

'51 Commencement Is Most Important In Stetson History

DELAND, May 31—(Special)—Observance of the Golden Jubilee of the College of Law and the dedication of Heller Fountain will make the 1951 Commencement at Stetson University one of the most important in history.

Candidates for degrees completed their final examinations Tuesday while tests for underclassmen will continue through Friday, Saturday will be a free day with final distribution of the Hatter, the Stetson yearbook, scheduled for that time.

On Sunday, the annual concert by the School of Music, President and Mrs. J. Olin Edmunds' reception for graduates and their families and the baccalaureate service are scheduled.

Commencement exercises, with Senator J. William Fulbright as speaker, is scheduled for 7 A. M. Monday in the Forest of Aiden. The early hour was selected so that the exercises may be completed in the cool of the morning.

The Rev. R. Kelly White, pastor of the First Baptist Church of West Palm Beach, will deliver the baccalaureate sermon. This service will include dedication of the Heller Fountain, given to the university in honor of William E. Heller, Mt. Dora, retired sales manager of the Chevrolet Division of General Motors. Mr. Heller will be present and will see lights and water display of the aqueduct fountain put into operation again after almost 10 years in storage. The fountain was the center of the State of Florida exhibit at the Great Lakes Exposition at Cleveland and at the World's Fair in New York. It attracted so much attention there that it was rebuilt on the Stetson campus for future generations to enjoy.

An impressive array of lawyers and jurists will have a part in the Commencement program as the fiftieth anniversary of the College of Law, the first law school in Florida.

Four members of the Supreme Court of Florida, three of them graduates of the Stetson College of Law, will attend the Commencement exercises when another Stetson graduate, Judge Louis W. Strum, of Jacksonville, now serving on the United States Circuit Court of Appeals, will receive a citation for distinguished public service.

He will be presented for this honor by Scott M. Lofton, Jacksonville, former president of the American Bar Association. The Florida bar will be represented by President John Allison, Tallahassee, Florida Supreme Court Justice, who will be present, and Elwyn Thomas, Roy Chapman, Frank Tolson, all Stetson graduates, and Harold C. Schling. Award of the Harry L. Taylor prize in humanities and the Walter L. Hays prize for the best essays on free enterprise and the American way of life will be made at commencement. Both honors will be presented.

President Edmunds will present diplomas to approximately 165 graduates, representing the College of Liberal Arts, the College of Law, the School of Music, the School of Business, and the graduate school.

A coffee at Chaudoin Parlors after the ceremonies will close the commencement exercises.

Desperation Rally Fails As Giants Lose To Leesburg Packers 5 To 4

By ED HARPER
Desperation late inning rallies pulled the Sanford Giants within one run of the Leesburg Packers last night, but the final punch to get together scoring and the game ended 5 to 4 with the tying and winning runs stranded on the base paths.

Lanky Al Neville, still suffering from a cold, had only one bad inning—the second. The Sanford hurler walked Shoemaker and gave up three straight singles which scored two runs.

The Giants were effectively handcuffed by Leesburg hurler Benjie Blane who gave up only one hit in the first six innings, but in the seventh two walks to Fred Petty and Mickey McBride and singles by Al Neville and Frank Theriault cut the Packers lead to three.

Continuing to peek away the Giants needed another run in the eighth on three singles by Petty, McBride and Bailey. Again in the eighth the Giants rallied as sudden death started them in the face.

Tim Dolan singled, Max Pfeiffer singled and Richie Klaus singled and another before the game ended on Petty's fly ball to center.

Leesburg picked off of Mirande in the second frame was a masterpiece of speed and timing. The Sanford backstop showed off his arm again in the fifth when he cut Pawlick down attempting to steal third.

Orzak Eagles Come From Behind To Defeat Dothan In Golf Tourney

By ASSOCIATED PRESS
Orzak's winning streak remained unbroken today because of the ability of the Eagles to come from behind.

The Alabama-Florida league leaders trailed 3-1 in the seventh inning last night against Dothan, but pushed across a pair of tallies to knot the score and then won in the last of the ninth. A single by centerfielder Joe Clark chased in Billy Ferrar with the winning run in their last ten straight victory.

The triumph preserved Orzak's one and a half margin over second place Headland. The Dixie runners pounded three Tallahassee hurlers for 18 hits and a 14-6 decision. Outfielder John Peterson led the Headland assault with four hits in four at-bats. Jack Clifton hit a two-run homer for the winners. Tommy Stone allowed Tallahassee six hits.

Enterprise moved into a fourth place by motion by edging the Panama City Flyers, 7-6, in a 14-inning marathon. Chuck Sniff relieved in the sixth inning for the winning Bob Westvick and pitched shutout ball for eight frames. The defeat was the seventh in their last ten starts for the eddy-swelling Flyers.

Veteran, Castoff Provide Crutches For Weakened Vols

By ASSOCIATED PRESS
A veteran outfielder and a previously mediocre pitcher are providing strong crutches for the injury-weakened Nashville Vols.

Big Babe Harba, picked up as a free agent a month ago following his release by Baltimore, rapped a double and three singles last night to spark the Sulphur DOLL sluggers to a 12-10 decision over Birmingham. His four-for-five evening hiked Harba's batting mark to .308. He has hit at a .403 clip in the last nine games.

The other crutch, righthander Jim Atchey, came on in relief for Pete Mallory in the ninth with three runs in, on out and a Byron runner on first. He threw one hit to Don Hanenmayer and the Baron third baseman grounded into a double play to end the game.

With five pitchers ailing and Buster Boguskie, the league's leading hitter, out with an injury in one week, The League president ruled that an ineligible player was on the roster.

Dick Greco Slugs Nine Homers For Montgomery Grays

By VERNON BUTLER
Associated Press Sports Writer
Relations between Montgomery and Birmingham couldn't be more cordial. The reason for this phenomenal situation is a slugging outfielder named Dick Greco.

Birmingham sent Greco to the Sally League Grays a few weeks ago when cutting down time arrived in the Southern Association. Since his arrival; the big fellow has clubbed nine homers, two of them last night while the Grays were sweeping a doubleheader from the Macon Peaches to climb into a first place tie with Savannah.

Greco belted his round-trippers in the 7-0 opener. In the second game, J. W. Jones homered with an inside aboard in the last of the 11th to hand the Peaches their eighth straight loss 4-2. It was Montgomery's seventh consecutive triumph.

Elsewhere in the Sally, Augusta edged the Columbus Cardinals, 6-5; Jacksonville bowled to Charleston by the same score, and Savannah walloped Columbia, 8-1.

The Savannah Indians won their third game in a row from last place Columbia on Russ Swingle's seven-hitter. It was the Redskin hurler's sixth success against two losses. For the third straight evening, the Reds could get but one run off able Redskin moundsman.

Frank Pack's ninth inning home run at Columbus won for the

American Davis Cup Doubles Team May Meet Australians In French Tourney

PARIS, June 1.—(AP)—Gardner Mulloy of Miami and Dick Savitt of Orange, N. J., who may carry United States' doubles banner in the Davis Cup competition, receive one of their big tests today.

They play Jaroslav Drubny of Egypt and Eric Sturgess of South Africa in the semi-finals of the French International Tennis Tournament.

If they win Mulloy and Savitt probably will get a crack at Frank Sedgman and Ken MacGregor, the fine combination that helped Australia wrest the Davis Cup from the U. S. last summer.

Sedgman and MacGregor play Hamilton Richardson of Baton Rouge, La., the U. S. junior champion, and Australia's young Marvyn Rose in the other doubles match.

Semifinals in singles also are meeting Sedgman and Sturgess finishing his interrupted match with MacGregor. Sturgess was leading MacGregor, 10-8, 7-9, 4-1, when rain halted activities yesterday.

Meanwhile, two top-ranking United States women swept into the finals of their singles division. Doris Hart of Jacksonville defeated Mrs. Jean Walker-Smith of Great Britain, 6-2, 6-1. Shirley Fry of Akron, Ohio, eighth-ranked U. S. player, upset the United States champion, Mrs. Margaret Osborne DuPont of Wilmington, Del., 6-2, 9-7.

LOCKE TO PLAY
NEW YORK, June 1.—(AP)—About 1,500 Americans will try to keep Bobby Locke from taking the U. S. Open Golf championship overseas for the first time in 10 1/2 years.

A record entry list of 1,517 was announced today, and the name of the putting master from South Africa stood out like a lily warning light.

The 81st championship will be contested June 14-16 over the toughest Oakland Hills Country Club course at Birmingham, Mich. The nervous little pro, Ben Hogan, will defend.

The last time an invader won the U. S. Open was 1920 when Ted Ray, a big moustached Briton, won at Inverness in Toledo, Lockie is British Open champion and, as such, is one of 36 players exempt from qualifying for the Open.

Savage Chinese Red Counter-attacks Hit Advancing UN Units

Assault Is Pressed On Red Triangle Dominating Road Hub; 2 Transports Lost

By WILLIAM C. HARRARD
TOKYO, June 4.—(AP)—Allied troops fighting through driving rain toward the main Communist redoubt in North Korea beat off savage Red counterattacks today. Artillery thundered over the sound of hand grenades as United Nations forces threw back the thrust. Reds attacked all threatening U. N. spearheads. They fought stubbornly everywhere against the crushing Allied advance.

U. N. officers said the offensive appeared to be reaching the main Red defense line.

On the eastern front, Chinese fought from heavily constructed fortifications built by North Koreans in prewar days. Follage had grown over them in natural camouflage. Chinese waited until Americans came unexpectingly within a few yards. Then they opened up.

Doughboys burned them out with flame throwers.

"You can't call this a delaying action any more," one of the officers said. "The way the enemy is set and dug-in and shooting from well-prepared bunkers and the determination of his defenses show he is really hitting a main line but sharp tanks flared all along the saw-tooth front from newly captured Yonchon in the west to Kansong in the east where Reds attacked the Allies' deepest penetration of North Korea."

Tanked U. N. forces hacked out gaps of one to three miles in spots. In other places they stood still.

Allied gains were chalked out slowly in tough, often hand-to-hand fighting.

Spears of infantry and army pushed northward trying to reach and break the Red "iron triangle," tipped by Choswon, Kumsong and Pyongang. They were thrusting up from Yonchon, 12 miles below Choswon, near Yongpyong and Yongnam from the 38th Parallel; and from Huchon, 18 miles from Kumsong.

The Eighth Army was willing to pay the cost of taking the triangle of cities because:

1. The triangle dominates an important network of highways.
2. If masses of Allied tanks could reach Choswon, they would cut the Red's main supply line.
3. The triangle of cities is a flat, flat country, excellent for artillery. Allied artillery would be more readily efficient than ever.
4. Summer rains which once threatened to bog down U. N. armor no longer were a bug-a-boo.
5. Tanks and infantry learned how to operate in Korea's mud during the rain-soaked month of May. In that month 11.3 inches of rain fell—twice as much as in any other May in the last 20 years.
6. The summer rainy season "can't be any more, an officer commented, "but it can't stop us."
7. Lt. General James A. Van Fleet, U. N. ground commander, said he clear his forces have no intention of stopping although the "pushing phase" of their counteroffensive ended when the Reds escaped beyond encirclement.
8. His men, Van Fleet said, "will continue to destroy military targets in the north of the line."

In addition to boiled potatoes, corn on the cob, beans and salad. The Elks were entertained after the barbecue with television. A fortune teller provided much amusement.

Elimination Of Double Censorship Seen For Korean Correspondents

By DON HUTH
TOKYO, June 4.—(AP)—General Ridgeway's press advisory division in Korea was news.

Details of the new system, which will replace all censorship in the hands of general headquarters in Tokyo now are centered at Eighth Army headquarters. They are transmitted to Tokyo by telephone or teletype and submitted to the press advisory division in Tokyo for a second screening.

The proposed change would eliminate the necessity of having a second censor at the second Army in Tokyo.

Press advisory division censors from Tokyo would replace the Eighth Army censors in Korea to bring the entire censorship program under one office.

All Korean war stories written in Tokyo, such as the roundups of battle action and navy air force summaries, would continue being censored.

Members of the press advisory division are in Korea organizing the machinery for the new plan.

The contemplated change was under discussion as Eighth Army headquarters over the weekend announced a new set of rules regarding the news coverage of the war.

Conviction Of Reds Upheld By High Court

"Clear And Present" Danger Of Communism Is Cited By Majority Opinion

WASHINGTON, June 4.—(AP)—The Supreme Court today upheld the conviction of the Communist Party of the United States by a majority decision which held that the Red leaders "intended to overthrow the government of the United States as a part of a continuous plan."

The chief justice wrote that the II were "properly and constitutionally convicted for violation of the Smith Act. The judgments of conviction are affirmed."

Justice Black and Douglas each wrote dissenting opinions, making the conviction of the case 6-2, since Justice Clark had disqualified himself from the case. The Communists were indicted while Clark was attorney general. Justice Jackson and Frankfurter wrote separate opinions concurring with the majority.

Thus, the court upheld the conviction of the Red leaders. Chief Justice Vinson and Justices Reed, Frankfurter, Jackson, Burton and Minton.

The Smith Act under which the 11 Communist Party members were convicted was passed by Congress in 1940 and after the outbreak of World War II it makes it a criminal offense to advocate or teach violence or violence. The II were convicted of conspiring to do this and were given prison sentences of five years and fines of \$10,000 each.

They were convicted Oct. 14, 1949 after a lengthy trial before U. S. District Judge Harold E. Medina in New York. The trial lasted nine months.

The convictions were unanimously upheld by the U. S. Circuit Court in New York April 1, 1953. The case appealed to the highest tribunal.

The II Red leaders have been on bond ranging from \$50,000 to \$70,000.

They are: John R. Williamson, Jacob Stachel, Robert G. Thompson, Benjamin J. Davis, Jr., Harry Winston, John Gates, Irving Patash, Gilbert Green, Carl Winter, Gus Hall, and Eugene Dennis. Thompson was sentenced to five years each. In addition, each of the 11 was fined \$10,000.

Dennis, general secretary of the Communist Party in the United States, was released from a New York prison on May 12 after serving ten months of a one-year sentence for contempt of Congress. The contempt charge resulted from his refusal to answer questions of the House Committee on Un-American Activities.

The Communist Party, as such, is involved in another action now in progress here—a hearing to determine whether it is Moscow controlled and thus required to be dissolved.

Runge And Park Are Awarded Degrees

ATLANTA, June 4.—(Special)—William Howard Runge, 311 East Eighteenth Street, was awarded a Bachelor of Business Administration, and Charles Lanier Park, Jr., 105 West Southeast Street, was awarded a Doctor of Medicine in recognition of their service during the war.

Commencement was held in Glenn Memorial Amphitheater at 6 P. M. with Millard Caldwell, former governor of Florida, and now United States Civil Defense Administrator, as speaker.

Degrees were conferred on approximately 650 students, 450 of them members of June classes, and others students who completed their work at the close of the fall or winter quarters.

In the group was one Doctor of Philosophy in chemistry, which went to Benjamin Harper Smith Jr. of Atlanta. Two honorary degrees were given, a Doctor of Divinity degree to Rev. James Clyde Adams of Franklin, Ga., and a Doctor of Humane Letters to Dr. Franklin Nutting Parker of Atlanta, who was for 19 years dean of the Emory School of Theology.
