Lynch Trial Judge Bars Racial Issue

Victim's Innocence Or Guilt Not To Be Considered In Rendering Decision

By ROMNEY WHEELER
GREENVILLE, S. C., May 21. (AP)— Circuit Judge J. Robert Martin, Jr., charged a Greenville county jury today "to see that a verdict is rendered that speaks the truth" in conviction or acquittal of 28 white men who are accused of lynching a negro.

The judge began his 5,000 word charge at 2:30 P. M. (EST) after pending last night and today in review of law involved.

"A court of law," Judge Martin told the jury, "recognizes no color, no creed. Therefore, gentlemen, I instruct you that under your oaths as jurors you are not to allow any so-called racial issue to enter into your deliberations in this case in any respect."

Referring to the death of negro Willie Earle last Feb. 17, the judge said "Likewise, gentlemen, you will recall that I, in your presence, ruled the fact that the deceased, Willie Earle may have been or may not have been charged with any alleged crime, or... may have confessed or may not have (Continued on Page 5)

Plane Carrying Filipino Officials Lost At Mindanao

MANILA, May 21. (AP)—President Roxas tonight announced the loss of the presidential plane Lily Marlene in the wilds of northern Cotabato in Mindanao. The plane was carrying from 12 to 15 government officials.

The four-engine C-54, formerly the personal plane of Lord Louis Mountbatten, was last heard from at 9 A. M. Sunday when it took off from Buayas Airfield at Cotabato bound for Bacolod, Negros Island.

The list of passengers given out by Roxas included Judge Francisco Zuleta, Rafael Alunan, Col. Edwin Andrews, chief of the Philippine Army Airforce; and Dr. Alfredo Parades.

The Lily Marlene carried a crew of eight, with top army pilots Lt. Petronilo Bueda and E. Ramayo. Andrews was a command pilot.

The plane was scheduled to fly to Paris to return vice president Elpidio Quirino and his party to the Philippines.

The greatest aerial search in local history will get under way today. Army, Navy and commercial airlines planes will join in hunting for the missing aircraft.

Control Service In Bavaria Abolished

MUNICH, Germany, May 21. (AP)—The U. S. military government of Bavaria today ordered the abolition of the Kontrollrat (Control Council) because it favored too much of the Nazi Gestapo, and summarily fired the agency's chief and deputy.

Brig. Gen. Walter J. Muller said the Kontrollrat reported to the denazification ministry on German internment camp guards and inmates. He wrote Dr. Hans Ehard, minister-president of Bavaria, that a military government inquiry showed the agency had "many characteristics of secret political police."

Red Paper Hits U.S. Greek Aid Program

MOSCOW, May 21. (AP)—The newspaper Moscow Bolezhnik launched a bitter attack today on President Truman's program for aid to Greece, characterizing it as "open interference" in Greece's internal affairs and asserting that the United States and Britain had a "reciprocal understanding" regarding their handling of the situation.

Famine On Luzon

MANILA, May 21. (AP)—Governor Silvino M. Campal of Isabela province told government authorities today that 8,000 inhabitants of the remote town of Palanan on the east coast of Luzon were dying of famine. He said food was scarce there due to two typhoons last year which destroyed all stored grain as well as standing crops.

Auto Crash Victim Awaits Aid

WHILE WAITING FOR AN AMBULANCE, an unidentified man sticks his head out of the automobile, of which he was an occupant, after it crashed into a signpost in Kew Gardens, L. I., New York. Viljo M. Sulamien, 39, Albertson, N. Y., driver of the car, was killed. (International)

Foremen's Union FEC-ACL Rail Calls Strike At Merger Approved 3 Ford Plants By Commission

Action Called After New Contract Negotiations Deadlock

DETROIT, May 21. (AP)—The Foreman's Association of America (Ind.) ordered a strike of its 3,700 members at the Ford Motor Co. effective at 10 A. M. today.

Robert H. Keys, president of the union, said the action was unanimously approved by the Ford chapter of the FAA Tuesday night. A spokesman for the union predicted that the walkout would halt auto production at Ford "within 10 days."

The FAA filed its strike notice Apr. 17 and the 30-day waiting period, which expired Saturday, was extended to permit a conference with company officials earlier this week.

A contract between the company and the independent union was terminated almost simultaneously by both sides early in April. Ford later offered a one-year's renewal of the pact.

7 Soldiers Killed In Army Plane Crash

CHAMPAIGN, Ill., May 21. (AP)—Seven soldiers were killed last night in the crash of an Army B-25 in a farm field during a violent electrical storm, state police reported today.

The accident was believed to have occurred about 11 P. M. State police reported that an Army plane, overdue from Wyoming, last was contacted by ground radio at 10:47 P. M.

Residents of the area said they heard a crash during the night but assumed it merely was thunder accompanying a severe electrical storm.

The wreckage of the plane, strewn over a wide area about 10 miles north of Champaign, was found early today. State police said the craft was en route from Cheyenne, Wyo., to the air base at Chanute Field near Champaign.

Appointment Of Jap Premier Is Delayed

TOKYO, May 21. (AP)—A political snarl today continued to delay formal appointment of a new premier and kept Japan's Diet (parliament) idle for a second day.

Social Democratic party spokesmen said party leader Tetsu Katayama had been assured of the premiership in conversations with other leaders but that "other considerations" were postponing formal selection.

These included conservative objection to allotment of cabinet seats to Socialist Leftwingers and also a last-minute possibility that Liberal party members might remain outside the cabinet or cooperate only passively to become a government opposition bloc.

Veterans Memorial Services On May 25

Memorial services for veterans of all wars will be conducted at the First Baptist Church on Sunday, May 25 at the 11:00 A. M. service with the Rev. W. P. Brooks, Jr. officiating.

The Memorial is being sponsored this year by the Spanish-American War Veterans with C. C. Priest as chairman of arrangements.

Senate Makes Agreement On Re-Districting

Amendment Provides South Florida Gets New District Only If North Gets One

TALLAHASSEE, May 21. (AP)—The House today passed H.R. 848 enlarging and declaring the corporate boundaries of the City of Sanford. Reps. Smith and Odham introduced H.R. 966 for the relief of the Caldwell districting the state to repay monies received as license fees on vehicles. He asked refund of \$200 which is the unused portion of fees.

TALLAHASSEE, May 21. (AP)—Sectional blocs today reached a compromise on the knotty problem of creating two new senatorial positions by adopting a plan which assures that South Florida can get a new district only if North Florida is granted one at the same time.

The Senate, after carrying over a debate from yesterday, approved a single proposed constitutional amendment more populous South new 9th district composed entirely of South Florida Monroe county and a new 40th composed of Washington, Callahan and Gulf leaving Bay alone in the present 25th.

In debate that was a mild, small-scale throwback to the bitter 53-day special reapportionment session of two years ago. North Florida senators had contended if the districts were sought in separate (Continued on Page 5)

Odham And Camp To Give Testimony At Jury Hearing

TALLAHASSEE, May 21. (AP)—State Attorney Orion C. Parker Jr. today called Reps. Bradley Odham and Clarence M. Camp II before him for discussion of their charges that they offered cash bribes for votes by Rep. Bernie C. Papp.

The two young legislators were called during the dramatic House session Monday, which he attended at the request of the House Rules Committee group.

Governor Caldwell told the reporters he would give Parker any assistance he requested for the investigation. He pointed out that the request must originate with the state attorney, who has no assistant and no special investigators similar to those available to prosecutors in more populous circuits.

Hoboken Celebrates As New Reform Mayor And Commissioners Take Office

HOBOKEN, N. J., May 21. (AP)—A mild-mannered 49-year-old manufacturer, Fred M. De Sapio, took over today in the well-grooved swivel chair where Bernard McFeely ruled as mayor of Hoboken for 21 years.

McFeely, political ally of Jersey City's Mayor Frank Hague, vacated the seat yesterday and slipped quietly from a side-door exit at the flag-draped city hall while some 10,000 persons cheered the arrival of the new mayor and city commission.

For the 61-year-old McFeely, it was the end of a 40-year record on the public payroll eliminated now by his ouster by a "reform" fusionist government and his indictment by a grand jury on a charge of conspiring to oppress 18 "rebel" policemen who allegedly refused to follow administration dictates.

De Sapio took over the mayoralty by assignment at the height of an unofficial one-day holiday in Hoboken. Impromptu parades passed through the city streets, flags flew from most buildings, 3,000 longshorns left their waterfront (Continued on Page 5)

Group Cuts Budget For Agriculture

40 Per Cent Slash Is Recommended Including Cancelling Of Special Fund

WASHINGTON, May 21. (AP)—The House Appropriations Committee members reported today additional cuts have been recommended to reduce the Agriculture Department's 1948 budget of \$1,200,000,000 by almost 40 per cent.

The subcommittee, in charge of the bill, met in closed session today. Members told reporters privately they were asked by party leaders to find new places in which to make cuts.

The House Republican Steering Committee met early this week and Speaker Martin reported some members had complained that preliminary recommendations for reductions in the Agriculture bill were inadequate.

The House took an 11-11 vote which cut out of President Truman's estimates in passing a \$3,469,791,100 Navy supply bill yesterday.

Members who attended today's meeting said the overall Agriculture Department's budget for the year beginning July 1, would be more than \$400,000,000. The budget calls for approximately \$1,200,000,000, including about \$145,000,000 in customs collections which the department has used in the past for its various programs. This fund has been known as "the (Continued on Page 5)

Phone Industry Seeks Repeal Of Excise Charges

WASHINGTON, May 21. (AP)—With the Senate ready to open debate on the House-approved \$1,000,000,000 income tax cut, the telephone industry asked Congress today to repeal the excise levies on communications. This would save taxpayers another \$400,000,000. The excise is levied on telephone, telegraph and other communications service.

The recommendation was placed before the House Ways and Means Committee in statements submitted by the American Telephone and Telegraph Company, A.T.T.'s association and the United States Independent Telephone Association.

It was the first recommendation for a new tax cut in the committee's move toward general revisions of the tax structure, which Chairman Knutson (R-Minn.) said should mean "substantial" tax reductions beyond the current \$1,000,000,000 plan.

The telephone industry asked Congress to repeal a part of the 1948 revision. The industry described this excise as a tax upon a necessary business and social service and not a "luxury" tax.

Meanwhile, in the Senate, Senator Billikin (R-Colo.) predicted the repeal of a 1947 income tax cut will reach their "high water mark" on a postponement vote, but that the mark won't be high enough to block the tax slash.

The President And His Mother

91-year-old Mrs. Martha Truman is shown with her son President Harry S. Truman who flew to Missouri to be with his mother who is critically ill. The President's personal physician, Brig. Gen. Wallace H. Graham told reporters today that Mrs. Truman has a chance for recovery if she maintains her present gradual improvement. The presence of the president at her bedside, he said, has been an important factor in the slight improvement in the past 18 hours.

Additional Funds Insufficient For County's Schools

\$75,000 Extra Needed In Order To Raise Teachers' Salaries

Additional funds of \$136,574 are needed to Sanborn County under the new minimum foundation program passed by the State Legislature. It will not meet the requirements of the county schools especially for a promised increase of 25 percent in teachers' salaries. Supt. T. W. Easton said this morning.

According to figures released recently by the Florida Education News Service of the State Department of Education at Tallahassee, total funds required for Seminole County school expense is listed at \$32,378; whereas at least \$30,000 will be needed to (Continued on Page 5)

Miss A. Caldwell Life Long Sanford Resident Is Dead

Miss Alice Donk Caldwell, life long resident of Sanford, died at 9:30 P. M. Tuesday following a month's illness.

Born at Fort Reid, which later became known as Sanford, Miss. Caldwell's father, Dr. A. L. Caldwell, well-known in the medical profession between Tampa and Palatka for many years. He died at Fort Reid on May 20, 1886.

Miss Caldwell had made her home with her sister, Mrs. E. N. Whitner at 418 Myrtlewood Avenue. She was an active member of the Presbyterian Church and of the Sallie Harrison Chapter of the Daughters of the American Revolution.

Survivors include her sister, Mrs. Whitner; one nephew, R. C. Maxwell of Sanford; six nieces, Mrs. H. H. McCaslin, Mrs. E. J. Moughton, Sr., Mrs. J. C. Hutcheson, Mrs. Alice Wright, Miss Nell Whitner and Miss Lettie Caldwell, all of Sanford; also several other nieces and nephews, and a number of great great nieces and nephews residing elsewhere.

Funeral services will be conducted at the First Presbyterian Church at 4:00 P. M. Thursday with Dr. E. D. Browne officiating. Interment will be made in Lake View Cemetery.

Eleven Injured In Boiler Explosion

PITTSBURGH, May 21. (AP)—Eleven men were injured today when a boiler and furnace exploded at the Lockhart Iron and Steel Company plant in nearby McKees Rocks.

The blast ripped a hole in one side of the 12-inch mill building, constructed of brick and reinforced steel girders.

Most of the injured were caught under a shower of bricks and pieces of steel in the yard.

House Okays Measure For Foreign Relief

Postponement Of Income Tax Reduction Bill Until June 10 Urged By Senator

WASHINGTON, May 21. (AP)—The House agreed to a \$350,000,000 foreign relief program, as asked by President Truman.

Its acceptance of this figure, which the Senate insisted on, made final congressional approval largely a formality. Before the legislation goes to the White House, however, the Senate must approve a conference committee report.

Earlier the House defeated a move to return the administration's foreign relief bill to a joint congressional conference committee and to place a \$200,000,000 ceiling on the program.

Rejection of the effort on a roll call vote of 205 to 170. The conference committee had recommended the House accept the full \$350,000,000 sought by the administration and approved by the Senate.

Senator Vandenberg (R-Mich.) told the Senate it is his understanding that the administration of the new program President Truman has under consideration a man of wide Red Cross experience.

There have been reports that the President has in mind Richard Allen, Red Cross vice president, for this post.

Meanwhile Senator George (I-Ga.) told the Senate today the \$350,000,000 tax reduction bill is a "fairly good approach" but urged its deferment until June 10 in order to determine what final appropriations cuts are made by the House.

Taking the floor after Chairman Mulikin (D-Colo.) of the finance committee opened tax debate by declaring a reduction in the tax burden is justified under present budgetary conditions, George said he is "thoroughly committed to a reduction in wartime taxes."

But he contended the "good test" will be in the final appropriation cuts. George said all major appropriation measures will be sent (Continued on Page 5)

Physician Gives Truman's Mother Recovery Chance

GRANDVIEW, Mo., May 21. (AP)—President Truman's personal physician today gave his 94-year-old mother a chance for recovery, if she maintains her present gradual improvement. Brig. Gen. Wallace H. Graham said everything depends on Mrs. Martha E. Truman's will to live.

The presence of the President at her bedside, he said, has been an important factor in the slight improvement noted in the past 18 hours. Graham in a news conference in nearby Kansas City, emphasized once and over again that he was "an optimist."

He said the elderly patient had a very frail heart and a generally weak body and that she was fighting a terrific uphill struggle against overwhelming odds.

He said that if the present rate of progress can be maintained for another two days the possibility of the President's return to Washington might not be considered.

However, he emphasized, the matter has not been discussed with Mr. Truman who is directing the affairs of government from his mother's home here and from a hotel suite in Kansas City.

Graham said Mrs. Truman's condition reached the hypercritical stage when he telephoned the president Friday morning and summoned him a few hours later to Grandview. The big handcup, he said, is the "warm-out body" of a woman of 94, with "every cell worn out."

Disabled Vets Meet

Disabled American Veterans will hold a covered dish supper at the Legion Hut Thursday evening at 8:00 o'clock. Members and those eligible for membership are urged by Commander Sam Martina to attend. Officers will be elected for the coming year.

Baker Absolved

Lyman A. Baker, Jr. was yesterday found not guilty by a jury in County Court of a charge of reckless driving in connection with an automobile accident involving himself and Mr. and Mrs. Russell Lundquist on Nov. 8, 1946. Judge R. W. Ware presided. E. F. Housholder represented Mr. Baker, and George A. Speer handled the prosecution.

The Sanford Herald

Established in 1905. Published daily except Saturday and Sunday at Sanford, Florida, 111 Magnolia Avenue. Entered as second class matter October 27, 1919, at the Post Office at Sanford, Florida, under the Act of Congress of March 3, 1879.

Sanford's New Radio Station

Of all the new business enterprises which have been started in Sanford during the past two years, none is more convincingly a milestone on the highway of progress than Sanford's new Radio Station WTRR. Under the ownership and management of James R. Rivers of Cordele, Ga., the station went on the air for the first time yesterday morning with a competent staff of announcers, engineers and radio technicians.

MAY FLAG RAISING

Columnists

The New York Newspaper Columnists' Club forum on columnists was interesting, but it seems to us the participants "missed the boat" slightly. Syndicated columnists have become an integral part of our daily newspapers and the writers present at the forum were among those who enjoy the highest reputations for reliability, accuracy and fairness.

ability for what appears under a columnist's byline by merely stating so above or under the copy. The South Carolina Press Association's "Leader's Poll of Public Opinion" revealed that doesn't work with the reader—a majority of the people were found to hold the newspaper responsible for its columnist's opinions.

BIBLE VERBS FOR TODAY

STILL GOD LOVES US AND WANTING NOTHING FOR HIMSELF WANTS US TO HAVE ALL BLESSINGS WE WILL ACCEPT. O God, knowest my foolishness; and my heart is not hid from thee.—Psalm 69:5.

Will You Be Sued?

This is the heyday of damage suits. An injury indirectly caused by yourself, though beyond your control, may pauperize you for life. Hubbard Hoozer, in the Reader's Digest for June, examines the sharp increase in personal liability claims and concludes that "some judges and many juries put inflationary values on human injuries and lost hours of work."

Secretary Snyder says a "period of tax reduction is approaching." We'll take that bet. Unless it is on one of those horses that trot backwards.

Fuller White is reported to be getting along fine following his automobile accident of Sunday night. It will take more than a dozen broken ribs and a shattered collar bone to keep him down. And we expect him to be in there pitching just as hard as ever, come the political campaigning next year.

Here are the names of those who took a walk when the bookie bill was up for a vote: Clark of Calhoun, Courtney, Dowde, Drummond, Floyd, Gilmore, Hardin, Luckie, Martin, McMullen, Melvin, Midyette, Rowell, Saunders, Simpson, Tapper, Utina. Seven of whom were in the House at the time the vote was taken but refrained from voting.

While charges of bribery are being aired in the Florida House of Representatives, a former congressman is on trial in Washington as a result of graft charges. The former chairman of the House Military Committee, Andrew May of Kentucky, of course denies that he ever tried to defraud anybody, and he may be acquitted since it is very difficult to prove what a man is trying to do when he does something. Nevertheless, this business of subjecting politicians to occasional fights for their reputations may have a wholesome effect in the long run.

It is too bad there were not more teen-agers at the Mayfair courts Sunday where they could have seen some of the best tennis in the country played. Betty Rosenquist is No. 3 in the East, Jean Clarke No. 7 in the South, Enrico Buse No. 1 in Peru and the rest weren't so bad. With adequate tennis facilities there is no reason why Sanford couldn't develop top flight tennis players for we have a climate as suitable for it as California's. And if they don't become top flight, they will at least have a game that will stay with them for life, providing them with fun and exercise long after they would have had to abandon for various reasons most other sports of their youth.

The world has come a long way since 1927 when Charles Lindbergh flew across the Atlantic in a way that captured the public imagination and made a national hero out of him. So has he. He endured his popularity well for a number of years, probably better than most could have if they achieved it so suddenly and so easily in life. But he finally got tired of snoring reporters and camera men who flashed light bulbs in his face around every corner, his notoriety attracted more to him everywhere he went and finally from among those who came criminals who stole his child and wrecked his home life. He was an isolationist as his father was before him, believed America should keep out of the second world war, thought Germany would whip Russia in three months, but when the war came, he did not act as a technical adviser to the aviation firm, and did some things over Japanese insisted Pacific waters. Today, 20 years after the memorable flight, he lives quietly in Connecticut.

TOO LATE TO CLASSIFY

By RUSSELL KAY

In his excellent column "Behind the Front Page" in the Miami Herald, John Pennekamp points to a serious defect in the law under which the State Advertising Commission operates. In that it may spend no part of the \$500,000 annual appropriation within the State. "As a result," he states, "the Commission has difficulty in selling itself back to the people of Florida. Thus, while it may be doing an outstanding job, the Florida folks who put up the money see little of what the Commission is accomplishing, except in more or less accidental fashion."

The legislature in setting up the commission restricted its activity with the idea of preventing abuses. They reasoned that if all funds were spent out of state, Florida folks who put up the money see little of what the Commission is accomplishing, except in more or less accidental fashion. There are two very good reasons why a portion of our State advertising investment should be spent within the State. First, if the program is to be expanded and more funds appropriated in the years to come, it is imperative that we "sell" Floridians on the program and enlist their sympathetic support. Second, it is not enough to bring people to Florida; we have a selling job to do after they get here and, if we use some of our advertising money to acquaint them with opportunities and advantages that Florida offers the homeseeker and investor while they are within the State, it will pay handsome dividends.

Lewis And Owners Hold Secret Sessions

WASHINGTON, May 21, (AP)—John L. Lewis and the mine owners settle down today in an air of great secrecy to bargaining for a new contract to keep the United Mine Workers digging coal after June 30. Neither Lewis nor Ezra Van Horn, chairman of the negotiating committee, would discuss how much progress was made yesterday and Friday at preliminary talks between the U.M.W. chief and those who represent 75 percent of the nation's bituminous production. Van Horn, who was referred to by Lewis as the conference spokesman, told reporters all he had to say was that discussions would resume at 2:30 P. M. today.

LYSTER DIES

WASHINGTON, May 21, (AP)—Col. William J. Lyster, 77, retired Army medical officer who developed the "Lyster bag" for sterilizing drinking water, died last night.

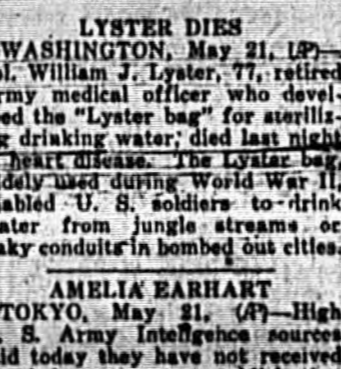

AMELIA EARHART

TOKYO, May 21, (AP)—High U. S. Army intelligence sources said today they have not received any information to establish that Amelia Earhart had landed and was taken prisoner by the Japanese during a round-the-world flight in 1937.

GAS! at your service

You're ready to cook! And as fast as magic, a clean, hot flame dances under your kettle! Hot water? Just turn it on--it's there! Your gas refrigerator runs as quietly as a little, blue flame burns! When the wind blows from the north, city gas is right there to quickly and thoroughly warm your home like a breeze from the south! When you're hot in summer, the same city gas operated air conditioner that warmed you in winter will cool you!

There is no service like gas! And we are doing everything possible, in these days of shortages, to extend and continually improve this service for everyone.

Social And Personal Activities

— TELE. NO. 148

Social Calendar

THURSDAY
The County Federation of Women's Clubs will meet at the Woman's Club house at 10:30 A. M. A covered dish luncheon will be served.
The sons meeting of the Women's Society of Christian Services will be held in DeLand at Trinity Church at 10:00 A. M.
Seminole Rebekah Lodge No. 43 will meet in the I. O. O. F. Hall at 8:00 P. M.
FRIDAY
There will be an all day training class for officers and cause secretaries of the Presbyterian Women's Auxiliary at the church. Mrs. Norwood Phelps will conduct the training class. All officers are urged to attend.
The Townsend Club will meet in the Tourist Center at 8:00 o'clock. After the business of meeting cards and checkers will be enjoyed and refreshments served.
SUNDAY
Brotherhood of Locomotive Engineers, Division No. 769, will hold their Memorial Service at the Methodist Church at 4:00 P. M.
MONDAY
All ladies of the Holy Cross Episcopal Church are invited to attend the annual luncheon to be held at 12:30 o'clock at the Parish House.

Weiner Roast Held By R. W. Ware Class

The R. W. Hutchison home in Cameron City was the scene of a Tuesday evening of a weiner roast held by the R. W. Ware Class of the First Methodist Church.
Weiners were roasted over the open air fire place and served with salad and cold drinks. Guests were seated at a long table on the lawn. Following supper cakes were brought out and "Happy Birthday" sung to Judge R. W. Ware, class teacher. Hostesses were Mrs. Hutchison, Mrs. A. O. Johnson and Mrs. L. I. Hughey.
A business meeting was conducted by Clyde Brockman, president. Visitors and prospective members were welcomed and an announcement was made that hostesses for the June meeting will be Mrs. McKinney, Miss Norine Norwood and Mrs. J. C. Owen.
Those enjoying the evening were Mrs. J. M. Azzarello, Betty Bryant, Mrs. and Mrs. Brockman, Miss Fred John Brockman, Mr. and Mrs. H. B. Gray, Beverly Gray, Mrs. J. R. Hoelhan, Mr. and Mrs. Hugley, Joanne and Lewis Hughey, Mr. and Mrs. Hutchison, Joe Hutchison, Mrs. Johnson, Mrs. McKinney, Mrs. and Mrs. Norine Norwood, Mrs. Owen, Martha and Jimmy Owen, Mrs. Escar Price, Mr. and Mrs. R. H. Reely, Mr. and Mrs. E. M. Swain, Mrs. J. H. Tindal, Judge Ware, Mr. and Mrs. C. E. Williams, Mr. and Mrs. C. L. Wynn, Miss Belle Wynn, Mrs. C. C. Chorning, Mrs. Paul Radford, Sue Anne Radford, Clifford Wynn, Mrs. E. C. Gordon, Jr., Mr. and Mrs. Otto Anderson, Ronnie Anderson and Mrs. Ilanthe Tate.

Choirillants Honor Chour And Graduates

The choir of the All Souls' Catholic Church was entertained on Monday evening with a boat party given by Mr. and Mrs. F. E. Rummel who also honored several members of the graduating class of Seminole High School. They were Miss Betty Cullum, Miss Josephine Michels, Miss Jacqueline Michels, Miss Mary Louise LaFila, Margaret Von Herbulis, Rosemary Churry, Lila Lester, Phyllis Bach, Cheryl Henley, Frances LaFila, Viola Skinner and Gloria Damper. Also Mrs. Fred Brandt, Mrs. Mary Church, Mrs. June Rummel and Mr. and Mrs. Lubinski. Paul Pasold, John Skinner, Lawrence Horton, John Michels, James Von Herbulis, Francis Tampa, Wilton E. Singletary, Mrs. McGinn, Betty Gammage, Dickie Frank, David Carwell, Jack Ludwig, Jimmie Ludwig, Bill Bryant, Bruce Smith and Raymond Hobbs.

Richard Tison Is Honored On Birthday

Mrs. W. C. Tison entertained last Friday in honor of her son Richard on his ninth birthday at the home of Mrs. J. P. Wilson, 1016 West Twentieth Street.
Games were played in the yard of the Wilson home and prizes were won by Frank Hurt and John Bowen. After the games were concluded the children were consoled by Mrs. Tison and Mrs. Wilson.
Those invited to be with Richard were Sara Jacobson, Evonne Gellen, Shirley Morgan, Jean Huck, Mrs. Shirley Huchel, Sylvia Peters, Patsy Whitte, Martha Cameron, Mary Anne Wright and Betty Ann Munson. Also Frank Hurt, Ernie Morris, Billy Westphal, Michael Moss, Jackie Thomas, Kenneth Brown, John Bowen, David Wilson, Edwin Madden and Randall Lavender.
Panning is a quick and easy, top-of-the-stove way to cook many tender young vegetables.

Dorothea Curry Weds Lieut. James Carter

Miss Dorothea Curry, daughter of Mr. and Mrs. Francis P. Curry of Baldwin, Long Island, N. Y., became the bride of Lieut. James E. Carter, U. S. Army, son of Mr. and Mrs. Elbert B. Carter of this city on May 11 at 4:00 o'clock in the chapel of the Most Holy Trinity Church at West Point, Rev. Moore officiated at the ceremony.
The bride, given in marriage by her father, wore a gown of white satin of off-the-shoulder design. The gown featured a hoop skirt and a long train. Her imported illusion veil fell from a tiara of seed pearls and she carried an arm bouquet of white roses.
Miss Virginia Southard of Baldwin served as the bride's maid of honor. Her gown was of Nile green taffeta with which she carried a bouquet of roses. Lieut. Jerome Halloran of Pittsburgh was Lieut. Carter's best man and his ushers were cadets from his company at West Point.
Mrs. Curry, mother of the bride, wore a dress of draped powder blue crepe with blue and white hat and accessories and a corsage of white gardenias. Mrs. Carter, the groom's mother, chose to wear a navy blue sheer crepe gown with pink accessories and a pink orchid corsage.
Following the wedding a reception was held in the Officer's Club at West Point and dinner was served to the 80 guests present. After a trip to the Pacific coast by plane Lieut. Carter will take up his new assignment at Camp Smith, Mrs. Carter accompanying him.
Lieut. Carter is an alumnus of North Georgia College, Dalton, Ga., and the U. S. Military Academy at West Point, class of 1946. He was recently graduated from the artillery school at Fort Bliss, Tex.

Seminole County PTA Has Group Meeting

The combined P. T. A.s of Seminole County Schools attended a course of instruction in parent teacher's work yesterday at the Tourist Center. The meeting was opened with the national song at 12:10 o'clock for a luncheon at the Palm and Pine given by the local group in honor of the state officers present after which they reassembled at the Center for the afternoon. A round table discussion preceded the adjournment of the meeting at 3:00 P. M.
Mrs. Frank Humphrey of Daytona Beach, region director, was the presiding officer for the day. The Seminole County Council president is Mrs. John Rogers; vice president, Mrs. J. P. Holtzclaw; secretary, Mrs. Joe Corley and treasurer, Mrs. D. C. Howard.
EPISCOPAL WOMEN TO MEET
The Women's Auxiliary of the Holy Cross Episcopal Church will meet on Monday at 12:00 noon. A buffet luncheon will be served after which Dr. Katharine A. Hays will speak on "Building a Christian Life". A business session will close the program of the group for the year.

Demure Outfit Can Go Night Clubbing

By DOROTHY ROE
Associated Press Fashion Editor
Neatest trick of the season for the busy gal who must dress in the morning for a day at the office and an evening date is a trim outfit designed by Norman Norell to lead a double life.
In its workaday guise, it consists of an impeccably tailored yellow jacket and slim wool skirt, noticeably longer than last year's hemline. With it is worn a simple hat and some discreet jewelry.
Some nightfall and the demure little outfit undergoes a startling change. Off comes the jacket, away goes the hat, and there is our versatile Miss Two-Timer in bare-top dress with narrow criss-cross straps. The longer skirt length in the suit version makes possible the quick change to afterdark formality. Norell recommends skirts 14 inches from the floor for the new look.
The idea of jacket over bare-top dress is the simplest solution thus far to the problem of how to dress only once for a day that includes both work and play.

CITRUS MEETING

TAVERES, Fla., May 21 (AP)—The annual Citrus Growers Institute will be held at Camp McQuarrie Aug. 28-29, secretary Karl Lehman of the Lake County Chamber of Commerce said today.
CASUALTIES REPORTED

Mrs. Charles H. Kindred and son Sonny and Mrs. J. A. Roach and son Johnny have returned to Waycross, Ga. after spending the weekend with their parents Mr. and Mrs. Claude Wetherington.
Mr. and Mrs. Richard Maxwell, Jr. and son Richard III, formerly of Pennsylvania, are visiting as the guests of Mr. and Mrs. R. C. Maxwell for a short time before going to Atlanta, Ga. where they plan to make their home.

Mero Commended By Presbyterians

A resolution was drafted commending Sheriff Perry Mero for his efforts in law enforcement at the annual birthday meeting of the Women's Auxiliary of the First Presbyterian Church held on Monday at the church with approximately 44 women present.
Mrs. Ralph Austin Smith presided over the meeting. An announcement was made that an officers' training school would be held in the church on May 23 at 10:00 A. M. and a covered dish luncheon would be served at noon. Mrs. Norwood Phelps of Jacksonville will conduct the school and will be assisted by Mrs. Holt of Jacksonville and Mrs. M. J. Moss, Jr. of Orlando.
Mrs. D. B. Middleton's circle had charge of the religious part of the program during which time Mrs. A. D. Smith presided. Mrs. H. D. Dague and Mrs. George Maffett took part in the program and an offering was received which will go toward the mission in China, Japan and Korea.
A social hour followed the program. Refreshments of punch and cake were served by Mrs. J. D. Woodruff, social chairman, assisted by Mrs. W. A. Leavitt, Mrs. Mary Bolly and Mrs. G. B. Elliott.

Miss Stinecoper Has Slumber Party

Miss Grace Marie Stinecoper entertained last weekend with a slumber party at her home, 2401 Park Avenue. The girls gathered in the recreation room of the Stinecoper home and meals were cooked and enjoyed in the garden.
Games, bathing and contests were enjoyed on Friday and Saturday. Those invited to be with Grace Marie were Beverly Cooper, Patricia Tooke, Joni Saunders, Peggy Wright, Ellen Lyon, Jeanette Watson, Patsy Collins and Rosemary Garner.

U. O. F. Applications Deadline May 31

GAINESVILLE, May 21 (Special)—Deadline for filing applications for admission to the University of Florida for the first term of the summer session, beginning June 16, has been extended to May 31, Lewis F. Black, assistant registrar, announced today.
With a record-breaking enrollment predicted for the summer session, both of which will be completely co-educational, officials stressed that all applications for the first term must be in the hands of the registrar by the end of May.
Sprinkle walnuts over chilled fruits for a delicious dessert.

Mrs. Jane Fleetwood, state president of the American Legion Auxiliary, will meet here with the president of the 10 Florida districts on Saturday and Sunday. A school of instruction for district presidents will be held and plans discussed for the coming year.

Jane Fleetwood To Be In Sanford May 24

Mrs. Jane Fleetwood, Tallahassee, state president of the American Legion Auxiliary, will meet in Sanford Saturday and Sunday with the presidents of the 10 districts in Florida for a school of instruction for district presidents and discussion of plans for the year. Mrs. A. J. Ryan, Dania, immediate past department president, will sponsor "The Duties of a District President."
The Auxiliary will hold a joint session at 2 P. M. Saturday afternoon with the Legion's Department Commander, Frank Caton and the district commanders at which the state rehabilitation committee will outline the Auxiliary's program for the year in the three veterans hospitals of Florida: Bay Pines, Lake City and the Nautilus at Miami Beach.
The 10 district presidents are: Mrs. Iva Mae Lloyd, Panama City; second, Mrs. Francis Hirt Chubbhoseck, third, Mrs. Quinn Howell, Lake City; fourth, Mrs. Ralph McPeeters, Ocala; fifth, Mrs. M. H. Fuller, Bunnell; sixth, Mrs. Sylvia Routh, Sanford; seventh, Mrs. Austin Shaffer, Tampa; eighth, Mrs. Florence Parace, Fort Myers; ninth, Mrs. Elizabeth DePalmer, Delray Beach; tenth, Mrs. A. E. Reinhard, Miami. Other state officers are: chaplain, Mrs. D. G. Tinsley, South Jacksonville; and historian, Mrs. L. M. Duncan, Coconut Grove.
A state rehabilitation committee includes: Mrs. J. H. Fitzpatrick, Eustis, chairman; Mrs. H. R. Whitehead, Tampa, director of hospital workers schools; Mrs. Alex Woods, Lakeland, employment; Other chairmen who will attend the meeting and speech subjects include: membership, Mrs. A. J. McDonald, St. Petersburg; child welfare, Mrs. Frank E. Weiser, St. Petersburg; worth and publicity, Mrs. Joe Rovira, Tampa.

Mrs. Fred Myers Is Installed President

Mrs. Fred Myers was installed as district deputy president of District 10 Rebekah Assembly of Florida by Mrs. Fannie Spine, vice-president, on Friday evening at the I. O. O. F. Hall. Mrs. Stella Bowen, past deputy president of Orlando, presided over the meeting.
Many lovely gifts were presented to Mrs. Myers and Mrs. Bowen, who also received with Mrs. Spine beautiful corsages.
At the close of the meeting refreshments were served to members from St. Cloud, Kissimmee, Sanford and both Orlando lodges. Officers elected for the ensuing year were Mrs. Myers, president; Mrs. Inez Williams, vice-president, Orlando; Mrs. Minnie Barker, warden, Orlando; Mrs. B. F. Squires, secretary, Sanford; Mrs. Ruth Kenny, treasurer, St. Cloud; Mrs. Sally Hayward, marshal, Orlando; Mrs. Montieth Brown, conductor, Orlando; Mrs. Bertha Mann, chaplain, St. Cloud; Mrs. Catherine Mason, I. G. O. Orlando; Mrs. Leora Bass, O. G. Kissimmee; Mrs. D. C. Howard, musician, Sanford; Mrs. Mamie Bovis, P. N. U., Kissimmee; Mrs. Stella Bowen, past president, Orlando; Mrs. Martha Furr, charge of home project, Orlando.

Baron's Court Made Into Dance Studio

AP Newfeatures
LONDON—A handsome brick general Baron Court soon will echo to the top of ballet shoes. Up the steps each morning will troop demure, pigtailed English schoolgirls in severe uniforms, but with drooping of Swan Lake and Tetriska in their hearts.
A ballet school of the traditional continental pattern, where future ballerinas can learn their ordinary continental pattern, where ordinary lessons as well as the dance, is being started by the Sadlers Wells Ballet Company.
Russian ballerinas were trained at boarding schools from a very early age, with a strict, almost segregated life. Other continental state theaters have run their own schools, where children for the Corps de Ballet could have a general education as well as ballet.
But up to now in England, school to be years the ballet has earned tremendous popularity, children had to do their ballet training after school hours, and often travel across London to get it.
At 15 they transfer to the most school, where boys may also attend, and concentrate on dance and subjects such as French, English and Literature.
Certain Types Can Be Airline Hostesses
AP Newfeatures
BALTIMORE—What does it take to fill out the uniform of an airline hostess just right?
Well, first of all, lady accident-prone, nervous, and bleached, blondes need not apply.
They're just "not the type." So says Mrs. Roy O. Boston, who should know. She's a representative of the McConnell Hostess School of Kansas City, which supplies hostesses for several airlines.
"The quality girl to have is either married or divorced. Either condition washes you out of the course before you start."
What do you have to do to qualify? Just operate about as you would to win the "Miss America" eliminations.
Weigh between 100 and 130, stand between five feet two and five feet six, be in the age group of 21 to 28, have perfect vision, good teeth—and pretty legs.
Make a syrup of brown sugar and a little butter or fortified margarine, and serve it over carrots cut lengthwise. Or glaze the carrots in this syrup in a frying pan or in the oven.
In the early 1700's, the British Parliament made it a law that British sailors should have lime juice to drink when at sea. This was to protect the sailors from scurvy.

Patricia Travers Began Career At 3

AP Newfeatures
By ADELAIDE FERR
AP Newfeatures Writer
Patricia Travers, 19-year-old concert violinist, sent her bow flying through the dazzling rhythms of the Brahms Concerto and laid her violin aside. Into her playing she had put all the skill she has mastered since she began playing at three and a half and went toward a professional debut at nine.
Why is it that Patricia at her age could chalk up a record of ten years' work as a professional violinist, including solo performances with leading American symphony orchestras and be heading toward a European debut this summer, with a lot of other teen-agers are making headlines as "dilettantes"?
"Well," said Patricia with a promptness that showed she had already reflected on the matter, "I think one very important fact I began young. At three a child has no fear that he cannot do a thing. My father, who was musician, played a few notes on a tiny violin and I thought I could too. It never occurred to me that I could not learn."
"But as Helen Rath said about herself at the other day, they start playing at 15, when they should start them at five or six. When you are older, you have had time to learn fear. I always think of just one thing at a time, the next note when I'm playing. Concentration does a lot to overcome fear."
From the beginning I had an objective, to be a top rank musician. If you have an objective you're naturally going to spend time on it and that leaves less time to get into mischief, you get a feeling of security. Don't they say delinquents suffer from a feeling of insecurity or something like that?
"I think any child is better off if he is started at something when he is very young. Naturally a two-year-old is not going to start looking for something to do himself. He needs help. And by that I don't mean, telling him, 'There is the piano and these books—get busy!' I mean just surrounding him with good things that will give him a creative outlet and suffer from what Helen Rath talks after awhile. Then when you see his choice, help him in that direction."
Patricia, helped by questions, delivered this with a poise that might do credit to a 40-year-old. She is a pretty youngster with creamy skin, deep blue eyes and dark hair and is the daughter of Samuel A. Travers, Clinton, N. Y. lawyer, who formerly was a professional singer. The family talks and thinks music.
On Patricia's third Christmas one of her father's clients, who owned a music store, gave Patricia a toy violin and gave the moment her father played a few bars for her, her life seemed to have headed toward violin music. She made her amateur debut at six at Music Mountain, Conn., her professional debut at nine on a radio commercial hour with the Detroit Symphony Orchestra and her New York debut at 10 at the Lincoln Stadium. Now she tours

MENUES

(Recipes Serve Four)
Sparricris and Sauerkraut
2 quarts sparricris
2 quarts sauerkraut
6 medium-sized potatoes
1 egg, unbeaten
Flour
Salt and pepper
Have sparricris cut into serving pieces. Brown pieces in hot bacon drippings. Remove to a large cooking utensil. Add sauerkraut and season if necessary. Cook for one and a half hours. Boil potatoes in their jackets and when done, drain, peel and mash. Beat until fluffy. Stir in the unbeaten egg and a sprinkling of flour. Form into potato balls. Place these on top of the sauerkraut. Cover pot tightly and cook for 15 minutes without removing cover.
STUFFED ONIONS
Four large onions, 1 cup stock, 4 potatoes, salt, pepper, butter or margarine, hot milk, buttered crumbs.
Peel onions and parboil them for ten minutes in boiling salted water.
In concert every season from October to May. She sails for Europe soon to play in Paris, London, Vienna and the Hague. Both parents go with her on all tours and neither has missed a concert.
For fun Patricia collects things antique chairs, miniature sailing ships and patchwork quilts.

Kettles Trim Saints, 5 To 1 Gainesville Here Tonight

St. Augustine Knocked From League Lead By Sanford Defeat; Hats, Orlando Tied

Manager Buddy Lake announced this morning that Big Bill Stanton will handle tonight's mound duties against the Gainesville G-Men at the Municipal Park tonight.

ST. AUGUSTINE, May 21 (Special)—Goose Kettles turned in a six hit hurling masterpiece to trim the Saints by a 5 to 1 count and again scramble the standings in the Florida State League by knocking the Ancient City aggregation from the top slot.

The Orlando Senators doubled the Palatka Astors by a 2 to 0 margin, and Deland returned to the victory column by white washing the Leesburg Pirates in a 12 to 0 contest. The St. Augustine defeat, and the Deland and Orlando victories placed the Red Hats and the Senators in a two way tie for the league lead.

The lone Saint marker came in the fifth when Sidney Johnson singled and was driven home by Jim Sosebe's triple against the centerfield wall.

Third baseman Bob Lee paced the Fed attack on the two Saint hurlers. Lee blasted two in four appearances. Manager Buddy Lake and Jerry Silverman hit safely twice in five trips. Al Bryant singled once in two official appearances.

The Gainesville G-Men are slated to invade Sanford's Municipal Park tonight.

1947 Minor League Convention Will Be Held In Miami Dec 3

COLUMBUS, O., May 21 (AP)—The Minor League baseball convention for 1947 today was opened in Miami for Dec. 3, 4 and 5, and the 1948 meeting to Minneapolis on dates to be selected.

The convention is sponsored by Clarence (Pants) Rowland, president of the National Association of Professional Baseball Leagues and it was the first time in the Association's 46 years that the Florida or Minnesota cities had been selected for the convention.

The Major League meeting was announced last week for Dec. 10, 11 and 12 at New York.

The executive committee which selected Miami and Minneapolis for the next two meetings of the minors is composed of chairman Clarence (Pants) Rowland, president of the Pacific Coast League; Earl Mann, president of the Atlanta Club of the Southern Association; Herman D. White, president of the Wisconsin State and Northern Leagues, and Truman.

Last year's Minor League sessions were held in Los Angeles.

The word "pecan" is said to be derived from an Indian word "pecan" or "pucan." About one pound of pecans per person has been produced annually in the United States and Mexico in recent years.

COMMENTS from the SIDELINES

By ARTHUR BECKWITH, JR.

PLAYERS OUSTED

It is reported that the 1,350 fans who filed into Francis Field in St. Augustine Sunday were treated to a baseball show that was really worth witnessing.

There were side acts in addition to the main event that would put any three-ring circus to shame. The two home runs, the flying temperance players being chased to the showers and the combination wrestling-boxing match between Manager Don Anderson and Mario Perez sparkled the show.

Manager Bill Steinecke of the Red Hats has been fined \$10 by President Al Combs of the Florida State League, and Mario Perez, Red Hat first baseman, drew a \$5 penalty as the result of the fracas in the tilt.

Chuck Anderson, Hat third sacker, received a warning from Combs as a result of being chased to the showers in the contest by umpire Lavelly in the eighth inning dispute.

Steinecke, Combs reported, drew the \$10 fine for allowing his players to rush onto the field during the 11th inning uprising in which Perez and Anderson were chased.

Even if the umpires cannot see if a man is out or not, they seem to be on the ball when these uprisings occur. Maybe we have accomplished something this year after all. We must remember that it is an ill wind that blows nobody some good.

LEGION BASEBALL

We are very glad to see the American Legion sponsoring baseball league for the youngsters of the area.

Several years ago there was very little interest in development of the young baseball talent in this area. Only recent years have the Rotary and the Lions Clubs become active in sponsoring for the youngsters.

This Legion ball organization is one of the finest means of developing young baseball players. There are literally thousands of men in baseball today who received their start on the sandlot teams that the Legion sponsored.

In years back Sanford was one of the most outstanding baseball towns in the area, and an abundance of baseball talent was being developed. Sanford really turned out better teams in the days of the semi-pro leagues than they have at present. Those were the good old amateur days when the youngsters of the area would get together and form teams and an excellent league of semi-pro organizations.

It has been over a decade since Sanford has turned out any baseball players of note. The reason for this lack of local baseball talent is because no organization has taken enough interest in the youngsters to give them the opportunity to learn the game and develop into outstanding players under proper guidance.

Grammar Tournament Won By Room Seven

Room seven of the sixth grade in the Sanford Grammar School won a softball round robin tournament that was recently held at the school.

Four rooms were entered in the tournament and each team was composed of six boys and four girls. The rules for play were streamlined, featuring two strikes for an out and two outs to retire the side.

The roster of the winning team included George Harden, Bob Welton, Mike Rotunda, Phillip Slaters, Eugene Brown, Sylvia Hayes, Joan Wright, Sheila Moore, Dorothy Driggers, Martha Jones and Beatrice Brown.

If spinach is young and tender, it can be cooked in the water that clings to the leaves after it has been thoroughly washed.

PLAYING CARD—THE ACE

By Alan Maver

The Clubhouse

By DILLON GRAHAM AP Newsfeatures

PINEHURST, N. C.—How does Babe Didrikson Zaharias do it? She won 15 straight women's golf tournaments, including the national championship—a record never approached in golf history.

The Babe is a great golfer, but the best golfer doesn't always win. Sometimes she catches a rival who has a hot round. Bobby Jones was rated tops, but he didn't win all the time.

Mrs. Zaharias attributes her consistent triumphs to her concentration and competitive spirit.

"I've always been a fighter," she says. "Ever since I was a kid I've scrapped for everything. I want to win every time I go to the tee. If a game is worth playing, it's worth playing to win."

"Anything can happen in golf and the tides turn. You're never beaten until that putt goes into the hole. I'm fighting to the finish and never conceding defeat."

In the recent Augusta, Ga., Titleholders medal play tournament, the Babe was 10 strokes back at the halfway mark. But she still had confidence she could win and she did. In one of the Florida match play tournaments, she was two down and three to play against Jean Hopkins of Cleveland—but she took the last three holes to win.

The Babe outthinks even the better players by 20 yards or so. She reaches some long-hole greens where rivals fail.

Mrs. Zaharias never knits or goes to the movies during a tournament. She figures these make-up days leave less for golf the next day.

Players take their game seriously and practice often but the Babe doubts if they practice more than she or that they study shots as closely.

"When I was starting golf, I'd spend hours—sometimes eight hours a day—practicing. My hands were so sore they were covered with tape. Sometimes they bled, but I kept right on practicing," she said.

"I still practice every day, often for several hours, except during a tournament. I never hit a shot before my head. I don't want to tire and let my game on the practice tee," she said.

"Often, I spend an hour or so in the woods, learning to make recovery shots. I give myself to-ugh lies and positions. So, during a match, I'm not befuddled when I book into the woods."

Psychology works both ways for the Babe. Many of her rivals, knowing she is the top player, figure, perhaps subconsciously, that there really isn't much hope for them. Maybe this gives Mrs. Zaharias an edge. Others, though, feel they have everything to win and nothing to lose in a match they're tabbed to lose. Loosening their tension and just play golf, often producing their best relaxed game.

Field May Be Opened For Late Entries In Memorial Day Races

INDIANAPOLIS, May 21 (AP)—There was a possibility today that the field may be opened for late entries in the Indianapolis Motor Speedway's 500-mile race, but holdout "name" drivers weren't at all sure they'd be in the May 30 lineup.

"The speedway has done everything except offer more money to get us in, but it will take money," said Red Mays, a driver in the holdout American Society of Professional Automobile Racers.

Although none of the ASPAR holdouts has made a move to get into the race, the American Automobile Association's contest board has anticipated a reopening of entries when and if a last car owner agrees to a waiver movement.

Even before the arrival of Henry L. Brooks, a car owner enroute from Coventry, England, the AAA posted a bulletin authorizing unentered cars to qualify on a "stand-by" basis, provided the speedway decides to accept late entries.

The bulletin also specified that any late entries admitted to the race would not be eligible for qualification prize money.

"The bulletin," Mays said, "is typical of the speedway. That means the junkers at the track now will get all that money even if the ASPAR drivers make better time."

"Under this plan," he complained further, "Each driver would have to enter as an individual and get waivers as an individual from everyone who now has a car in the race. If we move at all, it will be as a group, not as individuals."

Since before the Apr. 15 deadline for car entries, the ASPAR group has been demanding that the speedway's \$75,000 prize guaranty be doubled. Following the deadline, the speedway added \$10,000 in qualification prizes, but Speedway President Wilbur Shaw has re-

lated that the purse for the Memorial Day race will be boosted, if the gate warrants.

LEGAL NOTICE

Railway Merger

(Continued from Page One)
The majority of the 11-member commission said the approved plan would lead to "betterment of service to the public."
Commissioner Mahaffie filed a dissent, in which he said he was joined in whole or in part by Commissioner Miller, Splawn and Lee. Said Mahaffie:
"The views of the persons served by the railroad, the persons dependent on it for a livelihood, and of those who own its securities all have to be very largely disregarded in order to reach the majority conclusion (for merger)."

School Funds

(Continued from Page One)
take care of school needs next year, said Mr. Lawton.
He declared that in order to take care of teachers' salary increases, \$75,000 more will be needed, and that to do this it will take this money from the transportation and current expense funds. If this cannot be done, it may be necessary to raise the millage, he declared and pointed out that the local school budget for the term ending in June was set at \$490,245.
A total of \$291,709 will have been paid to teachers this year in the county as compared to \$272,925 received for this purpose last year, he revealed. In the current budget, \$35,000 is allotted to transportation, \$4,200 for health, \$30,000 for repairs, \$2,000 for classroom supplies and \$15,000 for general administration, a total of \$105,284 for those items.
At present the county has a six mill general and a four mill special tax, said Mr. Lawton. According to State Supt. Colin English, 36 to 37 million dollars of State funds will be made available to the counties under the new program, about 75 percent of which will go to teachers' salaries. This represents a doubling of the State effort, and 67 counties will receive additional State funds amounting to 18 million dollars.
All estimates are based on 1945-46 attendance records and are subject to fluctuation due to increases in school attendance and teacher qualification changes.

Jews Stage Raid On Arabs In Palestine

TEL AVIV, Palestine, May 21 (AP)—Five Arabs and one Jew were killed last night during a night raid on the Arab village of Tira for which Hagana, a Jewish underground organization, claimed responsibility. Two buildings were demolished.
Hagana issued a communique saying "our counterattack received retaliation" for a raid Sunday night by a band of Arabs, dressed in military uniforms, on the nearby settlement of Petah Tikva.
The Arabs were killed in gunfire exchanges. Unofficial sources said the Jew was slain by one of his own comrades by an accidental shot through the head.
The Jews were said to have mined the outskirt of Tira to prevent pursuit.

22 Man U.S. Mission Enroute To Turkey Arrives In Germany

FRANKFURT, Germany, May 21 (AP)—A 22-man United States mission headed by Maj. Gen. Lunsford E. Oliver and Rear Admiral Ernest E. Herrmann arrived here today en route to Turkey to survey that nation's needs under the \$400,000,000 Turkish-Greek aid program.
Three members of the State Department and seven from the Navy were in the group in which Army representatives predominated. A similar mission to Greece was expected here shortly.
"We are going to find how the money we are providing will best be expended," said Oliver, who commanded the 5th Armored Division during the war.
He estimated the group would be in Turkey "perhaps two or three months." The mission will fly from here Thursday morning and expects to reach its destination tomorrow night.
Meanwhile, the White House said today that President Truman will sign the \$400,000,000 Greek-Turkish aid bill at a ceremony in Missouri tomorrow.
Addressing an honor guard of 33 policemen, he said: "Boys, remove your coats and be comfortable."
The order was obeyed.

Chinese Capital City Encircled By Reds

NANKING, May 21 (AP)—Besieged Changchun, capital of Manchuria, is now completely encircled by Chinese Communist forces, nationalist dispatches reported today.
Government troops, however, were credited with reentering Kunchuling, 36 miles southwest. Fighting was reported in the streets.
In Changchun itself, Generalissimo Chiang Kai Shek's forces began digging trenches and setting up machinegun nests. They made other preparations for a possible fight inside the city.
Information director Hollington Tong placed the total Communist strength against Changchun as 90,000 troops, including 20,000 Korean Communists.

Kiwanis Meet

(Continued from Page One)
the Holy Land. Bishop Ryan was associated with Methodist Mission publications in Japan. He told of a prophecy made to him by Count Moshizuki, Yale educated Japanese leader of the anti-military party, to the effect that the time was coming when Japan would be in deadly combat with America. Many of Count Moshizuki's followers were beheaded in 1927 as the military group rose to power, he said.
He later went back to America and then to China where he conducted a Presbyterian Mission press. In 1921 he was sent to Lebanon. He told of the fight of the Druzes, a race separate from the Arabs and with religion similar to the Christian against the French domination.
He stated that it was his opinion, based on direct observation, that the Jewish underground movement directed against the British and the Zionist Jews is led and financed by Red Russia. Conditions in this cross-roads of the nations are very dangerous, he said and predicted that the present bombings and explosions are only the preliminary to an explosion of tremendous character.
The Rev. J. B. Root stated that Radio Station WTRR had received notice of hearing its broadcasts in Ontario, and predicted that the

Tourist Dies

Mr. Abe Balsey, winter visitor here for the past five years, died on May 12 at the Swedish Covenant Hospital in Chicago, according to notice received by his sister-in-law, Mrs. Edyth Welch and his whom he had spent the winter seasons.

Relief Bill

(Continued from Page One)
to the House by its appropriations committee by June 12 "when you can get a picture of expenditures for the fiscal year 1948."
George said cuts already made by the House in five appropriations bills came to \$1,671,000,000. He said indications point to further cuts boosting this to \$2,786,000,000, exclusive of \$800,000,000 for tax refunds.
With \$2,786,000,000 added to an indicated budget surplus by June 30 of \$1,250,000,000, George figured a little over \$4,000,000,000 available for tax and debt reduction.
George said he hopes he is wrong on these figures, but he wants to wait and see the actual count before tax legislation is adopted.

Hoboken Celebrates

ministration—became bona fide of the entire department, taking over the post of director of public safety.
Fitzpatrick, rising from patrolman to police commissioner in a single step, issued his first official order at a dinner honoring him and the four other fusianist commissioners.
Addressing an honor guard of 33 policemen, he said: "Boys, remove your coats and be comfortable."
The order was obeyed.

Lynching Trial

(Continued from Page One)
confessed any participation in any alleged crime, could not be argued to you in justification, mitigation or excuse to the charge contained in this indictment."
Twenty one defendants are charged with murder, conspiracy to commit murder, and with being accessories both before and after the fact. Seven others are accused of conspiracy and of accessory before the fact.
The judge reminded the jury "that the failure of the defendants to take the stand and testify in their own behalf does not create any presumption against them, and you are not to permit that fact to weigh in the slightest degree against any of the defendants."
There was no indication as to how long the judge would need to give his charge but the jury was expected to get the case sometime this afternoon.

Foremen's Strike

(Continued from Page One)
dispute as a result of rank of the unionized foremen at Ford, failure to equalize the wage structure, recognition, shift differentials and overtime pay, and what he labeled "arbitrary actions of the company."
Keys said picket lines would be established for supervisory employees only and that CIO United Auto Workers in the three Ford plants here would not be asked to respect them.
Plants affected are the Rouge, Lincoln and Highland Park units.
The union leader said Henry Ford II took part in a two-hour conference Tuesday that ended in a deadlock.
He said the company demanded a renewal of the old contract "with no amendments" for one year, while the FAA insisted upon certain alterations in the terms. "With our contract terminated, we felt free to strike," Keys added.
The Foreman's Association struck the Ford plant twice before obtaining its first contract in 1944. There had been no strikes since that time.

May Says Checks Paid Firm's Expenses

WASHINGTON, May 21 (AP)—Former Rep. Andrew J. May testified today that checks received from the munition-making Garson brothers and deposited to his personal bank account were used to pay expenses of a Kentucky lumber company.
The former House Military Committee chairman is on trial on charges of taking \$55,000 in bribes from his co-defendants, Murray and Henry Garson, in return for official favors to the \$78,000,000 Garson shell-making combine.
Questioned about a number of the Garson checks to the Cumberland Company that wound up in his personal account, May said he could only explain that he sent the checks from Washington to his Prestonsburg, Ky., bank where he had separate accounts for himself and the company. The Garson checks he sent bore his name as the final endorser.

State Legislature

(Continued from Page One)
amendments most populous South Florida would reject the Bay county district and adopt only the Monroe county plan.
The Keys county of Monroe now is in the 24th district with Lee and Collier counties.
The Senate adopted the compromise amendment 29 to 7, and sent it to the House, which already has approved a new district for Monroe county but will have to set the single amendment proposed.
The Senate unanimously passed and a bill by Senator Sheldon of Tampa making a deficiency appropriation of \$125,000 to the State Welfare Board for operations during the rest of this fiscal year which ends June 30.
At the other end of the legislative corridor, the House passed and sent to the Senate a bill levying a \$10 annual license tax on house trailers. It is in line with Governor Caldwell's recommendation for a lower trailer tax.
The House committee on constitutional amendments introduced a bill which would abolish the present Game and Fresh Water Fish Commission and create the electric office of Game and Fresh Water Fish Commissioner to enforce regulations set by the State.

Agriculture Cut

(Continued from Page One)
tion \$2 million.
In addition to recommending cancellation of this fund, committee members said, the subcommittee has voted to cut around \$315,000,000 from new appropriation requests of \$944,000,000. Certain recurring appropriations fixed by law make up the remainder of the budget.
The subcommittee's recommendations go before the full appropriations committee Friday, with the bill scheduled for House debate next week.

Sentence Commuted

ROME, May 21, (AP)—The death imposed on Maria Pasquini, 34-year-old Italian woman convicted of killing British Brig. P. W. M. De-Winton at Pola, Feb. 10, was commuted to life imprisonment on hard labor today.

Mrs. F.D.R.'s Name Entered In May Trial

May Says Commission Applicant Helped Because Sponsored By Mrs. Roosevelt

By NORMAN WALKER
WASHINGTON, May 22 (AP)—Congressman Andrew J. May said today that he plugged for an Army commission for a friend of Murray Garrison after learning that Mrs. Eleanor Roosevelt had originally sponsored the application.

May brought up the name of the late President Roosevelt's wife in telling the jury at his war crime trial why he arranged a 1942 conference with Secretary of War Patterson for Herbert L. Schwam, New York investment banker and friend of Murray Garrison.

The wartime chairman of the House Military Committee is charged with taking \$55,000 in bribes for securing government favors for the \$78,000,000 war firms directed by Henry and Murray Garrison. The Garrison brothers are on trial with May accused of bribe conspiracy.

May related that Murray Garrison brought Schwam to him with a complaint the latter had been unsuccessful in obtaining an arms commission.

"I asked him who sponsored his application," May testified. "He said it was originally taken up by Mrs. Eleanor Roosevelt and Mr. Joseph Watson (the late Edwin 'Pa' Watson, President Roosevelt's military aide).

"I told Schwam, 'All right, I'll call Secretary Patterson and see about it.'"

Patterson has testified he spoke to Schwam briefly and turned him over to subordinates. Schwam, who was an early witness in the case, said Murray Garrison took the case. May after he was notified he would get a commission but the order was cancelled.

"Later," May related, "Schwam told me he would have to take off 40 pounds to get his commission in the Army Flight Division. He looked like he could spare it."

May's own attorneys concluded their question at mid-day, his fifth day as a witness, but the ex-congressman still faced several days more quizzing from counsel for the Garrissons and for the government.

In other highlights of May's (Continued on Page Eight)

Doctor Pleased With Progress Of Truman's Mother

GRANDVIEW, Mo., May 22 (AP)—Dr. Gen. Walter H. Graham, the President's physician, said today that his 94-year-old mother, Mrs. Martha E. Truman, "voice is strong" and that she felt encouraged by her continued progress.

Relaying Graham's remarks to newsmen at nearby Kansas City, Presidential press secretary Charles G. Ross said the young medical officer saw no reason to retreat from his optimistic view yesterday that the elderly patient has a chance to recover.

The patient, recovering from a stroke she had in the week before she came to the White House, had a fairly good breakfast, he reported and was "in good spirits." The President, his wife and daughter, Margaret, were with the chief executive's mother. Mr. Truman took along with him a "reassuringly good night" in her new apartment, but that she was "a little restless this morning."

AMBASSADOR DIES

BRYAN, Tex., May 22 (AP)—William B. Harte, 84, business man, attorney and veteran of the U. S. diplomatic service, died at 8:30 A. M. today, one-half hour before he was to leave for South America to assume his new post as U. S. ambassador to Uruguay.

PRODUCTION UP

BERLIN, May 22 (AP)—Germany industrial production in the U. S. zone recovered sharply during April and nearly reached the peak output of last Fall, the economic claims of the American military government reported today.

Plans Made To Send Historical Documents On Exhibition Tour

\$750,000,000 To Be Spent By U.S. Feeding Germans

WASHINGTON, May 22 (AP)—Attorney General Tom Clark said today "a positive and demanding need has arisen in our country for emphasizing the blessings of the American heritage."

To meet it, he outlined to a White House gathering of prominent citizens from all parts of the nation plans for sending a "Freedom Train" across the United States.

It will bear the Declaration of Independence, the Bill of Rights, the Emancipation Proclamation and other treasured historical documents to be viewed by citizens in every section.

Winthrop W. Aldrich, chairman of the board of the American Heritage Foundation, Inc., which is managing the trip, said the Freedom Train will be open to the public for the first time at Philadelphia on Sept. 17, the 100th anniversary of the signing of the Constitution. The event, he said, will climax a week of "immense ceremonies" in that city and cover the train on a year's tour of more than 200 cities in the 48 states.

The Justice Department, Clark said, has in its possession "shocking evidence of disloyalty to our government, of violations of civil liberties, of juvenile delinquency, and of the activities of professional bigots and other disrupters of American unity."

"Future events will take the measure of our way of life," he declared in a prepared address. "The continuing crises of the post-war world, both foreign and domestic, will try our mettle again and again."

"Our proposal today is not a long-range program. That should be handled by the experts in the field of education. These proposals call for something more dramatic, something with an immediate impact."

"The spearhead of this program will be the Freedom Train. This is to be a traveling exhibit carrying the great documents and historical papers of our American history. We intend to take them from the repositories where they now lodge and bring them to the American people."

"I feel that we have an appeal that can tug at the heartstrings of America, that can be the springboard of a great crusade for re-awakening faith in America in the hearts of our people."

Under the American-British economic fusion of their occupation zones, each of the two countries this year presumably are paying half of the estimated cost of \$92,000,000 to save the billion population of 40,000,000 from starvation.

Meanwhile, Bremen port authorities announced today that 116 ships loaded with nearly 1,000,000 tons of food were arriving from May 1 to July 18 to alleviate the critical shortages in the American and British occupation zones.

While five of the ships were unloading in Bremen and others were discharging food cargoes in San Francisco and Emden, Air Marshal Sir Sholto Douglas, British military governor, told the Germans they had no right to demand continued sacrifices from Americans and Britons to feed their conquered land. He advised German politicians to collect and distribute better the available food stocks.

Col. Hugh H. Heister, chief of the food and agricultural division of the American military government, said the 1,400,000 German school children in the U. S. zone would receive a ration-free meal at school daily by June 1. The 2,000,000 children in the British zone have been receiving such a meal for some time.

The biggest bulk unloaded at Bremen, Hamburg and Emden consisted chiefly of white flour, wheat, corn, barley and oats. Each ship carried about 8,000 tons.

3 In Family Killed As Rescue Try Fails

LACKAWAXEN, Pa., May 22 (AP)—A mother and daughter tried fruitlessly to rescue a three-year-old son from the path of an on-rushing train last night, but all were killed before the child could be snatched from a stalled auto.

The dead were identified by Pennsylvania state police as Mrs. Mary Gibbs, 42, and her daughter, Walter Gibbs, 3, Welcome Lake, Pike County, Pa.

State police said Mrs. Gibbs was driving home from a parent-teacher meeting when she turned suddenly and wedged her car on the railroad tracks. She removed the passengers from the car when she heard an oncoming Erie Railroad train, but at the last moment discovered her son was missing. She and the daughter returned to the car and just as they removed the child, the train struck, police said. Neither other passengers were not injured.

Hundreds Flee Tito Regime Says Official

BUDAPEST, Hungary, May 22 (AP)—A prominent Hungarian official said today that "hundreds" of Hungarians, Serbs and Croats who opposed Premier Marshal Tito were slipping across the Yugoslav border into Hungary, many telling of the torture at the hands of the Communist secret police.

The official, who may not be identified by name, said the Hungarian government officially refused to accept these persons as political refugees. He said the Communist-dominated Hungarian ministry of the interior had ordered the border patrol to force unauthorized travelers to turn back at the frontier.

U.S.-Soviet Talks On Korea Progress

SEOUL, May 22 (AP)—The joint U. S.-Soviet commission meeting agreement on establishing a unified provisional government of Korea was reported to have made "very favorable progress" in administrative matters at its first closed business session today.

"We covered every point on the agenda but one," Maj. Gen. Albert E. Brown, chief American delegate, told newsmen. He declined to discuss the agenda, saying a joint statement would be issued tomorrow.

ENVOY APPOINTED

KANSAS CITY, May 22 (AP)—President Truman announced today he is appointing former Democratic Representative E. M. O'Neal of Kentucky as ambassador to the Philippines.

Truman Signs Greek-Turkish Aid Measure

Bill Declared Proof U. S. Will Make Effort To Maintain Conditions Of Peace

By ERNEST H. VACCARO
KANSAS CITY, May 22 (AP)—President Truman today signed the \$400,000,000 Greek-Turkish aid bill setting in force a historic American foreign policy of bolstering weak countries against outside aggression as a "support" to the United Nations.

He called it "an important step in the building of peace" and said it offered "proof" that the United States will make "a vigorous effort to help create conditions of peace." The conditions of peace, he said, "include the ability of nations to maintain order and independence and to support themselves economically."

The measure, a far-reaching departure in international relations of this government, became law in a simple ceremony in a mid-western hotel with Mr. Truman's pledge it would not be used to benefit "any particular group or faction."

He announced that United States ambassadors in Greece and Turkey were being instructed to "enter into immediate negotiations" with the two governments for the expenditure of the funds which he asked for May 22 to help maintain peace.

The defendant were acquitted last night on all counts of a conspiracy and conspiracy indictment for the lynch-slaying of Willie Leide. Twenty-six of the defendants were tax-deductible, and several of them were back at work today leading the public. One of them was Roosevelt Charles Hurd, Sr., who was accused during the trial as a ring leader. Hurd refused comment.

Greenlee said he was deeply gratified there was no evidence of a bribe, for no white man has been convicted in South Carolina for slaying a negro for nearly a century.

One eminent lawyer, whose firm had declined to represent the defendants said a majority felt satisfaction with the acquittal, but observed "there are a number of us who feel profound shame."

Circuit Judge J. Robert Martin disclosed he had received some letters and telegrams concerning the trial. But declined to name them public. "I think," he said, "this is an appropriate point for me to withdraw from this case."

One significant reaction came from a highly placed official who declined quotation by name. He said: "You would not have gotten any different verdict anywhere south of the Mason-Dixon Line." (Continued on Page Six)

Kaiser Asks Cut Of \$85,000,000 In Plant's Debt

WASHINGTON, May 22 (AP)—Reconstruction Finance Corporation officials said today they are studying Henry J. Kaiser's proposal that RFC cut about \$85,000,000 off the debt on the Fontana, Calif., steel plant, but an official indicated there is little chance it will be accepted.

This official, who cannot be named, said Kaiser had been turned down on previous scale-down proposals. Though there has not yet been time to study details of the new one, he added it appears to be along the lines of those previously rejected.

The present proposal is backed by the Western States Steel Company, an organization of chambers of commerce in 11 states boosting development of the West.

James H. Bennett, Jr., president of the National Stamping Company of Los Angeles, and Morris Pendleton, president of the Plumb Tool Company of Los Angeles and New York, scheduled a series of meetings with government officials here on the proposal.

Kaiser asked the RFC to accept \$37,976,850 in settlement of original loans totaling \$123,965,000, or about \$20,000,000 for its (Continued on Page Six)

Bulgaria Opposed To UN Keeping Border Watch Commission

LAKE SUCCESS, May 22 (AP)—Bulgaria served notice on the United Nations security council today that she would oppose any move to keep a permanent UN border watch commission operating in the Balkans.

Such a plan is now being debated in Geneva by an 11-nation temporary investigating group, which still has a long way to go.

Boyan Athanasov, Bulgarian ambassador, said he doubted that any nation would agree to any body, no matter what its origin, to remain indefinitely within its border.

"We agreed to cooperate with the commission, the Geneva group, but we have not abdicated our rights," he said. "Bulgaria cannot be expected to permit a commission to remain indefinitely."

He said the interim watchers should get out of the Balkans, where they have been keeping a vigil over the Greek frontiers with Albania, Bulgaria and Yugoslavia, as soon as the council takes up the Geneva report. Secretary-General Trygve Lie estimated earlier that the report would be delivered here June 8 or 9.

Navy Men Present At A-Bomb Test To Have Blood Count

WASHINGTON, May 22 (AP)—The Navy announced today that a complete blood count has been ordered for all men still in service who took part in the Bikini atom bomb tests last year. The order was described by a bureau of medicine officer as a "routine" follow-up.

Secretary Forrestal directed that the check-up be made in an order to all ships and stations dated May 19 and made public today.

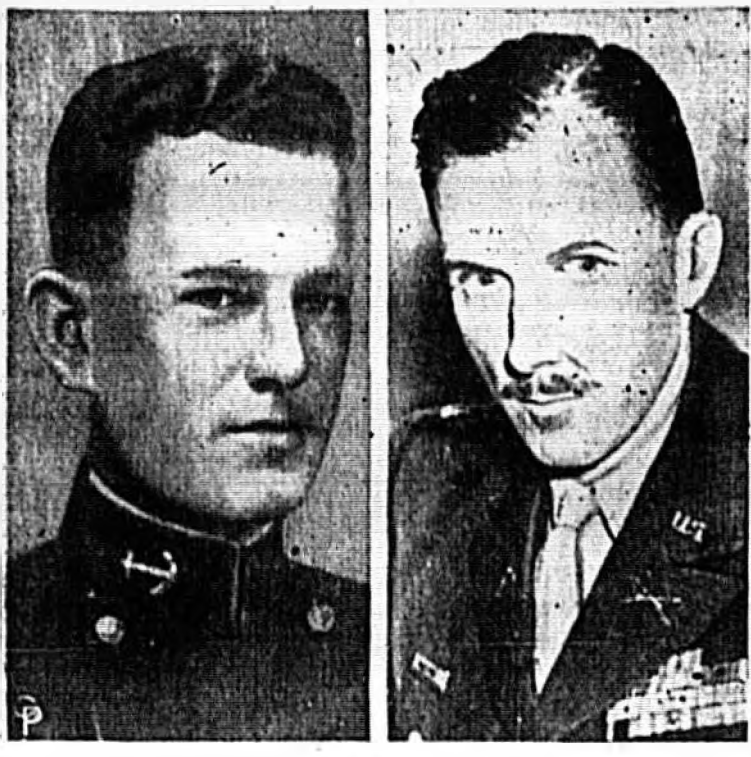

It is directed that a complete blood count be performed on all personnel now on active duty who were attached to Operation Cross Roads for the Navy safety program, the order read.

Between 39,000 and 40,000 Navy men were in the vicinity when the atom bombs were exploded July 1 and 25 in the Pacific last year. Most of them were due for discharge at that time and the Navy does not know how many still are in service.

DI MAGGIO PINED

NEW YORK, May 22 (AP)—President Larry McPhail of the New York Yankees has slipped from a half-dozen of his players, including Joe DiMaggio, for their refusal to participate in promotional activities.

Navy Officer Called Betrayer

THE NAVY HAS CONFIRMED that Lt. Edward Little (left) of Mountain View, Calif., is being secretly court-martialed in Washington on charges of carrying favor with the Japs by allegedly betraying his fellow prisoners at Fukuoka District prison camp. Actual camp commander at the time was Maj. Achilles Trisole (right), of Orange Park, Fla. Little, claiming seniority, refused to obey him. (International)

Lynch Jury's Acquittal Draws Varied Reaction At Jaycee Lunch

TOWN IS SERENE BUT COLLEGE STUDENTS MARCH IN PROTEST

By ROMNEY WHEELER
GREENSBVILLE, S. C., May 22 (AP)—Mixed reaction today greeted the acquittal of 26 white men in the lynching of a South Carolina negro with out-of-pocket indictment from many and earth-shaking disappointment from others.

The defendants were acquitted last night on all counts of a conspiracy and conspiracy indictment for the lynch-slaying of Willie Leide. Twenty-six of the defendants were tax-deductible, and several of them were back at work today leading the public. One of them was Roosevelt Charles Hurd, Sr., who was accused during the trial as a ring leader. Hurd refused comment.

Greenlee said he was deeply gratified there was no evidence of a bribe, for no white man has been convicted in South Carolina for slaying a negro for nearly a century.

One eminent lawyer, whose firm had declined to represent the defendants said a majority felt satisfaction with the acquittal, but observed "there are a number of us who feel profound shame."

Circuit Judge J. Robert Martin disclosed he had received some letters and telegrams concerning the trial. But declined to name them public. "I think," he said, "this is an appropriate point for me to withdraw from this case."

One significant reaction came from a highly placed official who declined quotation by name. He said: "You would not have gotten any different verdict anywhere south of the Mason-Dixon Line." (Continued on Page Six)

Two Basic Causes Of Juvenile Delinquency Are Described

The church's approach to the problem of juvenile delinquency was discussed at the noon luncheon meeting of the Junior Chamber of Commerce at the Mason Inn by Rev. J. E. McKinley, pastor of the First Methodist Church.

The program was the first of a kind to be launched through the facilities of Southern churches.

The term church is used here in a broad sense to include all religious bodies. Two of the basic causes of juvenile delinquency are the breakdown of the home and an inability to use wisely one's own funds, he said.

"The church is aware of the problem and is making the following constructive effort to combat it," he added. First, parish and church schools are being established in the homes of several of the members of the 1947 House of Representatives but you are not restricted and have broad and comprehensive powers to make appropriate inquiry into (Continued on Page Six)

Swain Buys Part Of Hardware Co.

W. E. Swain, who for two years was associated with his brother, Ed Swain, in the operation of the Colonial Cleaners, today announced that he had purchased one-half interest in the Sanford Hardware Company on First Street of which W. E. Swain is co-owner.

Mr. Swain came to Sanford from Winston-Salem, N. C. where he was a Chrysler automobile dealer, and where he also had previously engaged in the hardware business. Mr. and Mrs. Swain live at 110 West Nineteenth Street.

Commenting on his new connection, Mr. Swain added: "We have met a lot of good people in Sanford, and I am happy to make connection with the Sanford Hardware Company and to be able to stay in Sanford."

300 Volunteer Skin To Save Vet's Life

OLYMPIA, Wash., May 22 (AP)—From offices, pool rooms, lodge halls, factories and homes came volunteers numbering more than 300 today to offer their skin that of a veteran of three and a half years in the South Pacific might live.

Eldon Clark, 25, of nearby Little Rock, was critically burned last Thursday in an explosion in his garage. He was taken to the Madigan General Hospital at Fort Lewis. Specialists said he had a chance to live if new skin could be provided.

This word sent his friends and family into action seeking volunteers. Theaters at their request put requests for skin donors on the screen, John L. Salvenberg, state director of veterans' rehabilitation sent this appeal to veterans:

"Here's a real opportunity for the veterans to help a buddy." The response was terrific. At last report the volunteers numbered well over 300.

ICC Authorizes Hike In Railroad Fares

WASHINGTON, May 22 (AP)—All railroads operating east of the Mississippi River and north of the Ohio and Potomac Rivers have been authorized to boost their basic passenger fares approximately 10 percent on five days' notice to the public.

The Interstate Commerce Commission late yesterday granted the eastern railroads' plea that they need additional revenue to meet increased operating costs.

Conferees Reach Agreement On Big Appropriation Bill

Grand Jury Hears Bribery Charge Of Odham And Camp

Controversial Bookie Bill Again Makes Appearance In House

TALLAHASSEE, May 22 (AP)—A Senate-House conference committee reached quick agreement today on a new general appropriations bill which will permit expenditures of about \$63,100,000 during the next two years.

Clark still was tabulating the compromise figures, but the major result of the meeting was an agreement to add \$30,000 a year to the budget of the University of Florida and \$25,000 to the Board of Control to finance newly authorized coordination.

The Senate conferees also went along with a House revision which threw about \$400,000 a year that originally was set up by the Senate for the Tallahassee branch of the University of Florida into the new budget item for Florida State University.

The \$63,100,000 authorized for expenditures is more than double the \$28,600,000 total of the 1946 General Appropriations Act and about \$3,000,000 above recommendations of the State Budget Commission.

A hot line of words popped out in the Senate over an attempt by Sen. Riddick of Dillingham to override an adverse committee report on his bill to tax coin-operated phonographs.

Riddick told the Senate "I think I ought to have the courtesy of having my book bill placed before the Finance and Taxation Committee." This was approved.

Riddick's conferees minister and school teacher, said he thought the (Continued on Page Six)

Senate To Vote Monday On Delay Of Tax Cut Bill

WASHINGTON, May 22 (AP)—The Senate agreed today to vote at 10 P. M. Monday on a motion for a postponement of the \$4,000,000,000 income tax cutting bill until June 10. The Senate gave unanimous consent to the request made by Senator Milikan (R-Colo.), floor manager of the bill.

Senator George (D-Ga.), author of the postponement motion, said the voting time was satisfactory to the Democratic senators were whether or not they would actually vote to put the George motion over. Republicans admitted the outcome will be close.

Senator Ward (D-Va.), supporting George's motion, advocated a postponement of the tax-cutting bill to the post-summer session.

He declared that America can fulfill its international commitments "only by keeping strong at home; by preserving our fiscal solvency and productive capacity; by safeguarding our ability to finance our obligations without crushing taxation."

"As important as tax reduction is," the Virginia said, "our fiscal solvency is more important, and that requires a soundly balanced budget, which must be kept in balance, and a reasonable payment on the public debt."

5 Killed, 2 Hurt In Army Plane Crash Near Wright Field

DAYTON, O., May 22 (AP)—Five persons were killed and two others were injured today when a four-engine Army transport plane from Wright Field crashed and exploded in a field about four miles east of Dayton.

Names of the dead were withheld pending notification of relatives.

A witness said the plane appeared to be in trouble as it swooped low. Seconds later, the plane tilted on its side and plowed into a ditch, then hurtled into a wheat stubble field. An explosion turned the plane into a mass of flames.

Wright field officials said the plane, containing military personnel, was on a routine test flight.

The plane, a C-97, was the military version of the Boeing Stratocruiser, a giant ship capable of carrying scores of troops or tons of cargo.

Wright field officers said they believed the plane stalled as it approached Wright Field for a landing. The injured personnel, whose names and conditions also were withheld, were thrown clear of the plane. They are at Paterson Field Hospital.

Jews To Propose To UN Partial State

JERUSALEM, May 22 (AP)—David Ben Gurion, chairman of the Jewish Agency Executive, said today Palestine's Jews would propose to the United Nations the establishment of a Jewish state encompassing those areas in which Jewish industrialization and colonization were in full swing.

He told the national assembly that the demand for a Jewish state covering all of Palestine was not envisioned at the present time.

Nationalist Planes Rushed To Manchuria

NANKING, May 22 (AP)—Generalissimo Chiang Kai Shek's headquarters rushed a "sizeable" force of warplanes to Manchuria today as Communist troops tightened their encirclement of Changchun, embattled Manchurian capital.

Unconfirmed reports from Mukden said two nationalist armies were on the way to Manchurian battlefronts as reinforcements. Chinese dispatches acknowledged loss of several points around Kirin, 60 miles east of Changchun.
