TODAY'S BIBLE VERSE

God has used strange material
from which to make great na-
tions. He likes to exalt the
humble. He dislikes pride and ar-
rogance. I will make them a na-
tion.—Eze. 37:12

It isn't what you eat that causes
ulcers, someone said the other day:
it's what's eating on you.

General Motors spent nearly \$37-
000,000 on advertising last year.
It was divided among various medi-
a as follows: radio, \$698,000; tele-
vision, \$1,772,000; magazines,
\$10,662,000; and newspapers,
\$23,794,000. It pays to advertise.

The Democrats are going to have
an awful time next week picking a
candidate who isn't too somethin'
or other. Barkley is too old, Russell
and Kefauver too southern, Ker
too oily, Harriman too rich, Steven-
son too unwilling, and Truman has
been tried too often. But there is
no other candidate in the race who
could start with such a big bloc
of electoral votes as Senator Rus-
sell.

Eleven out of every 20 voters
before General Eisenhower
was nominated at the Chicago con-
vention, thought the Republicans
would win the presidential election
next November, according to a
survey conducted by the Princeton
Research Service. Even in the
South 43 percent thought the Re-
publicans would win, only 41 per-
cent thought the Democrats would.
And as we say, that was before
Eisenhower was nominated.

John Wheeler recalls that Presi-
dent Coolidge never had much to
say but whenever he opened his
mouth he said something. On a cold
night up in Vermont one winter
someone handed the President a
buffalo robe to wrap up in. Not-
icing the President left the fur on
the outside, his aide remarked, "I
you put the fur on the inside next
to you, I believe it will keep you
warmer". To which the President
replied, "Why didn't someone tell
the buffalo that?"

The labor shortage, the 30-hour
work week, the unwillingness of
some to work, is resulting in more
and more high school boys and girls
holding jobs on the side. At least
five times as many are working
now as there were in 1940, says the
Census Bureau. They are getting a
good start in life, making money
and perhaps saving it while they
are working, and getting acclimated
to the idea of working before it is
too late. The time may come when
those who do not work will have a
hard time getting along.

Ninety percent of this nation's
wars have settled nothing, says
Bruce Barton. Presumably we
would have gained our independ-
ence from Great Britain anyway
even if we had not fought the Re-
volutionary War. Presumably the
Union would have been preserved,
the slaves set free, even if there had
been no Civil War. Presumably too,
neither the Kaiser, nor the Fuhrer
would have defeated Europe, con-
quered the United States even if we
had kept out of the World War.
Barton evidently thinks too that
even if the Saracens had not been
repelled at the Battle of Tours in
732, Christendom could have
been preserved, but there was con-
siderable doubt about it at the time.

"Free speech carries with it the
evil of all the foolish, unpleasant,
sensitive things that are said, but
all the while we would rather lump
them together than do away with
them," said Winston Churchill in
the House of Commons the other
day. The United States is being
deflected to much abuse of the
freedom of speech these
days from politicians and those who
claim to believe that they have a
right to libel, malign and say
what they please about
others, and perhaps it is better to
have some of the privilege than
to have none at all. Meanwhile,
politicians and those who
claim to believe that they have a
right to libel, malign and say
what they please about others, and
perhaps it is better to have some
of the privilege than to have none
at all.

Military Air Power

World War II and the fighting in Korea have finally convinced American military leaders of the importance of airpower in military operations. Today Americans talk blithely of jets, of giant bombers than can fly thousands of miles without refueling and deliver bomb loads of vast tonnage. Yet it is only 48 years since the War Department accepted the first plane built to military specifications.

On July 30, 1909, the War Department accepted a plane built by the Wright brothers. Compared with the planes of today the Wright brothers' airplane was "ineffectual and weak." The first plane, inefficient and awkward though it was, was the ancestor of the great fighting flying machines of today.

The men in this country interested in making aviation a strong part of our armed forces have not had an easy time. They have had to overcome the objections of the traditionalists who scorned the airplane as a weapon. Many of them sacrificed their careers in attempts to convince their superiors of the importance of planes.

The bombers and the jets, the carrier based planes which streak through the skies to keep America safe are a tribute to these men of vision.

What About Cans?

Cans go camping and they go on picnics, and so does all America. So let's consider cans. If they are opened at only one end, a little liquid inevitably remains. It smells as good to flies, mosquitoes and other forms of wild life as the contents did when fresh to its human opener. If it has bright-colored labels, they look like flowers or fruit from a distance. Flies like fruit. They seek the cans; they find what's left. They thrive and breed there.

But if both ends are opened, the contents drain off and are no good as fly or mosquito incubators. If there is a campfire and the empty cans are set in it to dry up and discolor, they possess no attraction for the wild life and they cease to disfigure the landscape, fading into the color of stone and earth instead. If they are flattened, they are still safer and less ugly.

Camping and picnics are supposed to be fun. But they can be clean fun. They don't have to make the place where they happened unpleasant to the sight and smell of those who follow the original picnickers or campers.

It's a golden rule stuff to think about other people's comfort and happiness. People having fun can contribute to the peace of the world by starting their consideration of other folks with decent disposal of their cans and refuse.

Be sure to put your fires out, too. Don't leave till it's done.

New Robin Hood

Few Americans grow up without forming an intimate acquaintance with Robin Hood and the amiable rogues of Sherwood forest. Hollywood has capitalized on the affection that youngsters have for Robin Hood by making several versions of the story of the outlaw whose origins go back to ancient English folk-lore. The most recent Robin Hood movie is a Walt Disney production with an all live-action cast.

Bosley Crowther, critic for the New York Times, believes that Hollywood is reverting to the formula of swash-buckling films which was so successful in the past. Recent releases such as "Scaramouche," "Ivanhoe" and "Robin Hood" give weight to his theory.

The Robin Hood adventures are bound to hold the youngsters spellbound. It is an established fact that the legends of this outlaw are an important part of English literature. On this basis we intend to go to the show and improve our mind. We have a high regard for culture, particularly when it takes the form of sword fights and rascality by figures like Robin Hood, Little John and Friar Tuck.

Sanford Forum

July 15, 1952
Sanford, Fla.
Mr. Roland Dean, Editor
The Sanford Herald
Sanford, Fla.

Dear Mr. Dean:
I feel sure that these facts would have been in the account of the City Commission proceedings (in Tuesday's Herald) if your reporter had been present when the discussion and action were held.

At Monday night's meeting I stated and still hold that, Mr. Harry Lee has served on the Civil Service Board since its inception (1944) with diligent and faithful service.

Mr. Lee has also served unselfishly on many other City Boards with great credit to the City of Sanford and to himself.

I further stated that the City Boards, Committees and Commissions should be changed as to personnel every so often rather than working a good man down. (This is in line with the suggestions and requests that I have received from numerous people.) I said that I also believe that more people be given a chance to take an active part in city affairs and thereby learn some of the many details encountered.

It is for this reason that on 28 June 1952, that as is normally done by the Mayor, I recommended someone else be appointed to work in my absence. (This had served faithfully for four-two year terms and was therefore entitled to relief from a position of no compensation.)

It is for the above reasons that I request the City Commission to reconsider their decision taken during my absence—it was also not clear to all the Commissioners that final action had been taken.

So in the interest of removing any unintended reflection I respectfully ask that you print this letter in your forum.

Sincerely yours,
W. H. Stemper
Mayor

TAX REFUNDS MADE

WASHINGTON (AP)—The Revenue Bureau's job of making refunds to people who overpaid their 1951 income taxes is about 98 per cent complete, but officials estimated today that about 550,000 more checks will go out.

The 28½ million people to whom refunds have been mailed so far have averaged a record high \$64.36 compared to \$53.56 for 1950 income tax overpayments and the previous record of \$55 for 1948, a year of big tax reduction.

One consolation for those who still have refund checks coming: They'll be due some extra money, for the government pays interest of one-half of 1 per cent each month on refunds not mailed by April which is two weeks after the tax deadline.

Hialeah race track showed an increase of 14½ per cent in handicapping for the first 15 days of its meeting this winter.

Sam Stern Elected Elks Exalted Ruler

NEW YORK (Special)—Sam Stern, Fargo, N. D., banker, merchant and civic leader, was elected Grand Exalted Ruler of the Benevolent and Protective Order of Elks at its 88th Grand Lodge Convention here Monday.

Stern, who was unopposed, was elected as Convention business sessions got under way in the Waldorf Astoria following the colorful public opening ceremonies Sunday night. He is the first North Dakotan to head the Order of Elks in its 84 year history.

Stern has served as North Dakota Chairman of the National Foundation for Infantile Paralysis since its inception, has been chairman of the North Dakota State Crippled Children Commission for 11 years, and was a founder and for many years head of the State Elks Association's Crippled Children program, which established Camp Grassieck, an institution for handicapped children, near Bismarck. Stern will be installed at the closing convention session

Local Landlords Are Careless About ORS

Many landlords in the Sanford Defense Rental Area are careless in complying with the regulations of the Office of Rent Stabilization. W. R. Williams, area rent director, stated today.

The main offense is failure of landlords to register their rental property with the Office of Rent Stabilization within the time limits required by law.

On houses and apartment units the regulations require that the property be registered within 20

days from the date of first rental, in the case of rooms, motor and tourist courts, trailers, trailer spaces and the like, 10 days from date of first rental is the requirement.

Another point overlooked frequently is the requirement of tenants to register any units they are sub-renting. In case of sub-renting, a "chief" tenant, in reality, becomes a landlord, Mr. Williams stated, and is subject to the same requirements as is the owner of the property.

How's Business? GREAT - with prices like these

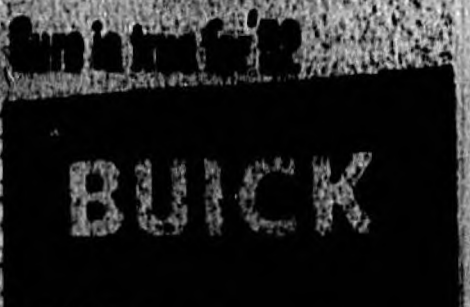

1952 BUICK LOCAL DELIVERED PRICES
SPECIAL \$2469.00
2-Door 4-Door Sedan MODEL 480 (Illustrated)
SUPER \$2834.00
4-Door 4-Door Sedan MODEL 52
ROADMASTER \$3585.00
2-Door 4-Door Sedan MODEL 748
Optional equipment, accessories, taxes and local license, if any, additional. Prices may vary slightly in adjoining communities due to shipping charges. All prices subject to change without notice.

THIS is—to coin a phrase—a "shopper's market." Folks are taking a keen look at what they get for what they pay—and they're taking a double look at price tags. That's the kind of market where Buick really shines. Do you know why? Buick prices are down within easy reach of the folks who buy what's known as "the low-priced three." Fact is—a big chunk of Buick sales comes from the folks who trade in one of this low-priced trio. For very few extra dollars, they're getting a lot more automobile. They're getting more power—

and the thrill that goes with it. They're getting "big-car" comfort. They're getting a ride that cost a million dollars and more to develop. They like the room, the fabrics, the extra appointments they find in the smart-stopping beauty pictured here. And they like Dynaflow Drive.* They like the way it handles. They like the way it's engineered. They like the belt they get out of touching off the power of its Fireball 5 Engine—and they like the miles they get from a gallon of fuel. So Buick cars are booming. Not just the SPECIAL—but also the SUPER and ROADMASTER. Folks are taking such good looks at Buick buy in its field.

When we tell you that business is great, we can back up that statement with figures. More people are buying Buicks than any other car at their price or above. Why don't you come in and see for yourself what's behind this popularity? If you can afford a new car, you can be the proud owner of a Buick. Equipment, accessories, taxes and license are subject to change without notice. *Standard on Roadmaster, optional on extra cost on other Buicks.

The meeting was closed with a prayer.

Herndon Ordination Program Announced

The First Presbyterian Church of Gulfport will be the scene of an impressive ceremony July 20, at 4:00 o'clock, when J. Emmett Herndon will be ordained to the Christian ministry, and installed as pastor of the Gulfport church.

The ordination will be conducted by the Presbytery of St. Johns. The invocation and Lord's Prayer will be led by the Rev. D. P. McGrachy, Jr., pastor of the Peace Memorial Presbyterian Church in Clearwater. The scripture will be read by the Rev. W. H. Kadel, pastor of the Palma Vista Presbyterian Church in Tampa. The prayer will be offered by the Rev. F. P. Anderson, assistant pastor of the First Presbyterian Church in St. Petersburg. Mrs. Lois Dickson, soprano soloist in the Fifth Avenue Baptist Church in St. Petersburg, will be guest soloist.

The ordination sermon will be delivered by the Rev. F. D. Brown, pastor of the First Presbyterian Church in Inverness, and pastor emeritus of the First Presbyterian Church in Sanford following the hymn, "The Church's One Foundation," the Rev. D. P. McGrachy, Jr. will preside as moderator and ask the constitutional questions, followed by the laying on of hands of the Presbytery. The prayer of ordination will be given by the Rev. A. G. Melvin, pastor of the First Presbyterian Church in Sanford.

Following the hymn, "O Master Let Me Walk With Thee," the Rev. A. R. Larrick, Executive Secretary of Home Missions and Stated Clerk for St. Johns Presbytery, will give the charge to the candidate. The charge to the congregation will be given by the Rev. J. A. McClure, pastor of the First Presbyterian Church in St. Petersburg. The ordination will be pronounced by the newly ordained minister, followed with the psalm by the pianist, Mrs. Mary Walker.

Mr. Herndon, who is from this city, is a graduate of the University of Florida and the Princeton Theological Seminary. During World War II, Mr. Herndon served in the 8th Infantry Division in Italy. Mr. Herndon moved to Gulfport several weeks ago with his wife, who is from Kingsbury, Cal. Mrs. Herndon received her B. A. degree in music from the Fresno State Teachers' College, and degree of Master of Religious Education from Princeton Theological Seminary.

Following the service of ordination and installation, a reception will be held in the Educational Building for those attending the service.

Miss Peggy Howell left last night with her friends, Miss Peggy Best and Miss Mildred Awalt, for a trip through the East and up into Canada. The girls will be accompanied by Miss Best's cousins, Bobby and Bill Best, who have spent some time at the Best home in Lake Mary, to Lexington, N. C., where they plan to visit with Mr. and Mrs. E. R. Best, Jr. After leaving Lexington, the three girls will visit Miss Best's sister and brother-in-law, Mr. and Mrs. Tony Tassin in Savannah, N. Y., and from there plan to cross into Canada, visiting at Niagara Falls and other points.

Baptist Circle 5 Has Monthly Meet

Circle No. 5 of the W. M. F. of the First Baptist Church met on Monday at the church with Mrs. Jodor Cameron presiding over the meeting. The devotional, "Power is Dangerous," was given by Mrs. E. M. Carroll after which Mrs. Nellie Allen led the group in prayer.

During the meeting a talk on the Royal Ambassador was given by Ernest Mayes Jr. and reports were heard from the various committee chairmen. Those attending were Mrs. Cameron, Mrs. V. Hogue, Mrs. Allen, Mrs. E. P. Rimes, Mrs. M. J. Phillips, Mrs. L. P. Hagan and Mrs. Carroll.

Boys Of Woodcraft Plan Encampment

The local Camp of Boys of Woodcraft will hold a meeting on July 15 to make final plans for their state encampment which will be held at Silver Spring beginning Aug. 16 and lasting through Aug. 19. More than 300 boys are expected to attend the encampment.

Between 30 and 40 boys between the ages of 7 1/2 to 15 1/2 years of age are expected to attend from Sanford. A committee of adults from the local W. O. W. camp will be in charge of the boys at the meeting tomorrow night. Reservations will be accepted and all members may bring it to a local W. O. W. Camp, Sanford, B. W. O. Camp, Sanford.

Party Is Given For Mrs. Williams

A number of Lake Mary friends surprised Mrs. D. K. Williams Friday evening with a farewell winter party at the home of Mrs. E. E. Roberts. Mrs. Williams is moving to Atlanta in the near future.

The five and picnic tables were on the shores of Crystal Lake and the winners and losers were augmented by potato salad, cole slaw, fruit salad, iced tea and watermelons.

As a memento of the occasion Mrs. Williams was presented with a sterling compact and her daughter, Julia with a sterling charm bracelet.

Enjoying this picnic with Mrs. Williams and Julia were Mrs. E. E. Roberts and children, Earl and Gail, Mrs. B. C. Roberts and sons, George and Kenneth, the Rev. and Mrs. L. W. Scott, Rev. and Mrs.

Blues Tie For 3rd Place By Defeating Leesburg, 4-1

Sanford Seeks 4th Win In Row Here Against Packers On Ladies Night

By KENT CHETLAIN
That motley crew of baseball charges known as the Seminole Blues did it again last night as they invaded Venetian Gardens and won their third straight game by defeating the Leesburg Packers, 4-1. Chico Corrales chalked up his 11th victory of the season in 18 decisions as his mates provided him with three unearned runs off Packer flinger Pat McCullough.

Jorge Rivero Baseball machine

The win last night gave the Seminoles 10 victories in their last 13 games and skyrocketed Sanford into a third place tie with the Palatka Azules, who lost to Orlando 4-0 last night behind the shutout pitching of Joe Valmas.

The Seminole baseball machine will conclude its second Packer test in the friendly confines of Memorial Stadium tonight. Jorge Rivero, cool working Cuban flinger, will be Manager Chuck Aleno's mound choice to keep the Sanford winning onslaught going.

Rivero will be seeking to extend the Blue winning streak to four straight this evening and will be personally seeking to notch his ninth win of the campaign. The chunky Cuban registered an impressive 15-9 record with the 1951 Azules last year and has an 8-7 record this season.

The tie is no question but the Seminole Blue baseball machine is again rolling. The current victory offensive commenced from an ignominious beginning of two wins and 10 losses for a lowly .107 percentage two weeks ago.

The meteoric rise to third place from the cellar was consummated in an amazing triumph drive that has seen the Blues play .709 percentage baseball. It is reminiscent of the Seminoles' early season winning binge when the Blues scored 17 wins in their last 20 games for a phenomenal .895 percentage.

Sparkling Sanford's last two wins has been the return of Johnny Imbra, flashy fielding keystone sacker, who has been slightly less than amazing since he was installed on the field and at the plate that has inspired the Blues to continue winning.

Imbra's .313 average has leaped 10 points to .323 on his .567 batting clip in the last two games. It was the team play of Imbra that provided the extra "go go" for the earlier edition of the Seminole Baseball machine.

Last night Imbra laced out three hits in five appearances to pace the Sanford offensive while Chico Gonzalez contributed a pair and a run batted in.

Sanford scored in the initial frame on singles by Paul Eskew, Imbra and force plays by Frank Smith and Joe Parise. The Packers knotted the game when Buck Collins drilled out a double and first baseman Whitey pulled a fly to George Kenis in left advancing Collins to third, but when Kenis' throw to Dusty Rhodes at the plate was wild, Collins came across with the lone Leesburg tally of the evening.

Sanford opened the eventful sixth frame with a double by Smith. Parise was safe at first on an error by Whitey, Smith scored, Packer Catcher O'Leary's return throw to second trying to nail Parise got away from Fundora.

Muck Collins and Parise came home. After Aleno went out Rhodes singled and advanced to second on an error, where he scored on Gonzalez' hit.

From Box Patter! Dusty Rhodes executed a nice double play when he caught the third strike and threw to first nailing the runner off the base. Soddy (what was again sidelined last night with a leg muscle injury).

Probably because of his recent hitting spree, Red Hat manager Charlie Brewster has been the overwhelming choice for the second base duties on the North All-Stars.

George Herndon Selects Don Ford On His South All-Stars Team

Jax Beach's Young Named At 3rd On North By Former S.H.S. Link Star

George Herndon, former Seminole High School golf star and considered by many one of the most promising young linksmen in this area, chose Don Ford of Orlando for his catcher on the South All-Star team to highlight yesterday's last minute surge for the veteran receiver.

Don Ford

Ford passed Dusty Rhodes by four ballots to gain the lead for the first time since the very beginning of the Sanford Herald's poll. Frank Smith, who led for the last several weeks was dropped into third place in the voting for the South's catcher as Rhodes broke a two-way deadlock yesterday to go into second place.

Herndon's individuality was displayed when he selected Herndon Young, Jax Beach third baseman, over Jack Cade, the popular choice to date for the Northern hot corner post, in the closely contested battle for the North's shortstop position, youthful George added with Palatka's Garry Sondermeyer over DeLand's Bill Mostansky.

Picking the most popular player was easy for Herndon, he said, "There can be no question but that 'Old Red' Roberts is by far the most popular in the Palatka area."

Herndon pointed to the color and the fans' reaction every time the Red Hat comes to bat in a game.

Ed Levy is considered the best manager in the South by the Seminole linksmen while popular Bill Steinecke of Palatka is Herndon's pick in the North. George's choice of Levy reflected the late boon for the Orlando skipper.

Levy passed Aleno today for the first time since the poll began. A tremendous drive by Leesburg shortstop, Fred Brady, of late, has brought the spunky little Irishman within five votes of his teammate Chico Fundora for the Southern shortstop berth. Herndon, who plans to attend the University of Florida in the fall, favored this last minute landslide for Brady by naming the Packer over Fundora.

Two Seminole Blue outfielders were listed on George's Southern team. They were a pair of Boddy Great and Paul Eskew. Murray Byrd and Chico Corrales were two Blue flingers on the University of Florida in the fall, favored this last minute landslide for Brady by naming the Packer over Fundora.

Aleno leads all the individual vote getters in the Herald's poll with 100 votes while Imbra has 85. Collins and Bill Shores plummeted over the century mark in votes in the race for the three Southern outfield posts.

Walt Dropp Is Again Striking Fear Into Hearts Of Pitchers

By RALPH RODEN
Associated Press Sports Writer
Walt Dropp, the amiable "Moose" from Mooseup, Conn., once again is striking fear into the hearts of American League pitchers.

Dropp, who has excelled more ups and downs than roller coaster in his bid for major league stardom, has been the hottest batter in the league since Independence Day.

The husky first baseman of the Detroit Tigers shunted the pennant races to the sidelines Tuesday night by tying a rare major league record—12 consecutive hits. Pinky Higgins set the record in 1938 with the Boston Red Sox and Dropp is the first to equal the mark.

Dropp failed to break the record when he fouled out in the seventh inning of the second game of a twin-bill doubleheader against the Senators in Washington. The 28-year-old slugger then singled home two runs in the ninth.

Despite Dropp's lusty hitting the full-end Tigers dropped both ends of the twin-bill to Washington, 8-2 and 9-8.

Meanwhile, the Cleveland Indians slashed the Yanks' lead to 2 1/2 games by downing the Bombers, 7-3. The Red Sox took over third place from Chicago by beating the White Sox, 7-5 and the Philadelphia Athletics swept a twinnight twin-bill from St. Louis, 7-0 and 11-3.

In the National League, the second-place New York Giants climbed to within five games of Brooklyn's pace-setting Dodgers by turning back the St. Louis Cardinals, 6-3. The Dodgers' game with Cincinnati was rained out. In other games, the Philadelphia Phillies trounced Pittsburgh, 10-3, and the Boston Braves snowed under the Chicago Cubs, 10-3.

Early Wynn, backed by a hit attack that included home runs by Harry Simpson and Luke Easter,

coasted to his 10th victory in the opener of the important 5-game series at Yankee Stadium. Home runs by Yogi Berra, Joe Collins and Mickey Mantle accounted for all of the Yanks' runs but they all came with the bases empty.

Red Hats Defeat 2nd Place Beach With Late Rally

By NEIL GILBRIDE
Associated Press Staff Writer
The DeLand Red Hats scored three runs in the ninth inning to beat Jacksonville Beach, 6-5, in a Florida State League baseball game Tuesday night.

League-leading DeLand scored the winning runs on three hits and two errors. Third baseman Jack Cade led DeLand batters with three hits, one of them a double.

In other games, Daytona Beach beat Cocoa, 8-2, Orlando shut out Palatka, 4-0, and Sanford beat Leesburg, 4-1.

Joe Valmas blanked Palatka with a 5-hitter. Orlando scored one run in the second inning, one in the fourth and the other two when Tim Lincecum set with one man on in the fifth inning.

Leftfielder Bob Rucker knocked in four runs with a homer and two singles to lead the Daytona Beach Islanders to the win over Cocoa.

Sanford scored three unearned runs in the sixth inning to break a 1-1 tie and beat Leesburg. Jay Corrales held Leesburg to six hits for his 11th win of the season.

Van Dusen Is Beaten By Tommy Stringer

Tommy Stringer, City recreational director, participating in Sanford's tennis tourney, registered a 6-2 and 6-3 triumph over Pete Van Dusen, of the Sanford Naval Auxiliary Air Station, yesterday in the opening round of the men's singles competition at the Mayfair courts.

Over the week-end, Holly Pierce advanced to the quarter-finals by defeating George Herndon, star Seminole High School linksmen, 6-3 and 6-1, in other action Clay Williams trounced Ed Locket 6-1 and 6-0.

Williams advances to play the winner of the Sammy Jacobson-Mel Fiecher match. The winner of the Williams set will then oppose Pierce in the quarter-finals. All players are requested to turn in their scores to the Herald as soon as the matches are over.

Plane Crash Into 2 Houses Takes 4 Lives

Second Accident In As Many Days Occurs In Metropolitan Los Angeles Area

LOS ANGELES (AP) — A light plane, taking off in heavy fog, plunged into two houses today, setting one afire and killing the two men and two women aboard the plane.

No one was injured in the houses. Occupants of the one most badly wrecked are on vacation.

One neighbor, Mrs. May Palmer, said: "I was looking out the window to see if it was going to rain. I heard a terrific crash, and saw a body go flying by."

The plane had scraped the roof of the home of Sam Caldwell on May El Segundo Boulevard, then cartwheeled into the living room of the house next door. But it tore right out again, and spread debris into the street. The engine was 75 feet from the fuselage.

Caldwell, his wife and baby, were in their house but escaped injury. The next door neighbors, Mr. and Mrs. J. W. Corley, left last Saturday on a vacation trip to Mesa, Ark.

The sheriff's office identified the victims as: Dale E. Baker, 38, Portland, Ore. (He carried another address: Graham, Ore.)

Muriel Joyce Jones, 21, Freshwater, Calif.

Florence Joyce Jones, age unknown, same address.

The second man was unidentified.

It was the second instance in as many days of a plane hitting a residence in the metropolitan area.

In Santa Ana Wednesday afternoon a Navy jet lost a wing and ploughed into a residence, wrecking it while its owners were out shopping. Witnesses said the pilot could have bailed out, but stayed with his craft in a desperate effort to bring it down safely.

In Santa Ana, horrified watchers said the Navy plane had been disabled from a residential district.

Recreation Plan Being Sponsored By School Board

The Seminole County School Board is sponsoring a county-wide recreation program for six weeks.

T. W. Lawton, school superintendent, said today.

All county recreation workers are participating in the program under the general direction of Tommy Stringer, Sanford recreation director, and the City has given full cooperation to the program, Mr. Lawton added.

The School Board uses the salaries for six weeks of two white and five Negro athletic directors and provides school buses for trips to nearby lakes, springs and picnicking areas.

Recreation at the Lyman School in Longwood is under the direction of James G. Payne, coach at Lyman and former member of the Sanford baseball team. He is assisted by personnel furnished by the Longwood Athletic Association and Longwood Parent Teachers Association.

In Oviedo, Paul Mikler, coach at the Oviedo School, is in charge of county recreation, and he is assisted by assistants supplied by the Oviedo P.T.A. and the local Women's Club.

The Negro program in Oviedo is under the supervision of Lilly R. Hall, teacher at the Oviedo colored school, who is assisted by student helpers.

The entire program is supported enthusiastically by the children of the county, Mr. Lawton said, and a very good attendance has been reported throughout the county. So successful has the program proved that it has been extended to six weeks from the four weeks originally planned, he added.

Lee Is Willing To Keep Serving On Civil Service

Chairman Says He Has Not Resigned And Enjoys His Work

Harry Lee, chairman of the local Civil Service Board, said this morning that he did not care to make any comment or statement regarding the Commission's action Monday night to extend his recent reappointment for a two year term, pointing out that the matter is entirely up to the City.

He indicated, however, that he had not submitted his resignation, and said that he has enjoyed serving on the Board since it was created in 1944, even though without remuneration.

In a letter to the Herald on July 15, Mayor Steiner, explaining his action toward the reappointment at the Monday meeting, pointed out that Mr. Lee had served the board since its inception with "diligent and faithful service, and also on many other City Boards with great credit to the City and himself."

He further stated that the City Boards, Committees and Commissions should be changed every so often rather than working a good man down," he added.

"When this was pointed out to Mr. Lee, he smiled and stated, 'There is not much work for me to do. I go to meetings only about (Continued on Page Sixteen)'"

Services Are Held For Mrs. Coleman

Funeral services for Mrs. H. C. Coleman, whose death occurred suddenly in Camden, Minn., on July 12 following a short illness, were held yesterday afternoon in Bradenton.

The brief and simple service was conducted in the chapel of the Shannon Funeral Home at 2:00 o'clock amid many beautiful floral arrangements from her many friends. Interment was in Posenyville Cemetery.

She was the wife of Mr. Coleman, district manager of the Florida Power and Light Company. Other survivors include a daughter, Mrs. R. C. Trimble; and her two grandchildren, Mrs. William Wilson and Miss Gall Trimble, all residents of Bradenton, and a brother, Carleton Thayer of Riverside, Calif.

Among those attending the services from Sanford were Mr. and Mrs. Frank Evans, Mr. and Mrs. Charles Cole, Mrs. L. L. Fraser, Mrs. Joseph Saunders, W. D. Livingston, J. A. Young, H. C. Moore, Jack Ratigan, Randall Chase, S. O. Chase, J. L. Ingley and Roy Holler.

Mrs. Coleman was a native of Bangor, Me., and following her marriage moved to Coena, later coming to Sanford with her husband in 1932. She was a member of Holy Cross Episcopal Church and of St. Mark's Chapter of the Ladies' Auxiliary. She also belonged to the Rose Circle of the Sanford Garden Club and the Orlando Art Association.

Sanford G.O.P. Stalwart

Fred Zerrenner attended this Republican National Convention as he has attended many in the past in the capacity of sergeant at arms to the Florida delegation. Mr. Zerrenner, a life long Republican, won victory ahead for his party in November and a bright future for the party in Florida.

By BOBO DEAN
Just returned from the Republican National Convention in Chicago where he acted as sergeant-at-arms for the Florida state headquarters, Fred Zerrenner, west side farmer, reported today that he feels the party is now united behind the candidacy of Dwight D. Eisenhower for the presidency of the United States.

He added that Eisenhower will run a good race in Florida and that he has a good chance of carrying the state. "It's due to happen," he said.

Mr. Zerrenner's job at the convention was to keep order in the Florida penthouse headquarters atop the Morrison Hotel. The penthouse, he said, included a large room for meetings, a music room with piano, a bar, kitchen and three bedrooms.

The Florida delegation, in addition, reserved 48 or 60 rooms in the hotel for delegates and their guests. He reported that in the course of the convention he seldom got more than two or three hours sleep a night.

He indicated that there was much disappointment among the supporters of Senator Taft in regard to the outcome of the contest, but whatever bitterness they may have felt was allayed by Eisenhower's generous visit to the Senator as soon as the Florida nomination became known.

This was true, he said, of the majority of the Florida delegation. (Continued on Page Two)

Georgia Governor Will Get Protest On Child Marriage

JACKSONVILLE (AP) — The governor of Georgia can look for a picture of a 12-year-old Florida bride—and with it a complaint from Juvenile Judge Walter S. Criswell.

Judge Criswell said Wednesday the girl was married to a 16-year-old dairy hand at Folkston, Ga., about two weeks ago.

The two were held on a complaint by the girl's parents. Judge Criswell said a hearing has been set for Monday when he will enter an order in the case.

"I'm going to write to Gov. Terrell, send him pictures of these children and ask him to investigate the ordinary (minor official) who married them," Criswell said.

The girl was described as five feet tall and weighing about 95 pounds.

Criswell said the boy's parents took the couple to Folkston for the marriage ceremony. "They told me the children were in love and wanted to get married," the judge said.

After the girl's parents reported the wedding to juvenile authorities, the youngsters were taken into custody. They had set up house-keeping in a 3-room shack on a dairy farm where the boy works.

Doctor Advocates Use Of Fluorine In City's Water

Dr. A. W. Eppa Jr. Cites Decline In Decaying Of Teeth

Dr. A. W. Eppa Jr., local dentist, advised City fluoridation of water during a speech at a meeting before the Junior Chamber of Commerce at the Lyman School.

Dr. Eppa told the American Dental Association, Journal and out of the other local dental associations that the use of fluorine in drinking water is a beneficial way to protect and build stronger teeth in children and adults.

The fluorine in water, he said, is in the form of a fluoride compound which is added to the water.

Legion Commander Coming To Sanford

A big turnout of Legionnaires is expected Monday night at the Legion Hut to welcome Department Commander Frank Falson of Tampa and many other out of town guests.

Post 53 Commander Denver Cordell announced today.

The program will start with a fish fry at 7:00 o'clock and no advance reservations are necessary.

Delegations from the Oviedo and Longwood Posts will be present.

Members of the Legion Baseball team will also be among the guests. It is expected that this will be one of the largest meetings ever to be held at the hut.

ROTARY DIRECTORS
Directors of the Sanford Rotary Club will meet tonight at the home of Bob Harris, president, at 826 Escambia Drive. The meeting will begin at 7:30 o'clock.

SALVATION ARMY
Civil and fraternal organizations have been contacted by the Salvation Army with fair response in its present drive, but contributions have not been what had been hoped for, William C. Hutchison, chairman of the drive, announced today.

He asked business people to support the drive, and declared that while many letters have been sent out, it has been impossible to contact all individuals. He praised the active program among young people now being carried on by Capt. William White of the local post.

They had received slight injuries and were confined to the police station by officers R. W. Lynch and D. T. Reagan.

Some \$700 worth of damages resulted from a collision between an automobile and two trucks on Park Avenue this morning, police reported today.

The second truck suffered \$200 worth of damage, the automobile \$250. The driver of the first truck, Reginald Shroy, a 17-year-old youth from Miami, was charged with reckless driving and driving without a license, while Wesley Gillard of Perrine, Fla., owner of the truck and a passenger, was charged with permitting an unlicensed person to drive.

They had received slight injuries and were confined to the police station by officers R. W. Lynch and D. T. Reagan.

Sanford Pilots To Attend Orlando Meet

The Sanford Pilot Club has been extended an invitation by the Orlando Pilot Club to a post dinner meeting next Monday night with other clubs organized by the Orlando club, including Sanford, Daytona Beach, Water Park, DeLand and Ft. Pierce.

The dinner will be held in the banquet room of the Greater Orlando Chamber of Commerce Building beginning at 6:30 p.m.

Main feature of the meeting will be a talk by Miss Tsugi Shimabuchi, president of the recently organized Pilot Club of Tokyo, Japan, who was brought to the United States by Pilot International to attend the 31st annual convention held at Mackinac Island, Mich. July 2 through July 5.

STOVE EXPLOSION
The explosion of a kerosene stove at 814 Cypress Avenue called out the Fire Department yesterday. The resulting blast was promptly extinguished and no property damage other than to the stove was reported. The house is the residence of Daisy Kinard.
