psychologists have come up with the conclusion that women office workers don't like to be told how to perform their jobs.

After a study of women employees and supervisors in the business office of a utility company, researchers Jay Jack and Howard Rosenfield said when the supervisors start mixing too much job-related talk in informal conversation, efficiency is lowered.

If a new female employee thinks there's too much job talk and too little social patter she'll be on getting ideas her work isn't up in par and in the case of a seasoned woman worker, she'll react with poorer work efforts, they said.

Jackson and Rosenfield said the actual intentions of the supervisors apparently had no effect on either motivation or performance.

They and guests, Mrs. Sylvia McNulty and Mrs. Lorraine Langford.

## Gals In VAH-11 Play Bridge

The Officers' Varsity Club met for bridge and coffee in the after burner of the HQ Tuesday morning.

Mrs. Bobbie Fernandez was high scorer, looking prize was awarded to Mrs. Wabeta Rame. Others attending were: Mrs. Fran Robertson, Mrs. Margaret Hendrick, Mrs. Phyllis Graham, Mrs. LaVerne Hamilton, Mrs. Winifred Morrissey, Mrs. Kay Downs, Mrs. Pat Trout, Mrs. Sophie Ru-

...

## Personals

Mr. and Mrs. J. E. Meeks, Winder, Ga., spent the weekend with their niece, Mrs. C. W. Brantley and family.

Friends of Mrs. Virginia Zachary, formerly of Sanford, will be interested to know that she is in the Orange City Convalescent and Nursing Home. She will be happy to receive visitors.

Mr. and Mrs. Donald McDonald Jr. and children are spending a week with her parents, Mr. and Mrs. Harry Cushing of Lech Arbor.

Mr. and Mrs. William Lettler are spending a few days at their home in New Smyrna Beach.

Al Stanley left yesterday for his second year at the University of Florida.

Mr. and Mrs. Brett Pearson are visiting Mr. and Mrs. Robert Browning at their home in the Park Avenue Trailer Court. Mrs. Pearson will be remembered as the former Sheila Browning.

The Pearsons have been in Miami where Mr. Pearson had the leading role in "Lil' Abner" which ran there for three weeks. After visiting in Sanford the couple will return to their home in New York. Mr. Pearson will appear on television and perhaps in a broad way play.

Mr. Pearson will sing at the 11 a. m. service at the First Methodist Church.

Attending the Pilot Club Convention in Clearwater this weekend are: Mrs. Lois Housholder, Mrs. Carolyn Carter, Mrs. Sue Stevenson, Mrs. Lucretia Ball, Mrs. Gladys Hall, Mrs. Janie Shoemaker, Mrs. Laurine Messenger, and Mrs. Dorothy Fouraker.

Mr. and Mrs. C. L. Redding have returned from taking their daughter Harriett Redding to Florida State University in Tallahassee. Harriett is residing at the Alpha Xi Delta sorority house. Mr. and Mrs. Redding spent several days visiting in Quincy.

Mrs. J. Ross Adams is at home after a recent stay in the Semole Memorial Hospital.

## Guitar Party

After a brief pause during the summer months David Wayne Mather, Sanford's only guitar teacher, will resume his monthly guitar parties. The first of these will take place Saturday at 7:30 p. m. at his home, 608 West First Street.

During the meeting there will be a message on guitar music, a twenty-minute performance, and refreshments. There is no charge.

## Club Sponsors Dental Clinic For Needy Kids

The Florida Federation of Women's Clubs will hold its Fall Board Meeting in Orlando September 22-24. Delegates attending from Seminole County are Mrs. C. M. Flowers, president of the Seminole County Federation of Women's Clubs, and Mrs. Neal Farmer, president of the Sanford Woman's Club.

Mrs. C. L. Mosser is president of the Florida Federation of Women's Clubs and will preside over the meeting. The group is accounting its concern in the development of the state, whose climate and opportunities have placed it in the top bracket of the nation in population growth, by electing Dr. Paul F. Douglass, professor of government at Rollins College, to open the Fall Board Meeting. Dr. Douglass will speak at the "City Beautiful" banquet Monday evening in the Angelbit Hotel ballroom. His subject will be "Florida, Provincial or Progressive?"

Speaking at the "Enchanted Evening Banquet" Tuesday evening will be Dr. Morris S. Hale Jr., president of the Orlando Junior College. In selecting his topic for his Tuesday night talk, he adopted the theme of the FEWC, "Progress Through Understanding." The banquet will be held in the Angelbit Hotel Roof Garden.

## Auxiliary Meets

The Sanford Firemen's Ladies Auxiliary by-laws committee met Wednesday night at the home of Mrs. W. C. Galley.

The by-laws were presented by the chairman, Mrs. John Crow. They were accepted by the committee: Mrs. Manning Harriett, Mrs. Bob Wilton, and Mrs. Galley. By-laws are now ready for presentation at the next meeting to be held October 7 at 2506 Laurel Avenue.

Firemen present for the meeting were John Crow and W. C. Galley.

Refreshments of coffee and cake were served.

## Grid Team Deserves Local Fans' Backing

Football season is here again. Tonight, two of the fine schools in Seminole County meet in Sanford in the first game of the season.

Football is a great game. It's great for the boys who play, the cheerleaders, majorettes, bands, students and fans. There is something very exciting, and very American, about a brilliant touchdown run, a clean block or tackle. Spirit runs high among spectators. No other American sport offers quite the competitive and colorful setting afforded by a football game.

Some have contended that the game is too rough. Boys get hurt, occasionally seriously, while practicing or playing. But injuries occur in other sports, on school grounds, around the home and on the streets. Today's football player has more protection against injury than ever before.

When Seminole High of Sanford and Lyman High of Longwood square off at 8 tonight, each will have its supporters. Fans and players of each school desire victory. This is natural. However, only one team can win. There always must be a loser. Seminole High, according to reports, is a heavy favorite to win. The Sanford team last year had its best season in history.

With this in mind, Seminole High fans should prepare themselves for the possibility that the team might lose a few games this year. Coach Jim Pigott has said that five or six games could go either way. But, win, lose or draw, local football teams deserve the support of the community. If county teams have a losing season, fans should remember that, after all, football is a game.

Football is a clean, wholesome sport, at least it is at the high school level. It should be kept that way.

The value of football can, perhaps, best be summed up by repeating a statement made by Gen Douglas MacArthur: "On the friendly fields of strife are sown the seeds that in other years, on other fields, bring the fruits of victory."

## Victims Are Children

When the nation is in the throes of settling great issues, individuals are rather like creatures trapped in an arena where giants are scuffling. Often they become innocent victims of the turmoil.

There is almost a truism, no matter what the issue. When the issue is one as intimately bound up with the daily lives of millions of persons as is the struggle over school integration, the danger to individuals is heightened. And those who suffer most keenly are in a very real sense the innocent.

Children are most conspicuously the victims in this continuing struggle. Not in many places, but in enough, children are being deprived of the schooling that is a part of their heritage as Americans. White and Negro children are losing classroom hours. These are hours that probably will never be regained.

Pointing the finger of blame affords but cold comfort. The vital question, here, is not who is responsible. The important question is: When can orderly classes be resumed? That is the question to be kept in mind by adults of all viewpoints.

## Officials Predict More Terrorism

PARIS (UPI) — Officials here predicted today the Communists will spur Arab gunmen in this country to new excesses in the next 10 days in hopes of intimidating voters in the coming constitutional referendum.

Premier Charles de Gaulle summoned his cabinet to a meeting late today to consider special police and army measures to combat an expected campaign of terror.

The trouble probably will come in a head a week from Sunday, when about 43 million Frenchmen at home and abroad register their

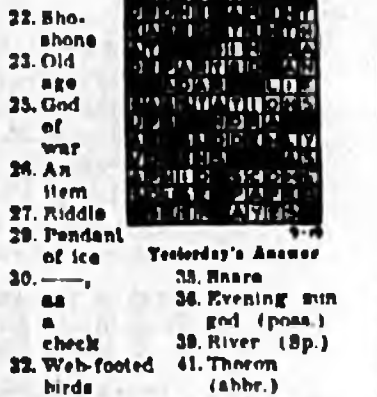

views on the proposed constitution of the Fifth Republic.

Interior Minister Emile Pelletier, who directs the activities of French police, said "extraordinary measures" will be adopted to protect the voters against extremists who may try to scare them away from the polls.

"The gunmen of the Algerian underground are being helped and led by the Communist Party," Pelletier said. "I have strong indications that the attempt to assassinate Information Minister Jacques Soustelle near the Arc de Triomphe Monday was engineered by Communist agents."

## THE WINDUP!

## No Farm Recession, Figures Reveal

By LYLE C. WILSON  
United Press International

WASHINGTON (UPI) — Tucked away among this week's corporate financial reports was an item that could be more persuasive than any statistics compiled in Washington to show there is no recession on the American farm.

The item reported that in nine months ended July 31, the J. I. Case Co. earned \$2,988,861 compared to a loss of \$993,895 in the comparable months a year ago. Case manufactures farm implements.

These probably are American farmers who are losing money

to the cost-price squeeze, but J. I. Case customers evidently are not among them. During this week also, the Agriculture Department happily reported that farm income for the first nine months of 1958 will be 19 per cent greater than in the first nine months of 1957.

Such indicators of the measure of farm prosperity already had accomplished one political miracle. This miracle was the changed status of Agriculture Secretary Ezra Taft Benson. He not only licked the farm bloc on the issue of farm legislation in the House, he was transmuted, politically, from a liability to an asset on

the books of the Republican Party. Stranger things have happened, but not often American farmers made up their minds about Benson soon after he joined the Cabinet in 1953. He opposed high and rigid farm price subsidies which seemed to the farmers to provide easy and desirable money and which were urged by the bipartisan farm bloc and by the Democratic Party as essential to the welfare of U.S. agriculture.

Benson called that a lot of nonsense. He was able to break down the high and rigid support system which had been installed by Democratic administrators. Whether improved prices for farm products actually can achieve another miracle for which Republicans are praying remains to be seen. It is not likely. This other miracle would be the establishment of a Republican trend among farm state voters who will be choosing state and federal officers in November.

## Modern Medicine: Cold, Scientific, Report Says

By DEAN SMITH  
UPI Science Editor

NEW YORK (UPI) — An investigation of what it does to a sick person to have doctors stand around his hospital bed discussing his case found that modern scientific medicine can be and often is too coldly and inhumanly scientific.

It is much too much that way when it forgets or ignores that a sick person is more than an assemblage of ailing organs and flesh but also has a mind teeming with human emotions in which concern for his own life and well-being is uppermost.

Dr. Hans Prouss and Philip Solomon, psychiatrists at the Harvard University Medical School, noted with emphasis that whereas medical students were quite aware of their teachers' ignorance of the human factor, they themselves could display the same ignorance after they became full-fledged medical doctors.

**Probe Emotional Reaction**  
The psychiatrists investigated the emotional reaction of patients to the traditional, centuries-old "ward rounds" phase of the standard medical education. "Rounds" work this way: the resident physician in charge, young resident physicians and interns, and younger senior medical students gather around the beds of ward patients. Their cases are formally described and then discussed.

The idea is to educate by arguing at a good understanding of the patient's illness and what should be done about it. Modern medical science is well aware of the "psychosomatic" — it knows any patient is also a person. Dr. Prouss and Solomon wanted to find out if this knowledge was applied in "ward rounds" and so they studied the patients' emotions before and afterward and also accompanied the "rounds" of a large city general hospital. They found that by and large "rounds" were of "great reassur-

ing value to the patient" who was impressed by as many as 12 men in white jackets around his bed.

Since the patient is listening to the learned discussion of his ailments, he can spare the blunt words which may embarrass, frighten, or irritate him. As an example, it is not necessary to say he is an alcoholic; instead it can be said he has "ethylism," a word he won't know but the "doctors" will.

Also patients should be prepared for these visitations and they should be told afterwards what the "doctors" decided about their cases. Prouss and Solomon reported in the New England Journal of Medicine.

## Meeting Planned By Citrus Groups

LAKELAND (UPI) — The legislative committees of Florida Citrus Mutual and the Florida Citrus Commission are expected to meet next month to seek agreement on broad plans to alter laws affecting the citrus industry.

General Manager Homer Hooks of the Citrus Commission proposed the meeting Wednesday at a session of Mutual's Board of Directors. The meeting, proposed for Oct. 14, would be to win Mutual's support in the commission's 1959 legislative program.

Among other things, the program calls for retention of a special tax on oranges and grapefruit to finance citrus advertising and reorganization of the powerful concentrate advisory committee, which has virtual veto power over any regulations controlling the manufacture of frozen concentrate.

The U. S. Capitol building in Washington is open from 9 a. m. to 4:30 p. m. daily and with the exceptions of Christmas, New Year's Day, and Thanksgiving Day.

## Conning The News

By Virginia Conn,  
Mermaid Staff Writer

"It is unlawful for any person under the age of twenty-one years to have in his or her possession alcoholic beverages, except persons employed under the provisions of Section 562.13, acting in the scope of their employment."

This is Section 562.111 from the Florida Alcoholic Law and Rules, published by the State Beverage Department of Florida. The other section mentioned in this law says that it is unlawful for any vendor licensed under the beverage law to employ anyone under 21, except professional entertainers between 18 and 21 who are not in school, drug stores, grocery stores or automobile service stations where sales are made for consumption off the premises.

It means that a grocery boy may carry the beer out, but may not buy it, I assume.

cracking down on places selling beer to minors. This is understandable, since the law clearly states that minors may not have it even in their possession. But who protects the tavern or drive-in from minors who purchase the beverage in a grocery store, then sell it, lead down, to other teenagers in the tavern's back yard?

This has happened right here in Sanford. The law has tavern owners so scared that they demand the age of anyone who wants to buy beer. They have found that many teenagers look ten years older than they are, and also that many adults appear to be below the legal age. (Slightly, anyway, most adults are angered, instead of pleased, when asked for age identification.)

Just above the law about "possession by minors" is a section stating that "any person under 21 testifying in any criminal pro-

cedure or in any hearing before the director involving the violation by any other person of the provisions of this section (misrepresenting age, selling, giving or serving alcoholic beverages to minors), shall be given FULL AND COMPLETE IMMUNITY from prosecution for any violation of law revealed in such testimony that may be or tend to be self-incriminating."

So what do you do? A minor can turn the tables on the tavern owner and be protected himself. Anyone under 17 is under the jurisdiction of the juvenile court. Those over would be immune on the strength of their testimony.

It is time that our legislators made laws that are easier for the layman and lawman alike to follow. It is also time to be serious about minors. If they are going to partake in adult privileges, they should be ready to receive adult discipline.

The law may be the answer for minors, but the old question about "if a boy is old enough to die for his country" once more appears. Certainly it is difficult to deny a service man the right to beer if he has assumed the duties of a mature man.

And yet, facts show that drunken driving, particularly in those under 25, is responsible for 35 percent of all traffic fatalities. We need clear thinking and more thinking from our lawmakers in Tallahassee.

As may be evident, I am puzzled. But since State Beverage officers are watching carefully for violations, it might be wise for everyone to acquaint himself with the law.

Enough of the editorial. We had a problem here in the Sanford Herald. The paper was being sent to 31 states and 3 foreign countries. But no one would deliver it to Silver Lake.

Circulation manager Frank Valtaline tore his hair as he tried for months to get the news to that area. Yesterday came salvation. Young Gary Ganas of Silver Lake came in and asked for a paper route. The young man already had 20 customers. This is the stuff that presidents are made of!

## Blind Can 'Read' Orally With Aid Of New Device

WASHINGTON (UPI) — A portable device enabling the blind to "read" ordinary books and magazines is well on its way to development, the Veterans Administration announced yesterday.

The "aural reading machine" which transmits sounds through photocells was the topic of a scientific conference here today and researchers were hopeful that it may replace the Braille system in the future.

Known as the Battelle Reader, the device would allow a blind person to read normal print, including typewritten letters. The reader, in its present stage of development, is the size and shape of a portable radio weighing about nine pounds.

**Sounds For Sightless**  
It produces sounds for the sightless not in the sense of actual words but in musical tones similar to chords played on an organ, the VA reported.

Through special training, a blind person could ultimately "read" at the rate of 15 to 30 words a minute. The device's advantage over Braille is that the latter system requires specially prepared materials consisting of raised dots which are "read" by finger touch.

This is the principle on which the Battelle Reader works: A small instrument containing two tiny lights and a lens that projects an image of the printed letter on a row of photocells is

passed over the printed material.

A tone is sounded varying according to the "black" part of a letter which is scanned. Sound patterns are transmitted through earphones and are interpreted by the blind "reader."

**Only Five Models**  
Only five models of the machine have been built and the VA contemplates further development of both the device and training techniques are needed before quantity production can begin.

However, the VA is hoping to furnish blind veterans with the machines for home use within the next few years.

Pioneer research work on the reader was conducted by students and faculty members of the Ohio State School for the Blind at Columbus. The first model was built in 1957.

The device was designed and is being evaluated by the Battelle Memorial Institute at Columbus under VA contract.

Some 100 polio cases had been reported during a similar period last year.

## Florida Reports Seven Polio Cases

JACKSONVILLE (UPI) — The state Board of Health reported seven new cases of polio in Florida last week for a total of some 174 cases for the year.

Putnam County led the state in the new cases with three, followed by Dade and Polk with two each.

Five of the seven cases were paralytic.

Some 100 polio cases had been reported during a similar period last year.

## Circular Building

BATON ROUGE, La. (UPI) — The Union Tank Car Co. said Wednesday it will unveil Sept. 29 a building it believes is one of the largest circular structures in the world.

The building, to be used for car repair and maintenance, is 284 feet in diameter and nearly 10 stories high.

# Seminoles Favored Tonight

**By Jerry Covington**

The Sanford Seminoles will open their 1958 football season here tonight at 8 o'clock as they face the Lyman Greyhounds of Longwood.

This will be their first test since the Brahman Bowl last year and the young hopefuls will be trying to continue the winning form. Coach Jim Pigott said the team shows great possibilities and is expected to overpower the small Greyhound team.

The squad should be at full strength for the opener, with the exception of Johnny Allred. The team was greatly disappointed to learn Wednesday that he will be out for the remainder of the season. He received a knee injury earlier this week and the doctors decided that he should not play for the rest of the year.

He was one of the hardest workers in pre-season drills and showed great possibilities for the

coming season. The team will miss his service at quarterback.

The first and second units have progressed rapidly this week and should be prepared for the Greyhounds. The crowd at the pre-game pep rally was impressed with the aerial attack shown by the first unit. Quarterback Cecil Dandridge threw to Vernon Kirk, Gerald Jones and Allan Swain for nice gains and looked very sharp in doing so. John Lovelace

also ripped around left end for a fine 25-yard TD.

Fullback Harold Stone is in top form for tonight and should give his former teammates plenty to worry about. He continues to dive for those important short gains through the middle and should come fast all season.

Kirk and Lin Risner continue to impress at halfbacks. This will be their first season as starters and they have shown determination to hold these positions.

The line play of Dave Stanley continues to be the brightest spot of the forward wall. He shows every sign of being a college prospect. Carrying about 180 pounds this season, 10 more than last year, he looks even quicker in the back. He should stop the opposing backs running on the left of the Seminole defense.

The line play of Dave Stanley continues to be the brightest spot of the forward wall. He shows every sign of being a college prospect. Carrying about 180 pounds this season, 10 more than last year, he looks even quicker in the back. He should stop the opposing backs running on the left of the Seminole defense.

## CUB CLOUTER . . . . . By Alan Maver

**ERNIE BANKS, OF THE CHICAGO CUBS, NEEDING 18 SEPT. 1958**

HOMERS WAS HARDLY A THREAT TO THE RUTH'S RECORD OF 60, BUT HE COULD BECOME 5TH IN HIS LEAGUE, EVER TO HIT 50.

DESPITE THE CUBS' STAGNATION, BANKS RATE A LOT OF MY CONSIDERATION. INCIDENTALLY, THE ONLY PLAYER ON A 100 DIVISION CLUB TO WIN THE AWARD SINCE 1931 HAS BEEN SUZUKI IN 1952, ALSO WITH THE CUBS.

## Player Of The Day

**United Press International**  
**NARRY LATMAN**—  
 Eternal optimist, the Chicago White Sox feel they can beat the New York Yankees next year with a pitching staff that is bound to be stronger because of young Barry Latman.

Latman, a hard-throwing right-hander who spent most of this year with Indianapolis, looked especially impressive in gaining credit for Thursday's 6:2 victory over the Baltimore Orioles.

The Orioles, scored both their runs off starter Ray Moore and knocked him out in the first inning. Latman then took over and held Baltimore to three hits and no runs for 7:23 innings.

White Sox manager Al Lopez says Latman has an excellent chance of moving into the starting rotation in 1959.

The 22-year-old fast - baller from Los Angeles could do it if he keeps pitching the way he did Thursday.

## SOUTHWEST SLINGER - - By Alan Maver

## Bitter About Probation, Auburn Will Try Harder

ATLANTA (UPI) — The Auburn Tigers, rated among the nation's best a year ago, are expected to grow as loud again this fall. But, while those goals should keep the Tigers on top in the rugged Southeastern Conference, they'll only sound like meows so far as any bowl bid is concerned.

Auburn posted a brilliant 10-0 record in '57, but was kept out of bowl consideration by an NCAA ban for alleged recruiting violations. The Tigers' bowl hopes were struck down again this spring when the NCAA added three more years to the ban because of alleged inducements offered quarterback prospect Don Fuelle.

With Auburn forced to the post-season sidelines, the top bowl prospects in the SEC are expected to be Sugar Bowl champion Mississippi, 8-11 last season, and Billy Stacy - paced Mississippi State, which was 6-2-1.

**Auburn's Offense Good**

Figure Auburn, Ole Miss and Mississippi State to run 12-3. Florida, Georgia Tech, Kentucky and Georgia all with two full teams of returning lettermen, should battle for fourth. The remaining five, Tennessee, Vanderbilt, Alabama, Louisiana and Tulane, bring up the rear.

Auburn's defense is hardly expected to match 1957 when no opponent scored more than one touchdown and all 10 totaled only 28 points. But Auburn's offense should be as good with standout performances expected from end Jerry Wilson, center Jackie Burkett, quarterback Lloyd Nix and halfback Tommy Loryno.

Three faithful stay Wilson, a 225-pound senior who played last fall in the shadow of All-America Jimmy Phillips, may be the best end in the nation this season.

Ole Miss lost nine of two year's starters. But the second and third teams return intact, bolstered by a promising group of sophomores. The strong point will be in the middle of the line bulwarked by fast-rising junior Ken Kirk and '57 regular Milton Crane.

**Key To Title**

Mississippi State is building its attack around Stacy, all - SEC the past two seasons. State plays both Auburn and Mississippi, which don't meet, so may be the real key to the 1958 SEC title.

Florida has most of its key players back, although tripartite star Bernie Parrish has turned to pro baseball, and is eyeing a repeat of its 6-2-1 season in '57. Val Herkman at tackle, Don Fleming at end and

## Braves Could Win Pennant Tonight

**By MILTON RICHMAN** —  
**United Press International**

The Braves can wrap up the whole box of biscuits tonight. All they need is a victory over the Redlegs plus an accompanying triumph by the Phillies over the second - place Pirates to clinch their second straight National League pennant.

The Braves, who had to wait until Sept. 23 to win last year, will seek to beat Carlisle Willey against Cincinnati tonight and if

he doesn't get the job done, they've got Lew Burdette and Warren Spahn ready to go against the Redlegs during the week end.

The still - hopeful Pirates got the official go - ahead from Commissioner Ford Frick to order printing plates for World Series tickets Thursday, but the Braves made it a rather empty gesture by beating the Cardinals, 5-3, Thursday night.

Big Bob Rush posted the victory that reduced the Braves' magic number to "two" and increased their lead over the Pirates to six games. Milwaukee and Pittsburgh each have seven games to play.

Red Schoendienst paced Milwaukee's 13-hit attack with three doubles and a single while Johnny Logan and Andy Pafko contributed homers. Pafko hit his with two on in the ninth off reliever Nels Chittum. St. Louis starter Sam Jones was kayoed in the fourth inning and suffered his 12th loss. The victory for Rush, who gave up 11 hits, was his 10th against six losses.

That was the only game scheduled in the National League. Only two were played in the American League, with the White Sox beating the Orioles, 6-2, and the Athletics defeating the Red Sox, 4-1.

Rookie Barry Latman turned in a fine relief effort in helping the White Sox strengthen their hold on second place. He entered the game in the first inning after Ray Moore was knocked out and limited Baltimore to three hits and no runs until the ninth. Then, after walking the first batter, he was relieved by Turk Lown, who retired the next three in a row.

Bill Tuttle and Roger Maris got Kansas City off to a good start with back-to-back homers in the first inning, and as it turned out that was all winner Bud Daley needed. The Southpaw knuckleballer held the Red Sox to five hits.

## Sports Parade

**NEW YORK (UPI)** — Fray's Follies and the first edition of the weekend football "winners" plus a few reflections on sports in general.

**UCLA over Pitt:** Pitt has been building and this should provide a barometer on the calibre of East-West football. Just in sound like an expert, from here it looks as if line inexperience will stop the Panthers in a close one.

**The East**

Boston College over Scranton: Pigeon facing leaves me cold.

Villanova over West Chester: In boxing it would be a mist match.

Massachusetts over Maine: I liked those old time racoon coats.

Connecticut over Springfield: Bagpips music really sends me.

**The South**

Duke over South Carolina: Sonja Henie was the best skater I ever saw.

Florida over Tulane: Weak ankles never made a good hockey player.

Georgia Tech over Kentucky: It's surprising more spectators aren't injured at golf matches.

Massland over Wake Forest: The turtle by a hair.

North Carolina over North Carolina State: First chapter of "Jim Tatum's Revenge."

Also: Clemson over Virginia; West Virginia over Richmond; Mississippi over Memphis State; Florida State over Furman; Citadel over Newberry; VMI over Morehead and West Texas State over VPI.

**The Midwest**

TCU over Kansas: Women weight lifters are poor dish-washing risks.

Penn State over Nebraska: Ben Hur couldn't have carried Eddie Arcano's hat.

Missouri over Vanderbilt: I'm gonna bring back spats for covering football games.

Kansas State over Wyoming: Lew Burdette still looks like a World Series winner to me.

Also: Marquette over South Dakota State; Iowa State over Drake; Detroit over George Washington; Cincinnati over Dayton; and Bowling Green over Wichita.

**The West**

Southern Cal over Oregon State: The Nuptial special.

California over COP: After all, it's your money.

Washington State over Stanford: Surfboarding is liquid torture if you can't swim.

Oregon over Idaho: Like Columbia over the Scepter.

Also: Washington over San Jose

## Brigham Young Favored In Skyline

**SALT LAKE CITY (UPI)**—The presence of four new coaches, a strong bid by Brigham Young University for its first conference championship and the return of passing star Lee Grosscup combine to provide new football interest in the Rockies this season.

In addition, the line of demarcation in the Rockies is expected to be clearly visible this season because of an uneven distribution of strength.

In the Skyline Conference BYU, Wyoming, Denver and Utah appear to be the most richly endowed with top talent. On the other side of the picture are Utah State, New Mexico, Colorado State and Montana.

In the neighboring Rocky Mountain Conference, perennial champion Idaho State College is strong again and no one is expected to seriously challenge the Bengals.

**Falcons Expected To Gain**

Among the independents, the Air Force Academy is expected to gain altitude this year under new Coach Ben Martin.

Martin, a Navy graduate, takes over for Buck Snow. The Falcons, now in their third year of the sport, are expected to have greater experience, but the fly-bys also face a tougher schedule.

Other new coaches in the area this season are Ray Nagel, who succeeded Jack Cutcliffe at Utah; Mary Levy, a replacement for Dick Clausen at New Mexico; and Ray Jenkins, who follows the departed Jerry Williams at Montana.

Nagel, a former UCLA aide, faces a big rebuilding job at Montana.

## Florida To Have Winter Baseball

The Skyline's leading ground gainer last year.

Colorado State expects to count heavily on junior college transfers to improve last season's seventh place finish. Montana, weakened when Earl Keeley quit school to enter the pro ranks, lists all - conference guard Stan Renning as its top returnee.

**Florida To Have Winter Baseball**

**NEW YORK (UPI)**—Four major league teams will be represented by some of their best farm hands in a winter baseball league in Florida this year.

Minor league players owned by the New York Yankees, Kansas City Athletics, Milwaukee Braves and St. Louis Cardinals will gather at separate sites on Florida's west coast shortly after the World Series.

Each team will play a 56 game schedule between Oct. 15 and Dec. 12. Only players in the lower minors—Class D through R—with less than four years of professional experience will be permitted to play in the new league.

The Braves' farm hands will be based at Bradenton, the Yankees and Cardinals at St. Petersburg, and the Athletics at Tampa.

**SANFORD PHYSICIAN HONORED** — Dr. George H. Starke Day, held Sunday, honored the Sanford Negro doctor for his years of service to the community. Dr. J. C. Ringling (right) presents Dr. Starke with a plaque for "meritorious service." (Photo by Bergstrom)

## Gov. Collins Asks Action To End Integration Issue

LEXINGTON, Ky. (UPI) — The Southern Governors Conference chairman, Gov. LeRoy Collins of Florida, today faced squarely the school integration problem in the South and urged action to end "the most severe constitutional and social crisis since the Civil War."

Speaking at the opening session of the conference, Collins said, "Our central difficulty, I am convinced, stems from our failure to provide equitable implementation and safeguarding procedures through legislation enacted by the Congress."

"This must be a two-sided coin. Congressional legislation should provide for facilitating desegregation in individual communities where and when it is feasible. But it should also provide protection against imprudent, forced desegregation in communities where and when it is not feasible."

Collins said too much time already has elapsed to warrant further delay in getting the nation out of the desegregation dilemma. He said this should be the first item of business for Congress when it convenes next January.

## Local Briefs

Red Barber, famous sports announcer and graduate of Seminole High School will be the film narrator for a color movie on safety tomorrow night when SHS holds the first P.A. meeting of the year. Parents of junior and senior high school students will meet at 8 p. m.

The polling place for precinct 15 has been changed for the Sept. 20 election. Instead of the Shrine Club, voters will use the Sanford Shrine Club. Thursday is the deadline for absentee voting for the election which includes a runoff between Jerry Carter and Jim Blanton for Railroad and Public Utilities Commissioner.

Republican voters will choose between Fred Zetterner and Joe Saunders for Republican Committeemen. Mrs. Zetterner and Mrs. Saunders are running for Republican Committeewomen.

## George Hirt Dies; Funeral Tuesday

George Hirt, 55, died in Orange Memorial Hospital at 4 a. m. Saturday after an illness of six months.

Born in Rutte, Montana, May 20, 1903, he had lived in Osteen for the past 47 years. Mr. Hirt was superintendent of roads and bridges for Volusia County. He was a member of the Osteen Baptist Church.

Surviving are his wife, Mrs. Mae Hirt, Osteen; a daughter, Mrs. Carolyn Pickles, Osteen; three sons, Robert E. Hirt and Larry Hirt, Osteen; Wendell Hirt, Sanford; his father, Edward H. Hirt, Osteen; a brother, Edward H. Hirt, Osteen; five sisters, Mrs. Ethel Osteen; Mrs. Olga Nettles, Miss Alice Todd, and Miss Lily Hirt, Osteen; and Mrs. Margaret Harrie, New York City and one grandchild.

Funeral services will be held Tuesday at 2 p. m. at the Osteen Baptist Church with the Rev. Jess Cardozo officiating. Burial will be in Osteen Cemetery.

Brinson Funeral Home is in charge.

## Legion Post Seeks Fund For Building

DEBARY — The Herbert D. Gibb Post 259, American Legion, now is conducting a fund drive to construct a new building.

Commander G. F. Smith said the Legion has been "constructively proven" in Debary and surrounding towns in its drive. Smith said the group hopes to complete the drive by Dec. 15.

## Cancer Researcher Says Smoking 'Definite Cause'

MIAMI — (UPI) — A prominent cancer researcher said Sunday that excessive cigarette smoking has been "conclusively proven" to produce lung cancer.

Dr. E. V. Cowdry of St. Louis, Mo., held the meeting of the Pan American Cancer Cytol. Society said he based his opinion on two main factors:

—That statistics show cancer of the lung is more frequent in persons who are heavy smokers.

—That scientists have isolated carcinogenic substances in cigarette smoke that will produce cancer in experimental animals.

Cowdry, head of the Weir Cancer Research Institute at Washington University, St. Louis, said he believed the smoke from cigarettes was the biggest danger, rather than the actual ingredients of the cigaret. He added that smokers may still be in danger even if they use filter-tip cigarettes or don't inhale since they have to breathe the air in which the smoke circulates.

He said cigars are less dangerous than cigarettes because they burn slower. He said pipe smokers are safer even than cigar smokers from lung cancer, but warned they should keep their pipes clean to avoid possible lung cancer.

Cowdry said a new method to detect lung cancer in its early stages is being developed in laboratories here. He pointed out that cytology experiments, tests of cells in body secretions, are now underway which are hoped to assist in making early diagnosis of lung cancer.

## Commission Lists Tonight's Agenda

A discussion of bids for street repaving is scheduled to head the business at the weekly meeting of the Sanford City Commission tonight.

Other items on the advanced agenda include adoption of ordinance and resolution regarding the 1959-60 budget and the increased tax requests for zoning changes, a report from the city attorney on the legal status of the Goldboro Recreation Area, special assessment procedures and discussions with Chamber of Commerce officials, who have requested an audience with the Commission.

## Doctor Recognized With 'Day' Sunday

More than 700 Central Florida residents witnessed ceremonies honoring Dr. George H. Starke Sunday afternoon at Crooms High School. The Negro doctor was recognized for his 31 years service to the community.

Master of ceremonies for the program was Dr. Richard V. Moore, president of Bethune-Cookman College. The theme, "This is your Career," featured music and a devotional program.

A plaque was presented to Dr. Starke commemorating his years of service. The presentation was made by Dr. J. C. Ringling.

Other gifts from members of the George H. Starke Day committee included a therapeutic chair and filing cabinet.

Flowers and telegrams from admirers and patients filled the auditorium. One telegram was received from the very first baby delivered by the Sanford physician.

## News Briefs

**Miami Has Fire**  
MIAMI (UPI)—A fire, fed by highly combustible paint thinner, destroyed four buildings Sunday night, interrupted electrical service to nearby homes and held up a freight train before the blaze was brought under control. Two firemen were overcome by smoke.

**Williams Fined \$50**  
CHICAGO (UPI)—Ted Williams, star Boston Red Sox outfielder, was fined \$50 by American League President Will Harridge today for throwing his bat during Sunday's game with Washington.

Williams threw the bat after he was called out on strikes and it struck a woman near the Boston dugout, injuring her slightly.

**Probe Expected**  
MIAMI (UPI)—Authorities today were considering calling in the FBI or postal inspectors to investigate a letter which warned a Negro woman not to try to enroll her three children in an all-white elementary school here.

**Resignation Seen**  
WASHINGTON (UPI)—A broad-casting industry official said today the major networks are giving free time to Sherman Adams tonight because of an "implication" by the White House that the presidential assistant would announce his resignation.

# U. S. Expecting Another Charge By Russia; Ike Planning Reply

## Reds Attempting Propaganda Gain

WASHINGTON (UPI) — United States officials today predicted a new blast of Russian propaganda trying to identify this country with war mongering in the Far East. President Eisenhower was reported preparing a "sharp" answer to the latest Russian charges.

The Soviets were expected to attempt to capitalize on President Eisenhower's rebuff to Soviet Premier Khrushchev by making it appear America is preventing peace in the Far East.

Diplomatic observers would not speculate on what they believed would be the official Soviet reaction to Eisenhower's rejection of the Soviet premier's note.

**Red Note Abuse**  
But they were certain it would be preceded by an all-out propaganda attack charging the United States with deliberately preventing any Far Eastern settlement. They noted the official Soviet news agency Tass already had claimed the United States was unwilling "to listen to the voice of reason."

**PAPA COMES HOME** — Edgar W. Rawlerson ADC, greeted on his return Saturday from a tour in Port Lyautey, French Morocco. His family has resided in Sanford since his departure last January. Rawlerson is attached to VAH-7, Detachment 45, home-based at the Sanford Naval Air Station. (Official U. S. Navy Photo)

## Students Given Lessons In 'Patchwork' Fashions

By AL KUELSER  
United Press International

Private groups in Arkansas and Virginia made patchwork efforts today to educate pupils left idle by local resistance to integration.

At Little Rock, lessons were beamed on television to students on their honor to watch.

Displaced white students in Charlottesville, Va., attended their first classes of the year in private homes and buildings—one a barnlike structure that in the past was served both as a road house and a Catholic parochial school.

Parents in Norfolk, Va., holding out little hope that a federal judge would grant a final plea for postponement of court-ordered desegregation at six schools, laid plans for emergency classes. Entered in regular automatically close Virginia schools, under state law.

The heads of 14 states met meanwhile at Lexington, Ky., where the annual Southern Governors Conference began. The snowballing racial crisis was not on the official agenda, but was certain to draw plenty of attention.

Maryland Gov. Theodore McKeldin expressed willingness to sponsor a resolution endorsing race mixing in the schools, but said there was doubt such a measure would pass.

Gov. Orval Faubus of Arkansas said he had no objection to introduction of the subject at the conference, but said he would favor a resolution asking the federal government to "respect the rights guaranteed to the states by the Constitution and to create unwarranted interference in state matters."

## Protests Expected On Road's Paving

A large delegation from the south end of Seminole County is expected to be present Tuesday morning for the County Commission meeting.

The residents plan to protest the paving by Commissioner R. C. Dudd of a road running parallel to his property, according to reports.

Chairman of the board John Krider said that he had been besieged with phone calls from irate residents who have been promised road improvement by Dudd, but had been put off due to lack of funds.

Other business will include the awarding of a contract for replacement of all county property. Two appraisal companies are bidding on the contract: Hunicutt and Associates Inc., St. Petersburg, and the Dowling Appraisal Co.

The meeting has been called for 10 a. m. in the County Commission Room at the Seminole County Courthouse.

## Too Many Sitters

NEW DELHI, India (UPI)—A government report on unemployment said today India has a surplus of baby-sitters, truck drivers and messenger boys and a shortage of draftsmen, engineers and other technical personnel.

## Officer's Talents Many, Local Policeman Proves

A policeman must have a variety of talents which, in reality, have little relation to his daily job of enforcing the law.

Frequent news stories will tell of the aid given by officers, both on and off duty. Policemen aid the sick, rescue parakeets, dogs, cats and other pets; they do a variety of other chores, such as providing information to tourists and generally helping people in need.

Sanford has an expert plumber on its police force, according to Mrs. Charles P. Witt, Celery City Restaurant.

Saturday morning shortly after Mrs. Witt opened the restaurant, one of the water pipes began to leak rather badly. Customers in the restaurant were unable to help "because they didn't know anything about shutting the water off," Mrs. Witt said.

Along came Officer Herman Harriet. Soon, the problem had been solved.

"Not having anything to stop the water, I was, as most women will be, at a loss as to what to do or how to shut the water off," Mrs. Witt said. "Officer Harriet happened by and I confronted him with the situation, being the problem, he not only got the water stopped but contacted a plumber at that time of morning. The plumber came out immediately to remedy the situation."

Mrs. Witt said she owed Officer Harriet a "great deal of thanks." If the water had kept running for any length of time, it would have done a great amount of damage, she explained. "My husband and I are proud to say Herman Harriet is a member of our police force," she concluded.

This was a big problem for Mrs. Witt. For Officer Harriet, it was all in a day's work. A broken water pipe didn't excite him. He solved the problem calmly, and went on his way.

## Leaders Plotting Formosa Strategy; Reds Warn U. S.

TAIPEI, Formosa (UPI)—The top American command in the Pacific met today with Chinese Nationalist military leaders to plot strategy in the face of Peking warnings that war could break out at any time with the United States.

No communique was issued after the first of two days of conferences. But military quarters believed the talks dealt primarily with America's role in defending the Formosa area with jet fighters, atomic-capable missiles and the nuclear-equipped 7th Fleet.

As they conferred in secret, Radio Peking poured out a stream of warnings that the Communists still were determined to take Formosa and the offshore islands. The broadcast said:

"The United States is kindling the flames of war with the People's Republic of China which might be precipitated at any moment."

Communist Foreign Minister Chen Yi said in another broadcast Communist intentions toward Formosa and said Peking has "every right to recover their own territory by all suitable means at a suitable time."

Within hours Marshal Peng Teh-huai, Communist commander in chief and head of the "Volunteers" in North Korea, reaffirmed Communist intentions toward Formosa and said Peking has "every right to recover their own territory by all suitable means at a suitable time."

## State Announces Plan To Replace St. Johns Bridge

Replacement of an existing timber bridge with a new concrete structure over the St. Johns River south of Lake Hartney at the Seminole-Volusia county line is scheduled to begin by Oct. 2, the State Road Department announced today.

State Highway Engineer Al C. Church said the existing bridge, which has a swing span for passage of river traffic, will be replaced by a medium-high level bridge. A navigation channel will be provided so river traffic may pass without interrupting bridge traffic.

The \$463,047 project will include a 1,270-foot bridge of prestressed concrete and approaches to the bridge. The bridge will have a 28-foot roadway with two sidewalks.

The bridge is located on State Road 46, which runs between U. S. Highway 17 south of Sanford to U. S. Highway 1 north of Titusville. It is just north of the busy Orlando-Cape Canaveral area.

Church said Cleary Brothers Construction Company of West Palm Beach has been awarded the contract. A total of 250 calendar days will be allowed for completion of the project.

## Five Now Seeking Commission Post

Three more men have filed for the City Commission election in Sanford.

Phillip T. Meel, a contractor with the Atlantic Coast Line Railroad, revealed his candidacy late Friday afternoon.

Clyde H. Robertson, general manager of the Therm-O-Tone Gas and Appliance Co., Inc. and Joe B. Baker, datyman for Perfection Dairies, qualified this morning, Oct. 15 is the deadline for filing.

David Wayne Maltes, 25-year-old Sanford middle teacher, and Troy T. Richardson, local produce merchant previously stated their intentions of running for the seat. Another candidate who filed last week withdrew his name after "reconsidering."

## Accident Injures 11-Year-Old Girl

Fairly heavy weekend traffic in Seminole County was marked by one accident at 5 p. m. Saturday, the Sheriff's Department reported.

A collision at the intersection of 20th St. and Country Club Circle Drive, injured Linda Spencer, 11-year-old daughter of Mr. and Mrs. Jim Spencer. She was taken to the Seminole Memorial Hospital with severe lacerations and cuts around the face. She was reported in "good" condition this morning by hospital authorities.

William D. Causey, Sanford, Fla., said the accident occurred when William D. Causey, Sanford, turned west across the path of a jeep driven by Spencer on 20th St. Deputy Vern Brewster, investigating officer, said, Damage was about \$750. On each vehicle, Causey was charged with making an improper left turn.

**"DIARAMA" ON DISPLAY** — The animated picture demonstrating treatment of children at the Harry-Anna Children's Home was seen at the local Elks Club last weekend by delegates to the fall conference of the Florida State Elks Association.
