

DESIGNED BY THE U. S. AIR FORCE as a cargo plane of "unprecedented dimensions" is the C-123 shown here in an artist's drawing. Now being built at Tulsa, Okla., the largest heavier-than-air flying craft will be able to transport 200,000 pounds of weight, twice the carrying capacity of a 10-engine B-36 bomber. The Air Force statement from Washington did not release the actual dimensions of the plane, but said that, operating with a 100,000-pound payload (half its maximum), the craft will have a range of 3,500 miles at 600 miles per hour. Total weight of plane is more than a half million pounds.

Ingrid Bergman Receives Academy Award Nomination

HOLLYWOOD — Ingrid Bergman, who last year broke a self-imposed exile and made a triumphant comeback to Hollywood films, has been honored by 14,000 motion picture industry workers with an Academy Award nomination.

Newcomer Named

Miss Bergman, the star of "Anastasia," will compete for the world's top acting honors with newcomer Carroll Baker of the controversial "Baby Doll," and three veterans like herself—Katherine Hepburn of "The Rainmaker," Nancy Kelly of "The Bad Seed," and Deborah Kerr of "The King and I."

The male nominees are Yul Brynner, "The King and I"; Kirk Douglas, "Lust For Life"; Rock Hudson, "Giant"; and an Englishman considered a dark horse surprise nominee, Laurence Olivier, "Richard III."

Local

(Continued from Page 1)

Fred Dyson told Housholder: "Certainly all of us are behind you 100 per cent—it is a must with us." Chairman of the Armed Forces Committee of the Seminole County Chamber of Commerce, Andrew Carraway, accompanied Housholder to the commission meeting this morning to request the funds.

Earlier this morning, John Krider, Manager of the local Chamber of Commerce, said several local civic clubs and organizations "are going to work for us. The Jaycees and a couple of others."

Krider emphasized that a number of people had asked how to write their Senators and Congressmen.

The Senators to be contacted by letters are Senators Sprossard Holland and George Smathers; and Congressman A. S. Herlong Jr. All three are addressed at Washington, D.C.

In a Chamber of Commerce prepared instruction sheet relative to writing the senators and congressmen, 10 instructions are given. They are: He should be addressed as Representative or Senator and not Mister. Be brief but not terse. Be specific, positive—don't hedge. Give him the local viewpoint—how the issue would affect your community, your industry, your business. Letters should be dignified. And reasonable—don't ask the impossible. But request action—your congressman was elected to do something. Make it your letter—on your letterhead, in your style, request an answer—you've told him where you stand, now ask him where he stands. Be appreciative—thank him for the good things he does.

1957 AZALEA QUEEN—Miss Marie Antoinette (Tony) Helmbeck, 17-year-old University of Florida freshman, was crowned Sunday "1957 Azalea Queen" in the revival of the famous Azalea Festival in Palatka. Tony, a member of the 1956 U. of F. Homecoming Court, is from Miami and was sponsored by the Gainesville Jaycees. The Palatka Junior Chamber of Commerce held the event with 10 beautiful girls, sponsored by Jaycees over the state, participating.

AT A BEACH in Nassau, the British West Indies, a model is wearing an orlon and knit suit, designed by Nettie Rosenstein. The suit has a stole that buttons on the back. The stole can also be worn as a kerchief. The Caribbean has a built-in bra and detachable straps. (International)

Every day... more mothers are buying Gail Borden

Vitamin-Mineral Fortified Milk

All over Florida, more mothers are buying Gail Borden Milk for their youngsters. They recognize the extra health protection this wonderful milk provides. They are making certain that their youngsters get the vitamins and minerals they need—every day! Economically, too—because Gail Borden Milk costs only one cent more per quart than regular Homogenized Milk.

Swedish Actress Marta Toren Dies Of Brain Ailment

STOCKHOLM, Sweden — Swedish actress Marta Toren died early today of a rare brain ailment in Stockholm's South Hospital. She was 31.

Dr. Goesta Von Reis, who described her condition as "hopeless" when she entered the hospital Sunday in an extremely serious condition, said that there was nothing he could do.

Miss Toren had been in Stockholm playing the leading part in a Swedish comedy hit. She was stricken after the Saturday evening performance.

Her husband, playwright Leonardo Bercovici, arrived here for a visit shortly before she was stricken.

Miss Toren went to Hollywood 18 years ago after attending Stockholm's Royal Dramatic School where Ingrid Bergman and Greta Garbo were trained. She performed in 18 movies, most of them in Hollywood.

She married Bercovici in 1932 and bore him a daughter, Christina, that year.

Speaker

(Continued from Page 1)

ies permitted the reader of the Rotarian to take long and interesting trips even while seated in his armchair at home. These and the sociological articles provided a broad understanding of the many influences on human beings and helped a worldwide feeling of brotherhood, Touhy said.

The list of authors for the Rotarian includes some outstanding personalities in the fields of letters, science, government and humanities, and wellknown names were cited.

A variety of departments of the magazine, each catering to the interests of the membership appear each month and heighten readability, it was said. The reports of what other clubs and Rotarians are doing set examples and provide inspiration to clubs and their members in fields of public service.

Touhy closed his talk with the statement that the magazine came once a month but that in the mailbox or on the table at home it did

CANCER-DOOMED Leonard K. Kersack, 27, enjoys a moment of triumph over impending death as he receives in a Detroit hospital a diploma from Wayne State University. It is handed him by Dr. Clarence B. Hilberry as his mother kisses him and nurse Nancy Battani smiles in background. Suffering from advanced cancer of the lungs and chest, Kersack has been given six months to live. His wife is in another hospital where she gave birth to a second child. At bottom, Marie C. Mulligan, who has been blind for eight years, finds his faithful dog, "Dinky," at his side in his LaGrange, Ill., home as he sees again after a cataract operation. (International)

no good. However, if it were read each month it would surely make the club member a better Rotarian.

The speaker was introduced by Myron Reck, program chairman for the day. Past president William (Bill) Bush president in the absence of Dr. Charles L. Persons,

SAFETY REMINDER

MUSKEGON, Mich. — A motorist has asked the state for automobile license plates with "07" as the last two digits.

The motorist said he had gotten seven tickets for traffic offenses and wanted the plates as a constant reminder of his bad driving record.

Double success story—the car, the man

What is behind the sensational success of Lincoln, fastest growing fine car in America? Perhaps it is this: that with a certain kind of man, the preferred mark of success is never the most obvious, the most common symbol. He chooses Lincoln for this and other reasons: for distinguished new beauty that sweeps back in sheer, clean lines—from Quadra-Lite Grille to out-thrust rear blades. For performance that

challenges them all, with the mightiest V-8 engine in Lincoln history and its new, quick-acting Turbodriven Transmission. For comfort—from Lincoln's spacious elegance and road-smoothing Hydro-Cushioned Ride. For convenience, too—even the door locks and ventilation windows are electric! See this most uncommon fine car today at our showroom. Unmistakably the finest in the fine car field.

President To Discuss Mid-East Situation On Radio, TV Tonight

DEBBIE, KEITH JR., and Mrs. Keith M. Tournay, Park Avenue Trailer Park, Sanford, greet their Daddy, Third President Dwight D. Eisenhower, (Official Photo, U. S. Navy)

C of C Fund Is Now Over \$11,000 Mark

Funds for the Seminole County Chamber of Commerce effort to keep the Naval Air Station in Seminole County are growing.

Already the total has continued to climb over the \$11,000 mark.

Pledges and checks added to the total has brought the mount to \$11,255.

Additional pledges and checks were received from: M. L. Cullum, Seminole County Laundry and Downtown Cleaners, M. T. Haynes, and Army Navy Surplus.

John Krider this morning urged all those who have made pledges to send their checks in as quickly as possible.

Interest is running high in the obtaining of funds to send a representative to Washington to be "on the scene" to investigate the possibilities of keeping the Naval Air Station, Sixth Naval District in the Seminole County area.

Already, the Seminole County Junior Chamber of Commerce is planning a campaign to raise funds for the effort. Ed Hunt, in charge of the committee, is planning to give away a brand new automobile while at the same time take contributions from local citizens to the fund.

It was explained by J. Bralley Odham, one of the spokesmen last Saturday morning in the (Continued on Page Seven)

I PLEDGE THE AMOUNT OPPOSITE MY NAME TO HELP WITH EXPENSES CONNECTED WITH THE EFFORT TO KEEP THE NAVAL AIR STATION IN SEMINOLE COUNTY:

Name _____ Amt. \$ _____
Address _____

WASHINGTON — President Eisenhower conferred with congressional leaders on the Middle East crisis today and the White House announced he would make a nationwide radio and television address tonight to discuss "this present situation."

White House press secretary James C. Hagerty refused to say whether Mr. Eisenhower would discuss sanctions against Israel in his talk.

The issue of sanctions was, however, discussed at a meeting of more than two hours between President Eisenhower and congressional leaders who are overwhelmingly opposed to any United Nations move to punish Israel.

The leaders said the U.S. attitude toward sanctions was not resolved one way or another this morning.

Hagerty said he had asked the radio and television networks on behalf of the President for 30 minutes of air time. He hoped time could be made available between 8:30 p.m. and 9:30 p.m.

Secretary of State John Foster Dulles and Henry Cabot Lodge Jr., U.S. ambassador to the United Nations, sat in on the White House meeting between Mr. Eisenhower and 26 House and Senate leaders from both parties.

Senate GOP Leader William F. Knowland, who has taken the lead in Congress in protesting any move to sanction Israel for failing to withdraw from Egypt, declined to give any details on leaving the meeting.

He said the White House probably would issue a statement later. No Decision Made

"It was a full and free discussion and an exchange of views," Knowland told newsmen. "No final conclusions were reached."

Asked if the United States is still considering whether it should support sanctions if voted by the United Nations, Knowland said only that the subject "has certainly been under consideration in the United Nations."

Asked if he believed the odds were for or against support of U.N. sanctions, Knowland replied that he was not going to speculate on that.

Weather
Considerably cloudiness with scattered showers through Thursday; low tonight 66 to 68

Medical Committee Hits Conditions At Prison Hospital

TALLAHASSEE — A medical advisory committee has charged that conditions at the state prison hospital at Raiford are outdated, unsanitary and in disrepair and that overall operations are "quite loosely run."

It recommended immediate addition of a two-story wing to the hospital and a number of other reforms to eliminate "dangerous threats" to the health and security of the inmates and staff.

The report was released Tuesday by the committee headed by Dr. Harold M. Janney, medical director of the Federal Bureau of Prisons.

The committee praised the "limited staff" at the hospital for doing a "tremendous job" trying to care for 8,000 convicts a year at Raiford and prison road camps through the state.

It said the single physician at Raiford is badly over-worked and cannot possibly give adequate medical care to all inmates.

The committee recommended that three physicians, two psychologists and a psychiatrist be hired to help the over-worked doctor, plus a supervisor of safety and sanitation, eight medical assistants and two registered male nurses.

Former Resident Succumbs Monday

A former resident of Sanford, Mrs. J. E. Clarke, died suddenly at her home Monday in West Palm Beach.

Mrs. Clarke is the mother of W. J. Clarke.

Other survivors include a daughter, Mrs. L. T. Bishop of Birmingham, Mich., and four grandchildren.

The funeral will be held in Chester, Ill.

SR-46 Widening Plans Are In Tallahassee For Final Approval

Plans for State Road 46 widening and paving are in Tallahassee for final approving prior to the letting of bids on the project.

State Road Department Public Information Director Gordon R. Elwell said this morning that the plans are currently in the Road Department's Planning Department for checking.

"We are unable at this time to give any time element as to when the bids will be asked," said Elwell, "as the planning department is seriously over-crowded."

County Commissioner John Krider, this morning said "I think we will definitely beat the April 1 deadline we had already set for the project."

It was revealed yesterday that there are a few alignments in the rights of way which require changing. However, Krider said "This is a minor problem in which from five to 20 feet more

must be acquired for the right of way."

State Road 46 is one of the projects pushed currently by the Long Range Highway Planning Committee headed by J. Bralley Odham.

The State Road 46 project will begin the east-west highway through Sanford with a connecting link into the Limited Access Interstate Highway and other highways in the Florida system.

Possibilities for connecting State Road 415 with the State Road 46 project are the talking stage and have not as yet been discussed for a final request for preliminary plans and sketches.

Announcement of the State Road 46 plans and the present plans for the Five Points to Sanford section of Highway 17-92 plans brings the Seminole County Road System road improvements nearer to the realization set up by the Long Range Highway Planning Committee of the Seminole County Chamber of Commerce.

It is expected that the final approval on the State Road 46 plans will be accelerated to meet the deadlines set by local committees and the requests of the Board of Seminole County Commissioners.

11-Story Building Collapses; Search For Victims Starts

RIO DE JANEIRO — More than 100 firemen and policemen sifted through a grotesque hill of broken masonry and twisted girders today for victims caught in the collapse of an 11-story building.

At least four persons were missing and presumed dead. Twenty-two others were injured including a worker who had been standing on top of the building inspecting a threatening crack when it collapsed.

Police said there was no way of knowing exactly how many persons were buried under the debris until the search is completed.

VAH-11 Back From Med Deployment

Heavy Attack Squadron Eleven, (VAH-11), returned to its home base at NAS Sanford this week after being deployed with the U. S. Sixth Fleet in the Mediterranean area.

This special weapons delivery squadron, commanded by Cdr. E. C. Milledahn, USN, Vinewood Dr., Loch Arbor, Sanford, has been serving since October on board the USS Randolph (CVA-15), the USS Coral Sea (CVA-43), and at the Naval Air Station at Port Lyautey, Morocco. Their primary mission is training in atomic air-weather delivery and in-flight refueling of the jet fighters of their carriers.

During the period of their deployment, the Squadron's carrier detachments under Cdr. J. H. Bear, USN, Squadron Executive Officer, on the Randolph and Cdr. J. J. Emswiler Jr. Squadron Operations Officer, on the Coral Sea, participated in the successful evacuation of American Nationals from the Suez Area, operating in the Eastern Mediterranean Sea continuously from Oct. 23 to Nov. 27.

It was during this operation that Vice Admiral Brown, Commander Sixth Fleet, released the following statement to the press: "... the Sixth Fleet is made for the job it is doing. No other force in the world can do it so well. The Sixth Fleet is a great stabilizing influence throughout the Mediterranean. It is a watchful protector of American lives and American interests. Should the need arise it will be a formidable opponent with a Sunday punch no aggressor dare ignore without regret."

Meets Required Standards

Word has been received, this morning, from the Joint Commission on Accreditation of Hospitals, that Seminole Memorial Hospital is now fully accredited.

Accreditation, Weir said, comes as a result of a survey conducted here on Jan. 11.

This means, said Weir, that Seminole Memorial Hospital has "come of age." "We have received Accreditation in less than a year of operation."

Accreditation means, said the hospital administrator that "Seminole Memorial Hospital has met the high standard of medical and hospital care" as required by the Joint Commission on Hospital Accreditation of Hospitals.

These standards, Weir said, are set by a group composed of representatives from the American College of Physicians, the American College of Surgeons, the American Hospital Association, the American Medical Association, and the Canadian Medical Association.

"With the Accreditation," said Weir, "the patient is assured that when he enters the hospital he will receive the best of medical and hospital care. It also assures the patient that the hospital has qualified personnel in all departments."

"We have the latest diagnostic and therapeutic facilities explained the hospital administrator, and the hospital plant itself is well built to the highest standards."

"It also means," he said, "that the doctors are rendering the most competent care to the patients."

Harry Weir explained that "this is a voluntary program—it is not mandatory—it is requested. It shows, he said, that the hospital is interested in providing the highest type of care for the community. "The standards required for accreditation are set up to assure the best care for today's hospital patients."

It was also explained that the survey is not a one-time survey. "They will come back periodically," Weir said, "automatically so that hospitals will meet the high standards set up by the Joint Commission."

"Very few hospitals have met their accreditation standards in less than a year," commented Weir. "This is what we have been looking forward to for a year. These are the 'whys' for the program."

(Continued on Page Seven)

Plane Overshoots Runway At SNAS This Morning

A Navy plane, attached to the Sanford Naval Air Station, overshot the runway this morning at 11:37.

Flames developed immediately as the plane left the runway. However, Navy fire trucks responded to the call immediately and fire was brought under control at approximately 11:40.

No injuries were reported in the crash which occurred while the plane was flying under instrument conditions.

Navy officials this morning described the damage as being "not minor and not extensive." They pointed out that the damage was "nominal."

Top News In Brief

CAIRO — Egypt's chief spokesman warned today that world peace is threatened by "certain imperialist countries" trying to provide Israel with guarantees in return for withdrawal from the Gaza Strip and the coast of the Gulf of Aqaba.

AUCKLAND, N. Z. — Former Prime Minister Sir Anthony Eden today belittled reports he is seriously ill aboard his New Zealand-bound ship.

PARIS — The prime ministers of six European states announced full agreement today on treating pooling their economies in a powerful customs union and merging their atomic resources.

German Specialist Offers Medical Aid To Dying Air Ace

DUESSELDORF, Germany — A German specialist offered his medical help today to a dying American credited with shooting down 29 German planes in World War II.

Dr. Josef Evers said he believes he can aid U. S. air ace John Godfrey, who has been told a rare disease, amyotrophic lateral sclerosis, will kill him within two years.

The 60-year-old doctor, a specialist in the various forms of sclerosis, said his treatment has been successful in other cases similar to Godfrey's if the patient came under his care in an early stage of the disease. Godfrey now is undergoing a new type of treatment in Fort Myers Beach, Fla.

Shipping Employers Oppose Contract; Strike Continues

NEW YORK — M. Opposition of Baltimore shipping employers to a coastwide longshore contract resulted in a continuation today of an East Coast strike of 45,000 dockworkers.

Negotiators and mediators tried again today to settle the Baltimore dispute, involving 7,400 longshoremen, but the president of the Baltimore Steamship Trade Assn. described the outlook as "bleak."

ILA President William Bradley warned that the Baltimore shippers "can hold out all week if they want to, but not a ship will move on the North Atlantic coast until they settle." Longshoremen in other ports will begin voting Thursday on ratification of new three-year contracts. But ILA leaders pledged to continue their strike from Portland, Me., to Hampton Roads, Va., until the Baltimore dispute is settled.

Florida Is Still Septic Tank State Says Health Head

JACKSONVILLE—The president of the State Health Board said that despite great progress in recent years Florida is still a "septic tank state."
 And Dr. Herbert Bryan warned "it will continue to remain the septic tank state unless officials recognize that the state is growing faster than the water and sewage program... and do something about it."

Bryan pointed out that "we have had very little rain in Florida during the past three years and it is safe to predict that you can expect considerable trouble from overflowing septic tanks when rainfalls return to normal." "Our cities and incorporated areas must continue to improve their sewage to take care of the fringe areas or suburbs," he told

CHICAGO—Senate Republican Leader William F. Knowland called for the diversion of any U. S. economic aid to the Communist nations of Eastern Europe.

"I shall oppose the taking of a single dollar from the overburdened American taxpayer to build the economic strength of any Communist country behind the Iron Curtain or to give military aid to any Communist state anywhere in the world."

WARRENTON, Mo.—John J. Barada, 34, a hardware store owner explaining how he was injured in his rescue attempts during the blaze and explosion that took uncounted lives at the Katie Jane Memorial Home:

NAS Is Important To County; Support Fund To Keep It Here

A new organization has been announced from coast to coast. One that many citizens will take part in and contribute to. It is called "Campaign for the 48 States."

And as one of their slogans they use "is America worth a penny a day to you?"

Sometimes, as you have a moment to think, put that slogan, or the reasons behind the organization, through your thinking mill — you'll come up with some ready answers both about your country and your community.

Here is the major objective — to prove conclusively that this Nation exists as a Republic of 48 Sovereign States and not as one huge unmanageable centralized government.

Well — the basic reason for using the founding of a new organization and the reasons behind it — is to point up the great necessity for "pulling together" here in Sanford and Seminole County.

As it was expressed several days ago . . . "Sanford and Seminole County is now faced with a political battle to retain its economy — the Sanford Naval Air Station."

So we can ask the question in a different sort of light — "what is Sanford and Seminole County worth to you?"

How can we value the wonderful friendships, the generous people, the lifelong friends that have been made among the Navy people here in Sanford and Seminole County?

What value do we place on the Navy being in Sanford and Seminole County?

Is the economic value of having the hundreds and even thousands of people who are "the cream of the crop" with us here in our community worth a good solid investment?

The Seminole Chamber of Commerce, through its manager, John Krider and one of Seminole County's foremost leaders, Bralley Odham, began a fund last Saturday morning to assist in keeping the Navy here in our community.

Whether your investment might be fifty cents, fifty dollars, five hundred dollars, or even more, it is needed to help swell the fund to keep someone on hand in the Nation's Capital with a wary eye on the details that surround a political battle for a Naval Air Station that is worth more to the community than a mere dollar estimate can describe.

We have seen the Navy people as co-workers, we have seen them as members of our churches, parent teacher organizations, Sunday Schools, civic organizations,

TODAY'S BIBLE VERSE

Blessed are the merciful, for they shall obtain mercy. Matt. 5:7.
Chivalry is the essence of mercy. It makes wars meaningless.

as next door neighbors — and we've seen the best people in the world.

Every single Sanford and Seminole County citizen is proud to have the Navy in Sanford and our community with us — we need them here for they make good, representative, worthwhile leaders and citizens.

Sanford and Seminole County means something to the Navy, too! We musn't forget that fact.

We have the area here whose weather conditions are the finest that can be found — comparable to any spot on earth for Navy training. Navy expansion, and Navy operation. We have the area in which the Navy can operate 365 days a year without interruption.

There are friendly, wholesome, wonderful people here in Sanford and Seminole County who hold open arms of gratitude and hearts full of love for the fine people who have come to make their homes with us. And it takes friendly people to make the Navy happy wherever they go.

To be sure — we don't have a nightclub city. That's the reason living in Sanford is such a treat. It's the people, the quiet atmosphere broken only by the whine of a jet streaming by, the lush countryside, the area for home building, the thickly grown areas for hunting, the lakes and streams for fishing and boating, recreational areas for children and grown folk. These things go together to make an ideal spot for the United States Navy and its air base.

And now, the time comes when we must protect our economy — and the Navy's economy. But it will take dollars to furnish the protection.

There's a coupon on the front page today for every person who would like to contribute to the fund being established to send a representative to Washington to look out for our city and county.

'Housepower'

We Americans have an amazing amount of mechanical power at our command, to use at work and play. To take one obvious example, today's automobiles pack huge amounts of horsepower under their hoods — more, indeed, than many think desirable.

But there is one area — and a highly important area — in which tens of millions of people just don't have enough power for today's requirements. It is called "housepower." That word covers the adequacy or inadequacy of your electric wiring, outlets and switches.

The "housepower" problem is a big one. It is estimated that more than 20,000,000 homes need modernization of wiring. And that figure is not just made up of older ones.

A great many homes of recent construction are seriously short of electrical capacity.

There are certain definite signs to tell you you are one of the millions who need more "housepower." If fuses frequently blow, or your electrical appliances are slow to heat, or lights flicker, or the picture on the TV screen shrinks, you're putting more load on your home's electrical system than is safe and proper.

The reason for the "housepower" problem, of course, is that we Americans want more labor-saving devices and other electrical appliances. A determined effort is now underway to persuade the American home owner to bring his "housepower" up to par if it isn't there now. We can make no better investment — in comfort, convenience and safety.

'Greatest Show On Earth' Will Hit Road Again

By CHARLES E. SMITH

United Press Staff Correspondent
SARASOTA (UP) — The big top has folded but "The Greatest Show on Earth" must go on.

The circus did not die last July 16 when John Ringling North abruptly ended the annual tour in Pittsburgh with an announcement which brought heartbreak to performers and a nostalgic choke to the throats of thousands, young and old.

Ringling Brothers and Barnum & Bailey Circus is preparing to hit the road again, playing in indoor arenas and ball parks instead of beneath the big canvas which became a part of the American scene.

Fifteen hundred persons a day flocked to winter headquarters here to watch the daring young men and women limber up for 40 days in Madison Square Garden in New York and shorter stands in Boston, Providence, R. I., Rochester, N. Y., Hershey, Pa., Norfolk, Va., Charlotte, Raleigh and Winston-Salem, N. C., Washington, Baltimore and Philadelphia.

Never the Same

Across the street from the main gate sit oldtimers who say it will never be the same. "It just won't be the real circus," said a former roustabout. "There's nothing like working around the circus grounds until past midnight and then coming into the train for a good meal, a few drinks and a poker game. You usually would drink and play cards until three or four in the morning and then go to bed. You'd wake up in a new town and the excitement would be starting all over again."

The circus no longer will travel on its own train, furnish its own sleeping quarters, cook its own food in a special house. It meant a slash from 1,300 to 250 employees.

"The big change," explained General Manager Arthur Concello, "is that we've gone out of the hotel business."

The 200-acre winter quarters is littered with relics left to rust and rot. A hundred railroad cars stand idle on sidetracks, their gleaming silver and red paint blistering and peeling beneath the Florida sun. The bright lettering around the pictured head of a roaring lion is starting to fade.

Economic Reasons
The tent shop and cookhouse are boarded up. Elephants and horses graze lazily near a rundown corral. In the distance lies the animal graveyard.

Road Treasurer Rudy Bundy says the circus had no choice but to fold the big top. The company which used to transport its own ushers and ticket sellers, has cut back to find a firmer financial footing. Bundy estimates expenses will be slashed from \$175,000 to \$60,000 a week.

The circus gets in a man's blood, and performers who left last summer are trekking back to Sarasota.

They are optimistic.

Equestrian Director Bob Dover says the new setup is "the greatest thing that ever happened to the circus. Most of us had to live in a car with 30 or 40 other people. Now it will be a lot cleaner and better for everyone."

"Now," he added, "we will be able to take at least one shower a day."

MOUNK BITES POSTMAN
MIAMI (UP) — Miami mailmen who took 53 dog bites in their stride last year now have another nipper to contend with.

Postmaster Samuel R. Vallero said one postman was bitten by a mouse nesting in the back of a rural mailbox.

Veterans Corner

Here are authoritative answers from the Veterans Administration to four questions of interest to former servicemen and their families:

Q. My three-year deadline for starting Korean GI training is only a few weeks away. I am recovering from an operation and I won't be able to enter training in time. Could I possibly file an application before the deadline and actually start my studies afterwards?

A. This would not be possible under the law. The law requires veterans actually to begin GI training within three years from date of discharge. Filing an application alone is not enough.

Q. I am a Korean veteran and some day I plan to buy a house with a GI loan. Is my deadline the same as for veterans of World War II, in July, 1958?

A. No . . . The GI loan for Korean veterans is January 31, 1968. The July 23, 1958, deadline for applying for loans is only for World War II veterans.

Q. I have been receiving disability compensation payments from VA throughout 1956. Must I pay Federal income tax on these payments?

A. No. All VA benefit payments including disability compensation are exempt from taxation.

Q. How do I notify my VA district office that I have changed my address? I have a GI insurance policy.

A. On the inside flap of the VA premium payment envelope is space for filling in your new address and sign your name. VA will change its records accordingly.

Veterans living in Central Florida who wish further information about their various benefits should write or visit the VA office at 42 E. Central Ave., Orlando, Florida.

A PILOT'S SEAT that "flies like an airplane" is shown undergoing full-scale model evaluation at the U.S. Air Research and Development Command's test site at Holloman Air Force Base, N.M. The revolutionary new Lockheed ejection system is actually a parachute, equipped with wings and tail fins for aerodynamic stability. The built-in chute opens automatically at a predetermined altitude and speed. Its objective is to insure safe escape from aircraft traveling at more than 1,300 miles an hour.

News Briefs

WASHINGTON: Rep. William H. Ayers R-Ohio on the House Veterans Committee rejection of a bill to raise interest rates on GI home loans to 5 per cent.

"Without an increased interest rate the GI loan in my opinion is a dead duck. The committee has made a serious mistake."

FICHMOND, Ind.: Mrs. Cynthia Coraditti, 23, who married seven men but divorced only four, on being sentenced to 90 days in jail for bigamy.

"I only came to the police to be helped, not to be judged."

CHICAGO: Everett R. Clinchy, head of the National Conference of Christians and Jews, predicting the possible "re-emergence" of the Ku Klux Klan in the South.

"If the southern people are afraid of intermarriage let's assure them that mixing at the polls and in schools or restaurants does not lead to intermarriage."

NEW YORK: F. R. Kappel, president of American Telephone & Telegraph Co., reporting that the record 1956 net income of more than \$750 million of the Bell Telephone System was inadequate to finance future expansion.

"The Bell companies are applying for rate increases in many states and will vigorously pursue this program."

WASHINGTON: Sen. Theodore F. Green D-R.I., chairman of the

UN Due For Chill Look By People

By LYLE C. WILSON

United Press Staff Correspondent
WASHINGTON (UP) — Considerable evidence is accumulating that the United Nations is due for a long, maybe chill look by the American people.

This organization of 80 member nations was accorded a special place among the generally accepted pillars of freedom and representative government along with religion, good works, free public education, home and mother.

Now a magnificently reared 12 year old, the UN more likely than not must prove itself to the special place freely accorded it at its inception in 1945. The earliest and sharpest complaint against the United Nations was in protest against the use to which the Soviet Union was permitted by the UN Charter to make of its veto power.

A Dead Weight
That Communist veto was and is always a potential dead weight to UN council action against ma-

for Communist felonies anytime, anywhere. The UN council was able to move in the 1950 Korean crisis only because the Soviet Union delegate earlier had walked out in protest on another matter.

To the veto aggravation now are added others to which Republican Senate Leader William F. Knowland Calif. invited public attention in a speech here before a university audience. The principal points made by Knowland against the UN to which he is a United States delegate, were these:

—The trend toward UN acceptance of a double standard of international morality.

—The trend toward bloc voting in the UN.

—The aforementioned Soviet use and abuse of the veto.

Compliance Big Factor
Perhaps the most serious dam-

age to the standing of the United Nations in the United States has been its failure or inability to obtain compliance. Among the nations which have flouted the UN council or assembly recently are in addition to Israel, the Soviet Union on Hungary; India on Kashmir, Egypt on Israeli use of the Suez Canal.

Considering the foregoing, Knowland made a statement which, also, is remarkable: He said that on its record so far, no free nation "dark risk its security on the United Nations' ability to function effectively."

If so, there soon will be much to urge that the UN does not justify its existence, to say nothing of qualifying as anchor-man for U. S. foreign policy. That is the vital role assigned the UN by Presidents Truman and Eisenhower, in turn.

Try and Stop Me

By BENNETT CERF

TWO NEWSPAPER PUBLISHERS in Missouri were bitter rivals for years. One was only temporarily depressed when his enemy was elected senator. In a lead editorial, he explained

airily, "His new post adds no dignity to a man of this stripe. He is like a balloon. The higher he rises, the smaller he looks!"

James Branch Cabell, author of "Jurgin" and a score of other best-sellers, vacations in Ophelia, Virginia. "Spelled as in Shakespeare?" queried an incredulous friend. "Of course, snapped Cabell. 'Ophelia is a tiny hamlet!'"

The leading poet — and drinker — in a certain town in Illinois has indeed become a mal of distinction. For years he slept under bridges and viaducts, but now he's switched to culverts.

YOU'RE TELLING ME!

By WILLIAM RITT

Central Press Writer

THAT Philadelphia resident who announces proudly he has reduced his weight by 225 pounds in the last six years deserves praise for doing his share in reducing the congestion in our big cities.

Wonder if that Florida turtle which swallowed a fountain pen when it fell into a pool now suffers from writers' cramp.

When a fellow insists that he cares absolutely nothing for the opinion of others — ask him why he sneezes!

See where still another community has legislated against hitch-hiking. Thanks down on thumbs up?

The man at the next desk says he has a pal who is an old-fashioned he is still using last year's issues of commemorative postage stamps.

Sleep is a blessing at all times.

Social Events

Collegiate Echoes

The spring intern program for senior education majors is now getting under way at all Fla. colleges. At this time those students who are planning to teach, go into the school of their choice for ten weeks getting actual experience in all phases of teaching. Several from Sanford are taking part in this program.

Margaret Morrison, elementary education student at Stetson began her internship on Monday in Daytona Beach. She is interned in a third grade classroom.

Ellen Driggers, another Stetson student, is now interned at DeLand High School. Since her major field is English, she will be teaching English for ten weeks. Also interned in DeLand High School will be Bobby Morris, senior at Uoff. Since Bobby hopes to teach Agriculture he will be interned in that field.

Pinecrest Elementary School, here in Sanford will be privileged to have Nancy Rountree, student at FSU, interned there under Mrs. Davis, second grade teacher.

Another item of interest to you Sanfordites might be that Mr. E. H. Cowley, bandmaster at Seminole High School, has an intern with him for the next ten weeks. This is Dean Kells, music education student at Stetson, who is from Powell, Wyoming.

Also interned in Seminole High School will be Dick Lyster, physical education major from Stetson whose directing teacher will be Coach Fred Ganas. Dick is the brother of Coach Bud Lyster, member of the SHS faculty, and is quite a basketball star with the Stetson Hi-Hatters.

Bob Reely is as proud as punch to have made the Symphonie Band at FSU and is looking forward with great anticipation to the band tour which begins February 21. This tour will take the band to Ocala, Bradenton, and other Fla. cities. Ronnie Anderson is also a member of the Symphonie Band and will be taking the tour.

Bob's major at FSU is music education with an emphasis in piano. Ronnie is a business administration major, having just recently changed from education.

Mr. and Mrs. Jack Burney are quite excited in making preparations to drive up to Atlanta and Georgia Tech. This weekend to visit their son Larry, a freshman at Tech. But even more thrilled are Dottie Williams and Jeff Fubry who are accompanying the Burneys at the bid of Larry Burney and Robert Miller. The big occasion at Tech this weekend is the Pi Kappa Alpha (Pike) fraternity Spring Formal to which Larry will be escorting Dottie. Although Robert is not a Pike, I know that he and Jeff have a big weekend planned. Hope it's all as wonderful as it sounds!

We hear that Harold Pale, sophomore, has transferred to FSU from Uoff as of the beginning of this semester. Good luck in your new school, Harold—here's hoping that it's all you're expecting it to be!

Tommy Wyatt and Bob Reely have just finished their initiation into Lambda Chi Alpha fraternity at FSU and have moved into the Lambda Chi house as roommates. Part of their initiation consisted of "road work". Bob has quite a feat to perform in Gainesville while Tommy had to travel all the way to Atlanta to perform his.

Of you will remember, James Davis is president of this Lambda Chi chapter this semester. Coming home for a bit of rest this weekend will be Jimmy Bollinger, junior at Uoff.

Monday night the Stetson Glee Club gave concert at Bethune-Cookman College in Daytona Beach to the enjoyment of all concerned. Among the members of the Stetson Glee Club are

Bride-To-Be Feted By Shower Monday Night

Miss Barbara Chapman, bride-to-be of J. G. Moore of Daytona, was honored with a shower last night, given by Mrs. Clarence L. Powell and Mrs. James Ekern in the Powell home.

An arrangement of pink carnations and Tercet Sweetheart azaleas was placed between two pink tapers on a tablecloth of embroidered madras. Crystal and silver serving pieces completed the table setting. A table laden with gifts for the bride-to-be was decorated with rosettes of lace doilies and pink ribbon contrasted with madras vine over an embroidered madras cloth.

The hostesses planned a variety of games to entertain the guests. Those winning prizes were: Mrs. J. G. Moore, Miss Barbara Flint, and Mrs. Maude Humphrey.

Refreshments of a sweet course with mints, nuts and coffee were served after Miss Chapman opened her gifts. Little white wedding bells tied with ribbons made up the favors.

Those present included: Mrs. George Touky, Miss Barbara Flint, Mrs. W. E. Baker, Mrs. Nancy Brook, Miss Elsie Farley, Mrs. Nondas Gray, Mrs. Roy Henon, Mrs. James Powell, Mrs. F. C. Williams, Mrs. H. B. McCall, Mrs. W. E. Curry, Mrs. O. K. Goff, Mrs. Maude Humphrey, Mrs. Harold Heckenbach and Mrs. Berke Steele. From Daytona were: Mrs. J. G. Moore, Mrs. R. C. Shrick, Mrs. A. K. McBride, Mrs. S. C. Cooper, Mrs. Wilson and Mrs. D. E. Chapman.

A grey and wine satin comforter was presented to Miss Chapman by Mrs. Powell and Mrs. Ekern.

We hear that Elizabeth Woodruff had a tremendous time at Alpha Tau Omega fraternity weekend of Uoff this past weekend as the guest of Joe Davis, member of this fraternity.

Mrs. Epps Gives Talk On Gardening At Club Meeting

ALTAMONTE SPRINGS—The Altamonte Springs Garden Club had a very interesting speaker at its meeting last week when Mrs. A. W. Epps Sr. of Sanford gave an instructive talk on gardening with native material she explained that two-thirds of the plants grown in North America are found in Fla. and that many of the native plants may be found in the woods and transplanted to home gardens with very excellent results.

One hundred fifteen members, guests and winter visitors attended the covered dish supper which preceded the program.

At the business meeting following the program, K. A. Jute, finance chairman, suggested that the club choose as a project the erection of a shuffleboard court for the use of local residents and visitors. The project was approved by the members and plans were made for a turkey dinner to be held Mar. 7 to raise funds for the shuffleboard court.

Several proposed changes to the bylaws were read and will be voted on at the annual meeting of the club on Mar. 14.

Calendar

WEDNESDAY

The Senior High Fellowship will meet at the Church at 7 p. m. for recreation.

The Mid-Week Bible Hour will be conducted by Rev. A. G. McInnis, Pastor of the First Presbyterian Church, at 7:30 p. m.

The Chancel Choir meets for rehearsal at the church at 7:30 p. m.

The First Baptist Church will observe Christian Emphasis Week Feb. 17 through Feb. 24. Dr. W. G. Stracener, editor of the Florida Baptist Witness, will preach and Kirby Rogers will be the song leader.

The Civic Dept. of the Woman's Club meets Wednesday with a luncheon at 12:30. Six members will present a panel discussion and a market basket sale will follow.

The regular luncheon meeting of the Business and Professional Women's Club will be held in the Yacht Club at 6:30.

Miss Carol Steady Will Teach Dance In Legion Home

ALTAMONTE SPRING—Miss Carol Steady will be at the American Legion Home, Old Glory Post No. 183, located on Prairie Lake Wednesday, from 2 to 4 p. m. to take registrations for classes in tap, ballet and aerobatics. Classes will be held each Monday from 2:30 to 5 p. m. Feb. 25, at the Legion Home.

Miss Steady is a graduate of Royal's School of Dance she studied there for eight years. She has just returned from Sulline College, Bristol, Va. where she studied under Madame Resna Sklarsky for one year. Miss Steady has worked with the Florida Symphony Ballet Co. for four years.

For information on rates for ballet, tap and aerobatics, call Orlando 4-7354.

Church Group Raises Funds

An offering of \$440 was taken Sunday, at the morning services in the Casselberry Community Methodist Church. The offering was given to purchase tile for the church annex floor. The floor is to be furnished this week.

The young adult class of the Casselberry Community Methodist Church, the Christian Homemakers Class, sponsored a ham dinner Saturday night. They served approximately 175 dinners, and netted the class \$102.45.

Dorcas Class Meet Monday At Church

The Dorcas Class of the Central Baptist Church, ended their first six-weeks contest with a chili supper at the church Monday night. The losing side prepared and served supper to the winners.

A handkerchief shower was also given for Mrs. J. Rance Cantrell, a member, who is returning to her home in Hendersonville, N. C.

Attending were: Mr. and Mrs. J. Rance Cantrell, Mr. and Mrs. Leon R. Bass, Mr. and Mrs. R. L. White, Mr. and Mrs. H. E. McSwain, Mr. and Mrs. T. N. Dilard, Mr. and Mrs. A. B. Maddox, Mr. and Mrs. Fred Yeackle, Mr. and Mrs. G. H. High, Mrs. J. W. Parham, Mrs. J. R. Weaver, Mrs. T. B. Brown and Patty, Mrs. Ethel McCoy, Mrs. Al Johnson, Mrs. R. W. Hartman, Mrs. Frank Robbins, Mrs. J. L. Galloway, Mrs. Jewell Smith, Mrs. O. G. Owens, and Frank Noel III, David Noel.

The Junior Choir will meet for rehearsal and fellowship at the Church at 2:45 p. m.

The Sunday School Council meeting will be held at 7 p. m.

The Youth Choir will meet for rehearsal at 7:30 p. m. at the Church.

The Deacons will meet in the Session Room at 7:45 p. m.

The First Baptist Church will observe Christian Emphasis Week Feb. 17 through Feb. 24. Dr. W. G. Stracener, editor of the Florida Baptist Witness, will preach and Kirby Rogers will be the song leader.

Intermediate Choir of the First Baptist Church will rehearse at 7 p. m. and the Adult Choir at 8 p. m.

The Ladies Aid and Missionary Society of the Lutheran Church of the Redeemer will meet at 7:30.

Please bring Missionary boxes.

Christian Emphasis Week is being observed by The First Baptist Church. Dr. W. G. Stracener, Editor of the "Fla. Baptist Witness" will speak and Kirby Rogers will lead the singing.

The U. of C. will meet at the home of Mrs. George Bishop on Hibiscus Dr. at 3 p. m., Feb. 22. There will be a talk by Mrs. A. K. Rosetter on Sidney Lanier. Mrs. E. H. Laney will serve as co-hostess Sunday.

The Junior Choir of the First Baptist Church will rehearse at 5:30 p. m. Monday.

The Friendship League of the Congregational Christian Church, will hold its regular meeting in the Fellowship Hall, at 1:30 p. m. Feb. 25.

There will be a meeting of the Sanford Story League Feb. 25 at 8 p. m. in the Episcopal Parish house. Mrs. Lucyanne Robison will direct the program and the theme will be "Candles for Courage".

The Baptist State Sunday School Convention will be at Daytona Beach, Feb. 25 through Feb. 27, at the First Baptist Church.

The Baptist State Sunday School Convention will be at Daytona Beach, Feb. 25 through Feb. 27, at the First Baptist Church.

The Brotherhood of the First Baptist Church will have their monthly supper and program meeting at 7 p. m.

Now Hear This!

by BETTY O'CONNOR and IRENE DULEK

A meeting of the E. M. W. C. was held Monday evening at 8 at the U. S. O. Presiding over the club was Mrs. Howard Miller. Devotions were led by Mrs. Lillian Ogles followed by the minutes being read by Mrs. Doris Shortland and the treasury report by Mrs. Marian Holmes.

During the meeting Mrs. Jackie Fenwick accepted the responsibility for the writing of the

"Now Hear This" column. Mrs. Fenwick asked that anybody in the enlisted ranks call her with any news of get togethers, coffee, trips, transfers or anything that may interest your friends and neighbors.

Immediately following the adjournment, Mrs. Esther Piskorski was introduced and after a short review of the film, the members watched the excellent thought provoking film, "Preface to a Life," sponsored by the Women's Club of Sanford through the Mental Health Association. Guests of the club who enjoyed the evening were: Mrs. Dorothy M. Dahm, Mrs. Bettie Place, Mrs. Clara Carey, Mrs. Lillian Ervin, Mrs. Margaret Milton, Mrs. Norma Bone, and Mrs. Betty L. Green.

Members who attended the meeting were as follows: Mrs. Marian Holmes, Mrs. Camilla Myers, Mrs. Alice Pulver, Mrs. Lillian Ogles, Mrs. Diane Lanier, Mrs. Doris Shortland, Mrs. Rhoda Andino, Mrs. Alice Drake, Mrs. Joanne Fleischman, Mrs. Vala Dean Kelsay, Mrs. Colleen R. Winship, Mrs. Irene Dulek, Mrs. Betty O'Connor, Mrs. Betty Miller, Mrs. Bobbie Wilson, Mrs. Joyce Williams, Mrs. Gladys Carter, Mrs. Jackie Fenwick, Mrs. Beverly Yaw, Mrs. Lucy Churchill, Mrs. Mildred Coleman, Mrs. Ruby Dixon, and Mrs. Adele Reittman.

The membership drive of the EMWC is on till Mar. 25 at which time a dinner will be held in their honor.

The advisory board of the EMWC will be held at the home of Mrs. Betty Miller, Thursday evening at 7:30. Chairmen of the committees, board members and officers of the club are asked to be present.

Miss Myrties Schedule

Feb. 20 1:30 p. m. Sewing group, Council Center 7 p. m. Ceramics Class.
Feb. 21 1:30 p. m. 4-H Club Pine Crest School 7 p. m. Art Class
Feb. 22 7 p. m. Lake Monroe Home Demonstration Club
Feb. 23 11:30 a. m. 4-H Radio Program
Feb. 25 1:30 p. m. 4-H Club Lake Monroe School
Feb. 26 10 a. m. Geneva 4-H Club
2 p. m. 4-H Club Paola school
7:30 p. m. Horticultural school

BIRTHS

Dr. and Mrs. C. L. Persons proudly announce the birth of their daughter, Tina Jean. Tina was born Monday at the Seminole Memorial.

Seminoles Take Early Lead But Lose Game To New Smyrna 38-58

Clyde's Grill Is In First Place

Standings of the Mixed League Bowling have become very interesting—and extremely complicated—the past two weeks, and especially after Thursday night's games last week.

Standings are something like this: Clyde's Grill only took one win in last week's action but remained in first place for the second week with 12 wins against 8 losses.

Clyde's Grill lost their two games to Harvey's Plumbing Co. which, in turn, gives Harvey's 11 wins against 7 losses, putting them in second place and tied with Powell's Office Supply, who only took one game, losing two games to Sanford Bowling Alley.

This leaves the Sanford Bowling Alley sitting in the middle of all six teams with 9 wins and 9 losses. Tomorrow night they will battle it out with Clyde's Grill.

The question on the local bowling scene is: Will Clyde's Grill keep first place or not?

Webb's Camera Shop hit the pins hard last Thursday night and took two games from Seminole Dry Cleaners, putting the shutterbugs in fifth place with seven wins and 11 losses.

All this leaves Seminole Dry Cleaners hitting on the bottom with four wins against 14 losses. All teams are really bowling and trying hard to pick up those pins and are close behind one another; actually it's still anyone's game.

High Game last week, 204, was bowled by Doc Chambliss. High Series, 507, was bowled by Eugene Gill. Lillian Donat bowled high game of the women with a striking 188 and Dot Powell had a series high of 451. High team single was 199 by Clyde's Grill, but that's considerably short of the yet unbeaten mark set by Powell's Office Supply, an 835.

Harvey's Plumbing Co. holds high team three on the league with a 2215. Lillian Donat still has the high game for the League, a 224, and Harold Ring is still top in the high series department with a 547. Eugene Gill has high average of 173 and Ellen Betts still has high average for the women, 153.

Tomorrow night Sanford Bowl-

Even after the end of the first half, when the Seminole were trailing by two points, it looked as though the warriors were about to avenge themselves of the 78-34 defeat they suffered at their first meeting with the New Smyrna Beach Barracudas, but after the third stanza play resumed the Seminole found they couldn't outfight foul-outs and towering heights and succumbed to New Smyrna's battering attack 38-58 in a poorly officiated game in the Seminole High School auditorium 87m.

The Seminole jumped to an early lead in the first quarter and battled gamely to keep their edge throughout the first quarter as they bottled up 6-5 Bill King for the night.

Leading 12-10 at the end of the first quarter the Seminole seemed to be the more aggressive and their unorthodox play-patterns caught the towering Barracudas off guard.

A good Elks benefit turnout became restless in the second half as the atrocious mis-calling of one referee caused the game to get more than commonly rough and tumble.

King, the New Smyrna kingpin who outscored the entire Seminole team on a first meeting, found himself wound tightly in mothballs by the Seminole defenders and the Barracudas had to throw their fortunes to senior Gilbert Chisholm who led the field with 16 points.

In the third quarter the Seminole were beginning to feel the

Club To Sponsor Little League Team

The Altamonte Springs Community Club will get plans underway to sponsor the 1957 baseball Altamonte Little League and Bala Ruth team at an important meeting of the club, to be held at the Community House Thursday, at 8 p. m.

The club has sponsored the baseball teams in the past and hopes to extend the program shortly. All members are urged to be present for the meeting.

ing Alley will play Clyde's Grill. Harvey's Plumbing Co. will bowl against Webb's Camera Shop. Powell's Office Supply will play Seminole Dry Cleaners.

Action that will determine who will break the first place, tie, or who will take over the domination of the League will be determined tomorrow night at 8 p. m.

pangs of conservative play as both Ken McMurray, who aces the defensive play and Mike Tammy, who largely controlled the backboards despite a height disadvantage, rolled up four fouls each.

In the fourth quarter the Barracuda margin widened as McMurray and Tammy were benched with fouls and the responsibility fell on the shoulders of Seminole's scrappy freshman, Ray Lundquist, who led the losing field with 11 points.

The first half witnessed the Seminole in a cool, calculated ball handling situation as they controlled the ball until the intermission.

Somewhat enraged at misjudges committed against both sides, both teams lost their calmness and the game opened up and the Seminole found themselves unable to match basket for basket the efforts of the much taller Barracudas.

Lindsay Carr was the pace-man for the victorious Barracudas and was second man on the courts with 12 points.

Most of the spectators left well pleased with the Seminole effort and many voiced high hopes for the season when the Seminole will field an experienced team with a lot of aggression.

Phil Byrd and Bill Tyre proved to be tough ball-hawkers for the Seminole as they took over the duties of McMurray and Tammy, although they failed to crack the tally column.

Bruce McCoy was called into duty in the last half, where he played a respectable even promising, defensive game.

Tiny Cecil Dandridge, the fireballing sophomore, was the pivot man for the battling warriors who seemed last night to be in a late bid for an upset.

SHS Baseball Team To Be Named Soon

Sanford Seminole baseball coach Dave Laude said this morning that he would probably have a tentative starting nine picked by the end of the week or the beginning of next week.

With the opening game of the season little more than three weeks away the baseball mentor said he had a full schedule for his charges just working over the fundamentals. The March 16 season opener with Winter Park will kick off a building year for the Seminole baseballers Laude said.

"We have a lot of good material on the way," Laude said, "and we will be doing a lot of work on fundamentals during the season trying to develop it."

Laude said that the team would measure favorably this year with the exception of the pitching staff. "We have a crying lack of pitchers," Laude said. "So far we have only two, and that will be a big load for the boys."

Laude said this year would be a perfect one for building. "We have some fine seniors to serve as a nucleus," he asserted. "They have experience and know-how that will spread to these younger boys with ease, and at the same time we are so short on senior personnel that the majority of the team will be made up of juniors. That will mean that the younger boys will learn a lot from both examples of the seniors and experience in games."

Laude said that at least a half-dozen is expected.

JV Quintet Scalps Baby Barracudas 48-45 Last Night

The fired up Sanford Seminole JVs redeemed themselves of a previous 72-28 beating last night as they went on the warpath and scalped the taller Baby Barracudas 48-45 in a thrilling preliminary battle last night in the Seminole High School auditorium gym.

JV mentor Dick Silvers attributed the victory that kept the entire audience on its feet in the exciting last quarter that proved to be a battle down to the wire.

The game was a calculated and somewhat slow offensive game for the Seminole and they controlled the ball and forced the Baby Barracudas out of their well developed zone defense.

Leading 7-6 after the first quarter the Seminole passed the ball 4 back and forth near mid court until their bated trap paid off. Then they fell in on the kill and extended their lead by another six points as they tallied for 16 points against the Barracudas' 10.

After the intermission the Baby Barracudas put their device to work and hampered the Seminole offensive action and narrowed the margin by three points, but the Seminole never lost the lead in the exciting encounter.

In the final stanza the New Smyrna Barracudas began to threaten the domination of the game for the first time, and with only two minutes left in the game moved to a 45-45 deadlock. By

Mantle Is Having Trouble With Leg

By OSCAR FRALEY
United Press Sports Writer
NEW YORK (AP) — This could be the year of decision in the Hall of Fame case of Mickey Mantle and the portent is not too encouraging.

Mantle finally had a great year last season as he won the triple crown. But guys like Willie Mays and Jim Konstanty could tell him that one swallow doesn't make a spring.

And there is evidence again that, while the Oklahoma kid may have the power of Babe Ruth, the speed of Ty Cobb and the fielding ability of Joe DiMaggio, he also has the fragile legs of a Chippendale chair.

Everyone Gets The Shakes
The Yankees from brass hat to batboy—got the shakes over the weekend when it was reported from the Ball Players' Golf Tournament in Florida that Mantle's right leg was swollen and painful him. It was said by other players that his leg looked wobbly and the American League's Most Valuable Player used a cart, reserved on most courses for players over 60, to cut down on his walking.

Small wonder the Yankees were alarmed. Because Bill Dewitt, who left the Yanks recently after a hitch as assistant general manager, revealed subsequently that the management pales every time Mickey takes a shower, for fear he might slip on the soap, and almost faints every time he goes after a tough fly ball or slides into a base.

Now, Mickey says, the swelling is something new again and the question rises as to how much his brittle underpinning can take.

When you think back to three years ago, and remember how they were leading the since-eclipsed Mays, you wonder what now for Mantle. One big season isn't a ticket to Cooperstown and, while he has the gas, it's a question now on whether he has the wheels.

this time cheering was resounding through the SHS auditorium as both teams were well represented by the attendance.

Not until the final 20 seconds of the game did the Seminole have the insurance of the game. Three free throws by Clifford McKibbin and Tommy Rutter urged the Seminole to the front 48-45 as the game ended.

DURABLE KNICK By Alan Mayer

HARRY GALLATIN, IN HIS 9TH SEASON WITH THE NEW YORK KNICKS, IS CONTINUING TO PROVE ONE OF BASKETBALL'S MOST DURABLE PERFORMERS—HIS CONSECUTIVE GAME STREAK IS OVER 64.

AND HARRY DOESN'T JUST SHOW UP FOR THE GAME, EITHER. HE'S ONE OF THE LEAGUE'S TOP REBOUNDERS, AND HAS BEEN THE KNICKS' 2ND BEST PLAYER FOR 7 SEASONS.

Conring The News

BY VIRGINIA CONN

Paul and Nella Speltz and three children left today for Washington, where Paul has found them a house so many have left here for duty in Washington that a reunion up there would be a big affair.

Rosemary Duncan gave the first of many farewell parties for Lil Gray Monday night. Nearly all of the HATU wives were able to attend, but no less are being shed. Lil will be here until school is out, when she will join O. B. in Washington. He is leaving next month. Washington's birthday games were played, and Lil was presented with two rolling pins autographed by the girls. Knowing Lil, I doubt if she will ever use them. Helen Griffin was selected to be the model from HATU at the forthcoming fashion show to be given by the Officer's Wives Club in Mr. Rosemary's home. A delicious punch and a great variety of equally delicious sandwiches and cakes. Attending were Dottie King, Betty Lemos, Muriel Gildwell, Helen Griffin, Polly Savage, Anita Hadden, Mike Stone, Clara Lynch, Jane Tegfield, Mallie Barlow, Mac Edwards, Lil Gray, Mildred Loper, Betty McClane, Treeta Michel, Mary Millaps, Betty Mountcastle, Ruth Norvell, Ida Radtke, Virginia Shaffer, Spook Hook, Camille Metzger, Sally Weigle.

The Doolays and the Michels are going to see War and Peace tonight. Doesn't that sound exciting?

The Station wives played bridge today at Muriel Hawkins' home. Muriel served a luncheon of consommé and sandwiches. Attending were Bru Northridge, Katie Jackson, Joy Webber, Bea Hamrick, Dottie King, Mike Stone, and Lucille Mitchell. Lucille won first prize, Bea second and Dottie low. Joy received the deuce prize.

Have you read the February issue of Pagan magazine? In it a Yale psychology professor named Sy Fritz Redlitch is featured for his work in modern witchcraft. By an odd coincidence Redlitch is the name of one of the characters in the current Theatre Guild presentation. The Redlitch in the play is portrayed by Dutch DeWitt. Of course none of this makes sense if you don't know that Bell, Book, and Candle is about a modern witch, but I assume that you do by this time. Incidentally the price of the tickets for the production is a dollar for adults and fifty cents for students. There is a special opening night ticket for one-fifty which entitles the purchaser to a party at the Mayfair after the play. There one may meet all the great stage personalities who have been seen during the evening. Incidentally, I understand that George Dabbs is doing a superb job in his part as Sheppard Henderson. He has only had the script for eight days, and believe me, that's work.

State's Polio Rate Higher; Adults Are Urged To Get Shots

JACKSONVILLE — State health officers warned today that 1957 may be an epidemic year for polio in Florida and urged all adults to protect themselves with Salk vaccine.

The State Board of Health reported that so far this year 20 cases of the disease have been reported, exactly double last year's total at this time. Four new cases were listed in the state during the week ending Feb. 15, three of them paralytic cases.

"It's still too early in the year to tell what these figures mean," said Dr. Wilson T. Sower, state health officer. "But there is a very large portion of the population which has had no vaccine at all. And because of that fact we could very well have an epidemic among the unvaccinated group."

HELL SHOW 'EM

CINCINNATI — The Post Office Department put a hex on the effort of Don Foyner to mail his "do it yourself" voodoo kits, guaranteed to "put a hex on someone." When the department declared the kits a fraud, Foyner vowed, "We'll fly in witch doctors from Haiti to testify for us if we have to."

Lions Count 18th Win By Defeating FMA Quintet 89-27

By MARIAN JONES

OVIDO — In a game that was too lopsided to be of much interest the Ovido Lions came through with their 18th win by defeating Florida Military Academy here last night by a score of 89-27.

Ovido jumped to the lead quickly as the game started and it was smooth sailing from then on. The Florida Military Academy was held without a field goal until the second quarter.

The first quarter ended 21-4 in favor of the local lads.

Half-time score was 48-11. Carl Fabry, 6 foot 4 center for the Ovido team, led with 20 points. Ferdinand Duda was second with 10, and Tom Brown 17.

The FMA boys were led by John Arlyn with nine points.

This was indeed a different game from that we saw Friday night in the Davis Armory, Orlando, when the Ovido lads tangled with the famous Bishop Moore Quintet. Winning by a score of 41-40 in the final seconds of the game on Luther Duda's tip-in as Ferdinand Duda's shot rolled out of the basket.

In the preliminary, the Ovido B. String team had easy sailing all the way through with Coach Miller switching from his best B String boys to his second B string team and even to the third one.

The score was 68-19 in favor of the local boys after a half time score of 35-7.

AMONG 800 JEWISH REFUGEES from Egypt, Mrs. Lina Shammah (left) and her sister, Mrs. Yolanda Huta, are shown as they left the Egyptian ship *Mur* at Piraeus, Greece, while en route to Israel with their children. Mrs. Huta told newsmen said she had been fired from her job with an Egyptian oil concern because she was Jewish. Mrs. Shammah is on her way to Israel for a reunion with her husband.

Colored News

After having been out of school all of the first semester because of illness, Laura F. Fulton has returned to her job as third grade teacher in Hopper Elementary school. Mrs. Fulton resides at 1120 Locust Ave. with her husband, Samuel Fulton. Her mother, Mrs. Fannie E. Prater of 415 E. 4th St., stayed with the Fultons when her daughter returned from the five weeks stay in Seminole Memorial Hospital here. During Mrs. Fulton's absence, Mrs. Mattie L. Cherry was the substitute teacher.

The Highway G. E. S. Quartette Singers will appear at Goldsboro Elementary School next Monday night, Feb. 25, at 8 p. m.

The school is located on West 17th St.

Actress C. Baker 'Woman Of Year'

CAMBRIDGE, Mass. — Carroll Baker was named Tuesday the "Woman of the Year" of the Hasty Pudding Club of Harvard.

The actress who was nominated for an Oscar as the best actress of the year for her role in "Banjo Doll", received an engraved scroll and miniature hasty pudding pot from the theatrical group.

Mrs. Baker, 22, reverted to her movie role when she informed club members in a southern drawl that she had never gone beyond the fourth grade. She said if she could go to college she would make it Harvard. Actually, Mrs. Baker is a graduate of St. Petersburg, Fla., junior college.

Local

(Continued from Page 1) gram we have set up," he said. The personnel and staff are proud of the record they have achieved and deserve to be highly commended for making this accreditation possible. Weir said this morning as he made the announcement.

In the letter, advising Seminole Memorial Hospital of its accreditation, Director of the Commission, Dr. Kenneth Babcock had this to say: "The Commission wishes to commend you for maintaining standards deserving of accreditation and for your constant effort to improve the quality of patient care."

A HAIR-RAISING JOB

HOLLYWOOD — A youthful actor Jan Merlin says his life lately has been a case of hair today and gone tomorrow. Last week he was cast as a cadet in a CBS-TV "West Point" story which required a nearly cue-ball-like haircut. This week he needed to have hair patches glued all over his noggin to play the part of a young gunman in a "Zone Gray Theater" teleplay.

Longwood News

By Joy Cralter

The Pinocchio Club met with Louis Knoll at his home on East Lake Ave. Saturday evening. Those playing were: Mr. and Mrs. Charles Wiles of Fern Park, Mr. and Mrs. Norman Godfrey of Pearl Lake Heights, Mrs. Maude Tupper, Mrs. Cassie Maiera, and John Hollister of Longwood.

Mr. and Mrs. John Coufourt of St. Petersburg Beach, were weekend guests of Mrs. Coufourt's parents, Mr. and Mrs. Arthur Thompson.

The Contract Bridge Club met with Mrs. Charles Uicklos Thursday afternoon at her home on Grant Ave. Those playing were: Mrs. Leroy Neumann, Mrs. Eva James, Mrs. R. Carlson, Mrs. Gladwin.

Mrs. Cassie Maiera, and Mr.

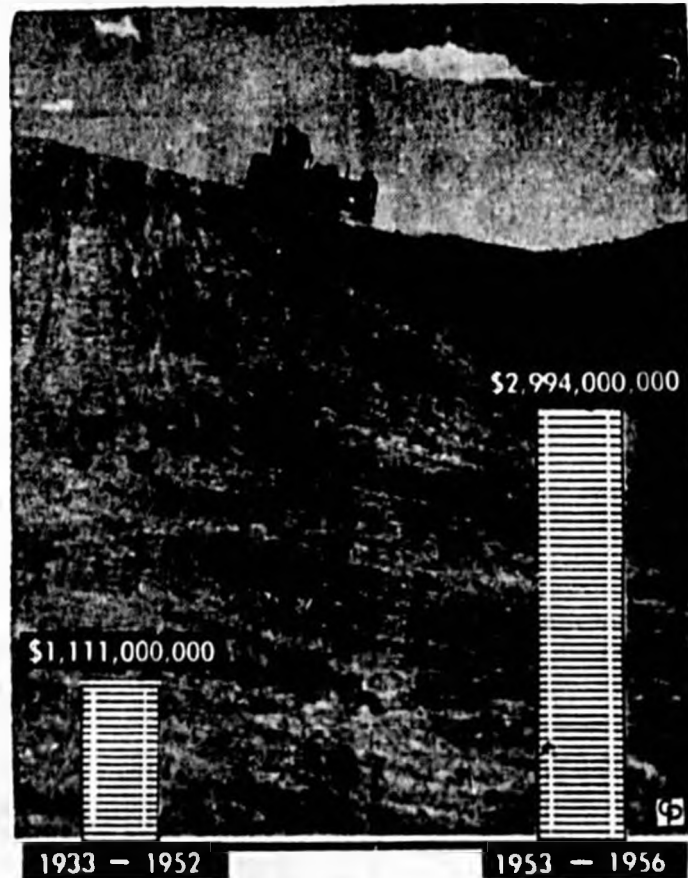

and Mrs. Winn Curtis returned Saturday of Delray Beach and Miami; where they visited friends.

Mr. and Mrs. Fred Wagner arrived Thursday from Newark, N. J. They are spending two weeks with Mr. and Mrs. Harry Dauber.

Howard Eaton, son in law of Mr. and Mrs. Claude Layo, has moved here from Webster, N. Y. Mrs. Eaton is expected soon. At present Mr. Eaton is employed in Orlando.

Mr. and Mrs. Kline of Garden City, L. I. are guests of Edwin Schwaiger. They recently spent two weeks in Miami.

Mr. and Mrs. Ward Lambert are here from Petersburg, W. Va. Mrs. Ralph Munasing is here with them.

THIS PICTURE-CHART illustrates the report of the Commodity Credit Corporation that the government's losses in supporting farm prices were nearly three times greater during the first administration of President Eisenhower, 1953 through 1956, than in all the previous 20 years of farm programs, from 1933 through 1952. As of Dec. 31, 1956, the government owned surplus farm products costing \$5,892,000,000, and had issued loans amounting to \$2,319,000,000 on crops withheld from the market by farmers. C of C Reports Funds Urgently Needed As Contributions Lag

MRS. CAROL DOW as she posed for pictures yesterday in the General Henry Shelton Sanford Memorial Library which was recently dedicated. Mrs. Dow, daughter of General Henry Shelton Sanford, came here to be present when the new library building was dedicated. (Staff Photo)

Mrs. Dow Is Named 'Outstanding Lady Of Year' By DAR

A signal honor has been extended to the daughter of the founder of Sanford, Mrs. Carol Dow.

Yesterday, the board of management of the Sallie Harrison Chapter of The Daughters of the American Revolution named Mrs. Carol Dow as "the outstanding lady of the year" because of her historical contribution to the City of Sanford.

Mrs. Dow, Regent of the local D. A. R. Chapter made the announcement this morning as Mrs. Dow makes plans to return to her home in Derby, Conn.

Mrs. Dow yesterday met with members of the General Shelton Sanford Memorial Library and Museum Committee to have pictures made with them and to have her picture made among the many books and articles of the library which she had contributed to the City at the formal dedication of the library building.

At present, Mrs. Dow is staying at the home of Mr. and Mrs. N. Howard Brewer at their lakeside home on Silver Lake. Mrs. Brewer is descended from the Sanfords in Connecticut.

Mrs. Dow said "I am charmed with Sanford and hope to return here next season." Her plans are to return to Derby, Conn. this weekend.

NEW YORK (AP)—Ludwig Rahn, Polish delegate to an agency of the United Nations who failed to appear before a Senate internal security subcommittee in Washington, may leave the country before midnight, informed sources said today.

AUCKLAND, N. Z. (AP)—Former British Prime Minister Sir Anthony Eden, weakened by two shipboard attacks of fever, walked off the liner Rangitiki with the aid of a cane today and told a news conference "I am feeling better now."

WASHINGTON (AP)—Senate Democratic Leader Lyndon B. Johnson said Wednesday night he regrets President Eisenhower's call to "bring pressure" on Israel alone to withdraw its troops from Egypt.

UNITED NATIONS, N. Y. (AP)—The Israeli cabinet called an urgent session today to consider the threat of American backed U. N. action against Israel. First indications were Israel would stand firm unless a last minute "miracle" developed.

UNITED NATIONS, N. Y. (AP)—Israel refused to budge today from its demand for guarantees before withdrawing its troops from Egypt despite pleas from President Eisenhower and the threat of United Nations sanctions.

LONGWOOD (AP)—A special meeting of the Town Council has been called for tonight at 8 p. m. to discuss with property owners the paving of Church St.

All property owners are urged to attend this meeting.

LONG HILLS (AP)—Springfield, Mass.—A letter carrier John J. Fopiano is retiring after 40 years' service during which he hiked an estimated 100,000 miles.

Contributions to the fund to be used by the Armed Forces Committee of the Seminole County Chamber of Commerce in an effort to retain the Naval Air Station, Sixth Naval District, in the Seminole County Area are lagging. Reports from the Chamber of Commerce office this morning show that no additional funds have been received and that only one check in payment of a pledge made to the fund has been received.

The total for the fund remains this morning at \$11,253.

At a meeting last Saturday morning it was revealed that at least \$18,000 to \$25,000 would be needed, and possibly a greater amount in order to fight the political battle necessary in an effort to keep the proposed Naval Air Station in this area.

Several organizations are reportedly working toward raising funds for the Armed Forces Committee. The Jaycees, yesterday, were reported planning to award a brand new automobile to a contributor to the fund. Details of the plan have not as yet been released.

All funds, Chamber of Commerce Manager John Krider said this morning, are being handled exclusively by the Armed Forces Committee of the Chamber of Commerce with R. J. Bauman as treasurer.

Funds not used in the effort to retain the base in Seminole County will be returned to the contributors, said Krider. Clifford McKibbin, as president of the local Chamber of Commerce and R. J. Bauman as treasurer, will sign all checks.

Efforts will be made to rejuvenate the interest in the funds necessary to keep a representative from (Continued on Page 4)

Motorists Driving Without '57 Tags Subject To Arrest

TALLAHASSEE (AP)—Motorists driving without 1957 license tags today were subject to arrest for a misdemeanor.

The legal deadline for purchasing the new tags was last midnight. The tags will be sold during the rest of the year, but it is against the law to drive with 1956 tags from now on.

Police generally are lenient for the first few days following the deadline and issue warnings instead of tickets.

Farm Operators Offered Advice

Farmers subject to self-employment tax must have a social security number in order to receive social security credit, Byron R. Patton, manager of the central Florida Social Security Office said yesterday. He offered the following advice to farm operators who have a net profit of \$400 or more from self-employment from the farm and any other business:

If you do not have a social security card apply for one at your nearest social security office. If you have lost your card, ask for a duplicate card with the same number.

If it is not convenient for you to go to a social security office, you may obtain a blank application at your post office. Fill it out and mail it to the social security office serving your area.

If you already have a social security number, do not apply for another. Use the same number to report any and all earnings.

Your account number must be shown on Schedule F of your income tax return to insure proper credit to your social security account. Failure to furnish the correct number may result in loss of benefits.

Edward, Don't Point!

HARTFORD, Conn. (AP)—Five-year-old Edward Garrity, who likes TV westerns, saw political posters on the highway and told his mother: "Oh, Mommy, look! All those men are wanted for murder!"

Society of which he was a past president.

Survivors are his widow, Mrs. Ethel M. Smith, Sanford; two sons, Dr. J. A. Smith Jr., New Smyrna Beach; William P. Smith, Sanford; five grandchildren, two brothers, Perry G. Smith, Charleston, W. Va.; S. D. Smith, Kentucky, W. Va.; and one sister, Miss Florence Smith, Kentucky, W. Va.

Funeral services will be held at 2 p. m. Friday at Brison Funeral Home with the Rev. W. P. Bruckner Jr. officiating. Burial will be in Oak Lawn Memorial Park.

Funeral Service Friday Afternoon For Dr. J. Smith

Dr. James A. Smith, 68, died at 5 p. m. Tuesday in New Smyrna Beach at the home of his son, Dr. J. A. Smith Jr., after an illness of two months.

Born May 31, 1888, in Fletcher, W. Va., of an "old and honored" family, he attended public schools in West Virginia, Marshall College in Huntington, W. Va., Valparaiso University in Indiana and taught public schools in West Virginia. In 1915, Dr. Smith graduated from the Chicago College of Medicine and Surgery and in 1913 at which time he came to Sanford.

He was a member of the First Baptist Church here, Masonic Lodge, Community Medical Association, Florida Medical Association and Seminole County Medical

Plane Hits School Garage; Pilot Killed

THE SANFORD KIWANIS CLUB enjoys luncheon at the New York Glants Farm System dormitory on Mellonville Ave. yesterday. Shown as Edwin Shinholser, Club President expresses appreciation for having been invited to have their Wednesday luncheon at the building, are (Left to Right) Paul Kruse, Steward; Frank Mebane Jr., Manager of the Mayfair Inn; David Smith, program chairman; Carl Hubbell, Director of the New York Glants Farm System; and Shinholser. (Staff Photo)

Students Reported Safe

HERTFORD, N. C. (AP)—A plane crashed into a garage at Perquimans High School today, setting the building afire.

Authorities said the pilot of the plane was killed and a mechanic working in the garage was missing and feared dead.

Mayor V. M. Darden said no students were injured. The garage is located about 150 yards from the school.

Three or four mechanics were working in the garage when the plane hit, Darden said. Several were injured.

The building was engulfed in flames, Darden said.

The students were in classrooms when the crash occurred about 10:30 a. m. The school building was evacuated in an orderly fire drill conducted by teachers.

The garage housed school buses. A number of buses were reported destroyed by the fire. Ambulances and fire equipment were sent to the scene.

Hertford is in northeastern North Carolina about 16 miles west of Elizabeth City.

The plane was reported to be a Marine or Navy craft from nearby Edenton, N. C., an auxiliary Marine air station is located near Edenton.

Alert Out For Three Dangerous Convicts

Three escaped convicts were possibly in the Central Florida area last weekend according to reports this morning from law enforcement officials.

A statewide alert is out today for the three armed and dangerous convicts who had seized a prison bound bus for Raiford and fled through central Florida during the weekend.

Details of the escape were not released until late yesterday.

Sheriff J. W. Dunn of Titusville said the trio seized control of a bus transporting 15 prisoners to Raiford State prison Friday. The men knocked out the surprised guard with their handcuffs, freed themselves with his keys and fled near Raiford. The 12 other convicts were taken to the state prison without incident.

First reports stated that the trio, using the guards gun, stole two cars in the Sanford area Friday and Saturday.

However, the Sanford Police Department and the Seminole County Sheriff's Office report that no cars were stolen in this area last weekend. The reports were also verified by the two law enforcement agencies with the Florida Highway Patrol.

It was said that the men were possibly in a 1957 Black Bel Air Chevrolet stolen in Cocoa bearing a 1956 license tag and that a 1957 Pennsylvania license tag was stolen.

The Seminole County Sheriff's Office was notified that the three escapees may have ditched the car in the Sanford area. However, a search of the county has not turned up any evidence that the three men are in this area.

Sheriff Dunn, at Titusville, (Continued on Page 8)

Bank Facility Will Be Established Soon Aboard Naval Base

The Sanford Naval Air Station will have a bank facility as soon as final details are received here, Captain Robert H. Jackson, Commanding Officer of the local base, said yesterday.

Word was received, said Captain Jackson, that the United States Treasury Department has authorized the Florida State Bank to establish a bank facility at the Sanford Naval Air Station. Notification to the local officials of the Naval Air Station came from the Navy Comptroller.

The facility will be established in the old Naval Air Station Brig area, Captain Jackson commented. This area is opposite the base theatre which is centrally located.

It is understood that the facility will conduct normal banking business including check cashing, the sale of travelers checks, Christmas Club and deposits.

DAV Surpasses Membership Quota For Fiscal Year

Sanford Chapter No. 30 of the Disabled American Veterans has surpassed its membership quota for the current fiscal year of the organization and will receive a special citation in recognition of its achievement. As of February 1, the Chapter had a total of 54 members.

Announcement of the award was made by Joseph F. Burke of Bayonne, N. J., DAV National Commander, who commended officers and members of the Chapter for its work in behalf of disabled veterans.

Commander Burke said in a message sent from DAV National Headquarters in Cincinnati: "Most disabled veterans are adjusted to their physical handicaps and learning to live with them, but it is vital that they band together to protect this nation's rehabilitation program."

"We know that the war handicapped wants the right to live and raise his family in as nearly (Continued on Page 8)

Slovak Day To Be Observed Sunday

Sunday, February 24, 1957, beginning at 12:00 noon will see the Americans of Slovak descent of Florida celebrate their Fifth Annual Slovak Day in Florida at the Slovak Garden, a Home for American Slovaks, located on State Road 434 between Maitland and Goldenrod.

This also celebrates the fifth birthday of the founding of the Slovak Garden, which is an Old Age Home. Each year has seen progressive improvements of the Home and of the Retirement Village adjacent to it called Slovak Village.

The Festivities will start with a typical Slovak Meal. There also will be a bazaar, Folk Music, Folk Costumes and Good Fellowship.

The Principal Speaker for the (Continued on Page 8)

ANOTHER SANFORD FIRST! Patrick Fruit Corp. took first prize and a blue ribbon for the "best fruit" of all varieties at the Florida Citrus Exposition. A prize of a television set was won and the box of fruit shown with the new Citrus Queen was auctioned to a New York buyer for \$100. (White Photo)

East Coast Dock Workers Ordered Back To Work

NEW YORK (AP)—Striking East Coast dock workers were ordered back to work today despite local disputes in Baltimore and Norfolk, Va., that continued to idle 10,000 members of the International Longshoremen's Assn.

Settlements in both ports were imminent, however, and indications were that all 45,000 dock workers affected by the strike would be back on the job by Monday.

Thousands of dock wallowers were expected to respond to shape up calls today in East Coast ports where settlements have been reached, although not yet ratified. But many piers, including several in New York, were not expected to be manned until accords are reached in Baltimore and Norfolk.

The back-to-work movement of New York's 25,000 longshoremen coincided with the settlement early today of the port's 20-day strike of 4,000 tug and barge crewmen that had immobilized 400 harbor craft and cut off 70 per cent of the city's fuel deliveries. The tugboat men, members of the United Marine Division of the National Maritime Union, will vote on a new two-year contract Friday morning, returning to work the same day, provided the pact is ratified.

Giants' 'Official Family' Introduced To Kiwanis Club

The Sanford Kiwanis Club yesterday had the first look at the New York Glants Farm System's dormitory building on Mellonville as Carl Hubbell, Director of the Farm System and Paul Kruse, Steward, conducted the members on a tour of the sprawling two-story building.

Local Kiwanians held their luncheon meeting in the huge dining room that will take care of the feeding of more than 300 youngsters who will be here for the tryout camp and spring training.

John Krider, Manager of the Seminole County Chamber of Commerce, and member of the Sanford Kiwanis Club, spearheaded the effort to have the New York Glants to return to Sanford for their spring training activities.

Yesterday, introducing the "official family" of the New York Glants here, said: "This is the first time a major league club has made a solid investment in a community to train a hall club."

"It would take a long time to review all that has been done," Krider said and he added, "hundreds of people have cooperated with the Sanford City Commission going all out to help."

Carl Hubbell drew a standing applause as he was introduced to the Kiwanis membership.

Frank Mebane, manager of the Mayfair Inn was introduced as a member of the "official family."

Paul Kruse said that baseball players and staff personnel would begin arriving on March 1. Kruse is in complete charge of the new building and will have the responsibility for housing and feeding the more than 300 who will be here.
