Situation In Korea Is Very Dangerous, Acheson Declares

Senate Committee Is Told That Europe Is Also In Grave Danger From Reds

WASHINGTON, Nov. 28.—(AP)—Secretary Acheson gave Senate foreign policy leaders a report today on the crisis in Korea and pleaded for united backing of whatever measures the Administration takes.

There was a grave atmosphere at the break up of a two hour closed-door session of the Senate Foreign Relations Committee with the Secretary of State. Some members said they regarded the present situation as tremendously threatening to American security.

Senator H. Alexander Smith (R-NJ) told reporters that exchange between Acheson and the Senators had brought out several questions posed by the Chinese Communist intervention in Korea. He said Acheson offered no opinion but that some of the questions were:

1. Whether to permit General MacArthur to order bombing of Communist troop concentrations and supply lines in Manchuria.
2. Whether Chinese Nationalist troops from Formosa should be thrown into the fight and whether anti-Communist guerrillas in China should be given American aid and encouragement.

Chiang Kai-Shek's government has offered 30,000 seasoned men. The United Nations has not accepted the offer previously because of the belief that such action would bring the Chinese Communists fully into the fighting.

Acheson was reported to have told the committee members, too, that grave as the situation in Korea is, it is not any more serious than that in Europe.

W. F. Hunt Is To Be New Sales Manager For Hunt-Mercury

W. F. Hunt, nephew of Emmett W. Hunt, arrived Friday with his family from Birmingham, Ala., to make his home here and to assume his new duties as secretary, treasurer and sales manager of the Hunt Mercury Co., 109 North Palmtoe Avenue.

The former district sales manager in Alabama, Tennessee and Arkansas of Kingan and Co., nationally known meat packers, 16 years, he resigned his position in order to join his uncle in business here, and has purchased David Smith's interest in the local automobile sales organization.

The W. F. Hunt family which includes Mrs. Hunt and a 13 year old boy, four year old girl and two year old boy live at 1119 Park Avenue.

A former captain and pilot of a B-17, Mr. Hunt was forced to bail out near Berlin during fighting in World War II when a German fighter plane crashed into and clipped the wing of his B-17. He landed safely, was arrested by German civilians and spent 14 months at Stalag Luft-3 prison for airmen in eastern Germany.

He was liberated on Apr. 29, 1945 by the arrival of the Third Army and was personally greeted by the late General Patton. In Birmingham he was a member of the American Legion.

Pleased by the friendly greetings of Sanford people, he declared today that he knows he will like this community.

Yesterday afternoon at the Seminole Country Club he had a friendly chat with Miss Yolande Bethere concerning places in their home state of Alabama.

Central Florida Crops In Danger Of Frosts Tonight

Damage To Crops Has Been Less Than Expected Over State

LAKELAND, Nov. 28.—(AP)—Florida still has some chilly weather and scattered frosts ahead of it. Lower ground locations are expected to be even colder tomorrow than they were today.

The Federal-State Frost Warning Service predicted it will be a little colder tonight in those low spots in south and Central Florida. Crops in those areas will be in jeopardy tonight and early tomorrow. Meteorologist Warren O. Johnson said.

The Everglades and Indian River districts apparently got by with only slight frost damage last night. Some frosts were reported away from Lake Okechobee.

The Gainesville area recorded temperatures of 25-30 degrees and DeLand had 26-30. Heavy frosts were reported in low spots in the Orlando area which had 20-32 temperatures in these locations.

Temperatures of 28-32 degrees and frost were forecast for the ridge district; 30-34 for the west coast except frost and 27 degrees in coldest pockets of the area's northern section.

Indian River has in store 31-36 degrees with scattered frosts; Everglades, 34-39 near Lake Okechobee and 30-35 with frost away from the lake.

More scattered damage is showing up after the severe cold of Sunday. Spotty damage is reported in citrus groves. However, the damage is not serious. The bulk of citrus and vegetables still got by all right.

The U. S. Department of Agriculture reported several hundred acres of beans away from Lake Okechobee were ruined by windburn and a few hundred acres of potatoes also were destroyed.

200 Acres Of Bean Crops Destroyed By Frigid Weather

The latest investigation of the cold wave's effects on more than 200 acres of green beans in this area were destroyed and that cabbage was damaged more than had been expected, said Manager Sandy Anderson of the Sanford State Farmers Market this morning.

Reports today from various markets indicate that supplies will be lighter at the local market and prices jumps are expected, he declared.

Hardest hit by the storm were the Starke and Wauchula sections where all cabbages reported destroyed and nothing can be replanted until spring.

Florida City and Ft. Myers market managers revealed little damage in those areas, although some wind damage to peppers and squash in the latter area is expected to show.

Pt. Pierce had no frost, but some cold damage to tomatoes and cucumbers resulted. Light damage was reported in the Palatka and Hastings areas to cabbage, and minor effects of the cold were noted on tomatoes in the Palmetto area.

GOP Heads Say Tax Bill Has Little Chance

Republicans Refrain From Taking Positions On New Taxes Or Rent Controls

WASHINGTON, Nov. 28.—(AP)—Republican leaders expressed doubt today that an Administration tax bill will get through this session of Congress, but the House Ways and Means committee dove ahead with preliminary work of drafting one.

After a GOP policy meeting, Senator Taft of Ohio said the Senate group had decided against taking an immediate party stand now upon taxes, extension of rent controls, statehood for Hawaii and Alaska, or other bills on President Truman's "must" list for the short session.

He said the Republicans were willing to work on such legislation but in such a short session as the present one it would be difficult to get "anything controversial passed."

House Republican leaders failed, likewise, to reach a definite agreement today on the 1950 revenue program. After their party policy meeting GOP Leader Martin of Massachusetts said the Republicans will refrain from taking a positive position, right now, on the Administration's proposal to raise \$4,000,000,000 in excess profits taxes on corporations.

Martin told newsmen the committee would meet again after the House Ways and Means committee completes work on its tax bill.

Republicans generally are opposing the Administration tax proposal and have suggested a hike in corporate income taxes as a substitute.

Taft said he personally did not feel obligated to rush through a tax program before the new session begins Jan. 3. He said when Congress recesses before the elections it instructed the Senate and House tax committees to have an excess profits tax bill ready. But he said this did not bind Congress to pass such a tax.

He added that some members felt obligated to push action on the tax bill but he doesn't feel bound.

Senator George, chairman of the Senate Finance Committee, announced plans for a meeting of his group later this week to start work on the tax bill.

While George would make no predictions about what the Senate would do, he said yesterday he hoped an excess profits tax bill would be passed "before Christmas."

Earlier indications were that the House would pass a bill only to have it die in a Senate pigeonhole.

Both the House and the Senate tax committees are under a mandate from Congress to try to get an excess profits tax bill ready for consideration during the present session of Congress, which closes on Dec. 31.

Survivors besides Mrs. Wilson include the widow and two other daughters, Mrs. F. F. Morgan, Rehiring and Mrs. C. A. Montoya of West Palm Beach; eight grandchildren, Jean and Francis Wilson of Sanford; Mrs. LaOuida Moore, Rehiring; Mrs. Edith Luther, Camerville; Mrs. Carmen Vane, New York; Miss Eleanor Montoya, Norfolk, Va.; one great granddaughter, Diane Moore, Rehiring.

Funeral services will be held at 11:00 A. M. tomorrow at Erickson Funeral Home with Rev. W. P. Brooks, R. officiating. The body will be sent to Bowling Green for interment Wednesday afternoon.

French Cabinet Quits Over Indochina Leak

PARIS, Nov. 28.—(AP)—The French cabinet decided to resign tonight after the National Assembly censured Defense Minister Jules Moch for his alleged part in an internal scandal.

Allies Retreat Before Onrushing Red Hordes As Disaster Threatens; U.S. Charges China With Aggression

Austin Demands U.N. Face Consequences Of Invasion Of Korea By Red Troops

LAKE SUCCESS, Nov. 28.—(AP)—The United States today charged Communist China with open and notorious aggression in Korea and called upon the United Nations Security Council to face the consequences.

In one of the most critical meetings in the Council's history, chief U. S. Delegate Warren R. Austin spoke directly to a representative of Communist China, Wu Hsin-Chuan, who arrived here Friday and sat in the Council for the U. S. speech for more than an hour while a capacity crowd listened tensely.

Mohk tried in vain to get the Council to give the floor to Wu first to present charges that the United States was guilty of aggression against Formosa. The Council voted 8 to 1 against the Soviet move. India and Yugoslavia abstained.

The Soviet delegate then declared the Council was hostile to Red China and would not be capable of a fair discussion of the Chinese Communist charges.

Austin revised his prepared speech at the last minute to include the charges of aggression. He referred to the grim war news from Korea and repeated General MacArthur's declaration that more than 200,000 Chinese Communist troops are now fighting U. S. forces in Korea.

Austin's prepared text used the words "aggression" and "aggressions" but the former version of the speech changed this in delivery to read "open and notorious."

"The consequences of these facts must be faced squarely by the people of the world, and more particularly by this Council, because the consequences are potentially so grave I considered it essential to review the record of this Council's actions in this matter."

This is particularly necessary because of the fact that the Council has repeatedly refused to take action to stop the aggression in Korea.

Austin's speech was interrupted by the Soviet delegate who declared the Council was hostile to Red China and would not be capable of a fair discussion of the Chinese Communist charges.

Steel Center Caught In Cold Wave From Midwest

Personnel Pittsburgh is hindered with months of snow impounded cars as winter weaves its cold web over the steel center. Five persons died of heart attacks from snowdrifts in surrounding drifts. Local train railway transportation was reduced to a minimum but continued Southpitt.

Miss America, Unsophisticated And Natural, Charms Sanford During Tour

By TOM DOYLE

Undrugged by the chill November afternoon, Miss America of 1951, Yolande Bethere, made a tremendous hit with the townspeople of Sanford during her tour of the city, spoke before students of Semole High School and charmed the day with an appearance at the Seminole Country Club.

Miss Bethere, who is 20 years old, is a native of Oklahoma. She is a member of the National Miss America Organization and is currently touring the United States.

Miss Bethere's tour of the city was a success. She was well received by the people of Sanford and her appearance at the Seminole Country Club was particularly popular.

MacArthur Declares Chinese Are Pouring Fresh Forces Into Korean Fight

TOKYO, Nov. 28.—(AP)—General Douglas MacArthur declared today that the Chinese Communist forces were pouring fresh troops into the Korean fight.

He said also in an extraordinary communique that he lacked authority to cope with the onrushing Chinese hordes and that he would build their massive offensive with unimpaired force.

The communique, a theme representing U. N. command nations, spoke out at a time of national crisis.

He announced that the Army of 1,000,000 fresh Communist troops was in a state of readiness for a flaming 75-mile offensive in the Korean peninsula.

The hope of ending the war by Christmas was a shattered dream. The hopeful "end the war" offensive launched only five days ago had turned into bitter reverses.

MacArthur, surrounded by two top field commanders, General Walter H. Bede and Major General Edward M. Almond, told the staff that he had no alternative but to call for emergency conferences.

He urged that the U. N. and all governments seek a solution to the developing crisis of Chinese Communist intervention.

The high commander said Red China had hurled 200,000 troops against U. N. forces in Korea and is throwing more thousands across the border from their piggyback sanctuaries of Manchuria.

MacArthur said the Chinese were pouring fresh troops into the Korean fight.

Governor Warren Is Linked To Dade County Gambling

WASHINGTON, Nov. 28.—(AP)—A former Miami deputy sheriff who acknowledged taking bribes from gamblers caught today to link Florida's Governor Fuller Warren to gambling operations in Hialeah race track town near Miami.

The ex-deputy George Patton testified before Senate crime investigators that a member of the Governor's staff, whom he identified as Leon Bishop, had told him last year that the Governor had sent Bishop to Hialeah "to take over" crap games, roulette wheels and other gambling games.

Patton said he talked with Bishop after making a raid on the local "gambling pond" last December.

Patton, who quit his deputy sheriff job in 1947, said he had been in Hialeah for several years and had seen Bishop in the area.

Patton said he had seen Bishop in the area and had seen him in the area.

Oklahoma Is Named Top Team In Nation By Associated Press Poll

By JOE FALLS

NEW YORK, Nov. 28—(AP)—The University of Oklahoma today gained the nation's most coveted college football distinction—No. 1 position in the final weekly Associated Press poll—and by an overwhelming majority.

Of the 319 sports writers and sportscasters who voted, 213 placed the Sooners first. The result gave Bud Wilkinson's team, winner of 30 straight games, 2,963 points.

Only Army, in second place, came close to the Sugar Bowl-bound Oklahoma. The Cadets, undefeated through 28 games, received 24 first-place votes for 2,380 points. Ten points are given for a first-place vote, none for second and so on.

Then came: 3—Texas; 4—Tennessee; 5—California; 6—Princeton; 7—Kentucky; 8—Michigan; 9—Michigan; 10—Clemson.

In an Associated Press pre-season poll, Oklahoma was picked to finish sixth, by the nation's expert. Now straight victories and another Big Seven championship changed their minds, however.

Notre Dame, No. 1 in three of the four previous years, was selected almost unanimously to finish on top. The Irish, however, had one of their poorest campaigns, losing three games and tying one. As a result, they failed to finish among the first 25 teams.

Oklahoma, which seeks its third straight Sugar Bowl triumph on New Year's day, has not gone undefeated, with Oklahoma A & M, Stillwater, the aggressor. The Aggies have lost five games while winning only four this year. Kentucky will oppose Oklahoma in the "New Orleans" classic.

Standings of all teams receiving at least 10 points with first-place votes in parentheses. (Points figure on 10, 9, 8, 7, 6, 5, 4, 3, 2, 1 basis.)

- 1. Oklahoma (213) 2,963 9-0-0
- 2. Army (38) 2,380 8-0-0
- 3. Texas (4) 1,088 7-1-0
- 4. Tennessee (15) 1,896 9-1-0
- 5. California (8) 1,787 9-0-1
- 6. Princeton (6) 1,420 9-0-0
- 7. Kentucky (7) 1,167 10-1-0
- 8. Michigan State (3) 861 8-1-0
- 9. Michigan (8) 493 5-3-1
- 10. Clemson (19) 374 8-0-1

Gene Roberts of the New York Giants recently gained 318 yards on the ground against the Chicago Cardinals to break Cliff Battles' National Football League Syracuse, the best Rutgers has rushing record set in 1933.

By ED HARPER

Sportsmen in Seminole County are finally going to have a voice in the operation of the Florida Wildlife Federation. E. Z. Johnson has been appointed County Director in the new federation program.

Under the new set-up each county in the state will be represented by a county director and the directors in turn will be advised by a County Sportsmen's Council. All the clubs in Seminole County are invited to send delegates to this council.

Principal object of the new system is to take care of special local conditions which haven't been brought to the attention of the state organization. Members of the council will decide on conservation needs and methods of improving the hunting and fishing conditions in Seminole County.

Although all sportsmen's clubs are welcome to attend meetings of the council, only members of the organization will be able to vote on new regulations. The public is invited to the meetings.

Seminole's director, Mr. Johnson, will appoint chairmen of the various committees on game and fish as soon as recommendations are received from participating clubs.

Mr. Johnson says he would appreciate any suggestion on improvement of hunting conditions in the county. These ideas do not have to come from members anyone interested in hunting and fishing is welcome at the meetings and his or her ideas will be given every consideration.

The legal status of the turkey shoot is in a mess in Florida and it will be up to the next session of the Legislature to clear the situation up.

Attorney General Ervin maintains the shoot is a violation of the state's gambling laws—especially the lottery law. But a Florida judge has ruled that the turkey shoot is perfectly legal. After hearing this decision the Attorney General said he would not appeal the judge's ruling in a higher court but would ask the Legislature to settle the question with a definite law.

This was probably the only way to settle the question since hundreds of turkey shoots were held during Thanksgiving week and most of the sponsors had given notice that they were going on with them in spite of the law, Attorney General's ruling.

Although there is an element of chance involved, the turkey shoot is, in the opinion of this column, an ancient and honorable form of American sport and one that gives the country's youth an incentive to shoot straight—a

Miami Meets Clemson In Orange; Kentucky, Oklahoma Go To Sugar

By FRED HAYDEN

NEW YORK, Nov. 28—(AP)—The college football bowl picture is nearing completion. The big four—the Rose, Sugar, Cotton and Orange Bowl games—are among 14 already lined up.

At Pasadena, Calif., the New Year's day attraction will be California vs. Michigan in the Rose Bowl; in New Orleans' Sugar Bowl it will be Kentucky vs. Oklahoma; Dallas' Cotton Bowl will pit Tennessee against Texas; and in Miami's Orange Bowl the Miami Hurricanes will battle out with Clemson's Tigers.

Five teams remain in the running for the Gator Bowl at Jacksonville. California's Bears, the Pacific Coast Conference kings who finished this season with nine victories and one tie, will be in the Sugar Bowl for a third consecutive year and host the third time will prove the charm. They bowled last January to Ohio State 17-14 and in 1949 to Northwestern 20-14.

Oklahoma (9-0-0), like California, will be playing a third straight time in the same bowl—the Sugar. Last New Year's, the Sooners trounced Louisiana State, 35-0, and in 1949 they beat North Carolina 14-6. Kentucky (10-1-0) was bidding for a perfect 1950 season before succumbing last weekend to Tennessee, 7-0.

The Sooners captured the Big Seven crown, Oklahoma was the No. 1 team in the Associated Press' final nationwide poll announced today.

Miami, in nine games so far this season, has won eight but was held to a tie by Louisville University. The Hurricanes will wind up their regular campaign Friday night against Missouri, Clemson (8-0-1) was runner-up to Washington and Lee in the Southern Conference race. The Tigers have twice won post-season games. They defeated Boston College in the 1949 Cotton Bowl and won over Missouri in the 1949 Gator Bowl.

The Cotton Bowl foes—Tennessee and Texas—were named last week. Texas (7-1-0) has two more games—with Texas A. & M. on Thursday and Louisiana State on Dec. 9. Tennessee (9-1-0) will wind up Saturday against Vanderbilt. In its only setback this season, Texas was edged by powerful Oklahoma, 14-13. Tennessee's lone defeat was administered by Mississippi State, 7-0.

Here's how the bowl games shape up to date: Jan. 1. Rose Bowl, Pasadena, Calif. skill they may be called upon to use in a more serious way. If the turkey shoot is to be banned, because it contains an element of chance, then, by the same token, football, golf and almost any other sport should also be stopped since luck is certainly a factor in each of them. We sincerely hope that the Legislature will see its way clear to allow the old pioneer custom of the turkey shoot, more a social occasion than anything else, to be continued.

Room 4 Wins Round Robin Football Title. Room Four won the round robin touch football tournament at the Sanford Grammar School, winning all four games played. Captains were Charles English and Eddie Barber. Room Two took second honors losing only one game. Captains were Ned Stothoff and Lamar Fryer.

Winning team consisted of the following: Charles Dooley, Solley Dunn, Roger Dunn, Dan Clausen, Reggie Ashley, Sidney Vihlen, Dickie Rountree, Frank Bailey, David Turner, Gilton Ward, Claude Hodge, Lawrence Howard, Joe Hill, Pat Cox, Tommy Brown, Bruce McCoy.

Williams May Be Traded By Red Sox For Top Pitchers

By FRED HAYDEN

BOSTON, Nov. 28—(AP)—With deposed Cleveland player-manager Lou Boudreau in their fold and millionaire owner Tom Yawkey's checkbook wide open, the Boston Red Sox have high hopes of swinging another of their health-taking baseball deals during next week's major league meetings at St. Petersburg.

The addition of Boudreau, obtained as a free agent, makes shortstop Vern (Junior) Stephens expendable as trade-bait for much needed pitching strength.

Both general manager Joe Cronin and Steve O'Neill, his bench pilot, have expressed keen interest in such seasoned pitchers as the Philadelphia Athletics' Lou Brissie and the St. Louis Browns' Ned Garver.

Stephens' five-figure salary, however, may be a stumbling block in negotiations with the necessary to approach such wealthy clubs as the Indians and Detroit Tigers, who also have pitchers the Red Sox envy.

But dickerings with the Indians or Tigers could easily result in just about the most sensational deal in many years, the departure of slugger Ted Williams from the Red Sox.

Despite his \$125,000 salary, it is entirely possible, now that their Billy Goodman had annexed the American League batting title, that the Red Sox could be tempted to surrender their terrific gate attraction.

But they would demand, at the very least, a pair of top-flight pitchers or such a crack battery as Cleveland's right-handed Bob Lemon and catcher Jim Hegan.

Boudreau, who practically started in baseball under O'Neill at at Buffalo back in 1929, passed up offers from the New York Yankees, Washington Senators, Chicago White Sox and Pittsburgh Pirates to cast his lot with the Red Sox.

The Chicago salary bid was said to be \$45,000.

Underdog Auburn To Tangle With Powerful 'Bama

By FRED HAYDEN

BIRMINGHAM, Nov. 28—(AP)—Powerful Alabama caps its late-season upsurge here Saturday against its state rival, Auburn, which hasn't won a game this year.

The dopesters look on the Alabama Tide as a prohibitive favorite—say 35 points or so.

Few of the railbirds—including some of the staunchest Tiger supporters—believe Auburn can rise up and upset the dope as it did last season in the surprising 14-13 victory over highly favored 'Bama.

For one thing, the Tigers don't have a Travis Tidwell around any more. And they haven't got the reserves to spell a better than fair first team.

For another thing, the Tide just has too many offensive weapons. There's Eddie Salem, the 150-pound left half who passes and runs with the best. There's quarterback Butch Avinger, a de luxe blocker when the Tide is using the Notre Dame shift, and a bill-hauler and passer on the T plays.

And there are Bobby Marjor, the bruising sophomore who is rated one of the South's coming Calvin, the big fullback, and Larry Chiodetti and Bimbo Melton, the two little breakaway backs.

They operate in back of a big, hard-charging line that is expected to wear down the Tiger forward.

Auburn and Alabama broke off athletic relations in 1907 following a 6-6 tie. The Tigers held a seven-four edge in the series up to then. In the renewal game two years ago, 'Bama took a 55-0 decision. Auburn then came back for a 14-13 victory last season.

In 1949, two batters—Sid Gordon and Andy Semnick—hit two home runs during a single inning.

are quarterback Bill Tucker's passing and the running of Charlie Langer and Don Blackberry. Blackberry is a 205-pound sophomore.

'Bama Coach Red Drew says that Auburn "is a much better team than its record indicates."

He commented: "In several games with strong Southeastern Conference opponents, they have played very well for two or three quarters but have weakened at the end because of a lack of reserves."

"Against Alabama you can be sure they will be up all the way," Earl Brown, the Auburn head man, says. Clemson had the best team the Tigers faced so far. He said: "After our extensive scouting of Alabama, our coaches sincerely believe that Alabama is much better than Clemson, particularly after their last three games."

"I'll say one thing for our boys. You can certainly expect to see an Auburn team that will give everything it has within its ability Saturday."

A defeat for Auburn would give the Tigers their second season in history in which they failed to win a game. The other win less year was 1927, when the Tigers tied two and lost seven.

The Tigers so far have lost to Clemson, Georgia Mississippi State, Tulane, Georgia Tech, Florida, Southeastern Louisiana, Vanderbilt and Wofford.

Alabama lost a pair of narrow decisions to Tennessee (14-9) and Vanderbilt (27-22) before mid-season, but since has taken five straight games. Its victims include Florida, Georgia Tech, Mississippi Southern, Georgia, Mississippi State, Furman, Tulane and Chattanooga.

Auburn and Alabama broke off athletic relations in 1907 following a 6-6 tie. The Tigers held a seven-four edge in the series up to then. In the renewal game two years ago, 'Bama took a 55-0 decision. Auburn then came back for a 14-13 victory last season.

Durocher Declares Giants Will Take Pennant in 1951

BY JOE REICHLER
NEW YORK, Nov. 28.—(AP)—Manager Leo Durocher of the New York Giants—never accused of lacking for words—today said why his club will win the 1951 National League Pennant.

"I'd like another good starting pitcher and a little more strength on the bench," Leo said at a press conference. "That's all I need. As it is, I've got a very good club."

"I know this much—we had the best club in the league the last three months of the season. Once we get rolling nobody could beat us. And we are going to be better next year."

The Giant skipper stopped off here for a six-day visit en route from his Los Angeles home to attend the winter baseball meetings in St. Petersburg next week.

Leo couldn't explain why his chances changed from a slab, sorry-looking outfit to an almost unbeatable team practically overnight.

"I've had two months now to think about it," he grinned, "and I still can't figure it out. It all began on July 18 after we had taken a double licking from the St. Louis Cardinals. We shipped them badly that day. Then came the next. All of a sudden we began to look like a good club. We started to hustle like hell. As we continued to win, the boys began to believe for the first time that nobody could lick us. It was right then and there that we became a good club."

"We never had a meeting of the club. Never even talked over the letters or anything. It seems they just knew they could win any team alive."

The Giants, after losing their first five games and languishing in the second division for most of the season, came swinging on like a prairie fire to finish a strong third.

Leo said he expected to start with the same squad that finished so strong last season. That meant that Monte Irvin, the transplanted outfielder, would get the first base call over young Tookie Gilbert. Clint Hartung, the strong-armed pitcher, would be given a chance to win an out-

Robinson Knocks Out Jean Stock In Second

PARIS, Nov. 28.—(AP)—With one quick victory and about \$20,000 already tucked away, Sugar Ray Robinson is going prospecting for some more money from the European boxing circuit to help with the Christmas bills.

The world welterweight champion disposed of Jean Stock, third ranking French middleweight, last night with a technical knockout at one minute, 33 seconds of the second round. The non-title bout had been scheduled for 10 rounds.

An overflow crowd of 20,000 paid 17,000 francs (about \$47,000) to see last night's scrap. The income was a new Paris record.

Robinson hardly got warmed up, and returned to his dressing room with his hair as neatly combed as when he came into the ring.

Broyles Seeks Post With Yellow Jackets

ATLANTA, Nov. 28.—(AP)—Frank Broyles, coach of Florida backfield coach, was reported today interested in returning to his alma mater, Georgia Tech, in a similar job.

Broyles was a visitor at Tech yesterday. The Atlanta Constitution said it learned from an authoritative source that he talked with Tech officials about a coaching job.

When Broyles was a Tomatter-back at Tech, his coaches called him "a coach on the field."

At Haver, Broyles developed Atlanta back into one of the best quarterbacks in the nation.

Then he accompanied Bob Wood off to Florida this year and he tutored Haverwood Sullivan, the Gators' sophomore quarterback.

Louis Is Determined To Put Up Good Fight

CHICAGO, Nov. 28.—(AP)—Joe Louis said "I'll be better this time" in his 10-rounder with 23-year-old Cesar Brion of Argentina last night.

"I'm going to make him an out-fighter. I have to die in the attempt," Durocher meant. "Just give me another top starting pitcher to go with Larry Jansen, Jim Hearn, Sal Maglie and Sheldon Jones," concluded the strong-armed pitcher, who has been given a chance to win an out-

Sports Roundup

By HUGH FULLERTON, JR.

NEW YORK, Nov. 28.—(AP)—Just about two years ago Walter Charlesworth of Grand Island, Neb., sent word to this department to keep an eye on "another Glenn Davis" who had turned up on a Grand Island High Reynolds...

His name was Bob. You've been hearing a lot more about Bob at the U. of Nebraska this fall, and if the kid doesn't make the All-America after last Saturday's performance against Oklahoma, the odds are good he'll look mighty soft.

Reckling up free touchdowns in a losing cause, Bob pulled what Bud Wilkinson called the "smack" end play of the game. Rushed on an attempt to punt, Reynolds ran wide around right end almost to the sideline then pointed at the run 54 yards over the head of the Oklahoma safety man who had come up to tackle him.

OKlahoma's 150-pound safety man, tackled Reynolds six times. P. S. Walter Charlesworth is a Detroit Tiger scout. If he can talk baseball players the way he can footballers, look for a pennant over Briggs stadium soon.

Muted Drums—McMurry College of Anderson, Tex., which opens its basketball season against St. Edwards tonight, held a hush-hush workout behind locked doors recently.

Coach Mel Dowell, hoping to improve on last year's 2-22 record, thought it was a good idea to learn about his team before the fans did. But he forgot to bar the dressing room door and carelessly reported "Miss Edna" to the press.

Brion, who has won 31 of 31 fights, will weigh about 191.

Britain Seeks End Of War By UN Diplomacy

Attlee Calls Cabinet In Extraordinary Session To Discuss Chinese Situation

LONDON, Nov. 29.—(AP)—Foreign Secretary Ernest Bevin said today Britain still hopes a settlement on "political lines" will end the threat of a third world war over Korea.

"If the Chinese want to avoid general war and if they show the slightest sign of willingness to cooperate in exploring a solution by peaceful means," the Foreign Secretary said, "I am satisfied a solution can be found."

Bevin told the House of Commons at the beginning of a two-day debate on foreign affairs that the recent surge of Red Chinese forces into the Korean peninsula "has not altered my opinion one bit."

"It is on political lines that in the end we must seek the solution," he declared.

"I have been in touch with the U.S. government in the last 24 hours and the U.S. government has reaffirmed their purpose to Korea remains the same as our own; namely to resist aggression, to localize hostilities and to settle the Korean problem on a basis satisfactory to the United Nations."

Bevin said he did not pretend to know the Communist Chinese motive in Korea—whether to safeguard their own interest or from some "imaginary" end of purposes "of a grand strategy for a bigger purpose."

"Is there a Russian-Chinese conspiracy on a world-wide scale?" he asked.

Use Koch Accused Of Having Lamp Of Human Bones, Skin

AUSBERG, Germany, Nov. 29.—(AP)—Guests at a birthday party for the red-haired widow of a former Buchenwald concentration camp commander in an trial before a German court, accused of investigating the murder of 45 inmates, the attempted murder of 135 others and brutality.

Chinese Red Delegates At U. N. Session

Arriving at the United Nations headquarters at Lake Success, N. Y., to debate Far East issues, members of the Chinese Communist delegation are shown seated in the U. N. political committee. At left is Gen. Wu Hsiu-Chuan, head of the delegation which flew in from China. Behind him are delegates Chiao Kuan-Hua, (left) and Pan Shou, British representative K. Young is at right. (International)

Mayfair Inn Completes Extensive Alterations For Opening Saturday

The Mayfair Inn, which will formally open for the winter season on Saturday night, has undergone extensive alterations and improvements during the past few months, Charles Marzan, manager, announced today in behalf of the New York Giants, owners.

The exterior presents a bright appearance with its new white Lumina weatherproof coating. The lawn has been improved, and new flowers, including 100 rose bushes have been planted. Around the swimming pool are a number of recently planted palm trees.

Inside, all of the 164 guest rooms have been repainted and decorated, and the Inn, which can accommodate up to 275 guests, is booked to capacity, said Mr. Marzan.

The dining room, which was repainted last year, wavy tinted red carpeting has been laid in the aisles. The kitchen has been re-equipped with seven new Viking gas ranges.

The former card room adjoining the main lobby has been converted into a colorful bar with an enclosure of woven rattan from the Philippines. The walls have a rich shade of Shenandoah green and the ceiling is red. Curtains of red, yellow and green damasks have been hung over the windows, and lighting is indirect, with silver chandeliers and wall brackets. Many plants are displayed in rattan containers.

Mr. Marzan pointed out that the old cocktail room has been re-equipped with chairs and tables and will be used for special dinners and parties. The bar in restaurant. Near this, a formerly unused room has been converted into a card and game room.

The heating plant of the hotel has been reconditioned. Among the services offered guests is a beauty shop and a beauty parlor.

Recreation facilities include the swimming pool, tennis courts, shuffleboard courts and archery, and plans are being made for golf tournaments at the Seminole County Club.

Personnel at the Inn include Charles Morrison and Frank McLaughlin, (Continued on Page Three)

Services Tomorrow For Geo. W. Stinson

Funeral services will be held at the Stafford Memorial Church in Lake Monroe at 3:00 P. M. tomorrow for George W. Stinson, 67, who died Monday afternoon following a brief illness.

Mr. Stinson was born in Union county, N. C. Sept. 30, 1884. He made his home in Lake Monroe where he was a member of the Stafford Memorial Church. He was also a member of the W. O. W., Celery Camp No. 625 and the Carpenter's Local.

Survivors include the widow; three daughters, Mrs. Pauline Gardner, Lake Monroe; Mrs. Elizabeth Crow, Sanford; Mrs. Margaret Tony, Mayville, Ala.; three sons, Clyde and Roy of Sanford, and Terrence of Washington, D. C.; three sisters, Mrs. Fannie Crowell and Mrs. Lydia McMorris, both of Charlotte, N. C.; and Mrs. Mollie Hartz of Indian Trail, N. C.; two brothers, J. C. Stinson of St. Louis, Mo., and E. J. Stinson of Indiana Trail; 13 grandchildren.

The body will lie in state at the church from 1:00 P. M. to 3:00 P. M., and services will be conducted by Rev. and Mrs. W. E. Kircher. Burial will be made in Evergreen Cemetery.

CALM ACTOR WEST LOS ANGELES, Nov. 29—(AP)—

Thrown 80 feet when his car and another collided in the fog, actor Ray Milland picked himself up, took a taxi to his studio and reported for work. Physicians said he suffered only a hip bruise in the crash yesterday.

FTNA ERUPTS CATANIA, Sicily, Nov. 29—(AP)—

Mount Etna, erupting since Saturday, continued today to thunder and pour molten lava from some 40 ruptures. One stream of lava, picking up speed, continued to endanger Ronzano, near Milo. This stream was moving at about 150 feet an hour, and had burned down an outlying rural cottage.

Binaggio Link Is Denied by Truman Brother-In-Law

ALBUQUERQUE, N.M., Nov. 29.—(AP)—J. F. Wallace, President Truman's brother-in-law, said he did not know last spring that he was talking business with an agent of Charles Binaggio.

He commented in connection with a story published by the Kansas City Star yesterday. The story said Binaggio, Democratic Party leader, murdered on April 15 in Kansas City, was preparing to buy before his death by a small interest in a pump house which Wallace is treasurer.

Wallace said he had been approached by Clyde Lockwood, then a sales representative in Vancouver for the General Finance Corp., but "I did not know he was connected with Binaggio. He was mentioned Binaggio."

The Star's story quoted Lockwood as saying he acted as a go-between for Binaggio in negotiating an investment of \$200,000 in the Seattle Materials Corp.

The firm has been producing a large quantity of steel pipe.

Warrant Is Issued For Arrest Of Melzac

PALATKA, Nov. 29.—(AP)—A warrant was signed today for the arrest of J. P. Melzac in the shotgun slaying of his wife and Jacksonville Safety Commissioner Richard D. Sutton.

A warrant also was issued for Sheriff W. J. Bevels by County Judge Causey S. Green for the arrest of a brother, A. G. Melzac, who accompanied him to Sutton's lonely lake-side cabin Nov. 18 to catch the pair in bed together.

The warrant for A. G. Melzac was issued after Robert S. Sutton, brother of the slain man, and G. E. Ellis, Sr., father of Mrs. Melzac, signed affidavits.

The Bradford Builders, Inc., Miami, submitted the lowest bid, said George Williams secretary here of the SIA.

Awarding of the contract will be made later, he said, after approval of the Public Housing Authority is secured.

A 125 unit project which will cost about \$1,350,000, Castle Brewer's apartments will accommodate more than 500 people. It will include 24 one-bedroom units, 52 two-bedroom apartments, 36 three-bedroom units and 12 of four-bedroom units.

A single five room apartment will be built. All of the buildings will be of one story height and of concrete block construction. Four buildings will house the one bedroom units, and other buildings will be duplex with the exception of the five room single unit.

The project will include an administration building and an enclosed playground, Mr. Williams declared.

Chinese Attitude Causes Hope Of Peace To Wane In United Nations

LAKE SUCCESS, Nov. 29.—(AP)—United Nations circles privately expressed forebodings today on the chances of localizing the bitter Korean fighting in view of the Chinese Communists' unyielding attitude.

This feeling prevailed even in those non-Communist delegations that had urged bringing the Chinese Reds to Lake Success in the hope some conciliatory agreement could be worked out.

Peiping's spokesman, Wu Hsiu-Chuan, blasted many of those hopes in the Security Council yesterday when he made it plain the Chinese Communists had no intention of withdrawing from Korea. Informants felt his stinging attack on United States policies in the Orient widened the gulf between Mao Tse-Tung's regime and the non-Communist world.

India's Sir Bopendra Rau, who has been expected to take the lead on conciliation efforts with the Chinese Reds, said he had no plan to confer with the Peiping representatives today.

Britain, which like India recognized the Peiping regime, also has no intention at this stage to contact the Chinese Reds here. A British source said his delegation does not wish to speak or vote in the Security Council this afternoon unless circumstances develop to a point where such actions would be necessary.

The British here were closely watching the outcome of the foreign affairs debate in their House of Commons. They particularly noted Foreign Secretary Ernest Bevin's statement that he still hoped a settlement on "political lines" would end the threat of a third world war over Korea.

WASHINGTON, Nov. 29.—(AP)—Senator Tydings (D-MD) said today after a conference with defense officials that "mass invasion by hundreds of thousands of trained Chinese troops" in Korea calls for a complete new war plan.

Tydings said that at a closed door meeting with the Senate Armed Services Committee yesterday.

Two American Divisions Fight Free Of Red Encirclement As Chinese Swarm Through Gap

Vegetable Crops Are Hard Hit By Persistent Cold

Lower Temperatures Are Forecast For Peninsula Tonight

LAKE SUCCESS, Nov. 29.—(AP)—Vegetable growers over most of Florida suffered heavy cold damage last night and early today.

Some losses extended as far south as Homestead on the lower peninsula. From 50 to 60 per cent of the bean crop was wiped out and Lake Okechobee's citrus fruit slightly in some spots.

More bad news is in store for citrus. The Federal State Frost Warning Service forecast that it will be from one to three degrees colder than last night.

The only bright ray in the prolonged period of chilling weather is that daily higher temperatures are in prospect for tomorrow night with frost confined to north Florida.

More reports of damage to vegetable from Sunday's terrific cold are coming in today.

Meteorologist Warren C. Johnson said it appeared the only escape from the damage was in the Del Rio-Pompano Peninsula area.

Johnson reported a six-degree centigrade drop in temperature, which dropped as low as 21 in one spot. Considerable frost was done to truck plantings there, but there was much damage to beans and squash.

The mercury ran down 29.6 in the upper Everglades with a few spots dropping to 26. Heavy losses were seen in vegetable at the lake except around Bear City and Lake Harbor and close to the big body of water on the east coast.

All potatoes around the lake were severely damaged, reports showed. Severe damage probably will show up in carrots and cabbage later.

From south of the lake came reports of seven hours of 42 degrees. Johnson said, Raleigh had a 30 and Belle Glade a 31.

The rashy area south of Tampa reported a heavy frost. Considerable frost collected there today. Cucumbers were hurt.

Near Riot Occurs As Georgia Agents Balk Florida Milk

LAKE SUCCESS, Nov. 29.—(AP)—A near riot broke out at a meeting of the Florida Milk Producers' Association today when Georgia agents balked at Florida's milk control plan.

The meeting, called around a recent agreement for a milk control plan, was held at the Lake Success headquarters of the Florida Milk Producers' Association.

Georgia agents, who intended to bring the plan before the U. S. Supreme Court, balked at the plan, which would require the Georgia Milk Producers' Association to buy all the milk produced in the state.

Maxwell R. W. Harrison, said that Georgia agents had balked at the plan, which would require the Georgia Milk Producers' Association to buy all the milk produced in the state.

Harrison said the two agents, R. Sparks and R. J. Bogart, had refused to sign a contract that would require their firms to purchase all the milk produced in the state.

Harrison and the townpeople were "upset" when they gathered around the agents.

The agents, who were to get out of the state, were escorted off to the automobile.

London, England, at a farm meeting at Bonaventure, S. C., said the two agents were only carrying out their duty.

London said DeLong did not have a permit to import milk because he was not a milk producer. He could not control the market in the state, he said.

Widespread damage to tender crops in the region of Lake Okechobee, and to the tomato and vegetable crops of the lower coast near Ft. Pierce and Pompano resulted from the heavy frost that last night climaxed five days of cold in which temperatures dropped to 20 degrees.

Further continuation of vegetable shipments including tomatoes, squash, eggplant, pepper, and beans, is expected here, according to local shippers. The orange tree growing area of more than 10,000 acres, mostly south and east of Lake Okechobee, has been damaged.

There was another heavy frost in the Sanford area last night, but little damage to citrus or cabbage, which are about the only crops remaining, has been reported. Citrus, apparently, has not been damaged to any extent by the cold wave.

Celery Displayed At Orlando Home Show

Many stalks of locally grown celery were given away yesterday at the Seminole County Youth Center at the Central Florida Home Show at the Orlando Coliseum.

Betty Lou Partin, Miss Sanford, Dial Boyle and Carolyn Patrick, students from Seminole High School, served as attendants at the Seminole County Chamber of Commerce booth, and participated in the Johnny Olson radio show. During the nation-wide broadcast yesterday noon Chamber of Commerce Manager Ed Whitely presented a crate of celery to Mr. Olson.

Sally Mae Baker Is Found Not Guilty

Sally Mae Baker, Negro, who had been charged with second degree murder in the shooting of James Pope, Negro, as he allegedly forced his way into her bedroom on Sept. 3, at her home in Midway, was found not guilty of the charge by a jury in Circuit Court yesterday. Judge M. B. Smith presided.

The case of Deasy Veloz Spivey, operator of a store on Locust Avenue, who is charged with selling Cuba tickets, was continued until Friday morning at 9:30 o'clock due to the illness of the attorney for the defense, John Leonard.

David Jackson, Negro, who had been arrested by Chief Roy Williams for selling bolts, failed to appear in court and the bond of \$500 was ordered estreated.

Sanford Will Get Publicity Break, Kiwanians Told

Writers, Camera Men Will Be Guests Of Florida Fashions

The nationwide publicity the Sanford will receive through the visit of more than 30 top-notch writers and camera men who will be the guests of Florida Fashions at the Mylar Inn Saturday and Sunday was outlined to Kiwanians today by George Louhy and Max Rosel, company public relations officials and Frank Shaver, president and founder. They were introduced by B. B. Conroy, Martin Stimpert, president.

Mr. Louhy pointed out that not only will the story of the four years of unusual growth of Florida Fashions be stressed by the writers, but they will convey the story of Sanford and its growth through the medium of magazine, national circulation such as Colliers, Cosmo, Look and many other publications, and by news reels, radio and television programs.

The guests are due to arrive Friday night at 10:30 o'clock at the Orlando Airport. On Saturday, they will be escorted by Mr. Shaver, and taken on a tour of Florida Fashions and Sanford. A style show and a possible boat trip will be included in the program.

Mr. Louhy stressed Kiwanians' investment in the future of the community by increased contribution to the Chamber of Commerce, the Kiwanian Club and the Kiwanian Club.

Miss Allen, attending the reception for Miss America at the County Club Monday afternoon, revealed that she had been assisting Columbia Pictures recently in the making of a new movie with a Florida setting.

The noted snake expert and naturalist stated that the name of the movie picture will be "The Florida Madman," and outlined the struggles of poison medicine to get the mad from Palm Beach to Miami. One scene portrays the hero's struggle with an alligator, and Mr. Allen helped simulate and stage the scene.

Hunting poisonous snakes is thought to be a profitable occupation in Florida if the hunter can keep a snake long enough to sell them to Ross Allen, who pays a dollar a foot for the venomous creatures.

At Silver Springs the snakes are "milked" of their venom regularly. This is valuable to a number of uses including the making of antivenom serum. The venom of mosquitoes is used in the medical profession to combat a bleeding disease.

Mr. Allen termed the diamond snake rattle the most dangerous snake, and the coral snake the most deadly. The successive procedure followed:

The Sanford Zoo rates among the best in Florida, he declared. Asked what future improvements he would suggest for the Zoo, Mr. Allen said that he would prefer to see the cages separate units, rather than in rows. This would give the spectators more view of the animals. It would also lessen the possibility of contagious diseases, and of animals breaking into other cages.

Interested in zoo in growing, especially among the younger generation, he pointed out. Many zoos are now charging 10 or 15 cents admission. He suggested a fence around the Zoo to prevent the possibility of animals escaping, such as Sid the puma did several years ago.

TICKET COLLECTOR SAN FRANCISCO, Nov. 29.—(AP)—William L. Goodwin, real estate operator, was quite a collector: 114 assorted parking tickets in eight months.

And police said, Goodwin successfully had evaded 60 warrants for his arrest, until last week that is.

Yesterday, Municipal Judge Edward F. O'Day officially recognized Goodwin's super-collector record with this citation: "500 fine . . . and 30 days in jail."

One Communist Force Is Reported To Be Within 20 Miles Of Red Korean Capital

ST. LOUIS, Nov. 29.—(AP)—Two American dispatches reported tonight that the Communist Red force in northern Korea is within 20 miles of Red Korean capital, P'yongyang, and is up to 10,000 men, well equipped.

The Chinese, under the command of the Communist forces, are reported to be within 20 miles of P'yongyang, and is up to 10,000 men, well equipped.

A spokesman for the United States Light Air Force reported that Communist soldiers had captured within 30 miles of P'yongyang, and is up to 10,000 men, well equipped.

At least three times the Chinese force is reported to be within 20 miles of P'yongyang, and is up to 10,000 men, well equipped.

This was where Communist forces were reported to have captured within 30 miles of P'yongyang, and is up to 10,000 men, well equipped.
