Global Comment

H. L. Hunt Says:

ing the next four years. Mr. Humphrey is right now displaying the courage and strength which has characterized his public career since cleaning up the City of Minneapolis as

He is being attacked by an organized, militant minority. If a man should be known by his friends, it is certainly true that his enemies finish the pic-

ture with the harsh outlines of such an attack. Running through the Humphrey career, like a golden thread which binds together but never limits, is the vision, the devotion to the good of all people, the skill which could frame and the ability which could guide legislation to correct obvious inequities. No one by now can be uninformed about the hurdles which the Man from Minnesota must take be-

As vice president he was part of the Lyndon

B. Johnson administration but in a non-policy making position, if present information can be taken as Yet it is the issue of the Vietnam War which

now devils the presidential candidate of the Democratic party. Almost everywhere he turns he finds his old issues, those he championed when few would pay any more than lip service, being adopted by his pol-

We believe that Mr. Humphrey would not only be the best candidate to sit in the White House when viewed by global-focussed eyes, but we are sure that his presidency would be one in which the problems of Florida, even Seminole County or Sanford, would not be lost in the Washington maze. All of us remember his visit to Sanford when he

was the house-guest of our leading industrialist Jeno F. Paulucci. Messrs. Humphrey and Paulucci are old

Just as the Democratic presidential candidate ex-

emplifies the rise from small-town politics to that of that will demand notice, could even change the entire a major participant in national and international affairs, so does Mr. Paulucci-a fellow Minnesotanexemplify the great opportunities our nation affords to a man with vision, ability and a passion to succeed

In making this endorsement of the Democratic presidential candidate we do not and would not downgrade the so far very successful drive of a unified Republican party to place Richard M. Nixon in the White House. This is the second such try by the Nixon Republicans.

Lessons learned in 1960 are not being ignored. Far from it. They are being given priority. But we would remind them that this is not the world of 1960. We are a nation now in ferment. There are new questions being asked everyday. We do not hear any

down as solid planks.

presidency. True he has high hurdles to take, Given answers from the Nixon camp that can be nailed the chance to show his own strength and abilities we are sure he would win. To that end we would ask Before Nov. 5th there is every reason to expect that there will be events which will change the elec- that Hubert H. Humphrey be judged on his own testtion picture. custardlike base. This popular dessert is usually flavored with lemon, but this new lime version is delicious and should be welcomed.

## **Lime Pudding** Is A Delight

Associated Press Food Editor small bowl, beat egg yolks Associated Press Food Editor
One of the most popular puddings in American cuisine comes in layers—a cake-like top and a custard like bottom.

Perhaps this pudding has intrigued cooks over the years because, although it's a two-part affair, it's made i one mixing and separates during baking.

Originally this dessert started out as a tempo pudding. But

Originally this dessert started out as a lemon pudding. But cooks eventually began to give it orange flavor. And this year a really adventurous cook came up with a grapefruit version.

Bake in a preheated 350-degree oven until top is firm when touched with fingers and deli-From the original lemon pud touched with fingers and deliding it's just one step to lime— cately browned—about 50 miand that's the flavor the follow. utes.
