

Sauls Explains Racing Board's Role In State

John Sauls, local insurance man and realtor who doubles in brass as chief inspector at the Sanford-Orlando Kennel Club for the Florida State Racing Commission, told of the commission's activities at the Jaycee meeting Thursday at the Civic Center.

He described the commission organization as made up of five members, one from each of five districts, with Sam Pyles of Leesburg as commissioner of the Central Florida District.

The main duties of the commission, said Sauls, is to set dates for race meetings, hold hearings on track activities and police each pari-mutuel installation in the state.

At the dog tracks this consists of checking the dogs for dope before and after each race with saliva tests which are done by veterinarians. A veterinarian also selects a dog at random from those named for the evening's program and gives it a thorough physical to determine its condition for racing.

Also a part of the duties of the commission is to keep strict tabs on the pari-mutuel operation with inspectors and auditors.

He pointed out there are 17 dog tracks, five jai alai fronts and five horse tracks now operating in the state. The new Seminole Park Raceway at Casselberry will be the only harness track when it opens Feb. 1.

The local harness track will operate for 82 nights, the horse (flat runners) will operate for 42 days, the dog tracks run 92 nights and the frontons for 102 nights.

Sauls emphasized that everybody connected in any way with a pari-mutuel installation has to be licensed by the commission. This goes from the manager and owners down to the cleaning crews and even secretaries.

The speaker made the point very strongly that the sole purpose of the commission is to keep the racing activities in the State of Florida honest and he says they do a good job of it.

But, he added, with a humorous touch, they aren't responsible for the people who feel a desperate need for the two dollar window.

Jet Bomber Crash Kills Pilot

WICHITA, Kan. (UPI)—A F47 jet bomber crashed in flames shortly after takeoff during a snowstorm Thursday night. The pilot was killed and two others injured.

Killed was Capt. P. L. Tudwill, 29, of Detroit Lakes, Minn. The injured were 1st Lt. F. J. Medrick, 26, the co-pilot, of Hastings, N. Y., and Capt. H. T. Jones, 24, Oakland, Calif.

The bomber was assigned to the 807th Bomb Wing, Lincoln Air Force Base, Lincoln Neb. The highway patrol said Medrick and Jones were able to parachute to safety. They were reported in good condition at the hospital at McConnell Air Force Base here.

Orlando Youths Caught By Police

GALLAHAN (UPI)—Police captured two Orlando youths Thursday after they had escaped from a city prison farm work gang.

The two identified as James Norman Mullins, 17, and Robert Stevenson, 17, originally of Waycross, Ga., were recaptured after driving through town at speeds of up to 100 miles an hour.

Police said the two will face charges of auto theft.

21 Fraud Counts Bring Conviction

MIAMI (UPI)—John Robert Howard, one-time husband of the late actress Diana Barrymore, was convicted on 21 of 26 counts of mail fraud in federal court here Thursday.

Judge Emmett Chertoff found Howard guilty on charges of having and cashing \$24,000 worth of forged savings bonds allegedly stolen from the mails.

Cuba Was Moral Victory For U. S., Demo Club Hears

The facts that the United States won only a moral victory in the recent Cuban Crisis, that there still are 15,000 to 20,000 Communist soldiers there, that no one is really sure all of the missiles are gone and that Fidel Castro definitely would not hesitate to fire a missile on the U. S. were urgently pointed out by New York Times Caribbean Correspondent Ruby Phillips Thursday night.

Speaking before a dinner meeting of the South Seminole Democratic Women's Club at the Riksha Inn, Miss Phillips traced the tumultuous government of Cuba since it became a Republic in 1902 until the time she was forced to leave the country two years ago on a Swiss permit as all of her own credentials had been taken and never returned.

"It was my opinion that when the president recently mobilized 250,000 Armed Forces we should have gone on with an invasion. This crisis was fostered simply to put us to test and the Communists seem to have come out the winners as the outcome of the whole thing practically guaranteed Castro," she said.

"We put an embargo on supplies to Cuba and today

we are sending an estimated \$2 million worth of food and medicine into the country.

"Yet Castro tells the people that all of their troubles are due to the 'imperialists' (North America)," she continued.

She estimated that if the U. S. had continued on into a full scale invasion there would have been "considerable fighting for Cuba has had four years of Communist indoctrination. Their Army is a young Army of approximately 400,000 in the Militia to which everybody belongs . . . man, woman and child. These people work 10 to 12 hours a day then go out to do guard duty. However, we would have won," she concluded.

Appearing with Miss Phillips was the Rollins College "Pro and Con TV Team" headed by Dr. Paul Douglas who arranged the program.

This same group will have Miss Phillips as guest on today's 10:30 p. m. "Pro and Con" telecast over WLOP Channel Nine when the subject will again be on Cuba.

Khrushchev Confers With Pole Leaders On Way To Berlin Talk

WARSAW (UPI)—Soviet Premier Nikita S. Khrushchev conferred with Polish leaders today during a stop-over "rest" en route to the East German Communist party congress in Berlin.

Polish officials said Khrushchev was relaxing somewhere in the province of Olstyn, a resort area which once was German East Prussia. He arrived in Poland by train Thursday.

Wladyslaw Gomulka, the Polish Communist party chief, joined Khrushchev's special train Thursday night after it pulled into a small station in Warsaw's eastern suburbs. Some of Poland's

cabinet ministers were in the party also.

Political observers expected no spectacular developments during Khrushchev's stay of a few days. The Kremlin leader's visit was regarded here as unofficial although it was at the invitation of Gomulka and Premier Josef Cyrankiewicz. It is his first visit to Poland since 1959.

The discussions were expected to concentrate on the Berlin problem. Specific Soviet-Polish affairs were considered by Khrushchev and Gomulka just two weeks ago when they met in the Soviet city of Kiev.

Grand Jury Probes Citrus Scandal

Bradshaw Called As 1st Witness BULLETIN

The grand jury recessed for luncheon at 12:10 p. m. today. Other witnesses summoned for the afternoon session are Glenn Snell, Dr. George Westbrook, Marvin McNair, Bill Rosier, J. D. Sudd, W. H. Wainwright, James Lloyd, Sam Williams, E. W. Jackson, and Jim Dice, all of the State Department of Agriculture; H. H. Riley, U. S. Department of Agriculture; A. T. Healy, of the Governor's office, and John Hanner and M. T. Sabina, of the Hi-Acres company.

Grand jury probe into an alleged grand larceny case in the citrus industry here was launched today with a 17-man panel. Nearly 20 men associated with the citrus industry were present to testify before the jury.

First witness called was Charles Bradshaw, owner of Hi-Acres company of Forest City, who previously had estimated his firm lost more than \$200,000 in the alleged larceny during the last two years.

Circuit Judge Volie A. Williams Jr. and State's Attorney Arthur Steed refused comment on the question before the grand jury but State's Attorney William G. Hopkins Jr., of Tallahassee, referred to an executive order filed in Circuit Court here last Nov. 7.

The second witness called before the grand jury today was Chester Blakemore, Tallahassee, personnel director for the commissioner of Agriculture.

In that order, Gov. Farris Bryant named Hopkins to investigate the alleged conspiracy to commit grand larceny involving Alva Tyndall Hull, Ralph W. Alderman, C. R. Lowdermilk and Billy Lamar Hammond. Hammond and Hull were state fruit inspectors and Lowdermilk and Alderman fruit brokers.

Steed and Hopkins were working together in presenting testimony and calling witnesses before the jury.

Judge Williams, in sending the panel, said the investigation should be completed in one day. He also outlined the procedure for returning or not returning an indictment.

Sent on the grand jury for the fall 1962 term today were: Joseph Warren, Eugene Brewer, W. Henry Benton, Joseph W. Orseno, Theodore J. Deringer, Ivan B. Jakubek, W. J. Rowland, Alfred Doudney, Bert B. Hollingsworth, Lewis Haines, Edmund L. Weber, Lelloy Rollin, Ernest J. Brooklyn, Benny S. Austin, Glenn Charles Grange, Gustav C. Sammeck, Thomas M. Andes and Robert J. Humell. The jurors later excused Leroy Rollin.

\$10 Billion Tax Cut Asked By JFK

WASHINGTON (UPI)—President Kennedy asked Congress today to cut taxes \$10 billion over the next three years, starting with a \$3 billion reduction this year in personal and corporate taxes.

free enterprise system and said the "end of agony" might be in sight in the Congo. But he asked that danger still exists from Cuba to the South China Sea.

In a 3,500-word State of the Union address, delivered in person to a joint session of Congress, the chief executive also took a cautious view of the world situation.

He said West Berlin remained free, a settlement had been reached in Laos, aggression blunted in Viet Nam and a "deadly threat"

removed from Cuba. He called for action on his tax reduction program. Kennedy said:

"Now, when no military crisis strains our resources, now is the time to act. We cannot afford to be timid or slow. For this is the most important task confronting the Congress in 1963."

It was the first time in the Internal Revenue's 100-year history that tax reduction had been proposed solely to stimulate a lagging economy. There have been 13 major tax cuts this century, most of them to realize rates after a war or because of a budget surplus.

The nation's labor unions and much of business favor the chief executive's approach. But his proposals faced sharp scrutiny in Congress where some influential members question the wisdom of tax cuts without reductions in spending.

Actually, Kennedy asked the lawmakers to cut taxes \$12.5 billion between now and the end of 1965. But he proposed to recapture \$2.5 billion, or two-fifths, broadening the tax base and ending what he called "unfair or unnecessary preferences." He did not pinpoint these.

Breaking down his proposal, the President said \$11 billion would be cut from individual tax rates and \$2.5 billion would result from reducing corporate rates. He said the tax cuts would increase purchasing power, with the greatest increase going to low-income consumers.

New Officials To Take Over In Casselberry

DeGaulle Turns Down Offer Of Polaris Missiles

PARIS (UPI)—French President Charles de Gaulle today rejected President Kennedy's offer of Polaris missiles to France.

The offer was contained in the agreements reached at Nassau last month by Kennedy and British Prime Minister Harold Macmillan.

"I don't believe anyone thinks that we could subscribe to the Bahamas agreement," de Gaulle told a press conference here.

At the same time De Gaulle informed the British that he would maintain his stern conditions for Britain's entry into the European Common Market. These conditions stipulate that Britain not be given any special favors, but comply fully with terms of the treaty of Rome, which set up the market.

In an accord ending the Nassau talks late in December, the United States and Britain announced that the controversial Skybolt missile was being dropped and that Britain would be offered the submarine-borne Polaris missile instead.

The Polaris offer was extended also to France with the stipulation that the missile would be employed in a multinational nuclear force under NATO.

Waterways Improvements

30-Year-Old Dream Off Ground

A 30-year dream to enhance the Sanford area through waterway traffic is off the ground.

Should plans put into action last week reach fruition Sanford will become host to a new business: Water traffic, both pleasure and commercial.

Ten men sat around a conference table at the Angelika Hotel in Orlando last Friday afternoon and launched the 30-year dream by retaining engineers to draft preliminary plans for a barge canal connecting the St. Johns and Indian rivers.

These 10 men were John L. Brumley and John Krider, Sanford; D. S. Nisbet, Cocoa; R. C. Brady, Titusville, and C. E. LaGette and Kansas Downes, Orlando, members of the St. Johns-Indian River Navigation committee; Sen.

Bernard Parrish, Titusville; Harold A. Scott, Jacksonville, representing the engineering firm of Reynolds, Smith and Hill; W. A. McCree Jr., Orlando, of the Canal Authority of Florida, and Sen. Randolph Hodges, president of the State Senate and director of the Department of Conservation.

Krider, Seminole County Chamber of Commerce manager and navigation committee chairman, conducted the session which led to the retention of Scott's firm to do a survey and recommend where should be laid a canal connecting the St. Johns and Indian rivers.

These men took it upon themselves to pledge \$1,500 for the engineers' survey fee, stating they would request \$500 each from the county commissions of Brevard, Or-

ange and Seminole counties. So emphatic in his feeling for the canal was Sen. Parrish that he pledged Brevard County for its share of \$500 or "I'll put up my personal check in that amount, if necessary."

Further, after much discussion when it was realized the canal may not touch Orange County but probably would pass through Volusia County, it was agreed that Krider and Sen. Parrish will meet next week with Volusia County authorities and invite that political subdivision to join in the venture.

Conference members were in accord that financing of the canal should be sought, in the beginning, at a local level. That is, from the counties involved or from the state; but not in the near future from the federal government.

County Set To Aid Raceway But, How Much, How Long?

Rebuilding of Seminole Boulevard to facilitate traffic between Highway 17-92 and the Seminole Raceway is a moot question.

County Commission, in a special session Saturday afternoon, agreed to furnish rock and clay for the refurbished roadway along with labor but only if the Raceway authorities would finance the cost of the asphalt roadbed.

Clyde Hart, Raceway president, told The Herald Sunday "we will run over to the commission Monday with a check for \$11,000 or \$12,000" to pay for the asphalt bed.

It has been estimated the entire project, complete rebuilding by widening and resurfacing of the two-mile stretch, would cost \$40,000. It further has been estimated that the asphalt project alone would cost \$11,000 or \$12,000.

James P. Avery Jr., commission vice chairman, stated the county will "go along with the early part of the project whenever the Raceway places in escrow the necessary funds to finance the asphalt part of the job."

However, the question arises whether the roadway project will be completed . . .

in the words of a county official . . . "the Raceway people have been promising since Jan. 1, 1962, to put up money as their share but they still have to put it up. When they do lay the cash on the line, then we will talk business."

The county authorities have expressed themselves that they will "not go along with a substandard road." They added, the job must meet requirements of road engineers and "last longer than one racing season. Hart, in answer to this said, "We have too much invested not to be willing to do our part for a complete, standard road. We are agreeable to meet our end of the deal."

Giant Storm Ravages West Crop; 75 Dead

United Press International

A massive storm brought cold to 48 states today, threatening the Texas and Arizona vegetable and citrus crop and claiming more than 75 lives.

The only area really to escape the cold spell was the southern half of Florida. Key West had a balmy 74 early today. But it was 27 below in International Falls, Minn.

A cloud cover held off the brunt of the arctic cold front in the Texas Rio Grande Valley, but the forecast of temperatures in the upper 20s still spelled damage to tender plants and trees.

Some farmers said the tomato crop was ruined, the peppers and lettuce extensively damaged.

The freeze was not as severe as last January's cold wave that cost an estimated \$50 million in lost citrus trees and vegetables.

Some 100,000 citrus trees were planted to offset last year's loss and prolonged temperatures in the 20s could wipe out that investment and cause major damage to adult trees.

There also was some citrus damage in Arizona's Salt River Valley.

Elks Set Freedom Week Observance

FREEDOM WEEK Observance here kicked off today with Mayor Tom McDonald signing the proclamation with publisher Walter Glew left, and Frank Holmes, Exalted ruler of the Elks looking on. (Herald Photo)

Holmes 'Stresses' Positive Americanism

Sanford Elks Lodge will observe Freedom Week January 14-19, saluting freedom of speech and of the press. Exalted Ruler Frank Holmes announced today. Freedom Week will be celebrated by Elks lodges throughout the country as part of the positive Americanism program of the Benevolent and Protective Order of Elks.

"We think that in the struggle with communism too much attention has been paid to what we are against and we are in danger of losing sight of what we are fighting for and why we are for it," Holmes declared. "During Freedom Week, we hope to bring to the people of our community a fuller realization that freedom of speech and of the press are the basic freedoms on which our whole way of life depends."

Special tributes will be paid during Freedom Week to newspapers, broadcasting stations, magazines and books and to the men and women engaged in the areas of communication.

The Elks leader said that freedom of expression is the essential difference between our way of life and all totalitarian societies, a difference that is pointed up by our right to speak and to publish, to listen and to read, to agree or to disagree.

"This freedom is working every time we read a newspaper or magazine, listen to the radio, watch a television program, borrow a book at the library or buy one at a bookstore," Holmes declared. "It gives our citizens the means to protect their freedom, and it is the reason for the successful working of our political, social and economic institutions. This is what we are fighting for in standing against communism's effort to destroy us, and through Freedom Week we hope to strengthen the spirit of American patriotism, here in our own community, for ultimate victory over the enemies of freedom."

Meredith Faces Final Exams, Vandalism

OXFORD, Miss. (UPI) — Today marked what could be the beginning of the end for Negro James Meredith at the University of Mississippi.

This is the week for final examinations, and if the 29-year-old Air Force veteran is having as much trouble with his studies as suspected he will be lucky to slide by.

Meredith took only a few hours out from his studies during the weekend to visit his wife, but when he returned to the campus from Memphis he came face-to-face with another problem: someone had slashed one of the tires on his car and snapped off the aerial on his car radio.

The vandalism took place only 30 feet from the Military Policemen who constantly stand guard at his dormitory.

Meredith paid little attention to the damage and went directly into the dormitory where he spent most of the afternoon studying.

Adding substance to reports that Meredith would leave "Old Miss" was a disclosure Sunday that he has rented an apartment near the all-Negro college he formerly attended in Jackson.

Academy Holds Banquets In New Cafeteria

By Shirley Wentworth

The first event to be held in the newly completed cafeteria at Forest Lake Academy in Forest City was a banquet of the Associated Youth composed of Seven-day Adventists from the Orlando area.

A second banquet also held there recently was the annual Ministers' Dinner which concluded a three-day conference held by Adventist ministers from throughout the state.

Business Briefs

Progress for 1963 along Sanford's First St. downtown section was started off this week at the James G. Chapman architectural offices, which are now being expanded.

Remodeling, renovating and redecorating of office space on the second floor of the old Florida State Bank Building, which was purchased by Chapman with a 350 square foot drafting room. A fire-proof access stairway to the upstairs office is also being installed.

The present drafting room downstairs will be turned into a conference room, Chapman said, with displays of several exclusive lines of contemporary modern styles of furniture by Founders, Knoll and Herman Miller, which will be available to clients in conjunction with the firm's interior decorating services.

Chairmen Set For Annual Smorgasbord

Circles of the Congregational Christian Church have announced that Mrs. Harold Herbat has been appointed chairman of the Swedish Smorgasbord sponsored annually by the women's groups. Co-chairman will be Mrs. Maurice Corbett.

This year's event has been set for Saturday, Feb. 23, and work already has begun on elaborately decorated Swedish aprons to be worn by the ladies who will be serving the many authentic dishes to be featured at the Smorgasbord. Tickets will go on sale in the near future.

27 Believed Dead In Fires Across Nation

By United Press International

Fires took a heavy toll in lives and caused millions of dollars damage across the nation during the frigid weekend.

At east 27 persons were killed in fires.

Fire killed five members of one family at Bonanza, Utah, and four children died in a fire at Hammond, Ind. There were multi-million-dollar fires at Peoria, Ill., and Pine Bluff, Ark.

Many of the fires broke out as homemakers and janitors turned up the heat during a vast cold spell that reached into 48 states.

Mr. and Mrs. Marion Madsen and three of their children perished at Bonanza when their cabin home burned to the ground early Saturday. The temperature was 25 below, the officers believed an overheated stove caused the blaze.

In Hammond, Ind., Saturday five swept the home in which Mrs. Alberta Griffin, 28 and her 11 children were sleeping. Mrs. Griffin and seven of the children escaped, but firemen found the bodies of four children, aged 7, 4, 3 and 2, in their beds.

Bradley University at Peoria decided to conduct classes today despite a \$2 million fire Saturday night that destroyed Bradley Hall, oldest building on the campus and repository of many of the university's records.

One man died, one was missing and another was injured in the fire, which broke out Saturday. The warehouse was filled with huge rolls of newspaper, each weighing between 15,000 and 20,000 pounds.

Mrs. L. B. Hoop, wife of the commanding officer of Heavy Attack Squadron Seven, was guest of honor at a farewell brunch, given by the wives of the squadron.

The spacious Celery Ave. home of Mrs. H. A. Moreland was decorated with mums, magnolia and holly for the event. Mrs. L. A. Heath, wife of the new commanding officer, presented Mrs. Hoop with a silver engraved Paul Revere bowl, as a farewell gift from the wives.

More than 100 navy and civilian friends were invited to a delicious brunch of chicken a la king, assorted relishes, cookies and numerous beverages.

Committee chairmen were Mrs. K. E. Enney, decorations; Mrs. E. J. Kingsbury, food, and Mrs. T. J. Cann, invitations. They were assisted by the wives of the squadron.

Mrs. McPherson Presents Circle Program

Mrs. Walter McPherson spoke to members of the Ethel Root Circle of the Congregational Church when the group met in Fellowship Hall with Mrs. Bea Alford as hostess. She used as her topic "The United Church of Christ" and emphasized the need of working together for a better Church, stating that families are needed to help bring this about.

Mrs. Helen Remusat presided at the business meeting and read numerous communications including thank you notes for flowers and gifts during the holiday season. Personal notes were read from Mrs. Walter Barton, Mrs. Laura Ludecke, Mr. and Mrs. Henry Ditt and Dr. Bernard Root.

Mrs. Edward Simpson gave a report on distribution of gifts and table decorations to the Sarepta Rest Home. The ladies enjoyed making Santas (from apples) and colorful napkin rings to help cheer the patients during the holidays.

It was reported that the tables and chairs, ordered by the circle, will be here the last of this month. A chair caddy has also been ordered by the Men's Club.

The new officers will be installed at the next meeting, Jan. 21. Rev. Walter McPherson, will be installing officer. This will be a joint meeting with the Friendship League, with members of the Ethel Root Circle as hostesses.

Miss Deanna Farina Marries Patrick Joseph Murphy, Jr.

By Donna Estes

Miss Deanna Farina, daughter of Mr. and Mrs. John A. Farina, of Longwood and Patrick Joseph Murphy, Jr., son of Mr. and Mrs. Patrick J. Murphy Sr. of Framingham, Mass., were married Jan. 7 at 7 p. m. at the

bride's home. High Duncan, Justice of the Peace, officiated at the double ring ceremony in a setting of white gladioli and fern.

The bride, given in marriage by her father, chose a gown of white chiffon over satin. Her shoulder length veil was attached to a white satin headband and she carried a bridal bouquet of white carnations.

The bride's mother wore a powder blue gown with black accessories. Maid of honor was Miss Carol Goodall, a close friend of the bride. She wore a turquoise gown and an orchid corsage. Joe Turner of Atlanta, Ga. was best man. He is presently Aviation Electrician 2nd Class at Sanford Naval Air Station.

Following the ceremony, a reception was held at the home of the bride at 380 E. Church Street, for 61 friends and relatives. The three tiered wedding cake made by the bride's mother was cut by the bride and served by Mrs. Garland Shaw, an aunt and Mrs. C. E. Farina, grandmother of the bride. Mrs. Delton Helms, another aunt, presided at the punch bowl and assisted with the serving.

The groom is presently serving in the U. S. Navy as an Aviation Machinist Mate 2nd Class and stationed at Sanford Naval Air Station. He is a graduate of Brookline High School, Framingham, Mass. The bride is a graduate of Lyman High School class of 1962.

After a short wedding trip to Daytona Beach, the bride will make her home with her parents while her husband is deployed aboard the Enterprise for a six months cruise.

Out of town guests included Mr. and Mrs. Emory Brown of Daytona Beach and Mr. and Mrs. Delton Helms of Lake Wales.

By Jane Casselberry

Tom Milwee of 172 Warren St. in Longwood celebrated his 16th birthday Saturday night with a dinner party at the Hixha Inn in Fern Park followed by dancing and refreshments at his home.

Guests included Susan Edmunds, Virginia Close, Sharyn Henry and Tim Brown of Orlando, Stephanie Westgate and John Westgate of Sanford and Ruth Keim, Ralph Humphrey, Lynn Bauman, Ann Trawick, Billy Wharton, George Hanna and Danny Casselberry, all classmates at Lyman High School.

Also attending were Mrs. Eugene Bothell, Tom's brother, George Milwee, and his parents, Mr. and Mrs. R. T. Milwee.

Guild Plans Third Mission Study Class

Mrs. Boyd Gaines was hostess for the monthly meeting of the Wesleyan Service Guild of First Methodist Church. Mrs. T. A. Wakefield served as co-hostess.

Plans were made for the third mission study of the year. It is entitled "Today's Children for Tomorrow's World" and will be under the direction of Mrs. Gaines.

A program on "Talents" was presented by Mrs. Escar Neider, assisted by Mrs. O. K. Goff, Miss Ethel Riser and Mrs. Hazel Flynt. Mrs. Walter Carter was in charge of the evening's devotions.

The hostesses served refreshments during the social hour to the 18 members and one guest, Mrs. Mary Lindsay, attending.

Never repeat gossip as fact, Better yet—don't repeat it.

DeBary Personals

Col. and Mrs. Harold Wills were hosts for an egg nog party at their home on Naranja Rd.

Frank Pietro and George Taft helped brighten the New Year's party at the Firemen's Recreation Hall with several request selections. The ladies helped decorate the hall with snow flakes and streamers and among those helping was the former Debbie Bruce, who was visiting in DeBary from Meridian, Miss. Word has been received that her husband, Lt. Joseph Trepanier was killed in a plane crash. Our deepest sympathy to Debbie and the two families.

Mr. and Mrs. Hans Morgan of Naranja Rd. have returned from Miami where they spent the holidays with their friends from New Jersey.

Church Calendar

TUESDAY

The Fidelity S. S. Class of First Baptist Church meets at 7:30 p.m. at the home of Mrs. J. E. Estridge, 106 Satsuma Drive.

Miss Randolph Weds Eric G. Back

Mr. and Mrs. Glimmer B. Randolph of Lake Barcroft, Falls Church, Va., announce the marriage of their daughter, Gloria Kay, to Eric Gunnar Back on Dec. 22 at the home of the bride's parents.

The groom's parents are Mr. and Mrs. J. Gunnar Back of Paoli, Pa. Back, a widely known television news analyst at WFIL in Philadelphia, served as his son's best man.

The groom is a junior engineer at Melpar, Inc., in Falls Church, Va., and attended St. John's College in Annapolis, Md., where the bride is now a student.

The couple are residing at 1203 Cedar Park Road in Annapolis.

Mrs. Back and her parents are frequent visitors in Sanford. Mrs. Back is the granddaughter of James A. Ellison and the late Mrs. Ellison of 2637 S. Elm Ave., and is the niece of Clyde T. Ellison of that address and Mrs. William A. Reynolds, 2426 Willow Ave.

Osteen Home Club Elects Officers

By Mrs. Clarence Snyder

The Osteen Home Demonstration Club met at the home of Mrs. Hazel Gilhuly with Mrs. James Wallin, president, presiding.

Mrs. Wallin read a poem from a Home Demonstration booklet and Mrs. Robert Williams offered prayer. Correspondence was read from Mrs. Edna Eby, county agent, and from Mrs. Frank George, a member who is spending the winter in Buffalo, N. Y.

Officers for the coming year elected were Mrs. Wallin, president; Miss Alice Dayton, vice president; Mrs. Clarence Snyder, secretary and treasurer, and Mrs. Gilhuly, council delegate. These officers will be installed at a council meeting at Elizabeth Hall of Stetson University in DeLand, Jan. 18.

The food chairman, Mrs. Guy Beall, and Mrs. Robert Williams will attend a meeting at the Home Demonstration offices in DeLand, Jan. 30.

Mrs. Eby, county agent, gave a very interesting demonstration on foods of the future. She showed a seven ounce package of freeze dried boned chicken, which resembled chipped wood. The package represented a five pound chicken which can be kept on the pantry shelf without refrigeration for several years.

She poured lukewarm water over the chicken and it soon assumed the look and texture of fresh chicken. The members sampled the chicken and found it delicious.

Other products prepared in the same way and displayed were sweet potatoes, sweet green and red peppers. These products are now available for the armed forces and will soon be on the market.

The hostess served refreshments of sandwiches, nuts, candy, fruit cake and coffee.

Others attending were Mrs. Beall, Mrs. Williams, Miss Dayton, Mrs. Clarence Snyder, Mrs. John Bradin, Mrs. John Melrose, Mrs. Laura Ball, Mrs. Harry Osteen, Mrs. John Juras, Mrs. Joe Masters and two guests, Mrs. Eta Van Brackle and Mrs. Dot Hall of DeBary.

Mrs. Karnes Hostess For VAH-9 Coffee

The Loch Arbor home of Mrs. Allen Karnes was the scene of a meeting of the Hoot Owl Officers wives of VAH-9 for coffee recently. A cheery fire in the fireplace of the family room welcomed the guests as they arrived. Homemade cheese cake and meringue cookies were enjoyed with the coffee.

Candidates for president of the All Wives Club, Mrs. Robert Lovelace and C. T. Covill, were present and introduced to the group. Mrs. Neil Pruden, the third candidate, was unable to attend. The revisions in the All Wives constitution were reviewed. Mrs. T. B. Wood reported a very successful response for the help the squadron gave a needy family at Christmas. Mrs. G.W. Kimmons appointed new chairmen for the following six months.

Those attending besides the candidates were Mmes. A. F. Reno, M. J. Puopolo, P. A. Munroe, R. M. Cooke, K. D. Kugler, T. L. Shipman, E. L. Ebbert, W. E. Markley, W. I. Lewis and D. F. Munday.

North Orlando Personals

By Mona Grinstead

Recent guests of Mr. and Mrs. Arthur Rhodes, Mike, Tommy and Sue, were Mrs. Rhodes' father and stepmother, Mr. and Mrs. Stephen Ramsey, of Miami Mr. and Mrs. Ray MacPherson of Winter Park and Mr. and Mrs. Art Ferrin of North Orlando.

North Orlando Personals

Mrs. Larry Harris and son, Christopher, left Sunday by Delta Air Lines for San Diego to visit Mrs. Harris' sister. They plan to be gone about a month.

Miss Winnell Messer has returned to the Barones Erlanger School of Nursing in Chattanooga, Tenn., after a four week visit with her mother, Mrs. Iris Messer, and other relatives and friends. Miss Messer is in her junior year.

Mr. and Mrs. D. J. Whitehead of Richmond, Va., are visiting her sister and her husband, Mr. and Mrs. M. B. Smith, at their home, 456 Rosalia Drive.

North Orlando Couple Host For Party

By Mona Grinstead

Mr. and Mrs. Herb Watson of the North Orlando Ranches were hosts for one of the first parties of the new year.

A group of friends gathered for an evening of dancing to recorded music and refreshments of chicken salad, finger sandwiches, ham on rye, stuffed olives, celery, crackers and dips, pretzels, potato chips and a variety of drinks.

Among those enjoying the evening were Mr. and Mrs. Gus Boucher, Mr. and Mrs. Joe Hage, Mr. and Mrs. Archie Seaton, Mr. and Mrs. John Moore and Fa'id Fekaney.

Allie Gets Revenge In Pro Grid Bowl

LOS ANGELES (UPI) — New York Giants coach Allie Sherman's cup of joy overflowed today after he finally

scored a victory over Vince Lombardi of the Green Bay Packers when his Eastern All-Stars defeated the West Sunday, 30-20, in the National Football League's Pro Bowl.

But the first Eastern Conference win in four years over the Western All-Stars did not come easy. Coach Sherman's players, led by Jim Brown of Cleveland, had to come from behind and scored 17 points in the fourth period to gain the victory.

Brown, who played under Paul Brown at Cleveland, gave Sherman credit for his record performance that led to his being voted "Player of the Game" for the second straight year.

Close Matches To Spark SOKC

Eight closely matched greyhounds should make a thriller of tonight's featured ninth race as the Sanford-Orlando Kennel Club starts the second week of its 1963 season. Competing in the all-star contest will be Mrs. Mops, Mr. Tall Man, Soft Whirl, Ed's Black Putty, Party Oake, Fatsum, Dandy Mike and Joe Luck.

"Sherman certainly got a lot out of me," Jim Brown commented. "He's fair and a realist. He doesn't mind praising you when you do something good."

Brown's rushing total of 141 yards broke his own Pro Bowl record of 120 yards set last season, and he scored two of his team's touchdowns and helped set up one of the pair in the fourth period. His top run was a 50-yard sprint in the first period for a touchdown.

Orville Moses Fathom, winner of the racing king stake last February, will probably be well supported by the fans, as will Tom Sweeney's Mrs. Mops, who starred here last year but missed the money in the opening night inaugural. Last season she was in the money in just half of her starts, eight times with wins.

Quartermback John Uhltras also turned in a record pass play of 87 yards to end Gall Coghill of the Lions in the third period when the West also scored 17 points to take a 20-13 lead after trailing, 13-3, at halftime.

Racing enthusiasts who like fast breakers are certain to go for Leonard Pryse's Ed's Black Putty for in three schooling and two official starts he has never failed to be in front at the first turn. He won a grade B race Wednesday night.

Washington (UPI) — Attorney General Robert Kennedy said new legislation may be needed to crack down on gamblers who attempt to fix amateur and professional sporting events.

ARCADIA, Calif. (UPI) — Crimston Saitan scored a photo finish win over Native Diver in the \$38,800 San Fernando Stakes at Santa Anita.

BOSTON (UPI) — Bill Crothers, a Canadian student, set a Knights of Columbus track record for 1,000 yards by winning the event in 2:08.6.

SAN DIEGO (UPI) — Gary Player won the \$23,000 San Diego Open golf tournament with a 72-hole score of 270.

DALLAS, Tex. (UPI) — Hamilton Richardson defeated Chuck McKinley, 8-10, 6-3, 6-4, to win the Dallas Indoor invitational tennis tourney.

LOS ANGELES (UPI) — Fullback Jim Taylor of Green Bay Packers was reported to be ill with infectious hepatitis.

PHILADELPHIA (UPI) — Albertina Noyes of Boston won the Eastern Ladies Senior figure skating championship.

Women Bowlers Meet Jan. 22
Open meeting for all Sanford area women bowlers will be held at 8 p.m. Jan. 22 at the American Legion hall on Highway 17-92.

The city association requests all members to attend to decide tournament dates and rules.

In AFL Contest McClinton, Tripucka Pace East Grid Win

SAN DIEGO, Calif. (UPI) — Rookie-of-the-year fullback Curtis McClinton and 14-year veteran quarterback Frank Tripucka were the big offensive guns as the West All-Stars edged the East, 21-14, Sunday in the second annual American Football League All-Star game.

McClinton took a handoff from Dawson and ran over two East defenders to break in the clear and race to the end zone. East coach Frank Ivy of Houston said the line was bunched up to stop a short-yardage, third-down play and that once McClinton broke through the hole he was gone.

A Grand Old Gal is going to the post in the first half of tonight's daily double. She is Artistry owned by Mrs. Manuel Souza. This 36-pound brindle has won many important trophies. She won the Taunton Inaugural in 1961 ran second in the Taunton American Derby that year and third in the Taunton blue ribbon.

McClinton named the game's outstanding offensive player, ripped the East line for 91 yards, including a 64-yard touchdown dash in the first half. He gained only 10 yards in the second half, suffering a minor injury early in the third quarter.

Artistry will be five-years-old in March but is still going strong. She has a national B-1 rating and was in Grade A competition at So-drac last summer.

Two minutes later linebacker Larry Grantham of the New York Titans intercepted a Dawson pass in the left flat and scooted 32 yards into the end zone to tie the game, 14-14.

Titusville — Oviedo bowed to Titusville here Friday evening in a closely-fought game 56-32.

Purkey, of course, was one of the National League's top pitchers in 1962 when he won 23 games for the third-place Cincinnati Reds and lost only five. That, according to Cincinnati owner and president Bill DeWitt, earned the veteran right-hander a substantial raise over the \$30,000 he is believed to have taken home in 1962.

The Terriers led all the way although missing 21 opportunities at the foul line. The game gave Titusville a 53 record and Oviedo a 43 mark. Titusville's junior team won the preliminary game.

Seminole Coast To Easy Win Over Wildwood

The Sanford Seminoles coasted to an easy 49-37 victory over Wildwood Friday evening in an Orange Belt Conference game here.

It was even all at the first quarter, Seminoles ahead 23-17 at the half, and 37-20 at the three-quarter mark.

Four Lyman eagles hit for double figures Saturday night as Lyman romped over Mount Dora, 64-49 in basketball action.

Facing the Lyman attack was Donnie Smith and Jimmy Shuster with 17 points each while Gene Griffin and Bill Tolson knocked in 11 points each.

Lyman opened up with a 13 point first period advantage and was never headed after that.

On Friday, Lyman, with a 3-7 record, downed the previously unbeaten Florida Air Academy with a 6-0 mark in a stunning upset.

Smith spearheaded Lyman's 64-49 upset by grabbing 33 rebounds and scoring 23 points. It was a see-saw battle all the way, Lyman leading at the half and Florida Air leading at the three-quarter time. Florida Air's starting five fouled out before the contest ended.

Weekend Sports Summary

SATURDAY CLEVELAND (UPI) — Paul Brown charged his firing as coach and general manager of the Cleveland Browns constituted a breach of contract and was turning the case over to his attorneys.

Dear Abby: By Abigail Van Buren

DEAR ABBY: I, too, am "irritated" with school teachers who punish the entire class when she doesn't know who is guilty. It's time we investigated our school teachers. What other job starts at 9 a. m. and ends at 3 p. m. five days a week? Who else gets a week's Easter vacation and two weeks at Christmas and THREE MONTHS' paid vacation in the summer? No wonder everyone wants to go into the teaching profession. I. M. WISE

DEAR WISE: Sorry, but you are not "wise"—you are otherwise. A good teacher's working day starts well before the first bell and lasts long after her pupils (and often their parents) are snoozing. Most are required to use summer months for added study (at considerable expense). And many teachers (of both sexes) have financial responsibilities few know about. A good teacher is worth more than she earns. And the really poor ones don't last long at any price. You're down on what you're not up on, Friend.

DEAR ABBY: Why do people charge so much for baby sitting? It's not hard work and doesn't require any brains. I offer to baby-sit free for some young couples who can barely scrape up enough money to go out, let alone pay a sitter. What happened to the spirit of giving. FREE SITTER

DEAR SITTER: That's a good question. I think it vanished about 23 years ago. That's the last time

our milkman gave my mother a calendar for Christmas.

DEAR ABBY: After ten years of marriage and four children we were divorced. My ex-husband wanted me and the children back so I went back to him and we raised the children together. They are all married with families of their own now. No one knows that the Mister and I never renewed our marriage vows. So where does that leave me legally? Everything is in both names (property and insurance) but I have not been his legal Mrs. for 25 years. We can't get married again because a public notice would be disgraceful, as everyone took us to be married all along. Can you give me some advice? DIVORCED BUT "MARRIED"

DEAR DIVORCED: Your clergyman can marry you privately and quietly, and file it in the church records. This is a LEGAL marriage and no one need know that you have not been legally wed all along. Good luck and God bless you.

CONFIDENTIAL TO "ATHENS": A man does not usually look behind the door unless he has stood there himself.

What's on your mind? For a personal reply, send a self-addressed, stamped envelope to Abby, Box 3365, Beverly Hills, Calif.

Hate to write letters? Send one dollar to ABBY, Box 3365, Beverly Hills, Calif., for Abby's new booklet, "HOW TO WRITE LETTERS FOR ALL OCCASIONS."

Jacoby On Bridge By Oswald Jacoby

Except for the fact that all members of the 1963 American team use the 4-3-2-1 point count, as do practically all bridge players in the world, there is slight resemblance between their systems and standard American. Leventritt and Schenck use an artificial club convention based somewhat on the early Vanderbilt Club which is a trifle too complicated for description in these columns.

One of the bids used by Bobby Nail and my son, Jim, is the ACOL two bid as used by most British players. In this system two clubs is a force to game and other two bids are forces for only one round, but still show pretty good hands.

Jim's opening two spades is an example. He is a tri-

Table with columns for North, West, East, South (D), and South vulnerable. It lists various card hands and their corresponding bids.

We The Women: By Ruth Millett

While nobody has been looking, Americans—singly and in small groups—have been busily and happily going in for cultural pursuits.

According to a report from the Stanford Research Institute of California the im-

age of the American as a cultural clod just doesn't fit the facts.

What are the facts? Well, in America today there are more piano players than licensed fishermen, as many painters as hunters and more theatergoers than golfers.

To get down to figures—and they are impressive, indeed—32 million Americans play musical instruments, 15 million are Sunday painters, sketched and sculptors, a million go in for art photography and a half-million are trying their hand at acting.

No one seems to know how many amateur writers there are penning poems and various articles and short stories.

So obviously we Americans aren't spending all our leisure time in various time-filling pursuits, or even in trying to impress each other. Quietly but determinedly, 50 million Americans are using at least part of their free time "strumming, doubling, carving, acting, and singing."

Let's just hope this culture explosion goes right on getting bigger and better.

Two Tie For Lead In Loop

The Bill Hemphill Motorcycles started 1963 season with the Invictas and Pontiacs tied for first place.

The game rating first place was rolled by Lorraine Spotts, subbing on the Tempes, a 1st score and 467 series. Next high series was 667 by Elaine Kostival on the Starchiefs, which included a 184 game. Kitty Purdy had a 433 series with a 177 game and Rita Stein bowled 185 for a 432 series.

June Ramsey got the 3-10 split twice and Elaine Kostival also made the 3-10. Bertha Neville and Isabel Goeborn and Cocky Merdeth made the 5-6 split. Kitty Purdy knocked down the 3-7 and Betty Richey made the 3-10, 5-10, 5-4-10! Another two-spacer maker was Ruth Pettie getting the 5-4 and 3-10.

Jaycees DSA Deadline Slated Thursday

Thursday is the deadline for nominations for the Distinguished Service Award and the Young Farmer of the Year, presented each year by the Sanford - Seminole Jaycees.

The public is invited to nominate a man between the ages of 21 and 35 for these awards. The Young Teacher of the Year is chosen by the members of the teaching profession in the county and the Young Sailor of the Year, through nominations and choosing among divisions of the Sanford Naval Air Station.

Nominations for the DSA and the Young Farmer may be made by calling the Jaycee Information Office on French Ave. or by picking up nomination blanks there.

The Distinguished Service Award is given each year to a young man whose service to the community, participation in all-round community activities and civic enterprises and leadership ability gives evidence of a lasting contribution to the community.

Tom Speer, general chairman of Jaycee week urges that these nominations be sent in as soon as possible, to insure deserving candidates receiving recognition.

DOES GETTING UP NIGHTS MAKE YOU FEEL OLD?

Most common kidney or bladder irritations often occur and may make you feel old because of the frequent urination both day and night. Benadryl may help ease discomfort from irritation. Benadryl and feel old. It is approved in such situations. CUREX usually brings relief, relaxing comfort by curbing irritating germs in strong, acid urine and by analgesic pain relief. Get CUREX at drugstore. Feel better fast!

"LET'S TALK DRY CLEANING"

By - WOODROW CASH

A great many factors go into the choice of a particular dress or blouse by the average woman. Fabric design is one of the most important. When you choose a particular garment because you like the striking design in the fabric, be sure to consider whether or not it will wear well, clean well, and generally prove serviceable.

A design which is woven into the fabric is usually more serviceable than one which is affixed to it by pressure or embossing. Pressure application can damage the fibers of the yarn around the edges of the design, creating a weakness that might cause trouble later. Adhesive or embossed designs will sometimes wear out quickly or will be affected by cleaning.

A blouse or a lovely dress may be so appealing that its beauty will outweigh its limited serviceability. If it gives pleasure it may still be worth buying.

Extra care in the handling and cleaning of every garment is part of our normal service. Bring us your delicate and better clothes. If it can be cleaned, we can clean it . . . with CARE!

BIRTHDAY BROWNIES are these three girls from Troop 447 in Lake Mary, Estelle Shanniss, (front) is a transfer Brownie from Deaufort, S. C., and the two on the back row, are Lynette Green, whose birthday was Nov. 3 and Phyllis Lingle who celebrated hers Nov. 21. A troop party was held for them at the regular meeting of the troop led by Mrs. William McGhiey.

DECEMBER BIRTHDAYS were celebrated in Troop 447, Lake Mary Brownies for the three girls in the back row, Malary Feinberg, Dec. 20, Dawn Rhoads, Dec. 18 and Delbelle Edwards, Dec. 25. In the front row are Regina Bates who will have a birthday on Jan. 21 and Bernice Blukemore, who was born April 2. The troop observed the girls birthdays at their regular meeting.

ACP Program Deadline Nears

All Seminole County farmers and growers are reminded of the deadline for signing up for the USDA Agricultural Conservation Program for 1963.

You must have signed up by Tuesday to be eligible for cost-sharing on establishment and/or improvement of permanent vegetative cover.

This applies to legumes for cover crops and application of liming materials and fertilizers in citrus groves and other farming operations.

City 'Backs Off' On Jet Fuel Pipeline

Called Serious Threat To ACL

The City Commission Monday night looked into the hard faces of some 200 Atlantic Coast Line employees — backed off from allowing a million dollar jet fuel facility from establishing here pending further study and a complete investigation into the company's activities.

Pipeline Big Tax Saving, Tully Says

A direct pipeline carrying jet fuel from a source of supply to the Naval Air Station here would result in considerable savings in transportation costs, according to HATWING Commander Joseph Tully.

Pointing out that A3Js and A3Ds use about 3,000 gallons of jet fuel for a four-flight at 450 miles per hour, the Wing commander pictured the taxpayer as the one who is footing the bill for the cost of the millions of gallons of fuel used by the Navy jets.

He also noted the benefits of the additional storage capacity available at the terminal tanks on the waterfront to supplement the present storage tanks at the Naval Air Station.

Tshombe Ends Congo Revolt; Katanga Secession Over

ELISABETHVILLE, Katanga, The Congo (UPI) — President Moise Tshombe has surrendered Kolwezi, his last stronghold in Katanga, and announced the end of Katanga's secession. It was reported here today.

Derek Dolson, Britain's consul in Elisabethville, said he received the news in a message from the Union Miniere company in Kolwezi.

According to the reports, Tshombe concurred the integration of Katanga with the rest of the Congo and guaranteed freedom of movement for United Nations troops in Katanga.

There was no confirmation of the reports in Leopoldville, capital of the central Congolese government.

Bulletin

Four citrus men surrendered themselves early this afternoon at the county jail to answer in charges of grand larceny, bribery, and conspiracy.

Indicted by the grand jury Monday, these men were charged:

Ralph Alderman, Orlando fruit broker, two capases with seven counts each, \$5,000 bond; C. R. Lowdermilk, Altamonte Springs fruit broker, one capase with seven counts, \$5,000 bond, and Hilly Lamar Hammond, Longwood fruit grower, one capase with seven counts, \$2,000 bond.

All three posted bond and were released from custody pending arraignment April 16.

Alba T. Hall, Orlando, surrendered himself later and was in the process of posting bond at press time.

Let Bryant Call Session Carraway Says

TALLAHASSEE (UPI) — Senate President Wilson Carraway said today he'd prefer that the governor rather than the legislature itself call a special session on reapportionment.

Asked if he would resist a self-starter call should Gov. Bryant stand pat on his present refusal, Carraway said "I will cross that bridge when I come to it."

But whatever method is used, he said, a decision getting the lawmakers back on the job must be made by Feb. 1 at the latest "because time is running out on the legislature's doing anything."

Special Meeting

A special meeting of the Auxiliary to the Lake Mary Volunteer Fire Dept. has been called for 7:30 p.m. today to make plans for the annual barbecue on Feb. 9.

The sources said Tshombe told Thant and Adoula he would return to Elisabethville to implement this arrangement with his ministers as soon as the central government gave him a safe conduct pass.

Reports reaching Elisabethville said Tshombe made his announcement at a news conference in Kolwezi this morning.

The reports came as UN Indian brigade commander Brig. Norhana prepared for a final assault on Kolwezi, the last Katanga location.

An Indian spokesman said this morning the bridge over the Lufira river had been completed and Indian armor was prepared to move forward from Jadotville.

Although Tshombe was reported to have said he and his ministers would return to Elisabethville, there was some speculation here whether he had the full backing of all members of his cabinet. It was thought that Interior Minister Godefroid Munongo, who is bitterly opposed to the UN, was likely to hold out to the bitter end.

Congolese Storm British Embassy

LEOPOLDVILLE, The Congo (UPI) — A mob of 800 shrieking Congolese stormed the British embassy here today, smashed offices, smashed windows and threw files into the street.

The demonstrators also ripped down a picture of Queen Elizabeth and tramped it in the dust. There were no reports of major injuries although one British staff member was cut slightly by flying glass.

The rioters attacked the embassy in the belief that Britain opposed the current United Nations military intervention in Katanga province. Police made little attempt to stop them.

Most of the demonstrators were students from Louvainum University. They stormed the embassy screaming anti-British slogans and burning stones. Some broke into the building and rushed upstairs to the offices.

Lunn Named Chairman Of Casselberry Board

Newly elected Casselberry Alderman Ed Lunn was unanimously appointed chairman of the board at Monday night's meeting after new officials were sworn in by the new mayor, Fred Heath who received his oath of office from retiring mayor, Carl Stoddard.

Other new members of the board are L. E. Woodhams and Art Lego. Holdover members are George Howard and Cliff Overman.

Woodhams and Lego immediately resigned their respective appointive posts as Zoning Board Chairman and Recreation Commission chairman.

Engineers Talks Slated

The initial step in the start of a near million dollar water improvement program for Sanford including a water treatment plant and well field was taken by the City Commission Monday.

Commissioners authorized City Manager W. E. Knowles to set up a meeting with engineers Clark, Bailey and Dietz to negotiate a contract for engineering plans for the start of the program which is expected to be in the \$900,000 price range.

The program when completed would include a new well field, treatment plant, storage facility and transmission lines.

The city has already budgeted \$40,000 this year for the start of the program which includes the drawing up of plans.

Knowles emphasized that if the city doesn't initiate steps at once in its water program "it wouldn't be too far along when water rationing would be a must here."

Although Tshombe was reported to have said he and his ministers would return to Elisabethville, there was some speculation here whether he had the full backing of all members of his cabinet. It was thought that Interior Minister Godefroid Munongo, who is bitterly opposed to the UN, was likely to hold out to the bitter end.

Lead Sought In Tropical Holdup

MIAMI (UPI)—Police said they were following up "a possible lead" today in a \$100,000 holdup at Tropical Park race track by two men whose work clothes blended with cleanup crews.

While stunned workers gaped, the men rushed the cashier and guard into a broom closet behind a cigar stand Monday, locked it with a padlock they had brought with them and dashed away from a parking lot.

Police said the men got about \$80,000 in unmarked bills from the day's haul of \$80,804, \$25,000 in checks and \$3,500 in cash-in-tote tickets. The track said the loss was insured.

Kennedy Gets Tax Cut Promise

WASHINGTON (UPI) — Democratic congressional leaders today promised Kennedy speedy consideration of his income tax reduction program.

Kennedy discussed the tax legislative situation with House and Senate leaders of his own party at their regular Tuesday breakfast meeting at the White House.

Speaker John W. McCormack said that after the President presents his special tax message Jan. 24, the House Ways and Means Committee probably would proceed quickly with hearings on his detailed proposals for a net \$10 billion reduction in federal tax rates, phased over a three-year period.
