By Mrs. Adam Muller  
The preview of DeBarry Manor, new nursing and retirement home on Highway 17-92, by DeBarry Chapter 64, American Association of Retired Persons, brought out 160 senior citizens from DeBarry and the surrounding communities.

A guided tour of the manor was conducted by John Jenkins, administrator, who described the facilities being provided and gave a brief resume of the plan of operation. Basic units, when completed, will accommodate 74 persons and plans include future expansion.

The Manor will provide services in four levels with flexible costs—retirement living in one or two room apartments for those in normal health; a nursing home for ambulatory patients and those moderately ill and care of those requiring convalescent care.

Hospital facilities will be provided in a "non-hospital" setting with informal living conditions at moderate costs.

A formal opening has been scheduled during the month of November with an Open House Inspection by the public at that time.

The Chapter elected Mrs. Fred T. Hamilton, S. L.

Kroenberger and Elmer J. Crumbacher to three year terms on the nine member board of directors during a brief business session held prior to the tour.

Officers elected at a special board meeting following

the tour were Mrs. Charles Ulrich, president; Earl D. Merrill, vice president; Mrs. Theodore Edlemer, treasurer and Mrs. V. T. Hamilton, secretary.

Ten new members joined the Chapter at this time.

Howard Middleton, program chairman, announced that a color movie, "Modern Maturity," will be shown at the Nov. 8 meeting to be held at the Recreation Hall of the DeBarry Fire Station beginning at 10 a. m.

## Once you use New Du Pont LUCITE House Paint

you'll never go back to "hard work" paints!

Once you see how effortlessly new "Lucite" House Paint flows on—how it dries in minutes—how easy it is to clean up with soap and water after painting, you'll never go back to oil base paints.

And "Lucite" is incredibly durable—dries to a rich flat finish without the temporary shine of old fashioned paints. Hides surface imperfections, resists chalking, cracking, dirt and fading.

# WEEK END TOUR of HOMES in the Sanford - Seminole Area

## Make It A 'Guided Tour' - See A Salesman

We stumbled on the really easy way to tour the new homes in the Sanford-Seminole area, and get fuller and more detailed information about what we see. Make it a "Guided Tour"—contact the sales representative! For instance, the Ravenna Park sales office on Country Club Road. We learned that, of the new homes under construction, four are complete, two sold, and two ready to show. Floor plans, designs and sketches gave us a good picture of the homes

not complete. At this stage the buyer can select colors in paint, tile, and many other trim items. In Idyllwilde, the last completed home has been sold and occupied, but the floor plans of the two under construction are very interesting.

Following the "Guide" principle we called Kingswood Builders and asked about the new contemporary home in Greenbriar. It should be finished in a few weeks. Of interest, will be the

large dining room with exposed block and walnut paneling, the bedrooms with exposed block and birch paneling, and the master bathroom, which has double lavatories with solid marble top.

In Greenbriar there's also a four-bedroom colonial model to be completed soon. More information on it should be available next week. Take a tip from us — take the guided tour — contact the sales representatives. We found them very friendly, courteous and helpful people.
