

Wagner Deeds Believes Prohibition Will Prosper; Popular Player Is Signed

BY PETER SCHAAL

The signing of Lopez, veteran Florida baseball manager George Deeds, to the *Yankees* now believe will meet Sunday when Schirard, Peters, and Deeds will report for steady duty in the league, and come with a good game, if not a home run.

Lopez, a resident of Lake Wales, played baseball in these parts for years. He has pitched in the infield, and also had a batting record. He comes to the big league, and is being highly regarded, and the personal recommendation of J. T. Hogan, president of the league. Just where he will be placed tomorrow is as yet in doubt, although he was ready to play the catcher, but he is being called at first base.

The speedy high school pitcher has been holding down the position since he was under the big tent all week, it was learned as he may be shifted to center field for a day or two. Lopez is said to be a regular, but since he has played for several months, he is being treated as a fielder, and will be given every opportunity to show his worth. He will be given every opportunity, and if he makes a regular, he will be a regular.

Deeds has been intimated to be more than pleased with the great fielding display he has given during the two games, and that he will be hard to beat in the next 10 days. Manager Deeds, who plays shortstop with ease and confidence, and when he gets this position, Schirard, Peters, Harrison, and Deeds to play regularly, he'll have an infield that is as good as the best in the league. They are all regulars, and there is no doubt they will be hustling all day. You can count on Harrison, and Peters at any day, while Schirard and Deeds have a knack of getting the ball when you don't look for it.

McLanahan, the former State League star, will be in the game tomorrow. He has been like a truck horse for the last 10 days, and says he is fast on his feet. However, he has two balls, recently landed on his right leg, one on his left hip, and two on the right side. He has plenty of trouble, even when you aren't playing ball. He finds that the league is full of players who are not up with players he once knew, and now he's anxious to show how to play. He won plenty of games for Fitzgerald in the State League last year, but he has pounded out no less than 15 home runs during the season.

Who will start the game tomorrow is as yet problematical. Jimmy Wright, Bill Bennett, Roy Britt, Bud Lake, and Julian Ponder, as well as Bill Biggs, are all expected to be on hand. Chances are that Lake and Ponder will get left-handed pitching from Raynal, Britt and Biggs in any time.

The game starts at 2:30 o'clock, and a bunch of Sanford fans will be on hand. If the game is a close one, there is always the chance that there are movies to be seen at the night club to drink fancy drinks, and plenty of perfume for sliding out with somebody's friend.

The game will be a hot one, and the road as well as at home. Since Daytona has a reputation for being a hot place, the afternoon there, and the game if possible.

BY PETER SCHAAL

Well, it couldn't last forever. The *Yankees*, with none other than a comparative new-comer, young Gomez, pitching, stopped that 17-game winning streak of the World's Champion Athletics yesterday by a 6 to 3 score. Gomez allowed seven hits, one a homer by Al Simmons. Rammell, McDonald, and Shover tried in turn to stem the tide and inspire their betters to unleash their fury on Gomez, but the old punch wasn't there.

While the *Yankees* were winning, the *Senators* went down to a 6 to 4 defeat at the hands of Russell and the *Red Sox*. That put the *Yankees* back in second and the *Senators* in third. The *Senators* out-hit the *Sox*, but couldn't bunch them at the right time.

The hard-hit *Indians* surprised the loop by winning a double-header from the *Browns*. Miller shut them out 13 to 0 in the first game, while Harder held them off to win the second 4 to 2. Vesnik and Morgan were the heavy attack men in the first game, Vesnik getting a homer to aid the 13 to 0 cause. Gomez Guila made two errors in the first game. The *Doubts* win over the *Indians* in the fifth place, not far behind the *Tigers*.

The *Tigers* punched out a nice 4 to 3 win over the *White Sox*. George Uhle not only pitched beautifully, but hit a homer to score a man ahead of him. It was the second straight win for the *Tigers* after they had lost seven straight.

In the National League, the main item of interest was the second game of the New York-*Boston* double-header. Ben Cantwell, "Our Ben," started that game, but after he was touched for four runs on seven hits and two errors in six innings, he was removed for Haid. As usual, the *Braves* wouldn't hit behind him, although they did get eight scattered blows off Walker. The score was 6 to 0. Their hitting was seriously impaired in the first game which they lost 2 to 0. Hubbel let the *Braves* down with two hits, both of which were batted out by Wes Schulmerich. It was the first time this season that a club lost a double-header without scoring a run. Jackson hit a homer in the first game.

At the same time, the *Cubs*, winning two games from the *Reds*, advanced to half a game from third place, just back of the *Braves*. The first game ended 7 to 2 in favor of the *Cubs*, while the second was a 9 to 6 affair. Hita decided both games, for the *Cubs* got 24 off five pitchers all day. Grimm was spliced by Roush in the second game, and had to leave the game. Not before he and Roush engaged in a short fist fight.

The amazing Buss Arietti's superior batting and Jim Elliott's great pitching combined to give the *Phillies* an 8 to 4 win over the *Robins*. Arietti got four hits in five tries, while Pinky Whitney got three in four, including a homer. The *Robins* used 17 men in trying to win.

The first place *Cards* just did win out over the *Pirates* to give them a four point lead over the *Giants*. The score was 11 to 8, mostly because of a Cardinal error rally in the eighth. The *Pirates* came back at them in the ninth and got two runs, but it fell short of the mark needed to win. Sauer hit a home run.

The *Big* 2nd hitting race yesterday, when Jim Arietti and the *Phillies* took all the leadaway runs, and the *Reds* hit a 2-2.

and a few more. Here's the standing:

Players and Clubs: *Yankees*, 19; *Senators*, 17; *Indians*, 15; *White Sox*, 14; *Phillies*, 13; *Braves*, 12; *Red Sox*, 11; *Tigers*, 10; *Cards*, 9; *Pirates*, 8; *Phillies*, 7; *Phillies*, 6; *Phillies*, 5; *Phillies*, 4; *Phillies*, 3; *Phillies*, 2; *Phillies*, 1.

The leaders of today's *Home*, Arietti, *Phillies*, 19; triples, *Cards*, 10; doubles, *Senators*, 17; stolen bases, *Chapman*, *Yankees*, *Johnson*, *Tigers*, 10 each; runs batted in, *Crosby*, *Senators*, 17; at bat out with, *Ho*, *Braves*, *Pittsburgh*, *Giant*, 2 each; most strikes out, *John*, *Senators*, 13; most home on balls, *one game*, *Martin*, *Red Sox*, *Prasler*, *White Sox*, 18 each; most runs, *Klein*, *Phillies*, 33; most hits, *Avon*, *Indians*, 54.

Although the *Yankees* stopped the Athletics in their consecutive win streak, they did not stop Al Simmons in his consecutive hitting streak. Al now has gone 24 straight games without a miss. However, Simmons' one game ahead of him with 25 straight games. That's a new record. Helme Manuoh has 18 straight, and Pinky Whitney 11 straight. Keep your eyes on those players.

The diamond ball season was formally opened last night when the *Berens* class of the First Baptist Church and the Y. M. C. A. team hooked up. The latter outfit won by a big margin. Kinlaw and Knight pitched for the winners, and were never in trouble. The losers were newcomers to the game insofar as playing at night is concerned, which is partly the reason they made such an odd showing. Thursday night the Sanford-Oviedo Track Growers and Piggy Wiggy will meet.

Tomorrow afternoon a record crowd of Al Rogers will probably face Link Silby, and the two former University of Florida stars should make it an interesting game. All games start at 8:30.

PENSACOLA—\$2,500,000. Pensacola bridge to Gulf of Mexico will be opened June 28.

MADISON—Brown Chevrolet Co. succeeded Oxford-Smith Co. as local Chevrolet dealers.

LONDON—Although it was raining, a race over which they were expected to win recently thrilled a large English audience with their exhibition of speed and skill. Here you see P. G. White as he rounded the turn to win the "Epsom Cup" race for motorcycles with winners.

event which is not looked forward to for Lefty has finally decided that this league is going to be a corker, and he wants to join in. Lefty had a fine year up Georgia way last year, and won 18 games to lose only four. That's a good record he wants to approach this year, although he won't be playing quite as many games as that.

If you can't visit Daytona tomorrow, support the league by seeing another game close at hand. The two league leading *Senators*, Winter Park and DeLand, will meet in DeLand in what will no doubt be attended by a record crowd. Al Rogers will probably face Link Silby, and the two former University of Florida stars should make it an interesting game. All games start at 8:30.

Consider your Adam's Apple!!

Don't Rasp Your Throat With Harsh Irritants

"REACH FOR A LUCKY INSTEAD"

Eve started it and the daughters of Eve inherited it. Eve gave Adam the apple, and it seems that Adam must have passed it on. For every man and every woman has an Adam's Apple — that is your larynx, your voice box — it contains your vocal chords. Consider your Adam's Apple — when you do so, you are considering your throat — your vocal chords. Don't rasp your throat with harsh irritants. Reach for a LUCKY instead. Here in America LUCKY STRIKE is the only cigarette which brings you the added benefit of the exclusive "TOASTING" Process, which includes the use of modern Ultra Violet Rays. It is this exclusive process that expels certain harsh irritants present in all raw tobaccos. These expelled irritants are sold to manufacturers of chemical compounds. They are not present in your LUCKY STRIKE. And so we say "Consider your Adam's Apple."

LUCKIES are always kind to your throat.

PERSHING, ONCE FINE HORSEMAN NOW GOES AFOOT

"Black Jack" Pershing finds his greatest pleasure in walking exercise. His two fine mounts, Kidron, presented by France, and Jeff, the gift of friends at home, are sleek and lazy in the cavalry stables at Fort Myer. Like their master, they live in honorable retirement. Almost every morning, when General Pershing is in Washington, he strides downtown sidewalks with vigorous step. Few recognize him. He is a great window shopper. Bookstore displays attract him. He has gathered a library of World War literature and has read it all. There is something of his stern sense of duty about that, however. For pleasure reading he finds his greatest relaxation in detective yarns. They are not printed fast enough for him. Wherever he goes his baggage includes his golf clubs. They are special tools of the game, for Pershing is a port-sider when he does play. Back in his regimental days, he was a noted man at "saddle blanket poker." That was his game. He had the face for it, the same inscrutable poker face that was to help him meet trials of intrigue in France in historic times. Tragedy that brought death by fire long ago to his wife and all but one child robbed Pershing of home life. Since then he has lived in "quarters." In his active army days, bachelor officers and non-commissioned officers of his personal staff were his family. They lived with him. Today his chauffeur alone cares for his few personal wants. The general has almost drifted out of social intercourse except such as has an official flavor. Pershing's first Washington quarters after the war still show the mark of his energy. The suburban home of the late General Corbin housed the head of the A. E. F. and his staff. A time worn box hedge marked the grounds. Today that hedge is trim and restored. Pershing did it with his own hands.

U. C. C. Declares It Won't Take First Step In Rate Jump

WASHINGTON, May 28.—(AP)—No general investigation of the financial condition of railroads is planned by the Interstate Commerce Commission on its own initiative. This was made known yesterday in an announcement by the commission, which meant, officials indicated, that if railroads want increased freight rates they must first make a definite proposal. The announcement was issued after informal conferences with Daniel Willard, president of the Baltimore and Ohio railroad, on the study being conducted by senators looking toward a rate readjustment. The announcement said: "The Interstate Commerce Commission yesterday in response to procedural questions informally presented to it by Daniel Willard, in behalf of eastern railroad executives, informed him that the commission would not at this time institute a general investigation into the general railroad situation on its own motion." This followed a rule laid down last November when western carriers in a generalized petition asked that the commission study the effect of the business depression on their earning power.

Law Body Still In Deadlock On Gas Tax Fracas

(Continued from Page One) sion. The House received the compromise proposal from Speaker Lewis who said he sought to avert legislative chaos but no action was taken on his proposal either. John E. Mathews, bitter foe of equal distribution, held the floor in the House all morning while President Whitaker and Senator Butler, Jacksonville, waged a fight in the Senate. The situation in the House was heightened by an exchange between Peter Tomasello and Mathews when the former attempted to have the governor's suggestion referred to the finance and taxation committee. J. Tom Watson, Hillsborough intervened, saying "I am going to get out of here. I refuse to be a party to any further actions like the House is taking today. Mr. Tomasello and Mr. Mathews should settle their differences without throwing the Legislature into chaos." Watson climbed over the rail and started for the door. He later returned and motioned to adjourn but was ruled out of order. Several sought to adjourn but Mathews firmly held the floor against them. Whitaker and Mathews have the floor for the afternoon.

Hoover's Cabinet Studies Economic Conditions Of U.S.

WASHINGTON, May 28.—(AP)—Economic conditions were considered at length yesterday by President Hoover and his cabinet and they found many factors they considered favorable. Beyond this statement, no information was given concerning the cabinet meeting which extended considerably past the usual adjournment time and resulted in calling off the regular Tuesday conference President Hoover has with newspaper men. While the meeting was in progress, the treasury announced it had reduced interest required on government deposits from one to one-half of one percent a year, on daily balances effective June 1. It was said this action was taken to aid the general economic condition and because banks had found it necessary to reduce the interest rates they paid on deposits. Meanwhile, the agriculture department was pushing forward a survey in an effort to ascertain if it could reduce expenditures. Secretary Hyde said, however, he saw little prospect of cutting regular operating expenses without curtailing important services. A considerable reduction is in prospect through termination of two emergency items administered by the department— drought relief and highway construction. These aggregated \$160,000,000. Usually members of the cabinet assemble at 10:30 and for 10 or 15 minutes hold a general meeting. The president then sees each cabinet member individually. Yesterday, however, the cabinet all stayed until shortly after noon.

How One Woman Lost 47 Lbs. In 3 Months and Feels Years Younger

Mrs. S. A. Solomon of New Bern, N. C. lost 47 lbs. in 3 months with Kruschen Salts. She reduced from 217 to 170 lbs! She feels much stronger, years younger and pains in sides, back and abdomen that bothered her for years are all gone. She says she not only feels better, but looks better as all her friends tell her. "I shall never be without Kruschen Salts, will never cease taking my daily dose and more than glad to highly recommend it for the great good that is in it." A bottle of Kruschen Salts that lasts 4 weeks costs but 85 cents at druggists the world over. Take one half teaspoon in a glass of hot water every morning before breakfast. Attention to diet will help—cut out pastry and fatty meats—go light on potatoes, butter, cream and sugar—the Kruschen way is the safe way to lose fat. Try one bottle and if not joyfully satisfied—money back.—Adv.
