

# Seminole Face Orlando Team In Two Games Tomorrow

**Jeter, Corley Probable Hurters  
In Fourth Of July Double Header**

**Tor's Ace Pitchers Are Scheduled  
To Get The Call Against Orlando;  
Daytona Beach Game Rained Out**

Major double-header is set for tomorrow afternoon with the two improved Orlando teams providing the opposition, and will start Cleo Jeter and Corley for the feature contest. Corley went to George because of sickness in the family, but is expected back for the holiday tilt.

The game will be played in the afternoon, starting at 2:00 o'clock. The second game will start at 6:00 p.m. in the evening. Orlando started pricing its tickets at \$1.00. They are still rocky over what they administered to engine-leaders in Orlando the time the teams met.

Cleo Jeter has been fuming promising to "show" some ever since an Orlando sportsman wrote that Jeter could not stand against Orlando with Ganzel in the attacking box.

Jodie Howington, who was scheduled to pitch against Daytona, will hurl against Orlando there tonight.

**Orlando Defeats  
DeLand Red Hats  
By 11 To 2 Score**

Orlando smothered DeLand like a steam roller last night to defeat the visitors, 11 to 2, in a Florida State league baseball game.

Swindell, of the mound for Orlando, allowed the losers 10 hits, while his mates were collected.

## Roosevelt Says Disarmament Is Peace Essential

President Names Five Objectives Which Must Be Realized For Peace Of World Nation Watches Japanese Moves United States Tackles With Decision In Far East Policies

HYDE PARK, July 5.—(AP)—At a time when Europe is fighting a bloody war, and the United States is embarking on a vast defense program, President Roosevelt today named disarmament as one of the five essentials to permanent world peace.

At a press conference he listed these objectives which he said must be realized before a permanent peace could be assured:

1. Freedom from fear, so people will not be afraid of being bombed from the air, or attacked by another nation. This means the removal of the weapons which cause fear, or disengagement.

2. Freedom of information.

3. Freedom of expression. A person should be free to voice his opinions, as so long as he does not advocate the overthrow of the government.

4. Freedom from want. This must be accomplished, by the removal of cultural and commercial barriers between nations.

Japan's three-year-old war on China, now developed into a claim for homannance of all east Asia brought the United States closer to a more determined decision on whether to maintain its traditional policy of isolationism or go into war with Tokyo.

Disturbed by German successes in Europe and potential threats to the new world administration leaders watched with growing concern Japan's moves to squeeze foreign interests out of the Orient.

They remained silent, on a Japanese naval spokesman's assertion yesterday that abandonment by the United States of "unfriendly interference with and obstruction of" Japan's policies of the Far East conflict was needed to relieve concern there over America-Japanes relations.

The American stand was interpreted in a different light in informed quarters here, and there was no apparent disposition to meet at this time, any of the conditions Japan demanded.

Despite fears about the safety of the western hemisphere, United States policy toward the Far East remained unaltered by any official declaration or even indication.

The policy, as enunciated in a note to Japan two and a half years ago under world conditions which were less critical than today was:

A refusal to recognize Japan's right to prescribe what shall be the terms and conditions of a conclusion of peace was

Organization Of Gun Club To Be Effectuated Monday

Sewing Room Is Continued Until July 19 By Board

Cameron Company Demands County Clean Certain Ditches

The WPA sewing room project will be continued in Seminole County at least until July 19, the Board of County Commissioners decided at a regular meeting last night.

Wednesday after Mrs. Mackinson, district supervisor of WPA projects in this division, had appeared before the board to advise them that the requirements for the sponsor would be changed under the new set up for the ensuing year and that some of the projects in this division have been cut off to leave more funds available for national defense projects.

Mrs. Mackinson advised the board that new requirements for sponsors of the projects will not be known until after July 19.

The board agreed to consider this project until that time.

The matter of the County cleanups in property owned by the Cameron Development Company, Inc., was referred to County Attorney R. E. Housholder for consideration after a letter to the board from Fred R. Wilson, attorney for the company was read. The letter is in part as follows:

"As owner of lands in Section 10 and 15, Township 9 Range 31 past in Seminole County, the Cameron Development Company has

Board Grants 2 Seminole County Prisoners Conditional Pardons

Two from Seminole County, Raymond Gaitlin and Oliver Robinson, will be escorted through the prison doors at Raiford on Sunday and will be released on conditional pardons granted at the annual session of the State Prison Board.

These two were among the 178 prisoners at the State Penitentiary who were granted clemency by the Board at its semi-annual session, according to an Associated Press Dispatch.

The list includes 18 persons who were originally sentenced to imprisonment for life.

Gaitlin was sentenced to serve 20 years in 1903 for the larceny of a leather belt. Robinson was sentenced in 1906 to serve seven years for robbery and burglary.

All were recommended in absentia for parole, and the Board, after a long debate, granted the request.

Frank King, life in 1922 for murder in Duval County; Bob Lester, life in 1920 for armed robbery; Willie Lester, life in 1920 for murder.

## Police Round Holiday Death Up Radicals Toil For U. S. After Bombing Is Over 100

75 Persons Taken To Headquarters For Questioning On Explosion At Fair

NEW YORK, July 5.—(AP)—The bomb which exploded and killed two detectives at the World's Fair was powerful enough to have blown out the wall of the British pavilion where it had been planted, police reported to day.

Commissioner Lewis J. Valentine said the bomb was of the "dynamite shrapnel" type, and weighed about 20 pounds. It exploded in the open after spectators had carried it from the pavilion, and were prying into the bag in which it was carried.

Police were rounding up all known radicals in an unprecedented effort to track down those responsible for planting the bomb.

At least 75 persons were taken to headquarters for questioning. Most of them had been listed by the police previously because of public utterances indicating that they were not in sympathy with the democratic form of government.

Most were released promptly after the checkup.

The bomb was planted in a ventilating room of the British pavilion at the world's fair, and removed with but a few minutes to spare. It was exploded with devastating force killing two detectives and endangering hundreds of independence Day celebrants.

Five other policemen were injured in the blast while following the threat to blow up the building.

Fair officials said that Tuesday night the pavilion received a telephone call from a man who said, "Get out of the building. We are going to blow it up."

The fair, alarmed with thoughts of holiday visitors when the blast came at 6:20 P. M., as experts of the police department bomb squad were seeking the initial machine's release lever.

A crater five feet deep across two feet deep was cut by the blast and a section of a nearby building was shattered. The force of the explosion blew in a plate glass window of the Polish restaurant 100 feet away, snapping the leaves from a maple tree close by and hurled shreds of the victim's clothing 50 feet from where their bodies lay.

The dead: Detective James J. Lynch. Detective Ferdinand Socha.

Injured were Detectives William J. Federer, 35, both legs fractured; and other injured condition critical: Joseph Gallagher, 39, left leg fractured; and other injured condition critical; Martin J. Schuchman, 40, condition fair; Patrolman Emil Vyskocil and Capt. John McLaughlin of the world's fair detective force.

For at least 24 hours the bomb contained in a compact gray and

Five Persons Are

Seek To Raise \$500 For Team Mishap In City

Organization Agrees To Match Amount Offered By City

Failure To Observe Traffic Signal Is Believed To Blame

The City's proposal to give \$25,000 to the Seminole County Baseball Association to help out its present financial difficulties if the Baseball Busters Club will raise a like amount has been accepted by the club and Chairman Arthur Yowell said today that the drive is progressing "satisfactorily" and that the entire amount will be raised.

Three persons were drowned near Avon Park where a rowboat capsized in a lake, a 13-year-old boy was drowned in Lake Okeechobee, a 16-year-old boy in a holiday at Pahokee, and two were killed in automobile accidents at Plant City and Miami.

Troy Manning, 29, of Wauchula, and his son, James, 8, and an unidentified youth were the victims of the Avon Park tragedy. Their boat capsized in the middle of Lake Brentwood and sank due to the weight of an outboard motor.

Vernon Green, 13, of Myakka City, was drowned at Bascom Point in Lake Okeechobee-Pahokee. One young victim, a 16-year-old boy, was fatally injured when his automobile overturned and struck two orange trees. A companion, Edward Thrasher, was uninjured. Mories Wright, 60, recently, was killed in a Miami automobile accident.

After the remainder of the party left the woods later in the day Mr. Schuhm and another member of the party left the others to follow a trail through the woods after the dogs had gone astray. They sighted a mother bear with her two cubs feeding on berries and ran them until the small ones climbed a 70-foot gum tree.

After the young animals had caught fire and were having the other cub, the other cub was caught near Lake Morris near Lakeland, Fla. The cub was not far from a scene of a successful bear hunt last week during which two bears of the city, hill-brown bears, were captured.

Members of the party were Bedford Ready, Marcus Reedy, Henry Brady of Umatilla, W. H. Ferry and R. G. Sader of Mt. Dora. Amos Koch and Mr. Koch of Cassia, Tom Koch of Cassia, Frank Koch and M. Koch of Cassia, Claude Hawkins, W. G. Nichols and Mr. Schuhm from Lakeland.

Mr. Schuhm intended to keep the young animals but caught fire and was having the other cub, the other cub was caught near Lake Morris near Lakeland, Fla. The cub was not far from a scene of a successful bear hunt last week during which two bears of the city, hill-brown bears, were captured.

Among those present were: H. E. Pope, Dr. A. W. Eppes, R. J. Holly, Marie Turner, S. O. Shinn, Clyde Parker, Dr. R. L. Collier, Mrs. Hollings, H. H. Collier, R. L. Dean, Henry Collier, Andrew Cartaway, S. G. Grier, O. W. Spangler, E. H. Anderson and Charles Morrison.

Mr. Schuhm intended to keep the young animals but caught fire and was having the other cub, the other cub was caught near Lake Morris near Lakeland, Fla. The cub was not far from a scene of a successful bear hunt last week during which two bears of the city, hill-brown bears, were captured.

Following the business meeting light refreshments were served by Mrs. Ingley.

Among those present were: H. E. Pope, Dr. A. W. Eppes, R. J. Holly, Marie Turner, S. O. Shinn, Clyde Parker, Dr. R. L. Collier, Mrs. Hollings, H. H. Collier, R. L. Dean, Henry Collier, Andrew Cartaway, S. G. Grier, O. W. Spangler, E. H. Anderson and Charles Morrison.

The sale of the tickets was handled by the Sons of the Legion Drum and Bugle Corps and this organization received 10 percent of the sale price for its assistance.

This actually leaves 45 cents per ticket which will be turned over to the Seminole County Baseball Association.

Chairman Martin Bran of the Busters' Club presided over the meeting of the club, Wednesday evening, and several members of the soliciting committee, F. E. Russell and B. L. Perkins, in addition to Mr. Yowell, the chairman.

## Britain Bottles Up French Naval Units In Egyptian Harbor

PARENTS JAM PASSPORT OFFICES

WITH German aerial raids on England growing in number and intensity, anxious British parents line up outside a passport office in London seeking permits to send children to the Continent before Germany launches its total war against Britain.

British Sea Forces Are Ready To Attack At First Gesture Of Defiance Italian Planes Bomb Alexandria

Nazi-Mastered Government Ends Anglo-French Relations

BRITAIN today kept powerful units of the French fleet bottled up in Alexandria harbor ready to attack at the first gesture of defiance as the German-mastered French government broke off diplomatic relations with her old ally.

"No French ship shall ever leave Alexandria to surrender to the enemy," the British said.

New details of yesterday's Anglo-French sea clash at Oran, the French naval base in the Mediterranean, were disclosed in Paris yesterday.

The French battleship *Bretagne* was blown up in the battle of Dunkirk, Provence and the *Entrepot*. Leader *Miguel* was not hit by long range British shells.

Prime Minister Churchill, in a speech to the House of Commons describing the battle, said the fast new battleship *Dunkirk*, or her sister ship escaped in the fight.

Italian planes twice shadowed British ships yesterday on Alexandria, attacking both French and British warships in the harbor.

Higgins Named To Post On St. Johns Trail Association

Edward Higgins, secretary of the Seminole County Chamber of Commerce, was elected secretary of the advertising committee of the St. Johns River Trail Association at a meeting of that group in Palatka on Wednesday.

E. E. Housholder, State Senator of that city, was also named a director and a member of the Association's important funds committee at the session.

Mr. Higgins said that a tentative advertising program for publishing the St. Johns River trail was mapped out at the annual meeting during which officers for the year were selected. The details of this advertising campaign will be worked out at a meeting of the advertising committee to be held in DeLand next week.

The Roads Committee, Mr. Higgins said, will meet with the State Road Department at its next meeting to request the improvement of several bad stretches of road between Jacksonville and Orlando on State Road No. 3.

C. C. Middleton of Palatka was named president of the Association for the ensuing year.

Joseph H. Russell To Get Master's Degree

Joseph H. Russell of this city is one of 79 students attending the summer term at the University of Florida, which opens in exercises at 10:00 A. M. Saturday morning, which brings to a close the first term of the summer school sessions.

The exercises will be the third and fourth commencement programs held each year. Eighty degrees were conferred at the end of the first term of the regular session in February and 382 were conferred at the end of the second term of the regular session.

Among those receiving degrees tomorrow are 11 candidates for advance degrees. Charles Hester of Chicago will be awarded the Doctor of Philosophy degree while Russell and nine other candidates will receive the Master of Arts degree.

The series of exercises will be delivered by Rev. T. D. Dance of the Christian Church on Sunday, July 14. On Sunday, July 21, Rev. J. B. Root of the Congregational Church will give the address.

LOCAL WEATHER

Mostly cloudy, and light rain on east coast tonight and over central portion of state.

## A Great British Victory

The victory of the British over the French fleet at Oran Wednesday shows to what extremes the natural inclinations of man have been overturned in this topsy turvy world when the guns of British ships must be turned upon their old Ally whose sons bled and died with the British through four long years of the World War and whose only hope of ever arising from the depths of her present degradation rests with the British.

We can understand the reluctance of Prime Minister Churchill to order such an attack and we can well imagine that every possible recourse to a peaceful settlement was resorted to before the guns were turned loose. As a matter of fact in most instances French warships surrendered without difficulty, but in the case of the fleet at Oran either the presence of a "Fifth Column" commander or some unfortunate misunderstanding must have accounted for the action.

It is impossible to believe that the attitude of the present French government in ordering the fleet to allow itself to fall into the hands of the Germans represents the true will of the French people. It must be remembered that Marshal Petain and his cabinet are virtually the prisoners of the Nazis and their every communiqué and decree are dictated in Berlin. Meanwhile the people of France are disillusioned, and completely uninformed of what is taking place.

It is encouraging to note that the British have at last awakened to the seriousness of their situation and are prepared to take drastic measures when drastic measures are needed. One never doubted the ability of the British fleet to prevent the capture of the French by the Germans. Some questions did arise, however, as to whether the politicians in London, particularly those who had been identified with the appeasement policies of Neville Chamberlain, many of whom still retain some of their power, would give the necessary order.

No one should minimize the importance of this action. It was a tremendous victory for the British. The promise that the French fleet would have been interned and not used by the Germans against the British was not worth the paper it was written on. With the French fleet in German and Italian hands and combined with their own, the Axis powers would have had a superiority on the sea as well as in the air and the doom of Britain would have been sealed.

As it is, the English still have command of the sea and a good fighting chance to ward off invasion of their island home.

## Appetizing Avocados

As the season of the avocado arrives upon us, it is well to consider new and varied ways of preparing this delicious fruit that will avoid the monotony of eating it served on the half shell with nothing but salt and pepper or perhaps a variation of French dressing.

Now you take avocado spinach salad. There's a delectable dish for you that will make the children eat spinach after Popeye has failed. We wonder how many Sanford housewives have tried that when they were trying to think of something new and original to serve.

Fried avocado rings is another one that is very simple to make and will bring the old man up with smiling lips and an expression of wonder and amazement. All you have to do is to mix a little flour, salt, 1 egg, slightly beaten, some cracker crumbs, butter, a dash of pepper and a few other odds and ends, in which you dip the avocado rings and fry until done.

Then there's avocado rice rings, avocado Rio, avocado bouillon and a dozen or more other ways of preparing avocados which should appeal to Florida housewives and their families. In case you'd like to try it, here's avocado spinach just as we got it out of the cook book:

½ lb. uncooked spinach  
2 onions, sliced  
2 tablespoons Butter  
1 hard-cooked egg  
1 avocado, peeled  
½ teaspoon salt  
Wash spinach and pick off leaves. Drain well. Sauté onion in butter until yellow and soft. Chop with avocado leaves. Add egg and avocado and chop until fine. Add salt and serve on lettuce. Approximate yield is to a portion.

Since avocados are a fruit peculiar to Florida in this country and enjoy immense popularity in our metropolitan centers of population, it should be a particular pride of Florida housewives to serve it as often as possible and to study new and interesting ways of preparing it.

# ews Of The World In Pictures

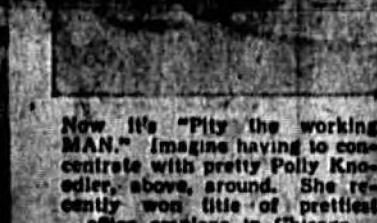

Taking a tip from the success of Germany's panzer divisions, the U. S. Army recently organized its first mobile corps, consisting of 18,000 men equipped with 140 tanks, 600 armored cars, and more than 12,000 automatic weapons and machine rifles. The corps, commanded by two stars, will be commanded by Brig. Gen. Adm. R. Chaffee, above.

V.E.

THAT JEWISH CITY, D. J., serving both Major MacBane and Captain Tom Gandy, is a richly garrisoned town by day while the human beat heart slowly pounds its life more after the seventh. There are plenty of tanks and the right idea, though, is over which see above. Note also that Mac (left) could reach past the rough, bouldery, rounded wings. Referee is Johnny Magoff.

THIS RADIO-TELEPHOTO shows Adm. Hitler (center), as he stands before the Senate military affairs committee. The admiral, dressed in his uniform, above, left, has been called to answer charges that he was responsible for the bombing of the British liner *Lusitania*, and the impressive task of Napoleon in command. ## It's Reportedly Picked As Mate For Roosevelt

WASHINGTON, July 6.—(P)— It is reported that President Roosevelt has nominated and had picked Senator Harry S. Truman as his vice presidential running mate for the campaign against Alf Landon and the camps of other candidates.

The report comes from all authoritative sources and supports other candidates.

Supporters of Senator Wheeler say that he was inclined to accept this nomination as fast as they announced it.

He conferred with J. Buckle, agent of Truman, soon.

Until this week, Wheeler had said he would not be a candidate.

He said he would be a candidate if the nomination was wanted.

Truman, however, has not been

invited to any of the conventions.

Public backing of John L. Lewis, president of the United Mineworkers of America, has been given to Truman.

Similar support of Colorado's Wheeler supporters said he would take an active part in the campaign.

Wheeler's convention campaign

and Hull would be a

logical choice for a running mate for Roosevelt, but declared he

that he would not accept the nomination.

Other Wheeler advocates re-

quested that the Presi-

dent's nominees be a

team.

Johnson said he would not accept the nomination.

He said he would believe that the President's nominees would be a

team.

Johnson said he would work his way through the medical course

and then go into mass production.

## 150 Persons Visit Sanatorium For Tuberculosis

More than 21,500 persons visit the State Tuberculosis Sanatorium at Orlando in one year, it disclosed by the institution's annual report just published.

Visitors signing the visitors' book, 18,032 were white and others colored. A large number of persons failed to sign the book according to Dr. E. D. Thompson, superintendent and medical director.

"Visitors," stated Dr. Thompson, "are always welcome. The more visitors, the more information we are able to disseminate on the cure of tuberculosis, and people know that tuberculosis is curable, is preventable and transmissible."

It is not permissible to let anyone come in the morning or afternoons. They always visit when they are visiting and often in the ward and on some hall who need to rest would interfere with treatment and other routine of the institution.

Visiting hours are as follows: from 10:30 to 11:30 A. M. to 4:30 P. M. and 7:00 to 8:30 P. M.

The visiting schedule is so arranged that persons coming a distance may visit friends relatives more than one hour.

**NOT LIKE GRANDMOTHER**

LOS ANGELES, July 5.—(UPI) — Because the war has interrupted the supply of yarns from Europe, knitters here are learning to spin their own on old fashioned spinning wheels. Mrs. Loraine Thornton has given lessons to many as 80 persons a time.

Knitting hours are as follows: from 10:30 to 11:30 A. M. to 4:30 P. M. and 7:00 to 8:30 P. M.

The visiting schedule is so arranged that persons coming a distance may visit friends relatives more than one hour.

Legion Plans Special Train To Convention

JACKSONVILLE, July 5.—

Plans for the operation of the

"Orange Horse Special," the

official train of the Department

of Florida American Legion, from

Jacksonville to Boston and return,

around the National Convention,

which will be held in Boston

Sept. 23 to 26, now have been

completed, according to W. J.

Kensley, Department Transportation Officer.

The "Orange Horse Special,"

headed by Little W. Smith, De-

partment Commander, will pull

out of Jacksonville at 9:00 A. M. Friday, Sept. 20, via Seaboard Railway, arriving in New York early next morning, where the entire party will spend the day sightseeing, visiting the New York World's Fair and enjoying the gay night life of Broadway. After this stop-over, the special train will leave New York at 2:00 A. M. Saturday, arriving in Boston at 7:30 A. M. the same day.

**IT'S YOUR MOVE**

OAKWOOD, O., July 5.—(UPI) — Military censorship is delaying a series of 12 checker games which postal clerk L. S. Ream is play-

ing by mail with A. E. Brown of Sydney, Australia. Ream said they had been playing since July, 1938, and predicted they would continue for another year.

July 5.—The National Defense Tax Strain On U. S. Mint

Philadelphia, July 5.—(UPI) — The national defense tax has taxed the U. S. mint here to the limit—it's out of pennies.

Superintendent Dressel said today that "we've shipped out millions of 'em and if the demand keeps up, we'll have to throw all our resources on pennies."

The new tax, effective July 1, added to the purchase price of about 40 items and most of the increases went from one to a few cents.

Mints throughout the nation anticipated the need and stocked up.

On June 24 the mint here had \$242,120,000 pennies on hand. Today Dressel said about the only one-cent coins still around were in the pockets of employees.

"They're in the banks—not the employees) taken everything we had in stock," he declared, "and the orders are piling up all the time."

The mint has a payroll capacity of 3,400,000 for an eight-hour shift, which means that there will be turning out more than 4,500,000 pennies a day when the three shifts are started.

"And that probably will have to be kept up until the demand levels off," Dressel added.

Both the Denver and San Francisco mints also made pennies, and officials here presumed they too were faced with the same problem.

## New Defense Tax Puts Strain On U. S. Mint

Philadelphia, July 5.—(UPI) —

(AP)—The national defense tax has taxed the U. S. mint here to the limit—it's out of pennies.

Superintendent Dressel said today that "we've shipped out millions of 'em and if the demand keeps up, we'll have to throw all our resources on pennies."

The new tax, effective July 1, added to the purchase price of about 40 items and most of the increases went from one to a few cents.

## Montana Farmers Face Shortage

Billings, Mont., July 5.—(UPI) —

(AP)—In Montana the grain shortage, as Davies county commissioners judged \$200 worth of meat over the courthouse entrance. An enthusiastic local artist has depicted a farmer walking a cow from the left side, the wrong side in dairy country, and another putting green hay in his barn. Practical farmers ridiculed the decorations just.

### JOHN WARREN FRANK

NEWTON, Ark., July 5.—(UPI) —

When a woman drove up to a Newton business and unloaded her car, the man who met her said "They're back again." It is reported that her driver had been driving around the country ever since he had a lumbago attack. That's why he makes his living.

When she got out of the car, he asked her what she was doing.

"I'm here to buy," she said.

"What do you want?" he asked.

"I want to buy a car," she said.

"How much do you want?" he asked.

"I don't know," she said.
