FIRST CHURCH OF CHRIST, SCIENTIST
800 East Second Street
Sunday School 9:30 A.M.
Morning Service 11:00 A.M.
Wednesday Service 8:00 P.M.
Reading Room Tuesdays and Fridays
3:00 to 5:00 P.M.
"Substance" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday September 10.
The Golden Text is: "Bring ye all the tithes into the storehouse that there may be meat in mine house, and prove me now here with, saith the Lord of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it" (Mal. 3:10).
Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth" (II Tim. 2:15).
The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "To divest thought of false trusts and material evidences in order that the spiritual facts of being may appear—this is the great attainment by means of which we shall sweep away the false and give place to the true" (428: 8-12).

HOLY CROSS CHURCH (Episcopal)
Rev. H. Lytle Zimmerman, R.D., Rector
10th Sunday after Trinity
8:00 A.M. Holy Communion
9:30 A.M. Family Service and Church School

Liver Troubles
H. K. Ring, D. C.

It is commonly known that if action of the liver is abnormal there is a general feeling of lassitude, weakness, flatulence, etc. This is often attributed to a sluggish liver which covers a multitude of sins.
The liver consists of millions of cells which possess life. Science has proven that this life which is possessed by every tissue cell in the body is the result of the energy coming from the brain via the nervous system. The liver functions without conscious thought but not without brain action.
If along the path of transmission of this vital energy from the brain to the liver something interferes with the transmission there will be a change in quantity or quality of vital energy. This will result in abnormal function of the liver.
The logical way to correct the abnormal function of the liver is to remove the interference to the transmission of vital energy from the brain to the liver. The spine is the only normal place this may happen. Therefore, locating and adjusting the misalignments and maintaining the integrity of the spine will result in normal transmission of vital energy from the brain to the liver cells. Normal transmission will bring about normal function.

War Correspondents Are Finding Makeshift Shack Their Happy Home

By DON WHITEHEAD
(For Hal Boyle)
KOREA —(AP)— It will be a sad day for United Nations news correspondents if the North Korean Reds ever capture Happy Holler Hall.

We have come to love this old clapnet of a building. It has housed us for weeks. It's the main base for most of our journeys to the front.
The rain slants through its broken windows. The bathroom facilities are crude, to say the least. And the flies are with us to stay, despite DDT and other bug-killing wonders of modern science.
But it's home for the reporters of many nations. The warmth of friendship within its walls will be a memory that cannot be erased—even by the Reds.

Associated Press columnist and correspondent Hal Boyle gave Happy Holler Hall its name soon after we moved into the rambling, two-story frame building. The war was new then. A few of us puny old grads from World War I put cots in one room, promptly labeled the "Sheep Room." There we separated the sheep from the goats.
The goats were banned to the outer darkness of other rooms. Rules for the "Sheep Room" were simple: sleep is for goats. And if you don't like the sleeping, get out!

Then Frank Conroy of the New York Journal American—an old sheep from World War II—had an inspiration. He proposed an "apology hour" from 9 A. M. to 9 P. M. daily. This has become the period for apologizing for all the insults of the night past.
This is the hour of penitence when wounded feelings must be soothed and outraged pride restored.
It should be a national institution—this apology hour.

In past weeks a former prime minister's son has been insulted in Happy Holler Hall. In turn, he has insulted some of his colleagues.
Distinguished British and American journalists have hurled angry words at each other—but apology hour has never failed to restore calm in Happy Holler Hall.
In a room with curtained windows, typewriters are pounded

throughout the day and night. Correspondents about over the telephone, dictating stories to Tokyo, while their competitors lounge nearby with ears bent to hear what is said.
Some one once commented that the last man on the telephone has heard the best story, because he has heard the reports of all of the others.
But Happy Holler Hall has two dictators. They are South Korean houseboys—Kim and Ynu. They edit the newspapermen for untidiness. They police the rooms, take care of the laundry and frown disapprovingly at anyone using profane language.
Between chores, they study English diligently and keep a close and anxious watch on the progress of the war.
Kim and Ynu look after the "Sheep Room" as though the correspondents were their special wards. When you return to the front, they rush out to greet you—their faces shining with pleasure.

Although several miles from the front, Happy Holler Hall has its exciting moments. Times was the time a bomb dropped near the building; and the nights that Red shells lobbed over the house.
After nightfall, correspondents can sit on a little balcony and watch the fireworks of artillery, machinegun tracer bullets and flares against the distant dark hills.
In the harshness of the war, Happy Holler Hall has been a zany but cheerful place where the heavy burden of the conflict can be shed, briefly at least.
And the inhabitants all agree with the reporter who remarked: "We've got to get the boys out of the trenches by Christmas."

Mobile, Ala.'s New Year's carnival originated spontaneously in 1831 and has been carried on since as an organized affair.
Manhattan Island's first water reservoir was built in 1776.

CARD OF THANKS
Mrs. Gertrude Morgan and Mrs. Eulalie Ferrell and family of 518 E. Sixth Street, Sanford, Fla., wish to thank the many friends who expressed thoughts of sympathy in the death of Leroy Ferrell.

Thinking of the Long Pull?

Better Buy Buick!

If that car of yours has put its best days behind it, there's no time like right now to think about starting out afresh with a taut, new, up-to-the-minute motor-car with all its mileage still in it.

And there's no better place in the world to start than with the beauty pictured here, for a variety of reasons.

For one thing, this Buick SPECIAL is a quick-stepping Fireball valve-in-head straight-eight that's priced lower than some sixes.

For another, it's built with typical Buick ruggedness through and through—a hunk that can take a lot of years without crying "Uncle!"

Then, too—this high-styled beauty is proving to be one of the most economical Buicks ever built—easy on gas, easy on upkeep, easy on you in its soft, floating, light-handling comfort.

It even comes with Dynaflow Drive* if you like—and Dynaflow means that you will never have to service or replace a friction clutch, and that rear-end or transmission servicing—even engine upkeep—are cut to a minimum.

*Standard on ROADMASTER, optional on other Buick models.

Of course, you can't see all of this in the brief span of a trial drive.

But you can experience the good solid feel of Buick strength beneath you. You can satisfy yourself on the lightness of the controls, the utter smoothness of Dynaflow, the quick surge of Buick's Fireball power.

All such things will tell you that this is a car you'll be glad to live with for a long time to come—and you need only to ask your Buick dealer for a demonstration to see precisely what we mean.

Why not call on him soon to talk about signing up?

27 Soldiers Are Killed As Spirit Of St. Louis Crashes Troop Train

About 75 More Are Injured When Train Carrying National Guardsmen Wrecked

COSHOCTON, O., Sept. 11.—(AP)—Thirty-two persons were killed early today when a passenger train crashed into the rear of a stalled troop train in the fog. Coroner William R. Phoad reported. The coroner said the figure was at least 22 and possibly more. He placed the injured at 10 or 15. Fort Hayes at Columbus said it had compiled a list of 27 soldier dead, and 41 injured, 20 of them critically.

COSHOCTON, O., Sept. 11.—(AP)—The Spirit of St. Louis, crack passenger train of the Pennsylvania Railroad, ploughed into a troop train stalled by mechanical trouble in thick fog early today.

Twenty-seven soldiers, all members of the Pennsylvania National Guard, were killed. Approximately 60 other Guardsmen on route to Camp Atterbury, Ind., to enter federal service, were injured.

Railroad officials said, "We won't have anything on cause of the wreck until after an investigation is made."

Most of the dead and injured were in an old fashioned coach at the end of the 20-car troop train. Some were sleeping, others were being awakened for breakfast when the crash occurred at 5:15 A.M. (Eastern Standard Time).

The rear coach looked like a pile of tin cans and rubbish after the crash.

Old Hurricane Off North Carolina As New One Builds Up

MIAMI, Fla., Sept. 11.—(AP)—An aging hurricane skirted the North Carolina coast today while another storm churned westward in the Atlantic 1,000 miles east of Florida.

Storm warnings were up from Cape Hatteras, N.C., to Cape Ann. Small craft in the area was advised not to venture into open water.

The Danish freighter Paris, her engine dead, wallowed in the path of the storm. The tanker Amtrak stood by and Coast Guard cutters sped to the scene.

A hurricane was moving northward at 13 to 15 miles an hour and highest winds were estimated about 100 miles an hour over a small area east of the center.

Winds of near hurricane force (75 miles an hour) extended outward 75 miles to the north and east with gales covering an area.

"Hot Rod" Driver Does 90 On Park

A young "hot rod" driver, seeking to outrun a speeding police car Friday night, failed to make the turn from Park Avenue into Seminola Boulevard, was slung beneath his overturned 1934 Ford coupe. He received only a minor cut on the ear. A companion escaped injury by diving out the window down on in the grass by the boulevard.

Raymond Thomas Hall, 19, the driver, is in jail, pending trial this afternoon. His nephew, Curtis Hall, 18, who was in the car with him, was not held.

Patrolmen Jack and Joe Hickson saw Hall flash past the Archer Inn at a high rate of speed, gave chase, and later reported that Hall reached a reckless speed of 80 to 95 miles an hour on Park Avenue through five traffic lights to the lake front.

Another arrest for speeding was that of Robert O. Bagwell, charged by police with exceeding 70 miles an hour on West First Street.

GUN CLUB RE-ORGANIZES
Members of the Seminola Gun Club Inc. will gather for a picnic at the park grounds, (rear of the City Hall), every Wednesday from 2 to 4 P. M. Syd Goode announced today.

Shooting practice will be held at the Air Port range on the third Saturday of each month from 2 to 4 P. M.

Those for both picnic and shooting practice will be announced at a later date.

All are welcome to come out and improve your marksmanship. Mr. Goode stated.

Win 'Miss America' Contest

Posing for the newswomen are the contestants in the bathing suit and talent preliminary staged at the Atlantic City, N. J., "Miss America" pageant. The swim suit entries are (top, l. to r.): "Miss Alabama," Yolande Betheze who won the title of "Miss America," "Miss California," Joanne Durant, and Mary Jennings, "Miss Arkansas," The latter was declared winner of the group. The talent group contestants are (bottom, l. to r.): "Miss South Dakota," Irene O'Connor; "Miss Washington, D. C.," Sandra Stahl, and "Miss Connecticut," Renee Roy. Miss Stahl won. (International Soundphoto)

Government Given Forecast Of Present Conflict 3 Years Ago

By ELTON C. FAY
AP Military Affairs Reporter
WASHINGTON, Sept. 11.—(AP)—Nine unused prophetic three years ago gave the government a remarkably accurate picture of the type of war in which the United States is now engaged.

Yolande Betheze Of Mobile, Ala. Is Miss America

ATLANTIC CITY, N. J., Sept. 11.—(AP)—What's next for smiling, brunette Yolande Betheze of Mobile, Ala., the girl who reigns in bathing suit, crown and cape as Miss America 1951?

First she's just going to enjoy being Miss America. "I'm leaving my immediate future in the hands of the miss America Pageant," she said. That could mean a year of stage, modeling, and television contracts totaling about \$50,000.

And after that? Miss Betheze (she pronounces it Bet-bee) wants a career in musical comedy or opera, and the \$5,000 scholarship that comes with the Miss America title.

This is nearly half the entire amount of blood drawn in the United States during World War 2. Three University of Chicago doctors, J. Garrett Allen, Peter Moulder, and Daniel M. Emerson said the huge blood supply would be needed to treat effectively a half million a-bomb casualties with serious irradiation sickness.

They said in an article in the bulletin of the atomic scientists that each victim would need at least a pint of blood every other day from four to six weeks to combat anemia.

Some scientists have estimated a single atomic bomb dropped over a large metropolis like Chicago could kill 200,000 and injure 250,000 others.

WAY TO PROMOTION
WITH U. S. 25TH INFANTRY DIVISION, Korea, Sept. 11.—(AP)—Five sergeants and two warrant officers of the 25th Division have been commissioned second lieutenants on the battlefield.

They are Warrant Officers Richard L. Sears of the Bronx, N. Y., and Alfonso Turner of Sumiton, Ala., and Sergeants John W. Lewis, Jacksonville, Fla.; James J. Turner, Jacksonville, Fla.; George J. Hawkins, Bateville, Miss.; Michael Adams, Bruckton, Miss.; and Charles E. Jones, Lincolnville, Iowa.

ORLANDO POSTMASTER
WASHINGTON, Sept. 11.—(AP)—The Civil Service Commission announced today that three are eligible for appointment as postmaster at Orlando, Fla.

William A. Bryant, Jr., Thomas W. Lawton, Jr., and Norman E. Wood.

President Truman now will select a nominee from among the three eligible for the appointment.

Rayburn Raps Advocates Of Profits Tax

Rep. Humphrey Calls Anti-Comm Bill "Cream Puff Special" And No Good

WASHINGTON, Sept. 11.—(AP)—Speaker Rayburn today accused House advocates of an excess profits tax of delaying other tax collections that "the government needs desperately."

No corporation excess profits tax will be tacked to the general \$4,508,000,000 tax boosting bill now, he said flatly.

The speaker personally took the House floor after backers of a multi-billion dollar super levy on big profits blocked efforts to speed final Congressional action on the general tax bill, while they seek a separate vote on the profits tax.

Such tactics are blocking final approval of the general tax bill and hence are only delaying action to get more money the government needs, Rayburn argued.

The speaker told the excess profits tax proponents that because of the parliamentary situation "You cannot get an excess profits tax in this bill." He said he favored such a tax in due course.

Rep. Elvethart (D-Penn.) however, told the House: "The profits of this country will resent the failure of Congress to attack this problem now. The corporations are making big profits now. To do the fair thing, Congress should stay in session and draw up an excess profits tax in two or three weeks."

Senator Humphrey (D-Minn.) called the McCarran anti-Communist bill "cream puff special" which would "keep the courts busier than they have ever been."

He argued that the Communist concentration camp substitute measure sponsored by Senator Kilgore (D-Wash.) was "a waste of time."

Sandy Anderson Is Speaker At Meet Of Market Chiefs
Sandy Anderson, manager of the Sanford State Farmers Market, attended the meeting of state market managers Wednesday through Friday in Jacksonville, and spoke on "private sales."

"Being a believer in auction selling, the private sales subject has a difficult topic to handle," he said. The meeting was held in Jacksonville, and topics under discussion at the meeting included a talk on advertising by W. R. Gilliland, market controller, and a discussion on changes in local market by Harry O'Brien, manager of Ft. Pierce Market.

U N Is Said Ready For Korea Offensive
WITH SOUTH KOREAN FORCES ON THE EASTERN FRONT, Sept. 11.—(AP)—President Syngman Rhee of the Republic of Korea said today the United Nations are "not nearly ready to strike an all-out offensive."

The 75-year-old president visited South Korean troops at the front. He talked with correspondents and after his plans took off, they were informed he wished to add something to his statement.

"The situation has entirely changed and all the civilized nations of the world have come to our rescue and are fighting with us as comrades in arms in the interest of democracy."

"For the first time in history the main force of the Soviet-Communist and Soviet-directed Communists has already been crushed and the United Nations forces are almost ready to start an all-out offensive."

"Our soldiers and officers with the reinforcements in men and materials poured into this country from all parts of the world have done their part courageously in the battlefield to such an extent that all our friendly nations are speaking highly of their valor and splendid morale."

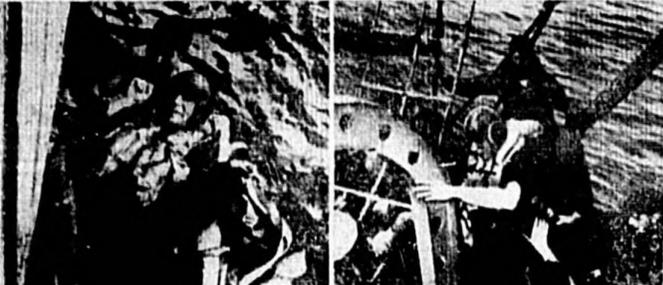

CHAPMAN HEARING
WASHINGTON, Sept. 11.—(AP)—Additional hearings were ordered for this afternoon on charges of Communist activities in the Interior Department, made by Senator Schepel (R-Kan.).

Chairman O'Mahoney (D-Wash.) said the Senate Interior Affairs Committee intends to "proceed with every relevant fact."

Witnesses summoned for this afternoon were Nathan G. White, solicitor of the Interior Department, and Guy W. Numbers, assistant director of the department's personnel records.

Artillery Takes Over Near Taegu As Red Drive Looms

U. S. Navy Backstops Air Force In Korea Rescue

DOWNED BY FLAK and forced to parachute to the sea off the South Korean coast, a badly burned Navy pilot, Lt. Nathan E. Curry, of Lexington, Mo., spent two and a half hours on a rubber raft (top). His rescue was effected when British Technician William A. Vogel from a radio-ammunition destroyer (towed the raft to the ship (bottom, left). Ten other crewmen dived into the water to help place the pain-racked pilot in a whale-boat from which he was (bottom, right) to the destroyer's deck. (U. S. Navy Photos from International)

U.S. Industry More Vulnerable To A-Bomb Attack Than Russia's
CHICAGO, Sept. 11.—(AP)—Five Russian atomic bombs could cause more industrial damage in the United States than 20 American atomic bombs dumped on Russia, an atomic scientist said today.

That's because the Russians have a big bump on the United States in dispersing key industrial plants and keeping their locations secret, he said.

The assertion was made by Dr. Eugene Rabinowitch, Chicago editor of the Bulletin of the Atomic Scientists. He called for a huge effort to make the United States less vulnerable to atomic attack.

"Even a continued leadership in the production of atomic weapons will not give America the upper hand in the atomic race," he said. "The only long term chance lies in matching the Soviet capacity to absorb atomic attack without crippling damage."

The Bulletin printed a special issue on civil defense against atomic attack. More than a dozen scientists, city planners and public officials contributed articles making this common theme.

"Defense must be planned systematically in advance of any attack."

Some of the highlights: Dr. Rabinowitch urged Congress must approve a bill for "atom proofing" the American industrial, administrative, and transportation system and make it an integral part of the overall armament effort, a goal, in this way, we succeed in convincing the Soviet leaders that the political, economic and industrial

Students Enrolling In Shorthand Course
New students are enrolling in Shorthand I and II at the Sanford Vocational School, but due to the weather during the past week enrollment is not complete.

Sheriff Mero Raids Gambling "Spots"
"Failure to pay off" the winners on the Bolita or Cuba tickets, brought about the arrest by Sheriff Mero of Frank McKnight, Negro, Sunday afternoon.

Two Negroes came to the Sheriff Sunday morning, showed two winning Bolita tickets and complained that McKnight refused to pay them. McKnight was released on \$500 bond pending trial for selling Bolita.

SHAW INJURED
AYOT ST. LAWRENCE, Eng., Sept. 11.—(AP)—George Bernard Shaw, the aged Irish playwright, was taken to a hospital today with a broken hip.

Shaw fell in the garden of his home yesterday. Hospital officials said Shaw would be operated upon tonight. He was 94 years old on July 29.

THE WEATHER

Generally fair and mild through Tuesday with some likelihood of a few showers on southeast coast and in the Keys. Gentle variable winds, mostly southerly.

40,000 North Korea Troops Massed On Northwest Front For New Assault

By RUSSELL BRINES
TOKYO, Sept. 11.—(AP)—Allied and Red big guns and infantry slugged at each other in bitter close-range fighting today seven miles north of Taegu.

A fresh Red Korean offensive was expected there at any hour. Allied artillery and warplanes hauled showers of steel at Red troops and artillery pieces throughout Monday.

A U.S. Eighth Army spokesman said the American barrage knocked out "a great many" Red big guns.

"Considerable action is expected in this area again tonight," a First Cavalry Division spokesman said. About 40,000 Communist troops were massed for attack against the Allied northwest wall.

East of the sector Allied South Korean forces ground ahead in an attack which has secured the defenses of Yongchon, eastern gateway to Taegu.

Elements of the South Korean Eighth Division drove six miles north of the vital Yongchon-Kyongju highway at one point in the northeast sector. At the high tide of last week's breakthrough, Red Korean units fire closed this road.

On a third critical area, Allied aircraft mangled a Communist regiment of 3,000 men in the Nakdong River bulge west of Changnyong.

The U.S. Second Division repulsed a sharp Red attack in the bulge. Slashing Allied fighter planes caught the North Koreans in the open as they reeled back from the dough-balls blows.

The attack, added to previous Red waves, left the battlefield strewn with 1,000 Communist dead and 1,500 to 2,000 wounded.

U.S. Board Favors Wage Raise For Rail Employees
WASHINGTON, Sept. 11.—(AP)—A presidential emergency board today recommended a seven-cent an hour increase plus a 10-hour week with the same pay as previously earned by 40 hours for non-operating employees of 16 short line railroads.

The recommendation, made public by the White House, involves railroad operating freight lines, terminal and switching yards in stockyards.

These workers had opposed the recommendation since it would mean a 10-hour week.

Major W. F. Runge Is Given Promotion
Major W. F. Runge has recently been promoted to the rank of Lieutenant Colonel, according to word received by his wife Mrs. W. F. Runge, Augusta, Ga. Lt. Col. Runge was stationed at Camp Gordon at Augusta prior to his assignment to the Korean Military Advisory Group in Seoul, Korea, June 1, 1949.

He and Mrs. Runge are former residents of Sanford and have two daughters, Mrs. A. Scarlight of Augusta, Miss. Dorothy Runge, Sanford, and one son, Howard, a student at Emory University, Atlanta.

Welfare Thrift Shop Re-Opens Tomorrow

The Welfare Thrift Shop, sponsored by the Sanford Woman's Club, assisted by the Business and Professional Women's Association, will reopen tomorrow after having been closed during August. It will remain open from 9:30 A. M. to 11:30 A. M.

There will be a special sale of wool and cotton skirts, suitable for girls of Junior High and Grammar school age. They would also make good gifts for rug-making.

The officers for the Thrift Shop for the coming year are as follows: Chairman, Mrs. Clifford McKibbin, Jr.; Vice Chairman, Mrs. C. R. Dawson; Treasurer, Mrs. L. E. Spencer; Secretary, Mrs. Clyde Ramsey; Collections, Mrs. H. A. Moutie; Marking, Mrs. Joe Corley; Personnel, Mrs. Henry Witte; Publicity, Mrs. William Wade.

Anyone having clothing or household articles which can be sold or distributed to the needy through the local welfare agencies is asked to telephons 1116-3.

Twice during the past month the Red Cross has been given articles of clothing to help families who have lost everything in fires.

ANNOUNCEMENT

Sallie Harrison Chapter D.A.R. will open their fall and winter program with a meeting held on the boat "Skyline". Hostesses will be Mrs. P. E. Roumillat, Mrs. Edmund Neisch, Mrs. H. J. Lehman. Members are asked to be at the boat work at 3:00 P. M. on Friday.

Miss Ruth Carroll Given Bridal Shower

Miss Ruth Carroll, bride-elect, was honored by Miss Janette Jenkinson with a bridal shower last Thursday evening at the Osteen Baptist Church Annex which was gaily decorated with flowers and palms carrying out a pink and white color scheme.

The guests were received at the door by Mrs. Edward Pell and led to the shower book presided over by Mrs. Joe Masters.

Contents held during the evening were won by Mrs. Frank George, Mrs. P. T. Piety, Mrs. Edward Pell, Mrs. Nick Jones and Miss Doris Partin.

Miss Margaret Todd, also a bride-elect, was presented with a gift by Mrs. F. J. Jenkinson as a remembrance of the occasion.

The punch bowl and table were presided over by Miss Betty Cagle, Miss Doris Partin, Mrs. Gerald Howack, Miss Marjorie Marshall and Miss Bernice Williams.

Those enjoying the occasion with Miss Carroll were Mrs. E. C. Carroll, mother of the honoree, Mrs. F. J. Jenkinson, Mrs. P. H. Williams, Mrs. King Altman, Mrs. Gerald Fellman, Mrs. Mattina Dunning, Mrs. Westley Tyler, Mrs. Gerald Howack, Mrs. Dick Jones, Mrs. George Hart, Mrs. K. B. Osteen, Mrs. Harry A. Osteen, Mrs. R. C. Carroll, Jr., Mrs. George Harriet, Mrs. V. E. Carroll, Mrs. J. S. Peterson, Mrs. C. W. Wallace, Jr., Mrs. Edward Pell, Mrs. Alice Marie Haught, Mrs. Jack Holloway, Mrs. Russell DeWitt, Mrs. P. T. Piety and Mrs. A. R. Partin.

Also Miss Eva Williams, Miss Bernice Williams, Miss Mary Lee Mattair, Miss Mildred Avall, Miss Frances Clark, Miss Margarite Todd, Miss Marjorie Marshall, Miss Betty Cagle, Miss Doris Partin, Miss Alice Williams and Miss Janette Jenkinson.

CHURCH MEETING
Circle No. 5 of the Woman's Society of Christian Service of the First Methodist Church met at the home of Mrs. W. P. Chapman on West Kingston Street.

Mrs. W. A. Hunter, the chairman presided over the meeting. Mrs. W. P. Chapman gave the devotion using the 10th Psalm for the scripture reading. After the business session Mrs. Chapman taught the first lesson of the study book entitled "We Seek Him Together".

Refreshments of herbal and cake were served by the hostess to the following members: Mrs. W. A. Hunter, Mrs. R. F. Greenshaw, Mrs. C. V. Hoovers, Mrs. Clark Leonardy, Mrs. D. D. Shoemaker, Mrs. Nettie Tillis, and Miss Ella Bolton.

Our best sources of calcium are fresh milk, concentrated and dry milks, ice cream, and cheese. We need calcium to build and maintain sound teeth and bones.

Add a little molasses to the dipping mixture when you are making French toast; use two tablespoons of the molasses to 1 cup of milk and 1 egg.

Mrs. Guy Brown served the cake and Mrs. Ralph Deal and Mrs. Bill Coulter presided over the punch bowls.

The couple left on a wedding trip to Daytona Beach and other interesting points in Florida. Mrs. Hardin chose a tangerine lined suit with desert green accessories for her going away outfit. Upon their return, they will reside in Sanford.

Out-of-town guests for the wedding were Mr. and Mrs. Guy Brown and son Dale of Orlando, Miss Achelle Parrish and Charles Parret of Medina, Tenn. and Mr. and Mrs. Arthur Parker and children Rusty and Frances of Tampa.

Miss Pat Brown And Vernon Hardin Wed

The First Baptist Church was the scene of one of the loveliest weddings of the Fall season when on Friday at 5:00 P.M. Miss Patricia Brown, daughter of Mr. and Mrs. Paul Gillian Brown, became the bride of Vernon Burns Hardin, son of Mrs. E. L. Haslin of Enterprise and James Hardin of Palmetto. Dr. W. P. Birkley Jr. performed the double-ring ceremony.

Palms and greenery formed a background for the myriads of white candles in seven-branched candelabra and baskets of gladioluses and pom pom chrysanthemums. The family pews were marked with white satin ribbon and white gladioluses.

Prior to the ceremony a program of nuptial music was rendered by Mrs. Marvin Milam, organist, and Roger Harris who sang "Love You Truly" and "The Lord's Prayer." The traditional wedding marches were used.

Given in marriage by her father, the bride was lovely in a gingham and white tulle gown with nylon chantilly lace. The dress featured a yoke of nylon tulle and long sleeves which came to points over the hand. The full skirt terminated into a Cathedral train. The bride's blonde beauty was enhanced with a coronet of sea-shell pearls from which fell a finger-tip veil of nylon illusion. She carried a bouquet of white roses and orange blossoms with white satin ribbons tipped with the roses of the groom. Miss Betty Jay Holloway, sister of the bride, served as maid of honor. She wore a pink tulle gown of ball-length length. The dress featured a long pointed waist with covered buttons down the front. Her head piece was pink nylon net and she carried a pink nylon-tulle muffed trimmed with spring flowers and satin streamers.

Best man was Miss Beverly Gradick, Miss Bernice Stevens, Miss Sara Nell Hardin, sister of the groom, Miss Betty Jay Holloway, and Miss Achelle Parrish of Medina, Tenn. All the bridesmaids wore blue tulle gowns identical to that of the maid of honor. They wore blue head pieces and carried blue muffs. Little Frances Parret of Tampa served as flower girl and was gowned in a pink tulle dress and carried a basket of coral petals.

William Hardin, brother of the groom, served as best man. Others were Wise Hardin, E. B. Smith, Jr., Leon Swain, Byron Beard and Wally Tate.

Mrs. Brown chose for her daughter's wedding an afternoon dress of bitersweet nylon. Her corsage was of white roses and carnations. Mrs. Hardin, the bridegroom's mother, wore a sheer blue and white dress and her corsage was of pink roses and pink carnations.

Following the ceremony a reception was held at the home of the bride's parents. Tube roses and white gladioluses and chrysanthemums were used throughout the house. The bride's table was overlaid with an imported English lace cloth over pink organdy. The table was centered with a four-tiered wedding cake flanked with candles. Mrs. Hugh Duncan received the guests and Mrs. Elmo Gradick presided over the bride's book.

Mrs. Guy Brown served the cake and Mrs. Ralph Deal and Mrs. Bill Coulter presided over the punch bowls.

The couple left on a wedding trip to Daytona Beach and other interesting points in Florida. Mrs. Hardin chose a tangerine lined suit with desert green accessories for her going away outfit. Upon their return, they will reside in Sanford.

Out-of-town guests for the wedding were Mr. and Mrs. Guy Brown and son Dale of Orlando, Miss Achelle Parrish and Charles Parret of Medina, Tenn. and Mr. and Mrs. Arthur Parker and children Rusty and Frances of Tampa.

Congress

Senator Wiley (R-Wis.) proposed that the Senate Finance investigating committee look into the appointment of Morris A. Shenker, St. Louis attorney, as a member of the Democratic National Finance Committee.

Wiley said in a statement that Shenker is "attorney for some of the largest gambling interests in America."

Reversing an earlier decision, the Senate Judiciary committee shelved a resolution proposing an investigation of the "competence, fitness and legal qualifications" of federal judges.

The resolution was approved by the committee on Aug. 29 but had not been submitted to the Senate.

Chairman McCarran (D-Nev.) said after a closed meeting of the committee today that the resolution would be withheld.

Instead, the committee agreed to set up a regular five-man subcommittee to keep tabs on federal court operations.

Senate crime investigators studying Chicago's underworld began today to comb through financial records of three ex-members of the old Capone gang.

The records, dating back to 1940, were subpoenaed by the Senate Crime Committee from Paul (the waiter) De Luca, Louis (Little New York) Cammarano and Charles (Cheery Nostr) Goe.

The trio, now on parole from 10-year sentences from convictions in a plot against the motion picture industry, turned over the records during an all-day grilling here by the committee Saturday.

THE THREE MEET
NEW YORK, Sept. 11 (AP)—French Foreign Minister Robert Schuman arrived today for the portentous meeting of the Big Three foreign ministers here tomorrow. He hailed President Truman's proposal to send troops to Europe as "a very great and important contribution to the common defense of Europe."

Arriving at the New York International Airport, Schuman said France understands President Truman's statement that U.S. aid to European defense depends upon comparable contribution by West European nations.

ARMY MANEUVERS
HEIDELBERG, Germany, Sept. 11—45,000 Green-uniformed "ice gravers" overran the frontier defenses of Western Germany today and hurried back the Allied army toward the French frontier in troop maneuvers.

Nearly 100,000 American troops, supported by British and French units, struggled to reach a new line between Frankfurt and Stuttgart under a simulated heavy air and ground blows from the enemy attacking from the Soviet zone and Czechoslovakia.

Mrs. Arthur Parker and children Rusty and Frances of Tampa.

UNIFORMS FOR CHILDREN

LONDON—(AP)—Magistrate Frank Powell says, "Put all the children in uniform. They will love it," he told the Marriage Guidance Council here. "It makes them feel important."

Powell, who is 59, said a uniformed youth movement would be the best way to solve Britain's problem of young criminals.

The Shetland Isles came under Scottish rule in 1468.

GIRL SAVED BY A HAIR

CHICAGO—(AP)—Linda Lou McAuley's tricycle rolled across a sidewalk and under a truck. The three-year-old girl crawled after it. Mrs. Stella Galinsky glanced through a window of a nearby grocery. She saw the truck begin to move. The woman ran out, grabbed the child by the hair and pulled her to safety. The tricycle was crushed.

Gene Tucker Defeats Bowen To Win City Singles Tennis Championship

Gene Tucker defeated Frank Bowen 6-1, 4-6, 6-1 Saturday afternoon to win the City singles tennis championship...

Mr. Tucker, who was runner-up last year to Clay Williams, who did not enter the tournament this year...

Tucker showed exceptional skill in his placement shots consistently ranning his opponent from one side of the court to the other...

Saturday afternoon Bowen and Gordon Dean were matched against the Kipatrick brothers, Bob and Bill...

Friday afternoon Betty Doris Williams and Betty Cagle defeated Helen Tucker and Martha Wright 6-1, 6-2 to win the ladies doubles championship...

Clubhouse

NEW YORK—Noteworthy among the big league acts making fine comeback after a poor year are three members of the Boston Braves...

Manager Billy Southworth of the Braves is especially happy over the return to form of Holmes, his right fielder and Bain, his silent right handed pitcher...

Southworth worried about Holmes in the spring. The Brooklyn native was one of the few players who went to bat for Billy when the Braves were cutting up their meagre fourth-place share of the World Series...

Southworth has been hitting better than ever since he was traded to the Braves in 1948 after five straight seasons with .300 or better...

However, when Marshall stopped hitting, Holmes returned to the lineup on June 27. He made his first hit, then doubled, setting cleanup and has been slugging the ball at a .300 clip...

Another big reason why the Braves are in the thick of the National League pennant fight, as far back as last March, Southworth predicted Bain would win 30 games despite Johnny's 1949 slump when he took only 10 wins and had a horrible .167 earned run average...

The Braves, a thoroughly happy crew that season after Bain's brilliant hitting, will get better before they are worse. With Holmes, Torgerson and Bain back in form they figure to make the National League race even tighter than it is at present...

Jubilant Sandy Suddler is photographed in his dressing room at New York's Yankee Stadium, after he had regained the featherweight championship by a technical knockout over Willie Pep...

Wounded Tell Stories Of Battle As They Wait For Air Evacuation

By BILL ROSS (For Hal Boyle)

A U. S. AIR BASE, Korea — (P) — Let the wounded tell you about the fighting in Korea.

You are on the steel-matted runway of this new airstrip, standing under the wings of a twin-engine C-47 transport plane.

Five other C-47s are on the field and over there is a four-engine C-54 with a familiar name on its nose.

Wounded are under the wings of all these evacuation ships, waiting for their stretchers to be lifted aboard for flights to Japan, less than an hour away. Or maybe, a longer but hoped-for trip to the United States.

Mud-spattered and dusty olive-drab trucks distinguish themselves from hundreds of other army vehicles only by brilliant Red Crosses on sides and tops, are clustered around.

You see other stretchers still in the trucks and you know other wounded are there because you see their feet and heads through

open ambulance doors.

"I got hit during the push in the Nakdong River bridge," a lanky Army sergeant from South Dakota tells you. His right arm is shattered and half his face is swathed in bloodstained bandages.

"We had made steady gains up and down the ridges for two days. But every damned morning there would be a bunch of Commies behind our lines. One of those bastards threw a hand grenade that came over my shoulder from the rear and did this."

He held his slinged arm away from his body and turned his wounded face to the side.

A Marine, who was carried off a hilltop by a rescue helicopter, tells how his company slugged its way up "No-Name" ridge for a second time.

"It was not an easy thing to go over the same ground where your buddies had got shot two weeks ago. I just had that feeling I was going to get mine—and I did. We caught seven kinds of hell there—mortars, machineguns, handgrenades, tanks, bad weather, bad terrain and those crazy gooks."

The Army nurse with the evacuation plane tells you the wounded Marine probably will lose his leg—torn almost off by machinegun fire.

A Negro soldier tells how his three-truck convoy was ambushed.

"So there I was, just driving my truck down the road when they open fire from God knows where."

"You see in his primed eyes and the yards of bandages around his waist that he has been seriously hurt."

Then you talk to a British Tommy—probably the first Korean casualty of his army. You remember his words:

"I never know when he will get hit here. And worse, one does not know from which direction the shot will come."

He limped up to the door of the plane and was helped aboard. All the planes seemed to have loaded their cargoes simultaneously. They button up and taxi to the runway—the big C-54 first, then followed by the half dozen C-47s. Thousands of horsepower echo from the nearby hills as the flight revs up.

As the first plane whizzes up you can read the name on its nose. It says "Bataan." It was General MacArthur's personal plane, doing evacuation work now.

U. S. Industry

(Continued From Page One) Life of the United States cannot be paralyzed even by massive atomic attack, this attack may never materialize.

Dr. Ralph E. Lapp, Washington, author of "Must We Hide?" "Our civil defense headache centers in our large cities. To provide truly effective civil defense we must undertake before-the-fact preventive measure, such as dispersion over a long time and evacuation in time of a threatened attack x x x There is no magic defense plan which will allow you to stay in a city and still be safe."

Tracy B. Augur, Washington, past president of the American Institute of Planners: a substantial part of the \$20,000,000,000 spent each year to maintain and

World Government

(Continued From Page One) and build in them a feeling of good will. We want to promote that kind of work, but I am not convinced that it is enough," he said.

He pointed out that in this respect, cities in this nation are unable to maintain peace, and told of the outbreak of lawlessness by hoodlums during the Boston police strike, followed by the calling of the state militia by Calvin Coolidge, who was then governor of Massachusetts. A third method of attaining world peace offers the best chance, he stated, and this is order based upon law. To live peacefully we must have some kind

of world government. "If we can't take advantage of that fact, it seems to me we lose some of the right to claim to be rational human beings."

"We don't expect such a government to work perfectly," he added. "Government is something that is dangerous. Living too, is dangerous." He stated that a start in this direction of world government had been made in the United Nations organization, but declared that it will have to be strengthened in order to enforce the law on a world-wide basis.

He predicted that Russia would

cause all kinds of trouble in such an organization, and would be a nuisance, but would realize that it would be better to be inside than outside such an organization, and having Russia inside rather than outside would be the lesser of two evils.

"Government is something that is dangerous. Living too, is dangerous." He stated that a start in this direction of world government had been made in the United Nations organization, but declared that it will have to be strengthened in order to enforce the law on a world-wide basis.

E. W. Dill, 1864 Wilford, East St. Louis, Ill., says he's the happiest man in Illinois, now that he's feeling better. Mr. Dill gives all the credit to HADACOL for feeling so much better. He was suffering from deficiencies of Vitamins B1, B2, Niacin and Iron.

Here is Mr. Dill's statement on what HADACOL did for him: "I was a conductor for the New York Central Railroad for over 27 years. In 1947 a locomotive ran over me. I was in the hospital a year and a half. After I got out of the hospital I was very nervous and had dizzy spells all the time. I tried many things—nothing seemed to help me. Then a friend of mine persuaded me to take HADACOL—and after he insisted for 2 weeks I finally got some HADACOL. What a marvel—my change has taken place—now I am able to move around, am hardly nervous at all and dizzy and fainting spells, why, they're almost completely vanished. Now I feel so good I have opened up a candy store and do a good day's work. HADACOL—why, that's the most wonderful thing there is in this world. I recommend it to all my friends."

Many Thousands are benefiting from HADACOL. . . even hundreds of doctors are recommending HADACOL to their patients whose systems lack Vitamins B1, B2, Iron and Niacin. HADACOL is a wonderful because HADACOL helps build up the hemoglobin content of your blood (when Iron is needed) to carry these precious Vitamins and Minerals to every organ, and every part of your body—to the heart, liver, kidneys and lungs, even to the eyes, hair and nails. Don't continue to be miserable! Don't continue to suffer!

Give remarkable HADACOL a chance to help you and if you don't feel better with the first few bottles you take—you get your money back. Only \$1.25 for Trial Size, Large Family or Hospital Size, \$3.50.

Senate Fights Over Changes In Commie Bill

Concentration Camp Amendment Voted Down By 37 To 35; Lucas Plan Blocked

WASHINGTON, Sept. 12.—(AP)—The Senate today refused, 37 to 35, to tack a "concentration camp" amendment on the McCarran anti-Communist bill.

Earlier the Senate had voted down, 45 to 29, a move to substitute a provision to intern Communists in time of war for a Communist registration section of the McCarran bill.

Both moves were made by Senate Democratic Leader Lucas of Illinois.

Lucas told the Senate that if it wanted a "real security" bill it should take the amendments.

Senator Ferguson (R-Mich.) shouted that the concentration camp idea was "unconstitutional, un-American and the first blueprint for dictatorship."

The amendment would have given the Attorney General power to put into concentration camps persons who were Communists on Jan. 1, 1949, or thereafter, but only under specific conditions.

Mr. Truman has announced he will veto the bill, sponsored by Senator McCarran (D-Nebr.), if it reaches the White House in its present form.

The Senate also added to the McCarran bill a provision banning the picketing of federal courts.

The bill itself will be voted on later in the day with both passage and a presidential veto regarded as certain.

Meanwhile the Senate Appropriations Committee approved a \$37,212,900 fund to build up a "office of America" counter-attack against Russia's Communist propaganda.

The amount voted by the committee is \$3,000,000 less than the amount requested by the administration.

A United Nations Flag For The President

AT A SPECIAL WHITE HOUSE CEREMONY, President Truman is presented with a handmade U.N. flag, the first of its kind. In the group (l. to r.) are: Mrs. Franklin D. Roosevelt, head of the National Citizens' Committee for U.N. Day; Mary Ann Long, of Shelby, Va.; and Charlotte Ingram, Elkhart, Pa. The Chief Executive emphasized that United States actions in Korea, Formosa and other parts of Asia are aimed at peace—not conquest. (International Security photo)

Shenker Indicates He Will Turn Down Democratic Party Position

JEFFERSON CITY, Mo., Sept. 12.—(AP)—Morris A. Shenker of St. Louis turned down today an opportunity to serve on the Democratic National Finance Committee. Shenker has appeared as a lawyer for his clients before the Senate Crime Investigating Committee. He said he was refusing to serve because "I must refrain from any activities which may interfere with my duty to my client."

WASHINGTON, Sept. 12.—(AP)—Morris A. Shenker, St. Louis attorney for persons involved in a Senate gambling investigation, indicated today he may take a senator's suggestion to stay clear of a Democratic committee post to avoid embarrassing the party.

The invitation to Shenker to resign as a member of the Democratic National Finance Committee came from Chairman Kefauver (D-Tenn.) of the Senate Crime Investigating Committee.

"How can I resign from something I never accepted?" Shenker replied from Jefferson City, Mo. He declined further comment, but said he would have a statement later. There were indications he would turn down the position, to which he was named last Friday by Democratic National Chairman William M. Boyle, Jr.

Denying any connection with gamblers, Shenker said he never associated political activities with the practice of law and "never solicited or accepted a political contribution from any of my clients."

Kefauver said in a statement last night "It will not set well with the public and certainly may be embarrassing to the Democratic Party for the attorney for principals whom the Senate Intelligence Crime Committee is investigating in St. Louis to be represented by an official of the finance committee of the party."

At the same time, Kefauver said he sees no need to follow the suggestion of Senator Wiley (R-Wis.), a committee member, for an investigation of Shenker's appointment as a member of the Democratic fund-raising committee.

Calling Shenker the "attorney of the party," Kefauver said he would resign from the committee if Shenker accepted the position.

Contract Is Let For Construction Of City Stadium

\$107,900 Bid Of Orlando Firm Okayed; Finances Undecided

The contract for the construction of a municipal stadium on Melbourne Avenue north of the present ball park was awarded last night by the City Commission to the Jaxon Corporation, general contractor of Orlando.

A bid of \$107,900 for the construction of the steel, cantilever type grandstand was offered by the company. The bid for erection of portable bleachers was \$5,000, said City Manager Clifford McKibbin this morning.

Commissioner W. H. Stempel opposed the project and suggested reconstruction of the present wooden stands.

Signing of contracts for the construction is awaiting the working out of financial details with banks. The Commission, said McKibbin, has not yet decided what to pledge toward the financing, for which the city will borrow the money.

The contract for the furnishing of flood lighting material was awarded to the Graybar Electric Supply Co. of Orlando who had a bid of \$17,229. The Ernest Waters Construction Co., of Daytona Beach received the contract to install the lights at a cost of \$5,750. Completion of the stadium within eight months after signing of contracts was expected.

Blast Kills Eight At Pennsylvania Powder Company

Explosion Heard 10 Miles Sounded Like Town Was Going Up

ELDRED, Pa., Sept. 12.—(AP)—A terrific explosion ripped apart a dynamite mix house at the National Powder Company today, killing eight men outright.

Five or six other employees were hurt slightly.

"At first I thought the whole town blew up," said one resident. "Windows broke everywhere."

The blast was heard 10 miles away and shattered windows of houses within a two-mile radius of the plant.

Company officials refused to admit newsmen or photographers to the plant grounds. Names of victims were withheld until relatives are notified.

National Powder is Eldred's largest industry. The plant is located two miles from the little community near the New York border.

Hundreds rushed to the area (Continued on Page Five)

Pasco County School Board Hearing Is Set

TALLAHASSEE, Sept. 12.—(AP)—The Pasco County School Board and Superintendent of Public Instruction will face a suspension hearing before Governor Warren next Monday.

Warren requested the five present members of the board, a former member, the superintendent and the former superintendent to attend the hearing.

He also asked several Cabinet members and other state and county officials to be present.

The Pasco county grand jury recommended removal of the officials on grounds of malfeasance and misfeasance in office after the State auditor reported mismanagement of school funds for the fiscal year ending June 30, 1949.

Spanish Generals

HEIDELBERG, Germany, Sept. 12.—(AP)—Allied officials disclosed today that four high-ranking Spanish army officers had joined Atlantic Pact observers at troop maneuvers now going on here. It is the first time since the war that Spanish military observers have been admitted to American training exercises.

The officials said a Spanish brigadier general, two lieutenant colonels and a major were sitting in on military briefings along with representatives from France, England, Belgium, Netherlands, Norway, Italy, Luxembourg and two non-Atlantic Pact members, Greece and Turkey.

On Farm Class

Don Bales, district agricultural engineer of the Soil Conservation Service, will tell members of the Veterans On the Farm Training Class how to design sprinkler irrigation systems, and will point out their economic value to the farmer in a talk Thursday night at 7:30 o'clock at the Future Farmer Building, John Person, instructor, announced today.

A native of Crozet, Va., Bales served as 7:30 P. M. by the support committee which includes Mr. and Mrs. Theodore Aulin and Mr. and Mrs. George M. Jacobs.

Shaw Recovering

LITON, England, Sept. 12.—(AP)—George Bernard Shaw, who underwent a major operation last night at the age of 81, is expected to recover.

R. E. Lingard, secretary of Liton and Unstable Hospital, said today the tummy old playwright is doing fine and probably will be sent home within 10 days. Shaw slipped and fractured his left thigh bone Sunday in the garden of his home at nearby Ayot St. Lawrence.

Bevin Differs With U.S. On Foreign Policy

British Oppose Acheson's Plan For Rearming Germany; Support China Reds

NEW YORK, Sept. 12.—(AP)—The Big Three Western foreign ministers began a series of major strategy talks here today beamed at reinforcing the defenses of Western Europe against Russian domination and critically important problems of Germany's future.

Dr. JOHN HIGHOWER, NEW YORK, Sept. 12.—(AP)—British Foreign Minister Ernest Bevin, arriving for critical western diplomatic talks, said today that Germany "must be brought back as a great nation." But he said the arming of German military units is not the way to accomplish that.

Bevin strongly indicated that he is presently opposed to Secretary of State Acheson's idea of forming German units as part of a Western European defense force. One of Bevin's top advisers, talking in greater detail, added that Britain does favor organization of a strong central West German police force to deal with Communist uprisings.

But this official, Sir Ivone Kirkpatrick, Britain's high commissioner in Germany, said that the German people have no "passionate desire" to rearm. While he would not answer the question directly, he made clear that Britain has no strong wish to rearm them.

Kirkpatrick said West German Chancellor Konrad Adenauer had proposed an increase in West German police power of 20,000 to 25,000 men at present and an eventual increase by a total of 60,000. Kirkpatrick said he thought Adenauer's figures were reasonable.

Bevin, at an informal news conference on the lines Queen Elizabeth, who presided at the meeting, said that "the defense of Europe" depended on the West.

3 Separate Probes Are Started Into Train Disaster

WASHINGTON, Sept. 12.—(AP)—Three separate agencies launched investigations today into a tragic troop train wreck that claimed the lives of 33 persons, most believed to be soldiers.

And, less than 24 hours after the crash, a United States Senator demanded a nationwide inquiry into railroad safety practices.

Investigations were begun by Pennsylvania Railroad, whose streamlined "Spirit of St. Louis" crashed into the troop train at nearby West Lafayette, the Ohio military district, and the National Guard.

The investigators want to know why the steamliner stalled flatbeds and crashed into the stalled troop train.

Two National Guard officers from Washington, Lt. J. J. Sawyer and Lt. Col. H. J. Harner, arrived last night to conduct the Guard's investigation. The dead soldiers were Guardsmen.

The counter intelligence division of the Ohio military district began its investigation earlier, as did the railroad.

As the investigations proceeded, the Army still was struggling to (Continued on Page Five)

Robert E. Herndon Dies After Illness

Robert Emmett Herndon, 47, died at 1:15 A. M. today in the local hospital following a lingering illness.

Born Dec. 9, 1902 in Sanford, the son of Mr. and Mrs. Emmett Hill Herndon and grandson of the late Dr. E. Y. Herndon, he had lived his entire life in Sanford. He was a member and a deacon of the Presbyterian Church. He was a retired employee of the American Fruit Growers.

Survivors include the widow and two sons, James Emmett and Robert Stuman; and three brothers, Bart W. Herndon, Claude P. Herndon and Osborn P. Herndon all of Sanford.

Funeral services will be conducted at 2:30 P. M. Wednesday at the Church at 4:00 P. M. Wednesday with the Rev. A. G. Mettens officiating. The body will lie in state at the church from 2:00 P. M. until 4:00 P. M.

Mrs. B. B. Burnett Dies In Salem, Ohio

Friends of Mrs. B. B. Burnett will regret to learn of her death which occurred in Salem, O., last Friday following a long illness.

Mrs. and Mrs. Burnett formerly lived in Sanford for about seven years where Mr. Burnett was employed by Lee Brothers. He died about a year ago and Mrs. Burnett went to Salem to make her home.

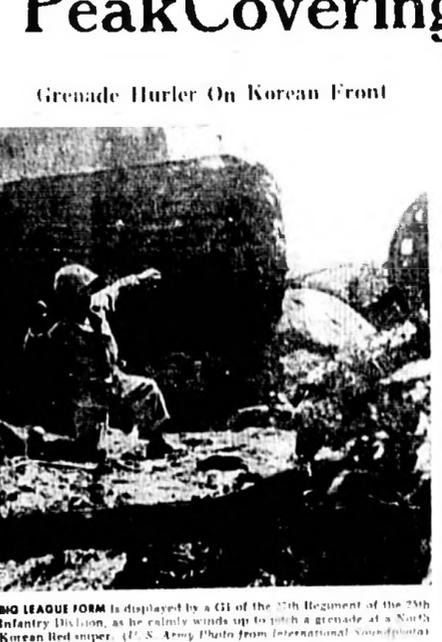

Funeral services were held in Salem yesterday.

ACL Emblems

Two employees of the Atlantic Coast Line Railroad received emblems yesterday from L. M. Carroll, foreman, in recognition of 25 years of faithful service. They are Bruce Humphrey, car repairer, and Sam Mitchell, colored labor gang leader.

Britain Pledges Security Council More Troops To Defend Germany

LONDON, Sept. 12.—(AP)—Prime Minister Acheson announced today Britain will send more troops to Germany as part of a vast defense buildup against Red aggression.

Opening an emergency session of Parliament, the Labor government leader also declared:

"1. 250,000 workers will be channelled into arm production to a cost of \$10,000,000,000 during the next three years.

"2. New austerity measures—lower ration, rent and other luxuries will be necessary because of the drain on Britain's economy.

"3. The government is reviewing its controls over export of goods of potential war value to Russia and her satellites.

"4. If necessary to keep the arm program going at top speed, the government will take over the production of scarce raw materials.

"5. We shall have rather more than three fully trained divisions in Germany," the Prime Minister said.

Security Council Approves Report Despite Russia

TAKE SUCCESS, Sept. 12.—(AP)—The United Nations Security Council approved its annual report to the General Assembly today. A threatened Soviet veto failed to materialize.

Soviet delegate Jacob A. Malik had vigorously opposed any reference to the Korean conflict in the report and has argued it was inappropriate to be discussed. The vote was 10 to 0.

The action was taken at a closed door meeting of the council of the 10th time since the United Nations first met in London in January 1946.

Malik made only two protests. He said the report exceeded the scope of the report and did not deal with the Korean conflict. He also protested that the report was a "document of the United Nations" and that the report should be a "document of the United Nations Security Council."

He also pointed out that the report of Soviet Deputy Foreign Minister Andrei A. Gromyko was included in the report, covering the subject of the supposed three hour long lag in council action of the Truman ordered troops to Korea.

Delegates said Malik told the other council members just before the meeting closed that he still considered all decisions of the council illegal between Jan. 13, when he began his boycott, and (Continued on Page Five)

Rosh Hashonah Is Observed By Jews

Jewish residents of Sanford today celebrated the Jewish New Year 5711, or Rosh Hashonah. The festival of two days started last evening at sundown. The beginning of the Jewish year falls between Sept. 8 and Oct. 5, and corresponds in the period of sunset in Palestine.

The services today at Temple Beth Israel were conducted by Frank Sandler and by Maximilian Sheppard of Longwood.

Yom Kippur, the day of atonement, will be observed by Jewish residents on the evening of Sept. 29 and on the following day. This occurs on the 10th of the Hebrew month Tishri, when the atonement day. The laws regarding its observance are found in Leviticus 16: 23 and 25, and Numbers, 29: 7-11.

FHA Appointee

W. A. Patrick will preside at 7:30 o'clock this evening at the meeting of the Board of Directors of the Chamber of Commerce. This is the last meeting of the fiscal year and all members are urged to be present.

Allied Planes Blast Fleeing Reds While Drive On Angang Is Renewed By U. S.

TOKYO, Sept. 12.—(AP)—American First Cavalry division stormed up hill through a withering day-long barrage of Red Korean gunfire and at dusk won a peak commanding a main northern approach to Taegu.

The troops in a battalion strength of 1,000 won Hill 314, eight miles north of Taegu, at heavy cost.

The Reds, then, then job was to break what was officially called "the main thrust" to Taegu, north-west corner of the Allied line.

The hill had been held by an outpost of some 40,000 Red Koreans, mowed for a fresh assault upon the South Korean provision of a capital. Another outpost remained in a nearby peak.

Allied big guns and planes hurled a curtain of steel at the Reds before the assault.

Then the troops hit the slopes. They fought two-thirds of the distance in five bitter hours.

But the Reds, showing a barrage of artillery, mortar and machine-gun fire from the two peaks, stalled the drive at that point throughout most of Tuesday afternoon.

They shells set fire to part of Chulok town, five miles north of Taegu.

The troops finally stormed the summit at nightfall and took it.

AP correspondent Jack MacBeth, who was pinned behind a creek by Red gunfire for more than one hour, said capture of Hill 314 gave the Allies a strong right anchor commanding the Taegu-Taegu road.

Lt. General Walton H. Walker, speaking at the warrent generally at Taegu Tuesday night, "the worst is over."

The commander of Allied ground forces and the U.S. Eighth Army in Korea, said, however, in a brief statement that the enemy still held the initiative and was "capable of hitting us anywhere on our 125-mile perimeter." He concluded:

"I am now sure we can stop him."

The Reds were strong along a corridor between high peaks. The (Continued on Page Five)

State To Restore Welfare Benefits To Top Amounts

TALLAHASSEE, Sept. 12.—(AP)—The Cabinet today released \$150,000 to restore welfare benefit payments to their maximum amounts effective Oct. 1.

The additional welfare which will give the Welfare Board 39.44 percent of its full 1949 appropriation, will be actually needed until March, 1951.

However, the board said it will enable the agency to restore cuts made in old age and aid to blind payments in July. It will not repay amounts withheld from checks since then.

Four members a majority of the Cabinet also voted to record a favorable release of an additional \$2,374,300 by Jan. 1, to allow the public schools on a 90 percent release basis for the current business year.

No final action was taken, however, because of the absence of Governor Warren, Attorney General Richard Egan and Commissioner of Agriculture, Nathan Mayo.

School Supt. Thomas Bailey said "It's going to be desperate" if the funds are not made available by Jan. 1.

The \$2,374,300 was advanced to the schools last year but was deducted from their first quarter release this year. The advance was made to permit counties to pay their outstanding debts.

Bailey said if the extra funds were released, it would not give the schools more than 90 percent (Continued on Page Five)
