NUMBER 66

SHOP MEN GOING BACK MANY CITIES

SANFORD MEN HAD NOT RETURNED TO WORK WHEN HERALD GOES TO PRESS

Chicago, Aug. 14.—Several thousand railway shopmen from all parts of the country met here today to consider the question of returning to work in accordance with President Wilson's demand. It is expected that a definite policy in regard to the strike which was called Aug. 1st in defiance of orders of the International officers of the union will be adopted before the meeting adjourns. Local leaders adjured the strikers to stand firm and refuse to return to work while international officials advised the men to call off the strike and defer until later their demands for higher wages.

While the meeting was in session 28,000 striking car workers in the Chicago district began taking a referendum vote to decide whether they will return to work.

Railroad officials reported little change in the traffic situation due to the strike. Chicago is still more seriously affected than any other section of the country, although 1,450 cars of live stock were handled today, 10 more than on the corresponding day last year.

The following is from the Orlando Reporter-Star at Orlando:

From all reports the railroad situation as far as Florida is concerned will be in a normal condition within the next three or four days. A telegram received by the Reporter-Star from Tampa at noon stated that the men in Tampa shops had voted to return to work at 7 tomorrow morning and that officials at that point say traffic operations from that point will be normal in thirty six hours after the men have resumed work.

It was reported on the streets this morning that the men at Lakeland, Sanford and High Springs had returned to work, but a telegram from Lakeland shortly after noon stated the men there were in session, and considering whether or not they should return to work. A telephone message to Sanford brought out the fact that the men had not voted to return to work, but were then in session (11:30 o'clock) but there was good reason to believe that a favorable vote would be cast and the shops opened tomorrow morning.

All the shops at Palatka, High Springs and Gainesville are open and the men working a full force.

The men in the shops here, have not gone back to work or had not up to the time of going to press in spite of the fact that it was thought the strike would be over today. Just what the locals here intend doing in the face of the general orders to return to work is not known but it is hoped that the Sanford men will return to work tomorrow pending the settlement of the strike.

A Classy Car

The new rainbow blue Chandler, one of the classiest cars seen here in some time has been sold by the Wight Tire Co., to Joe Melach. This was the sport model four passenger car and was one of the newest cars among the big Chandler list. The Wight Tire Co. has sold Chandlers to C. M. Hand, O. P. Swope, J. D. Hood, J. D. Hart, Frank Melach, Cliff Bell and C. L. Flowers.

They have sold Chevrolets to Robt Deane, Miss Margaret Roberts, W. B. Munson, Tracey McCuller, Hudge Housholder, Frank Hatch, Thomas Bell, Hon. Jno. Jinks and Saul Robbins.

They have sold Republic Trucks to Leon Langfeld, Seminole Farms, L. A. Brumley and Tropical Vegetables Co.

Will Engage in Real Estate

H. B. Lewis has an advertisement in this issue setting forth the fact that he has embarked in the real estate business. Mr. Lewis is well known here having resided in Sanford for several years and was formerly with the A. P. Connelly Real Estate Co., but before going north purchased the real estate holdings in which he and A. P. Connelly

were interested and having returned to the city from the trip north will open a real estate office under the name of H. B. Lewis. He will buy and sell real estate and will deal in city and country property and is familiar with every part of the county and with property of all kinds.

City Council

Council met in special session Aug. 6th, at 8:30 p. m. Present, F. L. Miller, chairman; R. A. Newman, L. P. Hagan, Roy Symes. Absent, John Adams, G. D. Bishop and G. F. Smith.

Meeting called to investigate city water service and supply and to consider street paving improvements.

Motion Roy Symes, seconded L. P. Hagan to reconsider resolution passed Aug. 2nd. Carried.

Motion Roy Symes, seconded by R. A. Newman, resolution be amended to read "and with of sixteen feet." Carried.

Mr. Henly, manager Southern Utilities Co., explained in relation to water supply and pressure.

On motion Roy Symes, seconded by L. P. Hagan and carried, clerk instructed to write Mr. W. A. Houston, General Manager Southern Utilities Co., Palatka opening negotiations for the light and water plants by the city.

Council adjourned.

Endor Curlett and Miss Emma Eichner and little Miss Whitcomb of Geneva were among the visitors to the city on Tuesday.

The battle owners in Seminole county who have recently interpreted the law governing systematic tick eradication work to be unconstitutional and non-enforceable will have to revise their interpretations in the light of the recent opinion by the Supreme Court that the law is constitutional, and special elections held under the law are valid.

The opinion was handed down on Tuesday, being an affirmation of the court of record verdict in Escambia county in the case of H. K. Bailey, a cattle owner who had refused to dip his cattle and had been arrested upon a warrant properly sworn out against him.

The Supreme Court held that the law authorizes the state Live Stock Sanitary Board to promulgate rules and regulations necessary to enforce regular and systematic dipping of all cattle every 14 days until such time as it is ascertained by regular inspection and dipping that the cattle and premises are free of cattle fever ticks.

Upon receipt of the opinion the Board held a meeting and announced as their policy in Seminole county the vigorous enforcement of regular dipping. Every legal facility will be invoked against cattle owners in this county who do not fully comply with the rules and regulations, according to information which has been received from the Board, and the dipping of cattle is expected to show renewed activity as a result of this policy. That is the tenor of the reply from the State Live Stock Sanitary Board to the board of county commissioners, on the resolutions adopted at last commissioners' meeting asking what will be the status of work in this county? They also will energetically protect the county boundary line.

Seminole county can be tick free by first of December, of all the cattle owners heartily cooperate in the regular dipping of cattle, and if they do not they seem to have legal troubles ahead and finally will have to do the work anyway, so it looks like good business to forget the resolutions which were adopted by the cattle men in convention in Orlando that compulsory dipping would stop until a state-wide law is enacted, and get busy dipping their cattle. The work is already more than one-half done and all that labor and expense would have been wasted if the work had been permitted to stop.

DIPPING LAW WILL STAND SAYS COURT

SUPREME COURT DECIDES THAT LEGISLATIVE ACT IS CONSTITUTIONAL AND HOLDS

The Supreme Court has decided that the law authorizing the state Live Stock Sanitary Board to promulgate rules and regulations necessary to enforce regular and systematic dipping of all cattle every 14 days until such time as it is ascertained by regular inspection and dipping that the cattle and premises are free of cattle fever ticks is constitutional, and special elections held under the law are valid.

The opinion was handed down on Tuesday, being an affirmation of the court of record verdict in Escambia county in the case of H. K. Bailey, a cattle owner who had refused to dip his cattle and had been arrested upon a warrant properly sworn out against him.

The Supreme Court held that the law authorizes the state Live Stock Sanitary Board to promulgate rules and regulations necessary to enforce regular and systematic dipping of all cattle every 14 days until such time as it is ascertained by regular inspection and dipping that the cattle and premises are free of cattle fever ticks.

Upon receipt of the opinion the Board held a meeting and announced as their policy in Seminole county the vigorous enforcement of regular dipping. Every legal facility will be invoked against cattle owners in this county who do not fully comply with the rules and regulations, according to information which has been received from the Board, and the dipping of cattle is expected to show renewed activity as a result of this policy. That is the tenor of the reply from the State Live Stock Sanitary Board to the board of county commissioners, on the resolutions adopted at last commissioners' meeting asking what will be the status of work in this county? They also will energetically protect the county boundary line.

Seminole county can be tick free by first of December, of all the cattle owners heartily cooperate in the regular dipping of cattle, and if they do not they seem to have legal troubles ahead and finally will have to do the work anyway, so it looks like good business to forget the resolutions which were adopted by the cattle men in convention in Orlando that compulsory dipping would stop until a state-wide law is enacted, and get busy dipping their cattle. The work is already more than one-half done and all that labor and expense would have been wasted if the work had been permitted to stop.

Sanford Takes Good One

Bartow, Aug. 12.—Sanford defeated Bartow here today by a score of 1 to 0. Both pitchers were working

WHOLESALE NEW BUILDING GROCERY FIRM FOR GARAGE BUILDS HERE ON MAGNOLIA

C. W. ZARING CO. OF JACKSONVILLE RECOGNIZES SUPERIOR ADVANTAGES OF SANFORD'S LOCATION

The location of Sanford at the head of navigation on the St. Johns river and with all the converging railway lines running out of this great railroad center make it the place for the wholesale business of central Florida.

Many business firms of the state are recognizing this fact and among the latest firms to establish headquarters here is the C. W. Zaring Co., wholesale grocers of Jacksonville.

S. L. Shinholser recently sold to G. D. Bishop on Commercial street and next to the Crown Paper Co., a tract of land upon which Mr. Bishop will build a large warehouse and other buildings for the Zaring Co. There will be garage and machine shops and a building for the storage of hay and grain aside from the main grocery building. The C. W. Zaring Co. will ship their stuff to Sanford getting the advantage of the water rate and from here will truck it to points in this and adjoining counties, thus saving the retail dealers the freight charges and making quick and satisfactory deliveries.

The new wholesale house will be on a siding of the A. C. L. Ry., and also close to the lake front and the location is ideal for this business, being about five blocks from the center of the city.

S. O. Shinholser has the contract for the buildings and all arrangements have been made and the building will start at once. The new firm is well and favorably known in this section where their traveling representative, Charlie Davis has been coming for years and they will cover central and south Florida from their Sanford house, making this city the nucleus for a large wholesale business.

C. M. HAND WILL BUILD FINE STRUCTURE FOR WIGHT TIRE COMPANY AT ONCE

Another deal has been made for a new business block and this time Herald Square will benefit by it as the new building will be erected at the corner of Magnolia and Second street.

This is one of the Hand Bros. lots and C. M. Hand has given the contract to S. O. Shinholser for a brick building 57x117 feet to be used as a garage and show rooms for the Wight Tire Co., who have leased the same for a term of years.

The new building will be up to date in every particular and on the two side streets will have full plate glass windows for the display of stock cars and tires and accessories. In the rear there will be a first class garage and machine shop. The Wight Tire Co. is one of the youngest firms in the city and one of the most progressive and have rapidly outgrown their present quarters in the Seminole Annex building.

Work will commence on the new building at once and the Wight Tire Co. expect to occupy their new quarters in ninety days from the time that the first brick is laid unless the freight embargo continues. The Wight Tire Co., aside from being wholesale and retail dealers in tires and accessories are sales agents for the Chandler and Chevrolet and King cars and Republic Trucks and they will carry a larger line of these cars and of the tires and accessories in their new building than ever before.

Lake for Congress

Hon. Forrest Lake of Sanford will be a candidate in the Democratic primaries next year for congressman from the Fourth district, running against Hon. W. J. Sears, the present incumbent who will be a candidate to succeed himself. Friends of Mr. Lake say he will be in Jacksonville

next week, to arrange for the beginning of his campaign and to make official announcement of his candidacy.

Mr. Lake is a well known banker and business man, and has a host of friends in financial and business circles in the state. He is at present president of the State Bankers' Association. Mr. Lake represented Seminole county in the Florida legislature of 1913 and 1915, and was one of the most active and influential members of that body.

It is said that Mr. Lake will put on an active campaign, and that he will personally visit every county in the district during the next few months, lining up his friends and organizing for the contest next June.—Jacksonville Times-Union.

Children's Party

Miss Julia Laing entertained a few of the little ones Monday afternoon in honor of her cousin, Miss Elizabeth Ballard. Games and a "word contest" were enjoyed by all. The color scheme of red and green was carried out in the dining room where delicious ice cream and cake were served by the hostess. Those enjoying the happy occasion were Misses Carmita Barber, May Godby, Louise Wells, Irene McGahabin, Mary Elizabeth Moye, Clifford and Ruby Rivers, Virgie Horne and John Hyman, Elizabeth Ballard, Rebecca Stevens, Thelma Godby.

Mr. and Mrs. G. D. Bishop and little daughter, Martha are spending a few weeks at Daytona Beach.

HOSPITAL ASSOCIATION IS FORMED

ENTHUSIASTIC MEETING OF DELEGATES FROM EVERY PART OF THE COUNTY

The hospital is assured for Seminole county.

The permanent association to be known as the Fernald-Laughton Memorial Hospital Association was formed last night at a most enthusiastic meeting at the court house. Every part of the county was represented at the meeting which demonstrated the interest that is being taken in this hospital.

Hon. E. A. Douglas acting as chairman presided at the meeting and Mrs. J. W. Dickens as secretary. The constitution and by-laws were read and after every one present had become a real bona fide member by paying their annual dues the meeting went into executive session and passed on the by-laws and elected the directors. Those who were elected include two from each precinct in the county, two from each church, one from each lodge, one from the board of county commissioners and six at large making thirty-two in all. Those large, making thirty-two in all.

After the election of the directors there were not enough present to have a quorum and as the hour was late a temporary chairman, T. W. Lawton and temporary secretary, R. J. Holly were elected and the directors adjourned to meet at a later date to be called by Chairman Lawton.

The meeting last night settled the question of the hospital association as the permanent association is now formed and will get down to business at once. The magnificent offer of Mrs. Geo. Fernald made and accepted by the city council will now be made good in every particular and as soon as possible this structure will be turned over to the association. The old hospital association also has found on hand raised many years ago for the hospital and this will be turned over to the new association. This money was raised for this purpose and cannot be used for any other purpose and together with the offer made by Mrs. Fernald will start the Fernald-Laughton Memorial Hospital under most favorable circumstances.

There will be a campaign to make every man, woman and child in Seminole county an active member of the association with annual dues and this membership will be of immense value to the association. The hospital is as badly needed here as a tourist hotel or any other public project and will add much to the name and fame of our city.

FREE BRIDGES FOR COUNTY IF POSSIBLE

HARDEN'S FERRY AND OSTEN FERRY SHOULD HAVE FREE BRIDGES AND WILL HAVE THEM

Several years ago when Michael Sholtz and Associates were before the Seminole Board of County Commissioners wanting a franchise for a drawbridge over the St. Johns river at Harden's Ferry this paper wanted the county commissioners to join with the county commissioners of Volusia and build this bridge. There was some hitch at that time as the Volusia commissioners did not want to build their part and Seminole county deciding that a bridge was better than a ferry, as the ferry though privately owned would charge the same rate gave the franchise to Mr. Sholtz. This county was also anxious to build a bridge across the upper St. Johns river at Osten Ferry but could not get the Volusia commissioners together on this proposition and the ancient ferry still prevails at this point.

Our county was faced with the fact that with all our vaunted good roads and with the good roads of Volusia county there remained a pay bridge at one point and an obsolete ferry at the other crossing.

Now the county commissioners of Volusia are alive to the fact that nothing will do so much for their county as good bridges across all the streams and they have investigated the cost of bridges where there are ferries and also the cost of bridges already built with the view of making these toll bridges free and the following from the New Smyrna News is interesting:

At the meeting of the board of county commissioners held last Thursday, State Engineer J. A. Mortland and the committee of citizens named to estimate values on all toll bridges in Volusia county presented their report to the board.

For the Harden's ferry bridge we consider the price of \$27,000 a fair consideration for this structure complete, including approaches, keeper's house, etc.

After a careful examination of these structures we find very little deterioration and good condition; we however recommend that the steel work on the bridges be given a careful painting under the direction of your engineer.

Our inspection of the bridge site at Osten ferry developed the fact that it will require a bridge at this location approximately 865 feet long, including a single leaf bascule tiff with a 50 foot clear channel; bridge to have an 18 foot roadway. Timber approaches to be creosoted and of standard type in accordance with plans submitted by your engineer.

In the purchase of these two bridges and the construction of one new bridge it is understood the same are to be paid for by the two counties.

The estimated cost of the new construction at Osten ferry is \$22,000, this including approaches, lift span, and all operating machinery, in fact a bridge complete in every detail and ready for traffic.

The bridges at Harden's ferry and at Osten to be paid for jointly by Volusia and Seminole counties.

At the present price of material this cost seems reasonable enough and in the event that the Volusia county commissioners agree to etake over these bridges and build the new one there is no doubt about our county commissioners meeting them half way with our part of the contract.

This is an age of progress and nothing would prove so attractive to the tourist and the stranger within our gates as good bridges across the St. Johns river connecting up with our system of good roads. And then our own people would like to use these bridges as well and good bridges absolutely free to the travelling public would mean that Sanford would get twice as much trade from our near neighbors in Volusia as we get now.

Miss Elvira Carter has returned home from a visit to Atlanta and other points in Georgia.

BALL GAMES FOR THE WEEK

BOX SCORES OF ALL GAMES PLAYED BY SANFORD TEAM

Bradentown Wins Monday
Stuart seemed to be too much for the Sanford boys at Bradentown Monday, although Chapman fanned one more man than Stuart. The Sanford lads could not connect with the sphere and in the fourth Bradentown connected sure enough getting six runs from five hits and four errors. The following score tells the tale:

Sanford	AB	R	H	PO	A	E
Stuart, 2b	4	0	2	1	0	1
B. Chapman, c	3	0	0	11	2	0

Sanford Takes Good One
Bartow, Aug. 12.—Sanford defeated Bartow here today by a score of 1 to 0. Both pitchers were working

fine, only allowing three hits the whole game. Sanford got her run by an error, an Smith letting Davis reach first, Davis' steal of second, and Inman's two-base hits.

Bartow had two good chances to score, with a man on third and no outs, but with a man on third and no outs, but failed both times.

HOSPITAL ASSOCIATION MEET

To Elect Permanent Officers Thursday Night, August 14th

Every citizen of Seminole County is expected to be, at the Courthouse next Thursday night at eight-thirty. At this time will be held the election of permanent officers of the Fernald-Laughton Memorial Hospital Association, and no citizen who can possibly attend should be absent at that time.

This is a matter of vital importance to Seminole County, and should be of interest to every person residing within this county.

No county should be without a hospital, and through the generosity and love of Mrs. Geo. H. Fernald Seminole County has this much needed institution. It only remains for the citizens to show their appreciation of this gift and take their part in the management of this institution in order to make it the success it is bound to be.

COME AND BRING YOUR FRIENDS WITH YOU AND SHOW THAT YOU ARE A WORTHY CITIZEN OF SEMINOLE COUNTY.

T. W. Lawton, Chairman
Publicity Committee.

Florida's Great Home Daily

Readers of the Tampa Daily Times get more for their money than the readers of any other Florida daily. This great daily which is among the fastest growing newspapers of the South is fearless, aggressive and interesting. For nearly a generation it has consistently fought for the rights of the people. Its news service is unsurpassed. It receives both the DAY and NIGHT leased wire reports of the Associated Press in full is a full member of the Newspaper Enterprise Association, has its own correspondents everywhere, and buys more expensive features for its readers than any other Florida daily. No home in South Florida is complete without the Times. Only \$6 a year, \$1.50 for three months. Sent free on two weeks' trial to those genuinely interested.—Adv. 65-3tp

Rest the Eyes.

Look up every once in a while from your work and lay it down for a minute or two now and then, and let your interest focus on more distant things. Thus you will give the eyes a little rest by focussing in another position.

Card of Thanks.
I wish to extend my sincere thanks and appreciation to our friends for their many words of sympathy and acts of kindness during the recent illness and bereavement of my dear husband also for the beautiful floral offerings.
Mrs. I. J. Secord.

Standing, sitting and walking correctly
are the first essentials to good health
and that elusive charm we call style

ALL women wish to be well; but all women do not appreciate the vital importance of correct corsetry as an essential to good health. The well-known medical authority, Alice S. Cutler, M.D., warns us: "As a physician who knows that if it were not for ill-fitting and the wrong kind of corsets we would have very few female invalids, I am naturally determined to do everything in my power to educate the American woman in the proper fitting of corsets. Most learned physicians now recognize the modern corset as a hygienically healthful garment and one that is often the best means of providing corrective support for many bodily ailments."

GOSSARD CORSETS
The Original—Unequaled Front Lacing Corsets

have attained their unquestioned superiority by assisting nature to perfect expression.

Every Gossard is hygienically correct. Properly fitted to the figure for which it was designed it will give scientific support to abdominal and back muscles, with no chance of undue pressure at the waistline; the organs of nutrition will be free from pressure; the erect posture which is induced will encourage deep breathing and the diaphragmatic mus-

cles become strong with use. A woman so corseted will have the undeniable beauty of health and that grace of body, standing, sitting, or walking, which is best expressed in the one word, style.

We unreservedly recommend Gossard Corsets as the complete expression of modern corsetry. Our highly specialized corset service is maintained with a full appreciation of the exacting needs of the modern, active woman.

Gossards are priced at \$2.50 \$2.75 \$3.00 \$3.50 \$4.00 \$5.00 \$5.50 and more

COUNTY HAPPENINGS

A BUNCH OF INTERESTING ITEMS FROM CORRESPONDENTS—EVENTS OF SEMINOLE COUNTY—EFFICIENT REPORTERS FOR THE HERALD

WEST GENEVA AVENUE
The hot wave is still with us. The sun seems hot enough to burn things up, but the time is coming when we will be glad to get in the sun to get warm.

Mr. and Mrs. James Byrd and two daughters, Misses Margaret and Rubia from Geneva are spending the week's end with their aunt, Mrs. Will Robinson.

Mr. and Mrs. Barney Beck and children are spending a month at the beach enjoying the cool breezes and sand flies.

The good news comes every day of some of our home boys getting back from overseas and how happy it makes us feel to think they were the lucky ones to get home again. How happy it makes the dear old father and mother feel to see them coming back.

There is one thing we are all glad of and that is we don't have to take our cattle to the dip in this awful hot weather. I don't think man or beast could stand to go through with it, for it is too hot to do anything but stay in the shade through August.

Mr. Jack Thompson from DeLand is going to take charge of the D. O. Brown market on Sanford avenue. We learn there are several beef markets going to open soon. We hope them all good luck.

Mr. and Mrs. Nicola are spending the week end at their old home place at Soldier Creek.

Mrs. Jack Vaughn has a nice rice patch that will be ready to cut in about ten days and that is a big saving at home.

The good rain Tuesday did cool the hot-wave some. We need it every day to keep us cool. This is the hottest wave I ever saw for many years.

It is getting time now to fix the ground for planting garden seed and we will all be glad to see the time come to plant vegetables to eat instead of dry peas and canned goods. It does make a big saving at home. A garden is half the battle in a family.

It seems like the aeroplanes have stopped passing by. Haven't seen any in some time. We love to see them going by if they don't call. It would be so nice if we could only have a good place for them to land in Sanford.

LONGWOOD PICK-UPS
Louis Entzminger returned home Sunday from overseas. We are all glad to see Louis home again but he says not half so glad as he is to be home.

Mr. and Mrs. McDaniels and Mrs. Sharpe of Oakland were the guests of Mrs. Hardaway on Tuesday.

Mr. and Mrs. C. W. Entzminger were shopping in Sanford on Monday.

Mrs. Will Satcher has been spending the week with her parents.

Miss Lillian Waits was shopping in Orlando Saturday.

Mrs. Wilkinson of Gainesville is visiting her parents, Mr. and Mrs. Bill Allen.

Miss Margaret Allen has returned from Gainesville where she was taking a business course.

Miss Lillian Waits leaves Sunday for Williston where she will visit friends for several weeks.

Mrs. J. S. Dinkel will go up to Jacksonville on Saturday where she will be the guest of her daughter, Mrs. H. R. Chapman for a week or two.

GENEVA

Mrs. Frank Pitts left for Tampa last Saturday to join her husband.

Miss Lois Grant went to Jacksonville last week to visit her sister, Miss Callie Grant.

Mr. and Mrs. Aubrey Moran spent last Tuesday in Sanford shopping.

Mrs. J. A. Worthy of Americus, Ga., is visiting her daughter, Mrs. V. T. Peters.

Mrs. Way and children of Americus, Ga., who have been visiting Mrs. Way's parents, Mr. and Mrs. L. P. Chambliss left last week for home.

Mrs. David Speer of Sanford is spending a few days with her sister, Mrs. C. W. Culpepper.

Mr. C. F. Olmstead of Ft. Pierce was the guest of Mr. and Mrs. Aubrey Moran last week.

EAST SANFORD

Mr. and Mrs. G. C. Chamberlain were over from Daytona Beach last

Friday. Mr. and Mrs. Burton Humes and little son accompanied them. The Humes are from Watertown, N. Y., and guests at the Chamberlain's summer home at the beach.

A. K. Powers has been in Tallahassee on a business trip. His little son, Kinchen accompanied him.

Mr. and Mrs. Joe Cameron, Henry and Eleanor were at Daytona Beach over Sunday.

Herbert Squire has been in Jacksonville to visit his brother, Byron and family.

Mr. and Mrs. Ed. Ward and children have been guests of Mrs. Ward's sisters in Jacksonville recently.

A daughter was born to Mr. and Mrs. Lee Kinard August 9th.

Mr. and Mrs. Charles Jackson and a party of young people came over from Eustis for the party at A. D. Cameron's last Thursday evening given as a surprise for Mr. and Mrs. Graham Hunter. It was a very pleasant gathering with all of those invited in attendance except the honorees who failed to put in an appearance.

A card was received from Mrs. R. L. Grier from Charlotte, N. C. They expect to leave today (Tuesday) to drive back home. The family has had a fine time.

A card was received from C. B. Tyler from St. Joe, Michigan, then on a business trip.

C. M. Stowe of Cameron avenue is renovating and building several rooms to his house.

J. F. McClelland is building a tenant house. G. W. Spencer has built several tenant houses and John Russell has also built more tenant houses.

J. C. Ellsworth and the new farming company have both been using considerable dynamite in their clearing operations.

L. M. Lucas had the misfortune to break both bones in his left arm last Friday while on a scaffold helping Mr. Glidewell build his house on West First street. Dr. Robson set the arm and it is doing well.

A young son of Mrs. J. G. Hasty was thrown from a running horse last Friday afternoon and received a bad scalp wound and a general shaking up. Dr. Robson came to care for him.

We understood J. C. Hall's home on Celery avenue was struck by lightning one day last week but not much damage was done.

Harry Ward has bought ten acres of land of B. Steel. The land joins Mr. Ward's farm on Beardall avenue. The land joins Mr. Steel's home place on the north.

The building known as the tile mill has been torn down. It was one of the oldest buildings in East Sanford. There are only three older—the A. B. Cameron home, Joe Cameron's home and the W. W. Miller home. The mill was built about seventeen years ago for the manufacture of cement tile by G. F. Smith. Joe Cameron and the late J. N. Whitner were also interested in it. The property is now owned by J. G. Hasty.

Jacob Netting died very suddenly last Thursday evening at his home on Marquette avenue near Lake Golden. He had worked all day and retired about nine o'clock and was taken with a hemorrhage from his

We'll Say This is Some Record

The Wight Tire Company continues to sell cars, their record for the past thirty days has never before been equaled in the city. Nine small Chevrolets, two large Chevrolets and three of the latest model Chandlers.

They have on exhibit one of the new "Chandler Sport" models done in a rainbow blue with black running gear. The body is the very latest creation in a sport model, the color scheme,

We forgot to mention that the sales record of this progressive firm also shows four used cars sold during this period.

DIAMOND TIRES always outrun their mileage guarantee, that's why more and more people are using them every day. If a Diamond tire cost you, right to the penny, what the highest priced tires cost, you'd get your moneys worth even then—but they are priced very moderately, the first cost of a Diamond is just less than many of the so called cheap tires.

which is harmony to the last word, speaks only words of praise for the work of the master coach builder.

These cars have been very scarce lately, due to the enormous demand for the "car with the marvelous motor" but its thought that from now on the supply will increase, which means that many more will be seen on the streets of Sanford.

look after their interests in this strike and that if they do not go back he will have nothing to do with it I really think that they should do just that little thing. The shop men of course can do just as they please about it, and do not need to take my advice only I am with Wilson on this little matter and every other little matter.

Well, if it goes from bad to worse and the trains stop running I can live on fish and sweet potatoes. And anyhow the boats are running to Jacksonville and little old Sanford is better off than some of her neighbors.

Kay Krauth the manager and Mr. and Mrs. Campbell the attractive dining room had been made beautiful with vases of roses on every table. Electric fans made the room most cool and comfortable and the neatness was the watchword and everything was spick and span. The tables were supplied with everything that the market affords and in order to have nice fresh tomatoes Mr. Krauth had sent as far as Baltimore to get them.

The opening day was a great success and those who dined at the Seminole feel that Sanford has one of the finest and most up to date places in the state.

FOR LEADERS OF THE INTER-MEDIATE SET.

The Pipe Organ Club
 Met with Mrs. Schelle Maines last Monday afternoon. Despite the excitement of the fire so near we had an interesting and enjoyable meeting. We are anxious that more of the members of the Baptist church join our club. We meet every Monday afternoon at four o'clock. Already we have a neat little sum stored away for our Pipe Organ.

After the fire Mrs. Maines gathered her guests and served most delightful punch and cakes. Those present were:

Mrs. Geo Hyman, Mrs. Phillips, Mrs. P. E. Pitts, Mrs. Ernest Betts, Mrs. Leslie Bryan, Mrs. Forrest Gatchel, Mrs. Stewart Telford, Mrs. McAllister, Miss Clara Millen, and Miss Minnie Stewart.

We meet with Miss Clara Millen next Monday afternoon at four o'clock.

B. & O. MOTOR CO.
 SANFORD, FLORIDA

You can see the horrors of war when one of our fine young men like Joe Chittenden comes home crippled for life and it makes me pause to think there is something rotten about sending our boys over there to fight at thirty dollars a month while others were left over here to draw down extortionate wages while resting securely in the work shops and ship yards. If there is ever another war—but then we will not have another one soon for the profiteers have made enough money to last them for fifty years.

I see that clubs are being formed in many of the cities of the ladies who will go without stockings before they will pay the high price for silk stockings. This is a good idea and one that will no doubt be followed in this town. In fact I have already seen some of the ladies going around their regular household duties and working in the yards without any stockings and there is really nothing indecent in this new departure, don't you know? And if they all decide to go without stockings this summer it will not only be cooler but will save the head of the family considerable cash, believe me.

Dear Saunterer:
 Can you tell me what position Orlando now occupies in the state league?
 Dear Fanny:
 I do not know. You will have to ask Bartow.

I have enough confidence in President Wilson to believe that he will do just what he says he will do and when he states that if the shopmen will go back to work he will

Flies Cut Down Milk Yield

There's no doubt about it. Flies not only worry the cows and the milker, but they keep you from getting all the milk you should.

And there's no doubt about this either. The one way to get rid of flies at milking time—and the sure way to get more milk is to use

Pratts Fly Chaser

Spray it on just before milking. PRATTS does not taint the milk. PRATTS does not burn or blister the hide. PRATTS does not take off or gum up the hair.

Give your cows a chance to give more milk. Give your work animals a chance to get their rest. Give PRATTS a trial.

equipment to where they should be, materially and financially.

If the present owners of the railroad are running them as they say at a loss with no future prospect of remuneration, they should only be too glad to get their money returned to them and to hand the business over to others more capable. Where in this can be found any reason for the use of the word "confiscation?"

From A. C. Peel, Chrm.
G. C. McDougal,
A. Draper,
W. P. Fields.

Americans and Yankees.

Although Canada is part of the continent of America, the name American is usually limited to citizens of the United States. A real Yankee is supposed to have been born and raised in one of the New England states, but outside of this country the name is applied indiscriminately to people of the United States.

Sealed tight - Kept right

WRIGLEYS

THE PEOPLES FORUM

Co-Operation

An editorial in answer to Editor Holly's editorial entitled 'The Question of Labor' appearing in the Sanford Herald of Aug. 1st, 1919. Editor Holly says the co-operative plan is the only solution for the chaotic condition now prevailing. (Thank you, Father Time, I've been trying to convert Bob Holly for 15 years to the co-operative plan). Now, let's analyze co-operation or rather define co-operation, and I think in

my crude and uneducated way being an uneducated working man—a striker, if you please, at the time being).

Definition of Co-operation, as applied to all the people.

Let those things collectively used collectively by the government in the interest of all the people—all our present economic ills are caused by the private ownership in the means of life, viz, private ownership of trans-

portation communication and the mills, mines and factories and the natural resources of Mother Earth. If Mother Earth has denied 99 per cent of her children these blessings Father Time is now about to restore them. Friend Holly, we are in the transition period, passing from competition to co-operation. You chaotic business men sit tight, we the organized working class have an articulate body, one that can act and that surely if nothing else be accomplished in this present great railway strike will force, has already forced congress to swat the unholy profiteer. More anon.

Yours, "C."

Daily Fashion Hint

NEW AND DISTINCTIVE STYLES.

Dark blue velours de laine is well adapted to the development of the first frock pictured. The lines are straight and simple, though the addition of long wool fringe to the belt and back panel, and a fur collar to the square-cut neck are extremely dressy features. The cuffs are of fur to correspond with the collar. Medium size requires 3 1/4 yards 54-inch material.

For the woman who likes picturesque effects for house affairs, the dress to the right is especially suited. With a skirt of black and white satin striped taffeta is worn a tulle blouse of white satin, trimmed with revers and cuffs to correspond with the skirt. The square-cut vest is finished with a hemstitched hem. Medium size requires 3 yards 36-inch check and 2 yards 40-inch plain material.

First Model: Pictorial Review Costume No. 7968. Sizes, 34 to 44 inches bust. Price, 25 cents.

Second Model: Costume No. 7990. Sizes, 34 to 48 inches bust. Price, 25 cents.

EDWARD HIGGINS - Salesman

And now, the war being over, the Orlando Board of Trade wants to fulfill the pledge given us and reward us by "exhausting the financial and military resources of the country" to defeat us.

In the Wide World Magazine, 1909, appeared the following: "A home and twenty-five hundred dollars a year for you. Five acre farms one hundred dollars, a city lot free. Come to Taft, Florida," etc., etc.

On the strength of this and other ads several old soldier veterans bought these farms. For ten acres and two city lots two hundred dollars in cash were paid. On July 25, 1919, ten years afterwards these same ten acres could not be reached without wading through eighteen inches of water.

One of the principals and beneficiaries of this transaction is at present a member and presumably a respected and representative member of the Orlando Board of Trade. Further comment is superfluous.

As to the second: The workers of the railroads do not want to own them; they do not want to confiscate them. But they know from verifiable statements made by financiers and those in position to know how the railroad finances have been watered and manipulated. They know something of the "nepotism" that prevails from the General Superintendent to the commonest laborer; they know that to "hob-nob" with the boss is a better recommendation for promotion than genius or character; in short, they know that under present management the railroads are a gigantic failure; they not only know this but can point to the exact causes of the failure.

Being in possession of this knowledge they believe they can, if given a voice and some little authority in the management, prescribe the remedy and bring their railroads and their

Simon's Worldbeater Pepper

Has Made Good in Florida and Texas for the Past Four Years.

A prominent grower of Sanford, Florida, whose name we can furnish on application, purchased 20 pounds of our Worldbeater Pepper in December 1918. He reports that many of the plants bore as high as 9 marketable peppers the first picking. The average was 4 peppers per plant for the entire acreage the first picking, or a total of 400 crates per acre, which were marketed at \$4.00 per crate. We cannot recommend too highly our Worldbeater Pepper to all southern growers who desire to grow a money-making crop.

The Tampa Tribune has the fol-
lowing about the meeting in Tampa

Following a lively session of the di-
rectors of the Florida State League
at the Tampa Yacht and Country

At last night's meeting President
W. W. Rose reported on protests and
decisions, these protests, including

President Rose stated that he had
accepted Sanford \$100 for refusing to
accept an umpire assigned a game.

President Spencer declared he
would pay a "reasonable" fine, but
under the constitution a \$100 fine

Later in the evening Mr. Spencer
declared that he considered Sanford
out of it and left the meeting.

The second half of the season
opens Tuesday, Aug. 19. A tenta-
tive schedule will be discussed and

"In Union There Is Strength"
THE principle applies quite
as much to banking as to
soldiers or states or governments.
It is most fortunate that the Fed-
eral Reserve Banking System has
been in operation during the war.
The advantages of this organiza-
tion accrue to the customers of the
member banks who at the same
time contribute to the strength
of the nation's banking system
and enjoy the benefit of its pro-
tection.

Dr. D. C. Ward, Osteopath is in Sanford on Monday, Wednesday and Friday of each week. 58-1f

The Herald is requested to announce that contrary to certain reports the bridge at Coronado Beach is not and has not been closed. However it is expected that a new one will be built in the near future.

Kent Rossetter has returned from a visit to Commerce, Ga., the old home of Mrs. Rossetter. Kent returned to get ready for his fall crops but Mrs. Rossetter and the children will remain for several weeks longer.

Lightning struck pretty close to several homes in this city on Monday and the static electricity affected the telegraph and telephone wires. Word was received here that the Aurora Borealis storms north of Savannah had stopped the wire ser-

vice and no messages could be sent north of there on Monday. The service has been resumed and is all right now.

Mr. and Mrs. G. F. Smith left Tuesday for Colorado and other points in the west expecting to be gone about one month. Mr. Smith is interested in gold mining stock and goes to look over the prospects.

For the floor coverings, art rugs, congoileum rugs and matting see Boston Bargain House, 213-215 Sanford Avenue, A. Kanner, Mgr. 65-2tc

Louis Entzinger, son of Mr. and Mrs. C. W. Entzinger of Longwood has returned from France where he was stationed for the past year. His many Seminole county friends are glad to have him back again.

Mrs. W. M. Currie and daughter, Alice from Quincy are spending a little while with the Ball family at Daytona Beach. Mrs. Currie will leave for New York, but Miss Alice will spend some time with Mr. Ball and family.

Mrs. E. G. Tyner arrived in the city Saturday night from Williston and other points in Levy county where she visited relatives and friends for the past month. Mrs. Tyner will be the guest of her daughter, Mrs. R. J. Holly.

Mr. and Mrs. N. H. Garner have returned from a trip to Atlanta and other points in Georgia where they have been for the past month. The latter part of their vacation has been spent in Toccoa, Georgia where they visited relatives and old friends.

FRESH STOCK - Onion sets just arrived. If you want early green onions come around and see them. Our fresh Bermuda onion seed will arrive about Sept. 1st. Come in and leave your order. The L. Allen Seed Co., Sanford, Fla. 66-2tp

Mr. and Mrs. A. R. Key have returned from the mountains of North Carolina and are now occupying their new home on Park avenue. Mr. Key is back at his accustomed place as cashier of the Seminole where his many friends are giving him a welcome home.

Mr. and Mrs. J. B. Lawson and little daughter returned home Saturday from Atlanta where they were taking a vacation when apprised of the Seminole Garage fire. Mr. Lawson and family made the trip in their car and encountered some very rough roads and plenty of water.

Harry B. Lewis has returned from a month's visit to points in Ohio and at Michigan City, Indiana where he enjoyed the seas on the shores of Lake Michigan. Mrs. Lewis will remain at Michigan City until the last of September but Mr. Lewis was forced to return in order to take up his real estate business.

Cooking utensils, hardware, notions, stoves, plenty of them at the Boston Bargain House, 213-215 Sanford Ave., A. Kanner, mgr. 65-2tc

J. C. Roberts has gone back to his first love and is again in the office of Clerk Douglass in the court house. Mr. Roberts has been in abstract and other work in court houses of Florida for the past twenty years and he is like a fish out of water when he gets out from the shadow of the Temple of Justice.

Henry McLaulin counts himself fortunate indeed to get his large shipment of store fixtures and furniture to add to his jewelry store before the embargo went into effect on the railroads. This stuff has been on the road for many weeks and arrived Monday and is now being placed in the store.

Miss Serita Lake is recovering from an operation for appendicitis performed last Saturday by Drs. Tolar, Puleston and Stevens and will soon be able to be removed from the hospital to her home. Her many friends are glad to hear that the operation has been successful and the patient is doing so well.

Miss Gladys Field has returned to Tampa after spending a few days here the guest of her uncle and aunt, Mr. and Mrs. S. J. Carnes. Miss Gladys joined Mr. and Mrs. Christian at Ocala and all of them came to Sanford together. Mr. and Mrs. Christian will be here several weeks longer, guests of the Carnes.

Mr. and Mrs. Archie Betts have returned from Jacksonville where they accompanied Mr. and Mrs. Britt on the Clyde Line enroute to New York. Mr. and Mrs. Betts will go to Daytona Beach for a few weeks as Mr. Betts is taking his annual vacation from his arduous duties at the First National Bank.

Kanner's sale still going on, 113 First street. Only a few more days to get your share of the great bargains being offered. Come in today. We will close in a few days as we must vacate our store room not later than August 31st. 66-1tc

Mr. and Mrs. Hewett Hill and daughter, Miss Helen and son, Herbert of Tampa and Mrs. Hill's father, Capt. Smith of Eustis were in the city Wednesday enroute from the beach to Eustis. Mr. Hill is the

superintendent of the job printing department of the Tampa Tribune and is one of the most prominent of the Florida publishers.

The many friends of T. S. Huff are delighted to see him in Sanford again after an absence of a year during which time he was serving Uncle Sam as Captain in the artillery branch of the service. Mr. Huff is looking after his property interests and about the first of October will bring Mrs. Huff and his little daughter down and they will again make Sanford their home.

Mr. and Mrs. H. E. Tolar and two children spent the closing days of last week here enjoying a vacation by fishing, bathing and luxuriating in the sea breezes and the cool, delightful nights. Mr. Tolar was once a banker-stockholder and cashier, but the business so affected his health that he quit it and he is now identified with the Crown Paper Co. which is printing millions of orange wrappers for the Florida Fruit Exchange. He is such an accomplished, genial gentleman that we move that he and his family be transferred to Punta Gorda to remain here permanently. During their stay they were guests of Mrs. Tolar's sister, Mrs. B. E. Neese, wife of the popular section foreman of the Coast Line. -Punta Gorda Herald.

Bankston Bros. Roberts, Ga., Jan. Old Kentucky Mfg. Co., Paducah, Ky. Gentlemen:

A Mr. Will Wachter of this country has some hogs that were down with cholera and had given up all hope of saving them and would not spend one penny on them. I gave him one 15 pound pail of your B. A. Thomas' Hog Powder and he has just come in and paid me for it and advises that every one of his sick hogs got well and that he killed them and now has them in his smoke house and that all were as fine as any he had killed this year.

I want to add that he said his hogs were down and so sick that he had to pry their mouths open and his wife poured the powder down their throats.

Please find check in full of my account and with kindest regards we beg to remain,

Yours very truly, Bankston Bros. For sale by Merchants Grocery Co. 64-5tc

Attention All Royal Neighbors are invited to be present at our next meeting to be held Thursday afternoon, Aug. 28th at 3:30 sharp. A good time is promised to all. "Plenty of refreshments." Recorder.

Christian Science services will be held at the Woman's Club, Oak avenue, between Third and Fourth streets, on Sunday, morning at 11 o'clock. 48-1f

To All Concerned After this date I will not be responsible for any bills made on my account by anyone other than myself. 66-1tp R. E. Pollard.

Hood Is Building J. D. Hood, one of the most progressive farmers of the Sanford section has just finished a mammoth barn on his 25 acre farm at Rand's Siding. Mr. Hood recently built a fire proof galvanized iron loading station at Rand's on the east side of the track and his improvements on the west side will give him one of the most up to date places on the west side.

Transportation of Pupils Aids for transporting pupils to the Sanford schools will be received Tuesday, Aug. 19th. Submit all bids to Mr. B. F. Whitner, secretary Board of School Trustees, Sanford, Florida. For information as to routes and specifications of conveyances address T. W. Lawton, Supt., Sanford, Florida. 66-1tc

To Teach in Sanford Announcement has recently been made by County Superintendent T. W. Lawton, that Miss Sara E. Muriel, A. B., (Rollins, '18) has accepted a position in the High School of Sanford and will act as head of the English department. This will come as good news to the many friends of Miss Muriel, who knew her during her college course at Rollins.

For the past year Miss Muriel taught Spanish and Mathematics in the Mulberry High School where she made a splendid success of her work. This promotion to the larger position is a deserved recognition of her ability and training. -Winter Park Post.

"Sergeant York" What He DID and What He SAID BY Chaplain Geo. Hyman (Pastor Baptist Temple) At the BAPTIST TEMPLE Sunday, Aug. 17th, 8:30 P.M. Dr. Hyman was in the same battles with the Great War Hero and knew him personally. All Soldiers and Sailors are invited to the temple to hear this wonderful story of heroism and what the hero said about it. A Solo Will be Sung by Mrs. J. E. Tewilliger Mrs. A. M. Phillips, Chorus Director Mrs. Schelle Malnes, Pianist

SANFORD WILL PLAY BALL Little Matter of Hundred Dollars Will Not Stop Games The Sanford Ball Association met this morning to discuss the question raised by President Spencer in Tampa Wednesday regarding payment of fine of \$100 for interfering with umpire. The association decided to pay the fine under protest and continue playing in the Florida League. Nothing can stop the Sanford spirit and we will cop off the first series pennant and go after the second one. Come out tomorrow and watch us put it all over Orlando. Florida's Favorite Paper The Tampa Morning Tribune is everlastingly fighting for the interests of the people and the development of this section, and no one who has the welfare of south Florida at heart can afford not to be a constant reader of the Tribune. It is Florida's great metropolitan paper, carrying the full night and day report of the Associated Press with intelligent correspondents in every nook and corner in its territory. Its big Sunday edition has the most complete comic and magazine section printed in this state, and the subscription rates are only \$8.00 per annum; \$4.00 per six months and \$2.00 for three months. Write for sample copy and subscribe today. 66-5tp Crafts are Grateful Sanford, Fla., Aug. 11, 1919. Federated Trades Hall, Sanford, Fla. Daily Strike Bulletin. Never saw such unity of purpose in all strikers in all crafts standing pat for original demands with no compromise, and not to return to work until our original demands are granted. One of our merchants has placed a Pathe Victrola in the hall for the entertainment of the strikers, the Charles Electric Co. has also placed a large electric fan in hall, also furnishes a 10 gallon carboy of Elder Springs Water each morning. We wish to thank the business men of the city for the courtesy shown us while in our struggle to better our conditions. Signed: A. C. Peel, Chrm., A. L. Campbell, Ben Smith, L. B. Hodgins, S. F. Weeks, W. C. Meador, Strike Committee. Visits County Precincts Several members of the Hospital Publicity Committee, chairman, T. W. Lawton, visited Longwood, Oviedo and Geneva this week to present the claims of the Fernald-Laughton Memorial Hospital and to urge a larger representation at the mass meeting which was held last night. While the attendance at these meetings was small the lack of numbers was offset by the enthusiasm of those present. Presenting the claims of the hospital were E. A. Douglass, T. W. Lawton, Drs. C. J. Marshall and J. T. Denton, Dr. Geo. Hyman, Mrs. David Speer and Mrs. Terheun. This committee was accompanied by a large contingent of Sanford people. Too Late to Classify Lost between Daytona and Sanford via DeLand, Gug. 14th, 1 brown leather suit, case with initials L. H. G on one end. Contents ladies' and babies' clothing. Finder notify L. H. Gibbs, 519 Magnolia avenue, Sanford and receive reward. 66-2tc For Sale - Two fine Red Jersey cows for sale. G. H. Edwards, near J. E. Pace's place. 66-2tp

SAVE FOR YOUR COUNTRY'S PROSPERITY THE PROSPERITY of each of us is involved in the nation's prosperity, in the correct handling of readjustment problems. Your "bit" and our "bit" may be small, but they are essential to the Peace Prosperity with which we must greet our boys on their return. We are glad to help you with advice or service in every movement designed to promote and maintain these prosperous conditions. STRENGTH SERVICE SEMINOLE COUNTY BANK HOME INSTITUTION

ANDREW CARNEGIE DEAD
Was in 84th Year—Gave Away Over Quarter of Billion Dollars

Andrew Carnegie died at his home in Lenox, Mass., on Monday, in his 84th year. Mr. Carnegie was born in Scotland, came to the United States a poor boy, engaged in the steel business and at one time was said to have been the possessor of \$250,000,000. About fifteen years ago, he stated that it was a crime for a man to die rich and began to give away a great portion of the wealth which he had gathered together. Some of his largest benefactions were:

Carnegie Institute, Pittsburgh	\$22,000,000
Branch libraries in New York City	5,200,000
Seach universities	10,000,000
Carnegie Institute, Washington, D. C.	24,000,000
Carnegie Steel Co. employees benefit fund	5,000,000
Carnegie Hero and Commission	5,000,000
St. Louis Public Library	1,000,000
Carnegie Hero Trust Fund, Scotland	1,150,000
Hero Fund, France	1,000,000
Hero Fund, Germany	1,500,000

house party to Lake Harney. Every member is expecting to have the time of their lives on this little vacation. Doctor Hyman says he is expecting some wedding fees as a result but no one can imagine to whom he is referring unless it is to our honored president, Mr. — (all names omitted). Be that as it may we want all friends of the Union to come out to Lake Harney Friday evening to the big fish fry, and we will let you in on the "big eats." No dishes to be washed or anything like that for everything will be served "a la Camp Style."

Some of the members are expecting to win high honors for the Union during their stay at Lake Harney. A course of study has been arranged and those members who take up this course and are able to pass the examination will receive suitable recognition and in some instances degrees will be awarded. All results will be published in next week's notes. Be sure and look for them.

Regular meeting next Sunday evening, with Group Two in charge. Our Union is growing. Let's keep up the good work. Be on time, all the time, and Bring Your Part Up.

OLD AGE STARTS WITH YOUR KIDNEYS

Science says that old age begins with weakened kidneys and digestive organs. This being true, it is easy to believe that by keeping the kidneys and digestive organs cleansed and in proper working order old age can be deferred and life prolonged far beyond that enjoyed by the average person.

For over 200 years GOLD MEDAL Haaslem Oil has been relieving the weaknesses and disability due to advancing years. It is a standard old-time home remedy and needs no introduction. GOLD MEDAL Haaslem Oil is included in colorless, tasteless capsules containing about 2 drops each. Take them as you would a pill, with a small swallow of water. The oil stimulates the kidney action and enables the organs to throw off the poisons which cause premature old age. New life and strength increase as you continue the treatment. When completely restored, you will keep you in health and vigor and prevent a return of the disease. Do not wait until old age or disease has set down for good. Go to your druggist and get a box of GOLD MEDAL Haaslem Oil Capsules. Money refunded if they do not help you. Three sizes. But remember to ask for the original imported GOLD MEDAL brand. In sealed packages.

New July Numbers of

Columbia Records

Inspiring "Marseillaise" sung in English by Graveure

Graveure is one of the few living artists great enough to give all the glory of the world's song of victory, the song that saved France and civilization, clear to its tremendous climax "For Victory or Death." Coupled with "The Trumpeter," also sung by Graveure. A-6106—\$1.50

Maurel Makes Marvelous Record of "The Rosary"

"Like a string of pearls" indeed come the divine notes of Maurel's bird voice in this song that has touched a million hearts. So pure and sweet and limpid are they that their sound would soothe a soul in torment. On the reverse of this record Maurel sings "At Dawning." A-2724—\$1.00

Stracciari Sings Sublime Love Song "Core Ngrato"

All the pain and passion which only Stracciari, at his greatest, could convey, are in this wonderful outpouring of love. This Neapolitan song gives you Stracciari at his most inspired heights. 49522—\$1.50

The 36 new Columbia recordings for July include, in addition to the 5 splendid songs by Graveure, Maurel and Stracciari, 18 popular songs, 2 instrumental novelties, 2 march hits, 1 vocal solo, and 12 discs selections, comprising 8 flat discs and 4 singles.

COLUMBIA GRAPHOPHONE COMPANY, New York

ORANGES Sealdsweet GRAPEFRUIT

Prices are generally high—Why not on Citrus Fruits, too?

This is an era of high prices. Literally, money is cheap and everything which goes into our living is dear.

If a pair of shoes costs a great deal more, is it reasonable to believe the consuming public will expect to buy oranges for less than heretofore?

If a woman's kitchen apron costs as much as a dress used to cost, is it reasonable to believe a northern housewife is going to expect to buy her supply of Florida grapefruit at a lower price than she has been paying?

It does not seem reasonable to believe that portion of the public which consumes Florida oranges and grapefruit is going to expect cheap fruit. On the contrary, it does seem reasonable to think the public will expect to compensate growers to some extent for the increased cost of production and transportation.

We who market our own fruit through our own efficient marketing organization, while opposed to profiteering and believing an ultimate readjustment of prices will be necessary, do not see the possibility of any radical reduction of prices on citrus fruits during the coming season. And, in view of the greatly increased cost of production, this is a fortunate thing for the growers. Join the Exchange and get the full value of your fruit.

Daily Fashion Hint

A DELIGHTFUL TAILLEUR.

Just what one would want for summer is this tailor in silk tricotine with narrow straight skirt and a narrow box coat. The most glorious part about the suit is the vest of tapestry cloth, overtopped by a collar of fine white linen, which may be freshened as often as occasion demands. Five yards 42-inch material and 1/4 yard tapestry are needed for average size.

Pictorial Review Jacket No. 7716. Sizes, 16 to 20 years. Price, 25 cents. Skirt No. 7334. Sizes, 14 to 20 years. Price, 20 cents.

Readers.
There are four sorts of readers: hour glass readers, whose reading runs in and out and leaves nothing; sponge readers, who imbibe all but only to give it out again as they got it, and perhaps not so clear; jelly-bag readers, who keep the dress and refuse, and let the pure run through; diamond readers, who cast aside all that is worthless and hold only gems.

Tides of the Ocean.
The incoming and the outgoing of the tides is caused by the gravitational influence of the moon. The moon, so to speak, draws or lifts the water from the depths on the same principle that a pump lifts water. And as with a pump, the water rushes in to fill the space left; so the shallow water near shore rushes out to fill the extra space caused by rising of the water, on the principle that water seeks its own level.

Washington's Advisers.
When Washington formed his cabinet it had but four members, the interior department being unknown, the war and navy departments being under one head, and the postmaster general being subordinate to the treasury. Nevertheless of these four positions, he gave two to Virginians, Secretary of State Jefferson and Attorney General Randolph; one to New York, Alexander Hamilton, and one to Massachusetts, Henry Knox.

NEW INDUSTRY FOR STATE IN UTILIZING OF SHRIMP SCRAP

Plant Will Be Built at Fernandina to Manufacture Thousands of Tons of Waste Material into Fertilizer for Sole Distribution in Florida.

With the immediate erection of a factory to convert shrimp scrap into fertilizer, Fernandina will have the honor of being the first in the United States for the utilization of this material. Announcement of the new industry was made today by G. Nash Reid, manager of the Jacksonville office of the Marine Agencies Company.

Experiments on the possibilities of transforming the waste from shrimp into a fertilizer have been under way since April. The idea for developing such an industry having originated in the Jacksonville office, it is only within the last four or five days, however, that final details for the establishment of the plant at Fernandina have been completed.

Work will commence on the building at once, Mr. Reid stated this morning and the initial expenditure will be between \$40,000 and \$50,000. Operations will begin about October 1. The output of fertilizer will be just sufficient for Florida, according to Mr. Reid, and the product will not be put on the market for wholesale fertilizer manufacturers.

Equal to Peruvian Guano.
The shrimp scrap has very similar and in fact about the same ingredients as those found in Peruvian Guano, and from a fertilization standpoint is equally as valuable as the Peruvian product, considered the most important plant food on the market. However, owing to the fact that Peruvian guano is obtained from the places where pelicans congregate and is rarely found in quantities of size except in Peru, it is only put on the market every four or five years and is too scarce for general use. The three plant foods that constitute fertilizer are ammonia, potash and phosphoric acid, all of which originate practically in the same manner as the Peruvian guano. In view of these facts, Mr. Reid declared today, the value of discovering a process to make the shrimp scrap into fertilizer can be readily seen.

Some idea of what the industry will mean to Fernandina can be gained from the fact that this town now ships more shrimp than any place in the United States. The catch last year ranged upward to 10,000 tons, a fleet of 200 boats being engaged in catching shrimp for the exporting market.

Will Eliminate Loss.
During the experiments in making shrimp scrap into fertilizer, it was found that 45 per cent of the shrimp is head, which is removed and thrown away before the shrimp are head and shipped. Shrimp canners lose an even bigger percentage of the shrimp in counting 45 per cent of the shrimp. The scrap will be collected nightly in motor trucks, hauled to the plant and put through a drying and grinding process. Owing to the speedy decomposition of the waste a quick process is necessary.

While the manufacture of shrimp scrap into fertilizer has been tried in a small way before, this is the first time an entirely successful process has been found. It is said that the plant in addition to the fertilizer a stock food will be made out of the shrimp scrap. The Fernandina plant will be under the supervision and direction of the Jacksonville office.

Peculiar Feeling.
Celia had been ill for many weeks. One day when she was stronger and had been put in a chair, she slipped down to the floor and stood for a moment on her feet. "Oh," she said, in a much surprised voice, "I feel heavy to myself."

Many Like Him.
All newspapers often have advertisements which could be rewritten advantageously. But it took a church paper to offer the most original one yet: "Wanted—A minister who has been married 22 years is very desirous of securing a change."

Daily Fashion Hint

FOR EXCLUSIVE YOUNG LADIES.
One can manage to look both picturesque and sophisticated in a toilette with skirt of plain plique and overblouse of figured organza, especially if the overblouse goes over the waistline and has a round neck run with black satin ribbon. Needless to add that the steamer belt is also of satin ribbon. Medium size requires 1 1/2 yards 36-inch plique and 1 1/2 yards figured organza. Pictorial Review Dress No. 7739. Sizes, 12 to 20 years. Price, 25 cents.

United States of the World.
The day will come when we shall realize not only the brotherhood of individuals but the essential unity of all mankind. All are brothers; all children of the same father. The barriers which divide nations are artificial. I believe the time is at hand when these barriers will fall, like the walls of Jericho, before love's trumpet summons, when the banner of brotherhood and freedom will float forever over a new federation—the United States of the World.—Tolstoy.

Alexandria.
Alexandria, founded by the world conqueror, Alexander the Great, is an Egyptian city that is eager to lose its connection with the faraway past and become completely modernized. Fate has favored this ambition, for the wonders that Cleopatra knew have been eaten by fire or swept away by the sea. Alexandria is a city of trade and fashion, dominated by prosperous Europeans too deeply absorbed in the stock exchange to be even vaguely interested in the romantic side of their city.

World's Largest Building.
The Vatican palace at Rome is the largest building in the world, covering 18 1/2 acres, but with its additions and enlargements it was several centuries in building. The most extensive building in the world constructed at one time is the Pennsylvania station in New York city, which occupies eight acres of ground and has exterior walls measuring about one-half a mile. The capitol at Washington covers 153,112 square feet, or nearly four acres.

Daily Thought.
To be trusted is a greater compliment than to be feared.—George Mac-
Donald

ELDER SPRINGS WATER

THOMAS D. BAKER, Ph. D.
Analytical and Consulting Chemist - Professional of Natural Science
Emeritus, Rollins College, Florida
Private Laboratory of Rollins College
Wilder Park, Fla., Nov. 5th, 1918
Mr. T. O. Charles
Sanford, Fla.
Dear Sir:
I have completed careful chemical analysis of the sample of water that you brought me early last week, and have obtained the following results:
Color..... Clear
Chlorine..... 1.75 parts per million
Reaction..... Neutral
Total solids..... 2.00 parts per million
Free Ammonia..... 0.0 parts per million
Hardness..... 22.00 parts per million
Albuminoid Ammonia..... Trace
Nitrogen..... Trace
The absence practically of free and albuminoid ammonia in this water and its very small amount of chlorine indicates its excellent quality for household purposes, in addition to the good quality characteristics of superior household water. It possesses special features of much value, especially those of excellent natural aeration and LOW degree of hardness.
The bacteriological analysis, resulting in an average total count, in four samples of the water, of 3 bacteria per cent.; and in finding no colon, or other harmful bacteria, fully confirm its good quality indicated by the CHEMICAL analysis.
Of the many waters of this and other regions that I have analyzed, I have found none superior in all good qualities to that of the "Elder Water."
Yours very respectfully,
(Signed) THOS. D. BAKER

MEET HERE TOMORROW

Volusia, Lake and Seminole to Decide on Bridges
The boards of county commissioners of Volusia, Seminole and Lake counties meet in Sanford at 9 o'clock Saturday for the purpose of considering joint action with reference to purchasing the bridges over the St. Johns at Harden's Ferry and a bridge at Osteen. Seminole county will be asked to meet half the expense of the bridges at Harden's Ferry and at Osteen, while Lake county will be asked to meet half the expense of the bridge at Osteen. All providing the people of Volusia county vote in favor of eliminating the present privately owned and high toll bridges.

To make the bridges free, maintain them with eight keepers, one at each bridge, and to pay interest on the investment estimated at \$350,000 will cost the tax payers about three mills additional taxes, which would bring in about \$35,000.00 per year. If a flat rate of 25 cents toll for the round trip is made, it is estimated that the bridges will be self-sustaining, will meet their own upkeep, pay for their own keepers, pay interest on the investment and create a fund for retiring the bonds.

Some people want the bridges absolutely free, claiming that it is no more just to collect tolls on bridges than to collect them on brick and other hard surface roads, which cost

now in the neighborhood of \$17,000 per mile to build and \$1,000 per mile for interest alone. There is good argument on both sides of the question. The people themselves must determine what they want.—DeLand News.

Another Birthday Party

A pleasant event in young people's circles was the birthday party given by Miss Mabel Wilkinson on Wednesday afternoon in celebration of her fifteenth birthday to a group of girl friends among whom were included the choir of the Congregational church. Games were enjoyed and delicious refreshments served late in the afternoon.

Lossing—Lee

The wedding of Lieut. Frank Lossing and Mrs. Mary Evelyn Lee took place at the home of Mrs. Lee on French avenue last Sunday afternoon at four o'clock. Dr. George Hyman, pastor of the Baptist church officiated and only the immediate family and a few friends were present.

The contracting parties are well known here, the bride, Mrs. Lee having resided here for many years and for the past two years has been connected with the J. L. Millery bakery where her uniform courtesy and good nature made her a world of friends. The groom is the son of Mr. and Mrs. A. J. Lossing of this city and has just returned from France, where he was a First Lieutenant serving all through the war. He is an experienced carpenter and is in the employ of Contractor S. O. Shinholser.

Mr. and Mrs. Lossing will make their future home on French avenue, this city and the best wishes of their many friends are extended to them.

HANDS, ARMS, LIMBS ASLEEP

And Was Run-Down, Weak and Nervous, Says Florida Lady. Five Bottles of Cardui Made Her Well.

Kathleen, Fla.—Mrs. Dallas Prince of this place, says: "After the birth of my last child, I got very much run-down and weakened, so much that I could hardly do anything at all. I was so awfully nervous that I could scarcely endure the least noise. My condition was getting worse all the time... I know I must have some relief or I would soon be in the bed and in a serious condition for I felt so badly and was so nervous and weak I could hardly live. My husband asked Dr. Cardui, 'It's a good medicine, and good for that trouble,' so he got me 5 bottles. After the second bottle I felt greatly improved... before taking it my limbs and hands and arms would go to sleep. After taking it, however, this poor circulation disappeared. My strength came back to me and I was soon on the road to health. After the use of about 5 bottles, I could do all my house-work and attend to my six children besides."

You can feel safe in giving Cardui a thorough trial for your troubles. It contains no harmful or habit-forming drugs, but is composed of mild, vegetable, medicinal ingredients with no bad after-effects. Thousands of women have voluntarily written, telling of the good Cardui has done them. It should help you, too. Try it.

Knocking High Balls

Because the Sanford ball team was fined one hundred dollars for its refusal to allow Umpire Osteen to arbitrate a game the people of that town are firmly convinced that Sanford is right in the same class with Saint Louis and Shreveport, Yassum. Where is there another town in the state that has been fined like that? Yes, where is it? And where is there another town in the state that is willing to go right down in its stockings and pull up a wad, rip off a century note, slap it down on the counter—and then smile? I'll answer: There ain't none. Sanford is plum tickled flat to death over the happy termination of an unpleasant episode. Oh, you Sanford! You little dusty rogue!—Palm Beach Post.

Will Transport School Children

The Sanford schools will again furnish transportation to the children living within the Sanford territory but ten far from the school building to work.

Elsewhere in this issue the board is advertising for bids for such transportation as it is their desire to have everything in readiness by the opening day.

Couldn't Find Any.

"I got one good laugh out of the tour, anyhow," said Yorkie Humbo, "and that was when I took to short-trip to attend our box office receipts."—Louisville Courier-Journal.

TRUTHFUL REPORTS

Sanford Reads Them With Common Interest

A Sanford citizen tells his experience in the following statement. No better evidence than this can be had. The truthful reports of friends and neighbors is the best proof in the world. Read and be convinced. Ask your neighbor!

A. W. Wathen, farmer, 400 W. First St., Sanford, says: "I have used Doan's Kidney Pills off and on for several years and they are the best kidney remedy to be had. I have suffered a lot with my back and kidney weakness. On several occasions Doan's Kidney Pills have come to my rescue when I was completely down and out with kidney trouble. Whenever I feel their need now, they always bring the same quick results and I can't say too much in their praise." (Statement given May 22, 1914.)

On March 19, 1918, Mr. Wathen said: "I am still as strong in praise of Doan's Kidney Pills as ever. I haven't needed Doan's since giving my last endorsement."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Wathen had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

LEGAL ADVERTISING

Notice to Filing Contractors
Sealed proposals will be received by the City Council of Sanford, Florida at the office of the City Clerk at or before 1:30 P. M. September 15th, 1919 for grading and paving with brick Ninth Street from Park Avenue East one and one-half (1 1/2) blocks. Proposals to be presented in a sealed envelope addressed on the outside "Bids for paving Ninth Street, Sanford, Florida and the name of the bidder or bidders."

Each proposal must be accompanied by a certified check made payable at the order of the City Clerk of Sanford, Florida for two hundred (\$200.00) Dollars. The successful bidder will be required to give a bond equal to his bid and such bond to be executed by a surety company, licensed to do business in the State of Florida, said bond to be approved by the City Council. Plans and specifications may be seen at the City Clerk's office or at the office of Fred. T. Williams, City Engineer. The City Council reserves the right to reject and all bids. F. L. Miller, City Clerk. Fred. T. Williams, City Engineer. 64-41c.

NOTICE OF ELECTION
Notice is hereby given that an election will be held at the several polling places in Seminole County, Florida, on the 15th day of September, 1919 pursuant to Chapter 1835 of the Laws of Florida, Acts of 1919, entitled an Act to prohibit dogs of any breed or variety from being kept in any yard, lot or premises, and to amend the laws relating to the same, and to amend the laws governing the same, including the qualification of voters.

The following electors have been appointed to conduct said election and to canvass the returns thereon in the several precincts, respectively, the last named to act as clerk: Precinct No. 1, Tim Keane, F. E. Gleason, W. Wathen and W. F. Shalley. Precinct No. 2, A. S. Hill, J. G. Moffitt, J. H. Chapman and W. C. Hill. Precinct No. 3, C. L. Britt, G. P. Paston, J. H. Chapman and W. C. Hill. Precinct No. 4, A. A. Hicks, F. A. Johnson, A. V. McGinn and Leonard Keil. Precinct No. 5, J. W. Fyatt, G. T. Peters, J. V. Wicks, and M. E. Dooly. Precinct No. 6, R. H. Roberts, J. E. Snyder, J. H. Chapman and W. C. Hill. Precinct No. 7, C. E. Mathers, S. E. Mathers, J. E. Haddix and J. H. Chapman. Precinct No. 8, J. N. Seary, J. H. Chapman and W. C. Hill. Precinct No. 9, J. G. Martin, A. C. Shobon and A. E. Shobon. Precinct No. 10, J. G. Oster, A. W. Miller, J. H. Chapman and W. C. Hill.

Said election to be held in accordance with the laws of Florida governing the holding of elections in said state and returns to be made to the clerk and chairman of the Board of County Commissioners of Seminole County, Florida.

Done by order of the Board of County Commissioners of Seminole County, Florida. E. A. DOUGLASS, Clerk of Board of County Commissioners of Seminole County, Florida. 65-31c.

In the Circuit Court of the Seventh Judicial Circuit of Florida, in and for Seminole County, Fla., in Chancery. J. E. Laine and Alma Thorman, Complainants.

Complainants of Seminole County, Florida, at the office of said board at the court house in Sanford, Florida, on or before ten o'clock a. m. on the 2nd day of September, A. D. 1919, for the vacation and construction of drains, ditches or canals and lateral ditches, drains or canals in the Jessup Drainage District, to-wit: The said board, as an evidence of good faith.

The board reserves the right to reject any and all bids. The successful bidder will be required to give a bond equal to his bid, computed upon the basis of the yardage above mentioned, with a Surety Company qualified to write bonds in the State of Florida, as surety for the faithful performance of the work to be approved by said board.

A copy of plans, specifications and proposals may be obtained upon application to the undersigned upon making a deposit of \$100.00. This sum to be returned when said plan, specifications, etc. have been returned. By order of the Board of County Commissioners of Seminole County, Florida. E. A. DOUGLASS, Clerk. 65-41c.

In the Circuit Court of the Seventh Judicial Circuit of Florida, Seminole County, Fla. J. E. Laine, joined by J. E. Laine, her husband, Complainants.
