# National League Batsmen Rally To Take Headline Honors From Mound Aces

By HERBERT W. BARKER  
Associated Press Sports Writer

Pitchers have been grabbing the headlines so often this baseball season that National League batsmen have found it necessary to take them down a peg or two.

Wearily apparently of reading accounts of two and three-run games, batters in the four games of the older circuit yesterday grasped their lightning fists, took a toe-hold and blasted off 90 safe hits, nine of them home runs.

The Javs batting honors went to the New York Giants, who smashed out 11 safeties including four for the circuit to lead the Philadelphia Phillies, 8-6, and took a fourth successive win without a defeat. Tony Jackson, Giant shortstop, hit twice for the circuit and first launch and Bob O'Farrell, catcher, contributed another to the common cause. The Phils hit Bill Walker, hand that could not launch their 11 safeties to enough advantage to attract the Giants' powerful slugging.

Wilson, Hartnett and Heck hit homers as the Chicago Cubs whiplashed Cincinnati, 9 to 1. All told the Cubs collected 11 off-bite hits and four Red pitchers, while Hal Carlson set down the enemy with five shutouts. The Brooklyn Dodgers, who were in a 10-0 lead at the Brooklyn Bolding launched against the Braves in seven runs in the top, triple and single. The home or, and triple each came with the bases filled. Adolph Luman pitched steadily ball for the Braves but had to retire in the ninth when a fine drive from Sid's hit him right in the ribs.

In the other National League fray, the Pittsburgh Pirates squeaked over the Philadelphia Phillies, 4 to 2. To reach out lefted nine safeties, but Bruce who effective in the ninth, Chalmers hit for the circuit in the second inning.

Pittsburgh dominated the American League game. Homer (Burr) Hooper, of the Washington Senators, was too much for the Philadelphia Athletics, and the Athletics won down to their first defeat of the season, 6-3. Howard Flanders, catcher, scored home of the A's, made his 100th out as a batter for George Latham in the fourth inning and was hit for a home run by Cronin with one out in the fifth.

Alvin Benson, pitcher, pitched the Detroit Tigers to 10-0, and Cleveland won without a run in the first four innings, and four runs in the fifth.

The Chicago White Sox, who were 10-0 in the morning, lost to the Boston Red Sox, 1-0, in the afternoon. Babe Ruth, who had hit four home runs in the first four games, took the lead in the fourth, when he pitched a double play. Alvin Karpis, who had hit two home runs in the first two games, well allowing only one run in the fifth. Karpis hit for the team with one out in the seventh.

The Yankees and Red Sox had an open date.

were ordered into the remaining cell blocks and dormitories but they insisted upon staying in the yard, insisting upon the beds which were arranged in long rows five and six deep.

Except for minor disturbances there was no trouble here. About five lines after the fire was brought under control the ranks of inmates, and convicts began to file out and at midnight only a few of them were left in the yard.

Reasons held and eye loops placed upon the main wall in protection placed down on the floor. The inmates were ordered to remain in the cell blocks and to remain in the cell blocks and to remain in the cell blocks.

Scenes of confusion and terror accompanied the outbreak of the flames. They started in the north-west corner of a new building of cell blocks, part of which still was under construction. It was in this new part that the fire originated, but soon it had spread to the main building.

Apparently the flames broke out in several places simultaneously.

Linton G. Schaefer, Cleveland councilman, was serving a term for participation in a Cleveland playground fraud, was at work in the new part of the building, on the upper side of the main yard. He saw smoke rising from the cell blocks.

At about 10:30 p.m. that Charles Shaffer, a prisoner from Toledo, and one of the superintendents in the main building, started an alarm on a siren, and a fire bell, which was in the main building, was rung. The inmates were ordered to remain in the cell blocks and to remain in the cell blocks.

# NEW MARKS MAY BE SET BY TRACK STARS OF SOUTH

## Records Of Last Five Years Expected To Be Broken In Meet

ATLANTA, Ga., Apr. 22 (AP)—Although only five southern intercollegiate athletic association track and field records have fallen since 1922, early season results indicate that several new marks may be set on the track after this year's carnival.

The 200 meet, to be held at Clinton, S. C., on May 10, will see President College, defending its honor, meet last year's record at a track field of competitors, Clark Wadley Johnson led several of his star performers to graduation and this season's team is hardly expected to match the strength of the champion of last year.
