

South Seminole CTP To Hear Panel

By Jane Casselberry
The Council of Teachers and Parents of the South Seminole Elementary School at Casselberry will hear a panel discussion on general school affairs at a meeting Tuesday at 8 p. m. in the school auditorium.

Participating on the panel will be R. T. Milwee, county superintendent of schools; Stewart Gatchel, director of instruction; Mrs. Margaret Golt, elementary school supervisor and W. W. Wharton, guidance director and placement officer.

The C.T.P. Executive Board will meet at 7 p. m. prior to the meeting.

All parents of South Seminole Elementary School pupils are urged to come out and meet the teachers and learn more about the school program.

THE FACULTY at Enterprise Elementary School is made up of Mrs. Sylvia Harden, principal and Mrs. Janis Voll, Miss Joan Couch, Mrs. Elizabeth Mixon (front row, left to right); Mrs.

Daisy Gunn, Mrs. June Long and Miss Marcella Hintz, second row; Mrs. Florence Carver, Mrs. Helen Wren and Arnold Pancratz (back row). (Cox Photo)

200,000 Pack Two Religious Ceremonies

LOS ANGELES (UPI) — More than 200,000 persons packed Memorial Coliseum and the Rose Bowl in neighboring Pasadena Sunday night for the closing sessions of Billy Graham's Southern California Crusade for Christ and the international assembly of Jehovah's Witnesses.

Freeways and thoroughfares to the two famed sports centers were jammed with traffic as motorists headed for the stadiums in the late afternoon and evening hours.

Graham spoke to an estimated 134,000 persons jammed into the Coliseum and another 20,000 outside as he concluded his 21-session campaign. He said it was the largest turnout he has ever witnessed in the United States.

"We have enough people here now to march on Washington," the evangelist said informally before his sermon, alluding jokingly to the recent march on the nation's capital by civil rights adherents. "And if they keep throwing the Bible out of the school, we just might do that."

Another 85,000 persons were at the Rose Bowl for the closing program of the eight-day Jehovah's Witnesses assembly.

French Classes To Organize

An organizational meeting for classes in Beginners and Advance French, being offered under direction of the Seminole County Adult Education Department, will be held at 7:30 p. m. next Monday at the Lake Mary Elementary School.

Instructor will be Mrs. George Stuhling who advises that those unable to attend the opening meeting may contact her at her home if they are interested in registering for either class.

Only charges for the courses will be a \$2 registration fee and cost of textbook.

Boy Quintuplets Progressing At Venezuela

MARACAIBO, Venezuela (UPI) — Venezuela's first quintuplets were reported in excellent condition Sunday night, 44 hours after their birth.

The infants — all boys — were born Saturday to Mrs. Ines Cuervo, 27, wife of an oilfield worker from Ciudad Ojeda.

A spokesman at Maracaibo University Hospital reported all the quintuplets were in incubators but were taking their special milk formula normally. He said they weighed 3.08 to 3.96 pounds each and averaged 14.1 inches in length.

Mrs. Cuervo, the mother of five other children, had been under special observation at the hospital for several months.

The quintuplets were baptized by a Roman Catholic priest Saturday night, and each was given the name of one of the attending physicians. They were named Mario, Otto, Robinson, Fernando and Juan Jose.

Dr. Robinson Suarez Herrera delivered the infants, according to a hospital spokesman.

President Romulo Betancourt sent a telegram of congratulations and promised federal aid to the family.

Survivors are his widow, Mrs. Grace Brockhaven; a daughter, Mrs. Rose Maurer of Albertson, N. Y.; a son, Irvin Brockhaven, Long Island, N. Y.; a stepson, R. F. Hartline of Sandy Springs; a brother, Gene Brockhaven of Jackson Heights, N. Y.; sisters, Mrs. Rose Murphy of Brooklyn, N. Y., and Mrs. Anne Myers of Long Island, six grandchildren and three great-grandchildren.

Longest Cable
SOUTHAMPTON, England (UPI) — The American Telephone & Telegraph Co. loaded about 1,700 miles of underwater cable aboard its ship "Long Lines" to complete the first direct trans-atlantic telephone link between the United States and Britain.

When completed, the cable will be the world's longest underwater telephone line.

Latin Monopoly At Forest Hills
FOREST HILLS, N. Y. (UPI) — It's a Latin monopoly on the two U. S. tennis championships today.

Mexico's Rafael Osuna and Brazil's Maria Bueno, graceful as panthers and just as dangerous, swept to the national singles championships at Forest Hills Sunday with straight set victories that signaled the end of Australia's domination and at least a temporary setback to a budding American boom.

Altamonte Elementary PTA Reschedules First Meeting

By Julia Barlos
The opening meeting of the Altamonte Springs Elementary PTA, originally scheduled for Tuesday night, has been rescheduled for 7:30 p. m. Thursday in order not to conflict with Tuesday's meeting of the South Seminole Junior High PTA.

Introduction of the Altamonte School Faculty is the main item of business on the agenda for the opening session.

Officers for the year are Mrs. Lawrence Swofford, president; Don Noell, first vice president; Principal Frank Gore, second vice president; Mrs. Margaret Armstrong, secretary and Mrs. Lillian Donaldson, treasurer.

Appointed chairmen for the year include Mrs. Vi Segrist, clinic; Mrs. Helen Wolke, program; Mrs. Louise Kerchner, ways and means; Mrs. Jean Pasternack, publicity; Mrs. Annie Sue Banks, room representative; Mrs. Jean Nuss, membership; Mrs. Millie Pattishall, devotion; Mrs. Thelma Smith, library; Mrs. Vivian David, year book; Mrs. Blanche Householder, hospitality; Mrs. Lynn Esch, beautification; Mrs. Sally Sheets, historian; Mrs. Pat Willis, publication and Mrs. Bea Baxter, study discussion.

Mrs. Segrist advises that volunteers are still needed for work in the school health clinic and Mrs. Esch has asked that anyone with trees, plants or cuttings which could be contributed towards the school beautification program contact her either in person or by telephone at her home.

G. J. Brockhaven Funeral Today

Graveside funeral services for Mr. George Joseph Brockhaven, 79, of Fern Park, who died Friday in a Hendersonville, N. C., hospital, were scheduled for today in Sandy Springs, Ga.

Survivors are his widow, Mrs. Grace Brockhaven; a daughter, Mrs. Rose Maurer of Albertson, N. Y.; a son, Irvin Brockhaven, Long Island, N. Y.; a stepson, R. F. Hartline of Sandy Springs; a brother, Gene Brockhaven of Jackson Heights, N. Y.; sisters, Mrs. Rose Murphy of Brooklyn, N. Y., and Mrs. Anne Myers of Long Island, six grandchildren and three great-grandchildren.

Longest Cable
SOUTHAMPTON, England (UPI) — The American Telephone & Telegraph Co. loaded about 1,700 miles of underwater cable aboard its ship "Long Lines" to complete the first direct trans-atlantic telephone link between the United States and Britain.

When completed, the cable will be the world's longest underwater telephone line.

Geneva Citizens To Hear Address On Insurance

State Insurance Representative Ed Boon will be at the Geneva Community Hall at 7:30 p. m. today to discuss and explain the Senior Health and Hospitalization Insurance Program and to answer questions in general relating to insurance.

Although the meeting primarily has been arranged for benefit of the community's senior citizens, all interested persons are invited and urged to attend.

JFK Lowers Boom On Wallace

news... BRIEFS

Toll Road OK'd

TALLAHASSEE (UPI) — The Development Commission has okayed construction of a toll-free toll highway across Collier and Broward counties.

Fighting Reported

MIAMI (UPI) — Cuban exile sources here today reported bitter fighting between guerrillas and Castro troops in central Cuba with heavy casualties on both sides.

Leads Drive

WASHINGTON (UPI) — Rep. Carl Vinson, D-Ga., one of Congress' most influential members, has launched a drive to block a Pentagon directive placing segregated communities off-limits to servicemen.

Beating Probed

NASHVILLE, Tenn. (UPI) — The FBI today investigated a complaint that a gang of 15 to 25 whites kidnaped and beat a white minister and an interracial group of college students in Alabama.

LBJ To Norway

HELSINKI, Finland (UPI) — Vice President Lyndon B. Johnson ended a noisy, handshaking tour of Finland today and flew off to arctic Norway, the next stop on his 15,000-mile tour of northern Europe.

Cigarette Tax

TALLAHASSEE (UPI) — Beverage Director Richard B. Keating said today cigarette tax collections for July totaled \$5,141,593, Keating said \$2,853,221, or 56 percent, was paid by the 15,000-odd qualified communities.

Turn For Worse

MOSCOW (UPI) — Sino-Soviet relations, already strained to the breaking point, took a new turn downward today with Russia's expulsion of more Chinese for trying to smuggle anti-Soviet literature into the country.

Parents Protest

COALMONT, Ind. (UPI) — Determined parents kept up their marathon "around the clock" picket of the high school in this small Hoosier town today in protest of alleged "fire trap" schools in nearby Midland and Jasonville.

Dirksen Credited

WASHINGTON (UPI) — Senate Democratic leader Mike Mansfield credited his GOP counterpart today, Senate leader Everett M. Dirksen, with a display of bipartisanship that should help ratification of the nuclear test ban treaty.

Session Opens

MIAMI BEACH (UPI) — National Commissioner James E. Powers opened the 43rd annual American Legion convention today with a call to the organization's 2.7 million veterans to continue showing Americans how to meet the challenges of Cuba, Viet Nam and the Berlin wall.

1,500 Due At Family Reunion

GRACEVILLE (UPI) — Some 1,500 persons are expected to attend the traditional reunion of the Williams family Oct. 5 at the nearby Galilee Church.

Rails Confirm

NEW YORK (UPI) — Stocks pushed higher near the noon hour today after a signal which brokers have been predicting would help push prices to still higher levels.

JOINING THE STATEWIDE sight-saving campaign are two Sanford mothers, Peg Horner, left, and Edith Avenel, who here are demonstrating an eye test on Debbie Howe. These mothers, with others, work each week in teams of two at the Seminole High School clinic, screening students' eyes.

Way Found To Clear Up Old Sanford Loan

Federal government has opened the door for the City of Sanford to renew application for a \$10,000 loan for a feasibility study for the proposed port terminal, City Manager W. E. Knowles informed the City Commission Monday evening.

Knowles had presented a preliminary \$10,000 loan from the Federal Financing Agency demanding repayment of a \$7,900 feasibility loan made in the 1940s for a sewage disposal plant. The city contends it never used the plans and, therefore, under the law is not required to repay. The HIFA contends the present sewage plant construction follows the original plans and, therefore, under the law repayment is required.

It is on the basis of this contention that the HIFA has rejected an application for a \$10,000 feasibility loan for the port terminal.

However, Knowles informed the Commission that an official of HIFA at Atlanta, telephoned him Monday morning and outlined a procedure whereby the old loan may be declared null and void.

In a proclamation issued today Mayor McDonald said: "We owe it to ourselves and our loved ones to recognize the wisdom of protecting vision against disease, accident and neglect, and to join fully in the crusade against blindness."

The Florida observance is part of the 14th annual drive of the National Society for the Prevention of Blindness, Inc., chairman of which is Walt Disney.

Mayor McDonald endorsed the Florida Society's recommendation that every person, especially those over 40, and school age children have their eyes examined at least every two years.

Educational TV Request Ok'd

TALLAHASSEE (UPI) — The Florida Educational Television Commission has put its okay on an application for an educational television station on Channel 24 in Orlando.

At its annual organizational meeting here Monday, the commission also okayed an application to the Federal Health, Education and Welfare Department for a grant of \$25,000 for construction of the facility.

The application was made by Central Florida ETV Inc., comprised of eight county school systems in the Central Florida area, including Seminole County. The application now goes to the Federal Communications Commission.

Kelly Dismissal Move Considered

TALLAHASSEE (UPI) — The Senate voted 38-11 today to consider a defense motion to dismiss impeachment charges against Circuit Court Judge Richard Kelly and gave attorneys two hours to debate the motion.

The action came one hour after the Senate opened the second day of the impeachment trial of the 39-year-old Pasco County Circuit judge, charged by the House of Representatives on eight counts of judicial tyranny.

Exiles To War On Greek Ships

MIAMI (UPI) — A militant Cuban exile group has warned it will attack Greek ships found near Cuba after Oct. 1, and vowed to continue to fight Premier Fidel Castro "until victory or death."

At the same time, the Revolutionary Recovery Insurrectionary Movement (MIRR) released photographs Monday showing two of its members working on six homemade bombs which the group said were dropped on a Camaguey sugar mill Sunday.

Florida Farm Values Gain

JACKSONVILLE (UPI) — Florida's farm land increased in value from \$257 to \$279 per acre last year, according to the state Chamber of Commerce.

It was a dollar gain unmatched by any other state, the chamber said in its weekly business review. The increase represented a 29 percent gain since 1960, placing Florida first in the nation.

Bolita Trial Set

Trial of Doc. 17 was set for Harlan Blackburn, Clyde F. Lee and Dorothy Bradford, arrested in Seminole County on bolita charges, when arraigned Monday in Orange County. Bond of \$5,000 each was continued pending the trial before Judge Warren H. Edwards at Orlando.

News Session Set

WASHINGTON (UPI) — President Kennedy will hold a news conference Thursday at 4 p.m., EDT, his first since Aug. 29. The conference will be open to live television and radio coverage.

Guard Taken Over; Five Schools Mixed

BIRMINGHAM, Ala. (UPI) — President Kennedy outmaneuvered a defiant Gov. George C. Wallace for the second time in three months today by federalizing the Alabama National Guard and racial integration came for the first time to schools in the Alabama cities of Birmingham, Mobile and Tuskegee.

A stormy demonstration by flag-waving white students erupted at one Birmingham school, but police kept the screaming students under control and forced back a crowd of angry adults a block from the scene.

Many white parents began removing their children from several other schools in Birmingham and Tuskegee.

When some of the uproar and early morning confusion subsided, 29 Negroes were inside five white schools in the three cities.

Wallace went to his office in Montgomery this morning, met with advisers, and later accepted service of federal court orders restraining him from interfering with school integration.

It was at West End High School in Birmingham where the boisterous demonstration broke out moments after two Negro girls entered the brick building.

City police moved in quickly.

There were at least 15 arrests of adults and youths.

When Kennedy's order put the guardsmen on federal duty became known the guardsmen quickly departed the schools in Mobile and Tuskegee, before any pupils showed up.

"We've been federalized," an officer in Mobile said simply.

Kennedy's order empowered Defense Secretary Robert S. McNamara to call into federal service "any and all units of the Alabama National Guard and Air National Guard" for an indefinite period.

Castro Admits Sugar Mill Hit

HAVANA (UPI) — Cuba's biggest sugar mill was bombed at dawn Sunday but anti-aircraft guns prevented raids on two Cuban cities that night, the Castro government said Monday night.

A release handed out shortly before midnight said a plane "from the north" dropped five 50-pound bombs on the Brazil-Caracas sugar mill at 1:30 a.m. Sunday, damaging one building but causing no casualties.

Loyalists Crack Viet Cong Ring

HO CONG (South Viet Nam) (UPI) — Government forces blasted their way out of a Communist ambush to score their biggest single victory over Viet Cong guerrillas since South Viet Nam's hot dispute flared into the open last May, military sources said today.

The sources said South Vietnamese troops killed an estimated 80 Viet Cong regulars and wounded 190 more in a battle Monday near this little delta town about 20 miles south of Saigon. Government losses were estimated at about 20 dead and 20 wounded.

Phone Strikers Begin Return

TAMPA (UPI) — General Telephone Company employees who had been on strike for two months began reporting back today, but few were put to work.

Electrical workers in six Florida cities voted by a slim margin Monday night to accept a proposed new contract and were instructed by union officials "to report to work to their immediate supervisors in the morning."

Tax Cut Ok'd By House Unit

WASHINGTON (UPI) — Overriding solid Republican opposition, the House Ways & Means Committee today approved an \$11 billion tax cut, the biggest in the nation's history.

By a straight party-line of 15-10, the committee directed its chairman, Rep. Wilbur D. Mills, (D-Ark.), to introduce the bill it spent seven months in drafting.

Further Cut In Aid Possibility

WASHINGTON (UPI) — A House group may chop an additional \$700 million from President Kennedy's foreign aid program, already whacked sharply by Congress, according to informed sources.

These sources said that a House appropriations subcommittee headed by Rep. Otto E. Passman, D-La., hoped to reflect the new cut when it acts on the foreign aid money bill next month.

Any further reduction is sure to heat up the fight between the administration and foreign aid foes in Congress.

Married Men To Escape Draft

WASHINGTON (UPI) — President Kennedy today, in effect, exempted married men from the draft in a move that will relieve an estimated 340,000 young husbands from military service.

His executive order provided that husbands of draft age (from 19 through 25) will be called only if the pool of eligible single men is exhausted.

Board Approves County Budget

By juggling off two major items totalling \$73,000, the County Commission at noon today approved its 1963-64 budget of \$2.1 million while at the same time holding the tax millage at six mills, the same as in the last several years.

The Commission removed a proposed \$30,000 from the capital outlay fund for a new county nursing home and \$3,000 for a court house annex.

The courthouse annex item was removed when Clerk Arthur H. Beckwith Jr., read a telegram received last night from Attorney General Richard Ervin that the county cannot legally establish a facility outside the county seat. His statement said that there is no enabling legislation permitting such procedure.

Commission decided to request the county legislative delegation to take the matter under advisement for consideration during the 1963 Legislature.

Commission was divided on removing the \$30,000 item for the capital outlay fund earmarked to be added to \$73,000 already on hand for a new county home.

Commissioners James B. Avery Jr. and John Fitzpatrick contended the \$30,000 should be for the capital outlay fund, whether for the county home or for some future contingency.

Commissioners John Alexander and Lee Gary held that \$73,000 was sufficient for a home.

Gen. J. C. Hutchison, chairman, in voting to break the tie in favor of striking the \$30,000 item from the budget, pointed out that the county can obtain \$15,000 in matching funds from the federal Hill-Flurton act to provide \$150,000 for a 15-bed facility.

County Commission, in its final approval, increased the Chamber of Commerce's appropriation by 100 per cent over this year, from \$10,000 to \$20,000.

Commission Eases Milk Price Rule

ORLANDO (UPI) — The Milk Commission voted today not to challenge distributors who offer milk to schools at prices as low as 6.75 cents per half pint.

The commission's action sets the stage for numerous counties to take new bids for milk for the school lunch program. Several counties had rejected high bids and substituted fruit and vegetable drinks in the program.

The request that the commission not penalize distributors for prices of 6-15 cents was made by Pinellas County School Superintendent Floyd T. Christian as spokesman for the County School Superintendents Association.

"This will break it open," Christian said after the decision. "It will result in bids we can live with. We'll get bids now that will make it possible to get milk back in the schools."

An estimated 300 persons were on hand here for the commission meeting.

The Commission began discussion on a new fair trade proposal after acting on the school milk proposal. The new proposal also could be a big help to schools.

It is approved it would allow a distributor to "sell milk to schools for as low as 5.825 cents per half if he wanted to take the loss."

Christian presented his suggestion on delaying penalties for those distributors who want to meet competition by lowering the prices as part of a proposal taking in several recommendations.

Council Accepts City Tax Roll Of \$42,450,000

Congressman A. S. Herlong Jr. early this afternoon telephoned The Herald to advise that the City of Sanford cannot under any circumstance dispose of the old post office building.

He reported disposition of that property was released by the U. S. General Services Administration to the U. S. Department of Health, Education and Welfare which, in turn, released the building to the City for a 25-year period for library utilization only. He said today HEW advised him it will not permit the sale of the property by the city and will permit its only use to be for a public library.

City tax roll of \$42,450,000, as submitted by Henry Tamm, finance director, was accepted by the City Commission sitting as the Board of Equalization Monday evening.

Tamm informed the Commission this is an increase of \$1,075,000 in property valuation over last year.

James Graham Chapman, saying he represented a group of Sanford businessmen, was given until Oct. 11 to prepare and submit plans for a parking structure at the intersection of Highway 17-92. He also questioned whether the city has an ordinance prohibiting sale of liquor within a certain distance of a school and was apprised by City Attorney William Hutchison there is no such law.

The hotel owner charged that the Commission, in not permitting liquor sales to 2 a.m., is "driving business out of town." He asked that "I can see no difference in us (Valdez Hotel and the Mayfair) except in the number of rooms." He also charged that other city bars have been operating until 1 and 2 a.m.

"The bars in this town pay a lot of taxes," Burton said, "more so than those in the county. All city bars pay the same amount and should be granted the same closing privileges."

Stating he was not authorized to speak for any other bar owners, Burton said he was "speaking only personally for all bars when I say I can see no difference between a hotel bar and a bar only."

Commissioners remained silent when Burton concluded. After Burton seated himself, Commissioner Joe Baker directed Capt. Arnold Williams, acting police chief, to instruct all police officers to make certain all city bars abide by the midnight closing law.

Town Clerk Of Casselberry Resigns

By Jane Casselberry

The town of Casselberry soon will need a new town clerk as a result of the resignation of Mrs. Lillian Henning, effective Sept. 27. She resigned at Monday night's meeting of the town council.

Mayor Fred Heath, who has been looking for someone to act as an assistant clerk for several months must now find a qualified resident to serve temporarily as clerk until the Dec. 2 municipal election.

Mrs. Henning gave as the reason for her resignation the fact that she has earned the maximum allowed under the Social Security Program and will lose her benefits if she fills out her term.

J. D. Self, road chairman, reported the way has been cleared for the paving of the section of Overbrook Drive from Sunset Drive to South Triplet Drive. Amick Construction, Inc., of Orlando, was low bidder for the job at \$5,767.38.

The town of Casselberry will meet one-third of the cost or \$1,922.46 in return for road rights-of-way needed for the straightening of Winter Park Drive. Ralph Parks, owner of Land o' Lakes Country Club will contribute a \$3,444.92 share and the Woman's Club and Recreation Center will each have a \$200 share.

Self also read a statement saying he wished to withdraw all previous suggestions for road improvements, particularly in regards to the paving program, as the citizens showed by their action in defeating the proposed charter that they are against progress.

Self was authorized to get estimates of the cost of both a new and used tractor with front-end loader and hydraulic hitch for narrow and mow.

The tractor purchase proposal brought an objection from former mayor, Joseph Laird, who has already protested the parking of city equipment near his home.

The council then voted to buy or lease property for the creation of a storage building and asked Mayor Heath to look into locations and prices.

Nov. 22 was set as deadline for registering to vote in the December election and those who returned their yellow registration cards, but who were not previously registered in the old books, must appear before the clerk to sign the voter's oath.

Renewal of A.B.C.'s garbage collecting franchise, which expires Oct. 1, was discussed. Town Attorney Kenneth McIntosh was instructed to draw up an ordinance and contract to be submitted at a continued session scheduled for Sept. 22.

Lounge Owner Asks Uniform Bar Closings

City Commission Monday evening turned a deaf ear to a request by John A. Burton IV that all liquor bars in the city be granted the same business hour privileges.

Citing that all city bars except the Mayfair Inn are required by law to close at midnight, Burton, owner of the Caribou Lounge and Valdez Hotel, claimed it is unfair to require other city bars to close two to three hours earlier than the Mayfair Inn and county bars outside the city limits. He also cited the fact that the Shamlin Lounge at the Mayfair Inn is open on Sundays.

Burton presented his request after the Commissioners approved the reading of a new ordinance extending the liquor zone south to include the Pinecrest Shopping Center at 27th Street and Highway 17-92. He also questioned whether the city has an ordinance prohibiting sale of liquor within a certain distance of a school and was apprised by City Attorney William Hutchison there is no such law.

The hotel owner charged that the Commission, in not permitting liquor sales to 2 a.m., is "driving business out of town." He asked that "I can see no difference in us (Valdez Hotel and the Mayfair) except in the number of rooms." He also charged that other city bars have been operating until 1 and 2 a.m.

"The bars in this town pay a lot of taxes," Burton said, "more so than those in the county. All city bars pay the same amount and should be granted the same closing privileges."

Stating he was not authorized to speak for any other bar owners, Burton said he was "speaking only personally for all bars when I say I can see no difference between a hotel bar and a bar only."

Commissioners remained silent when Burton concluded. After Burton seated himself, Commissioner Joe Baker directed Capt. Arnold Williams, acting police chief, to instruct all police officers to make certain all city bars abide by the midnight closing law.

Married Men To Escape Draft

WASHINGTON (UPI) — President Kennedy today, in effect, exempted married men from the draft in a move that will relieve an estimated 340,000 young husbands from military service.

His executive order provided that husbands of draft age (from 19 through 25) will be called only if the pool of eligible single men is exhausted.

Mary Ann Newman To Marry James Berry St. John Jr.

Mr. and Mrs. Harry E. Newman Jr., 124 Blake St., Greenwood, S. C., announce the engagement and approaching marriage of their daughter, Mary Ann, to Ensign James Berry St. John Jr., U.S.N., son of Mr. and Mrs. J. B. St. John, 220 Crystal Drive, Loch Arbor, Sanford.

The bride-elect attended schools in Greenwood and graduated from the Greenwood High School. She has completed three years at the University of South Carolina, in Columbia, S. C.

The groom-elect, a native of Sanford, is a graduate of

Seminole High School and the University of South Carolina. He received his degree in June 1962 and in August of the same year received his commission as ensign. He entered Flight School at the Naval Air Station, in Pensacola and is presently stationed at NAAS Sanly Field, in Pensacola.

The wedding is planned for Dec. 23 at the Episcopal Church of the Resurrection, in Greenwood.

MISS MARY ANN NEWMAN

Enterprise Personals

Miss Linda Tyler, daughter of Mr. and Mrs. Wesley Tyler, and Pat Ryan, son of

Mr. and Mrs. W. J. Ryan, have entered Daytona Beach Junior College.

Mr. and Mrs. Harvey L. Dunn and Miss Helen Snodgrass attended the dinner at Calico Kitchens in DeLand and the board of directors of the West Volusia Cancer Association meeting.

Mr. and Mrs. Chester Henderson and son Howard returned Monday from a weekend with their daughter and son-in-law, Mr. and Mrs. Andre Ayles in North Hollywood. While there they also attended the wedding of Mr. Henderson's cousin, Ralph Sands, to Miss Ann Arnold in Miami Springs.

Mrs. William Walther and children, Cathy and Billy, of New Orleans, La., are spending this week with her parents, Rev. and Mrs. Fred Foster.

Sorority Holds First Meeting

Members of the Zeta Xi Chapter of Beta Sigma Phi, observed the "Beginning Day" of the 1968-69 season with a picnic at Lake Golden, with their husbands and families as guests.

The first business meeting of the year was held at the home of Mrs. Joe Corley with Mrs. Richard Butler as co-hostess.

Mrs. Robert Winsa, president, presented the new year books to the group and the calendar was reviewed. Plans were discussed for the fall rushing programs. Mrs. Fred Wilson, vice president, announced that the "rush" for new members will start the latter part of this month and continue through October.

Ways and means chairman, Mrs. Lewis Linnckugel, reminded the group of the rummage sale to be held later this month. Beta Buddy names were drawn for the coming year and Mrs. Corley was selected as Valentine Girl of the year. She will represent the chapter in the contest for International Valentine Queen, to be chosen from the 150,000 members of Beta Sigma Phi.

Mrs. Corley led the program on "Oratory." She read the Sermon on the Mount as an example, which was analyzed by the group.

Other members attending were Mmes. George Beers, Gerald Covington, Gary Hudgins, James Lyons, Ernest Morris, Robert Morris, Thomas Russell and Harvey Wilkinson.

Miss Cleveland Robert Reganall To Wed Sept. 15

Arnold C. Cleveland, 1007 Palmetto Avenue, Sanford, announces the engagement and approaching marriage of his daughter, Carole Fay, to Robert Reganall, son of Mr. and Mrs. Norman Reganall, of Deerfield, Mich.

Carole, also the daughter of the late Mrs. Margaret Cleveland, is a native of Sanford and was a member of the 1962 graduating class of Seminole High School. She has done some secretarial work during the past year.

The groom-elect attended schools in Deerfield and is presently stationed aboard the USS Kittyhawk with VA113 of the U. S. Navy.

The wedding will be an event of Sept. 15 in San Diego, Calif.

New Arrivals

By Julia Barton
Mr. and Mrs. Lee Jones of No. 5, Hattaway Drive, Dol Ray Manor, announce the birth of a six pound, nine ounce baby boy born July 27 at Orange Memorial Hospital. They have chosen the name of David Edward for the new arrival who has three brothers, Keith, Mike and Richard. Paternal grandmother is Mrs. W. L. Jones of Winter Garden. Maternal grandparents are Mr. and Mrs. C. E. Rudick of Orlando.

Local Events

TUESDAY
Ladies Auxiliary of the Fleet Reserve will meet at the home of Mrs. William Holcomb, 157 Pinercrest Drive, at 7:30 p.m.

Easy Way to Kill Ants and Roaches

Brush on Once... Lasts for Months
JOHNSTON'S NO-ROACH: Simply brush Johnston's No-Roach on cabinets to control cockroaches, on sills to stop ants. Colorless, odorless coating stays effective for months. No need to move dishes or breathe harmful sprays.

Eastern Star Official Visits Chapter

More than 100 members and visitors attended the official visit of Mrs. Irene Johns, Worthy Grand Matron of the Grand Chapter of Florida, to Seminole Chapter 2, Order of Eastern Star, in Sanford.

The meeting was preceded by a banquet at the Capri, in her honor, for officers and their escorts. Other grand officers attending were grand Ruth, Mrs. Betty Donellan; grand Adah, Mrs. Gloria Smith; grand instructor of Dist. 24, Mrs. Wanda Mercer and grand sentinel, George Myers.

Past grand officers attending were past grand matron, Mrs. Beatrice Brandon; past grand electa, Mrs. Murray Jarvis; past grand organist, Mrs. Mary Self; past grand Ruth, Mrs. Pauline Kirkland and past grand Martha, Mrs. Ione Keene.

The altar was draped in memory of Past Grand Patron, Mr. Lynn Gunn.

A courtesy was presented by the officers, honoring Mrs. Johns. They formed a lyre, one of her emblems, and each of them spoke a few lines about her motto "Light, Service, Harmony." Byron Leach sang a solo to the tune "End of a Perfect Day" extolling her virtues, and Mrs. Joe Corley sang excerpts during the courtesy.

Associate Matron, Mrs. L. E. Eates, presented her with a gold styrofoam lyre entwined with yellow roses and leaves formed by folded money, as well as an honorary membership in the local chapter. Worthy Patron, J. E. Blackman, presented her a music staff of gold styrofoam with yellow roses and folded bills, and an honorary membership for Worthy Grand Patron, Walter Fennell, who was unable to attend.

The president of the Past Matrons' Club, Mrs. Joe Leinhardt, presented her with a sheaf, another of her emblems, with small lyres attached bearing the names of all past matrons of the local chapter. The sheaf was made of seat-onts sprayed gold, tied

Bride-Elect Honored With Luncheon

By Mrs. Adam Muller
Miss Patricia Scott, bride-elect of Frank Wilson Duval, was entertained at the past week with a luncheon at the home of Mrs. Monso Tatum in DeLand. Mrs. Frank Duval was co-hostess.

The honoree was presented a gift of silver as a memento of the happy event. Guests were Mrs. Amelia Scott, grandmother of Patricia; Mrs. Frank W. Duval, mother of the groom-to-be; Judy Everhart; Brenda Everhart; Peggy Morris and Jo Linda Hill.

The luncheon table was decorated with an arrangement of roses and a white and pink color theme was carried out throughout the home.

Personals

Miss Dorothy Diane Miller, daughter of Mr. and Mrs. Lester L. Webre, 244 South Orange Ave., left Saturday for Wichita, Kan., to enroll at the Sacred Heart College, there.

Miss Rita Jane Miller, daughter of Mr. and Mrs. Edgar Sherman Miller, will enter Virginia Intermont College, in Bristol, Va. Classes start this week.

with yellow ribbon attached to the bow of which was a small gold package of money. Mrs. Johns spoke about her special fund; Eastar, the program whereby sons and daughters of Eastern Star members may secure scholarships for religious education, and support of Eastern Star members who are residents of

the Masonic Home in St. Petersburg. She had Mrs. Ione Keene, a member of the Eastar committee, relate how many young people are now enjoying benefits of the scholarship fund, and how many applications were pending. The coin fund for the evening was turned over to her for her fund, and a check from the

Rainbow Girls was presented in memory of Mrs. Mary Elizabeth Thompson, deceased member of the Rainbow Advisory Board.

The chapter room carried out Mrs. Johns' colors of yellow and gold in gold pots of yellow roses, rose trellises entwined with yellow roses, and a gold palm spergne filled

with roses. The dining room was decorated with potted palms, and the table centered with an arrangement of yellow roses, flanked by silver candelabra holding yellow taper. Orange-pineapple punch, cake, and nuts were served by Mrs. Harvey Dunn, Mrs. Wm. Hoye, and Mrs. P. A. Rowland.

MRS. CHARLES COLE, left, worthy matron of Seminole Chapter 2, OES with guest of honor, Mrs. Irene Johns, state official and worthy patron, J. E. Blackman, at a banquet in honor of Mrs. Johns. (Herald Photo)

Andersons Enjoy Visit With Pennsylvania Relatives

Mr. and Mrs. R. E. Anderson and daughters, Cheryl Karin and Christine, of Beaver, Pa., have been the guests of their parents, Mr. and Mrs. P. D. Anderson, in Lake Mary, for the past three weeks.

The family made the Anderson home on Lake Emma their headquarters while taking many auto trips around the state during their stay.

OES Officer Honored With Breakfast

J. E. Blackman, worthy patron, and Mrs. Aline Blackman, wife of worthy patron, of Seminole Chapter 2 Order of Eastern Star, honored Mrs. Irene Johns, worthy grand matron of the Grand Chapter of Florida, with a breakfast at Pinercrest Inn. The breakfast climaxed Mrs. Johns' two-day visit.

Out of town guest was Mrs. Gloria Smith, Grand Adah. Others attending the breakfast were Mrs. Charles B. Cole, worthy matron, Mrs. Virginia Anderson, Mrs. Luc Dean Estes, Mr. and Mrs. L. T. Sheppard, Mr. and Mrs. Robert E. Peurifoy and Mr. and Mrs. Byron M. Leach.

Summer's Best Story

In a time when significant stories jostle each other for space on the wires and in the papers, we have Great Britain to thank for the reading treat of the summer.

It involves no politics, no event of world-wide importance.

It is just a story of good, old-fashioned skulduggery, spiced with drama, plenty of suspense, a mysterious blonde and the heartwarming

assurance that Scotland Yard is still operating in the best tradition of the whodunit school.

This summer of 1963 would have been a much less exciting season without the columns of reading provided by The Great Train Robbery.

Watch for more exciting chapters in this saga in the days to come. The boys have a long way to go before the wrap-up story is written. Hurrah for a change in news

Worth A Try

No one now expects that the U.S. Senate will give anything but overwhelming approval to the partial nuclear test ban treaty with the Soviet Union.

In the Senate Foreign Relations Committee's nearly unanimous endorsement of the treaty, there is a clear assessment that whatever risk is involved in one this nation can take without grave danger to its freedom and security.

It is a judgment which says in effect that if we are not willing to take some risk in order to test Russia's purposes at this stage, we are saying that negotiation is now and perhaps forever a futile device of diplomacy in the cold war.

Obviously we are not prepared to take so adamant and seemingly final a stance.

Soviet motives, in the nature of things, can seldom if ever be entirely clear to us. But we are not now measuring motives. We do not have to know all that goes on between the Kremlin and Red China in order to take this test ban chance.

We will be watching Soviet action. There is a strong conviction that if Russia breaks the treaty we will speedily know it and be able to act on our own to prevent Moscow from gaining a critical nuclear military advantage.

It is we who have the great advantage today, and we do not propose to yield it. We will have our

guard up, prepared to test in the atmosphere again should the Russians resume.

And beyond doubt, we shall be constantly alert to assure that our massive stockpile of nuclear weapons—called by President Kennedy sufficient to kill 800 million people in one hour—remains an effective shield for us and the free world.

This means, of course, keeping the weapons in usable condition—and deliverable over targets.

Military men disagree on ways of assuring this effectiveness. But there would seem to be ample support for the idea that it can be done, notwithstanding the test ban treaty.

Not all our military and nuclear specialists like the treaty. But the Senate Foreign Relations Committee is a sober and responsible body. It listened to the doubts and reservations and yet decided to approve the document. At worst, the committee might in time be proved wrong. At best, this group, the full Senate and all associated with the treaty must recognize that it is not a guarantee of peace, but only a small beginning step down that road.

Up to now there has been almost no traffic on that road. We are simply making ready to try it. We may have to turn back. But, with the stakes so high, the try is one our sanest Senate leaders think we ought to make.

Phil Newsom Says . . .

Pressure On East-West Trade

Partly as result of the new partial nuclear test ban treaty, partly as result of long-standing pressures, there is today increasing talk of a vast new buildup in East-West trade.

The United States has admitted it is reviewing its policies toward Communist-bloc nations.

For years under Nikita Khrushchev the Soviet Union has pressed for increased trade with Western nations and has protested especially the Western ban on strategic materials which covers far more than the question of guns or rockets.

For the West, the more cautious advise that the nuclear test ban treaty by itself constitutes no real breakthrough in East-West relations and that in Germany, for exam-

ple, Soviet demands have not been reduced in the slightest. There also is the question of doing business with and helping to build a system frankly dedicated to destruction of the Western democracies and their economies.

Within both blocs there are important pressures beyond the political.

In the Soviet Union and its satellites there is an increasing demand for an increase in the standard of living and the supply of consumer goods after years of hardship. And as the Soviet bloc has increased its own output of both manufactured and raw materials there is an increasing need for outlets.

Among the satellites, enjoying a period of respite from hard Moscow control, there also is a spirit of in-

dependence demanding freedom to develop their own economies, including increased Western contact.

Among the latter, Romania offers an excellent example. The Romanians not only have increased their trade faster with the West than with their Communist-bloc partners, but also have shown marked reluctance to join the integrated economic program advocated by Moscow.

Among the Western nations, with production capacity in some cases outdistancing markets, there is a growing temptation to dip into the "ocean" of trade promised by Khrushchev.

German and British merchants have been particularly restive under U. S. demands for strict enforcement of the ban on shipment of strategic materials.

Under pressure of the West German government, German merchants finally canceled a deal to supply pipelines to the Russians.

The British government showed no such inclination. The British also are interested in exchange of ships for oil.

STEP ON IT!

Dr. Crane's Worry Clinic

Our daughter Judy was sure that her oldest son was unusually precocious in his counting. But there is a marked difference between reciting numbers versus pointing to objects as you count! Notice Judy's shock after the test below. And borrow my college textbook from your library for further advice.

CASE Q-44: Matthew, aged 2 1/2, is our daughter Judy's oldest child.

One day at the dinner table, Judy proudly boasted that Matthew could count up to ten.

"Show them how you can count," she urged Matthew. And Matthew correctly counted "One, two, three, etc." until he arrived at "ten."

"Daddy," Judy then turned to me, "I thought you said the average child must be four years old before he can even count to four."

"So isn't this very unusual for Matthew to be able to count to ten?"

But I shook my head, much as I disliked puncturing Judy's enthusiasm.

"By rote memory," I replied, "even a parrot can count to ten. But neither the parrot nor the average child of Matthew's age, really understands what his counting means."

"For example, those numbers are just words in a sequence of syllables to the parrot or the usual child of Matthew's age."

"They don't realize that each number refers to a se-

parate object or item in the environment."

Judy, however, still persisted that Matthew could count to objects.

So I suggested we make the proper test and thus lay a series of pennies on the tablecloth.

Matthew was then to point to each penny as he named it in the sequence of numbers.

So Matthew started counting but was to indicate each penny as he progressed.

"One, two, seven, five, ten, etc.," was now the way he did his counting.

Judy could hardly believe her eyes, for she was positive that he could count ten pennies in the proper sequence.

So she started Matthew's second time. And here's his sequence:

"One, two, six, nine, three, eight, etc."

The average or normal child with an I. Q. of 100 points, thus must be four years old in order to count four pennies!

Oh, he can glibly chatter away with the numbers in correct sequence, maybe up to ten or even to twenty.

But "chatter counting" differs from "pointing counting."

This same normal child must attain the age of six years before he can point to and correctly count 13 pennies!

To you laymen, it may seem strange that you cannot teach a child to perform the task of counting 13 pennies, even when he is four years old.

But mental horsepower (I. Q.) is much like mechanical horsepower in your automobile motor.

It is relatively fixed capacity that a child obtains at birth.

A cultured home, plus love and unusual motivation may alter a child's I. Q. a few points.

But if a youngster has normal vision and hearing and health, his I. Q. test at the kindergarten age should be almost identical with his I. Q. score in high school.

Go to your local library and borrow a copy of my college textbook "Psychology Applied," if you wish to read more fully on child psychology.

Four tons of raw materials are required to produce a ton of steel; two tons of iron and the rest is coal, limestone and other items.

Peter Edson Political Notebook

WASHINGTON — (NEA) — Renewed pressure for passage of fair employment practices legislation under its new name of "Equal Employment Opportunities" is expected to be a first result of the March on Washington for Jobs and Freedom.

The change in name is considered advisable to remove the curse against the wartime FEPC, killed by Congress in 1946.

A bill to set up an "Equal Employment Opportunities Commission"—EEOC—has been introduced in the House by Rep. James Roosevelt, D-Calif.

It has been approved by the House Education and Labor Committee, with some Republican support, and referred to the House Rules Committee.

No one is optimistic that EEOC will ever get out of

the rules committee. But Rep. Roosevelt also has presented his bill to a House Judiciary subcommittee as an amendment to the omnibus civil rights legislation which is intended to carry out President Kennedy's program.

The amendment would cover all employers with more than 25 employees and engaged in interstate commerce.

This is what the Freedom March leaders want. That became apparent when A. Philip Randolph, originator of the march idea, declared in Washington that "Negroes are not yet fully free to obtain the jobs they desire."

Pointing out that Negro unemployment rates are two and a half times the national average, the long-time head of the Sleeping Car Porters union put equal job rights as the first objective of the march—abed of better education, housing, voting rights and equal access to public accommodations.

Randolph told a National Press Club audience a little-known story of how he got the late President Franklin D. Roosevelt to set up the original FEPC in 1941.

At that time Randolph was organizing another march on Washington, President Roosevelt summoned him to the White House and asked him to call off the march. Randolph refused.

"What do you want me to do?" the President asked him. Randolph replied that he wanted an order that would enable Negro workers to get jobs in defense plants, ins-

ured by the President giving Negroes equal job rights.

And it was done.

Paying tribute now to President Kennedy for the civil rights message the President has sent to Congress, Randolph declares that "in addition to his proposals, there must be these other measures enacted into law and implemented."

Treaty Seen As Weapons Threat

WASHINGTON (UPI)—The Senate Preparedness subcommittee reported formally Monday that the nuclear test ban treaty will "affect adversely" future U. S. weapon development and create "serious and perhaps formidable" disadvantages.

"These disadvantages, in our judgment, are not outweighed or counter-balanced by the claimed military advantages," the report said.

"At the same time we are not convinced that comparable military disadvantages will accrue to nuclear weapon program of the U.S.S.R."

The group made no recommendation on whether the Senate should ratify the limited test ban treaty on which debate begins today. The subcommittee, noting that other issues as foreign policy are involved, said each individual must "reach his own judgment" on the basis of his own philosophy, knowledge and experience.

Quotes

For a very large number of the supporters of religion, their religious views are infantile psychological systems which have been acquired under the stress of the early years of life, which give emotional satisfaction to the particular psychological make-up of the individual concerned.

Pros Ready For Openers

Harris Leading Golf Amateurs

DES MOINES, Iowa (UPI) — They were chasing Labron Harris Jr., the mathematical genius with the geometrical putting touch, once again today as 128 hopefuls walked their way into the second round of the U. S. Amateur golf championship.

Harris, the bespectacled defending champion from Oklahoma State, romped into the second round with as much ease as if somebody asked him whether two and two made a par four when he dined off Bill Cowardin, a VMI student from Newport News, Va., 5 and 6. And, two under par, he was the only man to conquer the hilly, narrow Wakodona Club course.

A host of the favorites went with him, however, as he set

Legal Notice

NOTICE OF HEARING IN THE MATTER OF THE ESTATE OF WILLIAMSBURG SAVINGS BANK, a New York corporation, Plaintiff vs. DONALD EDWIN BOOSE, et al. Defendants.

Notice is hereby given that the above-mentioned hearing will be held at the office of the Clerk of the Circuit Court, Ninth Judicial Circuit, in and for Seminole County, Florida, at 10:00 o'clock A. M. on the 15th day of September, 1963, at which time the parties to the above-mentioned proceeding are required to appear and be heard on the merits of the case.

Cardinals Cut Dodgers' Lead To Three Games

Standings

By United Press International
It is almost exactly 15 years since the U. S. Army granted Pvt. Curt Simmons a special furlough designed to give the straggling young lefty a chance to pitch for the Philadelphia Phillies in the World Series.

Simmons never did pitch in the 1950 Series as the Phillies lost four straight to the New York Yankees, but he may get his chance this year as the Cardinals keep hitting into the Los Angeles Dodgers' once-imposing National League lead.

The 34-year-old Simmons, enjoying his best season since 1956, scored his second straight shutout and his 14th victory of the season Monday night when he pitched the Cardinals to a 6-0 win over the Chicago Cubs. It was over the Chicago Cubs, it was the Cardinals' 12th triumph in the last 15 games and cut the Dodgers' first-place lead over them to three games.

Report To Tigers

Detroit (UPI) — Purnell Gaddy, an outfielder, and catcher John Sullivan are scheduled to report today to the Detroit Tigers from their Syracuse farm club. Both hit .290 for Syracuse, which was eliminated from the International League playoffs Sunday.

Favored In Race

NEW YORK (UPI) — Over-thrower, one of the most successful pacers of 1963, has been installed an 8-5 favorite to win Thursday night's \$163,187 Cane Futurity Pace at Yonkers Raceway despite drawing the No. 12 post position.

Rookie Hall Ties Williams Homer Record

Standings

By United Press International
Jimmie Hall was 18 months old when Boston Red Sox slugger Ted Williams hit 31 home runs in 1939 and set an American League record for rookies.

Today Hall, a free-swinging lefty from Mount Holly, N. C., has equaled the great batsman's mark and has 11 games left in which to set a new standard. And the way Hall and his Minnesota Twin teammates hit homers, there's little doubt that he'll make it.

The six-foot, 175-pound Hall hit his 30th and 31st homers of the season Monday night to pace the Twins to a 7-4 victory over the Cleveland Indians. Hall's homers also enabled the Twins to tie the major league record of three players on one team with 30 or more homers.

Braves Recall 2

MILWAUKEE (UPI) — Mac Jones, an outfielder, and Dan Schneider, a left-handed pitcher, are scheduled to report to the Milwaukee Braves today.

The Kansas City Athletics delayed the Yankees' march toward a fourth straight pennant, 7-6, the Chicago White Sox beat the Baltimore Orioles, 9-4, the Detroit Tigers swept the Washington Senators, 1-0 and 10-7, and the Houston Red Sox topped the Los Angeles Angels, 5-2, in other A.L. games.

Sign With 76ers

PHILADELPHIA (UPI) — Len Chappell, Hubie White and rookie Jerry Greenpan have signed their 1963 contracts with the Philadelphia 76ers of the National Basketball Association.

The 76ers, who begin training next week at Hershey, Pa., have 11 players and coach Dolph Schayes under contract.

Lyman Guard Out With Injuries

Sandspurs Open League Bowling

Lyman High School lost the services of veteran guard Dennis Flutter this week and this could prove to be a costly loss.

Just how long Flutter will be out of the lineup remains to be seen but Head Coach Dick Copeland has hopes of returning the standout guard to the lineup very soon.

With only eight practice days remaining before the first game Friday Sept. 20, Copeland has been pretty well pleased with the performance of his boys. In preparation for the opening encounter with Oviedo Copeland has been working mainly on defense and an overall brushup of plays. Considerable time has been spent on the kicking. Prepsters Geoe Griffin and Less Lyles have been working out booting the pigskin.

Lyman's defense hasn't been too bad thus far. About 30 minutes was spent Friday with the number one and

3 Teams Get Series Ticket OK

CHICAGO (UPI) — The American League leading New York Yankees and the Los Angeles Dodgers and St. Louis Cardinals of the National League may print 1963 World Series tickets.

This was the decision Monday of a joint meeting of representatives from leading teams in both leagues.

Commissioner Ford Frick said that if any other team begins to catch the leaders in the closing weeks of the season it will be given authorization to print tickets.

The first two games of the Series will be played Oct. 2 and 3 in the park of the American League pennant winner.

The Series will move to the park of the National League champion for games Oct. 5, 6 and 7 after an open date Oct. 4.

If sixth and seventh games are needed, they will be played in the American League park Oct. 9 and 10.

Wonder what gives with all the "dog-nappings" lately? The Herald has received some six or eight calls during the last couple of weeks, complaints about chihuahuas dogs being stolen.

Another of those items we love to publish: Ann Brandt ran a four-word classified ad in The Herald: "Cute puppies for sale." Sold four the first evening.

It's a safe bet the U. S. Senate will confirm Cecil Heard's appointment as permanent postmaster here. Senators Holland and Smathers have placed their stamp of approval on Congressman Herlong's recommendation. Senate civil service committee expected to act in three-four weeks.

Another report on the police blotter this morning about a boy being bitten by a dog. Too many dogs running loose in Sanford and Seminole County. But R. E. Porter is happy to report action is under way.

Sheriff J. L. Hobby's deputies serving notice to property owners along Highway 436 between Highway 17-92 and Interstate 4 of land condemnation proceedings for improvement of 436.

R. E. Porter queried Judge Vassar Carlton this morning why he was in town. "I'm here on a matrimonial deal," replied the jurist. "I'm going to hand out a Liberty Bond." R. E. Porter interpreted that to mean the judge was going to preside in a divorce trial.

School Board probably will come up with a milk contract Thursday since the Milk Commission has eased its restrictions on producers. Seminole school kids, though, are getting milk with their lunches under a tentative agreement with a local dairy of "no price" until a permanent price is settled. In other words, the dairy will accept the future contract price for milk already delivered.

John Kider was off again today to Tallahassee for high level talks with state officials re his St. Johns-Indian River Canal.

Sanford Naval Academy is sending out handsome invitations to its "commissioning" at 2 p.m. Sunday. Meaning, in Navy parlance, the new school will be dedicated and actually become into being.

R. E. Porter will have the first item in Thursday's paper resulting from the Klwanis auction sale last Saturday, when the club sold this column for its underprivileged children and scholarship fund. First "bought" item will be from Mr. and Mrs. Lewis C. Dell and family. (Note to Mr. and Mrs. Dell: R. E. Porter is an ex-obituarist, too.)

DeLand district. Woman's Society of Christian Service of the Methodist Church, will have an educational seminar Friday at First Methodist. The courthouse is going to have a new "face." Contract to remodel, repair and paint the exterior of the facility was awarded to George W. Dolson on his low bid of \$7,900 by the County Commission.

Camel Bruce was very unhappy today. County Commission slashed her registration office budget by \$4,000 to \$24,000.

A Sanford mother, Mrs. J. M. Adams, of Elm Avenue, came to The Herald office asking help in getting a school crossing guard at Third and French. Said she and about 12 other mothers were having trouble getting their children across French Avenue because traffic refuses to slow down since the crossing no longer has a guard, Rufus Senn, who was the guard there, told it. E. Porter he had been removed because "the five students" now are riding a bus. We'll check with school officials, Mrs. Adams.

Editorial Comment: Herald Regrets...

The long smouldering feud between Sanford City Commissioners and Seminole Chamber of Commerce broke into the open today... much to the regret of The Sanford Herald.

The Herald long has believed in and has supported the Chamber of Commerce because of the untiring efforts of its members in working toward a better Sanford and Seminole County. But City Commissioners has openly expressed themselves as disappointed in Chamber activities in that they have felt the City was being ignored by the Chamber. Or that the Chamber was assuming responsibilities rightfully the City's in efforts to build Sanford's economy. Specifically, this refers to the Sanford Pipeline Company and the Sanford Naval Academy.

All five City Commissioners, Tom McDonald, Jimmy Crapps, Joe Baker, Sonny Raborn and Al Wilson, are members of the Chamber. All but Baker are directors of the Chamber. But now the City has not only passed the Chamber's request for an additional \$5,000 for its operation but cut in half the present appropriation of \$10,000, giving the Chamber only \$5,000 for the next year.

But, the City has added, in effect, "if you are good boys and take care of the City for the next six months, we'll give you another \$5,000." The City is demanding a representative of the City be placed on the Chamber's executive committee.

Commissioner Crapps voted against the Chamber appropriation, explaining: "I do not accept a gift with strings attached to it; I do not give a gift with strings attached. As for being on the Chamber's executive committee, I couldn't care less. I believe the Chamber's executive committee members are well qualified and can well take care of its business. And that is why I voted against the appropriation. I feel we should have given them whatever amount without telling them to come with a report in six months."

Chamber officials have said they will not "be directed or misdirected by the City." The Herald regrets this open break between the City and the Chamber.

Only Tuesday the Seminole County Commission recognized the worthwhile activities of the Chamber and DOUBLED its appropriation from \$10,000 to \$20,000, in spite of a long and loud harangue from the audience. So—let's stop being boys and let's be men... and iron out these differences real quick! There should be no bickering—only one aim: A steady, driving effort to build a better Sanford and Seminole County.

City Council Halves CC Appropriation

City Commissioners, in public hearing on the 1963-64 city budget Tuesday evening, slashed in half its appropriation for the Seminole County Chamber of Commerce. But added a proviso it will possibly restore the 50 per cent cut in six months.

The Chamber fiscal year received \$10,000 from the City for promotional work in endeavoring to induce industry here to stimulate economy. The Chamber had requested the City to boost its 1963-64 appropriation from \$10,000 to \$15,000.

However, city commissioners Tuesday evening ignored the request for the additional \$5,000 and voted only \$5,000 for the first six months of the fiscal year.

However, the City added it will consider in six months an additional \$5,000 based on "the co-operation the City receives from the Chamber of Commerce for municipal projects and in other matters involving municipal property."

The City also requests that Sanford be represented on the Chamber's executive committee since the City is the only municipality in the county contributing to the Chamber and since the City's contribution is a major share of the Chamber's budget and since the Commissioners feel the city taxpayers should be represented.

F. E. Roumiltat Jr., Chamber president, this morning said that "I have no comment at this time. The matter will be taken up by the Chamber's executive committee, after which there probably will be a statement for the press."

In other action Tuesday evening, the Commissioners added \$10,000 for a total of \$40,000 to double its street resurfacing program during the coming fiscal year, as compared to the present fiscal year.

Next public hearing on the City's budget will be Monday evening.

Senate Denies Kelly Dismissal Plea

The Sanford Herald

North Orlando Adopts License, Utility Tax

By Mona Grinstead

An ordinance levying tax on all utilities consumed within the municipal limits of North Orlando and one establishing rates of occupational licenses for all businesses not previously covered by ordinance received the final and unanimous approval Monday night of the Village Council.

A second reading only was given the ordinance creating a 30 year franchise with Suburban Propane Gas Company with the third reading delayed for the addition of a clause stating that "rate increases will be subject to council approval."

Mayor W. W. Anderson reported that the franchise ordinance with Florida Power Corp. had been delayed due to "uncertain reasons which might have to do with an existing delinquent bill for street lights on SR 434."

In other business Councilman Irene Van Eppel was appointed to head a committee of residents to make a survey of road repairs.

Council voted to exempt from the occupational license law those citizens netting \$500 or less from businesses operated in their homes and those companies making necessary daily deliveries within the village.

A \$2 fee was set for any one putting down a well. A new curfew hour of 9:30 p.m. for the young people was set. Anderson said the ordinance would be the ordinance if arrests were necessary, said.

Council took under consideration a report that gas lines now are located in the middle of residents' back yards instead of on utility easements.

Swimming Pool Contract Let

Contract for the construction of an enclosed swimming pool at Sanford Naval Air Station was awarded this morning to Andrew C. King, formerly of Sanford and now of Miami, on his low bid of \$75,258. The pool will be located behind the present hobby shop Russ Spencer is local representative for King and will handle the construction.

ANOTHER NEW INDUSTRY is coming to Sanford through the efforts of the Chamber of Commerce. Pictured, seated from left: Bernard O. Yohann, president of Pinelake Sanford; S. J. Davis Jr. and Marvin Meltzer. Standing is Scott Burns, chairman of the Chamber's industrial committee. (Herald Photo)

Presbyterian Women In Session Here

Presbyterian Women of the Church, Synod of Florida, are meeting in Sanford through Thursday of this week to celebrate the 50th anniversary of their organization.

Their 50th Golden Jubilee Celebration opened at 6 p.m. Tuesday with a dinner for members of the executive board held in Fellowship Hall of the First Presbyterian Church.

A meeting of the executive board followed at 8 p.m. Today's schedule called for Rev. Gray C. Sewell and elders of the business church at 9:30 a.m. followed by a general business meeting, election of new officers, and program featuring testimonials from Presbyterian Presbyterate.

On Thursday the group will convene at 8:30 a.m. to hear Rev. J. Wayne Bullock, D.D., pastor of the Shubuta Church in Miami. New officers also will be installed at this meeting.

Processing Plant To Open Here October 1

Scott Burns, chairman of the Seminole County Chamber of Commerce's industrial committee, today announced a new industry, Pinelake Sanford, soon will open business here.

Therold O. Yohann, president of Pinelake Sanford, successor to Pinelake Pallet Firm, Columbia, stated his firm has come to an agreement for a lease with Sanford Manufacturing Company for the north 10,000 square foot of its building on West First Street.

Marvin Meltzer, vice president and general manager, and Attorney S. J. Davis Jr. represented Sanford Manufacturing in the transaction.

Pinelake Sanford will process approximately 25,000 sheets each per day produced by farms in the area. The sheets will be distributed throughout Central Florida exclusively to Winn-Dixie stores.

The firm expects to be in operation by Oct. 1, employing 25 workers in two shifts. Yohann stated that new especially designed equipment for this plant that automatically washes, bundles and packages the eggs will arrive from Detroit Oct. 5 and the plant will go into full production shortly afterwards.

Garrell Daniel Construction Co., under the direction of Larry Pugh, president, will remodel the space for the new operation.

Reds Overrun 2 Vietnam Areas

SAIGON, South Viet Nam (UPI) — Communist guerrillas, in two fierce attacks, overrun two district capitals in the Communist-dominated Camau Peninsula of South Viet Nam Tuesday, it was reported today.

A U. S. military spokesman reporting the Communist onslaught said at least 90 government troops were killed or wounded.

Communists suffered by the Communist Viet Cong were not known, but preliminary unofficial reports said at least 30 guerrillas had been killed in a counterattack by government forces.

School Opening Touches Off Demonstration

BIRMINGHAM, Ala. (UPI) — Five Negro students returned to classes today at three newly desegregated Birmingham schools, touching off another rowdy demonstration by white students at West End High School.

All was calm at Ramsay High and Graymont elementary schools with white attendance climbing toward normal.

Thirteen Negroes also quietly returned to classes with a disarming white student body at Tuskegee. A strong move was under way in the rural area to start private schools for whites.

Two Negroes began the second day of classes at Murphy High in Mobile.

The 20 Negroes entered five schools in the three cities following Gov. George C. Wallace's failure Tuesday to halt the court ordered integration.

Four Negroes also returned for their third day of desegregated classes in Huntsville. Wallace made no move Monday to halt integration in the capital Aug. 28, cost the District of Columbia government \$163,791.

Sen. Robert C. Byrd, D.W. Va., reported on the D. C. government's expenses Tuesday. Byrd is chairman of the Senate Appropriations subcommittee on D. C. government.

"We now have enough boys to form a baseball team, and I will be the manager."

"We now have enough boys to form a baseball team, and I will be the manager."

Duvalier Foe Seeking Visa

MIAMI (UPI) — Miami attorney Charles Ashmann says he is arranging a U. S. visa for Dr. Clément Bonell, who was ordered to leave the Bahamas for plotting against the regime of Haitian dictator François Duvalier.

British authorities told Bonell to leave before Thursday or be deported, and Ashmann said Tuesday he was confident a visa would be issued in time.

Bonell, the 58-year-old former Haitian consul to the Bahamas in 1957, apparently sparked his deportation by saying recently an "assault force" of exiles was waiting in the British Islands to invade Haiti.

Impeachment Court Begins Testimony

TALLAHASSEE (UPI) — The Senate threw out by a 7-36 vote today a defense motion to acquit Pasco Circuit Judge Richard Kelly of impeachment charges on grounds there weren't enough votes Tuesday to convict him.

The Senate court of impeachment then moved into taking testimony in the case. A test vote, on the question of whether the case against Kelly should be dismissed without hearing testimony failed on Tuesday, but it was short of the constitutionally required two-thirds majority to permanently bar the jurist from office.

Defense attorney Perry Nichols opened the third day of the impeachment trial with a new motion to acquit and discharge the judge, or, to be given time to take the question to the State Supreme Court. Both motions were refused by the Senate.

House managers opposed the motion on grounds that Tuesday's motion for dismissal was a "subsidiary motion" to be acted upon only by a majority vote. And Chief Justice E. Harris Drew agreed. He said the court would act in all matters by majority vote until the final vote on whether or not the judge was guilty of the charges filed by the House.

Tuesday's test vote indicated that prosecutors would have to come up with strong evidence of alleged judicial tyranny to get the 30 votes necessary to permanently remove the judge from office.

Oviedo Retains Two-Mill Rate

By Herbie Kewley

The Oviedo Town Council, meeting in continued session Tuesday night, voted to leave the present tax rate of two mills for the 1963-64 year due to the anticipated increase in revenue from cigarette tax returns.

Income this year is expected to be in the amount of \$43,865 as compared to \$35,057 last year.

Council also approve a beer and whiskey license for Martha Austin; beer licenses for McGowan's Cash Grocery and J. C. Sauer and a takeout beer license for John A. Strain.

March Cost D. C. \$1663,794

WASHINGTON (UPI)—The civil rights march on Washington, which brought more than 200,000 persons to the capital Aug. 28, cost the District of Columbia government \$163,791.

Sen. Robert C. Byrd, D.W. Va., reported on the D. C. government's expenses Tuesday. Byrd is chairman of the Senate Appropriations subcommittee on D. C. government.

His Spitting Image In Jeopardy But National Defense Must Come First

RALEIGH, N. C. (UPI) — Wally Ausley is willing to forego the rigors of a transoceanic spit-off, but only in the interest of national defense.

The round Ausley, world champion watermelon seed splitter until an Army clerk claimed to have beaten him in Glenhausen, Germany, said

"Tuesday it may be best if the soldiers attend to their duties during the off-watermelon season instead of engaging in a spit-off with him."

In Germany, an aide to Col. Charles A. Henne, chief of staff of the 3rd Armored Division, said he was trying to decide if the contest should be permitted as scheduled Friday.

"We have to consider the men, national defense, the folks back home and what the Pentagon will think," said the aide.

"No need for further brow-wrinkling," said Ausley. "We are delighted to cooperate in national defense, avoid a drain on man power and assist the overseas soldiers in efforts to keep the Pentagon happy."

To avoid red tape, Ausley suggested the army send a representative to the next watermelon festival here next summer for a showdown.
