

# Egypt Blockades Gulf; U. S. Supports Israel

BEIRUT, Lebanon (AP) — Large-scale Egyptian land, sea and air operations to block Israeli shipping in the Gulf of Aden were reported today as the United States backed Israel and the Soviet Union supported the Arabs in the Middle East crisis.

Cairo's semi-official newspaper, Al-Ahram said blockade operations were launched Tuesday on orders of President Gamal Abdel Nasser. It said mines have been placed in the gulf and Egyptian planes and torpedo boats are patrolling the Red Sea at the mouth of the gulf.

"War with Israel might break out any moment," the paper trumpeted in banner headlines above a four-column picture of a big coastal gun. It said war was trained on the narrow Strait of Tiran, entrance to the gulf.

Lords of London, the international shipping underwriters whose intelligence service keeps track of shipping throughout the world, said it knew of no ships of any nationality heading for the gulf or preparing to leave the Israeli port of Eilat at the head of the waterway.

Israeli Prime Minister Levi Eshkol renewed his government's pledge to defend the right of Israeli shipping to use the Red Sea, but said he would not go to the aid of the Arab blockade.

Israeli Prime Minister Levi Eshkol renewed his government's pledge to defend the right of Israeli shipping to use the Red Sea, but said he would not go to the aid of the Arab blockade.

Two hours before Johnson spoke, the Soviet government issued up with the Arab states in a statement warning that "aggression" in the Middle East "would encounter not only the united strength of the Arab countries, but also resolute resistance on the part of the Soviet Union."

The latest confrontation developed after Israel threatened military reprisal for Arab commands raids from Syria, Jordan and Egypt massed their forces on Israel's borders and Israel deployed its troops in response.

Informants in Cairo said more than 100,000 Egyptian troops are mobilized in the Sinai Desert, on Israel's southwest frontier, where the 3,400-man U.N. peace force is stationed.

# Gov. Kirk Shuns FEA Meeting

TALLAHASSEE (AP) — Shunning an explosive gathering of the Florida Education Association, Gov. Claude Kirk today flew to Jacksonville where teachers Sunday slapped sanctions on the county school system.

The teacher organization scheduled the meeting, asking top state officials to come and discuss legislative proposals. Leaders of the FEA also planned to explain the legislative situation regarding education "as we see it." He said that its consideration coincides with the FEA meeting.

Kirk said he would attend a meeting with the FEA in Jacksonville on Sunday, but he would not go to Tallahassee, the place for its discussion of the problems facing Florida education in the local school district where the vast majority of the problems must be solved," Kirk said in a statement.

The Governor said his plan to meet with school officials throughout the state is designed to put him in touch with the local problems on a personal basis.

He announced Tuesday that he did not plan to attend a special meeting with Florida Education Association officials here this afternoon.

The teacher organization scheduled the meeting, asking top state officials to come and discuss legislative proposals. Leaders of the FEA also planned to explain the legislative situation regarding education "as we see it." He said that its consideration coincides with the FEA meeting.

Kirk said he would attend a meeting with the FEA in Jacksonville on Sunday, but he would not go to Tallahassee, the place for its discussion of the problems facing Florida education in the local school district where the vast majority of the problems must be solved," Kirk said in a statement.

The Governor said his plan to meet with school officials throughout the state is designed to put him in touch with the local problems on a personal basis.

# War Threat Considered By UN Unit

UNITED NATIONS, N.Y. (AP) — The U.N. Security Council was called into emergency session today to consider the threat of war between the Arabs and Israel. Some diplomats at U.N. headquarters believed the East-West might try to stall off action.

Diplomats suggested that Secretary-General U Thant might challenge the right of Nationalist Chinese delegate Liu Chieh, the council president for May, to preside at the meeting on the ground that Communist China is entitled to the Chinese seat on the 15-nation council.

These same sources also suggested that the Soviet Union, which is backing the Arabs in the current crisis as it always has, might oppose putting the Middle Eastern situation on the agenda.

In the background was the perennial threat of a Soviet veto to block any council action opposed by the Arabs.

Liu called the council meeting at the request of Canada and Denmark, whose delegates in the joint letter cited "the extremely grave situation in the Middle East, which is threatening international peace and security."

Prime Minister Lester B. Pearson told the Canadian House of Commons that his government is seeking some form of U.N. intervention to replace the U.N. Middle East force now being withdrawn from the Egyptian-Israeli border area on the demand of Egyptian President Gamal Abdel Nasser.

Pearson said Canada is suggesting expansion of the U.N. Truce Supervision Organization in Jerusalem and the shifting of some of its personnel to the Egyptian-Israeli border, Canada's Ambassador Arthur J. Brown said today.

U.S. Secretary-General U Thant said he had suggested to the U.N. Middle East force be reconstituted in some form.

Meanwhile, Israeli Foreign Minister Abba Eban left Jerusalem on a sudden trip to Washington and New York. Foreign Ministry officials said he probably would take part in the Security Council debate, at least in his early stage.

U. S. Ambassador Arthur J. Brown urged the council to give "speedy support" to the U.N. mission to Cairo to talk with Nasser.

The U. S. delegate said the council should act to avert the possibility of an armed conflict. He also urged the council to ensure "that no member of the U.N. should take any action which would imperil the success of the secretary-general's mission."

In their request for a special meeting, the Danish and Canadian delegates cited Thant's statement that he was withdrawing the U.N. Middle East force at Egypt's mandatory request and that he considered the resultant situation "more menacing than at any time" since the 1956 Suez war.

# Dim View For Early Hurricanes

MIAMI (AP) — The Weather Bureau's hurricane threat for the current season is dim, according to a report by the bureau's chief, Fred Schmitz.

Schmitz said the bureau's forecast for the current season is "generally unfavorable" for hurricane formation as it can get.

Chief Storm Forecaster Gordon Dunn said that "general circulation is about as unfavorable for hurricane formation as it can get."

But Dunn qualified his observation.

"The means nothing as far as what will happen in August, September and October," he said.

# Warplanes Hit Red Heartland

SAIGON (AP) — American warplanes today ended the 24-hour truce for Buddha's birthday with raids deep into the heartland of North Vietnam.

The bombing resumed shortly after the truce ended at midnight Tuesday and dawn U.S. jets were over North Vietnam in strength. Among the targets was the often-hit rail yard at Thai Nguyen, 37 miles north of the Red capital of Hanoi.

The rail yard serves a vital power plant and North Vietnam's steel mill and is at the northern point of Red defenses anchored on Hanoi and Haiphong.

Other targets were hit in the Red River delta, a spokesman said, and the supply line stretching south toward the border with South Vietnam.

The U.S. and South Vietnamese commands charged the Communist forces with wide-scale violations of the truce in South Vietnam and a keen interest in helping its recruit and retain a corps of competent teachers for Florida schools.

Supt. Christian, in a letter, said the approach of the bill "evinces a sound understanding of our problems and a keen interest in helping us recruit and retain a corps of competent teachers for Florida schools."

When interviewed, the mayor was expectedly swatting the arrival of six of his birds from a 600 mile flight from Nashville, Tenn. Two of the pigeons had already completed the trip, apparently among the early finishers.

The pigeons traveled first class by plane on the first leg of their trip, but had to get home under their own power after being released in Nashville.

They were among the 100 birds entered in the race by Central Florida Pigeon Fanciers. There are about 80 of this rare breed in the state, according to the Florida area, according to the mayor.

Mayor Wheatley is a trustee and past president of the International Federation of American Homing Pigeon Fanciers, Inc.

It first became interested in raising pigeons as a boy over 60 years ago, but gave them up.

# Vietnam Hero Defects To Cuba

MIAMI, Fla. (AP) — Rudolph Havana said today the Cuban government has granted asylum to U. S. Army Major Richard Harwood Pearce, a Vietnam hero cleared to top-secret material who said he left America "for conscience reasons."

With Pearce in Havana was his 5-year-old son, Richard Jr. Pearce, 36, was ranking aide to the 4th Army commander in Vietnam, Lt. Gen. Thomas W. Dunn, at headquarters in Ft. Sam Houston, San Antonio, Tex. Pearce was on a 15-day leave from the fort.

The broadcast said Pearce sent a message to the revolutionary government. In the message Pearce said "I decided to leave my country for conscience reasons."

# Hickson Hearing Opens

Hickson at the restaurant with two off-duty judges, McCumber and Larry Payton.

Here, what Russell said under repeated cross-examination: "Hickson called toward me... he seemed angry. I had my hand in my pocket and he said, 'Don't pull a gun on me. I'll cut your throat.'"

Russell said he "smelled" alcohol on Hickson's breath and he "walked unsteadily."

Both Rotunda and Russell emphasized they did not make a report out immediately "in order to protect the department," but the next day when questioned by the chief, issued their full statement.

Both officers reported that they were out by the restaurant for about an hour and 45 minutes.

The hearing was continued until 7 p.m. Thursday. At that time, Chief Butler is expected to be called.

# Gls In Korea To Get 40 Tons Of Feathers

WASHINGTON (AP) — Somebody remembered those tons of feathers bought to stuff bedding for troops in Korea. So now the old duck down is being plucked for duty in the Vietnam era.

The Pentagon announced the other day a \$200,000 contract for 80,000 pounds — that's 40 tons — of "waterfowl feathers to be serviced."

That means, the Pentagon said, that the feathers are being removed from stockpiles to be processed for use in pillows and sleeping bags.

The General Services Administration, a spokesman explained, piled up millions of downy feathers and down years ago, possibly back during World War II, as a contingency stock.

He didn't explain why but presumably this was a safeguard against a duck deficit.

Now 80,000 pounds of feathers are being withdrawn from GSA stocks by the Pentagon to be "dusted, washed and fractionated before stuffing."

Fractionated?

That's a sort of loss-and-tumble process which softens up the feathers.

Last June the Pentagon pulled out of GSA piles more than 2.5 million pounds of feathers and nearly 500,000 pounds of down.

The Veterans Administration and the Public Health Service also use large quantities for bedding.

In a public auction in June 1964 the GSA sold off more than 200,000 pounds to private bidders.

GSA figures indicate the government has had as much as 10 million pounds of feathers and down lying around.

As with bombs and missiles the government doesn't like talk about where they're stashed.

# Warplanes Hit Red Heartland

SAIGON (AP) — American warplanes today ended the 24-hour truce for Buddha's birthday with raids deep into the heartland of North Vietnam.

The bombing resumed shortly after the truce ended at midnight Tuesday and dawn U.S. jets were over North Vietnam in strength. Among the targets was the often-hit rail yard at Thai Nguyen, 37 miles north of the Red capital of Hanoi.

The rail yard serves a vital power plant and North Vietnam's steel mill and is at the northern point of Red defenses anchored on Hanoi and Haiphong.

Other targets were hit in the Red River delta, a spokesman said, and the supply line stretching south toward the border with South Vietnam.

The U.S. and South Vietnamese commands charged the Communist forces with wide-scale violations of the truce in South Vietnam and a keen interest in helping its recruit and retain a corps of competent teachers for Florida schools.

Supt. Christian, in a letter, said the approach of the bill "evinces a sound understanding of our problems and a keen interest in helping us recruit and retain a corps of competent teachers for Florida schools."

# 'Mizzoner' Is For The Birds, Says Newshen

By JANE CASSELL BERRY

Mayor Arthur Wheatley is for the birds (homing pigeons, that is). We don't mean to insult his honor, but are only referring to his hobby of breeding, training and racing these intrepid travelers with the built-in radar.

When interviewed, the mayor was expectedly swatting the arrival of six of his birds from a 600 mile flight from Nashville, Tenn. Two of the pigeons had already completed the trip, apparently among the early finishers.

The pigeons traveled first class by plane on the first leg of their trip, but had to get home under their own power after being released in Nashville.

They were among the 100 birds entered in the race by Central Florida Pigeon Fanciers. There are about 80 of this rare breed in the state, according to the Florida area, according to the mayor.

Mayor Wheatley is a trustee and past president of the International Federation of American Homing Pigeon Fanciers, Inc.

It first became interested in raising pigeons as a boy over 60 years ago, but gave them up.

# DeBary Legion Unit Slate Poppy Days

By MRS. JOHN LEONE

American Legion Auxiliary Unit 299 of DeBary will hold its annual Poppy Days on Friday and Saturday, with Mrs. Alfred Newell as chairman.

These poppies are made by the disabled veterans in hospitals and many of them augment their income by this work.

When there is a need, the Auxiliary is there to extend a helping hand.

The Legion Auxiliaries depend upon the generosity of the public for their rehabilitation work and all of the money donated is used for needy and sick veterans and their families, and to provide material for comfort articles for the veterans.

The Democratic race was over a few hours after the polls closed Tuesday, with former Highway Commissioner Henry Ward amassing more votes than all his nine opponents combined—including runner-up A. B. "Happy" Chandler.

With 2,778 of 3,021 precincts reporting, the unofficial count was 82,680 for Nun and 82,638 for Cook.

Democratic Gov. Edward T. Breathitt is barred by state law from succeeding himself.

# Republicans On Seesaw

LOUISVILLE, Ky. (AP) — A city while Nun charged Cook with treachery and cooing of civil rights agitators. Cook is a Roman Catholic.

# Strikes And Spares

BY JOHN A. SPOLSKI

Well, we had lots going on here at the lanes this past week... from leagues finishing their fall schedules to past weeks' 15-game and 20-game marathons.

The City League concluded its Fall Schedule this past Wednesday and had its end-of-the-season banquet at the Trophy Lounge on Saturday night.

Another milestone was achieved this past Saturday when Sanford had its own individual marathon in the form of Ed Lock's 24th birthday.

Gil bowled a total of 20 consecutive games, starting at 7 p.m. and finished with a 315 average and a high game of 234 scratch.

A large crowd of spectators was on hand to watch Lock struggle through the "endurance test," with many offering suggestions on how he could save his strength to last the longest.

Edith Pounds correctly guessed Gil's overall average and his high game... right on the button.

Second place and all of the prizes for that honor went to Paul Tyre for his 174 and 236 guestimates.

GIL LOCK BOB LOCHE

The winner of our 12-game marathon Friday evening was Larry Burgett who averaged 194. Larry rolled five games of 200 or higher, with his lowest a 167 and the highest a 222 in his 20th game, good for the jackpot.

Each of the 12 games carried a \$4 jackpot with the prize split as follows: 1.—Bob Horwood, 24; 2.—Charlie Gre, 22; 3.—Bob Locke, 24; 4.—Alex Strauss, 26; 5.—Ger, 22; 6.—Jay Young, 22; 7.—Jim Farris, 22; 8.—Burgert, 22; 9.—Borwood, 21; 10.—Locke, 19; 11.—Young, 22; and the last one went to Woody Wilson with his 21.

The 12's Belles topped the N.A.S. Lightnings for three points with Alice Parushon's 152, Pat Hustler's 166 and Rita Cavanna's 167; 422; Sully Reno of the opposite team had 152-162-491.

The Spare Tire took three points away from the HAVI-Fly Squads with Ann Ely's 165-450, Marion Holmes and Betty Wilde of the Squads had respectively 164 and 156 high single games.

The 4 Ovals topped the 4 Hoops for three points with the good bowling produced by Donna McDaniel's 164-164-442 series; Mollie Hopper of the 4 Hoops had 157-172-456 series.

Thanks to John Pulk, new owner of Seminole Printers for sponsoring the Tuesday AM Women's Handicap League. Look at some of those team names—Letterheads, Business Cards, Rubber Stamps, etc. For a new businessman, he's pretty hep on promotional ideas, isn't he?

Winners in this week's No Tap Tourney were Charlie Gee (gas, but this guy gets his name in the winner's column frequently!) Gee pocketed \$25 while second slot went to Jesse Carabara (\$11) Bob May (\$7) and Jerry Farrell fourth for \$5.

The loudest scream around town occurred on Saturday morning when little Jimmie Link bowled a 287 scratch game. First ever according to Jimmy, but he plans on getting his name more now that he's broken the ice (smart aleck kids... always trying to show up us old timers... just kidding, Jimmy.)

Now all we have to do is sweat out the arrival of their trophies for their banquet here at the lanes this Saturday. The Saturday morning Junior Bowling League will definitely have a summer session according to its co-coaches Marge Redman and Max Marley.

The Hi-Le League held its organizational meeting with 20 members assured for this league. They'll bow on Monday evenings at 7 p.m. and start officially next Monday. Lots of fun and open to both men and women bowlers.

This Saturday is the final night for the Bowler of the Month competition. It has proven to be a very popular tourney which will be resumed with the start of the Fall League in August.

The women from All Souls Catholic Church are busy making plans for a bowling league of their own. More on this later on.

## Lyman Sports Week

### Something New's Been Added

Lyman High School prepared for its more outstanding events this week with the Blue-Gold Football Game on Thursday and the Annual All Sports Banquet the following night, Friday.

The football game will start at 8 p.m. at the Lyman Field and feature the Blue and the Gold teams of this coming year's football players.

The City League concluded its Fall Schedule this past Wednesday and had its end-of-the-season banquet at the Trophy Lounge on Saturday night.

This distinction was directed to Hank Kretzer, the grand "young" man of bowling in this area.

Incidentally, there are six teams ready to bow in the City Summer League with "family" night this Wednesday.

Some of the star graders donning uniforms again will be Al Conover, Ed Bruce, Stuart, Quarterback Jim Lucas and Halfbacks Mike Hargis and Tom Pimock.

Complete details on the game and starting rosters will be featured in tomorrow's Sanford Herald.

The All Sports Banquet will start at 7:30 p.m. Friday at the Lyman High School cafeteria and according to Assistant Principal and Athletic Director Dick Silvers, approximately 200 persons will attend the event.

Additional tickets may be purchased from Silvers at Lyman High School.

The featured speaker will be Ableton Director and Bowler Football Coach Jack Galther of Florida A & M. Galther has an impressive record of 379 wins, 21 losses and four ties.

Edith Pounds correctly guessed Gil's overall average and his high game... right on the button.

Second place and all of the prizes for that honor went to Paul Tyre for his 174 and 236 guestimates.

The 12's Belles topped the N.A.S. Lightnings for three points with Alice Parushon's 152, Pat Hustler's 166 and Rita Cavanna's 167; 422; Sully Reno of the opposite team had 152-162-491.

Now all we have to do is sweat out the arrival of their trophies for their banquet here at the lanes this Saturday. The Saturday morning Junior Bowling League will definitely have a summer session according to its co-coaches Marge Redman and Max Marley.

The Hi-Le League held its organizational meeting with 20 members assured for this league. They'll bow on Monday evenings at 7 p.m. and start officially next Monday. Lots of fun and open to both men and women bowlers.

This Saturday is the final night for the Bowler of the Month competition. It has proven to be a very popular tourney which will be resumed with the start of the Fall League in August.

The women from All Souls Catholic Church are busy making plans for a bowling league of their own. More on this later on.

# Kids Have Tigers In Their Bats

Although the rains washed out all games in the Seminole Little League at Cooper's Field in Casselberry yesterday, the introduction of the Pee Wee Baseball League at Ft. Mellon Park in Sanford took care of enough runs for all teams and leagues in the entire area.

The mighty miles of the Tigers came from behind by scoring 21 runs (thirty-one, that's correct!) in the fourth inning to win a real slugfest.

The final score was Tigers 41 to only 20 for the Twins. Jeff Patton had three hits and Mark Whigham collected two to lead the winners at the plate. Tom Hollingsworth had two hits for the losers.

In the Western League of the Pee Wee Division, the Panthers stretched its league lead by one run to win 3-2 over the Yankees.

Terrell Ervin pitched a one-hit shut-out for the winners and allowed only three base runners via a hit, one walk and a hit batsman. Ervin struck out six batters, too.

In the American Little Major League, Florida State Bank's George continued to play winning ball, this time at the expense of the last placed Good-year team, when they won their contest 8-0.

Johnny Sheffield was the winning moundsman as he allowed two scratch singles for the losers' efforts. Dickie Deas had on his hitting shoes as he led the winners' hitting assault with 4 for 4, including two home runs and two doubles.

Team-mate Joe Smith added two hits for the winners, also and Wes Haney and Jerry Farrell collected two apiece for the losers.

In the Goldsboro Little League, the Braves added still another loss to the records of the Giants as they thumped them 15-1 behind the fine hitting of George Beasley's two-hitter.

The Pirates edged the Yankees 2-0.

Tonight's games in the JUNIOR BASEBALL LEAGUE are Keweenaw vs. P.O. (6:30 p.m.) and Civitan vs. Shrine (7:30 p.m.) at Pinehurst Park.

METRO SOFTBALL LEAGUE action has American Oil vs. Cobas (7:30 p.m.) and Modern Mobile Homes vs. Pinecrest (8:45 p.m.) at Ft. Mellon Park.

all games in the Seminole Little League yesterday, our feathered friends didn't object. However, they lodged a formal protest with the Recreation Department for not having Donald Duck on the mound.

Well, it hasn't. Willie just laughs at the clock. With him it's always standard time. The hands never move ahead. Henderson is an excellent outfielder with a strong arm plus good speed. Being a switchhitter adds to his value.

"I don't think of myself as succeeding Willie," Henderson said. "Sure, I've been a centerfielder all my career, but I signed with the Giants mainly because I thought I had a good chance to make it with them in the outfield."

Last week Rocky Colavito grimly lifted half a dozen arguments for steady work in the Cleveland Indians' outfield.

Colavito snapped the deadlock after Pridley walked Chien Shum and Chuck Hinton in the 10th.

Colavito had other ideas—all negative—about sharing left field with Leon Wagner when he gets down a statement of grievances last Monday and handed it to Cleveland news-men.

"I'm tired of platonizing and a row, while Harmon Killebrew and Cesar Tovar connected for Minnesota."

Left-hander Dennis Bennett, with relief help from John Wyatt, checked the Tigers while Carl Yastrzemski's two-run homer and a bases-empty blast by Rico Petrocelli provided Boston's winning margin. Al Kaline's 10th homer knocked out Bennett in the eighth.

The Orioles shut out the Yankees for the second time in five games as Fred Bertoia and Ed Watt collaborated on a four-hitter. Dave Johnson lashed a triple and Jim Steyer a two-run homer and a bases-empty blast.

California spotted the A's a second inning and scored the game's only run on a single by Andy Etchebarren.

Cleveland starter Gary Bell, given a 10th lead when Larry Brown homered in the fifth, pitched 6 2/3 hits innings and had a 2-1 shutout until pinch

hitter Cap Peterson slammed a one-out homer in the 10th. Colavito snapped the deadlock after Pridley walked Chien Shum and Chuck Hinton in the 10th.

**Nuns, 250 Pets Defy Neighbors And The Church**

MILL BAY, B.C. (AP) — On a sheltered eastern slope of Vancouver Island above the misty blue Strait of Georgia live five Roman Catholic nuns and 250 assorted animals.

Under the direction of Mother Mary Cecilia, 78, they operate the Good Shepherd Animal Shelter. Almost two years after threatening to leave the Catholic Church, the five nuns live in apparent truce with church authorities.

Since the day in 1961 when Mother Cecilia used her father's \$50,000 inheritance to buy a 2 1/2-acre site in a Victoria suburb for a small kennel to house a few unwanted dogs, she and her small band of followers have faced one crisis after another.

In February 1963 the Sanmich hearing board issued permission to expand the kennels. A month later Cecilia, believed poisoned, moved from the shelter, threatening to leave the Catholic Church, the five nuns live in apparent truce with church authorities.

Victoria Bishop Remy de Roo said the nuns should return to their priory to help in the organization of their order, the Sisters of the Love of Jesus.

Mother Cecilia said then "This is God's work, a work of mercy, and under no circumstances will I close the shelter."

In 1964, it was reported that the nuns were ignoring a church order to close the shelter. Mother Cecilia claimed the church merely wanted to gain control of the shelter's assets, a charge denied by church authorities.

She dispatched Sister Mary Agnes to Rome to present the nun's side of the story. The sister returned with the message that the nuns at the shelter would be forced to become lay persons unless they gave up their work with the animals.

The shelter moved to a 60-acre site 2 1/2 miles north of Victoria in March 1966.

The change in location satisfied both parties in the dispute.

A spokesman for the Victoria diocese says Mother Cecilia's move to the new site has caused any tension since the work at Mill Bay "doesn't interfere with the rights of other people."

Living in a modern split-level home, with its recreation room converted into a chapel, the nuns care for the dogs, cats, horses, goats, chickens, and birds that are quarantined in 10 buildings.

**Nondestructive Testing Is Big Business**

By JOHN CUNIFF  
AP Business Analyst

NEW YORK (AP) — An industrial process so simple in concept that any well-adjusted child uses it on his bobby toys has nevertheless become a growing business estimated to have expenditures of \$4 billion a year.

This process is nondestructive testing, a concept that in its modern version uses electronic instruments, computers, acids, dyes, sound waves, heat, electric current, X-rays to probe strengths, faults, contents of products.

Although the idea has been with us since wheels were first made by primitive man, the recent swift growth gets its thrust from the high-pressure space age, which often demands perfection.

In its simplest form, nondestructive testing is egg candling. A farmer could bust open every egg to prove its freshness or fertility. But he no longer would have an egg. Instead, he holds the egg before a light and looks through it.

An assembly line where packaged cereals or crackers are about to be placed on trucks might involve rays to determine if contents are up to physical standards. And the use of rays to determine the fat content of a steer is infinitely better, as the steer appreciates, than proof by slaughter.

The opposite is destructive testing. This would involve ripping open every 100th box from the assembly line, smashing every 20th lens forging to prove its strength; tearing an airplane body to see if it is properly insulated.

Such destructive testing, however, is costly. And it gives a mere sampling. It gives no assurance of perfection, for a considerable number of defective products could slip through.

The space age, moreover, can tolerate little less than perfection. Aircraft, missiles and rocket tubes are all pressure vessels that will explode if even slight flaws are present. They must be tested absolutely.

In airplanes, hairline cracks might be discovered through X-rays; thickness of wing metal measured by sound waves; metal imperfections discovered by deflections in electric current; microscopic holes revealed by dyes.

In the freight inspections of airlines it usually is impossible to take the engines apart in search of flaws. The biggest flaw likely to occur in the hurried reassembly, the engines may be X-rayed instead.

Such testing methods not only are more effective—the airline industry claimed a safety record last year of better than 99.9 per cent for its \$4.8 billion passenger miles flown—but far more costly.

These space age demands are responsible for the development of hundreds of incredibly sensitive instruments. One securities house, in fact, has estimated that the design and manufacture of nondestructive testing instruments is itself a \$10-million-a-year business involving 300 companies.

# Dear Abby:

By Abigail Van Buren

**DEAR ABBY:** The writer who signed herself "Only His Mother" should have given up her son a long time ago. The day my children heard the words, "I now pronounce you man and wife," I relinquished my claims. I don't mean they are no longer my children, but the wife belongs to her husband, and the husband belongs to his wife. Our divorce courts wouldn't be so busy if more parents let their married children run their own lives.

When we heard our son was coming home from Viet Nam, I wrote to him, "We will not be at the airport to meet you. We will keep the little people so you and your wife can be alone."

Our son never wrote asking us to let his wife meet him alone. He didn't have to. As his parents we knew our place. Sure, I love my son and I love that darling wife of his, too. If my son were "in love" with me, he would have remained home and never married. (Heaven forbid.) I am so glad to be "ONLY HIS MOTHER."

**DEAR ABBY:** "Only His Mother" should thank God her son is returning from Viet Nam alive. As for the "disgusting two-day sex orgy" - I wish the wife lots of love. When my marie came home from Viet Nam she spent a week in bed. Sound advice.

ALSO A WIFE

**DEAR ABBY:** This is to the foolish mother who was coming home from Viet Nam and wanted her to keep the kids while he was away. I am a mother, too, and if my son wanted me to take care of his children so he and his little wife could be together, alone, I would have been the happiest mother on earth. My son didn't come home from Viet Nam. He was killed there on New Year's day, 1967.

Yes, Mother, your son deserves to be met by his favorite. Maybe one day he will let you know how much he appreciated your poor sacrifice.

"ONLY HIS MOTHER," ALSO

**DEAR ABBY:** Usually I have no sympathy for mothers-in-law because I have a real stinker myself. But my heart goes out to "Only His Mother," who was asked to sit with her grandchildren so her son and daughter-in-law could have a two-day sex orgy to make up for lost time while he was in Viet Nam.

How has the world been treating you? Unlucky! You should thank God he's still alive. I missed him so much, I thought I'd die.

Then our son went to Viet Nam, and let me tell you, the pain a mother feels for a son in the war and a husband are two different things!

Seeing a son come home alive is the greatest feeling a

**DEAR ABBY:** "Only His Mother" should thank God her son is returning from Viet Nam alive. As for the "disgusting two-day sex orgy" - I wish the wife lots of love. When my marie came home from Viet Nam she spent a week in bed. Sound advice.

ALSO A WIFE

# Horoscope Forecast

Thursday, May 25, 1967

**GENERAL TENDENCIES:** You are likely to spend what you have carefully planned, making any changes at this time, so try to continue with steadfastness at the plans you have already worked out. You are to be carefully controlled if you are to get the benefits of all this work.

**ARTIS:** (Mar. 21 to Apr. 19) You had better await a better time before making those radical changes you have in mind, particularly if it has to do with travel. Consider well. Plan how to improve your image with the public.

**TAURUS:** (Apr. 20 to May 20) Follow through on expectations of good pay before you dash out to play with others, or look for some new outlets. Business obligations must also be discharged. Then off to the interests.

**GEMINI:** (May 21 to June 21) Listen to suggestions of partners in early A.M. and come to a falling understanding, do your share of duties, keep your part of contracts. Keep appointments with outsiders. Your mate slightly demands your time and attention in P.M.

**MOON CHILDREN:** (June 22 to July 21) Laboring efficiently in the finest manner in which to get approval of higher-ups, and then give backing you need willingly. Put your ideas to work in a constructive manner. Out to fun and pleasure in P.M.

**LEO:** (July 22 to Aug. 21) Plan your social activity for the P.M. before you give up that pile of paper awaiting you. Wonderful new ideas assail you. Await leisure time to discuss them with your partners. Be sure you're not overdoing it.

**VIRGO:** (Aug. 22 to Sept. 22) Pleasing those at home or of a close blood relationship is wise during A.M. Then out to the outlets that you like that can give you a true abundance. Leave nothing undone or you destroy your present secure position.

**LIBRA:** (Sept. 23 to Oct. 22) During the day there could be tension in regard to fundamental security, so be on your guard. Avoid such persons in P.M. Make better arrangements so that others around you are more pleased.

**SCORPIO:** (Oct. 23 to Nov. 21) It is up to you now to be the considerate one with others, especially with kin. Avoid some argument that could start at home. A little child needs your support; be sure to give it.

**SAGITTARIUS:** (Nov. 22 to Dec. 21) Restlessness can cause you to act in too impatient a manner with others, and this could lead to trouble. Be more economical. Await a better time before doing anything about the gaining personal aims.

**CAPRICORN:** (Dec. 22 to Jan. 20) No need to become irate with others because you have some private problems to solve; just get into practical matters and you soon have the answer. Show gratitude to a loyal friend. Be kindly your friend.

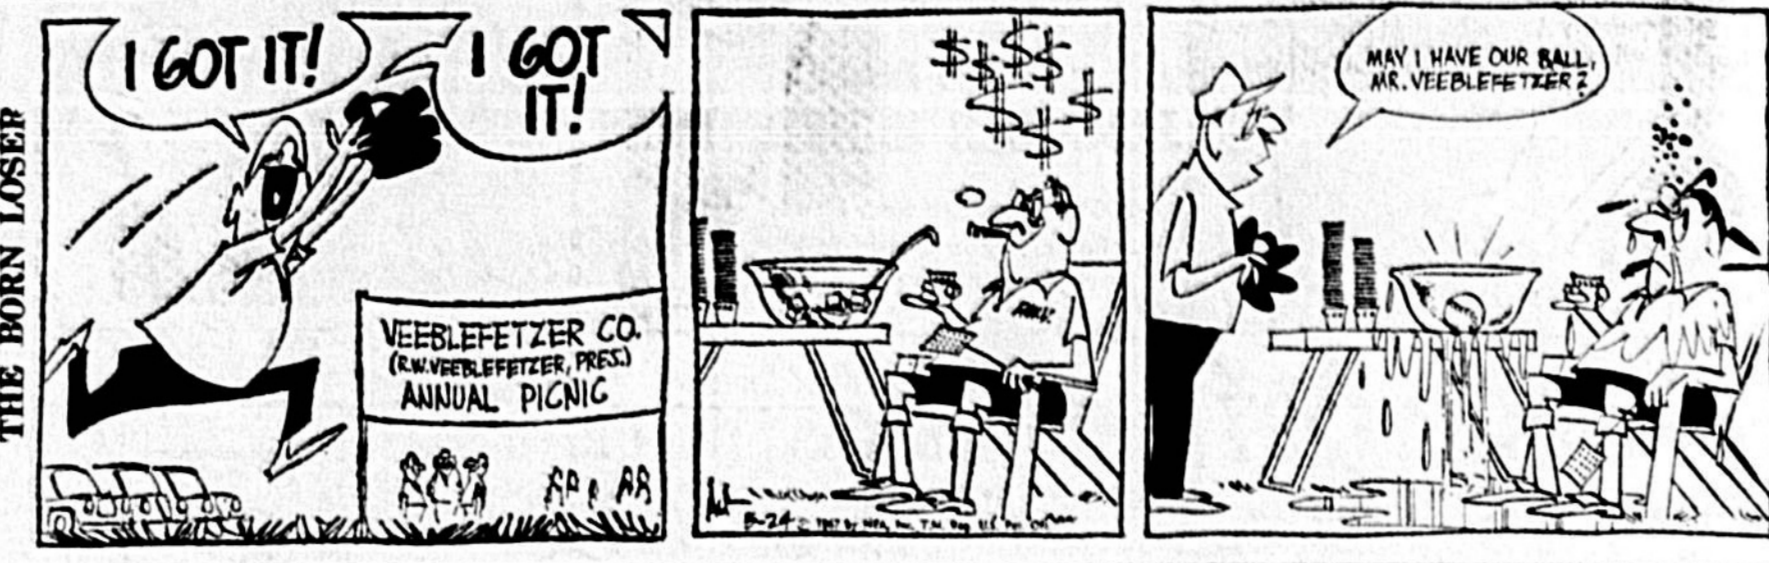

**AQUARIUS:** (Jan. 21 to Feb. 19) It takes time to work out certain arrangements with a friend, so be patient. Moments may be very demanding but do not acquiesce, since this could be bad for all concerned. Make some sort of essential excuse.

**PISCES:** (Feb. 20 to Mar. 20) You have some important matters to handle in the outside world, but it might be better to wait another day for best results. Others might disappoint you today. This could also include close friends.

**IF YOUR CHILD IS BORN TODAY:** - He, or she, will be an extremely talkative young person with a million questions to ask, so be prepared to answer in the most intelligent way since your progeny will not be fooled. Teach early how to find information from your supply. Traveling in foreign countries, dealing with foreign companies brings success.

**"The Blues" keeps you so compelled:** What you make of your life is largely up to YOU! Carroll Righter's individualized Forecast for your sign or time is now ready. For your copy send your birthdate and \$1.00 to Carroll Righter, c/o The Standard Herald, Box 192, Hollywood 28, California.

# Living Costs Up And Will Go Still Higher

WASHINGTON (AP)—Living costs rose three-tenths of one percent in April for the sharp increase in six months and indicators are they will go higher, the Labor Department reported today.

"We're not out of the woods," said Commissioner of Labor Statistics Arthur M. Ross.

But he held to his earlier prediction of an overall price rise of 2.5 per cent this year compared with 3.3 per cent last year.

The April increase brought the consumer price index, measuring typical family purchases, to 115.3. This means it cost \$115 to purchase items worth \$100 in the 1957-59 period on which the index is based.

Food prices laid most of the burden of the increase, but were offset by increases for clothing, furniture, gasoline and ever-rising medical costs.

The bureau said wholesale prices declined in April but preliminary information for May indicated a five-tenths of one per cent rise, primarily because of higher wholesale prices for raw materials.

Ross said the higher wholesale prices may not be reflected in the May report on living costs, but if they continue upward "sooner or later they will have an effect on the price of retail food."

In a companion report, released for the first time, the bureau said average weekly earnings of some 44 million American workers rose 40 cents in April after taxes, but increased prices wiped out all but 15 cents of the gain and purchasing power was lower than a year ago.

"The average weekly earnings figures were \$89.15 for workers with three dependents and \$81.75 for single workers."

LARGEST REAPLANE Largest airplane ever built was the "Hughes Hercules" cargo transport flying boat, completed late in World War II. It weighed 400,000 pounds, had a wingspread of 310 feet and was powered by eight 3,000-horsepower engines.

The University of Arkansas is the only Texas member of the Southwest Conference in sports.

# By Betty Canary

He leans towards the contemporary in architecture, too, and designed a house we built in Michigan several years ago.

Now, I never did complain about the modern design. Not even when the carpenter said, "Sure I've put in ceilings like this—I built a lot of barns!"

One thing I did get awfully tired of though were those people pulling in the driveway and shouting at me, "Fill 'er up, girl, and check the oil!"

# Jacoby On Bridge

Jacoby and Son

The world's greatest rascals hunter explained his success by saying that he tried to think like a rascal. The world's best defensive players frequently try to think like declarers as they plan their defense.

West wasn't the world's greatest defender. If he were, he probably wouldn't have been his own partner. Instead, West selected the trump lead of his singleton spade. Sometimes a trump lead picks up partner's three to the queen. This time it did no harm.

South looked over dummy and saw that he would make his slam if he could discard his queen of hearts on dummy's fourth diamond or could finesse successfully in hearts. He also saw a chance for a

# Polly's Painters

By Polly Cramer

**DEAR POLLY:**—Mrs. E. D. T's request for help in filing prompted this letter. I am a painter's wife as well as a mother, cook, seamstress, etc., and have many interests. This makes me a collector of many ideas. I have separate files for everything. I use manila envelopes and until I could buy a filing cabinet for these, I used plastic vegetable bins or sturdy cardboard apple boxes. For recipes, I use the standard index system.

So for all other files, I number the folders one, two, three, etc., so on. To find what I want I have a cross-file card system. In this I write the number of each folder and what is in it. They are placed in alphabetical

order. This makes it easy to find any folder and the page it is a booklet.

If one does not have a safety deposit box, the personal file would include cards for certificates, loan papers and records for each family member. Each young lady as she starts marriage and life needs some such eye-thing and should start it early before so much is accumulated. Then there will be no excuse for not having it but cannot put my fingers on it."

My library of many books your file will become a valuable library of information in the future.—PAULINE

# St. James AME Church Homecoming Slated Sunday

By MRS. R. B. THOMAS JR. 322-1736

The St. James AME Church is holding its Homecoming Day observance Sunday.

The speaker for the 11 a. m. service will be Rev. J. D. Hagin. Music will be furnished by the New Bethel Missionary Baptist Church choir.

The 3 p. m. service will be conducted by Rev. G. Burk, pastor of St. Paul AME Church, Annapolis.

St. James is located at the corner of Cypress and Ninth Street.

The public is invited to attend these services.

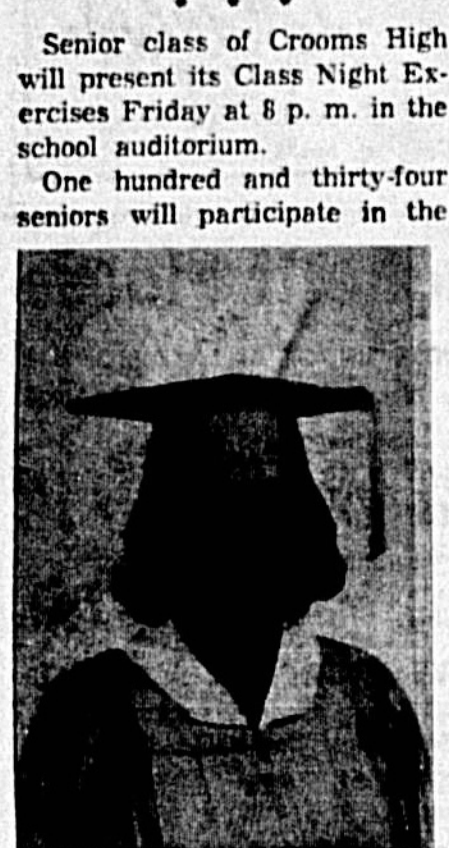

REV. J. D. HAGIN

Senior class of Crooms High will present its Class Night Exercises Friday at 8 p. m. in the school auditorium.

One hundred and thirty-four seniors will participate in the candlelight ceremony. The class history will be presented by members of the class.

An open invitation is being extended to the public.

CAROLYN MOBLEY

On Sunday at 3 p. m., Crooms High School will present its band in its annual Spring Concert.

This promises to be an afternoon of great entertainment. The band will play selections such as "The Hokey," "Webs Gals Solo," "South Pacific" and many others.

The band members and their director, B. A. Brown, wish to extend to the public a cordial invitation to this program to be held in the Crooms auditorium. Admission is free.

The Goldboro and Crooms Chapters of the Future Farmers of America, held their annual banquet on May 16 in the Crooms cafeteria.

Miss Martha Grooms, "Miss FFA," served as mistress of ceremonies on this occasion.

Following the program speakers, awards and certificates were presented to FFA members.

J. A. Lawson, sponsor, presented the following awards and certificates to members of the Crooms chapter. A certificate of merit in cooperative activity was presented to Lee Barnes Haws and George Butler. Donald Brown received a medal for public speaking. Arthur G. Hanks received a certificate of merit in cooperative activity.

SENIOR BAND members to appear in the annual Spring Concert of the school. High band and graduating seniors William Anderson, Rhonda Hankerson, Melvyn Henderson and Samuel Peterson.

Leadership certificates. The farm mechanic awards went to Royce Williams. Thomas Lawrence received certificates for leadership ability and for farm mechanics.

Gifts were presented to Martha Grooms, Sherlene Nelson and Elmda Simmons. "Miss FFA and Attending."

S. Baker, sponsor of the Goldboro chapter FFA, presented certificates and awards to the following members of his chapter: Freddie Menefer received the leadership award. Roosevelt Baldwin, Larry Hardy, Donald Johnson, Thomas Moore and Joe Smith received certificates of merit in plant science. Johnny Scott was presented an award for tractor driving. The public speaking award was given to...

MISS FFA, Martha Grooms, as she presides at FFA banquet.

The pre-med graduate will remain in Michigan while awaiting assignment from Michigan State or Wayne University School of Medicine, to further her training as a pediatrician.

Congratulations to Miss Caroline Sheppard, accompanied by Mrs. Minnie Lomas, Cassandra's grandmother, and Mrs. C. R. Pringle, departed for Michigan last Friday night to attend the graduation exercises.

Congratulations to Cassandra and to her family.

Carolyn Jeanette Mobley, a 1966 graduate of Crooms High School, is currently appearing in the Kern Hammerstein Musical, "Showboat" at the Orange Blossom Playhouse.

Carolyn is an avid music lover and is quite "at home" as the singer with the chorus and acts in the Home and Village scene.

There are three showings each week - Thursday, Friday and Saturday at 8 p. m. The OBP is located about one mile south of Lee Road on highway 441.

The show will run for three weeks. Make it a date to see one of our local products appear in this musical.

Carolyn is the daughter of Mrs. Freddie Mobley of our city.

Set. Harrison Clark III, is home visiting with his father and grandparents, the Harrison family, at Jackson Heights School. He is a member of the year four of duty in Vietnam.

He spent a few days in Washington, D. C. visiting with his mother, Mrs. Louise Miller.

At the end of his thirty day leave, he will return to Fort Benning, Ga.

Set. Clark is a former student of Crooms High.

The Ladies Association Club postponed its regular weekly meeting which was to be held at the home of Mrs. G. G. Dunn. Instead, a lawn party-winner roast was held at the home of Mrs. George Barnes and Mrs. Melvyn Henderson on 23rd Street.

A wonderful time was had by all attending, especially the Sprangler, 30, walked around with the lead slip in his heart for 15 years and didn't know it.

He was hit in a hunting accident in 1952. Doctors thought it had bounced off his collarbone and out of his body.

Recurring chest pains brought Sprangler back for an extensive examination. Doctors theorized the bullet had lodged in a vein and was pushed into the heart by the flow of blood.

Dr. Joseph John Versha and Dr. Louis Lindington operated for 3 1/2 hours Tuesday and removed the slug from the right ventricle.

Israel Actor LONDON (AP) - Chaim Topol, Israeli star of the hit musical "Fiddler on the Roof," says he is ready to quit the show if needed to fight for his country.

The 31-year-old actor and singer, who once served in the Israeli army, was one of many Jews who contacted the Israeli Embassy in London Tuesday to offer their services.

MRS. CATHERINE PRINCE is crowned homeroom mother of 1967-68 by Mrs. Ella Montgomery, last year's homeroom mother.

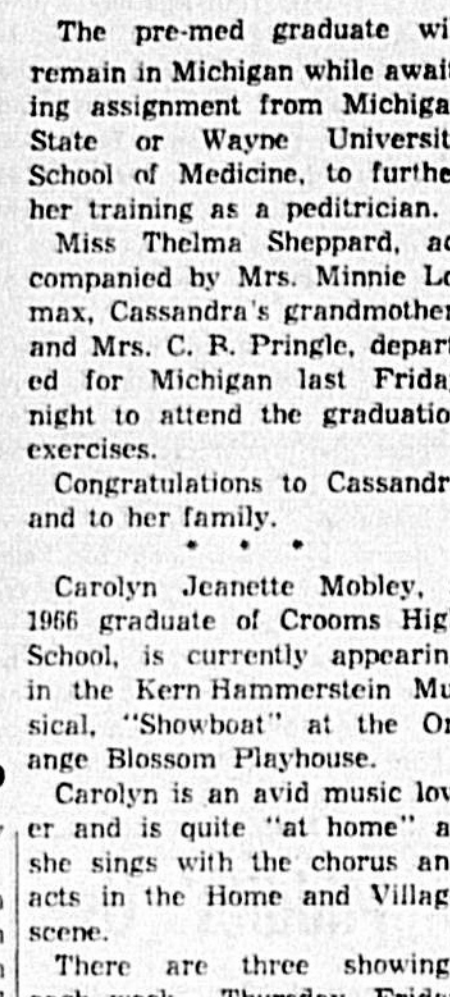

STEWART BAKER presents leadership certificate to Freddie Menefer, as Mack Brooks looks on.

Grant Chapel AME Youth Board held its annual Youth Day Program Sunday. The program included selections from the Young Adult Choir, Mrs. M. F. Miller in charge, the Middletons Singers, and a panel discussion moderated by Miss Carolyn Mobley and participated in by members of the church.

Evans was utterly surprised when he received his birthday gifts.

The club's reporter, Mrs. Marie Jackson said, "I do not know how the extra dollar bill got into his wallet."

The group participated in a variety of party games and were served tasty refreshments.

SOPHOMORE Servants at the Junior-Senior Program were Phyllis Jenkins, Louvenia Grooms, Rosemary Johnson, Belinda Wright, Janet Saunders and Emma Smith.

Realtors Know: Advertising Pays And Pays Few professions, if any, utilize the classified advertising sections of newspapers more than Realtors.

Real estate brokers, on the average, spend more for classified advertising than any other professional group.

In most newspapers, many lines of classified advertising are sold under such classifications as "Homes For Sale," "Houses For Rent," "Business Opportunities," and others than any other particular category.

There is a reason. Classified advertising is the modern, up-to-date medium for the Realtor's best way to present his best buys to the general public. Not only does the Realtor reach more people through classified advertising, there is no other medium which costs him less.

Shot Victim LOS ANGELES (AP) - His surgeon plan to present William B. Spangler with a small memento of his operation - the bullet that removed from his heart.

Sprangler, 30, walked around with the lead slip in his heart for 15 years and didn't know it.

He was hit in a hunting accident in 1952. Doctors thought it had bounced off his collarbone and out of his body.

Recurring chest pains brought Sprangler back for an extensive examination. Doctors theorized the bullet had lodged in a vein and was pushed into the heart by the flow of blood.

Dr. Joseph John Versha and Dr. Louis Lindington operated for 3 1/2 hours Tuesday and removed the slug from the right ventricle.

Israeli Actor LONDON (AP) - Chaim Topol, Israeli star of the hit musical "Fiddler on the Roof," says he is ready to quit the show if needed to fight for his country.

The 31-year-old actor and singer, who once served in the Israeli army, was one of many Jews who contacted the Israeli Embassy in London Tuesday to offer their services.

## Graduation Parties Keep Busy Seniors 'On The Go'

MISS KAREN THORNHILL, right, and her mother, Mrs. R. C. Thornhill, are seated at the beautiful refreshment table at a graduation tea given in her honor at the Carter home on West 20th Street. Standing, from left are hostesses, Brenda Carter, Mrs. J. W. Carter and Jean Carter.

MRS. HARRY ROBSON, right, was hostess to a recent graduation luncheon honoring Miss Debby Dalton, who is shown receiving lei from the hostesses. Others in photo are Mrs. Hank Johnson, mother of the honoree, and Greg Ganas.

JACK BECKWITH and Serita Nelson pose at a graduation buffet dinner given in his honor at the Boyd Coleman home preceding the May Day Ball.

MISS DEBBY DALTON was honored at a recent graduation "Coke and Chatter" party at the home of Mrs. Ernest Southward. Left to right are Mrs. Southward, hostess, Miss Dalton and her mother, Mrs. Henry G. Johnson.

MRS. MARGARET ANDERSON and daughter, Leslie, seated at the refreshment table, were hostesses for a graduation "Chatter" party honoring two graduates at their home on Bay Avenue. Back row, from left, are the honorees and their mothers, Mrs. Jennings Hurt, Melanie Hurt, Sally Spencer and Mrs. Jim Spencer.

### Special Care For Eye, Skin

Summer days bring the opportunity to enjoy life in the sun, but powerful rays of sunlight can be hard on your eyes and skin.

The sun's rays do not burn lightly, but strike with considerable force. Over-exposure to sunlight can produce swelling and harsh line around your eyes, while glare conditions cause eye strain and headaches.

Following are a few suggestions to make Summer outings more enjoyable.

(1) Your skin will be particularly sensitive the first few times out, so take the sun in small amounts. Fifteen minutes a day for the first few days is plenty. Use one of the many preparations designed to screen out burning ultraviolet rays of sunlight.

If you're light-complected, it's wise to limit beach time to early morning or late afternoon hours, when the sun's rays are less intense.

(2) A pair of dark glasses is essential to shield your eyes from brilliant sunshine. A beach umbrella doesn't provide enough protection, because it won't reduce glare and reflected rays from water and sand. Never look directly at the sun's rays even while wearing dark glasses, because retinal burns are a possibility.

(3) Common causes of eye irritation at the beach are spray, blowing sand, chemicals in air or water, and windburn from sudden gusts or squalls. Eye drops will safely flush out foreign particles, and furnish soothing relief to irritated eyes. Remember never to rub your eyes, and consult a doctor if irritation persists.

## Lovely Pre-Nuptial Party Honors Miss Debbie Scott

By MRS. H. L. JOHNSON  
The spacious country home of Mrs. Clyde Robertson in Paola was the scene recently of a bridal shower for Miss Debbie Scott. The rooms of the Robertson home were opened en-suite for the occasion and were decorated with vases of pink and white carnations.

Several games were played during the evening with prizes going to Mrs. Charles Meeks, Mrs. Les Bateman, Mrs. After Debbie opened her many useful and beautiful gifts, Mrs. Robertson served delicious refreshments of angel pie and coffee to the honoree, Mrs. F. D. Scott, the bride-elect's mother; Mrs. Mary Knox, grandmother; Mrs. Henry Schumacher, Mrs. George Pittard, Mrs. Clifford McKibbin, Mrs. Charles Meeks, Mrs. John Crawford, Mrs. Harry Lee, Mrs. Les Bateman, Mrs. Walter Gielow, Mrs. Julius Dingleider and the Misses Rose Kraizer, Susan McCall, Maureen Scott, Myra Meeks and Cindy Newsome.

The Sanford Herald  
Page 2A — May 24, 1967

## Butler-Todd Engagement Told

Mr. and Mrs. J. J. Butler Jr. announce the engagement and approaching marriage of their daughter, Nora Carol Butler, to Thomas G. Todd, son of Grover Todd and Mrs. Don Rowley of Orlando.

The bride-elect is a graduate of the 1966 class of Seminole High School and is currently employed at The Sanford Atlantic National Bank.

Miss Butler's maternal grandparents are Mr. and Mrs. S. A. Lindstrom and paternal grandparents are Mr. and Mrs. J. J. Butler Sr.

The groom-elect was graduated from Seminole High School with the 1966 class and presently is affiliated with Sanford Auto Parts, Inc.

The marriage will be solemnized on June 10 at 7:30 p.m. at Grace Methodist Church, Ocala Road and Woodland Avenue. All friends and relatives of the couple are invited to attend the wedding and reception, which will follow immediately in the Church Social Hall.

**CRUSTY CHEESECAKE PIE**  
One 9-inch Pie

- 1 cup enriched self-rising corn meal
- 1/2 cup sifted, enriched self-rising flour
- 1/2 cup firmly packed dark brown sugar
- 1/2 cup butter
- 1/2 cup Cream Cheese Filling
- 1 cup dairy sour cream
- 1/2 pint strawberries or other fresh fruit

Stir together corn meal, flour and sugar. Cut in butter until pieces are size of small peas. Press corn meal mixture into greased pie plate. Bake in preheated 350 degree oven, 5 minutes. Prepare Cream Cheese Filling. Pour into crust. Bake 40 to 45 minutes, or until center is firm. Remove from oven and cool 5 minutes. Spread evenly with sour cream and decorate with fruit. Refrigerate at least 1 hour before serving.

\*If you don't sift and in the absence of other directions spoon four directly from container into a one-half cup dry measure, level off, then remove one level tablespoonful, according to USDA recommendations.

**Cream Cheese Filling**

- 2 packages (8-oz. each) Cream Cheese
- 1/2 cup small curd cottage cheese
- 2 tablespoons milk
- 2 eggs
- 1/4 teaspoon enriched self-rising flour

Blend cheeses together until almost smooth, about 10 minutes at high speed of electric mixer. Gradually blend in remaining ingredients.

### TIPS FROM BABY

A 15-year-old member of the New York City Ballet Company depends to some extent upon make-up to convey the mood of the role she is dancing. Because the heavy make-up is hard on young skin, she concentrates on thorough cleansing. First she removes the make-up with baby oil, then she washes her face to discourage blemishes. She follows the cool rinsing with baby lotion. One more tip from baby for comfort... she dusts powder in her ballet slippers.

### PAINTING PORCHES

Wooden or concrete porches are subject to heavy foot traffic, so be sure to paint them with an extremely durable coating. Special porch and deck paints are stocked by your local reputable paint dealer, but the undercoat will vary according to the material to be covered. Wood can sometimes be primed with a thinned version of the top coat, whereas cement floors must be primed with an alkali resistant primer. Check with your local paint dealer for sound advice!

### PAINTING TRIM

If you're about to paint your house, don't forget to add a special touch to the wooden trim, reminding the National Paint, Varnish and Lacquer Association. Coat window sashes, shutters and doors with exterior exterior semi-gloss or high gloss enamel.

### Emerocallis Club Ends Season With Buffet

By MRS. H. L. JOHNSON  
A Winter Park restaurant was the scene of a buffet dinner for members of Emerocallis Garden Club when they met last week for their final meeting of the year.

After the delicious buffet style dinner a short business meeting was conducted by the president, Mrs. Bea Newsome. A program committee was appointed: four directors from container into a one-half cup dry measure, level off, then remove one level tablespoonful, according to USDA recommendations.

**Cream Cheese Filling**

- 2 packages (8-oz. each) Cream Cheese
- 1/2 cup small curd cottage cheese
- 2 tablespoons milk
- 2 eggs
- 1/4 teaspoon enriched self-rising flour

Blend cheeses together until almost smooth, about 10 minutes at high speed of electric mixer. Gradually blend in remaining ingredients.

## Mrs. Jack Bolt Installed Ixora Garden Club President

Mrs. Jack Bolt was elected president of the Ixora Garden Club at a recent meeting at the home of Mrs. Philip Logan. Also elected to serve for the coming year were Mrs. Logan, vice president; Mrs. Herbert Stenstrom, secretary; and Mrs. Charles Persons, treasurer.

The outgoing president, Mrs. Volie Williams Jr., welcomed new members, Mrs. Art NeSmith and Mrs. R. J. d'Aversa, and reported that Mrs. Fred Gans has been elected treasurer of the Florida Landscape Critics Council at a recent meeting held in Jacksonville. The members voted secretly for the person within the club who they felt had been the most outstanding member this past year. The winner will be presented with a "sparkplug" award at the club's annual barbecue.

A standing ovation was given the Junior Gardener's committee for its excellent work with students at the Little Red School House. Mrs. Bill Southward heads that committee which includes Mrs. George Bishop Jr., Mrs. Kenneth McIntosh and Mrs. John Epps.

The club voted to sponsor a garden clinic in the fall. Mrs. Warren Knowles presented the club's gift to Mrs. Williams for the president's leadership for the past year. Congratulations were given to Mrs. John Burton for winning the Tri-Color award at the recent Sanford Garden Club's Flower Show and to Mrs. John Morgan, Mrs. J. E. Terwilliger and Mrs. John Stover for their ribbons won at the local show.

TWO NEW MEMBERS who were welcomed to the Ixora Garden Club at the final meeting of the club year are left to right, Mrs. R. J. d'Aversa, Mrs. M. A. Nesmith and retiring president, Mrs. Volie Williams Jr.

HAVE HEALTHY HAIR If your hair is fine a soft permanent is best. Brands made especially for hard-to-wave hair should be avoided, and if you only want body, milder permanents will usually do the job. If you feel that overbleaching is the cause of frizzy hair it's best to discontinue coloring until the hair is restored to good health. At the same time have as much of the damaged hair trimmed as possible.

THE PERFECT GIFT FOR THE GRADUATE (so right for the busy college gal)

## Tea Fetes Senior

MISS SHEILA JORDAN, center, was honor guest at a recent graduation tea at the Pinecrest home of Mrs. William Holcomb. At left is the honoree's mother, Mrs. Norris Jordan and at right is co-hostess, Mrs. Phillip Simpson.

Mrs. William Holcomb and her mother, Mrs. Norris Jordan, received gardenia corsages from a Pinecrest neighbor, Mrs. Richard Forbes.

The hostesses presented the honoree with a pair of mother-of-pearl earrings. Mrs. Frank Branson presided at the punch bowl and serving as floating hostesses were Vivian Melavale, Sharon Parham, Paula Holcomb and Jan Simpson.

Forty friends and class mates called between the hours of 4 to 6 p.m. to chat and sample white dotted Swiss dress that she designed and made. She and her mother, Mrs. Norris Jordan, received gardenia corsages from a Pinecrest neighbor, Mrs. Richard Forbes.

Decorations in the party area carried out the color theme of the '67' class and a centerpiece of white gardenias and yellow day lilies graced the refreshment table. The cake expressed "Congratulations Sheila" and was surrounded with yellow daisies, the senior class flower.

Miss Jordan wore an 4-line white dotted Swiss dress that she designed and made. She and her mother, Mrs. Norris Jordan, received gardenia corsages from a Pinecrest neighbor, Mrs. Richard Forbes.

# Get-Aquainted Tea Fetes Squadron Enlisted Wives

By CECILIA FARMER  
**RVAB-9 ENLISTED WIVES CLUB MEMBERS** were entertained by the RVAB-9 OFFICERS' WIVES at a get-aquainted tea, Sunday afternoon at the NAS Ballroom. A large squadron insignia was hung over the entrance to the Ballroom and the center of attention on the main refreshment table was the squadron's mascot, NINA BROT OWEN, dressed in all her green satin finery.

Others attending the event were Mrs. Donald Jarvis, Mrs. William Winberg, Mrs. Paul Artlin, Mrs. John Williams, Mrs. Richard Brown, Mrs. Clayton Memele, Mrs. David Nollwing, Mrs. James Osborne, Mrs. George Clark, Mrs. Gregory Davison, Mrs. James Bassell, Mrs. Robert Lanier and Mrs. William Spitt.

Officers' wives of RVAB-9 gathered at the home of Mrs. Philip Ryan, Wednesday, for a surprise BRIDAL SHOWER for Miss Josephine Ward, fiancée of Lt.(jg) William Schaefer of RVAB-7. The wedding date is set for July 14.

The table was overlaid with a green cloth and next to Nina was a lovely arrangement of yellow mums, small red dahlias and greenery. All kinds of delicious goodies were served with tea, coffee and lime sherbet punch, during the afternoon.

Encrusted silver bowls were also presented to Bea Coffey and Pat Hanson, with the best wishes of the members.

Other squadron members and guests attending were June McLean, Marcia Fee, Dora Griffin, Clare Daum, Betty Stokes, Diane Queen, Diane Wintary, Mary Dunant, Gail Johnson, Charlotte Crombie, Judy Kuehn, Anita Wallace, Rose Branson, Carole Renner.

As they nibbled on fudge, peanuts, mints and butter-softened candy, the wives admired the variety of lovely shower gifts. There were two ANONYMOUS gifts, some prepared breakfast food (two slices of burned toast) and a gold plated (gold sparkled) can opener. Two large umbrellas shaped cakes with accompanying rain-

drops, highlighted the serving table which also contained shower plates, napkins, punch and coffee.

At the conclusion of the party, coffee and ice cream sandwiches were served to Mrs. Don M. Sullivan, wife of the commanding officer; Mrs. Richard E. Hopper, the executive officer's wife; Audrey

Woods, Molly Mahlman, Doty Malczkowski, Mary Liz Knoblauch, Jo Kuhlke and Rita Gallagher.

Officers' wives of RVAB-13 enjoyed a marvelous evening of dining and entertainment, recently, at the Lookout Restaurant. The event was in honor of Mary Putnam for her many contributions to the squadron. A lovely silver service with engraved tray was presented to her, by John Higginbotham, on behalf of the wives.

Encrusted silver bowls were also presented to Bea Coffey and Pat Hanson, with the best wishes of the members.

Other squadron members and guests attending were June McLean, Marcia Fee, Dora Griffin, Clare Daum, Betty Stokes, Diane Queen, Diane Wintary, Mary Dunant, Gail Johnson, Charlotte Crombie, Judy Kuehn, Anita Wallace, Rose Branson, Carole Renner.

Woods, Molly Mahlman, Doty Malczkowski, Mary Liz Knoblauch, Jo Kuhlke and Rita Gallagher.

MARY PUTNAM

Wives gathered at the home of Joan Musgrove, Friday for a FUN AND GAME NIGHT. Even though the game of "AW HEECK" provided very few winners, prizes were awarded to everyone.

At the conclusion of the party, coffee and ice cream sandwiches were served to Mrs. Don M. Sullivan, wife of the commanding officer; Mrs. Richard E. Hopper, the executive officer's wife; Audrey

Woods, Molly Mahlman, Doty Malczkowski, Mary Liz Knoblauch, Jo Kuhlke and Rita Gallagher.

Officers' wives of RVAB-9 gathered at the home of Mrs. Philip Ryan, Wednesday, for a surprise BRIDAL SHOWER for Miss Josephine Ward, fiancée of Lt.(jg) William Schaefer of RVAB-7. The wedding date is set for July 14.

The table was overlaid with a green cloth and next to Nina was a lovely arrangement of yellow mums, small red dahlias and greenery. All kinds of delicious goodies were served with tea, coffee and lime sherbet punch, during the afternoon.

Encrusted silver bowls were also presented to Bea Coffey and Pat Hanson, with the best wishes of the members.

Other squadron members and guests attending were June McLean, Marcia Fee, Dora Griffin, Clare Daum, Betty Stokes, Diane Queen, Diane Wintary, Mary Dunant, Gail Johnson, Charlotte Crombie, Judy Kuehn, Anita Wallace, Rose Branson, Carole Renner.

As they nibbled on fudge, peanuts, mints and butter-softened candy, the wives admired the variety of lovely shower gifts. There were two ANONYMOUS gifts, some prepared breakfast food (two slices of burned toast) and a gold plated (gold sparkled) can opener. Two large umbrellas shaped cakes with accompanying rain-

drops, highlighted the serving table which also contained shower plates, napkins, punch and coffee.

At the conclusion of the party, coffee and ice cream sandwiches were served to Mrs. Don M. Sullivan, wife of the commanding officer; Mrs. Richard E. Hopper, the executive officer's wife; Audrey

Woods, Molly Mahlman, Doty Malczkowski, Mary Liz Knoblauch, Jo Kuhlke and Rita Gallagher.

The installation dinner for the new officers will be held June 3 at 7 p.m. at the Acee Doocy Club, aboard the Station.

The Naval Officers Wives Club will hold their monthly board meeting May 29 at the home of Mrs. John A. Williams.

RVAB-9 ENLISTED MEN'S WIVES CLUB are planning a farewell luncheon for Mrs. D. M. Sullivan, wife of the commanding officer, Friday, May 26 at 11:30 a.m. at the Smorgasbord International.

All wives of RVAB-9 enlisted personnel are invited to attend. For reservations please contact Mrs. Gladys Morgan at 322-0890 or Mrs. Yvonne Schreier at 322-1886.

RVAB-9 OFFICERS' WIVES met recently at the Station Pool for a picnic lunch. Joanne Sample, wife of the commanding officer, presented Kay Reckner with a farewell gift, an engraved silver calling card tray. Kay and her husband, Bob, will be moving to New Jersey where Bob will be stationed at Lakehurst.

Those attending were Joanne Sample, Pat Murphy, Beth Collins, Sandy Genson, Thelma Dunbar, Mary Jane McCarthy, Peg Morley, Bobbie Norrington, Jean Riley, Kay Reckner, Linda Tangeman and Aulie Temple.

Most coffee is named for the region in which it is grown or the port from which it is shipped. Thus, Santos coffee, shipped from the port of Santos; Mocha, whose port is Mocha; and Java, a bean grown in Java.

The president a pointed Edith Founds, Terry Forbes and Connie Bowen on the AIR-LIFT COMMITTEE. Hostesses for the next meeting will be Terry Forbes and Nancy Parkinson.

THE RVAB-9 ENLISTED WIVES will hold the monthly board meeting today (May 24) at the home of Sharon Woodruff, in Sunland Estates, at 8 p.m. They would like to remind everyone that only six more days are left to get tickets for the BOWLABAMA, coming up in June.

The group had several occasions for celebrations this month—Yvonne Starnes is the proud mother of a baby son, born May 18—Natalie Stewart was one year older on May 10 and David and Nancy Hill celebrated their wedding anniversary, May 15.

RVAB-9 OFFICERS' WIVES entertained the RVAB-9 Enlisted Wives Club at a great-squadroned tea, Sunday afternoon at the NAS Ballroom. Shown from left, at the refreshment table are, Mrs. D. M. Sullivan, wife of the commanding officer, Mrs. E. H. Morgan, president of the Enlisted Wives Club; Mrs. R. S. Hopper, the squadron executive officer's wife and Mrs. R. D. Schreier, E. W. vice president.

SAG ON JUNE 10 at 1 p.m. at the Jet Lines. Anyone wishing to join them may contact any club member before May 31. Nursery service will be provided. On June 16 a pot luck dinner is planned at the home of Betty Phillips.

New officers have been elected and it was decided to hold the installation ceremony at the next meeting, June 10. It was also decided to have a dinner party when the husbands return. Officers to be installed are, Jayce Zerfoss, president; Connie Brown, vice president; Terry Forbes, treasurer and Mary Johnson, secretary.

The president a pointed Edith Founds, Terry Forbes and Connie Bowen on the AIR-LIFT COMMITTEE. Hostesses for the next meeting will be Terry Forbes and Nancy Parkinson.

### Population Up 10,000 In Area In 2 1/2 Years

Seminole County, fast becoming the hub of Central Florida and the center of the "Golden Triangle," is one of the fastest growing counties in Florida. In the past two and a half years the population of Seminole County has increased by 10,000 persons.

A big majority of these new residents have looked to realtors to help them find a home in this fast-growing section of Florida. They need the professional help a realtor can give in order to get settled and become a part of the community.

Through services offered by the Seminole County Board of Realtors to its members, both brokers and salesmen, a newcomer can quickly find a home suitable to his particular needs. The party seeking business opportunities can find them quickly through the listings of a realtor.

Most realtors in Seminole County offer customers a comfortable, air-conditioned office where those seeking new homes, business opportunities, real estate investments and rentals of property management can discuss their needs with the best trained "professionals" in real estate. At the present time in Seminole County a realtor can just about find a home or business or an investment tailored to his particular needs.

Whether a customer wants a home to buy or invest in a business, purchase vacant property, acquire land, start his own business, purchase apartments, obtain a motel or hotel, invest in an industrial development, need property management services, whatever the requirements are, members of the Seminole County Board of Realtors are ready to serve the customer.

### Talk Is Not Cheap—On Capitol Hill

WASHINGTON (AP)—Talk is not cheap on Capitol Hill. Just about everything Congressmen say on the floor of the House and the Senate is put into the Congressional Record at a cost of \$13 a page. Members also can insert any speech, sermon or published article they take a liking to.

Monday's Record ran 166 pages and cost \$18,266. That was a light day because the Senate wasn't in session. Some of Monday's Record items and the cost of printing them: Winning essays in a contest sponsored by the Democratic Women's Club in Muskegon County, Okla., \$50; winning article in the American Legion contest in Hawaii, \$47; and a speech on relations with Eastern Europe by the president of a tractor company, \$286.

### Spring Tides Run Families From Homes

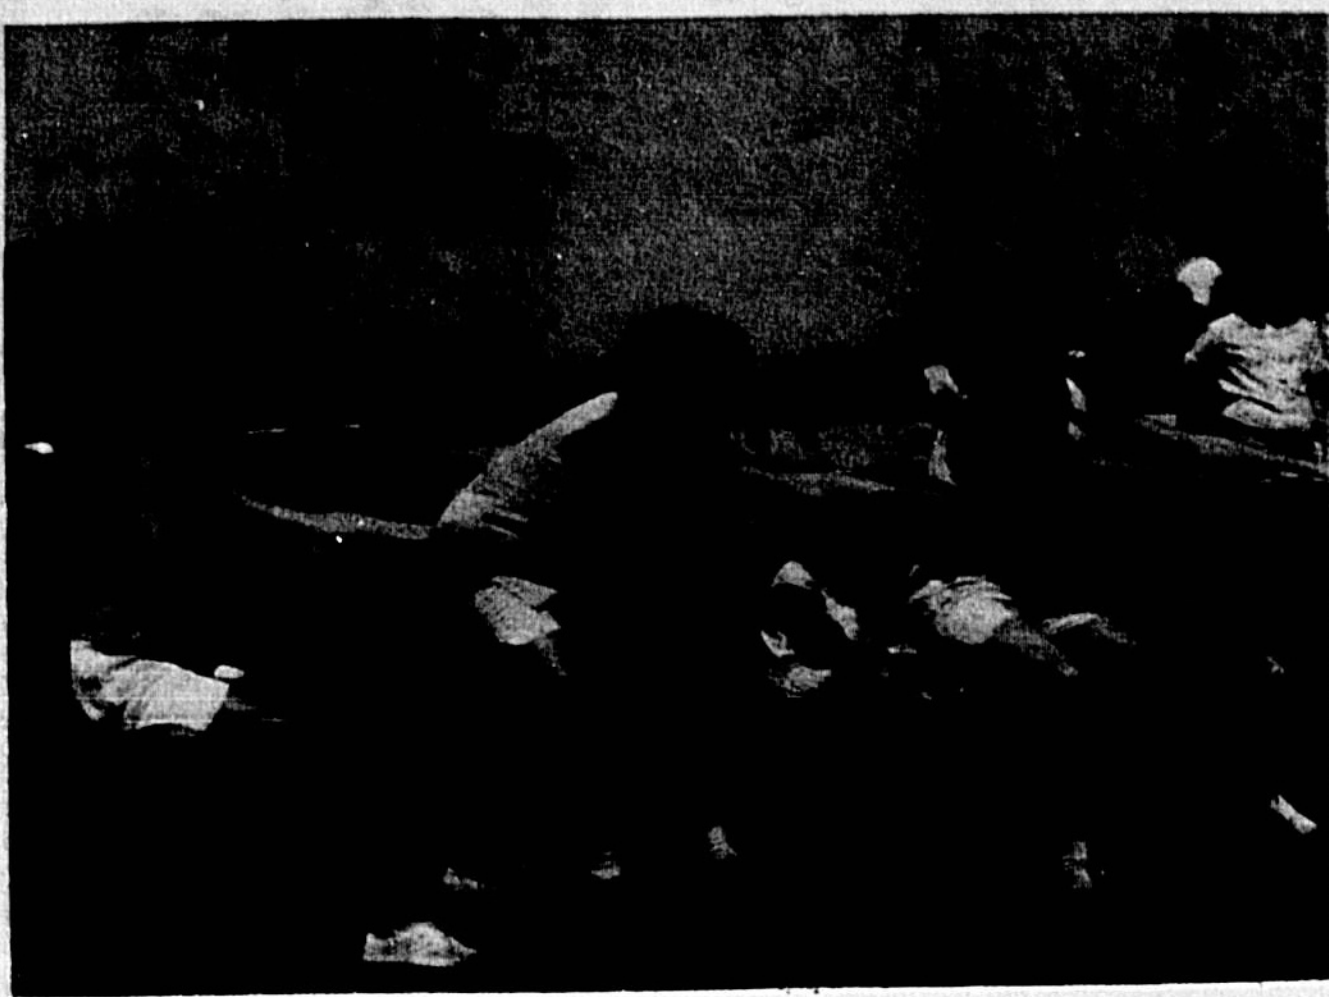

FORT MYERS (AP)—Families on two islands off Florida's West Coast braced today for another wave of high water run wild as spring tides that are threatening their homes.

Several families on Gasparilla Island fled from their residences for a few hours Tuesday during a tide that put the island's southern tip under water. They returned during the afternoon.

To the south, the Pat Murray family moved out of their home on Captiva Island after the high water left crafts and a cave in wall on their home.

Lee County authorities said the high tide, fairly common in spring here, would continue for a few days. The peak probably will be reached Thursday, they said.

The highway tunnel beneath Mont Blanc is 5.2 miles long. It connects France and Italy.

### Police, Firemen Of Casselberry Win Plaудits

Over 100 South Seminole County residents attended the Casselberry Police and Firemen's Award Party at the TradeWinds Cafeteria in Seminole Plaza.

In addition to local residents, many government officials attended in this salute to the police and firemen for their efforts in publishing the city's new residential directory.

The Florida Publishers Award was presented to Police Chief Kenneth Triplett and Fire Chief Paul Bates for the directory by Orlando Postmaster L. E. Bryant.

Kenneth McIntosh, Seminole County prosecutor, acted as master of ceremonies, and kept the audience laughing with his unusual style of introductions of such officials as Mayor Arthur Whittlesey, County Commissioner Ed Yarborough, City Judge Thomas Freeman, Sen. Kenneth Plante, John Krider, director of the Seminole Chamber of Commerce, Dr. Edith L. Duerr, city council chairman, North Orlando Mayor G. S. Fuller, City Clerk Mary Hawthorne, Thomas Knight, Florida State Fire Marshal.

The entertainment was furnished by members of the South Seminole Junior High Band, Miss Ann Wright, Seminole County's singing teacher, and L. E. Swope at the Hammond organ.

Door prizes were won by Stanley Horton, 806 Coldwater Dr., 2,000 T.V. stamps; J. Truesdell, 770 N. Winter Park Dr., gift certificate for Amway Products, and James Nagle, 1000 Crystal Bowl Circle, 25 gallons of gasoline from Seminole Plaza Pure Oil Service.

**Snail Hunters**  
NEUCHÂTEL, Switzerland (AP)—A license is now required to catch and kill snails in the Swiss state of Neuchâtel.

Authorities introduced licenses to prevent the extermination of the low-moving animal, a favorite with local gourmets.

Laughed at by other hunters, 16 small catchers have so far paid 30 Swiss francs—\$6.95—for their licenses, authorities reported.

### ENGLISH ESTATE 4th, 5th and 6th Grades Enjoyed a May Field Day

In two top photos fifth grade boys and girls learn it takes a lot of pull to get ahead as they compete in a tug-of-war contest. In bottom photo, sixth grade girls are caught in mid-air as they practice for the standing broad jump event. This Friday grades 3-5 will have their day.

### Although John Phillip Sousa is best-remembered as a bandmaster and writer of popular marches, he also wrote several light operas.

### Presbyterians Eye Distaff Preachers

EDINBURGH, Scotland (AP)—Women aspiring to be ministers in the Presbyterian Church of Scotland may get to the pulpit if the church's General Assembly follows through on a preliminary favorable vote.

The assembly voted 307-268 Tuesday to instruct church officials to draft legislation to allow female ministers.

The Scottish Kirk has not reversed two centuries of prohibition against women in the pulpit yet. The question must come up before the assembly again at a later session and then be voted upon at the local level.

### Water Quest

WASHINGTON (AP)—President Johnson says progress has been made in desalination of water and other efforts to provide man with more water at reasonable cost but "we are not using all the imagination and all of the enterprise that our problems demand."

Johnson told the International Conference on Water for Peace, attended Tuesday by 5,000 delegates from throughout the world, that the quest for water must be an international effort. He said the United States will establish a Water for Peace office and called for similar centers in other countries.

### A. B. Nicasri Heads DeBary GOP

By MRS. JOHN LEONE  
Officers for the 1967-68 year were installed by the DeBary Republican Club at the first meeting of the year held at the DeBary Community Center with 20 members and guests attending.

Past President Glenn Smith installed the following officers: Anthony B. Nicasri, president; John Kissell, first vice president; Vincent Karwacki, second vice president; Mrs. Pierson Little, third vice president; Mrs. Frank P. Henz, treasurer; Mrs. John Leone, financial secretary; and Mrs. William F. Bursche, recording secretary.

Judge Albert D. Williams of DeBary introduced the guest speaker, Tom S. Gilchrist, general manager of WESH-TV, Channel 2, who spoke on many of the important issues concerning citizens of Volusia County and Central Florida such as home rule, teacher walkouts and law enforcement.

"A teacher, who has studied for years to improve his standing should be able to demand a better salary," Gilchrist stated. "Teachers are more important than tractors or buses," he said. He received a standing ovation.

Refreshments of punch and cookies were served following the meeting and a social hour was enjoyed.

One-tenth of the earth's land surface still lies hidden beneath ice.

They were accompanied by Mrs. Dick Lashley, Mrs. Arthur Mastromicola, Mrs. John Lashley, John Sweczy, Marsha Madden, Robert Ackermann, Tom Thum, Steve Brown, Kim Norris, Debbie Gure, Paul Smith, Mike Cramer, Kay Brown, Gary Dotten, Monte Griffin, Brenda Lee, Sherry Raketa, Bucky Copeland, Cindy Bittman, Ann Murray, Barbie Howell, Randy Childers, and Roddy Hall.

Members of the League of Women Voters of Seminole County will tour three Community Action target areas in Midway, Bookertown and Altamonte Springs at 10 a.m. Thursday.

Those who plan to tour Altamonte Springs area are asked to meet at the Altamonte Chapel parking lot at 10 a.m. Those going to Midway are asked to meet at the home of Mrs. F. D. McCollum at 2291 Washington Drive, Sanford. Those going to Bookertown will meet at the public parking lot behind the courthouses.

After the tours an informal meeting and luncheon will be held at Mrs. McCollum's home at noon.

Representatives from the county welfare and Community Action offices will be present to answer questions.

### This Sparrow By-Passed Fulton Street

MIAMI, Fla. (AP)—A sparrow evidently heard that the thing to do was to come south for the winter. So he came to Miami and built his home in a warehouse freezer.

The warmest temperatures there are 38 to 39 degrees below zero and the bird, who found his new home three weeks ago, won't budge.

"That bird must be from outer space," said Fred Duncombe, who loads and unloads produce at the warehouse.

"When I come in, he looks at me like he knows me," he said. "Sometimes he swoops down to my shoulders, but then he flies off."

Workers have left the door open for hours so the bird could get out, but nothing doing. He just peeks out curiously and stays where he is.

"He flies up and down the freezer every day," said Jack Westbrook. The bird drinks water from the ice and flies over to the frozen foods department for more nourishing staples, Westbrook said.

"That bird must be from outer space," said Fred Duncombe, who loads and unloads produce at the warehouse.

"When I come in, he looks at me like he knows me," he said. "Sometimes he swoops down to my shoulders, but then he flies off."

Workers have left the door open for hours so the bird could get out, but nothing doing. He just peeks out curiously and stays where he is.

"He flies up and down the freezer every day," said Jack Westbrook. The bird drinks water from the ice and flies over to the frozen foods department for more nourishing staples, Westbrook said.

### DeBary VFW, Unit Install Officers

By MRS. JOHN LEONE  
Veterans of Foreign Wars Post 8003 of DeBary and the Auxiliary Unit installed officers for the coming year at the Fire Recreation Hall.

The Downtown Sanford "We Care" Merchants invite you to...

# DeBary - Deltona Days

THURSDAY - FRIDAY - SATURDAY, MAY 25-26-27 IN DOWNTOWN SANFORD

LET'S GET ACQUAINTED!  
VISIT DOWNTOWN SANFORD

Downtown Sanford is a pleasant place to shop. Local merchants enjoy seeing you and appreciate your presence in their places of business. Here you will find all the "big city" goods and services in a small community atmosphere. Within a radius of a few blocks you will find everything you need, from groceries to goodies. Do your banking, outfit the entire family, furnish your home, find any repair service you wish, buy a car or have one serviced, secure legal or health services, buy sporting goods or diamond rings. Everything is here for your shopping enjoyment.

THERE IS PLENTY OF  
EASY, FREE PARKING

Park two hours free in Downtown Sanford. There is easy, diagonal curbside parking. Or, you may use one of the four conveniently located municipal free parking lots.

WONDERFUL BARGAINS  
SHOP, TOO, AND SAVE!

Downtown Sanford "We Care" merchants do their best to keep their stores stocked with famous brand merchandise at reasonable prices. During special events such as DeBary Deltona Days they have many, many brand new, fresh items marked down to prices that will really save you money!

Be sure to see if you can open any of the Treasure Chests at the Downtown Sanford "We Care" Merchants. Be a lucky winner, too, by taking advantage of the many wonderful buys they are offering during this big 3-Day Event.

TRY YOUR LUCKY KEY AND GET ACQUAINTED WITH THE FOLLOWING BUSINESSES:

## No Helping Hand

Tragedy stalks through our community. An infant lies dead. A distraught and frantic unwed mother faces an even more prolonged period of loneliness as a ward of the state in a penal institution. And all because she didn't know where to turn to find a helping hand.

How many other young single girls face the traumatic experience of learning that they are pregnant and realize that in the relentless and unstoppable march of time each will become a mother? Faced with a situation in which embarrassment may be the least of the mounting difficulties of physical illness, mental anguish and unpredictable doctor and hospital bills, where do they find an understanding and helpful source of strength?

With a heart weighed down with regret, the unwed mother-to-be turns, often belatedly, to her mother and father. They, too, are faced with a situation that most assuredly would never be theirs to solve, they thought. Obviously they have no ready solution. And as in the case used initially in this editorial what if there are no parents nearby to whom to turn, no friends whose sympathetic understanding and confidence might help bear the burden? These comments are not designed to deal with the altered attitude and philosophies of today's "Action Age" regarding the boy-girl relationship. Books are being written on that topic should the reader be interested in learning more about the "why not?" and "who cares?" and "whose business is it but mine?" thinking that seems so prevalent now. Our concern is about the girl who finds herself suddenly caught in this web of circumstances and finds, which without a helping hand she seems incapable of escaping without dire physical and mental consequences. And no small concern of the fraternal friends of Children's Home Society and others who stand ready to serve, so long as their funds permit them to do so, are near at hand.

And even more important is the fact that these professional workers, so that when a girl needs them, she may be told how to get the best concerned treatment, physical and emotional, for herself and for her unborn child.

Perhaps because of the desirable secrecy relating to pregnancy out of marriage, not enough has been said of the agencies that work exclusively with the problem. They provide professional men and women trained to give a maximum of help at a minimum of cost. And their confidential handling of each case reduces the personal problems of the girl and assures the best that can be provided for the baby, including loving adoptive parents.

CHS is only one of many agencies devoted to this social service — and for which is increasing rapidly each year. We think it is a matter of interest and public service to point out that CHS serves the state, but more important locally is the fact that there are offices in Orlando, Daytona Beach and Cocoa. In spite of the fact that too little is known of this excellent service — and that is the main point we are making — approximately 100 unmarried mothers were accepted last year at the Orlando office alone. No few of these were from Seminole County.

The number of adoptive parents in our county also is increasing, as more is learned of the care that is used to "match" babies and parents. It is ironic that this more did not know it, but right now, we are told, is a particularly good time for fast handling of applications of those wanting to adopt children.

The Department of Public Welfare also has facilities for taking care of the unwed mother, and there are other agencies in more distant parts of the state that specialize in this phase of American life.

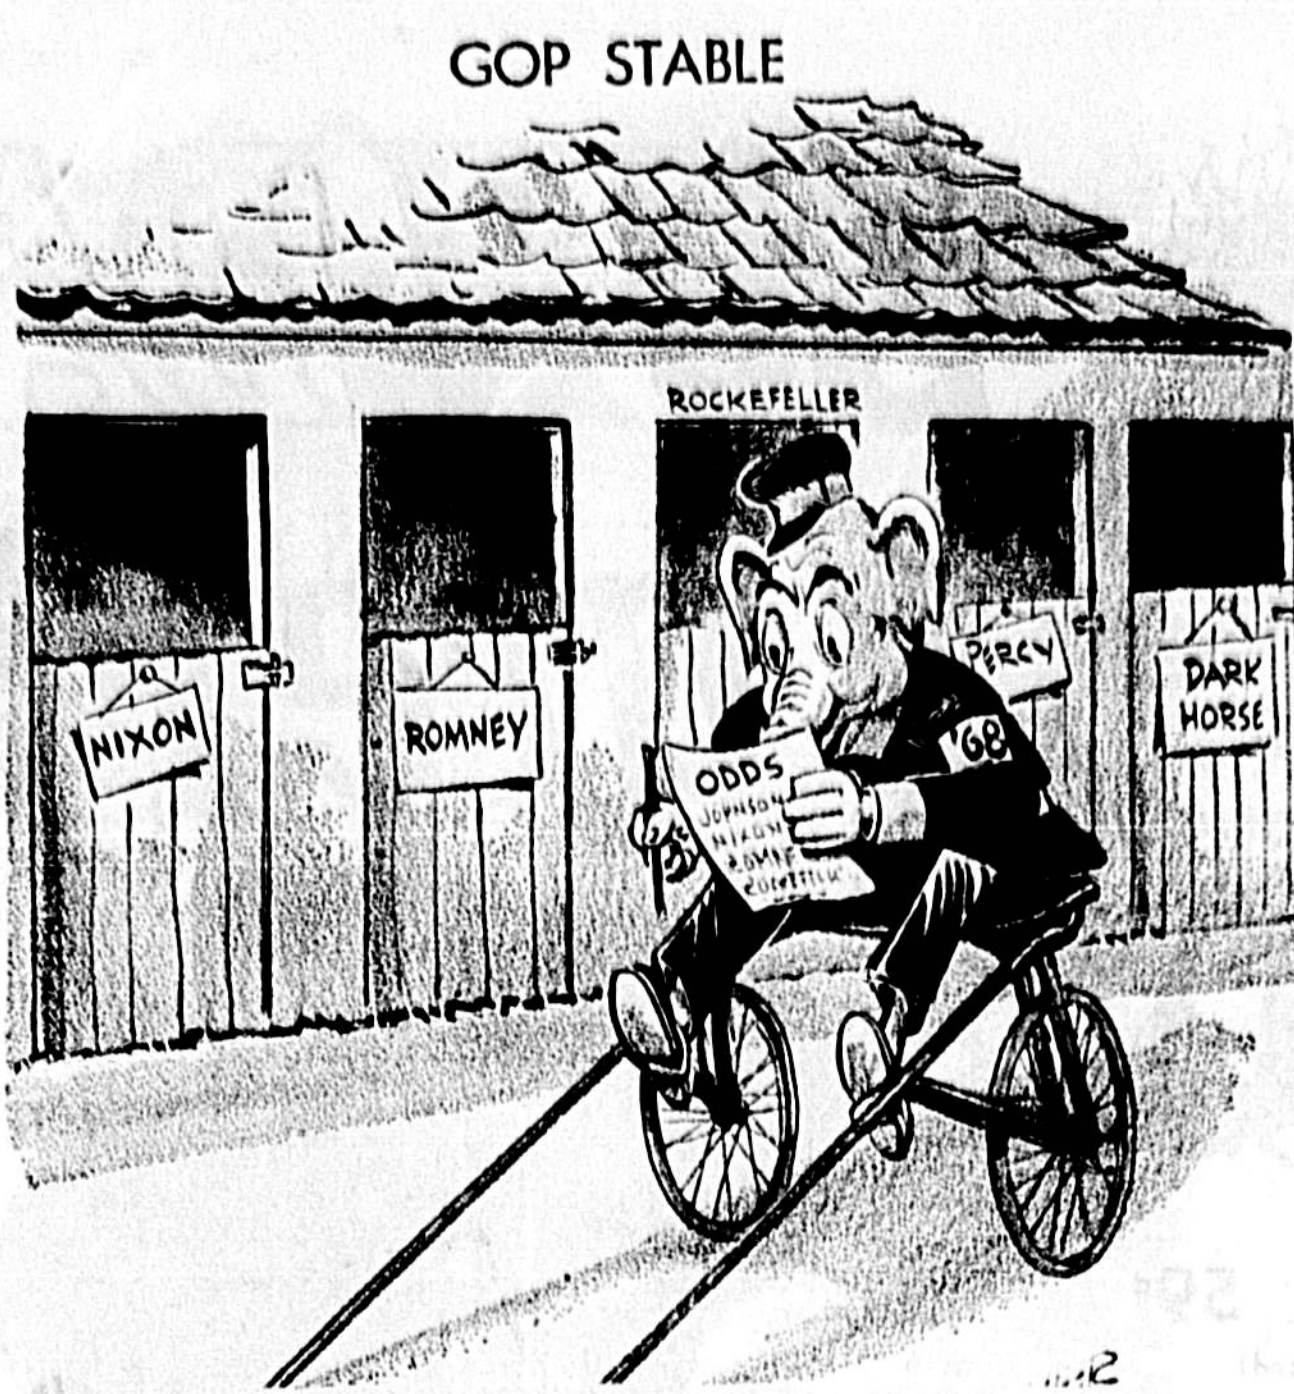

The fact that the time long since has passed when a "hush-hush" attitude toward unwed prospective mothers is proper. These girls, and their families when they are aware of the problem, need sincere, confidential, professional assistance. We lament the tragic incident that has brought this subject so prominently to our attention. We regret that Children's Home Society and others who stand ready to serve, so long as their funds permit them to do so, are near at hand.

And even more important is the fact that these professional workers, so that when a girl needs them, she may be told how to get the best concerned treatment, physical and emotional, for herself and for her unborn child.

Perhaps because of the desirable secrecy relating to pregnancy out of marriage, not enough has been said of the agencies that work exclusively with the problem. They provide professional men and women trained to give a maximum of help at a minimum of cost. And their confidential handling of each case reduces the personal problems of the girl and assures the best that can be provided for the baby, including loving adoptive parents.

## Analysis Of The News

WASHINGTON (AP) — Nobody knows what he's looking at except they're all dynamite caps. While U.S. planes bomb North Vietnam, U.S. troops move into the demilitarized zone to fight North Vietnamese troops, thus making American forces closer than ever to the North Vietnamese border which this country so far has refrained from crossing.

May there never be another case where wrong-doing is augmented by an even more serious misdeed just because a girl in this kind of distress did not know where to turn.

There is a helping hand. It is lovingly extended to those who seek it and reach for it.

Hong Kong, the British colony on Red China's doorstep, has had 11 days of anti-British rioting led, police there say, by Communists getting their instructions from Peking. Red China exports almost \$1 billion in foreign exchange from Hong Kong with its population of almost four million Chinese.

The strong police force there has been able to battle the mobs which were believed to have been set in motion by the Red Chinese to threaten Nationalist Chinese activity in the colony and shut it off from U.S. servicemen on leave from Vietnam.

Probably because they found the foreign exchange a big benefit in buying other things they need from abroad, until now the Red Chinese haven't tried to rock the British out of Hong Kong. But as the events multiply, no one can predict whether the mobs will subside or the Red Chinese will intervene.

They have made demands on the British, which the latter show no signs of granting, with threats if the demands are ignored.

For that matter no one — and that includes the Red Chinese themselves — seems to know what's going to happen in China itself where the pro-Maoist forces and the anti-Maoist forces have had the country in turmoil for months.

## Dr. Crane's Worry Clinic

Betty has already double-crossed her devoted parents. But if she needs the silly advice of her girl classmates she will reduce the happiness of her baby and also deprive a childless married couple of the happiness it could bring them via adoption. Never let tears prevent the wise and just course of action!

Case C-551: Betty (17, aged 15, attended a parochial high school. Mrs. Crane and I recently had dinner with a young priest who is an instructor at the school. "Dr. Crane," he began, "Betty was stamped by the current emphasis on early dating."

"So she would sneak out at night and run around with various boys."

"She got pregnant and now, at the age of 16, has recently had a baby."

"Since both her parents work, we advised Betty to let the baby be adopted."

"With juvenile sentimentality she says she would like to finish high school, then go to college and become a nurse."

"But she also owes her child the right to be launched happily in life, without stigma and shame."

"Already she has double-crossed her faithful parents."

"She has shamed them enough without flaunting her stupidity by insisting on them the support of another baby."

"In the usual case of unwed pregnancy, therefore, by insisting that she keep the baby, for they tell her they will all help look after it."

"To let a devoted couple adopt the baby will thus do more good for all concerned, so don't let the young mother's temporary tears produce a triple injustice! Send for my booklet 'Facts About Pregnancy and Adoption,' enclosing a long stamped, return envelope, plus 25c.

The whole world's so busy these days that you've probably forgotten that until you learn how to be your brother's keeper, you will never keep him well.

Comedian and civil rights activist Dick Gregory.

A few years ago a Russian leader threatened to bury us, but there is the ever-present danger we will bury ourselves.

—Samuel I. Kaelin, president of Keep America Beautiful, Inc., on the litter problem.

## What Is A Realtor?

Since this is National Realtor's Week it might be a good idea to determine what actually is a realtor.

A lot of people don't know. Many believe that "it's a guy that sells houses."

Not so.

A realtor is a professional in real estate who subscribes to a strict code of ethics as a member of the local board and of the National Association of Real Estate Boards. As with other prominent businessmen in your city, you can select your realtor as you would a lawyer, doctor or other professional man.

Some realtors may specialize. Some deal in business properties, others in farm or undeveloped land. Others specialize in selling homes just like yours.

WHAT IS AN ASSOCIATE?

Men and women associated with an office where the broker is a member of the Board of Realtors are automatically included as associate members of the Board upon admission of the broker.

Each associate is governed by the rules and regulations of the local organization, and is bound also by the code of ethics of the National Association of Real Estate Boards. He is also restricted from voting in the local organization, and is not permitted to use the term "realtor" when referring to his trade or profession.

Should a dispute arise between a realtor and the association, this dispute is brought before an arbitration committee, and the association is required to abide by the findings of this committee. Should the associate be judged guilty of a breach of ethics, or illegal operation, he may be reprimanded, fined, suspended, or expelled by the board of directors of the realtors. Such expulsion or suspension requires the dismissal of an associate from a realtor's office.

Hal Boyle Says:

NEW YORK (AP) — In a well-ordered universe there is supposed to be a place for everything, but here are a few things we could do without:

All credit cards that can be used by wives.

Public muggers and public huggers.

People who become angry if they are not thanked before it can be eaten.

Polka dot shorts for men. Also white fishnet for women that make most of them look as if they were wrapped in a tennis net.

Anything—except ice cream—that has to be thawed before it can be eaten.

The shop talk of suburban gardeners who aren't quite sure of the difference between peas and peonies.

Motels so grand that they make the Taj Mahal look like a shanty.

Garages that charge you more per day for parking than your second hand car is really worth.

Executives who wear wrist-watches that buzz after 10 minutes to warn you that you are taking up too much of their valuable time.

Secretaries who think that if their boss has three martinis at lunch they ought to have at least two.

Space races to the moon and to Mars.

All professional wrestling matches except those in which one of the masked participants is an actual gorilla, borrowed from the local zoo.

Guys who see how many wives of the other guys they can kiss in the kitchen during a cocktail party.

OUTDOOR SPORTS go on the rise, along with temperatures across the nation. Principal sport appears to be girl-watching, and demonstrating one technique is the young man on a Santa Monica beach.

'America Voice' Boss Resigns

WASHINGTON (AP) — John Chancellor anticipated today that his successor as director of the Voice of America will push ahead with the task of breathing new life into the government's overseas radio. "The renovation of the Voice cannot be done in the two years I've been there," Chancellor said in an interview. "Maybe it can be done by the next fellow." Chancellor's resignation from the \$24,500-a-year post to return to the National Broadcasting Co. as a national affairs correspondent was announced Monday. President Johnson has yet to name a successor, but John Charles Daly of the American Broadcasting Co. was reported on the inside track for the job. Daly's "What's My Line?" television panel show is going off the air next fall.

Branch Banking Measure Nixed

TALLAHASSEE (AP) — References to Gov. Claude Kirk and Ed Ball, head of the duPont interests, were made last night as a Senate subcommittee voted against a bill to allow branch banking in Florida. After a lengthy public hearing, the subcommittee voted 4-2 to send the bill back to the full committee with an unfavorable recommendation. It still will come up for a vote by the full Banking Committee when the group meets Friday. Senate chambers were crowded for the 2½-hour night hearing on the bill which would allow open branch banking in the state's 12 largest counties, bank mergers in the 22 counties between 200,000 and 100,000 population and no form of branch banking in the 34 smaller counties. Three of the main witnesses for the bill frankly said they were asked to come by the governor's office and one of Kirk's legislative aides, Fred Kent Jr. of Jacksonville, said the governor had requested the hearing. "We thought it would be well for them to find out what's in the bill before they kill it," Kent said.

**Red Cross News**

By CELE EASINGWOOD  
The Florida State Red Cross Conference will be held May 26 and 27 in the Jack Tar Harrison Hotel in Clearwater. The theme is "Fifty Years of Service in War and Peace." The session will open at 11 with a parade of uniformed volunteers from the Suncoast Chapters followed by the introduction of distinguished guests. Paul Moore, manager of the southeastern area, will be the speaker at the noon luncheon. The afternoon will be used for various service workshops and programs. These include: Service to Military Families, safety and disaster, public information and public relations. Each session will be instructed by outstanding Red Cross leaders in their field. General James F. Collins, president of the American National Red Cross, will be the guest of honor at a reception Friday evening, followed by a banquet with the General as the featured speaker. From 8:30 a.m. until midnight there will be an informal party for the Red Cross Youth group.

A "Fund Raising Breakfast" will be the opener for the Saturday session with Robert L. Harry, director of the ANSG as speaker. Highlighting the session will be the luncheon speaker, the Honorable Ferris Bryant, Director, Emergency Planning, United States Department of Commerce and former Governor of Florida.

Members of Central Florida Chapter who will leave for Clearwater on Friday are the Very Rev. Frances Campbell Gray, chairman of Volunteers of Central Florida Chapter, and Mrs. Gray; Mac Duval Tyne, Chapter president; Judy Woods, Director of Emergency Service; Richard Osterander, Vice President, North Division; Donald Senterfitt, Director of Community Service; Donald Northey, Chapter Manager; and Mrs. Northey; Mrs. Frances Hobson, Administration Assistant; Mrs. Jack Bowen, Case Work Supervisor; Mrs. Dora Shaker, Secretary, who will take three Red Cross Youth Workers with her; Mrs. Charles Zimmerman, Jr., Sanford Office Secretary and Mrs. Albert Easingwood, Staff Aid.

The welcoming address at a presentation of awards were part of the duties of Dean Gray when the Central Florida Chapter had its first annual Recognition day, May 21. This recognition was for service in number of years for Volunteers. Dean Gray described "Recognition" as a courteous way to say "thank you" to you who have given so much to others. The speaker for the session was State Senator William D. Gunter. Listening to his fluency of speech and his delightful humor one can understand why he was the only Democrat returned to office from his district. The Senator commended the worker and the volunteers in his inimitable way by comparing the group to a symphony saying, "no one is too old nor too young to do his or her part in the symphony of the Central Florida Red Cross Work and" he added, "we commend you for the gift you present and that gift is yourself. You work without compensation, you assume responsibility and is a significant contribution."

The social hour that followed was in charge of two Volunteers from Sanford, Mrs. Reida McCull and Mrs. Helen Peasgood. The tables were beautifully decorated. Red and white floral arrangements, silver candelabra with lighted tapers together with crystal punch bowls filled with luscious, refreshing punch and goodies arranged in colorful trays. The co-chairman and "Sanford proud."

Following the social hour the finale was the showing of a film narrated by Princess Grace Kelly of Monaco, "View from Geneva."

Recently Mrs. Ann Sackowski, volunteer, gave demonstrations in artificial respiration to the Girl Scout Troop in the Lutheran Church of the Redeemer, using the life like doll known as Resuscit Anne as a model.

Only man to hold the office of secretary of state and chief justice of the United States was John Marshall.

The Smart Place To Go... For Good Things To Eat

Highway 17-92, Longwood French Ave. & 25th Palmetto Ave. & 3rd St. 400 E. First St. Deltona

# Highlights

7:30-8:30 p.m. (CBS) Last In Space. (Color). (Rerun). Life in space is no bed of roses, especially when you're lost. Tonight the Jupiter 2 escapes from a hostile planet and, in evading a hyper-atomic missile, lands on another globe named The Robot. Will and Dr. Smith take turns exploring the area and each in turn is taken prisoner by a ragged alien soldier. The soldier is played by Wally Cox. Imagine being taken prisoner by Wally Cox?

7:30-8 p.m. (ABC) Batman. "The Joker is Wild." (Color). (Rerun). The horrible Clown Prince of Crime is back again, with his wild laugh and painted mouth. He lures our heroes through the Comedian's Hall of Fame and then, in a wild, socko scene, he tries to unmask them in the center of the Gotham City Opera Company stage. The Joker is magnificently played by Cesar Romero.

8:00 p.m. (CBS) Green Acres. (Color). (Rerun). Barbara Nichols and Jesse White are wonderful as a larcenous couple, and they really shock our fine upstanding lawyer Farmer Oliver and his pretty wife. After attending a farmers' convention, during which the four have a ball, Oliver finds out all the gifts his new friends have with them have been stolen.

8:10 p.m. (NBC) The Best On Record. (Color). Names, names, names! This program is loaded with them. The idea is to feature the songs and performances which won this year's Grammy Awards, and with each performance there is a Hollywood star or recording artist to make an introduction. Besides the lucky winning singers, choral groups, rock 'n' rollers, and country and western stars there will be a special award given to Ella Fitzgerald for her creative contributions to the music business. There will also be a clip of the Beatles singing their "Strawberry Fields Forever."

8:15-11 p.m. (ABC) The Wednesday Night Movie. "Mr. Hobbs Takes a Vacation." (Color). (Rerun). This comedy is about a wealthy banker and his large family who decide to take a seaside vacation and rent a large house, complete with faculty plumbing and grumpy servants. The parents, played by James Stewart and Maureen O'Hara, are determined to enjoy themselves, even if their children object to everything. The offspring include Fabian, Loretta, Michael Burns, Lill Gemmy and Natalie Trundy. A funny film.

8:30-10 p.m. (CBS) Gomer Pyle—USMC. (Color). (Rerun). Love's dainty tentacles give Gomer in a chair when he gets engaged to Alice.

## Top View

By CLARKE WILLIAMSON

WE agreed with readers who have complained that the networks end the yearly "season" too soon. Reruns are begun even before the start of daylight saving time. Our suggestion is to end the season around June 15th each year. We believe a majority of our readers would agree. Or are you viewers anxious to get outdoors in the evenings during April and May? We doubt it, especially because children are not yet out of school.

The "Smother Brothers" barely manage to nose out "Hollywood Palace" in its latest voting.

Smother Brothers, CBS, 55.6 per cent, good.

Hollywood Palace, ABC, 54.3 per cent, good.

Milton Berle, ABC, 29.7 per cent, poor.

Coliseum, CBS, 28.3 per cent, poor.

Our reader response is splendid. Please continue your weekly voting in this nationwide survey which will help to bring you better programs. Follow carefully the ballot box instructions.

## Readers' Letters

Dear TV: I think starting reruns so early in the spring is more proof that TV has become a business and no longer an entertainment for the viewers. —Anonymous, Rock Station, Fla.

Dear TV: Ask the networks to start reruns a month later in the season and they'll claim they lack money. The truth is they could change their advertisers more. —J. Durston, Georgetown, D. C.

Dear TV: In answer to E. P. Humphrey of California, Walt's show is one of the nicest and better shows TV has ever had. He has something for everyone. —C. E. Blackbird, Orange, Mass.

Dear TV: Get rid of that crummy "Lost In Space!" It's the most nauseating program on TV. I don't understand how it stays on the air. I just loathe that Dr. Smith! What trash! —Disgusted, Rockville, Conn.

Dear TV: We need more happy programs instead of war and shooting and sadism, as we have that in real life and don't need to see it on TV. —Mrs. Alice Stoker, Orlando, Fla.

## How would you rate these TV programs?

- Pyllis Diller (ABC) Friday.....
- Candid Camera (CBS) Sunday.....
- Pistols and Petticoats (CBS) Saturday.....
- Batman (ABC) Wed./Thurs.....

Place the numeral 1 alongside the program you consider best of the lot; then 2 for 2nd best; 3 for 3rd best; and 4 for 4th best.

Also, for the show you rated No. 1 (best), do you consider it (check one): One of TV's best? Good? Average? Poor?

Clip and mail promptly to TOP VIEW, P. O. Box 163, North Branford, Conn., 06471.

## Hobo Dance Set By Moose Lodge

A Hobo Dance is planned by Sanford Lodge 1351 of the Loyal Order of Moose at 9 p.m. Saturday at the Moose Home at 5610 Palmetto Ave.

Prizes will be awarded for the best dressed male and female "hobo".

Governor John Rumbley reminds all brothers and co-workers that "this promises to be one of the best fund-filled evenings held" and asks each member to bring a guest.

Entertainment chairman, Henry Klue, announces that John Rich and "The Country Playboys" will furnish the music for the evening.

## The Sanford Herald

Phone 322-2611 or 425-6938 Zip Code 32771

WEATHER: Wednesday 74-61 clear and warmer thru Friday.

VOL. 69 NO. 199 — AP Leased Wire — Established 1908 — THURSDAY, MAY 25, 1967 — SANFORD, FLORIDA — Price 10 Cents

### House OKs Port

TALLAHASSEE — (Sp) — Primary legislative measure supporting the Seminole County Port Authority hurried the House of Representatives with a 110-1 vote, it was reported today by Reps. Jan Fortune and E. Pope Bassett.

The bill — which was passed by the Senate calendar today — would permit the Seminole County Commission to allocate \$60,000 in race track tax funds to the Port Authority. This is required by Jono Fainberg, Sanford industrialist, as collateral for a \$200,000 loan to the Port Authority.

Port Authority already collects a half-mile in ad valorem tax, under a 1965 law, but is not permitted to pledge this money over a period of time. The \$60,000 would be returned by the Port to the County Commission from this tax, if necessary.

Fortune also reported the Senate approved a bill permitting the Port Authority to borrow money, already approved by the House, while the House approved a third Port bill permitting the Authority to hand over surplus funds to the county general fund.

Fortune said the Senate also approved two House-passed measures pertaining to certification of journeymen electricians and plumbers, while the House okayed a bill providing for a county medical examiner and for Sanford to amend its civil service laws.

### Bar 'Split' Over Alignment

Phillip H. Logan, president of the Seminole County Bar Association, denied today there is a split in the association over the proposed alignment of Seminole with Orange and Osceola Counties in the ninth judicial circuit and creation of a new 18th circuit for the remaining five counties in the area.

"We had advised the legislative delegation a majority of the bar would not object to the alignment, however, recently a resolution was adopted stating we do not favor the three county alignment," Logan stated.

Reasons given by Logan for the switch in the official position of the bar on the matter are that certain provisions providing an assistant state attorney, a resident circuit judge and other items are not included in the legislation which would split the circuit.

"House Bill 1558, the companion bill, provides for the splitting of the circuit and guarantees Seminole a resident circuit judge and state's attorney and further provides for a new judge for each 50,000 population of the circuit with the county having the largest number over 50,000 to get the second judge."

Senate Bills 833 and 836, identical to the house bills, are to be brought before the Senate judiciary committee today. Logan is expected to travel to Tallahassee for the hearings.

### SJC Hosts Chamber 'Coffee'

A preview of the master plan for the Seminole County College was a color slide presentation made by college president, Dr. Earl S. Weldon to members and guests of the Seminole County Chamber of Commerce Coffee Club this morning in the college library.

Dr. Weldon was host to the chamber for their regular monthly meeting. Members of the faculty and administration were on hand to help welcome the group for the 10 a.m. meeting, serving coffee, orange juice and doughnuts.

Charles Morrison, chamber publicity officer, was master of ceremonies. He introduced the honor guests, Seminole County Board of Commissioners and other visitors.

Welcome Wagon hostesses Kathy Tooke and Virginia Petroky were present with their welcome baskets of flowers and gifts.

Dr. Weldon expressed to the group his appreciation he and the college felt for the splendid co-operation received from the people of the area.

### Altamonte Ponders Developer Curbs

Adoption of a policy to require developers in the Town of Altamonte Springs to install sewerage lines and package plants for future developments in the town was given consideration by the Town Council Wednesday evening.

In a special meeting called to authorize advertisement for bids on the \$275,000 extension of the sewerage system, the city works out the problems of financing for a city sewerage system, gets it constructed and its operation was discussed.

A conference with council members, the mayor, engineer, attorney and local builders was set up for 7:30 p.m. next Wednesday.

In other business, council called a special meeting for 11 a.m. June 21, at the city hall for the purpose of receiving bids on the sewerage extension to the water system; Set date of equalization meeting for 7:30 p.m., July 21.

Authorized advertising for bids on the water extensions; Authorized the engineer to make a feasibility study on access to an existing sewerage system outside the city which is being considered for purchase; Announced new proposed subdivisions of the city of Altamonte, additions to Glen Ard Heights and Charter Oaks are not being considered for inclusion in the new proposed sewerage system.

### Robbers Loot Armored Truck

BRINGTON, Mass. (AP) — Robbers welding machine guns cleaned out a Brink's Inc. armored truck today and apparently took two guards as hostages, state police said.

The truck was found abandoned, with the motor running, just across the town line from Brockton.

Empty money bags were strewn on the ground but there was no sign of the truck crew.

There was no immediate information on the number of robbers or the amount of money stolen.

An Abington policeman, William Donaldson, discovered the abandoned truck in this town some 20 miles south of Boston. Road blocks were set up and a police search of nearby wood land was made.

### DR. MILWEE

Supl. of Schools R. T. Milwee submitted his resignation effective June 30 to the County School Board at a special meeting early this afternoon.

He has served as superintendent for close to 15 years.

Gov. Claude Kirk is expected to name a replacement to fill his unexpired term next week. The replacement would serve until the 1968 elections.

Milwee said he has accepted a job offer at Seminole Junior College as director of administrative affairs. This would be subject to School Board approval. Milwee's current salary is \$12,500 and although he declined to say what he would get at the college, he did report "it was considerably lower."

In his letter of resignation, Milwee hinted that federal involvement in school problems led to his decision.

Earlier he had told The Herald he planned to retire next year.

Although Milwee declined comment one apparent reason for the early resignation was the incident involving Engineer William Leffler last year. At that time, Leffler allegedly assaulted Milwee over an integration row.

In his letter of resignation, Milwee said: "Certain conditions, including those created by actions of the federal government as it becomes deeper and deeper involved in the field of education, actions which I cannot wholeheartedly agree but can do little about, takes away much of the pleasure and challenge of such a position."

"I feel the general interest of the school system as well as those of my family and me, will best be served at this time by my resignation."

"After serving in this office for more than 14 years, I assure you that this is not a hasty decision on my part, but it is one I have given consideration to over a period of months."

### DR. ROBERTS

Dr. W. V. Roberts, President of Seminole County Action last night, bitterly opposed any raise for staff members "until we can get a program going."

Dr. Roberts made the remarks after Executive Director E. D. Kirchhoff asked the Executive Board to consider a pay raise for Administrative Assistant Amos Jones.

Jones, on the job for six months, is currently making \$8,000 per year and asked the board to increase it to \$7,500 or \$8,000.

However, Vice President Robert Petree, pushing for a raise for Jones, asked the board to give Jones a \$500 raise effectively July 1 and increase it more after a study of the budget and comparison on what other administrative assistants in the state CAP program make.

Dr. Roberts, in opposing "any raises for anyone," emphasized that he felt Jones was "making a fine job but said, 'Now is just not the time to give raises. We have got to demonstrate to the public that we are doing some-"

### DR. BUTLER

Sanford Police Chief Ben Butler will take the stand tonight in the second Civil Service Board hearing regarding Lt. Joe Hickson's dismissal from the postman's office.

The hearing is scheduled to state at 7 p.m. Another witness that may be called tonight is City Manager W. E. Knowles.

Thus far 25 witnesses have been subpoenaed and the hearing is expected to continue for at least another week.

### DR. DANIEL

Raymond Daniel has been promoted to vice president and cashier of the National Bank of Melbourne and Trust Company effective July 1. C. Howard McNulty, president of Florida State Bank of Sanford has announced.

McNulty stated, "We are sorry to lose Daniel as he has done an outstanding job for our bank. The National Bank of Melbourne, however, is a nice promotion for him inasmuch as it is situated in one of the fastest growing areas in the state and is the largest bank in our McNulty First Florida Bancorporation."
