The high spot of our family album! We've only seen Meg hold this solemn expression once before, when she was a freckled angel in the Sunday School pageant . . . and then she wasn't quite so cross-eyed! Meg's our darling adopted daughter, and usually she's a little livewire . . . full of surprises. It was Meg's enthusiasm for Church School that led us to improve our own record of church attendance. It was Meg's searching question, "Why don't we ever thank God for dinner like the Andersons?" that revived the custom of mealtime grace in our home. And it was Meg's worry about "the poor hungry children" that eventually drew us into our work for the Mission Fund.

Frankly, we used to be "fringe Christians," giving God very little of our time or thoughts. Meg was God's instrument in showing us that our church really needs us . . . and that it is a blessed thing to be needed.
