UF Hits Only 75%

United Fund reached 75 percent of its goal this morning when the final report coffee was held to climax the month-long campaign in Seminole County.

Workers today reported collecting \$24,629.23, an amount against a goal of \$46,000.

Although the drive closed officially today, UF officials said workers will continue to collect pledges and any contributions residents may wish to make.

'Sights, Sounds Of Christmas' Parade Theme

Theme for the 1968 version of the Sanford Christmas Parade will be "The Sights and Sounds of Christmas," as announced today by the Sanford-Seminole Jaycees.

The winning entry was submitted by David Jarnigan, a Pine Crest School student, who resides at 1118 Pinecrest Drive, Hummers-up to young Jarnigan and recipients of honorable mention awards are James Boone, Melinda Reid, Jane Sinko and Jacqueline Martin.

Each of the five finalists are to receive an award certificate and will ride in the parade. In addition, the winner will also receive a \$25 cash prize.

Judges for this year's theme contest were: George Touhy, Rev. Charles Warner, Walter Gleiw, Larry Singletary and contest chairman Ron Risner.

Two Drivers Killed In Heaton Crash

John Frederick Juras Jr., 37, of Osteen, was killed instantly and was owner of Radatron's there. At time of his death, he also was employed by Radatron, Inc., at the Palm Bay plant in Melbourne.

He was a member of First Presbyterian Church of Sanford, was lieutenant governor of St. Johns Chapter of Delta Gamma Alumni Association and was a veteran of the U.S. Navy.

Survivors are his wife, Lucy Ann Snyder Juras; three sons, John R., Douglas and Richard; and two daughters, Teri Lynn and Cindy, all of Osteen; his father, John F. Juras Sr. of Titusville, traveling south in the northbound lane, hit him head-on. Romanos also was pronounced dead at the scene.

Born June 27, 1931, in New York City, Juras had lived in Sanford for the past 12 years.

Cold Hits Northland

A wave of bitter-cold weather stung the northern Rockies today and flung a wintry mixture of rain and snow across the plains and into the Midwest.

Temperatures dipped to near zero in portions of Montana. Boise registered 10 above shortly after midnight. Readings in the 20s extended east and southward into the plains.

Scattered early morning frost was indicated as far south as southwestern Texas.

Snow mixed with light drizzle to chill portions of Iowa and Nebraska. The combination was expected to sweep into the central Great Lakes region by tonight.

Rain, or snow, fell in 38 of the adjacent 48 states during the night. Clear skies were confined to interior portions of the South- west and southern Florida.

A storm system bearing down on the Pacific Coast scattered rain from central California northward. Wind gusts up to 50 miles an hour swept the southern Oregon coast.

Yule Clubs Set Record

Nearly \$200,000, a record amount in Christmas funds, is scheduled to be distributed by the five banks of Seminole County next Monday while Sanford Atlantic will distribute \$25,000 to 157 members next Monday.

Half of the club savings will be spent on gifts and that more than half of the club members plan to start their shopping before Thanksgiving.

The new record, in both membership and dollars saved demonstrates that thrifty Americans prepare in advance for the year's biggest holiday, bankers say.

State Dispute Hurts College Architect In Between

A disagreement between educators at the state level over locating the Seminole Junior College and the area vocational-technical school on the same campus has apparently resulted in the slow-up of permanent construction at the junior college.

According to information contained in a letter addressed to Dr. Earl Weldon, president of Seminole Junior College, final plans for construction of the college are being retained until the State Department of Education is authorized to approve the area vocational school.

The letter, written to Weldon by Charles W. Stripling, consultant in architectural planning, concluded with information that building plans would be forwarded to Weldon's office at time the vocational facility is approved.

A check with John Burton, architect for SJC, revealed his firm was of the opinion that the matter of plan approval was settled Oct. 21 after a visit here by James E. Wilkerson, State Consultant, and had reportedly reached an agreement.

Burton said a published report in Wednesday's Sanford Herald quoting R. T. Milwee, SJC administrative assistant, with college trustees that bids could be let by Dec. 1, "is impossible."

Burton explained, "It is physically impossible to process the necessary documents and fill requirements for bidding by December."

He continued, "Even assuming the state had approved the project, which it has not," Burton concluded with an observation, "This project should have been underway six months ago."

Both Dr. Weldon and Milwee were unavailable for comment today; SJC informed the two were attending an educational meeting at Daytona Beach.

The Herald contacted William J. Phillips, county school superintendent who reported slow down of approval for SJC because of occasional objections and was informed the problem arose when the vocational people questioned the availability of having two schools on same site.

Originally, before SJC was placed under State Education Department control, objections were approved for same campus location by the School Board in order to have an outstanding educational complex.

This was done before the state decided to take Junior colleges away from local school boards and administer them separately.

Since plans already were completed with both units adjoining, it was decided by local board to proceed with construction as planned, but then an objection arose involving a legal separation of the two facilities to quicken approval of U. S. Department of Health, Education and Welfare, so funds already approved could be released.

This has apparently been done but other objections have arisen, presumably by vocational school educators at a state level, who dislike having both schools on same campus.

Phillips said today he had discussed the situation with State School Supt. Floyd Christian, who visited here Wednesday and was assured the approval would be forthcoming in a short time.

DAVID JARNIGAN (right) for his theme, "Sights and Sounds of Christmas," receives a sav- nary award from Ronald Risner, Jaycees Christmas Parade contest chairman. (Herald Photo)

PFC. W. D. STOVALL

GI Killed In Action

A 20-year-old man who grew up in Sanford and attended schools here has been killed in action in Vietnam, the U.S. Defense Department has reported.

Army Pfc. William Dale Stovall, who made his home with his grandmother, Mrs. Minnie Wideman of Edwards Higgin's Terrace, for the past nine years, is reported to have been killed in the line of duty Oct. 28.

He entered the Army in March and had been in Vietnam for some two months.

Other survivors are his parents, Mr. and Mrs. Russell D. Stovall of Alabama, and an uncle and aunt, Mr. and Mrs. Fred Jackson, of Sanford.

Burial will be in Alabama after return of the body to the United States.

Join the 36 club

It's not really a club, even though you're in good company. The 36 coupon club (you're looking at the edges) you see above, represent the number of payments that you make with our Auto Loan. By spreading them out over a period of three years, your monthly payments are small - easy on your pocketbook. It's lowest financing of its kind. Why not put yourself in good company - the company of all those who are driving new cars these days. Just drop by and tell us you want to join the "36" club.

Absentees Swing Results

Two new faces to public office in Seminole emerged winners in stunning upsets in Tuesday's election according to official returns today.

Democrat John Angel and Republican Robert Tope brought defeat to incumbent office holders William J. Phillips and Lawrence Swofford.

Angel, with a low key campaign and endorsed by the vast majority of the school teachers in the county system won the office of school superintendent with a margin of 509 votes. Official returns showed Phillips with 9,818 tallies to 10,187 for Angel.

Phillips had been appointed to the post by Gov. Claude Kirk following the resignation of R. T. Milwee some 18 months ago.

Turning point in the campaign for Angel was the assertion of school superintendent after Milwee's resignation when he declined to change his party to Republican. Much Democratic support rallied to Angel with the advisory committee's denial. It was public knowledge that Angel's appointment as school superintendent after Milwee's resignation when he declined to change his party to Republican. Much Democratic support rallied to Angel with the advisory committee's denial. It was public knowledge that Angel's appointment as school superintendent after Milwee's resignation when he declined to change his party to Republican.

In the Swofford-Tope contest, the veteran Democratic commissioner was not able to pull his race out of the fire with the absentee votes as he had four years ago and Tope won in a squeaker.

Official results gave Tope 8,418 votes to 9,653 for a margin of victory of 1,235 votes.

Other close races saw County Commissioner Edward Yarbrough top Republican Henry Schumacher by 293 votes with 9,638 to 9,407 respectively.

Sanford Junior High School Assistant Principal Dan Pelham continued his lead with counting of absentees for a seat on the County Commission, Pelham, Democrat, polled 9,913 for Mrs. Dorothy Meador, Republican.

Totals in other races are: John A. Spolski (R) 753, Arthur H. Beckwith (D) 16,755 for clerk of the circuit court; Don Wilton (R) 7,728, S. O. (D) Dorminey (D) 9,155 for tax assessor; Wallace H. Hall (R) 9,913, Robert G. Petree (D) 8,258, county judge; Peter D. Millio (D) 3,746, district six; Justice of Peace counties - Dick Mapes, (R) 2,400, R. E. Carroll (D) 6,023, district 4 and W. Thomas Lovett (R) 3,170, Harvey Coulter (D) 2,902, district six.

Pat Bule of Rolling Hills, with a reputation for winning tight races, proved his reputation correct with his win for a seat on the school board in official returns released by the Supervisor of Elections Camilla Bruce early this morning.

Bule, a Democrat, captured the seat by a scant 50 votes over his Republican opponent, C. David Bowen for his second close victory of the year.

Showing again that every vote counts, Bule polled 8,918 votes to Bowen's 8,868. The win was a Bule type landslide in comparison to other contests in the county.

The distinguished looking Bule spent much of his time while the absentee ballots were being counted in the courtroom at the courthouse calmly reading a science book last night.

Invited President-elect Richard M. Nixon to visit South Vietnam "to make an on-the-spot assessment of the present situation" in this country.

Yanks Pursuing War In S. Vietnam

WASHINGTON (AP) — The number of American killed in action in Vietnam during the week ending Oct. 27, 1969, was 107, the highest since the week ending Oct. 13, 1968, when 108 were killed.

The week's total included 32 killed in action during the week ending Oct. 27, 1969, and 75 killed during the week ending Oct. 13, 1968.

South Vietnamese casualties were reported at 1,292 killed in action and 1,292 wounded during the week ending Oct. 27, 1969.

The allied command reported 1,292 Viet Cong and North Vietnamese killed last week and 1,292 wounded during the week ending Oct. 27, 1969.

Air Force, Navy and Marine pilots logged 562 sorties—one flight by one plane—over South Vietnam Wednesday. The U.S. command does not report its missions over Laos.

Military sources said that sorties over South Vietnam had increased 78 to 108 a day since the bombing of the North ended last Friday. Strikes over Laos reportedly have tripled, to about 300 sorties a day.

Paris (AP) — The United States and North Vietnam disputed ground rules for the expanded Vietnam peace talks Wednesday. The talks were indefinitely suspended because of North Vietnam's refusal to participate.

At issue are differing interpretations about whether the bombing halt should include a cessation of U.S. aerial reconnaissance of North Vietnam and how the warring Vietnamese factions are all at the table to talk peace.

Nixon, LBJ To Work On Drive For Peace

WASHINGTON (AP) — Richard M. Nixon's first priority in the days until his Jan. 30 inauguration may be to meet with President Lyndon B. Johnson in his role in the current Vietnam peace drive.

Nixon has decided to write to make a personal pilgrimage, although to add in the last days of his administration to other Saigon or Paris to the United States.

The possibility remained, however, that Johnson might decide to ask the president-elect to help organize South Vietnamese President Nguyen Van Thieu's visit to the United States.

Nixon Relaxes At Biscayne

KEY BISCAYNE, Fla. (AP) — Only minutes had passed since he was declared the president-elect of the United States, but already Richard M. Nixon was packing his bags. He was leaving New York right away, he said, for Key Biscayne in Florida.

The folks here weren't at all surprised. They had expected Dick to come. Just as soon as he could get away.

For 71 years, this little tropical island has been Nixon's favorite hideaway—the place where he always comes to celebrate his victories and on-again-off-again political career.

And, unless all signs fail, it will be the next four years in the life of the nation's "Little White House."

JACK PROSSER Ford Company was host at a get-acquainted reception for area leaders and their wives last night at Holiday Inn. Prosser, head of the newly established auto agency, is pictured with Ford Motor Jacksonville division officers.

School Chief Sees State Aid

By BILL SCOTT
"I am confident the Legislature will appropriate Education Improvement Expense (EIE) money to supplement local school funds."

This was the opinion expressed yesterday by State School Supt. Floyd Christian to reporters after a luncheon speech before the Sanford Kiwanis Club.

Christian also opined concerning the suit recently filed by teachers in C. E. District Court at Tampa calling for the state law rolling back school tax millage to 10 mills to be declared unconstitutional.

Nixon To Ease Into Control

WASHINGTON (AP) — Richard M. Nixon's first job as president-elect will be to ease himself into control of the White House.

Nixon himself said he would take a month to settle in before he begins to work on the nation's problems.

"I will be the first to avail myself of the opportunity to ease into the job," he said.

Jury To Get Sweet Case

BARTOW, Fla. (AP) — For the second time in a year, John J. Sweet today was the defendant in a trial that drew a large crowd of onlookers to the courtroom to decide whether he should be executed.

Sweet's first-degree murder trial reached a climax with closing arguments by the prosecution and defense today.

Ev Wins

CHICAGO (AP) — Sen. Everett M. Dirksen shunned aside the issues of his age and voting record and ignored a surprising Democratic tide to win election to his fourth term in the U.S. Senate.

The 63-year-old defendant's first trial ended in a deadlocked jury last November, despite testimony by the victim's widow and his clandestine lover, Irene Macxy — that he had killed her.

AREA DEATHS

REV. W. G. MISSELL
Funeral services for Rev. W. G. Missell of Sanford, who died Tuesday at Sanford Manor Nursing Home, will be at 4 p.m. Monday at Second Shiloh Church, Grapeville Avenue, Sanford. Burial will be in Restland Cemetery.

George Tamsel and Hy Green said they were playing cards with Sweet and Mrs. Macxy one night, since the first trial, and that Mrs. Macxy said "Johnny Sweet had nothing to do with the murder and didn't know anything about it."

Miller selling over 200 items consisting of lawn implements, household appliances, auto tires, chainsaws, tools, 2 cars, plus many other items. 2 rolls of new linoleum, 3 rolls of 4-foot rubber, one set of new tires, 1 bag sand, 4 bags of cement, a lot of all glass and fittings, many other items. 10:00 a.m. to 5:00 p.m. on the lot. One mile east of Dunwoody on Oak Hill road. There will be food and drinks on the grounds.

Cubans Harvesting Sugar

HAVANA (AP) — The government and the Communist party are setting off this month the "ninth sugar harvest of the people," the harvest of 1969. But all eyes, and most of the effort, are fixed on 1970 when Prime Minister Fidel Castro says Cuba will produce a record 10 million metric tons.

The 1969 harvest seems almost forgotten in the nationwide drive to make the 10 million goal a year later. Castro has said both his government's ability and credibility can be judged on whether Cuba makes it.

Nixon At Miami Forming Administration

Gov. Kirk Will Seek 2nd Term

MIAMI, Fla. (AP) — Claude R. Kirk Jr., Florida's first Republican governor in nearly a century, said Wednesday he intends to run again in 1970.

Kirk, who defeated the late Robert King High in 1966 and has two more years to serve on his four-year term, will be eligible to succeed himself under the new constitution approved Tuesday in the general election.

The governor was at Miami International Airport awaiting the arrival of President-elect Richard M. Nixon when news men interviewed him.

"Asked if in the light of the new state constitution Kirk thought he might run for the office again, he replied: "I love being governor. I got a lot of work to do and am looking forward to it."

"Does that mean you intend to run again?" a newsman asked.

"Why certainly," Kirk replied. "My gosh, why not?"

Under the new constitution, the governor would be limited to one more term in office. The ruling allows the governor to succeed himself in office "for an additional term, but he cannot be elected a second time if he had served for more than six years."

The constitution also provides for the office of lieutenant governor and says candidates for governor and lieutenant governor shall run as a team in party primaries and general elections. Kirk said he had not picked a candidate for lieutenant governor.

Kirk also was asked his reaction to Florida's legislative race Tuesday.

"I think we did wonderfully," he said in the House.

He said Rep. Don Reed, R-Boca Raton, the House minority leader, "did a wonderful job there. But Senator Bill Young dropped the ball a little bit in the Senate."

Young of Pinellas County is the Senate minority leader.

With absentee ballots still being counted in some legislative areas, Republicans gained two House seats and were leading in one other, apparently allowing the GOP to retain enough power to back up vetoes by Kirk. The House lineup with one uncertain race is 77-41.

WASHINGTON (AP) — Richard M. Nixon, his narrow presidential triumph cemented by late election returns, chose the privacy of a Florida retreat today to start forming the new Republican administration he hopes will "bring the American people together."

Faced with the most pressing task of becoming his immediate role in Vietnam peace efforts and picking the men who will guide the nation's destiny for the next four years, Nixon flew from New York to Key Biscayne, Fla., for what was billed as a few days rest.

On the way he stopped off for a sentimental visit in Washington with his hospitalized former chief, Dwight D. Eisenhower.

As the tide of more than 70 million votes continued to flow in from outlying precincts, mainly in the West, Nixon actually trailed by 29,730,272 to 29,728,409 vote behind Democrat Hubert H. Humphries in the 70 states where voters showed up.

But his electoral vote total, securely past the needed total of 270 after cliff-hanger victories in Illinois, Ohio and California, appeared headed for 302 when late returns gave him the lead in Missouri where more than 100,000 absentee ballots will be decisive.

Absentee votes were also expected to decide Maryland where Humphries was leading.

President Johnson returned to the capital from Texas for the day home stretch of his presidency, pledging to Nixon "everything in my power to make your burdens lighter" during the transition period.

Earlier in San Antonio, the Texas White House said that, at Nixon's request, a government agency had been made available to him. He already has Secret Service protection.

Johnson also offered Nixon government office space in Washington, but the winner said he would continue to work out of his New York offices in the weeks ahead.

Selection of a Cabinet, a White House staff and such other top jobs as a budget director are among Nixon's first chores.

Detroit radio station WJR said Gov. George Romney of Michigan, who made a brief bid last winter for the GOP presidential nomination, probably will be picked as secretary of commerce.

The station also forecast that Dist. Atty. Evelle J. Younger of Los Angeles County "will become the next attorney general," and that Gov. Nelson A. Rockefeller of New York would be named "either as secretary of state or secretary of defense — most likely the latter."

Senate Democratic Leader Mike Mansfield, meanwhile suggested that Nixon name "a shadow cabinet to work with the present Cabinet to smooth the transition."

And the Montana Democrat, who will replace over a reduced majority numbering 58 of the 100 senators, said he would support Nixon "when he is right" adding "when we disagree, we'll oppose not just for the sake of opposition but will try to offer constructive alternatives."

One Senate race remained undecided, the Oregon contest in which Republican Robert Packwood was leading four-term veteran Sen. Wayne Morse. If Packwood's lead holds up, Republicans will have made a net gain of five senators from their total in the outgoing 90th Congress.

In the House, the GOP gain was even smaller, a net of four incumbents defeated, four in re-election districts where they were thrown in with other incumbents.

The new House will have 243 Democrats and 192 Republicans. But conservative southern Democrats could team with Republicans on many issues in both houses to give Nixon the equivalent of a slim working majority.

White Nixon prepared to assume governmental authority, the vice president-elect, Gov. Spiro T. Agnew, was preparing to shed his duties as Maryland's chief executive, probably giving way to a Democrat.

This would give the Democrats 20 governorships to 39 for the GOP.

The GOP currently holds 31 — its highest total in 15 years — all but one of the 50 state legislatures. Vice President Humphrey, conceded and wished Nixon well.

Richard Ogilvie as governor of Illinois, the GOP increased its hold on the big states to six of seven, with only Texas, where Democrat Preston Smith won, outside Republican control.

As is traditional, the day following the election was a day for post-mortems. The two presidential losers, former Alabama Gov. George C. Wallace and Rep. Arch A. Moore Jr.'s helicopter plunged about 30 feet to the ground Sunday as it was approaching a rally in his campaign for governor.

Wallace proclaimed his candidacy a success, even though he carried only five states with 45 electoral votes while polling more than nine million votes, 11 per cent of the total.

THE PENNEY STORY

"Price Break!"
What it means at Penney's

By ROBERTA NASH

Of course a price break means just what you'd expect—a price that's lower today than yesterday. But at Penney's, there's a different philosophy behind the meaning.

It all began with Mr. Penney's great belief in value. Not occasional value. Day-in-day-out value. Our regular customers know this but what about new ones?

Now and then, to get folks to sample Penney quality, we make a price so low it's irresistible. That's how we get more and more new people into our stores, and that's how we build the business.

Mr. and Mrs. T. J. Garrett Honored On 65th Anniversary

MR. AND MRS. T. J. GARRETT of Quitman, Ga., parents of Mrs. Clarence L. Powell of Sanford, observed their 65th wedding anniversary with a reception given in their honor, Oct. 27.

The parents of Mrs. Clarence L. Powell of Sanford, Mr. and Mrs. T. J. Garrett of Quitman, Ga., were honored at a reception, Oct. 27, commemorating their 65th wedding anniversary. The celebration was held at the educational building of Quitman First Baptist Church.

Forming the receiving line with the honor guests were Mrs. Lawson Lee, Mrs. F. T. Henson and the couple's four children, Mrs. J. M. Mason, Orlando; Mrs. C. L. Powell, Sanford; Mrs. Robert Bennett, Adel, Ga.; and T. J. Garrett, II, of Miami. Mrs. Hugh Shiver, Jr., wife of a nephew, kept the guest registry.

The refreshment tables were covered with pale green cloth and overlaid with sheer silk organza. The table featured a beautifully embossed silver vase accented with two five-branched silver candelabra arranged with yellow roses, mums, snapdragons and glowing yellow tapers.

The punch table was arranged with a five-branched silver candelabra with yellow tapers, a silver punch bowl and silver appointments.

Mrs. Nell G. Powell, wife of grandson, Dr. Nell G. Powell of Orlando, Mrs. Wayne Jones and Mrs. Dredway Willis cut and served the cake.

Parting were Mrs. Jenny Powell of Atlanta, wife of a grandson, Mrs. Ray Nicholson, a granddaughter from Athens, Ga., and Mrs. Hunter Blair. Assisting on flanking hostesses were a great granddaughter, Patricia Powell, Or-

Medical News

Problem families, like death and taxes, continue to challenge health experts the world over—but here's the story, reported to a recent medical meeting by Dr. Dorothy Morgan of one group of problem families and how an imaginative medical program reduced at least some of their more serious problems.

Southampton, an English city with a population of 250,000, was plagued by a certain number of problem families. They failed to keep their prenatal and postnatal appointments, didn't bring their children in for immunizations, in short failed to obtain even minimal health care. By age 27, the mothers had an average of about five pregnancies and had more than four living children.

To help them, the city established a domiciliary family planning service. Physicians and nurses visited the families by appointment in their homes to bring them the message of family planning and to provide counsel and instruction in the regular use of the contraceptive method chosen.

After the initial visit, nurses called on the families again, two to three months later, to take supplies and encouragement to them. The doctor visited every six months.

Among the problem families, Dr. Morgan notes, the pill has become a "status symbol." The physician observed that "mothers on the pill have known their first break from yearly childbirth, and are able to devote more time to the new baby and give more attention to their existing children than ever before."

Dr. Morgan said that bringing family planning to these families has helped improve the overall health of mothers, mental as well as physical, and this has had a favorable impact on other family members.

Furlong-Epps Engagement Told

Mr. and Mrs. Edward C. Furlong of Deland, are announcing the engagement of their daughter, Jane Vesta to Andrew Wayne Epps, III, of Sanford.

Mr. Epps is the son of Dr. and Mrs. Andrew Wayne Epps, Jr. of Sanford. He was graduated from Seminoles High School and later attended Emory University in Atlanta, where he was a member of Phi Kappa Alpha Social Fraternity. He was graduated from Emory University in Deland with a bachelor of Science degree, majoring in Chemistry. He is currently teaching Physics and Chemistry in Clermont High School.

Miss Furlong received a bachelor of Arts degree from Emory University with a major in speech and drama. She is a member of Delta Tau Alpha Social Fraternity and Theta Alpha Phi honorary

speech and drama Fraternity. Currently she is teaching in Duval High School. The wedding will be an event of Dec. 29, at St. Barnabas Church, Deland.

Green Beans Parisienne

—Makes 4 servings—
 If you're serving green beans with your Thanksgiving dinner, you can give them a new twist with this recipe. (Serves 4) (9 cups each)

1 cup thinly sliced celery
 4 tablespoons (½ stick) butter or margarine
 ¼ cup water
 1 teaspoon salt
 4 medium-size mushrooms, trimmed and sliced

Combine green beans, celery, butter or margarine, water, and salt in a medium-size frying pan. Heat to boiling cover. Cook 8 minutes; add mushrooms. Cook 3 minutes longer, or just until beans are tender. Drain. Drain buttery sauce from pan over top.

You can add leftover sour cream, a dash of horseradish liquid, to a confectioner's sugar frosting.

DONALD RAY MORGAN, son of Mrs. Jeannette Morgan of Sanford, was guest of honor at two parties on his fifth birthday. One was at Elvira Kindergarten and the other was given by his grandparents, Mr. and Mrs. J. E. Mathieux of Geneva. Photo shows kindergarten teacher, Mrs. E. L. Bullhorn with some of the classmates attending celebration and Donald in the center.

POLLY AND DON SMITH all decked out for a hillbilly party given for Xi Beta Eta Chapter of Beta Sigma Phi and their husbands at the home of Mr. and Mrs. Jim Blythe.

Xi Beta Eta Hosts Hillbilly Party

Members and husbands of Xi Beta Eta Chapter of Beta Sigma Phi found "gild in them hills" Saturday night when they gathered at the home of Mrs. Gladys and Jim Blythe for a festivity, knee-slapping, hillbilly jamboree. Despite the cold weather the party got off to a warm start with some good old mountain dew.

Everyone came dressed in their Sunday best, hillbilly dress. Some of the latest hillbilly fashions were worn by Betty and Don Bethal, Rick and Mona Walker, Betty (Daisy) and Bob (Lil' Abner) Mankie, and the Hills answer to Phyllis Diller, Polly Smith and her hubby, Don Fane Smith.

The group enjoyed lots of good "vittles" and hillbilly music during the evening. The main table was piled high with side meat, cheese "batter chips" and all the fixins. In the center of the main table was a pretty bouquet of assorted woods.

The Blythe cabin was gayly decorated for the get-together, including the little house out back.

Others attending were Eleanor and Dick Butler, Kitty and Joe Corley, Sharon and Al Davis, Helen and Don Hanner, Fran and Hill Rivers, and Jan and Don Cahill.

ORGANIZE YOUR CLEANING

Organize your cleaning tasks into daily, weekly or monthly chores and you will reduce the chaos of seasonal cleaning. Make a list of the chores and be sure you have the proper tools and cleaning aids for everything. Keep all cleaning tools and aids in a convenient closet. Daily chores would be dusting or light mopping. Weekly jobs are vacuuming, silver polishing and floor washing. Monthly you can clean tiles in bath and polish metal objects.

When you are adding chicken livers to an omelet, cook the livers before you add them to the egg mixture.

AMONG THE 223 MEMBERS of the Tindall, Tyson and Sullivan families attending the annual reunion Sunday at Boggy Creek were Mrs. Rudine Tyson, 84, oldest woman; and Young Tindall, 94, oldest man, and former sheriff of Osceola County for many years, holding the youngest family member, his great great granddaughter, seven-week old Kelsey Shelane Whitson, daughter of Mr. and Mrs. Allen Whitson of South Bend, Ind.

Pink Ladies Announce Upcoming Bazaar Plans

Women's Auxiliary of Seminoles Memorial Hospital met Oct. 26, at the hospital auditorium for the annual luncheon with 44 members and guests in attendance.

Mrs. Hazel Githly, acting president, called the meeting to order with Mrs. Hazel Van Arsdale reading the minutes and committee chairman giving reports.

Fund raising chairman, Mrs. Nikke Polok, announced that a bazaar will take place Nov. 15 and 16 at Sanford Plaza from 10 a.m. to 6 p.m. A knitted Afghan made by Mrs. Frank Woodruff will also be given away.

Awards and courtesy chairwoman, Mrs. J. Senark, presented caps to the following pink ladies who have completed 50 hours of service: Mrs. J. Askew, Mrs. M. Bullard, Mrs. Agnes Coldwell, Mrs. Thelma Lewis, Mrs. Blanche Kassone, Mrs. F. Platt, Mrs. S. Richards, Sr., Mrs. W. Sandell and Mrs. Thelma Voss.

Officers nominated and elected: president, Mrs. C. Butler, first vice president, Mrs. June Brown, second vice president, Mrs. Nancy Brock, recording secretary, Miss Agnes Coldwell, corresponding secretary, Mrs. Isabelle Reasick, treasurer, Mrs. Helen Robinson and Mrs. Hazel Van Arsdale.

When you need unsweetened appearance in add to a cooking or cake batter, cook the apples in as little water as possible—a quarter cup will be enough for half a dozen medium apples so the sauce is on the thick side when you strain it.

Families Meet For Reunion

The Tindall, Tyson, and Sullivan families gathered Sunday at Boggy Creek for the annual family reunion. The first couple to arrive at the picnic site was Mr. and Mrs. Plant Tindall, whose annual duty is to start the coffee house.

The largest family attending was Mrs. and Mrs. Gregory Burroughs and their six children from Orlando, Fla. They were married the longest was Mr. and Mrs. Claude Tyson of Osteen, having been married for 24 years and the youngest married couple was Mr. and Mrs. Robert Bass, newlyweds of nine months.

Families from out-of-state were Mr. and Mrs. Herbert Bass, Trenton, N. J., and Mrs. Allen Whitson and daughter from South Bend, Ind. Throughout the years, members of the family have attended the annual affair from nine different states and as far away as France. The reunion is so widely recognized, members have come to the event via horseback, jet and ambulance.

Judges for the contests were Carl Lethrop and Marion Tindall, with Buck Tyson winning the cow-calling contest and Tom Wood being the best hog-caller. Horse races were formerly the main event of the day but were discontinued 35 years ago due to automobiles replacing the horse and buggy for transportation. Foot racing then took the place of horse racing.

Trustees for the reunion are S. Richards, Sr., Mrs. W. Sandell and Mrs. Thelma Voss.

Officers nominated and elected: president, Mrs. C. Butler, first vice president, Mrs. June Brown, second vice president, Mrs. Nancy Brock, recording secretary, Miss Agnes Coldwell, corresponding secretary, Mrs. Isabelle Reasick, treasurer, Mrs. Helen Robinson and Mrs. Hazel Van Arsdale.

The baby's father is stationed at Camp Lejeune, N.C., and presently is home on 30-day leave before reporting to Quantico, Va.

New Arrivals

Mr. and Mrs. Gary Genter announce the birth of a son, Gary Gene, weight, seven pounds, born Friday at the Naval Training Center Hospital in Orlando.

Mr. and Mrs. Edward Lunn of Casselberry are the maternal grandparents and Mrs. Roger Lavigne of Orlando is the paternal grandmother.

The baby's father is stationed at Camp Lejeune, N.C., and presently is home on 30-day leave before reporting to Quantico, Va.

(Herald Photos)

LITTLE Billy Eberly, 13-months-old son of Mr. and Mrs. Earl Eberly, Altamonte Springs, found it hard to make up his mind to leave lunchbox for general store at the recent school carnival, but finally did decide he didn't really need one yet for a few years. (Herald Photo)

ENTERPRISE exhibit at Volusia County Fair, the first ever to be entered by the community, took a blue ribbon. Harvey L. Dunn, a member of the fair board of directors, deserves much of the credit for promoting local interest in the display. (Middleton Photo)

Dear Abby: By Abigail Van Buren

DEAR ABBY: When do you think of a husband who spends more than he earns? Sam is very extravagant, and says as long as he's the one who makes the money, he can do as he pleases. (He doesn't save a dime.)

I like to see my husband's pay stubs, but he says that's not his business. He says I'm just a housewife and I should be satisfied with what he gives me. (He doesn't save a dime.)

My husband's occupation? An accountant.

DEAR ABBY: So what is he? The accountant's kids go to school, and he says that's his business. He says I'm just a housewife and I should be satisfied with what he gives me. (He doesn't save a dime.)

DEAR ABBY: I am a 35-year-old boy and I have school. How do I get laid out?

RICK OF SCHOOL: DEAR RICK: School-leave need advice on how to STAY IN school, not get kicked out. Stay with it. You'll receive, and I promise you, you'll never regret it.

DEAR ABBY: Please print this for "HEARTACHE." SEND \$1.00 TO ABBY, BOX 69700, LOS ANGELES, CALIF. 90069.

Jacoby On Bridge

The simple way to play forcing two bids with a part score is to treat them as one-round forces. Hence, when North went to four spades, he was making a bid to stay in the game. South was delighted to accept the invitation, even though North's two no-trump responses had not been encouraging.

West's queen of clubs was allowed to bid the first trick. The suit was continued and South played low from dummy on a second time. South was sure that East held the ace of clubs and wanted to keep dummy's king of clubs to expert purposes against East.

He ruffed the second club and ran off three rounds of trumps. Then he led the ace of hearts and queen of diamonds. When East discarded a club

Polly's Painters

DEAR POLLY: When my bank statement has been received, I put the canceled checks back in the checkbook according to the order in which the stubs and attach them to the stubs with clear plastic tape. When a checkbook is completed, I file it in my desk drawer. This is the simplest and most thorough way I have found to file canceled checks.

DEAR POLLY: Mrs. L. M. B. could try using tea-bag foot oil on the sole of her shoe that squeaks. That usually

Beauty After Forty

Your feet can endure a huge amount of punishment but the time comes, and especially after forty, when your feet and your nerves demand a square deal. First, following the strain of hours of walking, you need to relax the feet for a time. The cumulative effect of use, overuse and abuse because of incorrect shoes and the lack of proper placement of the bones of the feet, strains on nerves and distressed ligaments.

When the mature woman was in her teen days, she was a victim of "style" for small feet, girls who wore a size two were unhappy, and those who selected a shoe in a size two short, thus came the "batteries" the business and other miserable foot troubles.

Now the fashion for feet that are suited to the foot are all the "style" and a good thing. The girls go up and heels come down, and their feet comfortable and look right for the fashions of today.

It seems to me that the only woman who does not

Horoscope Forecast

GENERAL TENDENCIES: This is a choice whether to-day or tonight. Most everyone is in a comfortable mood and can break promises. You are apt to neglect what you have promised to perform. Get plenty of rest, sound arguments that you are in a comfortable frame of mind instead of fussing.

ARIES (Mar. 21 to April 19): You have to be very cautious while driving or you could regret some slight diversion, inattention, very much. Don't be careless in dealing with others. You have a good partner who is worth keeping.

Taurus (Apr. 20 to May 20): Since you are not in a happy mood, you may not be so judicious in your actions. It does not pay to take sudden decisions. Right now, you should be sure you sign any papers.

GENIE (May 21 to June 21): Contact persons to whom you are owed debts and money as fast as you can. Do this graciously. Being forceful where one's own money is concerned does not pay. Use a more diplomatic approach.

MOON CHILDREN (June 22 to July 21): You had better get those luncheon dishes now and get them out of the way, since they will still be waiting for you. See to it that everything is beautifully clean around you. Show pride in your surroundings.

LEO (July 22 to Aug. 21): Do nothing to upset those in high positions or you are sure to get it in the neck. Get at your duties with the right attitude. Ignore those who are not your friends. Do not let them know you are an A-1 class; it's important now.

VIROGO (Aug. 22 to Sept. 21): You have arrived to get things done and do things with higher-ups, so don't feel a headache at the last moment. Have more respect for your superiors. Be more successful. Show your ambition.

LIBRA (Sept. 22 to Oct. 21): You have some new system to work out that will make you a life more affluent; get the kinks out of it quickly. Forget going out on any tangents. Stop wasting so much time with annoying noise.

SCORPIO (Oct. 22 to Nov. 21): Although tempted to go off on some diversion, you are sure to get into some trouble. If you are in a peculiar fashion, some problem is about to arise. Do not let anything happen that you are responsible for.

SAGITTARIUS (Nov. 22 to Dec. 21): Be careful not to do something that could make good associates turn against you, since he could be in rather a nervous state. Get to where you have a chance to ease tensions. Put that smile back on your face.

CAPRICORN (Dec. 22 to Jan. 20): Get busy with your most efficient manner; be steadfast. If co-workers are somewhat disturbed, do whatever you can to soothe wounded feelings. All can be harmonious if you make it so.

AQUARIUS (Jan. 21 to Feb. 19): You can get on the good side of charming individuals provided you are pleasing and think of their interests. Do not be one in particular can bring a big smile to the face. Show that you are a delightful person.

PISCES (Feb. 20 to Mar. 20): Seek those individuals who are really interested in the welfare of your family as well as yourself. Aid yourself easily of things that do not lead to progress. Align yourself with the constructive.

IF YOUR CHILD IS BORN TODAY: . . . he, or she, will be one of those fascinating young people who needs to be a good deal, have loving parents who will understand this energetic youngster. Many things can up-end and your artistic progress. The care of diet early. Art in any form is fine here, or the field of invention. "The Stars Impel, they do not compel." What you make of your life is largely up to YOU! "The Righter's Individual Pursuit for your right." Remember is now ready. For your copy send your birthdate and name to: Horoscope Forecast, The Sanford Herald, Box 68, Hollywood, Calif. 90028.

Beauty After Forty

DEAR POLLY: I want to tell the lady with the squeaky shoe that I had best problems. My shoe-maker told me to put the shoe in a heavy damp cloth and leave it overnight. This certainly solved the problem for me. —MRS. A. W. E.

DEAR POLLY: I hope some reader can tell me how to raise the dent in my laid asphalt-tile linoleum. Most were made by the steel caps on the heels of ladies' shoes. —MRS. J. W. E.

INDIANA CLUB MEETS TODAY

The Indiana Club will meet at 6 p.m. today at the Community Center. Installation of officers for the coming year will take place.

Those being installed by Rev. Earl Luginbuhl are Mrs. Clarence Martin, president; Mrs. Milton Lantz, secretary, and Charles Bevering, treasurer.

The covered dish dinner will precede the installation.

All former residents of Indiana now living in Deltona are invited to attend. They are invited to bring a covered dish and their own table service. Entertainment for the evening will be by the Irish Step Dancers from St. Peter's School in Deland.

Highlights

8:00 P.M. CBS, Hawaii Five-O. (Color) Metacort has to clear one of his own: Five-O Danny claims he killed a hit-man in a Los Angeles hotel, when he suspected of theft, in self-defense, but witness testified otherwise. Charlotte Condit plays the police's Angeli, a girl friend, and Gavin MacLeod, her husband.

8:30 P.M. ABC, The Flying Nun. "The Organ Transplant." When the convent organ breaks down, Sister Bertille calls on Carlo to help her transplant the replacement, she's located. Carlo, though, is not pleased to see her. He is just about to audition his beautiful distant cousin (played by Andy Land), when he discovers welcome kismet.

8:30 P.M. NBC, Ironside. "The Murder of an Old Man." The murder of an old man has wide implications. Rafe (guest star Ralph Meeker), a former cop turned private investigator, is called in by the chief of police (played by the chief's own son) only after extensive prodding can Ironside get him to join the investigation, but when he does, he leads the chief in Jack (guest star Cliff Gubler), a loser with a fiery racket. Peggy Ann Garner also guest stars that will enable wife Faith (Judy Parfitt) to collect his insurance. Before the deal is done, he has his change of heart, but it means no difference; somebody is really out to get him.

10:11 P.M. NBC, The Dean Martin Show. (Color) Dino's center of guest-stars: Comedian Don La Fontaine, Sherry Fretton and Avery Schreiber, and singers Florence Henderson and Morgan King. Dino does a medley of Stephen Foster songs with Miss King, and Miss Henderson, on her own stars and catches in a comic Gypsy number. Dino, with Dino, presents a musical salute to noses, then does a monologue about an insect-escape artist. Greene explains the difference between night-club and TV work. Schreiber performs an over-the-top harp, and everybody participates in a series of vignettes about Manhattan.

Charge It! . . . in Sanford Plaza **OPEN 10 A.M. to 9 P.M. MONDAY thru SATURDAY**

Bulletin
BARTON, Fla. (AP) — Bookie John J. Sweet today was found guilty of first degree murder and was sentenced to life imprisonment.

John Burgess, 18-year-old Sanford youth, who was held in the Seminole County jail for five months after he was ordered freed by Peace Justice Al Davis, is in trouble again—for the same thing he was arrested for the first time—car theft. Burgess was yesterday driving a car which belonged to Lee Wheeler, local bondman. Trooper Robert Lovring made the arrest and charged Burgess with car theft and driving without a license. Wheeler said today the car was missing for only 10 minutes before the Florida Highway patrolman had brought in the fugitive. Wheeler said his auto was parked in rear of county court house when taken. Burgess is reported to be on bond, but Wheeler said, "I did not make that bond."

A bouquet to Cami Bruce, Seminole County's supervisor of elections, Cami and her canvassers completed the official vote of Tuesday's election at 2 a.m. Thursday. Orange and Brevard Counties are still counting, expecting to finish late tonight. So-nagable — The Herald will have the results of the election for state attorney and public defender (Brevard-Seminole Counties) and the state representatives (Orange-Seminole Counties) for Monday's election. (Some newspapers have reported unofficial results but Diane Barber, Orange supervisor, told The Herald the figures published were incorrect).

Federal, state, county and city governmental offices will be closed Monday in observance of Veterans Day. Postal service will be on a holiday schedule. However, City Commission will meet Monday at 8 p.m. regularly scheduled meeting time.

Seminole High School band members have launched their annual calendar sale. And will compete among themselves for the most sales, starting with a meeting at 7 p.m. Monday in the band hall.

Memo to the man mentioned here yesterday . . . the man who dumped the female miniature dachshund out on the south highway: You may know the pooch made her way to a nearby house . . . and now has a new home.

Commander Carl Hurton, of the American Legion, reports that Gov. Claude Kirk has proclaimed Monday as Veterans Day.

From the mail: Taking a five-mile ride in our fine city I estimate the political party number in the hundreds. My question: Do these fine citizens who thought so much of their candidates to put up all these signs think enough of their city and country to clean up the mess now?

United Fund Facing Dilemma

Junk Auto Drive Launched By City

Sanford Zoning and Planning Board at last night's meeting called on City Commission to proceed with enforcing existing city ordinance prohibiting junk cars within the city.

'Beauty Sanford' Is Plea

Sanford Zoning and Planning Board at last night's meeting called on City Commission to proceed with enforcing existing city ordinance prohibiting junk cars within the city. The group approved the recommendation made by Art Harris, board member, who said something should be done about the many junked vehicles located all over the city. Harris said, "The cars should be removed in an effort to beautify Sanford."

Lake Mary Ponders Merger

Lake Mary Fire Hall was packed and overflowing with interested citizens Thursday night to hear Herald publisher Walter A. Glew speak on the possible annexation of the Lake Mary area to the City of Sanford at the meeting of the Lake Mary Chamber of Commerce. In his interest in the fast growing area involving 20,000 people, Glew spoke from his experience as a newspaperman, explaining why he is concerned with the problem. He told of the desirability of creating a "larger city" and of the need for creating a more desirable image of the community, which is a "fair plan" for everyone.

Proposed Court House Delay Ups Building Cost

Sanford City Commission Chairman John Alexander left no doubt as to his views regarding the move underway by a South Seminole group to shift county seat from Sanford to a "more central county location."

Executive Succumbs

Harold Henry Sherwood, 60, prominent Sanford businessman, died Thursday at Florida Sanitarium and Hospital in Orlando.

Grady Hall Resigns

Gov. Claude Kirk is expected within the next few days to appoint Robert James to fill the unexpired term of Constable Grady Hall, who has announced his resignation from the post. His term will expire next Jan. 1.

Man Crushed As Car Falls

Employed by Crum Post Oil Company of Winter Park, he was reportedly getting his car ready to go on vacation. A resident of Lotus Lake Drive, he is survived by his wife, Ruby; a son, Ron, and a daughter, Miekey.

Funeral services will be at 11 a.m. Saturday in Garden Chapel Funeral Home with Rev. John L. Bray of Prairie Lake Baptist Church officiating. Burial will be in Klugeport, Tenn.

Orange Presents Problem

By WIL SCOTT

United Fund of Seminole County is facing a dilemma caused by Orange County employees of South Seminole residents who take employee fund contribution through payroll deductions for Orange County United Fund Appeal resulting in a fund loss by the Seminole County United Fund drive.

Inability to reach the \$60,000 goal set by local drive was discussed yesterday afternoon during a special called meeting of the UF board of directors, where it was brought out by Wendell Springfield, Seminole United Fund president, that local efforts had raised only \$34,600.25.

Main reason for the loss by Springfield for missing the goal was problem faced by UF workers in Casselberry, Fern Park, North Orlando, Leesville and Altamonte Springs who have met stiff resistance in their appeals because of employment in Orange County.

Springfield informed that fund agencies had requested \$80,000 for next year's budget, but because of losses would receive less than required to operate.

Robert Sheldon, board member said that the Red Cross had advised him it might soon to close Sanford office unless some way is found to insure against deficit financing encountered by failure to meet expense.

Springfield revealed that Orange County fund had approached local group to seek a consolidation of the two counties in one big drive year.

"During a discussion of the proposed Sanford Drive, board member, in an obvious plan for autonomy, observed, "If Seminole County joins the Orange County campaign now in their tent, it won't be too long before the whole camel is in the tent."

E. Hastings, drive chairman, said, "There is a reluctance in South Seminole to participate in anything involving Sanford."

George Touhy, UF director, said a letter was written requesting Orange County's United Appeal to release funds collected from Seminole County residents employed at Martin Company and the reply was negative.

After some discussion, the group decided to send a letter to the Orange County Appeal asking in what manner the two counties would cooperate."

In another action the board of directors voted to sell two lots at \$1,100 each to John Mercer and contribute the money received to the 1968 drive.

Lots were desired to the agency several years ago.
