Odham Insists McCarty Lied About Link-Up

Denies Venn Worked For Big Racketeer; Odham Is Again Hit On Sales Tax Vote

By MALCOLM B. JOHNSON
FORT PIERCE — Belley Odham told Dan McCarty's neighbors today that the Fort Pierce candidate for governor "deliberately lied" when he sought to link the man who handles Odham's radio campaign with a reputed gambling figure.

Making his first appearance in McCarty's home county of St. Lucie with an hour and a half talkathon, Odham replied to McCarty's charges that Bob Venn had been front man for Mickey McBride.

Venn at one time was manager for Miami radio station WMIE. The station at one time broadcast racing results but no longer does so, McBride's son, Edward, formerly was head of Continental Press, which the Kefauver committee said served illegal bookmakers.

Odham said "Venn never worked for McBride. He worked for the corporation" which owned WMIE. He said the corporation was headed by Mitchell Wolfson and Sidney Meyer, Miami, who now own television station WTVT and other stock holders were C. Gordon Anderson, Miami department store owner, and Frank N. Holley, dime store owner.

He called them "the mob" and added that they were supporters of McCarty. Odham also explained that "Venn is not an employee of mine. He's an employee of a Miami advertising agency which is handling the Odham radio campaign."

He also said Matty Mathews who is handling publicity for McCarty in the Miami area was an employee of WMIE under Venn's management.

The Sanford candidate said McCarty's Dade County manager, Edward Boardman, had organized a month ago for reports of Venn's association with McBride and said he had assured McCarty there was no connection between the two.

By CHRIS McEHEE
PALATKA — Dan McCarty told North Florida voters today if Bradley Odham is elected governor and keeps all his campaign promises, it will mean repealing or amending half the laws on the state's books.

Touring through the northeastern section of the state in ideal campaigning weather, the former speaker of the Florida House declared his opponent "served two sessions in the Legislature but the record shows that he never passed a single state-wide bill."

"Now he promises so many things that he would have to repeal or change about half the laws in Florida. Only the Legislature can do that," he said.

Odham Campaign Manager's Wife Is Killed In Accident

LAKELAND — Mrs. James P. Etheridge Jr., wife of Bradley Odham's campaign manager, was killed early today in a traffic collision while returning from an Odham radio talkathon in Orlando.

State Highway Patrolman B. E. McCarty said Mrs. Etheridge's car met another automobile head-on 1 1/2 miles west of Lakeland on Highway 92.

Etheridge was in an Orlando hotel when informed of the accident. He left immediately for Lakeland. It was expected the body would be taken to Tampa, their home, for burial.

Mrs. Russell King, also of Tampa traveling with Mrs. Etheridge, suffered internal injuries and was sent to a hospital.

Mrs. Robert H. Churchfield, Lakeland, in another machine, changed broken leg and head injuries.

Surviving Mrs. Etheridge is a son and daughter.

Give Details Of Dodd Kidnap Release Deal

Details concerning the kidnaping and subsequent release of Kaje Island Prison Camp Commander Brig. Gen. Francis T. Dodd are revealed to newsmen by three military men who figured prominently in the dramatic events. At left is Lt. Col. William H. Raven, of Newton, Tex., who barely escaped abduction by the Communist POWs. In center is Brig. Gen. Charles S. Colson, now camp commander, who made the deal resulting in the release of Gen. Dodd and, at right, Col. William H. Craig, of Oklahoma City, who took over the command until Colson arrived. Gen. Mark Clark, new Supreme Commander indicated that concessions made to the freed prisoners will be repaid later because they were made "under duress." (International Radiophoto)

Armed Forces Day Parade Will Be Held At 10:00 A. M. Saturday

The Armed Forces Day parade Saturday morning will have four sections and will start at 10:00 o'clock promptly, it was decided yesterday afternoon at a meeting of committee chairman at the Navy Center, where plans for the event were discussed.

John Pierson, president, and assisting him were Capt. J. L. Chittenden of the Naval Air Station and Forrest Breckenridge, Chairman of Commerce manager. The three were scheduled to meet at 10:00 o'clock this morning to make final plans for the parade formation.

Mayor W. H. Stempfer who was present, proclaimed Saturday as Armed Forces Day in Sanford, a day of public celebration and rejoicing, which shall be marked by this display of flags and bunting, and by other evidence of the city's appreciation of the significance of the day.

"I do further urge," he said, "that all citizens, as far as possible, witness the parade this day, and other events of the day and the preceding week, and in all ways pay tribute to the men and women who with skill, gallantry and uncompromising devotion to duty, have followed our flag in peace and war."

The route of the parade, it was announced, will be from Sanford Avenue and First Street, south to Sanford Avenue to Fourth Street, west to Palmbluff Avenue, north to First Street, west to Park Avenue, passing the reviewing stand at Magnolia Avenue, and north on Park to Seminole Boulevard.

The group that met yesterday at the Navy Center included representatives of veterans and civic groups, the Navy, National Guard, schools, boys and girl scouts and other organizations.

Four bands will march in the parade: Seminole High School, Junior High School, Grosses Academy and Negro Legion Drum and Bugle Corps. It was announced by Mr. Pierson.

Sheriff P. A. Mero will serve as marshal for the parade which will be headed by a police escort and which will be followed by civilian and military leaders, active Navy personnel, the Civil Air Patrol, Civilian Defense and Coast Guard.

The next section will include veterans' organizations, white and colored auxiliaries. In the third section will be civic clubs, industrial and merchants' organizations.

The fourth group will include school pupils, boy and girl scout groups, the Dusty Boots Association and the Fire Department.

Forrest Breckenridge, manager of the Chamber of Commerce, presented a communication proposing the additional designation of Highway 17-92 as U. S. Highway 301, which is now a through highway from the northeastern United States to the Florida line.

Inclusion of Highway 17-92 as part of 301 would extend the latter through Sanford to Lake George around the Lake to Belle Glade and Okeechobee thence to Miami. A motion to this effect was adopted.

HOUSING CREDIT
WASHINGTON — Housing Administrator Raymond Foley said today it is "quite possible" credit controls may be relaxed on new houses costing above \$12,000.

Foley told the National Savings and Loan League, at its annual meeting here, that housing officials do not believe that Regulation X, which governs real estate credit, should be revoked entirely.

That regulation, which went into effect in October, 1950, prescribes how much down payment must be made on a new house. It also sets the effective date of the order.

For above in the \$25,000 bracket or above, it means a down payment of 30 per cent.

Capt. Rabeck To Represent C. Of C. At Canal Meeting

Opportunities And Advantages Of Canal To Coast Told

Capt. Joseph R. Rabeck of Mattland, commander of Coast Guard Flotilla II, District 4, was authorized to represent the Seminole County Chamber of Commerce at a meeting to be held in Washington Friday for the purpose of promoting the construction of the St. Johns-Indian River Canal.

The meeting was made by H. B. Pope following a report by Capt. Rabeck on the value of the canal to this section and the work which has been done on it to date submitted to the regular board of directors of the Chamber of Commerce held last night at the City Hall.

Capt. Rabeck pointed out that the canal is not designed to compete with railroad transportation, but is mainly a flood control project and a means of providing a "two-way" outlet to the most beautiful river in America for thousands of pleasure craft which annually come to Florida and which are now handicapped in making the scenic wonders of the great Central Florida area by what is in effect a dead-end street.

This view was further emphasized by John Ramsey, owner of the Sanford Boat Works, who also read letters from Leo L. Burnett, chief of the U. S. Army engineers, stationed in Jacksonville, indicating the importance of the project and the need for information on the number and type of such craft located in this area.

The meeting was presided over by President Jack Hall who also addressed the importance of the proposed canal, and thanked M. J. Halborn, the Merchants Association and the Sanford Herald for their efforts in contributing to the success of "DeBary Day".

Previously Mr. Rabeck presented a report on the work of his group showing expenditures for the occasion amounting to \$26,711.

Mr. Pope called attention to the fact that the last Legislature passed a bill, which was referred to a committee providing for county zoning in Seminole County, and suggested that the Chamber of Commerce study the proposal with the view of including the referendum on the ballot to be voted on in November.

Forrest Breckenridge, manager of the Chamber of Commerce, presented a communication proposing the additional designation of Highway 17-92 as U. S. Highway 301, which is now a through highway from the northeastern United States to the Florida line.

Inclusion of Highway 17-92 as part of 301 would extend the latter through Sanford to Lake George around the Lake to Belle Glade and Okeechobee thence to Miami. A motion to this effect was adopted.

HOUSING CREDIT
WASHINGTON — Housing Administrator Raymond Foley said today it is "quite possible" credit controls may be relaxed on new houses costing above \$12,000.

Foley told the National Savings and Loan League, at its annual meeting here, that housing officials do not believe that Regulation X, which governs real estate credit, should be revoked entirely.

That regulation, which went into effect in October, 1950, prescribes how much down payment must be made on a new house. It also sets the effective date of the order.

For above in the \$25,000 bracket or above, it means a down payment of 30 per cent.

Russell Men To Be Shown On Ballots

All 24 Russell Delegates To Be Clearly Identified As 'Russell Candidates'

TALLAHASSEE — The slate of 24 Russell-pledged candidates for election as delegates to the Democratic National Convention, personally endorsed by Presidential Aspirant Richard M. Russell, will be identified clearly on the May 27 ballot. The Georgia senator has 42 candidates pledged to vote for his nomination.

The attorney general's office declined comment, saying administration of the election laws was the responsibility of the secretary of state.

Russell's rival for the Florida convention votes picked up another surplus candidate today, E. G. Musleh, dealer, a Fifth District candidate, was listed on the sample ballot as pledged to Sen. Felix Kefauver of Tennessee.

Gray said Musleh, who had qualified as an unpledged candidate, was listed on the sample ballot as pledged to Sen. Felix Kefauver of Tennessee.

Musleh's designation as a Kefauver pledge gave the Tennessee senator a candidate running against each other as well as Russell candidates in both the Fifth and First Congressional Districts.

John W. O'Hannon, West Palm Beach, was listed on the sample ballot as pledged to Sen. Kefauver in the Sixth Congressional District.

Gray informed him the request could not be acted upon, but that he probably could have his name left off the official ballot if he contacted the clerks of the circuit court clerk of the district before they sent their ballots to the printers.

The sample ballots prepared by the secretary of state were mailed to the circuit court clerks of the counties on Tuesday.

Meeting Is Held By Sanford Pilots At The Yacht Club

Members of the Pilot Club voted at its meeting in the Yacht Club last night to contribute \$250 to the new club house which is being sponsored by a group of citizens in Sanford. If purchased, the house will be placed in the Band Shell at Christmas time, if approved by the city council.

The meeting, which was the first of the new club year, was presided over by Mrs. Nancy H. Hinton, chairman of the committee composed of Miss Maude Ramsey, Mrs. Joel Field and Mrs. M. H. Smith to investigate the cost of building a new club house.

Plans were made to enter a decorated car in the Armed Forces Day parade on Saturday, May 17. Those who will assist in decorating the car were requested to meet at the home of Mrs. E. E. Chapman, 116 French Avenue at 7:00 a. m. Saturday. Those riding in the car were asked to meet at the Chamber of Commerce Building at 9:30 a. m.

Miss Marion Hamann, chairman of the Spring District Council meeting of Pilot International, thanked the club for its contribution to the home made celery ranch which were placed at each plate at the closing luncheon as souvenirs from Sanford.

A report of the convention was given by Mrs. Field, Mrs. Sue Stevenson and Mrs. V. C. Messenger. There were 250 members representing 30 Pilot clubs in Florida which comprise District 4 in attendance.

The budget for the year, amounting to \$1,284 and presented by Mrs. B. E. Chapman, chairman of the budget and finance committee, was adopted and plans were outlined for the money to meet the proposed budget.

Mrs. W. E. Holleyhead, chairman of the Milk Bank, reported a total of 288 quarts of fresh milk being given to underprivileged families during the month of April. The treasurer's report revealed a balance of \$294.74. Mrs. Messenger, reporting Mrs. H. E. Laney, chairman of the sale of baseball tickets, stated that \$260 worth of books had been sold by the club.

Acheson Says U.S. Bound To Maintain Position In Berlin

Candidates For Sheriff

Sheriff Percy A. Mero and J. L. Holby of Lake Mary are candidates for sheriff of Seminole County in the runoff primary which will be held on May 27. In the May 6 primary Holby received 2,800 votes, Mero 1,600 and there were approximately 7,000 votes divided among the other three candidates.

Reds Insist On Daily Truce Talks Despite Brevity

U. S. Admiral Says Communists Using Talks For Smears

MUNSAN, Korea — Communist negotiators announced today they will insist on daily truce talks, meetings the Allied Command says the Reds have turned into propaganda attacks which contribute nothing toward peace in Korea.

The Red announcement came from North Korean Gen. Nam Il. He said the Communists would not accept the Allies' proposed armistice package but gave no hint the Reds would offer a new solution of their own.

He made it clear the Reds have no intention of breaking off negotiations. He has been doing almost all of the talking at recent meetings.

Today he rejected the Kaje Island prison camp kidnaping of Brig. Gen. Francis T. Dodd into the negotiations.

Nam Il charged the Allies were treating prisoners inhumanly. He said this was proved by concessions which Brig. Gen. Charles F. Colson granted Red prisoners last week to effect Dodd's release. The very wording which Nam Il quoted was previously labeled by the U. S. military command in Washington as misleading.

Colson was replaced Tuesday as Red commander in chief by Vice Adm. C. Turner Joy said Nam Il brought up the newest incident on turbulent Kaje solely "to propagandize for his tent rather than seriously in interest of an armistice."

"It is equally apparent," Joy told Nam, "that the major reason for such obstruction tactics is your desire of open joint screening of prisoners of war, conducted under Communist supervision."

Volunteers Needed For Blood Program

At least 50 more persons are urged to volunteer for the Armed Forces blood donor day program tomorrow at the Episcopal Parish House, Raymond Landpoint of the Red Cross committee, announced this morning.

"At present," he declared, "we have secured the names of 85 volunteers for donations, but at least 150 donors are needed."

The donations will be received from 9:00 a. m. until 3:30 p. m. and technicians from the Central Florida Blood Bank will be aided by local doctors, nurses and volunteer aides.

Persons wishing to volunteer for blood donations are requested to telephone 80 or visit the Red Cross office in the Takach Building.

CORRECTION
The Herald regrets an error in the cut lines under County Commissioner Fouracre's picture in Monday's Herald. The lines should have read, "Olin E. Fouracre, county commissioner from District No. 3, was re-elected in the May 6 primary, defeating W. A. Forward, 607 to 483. Mr. Fouracre has had considerable experience in grove management and road construction work and is much interested in new road developments in his area."

Soviets Are Warned Against New Moves Threatening Unity Of Western Nations

BERLIN — U. S. Authorities said today the Russians had suddenly lifted their 7-day highway blockade of Allied military patrols and permitted a patrol car to pass the barrier late today.

By JOHN M. HIGHTOWER
WASHINGTON — Secretary of State Acheson declared today the United States is "determined to maintain the position of the Western powers in Berlin, and to protect and assist the people of Berlin and the Western zones of Germany."

Acheson's assertion at a news conference appeared to be an indirect warning to the Soviets against assuming that recent threatening Communist moves would sway the United States, Britain and France from pursuing their announced policies on German unity with the Western world.

Acheson said he considers it reasonably certain that a peace contract between the Western powers and Germany which the Russians have violently objected to will be signed at Bonn this month.

While Acheson did not personally say so, it is understood he expects to leave for Europe within 10 days for the signing.

The peace contract is one of the basic treaties involved in clearing the way for the treatment of Western Germany in connection with the total buildup of defenses of Western Europe.

The latest expression of the firm resolve of the Western nations to go through with these plans as nearly on schedule as possible was set forth Tuesday night in a note to Russia.

The American note, identical with notes sent by Britain and France, declared that this government "will not be deflected" from the policy of creating true unity among the European nations because this "represents the true path of peace."

At the same time the United States and the other Western powers called on the Soviet Union to negotiate with the Soviet Union on the unification of Eastern and Western Germany provided there is first a clear understanding among the European nations to be negotiated on Peace Day.

Georgians Vote On Racial Issue In Demo Primary

ATLANTA — Georgians vote today in the state-wide Democratic primary with a hot racial issue raised in the Fifth Congressional District which includes Atlanta.

Supporters of Fifth District Rep. James H. Daves inserted paid advertisements in Atlanta newspapers attacking his opponent, Baxter Jones Jr., a professor on the faculty of Atlanta University, a Negro college.

The advertisements stated Jones has the backing of the National Association for the Advancement of Colored People.

Jones, an Atlanta lawyer, said he resigned a year ago from the Atlanta University faculty, where he had taught business law for about four years.

Other congressmen besides Daves who have opposition are Rep. E. E. Cox, Cumilla, in the Second District, Rep. Sidney A. Camp, Newnan, in the Fourth District, and Rep. W. M. Wheeler, Alma, in the Eighth District.

Unopposed are Reps. Prince H. Preston, E. L. Forrester, Carl Vinson, Henderson Lanham and Paul Brown.

In the Ninth District six candidates seek the congressional seat from which Rep. John S. Wood is retiring.

There are contests for about half of the 229 seats in the House and Senate of the General Assembly.

Also seeking nomination, which equals election in this Democratic stronghold, are candidates for other state and various county offices.

Gov. Herman Talmadge says he expects the highest vote in recent primary history. Georgia has about 290,000 registered voters. Fair, mild weather was forecast.

BUR ACCIDENT

TAMPA — Four school children were injured and five others shaken up today when a bus plunged into a ditch near Land O'Lakes.

The driver, T. C. Whitman, 68, Land O'Lakes, told police "the bus popped" and then the vehicle went into the ditch.

All 10 occupants were rushed to Tampa Municipal Hospital. Doctors ordered James Colyer, 6, Barbara Brown, 13, Betty Graham, 13, and Junior L. Gaskam, 7, held for further examination.

WEDNESDAY, MAY 14, 1952
TODAY'S BIBLE VERSE
If John had been deaf to the call of the Infinite he never would have heard that call. God has called for all of us. They would make life great and glorious. There was a man sent from God whose name was John—John 1:9.

We are afraid the governor's race is going to get worse before it gets any better.

The parking lots behind American factories, jammed with the automobiles of the workers, make a good answer to the Communist charge that capitalism exploits the workers.

Eleven Ku Klux Klan men were convicted in North Carolina the other day by a jury of their peers. We have come a long way, and we still have a long way to go, but we are progressing.

While highway accidents are climbing, industrial accidents are decreasing, down one thousand since last year. Still there are too many, some 38,000 in one year. And most of them caused by carelessness.

Workers cleaning up a bombed-out area in London the other day thought they had a live one when they suddenly came upon a 150 pound bomb. Investigation showed it was a product of World War I dropped by a Zeppelin 35 years ago... the grand daddy of them all.

The state of Florida paid out \$360,000 in "Jobless benefits" to people who would not work during the month of April. Think of what could be done with that money by way of improving education, building hospitals, or repairing highways in the course of a few years, if it were put to some worthwhile purpose.

The government should stop trying to blow hot and cold at the same time with regard to this unpleasantness in Korea. We have been told repeatedly by government spokesmen that the shooting in the Far East is not a war, it is a "police action." But when the President seizes the steel mills, his attorney tells the court, "We are at war and the very existence of the nation is at stake."

Next Monday... may Heaven bless it... is National Tax Freedom Holiday. This date of May 19 was selected for this particular memorable occasion because it is the first day of this year that the average American begins working for himself. All the rest of his time so far this year, he has been working for the government, that is, every dollar he has made so far this year has gone to the government in taxes. Now for the rest of the year he can work for himself. So Monday is a real occasion. Let's celebrate.

The Kofe prison camp affair makes very discouraging reading to anyone who believes in Americanism, but none of us should be too quick to make up our minds what was wrong or who it is to blame. Nobody, least of all those of us at home, and apparently not even General Van Fleet, knows exactly what happened or what sequence. Until all of us know the facts, it is impossible to make judgment. It is fair and proper that the man charged on the ground of action should be given a reasonable opportunity to be heard and have his side of the story explained.

Korean Truce Delay

The chances for a truce in Korea, reported as good less than a month ago, are closer to a break-off now than they have been at any time since they started. The issue which seems to be holding back any chance for a settlement is forced repatriation of prisoners. Of all the Communists held prisoner by the UN only a small percentage wish to be returned to their own side. The UN takes the humanitarian viewpoint that it cannot force these prisoners to return to their homelands against their will. The Reds seem unlikely to yield.

If the talks fail the fighting in Korea may be accelerated. There has been talk about possible air strikes against the Chinese mainland and a naval blockade of the China coast. These would be extreme measures and the United Nations has made every effort to avoid them. The knowledge that they are possible, however, may make the Chinese more anxious to reach a truce.

The Communists have demonstrated several times that they want the talks to continue. But agreeing to the United Nations provision of return of only those prisoners who wish to be returned would be a blow to Communist pride and prestige. It may be that the Reds will stall and continue to dicker. It may be, also, that our opponents wish to avoid decision until after our elections—which means a long drag.

But succeed or fail there is no reason to regret the attempt at negotiations. That opposing forces could get together at all and discuss an end to fighting once it had started, with both sides still undefeated, is something of a step forward in relationships among nations.

Candidate Was A Lady

Every election year there is some speculation as to whether there will ever be a woman President of the United States. Few remember the name of the first woman who ever sought the office of President.

She was Belva Ann Bennett Lockwood, born in 1830 in Royalton, New York. She was admitted to the bar in the District of Columbia in 1873 and was among the first women to practise before the Supreme Court. After a career as a lawyer, suffragette, temperance and peace advocate she was named as the Equal Rights Party candidate for president in 1884 and 1888. She remained active politically until 1911, six years before her death.

There may some day be a woman candidate for president who will fare better than Belva Lockwood. A woman of her talents and accomplishments would have a much better chance of becoming president today than she did in the nineteenth century.

Korean Truce

(Continued From Page One)
"air and equitable circumstances."

TOKYO — Brig. Gen. Francis T. Dodd and Charles Colson, former commanders of the Koje Island Communist War prisoner camp, flew to Tokyo today to confer with new United Nations commander, Gen. Mark Clark.

Dodd was captured by the Red prisoners last Wednesday and held hostage 78 hours. Colson succeeded him Thursday.

Both were relieved of the camp command and returned to former duties pending an investigation of the Dodd kidnaping and Colson's promise of concessions to the Reds to gain Dodd's release.

Neither Dodd nor Colson was available to the press. The generals arrived about 2 p. m. and immediately went to a meeting with Clark.

The Army did not say whether they remained in Japan or returned to Korea for an investigation of the Koje situation.

SEOUL, Korea — Small fights lasting as long as four hours broke out along the Korean front today.

The Eighth Army reported an Allied patrol killed 30 Communist troops in an early morning raid. The patrol drove the Reds out of an advanced position on the central front and held it for 45 minutes before the Communists counter-attacked.

The longest pre-dawn skirmish, also on the central front, broke out when the Reds probed in the Kumhwa sector where United Nations tank patrols tested Chinese defenses Monday and Tuesday. The skirmish was between two Red squads and Allied outposts. The Communists finally pulled out at 4:45 a. m. Nearby two Communist platoons fought nearly an hour and a half with Allied outposts. Thirty-one attackers were reported killed in the two fights.

PRISONERS RECAPTURED

ANGLETON, Tex. — Two of four prisoners who escaped from Ramsey State Prison Farm were recaptured early today, and a mother and young daughter who

Governors Race

repel a law or pass a new one. Does Mr. Odham's record indicate that he could get the Legislature to pass any of the bills he now talks about so glibly?"

McCarthy hit back at Odham for saying Odham lied when he said the Sanford man did not vote against the sales tax.

Referring to Odham as an "irresponsible talk-on-and-on" candidate, McCarthy quoted from the fulltext on final passage of the sales tax bill as carried in the Journal of the House of Representatives and said "The record shows Odham did not vote against the sales tax in 1949."

Odham has said he fought against the measure in committee and voted against it some 50 times.

Acheson Warning

(Continued From Page One)
examined.

The first problem to be tackled, the Western powers said, is that of investigating political conditions throughout Germany and of creating conditions necessary for holding free elections. This would be the first step toward establishing an all-German government which could then negotiate a German peace treaty.

In previous exchanges Russia had declared that the study of political conditions should be made by a commission created by the four big powers, which occupy Germany. The Western governments rejected this in favor of turning the job over to a United Nations commission already set up for that purpose.

Recognizing, however, that the Russians were unwilling to use the U. N. group, the Western powers offered as a compromise Tuesday night to consider any other practical and precise proposals for an impartial commission of investigation which the Soviet government may wish to put forward.

had been held hostage were freed. Deputy Sheriff M. V. Crain said Mrs. Lydia Sproles, about 32, and her daughter, Clara Jo, 6, were released voluntarily by the fugitives in downtown Angleton early today.

Strandlund Says He Was Worried About McCarthy

WASHINGTON — Carl G. Strandlund conceded today he was worried when he paid Sen. McCarthy (R-Wis.) \$10,000 for an article on housing that some implications might be drawn from the deal.

Strandlund told the Senate elections subcommittee. "I made it a point never to confer, to discuss, to contact or concern myself with Sen. McCarthy from that point on."

Strandlund was in the witness chair for the third straight day as the subcommittee looked into a resolution by Sen. Benton (D.-Conn.) aimed at unseating McCarthy.

The phase of the subcommittee's investigation deals with McCarthy's acceptance of the fee from Strandlund, who at the time of the payment on Nov. 12, 1949, was head of the Lustron Corp., a Columbus, O., prefabricated housing outfit.

Benton maintains it was unethical and improper for McCarthy to accept the payment. McCarthy said there was nothing wrong with the deal. He has asked the Senate to investigate Benton.

Lustron was financed largely with government loans. The Reconstruction Finance Corp. (RFC) loaned the firm \$7 1/2 million dollars but foreclosed its mortgage in 1950 taking a loss it said may reach 30 million.

Strandlund was asked by Sen. Jennings (D.-Mo.) whether he thought "the question of integrity was involved" in the payment.

"No, I don't sir," said Strandlund, arguing that the article and the weight lent it by McCarthy's name were worth what Lustron paid.

Armed Forces

Kirchhoff, Kenneth Gustavson, Roy Britt, Mrs. R. E. Tolar, Mrs. J. B. Ray, Mayor W. H. Stemper, John Brumley.

Also present were Paul Hickson, Oviedo, H. E. Morris, Perry Bremer, Ernest Cowley, John Ames, and two representatives of Negro organizations, Enoch W. Lewis and James Foster.

EXTRADITION WAIVED

CRESTVIEW — Okaloosa County authorities were advised today an alleged accessory to a 12-year-old unsolved murder here had waived extradition from North Carolina to Florida.

Sheriff's deputies left to return Ed Rutland, 49, here for further questioning and trial. A fugitive warrant for him was sworn out Tuesday.

Police Chief T. J. Davis, Roanoke Rapids, N. C., said Tuesday Rutland confessed to participating in the murder of Crestview Police Chief Lester Wilson in 1940.

He said Rutland, recently joined the Baptist Church and wanted to clear his conscience.

Davis said Rutland called him with this story.

Rutland and four other men, whom he named, planned the slaying of Wilson, then a candidate for Okaloosa County Sheriff, March 15, 1940. After driving to Wilson's home, Rutland waited in the car while another of the men called Wilson to the door and blasted him with buckshot.

Sheriff J. A. McArthur said the men named by Rutland were being watched.

BEY ARRESTED

TUNIS, Tunisia — France put the 70-year-old Bey of Tunis under virtual house arrest today for balking at a French martial law decree.

French troops carrying bayonets moved in and replaced the colorful blue-uniformed Arab soldiers of Sidi Mohammed Al-Amin's own

Secretary Tobin Cheers Steel Men

PHILADELPHIA — Secretary of Labor Maurice Tobin held cheering CIO Steelworkers today that he stands "heart and soul and spirit" behind them in their fight for a wage increase.

Tobin, in an address to the convention of the United Steelworkers Union said: "The only way to settle the steel dispute is through the acceptance of the recommendations of the Wage Stabilization Board."

The WSB had recommended a 17 1/2-cent an hour wage increase to go into effect over an 18-month period, plus fringe benefits, including the union shop, estimated to cost an additional 8.9 cents an hour.

The USW hinted broadly today there would be a new steel strike unless the steel industry comes to terms soon.

Solitary Drinking, Even Milk, Is Rapped

VANCOUVER, B. C. — Solitary drinking should be frowned on at all times, an expert on social work said Tuesday. Even if the tippler is a toddler and the liquid refreshment is the baby bottle, even leaving the infant to guzzle by himself.

She told a parent-youth conference mothers should co-operate at feeding time because "this is the first experience the child has in doing something with someone else."

Mrs. Exner said studies show that babies in institutions "whose bottles are prepared and who do not get individual attention do not develop socially." And she added:

"They have trouble holding jobs, making a successful marriage and living with others."

Senator George Says Kefauver Myth Gone

WASHINGTON — Sen. George (D.-Ga.) said today that Sen. Russell (D.-Ga.) had "dispelled the Kefauver myth" in the Democratic presidential nomination race.

George said the \$2,522 votes by which Russell beat Sen. Estes Kefauver of Tennessee in Florida's May 6 presidential popularity primary was a sweeping triumph.

The final official count gave Russell 367,980 and Kefauver 283,358.

"In Florida politics, a margin of this tremendous size and a clear-cut victory in 59 of 67 counties constitute a sweeping triumph," George said.

"The majority is substantially more than that which Sen. Smathers (of Florida) amassed when he overwhelmingly defeated Sen. Pepper in 1950."

honor guard at his summer palace built on the site of the ruins of Carthage.

SLEEP IN AN ICE CUBE

...ON HOT, MUGGY NIGHTS!

A Fedders Room Air Conditioner in your bedroom gives you cool, mountain-fresh air in hottest, muggiest weather! Wrings out excess humidity. Filters out dust and pollen. Relieves hay fever.

The compact Fedders unit fits in window, plugs in like a radio. No mess or fuss, no pipes, no ducts. See this real electrically refrigerated system in action today!

New Fedders Room Air Conditioner

Personals

Mr. Leo Butler has returned to his home after spending several weeks at Daytona Beach.

Friends of Edward McKinley will regret to learn that he is ill at his home on Magnolia Avenue.

Friends of W. J. David will be glad to learn that he is recovering nicely from a recent operation at the Florida Sanitarium in Orlando.

Cpl. George W. Gray, Jr. left Thursday for Camp Kilmer, N. J. where he plans to sail soon for Germany.

Friend of Mrs. Joseph C. Ball, formerly of Sanford, will regret to learn that he is seriously ill at St. Luke's Hospital in Jacksonville.

Mr. and Mrs. Harold Appleby returned recently from Atlanta where they attended the graduation exercises of their daughter, Nancy Jean, from Crawford W. Long School of Nursing.

Capt. and Mrs. E. R. Doyle, Jr. and son Bruce were recent guests of his parents, Mr. and Mrs. E. R. Doyle. Capt. Doyle recently returned from duty in Korea and is now at Marine Corps School in Quantico, Va.

Mr. and Mrs. Joe Corley returned Friday from Atlanta, Ga. where they attended the graduation of their daughter, Miss Anna Corley, from Crawford W. Long Hospital School of Nursing. Miss Corley accompanied by Miss Charlotte Hodgson of Monroe, Ga., also a graduate, are spending a short vacation at the Corley home on Cannon Avenue.

Concert Presented By School Glee Club

More than 200 members of the Seminole High School Glee Club participated in the spring concert last night at the school auditorium under direction of Miss Ollie Reese Whittle.

The concert was as colorful as the decorations in the auditorium. The stage was brightly decorated with tall baskets of flowers and ferns, and this combined with the variety of colors of the formal gowns worn by the girls participating, lent a spring-like atmosphere to the whole setting.

Singers were grouped on three semi-circular tiers around the grand piano in the center of the stage. The piano accompaniments by Joanne Lane Miller, Lucile Phipps, Judy Irvin, Dawn Bishop, Mona Jobe and Joan Wilk, were excellent.

Two members of the Glee Club, Joe McClung and Gerald Covington, conducted the mixed chorus in competent fashion during the final part of the program, the former leading during the singing of "Chautauque" and "White We're Young" and the latter in a lively spiritual number, "Swing Me to the Top."

Featured soloists were Allan Shaffer with the Ninth Grade Chorus, Ray Davis in "Kahuna Song"; Joan Wright with "Cloud Pictures"; George Hardin with "I Love Thee"; Caroline Melius operating, "A Spirit Flower"; Gerald Covington with "The Hills of Home" and Albert Green singing "Pale Moon."

Mary Ann Wilke showed skill and strong piano technique in the playing of "Malaguena". The Ninth Grade Chorus opened the program with "Sing Robin Song" and continued the program with "Peter Go Ring Don Bells", "Dear Land of Home", "The Honey Serenade" and "Set Down Servant".

Conducted by the ever popular girls Triple Trio were "Lullaby of the Leaves" and "My Lover is a Fisherman".

The boys Double Quartette put out of life into the rendition of "As Off to the Southland" and "The Gospel Train", the latter with special sound effects that drew much applause.

"Butterfly" as sung by the Glee Club was an outstanding hit. Also enjoyed were "Wasn't That a Wide River" and "Snow Legend".

Climaxing the program was the singing by the Mixed Glee Club of "Auntie's Rag", "Gleaner's Rhapsody" and "Alma Mater".

Canned chicken is handy to have on kitchen shelves to use as a sandwich filling for television viewers who want a snack. Cut the chicken fine and mix it with finely diced celery and garlic-flavored mayonnaise.

Miss Jane Ford, daughter of Mr. and Mrs. Fred M. Ford, whose engagement and approaching marriage to John O. Keeling, Jr., son of Mrs. H. P. Goode and John O. Keeling, Sr., is being announced today.

May Dance Held At Marion Jane Ford Junior High School To Wed Mr. Keeling

The Annual May Day Dance of the Sanford Junior High School which was sponsored by the creation committee of which Mrs. G. A. Speer, Jr. is director was an event of Saturday night from 7:30 until 10:00 p.m. at the Woman's Club.

Others on the committee who assisted Mrs. Speer were Mrs. P. H. Wyatt, Mrs. J. C. Davis, Mrs. S. E. Harbour, Mrs. D. C. Middleton, Mrs. Lee Saunders, Mr. George Thurston, Mrs. Homer Little, Mr. J. O. Smith, Mrs. Henry Russell, Mr. Herman Jacobson, Mr. W. E. Harrington, Mrs. John Schward, and Mrs. H. G. Bellamy.

The decorations which consisted of confetti, party favors, balloons, magnolias and spring flowers, were under the direction of Mrs. George Thurston.

Mrs. C. L. Redding and Mrs. J. P. Cullen were in charge of the refreshments of punch and cake. Prizes for the spotlight dance were won by Yvonne Cullen, Tommy Wyatt, Eazy Ashley, Larry Reed, Betty Alford, Jamaica Wynne, Joan Myers, Kenneth Ramsey, Elizabeth Wyatt, Itha Nettles, Peggy Thonley, Henry Tooke and Peggy and Floyd Deane.

Approximately 114 attended.

Climaxing the social season of Seminole High School was the Day Hall Friday night at the Sanford Armory and with more than formally attired students and many parents attending. At top, the Day Hall Friday night at the Sanford Armory and with more than 500 attendees. Little Dege Newsome is the flower girl and Ed Dudley Park Smith is crown attendant. Attendants, left to right Harold Faler, whose escort, Linnie Rotundo is not shown, Sylvia News and Jimmy Metts, Jane Davis and Joe McClung. At right, attendants, left to right, are Mike Wheelchel and Caroline McInnis, Terry Dell and Kitty Nix, Hamilton Bleebe and not shown Barbara Cassa. Right, Queen Jean, with a smile every bit as attractive as King Elizabeth, receives the crown of flowers from King Jimmy.

Social Calendar

WEDNESDAY

Mrs. Mero Hostess For Baptist Class

The Phebean Class of the First Baptist Church held its regular monthly meeting at the home of Mrs. Tom Mero with Mrs. W. A. Reynolds, president, presiding.

Following the devotional and a short business meeting, refreshments were served to the following: Mrs. M. T. Haynes, Mrs. Harold Pigott, Mrs. H. V. Nelson, Mrs. J. W. Fulghum, Mrs. H. H. Heckenbach, Mrs. Dwight Houser, Mrs. Edgar Benton, Mrs. Calvin Jardine, Mrs. Eugene Pennington, Mrs. Tom Mero, Mrs. J. Peoples, Mrs. W. A. Reynolds and Miss Dorothy Carter.

Meeting Is Held By Gleaners Class

The Gleaners Class of the First Baptist Church met Tuesday evening at the home of Mrs. W. A. Cagle with Mrs. L. H. Harvey as hostess.

The devotional was given by Mrs. A. J. Peterson and was followed by a short business session which was conducted by the class president, Mrs. Cagle. After the social hour, refreshments were served to those attending who were Mrs. A. J. Peterson, Mrs. J. E. Lewis, Mrs. T. A. Stiles, Mrs. Fred Myers, Mrs. B. Newsome, Mrs. W. D. Stansell, Mrs. M. N. Cleveland, Mrs. E. T. Hunt, Mrs. A. Kendall, Mrs. A. L. Barineau, Mrs. A. J. Peterson, Mrs. W. A. Cagle, Mrs. L. H. Harvey and Mrs. R. E. Feurloy.

Radio Briefs By Marion Harman

Tomorrow at 1:00 o'clock listen to a discussion by one of the local board members of the Rent Advisory Board. Hear just how the local Rent Advisory Board effects its practical day-by-day operation of the Federal Rent Stabilization program on the community level, and for the full story of the role of these citizens as they decide local rent problems.

Some helpful hints on haymaking will be included when you hear the "Radio Farm Digest" program tomorrow afternoon at 12:15. Dr. Gordon Killinger, extension station agronomist, explains these helpful hints.

Another "Better American Speech" program will be heard over WTKR tomorrow morning at 11:15.

The fourth in a series of program called "The Doctor's Report" will be broadcast at 3:45. This series of programs is in cooperation with the American Medical Association and the Seminole County Medical Society.

"United Nations Today" is a factual, varied by voice report from United Nations headquarters in New York City. The 15-minute broadcast is a compact report on the entire happenings from around the world. Many of the voices heard on the broadcast are recorded from radio reports.

BREAKFAST IS PLANNED
The Dependable Class of the First Methodist Church will entertain members with a Home Coming Breakfast Sunday morning at 9:00 o'clock in McKinley Hall. Mrs. C. L. Wallis is in charge of arrangements and it was announced that invitations are being sent to those members who are now living out of town. All local members are urged to attend.

BIRTH ANNOUNCEMENT
Mr. and Mrs. N. W. Brington announce the birth of a daughter, Yvonne Marie, 7 lbs., 18 cm., May 10, at the Fernald Lighthouse Hospital. Mrs. Brington and daughter are now at their home at 2124 Magnolia Avenue.

Mr. and Mrs. B. F. Ballard announce the birth of a daughter, Ruth Marie, 7 lbs., 18 cm., May 10, at the Fernald Lighthouse Hospital. Mrs. Ballard and daughter are now at their home at 2124 Magnolia Avenue.

Blues Are Half Game Out Of 1st By Beating DeLand, 4-2

Byrd Wins 5th Game As Imbra Hits In His 17th Straight Baseball Contest

The Seminole Blues baseball machine survived a heated battle with the first place DeLand Red Hats last night by thumping the Hats, 4-2, before 877 fans. The Blues winning streak was extended to two straight and gave them 16 victories in the last 18 games.

Murray Byrd went the first 8 1/2 innings before the Red Hats. Not only did DeLand lead to cut their first place margin to one-half game, but a few hours after the game Conrad Field burned down to the ground and all the team's uniforms and the play equipment in it.

Fernandez proved to be the hero of the game last night when he spelled Byrd, who was having control trouble and had the bases loaded with the winning runs on the pond. The veteran Cuban fired the first pitch which Ken Brasecke popped to Imbra for the second out. Then with the league's leading batter, Jack Cade, up, the crowd really began to roar.

The cool working Fernandez fanned the 4th hitter on four pitches which ended the game and brought a halt to Cade's 28-game hitting streak. Meanwhile John Imbra batted out two singles to extend his hitting skin to 17 consecutive games for Sanford.

Bill Campo played a major role in ending Cade's hitting string when the nimble left-fielder, leaping high, crashing into the leftfield barrier to snare the Red Hat third baseman's long drive in the first inning.

DeLand errors gave the Blues a run in the first frame when Imbra singled home Joe Parise. In the top of the seventh Chuck Aleno doubled in George Kenis and Parise and later scored on a fly ball by Fred Cavallaro. Aleno's two runs driven in gave him a season's total of 45 in 50 games.

DeLand's lead was cut by two-thirds last night after the Red Hats lifted the 1951 pennant over the Park for the first time. Only hours later the park burned to the ground.

Sanford general manager John Kridler expressed his regret in having to hand the game little lefterhander his pink slip. "It is just one of those things in baseball. We like Lloyd and know he can win in this league. But with the way circumstances are now it was the only alternative," he explained.

Should any of the limited service flingers on the Blues be released, Kridler indicated that Swain would get the first call. The Seminoles now have four veterans, Chuck Aleno, Joe Parise, Johnny Imbra and Jose Fernandez. They have the required maximum of five rookies with Bob Ward, Fred Cavallaro, Murray Byrd, Bill Campo and Bernie Carr.

Red Hats Play Seminole Blues Here Tonight In Battle For First.

Lloyd Swain (left) turned loose by the Blues. The winner of two games faces National Guard duty soon. Howie Miller (right) cut from the Blues roster. Miller is awaiting call from the U. S. Army.

Lloyd Swain And Howie Miller Are Turned Loose By Seminoles

Left-hand pitcher Lloyd Swain and shortstop Howie Miller were released by the Seminole Blues last night after the DeLand ball game to trim the Sanford roster down to the required 16 players just before the deadline at midnight last night. It was announced by the Blues management.

The Blues' decision to let Swain go came as a surprise since he was the only left hander on the staff and had won two and lost only one this season. However, one of the main reasons the Blues let the former Seminole High School hurler start go was that he will be going to the National Guard camp in June and would be lost to the club for nearly a month.

Miller's release was brought about by two factors. Both he and Swain were limited service players and the club had too many on the roster. Miller has been waiting his induction into the Army for the last few weeks after passing his physical. He had been hitting lately, but his season average was only slightly above the .200 mark.

At the present the Blues are reeling out of the top spot in the league. The show-down battle will be staged here tonight against DeLand in what local officials expect to be the largest turnout of the season with the possible exception of opening night when a little over 2,000 fans packed the Memorial Stadium.

To date the Seminole Blues have been maintaining the highest attendance figures in the league. For the 14 home games played here this year over 10,000 patrons have paid their way into Memorial Stadium to see the Blues for an average of around 800 per game. Last year only 19,280 paid to see the entire 70 home games. As anyone can see, it won't be too long before Sanford passes its 1951 attendance high.

The Blues are probably one of the hottest teams in baseball. They have won 16 out of their last 18 games, recording winning streaks of eight, six and two in a row. Ironically enough, both losses in the skin came on Sunday in the Memorial Stadium. Each was a close game. A week ago Sunday George Kenis, Sherry Sherba, George Smith, Jesus Corrales, Edlin "Dusty" Rhodes, Ted Brooklyn, and hurler Paul Cheney.

All teams in the league were forced to strip down to the 16 minimum by midnight last night.

The Sports Register

By KENT CHETLAIN Sports Editor

Tonight is the night Sanford baseball fans have been waiting for for many years. The Seminole Blues have a chance to take over first place in the Florida State League for the first time this year by defeating the league leading DeLand Red Hats and what's more they have a power-packed team with strong enough pitching staff to prevent them through the remainder of the season.

Not since 1930 has the FSL flag flown over Sanford. Lem Campbell led the lookouts of 1940 to second place and Ed Levy paced the Sanford club to second place in 1946.

Other than this the past seven years have been marked for Sanford fans. Actually Sanford hasn't had a very bad record since the league was organized in 1935. In fact the Sanford entry began the season with the best aggregate win-loss percentage in the loop. This year the Seminole Blues seem destined to extend this superiority over the league.

At the present the Blues are reeling out of the top spot in the league. The show-down battle will be staged here tonight against DeLand in what local officials expect to be the largest turnout of the season with the possible exception of opening night when a little over 2,000 fans packed the Memorial Stadium.

To date the Seminole Blues have been maintaining the highest attendance figures in the league. DeLand Ball Park Burns Down After Sanford Contest

DeLand's Conrad Field was almost completely destroyed by a fire of undetermined origin early this morning a few hours after the hotly contested game between Sanford and the Red Hats, the DeLand Sun-News told the Herald this morning.

The wooden grandstand, housing the press box, telegraphable equipment, concessions, a 1 1/2 house and dugouts were leveled by the terrific blaze. No estimate of the amount of damage could be made at press time. A. H. Collins, an employee of Chase & Co., stated that he saw flames still fighting the fire and trying to control it at 4:30 a.m. this morning. The blaze was believed to have begun around 1:00 a.m. or two and one half hours after the Seminole Blues and DeLand Red Hats played in the park before 877 fans.

According to firemen, the fire must have started near the big lamp at the main entrance to Conrad Field. Damage ran high as nearly all personal property of the Red Hat players was destroyed in flames.

The team's uniforms and training equipment went up in smoke as did an outboard motor owned by one of the players. The only thing left standing in the park were both bleacher sections and the outfield fence.

DeLand's Lead Is Cut To One Half Game By Sanford

By N.H. GILBRIDE Associated Press Staff Writer

The Sanford Blues defeated DeLand's Red Hats, 4-2, Tuesday to climb within half a game of DeLand's Florida State League base ball lead.

Murray Byrd pitched an 8-hitter for Sanford in DeLand. Hurler Stan Miller's first loss after six straight victories. Sanford's three runs in the seventh inning decided the issue.

After games, Gainesville edged Daytona Beach, 2-0, Jacksonville Beach trimmed St. Augustine, 5-4, Orlando beat Leesburg, 4-1, and Palatka defeated Cocoa, 7-4.

The Jacksonville Beach-St. Augustine game went to the 11th inning when Jacksonville Beach Manager Red Treadway hit a home run to clinch his team's one to score Treadway for the win. Stan Karpinski, new St. Augustine manager, was given the loss, his second in two starts.

Fred Montsideo pitched his sixth straight victory to give the Gainesville G-Men the game over Daytona Beach. Montsideo held the opposition to six hits and hit one for his own side.

Cocoa was holding a fairly comfortable 3-0 lead over Palatka when the Azaleas scored five runs on five hits to take the lead and win the game.

Today's Standings

Florida State League	Won	Lost	Pct.
DeLand	21	8	.721
Sanford	21	9	.700
Jacksonville Beach	19	10	.653
Gainesville	19	11	.633
Orlando	16	13	.552
Palatka	14	15	.481
Leesburg	11	19	.367
Daytona Beach	11	19	.367
Cocoa	10	18	.357
St. Augustine	6	25	.197

National League	Won	Lost	Pct.
New York	18	5	.782
Brooklyn	15	0	.714
Chicago	14	10	.583
Cincinnati	14	10	.583
St. Louis	11	14	.440
Philadelphia	9	13	.409
Boston	9	14	.391
Pittsburgh	5	21	.192

American League	Won	Lost	Pct.
Cleveland	19	8	.692
Washington	14	8	.636
Boston	14	10	.583
St. Louis	12	13	.480

"Chico" Corrales Will Try For 5th Win; Officials Expect Mammoth Turnout

"Chico" Corrales will oppose the loop leading DeLand Red Hats for the Seminole Blues in the Memorial Stadium in the all-important first place battle tonight. Baseball officials predict one of the largest crowds of the year will be on hand to watch the Blues try to capture first place for the first time this year.

Corrales will be in quest of his fifth win of the year as against only one defeat. The Blues' flashy second baseman will be trying to stretch his 17-game hitting skin to 18 games this evening.

As a result of last night's fire, which burned down the DeLand Memorial stadium, John Kridler, president of the Florida State League, has issued a plea for all teams in the circuit to take up a collection among the fans for the destitute Hats in all league parks tonight and tomorrow night. The Red Hats lost all their bats, uniforms and playing equipment in the blaze.

The Blues will be out to extend their third winning streak to three straight and to stretch their winning ways to 17 victories in the last 19 games played.

Attempt tonight for the Blues will put the Seminoles in first place by one half game over the DeLand Red Hats. Since 1930 has a Sanford club had a better chance to cop the FSL flag.

Manager Chuck Aleno is leading his club to the FSL grand slam by hitting a torrid .366 clip and paces all batters in the circuit with 45 runs driven in for the first 30 games. Joe Parise in the top home run producer in the loop with six to his credit. The phenomenal fielding Johnny Imbra is in the midst of the Blues longest hitting streak with a 17-game string on the line. Imbra is hitting around .360. The Seminoles have whacked out 22 homers in 30 games to provide power for an strong

Miami Stadium Will Open Gates Saturday

MIAMI — Gates of Miami Stadium will be wide open Saturday night. The Miami Sun Sox management wants every baseball fan in town to come to "open house" and see the Sun Sox play the St. Petersburg Saints in their Class B Florida International League game.

Admission will be free to all and the Boosters Club will hold a meeting where fans may meet the players.

The Sun Sox said they hope to build up interest in the game and boost sagging attendance. Miami is in fourth place in league standings, with St. Petersburg in fifth.

A BETTER HOME . . .
— is suited to the living needs of today's families;
— means more house for the money: a generous lot, spacious rooms, plenty of closet and storage space, electric kitchen with cabinets and counters planned to a work pattern, ceramic tile bath, and above all, honest craftsmanship and good materials.
A better home is built by an integrated plan dividing it into sleeping, work, and living areas;
its design is pleasing to the eye without being ornate; provides better light, ventilation, and temperature control;
in a word, a better home is a Wywood home!

See Wywood, and you'll agree. There's only one way and for one name to build a better home.
Call for a free literature folder.
See a Wywood home and you'll agree.

Spring Fever Hits College Campuses With Rash of Riots

NEW HAVEN, Conn. (AP) — A tumult by about 1,000 Yale students—fueled off by a fight between two competing ice cream vendors—erupted in New Haven Tuesday.

The fact that classes end today and final exams being Saturday also was an excuse for letting off steam.

Groups of students lay in the street to stop traffic. Others marched jubilantly along singing college songs as they tossed pillow stuffing and paper about.

Four students are under arrest, two others are in the Yale infirmary with contusions which the police said were the result of a fight between two ice cream trucks.

IOWA CITY, Ia. (AP) — Spurred on by crowd taunts of "come on in fellows," a group of University of Iowa men students scuffled with police and then raided a women's dormitory for panties and bras early today.

The demonstration lasted more than an hour. About 300 of the 700 men participants ran through the hallways of Currier Hall, girls' dormitory which houses more than 600 coeds.

L. Dale Pounce, dean of students, was booed each time he tried to disperse the rioters. A student in a sound truck who urged "let's serene the girls and forget their pink pants" was ignored.

The coeds locked themselves in their rooms but a student who was using a newspaper on 21 counts for libel, and the jurors were instructed to pass judgment on each count based on paragraphs published in the newspaper.

It took three days to hear the evidence and the jury deliberated a whole day. They finally decided the amount of damages to the character of the plaintiff should be based on the number of words in each paragraph, one with 20 words being judged as less damaging than a paragraph of 50. The case, he said, was finally thrown out on a technicality.

Mr. Kerr also told of a case in which he was involved following an auto collision with a car driven by a drunken driver in which the jury returned a verdict against him to the amount of \$12,500. He pointed out that compulsory insurance laws in Massachusetts result in higher judgments and verdicts in suits, and that as a result persons have to carry heavy insurance to protect themselves.

Mr. Dora visitors welcomed by Kiwanis President Martin Stinger included Newton E. Daboll, Edwin L. Wallace, Ira J. McElmoms, D. Fletcher Crane, Buster Williams, W. A. Redd, Jr., Leo

Living Faith Needed Baptists Are Told

MIAMI (AP) — The need for a living faith in this critical period of history is the theme of the 65th meeting of the Southern Baptist Convention which formally gets underway today.

What the churches are doing to fulfill that need and what they should do will be discussed in a series of talks and reports.

Dr. J. D. Grey, New Orleans, president of the convention, will make the keynote address and the convention session will be delivered by Dr. Ramsey Pollard, Knoxville, Tenn.

Indication of the concern of the Southern Baptist churches over world conditions was very apparent Tuesday night during the closing session of the preliminary pastors' conference.

emerged with an armful of clothes said girls on the third floor tossed undies to boys in the hallways.

KALAMAZOO, Mich. (AP) — A raid on one of the girls' dormitories today to five Western Michigan College students.

A student under disciplinary probation is subject to expulsion if he commits another infraction of regulations during the school year, President Paul V. Sangren said.

Watched by about a hundred nightseers and encouraged by girls in upper story windows, about 50 boys from the Burnham-Belle recently marched on Blanche Draper Hall, a girls' dormitory, and entered through a door opened by one of the girls.

They were shooed away by Dean of Men Ray C. Pellett and police who had advance warning.

Sangren called the affair a "minor escapade" and said it undoubtedly had been prompted by similar demonstrations this spring at other schools.

Blues In The News By BOB WISE and F. JEAN

Another in a series of school children's tours of the Naval Auxiliary Air Station came aboard yesterday for the thrill of a kid's lifetime. After being met at the gate the youngsters were taken on an extensive trip around the station which included a turn through the sailors' barracks, and climbing the long stairs to the control tower to view the aircraft landing and taking off.

The event of the day when the children were brought to the Pasaron Beach- craft, and conducted through the aircraft, including the pilot's compartment. These kids were thrilled as they manipulated the controls.

Chief W. M. Brown was on hand to welcome aboard his son's division and his teacher Miss Jean Sayer. The principal of the school, Mrs. Velma Mitchell, and Mrs. Mildred Squires who drove the school bus also visited the air station. Some 20 children, with parents and relatives, were escorted to the facilities of NAAS within months open.

Today Chief J. C. Kerman will conduct another division of the first grade about the station and his son, J. C. Jr., will be among the kids present.

A photograph was taken of the group by the aircraft and a copy will be given to each kid at the personal expense of Chiefs Brown and Kerman. These two Chiefs are to be commended for the big-heartedness they have shown to the children of the Southside Grammar School. Certainly the happiness they have brought to these children is reward enough for their efforts.

All chiefs are cordially invited to a party at the club Friday night May 16, which should prove to be a gala affair. It is a day when will hold the ship and he is supposed to be an excellent chief. The event will commence at approximately 8:00 o'clock.

C. S. Mammell, AMH, was recently relieved of his shore patrol duties in order to return to the Eastern and be discharged Friday. John Jay, ADHS, will replace Mammell in this most important Navy job.

A recent transfer finds Lloyd T. Paul, ADAN joining the ranks of Fighter Squadron 32 where he will enter the ordnance department as a striker. Lloyd comes to 32 from the Naval Air Technical Training Center at Jacksonville. Welcome aboard to you, Lloyd, and may you stay in the Air Group be a pleasant one.

6TH FLOOR FALL
MIAMI (AP) — Allen Walsh, 15-year-old Fort Lauderdale boy who fell from the sixth-floor fire escape of the Alhambra Hotel in downtown Miami Monday, is given a "pretty fair" chance of recovery by Jackson Memorial Hospital doctors.

Walsh suffered a fractured skull, cerebral hemorrhage, fractured right leg, a back injury and possible internal injuries.

French and W. L. Barnett. Other visitors were A. B. Cornell of Brunswick, Ga., and Junior Metts of the Key Club.

Reply To Mr. Odham

Brailey Odham charged over the radio in New Smyrna Monday noon that I had not enforced the gambling laws in Seminole County, that I was one of the officials responsible for 16 gamblers licensed by the federal government being permitted to operate in Seminole County.

Mr. Odham knows this is an untrue statement and knew at the time he made it that it was untrue. He knows that I have vigorously prosecuted all gambling violations which come within my jurisdiction, and he knows that at no time during my campaign was any question of law enforcement raised by my opponent.

At 4:30 Monday afternoon I went to DeLand where Mr. Odham had moved his talkathon and told him to his face that he knew he was uttering an untruth when he said I had not enforced the gambling laws. I showed him that in Altamonte Springs which he had said in New Smyrna was controlled by Condor Merritt I lost by 3 to 1 and he lost by only ten votes. Where he said the gamblers controlled he got 123 votes and I got 69 votes.

I think the time has come to make Mr. Odham account for the malicious slander which he is spreading about honest, law-abiding citizens of Florida. Just because a man is a public official, who doesn't agree with Mr. Odham, it does not follow that he is a crook. I resent bitterly his insinuations that I am crooked that I was defeated for office by spreading untruth because I was lined up with

New! Better!
DIARBORN REAR-ATTACHED MOWER
This new Diarborn Rear Attached Mower can be attached to the Ford Tractor in a matter of minutes, and detached in even less time. You can switch to cultivating or any other job, and back again to mowing in a hurry. Can cut up to 36 acres a day. Makes sharp, clean turns. Blade has corners.
Plan on Diarborn and for dipping mowers, Diarborn offers a complete line of mowers and power tools. Write for a free literature folder. Diarborn, Dept. 100, 1000 N. Orange Ave., Orlando, Fla. 32801.

Odham Fends Talkathous In Campaign Talk

McCarty Raps Odham Record In Failing To Get Bills Thru State Legislature

Local supporters of Dan McCarty will meet Friday night at 8:00 p. m. at the Odham Club in a rally which will feature an address by Fletcher Rush, Orlando attorney, Mrs. Fred Ganas secretary of the Dan McCarty for Governor Club, announced today.

By MALCOLM B. JOHNSON
WEST PALM BEACH (AP)—Draley Odham defended his novel radio talkathous today as the cheapest way he can get across his gubernatorial campaign message.

Odham used the technique, talking for hours, at three weekly changing systems of radio stations, on the Lower Florida East Coast where his opponent, Dan McCarty, swept a majority of the votes in the first primary.

"My opponent keeps saying it's part of a circus act," he said. "I certainly isn't."

"I know we had to have something unusual," he declared. As for the cost, he said he had reached more people at less expenditure with radio during the first primary than the other candidate did with thousands of letters in the mail.

He said the theory of operation was to solicit enough campaign contributions during one talkathon to pay for the next, and it had worked. Odham retained his 2-hour broadcast over 43 stations which covered the state last Saturday night cost \$3,000, but had produced more than \$7,000 in contributions.

His earlier radio talkathons cost from \$1,800 to \$2,200 each, depending on the locality and the cost of radio time, he said.

In his opening speech today at the Odham Club, Odham referred to "my opponent" when he asked the street corner audience to submit their questions at the end of his talk.

Odham said "my opponent" means I do but that's ridiculous. You can ask me any question you want and you'll get an answer. I don't think you can."

He also said after a discussion of his program for economy in government, "My opponent said I couldn't put it into effect because the politicians didn't like me."

"I don't want the politicians to like me. They can go fly a kite. They are the ones who've got this country in the shape we're in."

Odham said he intended to discuss his program throughout the state at town meetings before the Legislature meets, having the voters get commitments from their legislators to support his program and a score card on the senators' and representatives' performance at Tallahassee.

"You can't beat the professional politicians and special interests in this state," he said.

Legion Auxiliary Announces Plans For Poppy Day

The annual Poppy Day sale will be conducted here Saturday by the American Legion Auxiliary, Mrs. Harry D. Russell, Poppy Day general chairman, announced today.

Women of the Auxiliary, assisted by Boy Scouts and Girl Scouts, will be on the streets throughout the day, offering the symbolic memorial poppies and receiving contributions for the auxiliary's work in behalf of disabled veterans and needy children of veterans.

The poppies will be eraso paper poppies of the wild poppies which grew between the crosses, row on row, in the battlefield cemeteries of France and Belgium in World War I. They have been made for the auxiliary by disabled veterans of both World Wars.

"This year the poppy will have added significance because of the long list of war dead from Korea which have been added to the heroic roll of those who have died for America," Mrs. Russell said. "In addition there will be increased need for the Poppy Day contributions because of the many thousands of young men disabled in the Korean fighting."

"We hope that everyone will understand the memorial poppy means honor for the nation's war dead and aid for those suffering as a result of war service and needs one of the 1944 red flowers proudly on Poppy Day," Mrs. Russell concluded.

The American Legion Auxiliary through its Americanism Campaign, Mrs. E. E. Lippincott, chairman, will present the presentation of five poppy books to the Seminole High School Library by the Auxiliary. These books are approved by the National American Legion and contain the following titles: "The Story of the Poppy," "The Poppy Book," "The Poppy Book," "The Poppy Book," "The Poppy Book."

Armed Forces Day Committees

Mayor W. E. Stepper, third from right in front row, hands John Pierson, chairman of the Armed Forces Day program, slated for this Saturday, the official proclamation for the event in front of the Navy Center Tuesday. Committee members present at the presentation were: front row, left to right, Sgt. James Wilson, John Pierson, Forrest Beckenridge, Mrs. Joel Field, Capt. J. Chittenden. Mayor Stepper, Mrs. Eleanor Ravenel, Mrs. Henry Simpson, Geneva, Mrs. Arthur Johnson, Debra, Second row: James Foster, Harry Bremer, Frank Sandler, Tim Crawford, Joel Field, Edward Burre, Denver Corbitt, Herman M. Taylor, Third row: Kenneth W. Lewis, Ernest Crowley, John Andea, J. Q. Galloway.

Meeting Is Held By County Board With Road Agent

The County Commission met in special session this morning to confer with John E. Fox, right-of-way agent of the State Road Department, regarding right-of-way deals for the Geneva Avenue improvement project from Jacksonville Avenue to the new Highway 40 bridge at Lake Jessup.

Prior to this conference, Commissioners H. B. Pope and J. P. McClelland had conferred with the executive committee of the Florida-Laughton Memorial Hospital Association, and the County Commission to work out some program that would be satisfactory to the Fish trustees.

Mr. McClelland suggested that the Commission get in touch with Mr. Leffler and have him set the date for the conference. Mr. Pope agreed to the suggestion.

Mr. C. Hagan, surveyor, pointed out that 50 feet of additional width is to be secured for the new Highway 40 right of way.

Mr. McClelland suggested that the Commission get in touch with Mr. Leffler and have him set the date for the conference. Mr. Pope agreed to the suggestion.

Rotarians Enjoy Annual Excursion On St. Johns River To Lemon Bluff

By KENT CHITLAIN
With the resounding blast of the horn and ringing of the bell, the Rotary Club's annual boat trip up the St. Johns River to Lemon Bluff was launched on Tuesday afternoon at 2:00 p. m. from the Sanford Boat Works near the Otis ten Bridge.

In all, 28 Rotarians and guests settled back to watch the beautiful scenery as the "Skyhawk" wound around the many bends in the channel while others went below for a friendly card game or to converse. An George Sline put the many of the men on deck, while the "Skyhawk" wound around the many bends in the channel while others went below for a friendly card game or to converse.

The sun cast its warm rays on the boat to counteract the cool northern breeze that kept the occupants from dozing their coats. Many of the men on deck, while the "Skyhawk" wound around the many bends in the channel while others went below for a friendly card game or to converse.

Two trophies were won for the third consecutive year and so became the permanent possession of the local Jaycees. One of these was the Fire Prevention trophy for the winning of which James H. C. G. was commended as committee chairman.

The other trophy was for Christmas activities, and Al Wallace and Richard Farrell were in turn praised for their work as committee chairman for this program.

It was reported that the local Jaycees received a first award on getting out the vote, and a second award on youth activities.

John Kader pointed out that one of the resolutions passed at the state Jaycee convention was a suggestion that emergency landing fields be marked better in order to prevent plane accidents.

A resolution proposing a toll road program for Florida was given an unfavorable report by the Jaycee Good Roads Committee, according to Mr. Williams.

Recommended favorably, he said, was a proposal to make U. S. Highway No. 1 on the east coast of the state, a limited access highway, eliminating crossroads, and having cloverleaf intersections. It was also proposed that the present two lane road be converted into a four lane highway, and that there be no toll charges.

Mrs. H. K. Ring, secretary, was highly commended for her outstanding work with the Jaycee scrap books, and was voted an honorary Jaycee amid much applause.

Volle Williams thanked Douglas Steinstrom for his report which he said was instrumental in securing for him the distinguished service award. John Kader announced that the next Jaycee state convention will be held in Daytona Beach next year.

The weather was high low fresh.

Sanford Jaycees win three awards at state meeting.

\$5 1/2 Millions Are Asked By Holland On Flood Control

Senator Tells Group Florida Has Borne Its Share Of Cost

By WILBUR JENNINGS
WASHINGTON (AP)—Sen. Holland today asked a Senate appropriations subcommittee to approve \$5 1/2 million dollars for the Central and Southern Florida flood control project for the year beginning July 1.

The House voted four millions for the project.

Holland also asked \$2,200,000 for the Intracoastal Waterway from Jacksonville to Cocoa, Fla., and \$1,300,000 for continuation of work on the John Woodruff Lock and Dam in North Florida. The House has voted two millions and 11 million respectively for the work.

Holland said in a prepared statement that the flood control project would greatly reduce flood damage, conserve water during droughts, recharge the ground water supply, resist further salt water intrusion, and help to eliminate the harmful mud lands during drought periods.

He added that Florida "in date has more than met its proportionate share of the cost of the project."

Holland said he asked the \$2 million increase to restore a one million dollar House cut in overall project and to add \$500,000 to begin work on a new levee.

The levee, known as L. 1, would be constructed east and south of Lake Okechobee. It had been recommended by the Army Engineers but was eliminated by the Budget Bureau.

Holland said the flood control project embraces about 15,570 square miles in Central and South Florida. The area includes all, or a portion of, 17 counties in South Florida, and contains about one-third of the state's population.

He said the area produced the bulk of Florida's winter vegetable crop and much of its citrus and cattle. The "highly developed industrial and winter resort area along the lower East Coast of Florida," he added, "is vitally affected by this plan and is a part of it."

The request for the Intracoastal Waterway, he said, would provide a 12-foot channel from Jacksonville to the guided missile base near Cocoa. He said the Air Force missile test center at Cape Canaveral was "keenly interested in the completion of the channel since it would facilitate movement of supplies to its base."

The Jim Woodruff Lock and Dam is a part of the Anacostia, Chattahoochee and Flint Rivers system of Georgia, Florida and Alabama.

TWO DEATHS IN FAMILY
Word has been received of the death of Mrs. Barney Dillard in Palatka on Monday. Mrs. Dillard was the mother of T. N. Dillard of Sanford. S. J. Brown, father of Mrs. T. N. Dillard, died Saturday in Palatka following a short illness.

Pace Is Called On Carpet As Bill To Probe Koje Pushed

Opposition Slate Of Delegates Is Named In Florida

Edgar Waybright Initiates List Was Prepared By Donnell

JACKSONVILLE (AP)—A slate of delegates different in most instances from those last approved by Presidential Candidate Richard Russell of Georgia was announced today as having the approval of the Democratic Party in Florida.

The list was announced by Chairman Edgar Waybright, Sr., chairman of the Duval County Democratic Committee, who said it had been prepared by Chairman E. D. Donnell of the State Committee and Richard D. Baker, newly elected Democratic National committeeman for Florida.

The list was accompanied by a statement that "it is no longer the responsibility or privilege of any candidate or party group to select or endorse a list of candidates. It is the responsibility of the lawfully elected and constituted management of the Democratic Party in Florida."

Names for at-large delegates and for Third, Fifth, Sixth, Seventh and Eighth Districts were included. The First and Fourth were omitted because "there is no one in those districts to endorse."

The statement said "it is the duty of the party officials in Florida to give information to the voters who will select delegates on May 27 who will stand in fair regard and deal for Sen. Russell and for a Democratic platform as was adopted by the party in Florida and not give way to a socialist platform."

"The party in Florida has taken a firm stand with its eyes to the front in the way of freedom and enterprise in the United States. We do not believe that the Democratic Party in Florida is willing to make any further attempt to support the socialist platform."

The delegates named are: T. Farris Bryan, W. N. Coleman, H. L. Mathis, Frank O. Taylor, Jr., Mrs. J. D. Alderman, Mrs. M. B. Fuller, Helen N. Maser, Mrs. Edward C. Waggaman.

Second District: Horace C. Avery and Mrs. Fred T. Nooney.

Third: Jake Bell, Mrs. Beatrice Cawthon.

Fourth: J. A. Boyd, Mrs. George Johnson.

Fifth: Marjorie D. Smith and Mrs. J. L. Levin Wagoner.

Sixth: Mrs. Edwin H. Andrews.

Railway Express Agency Wins Fight To Increase Rates

TALLAHASSEE (AP)—The Railway Express Agency today won its 2-year fight to increase rates on shipments to and from Florida by 10 per cent.

The increase, which will apply to first and second-class shipments, was granted by the State Interstate Commerce Commission, which in August, 1950, denied the request for the boost.

The increase will bring charges for shipments within Florida in line with rates for shipments to points outside the state. The Interstate Commerce Commission granted the Express Agency a 10 per cent increase in interstate charges in March, 1950.

The Florida commission refused to go along with the federal commission in 1950 on the ground it was unable to determine whether increased charges for shipments within the state were "just and reasonable" from evidence submitted by the Express Agency. The commission said the evidence "conflicted with annual reports made by the agency" to the commission.

The Express Agency made a new application for the rate increase in Florida in December, 1950. The commission said today that after studying new evidence it concluded the agency had proved its increased operating costs justified an increase in rates on shipments within Florida.

ATOMIC SUB
WASHINGTON (AP)—The keel of this nation's first atomic-powered submarine will be laid next month. The Navy said the work on the history-making vessel will be done at the Electric Boat Co. plant at Groton, Conn.

The actual starting date will be announced soon, the announcement said. The atomic sub is to be named "Nautilus" after the fictional craft described by Jules Verne in 1850 in the novel "Twenty Thousand Leagues Under the Sea."

General Clark Repudiates Deal For Dodd Release

New Koje Camp Chief Says There Will Be Changes Made

ROJE ISLAND, Korea (AP)—Five distant shots rang out today as newsman interviewed Brig. Gen. Hayden Boatner, new Koje Prison Camp commander. Boatner, a veteran of 32 years in the infantry, didn't move a muscle. His deputy, Col. Maurice J. Fitzgerald, dashed from the room. When Fitzgerald came back he said "Another one came over the fence."

By WILLIAM C. BARBARA
TOKYO (AP)—Gen. Mark W. Clark today repudiated the much criticized "colson agreement" with Red prisoners of war on Koje Island. "It has no validity whatsoever," Clark said.

The United Nations commander said Brig. Gen. Charles Colson, temporary prison camp commander, had accepted the agreement to "accept any of the vicious and false charges" made by the Reds.

Colson signed the statement to win the release of Brig. Gen. Francis J. Dodd, former prison camp commander. North Korean prisoners held Dodd hostage 28 hours last week. Communists are now using the agreement for propaganda in peace negotiations.

Gen. Clark announced today. "The exchange of communications between Brig. Gen. Colson and the Reds is a complete fiction. Those who were holding Brig. Gen. Dodd by force and violence have no validity whatsoever."

The circumstances under which the exchange took place from the very beginning were those of duress involving the physical threat to the life of a U. S. officer. Investigation made on the spot by the United Nations clearly prepared to manufacture propaganda for the purpose of flooding the whole world with a false issue at Panmunjom under no conditions.

"General Colson's authority to deal with the prisoners in Camp No. 16 did not extend to accepting any of the vicious and false charges upon which the Communist demands were based."

The Colson agreement, under which the POWs released Dodd Saturday night, is under heavy fire in Washington. It is under attack in command and some congressmen believe it implies the U. N. Command treated prisoners of war in inhuman fashion. All relations of the U. N. Command say this is not true.

Statements which drew particular censure and which North Korea has seized upon for new propaganda attacks on the Allies at Panmunjom were: "Many prisoners of war have been killed or wounded by United Nations forces." "Prisoners" can expect the treatment of the future." "There will be no more forcible screening."

American authorities quickly stated: "Prisoners have been killed only in incidents investigated by the Command. Prisoners themselves, prisoners have been treated humanely." (Continued on Page Two)

Galloway Reminds Slow Taxpayers

Tax payers who have not paid their 1951 tax on real estate, personal property or intangible personal property are urged to do so at once and avoid further penalties, John L. Galloway, tax collector, said today.

Interest on real estate tax not paid is at the rate of 18 percent per annum with a minimum of 3 percent, he said. The interest on personal and intangible tax is at the rate of 12 percent per annum or 1 percent per month.

Advertising rates are now being prepared on real estate, personal property and intangible personal property tax not paid and when delivered to the newspaper, the advertiser in addition to the interest Mr. Galloway pointed out. In view of this fact it is to the taxpayers' advantage to pay before the advertising lists are completed and delivered to the newspaper.

Tax on real estate can, however, be paid including the penalties up to June 27, but if not paid by then tax certificates will be sold on the same as T. B. Bales which will be held beginning noon, Friday, 27, 1952. Warrants will be issued on all personal property tax not paid 15 days after advertised and excise taxes not paid on intangible personal property tax not paid.

Congressman Insists Full Facts About Dodd Affair Have Been Kept Secret

WASHINGTON (AP)—Congressional anger over the Koje Island "kidnaping" brought a quizzing of Secretary of the Army Pace today behind the closed doors of a Senate subcommittee in the House, there was a move for a formal investigation.

Just what Pace told the Senate Armed Services Committee was not disclosed but one member reported to a newsman that Pace "said that the 'full facts' and 'story' about Koje have not been made public."

After the committee meeting, Sen. Bridges (R-N. H.) said in a Senate speech that the Senate preparatory subcommittee would investigate the incident.

However, Chairman Lyndon B. Johnson (D-Tex.) indicated in talking to a reporter that the preparatory subcommittee had no plan for formal hearings. He said it wanted to know all the facts and that Pace "promised to keep a full record on all developments."

The lawmakers generally were upset from the setback to U. S. prestige by the way Communist prisoners on Koje Island captured Brig. Gen. Francis J. Dodd, then camp commander and writing concessions from Brig. Gen. Charles Colson for the release of Dodd.

In his speech, Bridges praised the action of Gen. Mark Clark, now Pacific commander, in repudiating the concessions.

Bridges also said Pace had taken a "forthright stand" on Clark's action in relieving the generals of their command on Koje. "Bridges called the Koje incident a 'deceitful affair' which he said was being used for world wide propaganda purposes by the Communists."

D. Stuart introduced a bill for an inquiry into the incident.

The investigation proposed by Stuart would be conducted by the House Armed Services Committee.

Manfield in introducing the bill told the House:

In light of the disgraceful events which have occurred at the Koje Prison Camp these past several days, I sincerely doubt that the American people will be able to keep steadily in the confidence that they have placed in our military leaders.

"These shameful occurrences demand an immediate investigation by the Congress and the people should be kept advised of the progress of the investigation."

Co. 1 To Hold Rifle Practice At Camp Blanding

Co. 1, Sanford's National Guard Unit, will hold rifle practice at Camp Blanding, Fla., for two days, Saturday and Sunday, Capt. David Galloway, company commander, announced today. Each man will receive a rifle and be trained for record score. In addition to record firing, the men also will shoot for familiarization with other weapons of the company, including the famous "M 1" rifle, the carbine, light machine gun, the "BAR" (Browning automatic rifle) and the .45 caliber pistol.

Other weapons of the company to be fired by their crews are the 60-mm mortar and the new 57-mm recoilless rifle. Live ammunition will be used in the mortar, but the 57-mm rifle practice will be done by a substitute device which makes use of 22-clip ammunition.

The entire 3rd Battalion of the 12th Infantry, which includes units from Orlando, Eustis, Daytona and Daytona Beach under command of Lt. Col. Stewart Gabel of Sanford will participate in the practice.

Co. 1's kitchen staff will leave Sanford Friday night, and start arriving Saturday with dinner in the field. The men will stay in barracks at Blanding Saturday night, and expect to start home about 4:00 p. m. Sunday.

Sanford's Co. 1 last year won the National Guard Trophy for the highest achievement in rifle practice in the Third Army Area, which takes in the region from Florida to Kentucky, and west to the Mississippi River.
