

Air Force Plan

(Continued From Page One)
The House approved the bill 16 to 1 a week ago. The House already has stamped its approval, 343 to 3, on a similar measure.

The bill contains funds for both the Air Force and the air arms of the Navy and Marines. The only dispute is over an \$822,000,000 item which Secretary of Defense Forrestal neither asked nor wanted.

Forrestal and President Truman originally asked Congress to vote an expansion of air, land and sea forces, a temporary draft and a separate Universal Military Training program.

The defense secretary then suggested it might be wise to begin contracting for some of the new aircraft this fiscal year, which ends July 1, by moving ahead part of next year's funds and authorizations.

House leaders grabbed this suggestion and ran away with it. Instead of the 55-group Air Force proposed by Forrestal, the House said there should be 70 groups including many new jet-driven fighters and long range bombers. It tacked on the \$822,000,000 extra to start work on those planes.

Some lawmakers said frankly they hoped quick action to build up the nation's air power might avoid an election-year vote on the touchy issues of drafting young men or putting them in UMT camps.

Forrestal, insisting there should be a "balanced" defense program rather than one pegged to "emotional" factors, offered a compromise 66-group plan with 11 additional groups to be equipped largely with World War II bombers and fighters now in storage.

Congressional critics called this a "mothball" defense force and pushed ahead with the more expensive plans for new fighters and bombers.

Neither a UMT nor draft bill has reached the Senate or House floor, although a House Committee approved a UMT plan last summer.

The Senate Armed Services Committee met again behind closed doors today to try to perfect its plan for combining the draft and a UMT-substitute. This involves one year of training in regular services for 18 years with a two-year draft for those 19 through 25.

New Bridge

(Continued From Page One)
located within one-half mile of a cemetery or church.

F. C. Fulbertson was granted permission to remove pine trees from a platted road adjacent to his lots on Lake Onora to permit access to Silver Lake. Robert Finnel of Lake Mary protested the closing of a road giving access to Island Lake Park. Commissioner J. F. McClelland was directed to contact Dr. Samuel Paleston to put cattle guards through fences to permit access to the lake. A number of road maintenance problems were taken up for consideration by the Commission.

The American mandrake is known as May apple, wild lemon, umbrella plant and, scientifically, as podophyllum.

Before World War II about 40 per cent of all U. S. exports went to the British Empire.

Housing Bill

(Continued From Page One)
Wolcott (R-Mich.) of the House Committee said he was "not interested" in the Senate's stopgap measure to revive the government's "title 6" home loan insurance program until June 30.

Approximately 3,000 persons listened to the President in the inter-departmental auditorium, a few blocks from the White House. His speech, made without notes, was broadcast.

Mr. Truman said "one of the worse things" in trying to solve problems affecting family life is that this is a presidential campaign year.

Saying a President can do only what he is authorized to do, he said:

"People talk about the powers of the President. Let me tell you something. A President may have a great many powers given to him under the Constitution.

"What those powers amount to is to bring people in and persuade them to do what they ought to do without persuasion."

That is the way the country functions, he said, and he thoroughly approves, but it makes the immediate solution of problems difficult.

Bailey's Race

(Continued From Page One)
railroad and utilities commission- Green 168874, and Mack 188089.

Developments elsewhere on the political scene today included:

Ohio—Final tabulation in the hot battle for 23 of Ohio's 53 Republican presidential delegates showed Senator Robert A. Taft capturing 14 to 9 for Harold E. Stassen. Taft, the state's favorite-son candidate, got the 30 other delegates without opposition making the total distribution—Taft 14, Stassen 9. Both candidates claimed a victory. In gubernatorial races, former Governor Frank J. Lausche held a nearly 3 to 1 edge over Ray T. Miller for the Democratic nomination. Lausche will oppose Republican Governor Thomas J. Herbert in November.

Twenty-three incumbent Congress members were renominated, four of them Democrats.

Alabama—The state's anti-Truman stand, reflected in early returns, was maintained in late totals from Tuesday's Democratic primary. Leaders among 28 candidates for 11 presidential elector posts are all pledged against voting for President Truman or any other candidate pushing a civil rights program. There was lesser success for a proposal to have Alabama's 26-man delegation to the Democratic National Convention walk out if civil rights is made a part of the party's platform. Leaders among candidates for the delegation were divided between those opposing and favoring such a walkout. Seven of nine U. S. Representatives were defeated. Two apparently were renominated. U. S. Senator John J. Sparkman outstripped four opponents for the Democratic senatorial nomination.

May Coronation

(Continued From Page One)
will lead the grand march, immediately following the entertainment. An orchestra sponsored here by the Sanford Kiwanis Club will play for the march and dance.

At intermission, a party in honor of Peggy Pippin, member of the Senior Class will be given at the home of her aunt and uncle, Mr. and Mrs. Roy Britt at their home at 314 Catalina Drive.

Miss Whittle reported that students were pleased with the record made by the Glee Club at the Musical Festival at Tampa, Monday and Tuesday. The Boys Glee club of 40 voices received first division rating, the mixed chorus, second division rating, and Fred Siegrist, tenor soloist, second division rating. The trip was made by 87 students and sang under direction of Miss Whittle.

Competition among the 2700 boys and girls from high schools in Florida was quite keen, according to Miss Whittle, who expressed pride that her groups attained high rating. Ratings, she explained, varied from a high one to a low five. Daytona Beach mainland, and Clearwater High Schools were also in the first division, she pointed out.

Chaperons who took the trip with the 87 students in the two school buses made available by the School Board, reported that their charges were very well behaved. Boys were quartered at the DeSoto Hotel and girls at the Hillsborough.

Chaperons included Mr. and Mrs. R. F. Cooper, Mrs. Joe Corley, Miss Whittle, Mrs. H. W. Rucker, Mrs. R. R. Pippin, Miss Rebecca Stevens and Miss Saldee Williams. Bus drivers were Roy Muse and Robert Howell.

The choral work, including the final massed chorus, was finer than ever, said Miss Whittle, and she quoted Paul Matthews, a musical authority from Birmingham, Ala., as stating that he had never heard finer choral work.

A-Plant Strike

(Continued From Page One)
some solution can be found before the injunction dies because any work stoppage would be "very serious and vital."

The joint committee will meet daily for several days to receive detailed reports from the AEC on its atomic program. Tomorrow the committee will be told what the AEC is doing in its chemical and physical processes.

Next week the AEC will give the committee a full report on the super-secret atomic experiment held recently on the little Pacific atoll of Eniwetok, Hickel-cooper said.

The Senator indicated the AEC has an extensive construction program "on the drawing board." This will mean, he said, new building and expansion of plants already making atom bombs. He declined to say how extensive this construction program might be.

future."

"I have information that if we can secure the consent of Senator George to be the nominee, Florida will very likely join his ticket, as well as Alabama, Arkansas, Georgia and very likely Texas."

"I am sure Mississippi will because, unless I miss my guess, Mississippi will go along with any good Democrat except Truman

Palestine Plan

(Continued From Page One)
mandated that the U.N. place Jerusalem under temporary trusteeship despite Jewish and Arab opposition.

Parodi said he could not accept the point of view that the U.N. limit its action to questions on which the Arabs and Jews agree.

Parodi proposed that the assembly appoint a special delegate to Jerusalem to insure observance of the cease-fire order in the walled part of the city, to control the municipal administration,

or someone holding similar views as Truman. Mississippi's electoral votes will not go to any man who does not unqualifiedly endorse states rights."

to insure the safety of the Holy places, and to organize the necessary police force.

Tsarapkin said the trusteeship council had proved unable to cope with the task entrusted to it by the assembly. He said Russia favored appointment of a responsible person to take over in Jerusalem, but could not agree to the recommendation that the commissioner be named by Britain.

One of the sharpest attacks on the trusteeship council's recommendations was made by Sir Carl Berendsen of New Zealand, vice-president of the council.

He said the proposed commissioner would be a straw man subject to the whims of Arabs and Jews and would not even have power to see that garbage was removed.

Almost every speaker in the forenoon session stressed the fact that the U.N. had only nine days to act before the British mandate ends.

A Security Council meeting scheduled for this afternoon at Lake Success on Palestine and other questions was postponed.

MANY THANKS

I wish to thank my many loyal friends who gave me such fine support in Tuesday's election.

During the next three weeks before the run-off primary I will continue to base my candidacy upon efficient and rigid law enforcement and will solicit the support of all law-abiding citizens in Sanford and Seminole County.

P. A. MERO

My Grateful Thanks To All My Friends and Supporters Who Cast Their Ballot For Me Last Tuesday— I Pledge That during the tenure of my office I will always strive to be efficient and courteous and to keep the records of supervisor of registration in such a manner as to reflect credit on the confidence placed in me. Lourine A. Beal Pd. Pol. Adv.

My Sincere Thanks to The voters of District Three who elected me as their County Commissioner In Tuesday's Primary. I will always strive to merit the confidence placed in me by giving my district and County an efficient, Economical and Progressive Administration. H. B. Pope Pd. Pol. Adv.

Unity There Is Strength—
To Protect the Peace of the World;
To Promote the Progress of America;
To Produce Prosperity for Sanford.

Neutral Mayor For Jerusalem Unfound Says Bevin To U.N.

Secretary Asks Council To Talk With Arabs, Jews On Man Acceptable To Both

JERUSALEM, May 7.—Arab League leaders agreed today on a Jerusalem truce, effective at noon tomorrow, if the Jews will cease firing, an official statement announced.

LAKE SUCCESS, May 7.—Britain informed the United Nations today she has been unable to find a neutral man, acceptable to Arabs and Jews, to serve as mayor of Jerusalem.

Foreign Secretary Bevin asked the U.N. to get together with Jews and Arabs here and try to find a suitable man for the job.

Informed sources said Bevin's report was delayed to Secretary-General Trygve Lie through the British delegation.

The British report threw a wrench in the General Assembly's decision yesterday to approve British appointment of a neutral to take over the municipal administration of the Holy City after May 15.

Bevin was said to have suggested that the presidents of the U. N. special Palestine Assembly, Security Council and Trusteeship Council go into immediate conference with Jews and Arabs in efforts to agree on a nominee.

A spokesman for the Arab Higher Committee, informed of the British action, said the Arabs would not accept any U. N. appointment. He said such a move would be a first step toward carrying out the U. N. assembly's 1947 decision to partition Palestine.

Unless the majority plan now can be salvaged, today's development wiped out the only affirmative action taken by the assembly since it went into session April 16 in efforts to cope with the Holy Land crisis.

An American delegation spokesman commented: "This is an example of the lack of control by the British with the United Nations." He said the British had no right to do this.

County Commission Takes Step Toward Limited Zone Laws

The County Commission yesterday afternoon took the first step toward the establishment of a limited zoning law designed to control construction of houses and buildings on main highways and in subdivisions adjacent to Seminole County.

After hearing Raymond Ball, president of the Sanford Board of Realtors, and Fred Bender, realtor, advocate such a law as approved by the realtors at a meeting Friday, Commission Chairman H. B. Pope suggested that a five man zoning committee for the county be named.

He told Mr. Ball however that before the Commission took further action on the matter it would like to have him and the realtors contact officials of neighboring counties such as Lake county, which has approved a county zoning law, to find out what course was taken on the zoning, and report back to the Commission on this.

Mr. Ball pointed out to the Commission that Seminole County has the authority to put such a law into effect for limited zoning, due to legislative approval last May of the bill introduced for this purpose by Senator L. F. Boyle and applying to Seminole County only.

The law authorizes the Board of County Commissioners to adopt zoning regulations and a building code governing the use of property outside city limits and construction of buildings.

Mr. Ball pointed out that the approval of the Board of Realtors for the zoning, not only included Sanford realtors but representatives throughout the county. The meeting of the realtors was at the City Hall, Friday.

Setting of insurance schedules for county property and buildings was discussed by H. J. Gut and the commissioners.

RISING FLOOD
WINNIPEG, Man., May 7.—Rising flood waters cracked the Assiniboine River dam at nearby Brandon yesterday, washed out two bridges and left more than 900 persons homeless.

Hundreds of additional families in the city's northern section were isolated by the turbulent waters when the bridges went out.

5 Czechs Flee To U. S. German Zone In Forced Flight

Passengers Say Reds Are Forcing Them To Join The Party

ERDING, Germany, May 7.—Five Czechs said today they fled their homeland in an airplane, forcing the pilot at pistol point to land them in Germany. Two of the refugees are young women.

As they told their story, Yui Benes, Czech vice consul in Munich, disclosed that a Czech training plane crashlanded Wednesday on a highway near Ingolstadt. It was piloted by another man fleeing his country. In all, three Czech planes have landed in the U. S. zone of Germany with refugees since the Communist coup in February.

The airliner passengers said they fled Czechoslovakia Wednesday because they were being compelled to join the Communist Party or lose their jobs. The leader was a former Czech air force pilot. He said he was ready to take over the controls if the pilot had refused to change his course. All asked that their identities be kept secret.

One of the girls, a brown eyed Czech of 25, said she held her small pearl handled revolver to the pilot's head and told him: "If you don't go where we say, I will shoot."

The leader said the food situation is becoming critical in Czechoslovakia. He said the Communists have imposed a "complete police state which considers to take over the party an enemy."

"You don't see Russians in the street, but you feel them," he said.

The refugees told U.S. investigators this was their third attempt to escape.

The time the takeoff was delayed two hours, but we finally got away," the leader recalled. "After 20 minutes in the air we forced the pilot to fly through the Russian zone of Austria to the Danube River and then toward Munich."

The plane was scheduled to fly from Brno to Sudejovice. The pilot and radio operator kept aloof from their passengers and asked U.S. officials to return them to Czechoslovakia as soon as possible.

Panama Vote Swings To Liberal Party

PANAMA, Panama May 7.—Latest returns from last Sunday's municipal election showed a strong swing toward the opposition today as Panama prepared for next Sunday's presidential election—first in eight years.

The count thus far showed the combined opposition polled more than 65,000 out of 70,000 votes. The administration's liberal party, however, led in the individual vote.

Official, but incomplete returns were: The Liberal Party, supporting Domingo D. Aracena for president, 34,639 votes. The authentic Revolutionary Party, supporting former President Arnulfo Arias, 32,820.

The National Revolutionary Party and the Renovation Party supporting Jose Isaac Fabrega, 32,418. Independent Party: 7,468.

ROTARY SPEAKER Judge W. S. Criswell, Judge of the juvenile court at Jacksonville, will address the Sanford Rotary Club Monday on the subject of juvenile delinquency. A. C. Stine, program chairman, announced today.

SPECIAL PRIMARY JACKSONVILLE, May 7.—The State Democratic Executive Committee today called a special primary for May 25 to nominate a successor to Supreme Court Justice Rivers H. Buford who retired.

It also called a special primary for the same date to nominate a successor to circuit Judge T. Frank Hobson in the Pasco-Pinalas county sixth circuit. Judge Hobson was nominated for a new term without opposition, but resigned the nomination after he received a temporary appointment. They were married at Glendale, Calif., Jan. 26, 1940.

TVA's Plan To Build \$54,000,000 Plant Is Barred By House Group

WASHINGTON, May 7.—The Tennessee Valley Authority's plan to build a new \$54,000,000 steam electric plant was turned down today by the House Appropriations Committee.

The agency sought \$4,000,000 in the year beginning July 1 to start the plant as part of a proposed power expansion program to cost \$84,000,000 and be completed in 1953.

Included would be two additional generating units at Wheeler Dam, four other units at dams, and transmission lines.

Chairman Gordon R. Clapp said in testimony made public today that \$13,000,000 of the \$84,000,000 requested should come from revenues and the remainder was wanted in appropriations from the federal treasury.

The Republican-dominated subcommittee headed by Rep. Phoebe R. Coker (R-Mo) gave the TVA officials a tough going over during their appearance.

Rep. Cleveland (R-Iowa) and Coudert (R-N.Y.) joined Phoebe in critical questioning of various TVA activities and plans.

Rep. Gore (D-Tenn.), a subcommittee member, defended the proposed steam plant and the attitude of the TVA directors toward reporting to the treasury the government's investment in the agency's power system.

The Republicans especially criticized the proposed steam plant and the attitude of the TVA directors toward reporting to the treasury the government's investment in the agency's power system.

Congress voted last year to re-continued on Page Seven

Cooper Talks On Anti Truman Solon State Law Change Hits At Requests For Demo Support

Says Constitution Is Hard Subject To Discuss With Public

The people of Florida should take more interest in laying the State Constitution revised, Dick Cooper of Deland, recent candidate for governor, told members of the Sanford Lions Club today at the Tourist Center. He was accompanied to the meeting by a fellow Lion of the Deland club, Gordon Kipp.

"In the past 14 days," commented "Lion" Cooper, "I have made 71 talks." He declared that six months ago he had decided to write a proposed revision of the State Constitution. In his campaign for governor, he revealed that it was a hard subject upon which to contact the average voter, yet the Constitution determines the taxes he pays and his homestead exemption.

"Getting the idea of constitutional revision across is like selling a pail of salt water to a sailor," he asserted.

He pointed out that the state constitution, written in 1885, had been amended 85 times, and said that under it, if Deland county wanted to consolidate city and county offices, disinterested citizens elsewhere as in Escambia county, have to vote on the question.

"The Florida Bar Association," he declared, "is doing a fine job of revising the Constitution and spending much time and money. However, it is a lawyer's constitution, and each one of us as citizens should determine what goes into it."

"Perhaps our leaders have failed to bring government close enough to the people," he said.

Foreign War Veterans To Meet On Monday
Veterans of Foreign Wars Post 2222 will hold a luncheon chicken dinner at the America Legion Hut on the Lakeshore Drive on Monday night at 7:00 o'clock. John Galloway, comm. adj. elect, today urged all members to be present, and to secure tickets immediately, so that the number to prepare for will be known.

The chairman for the committee to prepare the food is George Steele. The meeting will be the occasion of the installation of the officers for 1948, who were recently elected.

Tickets for the dinner may be secured from Roy Wright, Jack Gordy or F. D. Scott.

JANE REES
LOS ANGELES, May 7.—Jane Wyman has finally made up her mind about Ronald Reagan and her decision is divorce.

WAR DEAD
OAKLAND, Calif., May 7.—The Army Transport Cardinal sank yesterday charging Reagan, 56, with extreme mental cruelty. She asked custody of their two children, Maureen, seven, and Michael, three, and \$600 monthly support.

Churchill Asks Formation Of European Pact

Tells 22 Nation Forum To Plead With Their Leaders To Create New Europe

THE HAGUE, The Netherlands, May 7.—Winston Churchill urged today immediate formation of a European assembly as the first step toward a Council of Europe free of the jealousies and rivalries of the past.

Churchill asked members of a 22-nation forum to plead with their governments to "create a new Europe" whose united voice can be continuously heard.

The new Council of Europe should be a subordinate but necessary part of the world organization, Churchill said. The world organization of the future, he added, should have three "autonomous but subordinate" regional councils:

1. The Soviet Union.
2. The Council of Europe, including Great Britain, joined with the empire and Commonwealth.
3. The Western Hemisphere.

Churchill's waiting list said that the West is gripped and paralyzed by the attitude of the Soviet Union, "without whose active aid the world organization cannot function, nor the shadow of war be lifted from the hearts and minds of men and nations."

The resolution is before the meeting today. "European deliberative assembly through which views could be exchanged and a common European opinion expressed on problems of the day."

The meeting also is asked to create an emergency council to direct joint action for economic recovery and military defense to "preserve Democratic freedom."

Churchill is honorary chairman of the meeting. "I am pleased to see that we seek nothing less than all Europe," Churchill declared. "Disfranchised exiles from Czechoslovakia."

Senate Group OK's Naming Larson As WAA Administrator
WASHINGTON, May 7.—The Senate Expedient Committee today gave unanimous approval to the nomination of Jesse Larson of Oklahoma to be war assets administrator.

The committee also recommended without dissent that the Senate confirm Paul L. Mather, retired rear admiral, to be associate WAA administrator.

Senator Tydings (D-Md) had asked the committee to disapprove confirmation of Larson. Tydings contended Larson was not qualified for the job because of the way WAA handled the sale of a surplus war plant (Kalamazoo, Mich.) at Salt Lake City, Utah.

"The unanimous vote would indicate that the committee," Tydings did not make his case as strong as he thought. Chairman Aiken (R-Vt) told reporters.

Larson was nominated by President Truman last Fall. He has been serving under a recess appointment.

Committee action was deferred because Tydings, not a member of the group, had been ill.

Jin Folsom And Bride Go To Panama City

MONTGOMERY, May 7.—Governor James E. Folsom and his "beachhead sweetheart" bride, married Wednesday will leave today for a weekend in Panama City, Fla.

The bridegroom of two days said it won't be a real honeymoon—just a short trip.

Folsom and the former Jamelle Moore, a pretty 21-year-old brunette, were married Wednesday afternoon in Rockford, Ala.

Mrs. Folsom was a receptionist at the state highway directors' office at the time of the wedding. Folsom met her two years ago while campaigning for governor in her home town, Berry, Ala.

The brown-eyed first lady had indicated they might take Folsom's two children—Melissa, 6, and Rachel, 8—with them, but the girls won't be along. They went to Cullman, their father's home town, yesterday with their aunt, Mrs. Ruby Ellis. The 38-year-old executive's first wife died in 1944.

FEC HEARING
JACKSONVILLE, May 7.—Six matters pertaining to the re-organization of the Florida East Coast Railway have been set down for hearing in federal court here before Judge Louis W. Strum on May 17.

One is a petition by the receivers, Scott M. Loftin and John W. Martin, to spend \$680,000 for additional and betterments to the railway.

Conference To Avert Rail Strike Breaks Up With No Progress

U. N. Told Atomic Control Futile Without Red Aid

Western Powers Ask Delay Till Soviet Attitude Changes

LAKE SUCCESS, May 7.—The Western powers told the United Nations today atomic energy control is impossible unless Russia decides to cooperate openly with the rest of the world.

The United States, France and Britain proposed to the U.N. Atomic Energy Commission that the U.N. abandon attempts to set up world atomic controls until Russia changes her present attitude.

The three powers presented their opinions in the form of a report to the Security Council which they urged the commission to approve. If it is approved, the commission will be the first major U.N. organization to acknowledge failure.

The blame for the failure to write an atomic pact was laid by the three powers, chiefly upon Russia.

The move indicated a fight in the regular assembly in Paris next Fall over atomic control. If the pact is not approved by a Soviet veto in the Security Council, it was reported the United States would carry it to the floor of the assembly with a demand for full debate.

Atomic Energy Commission reports that it has reached an "impasse" with the three powers.

2 European Nations Qualify To Receive Marshall Plan Aid

WASHINGTON, May 7.—Sweden and Luxembourg today qualified for Marshall Plan aid, and shipments exceeding \$4,000,000 were approved to four other countries—Denmark, Austria, Greece and the Netherlands.

Twelve of the 16 European Marshall Plan countries now have "letters of intent" pledging full participation in the mutual aid effort. They are needed to qualify. China also has qualified to start receiving her share of recovery goods.

Still to be received are letters from Portugal, Switzerland, France and Greece, although Greece is receiving emergency aid pending her filing. Western Germany also will be represented by a letter. Details of help for Germany to be worked out between the European Cooperation Administration and occupation authorities.

The allocations approved by WAA Administrator Paul G. Hoffman today bring to \$110,629,337 the total aid authorized for under the \$5,200,000,000 European Program. The figure does not include ocean transport costs estimated at \$5,951,000.

ATOMIC INJURIES
CHICAGO, May 7.—Sixteen physicians today completed the first medical course in the nation designed to teach them how to prevent and treat atomic radiation injury.

The students were physicians representing the Army, Army Air Force and U. S. Public Health Service. The six months course was given at the University of Chicago's Institute of Radiobiology and Biophysics.

The physicians who took the course will organize their own courses for other doctors.

COLORED VETS
Charles Young Post, No. 207, American Legion, will hold its regular meeting Sunday at 1:00 P. M. at K of P Hall West Thirtieth Street. Business of importance to veterans will be discussed. L. R. Eubanks, commander, announced today.

FORGET ME NOT DRIVE HELPS DISABLED VETS
The annual "Forget Me Not" drive sponsored by the Seminole County Chapter of the Disabled Veterans was the most successful ever sponsored by the local organization, it was announced today by Comd. James Young.

Comd. Young said that he wished to thank the people of Sanford and Seminole County for generously cooperating in the drive. The funds derived from the sale of the flowers will be used to benefit needy disabled veterans and their families in Seminole County, he said.

These caring for the table on Tuesday included Robert How-Hill, Lynn Tymann, John Kader, Bill Collier, Gaylord Muffley and Comd. Young.

Warren of Jacksonville will open the second phase of his campaign tonight at 8 o'clock at a rally in Courthouse Square in Gainesville. It was announced by Frank S. Wright, state campaign manager.

Warren's itinerary for Saturday will cover 11 counties, including a speech in each of them. It follows:

Starke, 9 A. M.; Lake Butler, 9:45; Lake City, 10:30; Leno, 11:15; Madison, noon; Monticello, 1:30 P. M.; Perry, 2:45; Mayo, 3:45; Trenton 5:15; Williston, 6, and Ocala, 8.

Warren left for Gainesville this afternoon, following a statewide conference of his supporters at the Hotel Roosevelt, beginning at 1:30.

(Continued on Page 2)

Black Says No ACL Trains Will Strike If Unions Strike

Midnight tonight will mark the deadline for shipments of freight, vegetables, and fruits included, over the Atlantic Coast Line Railroad. W. M. Black, division superintendent, announced this morning is the railroad strike looms at 6:00 A. M. next Tuesday throughout the country.

The Seaboard Air Line is also reported to be putting an embargo on it midnight tonight and the Florida East Coast Railroad put it into effect last night.

Shippers of vegetables and fruits from Florida today had cars leave for the east coast and Baltimore area, according to Miss Mell Whitner of the J. C. Hutchinson Company, who reported that this was possible since the hookup into the Pennsylvania system from the ACL and SAL via the Richmond, Fredericksburg and Potomac and between Richmond and Baltimore would not be closed by embargo according to the latest advice from the railroad.

The Baltimore and Ohio Railroad is planning an embargo at 12:01 Sunday morning. Today was too late for the ACL and SAL to route produce westward to the Central of Georgia, L and N or Canal and WC systems. The ACL will take billing up to 11:59 P. M. tonight for movement over routes still not embargoed.

If the strike goes into effect on the morning of May 11, no trains will move on the ACL system, said Supt. Black, this morning. Except for the superintendent, train master, chief dispatcher and freight tender, no one will be on duty, he revealed.

If the strike should continue for even a few days, Miss Whitner pointed out, growers of vegetables and fruits throughout this section and the state of Florida are liable to lose many thousands of dollars as acres of celery and other vegetable crops over-ripe and rot in the fields.

There are not enough trucks to go around to deliver Florida's fruits and vegetables for the purpose will probably go to the highest bidder for the shipping service.

McCarty, Warren Open Campaigns For 2nd Primary
JACKSONVILLE, May 7.—Luther Warren increased his endorsement lead to 16,477 over Dan McCarty today in returns from 114 precincts of 1547 following Tuesday's primary and Tom Hales had a 5,640 majority in 1389 precincts over his two opponents for superintendent of public instruction.

JACKSONVILLE, May 7.—Opening a three-week intensive campaign for the May 25 runoff primary, Dan McCarty will speak at a mass meeting in Orlando tonight at 8 p. m.

Delegations are expected from all nearby communities, with special delegations arriving from Ocala, Lake, Seminole and Polk Counties to hear the candidate for the Governorship.

Judge Wilbur Tilden will introduce McCarty, while outstanding civic and business leaders will be on the platform with the candidate.

Fuller Warren of Jacksonville will open the second phase of his campaign tonight at 8 o'clock at a rally in Courthouse Square in Gainesville. It was announced by Frank S. Wright, state campaign manager.

Warren's itinerary for Saturday will cover 11 counties, including a speech in each of them. It follows:

Starke, 9 A. M.; Lake Butler, 9:45; Lake City, 10:30; Leno, 11:15; Madison, noon; Monticello, 1:30 P. M.; Perry, 2:45; Mayo, 3:45; Trenton 5:15; Williston, 6, and Ocala, 8.

Warren left for Gainesville this afternoon, following a statewide conference of his supporters at the Hotel Roosevelt, beginning at 1:30.

FULLER WARREN MEETING
All friends of Fuller Warren, Florida's leading candidate in the race for governor, are invited to attend a meeting to be held in the Tourist Center at 8:00 o'clock tomorrow night. It was announced today by Dr. L. T. Doss, campaign manager in Seminole County for Mr. Warren.

FRIDAY, MAY 7, 1948

BIBLE VERSE TODAY

IT TAKES AN UNDERSTANDING HEART TO MAKE SUCH A PRAYER. IT IS CERTAIN TO BE ANSWERED. Kings 3:9: Give thy servant an understanding heart.

In the excitement of the moment, did you notice that Dan McCarty's wife gave birth to a baby girl on election day? A more fitting omen could hardly be found.

The name of Wilkie is back in the headlines. Philip Wilkie, the late Wendell's son, started his political career with a victory in Indiana the other day. He was running for a seat in the state house of representatives.

To all those who worked so loyally for other candidates for governor The Herald extends a cordial invitation to continue their labors for good government by joining the forces of Dan McCarty and help give Florida the type of administration that will make it grow and prosper.

"Alabama's choice of Anti-Truman electors suggests that the revolt of the Southern States may be more purposeful than expected," writes a Washington correspondent. More purposeful than expected where? It comes as something of a shock to people who know nothing whatsoever about easy-going Southerners to learn that there is a point beyond which they cannot be pushed around.

Latest reports indicate that Fuller Warren is leading Dan McCarty by about 15,000 votes. The recent increase has been due largely to the small West Florida counties where the count has been extremely slow and Warren seems to have surprisingly strong support. The best thing Dan can do during the next few weeks is to spend more time west of the Suwannee, leave South Florida to his friends.

Stassen's head may be bloodied but it is still unbowed after Tuesday's encounter with Senator Taft in the latter's home state of Ohio. These Taft won 14 delegates to the Republican convention, but Stassen got 9, and that's doing pretty well in a state the Tafts have called home for several generations and where the political going has been easy for them for almost as long. Throughout the country Stassen is still the most popular candidate for president.

Mississippi Tennessee Williams' "A Streetcar Named Desire" has won the Pulitzer prize for the best original American play of the year. Other Southerners honored include Virginia Dabney of the Richmond, Va. Times-Dispatch for distinguished editorial writing, and George E. Goodwin, Atlanta Journal reporter who exposed vote frauds in Telfair county. We are also pleased to note that our favorite newspaper, the New York Herald Tribune, won the award for the best example of reporting on national affairs.

You have no idea what a strange feeling it gives a fellow who is buried under an avalanche of figures on election results from all over the entire state when the telephone rings and you expect to get the returns from some slow counting precinct that is holding you up, only to hear some sweet voiced lady on the other end of the wire wanting to know why her daughter's picture didn't get in the paper. It's almost as if she came from another world where people get married and do things like that and where some importance is attached to whether the event is given proper publicity. If we appear a bit vague at times like that after being up all night and still having a paper to get out, we apologize.

Voting Machines

We would like to echo the sentiments expressed Thursday morning in the Orlando Sentinel to the effect that the entire state of Florida should be equipped with voting machines so as to eliminate any possibility of election frauds and of slow returns which proved so annoying Tuesday night and which are still leaving in doubt the outcome of a number of important contests.

"Florida is out of the diaper class now," says the Sentinel. "Our state is coming into young manhood and should be given the tools with which to work out its destiny rapidly, honestly and surely. Voting machines will help in a sure that the man you vote for gets credit for your support. The slow count is a dangerous count for Democracy and honesty."

What was good enough for our fathers is good enough for us, we have no doubt some of the mossbacks will cry. Either they stand to gain from the present uncertain method of counting votes, or they forget that Florida has increased in population by a million or two since their fathers counted votes, and so has the length of the ballot. In Seminole County there are twice as many voters as there were twenty years ago.

Tired election clerks struggled with their count through the long dreary night, four verticle lines and a cross, four verticle lines and a cross, 64 votes for Brown, 58 votes for Smith, and so on into the wee small hours of the morning until every one was so exhausted that few knew or cared what they were doing. Not until around 7:00 o'clock in the morning did some of the precincts finish.

Only then could the various precinct totals be added together, and that had to be done by the Herald and its small organization. This tabulation, of course, was unofficial, but it was the only one that could be had on Wednesday. The official tabulation was not even started until today. And if it had not been for the work done by the Herald, no one would have known anything about who won anything in the county races for several days.

That there is a great deal of public interest in early information on these election returns is well known to everyone who has ever been at a precinct polling place or worked in a newspaper office on election night. The telephone starts ringing in less than an hour after the polls close and it keeps ringing on through the night from people who want to know how their favorite candidate has fared.

In Hillsborough county where nearly 40,000 people voted last Tuesday, complete, final, and official reports were made on every race by ten or eleven o'clock. In Sanford we did not even have the count from Langwood and Monroe, with only a few hundred votes apiece, by noon of the next day.

Do we need voting machines in Seminole County. We'll say we do.

Young Drivers

Underwriters of automobile liability insurance are introducing premium schedules which assign higher rates to coverage of vehicles which are driven by persons under 25 years old.

The new schedule is an effort to place a more nearly proportionate share of the cost of insuring vehicles on the drivers who are most frequently involved in damage claims, say the underwriters. Although less than 20 per cent of all drivers are under 25, those in that age group figured in more than 25 per cent of the accidents in 1946 resulting in death or injury.

The scheme appears prudent from the actuarial point of view. If it is established that young drivers are involved in more than their share of accidents, something also should be done to direct accident prevention efforts toward that group of drivers. Perhaps one of the things which should be done is expansion and betterment of the public school driver training program, under which high school students may take driving lessons as part of their regular school work. Perhaps there is too much tendency to turn a car over to the young driver as soon as the mechanical functions of driving have been learned.

At any rate, there are too many accidents.

Twenty Years Ago Today

An exceptionally delightful social affair of the past week was the boating and picnic party given Thursday evening by Mr. and Mrs. F. E. Roumillat aboard their new yacht honoring the members of the Choir of All Souls Church.

The jolly party left early in the afternoon and enjoyed a cruise up the St. John's river and at dusk anchored and enjoyed dancing and cards before the bountiful picnic supper with hot coffee was served.

In the party were Mr. and Mrs. Paul Fuzold, Mrs. Halter, Mike Halter, Mrs. B. E. Takach, Mrs. A. E. Mallem, Mrs. George F. L. L. L., Mrs. Noone, Mrs. S. E. Berner, Mrs. Charles Minell, Mrs. June Roumillat, Miss Naomi F. L. L., Miss Madeline Mallem, Miss Margaret Berner, Miss Alice Creamer, Miss Ruth Fallowa, Miss Ira B. Wathan, Miss Leona Halter, Hugh Tillis and Mr. and Mrs. Roumillat.

Miss Ruth Mettinger of Washington, D. C., arrived here Sunday and the guest of her sister, Mrs. Walter L. Morgan at her home in Fort Mellon.

Mr. and Mrs. Robert J. Holly, Jr., and baby of Kustis spent the day here Sunday as the guests of Mr. and Mrs. R. J. Holly.

R. J. Holly, Sr., leaves Tuesday for Washington, D. C., where he will spend a short time on business.

M. S. Wiggins, Floyd Palmer, A. B. Wallace and Mrs. Rex Parkard returned home Sunday evening from Miami where they spent the week-end and attended the ball games.

Mr. and Mrs. W. A. Leffer and children spent the week-end at Sarasota.

Mrs. C. K. Felot and Mrs. W. S. Jordan returned to their homes at Jacksonville, Saturday afternoon.

Margaret C. Gwaltney formerly with C. L. Perry in Winter Park Mother Furnishers Store

Quillman, Mrs. Kircher To Attend TB Meet

Dr. Frank Quillman, director of the Seminole County Health Unit, and Mrs. Edward Kircher are representing the Seminole County Tuberculosis and Health Association at the annual two day meeting of the Florida Tuberculosis and Health Association in Jacksonville, which started yesterday. Dr. Quillman is a director of the state group and Mrs. Kircher is secretary of the local association. Meeting concurrently with the Association are the Florida branch of the American Trudeau Society and the Florida Conference of Tuberculosis secretaries. The State-wide negro committee on Tuberculosis is also holding its session. The latest reports on streptomycin, BCG and new methods of the treatment of tuberculosis are being featured at the meeting.

The INSIDE STORY

Personals

Mrs. Nett Emperson left today for Milwaukee, Wis. after spending the winter months in Sanford with her sister, Mrs. Cassandra Schultz.

Mr. and Mrs. Wurt W. Warner plan to leave over the weekend for Lake Shore Park Hotel in Ashabuda, O. to spend the summer.

Mrs. L. H. Harvey left yesterday for Jacksonville where she will undergo medical treatment under the supervision of Dr. Richardson.

Mr. and Mrs. E. Compton plan to leave tomorrow for Wausau, Wis. where they will spend several weeks before going to Prince Albert, Canada, for the summer.

Mrs. W. H. Beitz left today for Staten Island, N. Y. where she will visit her daughter and son-in-law, Mr. and Mrs. E. G. Hughes, after spending several months in Sanford.

Friends will be glad to learn that Meade Fox has returned to Sanford after undergoing a major operation at Tenale University Hospital in Philadelphia, Pa. He was accompanied to Philadelphia by his sister, Miss Martha Fox.

Miss Lucille Altman is spending a few days in Gainesville at the Spring Frolic weekend. Miss Betty To Brock of Florida State University in Tallahassee also plans to spend the weekend in Gainesville for the festivities.

Returning over the weekend from a week's fishing trip at Dry Tortugas will be Dr. H. W. Rucker, F. H. Brown, W. H. Ellerbe, E. C. Harper, Gordon Brissom, C. C. Welsh, S. C. Graham, Edmund Melsch, Roy Tillis, Ray Herron and Fred Pope.

Fifth Concert Given By High School Band

The Seminole High School band presented the fifth in a series of six concerts last evening at 7:00 o'clock in the park in back of the Tourist Center. The band, under the direction of H. E. Black, director, opened the program with the "Star Spangled Banner."

Other numbers on the program receiving much applause were the "Washington Post March," "Tennessee Overture," "Ballerina," "Finale to the New World Symphony," "The Man I Love," "Hoosier March," "Chapel Shrine," "The Waltz You Saved For Me" and the "Footlighter March."

The next program will be presented at the same place next Thursday evening at 7:00 P. M. and all persons interested in music are cordially invited to attend.

Officers Installed At South Side Meet

Installation of new officers was held at the last meeting of the year of the South Side Primary School Parent Teachers Association yesterday at the school auditorium. Mrs. J. M. Cameron presided over the meeting. Installation services were conducted by Mrs. W. H. Stewart, a former Seminole County Council president and mother of the newly installed president. Taking office yesterday for the new year were Mrs. R. W. Williams, president; Mrs. A. A. Fessler, secretary; Mrs. D. B. Middleton, treasurer and Mrs. L. E. Walker as historian.

Reports were heard from all chairmen and plans were made for representatives to attend the County Council meeting next Wednesday at 10:00 A. M. at the Grammar School. The group voted unanimously to send the new president to the P. T. A. summer institute in Gainesville in July with Mrs. Corley as an alternate.

It was found that the second grade won the prize for the room count. Following the business meeting mothers of children who will enter the first grade next year were honored with a small reception in the lunchroom of the school. In charge were Mrs. Clayton Smith, Mrs. Carl Myres and Mrs. Elizabeth Lynch. About 100 members and guests were present.

Bark's Home Scene Of Circle Meeting

Mrs. O. L. Bark and Mrs. A. E. Rhinboldt served as hostesses for the monthly meeting of Circle No. 4 of the W. B. C. S. of the First Methodist Church held on Monday afternoon at the Bark's home in Mayfair. The business meeting presided over by Mrs. R. T. Warren, was opened with the devotional by Mrs. R. W. Turner.

Plans for programs for the month were discussed and Mrs. P. Bowland gave the mission study based on "Beautiful Prayer of Jesus". At the conclusion of the meeting refreshments were served by the hostesses to Mrs. Rowland, Mrs. E. E. Loney, Mrs. Warren, Mrs. Turner, Mrs. T. E. Wilson, Mrs. I. J. Boyette, Mrs. P. R. Stephenson, Mrs. J. N. Asarelio and Mrs. Clarence Winn.

Myra Ann Southward whose June wedding to Alfred Cecil Doudney is being announced today. The announcement is of much interest to Sanfordites since Miss Southward and Mr. Doudney are both popular members of the younger set.

Myra Ann Southward Baby Contest To Wed Mr. Doudney

Mr. and Mrs. Ira E. Southward of this city announced today the engagement and approaching marriage of their daughter, Myra Ann, to Alfred Cecil Doudney, son of Mr. and Mrs. Sanford F. Doudney also of this city. The wedding will be an event of June 11 at the First Baptist Church. Invitations will be received by relatives and close friends of the couple and their families.

Miss Southward graduated from Seminole High School and is attending the University of Georgia where she is a member of the Phi Beta Phi social sorority.

Mr. Doudney is a graduate of Fork Union Military Academy in Fork Union, Va. He is now attending the University of Georgia where he will complete his junior this June. He is a member of Lambda Chi Alpha social fraternity.

50 Members Present For OES Meeting

The regular meeting of Seminole Chapter No. 2, Order of the Eastern Star, was held last evening at the Masonic Hall with 50 members present. The worthy matron, Mrs. Wurt W. Warner, presided over the business meeting after which the mothers and grandmothers were honored with a beautiful candlelight service.

A Mother's Day story was read by Mrs. R. C. Maxwell and tributes in song were sung by Mrs. Robert Cole and Mrs. Joe Corley. Mrs. O. M. Harrison read a poem, "Peace," by Henry Van Dyke. The organist for the evening was Mrs. Maude Satcher.

Red roses were presented to the honored guests by Mrs. F. Hasky Wright and Mrs. J. V. Howard and Mrs. Sheridan Jewett was given a basket of roses for her services during the past year by Mrs. R. F. Greenhaw.

Announcement was made that Mrs. Lulu Nusbaum of Daytona Beach will conduct a school of instruction at the Masonic Temple in Daytona on May 15 beginning at 10:00 A. M. All officers and members of the Order were urged to attend. The worthy patron, Frank W. Talbot, was appointed chairman of the "Robert Morris" picnic to be held during the summer.

Blood Bank To Be Held On May 12

The Seminole High School P. T. A. will sponsor an all-day blood

South Side Honors Mothers In Chapel

A Mother's Day program was presented yesterday at the South Side Primary School at 2:40 P. M. in the school auditorium. Well known pictures were depicted in still scenes by the pupils and among the pictures seen were "Fairy Tales" and "Whisker's Mother". A picture was made up of Mrs. Moss of the Mayfair Inn and her five little girls, one of whom are in the South Side School. Mrs. Moss had been chosen as the hostess of the day and during the evening "Wagon

derful Mother of Mine" was sung by Mrs. W. G. Fleming accompanied by Mrs. Essar Price.

Three piano solos were rendered by fourth grade boys in observance of National Music Week. They were Tommy Wyatt who played "Liebestraum", Paul Elliott, "Moonlight on the Colorado River" and Katie Morris, "Starlight Waltz". The program was closed with the group singing of "God Bless America" and the final salute.

Add a half cup of coarsely chopped sweet pickle and a teaspoon of grated onion to a fish loaf to give it popant flavor.

Photo by Raymond Studio showing wedding to Alfred Cecil Doudney is being announced today.

Mothers of Seminole County are urged to register their babies for the Baby Contest to be held at the Junior High School on Thursday, May 20.

Sponsored by the Pilot Club, registrations will be taken at the Sears, Roebuck Order Office, according to information received from Mrs. Joel S. Field, chairman.

Mrs. Jeffrey Smith will have charge of the registrations for babies from three months to five years of age.

The contest is entirely free, explained Mrs. Field, who said that prizes will be awarded to the most perfect baby in height and weight in the three age groups for baby boys and three new groups for baby girls. The prettiest baby girl and most handsome baby boy will also receive a prize. A Grand Champion Baby will be selected from all of the entrants.

Registrations opened yesterday and will close on May 15. Indexes will be out of town persons and in addition to other prizes awarded Raymond Studio will offer one published photograph to each winning baby.

T. E. L. Class Holds Monthly Meeting

The home of Mrs. J. M. Carroll was the scene of the monthly meeting of the T. E. L. class of the First Baptist Church held last evening at 8:00 P. M. Mrs. Carroll presided over the short business meeting which was conducted with the devotional given by Mrs. Lillian Vickery. Following the business meeting a social hour was enjoyed with refreshments being served by the hostess assisted by Mrs. John D. Abrahams and Miss Stouendire.

Those attending the meeting were Mrs. C. E. Benton, Mrs. M. A. Callaway, Mrs. J. A. Cunningham, Mrs. S. A. Edenfield, Mrs. H. N. Lumley, Mrs. Ellen Shadoin, Mrs. E. W. Stiles, Mrs. W. B. Stovall, Mrs. A. K. Hossiter, Mrs. M. S. Nelson, Mrs. Abrahams, Mrs. Vickery, the Misses Josie and Viola Stouendire and the hostess.

Bank on May 12 at the Red Cross building. Mrs. R. F. Cooper is in charge of the project and announced today that another Blood Bank Day would be sponsored in about six months, sometime in the

Sanford Giants Nip Pirates; Meet Islets Here Tonite

Joe Schultz Goes Route To Turn In 6 To 1 Victory Over Leesburg

Righthander Buddy Lake will face the Daytona Beach Islets here tonight, it was announced this afternoon by Manager Hal Gruber of the Sanford Giants.

The Sanford Giants will entertain the league leading Daytona Beach Islets in a contest at the Municipal Park tonight starting at 8:00 o'clock.

Last night in Leesburg the locals trimmed the Leesburg Pirates in a 6 to 1 contest behind the five hit pitching performance turned in by righthander Joe Schultz, another Sanford moundsman to go the route for the 1948 season.

Schultz not only pitched the Sanfordites to victory over the Pirates, but he also paced the Sanford attack with two hits in four trips to the plate.

Tomorrow the Sanford organization moves to City Island Park in Daytona Beach and moves to Gainesville for a game on Sunday afternoon. Monday night the Giants return to the local ball park for a return engagement with the G-Men.

New High School Baseball Field Is Dedicated

Park Is Named For T.W. Lawton, County Superintendent

By ARTHUR BECKWITH, JR., Herald Sports Editor
The newly constructed Seminole High School baseball field, located east of the high school and north of 18th street, was dedicated and named "Lawton Field" at an impressive ceremony yesterday afternoon before a contest between the Sanford High School Celery Feds and the Cocoa High aggregation.

A scroll was presented to Superintendent of Public Instruction T. W. Lawton at the dedication. "Be it known to all people that because of the high esteem in which he has held, because of his labors in education, because of his interest in athletics as a means of keeping the body strong and the mind keen, the Seminole High School baseball field shall henceforth be known as Lawton Field," were the words printed on the scroll.

Officially beginning play on the field, Superintendent Lawton tossed out the first ball to Mayor Robert A. Williams, and according to City Manager H. N. Sawyer, the umpire for the occasion, the ball was a perfect strike.

Mayor Williams gave a short dedication talk, after which Mr. Lawton expressed appreciation for the honor of having the field named for him. "It is the first time in my life that I have had two great honors bestowed upon me in the same week. I am proud of this honor of having this field named for me," he declared.

Also present for the ceremonies were City Commissioner John Kridler, who assisted materially in bringing the field into being, and Ralph Lubenski, City engineer, who gave his time to lay out the diamond and assist with the building of the field.

The Seminole High Celery Feds dropped the contest to the Cocoa nine by a 6 to 5 margin. Cocoa scored four runs in the top of the first frame, and never relinquished the lead.

Pitching Takes Turn For Better In State Loop

By ASSOCIATED PRESS
Pitching took the limelight in three games of the Florida State Baseball League Thursday night. The fourth was a wild free-throwing affair.

Ed Norsiga pitched the Orlando Senators to a 14-0 triumph over DeLand. Tom O'Callaghan was on the mound for Gainesville as the G-Men tamed St. Augustine, 10-0.

Joe Schultz allowed only five hits as his Sanford Giants won over Leesburg, 6-1. Daytona Beach scored in every inning but the third to whip Palatka 21-15.

Orlando gave Norsiga a big early lead by scoring 11 runs in the first two innings and coasted along on his eight-hit shutout. John Garrison led the hitting department for the Senators with three for five.

Gainesville knocked St. Augustine's Bill Goodwin out of the box in the fourth, when they got eight runs on five hits and four Saints errors. Jim Benes relieved Goodwin and slowed the G-Men; but the damage was done.

Schultz was not only the hurling star for Sanford, but helped out in the batting department with a pair of hits. Vincent Mullin also rapped two hits and drove in a pair of runs.

In their marathon, Daytona and Palatka used seven pitchers and between them pounded out 41 hits. Vern Pirtle homered for Palatka, and Glenn Morton hit one for the circuit for Daytona.

Stubby Stablefield, who came in in the sixth, emerged as the winning pitcher. Bill Tutka was the loser.

Nashville Continues To Lead Association Hot Pennant Race

By ASSOCIATED PRESS
The Mobile Bears blew a two-run lead in the last of the ninth at Little Rock last night to lose, 6-5, and miss an opportunity to deadlock Nashville for the Southern Association lead.

The Bears got away to a four-run lead in the first inning and led the Travelers, 5-0, going into the last of the seventh. The home club cut loose with three runs in that frame and duplicated it in the ninth.

Nashville bowed at Birmingham, 4-3. Memphis blasted New Orleans for 15 hits and a 10-1 victory, and Chattanooga scored all its runs in the ninth inning at Atlanta to win, 3-1.

Rain interrupted play at Atlanta several times before the final inning and several more times during the first of the ninth to figure in the Lookouts' victory over Mason Leeper, young left-hander.

The Crackers had scored an unearned run off the veteran Vern Curtis in the sixth and held the lead going into the last inning.

Leeper, noted for his wildness, had walked only three men and allowed only one scratch hit in six innings, and gave up only six walks and six hits all told. He walked Jay Difiani to open the ninth and then struck out Del Frinor. Larry Drake beat out a hit and Angel Fleitas fanned. Mr. George Myatt and after rain had halted the game three times, Myatt finally walked to load the bases.

Leeper slipped on the mound while starting to pitch to Andrea Fleitas and a balk was called, sending the tying run across. Then Fleitas, after working the count to three-two, fouled two pitches off and slapped a single to drive in Drake and Myatt. Curtis gave up five hits.

John Perkovich, Memphis right-hander, was never in trouble, as he held New Orleans to eight hits during his third straight victory.

Mike Palm, Birmingham rookie, held the Vols in check with a three-inning relief job during which he gave up only one hit.

Southeastern Play Begins To Improve And Pitchers Settle

By ASSOCIATED PRESS
All the games in the Southeastern League, for the first time this year, were settled last night by a single run and two of them went into extra innings.

Both the overtime battles were won by the home clubs, and Meridian gave them a three-to-one edge by rallying for a run in the last of the ninth to edge Selma, 6-5. Vicksburg was the only visiting club to triumph. The Billies gave the Anniston Bears three runs in the first inning and then beat them, 4-3 on Kenneth Helwig's five-hit hurling.

In the extra-inning affairs, Gadsden nosed out Jackson, 8-7, in 14 innings, and second-place Pensacola stopped pace-setting Montgomery's latest winning streak at six games with a 9-5 triumph in 10 innings. Each team scored three times in the ninth.

Meridian's victory broke a four-game string of setbacks. The Billies got off to a fast start at Anniston in the first when Norbert Barker and Billy Eal hit home runs on consecutive pitches by lefty Leon Scherer who was charged with the loss.

The Rams fought right back, however, to go ahead, 3-2, on a walk to Massey, an error by Blair that put Daniel on base, a single by Quinn and a two-run double by Ed Fila.

The Billies won the game in the 4th when a combination of singles by Blair, Jarmon and Womack and a walk to Helwig netted two runs.

Tigers Lose Half Game As Tally Is Rained Out In GF

By ASSOCIATED PRESS
Thomasville lost a half-game of its Georgia-Florida League lead last night by folding up in the final innings to Cordoba to go down, 11-6. Second place Tallahassee was rained out at Albany.

The Tigers tied the count in the top of the third with two runs, but Cordoba came back for three tallies in the last of that inning. Then Thomasville scored once in the sixth and knotted the score again with two runs in the first of the seventh.

The topped off a three-run Cordoba rally in the last of the inning, and for good measure the home club scored three more in the eighth. Each team had nine hits.

The victory snapped a Cordoba losing streak at six, and divided the two-game series.

The Moultrie Packers came from behind twice, the last time with two runs in the bottom of the ninth, to defeat Waycross, 7-6, and sweep the two-game meeting.

The Bears, who outbit the Packers, 14-12, had gone in front, 6-5, with a run in the seventh to break a tie which had held since the third inning. The Bears scored four times in the third, but Moultrie came back for one run in that frame to knot the score.

In the other game last night, Valdosta also came from behind twice to defeat Americus, 6-5, in a pitching duel. Each team scored twice in the first inning, but Valdosta went ahead with a run in the third, 3-2. Then the visitors tied the score with a run in the sixth and added one in the seventh for a temporary lead.

The Dodgers came right back with two in the bottom of the seventh

for a 5-4 lead and added what turned out to be the margin of victory in the eighth. The Phillies fell one run short with a ninth inning rally. Byrne held them to five hits.

The victory was Valdosta's fourth straight and put the Dodgers in a third-place tie with Waycross.
