

Manager Aragon Is Building Club Around New Men

Frank Says Sanford Base Is Ideal And Weather Is Finest

The Ft. Smith, Ark., entry in the Western Association Class C circuit, was one of the unfortunates in the New York Giants farm club organization last year. They finished the season in seventh place in the league standings.

Manager Frank Aragon, a New York Giants catcher in 1941, is in the process of rebuilding his squad around a group of newly acquired players, many of whom were signed from the Giants baseball school which was held in Sanford last month.

"The Sanford base is ideal for a training camp and the weather is the best I have ever experienced," Aragon declared.

Those listed on the Ft. Smith roster include right handed pitchers George Booker, Al De Bruin, Bob Forge, Bill Goff, Jim Graves, Ralph Lucas and Richard Sadler; left handed pitcher Albert Runne; infielders: Marvin Blaylock, Bob Brown, R. B. Detto, Jr., Ed Erickson, Dick Franke, Oliver Havird, Dan Mullin, Kent Pfaffterer, Irvin Schupp, and Ray Wiese.

Also outfielders Morris Cook, Bob Klube and Floyd Moser; catchers Walt Finke, Dave Gabriell, John Golden, Tom Hackett, Rudy Kaison, Dan Mathews, and Milt Narron.

ROLLINS WINS

ORLANDO, Mar. 30 (AP)—The Rollins College golf team defeated Davidson College, 15 1-2 to 2 1-2, here at Dubsread Country Club yesterday.

Peter Dye, ace Rollins golfer, turned in a par-equating 71 to garner individual honors. Dye and Clyde Kelly, won from

Shown above are seven pitchers who are working with the Ft. Smith, Ark., team of the Western Association. Manager Jack Aragon is sending his young hurling squad through daily drills at the Giants Municipal Airport site. Those kneeling on the front row from left to right are Bill Goff, Al Runne and Tom Keenan. Those on the back row from left to right are Bob Forge, Van Sadler, Jimmy Graves and Jim DeBruin.

Cleveland Indians Are Sporting Best 'Grapefruit' Record

NEW YORK, Mar. 30 (AP)—The Cleveland Indians sport the best record among American League clubs in the "Grapefruit" League play today. The Brooklyn Dodgers continue to set the pace in the National League. Cleveland won six out of seven

games during the week to take over first place from the New York Yankees who won only two out of six and dropped to third. The Indians have won 12 out of 17 games for a .706 percentage. The Philadelphia Athletics with a 9-4 record are second with .692 and the Yanks third with .682. Brooklyn has won all of its 14 games for a perfect 1.000 mark. The Brooks, however, have not played a major league op-

ponent. The New York Giants are in second place in the National League with a .588 average. The Philadelphia Phillies are the only club in the National playing below a .500 clip. It has been estimated that the main underground water level in the United States has been lowered 10 to 40 feet by cutting of forests and cultivation of the land.

Horner Is Winner Of Gulf Coast Tourney

GULFPORT, Miss., Mar. 29 (AP)—Scudley Horner, professional from the Montgomery, Ala., country club, won the second annual Gulf Coast Invitational Golf Tourney here yesterday.

Horner's victory, worth \$500 came with a three-over-par 74 for a 216 total. A tricky wind which blew over the Great Southern Country Club course prevented anyone from breaking or even matching par 71. The day's best cards were 73s turned in by Bert Stamps, Baton Rouge, pro, and amateurs Sonny Ellis of Columbus, Ga., captain of the Louisiana State University golf team, and Spec Wilson of Laurel, Miss.

YACHT RACE

HAVANA, Cuba, Mar. 30 (AP)—The Windjammer II, a 76-foot yacht from New Orleans, won all available first prizes in its first big race.

While judges awaited arrival today of remaining craft in the 21-boat field which left St. Petersburg, Fla., at noon Saturday, the Windjammer's work was ended. It streaked past the finish line at Morro Castle, at the entrance to Havana Harbor, in a rain-storm at 4:40 A. M. yesterday. It was far ahead of the field. It won one trophy for being first to arrive, another for the best time in the entire fleet, a third for the best time in its class A division.

Well-fed cats make the best mousers.

Large Field Slated To Enter Texas Meet

AUSTIN, Tex., Mar. 30 (AP)—More than 700 entries have been received and probably 300 more will be posted by deadline time tomorrow in the twenty-first annual Texas relays.

Universities and colleges from eight states in the southwest, south and mid-west will have teams here. Three records are expected to fall and a half-dozen others are in danger.

Entries in the university and college divisions include Tulane.

Fact Finders Give Truman Coal Report

Hartley Has New Bill Making Unions Subject To Anti-Trust Law Prosecution

WASHINGTON, Mar. 31.—(AP)—President Truman got his fact-finding board's report on the coal strike today and announced he will delay any further government step in the dispute until he studies the report.

White House Press Secretary Charles G. Ross said that Mr. Truman will take the board's report and supporting documents with him on a trip to Williamsburg, Va. He is leaving for Williamsburg tomorrow afternoon and on Friday will get an honorary degree from William and Mary College there.

Ross said the board's report will not be made public until "sometime after the President's return from Williamsburg" on Saturday.

The inquiry board brought its report to Mr. Truman just after noon. The next possible step under the Taft-Hartley law's emergency strike procedures is a White House request to the Justice Department to seek a court order to end the strike.

Meanwhile Rep. Hartley (N.J.) introduced legislation to make labor unions subject to prosecution under the anti-trust laws. It is admitted aimed at John L. Lewis. The bill, a proposed amendment to the Taft-Hartley Labor-Management Act, would make it unlawful for labor unions to combine in restraint of trade. The House Labor Committee is similar legislation but it never became law. Hartley is chairman of the House Labor Committee. He also is co-author of the labor (Continued on Page 24)

Self-Styled Red Leader's Home Is Wrecked By Riot

CLEVELAND, Mar. 31.—(AP)—The Communist Party announced today it would file a damage suit against the Columbus citizens and Franklin county for the wrecking of party leader Frank Marshall's home.

COLUMBUS, O., Mar. 31.—(AP)—Two weeks of heckling stunts and telephone calls were climaxed last night by the storming of the home of a self-proclaimed Communist leader.

A crowd of 300 watched and cheered, 30 or 40 persons who broke into the outside rooms occupied by Frank Marshall, 28-year-old former New York college student. He, his wife and child were absent.

Before police came to read the riot act, the gang broke all the windows and much of the furniture, but left untouched four bookcases filled with Communist and other literature.

Sheriff Ralph Paul announced he planned to sue if Marshall, who calls himself executive secretary of the Columbus Citizens' Communist Club, could be declared a public menace and forced to leave town.

Marshall refused to talk to reporters about the incident.

He came here two weeks ago and announced his intention in public statements. Newspaper smokes out his telephone number, but one paper published it with the wrong exchange. The owner of that telephone complained it was ringing all the time and every time he answered he got abuse.

McCRODY IMPROVEMENTS

Counters have been removed from a third of the McCrody Store, and temporary partitions erected to screen out dual and noise while counter is being laid. The work will then proceed in another third of the store, with the front portion being the last to have the new flooring. The cement will be covered by asphalt tile, said C. L. Redding, manager.

THE WEATHER

LAKELAND, Mar. 31.—(AP)—Florida's weather will be warm through Saturday, the Federal State Frost Warning Service said today in its final advisory of the season.

Scattered showers are in prospect tomorrow for the north and central districts.

Sister Of McCarty Is Shot To Death

FORT PIERCE, Mar. 31.—(AP)—The sister of gubernatorial candidate Dan McCarty and her 16-year-old daughter were found shot to death in their home here yesterday. Mrs. Lardner Newell, 45, and her daughter, Frances, had been dead 18 to 24 hours when their bodies were found by Bryan McCarty, a brother of the candidate. Sheriff B. A. Brown said the body of Frances was found in bed, a single .22 calibre bullet through the heart. Mrs. Newell's body was found slumped on a single step leading from the house to a screened porch. She had been shot in the mouth and the rifle lay partly under her body. Brown reported, "We have closed the case because there is no indication of foul play by a third party," Brown said.

British Oppose Russian Plan For Traffic Control

Demand For Inspection Of British Trains Is Rejected

BERLIN, Mar. 31.—(AP)—A Russian plan for a new and stringent control on traffic between the western and Soviet zones of Germany ran into British opposition today. The Russians informed the British, French and American headquarters they plan to tighten controls on the traffic.

British authorities rejected a Soviet demand for a Russian inspection of British military trains traveling through the Soviet zone and ordered British train commanders not to permit Russian soldiers aboard.

The Russians, in notes sent the three western Allies last night, said all military and civilian personnel and families of the western Allies going through the Soviet zone by train or automobile would be required to present documents certifying their identity and the fact that they belong to agencies of the military government.

Mrs. Steve Bennis Reported Unchanged

Condition of Mrs. Steve Bennis, who has been unconscious since her accident in a glider Sunday, remained unchanged today. She is holding her own. Dr. C. L. Park, who is attending her at Fernald Loughton Memorial Hospital, announced.

Claude Jannard, Lenin, N. C., baseball manager, who was also injured in the crash, had dislocations of both ankles, and was severely bruised, but did not lose consciousness, according to Dr. Harry Silby who reported today that Mr. Jannard is doing fairly well, but will probably be confined for six weeks.

JAYCEE SPEAKER

Robert P. Shelly, appraisal engineer of the Clemenahaw Company which is now valuing Sanford property for the City, will speak at the Jaycees at their luncheon at the Tourist Center on Thursday.

HOME GUARD

ALBANY, N. Y., Mar. 31.—(AP)—Governor Thomas E. Dewey said today a New York state military force "plus a total civilian effort" must be organized to fill the gap should the New York National Guard be called for federal duty.

Sewer Bids

DAYTONA BEACH, Mar. 31.—(AP)—Bids will be opened April 8 on certificates of finance a citywide sewer system. City Attorney Curtis Gardner said the city will pay less than the 5 percent interest permitted by law.

Solons Say Wallace "Swung Hard And Struck Out" At Senate Hearing

WASHINGTON, Mar. 31.—(AP)—Henry A. Wallace got a poor vote-getting rating today from both ends of the Democratic Party and from the Republicans as well. Politicians agreed that the Third Party presidential candidate had an ideal sounding board during the hours he spent yesterday lambasting American military and foreign policies before the Senate Armed Services Committee.

But all senators who heard him told a reporter afterward that Wallace had swung hard and struck out.

"Undoubtedly Wallace designed his testimony as a political springboard," Senator Morse (R-Ore.) said. "But I'm certain he's going to find out that it did not spring any votes."

Southern Democrats, who are feuding with President Truman over the civil rights issue, agreed. "I doubt that Wallace did himself any good," said Senator Russell (D-Ga.). "The only support he can hope for is the peace-at-any-price people."

Senator Hill (D-Ala.), another

Truman Wants TVA To Raise Power Output

Plans Are Considered For Vast New Supply Of Electricity For Emergency Use

WASHINGTON, Mar. 31.—(AP)—President Truman today directed the Tennessee Valley Authority to draw up plans for increasing the power output for emergency needs.

He instructed TVA Chairman Gordon R. Clapp to draft a program looking toward a vast new supply of electricity for aluminum, chemical and other defense plants. Chairman Edwin G. Nourse of the President's Council of Economic Advisors and Chairman Arthur M. Hill of the National Security Resources Board sat in with Clapp at a White House conference.

Nourse said Mr. Truman was "deeply concerned" that there be an adequate power program to supply the needs for electricity. Aluminum, the vital necessity for the plane building program, uses a vast amount of electricity.

Clapp told reporters that more electricity is being used in the Tennessee Valley Authority area now than at the peak of the war. He said the President wanted to know how much power could be developed by TVA beyond its peacetime requirements which have been going up steadily. He attributed the increased use to expanded air conditioning, quick freeze plants, household heating by electricity and other utilization.

He would not discuss requirements of the Oak Ridge Atomic (Continued on Page 24)

Farmer Surrenders After Slaying Wife And Circuit Judge

MOUNTAIN GROVE, Mo., Mar. 31.—(AP)—A 48-year-old farmer, sought for questioning in the slaying of his estranged wife and circuit court judge, surrendered today after spending the night at a neighbor's home.

State and county officers had sought farmer, Ernest Afton Scott, for 36 hours after Circuit Judge Charles H. Jackson, 54, and Mrs. Scott, the mother of 10 children, were killed in shootings 45 minutes apart Monday afternoon.

Scott surrendered to Highway Patrol Sgt. E. E. Barkley, who said a first degree murder charge had been drawn against the farmer by Wright county Prosecutor Frank Collier in connection with the slaying of Mrs. Scott.

Barkley reported that Scott was brought here to surrender by a neighbor, Jennings Tucker, at whose home he had spent the night.

Asked by newspapermen in the presence of Barkley why he had shot Jackson, Scott was quoted as replying:

"Oh, I don't know. I thought he'd broke up my home."

Judge Jackson was shot in the farm yard of Andrew Torkelson's, a neighbor of Scott's. Forty-five minutes later Mrs. Scott was shot down in the front yard of her mother's home in Mountain Grove, as her 13-year-old daughter, Alice, was forced to stand by helples.

SEWER BIDS

DAYTONA BEACH, Mar. 31.—(AP)—Bids will be opened April 8 on certificates of finance a citywide sewer system. City Attorney Curtis Gardner said the city will pay less than the 5 percent interest permitted by law.

Over 3,400 Ask For Home Exemption

Today was the last day allowed for the filing of homestead exemptions and at noon today last minute applicants had brought the total exemptions filed to date at 3,444. In addition, Tax Assessor Sanford P. Doudney estimated that there were more than 100 applications in the mail.

This is also the deadline, according to State law, for filing on personal, tangible and intangible property, said Mr. Doudney. He stated that taxes of home owners who failed to apply for exemption will amount to considerably more than if they had filed.

EXPEDITION HALTED

PEIPING, Mar. 31.—(AP)—Milton Reynolds today cancelled his expedition to find a mountain higher than Everest—less than half a minute after it started.

A takeoff damaged his four-engine C-97 plane. Reynolds climbed out, looked it over, and said:

"The expedition is over. Captain Everest has won again."

No one was injured, but the minor damage to the plane would take weeks to repair, even if parts could be found here, he explained.

Hospital Gets \$1,000 Gift

E. G. Kilpatrick, Jr., banker, (center) is shown handing to T. W. Lawton, president of the Fernald Loughton Memorial Hospital Association, a check for \$1,000, the proceeds of "Habe Ruth day" when Washington played Minneapolis recently at the Municipal Park. The visit of George Herman Ruth and the efforts of school children and other groups in selling tickets for the game, resulted in the fine contribution. At left is Miss Elizabeth Landgraf, hospital superintendent, Randall Chase, chairman of the hospital executive board and Miss Mary Micker, hospital secretary, are shown at right.

Buying Orders Proposed Draft Would Sign Only Fraction Of Men Needed For War

WASHINGTON, Mar. 31.—(AP)—The 1,600,000 men who would register under the proposed modified draft would represent only a tiny portion of the total mobilization that may be sought if a war comes.

The program is in only the early study stage. But manpower experts of the national security resources board are directing their thinking at all-out registration of the nation's adult population in event of a future conflict.

A spokesman for the board created last year under the Army-Navy unification law recalled today that Chairman Arthur M. Hill has said:

"In making out preparations for defense in the future, failure to work out policies governing in detail the use of our total manpower—and that includes women with the men—may well mean the sacrifice of time and lives."

Hill was referring to the use of manpower in a total war effort of which conscription for military service would be only a phase.

The first steps toward having a total mobilization plan ready include setting up systems for recording the technical and labor skills of all men and women. An example, scientific organizations are attempting to compile master rosters of scientists and technicians. Manpower experts concede there were too many instances in the past war of valuable technicians being drafted into routine military duties.

Senator Sparkman (D-Ala.) said he believes America can spend up to about \$4,000,000,000 to toughen its military muscles without skyrocketing prices at home.

But the Alabamian told a reporter any bigger spending on the "stop Russia" drive probably would call for raising price controls and rationing, too.

"I feel the nation's economy is at a point now where it can stand a certain amount of strain," Sparkman said. "My guess is (Continued on Page 24)

Dredge Company Is Completing Operation

The Hill Dredge Company has completed the pumping of sand from the lake bottom into the terminal area west of French Avenue, it was announced today by City Manager H. N. Sayer, who declared that "they have done a very nice job and the City is well pleased with the work."

Work on the 12 foot channel turning basin is now also completed and Supt. John Wells of the Hill Dredge Co. is now directing operations for the filling in of an area 350 feet wide and 1.05 miles long beyond the Dew Dredge in on the shoreline. This work is being done at the request of the State Road Department to replace land washed away.

The next assignment for the dredge and crew of 68 men will be beyond the bridge, Mr. Wells predicted that the work will be completed on the St. Johns River Channel by latter July.

MALARIA BULWARK
CAMBRIDGE, Mass., Mar. 31.—(AP)—Harvard scientists suggested today that there may be a way of staving the malaria germ which feeds on human blood.

Dr. Ralph W. McKee and Quentin M. Geiman announced the discovery of an element in human blood plasma which they said the malaria parasite needs to grow and reproduce.

Last Minute Try To Cut Foreign Aid Bill Is Defeated

Segregation End Asked Of Senate By Negro Leader

WASHINGTON, Mar. 31.—(AP)—A negro leader told senators today that millions of his race will refuse to register or serve under draft and UMT unless racial segregation and discrimination are ended.

A. Philip Randolph, head of the AFL Posters Union, offered this testimony before the Senate Armed Services Committee. He appeared as national treasurer of a "committee against Jim Crow in military service and training."

Randolph predicted negroes would stage a nationwide civil disobedience protest against both draft and Universal Military Training unless Army policies on segregation are stopped.

Other spokesmen for the negro race also called on the committee to adopt provisions in any draft or UMT acts to end segregation. Truman K. Gibson of Chicago, a member of President Truman's advisory committee on UMT, testified a weak America is an open invitation to aggression by Russia.

Gibson supported Mr. Truman's military proposals. But he said, the program must make use of all citizens without regard to race. Senator Russell (R-Ill.) complimented Gibson on his statement and added:

"It may be an odious comparison, but I would rather risk the destiny of this country in the hands of this witness rather than the hands of the candidate for President who appeared here as a witness yesterday."

Senator Russell referred to Henry A. Wallace, who was the major (Continued on Page 24)

Quiz Program Is Given Kiwanians By C. Morrison

Kiwanians today enjoyed a lively quiz program conducted by Rotarian Charles Morrison at the Tourist Center. He was introduced by Harold Kastner. President Lamson declared the fact that E. G. Kilpatrick who planned the program, was unable to be present, due to having suffered a broken arm in the donkey basketball game at Seminole High School last evening.

Oscar Harrison, assistant postmaster, received the initial prize of a box of oranges donated by the Sanford Fruit Company. He was asked, along with Ralph A. Smith such questions as what general lost his pants in World War I? Is it legal to profit by selling postage stamps? Which is good to eat, antihocks or archives?

By replying that a fire started by lightning can be put out by water, Mr. Harrison, competing this time with Edwin Shinkholder, (Continued on Page 24)

Kilpatrick Is Hurt In Basketball Game

E. G. Kilpatrick, president of the Florida State Bank, was released this morning from the Fernald Loughton Memorial Hospital where he was taken last evening because of a broken arm suffered in the Donkey Basketball game sponsored by the Junior Chamber of Commerce at the Seminole High School auditorium.

Dr. C. L. Park, attending physician, reported today that the injury was in the form of a comminuted fracture of the right forearm and that Mr. Kilpatrick is getting along satisfactorily at his home on West Eighteenth Street.

CUR SCOUTS

Cub scouts will hold a park meeting Friday evening at 7:30 o'clock at the Methodist Church annex.

CAN BE DRAFTED

NEW YORK, Mar. 31.—(AP)—Leonard V. Finner, publisher of the Manchester, N. H. Evening Leader, says General Dwight D. Eisenhower "can be drafted for President of the United States."

"No American can refuse the nomination once it is offered. Undoubtedly, General Eisenhower is no exception, Finner said in a statement issued here yesterday.

VETS PICKET

JERSEY CITY, N. J., Mar. 31.—(AP)—An intended cargo of heavy industrial machinery lay untouched on the docks alongside the Russian freighter Volga today as Catholic war veterans resumed their picket line in protest against shipment of "war-potential goods to the Soviet Union."

Stevodore members of the International Longshoremen Union (AFL) said they would respect the picket lines again today and the Russian freighter would not be loaded. Two line gangs, totaling 62 men, were scheduled to start the loading operation yesterday.

STANTON SOLD
TAMPA, Mar. 31.—(AP)—Bill Stanton, right-handed pitcher for Sanford in the Florida State League last year, was sold today to the Miami Tourists in the Florida International League by the Tampa Smokers. Stanton, property of the Smokers, was sold in a straight cash deal.

NEW CHANNELL
WASHINGTON, Mar. 31.—(AP)—Army engineers have been asked to consider an "emergency channel" through Sebastian Inlet in a Florida flood control program. Senator Pepper, who made the request, said it originated with the city of Vero Beach. Pepper said a temporary channel through Sebastian Inlet helped relieve flood conditions in 1937.

Dick Cooper Will Present Campaign Address Tonight
Richard H. (Dick) Cooper, Deland newspaperman and candidate for governor, will speak at 7:30 o'clock, Wednesday evening on the corner of Magnolia Avenue and First Street.

His main topics, he said, will be Communism in Florida, the need of a bonus for veterans, increased old age pensions, and war conservation. He also will talk of the status of Sanford as a Central Florida port.

He graduated in 1940 from Southern College in Lakeland, after working his way through in three years. He then edited newspapers in Clearwater and Sarasota. During World War II he served as a major with the engineers for two years in both the European and Pacific theaters of operation.

Following the war he worked with Orlando newspapers until he entered Stanton University to complete his law course. After his initial announcement that he would be a candidate for governor, he made one of his first talks at the Sanford Jaycees.

His grandfather, Harvey Judson Cooper, was a Tampa newspaper editor in the 1880's. His father, W. G. Cooper, was born in Tampa. His mother, Ethel Blanche Cobb Cooper, was born in Alabama. He is a member of the American Legion, V.F.W. Jaycees, Phi Alpha Delta Law Fraternity, the Lions, and a director of the Florida Press Association.

Marshall Is Urged For U. S. President
MOBILE, Ala., Mar. 31.—(AP)—Alabama's Democratic Party chief Gessner T. McCorvey today urged the nomination of Secretary of State George C. Marshall for President, McCorvey, who previously had repudiated President Truman because of his civil rights record, said he believed Southern Democrats would rally around Marshall.

"I am of the opinion that it would be best for the Democratic Party and best for the country, for the Democratic National Convention at Philadelphia to nominate for President General George C. Marshall," McCorvey said.

"He is one of our great Americans of our era, and has the confidence of all classes of people, and knows more about international affairs than any other living American."

Red Acts Menace Germany's Chance As Free Country

AP Foreign News Analyst
 Russian actions in Berlin the past few days make it look as though another dark, dead hope may shortly be glimmering: The hope of rebuilding Germany into a healthy, peace-loving nation.
 Since the end of the war Berlin has been the place where the four occupying powers—the Americans, the British, French and Russians—have worked together in a council. Each power controls a portion of the city, although Berlin itself lies in the eastern section of Germany which Russia occupies.

But now the Communist papers in Berlin are suggesting that the Westerners get out.
 And Saturday the Russian delegate, Marshal V. G. Sokolovsky, walked out of a council meeting.
 The Russians claim the three Western powers have broken all their pledges to run Germany as a unit. But that is exactly what the Russians have thought of since the Russians left through 1946 and 1947. The immediate action which angered Sokolovsky was the fact that the British, French and Americans met in London last week to talk about commencing in their three western sections of Germany.

Ever since the war ended, the four-power meetings in Berlin have had trouble because the Russian delegate either failed or refused to agree to plans which the other three approved.
 The most annoying differences have been over the use of goods which the Germans themselves produced. A definite plan was laid down for them at Potsdam, where the Americans, British and Russians met in midsummer 1945 to plot Germany's future.
 They agreed that any surplus goods turned out by the Germans should be put into a pool. That pool would be used to pay for things the Germans would have to import.

The Westerners wanted to chip in from the Russian pool to help the Russians. But as the months passed no goods were turned up. The Russians made no reports on what their sector was doing. No officers from the western powers were permitted to take a good look-see at the Russian sector.
 And while this was happening British and American tax-payers were asked to shell out hundreds of millions to feed the Germans in their area.

At any time the British and Americans could have claimed the Russian were failing to meet their Potsdam pledges.
 Instead they trudged faithfully to the council meetings in Berlin and continued to run their sectors as best they could.
 Finally, early in 1947, the British and Americans judged their sectors in all business deals. They try to cut down the cost of the folks at home. They left the gate open for the Russians, but no Russian knocked.

Last week the Americans, French and British met in London to talk just about Western Germany. American goods will shortly begin to move into Western Europe, and Western Germany has to be fitted into the picture because it can contribute steel to the general rebuilding of Europe.
 Thereupon Sokolovsky read an angry speech to the council in Berlin—and walked out. Yesterday the Russians, being chairman this month of the council committee in Berlin, called off committee meetings.
 Does it mean they are through with cooperation with the allies over Germany's future. Will they continue to boycott council meetings, a next month when the Americans become chairman of all the committees?

That Berlin council is the only bridge between the East and the West over which men of good will can travel to create a Germany that can be left to grow up alongside other trustworthy nations.
 The Russians stand to gain if they break up allied control of Germany. Their troops already occupy Eastern Germany. If the allied council breaks up they could easily add Eastern Germany to the large area of foreign-aided, self-governing Germany.
 The next step is up to the Russians. They can get over their peace and continue to attend the meetings, or they can boycott them.
 If they boycott them, the three western powers could go on holding meetings that will have no effect on Eastern Germany and hence will have little hope of ever uniting all of Germany together.
 The Russians could get tough. They could insist, with troops, on what their papers are now saying: That the westerners leave Berlin—which would leave Eastern Germany to Russian hands.
 There is no official information in Washington on what the United States would do if Russian troops suddenly turned against the handful of American troops in Berlin. But off-the-record statements remind you that Americans don't like to be thrown out of places.
 NOME (AP)—At Adak in the Aleutian Islands the sky is completely overcast 60 per cent of the time.

Stock Exchange

(Continued from Page One)
 behind floor transactions for brief periods. In the first hour yesterday the volume was 220,000.
 Prices of many leading shares were up \$1 and more as the demand grew heavy for stocks which might benefit from heavy defense expenditures.

U. S. Steel was ahead almost \$1 at 74. Santa Fe Railroads was up more than \$1 at 100 5/8. Texas Company advanced 50 cents to 57 and American smelting and refining went ahead \$1 to 57 1/2.

Volume on the Stock Exchange in the first hour was more than double yesterday's. On the curb 120,000 shares were traded in the first hour compared with 80,000 yesterday.

Police stood shoulder to shoulder at the entrance to the Stock Exchange to prevent any recurrence of yesterday's violence in the financial workers' strike.

Members of the striking AFL-CIO Financial Employees Union and of the AFL-CIO's United Brotherhood of Carriers and Full-Time Employees were on hand long before the 10 A. M. hour of opening.

The same three pickets who stood before the exchange's main entrance at 11 Wall Street yesterday, walked in a tight circle in front of the doorway today.

Six police officers stood a few feet away.
 The 1,000 to 1,500 pickets were noisy but orderly as they marched back and forth in adjacent areas.

An orderly began to arrive from the picket line grew louder. In several instances men coming into the Stock Exchange stopped to argue and they were quickly motioned inside by policemen.

When one man showed signs of prolonging an argument, he was quickly surrounded by five uniformed officers, who escorted him inside quietly.

Both the Stock and Curb Exchanges were struck, but picket activity outside the Curb was quiet. Brokers' offices were not affected by the strike.

The pickets concentrated their attention on the 11 Wall Street entrance to the Stock Exchange today and lines in other areas were small.

There were about 200 police on duty in the area. The officers stood about a foot apart at the apex of Wall and New Streets. Along the remainder of the block here was a policeman about every 10 feet.

Colin English Boosts Florida For Tourists

JACKSONVILLE, Fla., Mar. 31 (AP)—The fate of a workmen's compensation law in Mississippi rests in the hands of the state senate.
 A new measure, termed by its backers "one of the best ever introduced in any legislature in this country," yesterday won approval in the lower house.

But a similar bill which passed the house in 1946 was trampled to death in the senate by an avalanche of nearly 100 amendments.
 A workmen's compensation law has been a controversial subject in Mississippi's legislative halls ever since 1922. The state is the only one in the union without such a law.

The measure now awaiting senate passage covers all employers of eight or more persons. Exempted are domestic servants, farmers, or farm laborers.

Sanford Market

REPORT No. 104
 The following prices reported by the dealers on the Sanford State Farmers' Market for produce up to 12:30 P. M. Mar. 31:

Carrots, 100 lbs	2.25-2.50
Onions, 100 lbs	1.50-2.00
Peppers, 100 lbs	1.50-2.00
Tomatoes, 100 lbs	1.50-2.00
Beans, 100 lbs	1.50-2.00
Peas, 100 lbs	1.50-2.00
Spinach, 100 lbs	1.50-2.00
Broccoli, 100 lbs	1.50-2.00
Cauliflower, 100 lbs	1.50-2.00
Brussels sprouts, 100 lbs	1.50-2.00
Green beans, 100 lbs	1.50-2.00
Peas, 100 lbs	1.50-2.00
Spinach, 100 lbs	1.50-2.00
Broccoli, 100 lbs	1.50-2.00
Cauliflower, 100 lbs	1.50-2.00
Brussels sprouts, 100 lbs	1.50-2.00
Green beans, 100 lbs	1.50-2.00
Peas, 100 lbs	1.50-2.00
Spinach, 100 lbs	1.50-2.00
Broccoli, 100 lbs	1.50-2.00
Cauliflower, 100 lbs	1.50-2.00
Brussels sprouts, 100 lbs	1.50-2.00
Green beans, 100 lbs	1.50-2.00
Peas, 100 lbs	1.50-2.00
Spinach, 100 lbs	1.50-2.00
Broccoli, 100 lbs	1.50-2.00
Cauliflower, 100 lbs	1.50-2.00
Brussels sprouts, 100 lbs	1.50-2.00
Green beans, 100 lbs	1.50-2.00
Peas, 100 lbs	1.50-2.00
Spinach, 100 lbs	1.50-2.00
Broccoli, 100 lbs	1.50-2.00
Cauliflower, 100 lbs	1.50-2.00
Brussels sprouts, 100 lbs	1.50-2.00
Green beans, 100 lbs	1.50-2.00
Peas, 100 lbs	1.50-2.00
Spinach, 100 lbs	1.50-2.00
Broccoli, 100 lbs	1.50-2.00
Cauliflower, 100 lbs	1.50-2.00
Brussels sprouts, 100 lbs	1.50-2.00
Green beans, 100 lbs	1.50-2.00
Peas, 100 lbs	1.50-2.00
Spinach, 100 lbs	1.50-2.00
Broccoli, 100 lbs	1.50-2.00
Cauliflower, 100 lbs	1.50-2.00
Brussels sprouts, 100 lbs	1.50-2.00
Green beans, 100 lbs	1.50-2.00
Peas, 100 lbs	1.50-2.00
Spinach, 100 lbs	1.50-2.00
Broccoli, 100 lbs	1.50-2.00
Cauliflower, 100 lbs	1.50-2.00
Brussels sprouts, 100 lbs	1.50-2.00
Green beans, 100 lbs	1.50-2.00
Peas, 100 lbs	1.50-2.00
Spinach, 100 lbs	1.50-2.00
Broccoli, 100 lbs	1.50-2.00
Cauliflower, 100 lbs	1.50-2.00
Brussels sprouts, 100 lbs	1.50-2.00
Green beans, 100 lbs	1.50-2.00
Peas, 100 lbs	1.50-2.00
Spinach, 100 lbs	1.50-2.00
Broccoli, 100 lbs	1.50-2.00
Cauliflower, 100 lbs	1.50-2.00
Brussels sprouts, 100 lbs	1.50-2.00
Green beans, 100 lbs	1.50-2.00
Peas, 100 lbs	1.50-2.00
Spinach, 100 lbs	1.50-2.00
Broccoli, 100 lbs	1.50-2.00
Cauliflower, 100 lbs	1.50-2.00
Brussels sprouts, 100 lbs	1.50-2.00
Green beans, 100 lbs	1.50-2.00
Peas, 100 lbs	1.50-2.00
Spinach, 100 lbs	1.50-2.00
Broccoli, 100 lbs	1.50-2.00
Cauliflower, 100 lbs	1.50-2.00
Brussels sprouts, 100 lbs	1.50-2.00
Green beans, 100 lbs	1.50-2.00
Peas, 100 lbs	1.50-2.00
Spinach, 100 lbs	1.50-2.00
Broccoli, 100 lbs	1.50-2.00
Cauliflower, 100 lbs	1.50-2.00
Brussels sprouts, 100 lbs	1.50-2.00
Green beans, 100 lbs	1.50-2.00
Peas, 100 lbs	1.50-2.00
Spinach, 100 lbs	1.50-2.00
Broccoli, 100 lbs	1.50-2.00
Cauliflower, 100 lbs	1.50-2.00
Brussels sprouts, 100 lbs	1.50-2.00
Green beans, 100 lbs	1.50-2.00
Peas, 100 lbs	1.50-2.00
Spinach, 100 lbs	1.50-2.00
Broccoli, 100 lbs	1.50-2.00
Cauliflower, 100 lbs	1.50-2.00
Brussels sprouts, 100 lbs	1.50-2.00
Green beans, 100 lbs	1.50-2.00
Peas, 100 lbs	1.50-2.00
Spinach, 100 lbs	1.50-2.00
Broccoli, 100 lbs	1.50-2.00
Cauliflower, 100 lbs	1.50-2.00
Brussels sprouts, 100 lbs	1.50-2.00
Green beans, 100 lbs	1.50-2.00
Peas, 100 lbs	1.50-2.00
Spinach, 100 lbs	1.50-2.00
Broccoli, 100 lbs	1.50-2.00
Cauliflower, 100 lbs	1.50-2.00
Brussels sprouts, 100 lbs	1.50-2.00
Green beans, 100 lbs	1.50-2.00
Peas, 100 lbs	1.50-2.00
Spinach, 100 lbs	1.50-2.00
Broccoli, 100 lbs	1.50-2.00
Cauliflower, 100 lbs	1.50-2.00
Brussels sprouts, 100 lbs	1.50-2.00
Green beans, 100 lbs	1.50-2.00
Peas, 100 lbs	1.50-2.00
Spinach, 100 lbs	1.50-2.00

WEDNESDAY, MAR. 31, 1948

BIBLE VERSE TODAY

MEN WHO ARE DOING FINE THINGS SHOULD BE PRAISED AND ENCOURAGED TO BE JEALOUS OF THEM OR HINDER THEM MAKES US GOD'S ENEMIES. Gen. 21:22 Under me not seeing the Lord hath prospered my way.

The Treasury department says U. S. currency in circulation is in pretty bad condition. It ought to be renovated. It is torn and tattered, run down at the heels. However, we'll take it.

At the American Anti-Mosquito Association meeting in Fort Pierce the other day, the fact was revealed that malaria caused by a certain type of mosquito costs the American people \$175,000,000 a year. Get rid of mosquitoes and use this money to improve public schools. That's progress.

Albert Einstein, one of the most brilliant professors in the history of the world, says "Henry Wallace can save the United States from the threatening international situation". Yeah, like Chamberlain saved England from Hitler when he brought back "peace for our times".

Henry Wallace says his old friend Harry Truman "cooked up" this European crisis just so he could get himself re-elected to office. Well, Henry ought to know. He and Harry slept in the same bed for a good many years. Funny thing is, that's just what a lot of people said about FDR back in 1940... just before Pearl Harbor.

Bernard Baruch whose advice to the United States government has as often been ignored as it has been good, now tells the Senate Armed Services Committee that nothing short of full war preparedness will do the trick, as far as foreign affairs are concerned. We should prepare for war, he says, in order to avoid war. No foreign nation is deliberately going to commit suicide by attacking the United States as long as it knows it is ready to strike back.

One good way to understand political candidates is to see what they say about each other. Now you take Tom Watson for instance. He says, Shands represents big business and wants a sales tax. Fuller Warren is long on promises and would be dictated to by others (Watson doesn't say, which others) English is just running because he wants to keep Watson from being elected. And Dan McCarty is too young and inexperienced. Otherwise, they are all good boys.

The House of Representatives has voted to invite Spain to participate in the six billion dollar fish fry the State Department is giving our European cousins. Of course, Spain is still under the domination of Generalissimo Franco, is not exactly what you would call a Western Democracy, was pretty friendly with Hitler and Mussolini in the last war. But she might be a big help in the next war. And besides, what's a few billion more or less among friends. Why not let the Spaniards have a bite too?

Senator Claude Pepper who has often been pretty outspoken in his defense of Russia now wants Florida to send to the Democratic national convention delegates who are Progressive and who will support a Progressive candidate for President and a Progressive platform. "I want to see a delegation who will represent the people and not the corporations", he says. "I want to see them choose a leader who will advance the cause of human welfare and peace". Does he mean Mr. Truman, by any chance? Or Mr. Wallace? Or whom?

Railroads And Riders

Railroads have received considerable criticism for indifference to passengers. There has been justification for this in many instances. An indication of a changed attitude came the other day on at least one railroad, the Pennsylvania.

As a result of the coal strike, a 25 per cent cut in passenger schedules was ordered by the Office of Defense Transportation. On many Pennsylvania trains affected by this curtailment young women, smartly uniformed, boarded trains and personally distributed letters explaining the reduced service, begging the patience and understanding of patrons.

Startled by this change of attitude on the part of the Pennsylvania were commuters, those men and women who ride trains twice a day five or six days a week, year in and year out. All roads have come to take these people for granted, to disregard their convenience in train schedules, to designate the oldest coaches and equipment for their use.

There is a ray of hope in the nation's railroad situation. Apparently officials are beginning to realize that there might be profit in good relationship with riders.

Italian Communism

The anti-Communist forces in Italy are handicapped by her history. During most of her life as an independent nation, she has had no competent democratic government.

She started under brilliant auspices. Her first prime minister was Count Camillo di Cavour, one of the greatest statesmen Europe has known. On his death in 1861 he was succeeded by Baron Bettino Ricasoli, "the Iron Baron," an able and upright man, but harsh and unsympathetic. Since his fall in 1867 Italy has hardly ever had prime ministers who combined ability with public spirit.

While she had some able public financiers and foreign ministers, her premiers were mostly either wirepullers or nonentities. The very name of Mussolini's immediate predecessor, Luigi Facta, is forgotten by all but historians. No wonder that Mussolini, promising a clean sweep and abolition of political manipulation, was able to move in.

Premier Alcide de Gasperi, who now holds the fort against Communism, belongs in the Cavour-Ricasoli tradition. The weakness of his position is that in the past too few Italian front-ranking statesmen have been of his caliber. That is one reason why Communism is so strong.

Defense And Inflation

As the demand for more adequate national defense is pressed there follows in its wake a wave of concern lest defense spending give the inflation spiral another upward boost.

Desire to avoid inflationary influence is not yet a compelling factor in government policy, despite the great volume of talk which seeks to give such an impression. However, even if a time should come when all effort at Washington would be directed toward deflation, the desire for deflation could not be permitted to influence national defense policy.

Considerations of national defense must be paramount to questions of government spending policy. A defense adequate for world conditions as they are must be maintained, whatever its cost or its unfavorable effect on domestic economy. The need for national defense today was set largely by yesterday's diplomacy. The hope for less expensive defenses tomorrow lies in the diplomacy of today.

An enlightened foreign policy now, founded on an indefatigable desire for honorable peace, might be able to reduce future needs for military defenses.

VANDEMBERG ON MACARTHUR

TAMPA TRIBUNE

If it should happen that the Republican national convention is compelled, by deadlock, to turn to a dark horse, and if the two men looming large in that situation should be Senator Vandenberg and Gen. MacArthur, the Senator and his friends will find themselves embarrassed by an article he wrote just four years ago, published in Collier's magazine, under the caption: "Why I Am For MacArthur."

That was four years ago, it is true, but Senator Vandenberg will find it difficult to recant the unequivocal statements he then made. These quotations will show the tenor and significance of the Senator's utterances:

I think I am entitled to state why, with the greatest respect for other distinguished and available Republicans, I am for MacArthur—not only because I believe him to be the strongest candidate, but, more important, because I believe he would make the strongest President in the tough days that lie ahead.

I venture the prediction that when 10 million of our fighting sons are home again, every President for two generations to come will have a stalwart figure in this fighting war.

I do not run from such a prophecy. I think it is sound democracy.

Who has better earned the right? Who better knows what America is worth?

The next President of the United States must make hard, harsh decisions... The next President will have to consult solely the independent welfare of our whole citizenship. He can never flirt with pressure groups, no matter how powerful politically. He can never yield to special pleaders for special privileges in any direction. He must have but one unselfish devotion: He must travel the unswerving line of duty. We shall need a Gibraltar in the peninsular just as desperately as we need it in war—an American Gibraltar personified, at 1800 Pennsylvania Ave.

I know that he is as devoid of political entanglements as he was of reinforcements at Batavia.

I know that he would come to the White House with no thought or purpose except to serve America, at home and abroad, in the climax of his devoted career. Any racketeer of any sort would last about ten minutes in his presence. He is granite in the face of duty.

He is a composite of all our necessities. He is unique in respect to many of them. He has the maturity of vast experience, yet he is in his physical and

mental prime. If elected, he will bring a great mind, a great heart, a great capacity and a great devotion to the proud leadership of a great nation. That's "on the record." If the Republican nomination should resolve itself into a contest between Vandenberg and MacArthur, what would Vandenberg say about his emphatic and unreserved endorsement of MacArthur just four short years ago?

THE WORLD TODAY

By DEWITT MACKENZIE AP Foreign Affairs Analyst

Senator Arthur Vandenberg, in urging quick Senate approval of \$462,000,000 aid for China, described that unhappy country as "a major victim of that conspiracy of aggression which undermines the peace of the earth."

The senator was, of course, speaking of aggressive Communism, and he declared that the situation in China is "touch and go." This graphic estimate of the position will cause little surprise, since the general public of western countries have been well aware that China was in desperate straits. However, it is an astonishing fact that many people still believe the fiction that the Chinese Reds aren't of the Russian brand but are merely agrarians who are fighting for their place in the sun.

Now that's a terribly dangerous error, since defense against the spread of Communism in the Far East depends on recognition of the truth that the Chinese Communists follow the Muscovite pattern. The Chinese Reds, as I know from personal observation on the ground, have carefully spread the tale that they have nothing to do with the Soviet Union. However, the evidence is clear enough that they are working hand in glove with Russia, and that should they win their rebellion China would become a satellite of Moscow.

This fact is quite distinct from the question of whether the vested interests in China have profited at the expense of the people. The hands of the vested interests are not clean—but that's another issue.

In this connection it's interesting to note the comment of the late General Joseph W. Stilwell, American commander in the China-Burma-India theatre, in his diary which is being published by the Ladies' Home Journal. The general wrote it as his opinion in 1944 that the Chinese Communists offered a better future to the people than did Generalissimo Chiang Kai-Shek's Kuomintang government. Stilwell then was trying to persuade Chiang to correlate the war efforts of Communists and government armies.

Charles Grumich, AP war correspondent in Stilwell's theatre, in a review of the diary points

and the Chinese Communists then were fighting with varying degrees of effect, and holding up to what now has become a full-blown civil war. Grumich comments:

"Whether Stilwell would think the same about Chinese Communists now is something that can't be answered. He died Oct. 12, 1946."

In any event, the Generalissimo was under American pressure to cooperate with the Chinese Reds. His present reaction to the situation was made clear Sunday at Nanking in a statement to the people's political council on the eve of the meeting of the national assembly which is to elect the nation's first constitutional president and make the new constitution effective. Said Chiang of the ten years which he had worked with the council:

"I have committed many blunders during those ten years, but the worst was my tolerance toward the Communists. I allowed them to take part in the people's political council and gave them other privileges which resulted in our present civil war. However, I am confident we will not repeat this mistake."

There is no possible hope of cooperation between the Chinese Communists and any Chinese government, unless it is Red. The consensus of observers long has been that the civil war must be fought to a finish.

As Senator Vandenberg says, the situation now is "touch and go." Major General Claire E. Chennault, former commander of the Flying Tigers in China, predicted before the Overseas Writers' Association in Washington the other day that the Chinese Communists will control Manchuria within three months unless the United States aid the government in Manchuria would be promptly recognized by Russia.

Such a development would, of course, mean that Moscow had secured another powerful base from which to push the campaign for domination of the world.

DO NOT BELONG WORCESTER, Mass. Mar. 31 (AP)—Eighty per cent of the students in American universities do not belong there, Dr. Robert E. Dickinson, University of London geographer, says. The English university student "gets there by scholarship," he declared, "while the American student gets there if he can pay for it."

Chapters of the Woman's Auxiliary of Holy Cross Episcopal Church will meet as follows: St. Agnes' Chapter at 3:00 P. M. with Mrs. W. E. Kirschhoff, 1617 East Second Street, Mrs. Allan Jones co-hostess; St. Ann's Chapter at 3:00 P. M. with Mrs. R. A. Newman, 500 Grandview Avenue; St. Catherine's Chapter at 3:00 P. M. with Mrs. J. L. Ingley, 226 Elliott Avenue; St. Mark's Chapter at 8:00 P. M. with Mrs. John Galloway, 1718 Magnolia Avenue; Mrs. Glenn Lingie co-hostess.

Circles of the W.S.C.S. of the First Methodist Church will meet as follows: Circle No. 1 with Mrs. Chester Daniels, 1900 Oak Avenue, 3:00 P. M.; Circle No. 2 with Mrs. B. D. Crumley at 3:00 P. M.; Circle No. 3 with Mrs. Fred Wilson, 1900 Sanford Avenue, 3:00 P. M.; Circle No. 4 with Mrs. H. Wyatt, 515 Magnolia Avenue, 3:00 P. M.; Circle No. 5 with Mrs. E. G. Kilpatrick, 228 West Eighteenth Street, 3:00 P. M.; Circle No. 6 with Mrs. R. A. Futrell, 1110 Laurel Avenue, 3:00 P. M.; Circle No. 7 with Mrs. George Williams, 1900 Locust Avenue, 7:00 P. M.

TUESDAY
St. Monica Chapter of the Women's Auxiliary of Holy Cross Episcopal Church will meet at 8:00 P. M. at the home of Mrs. R. W. Williams, 106 Laurel Avenue.

Two Models Added To Fashion Show Friday

Two models have been added to the list of attractive Sanford girls who will display the spring styles at the fashion show and bridge party being presented on Friday night by the American Home Department of the Sanford Women's Club at the club house. The two new models are Mrs. Everett Maulding and Miss Carolyn Skinner.

The styles will be shown against a colorful background and will consist of cotton dresses, better dresses and beach clothes from the Yowell Company. Adding interest to the colorful array will be hats from the Shoppes Chapeau.

The fashion show will begin at 8:00 P. M. and bridge will start at 8:30 P. M. Reservations for the affair may be made with Mrs. D. B. Watkins, telephone 230-2.

Bustle Bouquets Latest In Fashion

HOLLYWOOD, Mar. 31—(AP)—As if things weren't bad enough already, comes now Hyanna—that's all, just Hyanna—Beverly Hills dress designer—and predicts that the newest style will be bouquets or potted plants in millinery's bustle. That's what she said, in the bustle.

She said bustles even now are being manufactured with receptacles to hold fresh flowers, or even greenery. Hyanna seems quite pleased about it. "Flowers and ferns worn in the bustle will call attention to skirt detail," she said, approaching the situation conservatively.

"Women can now achieve new sophistication or innocence, depending on flowers chosen," she says. For the sophisticated effect, she recommends orchids, gardenias or tiger lilies. Wide-eyed naïveté, she asserted, can be achieved with daisies or cornflowers.

The bouquets, she said, can be accommodated through use of plastic test tubes cunningly concealed in the bustle. For ferns, ivy and other produce of the greenhouse, aluminum flower pots will be provided.

She envisioned the new fad as a blessing to florists. The new strapless evening gowns, declared Hyanna, leave insufficient cloth to which to attach a corsage.

Apparently she anticipates no radical fashion changes which will prevent amply from finding a mooring place for her bumpergays.

She, with Mrs. L. Johnson as co-hostess.

The W. S. C. S. of the Geneva Methodist Church will hold a benefit barbecue at the Geneva Community Center at 5:30 P. M. The public is cordially invited to attend.

The Daughters of Wesley Class of the First Methodist Church will meet at the home of Mrs. C. M. Flowers, corner of Celery and Beardsley Avenue, at 8:00 P. M. A market basket sale will be held. Mrs. C. C. Earle, Mrs. W. L. Harrison, Miss Agnes Smith and Mrs. C. C. Whittington will serve as hostesses for the meeting.

Personals

Mrs. Clara Lorig left today for Jacksonville where she will undergo medical treatment at the Riverside Hospital.

Mrs. Byron Stephens of Tampa plans to arrive on Thursday to visit her mother, Mrs. J. B. Ray, and Mr. and Mrs. Troy Ray.

Mrs. Harold Powers and daughter of West Palm Beach and son, Theodore Powers of Stetson University, spent the Easter holiday in Santoro.

Mr. and Mrs. Karl Nordgren are expected to arrive tomorrow from Philadelphia, Pa. to visit with Dr. and Mrs. L. T. Doss and other friends in Sanford.

Chief Oliver J. Miller and Mrs. Miller of the Jacksonville Naval Air Station have returned to their home after spending the week-end in Sanford with Mrs. Jesse Miller.

Mr. and Mrs. W. R. Kirk and Richard Creed of Steubenville, O. have arrived to spend some time with Mr. Kirk's mother, Mrs. Elizabeth Kirk, and Mrs. Clara Lorig at their home on East Fifth Street.

Mrs. J. M. Hayes has returned to her home on West Sixteenth Street from Pittsburgh, Pa. where she visited her daughter and son-in-law, Mr. and Mrs. Charles Holston. En route to Sanford she also visited in Washington, D. C. where she was the guest of her son and daughter-in-law, Mr. and Mrs. James Hayes and grandchildren, Johnny and Betty.

Judy Lavender Given Party On Birthday

Mrs. Curtis Lavender entertained on Friday afternoon her daughter, Judy, on her second birthday. An Easter theme was used in decorating the rooms of the lavender home involving the use of colored eggs and candles in shapes of Easter bunnies and chickens. Also decorating the rooms were lovely arrangements of pastel sweet peas.

During the afternoon games were enjoyed by the young guests and favors distributed. At the conclusion of the games refreshments consisting of cake, ice cream and candy were served.

Those invited to be with Judy were Diane Smith, Janet Johnson, Sharon Whitten, Joyce Stanley, Denise Tyre, Skipper Fandom, Leo Watson, Wayne Kelly, Tommy Palmer, Roger Stater and Joe Goodrich, Jr. Also Mrs. Smith, Mrs. O. M. Fandom, Mrs. C. Johnson, Mrs. Whitten, Mrs. Alfred Stanley, Mrs. Tyre, Mrs. Watson, Mrs. W. T. Kelly, Mrs. Palmer, Mrs. Stater, Mrs. Joe Goodrich, and Miss Audrey Mulvaney of Cleveland, O.

Annual Rotary Dance To Be Held On Apr. 3

Invitations are being received and plans being made for the annual Rotary Club dance to be held on Saturday evening at the Mayfair Inn. Dancing will be from 10:00 P. M. until 2:00 A. M. in the ballroom of the hotel. Engaged to play for the evening is Stewart Martin and his popular orchestra and table reservations may be made by calling the hotel.

In charge of the general dance committee is James Higgins and assisting him are J. L. Ingley, Jack Ratigan, Bob Harris, Lind Weber and G. A. Spear, Jr.

Spring Hats Theme Of Benefit Bridge

"Spring Hats" was the theme which was ingeniously carried out in the decorations for the annual spring benefit bridge party held yesterday by the Women's Auxiliary of Holy Cross Episcopal Church. Playing began at 2:00 o'clock in the Parish House and tea guests called at 4:30 o'clock. On the stage in the Parish House was a miniature hat shop displaying hats from Shoppes Chapeau augmented with gaily colored crepe paper models. Lovely arrangements of peach and white gladioluses were placed about the large room and the walls were decorated with the bright hats. The tables were in the form of small hats as each guest's place on the tables. The tea table was centered with one of the large hats holding pink candle tapers.

About 150 persons enjoyed the bridge games during the afternoon and after the scores were taken the prizes were awarded to Mrs. C. E. Spencer, Mrs. George Hayden and Mrs. H. Schabel. Consolation prize was won by Mrs. Wally Dietrich, versus Mrs. Roy Mann and the floating prize, Mrs. G. I. Kelly. A surprise gift was won by Mrs. W. J. Thigpen for having the most number of buttons on her dress.

Meeting the guests at the door was Mrs. Amelia Noble and presiding at the tea table were Mrs. Mark T. Carpenter and Mrs. Joe Meisch. Served with the coffee and tea were ribbon sandwiches, cakes and cookies.

In charge of the party was Mrs. S. O. Chase, Jr., general chairman; Mrs. A. M. Phillips, publicity; Mrs. Fred Bell, tickets; Mrs. W. A. Leffler, chairs and tables; Mrs. R. A. Newman, cards; Mrs. J. B. Cogburn, prizes; Mrs. H. H. Coleman, tallies; refreshments, Mrs. Meisch, Mrs. Randall Chase and Mrs. F. F. Whittier, Jr. and the decoration committee was made up of Mrs. W. E. Kirschhoff, Mrs. Clyde Terwilliger, Mrs. S. H. Dighton and Mrs. Irving Feinberg.

Mrs. Meisch, chairman of the Women's Auxiliary, stated this morning that she was very pleased with the results of the benefit party and added that the proceeds will be used for charitable purposes in this community.

Reel Commended By John Hopkins U.

The fine progress of Gwynne Reel, graduate and former athlete of Seminole High School, as a student in John Hopkins University, recently reported to Principal Herman E. Morris in a letter from William F. Logan, director of admissions of the University.

"He has made a satisfactory record for his first term of school," Logan wrote Mr. Logan. "I think that we shall see a steady improvement as he goes along. He is an excellent school citizen, and we are proud to have him in our student body. I hope that Seminole will be represented frequently in our entering classes."

UNUSUAL SHRUB
Mrs. George A. Maffett has an unusual shrub, the calyanthus or commonly called the sweet shrub, blooming in her yard at her home, 2441 Lily Court. The shrub, stated Mrs. Maffett, is a small brown plant whose blossoms permeate the air with their sweet odor.

PARIS—(AP)—The French government has plans for a series of 20 dams on the Rhone River. There are more than 80 varieties of wildflowers which bloom in the Aleutians.

It has been estimated that the number of families in the United States will increase by 9.4 million between 1940 and 1960.

Romance in the West! A scene from Paramount's release, "Albuquerque" starring Randolph Scott and Barbara Britton at the Ritz Theater Thursday and Friday.

Shawn Will Appear At Stetson Apr. 5

Coming to Stetson University's Stover Little Theater on Apr. 5 in a solo program of his own dance creations will be Ted Shawn, America's leading dancer. Mr. Shawn, who is 60 years old, has lived up to his belief that "it not only takes man-years to master the craft of dancing, but it is only age that brings the necessary maturity of vision with it."

He is author of many books of the profession, and a director of Jacobs Pillow Dance University, which he founded in the Berkshire, has influenced many of the country's noted dancers and choreographers. Martha Graham, noted American modern dancer, is one of his pupils.

Hints To Housewives

By Isabelle S. Thursday
Extension Food Economist

QUALITY AND NOT FOOD VALUE SETS EGG GRADE

Eggs are graded according to quality, not food value, marketing specialists of the U. S. Department of Agriculture remind housewives who are making the most of the plentiful supplies now on markets. Regardless of its grade or quality, an egg is one of nature's best packages of food value, offering high quality protein, iron, vitamin A, two B vitamins—riboflavin and thiamine, and some vitamin D.

An egg in one of the top grades—AA or A—should have a large amount of firm white and a round, upstanding yolk. Eggs of those grades are preferred for poaching, frying and cooking in the shell. Grade B eggs have thinner whites and are somewhat flatter yolks but are just as satisfactory for scrambling and for baking and other general cooking purposes.

Because Grade B eggs offer the same food value yet may cost as much as 10 to 12 cents a dozen less than Grade A eggs of the same weight, many families find it pays to buy Grade B for general cooking.

At any rate, the specialists say, it pays to read the label on the carton of eggs and figure cost in relation to grade and use.

Early road laws in the United States required that an automobile driver who met a horse-drawn vehicle must stop, shut off his motor, get out and lead the horse past the car.

As of June, 1944, mental disease or deficiency had accounted for three out of every 10 rejections of U. S. men for military service in World War II.

TEEN TALK

AP Newsfeatures
Dear Judy,

The annual convention of high school editors held at Columbia University in New York City went off in grand style with more than 2,000 editors attending sessions.

It was for meeting kids from all over the country and comparing notes. They seem to be pretty much the same no matter where they are from, but anyway I thought it would be interesting to ask them a question and get their reactions.

Dr. Dorothy T. Sporer of Springfield, Mass., a member of the psychology department of American International College, said recently "There is nothing as wholesome as good clean pecking," so we asked some of the delegates what they thought of her statement.

Kids from Jenkintown, Pa., Baltimore, Md., Bradford, Va., Richmond, Va., Blomack, N. D., Saginaw, Mich., Stamford, Conn., Montclair, N. J., Bailey, N. C., Albany, N. Y., gave these answers:

Bill... "It has its advantages. When you take a girl out, however, it should mean more than a pecking party."

Mary... "I don't think if a boy really likes a girl he needs just to have something to do. Then I think it's ok if he just wants to pass the time away."

Eddie... "It depends entirely upon the people. The time and place should be picked very carefully."

Betty Jo... "I guess it is all right if you like that sport. I don't."

Fanny... "From what I read, no. They say pecking leads to another step. Suppressing your desires is bad too."

Bob... "My family frowns on pecking in public places. Of course, psychologists say you should have an outlet but I don't think good clean pecking is clean."

Mary... "I think it's wholesome and pleasant. It can get boring after a while."

Dr. C. L. Persons

ing after a while. For an hour or so it's ok, but it depends on course on the girl."

Martin... "I don't agree. If kids start doing that it can easily lead to other things. Girls and boys should try to strengthen their morals. If they indulge in that kind of pleasure they might put less importance on other incidents."

Carolyn... "I don't agree with her, wholeheartedly."

Anne... "I think it is ok."

Octavia... "I think homes clean pecking is lots of fun. I don't think there is any harm in some of it."

Ruth... "It depends on whether you like the boy. Then you might not call it pecking. If you do like him, it's nobody's business anyway."

Jean... "The only proper place for it is at the door. I don't know how you feel about pecking. I don't think pecking people should park. It depends on..."

One of the adult advisors at the convention, Helen Hill of Burlington, N. C., asked to comment on Dr. Sporer's remarks, said:

"I don't agree. The word pecking has fallen into terrible disrepute. No solution of the problem. The thing that is bothering us now is that it just isn't the best standard student who engages in the pecking pastime. Our nicer, brighter type students now think nothing of it."

VEL is the trade-mark of the Colgate-Palmolive-Pect Co.

Crisler May Resign Post At Michigan

Detroit Paper Says Athletic Director Has Better Position In Chicago Area

DETROIT, Mar. 31 (AP)—The Detroit News said today that Athletic Director Fritz Crisler would resign his post at the University of Michigan "before June."

The News said the 49 year old athletic director, who recently resigned as Michigan's head football coach, "has negotiated for a position in Chicago that presumably will pay several times his salary of \$14,500 at Michigan."

Crisler, en route to Eastville, Ill., where his father and mother are observing their 50th anniversary, could not be reached for comment.

Whether Crisler planned to remain at Michigan had been a matter of speculation since his resignation as gridiron coach. His associates at the athletic department had admitted that he might be considering taking leave of athletics entirely.

His decision to quit as field general of the Wolverines football team came at the climax of one of Michigan's most sensational seasons. The Wolverines in 1947 rolled along undefeated to a West- ern Conference and Rose Bowl championship.

Two weeks ago Crisler named Bennie Oosterbaan, his backfield coach, to take over active direction of the football team as head coach.

Green Tree Race To Be Run Tonight At Local Track

The annual Green Tree Handicap will feature tonight's program at the Sanford-Orlando Kennel with the owner of the winning greyhound being presented a handsome trophy.

The special handicap event will be run also as the 1948 Puppy Stake with the winner being declared the championship juvenile of the current meeting. The entry list will be restricted to greyhounds whelped after January 1, 1946 that broke in this season on the Sanford-Orlando track as green puppies.

Guests of Jack Faulkner, sponsor of the Green Tree classic, will be the entire rosters of the Washington Senators, the Orlando Senators, and the Chattanooga Look Outs.

One of the largest crowds of the season is expected to turn out for the colorful Puppy Stake contest which has become one of the annual highlights of the greyhound racing season in Central Florida. Post-time for the opening event is 8 P. M.

TONIGHT'S EVENTS

Donkey Basketball Contests Were Held At High School Last Night

High School girls, elderly men and young boys participated gleefully in donkey basketball contests last night at the high school gym to present one of the most varied entertainments ever held at the school with proceeds going to the high school band.

After two teams of girls from the physical education classes of Seminole High had completed their contest with Green winning over Yellow by a 6 to 2 margin, the Lions Club played the Kiwanis Club.

It was during this game that E. G. Kilpatrick, vice president of the Florida State Kennel, was injured in the Fernald Laughton Memorial Hospital.

The burros were excited by the trainer's use of an "electric torch" and in the melee, Mr. Kilpatrick was thrown from his sled.

At the completion of the contest President Bailey Odham told the press, "As the result of Mr. Kilpatrick's accident, I think it will be well if we continued the games without the donkeys."

He also told the audience that they could have their money refunded if desired, but B. F. Ganas, ticket salesman, declared that "There were just a few who wanted refunds."

The Jaycees tangled with the Legion five in a hotly contested battle with J. Q. Galloway pacing the Legion attack, and scoring six points for his team. H. G. McIntosh tallied four and Harry Robson bagged two for the Jaycees in the battle which ended in a 6 to 6 tie.

In the final game of the evening, a team of baseball players attending the New York Giants spring training drills defeated a mixed organization of high school and college students by a 10 to 6 score.

Martha Grogan, Margaret Von Herbold, Frances Pavick, Betty Welton, Jackie Rowland, Betty Muse, Mildred Barrineau, Mary Ellen Lawring and Janet Kingston participated in the game for the high school girls.

Richard Deas, Al Skinner, Richard Elsberry, Robert Le Fils, Henry White, Harry Robson, Cecil Carlton and Dan Easterman played for the Lions, while E. G. Kilpatrick, Bill Brown, Fred Bowen, Raymond Kader, Roy Mann, Roy Britt and John Kader participated for the Kiwanis.

Columbia Reds Present Problem To Gee Walker

COLUMBIA, S. C., Mar. 31 (AP)—Genial Gee Walker, the good-natured gentleman from Mississippi, has his share of troubles.

As manager of the Columbia Reds, his job is to put a bustling, first division club on the field, and that is a real problem with 300 hitters and left-handed pitchers scarce around the Columbia training camp.

If the Reds' rookies can come through, the regulars change the frequency of their hitting at this new station, and the parent Cincinnati Reds can dig up a couple of southpaws with "20" tattooed on their arms, the Reds will be a pennant contender.

At the completion of the Reds and their manager will have to keep on their toes or they will be riding in the South Atlantic League's second division.

Only two left-handers, Grant Eoff, who had a 14.5 mark in Class D last year after falling in the South Atlantic in 1946, and Ludwig Lew, whose sore arm did not win a game with Columbia last year, are the sole portersiders. There is not a regular who hit as much as .300 last season.

The infield will be fast and steady on defense. Jo Bill Adcock, last year a promising rookie from Louisiana State University and this year strengthened with the confidence of experience, may not have a Sally League peer at first base. He is the slinger of the club and cracked out three hits in his first five exhibition game appearances, including a three run homer.

His LSU teammate, Jim Greathill, who never booted up enough in 1947 to make a good shortstop, has switched places with second baseman Johnny Lane. In the Reds first exhibition game the combination pulled off two snappy double plays.

The horseshoe crab is not a crab but a kind of spider.

Top Cage Squads To Appear In Mid-Winter Play In New Orleans

NEW ORLEANS, Mar. 31 (AP)—Four of the nation's top basketball squads will star in the New Orleans 1948-49 mid-winter sports carnival.

Basketball Chairman John Niehaus said the champion quintets have accepted invitations to participate in the Sugar Bowl's cage classic.

The squads will include Kentucky, NCAA Champion; St. Louis, National Invitational King; Holy Cross, Eastern Collegiate Rulers, and Tulane, one of the South's star teams.

In the first court tilt, Dec. 29, Kentucky will engage Tulane, and St. Louis will spar with Holy Cross. The two winners and two losers will clash in another double-header the next night.

Kentucky To Meet Phillips Tonight
NEW YORK, Mar. 31 (AP)—Kentucky matches its youth and speed against the height and experience of the Phillips Oilers tonight in the finals of the Olympic basketball tryouts.

A capacity crowd of around 18,400 is expected to witness the settlement of basketball's burning question: "Can a great college basketball team beat the nation's best AAU club?"

There's no doubt about the qualifications of each contender. The Kentucky Wildcats (36-2) breezed to the NCAA title and won its first two tryout tests handsily.

Phillips (61-3) captured its fifth straight AAU crown and swept its two trials here just as easily.

Izmir, Turkey, was formerly known as Smyrna.

Pacific Coast League Season Opens With Thunderous Blast

By THE ASSOCIATED PRESS
The lid blew off the Pacific Coast League season with a thunderous blast of heavy hitting yesterday.

Attendance at the four opening games, one day and three night contests, totaled 41,514, topping the 39,408 aggregate of last year.

The largest crowd, 13,802 at Oakland last night, saw Portland beat the Oaks, 3-0. The smallest crowd, 6,514 at Hollywood, watched the Stars slaughter Seattle, 17-2. During the Stars' 15-hit bombardment the sparkling four-hit pitching of their righthander, Burger, Arizola, was almost overlooked.

Los Angeles' Angels made 14 hits to smack the San Diego Padres, 7-4, before 7,852 at San Diego. In the only day game, San Francisco won from Sacramento, 7-4, before a record opening day crowd of 13,476 at the California capital.

A.A.U. Ring Crowns To Be Set Tonight

KANSAS CITY, Mar. 31 (AP)—The National Junior A.A.U. boxing championships are scheduled to be settled in twenty-three fights tonight, but tournament officials have no assurance all of the fighters will show up.

Last night's card, scheduled to produce 23 battles among the young amateur fistfighters, offered exactly 13 fights. Defaults and failures to pass physical examinations cut heavily into the field.

Eight fighters failed to pass their physical examinations.

ROLLINS WINS

WINTER PARK, Mar. 31 (AP)—Rollins College tennis team whitewashed Clemson, 7-0, here yesterday. Rollins players won every set by a big margin.

Clemson plays Florida at Gainesville today. Rollins will see action Saturday against the University of Miami at Coral Gables.

Training Camp Notes

WEST PALM BEACH, Mar. 31 (AP)—Bill McCann, the Philadelphia Athletics' 1947 no-hit pitcher, will try his arm against Toronto today. It will be his first appearance of the spring season. He has been bothered with a sore shoulder.

VERO BEACH, Mar. 31 (AP)—Branch Rickey announced today the purchase by Brooklyn of Roy Campanella, negro catcher, from Montreal. Rickey also intimated that Dan Bankhead, negro pitcher, would be farmed out.

ORLANDO, Mar. 31 (AP)—The Washington Senators had some pitching today where they had a couple of question marks last week. Walt Masterson, out of action for a month, pitched three good innings in an intrasquad game yesterday. Then Mito Camilli, another doubtful quality, tossed six frames and allowed only two hits.

Bergama, Turkey, was formerly known as Pergamun.

New York Ovals Face Possible Labor Strike

NEW YORK, Mar. 31 (AP)—The New York racing season is scheduled to begin tomorrow at Jamaica, but labor trouble may postpone it.

Grooms and exercise boys announced they would strike against some 130 horse owners and trainers at 6 A. M. tomorrow unless they signed an agreement with the International Brotherhood of Teamsters (AFL).

The union said it believed such a walkout would halt racing. However, Luke H. O'Brien, general manager of Jamaica, declared: "We will operate."

The owners and trainers withheld comment. They were to meet later today with their attorney, Michael J. Kingsley.

The union's attorney, Bernard Davis, said that in case of a strike pickets would be posted at Jamaica and the two other Long Island tracks, Belmont and Aqueduct. Many horses which will run at Jamaica are stabled at the other two tracks and brought to Jamaica in vans the day they race.

Young Matrons Meet At Randolph Home

The Young Matrons Club of Shiloh M. B. Church held its regular meeting yesterday at 8:00 P. M. at the home of Mrs. Florence Randolph with eight members in attendance. Mrs. Ethel Smith, president, presided over the meeting which was opened with the Scripture and prayer by Mrs. Russ. In the absence of Mrs. Christine Fielder Metz, Marie Jackson served as acting secretary during the business meeting. The group decided to hold a social in the basement of Shiloh M. B. Church, Thirteenth Street, on Saturday at 7:00 P. M. Every one is invited to attend. Following adjournment of the business session refreshments were served by the hostess assisted by Mrs. Ethel Smith.

Chile Accuses Reds Of Using Gangster Tactics On Czechs

LAKE SUCCESS, Mar. 31.—(AP)—Russia said today that the United States must bear full responsibility for any decision to kill the Palestine partition project.

LAKE SUCCESS, Mar. 31 (AP)—Chile today accused Russia of being a bold and impudent aggressor employing crude gangsterism. Delegate Hernan Santa Cruz used this bitter language in renewing his country's demand that the United Nations security council investigate the Soviet Union's role in the Communist coup in Czechoslovakia.

Santa Cruz told the council it is time to reply to the "insolent expressions" of Soviet Deputy Foreign Minister Andrei A. Gromyko. Last week Gromyko called the Chilean inquiry demand a dirty document and termed the Chilean government a veal clique.

The Chilean delegate said low and vile insults were hurled at his government's determination to press for the inquiry. He suggested that the council immediately name a sub-committee to start a preliminary investigation.

Santa Cruz said Russia is using the United Nations as a loud-speaker to broadcast propaganda against the Democratic world. He told the 11-nation council Chile had suffered from an attempt by the Soviet Union to carry out "its colossal and sinister plan of universal domination and destruction of western civilization through Communist Party fifth columns."

Chile broke off diplomatic relations with the Soviet Union and Czechoslovakia last October. Santa Cruz said he had the names of six highly qualified Czechs who had escaped from their homeland and were ready to testify before the council.

Russia, France and the United States made statements last Wednesday. At that time Chile's Delegate Warren R. Austin directed a series of questions at Russia's Andrei A. Gromyko and at the Communist government in Prague.

Dispatches from Prague said the Czechoslovak government had no intention of answering any questions in the security council. The Prague regime took the position that the Communist coup was an internal affair and did not come within the council's jurisdiction.

Gromyko has not indicated whether he will answer Austin's questions. One of these concerned the reasons for Soviet Foreign Minister Valerian A. Zorin's presence in Prague at the time of the coup.

Several other delegates remained to be heard before the council is ready to make a decision.

HAMBONE'S MEDITATIONS

KUN'L BOB SAY HE HEAR A HEAP O' WISDOM AT DE BARBOU SHOP, BUT I SPRC DEY AIN' MUCH IN IT FIT DE BIBLE!!!

Segregation

Continued from Page One
witness before the committee yesterday.

Senator Morse (R-Ore) told Randolph that he and millions of other negroes would face treason charges if they carried out his threatened civil disobedience protest against services in the armed forces.

Randolph replied to Morse that he and other negroes are "willing to pay that price."

Morse, who is a supporter of the civil rights programs that have been blocked in Congress, asked Randolph if he was saying that he would tell negroes "do not shoulder arms in protection of your country."

"That is correct," Randolph replied. "I would be doing my country a great service. If it does not develop the Democratic processes at home then it is not the coat of country worth fighting for."

Morse then asked what would happen if this country is attacked or forced into war.

"The government now has time to change its program on segregation and discrimination," Randolph replied slowly. He added that if the program is not changed "I would recommend that negroes take no part in the army."

Morse then told Randolph this would force the government to apply the legal doctrine of treason in that conduct.

Randolph appeared to agree and said he realizes such a nationwide protest by millions of negroes probably would "cause terrorism against the negroes."

"I think that a price we have to pay to get our Democratic rights," Randolph added.

"Then the doctrine of treason would be applied to those participating in that civil disobedience," Morse said.

40 Persons Killed In Bombed Train In Palestine

JERUSALEM, Mar. 31 (AP)—The Cairo-Haifa train was blown up on the Palestine coastal plain today and 40 persons were killed, and 60 injured, the government announced.

Sixty persons were injured. The blast occurred at Banyamina, 20 miles south of Haifa. The engine and four coaches of the train were derailed. The train was en route to Haifa, major Palestine port.

A government spokesman said he believed there were few if any British among the casualties. Trackage along the right-of-way was ripped up.

The blast occurred in a predominantly Jewish area, and observers expressed belief it was Jewish retaliation for Arab attacks on Jewish transport.

Jewish highway convoys particularly have been under attack, and a critical food shortage has developed in Jerusalem's Jewish sector. A high government spokesman said earlier today that the food shortage could be eased if the Jewish agency cooperates with the government and the army. He said the Jews had not sought government help in escorting convoys to Jerusalem.

Source said that power aspects of the "emergency program" would be touched on in the quarterly report of the Council of Economic Advisors to be submitted to the President next Wednesday. The President will discuss this report with his cabinet Friday of next week.

Source said that the President asked him and Hill to participate in the conference with Clapp as they could see the defense program in its entirety.

"What the President wants to know is the potential outlook for power over and above the normal needs for the emergency program," Clapp told reporters.

He said President Truman urged him to consult with the defense officials and others to get estimates as quickly as possible on the need for planes, chemicals and other defense requirements in terms of electricity. Clapp gave Mr. Truman a report on the power situation in the Tennessee Valley as it exists today.

Energy plant for which the TVA supplies electricity.

Source said that power aspects of the "emergency program" would be touched on in the quarterly report of the Council of Economic Advisors to be submitted to the President next Wednesday.

The President will discuss this report with his cabinet Friday of next week.

Source said that the President asked him and Hill to participate in the conference with Clapp as they could see the defense program in its entirety.

He said President Truman urged him to consult with the defense officials and others to get estimates as quickly as possible on the need for planes, chemicals and other defense requirements in terms of electricity. Clapp gave Mr. Truman a report on the power situation in the Tennessee Valley as it exists today.

Jewish Shortages Of Food Becoming More Acute Daily

JERUSALEM, Mar. 31 (AP)—A high government spokesman said today the critical food shortage in Jerusalem's Jewish sector could be eased if the Jewish Agency cooperates with the government and army.

The spokesman said the agency had not asked for government help in escorting Jewish food convoys into Jerusalem.

Jews said their food supplies were "dangerously low." Items already rationed by the Jews themselves are bread, at about three slices a day, one egg a week—two for children—butter and sugar. Meat so far is unrationed, but extremely scarce, save for sausages and dried meat products.

The rationing apparently was necessitated by continued Arab attacks on Jewish convoys and other interference in the moving of food and supplies to the city's 100,000 Jews.

Jewish spokesmen voiced pessimism for the future unless the convoys can get through. At present, Arabs control all the roads leading to Jerusalem. Banks said a further bread cut would be necessary unless convoys arrive.

attorney, won a sack of potatoes.

The next champion was W. A. Morrison, automobile dealer, who won a Kiwanis inscribed tie clasp and a green shaded lamp donated by Ned Smith. Other winners were B. B. Crumley, insurance agent, who won a bushel basket full of canned goods donated by Joe Saunders of the Margaret Ann Grocery, Col. Sherman Harman, laundry operator who won an auto tire and A. Reid Mann, Department of Florida Legion adjutant who won \$5.00 donated by Mr. Kilpatrick.

The biggest laugh came when Mr. Morrison asked, "Does a hen sit or set when she lays and eggs?" He then revealed the answer, "she neither sits or sets, she stands!" Among those competing were Howard Monteth and the Rev. J. E. McKinley.

Guests introduced by Joel Field were: C. T. Stamper of Saratoga, N. Y.; S. W. Tuder of Pineville, La.; C. S. Jackson of Tampa; L. A. Woellmer of Larchmont, N. Y.; T. E. Moss and Dorsey Prescott of Orlando and Lesley Harvey of the Key Club. Howard Monteth led the singing with Harry Wester at the piano.

Coal Report

Continued from Page One
At present, labor unions are specifically exempted from the anti-trust laws which forbid business firms to set up restraints on trade, fix prices or foster monopoly.

In a statement, Hartley said Lewis is "proving that the Taft-Hartley law is not drastic enough" and that the law must be changed.

He said the Taft-Hartley law affords Lewis full opportunity to settle his dispute with coal mine owners without a work stoppage, but Lewis chose not to take it.

At the coal fields remained quiet, new layoffs were made on industry reliant on coal. Dismantling coal piles forced the banking of another blast furnace in Birmingham, Ala. Other steel shutdowns there were in prospect.

Idle miners seeking unemployment compensation in Pennsylvania, large coal producing state, were declared ineligible yesterday because officials ruled their stoppage is a labor dispute.

In Chicago another federal fact-finding group was concluding its report on the nationwide meat strike. The board expects to hand its findings to President Truman tomorrow. The proceeding would parallel that applicable in the coal walkout.

About 100,000 CIO United Packing House Workers have been out since Mar. 16 to enforce demands for a wage increase of 29 cents an hour from the country's big packing concerns.

Last week, the second of the strike, saw an increase of 9 percent in the meat output over the first week. Production, however, was 38 per cent below that of the corresponding week of 1947.

A threatened walkout of Independent Packing House Workers in Southern California was averted when AFL unions accepted wage increases of nine cents an hour retroactive to Mar. 1. The agreement provides that if striking Chicago workers ultimately win more than nine cents, the independents will match the figure.

The Unions of Locomotive Engineers, Firemen and Engine Men and Switchmen in Cleveland expressed disappointment with the fact-finding board's report for a 15 1/2 cents an hour wage increase. The committees have no authority to accept or reject the report but their action is expected to have an important bearing on the union's final decision. Some 125,000 rail workers are affected.

In New York police patrolled the entrance to the New York Stock Exchange to stave off a recurrence of yesterday's violence in the strike of the AFL Financial

Sullivan Accuses Reds Of Attempts To Crush Freedom

BOSTON, Mar. 31 (AP)—Navy Secretary John L. Sullivan today accused the Russian leadership of trying to stamp out freedom everywhere to keep their own people in line.

"Not for long can they satisfy their own people with Communism while life remains worth the living under any other system," Sullivan told a Boston Chamber of Commerce luncheon.

Assessing every move the United States was making to "insist to preserve peace—but to prepare for war—the Navy secretary said:

"America has no military or imperial objectives which threaten the Russian people. The Russians want nothing but to see the Communist and Democracy cannot live together because they know that tyranny, however buttressed by censorship in the cruelest police state, can not survive as long as freedom exists anywhere in the world."

were the length of the aid program and the amount.

Rep. Jonkman (R-Mich), a member of the Foreign Affairs Committee, told the House it would be a mistake to make the cut. He said the ERP fund already has been trimmed to \$5,400,000,000 from the \$6,800,000,000 originally requested.

While no one can say with accuracy just how much is needed, he said, Congress cannot afford to make any changes.

"This is a matter of defense," he said.

Rep. Rankin (D-Miss), who frequently has advocated killing the entire bill, supported Vursell's proposal. He accused Republicans of having done an

Wallace Testifies

James testimony "should hurt him with the voters because I have a high regard for their intelligence."

The only defense of Wallace came on the Senate floor from Senator Langer (R-Ind), who frequently disents from both his party and the Senate minority. And it did not deal with Wallace's appearance at draft I-MT hearing.

Langer rebuked Mr. Truman for suggesting in an informal speech Monday night that Wallace "ought to go to the country he loves so well."

"Mr. Wallace is just as patriotic, just as honest and just as comradely as Harry S. Truman," Langer told the Senate. He added that the President is not "hurting Mr. Wallace, but only hurting himself and the dignity of the president of the United States."

Pure as home-made bread!
Ever taste that ever-tender Product of the family oven? You know it's pure as pure can be—just like pure "Pride Breads"!

Bennett's 100% pure

Only the KAISER and FRAZER have it!

THE HIGHEST COMPRESSION ENGINE

NEW POWER for '48!—smooth, compact, efficient! Among 1948 full-sized, American motor cars, only the Kaiser and the Frazer have the highest compression engine as standard equipment. There's less waste and more wallop in every drop of gasoline you buy. You get maximum fuel efficiency—a combination of performance and economy that is brand-new to motoring. This is another achievement of experienced young men who are injecting new ideas into an old industry!

MORE MILES MORE POWER
In every drop of gasoline you buy for a Kaiser or a Frazer

1948 models on display—at no increase in price. Insist that we let you drive one!
