Folds Open Mart Features Variety Of Fresh Produce

"Always Fresh" is the motto of the Folds Open Air Produce Market, located at the corner of Magnolia and Third Street, and operated by Harris Folds. The Frigidist Air Cooled vegetable stand, where a large variety of vegetables are attractively displayed, is the only one of its kind in Sanford. At intervals ice water is automatically sprayed over the vegetables, keeping them fresh and crisp at all times.

Mr. Folds, who purchased the market from Mr. Stacy about nine months ago, is assisted in the business by Frank Wireman. Occupying a space 80 feet long and approximately 20 feet deep, large graduated stands run the full length where fruits and vegetables form a colorful array.

In addition to fruits and vegetables, local poultry and eggs are also sold. Locally grown products direct from farm to market are sold year round. Mr. Folds does his own hauling and buying, often visiting out of state markets to assure a large assortment of fresh fruits and vegetables at all times.

Marshall Warns

(Continued from Page One)
of timely and decisive action. "Should we fail to continue our efforts, the consequences would be swift and tragic and they would not be confined to Greece."

Meanwhile the State Department said that if Italy goes Communist she will get no further economic aid from the United States. A statement emphasized that this means the Italian Communist Party would be the one to decide whether to shut Italy off from American aid.

Italy has been receiving help under the Emergency Foreign Aid Program and is down for aid under the so-called Marshall Plan.

Michael McDermott, press officer, made the announcement on what will happen if Italy goes Communist in the elections next month. He said Senate debate on the \$5,300,000,000 European Recovery Program made it clear the Senate opposes aid to any Communist-dominated country.

"The Communists in Italy have said they don't want the European Recovery Program," McDermott added.

"If the Communists should win—which we can't believe will be the case, knowing the spirit and feeling of the Italians—there would be no further question of assistance from the United States."

Babe Ruth Day

(Continued from Page One)
to Joe Engle and Zinn Beck of the Chattanooga Lookouts and Griffith to attend the gala occasion. Press representatives of the two clubs have also been invited, Higgins added.

The following Sanfordites have been appointed on committees completing arrangements for the game: Charles Morrison and Roy Holler, tickets; George Touhy, negotiations with the Senators for a Washington team; R. L. Dean and Arthur Beckwith, publicity; Lester Tharpe and Dr. L. T. Doss, press and public relations; A. L. Lyons, civic clubs; B. F. Ganas, Lyons, civic clubs; Andrew Stine and Randall Chase, Rotary Club, and John Krider, Kiwanis Club. Julian Stenstrom will announce the game on the public address system at the park.

City Manager H. N. Sayer and Superintendent of Parks Sidney Richard have agreed to arrange seats and to rope off sections of the Municipal Park. Police Chief Roy Williams and Sheriff P. A. Mero have offered the assistance of their departments.

"We are indebted to Mr. Goff, who has done a wonderful job in assisting in securing Ruth's appearance here," Mr. Higgins stated. "We also want to thank Jimmie Chapman and the Ford Motor Company for adding this stop to their itinerary."

Coal Strike

(Continued from Page One)
production is sold on the open market, began to shut. The giant Pittsburgh coal company reported at least nine or 10 mines closed. Owners of some independent mines expected the movement to spread.

Walkouts started in other leading coal states—West Virginia, Ohio, Kentucky, and Illinois.

An early check showed at least 5,000 miners estimated 25,000 united mine workers idle.

Miners said the walkouts backed up demand of Lewis, president of the United Mine Workers, for \$100 monthly pensions for miners.

Two hundred and ten miners reported this morning to a Frick pit at nearby Bridgeville but returned home. The firm's mine at Muse, Pa., a few miles distant, did not open. The Bridgeville pit produces about 1,800 tons daily; the Muse operation about 5,000 tons.

The Bridgeville diggers milled around the mine lamp house but made no attempt to obtain their working lights.

WASHINGTON — (AP)—The U.S. Navy estimates that the saving resulting from the prevention of one airplane crash may exceed the pay of all naval flight surgeons in the service for one year.

Music Box Affords Variety Of Sheet Music And Records

Music lovers in Sanford do not have far to go to find an assortment of sheet music and their favorite records, for the Music Box at 119 West First Street is well stocked at all times with these items. The store is a favorite spot with the younger set, for they can go there and play the piano, listen to the radio or play their favorite records, always sure of a warm welcome from Mr. and Mrs. Billy Winn, owners.

Mr. and Mrs. Winn are assisted in running the store by two employees. A radio repair department connected with the store is operated by Emerson Brown, who is also chief engineer for Station WTRR. Admiral and Arvin radios are sold at the Music Box, which also specializes in 4-conditioned pianos.

Agents for the Wilcox-Gay Recordio, the Music Box carries a complete line of accessories for musical instruments, recording supplies, blank records, recording needles and play back needles.

Mr. and Mrs. Winn came to Sanford from Orlando and opened the Music Box in the Princess Theater Building in June, 1945. They moved to their present location about a year ago. Mr. Winn served with the U. S. Army for four years.

Downtown studios for Station WTRR are in the Music Box, broadcasting directly from the store a regular scheduled program every Saturday afternoon from 2:00 to 3:00 o'clock. It is planned to add other programs in the near future, stated Mr. Winn.

Sanford Market

(Continued from Page One)
beans, \$5.44.

Collards were in big demand due to failure of the crops in Georgia and the Carolinas and brought \$1.64 per dozen bunches, at a total of \$7,120. Cauliflower at a \$2.72 crate average returned \$5,943. Grapefruit at \$1.73 brought \$7,153. Iceberg lettuce at \$3.66 a crate returned \$7,389.

Peppers soared to \$7.46 a bushel hamper but only 938 hampers were sold. Eggplant, with 132 hampers sold brought a \$6.77 average. Cucumbers were up to \$8.00 a hamper average with only 160 units sold. New York potatoes were the biggest import with 404 of the 100 pound sacks selling for \$4.29 a unit. Total imports were valued at \$1,249.

While custom decrees that a child is known by the surname of his father, there is no law in the United States preventing a person from taking any name he wishes.

"Buddy's" Repair Shop Specialty Is Rebuilding Autos

Specializing in rebuilding completely wrecked cars, Buddy's Repair Shop, located at 211 East Third Street, is owned and operated by Robert H. LeFils of Geneva.

Mr. LeFils, better known as "Buddy," is the son of Mr. and Mrs. G. C. LeFils of Geneva and attended Seminole High School, graduating with the class of 1940. For two years he operated his repair shop at the corner of Third Street and Park Avenue, moving to his present location in November of last year.

Modern brake equipment is installed in the shop for re-lining brake shoes and overhauling hydraulic systems. Among its many services the shop does body and fender repairing, painting, general overhauling and expert electrical service.

Costa Rican Row

(Continued from Page One)
government troops were killed. The opposition radio announced the revolutionary forces had gained control of the San Isidro airport, 75 miles east by south of this capital. The opposition has three Taca Airlines DC-3 planes under its control.

The opposition blew up with dynamite the power plant at Alajuela, 20 airline miles west of here.

Two plane loads of rural troops arrived here at daybreak today to help defend the capital.

Meyers Sentenced

(Continued from Page One)
room 15 minutes before the time set for his sentencing.

For the first time he seemed to have lost some of that jaunty air he kept throughout the Senate investigation and during his trial.

As he came up the court house steps he kept his head down. Much of the old bounce seemed gone.

Rotary Luncheon

Sec. Forrestal Says Defenses Are In Accord

Branches Of Armed Services Arrive At Agreement On Duties, Functions

WASHINGTON, Mar. 16 (AP)—Secretary Forrestal announced today the general accord of the Army, Navy and the Air Force chiefs for national defense.

As stated by Secretary Forrestal at a press conference last Wednesday, the points discussed (at Key West) were subjects in an area of disagreement between the armed services upon which the joint chiefs of staff had not been able to reach a determination.

Secretary Forrestal said that a general accord was reached in all these areas and a number of basic decisions affecting the assigned functions, duties, and responsibilities of the three services were reached during the meetings. The substance of these decisions, which affect the long-term development of procurement programs for the Army, Navy, and Air Force will be made public when they have been formalized and expressed in specific language and approved by the President.

Forrestal's aides said that the phrase "procurement program" means aircraft, weapons, and other equipment.

They said it does not include the question of allocating manpower between the three forces. This may have been a subject of discussion on past nights.

Anxious Congress Awaits Truman's Report On Affairs

LONDON, Mar. 16 (AP)—Diplomats and newspaper forecast tonight that President Truman would give Russia a plain and positive warning tomorrow in half Communist expansion. Belief was expressed that the chief executive would extend his policy of combatting the spread of Communist influence and that the extension would go beyond the present limits of economic aid for shaky democracies.

General Hutchison Urges Preparedness

Brig. General J. C. Hutchison was the guest speaker last night at a meeting of Group Two, 36th Organized Reserve Composite Group, at the Tourist Center and urged an awareness on the part of the American people to the necessity of proceeding the priceless heritage of liberty and the freedoms that have made this a great country.

The meeting was in charge of Major Alexander S. Wright of DeLand, with Major Bolton S. Pierce, Unit Instructor, assisting.

The assembly of enlisted men and officers of the unit was held in the prominent Sanford general store to discuss the trends in world affairs from 1939 to Pearl Harbor and say that the country today is far less prepared than it was then.

"In 1939 when I pointed out the hazards involved in our unpreparedness and urged their correction," General Hutchison said, "I was called a war-monger, and I suppose that those of us who are still interested in seeing our country maintain sufficient strength to preclude the possibility of another Pearl Harbor episode will again be called war-mongers. None of us likes war, but experience should have taught us that the best way to avoid it is to be prepared for it."

REN. SHANDS TALK

Senator W. A. Shands will speak in Sanford at 7:30 P. M. Wednesday instead of 8:00 P. M. as previously announced. It was learned here today. The meeting will be held on the corner at First Street and Hamilton Avenue and all citizens of Hamilton County are invited to hear his address.

Man Who Fired On Catholics Is Committed To Mental Hospital

NEW YORK, Mar. 16 (AP)—Bubly-haired Marko L. Markovich stared unmoved today as he was committed to Bellevue Hospital for observation for firing into a crowd of parochial school students yesterday, killing one boy and wounding six others.

Handcuffed and guarded by two detectives and two uniformed policemen, the tall, thin Markovich gripped a grey fedora hat with a bullet hole in the crown as he was led before Chief Magistrate Edgar Bromberger in felony court.

He listened intently as a short affidavit charging him with homicide was read. The 44-year-old prisoner displayed no emotion as the prosecutor asked for a Bellevue Hospital psychiatric examination and to commit a physician who examined Markovich last night found him a psychopath.

The man's black hair, graying at the temples, was ruffled. His grey suit was badly wrinkled and his blue shirt was faded.

"He has no remorse, apparently, for what he did, and he feels he did the right thing," Assistant District Attorney Henry N. Whitney said after the arraignment.

Markovich, who is Serbian-born, told authorities after his capture that he became imbued with a wild urge to "kill Catholics."

"They killed my son. They killed my son," he told police.

The attack, which plunged the busy Columbus Circle area into an uproar, took place shortly before 3:00 P. M. outside an armory where Catholic students of Power Memorial Academy were rehearsing for tomorrow's St. Patrick's Day parade.

Brandishing two revolvers, the fanatic rushed into the terror-struck crowd and opened fire. Thomas Brady, 16-year-old sophomore, slumped to the sidewalk, dead, his head pillowed on a textbook, "Christianity and Civilization," he had been carrying.

Three other teenage students crumpled to the street, critically wounded. A trio of others were nicked by the spray of bullets.

The slayer then fired point-blank at two other boys and fled when the gun misfired. Enraged students, joined by police, gave chase.

The three-block pursuit ended when Markovich ducked into a building where, flashing a knife, he was captured by patrolmen. He had tried to fire at his pursuers, but again his weapons misfired.

Detectives quoted Markovich as saying that as he approached the armory he asked who the boys were, and was told "schoolboys from a Catholic Church."

"At the word 'Catholic I went mad,'" Markovich was quoted as saying. "I started firing bullets."

James Wright Is Elected Head Of American Legion

John Sauls And J. O. Galloway Named As Vice Commanders

James Wright, executive of the Ox Fibre Brush Company, was elected commander of Campbell-Lossing Post 53 of the American Legion last evening to succeed James Singletary, who declined to run again.

Retiring Commander Singletary was commended by H. B. Pope as having been "a very good commander" and was given a rousing vote of thanks.

In a noisy session marked with much good natured heckling and motions and counter motions, John Sauls was elected as first vice-commander and James Q. Galloway as second vice-commander. Efforts to name an "honorary" third vice-commander failed, due to the fact that no such official is named in the Post's by-laws.

R. W. "Bob" Deane was re-elected as finance officer and Capt. Earle T. Loucks as historian. The Rev. Douglas Charles of the First Presbyterian Church was elected chaplain and Frank Takach as sergeant-at-arms.

An executive committee was elected and included: R. A. Cobb, J. Q. Galloway, Pat Johnson, John Pope and Chester Miller.

Ned Smith expressed confidence that Sanford will be named as the site for a permanent Legion Department memorial building, and read a brief which will be presented by the local posts delegation at the coming State Legion convention at Panama City, outlining the geographical and other advantages of Sanford as a site for the headquarters.

He also reviewed the offer of the City to the Legion of the 240 by 375 foot site now occupied by the softball diamond on the

School Lunch Money And Rural Electrification Okeyed

WASHINGTON, Mar. 16 (AP)—A 4.2 percent cut in the Agricultural Department's \$635,332,480 budget for next year was agreed today by the House Appropriations Committee.

But besides approving \$543,421,453 in new cash for the department, the committee recommended \$65,000,000 for the school lunch program and \$400,000,000 in loan authority for the Rural Electrification Administration.

The cash outlay includes \$150,000,000 to pay farmers for soil conservation practices this year under the AAA program. The bill also promises a \$225,000,000 appropriation for this purpose next year to cover the 1943 crop year.

The \$543,421,453 total okayed by the committee is \$87,105,198 below the amount the department was given for the present year.

While the cash approved is actually \$91,911,027 less than President Truman's proposed budget for the department, \$65,000,000 of the cut is a paper transaction.

The President had asked for \$65,000,000 cash for the school lunch program. The committee instead ordered transfer of that amount from funds the department receives from customs collections on agricultural imports.

The deepest actual cut made by the committee was in funds asked for production and subsistence loans handled by the Farmers' Home Administration. The President sought \$78,000,000; the committee approved \$60,000,000.

Funeral Rites Held For Mrs. Matthews

Funeral services for Mrs. Emma Matthews, 64, resident of Sanford for the past 27 years, who died Sunday after a one year illness, were held this afternoon at 3:30 o'clock at the Erickson Funeral Home with the Rev. Mark Carpenter officiating. Interment was in Lake View Cemetery.

Survivors include the husband, C. L. Matthews, Sanford; three daughters, Mrs. Frank Akers and Miss Harriet Matthews, both of Sanford and Mrs. Lety Lastering of Atlanta, Ga.; four sons, James P. Holtzclaw, Sanford; Charles E. Holtzclaw, Palmtoet; Richard H. Holtzclaw, New York City, and Britt S. Holtzclaw, Elizabeth City, N. C.; five sisters, Mrs. Carrie Draper, Mrs. L. S. Harkey, Mrs. Mable Alexander, Mrs. E. G. Simpson and Mrs. R. F. Cole of Sanford and one brother, Philip J. Allen.

NO HEAT FOR KING
LONDON, Mar. 16 (AP)—Strikers deprived the King, Queen and Dowager Queen Mary of central heating and running hot water today for the second day in a row.

NORWAY DEFENSES
OSLO, Norway, Mar. 16 (AP)—Parliament voted 100,000,000 kroner (\$20,000,000) today to strengthen Norway's military and civil preparedness. Only 11 Communists and one Laborist opposed the bill.

Robert A. Williams
Mayor

U. N. Report Expects Chaos In Holy Land

Security Council Is Warned Of Strife When British Leave; Czech Probe Slated

NEW YORK, Mar. 16 (AP)—The United States, Russia and France agreed in principle today that a threat to peace exists in Palestine.

The big powers did not reach a final agreement on recommendations to the United Nations Security Council, however, because China had some reservations on the wording of a proposed resolution.

NEW YORK, Mar. 16 (AP)—The United Nations Palestine Commission today predicted strife, bloodshed and chaos in the Holy Land this spring.

The five-nation commission charged with carrying out partition of the Holy Land sounded this warning in its second monthly report to the Security Council, released here and at Lake Success.

The document was circulated to delegates at the big powers staked their hopes for peace in Palestine on Jewish and Arab acceptance of true proposals. After 10 days of apparent fruitless consultations, the big nations yesterday appealed to both sides to lay down their arms pending new effort to solve the Holy Land's troubles.

Conditions are steadily deteriorating on Page 13 (over)

Monroe H. Smith Offers Candidacy For County Board

Monroe H. Smith, county superintendent of the County Home, today announced his candidacy for the County Commission from District No. 1. Mr. Smith has been a resident of the County Home for approximately 15 years and was superintendent of the County Home for 10 years.

A native of Delaware, he came here in 1932 from Georgia, where he lived a number of years. He is a member of the Methodist Church and the Chamber of Commerce and has never before sought any elective office. He lives with his wife at his home at 201 East Eighteenth Street.

In making his announcement he said: "I have been a resident of Sanford County for approximately 15 years and for 10 of these years I have served the county as superintendent of the County Home. During all of that time there was no unfavorable criticism of my administration of that position."

"I have kept in close touch with county affairs and their administration by the County Commissioners and I know the problems of the County and feel that I can contribute to their proper solution. I will favor economy in the administration of County affairs and the expenditure of the public funds. I believe that by economy we can effect a reduction in taxes, and I will work to that end."

"I will appreciate your support of my candidacy."

Reds Seek To Change Czech School System

PRAGUE, Mar. 16 (AP)—Czechoslovakia's Communist controlled government set out today to change the Czechoslovak school system with a work or study rule for 15-year-olds.

The Communist Education Minister Zdenek Nejedlik announced the new program last night at the present time in Brno. He said religious schools will not be affected.

Nejedlik said there will be compulsory kindergarten for children from five to six; a lower grade school for the age of 11 and a state high school for those up to 15. At 15, those who cannot pass strict scholastic tests will have to go to work in trades or industry.

Those who pass will continue into higher education, the minister said.

BOOKIES OPERATE

MIAMI, Mar. 16 (AP)—Bookies were operating "underground" here today. Date County Sheriff Jimmy Sullivan sent his men out to William Watson, secretary of the State Racing Commission, arrived on the scene.

Watson said he provided the sheriff with a list of names and addresses of 35 known bookies two weeks ago, and declared up until the present time, none of them had been raided.

Seven men were reported arrested in Miami and one in Miami Beach on bookmaking charges yesterday.

LOTTERY ARREST
Bond of \$201 put up by Jean Harden, operator of a grocery at Fifth Street and Cypress Avenue, following arrest Saturday on a charge of possession of lottery tickets, was extracted in City court Monday.

The arrest was made by Capt. Roy Tillis and Patrolman J. H. Patterson during the "act of selling 'Cuba' tickets," said Chief Williams this morning.

CHILD BRIDE
ASHLAND CITY, Tenn., Mar. 16 (AP)—Tennessee has a new 12-year-old child bride, it was disclosed today.

She is Mrs. Cosette Morris Boyd, pretty, seventh-grade grammar school student who eloped 11 days ago with Elmer Boyd, 20-year-old farm hand.

Oleo Tax Bill Is Shelved By House Group

WASHINGTON, Mar. 16 (AP)—The House defeated 117 to 29 today a proposal to roll back to June 30, 1939, and roll back many increased taxes to their wartime OPA levels.

WASHINGTON, Mar. 16 (AP)—The House Judiciary Committee approved a proposed constitutional amendment to permit election of the President and the Vice President by popular vote. The proposal is in the form of a resolution introduced by Rep. Gossett (D-Tex.). It must be approved by the House and the Senate and be ratified by at least 36 states before becoming effective.

WASHINGTON, Mar. 16 (AP)—The House Agriculture Committee voted 16 to 10 today to shelve all legislation to repeal federal taxes on oleomargarine.

Chairman Hope (R-Kans.) said: "This bill legislation to repeal these taxes at this session of Congress."

What it means is that the committee won't send any repeal bills to the floor where House members could vote on them. Some members favoring repeal indicate, however, they will try to get a bill to the floor by a discharge petition. This would require signatures of 218 House members. Whether their signatures can be obtained is doubtful.

Meanwhile, Republicans lined up to ram through the House a "local option" rent control bill.

Assailed by Democratic opposition as a control measure "in name only," the bill would take the power to raise rents or lift ceilings away from Washington and give it to local boards nominated by the governors.

Republicans contended that local problems are better understood there, and they can best handle tenant-landlord problems.

Foes of the bill claimed some

Steel Industries Will Be First To Feel Effects Of Coal Strike

PITTSBURGH, Mar. 16 (AP)—The flow of coal to this capital came to a dead stop today as thousands more bituminous miners joined the "pensions walkout" of the United Mine Workers. More than 250,000 miners, or 65 per cent of the nation's 400,000 soft coal diggers, were idle in the two-day work stoppage. They seek \$100 monthly pensions for veteran miners.

NEW YORK, Mar. 16 (AP)—Steel enterprises probably will be the first industry to feel the effects of the soft coal walkout.

There is a possibility that some mills may have to curtail production within 10 days. Others are in a position to operate normally for several weeks.

R. E. Hesse, president of Appalachian Coal, Inc., estimated at Cincinnati that an average of about 45 days' coal for industry purposes on hand. Appalachian's Hesse said, is about for 50 coal producers and sells 10,000,000 tons of high volatile fuel annually.

The extent to which the walkout spreads, the length of time it lasts, the size of the stock piles at the mills, and the gauges of the effect the "holiday" will have.

When soft coal stops flowing to the coke ovens of the steel mills, the job is left to automobile producers, home appliance manufacturers, building contractors and innumerable other industries.

The need for steel runs from the products of hospitals to the manufacturer of hair pins and razor blades.

Almost half the nation's soft coal miners quit yesterday to back John L. Lewis' demand for pensions.

They laid down their picks and shovels at about a half a time for the steel industry just yesterday. The steel industry just yesterday announced to back out of it. Another post war production record for this week. Demand for steel is increasing. If the European Recovery Plan becomes law, the evening up of supply and demand will be delayed for months.

An industry spokesman gave a very general idea of coal stocks at the steel mills.

Stock piles, he said, are perhaps not as hefty as during the war. In some instances, he said, they are a little better than they were during the war. In some instances, he said, they are a little better than they were during the war.

Normal procedure for the steel mills during a coal strike is to attempt an estimate of the length of the mine shutdown.

They have two courses open. They can run full blast and see a chance that the strike will be over before their coal supplies are exhausted. Or they can slow down production and stretch out their supplies.

There is no indication yet of what the steel mills may do in the current situation.

Danger Is Seen In Turkish Situation

WASHINGTON, Mar. 16 (AP)—American officials turned wary eyes toward Turkey today for signs of renewed Russian pressure.

They read this meaning into an announcement that Moscow had named a new ambassador to Ankara but picked a young and vigorous Communist official for the post.

He is Alexander Lavrishev, known as a Kremlin trouble-shooter in the Balkans. A former ambassador to Bulgaria, Lavrishev recently was chief of the Soviet delegation on the United Nations Greek Border Commission.

TO THE SUPREME COURT
WASHINGTON, Mar. 16 (AP)—A district court decision holding invalid the Taft-Hartley Act ban on union political spending headed today toward an early Supreme Court review.

The Justice Department said it will appeal directly to the high tribunal "as promptly as possible."

There is scant opportunity when the Supreme Court's summer recess in June. Confident the lower court will be upheld, they said they hope the decision will come in time for unions to go ahead with 1943 campaign plans.

RAILROAD NEEDS
CHICAGO, Mar. 16 (AP)—A railroad association executive said today that railroads must "plow back a sizable share of their earnings into improvements" to be prepared for national emergencies.

James H. Aydelott of Washington, vice-president of the association of American Railroads, said: "There is scant opportunity when a national emergency arises for the railroads to make any material progress toward the strengthening and expansion of their facilities."

41 Jap Navy Men Sentenced To Hang

YOKOHAMA, Mar. 16 (AP)—The greatest mass execution order dealt by the Japanese government today sentenced 41 former Japanese navy men to be hanged.

Two others were sentenced to prison at hard labor—one for 20 years and one for five. Two were acquitted.

Those who had struggled through the four months trial said they were stunned by the long list of death sentences ordered by a U. S. military tribunal.

The charges involved the hoarding of Navy List Version I, Tables of Penalties, II, and Radioman Warren H. Lord of Forest Hills, N. Y., and the hoarding in death of Ordnance man Robert Tuggle of Brownwood, Tex. The three American airmen were shot down over a Pacific island and captured by the Japanese in April, 1945.

Tuggle was bayoneted by 40 Japanese after he had been tied to a stake and beaten.

"I'M MAY ACCEPT
NEW YORK, Mar. 16 (AP)—Leonard V. Finder, the Manchester, N. H., publisher who took part in the recent campaign to draft General Dwight D. Eisenhower for president, says the question of Eisenhower's "availability remains very much alive."

STASSEN ON OLEO
MILWAUKEE, Wis., Mar. 16 (AP)—Harold E. Stassen said last night that he is opposed to repeal of taxes on oleomargarine. He also said that he is against taxing farm co-op dividends.

West Germany Is Slated For Marshall Aid

PARIS, Mar. 16 (AP)—The European recovery conference voted unanimously today to include western Germany in the scope of the Marshall Plan.

Portugal's foreign minister, Jose Caires de Matos, proposed before the second and final general session of the conference this afternoon that Generalissimo Franco's Spain be included. He praised Spain as having made a great contribution to European culture and mentioned her "considerable agricultural resources." He approved the invitation to German representatives.

Meanwhile Spanish Republican leaders urged that Spain be kept out of the Marshall aid plan for Europe until a democratic regime develops the Franco government.

Juan Mena, Washington representative of the called Republicans, filed the request with Secretary Marshall at the State Department.

Mena and Jaime Miravittles, Republican information director in New York, also urged that American private bankers turn down bids for loans to Franco Spain.

Mena told reporters he is confident Franco and France could reject a proposal by Portugal that Spain be brought into the European Recovery Program.

Miravittles estimated Spain will need possibly \$3,000,000,000 to restore her economy.

Meat Packers On Strike For Wage Hike Of 29 Cents

President's Request For 80-Hour Delay Ignored By Union

By ASSOCIATED PRESS
Many of the nation's meat packing plants and soft coal mills were made idle today by walkouts in these two major industries. More than 110,000 workers were on the sidelines.

The CIO united packinghouse workers union called out its 100,000 members from meat packing plants across the nation at 12:01 A. M. The union rejected a presidential request that it delay the strike.

In the coal industry, 210,000 workers—more than half the nation's soft coal miners, left their jobs in a walkout which threatened to engulf most of the industry.

The packinghouse strike, which affects about 100 plants, is expected to cut the nation's meat supply in half.

It was ordered last night by the union's executive committee despite a telegram from President Truman asking an 80-day delay while a special board of inquiry investigated the dispute.

The strike is in support of demands for a wage hike of 29 cents an hour. The packers have offered a nine-cent-an-hour raise.

Meanwhile coal miners filed for the pension shutdown in this rich southwestern Pennsylvania town today in a chorus of "We're not anxious to go back to work."

A survey showed that virtually all miners affiliated with the United Mine Workers in the Fayette county area were backing John L. Lewis' drive for pensions.

Italy Adds 30,000 Army Men To Build Up Public Security

WASHINGTON, Mar. 16 (AP)—The Justice Department said today that Italian Communists Party never will be permitted to immigrate to the United States. It was passed by Congress Oct. 16, 1938, bars anyone from coming to the U. S. who believes in "overthrow by force or violence of the American government."

ROME, Mar. 16 (AP)—Italy has added 30,000 army men to public security forces and "can break any illegal attempt from the left" to seize power, Vice Premier Ferruccio Parri said today.

In the critical period which will follow the national elections of Apr. 18, the government "will be in an even better position to meet any attempted revolt," said Paolucci, who is chief of the cabinet's public order committee.

In that period, the new government must be formed on the basis of the elections. Paolucci predicted the Communist-led popular front will not get a majority.

He said the situation which now makes up the government will be continued to the post-election assembly. Communists do not participate in the present government of Premier Alcide De Gasperi, a Christian Democrat.

Troops, "moderately armed, trained in street fighting and rationally disposed about the country with due regard to danger areas," will aid police in guarding against rebellion from the left, Paolucci said.

Some observers said Communists had suffered a severe blow from the United States announcement that Marshall Plan aid will stop if Italy goes Communist in April.

KIWANIS SPEAKER

H. R. Ketzler of the State Rehabilitation Office will give an educational program at the Kiwanis luncheon tomorrow at the Tourist Center on restoring handicapped individuals to usefulness. Colored sound movies will be shown in connection with his talk, according to Earl Higgenbotham, Kiwanis chairman in charge of the program.

ALABAMA TORNADO
FLORENCE, Ala., Mar. 16 (AP)—Approximately 75 houses were destroyed or badly damaged early today when a tornado struck East Florence.

Clyde Anderson, business man, said 200 or more persons were homeless in the suburb and that property damage would exceed \$500,000.

PARTITION HURT
JERUSALEM, Mar. 16 (AP)—Poles announced John Partiton was wounded here today in the Arab-Jewish fighting over partition of the Holy Land. They said Partiton is an Armenian, aged 76.

Spanish Leaders Ask Spain Be Left Out Of Europe Plan Until Franco Ousted

PARIS, Mar. 16 (AP)—The European recovery conference voted unanimously today to include western Germany in the scope of the Marshall Plan.

Portugal's foreign minister, Jose Caires de Matos, proposed before the second and final general session of the conference this afternoon that Generalissimo Franco's Spain be included. He praised Spain as having made a great contribution to European culture and mentioned her "considerable agricultural resources." He approved the invitation to German representatives.

Meanwhile Spanish Republican leaders urged that Spain be kept out of the Marshall aid plan for Europe until a democratic regime develops the Franco government.

Juan Mena, Washington representative of the called Republicans, filed the request with Secretary Marshall at the State Department.

Mena and Jaime Miravittles, Republican information director in New York, also urged that American private bankers turn down bids for loans to Franco Spain.

Mena told reporters he is confident Franco and France could reject a proposal by Portugal that Spain be brought into the European Recovery Program.

Miravittles estimated Spain will need possibly \$3,000,000,000 to restore her economy.

These Women

By JANE EADS

WASHINGTON—Susan B. Anthony was arrested when she cast a vote in the presidential election of 1872, as she asserted the 14th amendment to the Constitution entitled her to do. Mrs. Anthony was founder and later president of the National Women's Suffrage Association. The association sponsored the first women's rights conference in Seneca Falls, N. Y., in 1848. An evaluation of the progress women have made since the "Declaration of Sentiments" was drawn up at the Seneca Falls conference will be made this month at a conference called here by the

U.S. Women's Bureau. Miss Frieda Miller, director of the Women's Bureau, says the conference will not yield a 1948 declaration of women's rights.

She says women have "gone too far and achieved too much to make action of that kind either necessary or appropriate." Miss Miller says that in the past

century women have gained the full legal right to— 1. Enter professions and practically all occupations and trades. 2. Vote and help make laws on

local, state and national levels. 3. Serve on juries in all but 13 states. 4. Enjoy full rights of property

and earnings in most states. 5. Have the same rights of guardianship as men in most cases. 6. Keep their personal identity

in most respects. 7. Receive the same treatment as men under tax laws. "In 1848," Miss Miller says, "a woman's property was taxed

without representation, marriage meant civil death for her in many respects, and the doors to profitable employment generally were closed tightly against her."

McCRORY'S STORY

Your McCrorry Store performs its important function of gathering together for you, under one roof, hundreds of nationally advertised products, plus other quality items fully guaranteed by McCrorry's. You save time, energy and money when you drop into a pleasant and convenient McCRORY STORE for your everyday needs.

U. S. Post Office Adds Air Parcel Post To Services

The United States Post Office is adding another great service to the peoples of the world as it inaugurates the first air Parcel Post System in the world on today.

Postmaster Joel Fields, announced that Florida Airways are cooperating with the Sanford Office to make the opening day a real demonstration of U. S. "Friendship" and that several local organizations anticipate sending "Friendship Packages" containing food and scarce commodities to the starving and war torn countries to be served by this new system.

Private citizens will be able to use this service for their friends and relatives abroad. The Postmaster pointed out that even perishable foods can be sent without the worry of their being spoiled.

There are 23 countries listed in the service (namely:—)

Austria, Belgian Congo, the Azores, Bermuda, Czechoslovakia, Denmark, Egypt, Eire (Ireland), Finland, Gold Coast Colony, Great Britain and Northern Ireland, Greece, Iceland, Italy, Netherlands, Newfoundland, Norway, Portugal, Sweden, Switzerland, Tunisia, Turkey, and Union of South Africa, and delivery is approximately five days to anyone of the 23 countries.

Holy Land

(Continued from Page One) awaiting in Palestine, the commission report said, leaving little hope for an orderly transfer of authority to the U. N. when the British give up rule May 15.

Russia appeared today to have little chance of blocking a United Nations plan of the Communist coup in Czechoslovakia.

The test comes tomorrow when the Security Council meets to decide whether to place on its calendar a Chilean proposal for a council investigation of Russia's role in the Czechoslovak upset.

Informed quarters expressed belief that Chile's move would get the necessary seven of the council's 11 votes to assure a full debate.

The United States, Britain, France and Belgium were reported definitely ready to vote for admission of Chile's complaint against Russia to the agenda. Only three other votes would have to be lined up from the remaining seven delegations.

Truman Report

(Continued from Page One) hour in world affairs.

But without any hint of what the President has to tell them, lawmakers generally directed their thinking along these lines:

1. There may be new Soviet expansion plans—possibly directed at pushing past Finland toward the Scandinavian countries.

2. These may involve a Russian

gesture toward defense pacts with Norway, Sweden and Denmark—the sort of treaty Finland is in the process of being forced to swallow.

3. If any such moves should prove successful, they might help swing the Apr. 18 Italian election to the Communists.

4. After Italy, whatever the outcome there, the Soviets may turn their attention anew to Turkey.

Whether the President would even go into such matters remains unknown.

Oleo Tax

(Continued from Page One) boards are "stacked" with real estate operators.

The Senate Democratic leaders hope to rally their colleagues behind a drive to hold any income tax cut this year to \$1,000,000, 1944.

The Republican-controlled Senate Finance Committee has approved a \$4,700,000,000 tax-cutting bill. Senate debate on that measure is scheduled to start tomorrow.

The House already has passed a \$6,800,000,000 bill.

Included in the agenda was President Truman's plan to shift control over federal job services, which is headed for a showdown in Congress.

The House already has turned thumbs down on the idea. But unless the Senate does likewise, the reorganization plan will go into effect on Friday.

Health appraisals of 130,000 youths participating in the NYA relief program in the "30s indicated 50 percent had defects calling for medical attention.

Arabic script is so complicated that it requires about five years to learn it, compared with six months needed to master the Latin alphabet.

It's Being Done at Willow Run!

Kaiser-Frazer Introduces Four New 1948 Models

- The 1948 KAISER
- The 1948 FRAZER
- The 1948 KAISER CUSTOM
- The 1948 FRAZER MANHATTAN

AT NO INCREASE IN PRICE!

While Other New Car Prices Are Advancing

HERE'S WHY Kaiser-Frazer can make this announcement while other new car prices spiral upward. Kaiser-Frazer controls its own supply of many basic raw materials . . . has its own engine plant, foundry and steel mill. Materials from these sources funnel into new and modern Willow Run—the largest automobile manufacturing plant in the world under one roof.

Unfinished steel goes in one end of this great plant and comes out a quality automobile, ready to be driven away. All this is accomplished in a matter of hours, and with the economy of Kaiser-Frazer straight-line production. This is an achievement of men who are injecting new methods and ideas into an old industry.

In the new 1948 Kaiser, Frazer, Kaiser Custom, and Frazer Manhattan you get all the features

that others have attempted to copy since Kaiser-Frazer design was introduced in 1947.

So far no one has been able to more than approximate the graceful exterior body lines. No one has come near matching the roadability . . . the ride resulting from seats cradled between the front and rear wheels, such wide seats with both elbow and shoulder room. And none have the style features, the wide choice of colors and fabrics.

You get all this plus the many refinements made possible by years-ahead engineering and design. And, of course, all 1948 Kaiser or Frazer cars have the new Goodyear 24-pound pressure Super-Cushion tires that make bumps something you see but never feel.

Enjoy a ride today in America's newest new cars—the 1948 cars that have not gone up in price!

Wherever you drive, wherever you go, 'round the corner, down the street, there is a Kaiser-Frazer dealer ready to serve you with genuine factory parts and approved service.

We invite You to SEE, DRIVE and COMPARE Them, Today!

TUESDAY, MAR. 16, 1948

THEY WHO REPRESENT GOV. COMMANDER AS BARROW AND PARTICULAR MISREPRESENT THE CREATOR.

It is reported in London that Russia is about to ask Norway for "a treaty of friendship and accord" like that one she is now seeking from Finland, and get from Czechoslovakia. That would put her on the North Sea.

Gubernatorial politics, off to a late start this year, perhaps on account of the declining citrus and celery markets, is finally getting under way in Seminole County. A "McCarty for Governor" club, the first organization of its kind to be formed here, was started last week and tomorrow night Senator Shands, the first candidate for governor to put in an appearance here, will speak to the voters on the corner of First Street and Magnolia Avenue.

As he may not have an opportunity to speak here again before the May 4 primary, every citizen who intends to vote in the coming elections should be out to hear him.

Tomorrow is "Babe Ruth Day" in Sanford and hundreds of young boys with their dads and the rest of the family will turn out in honor of the former "King of Swat" who is visiting Sanford for the first time on a goodwill tour for Ford Motor Company. They will see a good ball game, too, between the Minneapolis Millers and the Washington Senators and an old time Sanford boy, Sid Hudson, will be on the mound for the Washington team. We are indebted to O. K. Goff and his brother-in-law, Jimmie Chapman, former Herald sports editor, for bringing the Babe here, and making possible this exhibition game for the benefit of the Fernald Loughton Hospital.

Seminole County registrations for voting purposes are nearing the ten thousand mark, with 9,016 already having qualified for the May 4 primary. Time was, and not so many years ago either, when 3,000 votes in a Democratic primary, (which always was higher than the general election) was considered a splendid turnout. We suppose we had about four thousand registered voters then, maybe five thousand. Anyway, ten thousand registered voters, and we believe it will be that many before the books close on Apr. 17, would seem to indicate a population here considerably in excess of the 24,000 given us by the U. S. Census Bureau in 1940.

Political pundits who persist in praising General MacArthur with faint claims should consider well the world situation before they reject him finally for the White House. Greatest issue America faces today is the threat of Communism, internally and throughout the world. What America does will determine for many generations whether men anywhere may know the blessings of freedom, whether we in this country shall long retain the right to vote. Indisputably knit to that issue is the question of war and peace. Can this country stop Russian aggression without again sending American boys into battle? And how, if such a war proves inevitable, can this country win it quickly with the smallest possible loss of life? We don't know of anybody who has had greater success in holding the Communists in check than General MacArthur has had in Japan. We don't know of anybody better able to lick hell out of them if we get in a war with them. In considering General MacArthur, it is well to remember that the choice is not between him and Franklin D. Roosevelt, or Robert E. Lee, but between him and Harry Truman.

A Word To The Wise

A word of advice as well as warning comes to candidates for public office who are prone to place their pictures, signs, and campaign literature on every fence post, tree, or telephone pole they find. The Division of Outdoor Advertising of the State Road Department has issued a reminder that there are certain definite laws governing the posting of signs along the highways.

In the first place, you must get a license for each sign you place along the highway and even then you can't place them within 15 feet of the highway right-of-way, or on trees or telephone poles. Thus, for all practical purposes, as Director Max Denton points out, as far as the highways are concerned, all candidates' placards are virtually useless. If they are legally posted, it is virtually impossible for a passing motorist to read them at all.

Of course, there is no law against putting up signs, or placing placards or posters in any place of business or on someone's private property if it is agreeable with the owner. But as far as the state highways are concerned, that's out.

Director Denton says he has a crew of men busy pulling down such signs wherever they find them illegally posted. And if anyone gets caught putting them up, there is a fine of \$500 for each one so found which could be levied against the offender. Besides, it might be rather difficult for the candidate to explain that he who thus violates the law should be entrusted with the laws' enforcement, or with making other laws.

So be careful with your posters.

End Of Tuberculosis

The National Planning Association says tuberculosis could be virtually wiped out in America in ten years, with medical knowledge we now have. The program to do it would be costly, requiring possibly as much as \$320,000,000 in a single year on the basis of 1948 prices. The money cost of tuberculosis in the United States in 1943, in public and private spending, is reckoned at \$174,000,000.

The importance of the money cost of a program to eliminate tuberculosis shrinks in the light of the fact that tuberculosis is one of the major causes of death in this country, and is most frequently a cause of death for persons in their most productive years economically, 15 to 44.

If a disease as terrible as tuberculosis could be reduced to a minor status with only ten years of effort, the cost for those ten years could hardly be too great.

Fame For The Duck-Bill

In New Jersey the other day they dug up one of the state's first inhabitants. It was a duck-billed fellow who, 60 million odd years ago, lived between Sewell and Haddonfield. New Jersey wasn't the place it is today. It may have had mosquitoes, but there were no people. They hadn't arrived yet, anywhere.

The scientists say the dinosaur got stuck in a swamp and thereby met its death. It was about 35 feet long, walked on stout hind legs, ate plants and probably was an accomplished swimmer, since it had webbed feet.

It lived when the earth was a Garden of Eden without Adam or Eve, in the Age of Reptiles. The giant creature escaped Adam's descendants and the Atomic Age of their invention. But the long-legged lizard had his troubles, too. On an innocent dinner-nibbling jaunt one evening he met tragedy in a swamp. Now his bones are considered one of the country's priceless possessions.

SANFORD FORUM

March 12, 1948.

Mr. R. L. Dean, Editor, Sanford Herald, Sanford, Fla. Dear Fellow Editor: Seven years ago I closed a deal from North Carolina for this newspaper and print shop. I was represented by a Wauchula attorney whom I had never seen or heard of. The business was efficiently and promptly concluded and my interests ably represented. This man is L. Grady Burton of Wauchula.

Since that time I have known Grady well as a personal friend and as State Attorney of the Tenth Judicial Circuit. I have had frequent dealings with him in reporting court house news of this county and have always found him willing to give a newspaperman full and frank information on any subject and at any time.

Altho a resident of a small county, Grady's circuit includes Polk County, one of the State's most populous. Yet he has served over 18 years as State Attorney for the circuit and has only once had opposition. He is eminently qualified to be Attorney General, which job he now seeks, and I should like to commend him to you.

Sincerely, W. J. Kelly, Publisher Wauchula Herald.

Dr. C. L. Persons OPTOMETRIST PROMPT COMPLETE OPTICAL SERVICE

Public Is Warned Against Swimming In Unsafe Places

A warning to the public against using contaminated pools and bathing areas has been given by Dr. Frank Quillman, director of the Seminole County Health Unit, in his monthly publication, "The Seminole Chief."

He pointed out that the State Board of Health is vested with the authority for the sanitary control of swimming pools and bathing places. "An approved public pool or bathing place must have a written permit," he stated, "which is obtained after all sanitary regulations are met, and operating practices are satisfactory."

"Safe water is the first requisite in protecting the health of patrons," he wrote, "but a sanitation program must include every part of the premises; locker rooms, shower rooms, toilets, towels, suits and foot baths."

Where chlorine is used in correct amount it is not objectionable as to odor," he stated. "Over-chlorinated water may smart the eyes, but most eye irritation is due to acidity of the water, or the eyes are exposed to the water too frequently while swimming. A slight odor of chlorine in water should be taken favorably, as it is an indication that sanitary practices are being carried out and your health is being guarded."

"Scum gutters which surround pools carry off floating material and should always be used by bathers to evacuate when there is a need to clear the mouth."

"Natural bathing places are lakes, streams or any natural body of water. Regulations on bathing places are somewhat different from those governing swimming pools. If a sanitary survey indicates no known sources of pollution in or near the bathing area and the bacteriological requirements are met, then the water is considered satisfactory for bathing purposes," he advised.

As to safe bathing places he wrote: "In Seminole County we have an approved swimming pool at Sanlando Springs, Longwood. The Sweetwater Pool at Oviedo has been closed for the past two seasons, but plans are being made to install the needed equipment and put the pool into operation within the near future. This office, in cooperation with the central office, has examined water from a number of lakes in the county, and reported findings to the interested parties."

GERMAN RATIONS FRANKFURT, Germany, Mar. 16. (AP)—British and American authorities announced today an increase in the German food ration in their zones. They said in their combined western zones that, beginning Apr. 1, Germans would get a ration of 1,560 calories a day.

During recent months the ration ran as low as 1,100 calories a day in some areas, although the target was 1,550.

The Fifth Congressional District Council Township National Recovery Plan, Inc. of Florida will hold an all day session at the Tourist Center. Business will be started at 10:00 A. M. with a covered dish dinner at noon and talks will be made by the various presidents of clubs. The public is cordially invited to attend.
MONDAY
The Young Adult Class of the Lake Mary Community Church will meet with the teacher, Mrs. E. Chester, at 8:00 P. M.
CARD OF THANKS
We wish to take this opportunity to thank our many friends for their acts of kindness during the illness and death of our loved one, W. P. Stone. Also for the beautiful floral offerings.
We and Mrs. J. M. Cameron, Jackie and Marty Cameron.

Mrs. Lee, Meisch D.A.R. Hostesses

Mrs. A. W. Lee and Mrs. Edmond Meisch served as co-hostesses for the monthly meeting of Sallie Harrison Chapter, Daughters of the American Revolution, held on Mar. 12 at the Lee home on Laurel Avenue. Mrs. L. F. Hagan, regent, presided over the meeting. The opening services were held and reports heard from the various officers and chairmen. The group voted to again sponsor a girl at Girls' State to be held this coming summer in Tallahassee and to send donations to the two D. A. R. schools, Kate Duncan Smith and Tamascose, and also to send a contribution to the state of an approved school in North Carolina.
Mrs. F. E. Holz, defense chairman, read an article on "Awareness." Mrs. A. L. Stowell, a visitor, who is president of the Children of the American Revolution in New Britain, Conn., told of her work at the close of the meeting. Refreshments were served by Mrs. Holz, Mrs. R. M. Mason, Mrs. H. J. Lehman, Mrs. C. R. Dawson, Mrs. A. C. Benson, Mrs. W. H. Tunnicliffe, Mrs. H. W. Rucker, Mrs. E. R. Clements, Mrs. Hagan, Mrs. A. R. Key, Mrs. M. S. Wiggins, Mrs. J. H. Kay, Mrs. W. M. Tugpen, Mrs. Meisch and Mrs. Lee. Visitors were Mrs. Stowell and Mrs. Marion Russell.

Personals

Mrs. J. W. Metz has as her guest at her home on Lake Onora, Mrs. Charles E. Metz of Fort Wayne, Ind.
Dr. and Mrs. Allen Delaney and young son, Allen, have returned to their home in New Orleans, La.
Mr. and Mrs. Walker Culp left today for Edgemore, S. C. to attend the funeral tomorrow of Mr. Culp's father, L. L. Culp.
Miss Herie Long has as her guests Mr. and Mrs. J. I. Husk, Miss Inez Husk, Mrs. Fred Husk and son Freddie, of McMechen, W. Va.
Miss Betty Shannon, who is attending Florida State University in Tallahassee, is spending the spring holidays with her parents, Mr. and Mrs. H. W. Shannon.
Dr. J. N. Robison has returned from Atlanta, Ga., where he visited for some time with his son and daughter-in-law, Mr. and Mrs. Alford Robison.
Rev. and Mrs. Douglas Charles and Mrs. Charles' mother, Mrs. Ed. Stowell, and Miss Mary Wilkes plan to return tonight from Miami where they spent several days.
Mrs. James Alford of Tallahassee expects to arrive on Wednesday to spend a week with her parents, Mr. and Mrs. G. E. McCall at their home on Park Avenue.
Mrs. Roscoe McLane, Jr., returned today to her home in Gainesville after spending several days with her parents, Mr. and Mrs. E. M. Hunt at their home on Oak Avenue.

Mrs. E. J. Routh returned last

Plans Being Made For Episcopal Party

Final plans are being made for the first annual spring bridge party to be given by the Woman's Auxiliary of Holy Cross Episcopal Church on Mar. 30 at the Parish House. Bridge will begin at 2:00 o'clock in the afternoon and tea guests will call at 4:30 P. M. Reservations may be made with Mrs. First Bell, by telephoning No. 495. Proceeds from the bridge party will be used in the general auxiliary treasury.
In charge of the party is Mrs. S. O. Chase, Jr., as general chairman; Mrs. A. M. Philips, publicity; Mrs. Bell, tickets; Mrs. W. A. Leffer, chairs and tables; Mrs. R. A. Newman, cards; Mrs. J. H. Copburn, prizes; Mrs. William E. Kirchhoff, decorations; Mrs. H. H. Coleman, tallies, and refreshments will be under the direction of Mrs. Joe Storch. Mrs. Randall Chase and Mrs. R. F. Whitner, Jr.
EPISCOPAL SERVICE
The Rev. Barclay Johnson of St. Mark's Church of Haines City will be the guest preacher at a midweek service to be held on Wednesday at 8:00 P. M. at Holy Cross Episcopal Church. Rev. Mark T. Carpenter announced this morning.

Presbyterian Women Have Annual Meeting

The annual meeting of the Presbyterian Women's Auxiliary was held last night in the social room of the church with Mrs. Ralph Austin Smith presiding over the meeting. Officers for the coming year were installed by Dr. E. D. Brownlee. In opening the meeting the devotional was given by Mrs. Seth Woodruff and the Lord's Prayer was sung by Dwight Peck accompanied by Mrs. George Toubly.
Annual reports were heard from the president, Mrs. Smith, and from Mrs. R. A. Cobb, the treasurer. Mrs. Henry McLaughlin presented Mrs. Smith with a corsage in behalf of the organization for her splendid work during the past year.
Officers installed included Mrs. Smith, president; Mrs. Toubly, vice president; Mrs. Wallace Bell, recording secretary; Mrs. R. H. Walling, corresponding secretary; Mrs. Woodruff, treasurer, and Mrs. H. H. McLaughlin as historian.
Cause secretaries installed were Mrs. Frank Leske, spiritual life; Mrs. Leon Walker, foreign missions; Mrs. George Stine, Christian education and missions; Mrs. E. E. Morawether, Christian social service; Mrs. Victor Green, assembly's home education; Mrs. John Wilson, religious education; Mrs. John Eick, literature; and Mrs. R. F. Mann, Synod's and Presbytery's home missions.
Chairmen installed: Mrs. E. M. Galloway, pastor's aide; Mrs. Ed. McCall, social; Mrs. Mary Wilkes, press; Mrs. E. T. Wilkins, parliamentarian; Mrs. H. C. Ely, flower and house chairman; Mrs. McLaughlin, courtesy; and Mrs. J. A. Harrell as grounds chairman. Circle chairmen are as follows: Circle No. 1, Mrs. L. I. Frazier; Circle No. 2, Mrs. Charles E. Ginn; Circle No. 3, Mrs. Clarence E. Henderson; Circle No. 4, Mrs. J. C. Hutchison; Circle No. 5, Mrs. A. B. McRaney; Circle No. 6, Mrs. J. E. Mungler; Circle No. 7, Mrs. W. L. Roche; Business Women's Circle No. 1, Mrs. B. E. Aiken; J. J. Business Women's Circle No. 2, Mrs. Sara Warren.
Easterly and Beardsall Avenue Circle, Mrs. Raymond Schaub.
Following the installation a reception was held honoring Mrs. E. D. Brownlee, who was presented with a gift of money by Mrs. Roy Mann from the organization. Honorary members included lovely arrangements of centerpieces, gladioluses and palms. Among those assisting in serving the cake and punch were Mrs. Charles Morrison, Mrs. McRaney, Mrs. G. B. Elliot, Mrs. Victor Green, Mrs. Mrs. Walker, Mrs. B. W. Warren, Mrs. Mary McConley, Mrs. Mary Bolly and Miss Elise Hutchison. About 70 members were present for the meeting and reception.

Ixora Circle Enjoys Anniversary Party

The March meeting of the Ixora Circle of the Sanford Garden Club was held at the home of Mrs. C. R. Kirtley, sponsor of the circle, on Friday in the form of a birthday party celebrating the first anniversary of the founding of the circle. During the regular business session the resignation of Mrs. H. B. Odham, Jr., as vice chairman was respectfully accepted by Mrs. Dale Scott who was elected to fill her office.
Mrs. H. H. McLaughlin, guest speaker, spoke to the group on amusements and plans for the club house and building fund. In connection with her subject of amusements she urged contact with E. B. Stone and J. D. McNeill as to whether spraying for azalea blight will be done in connection with the garden service.
Announcement was made that 72 corsages were made by the club for tourists who took part in the recent garden tour and plans were made for the annual Garden Club plant sale today at Fifth Street and Park Avenue.
Mrs. Earl Duggenbohm, Mrs. Robert Jackson, Mrs. Wally Diehl and Mrs. Broughton Watkins were welcomed into the circle as new members. At the conclusion of the meeting refreshments were served from the dining table. In the center stood a silver and crystal centerpiece holding a lovely arrangement of Editor McFarland roses. The cake holding one candle was served by Mrs. James C. Higgins and Mrs. Clyde Terwilliger, Jr., presided at the tea service.
Those present for the meeting were Mrs. Clarence Henderson, Mrs. H. B. Smith, Mrs. Herbert Stone, Mrs. E. E. Morawether, Mrs. George Duggan, Mrs. Charles Vothoff, Mrs. Higgins, Mrs. Roy Green, Mrs. G. D. Bishop, Jr., and Mrs. Odham and Mrs. Kirtley.

Lynan High School By Helen Farina

Big news—excitement—thrilling tales—who's who—what's new; all these wonderful things will be combined in the new Lynan High Schools newspaper, the first edition of which will be Mar. 16. Last Thursday night the high school had a very enjoyable time at Sanlando Springs. Dancing, swimming and eating were the main events of the evening. Among the teachers—there were Mr. and Mrs. Milace and Mr. Douglas.
Saturday night some of Lynan's sport fans were seen over at the Class C State Tournament game. This game ended the basketball season of the team. Now all attention will be given to baseball. Lynan will have their first game with Winter Park Mar. 23. I am sure that all the students will attend these baseball games as much as they did the basketball games. With that ex-Sanford Orlando baseball fan, Jim Payne, as manager, we are bound to have a victorious year.
The Lynan High School Glee Club will entertain the Women's Club on May 31. On Apr. 2 the Glee Club will sing on the WFRB broadcast here at Lynan School. We are very proud of the three students from Lynan, June Medstrup, Clyde Walker and Donald Largent, who participated in the Youth's Government Week. They filled the following offices: Secretary of Registration County Commissioner, and Member of the School Board.
The cutest couple of the week are Donald Largent and Barbara Roper.
Sophia McDougal Receives Cap Sunday
Friends will be interested to learn that Miss Sophia McDougal who is in nurse's training at St. Vincent's Hospital in Jacksonville will receive her cap after six months' probationary period in the impressive Florence Nightingale ceremony on Sunday at the hospital chapel. Miss McDougal now has two and a half years more training before receiving her diploma as a graduate nurse. Her mother, Frances McDougal, attended the services on Sunday.

High School Scene Of Picture Exhibit

Mrs. Mildred Babcock, art supervisor of Seminole County Schools, stated this morning that an art exhibit with pictures from all counties of Central Florida which is being show at various schools throughout the state is now appearing at the Seminole High School. The exhibit displays paintings done by pupils from the first through seventh school grades.
The pictures are hung in the halls of the high school and Mrs. Babcock invited the public and all school children of the county to view them. On Thursday they will be on display in Lake Monticello for the County Teachers' meeting.
Dr. Kenninger To Talk On Holy Land
Dr. George Kenninger of Indianapolis, Ind., will lecture concerning "The Holy Land" at the First Methodist Church Wednesday evening at 7:30 o'clock. The lecture is being sponsored by the church and there will be no admission charge.
Dr. Kenninger, who has been spending the winter in Sanford, has been giving a series of talks to the church each Wednesday evening for the past month. "The Holy Land" is one of the "two parts" of world diplomacy," he recently declared.
Miss Lois Westfall Honored On Birthday
Miss Lois Westfall was honored on her fifteenth birthday with a party given at her home on Friday evening. A pink and white color scheme was used in decorating the rooms of the Westfall home. During the evening games were enjoyed, following which refreshments consisting of cake, ice cream and cold drinks were served.
Those invited to be with Miss Westfall were the Misses Aurilia Warner, Margie Sheppard, Frances Moore, Patsy Jean Brown and Evelyn Watkins. Also Floyd Sparkman, F. H. Bach, Lloyd Buhl, Wallace Terry, Sonny Robinson and Don Polly.

Sgt. Robert Harrell Stationed In Texas

Sgt. Robert E. Harrell, husband of Margaret Harrell of Sanford, recently completed a 10-day Desert Survival Course at Biggs Air Force Base, El Paso, Texas. The course at Biggs was under the supervision of Flight "B," 9th Air Rescue Unit. In the course there was two parachute jumps and a two-day field trip. This is one phase of a 30-day course these students are completing. Other training phases are being held at McCall Air Force Base, Tampa Fla., and Lowry Air Force Base, Denver, Colo.

Elsie Knight Circle Met Monday Night

Mrs. Cliff Akins, program chairman for the Elsie Knight Circle of the First Baptist Church, presented an interesting program at the meeting of the circle held in the Women's Bible Classroom of the church last night. The program was recently appointed to fill the vacancy caused by the resignation of Mrs. Walter Feder.
Mrs. Volie Williams acted as accompanist for several songs and Mrs. Akins sang "The Holy Spirit and the Family." Others taking part in the program included Mrs. Charles Lake, Mrs. E. B. Carter, Mrs. Maude Denton, Mrs. A. L. Thomas and Mrs. Bertha Young.
Mrs. Henry James, chairman of the circle, presided over the short business session at which time a letter was read from a Hawaiian girl taking seminary training in New Orleans in which she thanked the circle for a gift recently sent to her. Mrs. Lake and Mrs. J. B. Odham were thanked for the flowers which were placed in the church on Feb. 29.
Following the meeting refreshments were served to the following: Mrs. Lake, Mrs. Emily Garrison, Mrs. Williams, Mrs. Carter, Mrs. Denton, Mrs. John Kader, Mrs. Laurine Beal, Mrs. Thomas, Mrs. Young, Mrs. Jameson, Mrs. Odham and Mrs. Akins.

Engineer Locates New Office Here

Henry A. Simpson, mechanical engineer, who recently opened an office in the Sanford Atlantic National Bank Building, has left on a business trip to New York and Philadelphia and expects to be gone for several weeks.
He is listed in the latest and previous issues of "Who's Who in Engineering" and is a mechanical consulting engineer and designer of special machines and labor saving devices. Mr. and Mrs. Simpson live in Geneva.
Mr. Simpson was recently engaged in a study of the mechanical condition of the citrus and celery industries. He declared that his studies have convinced him that when there is more mechanization in these fields, the growers will find a better stabilization of prices of produce with an all around increase in efficiency.

THE WEATHER

Table with 3 columns: City, High, Low. Includes Lakeland, Atlantic City, Boston, Chicago, Cincinnati, Denver, Kansas City, Oklahoma City, Phoenix, Washington, Orlando.

YUGOSLAV RED CROSS BELGRADE, Yugoslavia, Mar. 16 (AP)—The Yugoslav Red Cross appealed today for help in caring for the increasing number of refugee children coming in from Greece.

(Greece has accused guerrillas of kidnaping Greek children and spiriting them into the Communist-dominated states of Yugoslavia, Albania, Bulgaria and Romania. The United Nations Commission for the Balkans has instructed observers in northern Greece to investigate.)
Mechanical corn pickers leave from three to five bushels of grain in each acre of corn.

Decorated with a lovely design. Your friends will never guess you paid such an amazingly low price for this quality. Size 72" x 90" 2.50

Millers Prepare For "Babe Ruth Day"

Children Are Urged To Attend Contest; Minneapolis Ready To Meet Senators

By ARTHUR BECKWITH, JR., Herald Sports Editor
Manager Frank Shellenback's Minneapolis Millers were preparing today for their first exhibition contest of the 1946 spring training schedule with the Washington Senators in the "Babe Ruth Day" celebration to be held at the Municipal Baseball Park tomorrow afternoon.

The proceeds of the contest will be given to the Fernald-Laughton Memorial Hospital as a part of the 1946 fund drive campaign.

All children of the county are urged to attend the contest, which will get under way at 4:00 o'clock. Owner Clark Griffith of the Washington club has stated that he will send Sid Hudson and Early Wynn to Sanford to participate in the contest. Hudson and Wynn will be remembered as former Sanford Celery Fed hurlers. O. K. Goff, brother-in-law of Jimmie Chapman, who is public relations director for the Ford Motor Company, reported last night that final arrangements have been completed with Chapman and Ruth. "Everything is set," Goff asserted last night. "Everything is set, and Sanford will turn out in untold numbers to greet 'Mr. Baseball.'"

3 Of Last Year's Players Report To Hal Gruber

Manager Hal Gruber's Sanford Giants went out on the field again today to undergo their second workout of the 1946 spring training session.

Gruber stated last night that three of last year's players have reported to the camp and are ready for practice sessions. Tim Tyler, Johnny McManus and Martin Zula have reported and went to the field for their first drills this morning.

Yesterday the squad went through light limbering up exercises and trotted through some of the fundamental drills.

Manager Gruber planned to send his charges through a lengthy batting drill today and a good in-field practice, he reported.

Hemlock trees were sometimes almost eliminated from early American forests when bark was removed from them for the tanning industry.

COMMENTS

from the SIDELINES

Jimmie Chapman, who is now public relations director for the Ford Motor Company, will bring Babe Ruth into town on the most eagerly awaited events held here in many a day.

Jimmie, a lanky blonde headed fellow, started his career punching a typewriter right here on the staff of the Sanford Herald, and as sports editor of the paper. Chapman, like Peter Schaal, publicity director for Silver Springs, and Sam Byrd, author and actor, has climbed the ladder to success. Schaal and Byrd started here on the Sanford Herald staff. We appreciate Jimmie's interest and wish to thank O. K. Goff for his time and effort spent in bringing "The Babe" to the city.

There are many of the Sanford children and grownups who might not have ever gotten to see the former New York Yankee star, if he had not been scheduled to come to Sanford.

Welcome to Players

We want to express our personal welcome to the players, managers, coaches, scouts and trainers of the New York Giants farm clubs, which opened their spring training activity at the Municipal Airport site here yesterday.

From time to time something may arise in which you need help or assistance. If such an occasion occurs we want you to feel free to come by the office, or if you see us around town, ask us to do our part. We will do what we can.

We say once again, WELCOME TO OUR CITY, FELLOWS. MAY YOUR STAY HERE BE A HAPPY ONE.

CORRECTION

We noted that Bob Hayes, sports scribe for the Orlando Sentinel, seemed to have the wrong impression about the Millers-Senators contest on "Babe Ruth Day" tomorrow. Hayes made a mistake Sunday by saying that the proceeds will go to the Fernald-Laughton Memorial Hospital, however Bob corrected his statement in today's column.

Oh well, we can all make mistakes. I even make them once in a while myself.

Sioux City, Jacksonville, Trenton And Knoxville Open Spring Drills

Sioux City, Jacksonville, Trenton and Knoxville baseball teams opened their spring drills at the New York Giants Farm Clubs Training Base at the Municipal Airport site yesterday with nearly 200 men attending the first drills, it was reported by Jack Schwarz, secretary of the Giants' far-flung farm system.

Manager Dale Alexander of the Knoxville Smokies reported yesterday afternoon that Ralph Satterfield, hard hitting first sacker for the 1947 edition of the Sanford Celery Feds, has reported to him and worked out with his group yesterday.

Currently ranked as the leading canine candidate for championship honors, Kolaka, drew the No. 1 box, and should be installed an odds-on favorite by the railbirds tonight.

Robert G. Baird, general manager, announced today that dates for the elimination trials in the annual running of the Derby would be announced this week.

John Kobs Is Named Cage Tourney Head

CHICAGO, Mar. 16 (AP)—John Kobs of Michigan State today was appointed chairman of the National Collegiate Athletic Association's 1946 Baseball Tournament Committee.

Selection of the veteran baseball coach and secretary-treasurer of the American Association of College Baseball Coaches was announced by Kenneth L. (Tug) Wilson, secretary-treasurer of the NCAA.

HOPE DWINDLES

EVERGLADES, Mar. 16 (AP)—Seminole Indian guides, bloodhounds and helicopters pressed a search today for three missing men, including Jockey Al Snider, as hope for their survival dwindled after 10 days.

NEW YORK (AP)—The population of California increased about 3,000,000 between 1940 and '47, more than any other state in the United States in the same period.

Kolaka Goes To Post Tonight In Feature 9th Race

The outstanding greyhound at the Sanford-Orlando Kennel Club this season, Kolaka, goes to post in the ninth and feature event tonight for his first start in 10 days.

Even as he announced his retirement from the football bench, the handsome, graying, 49-year-old mentor named as his immediate successor Benny G. Oosterbaan, his backfield assistant.

He started the sports world with his announcement shortly before midnight, attributing his decision to "the exacting demands" of his position as head of the department of physical education, athletic director and head football coach.

The Michigan Coach discounted the suddenness of the announcement by saying he had been considering the move "for some time." His withdrawal as head coach

Fritz Crisler Quits Post At U Of Michigan

ANN ARBOR, Mich., Mar. 16 (AP)—H. O. (Fritz) Crisler, who guided Michigan to the apex of football glory, today ended his coaching career.

Even as he announced his retirement from the football bench, the handsome, graying, 49-year-old mentor named as his immediate successor Benny G. Oosterbaan, his backfield assistant.

Crisler will remain the University's athletic director.

He started the sports world with his announcement shortly before midnight, attributing his decision to "the exacting demands" of his position as head of the department of physical education, athletic director and head football coach.

The Michigan Coach discounted the suddenness of the announcement by saying he had been considering the move "for some time." His withdrawal as head coach

and the appointment of Oosterbaan was discussed and approved, he said, by the Michigan Athletic Board in control just prior to his announcement.

The shrewd and canny chief stepped down in the year of his greatest triumph.

His 1947 squad rolled over nine opponents like no Michigan club had been able to do since the point-a-minute combine of the early 1900's.

After an undefeated season, his third in 17 years of major collegiate coaching, Crisler took his powerhouse out West and inflicted one of the most stunning defeats in Rose Bowl history on a hapless University of Southern California squad.

The 49 to 0 score duplicated Michigan's 1902 victory against Stanford that originated the famous Bowl series.

CHILDREN DROWNED
ST. PETERSBURG, Mar. 16 (AP)—Magistrate John F. Fisher said today that two children had drowned in Lealman Lake, where they were thrown by their mother.

We're Working Like Beavers To Supply Our Customers

It isn't always possible during emergencies to offer the same fine service folks around here have come to associate with the name Hill. But we are doing our level best to take care of the needs of our customers with a minimum of inconvenience to them. Our connections with the world's largest manufacturers of Building Materials — plus our half Century of experience have enabled us to average an outstanding service over the years. If anyone can supply Building Materials Hill's can.

"PULLING POWER"

The Continuity of the "pulling power" of newspaper advertising is emphasized by the letter we received March 11 from a lady in Longwood. The one copy which we sent her may be read by countless other persons and your advertisement can be read again and again as long as the paper is preserved. This illustrates the permanency of the written word -- The letter is as follows:

March 11, 1943

The Sanford Herald
Sanford, Florida
Gentlemen:

I enclose 10c and ask you if you can send me a copy of the paper published last week, with reports of Longwood. Would like this for a souvenir.

Yours truly,
Mrs. Geo. E. Crosby
P. O. Box 43
Longwood, Florida

10 Business Opportunities

VETERANS! THE DOORS TO EUROPE ARE OPEN TO YOU!

How would you like a good, steady job with 20% extra pay, that will take you to Europe with your traveling expenses, food, clothing, and lodging paid? And you'll have 30 days leave a year to travel. This very opportunity is open right now to any veteran of any of the Armed Forces who qualifies for a three year enlistment in the US Army. You also have the choice of service in Alaska. Veterans and non-veterans, too, may sign up for service in Alaska. Veterans and non-veterans, too, may sign up for service with a famous combat division in Japan or in Korea. Army pay is the highest it has ever been, and there are many other benefits. For full details, apply US Army and US Air Force Recruiting Station, 6 Rutland Bldg., Orlando, Fla.

EATS New Kind of CANDY

Loses 65 Lbs. Wears Size 12 Again

Over 100 lbs. body weight, 120 lbs. on 20th St. Chicago, lost 65 lbs. in 12 weeks with the remarkable NEW AYDS Candy. (Patented) AYDS Candy is a new kind of candy, sweet, delicious, and easy to eat. It is a real appetite suppressant and appetite stimulant. No more dieting. No more hunger. No more frustration. No more... You simply take AYDS before meals which automatically curbs the appetite. The result is you eat less and lose weight. Only 12¢ per lb. for 60 1/2 day supply—possibly more than you will need. Your money refunded unless you lose less than 10 lbs. in 12 weeks. Clear, pleasant taste.

Legal Notice

NOTICE OF SHERIFF'S SALE
Notice is hereby given that I, J. A. Meyer, as Sheriff of Seminole County, Florida, under and by virtue of a writ made under execution issued on the 25th day of January A. D. 1943, out of the Thirtieth Judicial Circuit Court of Seminole County, Florida, in that certain cause wherein I, W. Phillips, Complainant, a corporation organized and existing under the laws of the State of Florida, was plaintiff and William F. Langford and W. E. Swain, an individual, were defendants, and execution being being issued under the style of Standard Hardware Company, was defendant, and execution being in the sum of \$555. I will on Monday the 5th day of April A. D. 1943, between the legal hours of the day in front of the Courthouse in Sanford, Seminole County, Florida, offer for sale and will to the highest and best bidder for cash the following described personal property or an article thereof as I am required to sell to satisfy said execution, and some costs: Twenty shares of stock in the Sanford Hardware Company, dated at Sanford, Florida, this 1st day of March A. D. 1943.

NOTICE TO APPEAR
The SHYMOU H. LEE, whose name of residence and address is unknown, is hereby notified that he is required to appear in the Circuit Court of Seminole County, Florida, in the case of W. Phillips, Plaintiff vs. W. F. Langford and W. E. Swain, Defendants, on the 5th day of April, 1943, in order to show cause why he should not be held liable for the debt of \$555.00, which is due to the Plaintiff, W. Phillips, Plaintiff vs. W. F. Langford and W. E. Swain, Defendants, in the sum of \$555.00.

Truman Reveals Post War Loans Hit 2 Billions

Total Cost Of Lend-Lease Is Placed At Over 50 Billions

WASHINGTON Mar. 16 (AP)—President Truman told Congress today that lend-lease aid provided to foreign countries since V-J-Day amounts to \$2,075,459,880.

In a letter transmitting the 25th report on Lend-Lease operations, Mr. Truman said such postwar help—called "pipeline" aid because the deliveries included goods in process of transfer when the war ended—is being concluded.

Russia was cut from the list of "pipeline" countries by congressional action last year. But some other countries remain eligible. The report showed \$254,091,000 in shipments to the Soviet Union since the fighting ended.

The total of war and postwar aid under the Lend-Lease Act was reported as \$50,243,996,158.79.

The office of Lend-Lease fiscal operations now operates under the Treasury Department.

NEW YORK—(AP)—New records for low death rates in the United States were set in both 1946 and 1947.

James Wright

(Continued from Page One) lake front; the City's five-year offer of headquarters space in the City Hall in event Sanford is selected as the permanent site, and the Post's offer to landscape the grounds of the new building, and to contribute \$6,000 toward the project.

The following delegates were elected to attend the state convention: Ned Smith, Joel Field, Jack Rocco, James Singletary and James Wright. Alternates named were: Ed Monforton, John Sauls, Chester Miller, Henry Jameson and Frank Pavlick.

John Sauls reported that the Red Cross Legion committee was doing nicely in the drive, and said that last year the Post collected more money for the drive than any other organization. He announced that officers of the newly formed Veterans Council will be elected on Mar. 25. Plans for the Legion sponsored fair were announced by Adjutant Joel Field.

The race for Post Commander was "hot" with "Chic" Lezater opposing Mr. Wright. The new commander has been connected with the Ox Fibre Brush Co. at Benson Springs for the past 20 years. He volunteered for naval service in the early part of World War II but was rejected due to defective color vision. This defect objection was waived upon second application and he was given a commission as lieutenant, jr. in the early part of 1944. His indoctrination course was at Babson Park, Mass. Later he attended Army Industrial College in the Pentagon Building at Washington, D. C., and was assigned to contract termination

Defense Accord

(Continued from Page One) caused at the Key West session. The military manpower problem has assumed increasing proportions in recent weeks. The Army is reported to be considering a request that Congress cut the selective service system back. Army authorities say a return of the draft law would not mean recall to military duty of the veterans of the last war. They say the lower age brackets—men who have become of military age since the war—would provide enough manpower.

Others suggest that the mere presence of a draft law might boost volunteer recruiting to the point where the present 120,000 shortage in the army would be filled.

work in the Navy Department. He was assigned to a Jap invasion unit just prior to the end of the war, and then served with an occupation unit in Japan, at which time, he was promoted to rank of lieutenant, senior grade. He returned from active service in May, 1946 and has since been active in veterans affairs. He has lived in Sanford for the past 23 years, is married and the father of five children.

Among his prized possessions is a letter from Admiral John Towers, former commander in chief of Pacific Naval operations, commending him for his work performed for the Navy while in Japan.

Magic Hot Springs, near Twin Falls, Idaho, are charged with radium and other minerals and were a favorite with Indians for their curative power.

Oil Question Is Emphasized By Forrestal

European Situation May Force U. S. To Reconsider Plans About Arabian Oil

WASHINGTON, Mar. 17 (AP)—Secretary of Defense Forrestal said today "events in the last several weeks" may force this country to change plans to boost production of Middle Eastern oil.

The defense chief told a Senate Small Business subcommittee he already has asked military experts to say whether it is advisable to continue shipping steel to build pipelines in Saudi Arabia.

"Within the next 48 hours, certainly by the end of the week, I shall have an answer to it," he added.

This answer, he emphasized, will deal only with the broad question of whether it is more desirable to employ a pipeline or tankers to carry oil from Saudi Arabia to the Mediterranean.

And Secretary of Commerce Harrison promised the committee headed by Senator Wherry (continued on Page Two)

Judge Herlong Is Principal Speaker For Woman's Club

"The greatest responsibility of citizens today is the preservation of democracy," stated Judge Sidney Herlong, Jr. at the monthly luncheon meeting of the Civic Department of the Sanford Woman's Club held at the club house at Oak Avenue today at 12:30 o'clock. He stated that it is the duty of all to promote right thinking among all citizens and to encourage interest in good government.

Judge Herlong's topic was "Citizenship Responsibility" and in this respect he said that the responsibility of the American people in international affairs is to work actively for the support of the Marshall Plan. "The best proof that it will work" he declared, "is the fact that Russia is so strongly against it in that it thwarts their plan for world domination." He urged that every citizen work for the complete success of the United Nations (continued on Page Three)

B. L. Perkins, Jr. Is Named J.C. Director

B. L. Perkins, Jr. was elected a member of the board of directors of the Jaycees last evening when the board met to appoint a director to succeed Charles Luke who recently resigned from this office. Although Mr. Luke was vice-president of the group, no vice president was elected to succeed him at the time, according to Gordon Bradley, secretary.

The board is composed of 225 to the Central Florida Council of Boy Scouts' Colored Camp now being improved at Island Lake.

Further plans for a beauty contest of small girls to pick a "Cery" heart" were discussed. The contest will be held in April at a date to be announced later. The annual membership drive was scheduled to start on April 15 and continue through April 22.

CUB SCOUTS

Cub Scouts will hold a program planning meet Friday evening at 7:30 o'clock at the Methodist Church annex, Saturday afternoon at 2:00 o'clock the Cub Scouts will hold a kite flying contest at Fort Mellon Park, according to Evans McCoy, Cub Scout leader.

DIES FOR DOG

NASHUA, N. Y., Mar. 17 (AP)—An elderly man perished in flames last night in a vain attempt to save his dog, officials said today.

Ellsworth Littlefield, 78, died while trying to reach the animal tied to his bed, as fire enveloped his one-room home.

TELEPHONE UNION JACKSONVILLE, Mar. 17 (AP)—J. J. Moran of Jacksonville, Fla., today was re-elected president of the American Union of Telephone Workers (CIO). The election was by acclamation and came at a special session which ended early today.

NEWSPRINT OFF NEW YORK, Mar. 17 (AP)—The News Print Service Bureau in a report yesterday said newsprint production in North America in February was 487,444 tons against 483,807 tons a year ago. Shipments, however, rose to 404,523 tons from 404,717 tons in February, 1947.

Here Today

Babe Ruth, the King of Swat and one of the outstanding figures in baseball, appeared here today at a contest between the Minneapolis Millers and the Washington Senators at the Municipal Park. The game was played as a benefit for the Fernald Loughton Memorial Hospital 1948 drive fund.

Miners' Walkout Endangers Soft Coal Production

Labor Stoppage Be- gins Spread To De- pendent Industries

PITTSBURGH, Mar. 17 (AP)—The nation's soft coal production virtually was snuffed out today by the United Mine Workers three-day old pension walkout.

Labor furloughs began to spread to coal-dependent industries. A coal-carrying railroad posted notices that its shops would close Saturday. A steel corporation said one blast furnace and five open hearths will be closed for lack of coke in a few days.

The latest field count showed \$30,000 of the 400,000-man union idle. These diggers had left the pits since Sunday midnight in support of John L. Lewis' demand for \$100 monthly miners' pensions. Other thousands were expected to quit work today, making the shutdown complete.

All or virtually all deep mines in 12 of 28 production states were down. The shutdown paralyzed the industry of Pennsylvania and West Virginia, the two biggest producers. About 181,000 of 228,000 union miners were idle in those two states.

Production also was cut to a trickle in Ohio, Virginia, Alabama, Kentucky and Indiana pits.

WORKMEN'S RATES UP TALLAHASSEE, Mar. 17 (AP)—An average increase of six and a half percent in Florida workmen's compensation in a new rate was ordered today by Insurance Commissioner Ed Larson. The new rate will be effective May 1 on new and renewed policies. It will not apply to policies now in effect.

Poll Of 14 Senate Aspirants Shows Only 3 Are Pro-Truman

NEW YORK, Mar. 17 (AP)—The New York Times says a poll of 14 Democrats who will be running for Senate seats in 1948 shows that only three are "willing to stand up and be counted as pro-Truman candidates."

The Washington story by Clayton Knowles says that 13 of the 14 men questioned are incumbents, 10 from the deep South. The other is Secretary of Agriculture Clinton P. Anderson, who will seek the Senate seat being vacated by Senator Carl A. Hatch of New Mexico.

Only two senators said they stand for re-election as supporters of President Truman. They are Senator James E. Murray of Montana and Senator Theodore F. Green of Rhode Island, Secretary Anderson said that "I'm not running as a Truman Democrat, but I certainly am a supporter of President Truman."

The story says that most of the Southerners were much more voluble of the record than they were for quotation and that "all were at pains, however, to duck the Truman label because they personally oppose the President or believe him an actual political liability."

Senator William B. Unsworth of North Carolina declined to be quoted at all.

Senator Edwin C. Johnson of Colorado said he would be running on "the Democratic ticket."

Statements from Southern senators were as follows:

James O. Eastland, Mississippi: "I cannot be for any nominee who is bent upon the destruction of the Southern states."

Allen J. Ellender, Louisiana: "I will run as a Democrat, with no other label."

John L. McClellan, Arkansas: "I'm against the civil liberties

Military Aid Vowed By 5 In West Alliance

Britain, France, Ben- elux Pledge Eco- nomic Aid As Well If Attack Occurs

BRUSSELS, Mar. 17 (AP)—Five western democracies bound themselves together today in a 50-year military, political and economic alliance. Foreign ministers of Great Britain, France, Belgium, The Netherlands and Luxembourg signed the treaty pledging mutual military aid if any one of the nations is attacked. The accord was signed today at 3:01 P. M. in the solemn sessions hall of the Brussels Palace of Academies.

LONDON, Mar. 17 (AP)—A newly formed Western alliance of Great Britain, France, Belgium, The Netherlands and Luxembourg pledged today mutual military aid if any one of them is attacked. The terms of alliance, embracing economic as well as military cooperation, were made public in the capitals of the five nations as their foreign ministers formally signed the pact in Brussels.

The 50-year treaty, forged last week in an atmosphere darkened by the westward advance of Communism, called for quick action to put its objectives of common (continued on Page Two)

Youth, 16, Attacks Family With Bow And Arrow, Pistol

CHICAGO, Mar. 17 (AP)—Police used tear gas to quell an uprising by a 16 year old boy, armed with a bow and arrow and a home-made revolver, in the northwest side apartment last night.

Before four squads of police were summoned, the youth shot his step-brother with an arrow and forced other members of the family to flee from their second floor apartment.

Police Sgt. Joseph Rudnick said that the youth, William Tomaszek, without any apparent reason, had shot his step-brother, James, 22, a postal clerk, with a steel-tipped 20-inch target arrow. His wound was not serious.

Then the youth, Rudnick said, threatened to shoot his parents, Mr. and Mrs. Joseph Tomaszek, and their two own children, Robert, 18, and Eugene, 14. They seized James, fled to a neighbor's apartment and called police.

"CIVIL RIGHTS" KILLING MOBILE, Ala., Mar. 17 (AP)—A 20-year-old white mechanic was bound over to the Mobile county grand jury on a murder charge today in connection with the "civil rights" killing of a negro. Recorder Court Judge William M. Bekars fired \$2,500 bond for the mechanic, Harace M. Miller. His attorney said he would post the amount this afternoon.

HAT FOUND EVERGLADES, Mar. 17 (AP)—A man's hat found floating in a small creek near the East Cape Canal today was spurring the hunt today for Jockey Al Snider and his two companions. The hat fits the description of one worn by Don Frazier, Canadian manufacturer, one of the missing men.

CHARGES DISMISSED ATLANTA, Mar. 17 (AP)—Charges of criminal negligence and involuntary manslaughter against licensees of the Wincoff Hotel, where 119 persons died in 1947 fire, were dismissed today by the Georgia Supreme Court.

On This St. Patrick's Day, The Irish March Bearing Shamrocks

WASHINGTON, Mar. 17 (AP)—President Truman took off from National Airport at 1:24 P. M. today for New York. He will review the St. Patrick's day parade there this afternoon and tonight will address the annual dinner of the friendly sons of St. Patrick.

The Irish marched today, waving shamrocks from the mother land to the "colonies" in the United States.

President Truman leads the parade of 80,000 up New York Fifth Avenue several hours after the chief executive also will address a joint session of Congress in a second major address at tonight's dinner of the Friendly Sons of St. Patrick in New York.

By Associated Press

The Irish marched today, waving shamrocks from the mother land to the "colonies" in the United States.

President Truman leads the parade of 80,000 up New York Fifth Avenue several hours after the chief executive also will address a joint session of Congress in a second major address at tonight's dinner of the Friendly Sons of St. Patrick in New York.

On this national holiday of Ireland, the people of the United States send their heartfelt congratulations and best wishes to the people of Ireland.

In Dublin, thousands of shamrock-wearing soldiers jostled through the streets in the biggest St. Patrick's Day celebration since before the war.

Churches were crowded and President O'Kelly and his cabinet drove in state to high mass after reviewing the parade.

Six thousand miles away, for-

President Truman Calls For Draft Law As Well As Universal Military Training And Quick Aid To Europe

Drive Started To Enact Marshall Plan By Apr. 1

Senate Leaders Claim Tax Cut Plans Will Not Be Changed

WASHINGTON, Mar. 17 (AP)—House Republican leaders renewed today their call for passage of a foreign aid bill by Apr. 1 but left details of the measure to the Foreign Affairs Committee.

Under that timetable, the aid bill would go to a House-Senate conference committee in ample time for Congress to complete action well before the Italian elections Apr. 18.

Congressional and Administration leaders feel that passage of the aid program might help defeat Communists in the crucial Italian test.

Speaker Martin (R-Mass), chairman of the House policy-making group, said no attempt was made to reach agreement on the amount to be spent for foreign aid or how long the program would run.

Senate finance leaders indicated that President Truman's message won't change their plans for an income tax cut this year.

Rep. Doughton of North Carolina, senior Democrat on the tax-writing Ways and Means Committee, said, however, that if Congress is going to adopt the President's program "we are going to create a crisis."

Senator Ed Fraser To Speak Here Thursday

Edwin G. (Ed) Fraser, MacLenry nurseryman, moved into Central Florida this week and announced that he will speak in Sanford at 3:00 P. M. tomorrow on the interest of his candidacy for State Comptroller.

"I'm not out just to win this race," the former House and Senate member declared. "I'm bent on rolling up a majority which will be a reminder for years to come that the people of this state still have the right to choose their own public officials."

Reaction To Speech Varied With Strong Backing For Military Training Act

NEW YORK, Mar. 17 (AP)—Henry A. Wallace will reply to President Truman's congressional speech in a radio address titled "Wallace Answers Truman" tomorrow night. The announcement was made today by the American Broadcasting Company which said the Third Party candidate for President would speak over WJZ-ABC and affiliated stations at 10:45 P. M. (EST).

DUBLIN, Mar. 17 (AP)—Prime Minister John A. Costello hailed the United States' aid program today as Europe's defenders against Communism. "That corrosive heresy of the modern world," Costello broadcast St. Patrick's Day greetings to North America. He was making his first St. Patrick's day appearance as the head of Eire's government.

WASHINGTON, Mar. 17 (AP)—Reaction to President Truman's appeal for universal military training and revival of the draft today cut sharply across party lines in Congress. There was some Republican criticism of the President's request on the grounds that he was "creating a crisis."

He got backing, as well as opposition, for his UMT proposal. But most lawmakers said they want more time to study the draft request. Chairman Guiney (R-SD) noted that the Senate Armed Services Committee already had called a hearing for later today on the question of UMT. Secretary of State Marshall will be the first witness.

At the same time Guiney disclosed that Henry A. Wallace, third party presidential entry and critic of the Administration's foreign policies, will be heard by the committee in a couple of weeks.

Senator Ferguson (R-Mich) complained that the President had (continued on Page Two)

March Rainfall Is Said Over Normal

Rainfall during March has been nearly an inch in excess of normal due to 10 days starting on Mar. 3 when it rained every day, it was revealed today by B. F. Whitner, weatherman.

Total precipitation since Mar. 1 has been 3.9 inches as compared to normal rainfall of 2.74 inches for the month. The biggest rain was on Mar. 4 when 1.33 inches was recorded, the smallest rain was on Mar. 11 when only .02 of an inch precipitation was recorded.

February, which normally has a 2.74 inch rainfall in this area, was a very dry month with only .55 inch recorded. Rainfall in January was in excess of the normal figure with 5.22 inches reported.

Veteran Group Plans Marine Corps League

The Marine Corps League, a veterans organization of men and women holding honorable discharges from the Marine Corps, Reserve, and Marine Corps Women's Reserve will meet Friday evening at the City Hall to organize a unit, install members and elect temporary officers.

Douglas C. Norman, adjutant of the Daytona Beach Detachment, will be the principal speaker. The League was founded in 1922 by the late Lieut. Gen. John A. Lejeune, World War I hero and initial commander of the organization, which now numbers 39,000 members. It is incorporated by act of Congress and is authorized to act in behalf of Marine veterans by the Veterans Administration.

Phil Packard Named Oviedo Legion Head

Phil Packard was elected post commander of the Oviedo Memorial Post 243 of the American Legion at the annual election of officers held in Oviedo this week. Other officers elected were: Merritt Staley, first vice commander; Emmett Kelley, second vice commander; Henry Wolcott, adjutant; Joe Beasley, Jr., chaplain; Jack Kowall, finance chairman; T. L. Lingo, sergeant at arms, and Bill Martin, historian.

George Means, present adjutant, reported on the activities of the organization during the past year. He said it has sponsored the new fire truck for Oviedo and helped organize the volunteer fire department. It also recommended the location of wells so that the town could have an adequate water supply.

A barbecue was held on the Fourth of July by the Legion Post, with over 3,000 guests attending and money was raised for re-opening the swimming pool. The post also sponsored a basketball team which played in the Lake-Orange League.

LED FORBSTEIN DIES HOLLYWOOD Mar. 17 (AP)—Leo F. Forbstein, 66, musical director of Warner Brothers studios for 22 years and former theater orchestra leader here and in St. Louis died last night. He was born in St. Louis.

Truman Order On Department Files Countered By Bill

Committee Votes 14 To 6 To Have Look At Loyalty Record

WASHINGTON, Mar. 17 (AP)—A House committee approved today to today a bill to make all confidential government files available to congressional committees.

The measure is sponsored by Chairman Hoffman (R-Mich) of the House Executive Departments Committee, which approved the bill.

Hoffman said he wants to bring a clear legislative test on the authority of executive departments to withhold information from Congress.

President Truman instructed government departments this week to ignore congressional de-

Kiwanis Club Sees Picture On Aid To Blind, Handicapped

A sound motion picture showing how the State Rehabilitation Service prepares the blind and physically handicapped so that they regain lost faculties and train themselves to take useful jobs and become self-supporting, was today shown to Kiwanis at the Tourist Center by Dr. H. R. Kretzel of the State Rehabilitation Service. Frank Lamson presided.

Dr. Kretzel was introduced by Mrs. Edward Kitcher who told of the aid to her husband given by the State Rehabilitation Service, which sent him to the Harry Anna Home in Umattilla, and which is now sponsoring his advanced training, following disability due to polio. Earl Higgenbotham had charge of the program.

Edward F. Lane showed a display for a baseball containing the names of the 16 Giant farm teams now training here and proposed that Kiwanis sponsor the painting of two eight foot designs on downtown sidewalks (continued on Page Three)

Home Demonstration Council Will Meet Thursday

The County Home Demonstration Council will meet Thursday morning at 11:00 o'clock at the Wilson School in Paola. A motion picture concerning rehabilitation of the handicapped will be shown by H. R. Kretzel of the State Rehabilitation Office. All members of the Council are urged to be present, said Mrs. Ouida Wilcox, county home demonstration agent, today.

Congress Is Warned That Situation In Europe Is Critical And Demands Strong Support From U. S.

WASHINGTON, Mar. 17 (AP)—President Truman asked Congress today for power to draft men to build armed strength against the ruthless aggression of Soviet Communism.

He also asked a joint Senate-House session for:

1. Universal military training.
2. Quick enactment of the \$5,300,000,000 European aid program.

In a personally delivered address, the President told the legislators that Russia is out to destroy the independence of Europe's remaining free nations. He said the time has come when America must make its position unmistakably clear—in military as well as economic terms.

Drafting men for the armed services and universal training is part of the price of peace, he declared, saying:

"We must be prepared to pay the price of peace or assuredly we shall pay the price of war."

Bluntly Mr. Truman spoke these words of Soviet Russia ally of the war which crushed Germany and Japan.

"One nation has not only refused to cooperate in the establishment of a just and honorable peace, but even worse—has actively sought to prevent it."

Mr. Truman went before a joint session of Congress in person to present a grim picture of world affairs and a major report on his foreign policy.

"The recent developments in Europe," he said, "present this nation with the fundamental issues of vital importance."

He pointed then to the just-completed five-nation Western European pact for common defense against attack. "This development deserves our full support," he said of it. "I am confident that the United States will, by appropriate means, extend to the free nations the support which the situation requires. I am sure that the determination of the free countries of Europe to protect themselves will be matched by an equal determination on our part to help them to do so."

The European pact Mr. Truman mentioned was announced officially less than an hour before he spoke.

Mr. Truman then spoke of the high purposes of the United Nations Charter, and declared: "We cannot, however, close our eyes to the harsh fact that through obstruction and even defiance on the part of one nation, this great dream has not yet become a full reality."

Therefore, he said, supplementary measures are necessary for America—universal training, temporary revival of the draft, and swift action on the European Recovery program.

"This is a time of critical importance," Mr. Truman said of the European aid plan.

The Senate has approved European aid to be started with \$5,300,000,000 for the first year. The House has not yet acted.

In urging universal training, the President said the United States must remain strong enough to support European countries threatened with Communist control and police state rule "so long as Communism exists."

Universal training, he said, is the "only feasible means by which the civilian components of our armed force can be built up to the strength required if we are to be prepared for emergency."

America's ability to mobilize trained men in large numbers in an emergency, he said, could head off future conflict and help restore world stability.

Adoption of universal training in this country, he said, would supply "unmistakable evidence to all the world of our determination to back the will to peace with the strength for peace."

Temporary use of the draft, the President said, is needed to keep the armed forces at their proper strength. He said these forces now lack the necessary men and have been unable to get them through enlistments.

Hence, Mr. Truman said, Selective Service is needed until universal training can be properly applied. Then it can be ended and regular forces maintained on a voluntary basis.

"We must be prepared to pay the price of peace," the President said, "or assuredly we shall pay the price of war."

Mr. Truman recited the course of events abroad before heading into his recommendations. And, skipping the usual niceties of diplomatic language, he rapped at Russia directly and by name.

He said agreements had been worked out in world conferences which would have permitted a just peace. But he said they have been "persistently ignored and violated by one nation."

One nation, he said, has "persistently obstructed the work of the United Nations by constant abuse of the veto. Then the chief executive plodded grimly on: "But that is not all. Since the close of hostilities, the Soviet Union and (continued on Page Six)
