

NEW PROGRAM GIVEN SOLONS BY PRESIDENT

Special Message To Congress Strongly Criticizes Domestic Allotment Plan

WASHINGTON, Feb. 21. (A.P.)—In a surprise move, President Hoover by special message yesterday urged upon Congress a broad program for "economic recovery" as possible enactment within the two remaining weeks of the fast-expiring session.

The President's message, sent to the Capitol without advance notice, strongly criticized the domestic allotment plan of farm relief and urged a "temporary leasing of marginal lands" instead. It lashed out also at the publicity given to Reconstruction Corporation loans as "destroying the usefulness" of that organization.

So sudden was the President's move that there was but little immediate reaction in the Senate and House, already weighted down with their own plans for action during the remainder of the session.

Only a handful of members were on the floor when the communication was read to the House. The usual applause at the conclusion was missing.

In part, Hoover urged enactment of the Senate of the House-approved bankruptcy bill; ratification of the St. Lawrence seaway treaty; enactment by the House on the "general principles" of the Glass banking bill; the granting of the authority to the Reconstruction Corporation to in-

Marathon Piano Player Nearing New World Mark

At 8:00 o'clock tonight, Johnnie Goodenough, world's champion long distance pianist will have reached the 96th hour in his quest of a new world's record of having played 101 hours without stopping.

Apparently little the worse for his performance so far, Goodenough tonight will be entering the "home stretch" with the goal set for 1:00 o'clock tomorrow morning.

That he will have lots of company tonight is almost a certainty for, since late Saturday night, large crowds have visited the Elks Hall where he began playing on Friday night, and he has made many friends by his willingness to play dance music for the throng at all times. Over 400 persons visited the hall on Sunday afternoon and night, while last night the hall was well crowded until midnight.

Goodenough will have an orchestra to assist him tonight, the Sanford Elks Club band officials having made arrangement to stage a dance at the hall. "Whether you dance or not," said Edmund Welsh, business manager of the band this morning, "come on up and be in at the finish. Goodenough's performance is most interesting and, as he nears the 101 hour mark, we promise you that you'll get plenty of action for the small sum you are asked to contribute at the door, part of it to go for the benefit of our boys' fund."

Many Chinese Killed As Japs Start Drive

Associated Press.
Following a night battle at Changdeung, the Japanese army moved into the Chinese province of Jehol while the Manchukooan government prepared a 24-hour ultimatum ordering the Chinese forces to withdraw from the province.

Many Chinese were killed in the night battle and reports indicated a major offensive is imminent. A Japanese war office spokesman described the battle at Changdeung as an isolated affair but said "while there are six days when the real show starts and the tide will be turned."

120 Chinese Killed In Two Gas Blasts

SHANGHAI, Feb. 21.—(A.P.)—Eighty-one persons were killed, 120 were injured and 10 are missing today after an explosion in two gasolin rubber factories in East Shanghai. Of the injured 50 were taken to hospitals while the remainder escaped with only slight injuries. These figures appeared to be the total toll of the blast as rescuers virtually completed a search of the ruins. Of the known dead, 79 were girls. The bodies of the victims were placed in a vacant lot near the factory while relatives sought to identify them. Some of the injured are expected to die. Police are unable to determine the cause of the blast.

WAGNER BILL FOR MORE U. S. DRAIN PASSES SENATE

WASHINGTON, Feb. 21.—(A.P.)—Despite a blunt warning from Carter Glass, of Virginia, that federal credit was endangered, the Senate yesterday passed the Wagner bill providing a vast expansion of the government's unemployment relief program.

Carrying an additional \$300,000,000 for relief loans to states and more liberal terms for construction loans, the bill was approved 54 to 16 and sent to the House where it was expected to receive early consideration.

Just before the final vote, the Senate agreed 41 to 29 to substitute the Wagner program for the LaFollette-Costigan bill which proposed to give outright \$500,000,000 to the states for relief of distress.

Glass arose in the midst of a warm debate over the methods of distributing the relief funds, to denounce both bills and propose abolition of the Reconstruction Corporation.

Answering that the nation "would have been on the road to recovery if we never had erected the R. F. C.," the Virginia Democrat said he was ready to vote at once to abolish it. Almost coincidentally with his speech it became known at the Capitol that Glass had declined an offer to sit in the next cabinet.

"I have cast my last vote for these temporary expedients for so-called relief," Glass said. "The R. F. C. has not been a Reconstruction Corporation. It has been a destruction corporation."

WAR THREAT IN EUROPE LOOMS, STATES PRESS

Strife Between Italy And Yugoslavia Is Predicted In View Of Recent Trouble

VIENNA, Feb. 21.—(A.P.)—Predicting warfare between Italy and Yugoslavia, the newspaper Wiener Neueste Nachrichten 'appealed yesterday for union with Germany to save Austria from destruction, devastation, and annihilation.'

The international reaction to a recent shipment of arms from Italy, the paper declared, indicated it would be impossible for Austria to remain neutral in the event of hostilities to the south.

"It will be interesting to observe," the paper continued, "what pretext will be found when the time comes for the stronger power to justify the use of Austria as a battlefield."

The socialist Allgemeines Zeitung asserted that the arms shipment violated the provisions of the treaty of St. Germain. The paper called for the defeat of the Italian government as a demonstration that only the government, and not the Austrian people, "played with the idea of helping to furnish arms to Hungary."

"We in Vienna," the Allgemeines Zeitung editorial continued, "know that the government has violated the treaty of St. Germain and also that it has violated neutrality by attempting to facilitate the transport of arms for a decidedly militant group of states."

St. Johns River Body Has Meeting Here This Morning

Decision to purchase a final right-of-way for a third cut-off in the St. Johns River north of here, and election of two new directors and a vice-president were features of the February meeting of the Association held at the City Hall this morning with State Senator W. F. Glynn, of Crescent City presiding. The Association has been endeavoring to secure three right-of-way cuts for some months, and only a short time ago secured two of them. The third will be secured by purchase at once, the fund to come out of the Association's treasury. Work on the cut-off is expected to begin within six weeks, it was estimated.

States Are Vieing In Race To Submit Amendment For Bringing Prohibition's End

WASHINGTON, Feb. 21.—(A.P.)—Edward Dunford, general counsel of the Anti-Saloon League, said he would challenge immediately in court any law passed by Congress to "set up or regulate" state conventions to vote on the repeal of prohibition.

WASHINGTON, Feb. 21.—(A.P.)—Fifteen states are already on the road toward repealing the Eighteenth Amendment. Wyoming already has passed a bill providing for a referendum, after states in which action has been taken are: Massachusetts, Connecticut, Rhode Island, New Jersey, West Virginia, Arizona, Missouri, Delaware, California, Michigan, Iowa, Pennsylvania. Forty-two legislatures are now in session, enough to repeal the law.

As the first of the states were acting, President-elect Roosevelt in New York expressed gratification at the decision of Congress. He coupled it with hopes that this short session of Congress would carry out more proposals of the Democratic platform of last year by passing beer legislation.

The beer bill is awaiting Senate action after some serious committee overhauling of the measure the House passed.

It is believed by all averages that Governor Ely had the legislature ready for a joint session to which, immediately upon the (Continued On Page Three)

DEBT DISCUSSION IS RESUMED WITH RONALD LINDSEY

Roosevelt Statement Points To Early Economic Conference

NEW YORK, Feb. 21.—(A.P.)—Roosevelt has arranged a conference with Paul Claudet, French ambassador, and British ambassador, and it is believed Claudet was asked here by a member of the staff of the White House, British ambassador on the question of war debts and world economics.

Resumption of war debt discussion yesterday by President-elect Roosevelt and Ambassador Lindsey of Great Britain led the two statesmen into the broad field of world economics.

A carefully worded statement given out by Roosevelt after the two-hour conference in the elegantly furnished home on East Sixty-fifth Street disclosed only that much, but it was believed to point to an early world economic conference for all nations.

The President-elect arranged for another early meeting with Sir Ronald Lindsey, who returned here yesterday with the latest views of his government.

He also prepared to announce his choice for secretary of state—believed to be Senator Hull, of Tennessee—as that and Sir Ronald could confer immediately.

The net result of the second Roosevelt-Lindsey meeting was the putting into motion of the machinery required to bring about a readjustment of the whole world economic structure and quick action.

SHOLTZ ASKS QUICK ACTION UPON REPEAL

Governor States He Will Recommend That Issue Be Sub- mitted To Citizens

JACKSONVILLE, Feb. 21.—(A.P.)—The Jacksonville Journal quotes Governor Sholtz on prohibition repeal as follows: "Congress has submitted the whole question of prohibition repeal to the states, when this year's session is provided by the federal constitution. The issue now becomes one for the individual states. It is my desire that the people of Florida have an opportunity to vote upon the whole question of state and federal prohibition without unnecessary delay. I shall recommend to the legislature that these questions be submitted to the electorate of Florida in a prescribed manner." The Journal got the statement over telephone from the Governor's mansion.

SHORTER SCHOOL TERM INDICATED FOR ORLANDOANS

ORLANDO, Feb. 21.—An eight months high school term, seven months elementary and six months negro school term were indicated for Orange county yesterday at school board members prepared for a meeting today that will settle the question of the length of the term.

The shortened term appeared to be the way out for the county school board as it heard county commissioners' decision a request for \$18,000 excess fees. The commissioners said they were forced to refuse the request. They will need the money for their own finances.

KILLED IN WRECK

WINNISQUAM, N. H., Feb. 20.—(A.P.)—John Dana, son of Charles Dana, general manager of the Boston Elevated Railway Company, and two other youths, were killed yesterday in a collision of their automobile and a train at a crossing. The other victims were Williams Robinson, son of Dr. and Mrs. Richard Robinson, and Joseph Katakakis, both of Louisiana.

Campbell May Make Attempt Tomorrow

DAYTONA BEACH, Feb. 21.—(A.P.)—Prospects that Malcolm Campbell will be able to make his long delayed assault on his own automobile speed record tomorrow appeared bright today. Weather conditions took a sudden turn toward improvement and the beach was comparatively smooth. It is likely that when he takes the car on the course he will make a fast trial run of approximately 250 miles per hour and then if the beach is in good shape decide to shoot for the record immediately.

BRAM WILL TAKE PLACE HERE OF REV. H. I. LOUITT

Delaware Minister To Become New Rector For Episcopalians

Rev. Martin J. Bram, of Georgetown, Del., has accepted an invitation to become rector of Holy Cross Episcopal Church succeeding Rev. H. I. Louttit, who was announced before the congregation on Sunday. He will arrive here about Apr. 10.

Rev. Louttit will preach his last sermon as rector of the local church on next Sunday, for he is scheduled to assume the pastorate of Holy Trinity Parish, West Palm Beach on Mar. 1. It is expected that Bishop John D. Wing will appoint a rector to fill in the interim period, and announcement will be made later this week in that connection.

Rev. Bram is known to members of the local parish where he has previously visited. He comes to Sanford with a most enviable reputation, both as a churchman and a civic leader in the several communities he has served.

He is a native of New York City who studied in schools there, and at Columbia University where he studied engineering. Upon deciding to enter the ministry, he entered Hobart College at Geneva, N. Y., to emerge with an A. B. degree, magna cum laude, in 1923. While at Hobart he was named honorary scholar of Phi Kappa, a member of Phi Beta Kappa, and served as its secretary. He is the organizer and president of the Georgetown Relief Association, and a member of the Executive P. T. A. Council of that county.

Boy Scout Court Of Honor Is Held On Monday Night

At an enthusiastic and well-attended Court of Honor held at the City Hall last night with Judge J. G. Sharon presiding, eight Sanford and Longwood Boy Scouts were awarded merit badges and given added recognition in advancement to higher ranks as scouts.

Steve Johnson, member of Troop No. 5 of Sanford, was awarded the rank of Star Scout. Robert Stonerok of Troop No. 28 of Longwood, was accepted as a Second Sea Scout after a series of tests.

Legion Auxiliary To Stage Tag Day Sale

Mrs. H. B. Lewis, chairman of the welfare committee of the American Legion Auxiliary of Campbell-Lewis Post of the American Legion, today announced that members of her committee will stage the annual Tag Day Sale for the benefit of the Children's Home Society at Jacksonville, on downtown streets all day Saturday.

Heads of all civic and service clubs today were being appealed to for the purpose of securing sponsorship of the tag day sale. The plan is to secure two representatives from each civic or service group, who will work at some time during the day.

WOOD IN SEEN AS SLATED FOR TREASURY JOB

New York Financier Is Regarded Choice In Face Of Glass' Re- puted Declination

WASHINGTON, Feb. 21.—(A.P.)—William Woodin, New York financier is regarded as likely to be chosen for the treasury post of the Roosevelt cabinet. Senator Glass is understood to have declined the job.

Glass, who has been weighing his decision for weeks, was said in authoritative quarters at the Capitol to have informed President-elect Roosevelt of his decision yesterday shortly before after he made a vigorous anti-inflation and anti-lending speech in the Senate.

It was one of the most important addresses made by the 75-year-old former treasury head in his 13 years in the Senate.

Covering a wide field, it included a recommendation for abolition of the Reconstruction Corporation, a lashing of the recently created home loan bank system, stern opposition to lowering the gold content of the dollar if the nation's gold reserves are not to be wiped out in 90 days, and reciprocity rather than further government loans to railroads.

Glass' decision leaves but two senators now regarded as definitely in the cabinet—Cordell Hull, of Tennessee, and Thomas J. Walsh, of Montana, as attorney general.

The fourth senator who had been mentioned in the tentative Glass-Bronson cabinet, a New Mexico Republican Independent, is understood to have declined the interior secretaryship on Saturday in a talk with Roosevelt on the latter's special train enroute north.

Stiff Fines Given Men Who Entered And Robbed Grove

Warning was served yesterday afternoon on all persons who enter orange groves in this county for the purpose of carrying away or destroying fruit or property, when County Judge James G. Sharon levied stiff fines against three of the four men who were caught in the E. D. Vaughan grove near Lake Mary late Sunday night by Sheriff J. P. McClelland and a party of watchers.

The trio pleaded guilty to charges of petit larceny, and the covering of oranges from trees. Henry T. Foster was fined \$50 or two months in jail in the first charge, and \$25 or two months in jail on the second charge. William H. Miller and Willie Brown, a negro, however, were fined \$50 or four months in jail on the first charge, and \$25 or two months in jail on the second charge.

TIGER MINOR HAS EASY TIME WITH JAX ALL-STARS

Fine Pitching Results In 3rd Straight Win By Local Ball Team

Before a small crowd of baseball fans, the Sanford all-stars scored a third straight exhibition game victory yesterday afternoon by handing the highly touted Jacksonville all-stars a 3 to 1 beating that was featured by the two-hit pitching of Tiger Minor, who hurled seven innings for Sanford.

Getting to Lefty Burkhardt for a run in the first inning on three hits, including Red Martin's lacy triple to deep center field, the local team took and held the lead all the way, the visitors theretofore in only one inning, the eighth, when they scored a run on two walks and an error.

Minor was in mid-season form. In setting back players like Terry Gallegos, Bill Hewell, Alan Moley, and Poindexter, even this early in the season, he demonstrated that he is one of the best in this section of the state.

McGowan, first man up for the visitors, singled to right. After that, Minor bore down, and until two were out in the seventh inning, not a Jacksonville man got a hit and only one, McGowan, had reached second.

Minor hit ball labeled a hit, but Martin has caught scores just like it. Burkhardt struck out but McGowan drew a walk, filling the bases. Hewell hit a grounder to Frisbie who tossed the ball to Jack Sanford for what was an easy third out. Sanford dropped the ball and a run came over. Gallegos was an infield out. Lake was picked for a hit in the ninth but it did no damage.

The best score in the first and threatened in the second. Burkhardt settled down, and the third, fourth, and fifth saw him get by without trouble and without allowing a hit.

Burkhardt gave way to another left-hander, Tony Moley, whose delivery proved to be easy. Martin singled as the first man to face him, but was forced as second on Harrison's infield roller. Lake singled, sending Harrison to second, but both died on the sacks when Higgins and Chapman struck out.

After Minor had gone out in the infield in the seventh, Frisbie drew a walk, and went to second on Sanford's single to center. McCrone doubled to right field, scoring two runs, but Martin and Harrison both fled out to Hewell in left field, ending the inning.

The locals got two more hits in the ninth, this time off the pitching of Skinny McGowan, but they were unable to score.

OLD COUZENS AND FORD FEUD SEEN IN BANK TROUBLE

Former Partners Are On Opposite Sides Of Financial Upset

DETROIT, Feb. 20.—The Detroit Free Press in a copyrighted article says that conflict between Senator James Couzens, of Michigan, and Henry Ford, former partner in the Ford Motor Company, is reflected in the difficulties that precipitated Michigan's banking holiday.

The story presented by the Free Press tells of the growing interest of Henry Ford in the affairs of the Guardian Trust Company, Detroit Union Group, Inc., and particularly the Union Guardian Trust Company, culminating in his depositing \$7,100,000 in the bank. This he did, the Free Press says, in an effort to assist the bank in meeting cash demands made by its depositors. The paper states that seventy-two percent of the bank's assets were in Detroit real estate, remaining in each position difficult during the past few years.

The large sums deposited by Mr. Ford failed to enable the bank to reach a sound footing, the Free Press continues, and last December an appeal for a \$60,000,000 loan was made to the Reconstruction Finance Corporation. The Detroit bank's request for the loan was by way of being granted, says the Free Press, when Senator Couzens entered the picture with a vigorous protest in which he maintained that the collateral offered by the bank was inadequate to secure the government from loss if it granted the loan. The chief liquid asset listed was Mr. Ford's deposit of \$7,100,000. Since Senator Couzens was chairman of the Senate's committee charged with responsibility for investigating R. F. C. loans, his objections prevailed, the Free Press says.

After an attempt was made to take over the Union Guardian Trust Company affairs, Senator Couzens has having suggested to Mr. Ford that the motor magnate agree to grant the government a lien on his deposit in the bank, making them in effect a "frozen deposit." This Mr. Ford declined to do, Senator Couzens then suggested that

Wherefore, the Attorney General "charges that the . . . City of Sanford, has unlawfully usurped, without lawful right and without any warrant or authority of law whatsoever."

Finally, "the said Attorney General, for the State of Florida, and in the name and by the au-

thority thereof, prays the consideration of the Court here in the premises and due process of law in this behalf of the City of Sanford . . . to answer to the said State by what warrant or authority of law it claims to exercise, employ, and perform the functions, powers, privileges and franchises of a municipality in, upon, and over that land" which is now considered as the city limits.

Nervous Condition Improved After Woman Took Cardui

"I found myself in a weak, run-down condition, and very nervous, so much so that at times I felt like I couldn't scream," writes Mrs. J. T. E. Thomas, of Spartanburg, S. C. "The least noise would make me tremble and feel weak and nervous. I read where Cardui had helped other weak women, and decided to try it myself. I felt better after I began taking Cardui, and decided to keep it up. I took six bottles in all. I was in a better condition after taking Cardui. My nerves were more settled."

Cardui, the purely vegetable medicine which so many women take and recommend, is sold by local druggists.
